ORDINANCE NO. 1494 - AN ORDINANCE AMENDING SECTION 28-81.5(5) AND 28-81.6(22) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO REDUCE THE SPEED LIMIT ON A PORTION OF HENDERSONVILLE ROAD

3. Consideration was given to the second reading of Ordinance No. 1494, an ordinance amending Section 28-81.5(5) and 28-81.6(22) of the Code of Ordinances of the City of Asheville to reduce the speed limit on a portion of Hendersonville Road.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Mayor McDevitt read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Bissette, Resolution No. 85-12 was unanimously adopted.

Complete text of Resolution No. 85-12 will be found in Resolution Book No. 15 at page 141. 142 none

RESOLUTION NO. 85-13 - RESOLUTION AMENDING RESOLUTION NO. 84-238 PROVIDING FOR THE CONTINUATION OF GROUP HEALTH/HOSPITAL INSURANCE TO ELIGIBLE RETIREES OF THE CITY OF ASHEVILLE

8. Consideration was given to a resolution amending Resolution No. 84-238 providing for the continuation of group health/hospital insurance to eligible retirees of the City of Asheville.

Mayor McDevitt said the Asheville City Council on December 11, 1984, adopted Resolution No. 84-238, providing for the continuation of hospital/medical insurance coverage to eligible retired City employees. He said in adopting the resolution the effective date of December, 1984, was established, and the effective date of the resolution was intended to be July 1, 1985. He said this resolution will amend Resolution No. 84-238 to reflect July 1, 1985 as the effective date of the resolution.

Mayor McDevitt read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 85-13 was unanimously adopted.

Complete text of Resolution No. 85-13 will be found in Resolution Book No. 15 at page 142. 143 none

RESOLUTION NO. 85-14 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE TREE COMMISSION (DR. J. P. LOWELL ORBISON)

9. Consideration was given to a resolution appointing Dr. J. P. Lowell Orbison as a member of the Asheville Tree Commission to serve the unexpired term of Dr. Joseph R. Kole, term expiring August 1, 1986, or until his successor is duly appointed and qualified.

Mayor McDevitt said read the resolution.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-14 was unanimously adopted.

Complete text of Resolution No. 85-14 will be found in Resolution Book No. 15 at page 143. 144 none

CLAIMS - CAROL POYNTER (SEWER) - MRS. GEORGE BAUGH (SEWER) - MRS. JOHN WILKENSON (WATER) - DOYLE KELLER (WATER)

The City Manager presented claims received from Carol Poynter, Mrs. George Baugh, Mrs. John Wilkenson, and Doyle Keller.

Corporation Counsel Slawter told members of Council that he would try to have their answers by February 5, 1985, at the Pre-Council meeting.

Councilman Myers said good representation from the citizens of Asheville would be needed during this public hearing, since this important issue would have a significant impact on City Hall. He said all citizens need to voice their opinion, pro or con, on the direct election of the Mayor.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-10 was unanimously adopted.

Complete text of Resolution No. 85-10 will be found in Resolution Book No. 15 at page ~~139.~~ 140.

RESOLUTION NO. 85-11 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS, RECREATION, AND PUBLIC FACILITIES TO SIGN AN APPLICATION FOR GRANT FUNDS FROM THE NORTH CAROLINA ARTS COUNCIL

6. Consideration was given to a resolution authorizing the Director of Parks, Recreation, and Public Facilities to sign an application for grant funds from the North Carolina Arts Council.

Mayor McDevitt said this resolution will authorize the filing of an application for grant funds in the amount of $4,440.00 from the North Carolina Arts Council and the Community Arts Council of Western North Carolina through the Grassroots Arts Program. These funds will establish several cultural programs in recreation centers and strengthen the July 4 celebration by adding performances by local art performers. These grant funds are not currently included in the budget. There will be some expense on the part of the City because a certain amount of time by existing staff will be spent in administering the project.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-11 was unanimously adopted.

Complete text of Resolution No. 85-11 will be found in Resolution Book No. 15 at page ~~140.~~ 141.

RESOLUTION NO. 85-12 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN AN AGREEMENT FOR THE LEASE OF TWO (2) AUXILIARY SCOREBOARDS FOR THE ASHEVILLE CIVIC CENTER

7. Consideration was given to a resolution authorizing the City Manager to sign an agreement for the lease of two (2) auxiliary scoreboards for the Asheville Civic Center.

Mayor McDevitt said the Asheville Civic Center is attempting to increase usage in the area of sports programming, and in 1984 the Civic Center hosted several basketball events, the most notable of which was the 1984 Southern Conference Tournament. He said during these events scoreboard sight line problems prevented portions of the audience from being able to view the time and score information on the scoreboard. He said to eliminate this problem, it is necessary to lease two (2) auxiliary scoreboards and to install them in strategic locations. He said this resolution would authorize the City Manager to execute an agreement for the lease of the said scoreboards.

Tuesday - February 5, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: City Manager Neal Creighton

INVOCATION

The invocation was given by Councilman Mary Lloyd Frank.

APPROVAL OF MINUTES - JANUARY 29, 1985 MEETING

1. Approval of the minutes of the January 29, 1985 meeting.

Mayor McDevitt announced the approval of the minutes of the January 29, 1985 meeting as submitted.

ORDINANCE NO. 1494 - AN ORDINANCE AMENDING SECTION 28-81.5 (5) and 28-81.6 (22) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO REDUCE THE SPEED LIMIT ON A PORTION OF HENDERSONVILLE ROAD

2. Consideration was given to the third reading of Ordinance No. 1494, an ordinance amending Section 28-81.5 (5) and 28-81.6 (22) of the Code of Ordinances of the City of Asheville to reduce the speed limit on a portion of Hendersonville Road.

Mayor McDevitt said the purpose of this ordinance is to pass a concurring ordinance with the North Carolina Department of Transportation to reduce the speed limit on Hendersonville Road, between Rock Hill Road and the Blue Ridge Parkway, from 45 m.p.h. to 35 m.p.h. This ordinance was read on first reading on January 22, 1985, and on second reading on January 29, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1494 passed on third and final reading.

Complete text of Ordinance No. 1494 will be found in Ordinance Book No. 10 at page 236.

ORDINANCE NO. 1495 - BUDGET ORDINANCE AMENDMENT PROVIDING MATCHING FUNDS FOR REPAIRS TO STREETS IN THE ASHEVILLE HOUSING AUTHORITY HOUSING DEVELOPMENTS PRIOR TO DEDICATION TO THE CITY

3. Consideration was given to a budget ordinance amendment to provide matching funds for repairs to streets in Asheville Housing Authority housing developments prior to dedication to the City.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT TO EXECUTIVE SESSION

Councilman Boland moved to adjourn to Executive Session to discuss a real estate and legal matter. This motion was seconded by Councilman Bissette and carried unanimously.

MAYOR

CITY CLERK

ORDINANCE NO. 1497 - BUDGET ORDINANCE AMENDMENT TO ESTABLISH A BUDGET FOR CITY OPERATION OF THE CITY HALL SNACK SHOP

5. Consideration was given to a budget ordinance amendment to establish a budget for City operation of the City Hall Snack Shop.

Mayor McDevitt said this budget amendment will amend the 17 Fund of the Parks, Recreation and Public Facilities Department to reflect the operation of the City Hall Snack Shop through Jun 30, 1985. This budget amendment is in the amount of $14,000.00 Revenues generated will offset costs of operation.

Vice-Mayor Bratton said she opposed the procedure taken in seeking bids for vendors to operate the City Hall Snack Shop. She said the City sought proposals from vendors to operate the Snack Shop, and then decided that the City would operate the Snack Shop. She said she did not think the City should be competing with private enterprise, and she did not like the manner in which this was handled.

Councilman Frank said she felt it was in the best interest of the City and City employees for the City to operate the Snack Shop.

Ray Kisiah, Director of Parks, Recreation, and Public Facilities Department, said proposals were sought mainly to obtain a cost analysis for the operation of the City Hall Snack Shop. He said after looking at the proposals, a decision was made for the City to operate the Snack Shop. He said this decision was based on the request of the employees, and the need for the Snack Shop to be operated on a small basis. He said it is not the intent of the City to compete with private enterprise or restaurants in the downtown area. He said the City has been operating the Snack Shop since November, and the Snack Shop has shown an increase in profits.

Councilman Boland expressed concerns about the City competing with other restaurants in the downtown area.

Mr. Kisiah assured Council that the operation was mainly for the convenience of City employees and general public visiting City Hall.

Louise McMorris told members of Council that she had presented a proposal for the operation of the City Hall Snack Shop. She said she had received a letter from the City stating that they were interested in someone operating the Snack Shop for the employees and the general public. She said in her proposal she offered a percentage from gross receipts, and she did not see how the City of Asheville could experience a loss by leasing the Snack Shop to a vendor. She said she had worked hard on the proposal, and was a food service operator for many years. She said she had called several times inquiring as to the status of her proposal, and finally received a letter from the City stating that the City would be operating the Snack Shop until June 30, 1985. She asked what the City of Asheville planned to do after June 30, 1985 concerning the operation of the Snack Shop.

Mayor McDevitt suggested that when proposals such as this are sent out, that a letter accompany the proposal stating that the City of Asheville might also consider carrying out the operation in-house.

Mayor McDevitt said the Asheville Housing Authority has received approval thru the HUD Area Office to repair streets in all local Asheville Housing Authority projects prior to dedication to the City. The estimated cost of the repairs is $99,470.00. Of the amount stated, $75,000 is available from Asheville Housing Authority reserves. The Asheville Housing Authority requests $24,870 in matching funds from Community Development. Funds are available in eighth and ninth year Community Development Administration and tenth year Community Development Contingency. This is an eligible Community Development expense.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1495. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1495 passed on first and final reading.

Complete text of Ordinance No. 1495 will be found in Ordinance Book No. 10 at page 237.

ORDINANCE NO. 1496 - BUDGET ORDINANCE AMENDMENT TO REALLOCATE CD PLANNING NINTH YEAR FUNDS ($5,818.00) TO THE CD TENTH YEAR BUDGET

4. Consideration was given to a budget ordinance amendment to reallocate CD Planning Ninth Year Funds ($5,818.00) to the CD Tenth Year Budget.

Mayor McDevitt said for several years, the Asheville Community Development has provided funds to the Asheville Planning Department to provide supplementary supportive planning services. The Asheville Planning Department failed to expend $5,818.00 provided for planning services in the Ninth fiscal year (1983-84), and are requesting that these funds be allocated for expenditures in the Tenth year (1984-85) Community Development Planning budget. This is only a transfer of funds from the Community Development Ninth Year funds to Community Development Planning tenth Year budget.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1496. This motion was seconded by Councilman Bissette.

On a roll call vote of 7-0, Ordinance No. 1496 passed on first and final reading.

Complete text of Ordinance No. 1496 will be found in Ordinance Book No. 10 at page 238.

The bid summary for the fork lift truck is as follows:

BIDDER	TOTAL AMOUNT
Colman Company, Greenville, S. C.	No bid
Contractors Service & Rental, Asheville, N. C.	No Bid
Arden Equipment Company	No Bid
Western Carolina Fork Lift, Conover, N. C.	$14,380.00
Vesco Industrial Truck, Hickory, N. C.	$15,600.00

RESOLUTION NO. 85-X - RESOLUTION OF ENDORSEMENT OF THE DEVELOPMENT OF A LINEAR PARK AS PART OF THE PROPOSED BROADWAY HIGHWAY PROJECT

8. Consideration was given to a resolution of endorsement of the development of a linear park as part of the proposed Broadway Highway Project.

Mayor McDevitt said the North Carolina Department of Transportation has included the upgrading and widening of Broadway in the Transportation Improvement Program. Based on studies and interest expressed by residents in the area of UNC-Asheville, a need has been determined for a greenway-bikepath along this corridor. The Transportation Advisory Committee has requested and received approval for consideration of a safe bicycling corridor from downtown to the University campus. A landscaped linear park and bikepath would constitute the most effective use of the residual properties remaining from the right-of-way acquisitions. It is important to the success of the project to submit this endorsement during the initial engineering stage of the planned highway improvement. There will be maintenance costs associated with this project by the state and/or City depending upon how the project is developed.

Sonya Luckadoo, with the Planning Department, presented the linear park and bike path plan.

After discussion, it was the consensus of Council to approve the concept of the development of a linear park, and to request that the North Carolina Department of Transportation include the project as a part of the proposed Broadway Highway Project. The resolution was amended to include that the Council expresses its intent to maintain land use requirements consistent with the project.

Council requested that the Planning and Zoning Commission be notified of Council's endorsement of the proposed park, and be encouraged to consider the project when considering zoning or development projects in this area.

Mayor McDevitt read the resolution.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-7 was unanimously adopted.

Complete text of Resolution No. 85-7 will be found in Resolution Book No. 15 at page 136.

SCHEDULING PUBLIC HEARING - UMTA GRANT

9. Consideration was given to a motion scheduling a public hearing regarding the filing of an application to the U. S. Department of Transportation for an Urban Mass Transportation Grant for March 12, 1984.

Upon request of Councilman Boland, Mr. Kisiah said he would furnish Council with a computer printout of the current operation of the City Hall Snack Shop.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1497. This motion was seconded by Councilman Price.

On a roll call vote of 6-1, Ordinance No. 1497 passed on first and final reading, with Vice-Mayor Bratton voting "no".

RESOLUTION NO. 85-~~A~~ 15 ch - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE THE RENTAL REHABILITATION PROGRAM GRANT AGREEMENT WITH THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

6. Consideration was given to a resolution authorizing the Mayor to execute the Rental Rehabilitation Program Grant Agreement with the Department of Housing and Urban Development.

Mayor McDevitt said the City of Asheville submitted an application to the Department of Housing and Urban Development to participate in its Rental Rehabilitation Program. The program description submitted for the Rental Rehabilitation Program has been approved by the Department of Housing and Urban Development. The release of grant funds is subject to the execution of the Grant Agreement by and between the City of Asheville and the Department of Housing and Urban Development. Upon execution of the Rental Rehabilitation Program Grant Agreement, the Housing Authority of the City of Asheville will receive $59,000.00 for rental rehabilitation.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Myers, seconded by Councilman Price, Resolution No. 85-6 was unanimously adopted.

Complete text of Resolution No. 85-~~6~~ 15 mon will be found in Resolution Book No. 15 at page ~~135~~ 145 mon.

BIDS - FORK LIFT TRUCK FOR THE ASHEVILLE TRANSIT AUTHORITY

7. Consideration was given to bids received for a fork lift truck for the Asheville Transit Authority.

Mayor McDevitt said two (2) bids were received for a fork lift truck for the Asheville Transit Authority. Recommendation to award the bid to the low bidder, Western Carolina Fork Lift, Inc. in the amount of $14,380.00. The amount budgeted for this item was $14,000.00; however, UMTA permits the City to exceed this amount by any reasonable amount. Funds are available in Account 67-903-0740 and is part of an approved UMTA project No. NC-05-0019.

Councilman Frank moved to approve the bids and award the contract to the low bidder, Western Carolina Fork Lift, Inc. in the amount of $14,380.00. This motion was seconded by Councilman Myers and carried unanimously.

Tuesday - February 12, 1985 - 4:00 p.m.

Asheville Civic Center Banquet Room

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; Associate City Manager/City Clerk William P. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - FEBRUARY 5, 1985, MEETING

1. Approval of the minutes of the February 5, 1985, meeting.

Mayor McDevitt announced the approval of the minutes of the February 5, 1985, meeting as submitted.

PROCLAMATION - FEBRUARY 14, 1985 - "SALUTE TO HOSPITALIZED VETERANS"

Mayor McDevitt read a proclamation proclaiming February 14, 1985, as "Salute to Hospitalized Veterans."

PROCEDURE FOR CONDUCTING PUBLIC HEARINGS - HAW CREEK AREA

Mayor McDevitt said due to the inclement weather, the City Council has decided that the public hearings scheduled for today's meeting will be continued until February 19, 1985, at 4:00 p.m. in the Asheville Civic Center Banquet Room in order to give the residents an opportunity to voice their opinions relative to the proposed developments. He said the public hearings would be opened as a legal requirement; however, no action would be taken on the proposed developments or the proposed moratorium. He said staff presentations would be made at the meeting on February 19, 1985.

Mayor McDevitt said all three public hearings relative to the Haw Creek area would be held simultaneously.

PUBLIC HEARING - SITE PLAN OF PROPOSED HAW CREEK APARTMENTS TO BE LOCATED OFF MELTON DRIVE IN HAW CREEK

3. A public hearing was held relative to the site plan of the proposed Haw Creek Apartments to be located off Melton Drive in Haw Creek.

Mayor McDevitt said the Asheville Planning and Zoning Commission, at a meeting held January 9, 1985, reviewed the site plan of the proposed Haw Creek Apartments to be located off Melton Drive in Haw Creek. The plan was prepared by Larry Traber, Architect, for Mike Summey, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend to City Council that approval of the project be denied.

Mayor McDevitt said the City of Asheville intends to apply for an annual UMTA grant for operating assistance. Federal regulations require a public hearing to be held prior to the filing of an application. The expenditures for this project will include a 50-50 match between local and federal funds: Local - $492,410; Federal - $492,409; Total - $984,819. These funds are in the current budget.

Councilman Boland moved to schedule a public hearing regarding the filing of an application to the U.S. Department of Transportation for an Urban Mass Transportation Grant for March 12, 1984. This motion was seconded by Councilman Myers and carried unanimously.

CLAIMS - ROLLINS DAVIS (WATER) - MR. STARNES (SEWER) - NICHOLUS SEXTON (SENIOR OPPORTUNITY CENTER) - BRENDA INGLE (STREETS) - KAREN GUTHRIE (WATER) - LLOYD JENKINS (STREETS) - JOYCE BUCKNER (STREET) - MARTHA CHRISMAN (WATER) -MacDUFF ASSOCIATES, INC. (WATER) - EDNA MAHAFFEY (WATER) - GLADYS YOUNG (STREET)

The City Clerk presented claims received from Rollins Davis, Mr. Starnes, Nicholus Sexton, Brenda Ingle, Karen Guthrie, Lloyd Jenkins, Joyce Buckner, Martha Chrisman, MacDuff Associates, Inc., Edna Mahaffey, and Gladys Young.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - ROBERT HUNTER VS CITY OF ASHEVILLE (COMPLAINT FOR REFUND OF TAXES)

The City Clerk said the City was served with a summons in connection with a lawsuit involving Robert Hunter VS City of Asheville regarding a complaint for refund of taxes.

Mayor McDevitt referred the summons to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Frank, seconded by Vice-Mayor Bratton, the meeting adjourned at 5:10 p.m.

Tony McDevitt
MAYOR

William F. Maloney
CITY CLERK

CLAIMS - CHRISTY LEE TAYLOR (WATER) - BARBARA TESLER (WATER) - A. L. SIZEMORE (WATER) - DOUGLAS MARTIN (FIRE) - L. J. REALTY COMPANY (SEWER)

The City Clerk presented claims received from Christy Lee Taylor, Barbara Tesler, A. L. Sizemore, Douglas Martin, and L. J. Realty Company.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURN TO EXECUTIVE SESSION

Councilman Price moved to adjourn to Executive Session to discuss a real estate matter. This motion was seconded by Councilman Myers and carried unanimously.

Jay McDevitt
MAYOR

Marian F. Maccarone
CITY CLERK

Mayor McDevitt opened the public hearing at 4:05 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Councilman Bissette moved to continue the public hearing relative to the proposed Haw Creek Apartments until February 19, 1985, without further advertisement. This motion was seconded by Councilman Price and carried unanimously.

PUBLIC HEARING - SITE PLAN FOR APARTMENT COMPLEX ON BEVERLY ROAD

4. A public hearing was held relative to a site plan for an apartment complex on Beverly Road.

Mayor McDevitt said the Asheville Planning and Zoning Commission, at a meeting held January 9, 1985, reviewed the site plan of a proposed 34 unit apartment complex to be located on Beverly Road. The plan was prepared by Ashley Engineering for Mr. Harry Lerner, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance.

Mayor McDevitt opened the public hearing at 4:05 p.m.

The City Clerk presented the notice to the public, setting the time and date of the public hearing and the affidavit of publication.

Councilman Boland moved to continue the public hearing relative to the site plan for an apartment complex on Beverly Road until February 19, 1985, without further advertisement. This motion was seconded by Councilman Myers and carried unanimously.

PUBLIC HEARING RELATIVE TO A MORATORIUM ON NEW BUILDINGS IN HAW CREEK

5. A public hearing was held relative to a moratorium on new buildings in Haw Creek.

Mayor McDevitt said at its meeting on January 9, 1985, the Asheville Planning and Zoning Commission, after presentations by the Haw Creek Community Association, Inc., voted to recommend to the Asheville City Council that a 90 day moratorium be imposed on all development in the Haw Creek area. The stated purpose for said moratorium is as follows: To allow a study of existing conditions in the neighborhood to determine the ability of utility, roads and streets systems to accommodate additional growth. In addition, the Commission recommended that staff study the zoning patterns of the neighborhood along with the ability of the school system to absorb any additional influx of students.

Mayor McDevitt opened the public hearing at 4:05 p.m.

The City Clerk presented the notice to the public, setting the time and date of the public hearing and the affidavit of publication.

Councilman Frank moved to continue the public hearing relative to a moratorium on new buildings in Haw Creek until February 19, 1985, without further advertisement. This motion was seconded by Councilman Myers and carried unanimously.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had recommended to Council that a portion of Lot 56 be rezoned from R-1 Residential District to LI Light Industrial District to allow further use of the property. He said the property is owned by the Carolina Power and Light Company, and has been declared surplus, and they wish to sell the property. He said they have a buyer for the property for a commercial use. He said opposition to the rezoning was received from several residents in the area. He said the residents did not want the commerical zoning. He said they felt Rock Hill Road is too narrow to carry additional traffic, and they preferred that their neighborhood remain a quiet residential area.

Mr. Caldwell of Rock Hill Road spoke in opposition to the rezoning stating that a commercial zone would take over their residential neighborhood.

Mr. Albert Sorrells, right-of-way agent for Carolina Power and Light Company, spoke in support of the rezoning.

By the use of a map, Mr. Emrick reviewed the location of the property proposed to be rezoned.

Mayor McDevitt closed the public hearing at 4:30 p. m.

Mayor McDevitt said members of Council were furnished copies of the ordinance, and it would not be read in its entirety.

Councilman Bissette requested that he be excused from voting on the proposed rezoning of the property located on Rock Hill Road, since his law firm represents Carolina Power and Light Company, and in his opinion there would be a conflict of interest.

Vice-Mayor Bratton moved to excuse Councilman Bissette from voting on the proposed rezoning of the property located on Rock Hill Road. This motion was seconded by Councilman Boland and carried unanimously.

There being no motion for adoption of the ordinance to rezone the property located on Rock Hill Road, the request to rezone the property was denied, and the property will remain zoned R-1 Residential District.

PUBLIC HEARING - SITE PLAN OF SOUTH MOUNTAIN MEDICAL, INC. LOCATED IN SWEETEN CREEK INDUSTRIAL PARK

3. A public hearing was held relative to a site plan of the proposed South Mountain Medical, Inc. located in Sweeten Creek Industrial Park.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held January 9, 1985, reviewed the site plan of the proposed South Mountain Medical, Inc. industry to be located in Sweeten Creek Industrial Park. The plan was prepared by Danie Johnson, Architect, for Joden Properties, Inc., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance.

Tuesday, February 19, 1985 - 4:00 p. m.

Asheville Civic Center Banquet Room

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gordon Myers

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - FEBRUARY 12, 1985 MEETING

1. Approval of the minutes of the February 12, 1985 meeting.

Mayor McDevitt announced the approval of the minutes of the February 12, 1985 meeting as submitted.

PROCLAMATION - SUNDAY, FEBRUARY 24, 1985 - "ASHEVILLE SCHOOL DAY"

Mayor McDevitt read a proclamation proclaiming Sunday, February 24, 1985 as "Asheville School Day".

Mayor McDevitt presented the proclamation to Mr. Ray Cruett of the Asheville School.

PUBLIC HEARING - REZONING PROPERTY LOCATED ON ROCK HILL ROAD - CAROLINA POWER AND LIGHT COMPANY REQUEST

2. A public hearing was held relative to rezoning property located on Rock Hill Road from R-1 Residential District to LI Light Industrial District, requested by Carolina Power and Light Company.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held January 9, 1985 considered the request of Carolina Power & Light Company by Douglas Thigpen, Attorney, that Ward 7, Sheet 56, Lot 56, be rezoned from R-1 Residential District to LI Light Industrial District. The property is located on Rock Hill Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 56, portion of Lot 56, be rezoned from R-1 Residential District to LI Light Industrial District.

Mayor McDevitt opened the public hearing at 4:12 p. m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

PUBLIC HEARING - SITE PLAN OF PROPOSED HAW CREEK APARTMENTS - MELTON DRIVE IN HAW CREEK

5. A public hearing relative to a site plan of the proposed Haw Creek Apartments to be located off Melton Drive in Haw Creek was continued.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held January 9, 1985, reviewed the site plan of the proposed Haw Creek Apartments to be located off Melton Drive in Haw Creek. The plan was prepared by Larry Traber, Architect, for Mike Summey, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend to City Council that approval of the project be denied. This public hearing was continued from the February 12, 1985 meeting.

PUBLIC HEARING - SITE PLAN FOR APARTMENT COMPLEX ON BEVERLY ROAD

6. A public hearing relative to a site plan for an apartment complex on Beverly Road was continued.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held January 9, 1985, reviewed the site plan of a proposed 34 unit apartment complex to be located on Beverly Road. The plan was prepared by Ashley Engineering for Mr. Harry Lerner, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance. This public hearing was continued from the February 12, 1985 meeting.

PUBLIC HEARING - MORATORIUM ON NEW BUILDINGS IN HAW CREEK

7. A public hearing relative to a moratorium on new buildings in Haw Creek was continued.

Mayor McDevitt said at its meeting on January 9, 1985, the Asheville Planning and Zoning Commission after hearing presentations by the Haw Creek Community Association, Inc. voted to recommend to the Asheville City Council that a 90 day moratorium be imposed on all development in the Haw Creek area. The stated purpose for said moratorium is as follows: To allow a study of existing conditions in the neighborhood to determine the ability of utility, roads and streets systems to accommodate additional growth. In addition the Commission recommended that staff study the zoning patterns of the neighborhood along with the ability of the school system to absorb any additional influx of students. This public hearing was continued from the February 12, 1985 meeting.

Mayor McDevitt opened the public hearing at 4:35 p. m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission recommended approval of the project. He said the building would be erected behind the present Pepsi Cola plant in Sweeten Creek Industrial Park. He said the project has been reviewed and approved by the Metropolitan Sewerage District and the Water Department. He said Phase I of the project would consist of 48,000 square feet. He said the project meets all the requirements of the zoning ordinance.

Mayor McDevitt closed the public hearing at 4:37 p. m.

Councilman Price moved to approve the site plan of the proposed South Mountain Medical, Inc. to be located in the Sweeten Creek Industrial Park. This motion was seconded by Councilman Bissette and carried unanimously.

PUBLIC HEARING - SITE PLAN OF PROPOSED MOBILE HOME PARK TO BE LOCATED ON SAND HILL ROAD

4. A public hearing was held relative to a site plan of a proposed Mobile Home Park to be located on Sand Hill Road.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held January 9, 1985, reviewed the site plan of a proposed Mobile Home Park to be located on Sand Hill Road. The plan was prepared by Frank McGahren, Engineer, for Tom Pinkerton, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the amended plan to City Countil subject to compliance with the Erosion Control Ordinance.

Mayor McDevitt opened the public hearing at 4:38 p. m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission recommended approval of the site plan. He said Mr. Tom Pinkerton, Developer, owns and resides on the property to be developed. He said the project was reviewed and approved by the Traffic Engineer. He said the project would consist of 48 units, which meets all the requirements of the zoning ordinance.

Mr. Tom Pinkerton, Developer of the Mobile Home Park, spoke in support of his proposed project. He said no opposition had been received on the proposal.

Mayor McDevitt closed the public hearing at 4:45 p. m.

Councilman Price moved for the approval of the site plan for the Mobile Home Park to be located on Sand Hill Road. This motion was seconded by Councilman Frank and carried unanimously.

Mr. Emrick said the project meets all requirements of the zoning ordinance, and the developer has commitments from the Metropolitan Sewerage District and the Water Department. He said the sewer crews checked the flow in the area, and determined that the problems referred to by the residents in the area are not related to the adequacy of the sewer, but is created by overflowing from infiltration of high water from the creek. He said according to the Water and Sewer Department the problem comes from an 8" line which is broken and deteriorated. He said this line is owned by the City and the County.

Mr. Emrick presented the site plan for an apartment complex on Beverly Road. He said Mr. Harry Lerner, Developer of the proposed apartment complex, submitted an application for the project in December, 1984. He said the Planning and Zoning Commission reviewed the project in January, 1985, and recommended approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance. He said, according to the plans, Mr. Lerner plans to have a self-contained utility system for his project, by tieing into a 20" sewer trunk line, and by installing a 6" water line into a 36" feeder line. He said opposition was received from the residents in Haw Creek on the basis that Beverly Road would not carry the additional traffic flow that would be created by the project.

Mr. Emrick said at the Planning and Zoning Commission meeting on January 9, 1985, prior to the discussions relative to the site plans for Mr. Mike Summey and Mr. Harry Lerner, the Commission received comments from the residents of Haw Creek requesting a 90-day moratorium on all development in the Haw Creek area. He said the purpose of the moratorium is to allow the planning staff to develop a comprehensive report on existing and projected conditions of traffic, water and sewer systems in Haw Creek. He said in the past two to three years the Commission and Council has approved approximately 600 multi-family units in the Haw Creek area. He said it has been determined that Haw Creek has the largest land use mass for developments in the City of Asheville. He said it is staff's opinion not to promote a "no growth" situation. He said the study would identify problems in the area, and provide recommendations for proper growth of the area. He said the planning staff has already started working on the comprehensive plan for Haw Creek. He reviewed the issues that the Planning staff has already addressed.

By the use of a map, Mr. Emrick identified the area to be included in the moratorium.

Mayor McDevitt said all three (3) of the above public hearings were opened at the February 12, 1985 meeting; however, due to the inclement weather the public hearings were continued until today. He said because all three (3) issues are interrelated, Council has decided to hold the public hearings simultaneously. He requested that citizens wishing to speak on the Haw Creek matters hold their comments to three (3) minutes, unless they are representing a group of citizens. He requested that anyone speaking for a group to try to limit their comments to ten (10) minutes.

Mayor McDevitt said Councilman Myers was called out of town on business.

Mayor McDevitt requested that he be excused from discussion and vote on the proposed Haw Creek Apartments to be located off Melton Drive in Haw Creek since his law firm represents the developer, Mike Summey, and in his opinion this would constitute a conflict of interest.

Vice-Mayor Bratton moved to excuse Mayor McDevitt from discussing and voting on the proposed Haw Creek Apartments to be located off Melton Drive in Haw Creek. This motion was seconded by Councilman Price and carried unanimously.

Mayor McDevitt said staff presentations would be made on each issue then the floor would be open for public comments on all three (3) issues.

Verl Emrick, Director of Planning, in presenting the site plan of the proposed Haw Creek Apartments, said Mr. Summey submitted his application to the Planning and Zoning Commission on September 4, 1984. He said the matter was delayed pending information on the adequacy of sewer facilities in the area. He said the Planning and Zoning Commission considered the matter on January 9, 1985. He said the property is zoned R-2 Residential and is located off Melton Drive. He said the Planning Commission received petitions in opposition to the project. He said the Commission voted to recommend to Council that approval of the project be denied due to the inadequate access to the property.

Mr. Emrick said the plans indicated an access into the property from a cul-de-sac which has a 50' right-of-way. He said traffic counts were taken on Melton Drive, by the Traffic Engineer, which indicated 142 trips into Melton Drive each day. He said the Commission felt the cul-de-sac was built for a small subdivision, and would not be large enough for an apartment complex. He said Mr. Summey had contacted several property owners in the area in an attempt to provide another access into the property; however the property owners would not grant Mr. Summey an access easement through their property.

George Perkins - 625 New Haw Creek Road
Paul Hutchins - Willowbrook Road
Bill Tennant - Tennant Lane

Note: Mildred Southern, 1 Waters Road, said her sewer lines have backed up three (3) times ruining her carpet, walls, baseboards, tile, etc. and the City of Asheville Insurance Adjuster has rejected her claim for damages on all occasions. She said she felt the problem was negligence on the part of the City.

Carolyn Tingle of Kenilworth Road, said Mr. Summey built apartments across the street from her house. She said at first she opposed his project; however she said since Mr. Summey built the apartments, he did a very good job, leaving trees, etc., and is very selective in his tenants.

Gary Rowe, Attorney representing the Haw Creek Homeowners Association and residents of Melton Drive, spoke in opposition to the two (2) proposed projects - Mike Summey and Harry Lerner. He said according to his interpretation of the Zoning Ordinance, an applicant for a group development must own the property proposed to be developed. He said it is his understanding that Mr. Summey nor Mr. Lerner owns the properties proposed to be developed. He said this concern should be addressed.

Mr. Emrick responded to Mr. Rowe that for purposes of this nature, the zoning ordinance is interpreted that individuals that have options on property can act as designated agents.

Mr. Rowe read portions of the zoning ordinance - group development section outlining the reasoning for approval/disapproval of a proposed development. He said the residents are not opposed to progress in the Haw Creek area; however, the area should be guarded.

Mr. Rowe said Melton Drive, where the Summey project is proposed to be developed, is only 16', and is not wide enough to carry the additional burden of 32 units.

Mr. Rowe presented the following documents for Council's consideration:

A letter from Marvin E. Waddey, former Director of Public Works - Buncombe County, and resident of 49 Willowbrook Road - relative to the deterioration of the 8" sewer line in Haw Creek.

Statements from residents of Haw Creek relative to the problems in Haw Creek - particularly sewer problems.

Photographs showing the problems in the Haw Creek Area.

Statement from Daina Moody, 30 Willowbrook Road, School Bus Driver in the Haw Creek area - relative to roads that are too narrow

(A copy of all these documents are on file in the Office of the City Clerk for the City of Asheville)

At the request of Council, Rick Harper, with the Water and Sewer Department, said the sewer problems referred to by the residents of Haw Creek is caused by the line extending from Beverly Road to the Sondley Estate. He said about half the line is in the City and the other half in the County. He said the line is running about 1/4 capacity, until it rains, and then the rain causes the manholes to overflow. He said other than when it rains the line works well. He said in order to correct the problem the 8" line would have to be relocated away from the creek. He said this would have to be a joint effort by the City and the County. He said it would cost the City approximately $270,000 to relocate the City's part of the line. He said, in his opinion, the 8" collector line has the capacity of carrying the two new proposed developments - Haw Creek Apartments and the apartment complex on Beverly Road. He said if everyone on the line now was taken off, there would still be a problem with infiltration on the 8" collector line.

Mr. Harper answered questions from members of Council relative to the sewer line problem.

The following individuals spoke in opposition to the proposed site plans submitted by Mr. Mike Summey and Mr. Harry Lerner, and speaking in support of the proposed 90-day moratorium. They cited concerns relative to the amount of traffic that would be generated from the two projects, problems related to water, sewer, traffic , over-population, and the need to protect property values. They felt progress in the area should be stopped until all the problems are addessed. They said they would also like for the Haw Creek area to remain primarily for single family dwellings:

Tidwell Williams - Haw Creek
Martha McMahan - 18 Melton Drive
Bruce Bailey - 11 Waters Road
J. E. Anderson - 16 Willowbrook
Monk Bradford - 111 Pershing Road
Bob Reese - Haw Creek
Philip Neal - Willowbrook Road
Mrs. Eugene Melton - 660 New Haw Creek Road
Bob McPherson - Sondley Parkway
Mildred Southern - 1 Waters Road
Grace Hess - 380 New Haw Creek Road
Clark Crozer - 48 Willowbrook Road
Pamela Owenby - 79 Keasler Road
Harry Burnette - 767 Haw Creek Road
Michael Davis - 251 Old Haw Creek Road
Col. Lester Lampert - 17 Hillview Circle
Barbara Melton - Melton Drive
Dorothy Davis - Haw Creek Road, Chairman of Haw Creek Homeowners Assn. (presented petition opposing projects - signed by 313 residents and voters)
Ruby Cairnes - 26 Willowbrook Road
Nan P. Brown - 11 Whitson Road
Pauline Tennant - Tennant Lane
Earl Bessard - 4 Keasler Circle
Fredrick Romig - 46 Keasler Road

Mr. Harry Lerner, Developer for the apartment complex on Beverly Road, spoke in support of his proposed development. He said he would comply will all problems addressed. He said the property on which the development is proposed is on the tax books for $280.80, and his development would increase this substantially. He said he plans, at his expense, to put in a 6" sewer line and a 6" water line to the property. He said he proposes to install the 6" sewer line to tie into a 10" sewer manhole then into the 20" trunk line behind Miller Store. He said Beverly Road does not carry that much traffic, and would have no problem carrying the additional traffic that would be generated by his proposed development. He said he also plans to install a fire hydrant in the area which would benefit everyone on Beverly Road. He requested that Council approve his project, and not stop developments while a study is being conducted.

At the request of Council, Mr. Ashley with Ashley Engineering, Engineer for the apartment complex on Beverly Road, explained the plan for installing the sewer line to the property. It was determined that an 8" line would be installed on the property, tie into a 6" manhole, tie into a 10" manhole, then into the 20" main trunk line.

Mike Summey said Council should seriously consider imposing a moratorium. He said this affects the City and developers.

Mr. Rowe reiterated the point that Mr. Lerner's plan for installing the sewer line was misrepresented to the City, and that Mr. Summey and Mr. Lerner does not own the property proposed to be developed.

Mayor McDevitt closed the public hearings at 8:36 p. m.

SITE PLAN FOR PROPOSED HAW CREEK APARTMENTS - MELTON DRIVE - MIKE SUMMEY

Upon inquiry of Vice-Mayor Bratton, Corporation Counsel Slawter said Council, in his opinion, did have the authority to disapprove a proposed development in considering the health, safety, and welfare of the community.

Councilman Bissette move that the site plan for the Haw Creek Apartments be referred back to the Planning and Zoning Commission for further consideration for a report back to Council in 120 days. This motion was seconded by Councilman Frank, which motion failed on a voice vote of 3-2, with Vice-Mayor Bratton, Councilman Frank, and Councilman Bissette voting "aye", and Councilmen Price and Boland vote "no".

Not hearing a motion for approval of the project, Mayor McDevitt announced that the request for approval of the site plan for the Haw Creek Apartments is denied.

Mr. Rowe presented the following documents for Council's consideration:

A letter from Marvin E. Waddey, former Director of Public Works - Buncombe County, and resident of 49 Willowbrook Road - relative to the deterioration of the 8" sewer line in Haw Creek.

Statements from residents of Haw Creek relative to the problems in Haw Creek - particularly sewer problems.

Photographs showing the problems in the Haw Creek Area.

Statement from Daina Moody, 30 Willowbrook Road, School Bus Driver in the Haw Creek area - relative to roads that are too narrow

(A copy of all these documents are on file in the Office of the City Clerk for the City of Asheville)

Mr. Rowe said it is his understanding that Mr. Lerner intends to tie into a 10" sewer line then into the 20" trunk line.

Mr. Rowe requested that the two projects - Mike Summey and Harry Lerner - be put on hold until the problems in the Haw Creek community can be addressed.

Pauline Tennant of Tennant Lane, presented a statement relative to the sewer problems in Haw Creek. She said she felt the solution to the problem would be to replace the entire sewer system. (A copy of the statement is on file in the Office of the City Clerk)

Mike Summey, Developer for the proposed Haw Creek Apartments, spoke in support of his project. He said he felt the Council would be acting unfairly if it did not approve his request because he has complied with all city regulations since the application was filed in September. He said the Council set up group development guidelines for developers, and they should live by them.

Mr. Summey said his property has a natural buffer, and he did not anticipate taking any trees out in developing the property. He said his project would not have any bearing on the sewer line in the area. He said this had been indicated by the Water and Sewer Department. He said his project, in his opinion, would have no impact on the problems addressed by the residents of Haw Creek. He said his project meets all the requirements of the zoning ordinance, group development section, all building codes, and he has commitments from the Metropolitan Sewerage District and the Water Department. He requested that Council approve the project for the Haw Creek Apartments on Melton Drive.

B. RESOLUTION NO. 85-~~8~~ 18 -Resolution authorizing the Purchasing Director to dispose of property by private sale at a negotiated price.

HIGHLIGHTS: Article 12 of Chapter 160-A of North Carolina General Statutes provides that a municipality may dispose of personal property valued at less than $5,000 for any one item or group of similar items through private negotation and sale. The Motor Transport Division has approximately 1,000 used tires, for which the City has no use. These tires have been declared surplus by the Motor Transport Superintendent.

FISCAL IMPACT: Additional revenue of approximately $1,000.00.

Resolution Book No. 15 - page ~~138~~ 148 mon

Upon motion of Councilman Frank, seconded by Councilman Boland, the consent agenda was unanimously adopted.

CLAIMS - WILLIAM SOUTHERN (SEWER) - ROGER LANCE (STREETS) - MRS. FRANK GREEN (STREETS) - KIM SULLIVAN (STREETS)

The City Clerk presented claims received from William Southern, Roger Lance, Mrs. Frank Green, and Kim Sullivan.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

COUNCIL WORK SESSION - THURSDAY, FEBRUARY 21, 1985 5:30 P. M.

Mayor McDevitt announced that Council would have a work session on Thursday, February 21, 1985 at 5:30 p. m. in the Council Conference Room in the City Hall Building. He said he anticipated that the entire work session would be an executive session dealing with real estate, personnel, and legal matters.

ATTENDANCE OF COUNCIL AND CITY MANAGER TO SOUTHERN PINES CONFERENCE IN MARCH, 1985

Councilman Frank moved to authorize the City Manager and any member of Council who wishes, to attend the Southern Pines Conference in March, 1985. This motion was seconded by Councilman Price and carried unanimously.

ADJOURNMENT

Councilman Frank moved to adjourn the meeting at 9:25 p. m. This motion was seconded by Councilman Price and carried unanimously.

Larry McDevitt
MAYOR

Miriam J. Metcalf
CITY CLERK

SITE PLAN FOR AN APARTMENT COMPLEX ON BEVERLY ROAD - HARRY LERNER

Vice-Mayor Bratton moved for the approval of the site plan for an apartment complex on Beverly Road. This motion was seconded by Councilman Price and carried unanimously.

ORDINANCE NO. 1498 - ORDINANCE IMPOSING A NINETY DAY MORATORIUM LIMITING DEVELOPMENT IN THE HAW CREEK AREA

Mayor McDevitt read the proposed ordinance.

Councilman Price moved for the adoption of Ordinance No. 1498. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1498 passed on first reading.

APPROVAL OF CONSENT AGENDA

8. Mayor McDevitt said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. RESOLUTION NO. 85-147 -Resolution authorizing the City Manager to sign an agreement for permanent partial disability settlement for worker's compensation with Robert L. Alexander.

HIGHLIGHTS: Robert L. Alexander is an employee of the Asheville Parks, Recreation, and Public Facilities Department. Mr. Alexander sustained a compensable injury under Chapter 97 of the North Carolina General Statutes for Worker's Compensation on or about the 29th day of July, 1983. The employee has reached maximum medical improvement and been rated by his physician as having a 10% permanent partial disability of his left arm. Under said Chapter of the General Statutes 10% permanent partial disability to the left arm is equal to $5,004.72, based upon the employee's compensation rate under the law. This resolution will authorize the City Manager to execute an agreement on behalf of the City of Asheville to finally settle the disability sustained by said employee in the course and scope of his employment.

FISCAL IMPACT: The Parks, Recreation, and Public Facilities Department will absorb the cost of $5,004.72.

Resolution Book No. 15 at page ~~137~~ 147

Mayor McDevitt opened the public hearing at 4:12 p.m.

Mayor McDevitt summarized the proposed ordinance.

Corporation Counsel Slawter said the adoption of this ordinance would simply change the method of election of the Mayor. He said it would in no way change the authority of the Mayor. He said after the adoption of the ordinance, Council may request the North Carolina General Assembly to change the City of Asheville Charter, particularly with reference to the requirement of the Mayor to vote. He said this action would be requested in order to clarify this requirement.

The following individuals spoke in opposition to the adoption of an ordinance for the direct election of the Mayor, stating that the present method has worked for a number of years, and the proposed method may lose good qualified candidates for Council seats that would run for Mayor. It was suggested that the Mayorship be given to the individual receiving the highest number of votes:

George White - West Asheville
Pauline Tennant - Tennant Lane
Mrs. Algary - 172 Wembly Road
Carol Smith - Beverly Hills
Florence Ryan - 74 Wembly Road
Bill Tennant - Tennant Lane

The following individuals spoke in support of adoption of an ordinance, for the direct election of the Mayor, stating that the citizens of Asheville had the right to elect their own Mayor, and there is divisiveness in electing the Mayor under the present method:

F. D. Fitzgerald Horn
Rev. Wendall Christerpher
Dr. Otis Michael - former Councilman
Mrs. Jones - 72 Jefferies Avenue
Ralph Bishop
Steve Wilborn

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor McDevitt closed the public hearing at 4:43 p.m.

ORDINANCE NO. 1498 - AN ORDINANCE IMPOSING A 90 DAY MORATORIUM LIMITING DEVELOPMENT IN THE HAW CREEK AREA

3. Consideration was given to the second reading of Ordinance No. 1498, an Ordinance imposing a 90 day moratorium limiting development in the Haw Creek Area.

Regular Meeting

Tuesday - February 26, 1985 - 4:00 p.m.

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Louis Bissette.

APPROVAL OF THE MINUTES - FEBRUARY 19, 1985 MEETING

1. Approval of the minutes of the February 19, 1985 meeting.

Mayor McDevitt announced that since Councilmembers have not had an opportunity to review the minutes, approval of the minutes of the February 19, 1985 meeting would be held over until the February 26, 1985 meeting.

PROCLAMATION - MARCH 3-9, 1985 - "ASHEVILLE AND BUNCOMBE COUNTY DRUG AWARENESS WEEK"

Mayor McDevitt read a joint proclamation proclaiming March 3-9, 1985 as "Asheville and Buncombe County Drug Awareness Week."

Mayor McDevitt presented the proclamation to Pete Banyai and Cleve Tidwell with Asheville "Pride.".

PUBLIC HEARING - ORDINANCE AMENDING THE CHARTER OF THE CITY OF ASHEVILLE REGARDING THE SELECTION OF MAYOR

2. A public hearing was held relative to the adoption of an ordinance amending the Charter of the City of Asheville regarding the selection of Mayor.

Mayor McDevitt said Resolution No. 83-209 relative to the process for election of the Mayor was unanimously adopted by the City Council of the City of Asheville on December 6, 1983, and said Resolution provided that the City Council go on record endorsing the concept of examining the feasibility of the Mayor being elected by the citizens rather than by the present process of being elected by the seven (7) members of the City Council. The City Council has continued to examine the feasibility of the direct election of the Mayor by all of the qualified voters of the City. This public hearing will afford the people of the City of Asheville the opportunity to voice their opinion on the Direct Election of Mayor.

Mayor McDevitt said Council would take no action on the ordinance at today's meeting, but the ordinance would be placed on the agenda for February 26, 1985 for action. He said this particular ordinance does not contain a provision to hold a referendum relative to the direct election of the Mayor. He said Council members could decide by the third reading of the ordinance whether or not to hold a referendum on the issue.

Upon inquiry of Council, Corporation Counsel Slawter said he felt Council would have a legal problem if they decided to make the moratorium retroactive. He said Council could pass the ordinance on second and third readings today. He said in researching Mr. Summey's plans, it is his opinion that Mr. Summey is meeting all requirements of the letter of the law. He said he did not feel Council has authority over Mr. Summey's proposed plans.

Mayor McDevitt said he would request to be excused from voting on the second and third readings of the moratorium ordinance, since he felt the issue indirectly involves Mr. Mike Summey, the Developer, and his law firm represents Mr. Summey. He said he felt there would be a conflict of interest.

Mr. Rowe said the issues brought to the attention of Council relative to the requirement of the subdivision ordinance that all lots abut on public right-of-way should be addressed by Council.

Mayor McDevitt renewed his request to be excused from voting on the second and third reading of Ordinance No. 1498, since his law firm represents Mr. Mike Summey, Developer, who is indirectly involved in the moratorium ordinance.

Councilman Boland moved to excuse Mayor McDevitt from voting on Ordinance No. 1498. This motion was seconded by Councilman Bissette and carried unanimously.

Mayor McDevitt said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1498 passed on second reading.

Councilman Boland moved to suspend the rules and proceed to the third reading of Ordinance No. 1498. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1498 passed on third and final reading.

Complete text of Ordinance No. 1498 will be found in Ordinance Book No. 10 at Page 240.

ORDINANCE NO. 1499 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDING FOR THE ON-GOING INCENTIVE HOUSING (DOLLAR A LOT) PROJECT

4. Consideration was given to a Budget Ordinance Amendment to provide funding in the amount of $7,086 for on-going Incentive Housing (Dollar-A-Lot) project.

Mayor McDevitt said at its meeting on January 9, 1985, the Asheville Planning and Zoning Commission after hearing presentations by the Haw Creek Community Association, Inc. voted to recommend to the Asheville City Council that a 90 day moratorium be imposed on all development in the Haw Creek area. The stated purpose for said moratorium is as follows: To allow a study of existing conditions in the neighborhood to determine the ability of utility, roads and streets systems to accommodate additional growth. In addition the Commission recommended that staff study the zoning patterns of the neighborhood along with the ability of the school system to absorb any additional influx of students. This ordinance was read on first reading on February 19, 1985.

Verl Emrick, Director of Planning, said during the past week five (5) permits have been requested for five (5) separate buildings containing 4 units each on Melton Drive. He said Mr. Summey presented plans for five (5) different permits on separately owned parcels. He said under these conditions, the developers are not required to meet the requirements of the subdivision or group development section of the Zoning Ordinance.

Several Council members suggested that the subdivision ordinance be amended to prevent future problems of developers building a multi-unit apartment complex after his original plans were denied.

Gary Rowe, Attorney for the Haw Creek Homeowners Association and residents of Melton Drive, said he felt the action by Mr. Summey was an attempt to avoid compliance with the proposed moratorium. He said he felt, even though Mr. Summey is proposing to build on 5 separate lots, that his project should come under the Group Development section of the Zoning Ordinance. He cited several sections of the subdivision ordinance and Zoning Ordinance. He said, in his opinion, Mr. Summey may be complying with the letter of the law; but is not complying with the spirit of the law, and certainly not the spirit of the moratorium. he cited a portion of the subdivision ordinance that required "all lots have to abut on public right-of-way." He said all of Mr. Summey's lots do not abut on public right-of-way. He said the Haw Creek Homeowners Association and the residents of Melton Drive opposed the action of Mr. Summey. He suggested that Council amend the moratorium ordinance to include all zoning permits since last reading, and further requested that the second and third reading of the moratorium be held at today's meeting.

The following individuals spoke in opposition to the action taken by Mr. Summey, and further requested that the ordinance relative to the moratorium be passed on second and third readings today:

Pauline Tennant - Board Member of the Haw Creek Homeowners Association
Mr. Nichols - Haw Creek
Bill Tennant - Tennant Lane
Mr. Manley - Haw Creek

Councilman Frank said she had asked at the meeting of February 19, 1985, whether or not any permits had been issued or planned to the issued that would be affected by the moratorium, and she received a response that there were not any permits pending. She said the moratorium on developments will not solve the problems in Haw Creek, but would be a beginning.

Mayor McDevitt indicated that the Town of Biltmore Forest, the County of Buncombe, and private enterprise will be contributing to the cost of the sewer line in the South Buncombe annexation area.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Bissette moved for the adoption of Ordinance No. 1500. This motion was seconded by Councilman Frank.

On a roll call vote of 7-0, Ordinance No. 1500 passed on first and final reading.

Complete text of Ordinance No. 1500 will be found in Ordinance Book No. 10 at page 245.

RESOLUTION NO. 85-10 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT AND ANY CHANGE ORDERS WITHIN THE BUDGETED AMOUNT WITH HICKORY CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS GASHES CREEK ROAD BRIDGE REPLACEMENT PROJECT

6. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville a contract with Hickory Construction Company for the project known as Gashes Creek Road Replacement Project.

Mayor McDevitt said Gashes Creek Road is in need of replacement due to its age and present condition. Gashes Creek Road Bridge is included in the Federal Aid Off-System Bridge Replacement Program. Bids were opened on the Gashes Creek Road Bridge Replacement Project on February 20, 1985. This resolution will authorize the Mayor to execute a contract and any change orders within the budgeted amount with Hickory Construction Company, low bidder on the Gashes Creek Road Bridge Replacement Project in the amount of $780,705.48. Sufficient funds are available in the Federal Aid Off-System Bridge Replacement Program.

Clark Brown, Director of Public Works, said the bidders on the project were Crowder Construction Company in the amount of $835,560.40; Taylor and Murphy Construction Company-$917,892.90; and Hickory Construction Company in the amount of $780,705.48.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-10 was unanimously adopted.

Complete text of Resolution No. 85-10 will be found in Resolution Book No. 15 at page 139.

BIDS - THREE (3) REFUSE COLLECTION VEHICLES

7. Consideration was given to bids received for three (3) refuse collection vehicles.

Mayor McDevitt said the Incentive Housing (Dollar-A-Lot) project was established in 1977 with Community Development funds as a residential, home ownership incentive program for low and moderate income families in the East Riverside Urban Renewal area. Families qualifying for this Community Development-Asheville Housing Authority program pruchased these urban renewal residential lots for one dollar, enabling low and/or moderate income families to build homes in the neighborhood. This program is still available in the East Riverside area supported by "property disposition funds" from the East Riverside Urban Renewal Project and has been extended to the East End/Valley Street Redevelopment area. Funds to continue support for this project are available from Community Development property disposition income in the East Riverside and East End/Valley Street area.

Barry Master, with the Pisgah Legal Services, requested a meeting with the City Council to discuss housing issues on behalf of his clients. He said the session would be relative to housing and community development City-wide, and particularly in the Montford area.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1499. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1499 passed on first and final reading.

Complete text of Ordinance No. 1499 will be found in Ordinance Book No. 10 at page 244.

ORDINANCE NO. 1500 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDING FOR A SEWER LINE TO SERVE PROPOSED DEVELOPMENT IN THE SOUTH BUNCOMBE ANNEXATION AREA

5. Consideration was given to a budget ordinance amendment to provide funding for a sewer line to serve proposed development in the South Buncombe Annexation Area.

Mayor McDevitt said this ordinance will provide funding for a sewer line to serve a proposed development in the South Buncombe Annexation Area. The total cost of the project is estimated to be $400,000, of which the City will fund $120,000. The proposed development will generate additional ad valorem taxes in the estimated amount of $32,450 per year, which will result in a 3.7 year payback for the City's cost. Funding will be provided by use of uncommitted funds in the amount of approximately $500,000 designated for sewer line improvements to annexed areas. This will leave an uncommitted balance of approximately $280,000 in the sewer annexation reserve.

Bid Item No. B: One (1) each 13-Cubic Yard capacity refuse collectino vehicle with Packer body.

Mr. Brown recommends rejecting the low bid from Apple Tree Chevrolet for a 1985 Chevrolet Cab and Chassis with a Royal packer body and a Wayne dumping unit at $46,449.00 due to Wayne Manufacturing Company, manufacturer of the packer body dumping unit being involved in Chapter Eleven.

Mr. Brown recommends acceptance of the next low bid from Sanco Corporation for one (1) 1985 Ford F8000 Cab and Chassis with a Heil Formula 5000 packer body and a Barker dumping unit at $46,500.00."

Note: A copy of the bid summary sheet is on file in the City Clerk's office.

Councilman Frank moved to accept the recommendation to award the bid to Western Carolina Truck Center for two (2) 1985 White Xpeditor WX64 Cab and Chassis in the total amount of $156,929.40 and to Sanco Corporation for one (1) 1985 Ford F8000 Cab and Chassis in the amount of $46,500.00. This motion was seconded by Councilman Price and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

8. Mayor McDevitt said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. A motion scheduling a public hearing relative to rezoning property located at 1530 Hendersonville Road, requested by Oxford Development Enterprises, Inc. for Harry Clarke, Owner, from R-2 Residential District to R-3 Residential District for March 19, 1985.

HIGHLIGHTS:
The Asheville Planning and Zoning Commission at a meeting held February 6, 1985, considered the request of Oxford Development Enterprises, Inc. for Mr. Harry Clarke, Owner, that Ward 7, Sheet 60, Lots 1, 2, and 3 be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located on Hendersonville Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 60, Lots 1, 2, and 3, be rezoned from R-2 Residential District to R-3 Residential District.

B. Resolution No. 85-30 - Resolution authorizing the Mayor to sign an application to participate in the National Main Street Center - Urban Demonstration Program sponsored by the National Trust for Historic Preservation.

Mayor McDevitt said eight (8) bidders submitted proposals for three (3) refuse collection vehicles. Recommendations to accept bid from Western Carolina Truck Center for two (2) 1985 White Xpeditor WX64 Cab and Chassis in the total amount of $156,929.40, and to accept Sanco Corporation for one (1) 1985 Ford F8000 Cab and Chassis in the amount of $46,500.00. Sufficient funds are provided for these purchases in the Revenue Sharing Fund, Sanitation Division Account Code 50-428-074.

Clark Brown, Director of Public Works, reviewed the following memorandum:

"Pursuant to North Carolina General Statute 143-129, sealed bids were received to furnish three (3) refuse collection vehicles to the Sanitation Division. Eight (8) bidders submitted proposals as shown on the attached bid summary.

T. Clark Brown, Director of Public Works, has reviewed these bids for technical compliance to specifications. A copy of his recommendation is enclosed.

Please submit these bids to City Council with the recommendation to award as follows:

BID ITEM NO. A: Two (2) each 25 Cubic Yard Capacity Refuse Collection Vehicles with Packer body.

Mr. Brown recommends rejecting the three (3) low bids on the following basis:

Low Bid (#1): Western Carolina Truck Center for two (2) 1985 White Xpeditor Cab and Chassis with a Royal packer body, and Wayne dumping unit at $75,214.70 each, totaling $150,429.40. This bid is not recommended because Wayne Manufacturing Company, manufacturer of the packer body dumping unit is involved in Chapter Eleven.

Low Bid (#2): Public Works Equipment and Supply for two (2) 1985 Mack Cab and Chassis with a Leach 2R Packer body and Barker dumping unit at $76,930.00 each, totaling $153,860.00. This bid is not recommended because deficienciences were found in the Leach 2R ejection panel piston and the loading hopper.

Low Bid (#3): Western Carolina Truck Center for two (2) 1985 White Xpeditor Cab and Chassis with a Load Master pack body model LM-125 and CWDD dumping unit at $77,104.70 each, totaling $154,209.40. This bid is not recommended because the Load Master body Model LM-125 has not been approved or evaluated by the Public Works Division.

Mr. Brown recommends acceptance of the bid from Western Carolina Truck Center for two (2) 1985 White Xpeditor WX64 Cab and Chassis with a Heil Formula 5000 packer body and Barker dumping unit at $78,464.70 each, totaling $156,929.40.

HIGHLIGHTS:
The term of office of Osborne M. Hart as Chairman of the City of Asheville Board of Alcoholic Control expired on November 13, 1984. It is provided by Chapter 1083 of the 1947 Session Laws of the State of North Carolina that the City Council shall designate the Chairman of the Board.

Complete text of Resolution No. 85-15 will be found in Resolution Book No. 15 at page ~~144~~. 154

Upon motion of Councilman Frank, seconded by Councilman Price, the Consent Agenda was unanimously adopted.

MOTION RELATIVE TO AMENDING CONTRACT BETWEEN CITY OF ASHEVILLE AND JOHN A. BROADBROOKS

At the request of the Corporation Counsel, Councilman Boland moved to amend the contract between the City of Asheville and John A. Broadbrooks, dated December 18, 1984, to delete the responsibility of John A. Broadbrooks to retain professional liability insurance, since the City of Asheville currently carries insurance to cover this liability. This motion was seconded by Councilman Bissette and carried unanimously.

CLAIMS - GERALDINE SERVERSON (WATER) - BARBARA SPAIN (SANITATION) - CHRISTINE LONGORIA (STREETS) - RAYMOND WATKINS (WATER)

The City Manager presented claims received from Geraldine Serverson, Barbara Spain, Christine Longoria, and Raymond Watkins.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - HARRY ADAMS VS CITY OF ASHEVILLE (RETIREMENT SYSTEM) - ASHEVILLE HOUSING AUTHORITY VS CONDEMNATION OF ANNA BUXTON JACOBS' PROPERTY (EAST END/VALLEY STREET) - ASHEVILLE HOUSING AUTHORITY VS CONDEMNATION OF RACHEL ESTHER DICKSON PROPERTY (EAST END/VALLEY STREET)

The City Manager said the City was served with summonses in connection with lawsuits involving Harry Adams VS City of Asheville - alleged negligence in providing information for participation in the Local Government Retirement System; Asheville Housing Authority involving condemnation of Anna Buxton Jacobs' property in the East End/Valley Street area; and Asheville Housing Authority involving condemnation of Rachel Esther Dickson property in the East End/Valley Street area.

Mayor McDevitt referred the summonses to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville and the problems with the Asheville Police Department.

HIGHLIGHTS:
The City of Asheville has been invited to submit an application for participation in the Main Street Urban Demonstration Program. This program will afford additional opportunities for the continued revitalization of Asheville's downtown. The City Council feels that participation in this program is in the best interest of the community-at-large. There is an estimated cost of $85,000 over a three-year period; however, this resolution will not commit the City to funding at this time.

Complete text of Resolution No. 85-~~11~~ 22 will be found in Resolution Book No. 15 at page ~~140~~ 150.

C. Resolution No. 85-~~12~~ 21 - Resolution establishing a Deferred Compensation Plan for employees of the City of Asheville.

HIGHLIGHTS:
This fringe benefit will offer employees of the City of Asheville an additional retirement option. No direct cost associated with this fringe benefit.

Complete text of Resolution No. 85-~~12~~ 21 will be found in Resolution Book No. 15 at page ~~141~~ 151.

D. Resolution No. 85-~~13~~ 22 - Resolution authorizing free parking at metered parking spaces March 1, 2, and 3, 1985 for the Southern Conference Basketball Tournament.

HIGHLIGHTS:
The Southern Conference Basketball Tournament will be held March 1, 2, and 3 in the Asheville Civic Center. The City wishes to encourage attendance at the tournament and to waive metered parking charges on these dates. There will be a negative effect upon revenues of approximately $350.00 which is not included in the current budget, but revenues are higher than expected so there would be no drastic effect.

Complete text of Resolution No. 85-~~13~~ 22 will be found in Resolution Book No. 15 at page ~~142~~ 152.

E. Resolution No. 85-~~14~~ 23 - Resolution authorizing the City Manager to sign a service agreement with Motorola Communications and Electronics, Inc.

HIGHLIGHTS:
The current agreement with Motorola Communications and Electronics, Inc., will expire on February 28, 1985. Motorola Communications and Electronics, Inc., has submitted a proposal to the City to continue providing maintenance service to the radio system for three (3) years under the same terms as the existing Agreement with no increase in per-unit cost and with additional services to be provided at no cost. This agreement will extend current contract costs for an addtional three years, without any increase in cost. This will keep radio maintenance costs frozen at current budgeted amounts.

Complete text of Resolution No. 85-~~14~~ 23 will be found in Resolution Book No. 15 at page ~~143~~ 153.

F. Resolution No. 85-~~15~~ 24 - Resolution appointing Osborne M. Hart as Chairman of the Board of Alcoholic Control.

Tuesday - March 5, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Norma Price

INVOCATION

The invocation was given by Councilman Gordon Myers.

APPROVAL OF THE MINUTES - FEBRUARY 19, 1985 MEETING

1. Approval of the minutes of the February 19, 1985 meeting.

Council Boland noted a typographical error on page 44 of the February 19, 1985, minutes.

Mayor McDevitt announced the approval of the minutes of February 19, 1985 meeting with the change noted.

APPROVAL OF THE MINUTES - FEBRUARY 26, 1985 MEETING

2. Approval of the minutes of the February 26, 1985 meeting.

Councilman Frank noted a typographical error on page 47 of the February 26, 1985, minutes.

Mayor McDevitt announced the approval of the minutes of the February 26, 1985, meeting with the change noted.

PROCLAMATION - "VOLLEYBALL WEEK" - MARCH 4-10, 1985

Mayor McDevitt read a proclamation proclaiming March 4-10, 1985, as "Volleyball Week."

The proclamation was presented to Donny Luke, President of the Asheville Volleyball Club.

Ray Kisiah, Director of Parks, Recreation and Public Facilities, said the volleyball tournament to be held in Asheville this weekend is the biggest tournament in the United States, and would have an economic impact of over $500,000 to the City of Asheville.

ADJOURNMENT TO EXECUTIVE SESSION

Councilman Price moved to adjourn to Executive Session to discuss legal and real estate matters. This motion was seconded by Councilman Frank and carried unanimously.

Larry McDevitt
MAYOR

William F. McCarthy
CITY CLERK

Councilman Bissette said the direct election of the Mayor would be proper in our democratic society. He said the responsibility of a Mayor is more difficult than that of a Council member, and a lot more time and commitment is involved for the Mayor.

Ralph Bishop spoke in favor of the direct election of the Mayor.

Bob Smith spoke in support of the ordinance providing for the direct election of the Mayor.

Vice-Mayor Bratton said she was in favor of the direct election of the Mayor.

Mayor McDevitt said he had grave misgivings about the issue of direct election of the Mayor. He said the Mayor is only part of a complete team. He said there is a great deal of interest in a more open form of government, and he felt this would be a symbol of that perception. He said the direct election of a Mayor would increase public interest and participation.

Councilman Boland moved for the adoption of Ordinance No. 1501. This motion was seconded by Councilman Myers.

On a roll call vote of 6-0, Ordinance No. 1501 passed on first reading.

RESOLUTION NO. 85-~~17~~ 26a - RESOLUTION REQUESTING NORTH CAROLINA GENERAL ASSEMBLY APPROVAL OF ENABLING LEGISLATION IN SUPPORT OF A FAIR HOUSING ORDINANCE FOR ASHEVILLE

6. Consideration was given to a resolution requesting enactment of enabling legislation granting the City of Asheville the authority to enact a Fair Housing Ordinance.

Mayor McDevitt said the City of Asheville is committed to affirmative action programs that benefit the citizens of this community by supporting the goals set by the U. S. Department of Housing and Urban Development (HUD). It is in the best interest of the citizens of the City of Asheville that a local fair housing ordinance be enacted. In order for the City of Asheville to have the authority to enact a local fair housing ordinance, the North Carolina General Assembly must enact enabling legislation granting that authority to the City.

Mayor McDevitt said the request of the General Assembly to enact such legislation was a part of the legislative package already presented to the local delegates.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

At the request of Ralph Bishop, Mayor McDevitt briefly outlined the provisions in the proposed Fair Housing Ordinance.

RESOLUTION NO. 85-16 - RESOLUTION OF COMMENDATION AND APPRECIATION TO WILLIAM "BILL" DEBRUHL

3. Consideration was given to a resolution of commendation and appreciation for William "Bill" DeBruhl.

Vice-Mayor Bratton noted that William "Bill" DeBruhl has served the citizens of Asheville as a dedicated City employee since January 20, 1960, and announced his retirement effective February 28, 1985.

Upon motion of Councilman Myers, seconded by Councilman Boland, Resolution No. 85-16 was unanimously adopted.

Complete text of Resolution No. 85-16 will be found in Resolution Book No. 15 at page 145.

ORDINANCE NO. 1501 - AN ORDINANCE AMENDING THE CHARTER OF THE CITY OF ASHEVILLE TO PROVIDE FOR DIRECT ELECTION OF THE MAYOR BY ALL THE QUALIFIED VOTERS OF THE CITY

4. Consideration was given to an ordinance amending the Charter of the City of Asheville to provide for direct election of the Mayor by all the qualified voters of the City of Asheville.

Mayor McDevitt said Resolution No. 83-209 relative to the process for election of the Mayor was unanimously adopted by the City Council of the City of Asheville on December 6, 1983, and said Resolution provided that the City Council go on record endorsing the concept of examining the feasibility of the Mayor being elected by the citizens rather than by the present process of being elected by the seven (7) members of the City Council. The City Council has continued to examine the feasibility of the direct election of the Mayor by all of the qualified voters of the City. A public hearing was held on February 26, 1985, relative to this ordinance.

Mayor McDevitt said the proposed ordinance, as currently written, would provide for an effective date 10 days after the adoption of the ordinance. However, Council would have the opportunity to amend the ordinance on third reading to provide for an effective date after a referendum.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank said she had received a lot of input from the citizens of Asheville relative to the direct election of the Mayor. She said it has determined that there is a trend in the country that citizens want to be involved in the process for election of the Mayor.

Councilman Boland said there was of divisiveness associated with the present method of Council selecting the Mayor. He said the method of direct election of the Mayor would attract highly qualified candidates for Mayor. He noted that this change for electing the Mayor would not change the form of government for the City of Asheville.

Resolution No. 85-~~25~~ 30 ac
Resolution No. 85-~~26~~ 29 ac

B. Resolution No. 85-~~27~~ 28 Resolution appointing members to the Zoning Board of Adjustment.

HIGHLIGHTS: This resolution will appoint Pam Nickless, Rudy J. Stenafac, and Jan Bryant to the Zoning Board of Adjustment.

Complete text of Resolution No. 85-~~27~~ 28 will be found in Resolution Book No. 15 at page ~~148-150~~ 159-160 man
85-~~28~~ 29
85-~~29~~ 30

C. Resolution No. 85-~~28~~ 31 Cl - Resolution appointing members to the Asheville-Buncombe Community Relations Council.

HIGHLIGHTS: This resolution will reappoint Gladys Forney and Jesse Ray, Jr. to the Asheville-Buncombe Community Relations Council.

Complete text of Resolution No. 85-~~28~~ 31 will be found in Resolution Book No. 15 at page ~~161~~ 14 man

D. Resolution No. 85-~~29~~ 32 ac - Resolution authorizing the City Manager to sign an agreement with Southern Bell Telephone and Telegraph Company for the use of Southern Bell conduit as part of the City's new telephone system.

HIGHLIGHTS: Approval of an agreement with Southern Bell Telephone and Telegraph Company to use Southern Bell conduit as part of the new telephone system. The conduit will connect the City Hall building with the Civic Center. There is no charge for the conduit except Southern Bell's charges for being present whenever Continental Telephone Company of North Carolina is working on the conduit. Using the conduit will save the City about $7,550 which would have been required to make the City's conduit system ready for telephone cable. This will be a savings to the City of approximately $7,550.

Complete text of Resolution No. 85-~~29~~ 32 will be found in Resolution Book No. 15 at page ~~152~~ 162 man

Upon motion of Councilman Frank, seconded by Councilman Bissette, the consent agenda was unanimously adopted.

CLAIMS - DONNA RAINEY (STREETS) - MARJORIE JONES (STREETS) - SHELDON JOHNSON (SEWER) - PEGGY RAMSEY (SEWER)

The City Manager presented claims received from Donna Rainey, Marjorie Jones, Sheldon Johnson, and Peggy Ramsey.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

SCHEDULING PUBLIC HEARING - PROVIDING FOR STAGGERED TERMS FOR THE ZONING BOARD OF ADJUSTMENT

Councilman Frank moved to schedule a public hearing relative to amending the Zoning Ordinance to allow for staggered terms for members of the Zoning Board of Adjustments for March 26, 1985. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

Councilman Boland said the adoption of a Fair Housing Ordinance would allow local enforcement of problems dealing with apartment rentals.

Ralph Bishop spoke in opposition to the resolution stating that this would provide invasion of privacy for citizens.

Upon motion of Councilman Boland, seconded by Councilman Bissette, Resolution No. 85-17 was unanimously adopted.

Complete text of Resolution No. 85-17 will be found in Resolution Book No. 15 at page ~~146.~~ 156

SCHEDULING PUBLIC HEARING - PROPERTY ADJACENT TO ASHEVILLE MALL - R. L. COLEMAN COMPANY

7. Consideration was given to a motion scheduling a public hearing relative to rezoning property adjacent to Asheville Mall requested by R. L. Coleman for March 26, 1985.

Councilman Frank moved to schedule a public hearing relative to rezoning property adjacent to Asheville Mall requested by R. L. Coleman Company for March 26, 1985. This motion was seconded by Councilman Bissette and carried unanimously.

APPROVAL OF CONSENT AGENDA

8. Mayor McDevitt said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 85-~~18~~ - Resolution directing the City Clerk to advertise an offer for the purchase of City owned property on Roberts Street.

HIGHLIGHTS: An offer has been received from Supply Specialities, Inc., to purchase City of Asheville property located on Roberts Street in the amount of $2,613.00. This resolution will authorize the City Clerk to advertise the sale of this property pursuant to N.C. General Statute 160A-269.

Complete text of Resolution No. 85-~~18~~ will be found in Resolution Book No. 15 at page ~~147.~~ 157

As representatives of the people of the City of Asheville, I believe it is our duty and responsibility to take every legal step necessary to be certain that Asheville Cablevision is strictly complying with its responsibilities to the City and to its subscribers. In the event that it is necessary to proceed, I would hope that the Council would seriously consider my request at that time and take action on it as soon as possible. Thank you very much."

Councilman Bissette said he would report back to Council whether or not Asheville Cablevision is willing to accept his request to return to the basic rate service charge.

Mayor McDevitt suggested that Councilman Bissette chair the Council committee relative to the cable television issue.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Mr. Ralph Bishop spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Frank, seconded by Vice-Mayor Bratton, the meeting adjourned at 4:55 P.M.

Larry McDevitt
MAYOR

Miriam F. McCrary
CITY CLERK

COUNCILMAN BISSETTE'S REQUEST - ASHEVILLE CABLEVISION CHANGES

Councilman Bissette read the following statement:

"As you all know, and I expect you have received the same kind of complaints that I think the City of Asheville has received in the last few days regarding the changes in the basic residential service provided by American Cable TV Investors, which does business in Asheville as Asheville Cablevision. These changes effectively reduce the basic services provided to residential customers by removing ESPN, WTBS in Atlanta, WDCA in Washington, and WBTV in Charlotte from the basic service and placing these channels in another service tier with an increased monthly charge. In place of these popular stations on the basic service, Asheville Cablevision has added a combination financial news and religious channel; C-Span, a channel providing 24-hour coverage of the House of Representatives; a weather channel; and WGGS, another religious channel from Greenville, South Carolina. In order to receive ESPN, WTBS, WDCA, and WBTV, subscribers must now pay $15.65 per month which represents a 62% increase over the current basic rate of $9.65, which was approved by the Asheville City Council in February of 1984.

I voted for the rate increase in February of 1984 based upon the basic programming services which were provided by Asheville Cablevision at that time. In my view, Asheville Cablevision has breached its understanding with the Asheville City Council regarding the $9.65 basic rate which was approved based upon certain programming representations made to the City Council at the time the rate increase was requested.

It appears to me, and apparently to many of our citizens, that this recent service change may be an attempt by Asheville Cablevision to circumvent the City Council's rate setting authority. If this attempt goes unchallenged, then the City Council's ability to regulate our cable TV franchise in the future will be seriously limited. In 1967, the City of Asheville granted an exclusive cable TV franchise to the Thoms Broadcasting Company for a period of 35 years. This franchise was assigned to Asheville Cablevision in 1983. By granting this franchise, the City gave to Thoms, and subsequently to its assignee, Asheville Cablevision, the exclusive right to provide cable TV services in the City of Asheville until the year 2002. In effect, the City granted the franchisee a monopoly.

Throughout the history of our country, when monopolies have been granted, the proper governing authorities have been given the right to regulate the rates charged to the public. This is extremely important in monopoly situations because there is no possibility of free and open competition. A monopoly service is literally, in this case, the only game in town.

I am today calling upon Asheville Cablevision to return its basic programming service to the format that existed at the time the last rate increase was approved. In the event Asheville Cablevision refuses to return the pre-existing basic program service, I would call on the City Council, together with the City Attorney, to thoroughly investigate Asheville Cablevision's compliance with all of the terms of the existing franchise agreement. I would suggest that a Council committee be established to review Asheville Cablevision's latest actions regarding the recent program changes, as well as the total service which Asheville Cablevision is providing to the citizens of Asheville under its franchise. I believe that this review should also include a public hearing at which time the citizens of Asheville could make their feelings known, both to us and to Asheville Cablevision.

Fiscal Year 1985. The expenditures for this project will include 50-50 match between local and federal funds.

Local	$492,410
Federal	$492,409
	$984,819

The funds are placed in the correct budget.

Mayor McDevitt opened the public hearing at 4:17 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Carl Owenby, with the Asheville Transit Authority, said this was an annual grant received from the Urban Mass Transportation Department for transit operating assistance.

Mayor McDevitt closed the public hearing at 4:20 p.m.

Upon motion of Councilman Frank, seconded by Councilman Bissette, Resolution No. 85-24 was unanimously adopted.

Complete text of Resolution No. 85-~~24~~ 33 will be found in Resolution Book No. 15 at page ~~153~~ and ~~154~~.

ORDINANCE NO. 1501 - AN ORDINANCE AMENDING THE CHARTER OF THE CITY OF ASHEVILLE TO PROVIDE FOR DIRECT ELECTION OF THE MAYOR BY ALL THE QUALIFIED VOTERS OF THE CITY

3. Consideration was given to the second reading of Ordinance No. 1501, an ordinance amending the Charter of the City of Asheville to provide for direct election of the Mayor by all the qualified voters of the City.

Mayor McDevitt said Resolution No. 83-209 relative to the process for election of the Mayor was unanimously adopted by the City Council of the City of Asheville on December 6, 1983, and said Resolution provided that the City Council go on record endorsing the concept of examining the feasibility of the Mayor being elected by the citizens rather than by the present process of being elected by the seven (7) members of the City Council. The City Council has continued to examine the feasibility of the direct election of the Mayor by all of the qualified voters of the City. A public hearing was held on February 26, 1985 relative to this ordinance. This ordinance passed on first reading on Marcy 5, 1985.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1501 passed on second reading.

Tuesday - March 12, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter Boland

INVOCATION

The invocation was given by Scott Fowler.

APPROVAL OF THE MINUTES - OF THE MARCH 5, 1985 MEETING

1. Approval of the minutes of the March 5, 1985 meeting.

Mayor McDevitt announced the approval of the minutes of the March 5, 1985 meeting as submitted.

PRESENTATION BY GARRETT ALDERFER - CHAMBER OF COMMERCE

Mr. Garrett AlDerfer, Executive Director of the Asheville Area Chamber of Commerce presented members of Council a copy of the "Sunbelt Success Stretching Across America Reaching Around the World 1984 Literature and Promotional Materials Award" from the Southern Industrial Council. He said this award was presented to the Asheville Area Chamber of Commerce for the Chamber's and the City of Asheville's participation in producing the recent "Quality of Life Publication".

Mr. AlDerfer said there would be regional and national awards forthcoming, and they would also be shared with members of Council.

PUBLIC HEARING - UMTA GRANT - OPERATING ASSISTANCE

RESOLUTION NO. 85-37d - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

2. A public hearing was held relative to a resolution authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1984, as amended.

Mayor McDevitt said this public hearing will afford the citizens of Asheville an opportunity to express their opinions relative to an Urban Mass Transportation grant for transit operating assistance. This resolution will approve filing of an UMTA Grant application for 50% funding from the United States Department of Transportation for transit operating assistance for

Mayor McDevitt said the North Carolina Department of Transportation and the City of Asheville propose to make certain street and traffic improvements within the City of Asheville under Project 9.8130277, Buncombe County, consisting of the installation of a closed-loop signal system. This project will provide for the installation of new traffic signal equipment in the Central Business District of Asheville on both City and N.C.D.O.T. system streets. The N.C.D.O.T. has agreed to fund the entire project and allow the City to reimburse the Department of Transportation the City's share (estimated to be $258,020) over a five (5) year period beginning in FY 1986-87.

Bob McDonald, Traffic Engineer, said this new system will replace the existing twenty year old equipment. He said in order of priorities, Patton Avenue would be first, then Biltmore Avenue, Hilliard Avenue and Haywood Street. He said it would take approximately two or two and one-half years to complete the installation of the new controllers.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-25 was unanimously adopted.

Complete text of Resolution No. 85-~~25~~ 34 will be found in Resolution Book No. 15 at page ~~155~~ 165 and ~~156~~. 166

RESOLUTION NO. 85-~~24~~ 35 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT FOR CONSULTANT SERVICES WITH TRAFFIC SYSTEMS INTERNATIONAL, LTD.

6. Consideration was given to a resolution authorizing the Mayor to enter into a contract for consultant services with Traffic Systems International, Ltd.

Mayor McDevitt said this resolution will authorize the Mayor to enter into an agreement with Traffic Systems International, Ltd. to design, procure and install new traffic signal system in the Central Business District of Asheville. $25.215.00 is available in the 1984-85 capital budget for the Traffic Engineering Division.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-26 was unanimously adopted.

Complete text of Resolution No. 85-~~26~~ 35 will be found in Resolution Book No. 15 at page ~~156~~. 167

SCHEDULING PUBLIC HEARING - ADOPTION OF RESOLUTION REOPENING KENILWORTH DRIVE AT ITS INTERSECTION WITH PICKWICK ROAD

7. Consideration was given to a motion scheduling a public hearing relative to the adoption of a resolution reopening Kenilworth Drive at its intersection with Pickwick Road for April 2, 1985.

Mayor McDevitt said a resolution calling for a vote of the people relative to the ordinance regarding the direct election of the Mayor will be placed on the agenda for consideration at next week's meeting. He said at that time Council members could decide whether or not to place the ordinance on a special ballot to be considered by the qualified voters of the City.

ORDINANCE NO. 1502 - AN ORDINANCE AMENDING CHAPTER 2, ARTICLE III (ASHEVILLE TRANSIT AUTHORITY), SECTION 2-39 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

4. Consideration was given to an ordinance amending Chapter 2, Article III (Asheville Transit Authority), Section 2-39 of the Code of Ordinances of the City of Asheville.

Mayor McDevitt said this ordinance will change the term of members from five (5) years to four (4) years. Any member may be relieved of service at any time, in the discretion of the City Council.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1502. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1502 passed on first reading.

Councilman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1502. This motion was seconded by Councilman Bissette and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1502 passed on second reading.

Councilman Price moved to suspend the rules and proceed to the third reading of Ordinance No. 1502. This motion was seconded by Councilman Bissette and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1502 passed on third and final reading.

Complete text of Ordinance No. 1502 will be found in Ordinance Book No. 10 at page 251...34 a

RESOLUTION NO. 85-~~36~~ - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A MUNICIPAL AGREEMENT BETWEEN THE CITY OF ASHEVILLE AND THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR TRAFFIC SIGNAL IMPROVEMENTS WITHIN THE CITY OF ASHEVILLE

5. Consideration was given to a resolution authorizing the Mayor to execute a municipal agreement between the City of Asheville and the North Carolina Department of Transportation for traffic signal improvements within the City of Asheville.

He said at that time, Council would decide what, if any, action would be taken. He said a joint City/County Cable Television Study Committee meeting would be held on Wednesday, March 13, 1985, to discuss the recent changes made by Asheville Cablevision. However, Council's concerns relative to the changes in cable television service would be handled by the Council.

Councilman Price said she had received a number of complaints relative to the changes in the service for the basic service.

Vice-Mayor Bratton thanked Councilman Bissette for his efforts and said he would have the Council's complete support.

Councilman Myers said he was disappointed in Asheville Cablevision's General Manager's comments and said he thought, not only the Council, but the citizens of the community deserve some answers, other than the blunt statement in the newspaper. He said he had not seen such a controversy in some time, and hopes something else is forthcoming of a positive nature.

COUNCIL WORK SESSION - THURSDAY - APRIL 4, 1985 - 4:00 P.M.

Mayor McDevitt announced that Council would have a work session on Thursday, April 4, 1985 at 4:00 p.m.

ADJOURNMENT

Councilman Price moved to adjourn the meeting at 4:45 p.m. This motion was seconded by Councilman Bissette and carried unanimously.

Larry McDevitt
MAYOR

William F. Walcott
CITY CLERK

Mayor McDevitt said a petition has been received, signed by numerous residents of the Kenilworth Area and others, requesting that the City Council reopen Kenilworth Drive for the benefit of the motoring public. This resolution, if adopted, will rescind the City Council's action of February 21, 1984 to close Kenilworth Drive and will authorize the reopening of said street at its intersection with Pickwick Road. This public hearing will afford the citizens of the area to voice their opinions on the reopening of the road.

Councilman Bissette moved to schedule a public hearing relative to the adoption of a resolution reopening Kenilworth Drive at its intersection with Pickwick Road for April 2, 1985. This motion was seconded by Councilman Frank and carried unanimously.

RESOLUTION NO. 85-~~27~~ 36a - RESOLUTION APPOINTING MEMBERS TO CABLE TELEVISION STUDY COMMITTEE - (LaMONT DeBRUHL AND DR. RUDY OGLESBY)

8. Consideration was given to a resolution appointing LaMont DeBruhl and Dr. Rudy Oglesby as members of the Cable Television Study Committee.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Bissette, Resolution No. 85-27 was unanimously adopted.

Complete text of Resolution No. 85-~~27~~ 36a will be found in Resolution Book No. 15 at page ~~137~~ 168 more.

CLAIMS - JAMES KILGORE (PARKING GARAGE)

The City Clerk presented a claim received from James Kilgore.

Mayor McDevitt referred the claim to the Corporation Counsel for investigation and recommendation.

COMMENTS BY COUNCILMAN PRICE - MONTFORD PLANNING COMMITTEE

Councilman Price said she had attended a meeting on Monday night, March 11, 1985. She said the meeting was well attended by Montford residents, and they expressed concerns of reported crimes in the area and requested help from the Asheville Police Department in this area. She said the residents were hopeful that other Council members would attend the meeting being held this week.

COMMENTS RELATIVE TO CABLE TELEVISION CHANGES

Mayor McDevitt said during the pre-Council work session, Councilman Bissette was asked to work, on behalf of the City Council, with the City Attorney and the City Manager to look into the situation regarding the cable television franchise and the compliance with the franchise. He said Council would be taking no formal steps until there has been an opportunity for Asheville Cablevision to respond to Councilman Bissette's letter requesting that the channels that were moved from the basic service to a higher priced tier, March 1 be moved back to the basic service. He said a report would be given next week relative to their findings and a response from the company.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT 1530 HENDERSONVILLE ROAD - OXFORD DEVELOPMENT ENTERPRISES, INC.

ORDINANCE NO. 1503 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING FOR THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON HENDERSONVILLE ROAD - "OXFORD DEVELOPMENT ENTERPRISE, INC., PETITION"

3. A public hearing was held relative to rezoning property located at 1530 Hendersonville Road requested by Oxford Development Enterprises, Inc., for Harry Clarke, owner, from R-2 Residential District to R-3 Residential District.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held February 6, 1985, considered the request of Oxford Development Enterprises, Inc., for Mr. Harry Clarke, Owner, that Ward 7, Sheet 60, Lots 1, 2, and 3, be rezoned from R-2 Residential District to CH Commerical Highway District. The property is located on Hendersonville Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 60, Lots 1, 2, and 3, be rezoned from R-2 Residential District to R-3 Residential District.

Mayor McDevitt opened the public hearing at 4:13 P.M.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission recommended the rezoning to R-3 Residential District, rather than the CH Commercial Highway District requested by the petitioner. He said there were no objections received relative to the rezoning.

After discussion, Mayor McDevitt closed the public hearing at 4:16 P.M.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1503. This motion was seconded by Councilman Frank.

On a roll call vote of 7-0, Ordinance No. 1503 passed on first reading.

ORDINANCE NO. 1501 - AN ORDINANCE AMENDING THE CHARTER OF THE CITY OF ASHEVILLE TO PROVIDE FOR DIRECT ELECTION OF THE MAYOR BY ALL THE QUALIFIED VOTERS OF THE CITY

4. Consideration was given to the third reading of Ordinance No. 1501, an ordinance amending the charter of the City of Asheville to provide for direct election of the Mayor by all the qualified voters of the City.

Tuesday - March 19, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Louis Bissette, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - MARCH 12, 1985 MEETING

1. Approval of the minutes of the March 12, 1985, meeting.

Mayor McDevitt announced the approval of the minutes of the March 12, 1985, meeting as submitted.

RESOLUTION NO. 85-37A - RESOLUTION COMMENDING ASHEVILLE HIGH SCHOOL FOR ITS PARTICIPATION IN THE INTERNATIONAL EXCHANGE PROGRAM AND RECOGNIZING THE FOREIGN EXCHANGE STUDENTS AND TEACHERS FROM JAPAN, LIBERIA, BELGIUM, GERMANY, AND THAILAND THAT ARE PARTICIPATING IN THE PROGRAM

2. Consideration was given to a resolution commending Asheville High School on their participation in the International Exchange Program and recognizing the foreign exchange students and teachers from Japan, Liberia, Belgium, Germany, and Thailand that are participating in the program.

Mayor McDevitt recognized Eloise Beam, from Asheville High School, who explained that the Council of International Education and the National Association of Secondary School Principals are sponsoring a student exchange program from March 12 to April 3, 1985, at which time Asheville High School is hosting the foreign exchange students from Kofu, Japan. She said Asheville High School is also hosting American Field Service Exchange Students from Germany, Liberia, and Belgium; and one teacher from Thailand.

Mayor McDevitt read the resolution.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-28 was unanimously adopted. 37A

Complete text of Resolution No. 85-37A will be found in Resolution Book No. 15 at page ~~158~~ 169 Mon

Mayor McDevitt presented each student and teacher with a welcome letter and a copy of the resolution adopted by Council.

Councilman Frank moved to authorize the Mayor to forward a letter to the Buncombe County Legislative Delegation requesting that the City Charter be amended on the requirement of the Mayor to vote. This motion was seconded by Councilman Myers and carried unanimously.

Vice-Mayor Bratton thanked members of Council for their time and effort in passing this ordinance that she had previously requested.

BIDS - NINE (9) TRUCKS OF VARIOUS SIZES FOR CITY OF ASHEVILLE

6. Consideration was given to bids received for purchasing nine (9) trucks of various sizes for the City of Asheville.

Mayor McDevitt said nine (9) bids were received to furnish three (3) 3/4 ton pickup trucks and one (1) ton Cab & Chassis for Parks, Recreation and Public Facilities; one (1) 1/2 ton pickup truck for Asheville Transit Authority; two (2) Cab and Chassis with dump body for Public Works Department, Street Division; one (1) cab and chassis with dump body for Public Works Department, Sanitation Division; and one (1) 3/4 ton pickup with utility body for Public Works Department, Traffic Engineering Division.

AWARD RECOMMENDATIONS:

Item A - Two (2) each 3/4 ton heavy duty pickup trucks for Parks, Recreation, and Public Facilities.

Matthews Ford, Inc. for 2985 Ford F250 H.D.	$8,242.00 ea.	$ 16,484.00

Item B - One each 3/4 ton heavy duty, four-wheel drive pickup truck for Parks, Recreation, and Public Facilities.

Carolina Truck & Body for 1985 GMC TK 20903-E63-C6P	9,882.10

Item C - One each ½ ton heavy duty, four-wheel drive pickup truck for Asheville Transit Authority.

Carolina Truck & Body for 1985 GMC TK 20903-E63-C6P-B3J	11,465.93

Item D - One each 3/4 ton heavy duty cab and chassis with utility body for Public Works Department, Traffic Engineering Division.

Matthews Ford, Inc. for 1985 Ford F250 w/Knapheide #796 body	10,094.00

Item E - One each one (1) ton heavy duty cab and chassis for Parks, Recreation, and Public Facilities.

Carolina Truck & Body for 1985 GMC TC 31003-ZW9-C7C	9,997.55

Mayor McDevitt said Resolution No. 83-209 relative to the process for election of the Mayor was unanimously adopted by the City Council of the City of Asheville on December 6, 1983, and said Resolution provided that the City Council go on record endorsing the concept of examining the feasibility of the Mayor being elected by the citizens rather than by the present process of being elected by the seven (7) members of the City Council. The City Council has continued to examine the feasibility of the direct election of the Mayor by all of the qualified voters of the City. A public hearing was held on February 26, 1985, relative to this ordinance.

Mayor McDevitt said this ordinance was previously read on first and second reading, and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1501 passed on third and final reading.

Complete text of Ordinance No. 1501 will be found in Ordinance Book No. 10 at page 246-250..

RESOLUTION NO. _____ - A RESOLUTION CALLING FOR A VOTE OF THE PEOPLE ON ORDINANCE NO. 1501, REGARDING THE DIRECT ELECTION OF THE MAYOR BY THE VOTERS

5. Consideration was given to a resolution calling for a vote of the people on Ordinance No. 1501 regarding the direct election of the Mayor by the voters.

Mayor McDevitt said the Asheville City Council has this day adopted Ordinance No. 1501, an ordinance amending the Charter of the City of Asheville to provide for the direct election of the Mayor by all the qualified voters of the City. This resolution provides that it shall take effect only if it is approved by a vote of the people. N.C. General Statutes Section 160A-102 provides that if an ordinance if so adopted, the council may by resolution call a special election for the purpose of submitting the ordinance to a vote. This resolution will request the Buncombe County Board of Elections to hold a special election in May for this purpose.

Mayor McDevitt said members of Council were furnished copies of the resolution, and it would not be read in its entirety unless there was a specific request to do so.

Councilman Price moved for the adoption of the resolution calling for a vote of the people on Ordinance No. 1501.

Councilman Price's motion died for the lack of a second.

Mayor McDevitt noted that no referendum would be held on the ordinance amending the charter of the City of Asheville to provide for the direct election of the Mayor.

Mayor McDevitt said Council had been advised by the Corporation Counsel that there were several sections in the City Charter that the General Assembly needed to clarify relative to the Mayor's requirement to vote.

B. Resolution No. 85-~~X~~ 39a - Resolution authorizing the Purchasing Director to dispose of personal property by private sale.

HIGHLIGHTS: This resolution will authorize the Purchasing Director to dispose of accumulated surplus property in the Water Maintenance Division pursuant to N.C. G.S. 160A-267.

FISCAL IMPACT: Estimated revenue of $2,000 - $3,000 which is not currently appropriated in the budget.

Complete text of Resolution No. 85-~~X~~ 39a will be found in Resolution Book No. 15 at page ~~160~~ 171 thru 172.

C. Resolution No. 85-~~X~~ 40a - Resolution authorizing the Mayor to sign an application requesting the State Historic preservation officer to certify the City of Asheville as a certified local government program.

HIGHLIGHTS: The National Historic Preservation Amendments Act of 1980 requires that each state establish a procedure by which general local governments may be certified to participate in the national framework for historic preservation established by the National Historic Preservation Act of 1966. The State of North Carolina has defined minimum requirements for local governments to become certified local governments pursuant to the Preservation Act. Upon certification, the City of Asheville will become eligible to compete for funding from the Federal Historic Preservation Fund and will gain authority to review all future nominations to the National Register that are located within the City limits of the City of Asheville.

Complete text of Resolution No. 85-~~X~~ 40a will be found in Resolution Book No. 15 at page 161. 162 thru

D. Resolution No. 85-~~X~~ 41a - Resolution approving a request for the participation of the North Carolina Housing Finance Agency in financing an apartment project to be located on Sweeten Creek Road.

HIGHLIGHTS: Fralin and Waldron, Incorporated proposes to build a rental apartment complex, consisting of approximately 186 one and two bedroom apartment units and related recreational facilities, to be located in the County of Buncombe on the east side of Sweeten Creek Road directly to the south of Stockwood Subdivision partially within the Asheville City limits. The Developers of said apartments are requesting the participation of the North Carolina Housing Finance Agency in financing a program for housing for persons of lower income under appropriate federal legislation. N.C. General Statute Section 122A-5 requires that such participation may take place only upon the approval of the request for such participation by the governing body of the county, city or town in which such project has to be located. The Buncombe County Commissioners have previously passed a similar resolution, Resolution No. 18057.

Item F - Two each cab and chassis with dump body for Public Works Department, Street Division.

Hickory Int'l Truck Sales for 1985 International F2574 w/16' Virginian Body.	50,285.00	100,570.00

Item G - One each cab and chassis with dump body for Public Works Department, Sanitation Division.

Matthews Ford, Inc. for 1985 Ford F600 w/ Fontaine Body		15,955.00
TOTAL AWARDS (As Recommended)		$174,448.58

A complete bid summary for the nine (9) trucks is on file in the Office of the City Clerk.

Councilman Price moved to award the bids as recommended and outlined by Mayor McDevitt. This motion was seconded by Councilman Boland and carried unanimously.

APPROVAL OF CONSENT AGENDA

7. Consideration was given to a motion approving the consent agenda.

Mayor McDevitt said the following items are of a routine nature, and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 85-~~30~~ 31 - Resolution abolishing the City Personnel Advisory Commission.

HIGHLIGHTS: The City Personnel Advisory Commission was established April 1, 1982. The Commission was established to study and evaluate existing policies, practices and procedures with regard to City personnel, including, but not limited to, Civil Service, grievance procedures and working conditions. The Commission has provided the City Council with valuable recommendations as a result of this study. No further study or evaluation is anticipated to be requested from the Commission. This resolution will abolish the City Personnel Advisory Commission.

Complete text of Resolution No. 85-~~30~~ 31 will be found in Resolution Book No. 15 at page ~~159~~ 170 mm

Two, I would like to include an examination of Asheville Cablevision's current levels of service and a determination of whether or not they are complying with our franchise agreement and with the FCC regulations. This would include perhaps the development of a questionnaire or survey which would be transmitted to the citizens of Asheville for a response on their feelings regarding the current levels of service and/or a public hearing on the matter to give our citizens the right to be heard. The committee would also review the terms of our existing franchise agreement and whether or not Asheville Cablevision is complying with all of the terms in that agreement, and I am speaking primarily of certain services which they have agreed to provide to the City and the school system and certain requirements which they have got in the franchise agreement for providing information to the City.

And finally, I would envision the committee reviewing the legal and economic alternatives which might be available to the City which might permit additional competition in the cablevision area."

This motion was seconded by Councilman Price and carried unanimously.

Councilman Price moved that the committee be called the Ad Hoc Council Cablevision Commission; and that the members consist of Councilman Bissett; Councilman Myers, and Harold Bennett; and that the Commission give a report to the City Council on their findings within 30 days; and further, that the City Attorney be authorized to work with the Commission relative to cable television. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

At the request of John Jerose, General Manager of Asheville Cablevision, Councilman Bissette outlined the previously adopted motion relative to cablevision.

VICE-MAYOR BRATTON - REPORT RELATIVE TO SATELLITE DISHES IN THE CITY OF ASHEVILLE

Vice-Mayor Bratton requested that the City Manager look into any current provisions and any proposed recommendations relative to the proper control of the installation of satellite dishes in the City of Asheville.

RALPH BISHOP - LOTTERY PEDDLERS IN THE CITY OF ASHEVILLE

Ralph Bishop spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Vice-Mayor Bratton moved to adjourn the meeting at 5:10 P.M. This motion was seconded by Councilman Myers and carried unanimously.

Larry M. Battle
MAYOR

William F. Moore
CITY CLERK

Complete text of Resolution No. 85-~~X~~ 41a will be found in Resolution Book No. 15 at page ~~162.~~ 173 mon

E. Resolution No. 85-~~X~~ 42a - Resolution appointing a member to the Crime Stoppers Committee.

HIGHLIGHTS: This resolution will appoint Doug Blizard to the Crime Stoppers Committee.

Complete text of Resolution No. 85-~~X~~ 43a will be found in Resolution Book No. 15 at page ~~163.~~ 174 mon

AMENDMENT TO GENERAL SERVICE ADMINISTRATION EASEMENT

At the request of the Corporation Counsel, Vice-Mayor Bratton moved to authorize the Mayor to sign an amended easement in favor of the General Services Administration amending the easement authorized by City Council on December 11, 1984, for the placing of subsurface telephone conduits beneath Battery Park Avenue between the Federal Building and the United States Post Office Building. This amended easement deletes paragraph 8 of the original easement providing for indemnification to the City for damages caused by acts and omissions of General Service Administration in connection with the easement and provides in lieu thereof for indemnification in acccordance with the Federal Tort Claims Act. This motion was seconded by Councilman Price and carried unanimously.

CLAIMS - JOSEPH ROYER (POLICE) - W. W. BRAME (WATER) - CHERRY BANKS (WATER) - BONNIE CAMERON (STREETS) - TIMOTHY RIDDLE (POLICE)

The City Manager presented claims received from Joseph Royer, W. W. Brame, Cherry Banks, Bonnie Cameron, and Timothy Riddle.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

COMMENTS RELATIVE TO CABLE TELEVISION CHANGES - COUNCILMAN BISSETT

Councilman Bissette said he was requested to report back this week on any response that he might have received from Asheville Cablevision and also any recommendation that he might have. He said he received a letter today from Mr. John Jerose, General Manager of Asheville Cablevision. He said the letter concluded that Asheville Cablevision was not at this time prepared to either take a look at returning any of their programming to its previous level or reducing its basic rate. So, based upon that response, Councilman Bissette moved that Council appoint an Ad Hoc committee to be charged with reviewing the following areas of concern which have arisen in regard to the existing relationship of Asheville Cablevision:

"One would be the City's legal basis for either enforcing a roll-back in programming to previous levels at least to the end of August, 1985, and/or reducing the approved basic rate of $9.65 based upon the reduced programming levels and comparable rates which are charged in other cities.

Councilman Frank said Council's primary concern is the education of the school children. She said Council may have only seriously considered three candidates, but have a list of at least twenty-five people who have been interested in the position.

Vice-Mayor Bratton said Council's decision relative to the Asheville School Board should be based on qualifications of an individual. She said the Asheville School Board is presently out of balance racially.

Wendy Yeatman urged members of Council to delay its decision on filling the vacancy created by Mr. Price. She said the citizens of Asheville need an opportunity to educate themselves, and have some input relative to the appointment. She said she felt as a parent, the community needs a chance to see who is interested in this new vacancy.

Mayor McDevitt said he had personally interviewed all three candidates, plus other people interested in being appointed on the Asheville School Board in the last two to three weeks. He said he had heard from hundreds in the community relative to this appointment, and he appreciated the community's input into selecting an individual to serve on the Asheville School Board.

On a roll call vote, Councilman Frank's motion to consider filling the vacancy on the Asheville School Board created by Mr. Price carried 5-2, with Councilman Myers and Councilman Boland voting "no".

Mayor McDevitt then asked for nominations for appointment of one person to the Asheville City School Board for a four (4) year term.

Vice-Mayor Bratton nominated Harriet Haith.

Councilman Frank nominated Betsy Simons.

Councilman Boland nominated Lucy Butterworth.

Councilman Boland moved that the nominations be closed. This motion was seconded by Councilman Bissette and carried unanimously.

Upon inquiry of Councilman Price, Corporation Counsel Slawter said in his opinion there would be no conflict of interest of Councilman Price voting on the issue of appointment to the Asheville School Board. He said the only two incidences in which a conflict of interest occurs is when an issue concerns one's own financial interest or official conduct. He said in this particular incidence, this is not applicable.

Councilman Price said she felt free to vote on the appointments. She said, in her opinion, Betsy Simons should be reappointed to the School Board for the four year term. She said she also felt Harriet Haith should be appointed to fill the vacancy created by the resignation of Patrick Price, and she intended to cast her votes in this manner.

Tuesday - March 26, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; Deputy City Clerk, Carol Hensley and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: City Manager Neal Creighton.

INVOCATION

Councilman Bissette read a prayer written by Rev. Charles Johnson of Asheville.

APPROVAL OF THE MINUTES - OF THE MARCH 19, 1985 MEETING

1. Approval of the minutes of the March 19, 1985 meeting.

Mayor McDevitt announced the approval of the March 19, 1985 meeting as submitted.

RESOLUTION NO. 85-434 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE SCHOOL BOARD (HARRIET HAITH)

2. Consideration was given to a resolution appointing a member to the Asheville School Board.

Mayor McDevitt said J. Patrick Price, Chairman of the Asheville School Board had resigned on March 25, 1985, creating a second vacancy on the School Board. He said during the pre-Council meeting, Council discussed whether or not to consider this vacancy at today's meeting. He said the individual filling this vacancy would fill the unexpired term of Patrick Price.

Councilman Frank moved that Council consider filling the vacancy created by the resignation of Patrick Price on the School Board at today's meeting. This motion was seconded by Vice-Mayor Bratton.

Councilman Boland requested that Council postpone action on filling this vacancy for at least two weeks. He said there may well be a number of people who are interested in filling that position. He said the public also should be given an opportunity to participate in this selection. He said an Administrator at UNC-A had expressed an interest in being appointed on the Asheville School Board approximately three weeks ago. He said he had encouraged her not to since there were three people being considered for that vacancy. He said he was also concerned about Council moving forward so rapidly to fill the vacancy created by Mr. Price. He said he felt like Council would be responding to Mr. Price's resignation and his suggestion of appointing Betsy Simons.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Frank, Resolution No. 85-35 was unanimously adopted.

Complete text of Resolution No. 85-~~35~~ 44a will be found in Resolution Book No. 15 at page 165.

Vice-Mayor Bratton commended Pat Price for serving many countless hours on the Asheville School Board. She requested that Council place a Resolution of Appreciation on the agenda next week.

Mayor McDevitt said he appreciated the input and interest of the community, and the interest expressed by Mrs. Haith, Mrs. Simons, and Mrs. Butterworth. He also expressed appreciation to Pat Price for his many years of service on the Asheville School Board.

PUBLIC HEARING - REZONING PROPERTY ADJACENT TO ASHEVILLE MALL

ORDINANCE NO. 1504 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON PERIMETER OF ASHEVILLE MALL (R. L. COLEMAN, JR. PETITION)

3. A public hearing was held relative to rezoning property adjacent to Asheville Mall requested by R. L. Coleman Company.

Mayor McDevitt said the Planning and Zoning Commission reviewed the request at its regular meeting on February 6, 1985 and delayed action requesting the R. L. Coleman Company and the Kenilworth Forest Association to meet to attempt to reach some compromise on several issues which were producing an impass and report to the Commission on February 27, 1985. At the February 27, 1985 meeting, the Commission voted to approve a portion of the rezoning request. In addition, the Commission voted to provide additional R-3 buffers to assist in protecting the White Pine Drive areas.

Mayor McDevitt opened the public hearing at 4:40 p.m.

The Associate City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Veri Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held on February 27, 1985 recommended a modified rezoning of the request of R. L. Coleman Company, He said since that time the R. L. Coleman Company has appealed the decision of the Planning and Zoning Commission, and requested that Council hold a public hearing on the entire area requested to be rezoned.

Mr. Emrick said there were three separate portions of property on the perimeter of the Asheville Mall that was requested to be rezoned in order for the Asheville Mall to have additional parking and expansion of the present Mall.

Ralph Bishop told members of Council they should be concerned mainly with educating the children of the City of Asheville, and should leave color and prejudiceness behind.

On a roll call vote of 5-2, Mrs. Harriet Haith was appointed to the Asheville School Board, with Councilman Price and Councilman Frank voting for Betsy Simons.

Mayor McDevitt read the resolution appointing Harriet Haith as a member of the Asheville School Board for a term of four (4) year term.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Bissette, Resolution No. 85-34 was unanimously adopted.

Complete text of Resolution No. 85-~~34~~ will be found in Resolution Book No. 15 at page ~~164~~.

RESOLUTION NO. 85-~~34~~ - RESOLUTION APPOINTING MEMBER OF ASHEVILLE SCHOOL BOARD (BETSY SIMONS)

Mayor McDevitt said Council would now consider filling the vacancy on the Asheville School Board created by the resignation of Patrick Price.

Councilman Frank nominated Betsy Simons.

Councilman Boland nominated Lucy Butterworth.

Councilman Price moved that the nomination be closed. This motion was seconded by Councilman Bissette.

Corporation Counsel Slawter said, as discussed during the pre-Council meeting, that if Betsy Simons should be appointed to fill the vacancy created by Mr. Price, this appointment should be made effective April 1, 1985, since her present term does not expire until April 1, 1985. He said, however, that if Mrs. Butterworth is appointed, her term could begin immediately.

Vice-Mayor Bratton said in order to keep the balance on the Asheville School Board, she would be supporting Betsy Simons.

Councilman Boland said he had talked to all three prospective candidates. He said they are all good candidates, however he would be supporting Lucy Butterworth since he felt she was articulate, experienced, a strong leader, independent, and well respected in the community. He said she had also served on the Asheville School Advisory Council.

On a roll call vote of 5-2, Betsy Simons was appointed to the Asheville School Board to fill the vacancy created by Mr. Price, with Councilman Boland and Councilman Myers voting for Lucy Butterworth.

Mayor McDevitt read the resolution appointing Betsy Simons as a member of the Asheville School Board for the unexpired term of Patrick Price, which terms expires on April 1, 1987. He said this resolution would take effect on April 1, 1985.

to be rezoned are primarily to provide parking areas required by the Zoning Ordinance, the needs of the Mall, and parking required by the lessee's of the Mall. He said negotiations between R. L. Coleman Company and the residents were made in good faith and the R. L. Coleman Company has agreed to a number of requests by the community, including making Bracketown Road a one-way entrance. He said in the negotiations, the property owners of the Kenilworth Association have been requested to release restrictive covenants on certain lots required for parking and expansion of the Mall.

Mr. Stevens answered general questions from members of Council relative to the proposed rezoning and expansion of the Mall.

Mayor McDevitt requested that the Kenilworth Association and the R. L. Coleman Company try to determine the status of the release of the restrictive covenants on the lots in questions prior to the third reading of the ordinance.

Councilman Bissette said he had received complaints from the residents in the area and in particular around the fence of the Mall where trash gathers.

Mr. Stevens said the R. L. Coleman Company stands ready to correct any problems that the residents may have relative to the operation of the Asheville Mall.

Danie Johnson, Architect for the R. L. Coleman Company, outlined the details for the basic expansion and renovation of the existing Mall. He said the expansion calls for a new wing beginning at the exit between Belks and Iveys that would include a new department store; expansion of the Belks and Sears Department Stores; and a million dollars worth of improvements to the Mall's common area, including renovations to all existing store fronts, replacement of the fountain with a larger one, skylights, and garden style plantings. He said the plan also calls for a parking deck consisting of 700 parking spaces.

Mr. Johnson showed interior sketches of the proposed renovations and expansion of the Asheville Mall. He said provisions have been made not to directly affect residential adjacent land owners.

Mr. Johnson said the rezoning is necessary for the culmination of expansion and renovation of the Mall.

Mr. Johnson then presented "Plan B", which is an alternate plan that would address the concerns expressed by the residents in the Kenilworth community. He outlined the changes that would be made in "Plan B" from "Plan A" which would include moving the proposed parking deck to the north, removing the top deck, providing additional buffering on the Johnson property, and providing a one-way exit along Bracketown Road. He said "Plan B" can be constructed only if the restrictive covenants are released from the Kenilworth Association on affected lots. He said the developer had agreed and compromised with the residents in the Kenilworth area, and this would result in plans for a formal agreement between the R. L. Coleman Company and

Mr. Emrick said the Planning and Zoning Commission would be considering the site plan for the Mall expansion after Council has made a decision on the rezoning request. He said the site plan is expected to be presented to the Planning and Zoning Board during its April meeting.

Mr. Emrick said the recommended rezoning by the Planning and Zoning Commission would provide the additional parking required if the expansion occurs, and would provide a fifty foot buffer adjoining White Pine Drive.

Mr. Emrick said, at the Planning and Zoning meeting, concerns were expressed relative to the access to the Mall from Bracketown Road. He said his staff is presently conducting a legal research to determine the status of ownership of Bracketown Road. He said at the present time there are no records that show the road was ever officially accepted by the City as part of the City Street System. He said this area was only a right-of-way for the City.

Mr. Emrick answered general questions from members of Council relative to the Planning and Zoning Commission's recommendation of the rezoning.

Councilman Boland said he had received a number of letters from residents in the Kenilworth community concerned about preserving the area, and making sure that buffering would be provided between the commercial lots and the residential area. He said he had also received complaints relative to nuisance problems in the area. He said he had received a complaint from a Mrs. Willard relative to drainage problems she was having because of the construction of the Mall.

Mayor McDevitt noted that members of Council had discussed the drainage problem of Mrs. Willard in Pre-Council and had authorized the City Manager to have the line in the area flushed by a high powered flusher on Wednesday, March 27, 1985. He said the City staff would determine if that would rectify her problem of drainage.

Mayor McDevitt said, in his opinion, to make rezoning contingent upon strict buffering is tantamount to contract zoning. He said Council should primarily consider the approval of the rezoning petition or the modified recommendation by the Planning and Zoning Commission.

Mr. Emrick said a petition had been filed with the Planning and Zoning Commission, signed by ninety-one property owners, in opposition to the rezoning. He said the petition is valid, but did not carry the sufficient number of signatures to require the three-fourth vote of members of Council for approval of the rezoning.

Jack Stevens, Attorney for R. L. Coleman Company spoke in support of the rezoning. He said he felt the rezoning and the expansion of the Mall is within the public interest, and would provide growth and development for Buncombe County. He said, in his opinion, if another mall is built in the Asheville area, it would probably be built in the County. He said it would be important to maintain a basic separation from the Mall and the residential area. He said the present Mall has been in place for about twelve years and the proposed expansion will only be increased by about 10 percent of the present Mall. He said substantial efforts have been made by the R. L. Coleman Company to cooperate with the residents. He said the areas requested

Mrs. Janice Willard of White Pine Drive spoke to members of Council relative to the inadequate drainage of water on her property, which she said was created by the construction of the Asheville Mall. She said she had furnished pictures of her house and yard showing the drainage problem to Councilman Boland. She said she would like to see additional buffering required around the Mall, particularily in the parking area and the theatre since the public sometimes uses this area for immoral purposes. She said she would prefer that the Mall be buffered with a high concrete wall for protection for her property. She also said the fence around the Mall area is a litter problem.

Upon inquiry of Mayor McDevitt, Mrs. Willard said she had noticed the water flooding her yard and home approximately two years after the original Mall was constructed.

Mayor McDevitt again informed Mrs. Willard that the City would be attempting to flush the line in her area with a high powered flusher, which might possibly resolve this concern.

Charlotte Clark of 294 White Pine Drive said she had experienced the same problems as Mrs. Willard. She said she also had sewerage backup since the Asheville Mall Theatre was built. She expressed concern that the sweeping machine is operated by the Asheville Mall between 12:00 Midnight and 3:00 a.m., which disturbs the neighborhood. She requested that the dumpster in the area be moved to another location.

After discussion, Mayor McDevitt closed the public hearing at 7:07 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance rezoning the property as recommended by the Planning and Zoning Commission and it would not be read in its entirety unless that was a specific request to do so.

After discussion, Councilman Price moved to deny the rezoning petition requested by the R. L. Coleman Company, and to approve Ordinance No. 1504 as recommended by the Planning and Zoning Commission with the stipulation that a map be attached to the ordinance marked "Exhibit A" describing the property to be rezoned. This motion was seconded by Councilman Bissette.

On a roll call vote of 7-0, Ordinance No. 1504 passed on first reading.

Mayor McDevitt asked that the record show that Councilman Boland voted "aye" due to being absent without being excused.

Mayor McDevitt commended the developer and the residents for their efforts in attempting to reach a compromise agreement.

the residents on issues such as buffering, fencing, and access to the Mall site. He said in addition to other elements of the compromise, the R. L. Coleman Company offered to pay for an attorney for the residents to develop their end of the contract. He said they had also agreed to deed the park areas in the subdivision to the Kenilworth Association. He said without the community's assistance, the R. L. Coleman Company would be forced to implement Plan A.

Councilman Boland left the meeting at 6:05 p.m. without being excused.

Harold Payne, Co-Chairman of the Kenilworth Forest Association, gave a brief history of the construction of the Asheville Mall since July, 1965. He presented copies of minutes of several meetings whereby Council had made specific stipulations on the construction of the original Mall. He said at that time one of the conditions was to have no access on White Pine Drive. He said this condition had been violated.

Mr. Payne said the initial reaction of the Kenilworth Association was to oppose the renovation and expansion of the Mall, which would be Plan A. He said, however, the Kenilworth Association agreed that the Asheville Mall had been there a number of years and would remain there. He said in view of the situation, the Kenilworth Association had agreed to negotiate with the developer for the expansion of the Mall in exchange for benefits for the community. He said he felt the residents would move toward encouraging "Plan B" which would cause less problems for the community than Plan A. He said the majority of the residents of the Kenilworth Association had agreed to release the restrictive covenants, if a compromise in the form of a formal agreement can be worked out between R. L. Coleman Company and the residents to the satisfaction of both parties. He said the community wanted to make sure that they did not get tricked in to specific conditions that were not met like they did when the Mall was originally built.

Mayor McDevitt said he had received a letter from the R. L. Coleman Company agreeing to cooperate with the residents. He said the letter stipulated a number of agreed to points by the R. L. Coleman Company.

Mr. Payne, in answer to Mayor McDevitt, said the community could live with the Planning and Zoning recommendation for rezoning, if the residents can obtain a legally binding agreement from the R. L. Coleman Company. He said the residents did not want to be unreasonable, but just wanted protection for their neighborhood. He said Attorney Bob Long had been contacted to draft language for the formal agreement. He said the R. L. Coleman Company had agreed to pay for their attorney's expense.

Gerald Gentry, Co-President of the Kenilworth Association, said the residents are moving as quickly as possible to enter into a formal agreement. He said he could not guarantee that the community would release the restrictive covenants, but the Association would do their best in reaching a compromise. He said the residents would prefer that Bracketown Road be closed; however, if that cannot be done, then they would prefer it being made one-way into the Mall.

Jerry Bradley spoke to members of Council relative to the rezoning and said a one-way entrance to the Mall from Bracketown Road would be better than an exit from the Mall.

ORDINANCE NO. 1506 - AN ORDINANCE AMENDING SECTION 1-2 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

5. Consideration was given to an ordinance amending Section 1-2 of the Code of Ordinances of the City of Asheville.

Mayor McDevitt said the definition of "Council" contained in Section 1-2 of the Code of Ordinances of the City of Asheville be amended to read as follows with the underlined portion representing change: "The words "the council" or "city council" shall mean the city council of the City of Asheville, North Carolina, including six council members and the mayor.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Price moved for the adoption of Ordinance No. 1506. This motion was seconded by Councilman Bissette.

On a roll call vote of 7-0, Ordinance No. 1506 passed on first reading.

Mayor McDevitt asked that the record show that Councilman Boland voted "aye" due to being absent without being excused.

ORDINANCE NO. 1503 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED. - PROPERTY LOCATED ON HENDERSONVILLE ROAD (OXFORD DEVELOPMENT ENTERPRISES, INC. PETITIONER)

6. Consideration was given to the second reading of Ordinance No. 1503, an ordinance relative to rezoning property located at 1530 Hendersonville Road, requested by Oxford Development Enterprises, Inc. for Harry Clarke, Owner, from R-2 Residential District to R-3 Residential District.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1503 passed on second reading.

Mayor McDevitt asked that the record show that Councilman Boland voted "aye" due to being absent without being excused.

Councilman Price moved to suspend the rules and proceed with the third reading of Ordinance No. 1503. This motion was seconded by Councilman Myers and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1503 passed on third and final reading.

Mayor McDevitt asked that the record show that Councilman Boland voted "aye" due to being absent without being excused.

PUBLIC HEARING - PROVIDING FOR STAGGERED TERMS ON THE BOARD OF ADJUSTMENT

ORDINANCE NO. 1505 - AN ORDINANCE AMENDING ARTICLE 8 (BOARD OF ADJUSTMENT), SECTION 30-8-2 OF ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED, TO PROVIDE STAGGERED TERMS ON THE BOARD OF ADJUSTMENT

4. A public hearing was held relative to the adoption of an ordinance amending Article 8 (Board of Adjustment), Section 30-8-2 of Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended, to provide staggered terms on the Board of Adjustment.

Mayor McDevitt said the board shall consist of four (4) regular members appointed by the City Council for a term of three (3) years and one regular member who is a resident of the extraterritorial area appointed by the County Commissioners for a term of three (3) years. There shall also be appointed seven (7) alternate members, five (5) who are city residents appointed by City Council, and two (2) appointed by the County Commissioners who are residents of the extraterritorial area. The alternate members shall serve only in the absence of a regular member. Provided, however, that the regular members and alternate members to be appointed by the City Council in 1985, two (2) regular members and two (2) alternate members shall be appointed for three-year terms; one (1) regular member and two (2) alternate members shall be appointed for two year terms; and one (1) regular member and one (1) alternate member shall be appointed for one year terms. Upon the expiration of the terms appointed in 1985, any subsequent appointments by the City Council shall be for a term of three (3) years.

Mayor McDevitt opened the public hearing at 7:38 p.m.

The Associate City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

After discussion, Mayor McDevitt closed the public hearing at 7:39 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Price moved for the adoption of Ordinance No. 1505. This motion was seconded by Councilman Myers.

On a roll call vote of 7-0, Ordinance No. 1505 passed on first reading.

Mayor McDevitt asked that the record show that Councilman Boland voted "aye" due to being absent without being excused.

Complete text of Resolution No. 85-45a will be found in Resolution Book No. 15 at page 166. 177

ORDINANCE NO. 1508 - BUDGET ORDINANCE FOR TAX SHELTERING EMPLOYEES MEDICAL COSTS

9. Consideration was given to a budget ordinance amendment for tax sheltering employees medical costs.

Mayor McDevitt said this amendment would provide funds not to exceed $3,000 for consulting services to tax shelter employee contributions for medical insurance. This study is estimated to cost $2,000 - $3,000 and will be of benefit to City employees. There will be no on-going cost for the program.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Frank moved for the adoption of Ordinance No. 1508. This motion was seconded by Councilman Myers.

On a roll call vote of 7-0, Ordinance No. 1508 passed on first and final reading.

Mayor McDevitt asked that the record show that Councilman Boland voted "aye" due to being absent without being excused.

Complete text of Ordinance No. 1508 will be found in Ordinance Book No. 10 at page 259.

RESOLUTION NO. 85-46a - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH HUTCHINSON AND ASSOCIATES, INC. FOR PROFESSIONAL CONSULTANT SERVICES

10. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Hutchinson and Associates, Inc. for professional consultant services.

Mayor McDevitt said this resolution will authorize the City to retain consultant services in connection with qualifying the City's Hospitalization/Medical Insurance Program through the Internal Revenue Service allowing employee contributions for dependent insurance coverage to be tax sheltered. The cost of this service will be between $2,000-$3,000. This was budgeted by the previously adopted budget amendment.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-46a was unanimously adopted.

Complete text of Resolution No. 85-46a will be found in Resolution Book No. 15 at page 167. 178

Complete text of Ordinance No. 1503 will be found in Ordinance Book No. 10 at page 252-253.

ORDINANCE NO. 1507 - BUDGET ORDINANCE AMENDMENT - REPAIRS AND RENOVATIONS TO CITY HALL AND SOUTH CHARLOTTE STREET OPERATIONS FACILITIES

7. Consideration was given to a budget ordinance amendment to carry out plans for repairs and renovations to City Hall and South Charlotte Street operations facilities.

Mayor McDevitt said this amendment will establish an appropriation in the amount of $20,000 to carry out plans for City Hall repairs and renovations and South Charlotte Street operations facilities. The funding required to prepare plan of $20,000 will be provided from General Capital Reserve Funds. The uncommitted balance of said funds is estimated to be $1,252,734 at June 30, 1985 after this action.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Price moved for the adoption of Ordinance No. 1507. This motion was seconded by Councilman Bissette.

On a roll call vote of 7-0, Ordinance No. 1507 passed on first and final reading.

Mayor McDevitt asked that the record show that Councilman Boland voted "aye" due to being absent without being excused.

Complete text of Ordinance No. 1507 will be found in Ordinance Book No. 10 at page 258.

RESOLUTION NO. 85-~~36~~ 45ch - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH WOOD AND CORT TO PREPARE SAID PLANS FOR CITY HALL AND SOUTH CHARLOTTE STREET FACILITIES

8. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Wood and Cort to prepare said plans for repairs and upgrading City Hall and South Charlotte Street facilities.

Mayor McDevitt said the City has a proposal for the development of plans and cost estimates for needed repairs to upgrading City Hall, and the development of operations facilities on South Charlotte Street. The firm of Wood and Cort, P.A. has submitted a proposal to prepare said plans for a cost not to exceed $20,000.00.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Myers, seconded by Councilman Price, Resolution No. 85-~~36~~ 45ch was unanimously adopted.

PRESENTATION OF LETTER FROM HISTORIC RESOURCES COMMISSION RELATIVE TO DESIGNATING THE BRICK SECTION OF NORTH MARKET STREET AND THE STONE PART OF LANGREEN ALLEY AS LOCAL HISTORIC PROPERTY

Mayor McDevitt announced that he had received a letter from Jim Coman, Buncombe County Staff to the Historic Resources Commission, requesting that City Council designate the brick section of North Market Street and the stone part of Langreen Alley as local historic property.

Mayor McDevitt requested that the City Manager look into the procedure for designating the local historic property. He presented members of Council with a copy of the letter which also expressed concerns over the future of two City properties, both former fire stations, including the old West Asheville Fire Station on Haywood Road and the old North Asheville Fire Station on Merrimon Avenue.

PRESENTATION OF INVITATION TO "BECAUSE WE CARE" DAY AT THE ASHEVILLE VETERANS ADMINISTRATION HOSPITAL

Mayor McDevitt presented members of Council with a copy of a letter from Richard E. Soesbee, inviting members of Council to attend a program being held by the Amvets (American Veterans) and to greet hospitalized veterans on April 3, 1985 from 1:00 p.m. to 4:00 p.m.

PRESENTATION OF LETTER RELATIVE TO THE RESIGNATION OF CAROLYN THOMPSON AS A MEMBER OF THE ASHEVILLE AREA CIVIC CENTER COMMISSION

Mayor McDevitt presented members of Council with a copy of a letter from Carolyn R. Thompson, resigning as a member of the Asheville Area Civic Center Commission.

PRESENTATION OF LETTER FROM QUALITY FORWARD - PLANNING SESSION TO SUPPORT NORTH CAROLINA DEPARTMENT OF TRANSPORTATION CLEANUP CAMPAIGN

Mayor McDevitt presented members of Council with a letter received from Quality Forward relative to attending a planning session to support the North Carolina Department of Transportation's Cleanup Campaign of highways.

Councilman Frank agreed to attend the planning session on April 2, 1985.

INVITATION TO LUNCHEON FOR YOUTH IN GOVERNMENT DAY

Mayor McDevitt noted that members of Council have been invited to a luncheon for Youth In Government Day at the Asheville Civic Center Banquet Room at 12:00 Noon on Wednesday, March 27, 1985.

ADJOURNMENT

Upon motion of Vice-Mayor Bratton, seconded by Councilman Bissette, the meeting adjourned at 8:10 p.m.

Tony McDevitt
MAYOR

Marian F. Metcalf
CITY CLERK

47a

RESOLUTION NO. 85-~~36~~ - RESOLUTION ACCEPTING THE HIGH BID AND AUTHORIZING THE SALE OF THE CITY OF ASHEVILLE PROPERTY, KNOWN AS ROBERTS STREET PROPERTY

11. Consideration was given to a resolution accepting the high bid and authorizing the sale of the City of Asheville property, known as Roberts Street Property.

Mayor McDevitt said the City of Asheville, by Resolution No. 85-18 adopted on March 5, 1985, authorized the City Clerk to advertise the sale of property on Roberts Street. Supply Specialities, Inc. submitted the last and highest bid in the sum of $2,600.00, and the time for filing an upset bid has now expired.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Councilman Bissette, Resolution No. 85-~~36~~ was unanimously adopted.

CLAIMS - SONYA SISSON (WATER)

The Associate City Manager presented a claim received from Sonya Sisson.

Mayor McDevitt referred the claim to the Corporation Counsel for investigation and recommendation.

COMMITTEE OF AD HOC COUNCIL CABLEVISION COMMISSION

Mayor McDevitt said the Ad Hoc Council Cablevision Commission would consist of Councilman Bissette, Councilman Myers, and Attorney Gary Rowe, who would replace Harold Bennett who was appointed a member of the Commission at the meeting of March 19, 1985, but withdrew for health reasons.

Councilman Myers moved that Gary Rowe be appointed a member of the Ad Hoc Council Cablevision Commission. This motion was seconded by Councilman Price and carried unanimously.

48a

RESOLUTION NO. 85-~~37~~ - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE TRANSIT AUTHORITY (TOM TOMLIN)

Consideration was given to a resolution appointing Mr. Tom Tomlin as a member to the Asheville Transit Authority for a four (4) year term, term expiring December 31, 1988.

Upon motion of Councilman Frank, seconded by Councilman Bissette, Resolution No. 85-~~37~~ was unanimously adopted.

48a 48a

Complete text of Resolution No. 85-~~37~~ will be found in Resolution Book No. 15 at page ~~169~~. 180 mom

Mayor McDevitt opened the public hearing at 4 10 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Bob McDonald, Traffic Engineer, said the road was closed by a barricade on November 20, 1984, by order of City Council after receiving complaints from the residents. He said, in January Council, received a petition signed by approximately 203 individuals requesting that the intersection be reopened. He said traffic counts had been taken on Kenilworth Drive and Pickwick Road which indicated approximately 120 cars per day use the intersection. He said, prior to the closing, the count on Kenilworth Drive was 219 per day. He said, in his opinion, if the road was reopened the traffic count would be up to approximately 350 cars per day.

Mr. McDonald said he had met with the residents of Kenilworth Drive on Monday night, April 1, to discuss the reopening of Kenilworth Drive and Pickwick Road. He said at the conclusion of the meeting, the residents agreed to recommend reopening Kenilworth Drive at its intersection with Pickwick Road provided that a stop sign be installed at the top of the hill and appropriate traffic measures and signage be installed to control the traffic.

Augusta Young, President of the Kenilworth Residents Association, said it would be their recommendation to reopen the intersection as recommended by the Traffic Engineer. Kathryn Johnson of Devonshire Place, the original petitioner to reopen the road spoke in favor of the intersection being reopened.

The following individuals spoke in support of the intersection being reopened:

Mrs. Kennedy - Pickwick Road
Helen Hudson - Pickwick Road
Mrs. Spivey - Pickwick Road

Councilman Price noted that Mrs. Joyce Boone of 13-17 Pickwick Road also wanted the barricade to be removed.

Mayor McDevitt closed the public hearing at 4:25 p.m.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Boland, Resolution No. 85-50 was unanimously adopted.

Complete text of Resolution No. 85-50 will be found in Resolution Book No. 15 at page ~~171~~.

Councilman Price moved that the Traffic Engineer be authorized to install a stop sign at the top of the hill at Kenilworth Drive and Pickwick Road and to install safety traffic measures at the intersection. She further requested that the Traffic Engineer continue to evaluate the intersection with the road reopened. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

Tuesday - April 2, 1985 - 4 00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - MARCH 26, 1985 MEETING

1. Approval of the minutes of the March 26, 1985 meeting.

Mayor McDevitt announced the approval of the minutes of the March 26, 1985 meeting as submitted.

RESOLUTION NO. 85-49 - RESOLUTION OF APPRECIATION AND COMMENDATION TO J. PATRICK "PAT" PRICE

2. Consideration was given to a resolution of appreciation and commendation to J. Patrick Price.

Mayor McDevitt read the resolution which stated that J. Patrick "Pat" Price was appointed to the Asheville City Board of Education on April 10, 1975 and appointed Chairman of the Board in April, 1983. Mr. Price submitted his resignation as a member of the Board on March 25, 1985.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Frank, Resolution No. 85-49 was unanimously adopted.

Complete text of Resolution No. 85-49 will be found in Resolution Book No. 15 at page ~~170~~. 181 mom

PUBLIC HEARING - REOPENING KENILWORTH DRIVE AT ITS INTERSECTION WITH PICKWICK ROAD

RESOLUTION NO. 85-50 - RESOLUTION REOPENING KENILWORTH DRIVE AT ITS INTERSECTION WITH PICKWICK ROAD

3. A public hearing was held relative to adoption of a resolution reopening Kenilworth Drive at its intersection with Pickwick Road.

Mayor McDevitt said a petition had been received, signed by numerous residents of the Kenilworth area and others, requesting that the City Council reopen Kenilworth Drive for the benefit of the motoring public. This resolution, if adopted, will rescind the City Council's action of February 21, 1984 to close Kenilworth Drive and will authorize the reopening of said street at its intersection with Pickwick Road. This public hearing will afford the citizens of the area an opportunity to voice their opinions on the reopening of the road.

ORDINANCE NO. 1505 - AN ORDINANCE AMENDING ARTICLE 8 (BOARD OF ADJUSTMENT), SECTION 30-8-2 OF ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED, TO PROVIDE STAGGERED TERMS ON THE BOARD OF ADJUSTMENT

5. Consideration was given to the second reading of Ordinance No. 1505, an ordinance amending Article 8 (Board of Adjustment), Section 30-8-2 of Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended, to provide staggered terms on the Board of Adjustment.

Mayor McDevitt said the board shall consist of four (4) regular members appointed by the City Council for a term of three (3) years and one regular member who is a resident of the extraterritorial area appointed by the County Commissioners for a term of three (3) years. There shall also be appointed seven (7) alternate members five (5) who are city residents appointed by City Council, and two (2) appointed by the County Commissioners who are residents of the extraterritorial area. The alternate members shall serve only in the absence of regular members. Provided, however that the regular members and alternate members to be appointed by the City Council in 1985 two (2) regular members and two (2) alternate members shall be appointed for three-year terms; one (1) regular member and two (2) alternate members shall be appointed for two-year terms; and one (1) regular member and one (1) alternate member shall be appointed for one-year terms. Upon the expiration of the terms appointed in 1985, any subsequent appointments by the City Council shall be for a term of three (3) years. This ordinance passed on first reading on March 26, 1985.

Mayor McDevitt said the ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1505 passed on second reading.

Councilman Price moved to suspend the rules and proceed to the third reading of Ordinance No. 1505. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1505 passed on third and final reading.

Complete text of Ordinance No. 1505 will be found in Ordinance Book No. 10 at page 256.

ORDINANCE NO. 1506 - AN ORDINANCE AMENDING SECTION 1-2 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

6. Consideration was given to the second reading of Ordinance No. 1506, an ordinance amending Section 1-2 of the Code of Ordinances of the City of Asheville.

Mayor McDevitt said the definition of "council" contined in Section 1-2 of the Code of Ordinances of the City of Asheville be amended to read as follows with the underlined portion representing change: "The words "the council" or "city council" shall mean the city council of the City of Asheville, North Carolina, including six council members and the mayor." This ordinance passed on first reading on March 26, 1985.

On a roll call vote of 7-0, Ordinance No. 1506 passed on second reading.

Bob McDonald said the stop sign and markings would be installed on Tuesday, April 9, and the Police Department would be requested to advise motorist in the area of the stop sign. He said he would also notify all emergency services that the road is reopened.

ORDINANCE NO. 1504 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED ON PERIMETER OF ASHEVILLE MALL (R. L. COLEMAN, JR. PETITION)

4. Consideration was given to the second reading of Ordinance No. 1504, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended - property located on perimeter of Asheville Mall (R. L. Coleman Company, Jr. - petition).

Mayor McDevitt said the Asheville Planning and Zoning Commission reviewed the request at its regular meeting on February 6, 1985, and delayed action requesting the R. L. Coleman Company and the Kenilworth Forest Association to meet to attempt to reach some compromise on several issues which were producing an impass and report to the Commission on February 27, 1985. At the February 27, 1985 meeting the Commission voted to approve a portion of the rezoning request. In addition, the Commission voted to provide additional R-3 buffers to assist in protecting the White Pine Drive areas. This ordinance passed on first reading on March 26, 1985.

Harold Payne, Co-Chairman of the Kenilworth Forest Association, said the residents have put their requests in order and distributed them to the Board of Directors. He said the requests will be presented to Attorney Bob Long to draw the appropriate agreement by and between the R. L. Coleman Company and the Kenilworth Forest Association. He requested that Council continue the second reading of the ordinance for two weeks in order to get the formal agreement completed.

Jack Stevens, Attorney for the R. L. Coleman Company, requested that Council proceed on the second reading of the ordinance and schedule the third reading of the ordinance for two weeks from today, April 16, 1985.

Upon inquiry of Jerry Bradley, Mayor McDevitt said Council had researched the minutes relative to the approval of the original mall, and found no indication that an access from Bracketown Road would be prohibited. He said the residents of the area should feel free to research the minutes of the City Council meeting during that particular time period.

Councilman Boland requested that the R. L. Coleman Company screen the storm drain pipe on the Asheville Mall property in an attempt to alleviate problems of flooding on Mrs. Willard's property.

Danie Johnson, Architect for the R. L. Coleman Company, said Ben Lapsley had investigated the problem of flooding on Mrs. Willard's property. He said his preliminary report indicated that the problem of flooding in that area is a City responsibility rather than the Asheville Mall problem. However, the developer is looking into this matter to ascertain the responsibility.

On a roll call vote of 7-0, Ordinance No. 1504 passed on second reading.

Councilman Price moved to table the third reading of Ordinance No. 1504 for two weeks, April 16, 1985. This motion was seconded by Councilman Bissette and carried unanimously.

Mayor McDevitt said copies of the resolution were previously distributed to members of Council and the resolution would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-51 was unanimously adopted.

Complete text of Resolution No. 85-51 will be found in Resolution Book No. 15 at page 172.

RESOLUTION NO. 85-52 - RESOLUTION SUPPORTING THE GENERAL REVENUE SHARING PROGRAM

9. Consideration was given to a resolution supporting the General Revenue Sharing Program.

Mayor McDevitt said the State and Local Fiscal Assistance Act of 1972, otherwise known as General Revenue Sharing, was created to meet the growing revenue needs of state and local governments. General Revenue Sharing represents a return to local communities of a portion of taxes paid by local citizens. The present level of General Revenue Sharing payment to the City of Asheville is equal to 7 (seven) cents on the tax rate. This program is presently scheduled to expire in September, 1985, unless reauthorized by Congress. The failure of Congress to reenact General Revenue Sharing at an early date will result in administration confusion and adversely affect the budget planning process of thousands of state and local governments. The National League of Cities and the North Carolina League of Municipalities strongly support the reenactment of General Revenue Sharing and have asked local governments to voice their support of the continuance of this program. This resolution will endorse the reenactment of General Revenue Sharing and will encourage the United States Congress to act immediately to continue this vital program.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Councilman Price said all cities have been supportive of General Revenue Sharing. She said these funds have helped the City of Asheville not to have to increase property tax. She said the funds are actually paid by the citizens through their Federal Income Tax. She said this is the most important vital program the federal government has, in that it gives the local governments flexibility in appropriating the funds.

Councilman Boland said he strongly supports the continuation of General Revenue Sharing. He said the funding is also supported by the National League of Cities. He said, since its inception, the City of Asheville has received over 19 million dollars in General Revenue Sharing funds. He said the City has used these funds for capital and equipment needs. He said the original intent of the implementation of the General Revenue Sharing Fund was to cut centralization at the federal levels giving local governments authority to use the funds at their discretion. He said he felt this is one of the most effective programs of the federal government.

Councilman Frank said she felt this was the best means of recovering our federal income tax money.

SALE OF DISPOSAL PARCELS 5, 43, 154, AND 174 IN THE EAST END/VALLEY STREET COMMUNITY IMPROVEMENT AREA

7. Consideration was given to a motion approving the sale of Disposal Parcels 5, 43, 154, and 174 in the East End/Valley Street Community Improvement Area.

Mayor McDevitt said the Housing Authority has tentatively accepted the following bids for Disposal Parcels in the East End/Valley Street Community Improvement Area. He summarized the bids and proposed use of the parcels as follows:

Parcel	Reuse	Price	Bid	Redeveloper
5	Residential	$2 950.00	$3 200.00	Ronald & Constance Jefferson
43	Residential	6,600.00	6,700.00	Burdine Smith
154	Residential	525.00	857.00	Bennie Mae Fuller
174	Residential	2,400.00	2,650.00	St. James A.M.E. Church

Lot 5 located at Martin Luther King Drive at Edgehill is a residential dollar-a-lot sale for single-family structures under the Incentive Housing Program.

Lot 43 located at Martin Luther King Drive at Curve Street is a residential dollar-a-lot sale for single-family structures under the Incentive Housing Program.

Lot 154 located at Hildebran Street is a residential lot sale to an adjacent property owner to provide additional yard space. Appropriate landscaping will be done but no construction is planned.

Lot 174, is a residential lot sale located across the street from St. James Church on Hildebran Street. The proposed usage of this lot is to provide additional off-street parking.

Councilman Boland moved to approve the sale of Disposal Parcels 5, 43, 154, and 174 as recommended by the Housing Authority. This motion was seconded by Councilman Bissette and carried unanimously.

RESOLUTION NO. 85-51 - RESOLUTION APPOINTING PRICE WATERHOUSE AS AUDITORS FOR FISCAL YEAR ENDING JUNE 30, 1985

8. Consideration was given to a resolution appointing Price Waterhouse as auditors for fiscal year ending June 30, 1985.

Mayor McDevitt said the City of Asheville appointed Price Waterhouse as its auditors for the fiscal year ending June 30, 1984, on the basis of a proposal of services for a three-year period commencing with the fiscal year ended June 30, 1984. Price Waterhouse has satisfactorily performed their duties for the fiscal year ended June 30, 1984. The annual audit by independent auditors is required by N. C. State Statutes. The funds for these services have been appropriated and the proposed fee will not exceed $28 000.00.

Bob Wurst, Director of Audit & Budget, said Price Waterhouse completed the 1984 audit on a very timely basis, and recommended reappointment of Price Waterhouse.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 85-53 was unanimously adopted.

Complete text of Resolution No. 85-53 will be found in Resolution Book No. 15 at page 174.

RESOLUTION NO. 85-54 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT AND ANY CHANGE ORDERS WITHIN THE BUDGETED AMOUNT WITH CANNON ROOFING COMPANY, INC. FOR ROOF REPAIRS TO THE ASHEVILLE TRANSIT FACILITY

11. Consideration was given to a resolution authorizing the City Manager to execute on behalf of the City of Asheville a contract and any change orders within the budgeted amount with Cannon Roofing Company, Inc. for roof repairs to the Asheville Transit facility.

Mayor McDevitt said bids were opened February 26, 1985, for roof repairs to the Asheville Transit Facility. The City Engineering Division recommends award of the bid to the lowest bidder, Cannon Roofing Company, Inc. The contract sum of $47,000.00 and administrative costs are within the amount allocated for this project.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bissette, seconded by Councilman Frank, Resolution No. 85-54 was unanimously adopted.

Complete text of Resolution No. 85-54 will be found in Resolution Book No. 15 at page 175. 186 mom

RESOLUTION NO. 85-55 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT AND ANY CHANGE ORDERS WITHIN THE BUDGETED AMOUNT WITH UNITED ROOFING AND SHEET METAL COMPANY, INC. FOR ROOF REPAIRS TO THE EAST ASHEVILLE FIRE STATION, LIBRARY, AND COMMUNITY BUILDING

12. Consideration was given to a resolution authorizing the City Manager to execute on behalf of the City of Asheville a contract and any change orders within the budgeted amount with United Roofing and Sheet Metal Company, Inc.

Mayor McDevitt said bids were opened for roof repairs to the East Asheville Fire Station, Library, and Community Center Building on February 26, 1985. The City Engineering Division recommends award of the contract to the lowest bidder, United Roofing and Sheet Metal Company, Inc. The contract sum of $74,375.00 and administrative cost are within the amount allocated for this project.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank seconded by Councilman Bissette, Resolution No. 85-55 was unanimously adopted.

Councilman Bissette said he had reservations about the resolution's wording which supported continuation of the program, "as currently structured and funded." He said if the federal government is cutting other programs, then probably Revenue Sharing funding should be reduced as the others are to get the federal deficit under control. He said the City of Asheville has become dependent on these funds, and he did not feel they should be abruptly withdrawn. He requested that Council delete the words "as currently structured and funded" from the resolution.

Vice-Mayor Bratton said the Revenue Sharing Program is valuable, but that she is afraid support for the Revenue Sharing Program may result in discontinuation of other programs such as the ARC (Appalachian Regional Commission). She said she felt revenue sharing is in the best interest of Asheville, but she also had concerns for social services such as day care centers that the ARC provides. She said her vote would not be a vote against Revenue Sharing but a vote speaking out for social programs such as the ARC that may be cut out.

Councilman Price moved for the adoption of Resolution No. 85-52 with the deletion of the last five words "as currently structured and funded." This motion was seconded by Councilman Boland.

Mayor McDevitt said he would oppose the federal administration's proposal if it were the only program slated for termination, but if this is in part an overall comprehensive plan to reduce the federal deficit then he would be willing to do away with it.

Councilman Myers said in working with the City budget over the past three years, he did not feel that the City budget could take a cut such as Federal Revenue Sharing.

On a voice vote of 5-2, Resolution No. 85-52 passed with Mayor McDevitt and Vice-Mayor Bratton voting "no."

Ralph Bishop spoke in opposition of the resolution.

Complete text of Resolution No. 85-52 will be found in Resolution Book No. 15 at page ~~179~~ 184.

RESOLUTION NO. 85-53 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT AND ANY CHANGE ORDERS WITHIN THE BUDGETED AMOUNT WITH COOPER ENTERPRISES, INC. FOR IMPROVEMENTS TO THE VENTILATION SYSTEM IN THE DEPARTMENT OF PUBLIC WORKS BUILDING ON SOUTH CHARLOTTE STREET

10. Consideration was given to a resolution authorizing the City Manager to execute on behalf of the City of Asheville a contract and any change orders within the budgeted amount with Cooper Enterprises, Inc. for improvements to the ventilation system in the Department of Public Works Building on South Charlotte Street.

Mayor McDevitt said bids were opened for improvements to the ventilation system in the Department of Public Works Building on South Charlotte Street on March 14, 1985. The City architect recommends award of the contract to the lowest bidder, Cooper Enterprises, Inc. The contract sum of $22,982.00 and administrative costs are within the amount budgeted for this project.

D. Motion scheduling a public hearing relative to a site plan for Phase I of the proposed Haywood Plaza Hotel to be located at the corner of Haywwod Street and Battery Park Avenue for April 23, 1985.

The Asheville Planning and Zoning Commission at a meeting held March 13, 1985, reviewed the site plan of Phase I of the proposed Haywood Plaza Hotel to be located at the corner of Haywood Street and Battery Park Avenue. The plan was prepared by John Rogers, Architect for Haywood Street Redevelopment Corporation, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council.

E. Motion scheduling a public hearing authorizing the filing of an application with the Department of Tranportation, United States of America for a grant under the Urban Mass Transportation Act of 1964, as amended, for May 7, 1985.

This application is for additional operating assistance funds under Section 5 of the UMTA Act. Expenditures for this grant will be 50-50 match between federal and city.

Federal	$116,772
Local (City)	116,772
Total	$233 544

F. Motion scheduling a public hearing authorizing the filing of an application with the Department of Transportation United States of America for a grant under the Urban Mass Transportation Act of 1964, as amended for May 7, 1985.

This application is for planning capital, and operating assistance funds under Section 9 fo the UMTA Act. Expenditures for this grant will be a match between federal state, and city.

Federal	$1,051,890
State	83 200
Local (City)	469,490
Total	$1 604 580

G. Resolution No. 85-56 - resolution appointing member to the Asheville Buncombe Crime Stoppers Committee.

This resolution will appoint Ann Huntington as a member of the Asheville-Buncombe Crime Stoppers Committee.

Complete text of Resolution No. 85-56 will be found in Resolution Book No. 15 at page 177.

CLAIMS - MARILYN McKENNA (WATER) - RESSIE McCAULEY (STREETS)

The City Manager presented claims received from Marilyn McKenna and Ressie McCauley.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

Complete text of Resolution No. 85-55 will be found in Resolution Book No. 15 at page ~~156~~ 189 mon

APPROVAL OF THE CONSENT AGENDA

13. Consideration was given to a motion approving the consent agenda.

Mayor McDevitt said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Motion scheduling a public hearing relative to rezoning property located on Arco Road for April 23. 1985.

The Asheville Planning and Zoning Commission at a meeting held March 13, 1985, considered the request of Attorney Marvin Pope for Mr. Elmer Frink that Ward 8, Sheet 13, portion of Lot 192, be rezoned from R-2 Residential District to CH Commercial Highway District. This property is located on Arco Road. After review and discussion, the Commission voted to recommend to City Council that Ward 8, Sheet 13, a portion of Lot 192, be rezoned from R-2 Residential District to CH Commercial Highway District.

B. Motion to schedule a public hearing for rezoning property located at 800 Fairview Road (River Ridge Market Place) for April 23, 1985.

The Asheville Planning and Zoning Commission at a meeting held March 13, 1985, considered the request of Bob Hughes and Associates that Ward 7, Sheet 51, Lot 1. be rezoned from LI Light Industrial District to CH Commercial Highway District. The property is located at 800 Fairview Road (River Ridge Market Place). After review and discussion. the Commission voted to recommend to City Council that Ward 7, Sheet 51, Lot 1, be rezoned from LI Light Industrial District to CH Commercial Highway District.

C. Motion scheduling a public hearing relative to rezoning property known as Hemphill Knoll at Gashes Creek and I-40 for April 23, 1985.

The Asheville Planning and Zoning Commission at a meeting held March 13, 1985, considered the request of Mr. George Beverly, Agent that Ward 13, Sheet 33, Lot 68, and Ward 13, Sheet 34, Lot 11, be rezoned from R-2 Residential District to OI Office Institutional District. The property is known as Hemphill Knoll at Gashes Creek and I-40. After review and discussion, the Commission voted to recommend to City Council that a portion of Lot 68, Sheet 33 Ward 13, and a portion of Lot 11, Sheet 34, Ward 13, be rezoned from R-2 Residential District to OI Office Institutional District. This would leave a 100 foot strip of R-2 buffer on the southern border abutting the Blue Ridge Parkway and Lot 78, Sheet 33 Ward 13, and on the northwestern margin abutting Lots 37½ and 8¼, Sheet 33, Ward 13.

Tuesday - April 9, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, and Walter R. Boland; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Louis Bissette

INVOCATION

The invocation was given by Mayor Larry McDevitt.

APPROVAL OF THE MINUTES - APRIL 2, 1985 MEETING

1. Approval of the minutes of the April 2, 1985 meeting.

Mayor McDevitt announced the approval of the minutes of the April 2, 1985 meeting as submitted.

PROCLAMATION - "BUILDING SAFETY WEEK" - APRIL 14-20, 1985

2. Mayor McDevitt read a proclamation proclaiming the week of April 14-20 as "Building Safety Week" in the City of Asheville.

Mayor McDevitt presented the proclamation to Lem Moore, Director of Inspections.

ORDINANCE NO. 1506 - AN ORDINANCE AMENDING SECTION 1-2 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

3. Consideration was given to the third reading of Ordinance No. 1506, an ordinance amending Section 1-2 of the Code of Ordinances of the City of Asheville.

Mayor McDevitt said the definition of "council" contained in Section 1-2 of the Code of Ordinances of the City of Asheville be amended to read as follows with the underlined portion representing change: "The words the council or city council shall mean the City Council of the City of Asheville, North Carolina, including six council members and the mayor". This ordinance passed on first reading on March 26, 1985 and on second reading April 2, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1506 passed on third and final reading.

RALPH BISHOP - COMMENTS RELATIVE TO APPOINTMENTS TO THE ASHEVILLE SCHOOL BOARD

Ralph Bishop spoke against the selection of the members of the Asheville School Board which were made by Council on March 26, 1985.

BEAVERVIEW/HILLCREST 4-H CLUB

Members of the Beaverview/Hillcrest 4-H Club requested a picture of the City Council for their government project.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Vice-Mayor Bratton, the meeting adjourned 6:00 p.m.

MAYOR

CITY CLERK

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 85-57 was unanimously adopted.

Complete text of Resolution No. 85-57 will be found in Resolution Book No. 15 at page 178.

Ralph Bishop spoke in opposition to the resolution stating that the City of Asheville should quit getting funds from the Federal Government which build up the federal deficit.

RESOLUTION NO. 85-58 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

6. Consideration was given to a resolution authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

Mayor McDevitt said this application for funding under Section 8 of the UMTA of 1964 as amended will aid in the financing of planning projects for transportation operations. Funds will come from Federal, State and Local Government. Expenditures for this grant will be a match between Federal, State and City.

Federal (UMTA)	20,000
State (NCDOT)	2,500
Local (City)	2,500
TOTAL	25,000

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-58 was unanimously adopted.

Complete text of Resolution No. 85-58 will be found in Resolution Book No. 15 at page 179.

ORDINANCE NO. 1509 - BUDGET ORDINANCE AMENDMENT TO REIMBURSE THE COMMUNITY DEVELOPMENT FUND

7. Consideration was given to a budget ordinance amendment to reimburse the Community Development Fund.

Mayor McDevitt said this action appropriates General Fund - Contingency funds in the amount of $8,584 to reimburse the Community Development Fund for costs disallowed as of June 30, 1984. The City exceeded the 20% limitation for administration and planning costs for the program year.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Complete text of Ordinance No. 1506 will be found in Ordinance Book No. 10 at page 257.

RESOLUTION NO. 85-56 - RESOLUTION OF INTENT TO CLOSE A PORTION OF OLD MOUNTAIN STREET AND OLD PINE STREET AND CALLING A PUBLIC HEARING ON THE QUESTION FOR MAY 14, 1985

4. Consideration was given to a resolution of intent to close a portion of Old Mountain Street and Old Pine Street and scheduling a public hearing for May 14, 1985.

Mayor McDevitt said a petition has been filed by the Housing Authority of the City of Asheville, asking that a portion of Old Mountain Street and Old Pine Street be permanently closed to public use. These streets are under the authority and control of the City and are not under the authority of the N. C. Department of Transportation.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 85-56 was unanimously adopted.

Complete text of Resolution No. 85-56 will be found in Resolution Book No. 15 at page ~~177.~~ 188 Mon

RESOLUTION NO. 85-57 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A FEDERAL AVIATION GRANT AGREEMENT, PROJECT NO. 3-37-0005-04

5. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville a Federal Aviation Grant Agreement, Project No. 3-37-0005-04.

Mayor McDevitt said the Federal Aviation Administration has offered a grant agreement, dated March 27, 1985, to the Asheville Regional Airport Authority in the amount of $44,325.00. The City of Asheville and the County of Buncombe are sponsors of the agreement. The FAA requires each sponsor to execute the grant agreement. This agreement provides for a Terminal System Analysis Program.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

The Associate City Manager said the grant would be funded by the Federal providing 90%, State providing 5%, and the County providing 5% of the total grant funds.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

LAWSUITS - ASHEVILLE HOUSING AUTHORITY/CONDEMNATION OF DEVERE LENTZ, JR. PROPERTY (PACK PLAZA) - ASHEVILLE HOUSING AUTHORITY/CONDEMNATION OF SUSAN LITTLEJOHN - CARSON PROPERTY (PACK PLAZA)

The City Manager said the City was served with summonses in connection with lawsuits involving the Asheville Housing Authority and the condemnation of Devere Lentz, Jr. property (Pack Plaza) and condemnation of Susan Littlejohn - Carson Property (Pack Plaza).

Mayor McDevitt referred the summonses to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - APRIL 21-27, 1985 - "CLEAN UP LITTER WEEK"

Mayor McDevitt presented a proclamation proclaiming the week of April 21-27 as "Clean Up Litter Week".

RALPH BISHOP - COMMENTS RELATIVE TO FORMER POLICE CHIEF J. C. HALL RECEIVING POLICE PENSION FUNDS

Upon inquiry of Ralph Bishop, Corporation Counsel Slawter said an individual receiving disability police pension benefits can perform other duties, in another state, and still draw disability police pension funds.

Upon further inquiry of Mr. Bishop, Corporation Counsel Slawter said all records relative to former Police Chief J. C. Hall and his disability police pension funds were given to Mr. Bishop.

REQUEST OF CITIZENS (H. M. HEYWOOD, JR. - FOR LOCAL CITIZENS COMMITTEE) - STATE RIDGE LAW REQUIREMENTS

Mr. Harvey Heywood, Jr., highlighted the following letter presented to members of Council:

April 6, 1985

Re: Sunset Point Condominiums

Asheville City Council
Asheville, N. C. 28807

Dear City Council Member:

A recent meeting regarding the above matter was held on April 2, involving representatives from a number of homeowner associations within the City and interested citizens. Sections of the City represented included North Asheville, Grove Park, Sunset Mountain, Redwood Forest, Haw Creek, and West Asheville. The meeting was called on short notice and all areas known to be interested could not be contacted.

A show of hands indicated 23 out of 24 present to be against construction of the Sunset Point Condominiums, for a number of very valid reasons. A suggested petition was presented and approved as to intent even though the suggested remedy may not be appropriate. This is being circulated. An ad hoc committee of 6 was formed to investigate and deve op effective strategy. The Committee met at noon on Friday April 5. Several

Councilman Myers moved for the adoption of Ordinance No. 1509. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1509 passed on first and final reading.

Complete text of Ordinance No. 1509 will be found in Ordinance Book No. 10 at page 260.

BIDS - HERBICIDE FOR PUBLIC WORKS DEPARTMENT, STREET DIVISION

9. Consideration was given to bids received for herbicide for Public Works Department, Street Division.

Mayor McDevitt said seven (7) sealed bids were received for a term purchase contract to furnish an estimated 440 gallons of herbicide for the Street Division's right-of-way maintenance program. Recommendation is to award this contract to the low bidder, Helena Chemical Company, Enfield, N. C. in the amount of $34,474.00. Purchases will be made on an as needed basis at the unit price of $78.35 per gallon. Sufficient funds are available in the Street Division operating budget Account Code 10-427-038.

Clark Brown, Director of Public Works, said the herbicide had been approved by the EPA and would be sprayed on vegetation along paved areas in the City of Asheville.

Councilman Myers moved to approve the award of this contract to the low bidder, Helena Chemical Company, in the amount of $34,474. This motion was seconded by Councilman Frank and carried unanimously.

Bid Summary

Bidder	Bid
Asheville FCX Asheville, N. C.	34,760.00
Forshaw Chemicals, Inc. Charlotte, N. C.	34,729.20
Helena Chemical Company Enfield, N. C.	34,474.00
Pennington Seed, Inc. Columbia, S. C.	35,195.00
Porter Brothers, Inc. Shelby, N. C.	39,160.00
SMCP Atlanta, Ga.	Bid Rejected/Improper Bid Deposit

CLAIMS - JOHN KELLEY (SEWER)- KENNETH GRAHAM (WATER)

The City Manager presented claims received from John Kelley and Kenneth Graham.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

the regular Council session which follows, requesting the local delegation to consider introducing an amendment to Article 14 of G. S. Chapter 113A which would allow the City of Asheville to eliminate the 3000 foot elevation requirement immediately, or other appropriate legislation; and convey this request in proper form to the local delegation in Raleigh by April 11. A staff member of the N. C. Dept. of Natural Resources and Community Development has offered to be present after 1:30 p.m. Tuesday if desired.

The first option can of course be pursued at a later date. An amendment has already been proposed that would prohibit the construction of "Tall Buildings" located on a ridge above 2300 feet. However the procedures for amending the Local Zoning Ordinance are lengthy and restriction to an elevation of 2300 feet could have considerable opposition.

Therefore we strongly urge the City Council to take the opportunity presently offered in the second option, to amend the State Ridge Law, and act in a timely manner.

Respectfully yours,

H. M. Heywood, Jr. for
Local Citizens Committee

cc: City Council Members
N. C. Rep. Marie Colton
N. C. Rep. Martin Nesbitt
Chmn. P & Z Commission
Rep. North Asheville, West Asheville, Grove Park, Sunset Mountain, Haw Creek and Redwood Forest

Mr. Heywood said the Committee is concerned about future development projects in the City of Asheville such as Sunset Point Condominiums. He said the group is not, at present, opposing this specific project; however, their particular interest is in height restrictions. He said he felt this request and procedure is the fast st way to deal with a project which has a lot of citizen opposition.

David Long and David Quinn, staff members of the N. C. Department of Natural Resources and Community Development, speaking as citi ens of Asheville, said they were concerned about height restrictions in the City of Asheville. They also requested that the City Council endorse an amendment to the State Ridge Law to the Buncombe County Legislative delegation.

Upon inquiry of Councilman Price, Mr. Emrick, Director of Planning, said there were approximately three areas in the City of Asheville that would be affected by the State Ridge Law. He said those areas include Cisco Mountain, Piney Mountain and Patton Mountain.

Upon inquiry of Councilman Boland, Verl Emrick, Director of Planning, said if the State Legislators amend the State Ridge Law, it would also be necessary to adopt a local ordinance to reduce elevation requirements. He said this could be accomplished by an amendment to the Zoning Ordinance.

committee members reported that the proposed condominiums were comprised of 4 buildings to include 192 units located between Sunset Ridge Condominiums (old Tiara Apartments) and Seelys Castle. The height is to be 12 stories-plus for a total of 165 feet, a total area of 379,200 feet and about 2800 foot elevation.

Discussion of a proposed strategy followed. This strategy was developed based on a study of the State Ridge Law and discussions with Phillip P. Green and Milton Heath, Institute of Government, Chapel Hill; Ms. Norma Price, Asheville City Council; Rep. Marie Colton and Rep. Martin Nesbitt, N. C. Legislature. We are very appreciative of their counsel.

It appears that there are two options available to the City of Asheville for preventing excessive building heights, such as proposed in the captioned development:

(a) Enact height restrictions in the local zoning ordinance.
(b) Pursue an ammendment to the N. C. State Ridge Law.

The second option involves amending the State Ridge Law so as to allow the City of Asheville to elect to eliminate the 3000 foot elevation requirements. The State Ridge Law would then prohibit construction (under G. S. 113A-209) of any "Tall Buildings" located on a ridge at an elevation 500 feet or more above the valley floor of about 2200 feet elevation. When taking into account the 100 foot buffer this would set the requirement at about 2600 feet. Specifically it would be necessary for the Asheville City Council to request of the local legislative delegation that they consider sponsoring the necessary amendment to the State Ridge Law or any other legislation that would get the job done. Any such legislation would very likely be tagged as a local bill and therefore would have to be filed by April 15 if it is to be considered this year which means the request from City Council would have to be in the hands of our delegation by April 10 or April 11 at the latest for consideration and processing. This request would of course be made to protect this City against <u>any</u> development of "Tall Buildings" on ridges above 2600 feet elevation, not just the captioned project. Until a developer secures a building permit he does not gain a vested right to proceed with construction and either the Local Zoning Ordinance or the State Ridge Law may be amended for the purpose of preventing excessive building heights.

It should be pointed out here that under the State Ridge Law the County does have the authority to eliminate the 3000 foot requirement in connection with ridges not within the City limits. Expert opinion is that the City does not have this authority simply because of word "city" was inadvertently left out when the law was originally written, and the County probably does not have jurisdiction over land use in the City.

Since time is of the essence we would hope that you are already aware of the widespread opposition to such development, and that petitions are being signed. Therefore we respectfully request that you place this matter on the agenda for "pre-council" work session on Tuesday, April 9 for discussion; and request that you subsequently pass a resolution at

LMcD:msb

cc: Senator Robert S. Swain
Senator Dennis J. Winner
Representative Marie W. Colton
Representative Narvel J. Crawford
Representative Martin L. Nesbitt

Mayor McDevitt noted that his law firm represents the developer proposing to develop the Sunset Point Condominiums. He said his position in voting on the request to the local delegation relative to amending the State Ridge Law is not tied to or aimed at any particular project.

After discussion, Councilman Boland moved that Mayor McDevitt be authorized to forward the proposed letter to the local legislative delegation. This motion was seconded by Councilman Price and carried unanimously.

ANNOUNCEMENT OF LEGISLATIVE BREAKFAST

Mayor McDevitt announced that members of Council would be meeting with several members of the Buncombe County Legislative Delegation on Monday, April 15, 1985, at 7:15 a.m. to discuss several legislative requests.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Price, the meeting adjourned at 5:10 p.m.

Larry McDevitt
MAYOR

Miriam J. Metcalf
CITY CLERK

After discussion, Mayor McDevitt read the following proposed letter to be forwarded to the Buncombe County legislative delegates:

April 9, 1985

The Honorable Gordon H. Greenwood
Legislative Building - Room 632
116 West Jones Street
Raleigh, N. C. 27611

Dear Representative Greenwood:

A group of concerned citizens of the City of Asheville has requested the City Council to take some action to restrict high rise development upon the ridges within the City. As you are aware, the State Ridge Law was enacted in 1983 and that law provides in G. S. 13A-206 (6) that it is applicable to mountain ridges with an elevation of 3,000 feet and in addition whose elevation is 500 or more feet above an adjacent valley floor. Cities and counties were authorized by G. S. 13A-208 to adopt specific regulatory ordinances, but the City of Asheville, as did most if not all cities and counties, opted to operate within the framework of the state law rather than enacting a local ordinance.

G. S. 13A-206 (6) provides that "a county may elect to terminate" the 3,000 foot requirement. That provision does not grant a city the same authority, and we also had some question as to whether the authority to eliminate the 3,000 foot requirement would include the authority to reduce that requirement to a lesser height. In addition, we had concern that such action might not be authorized after January 1, 1984, since the state law appears to contemplate having everything finalized by that date. G. S. 13A-212, in fact, requires that a map of the protected ridges "be permanently filed" in the Register of Deeds in each county by January 1, 1984.

In order for City Council to have the same authority as Buncombe County in this area, we request that you and the other members of the local delegation introduce either special legislation or an amendment to Article 14 of Chapter 13A of the North Carolina General Statutes to authorize the City of Asheville to reduce or eliminate by ordinance or resolution the 3,000 foot requirement of G. S. 13A-206 (6) and to provide that the recording of the map required by G. S. 13A-212 be within a reasonable time after enactment of the ordinance or resolution rather than by January 1, 1984, as currently required.

On behalf of the entire Council I would like to thank you and other members of the delegation again for your efforts on our behalf. We look forward to seeing you in the near future.

Very truly yours,

ASHEVILLE CITY COUNCIL

By: Larry McDevitt
Mayor

Mayor McDevitt said the Asheville Planning and Zoning Commission reviewed the request at its regular meeting of February 6, 1985 and delayed action requesting the R. L. Coleman Company and the Kenilworth Forest Association to meet to attempt to reach some compromise on several issues which were producing an impass and report to the Commission on February 27, 1985. At the February 27, 1985 meeting the Commission voted to approve a portion of the rezoning request. In addition, the Commission voted to provide additional R-3 buffers to assist in protecting the White Pine Drive areas. This ordinance passed on first reading on March 26, 1985 and on second reading on April 2, 1985.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Mr. Jerry Gentry said he had been working with Mr. Bob Long and Mr. Ron Payne, Attorneys, and is asking that Council delay action until an agreement can be worked out with the Coleman developers.

A representative from Mr. Bob Long's and Mr. Ron Payne's office said Mr. Long and Mr. Payne were in Court and could not attend the meeting. Therefore, they would ask that Council delay action until they could attend.

Jack Stevens said he does not object to a delay and will continue to work with the homeowners on an agreement during this time.

Councilman Boland moved to continue the third reading of this ordinance for two weeks with the understanding that Council will act in two weeks one way or another whether there is an agreement or not. This motion was seconded by Councilman Bissette and carried unanimously.

REPORT - 37 EAST CHESTNUT STREET (KEITH HARWOOD)

5. Mayor McDevitt said on January 15, 1985 Council adopted Resolution No. 84-5 authorizing an agreement by and between Keith E. Harwood and wife Deborah Joan Harwood, owners of 37 East Chestnut Street, to rehabilitate the apartment house known as 37 East Chestnut Street. Said agreement provided that Mr. Harwood would report to Council on April 16, 1985 as to whether or not the apartment house had been brought into compliance with the North Carolina State Building Code and the minimum Housing Code of the City of Asheville.

Mr. Harwood said he had been working on the house, but had encountered several problems, as well as bad weather. He requested that Council extend the time for completion of rehabilitation to 37 E. Chestnut for another six months.

Lem Moore, Director of Inspections, said due to the weather, he agrees to the six-month extension. He requested that Mr. Harwood sign an amendment to his agreement for the extension, and after that time if the house is not up to code, that the demolition order be carried out regardless of what Mr. Harwood had invested at that point.

Mr. Harwood is to report back to Council on October 15, 1985.

Tuesday - April 16, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Mary Lloyd Frank

INVOCATION

The invocation was given by Vice-Mayor Bratton.

APPROVAL OF THE MINUTES - OF THE April 9, 1985 MEETING

1. Approval of the minutes of the April 9, 1985 meeting.

Mayor McDevitt announced the approval of the minutes of the April 9, 1985 meeting as submitted.

REPORT ON PLANS FOR CLEANUP WEEK - APRIL 20-27, 1985

2. Ray Kisiah, Director of Parks, Recreation and Public Facilities invited Council to a "Blast Off", Saturday, April 20, 1985 at 9:00 a.m. at the City-County Plaza. He said April 20-27 has been designated as "Clean Up Week" with special activities planned for the entire week.

PROCLAMATION - APRIL 14-21, 1985 - "DAYS OF REMEMBRANCE OF THE VICTIMS OF THE HOLOCAUST"

3. Mayor McDevitt said he received a letter from the Chairman of the Holocaust Council asking him to appoint a liaison for the 1985 observance. He contacted Rabbi Paul Grob who agreed to be the liaison for this event.

Mayor McDevitt read a proclamation proclaiming the week of April 14-21, 1985 as "Days of Remembrance of the Victims of the Holocaust".

Mayor McDevitt presented the proclamation to Rabbi Paul Grob. Rabbi Grob read a statement relative to the history of the victims of the holocaust.

ORDINANCE NO. 1504 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AS ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY IS LOCATED ON PERIMETER OF ASHEVILLE MALL (R. L. COLEMAN, JR. PETITION)

4. Consideration was given to the third reading of Ordinance No. 1504, an ordinance providing for the zoning of the City of Asheville," as amended - property is located on perimeter of Asheville Mall (R. L. Coleman, Jr. Petition)

Mayor McDevitt said the North Carolina Department of Transportation, Public Transportation Division, is authorized to make grants for Mass Transportation Projects. The City of Asheville has made application to the Department of Transportation, United States of America, under the Urban Mass Transportation Act of 1964, as amended, for a Section 8 grant. The federal assistance available under Section 8 will not exceed 80% of the net project costs. The City of Asheville will provide an additional 10% of the total project costs. It is in the best interest of the City of Asheville to file an application with the North Carolina Department of Transportation for the remaining 10% necessary to implement the 1985-86 Asheville Urban Area Unified Work Program under Section 8 of the Urban Mass Transportation Act of 1964, as amended. Funds are anticipated as follows:

UMTA	$20,000
NCDOT	2,500
City	2,500
TOTAL	$25,000

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 85-60 was unanimously adopted.

Complete text of Resolution No. 85-60 will be found in Resolution Book No. 15 at page 193.

RESOLUTION NO. 85-61 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR STATE FUNDS IN SUPPORT OF THE CAPITAL IMPROVEMENTS PROJECT AND PLANNING PROGRAM

8. Consideration was given to a resolution authorizing the filing of an application with the North Carolina Department of Transportation for State funds in support of the Capital Improvements Project and Planning Program.

Mayor McDevitt said the N. C. Department of Transportation, Public Transportation Division, is authorized to make grants for Mass Transportation Projects. The City of Asheville has made application to the Department of Transportation, United States of America, under the Urban Mass Transportation Act of 1964, as amended, for a Section 9 grant. The federal assistance available under Section 9 will not exceed 80% of the net project costs. The City will provide an additional 10% of the total project costs. It is in the best interest of the City of Asheville to file an application with the N. C. Department of Transportation for the remaining 10% to implement the Capital Improvements Project and Planning Program under Section 9 of the Urban Mass Transportation Act of 1964, as amended. Funds are anticipated as follows:

UMTA	$1,051,890
NCDOT	83,200
ASHEVILLE	469,490
TOTAL	$1,604.580

Vice-Mayor Bratton made a motion authorizing the Mayor to execute an amendment to the agreement of January 15, 1985, by and between Keith E. Harwood and wife Deborah Joan Harwood, owners of 37 East Chestnut Street, Asheville, North Carolina, and the City of Asheville, in order to extend the time for completion of rehabilitation to the apartment house at said location until the 16th day of October, 1985. This motion was seconded by Councilman Price and carried unanimously.

RESOLUTION 85-59 - RESOLUTION AUTHORIZING THE ASHEVILLE HOUSING AUTHORITY TO PROCESS THE CLAIM OF MR. AND MRS. ERASTUS YOUNG FOR ELIGIBLE RELOCATION ASSISTANCE UNDER THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT UNIFORM RELOCATION ASSISTANCE AND REAL PROPERTY ACQUISITION POLICIES ACT OF 1970 (UNIFORM ACT)

6. Consideration was given to a resolution authorizing the Asheville Housing Authority to process the claim of Mr. and Mrs. Erastus Young for eligible relocation assistance under the Department of Housing and Urban Development Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (Uniform Act).

Mayor McDevitt said the property of Mr. and Mrs. Erastus Young, known as 40 Beech Street, was acquired by the Asheville Housing Authority during the East Riverside Urban Renewal Project. Mr. and Mrs. Erastus Young continued to reside on said property pursuant to Resolution No. 76-165. The East Riverside Urban Renewal Project was closed out financially in 1980. Mr. and Mrs. Erastus Young have purchased a replacement dwelling and have filed a request with the Asheville Housing Authority for relocation assistance. Sufficient funds are available in the Asheville Housing Authority Community Development East End/Valley Street Improvement Project Relocation account to process said claim and to award eligible benefits. Funds are available for payment in the amount of $15,460.00 in the Community Development East End/Valley Street Improvement Project - Relocation account.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 85-59 was unanimously adopted.

Complete text of Resolution No. 85-59 will be found in Resolution Book No. 15 at page ~~192~~.

RESOLUTION NO. 85-60 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR STATE FUNDS IN SUPPORT OF TECHNICAL STUDIES PROJECT FOR THE ASHEVILLE URBAN AREA UNIFIED WORK PROGRAM

7. Consideration was given to a resolution authorizing the filing of an application with the North Carolina Department of Transportation for State funds in support of Technical Studies Project for the Asheville Urban Area Unified Work Program.

Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Motion scheduling a public hearing relative to rezoning property located at 31 Granby Street and 18 Arden Road for May 14, 1985.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, considered the request of Mr. John Nilsson, Agent for Asheville Hand Center, that Ward 1, Sheet 8, Lots 141 and 143 be rezoned from R-2 Residential District to OI Office Institutional District. The property is located at 31 Granby Street and 18 Arden Road. After review and discussion, the Commission voted to recommend to City Council that Ward 1, Sheet 8, Lot 141 and a portion of Lot 143, be rezoned from R-2 Residential District to OI office Institutional District, leaving a 30' R-2 Residential District buffer along Granby Street and Arden Road.

B. Motion scheduling a public hearing to rezoning property located behind Pearlman's on Tunnel Road for May 14, 1985.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, considered the request of Mr. Steve Russell, Trust Office NCNB, for Julian Long Estate, and Mr. M. M. Pearlman that Ward 8, Sheet 11, Lots 50 and 51, be rezoned from R-3 Residential District to CH Commercial Highway District. This property is located behind Pearlman's on Tunnel Road. After review and discussion, the Commission voted to recommend to City Council that Ward 8, Sheet 11, Lots 50 and 51, be rezoned from R-3 Residential District to CH Commercial Highway District.

C. Motion scheduling a public hearing relative to rezoning property located at 941 Fairview Road for May 14, 1985.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, considered the request of Mr. James Schumacher that Ward 7, Sheet 27, Lot 42, be rezoned from LI Light Industrial District to R-3 Residential District. This property is located at 941 Fairview Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 27, Lot 42, be rezoned from LI Light Industrial District to R-3 Residential District.

D. Motion scheduling a public hearing relative to a site plan of the proposed expansion of the Beaucatcher Cinemas located on Haw Creek Lane for May 7, 1985.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, reviewed the site plan of the proposed expansion of the Beaucatcher Cinemas located on Haw Creek Lane. The plan was prepared by Hiller and Hiller, Architects, Greenville, S. C., for the Litchfield Company, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Myers, Resolution No. 85-61 was unanimously adopted.

Complete text of Resolution No. 85-61 will be found in Resolution Book No. 15 at page 194.

MOTION - IDENTIFICATION SIGN PERMIT - 280 NORTH HANOVER STREET

9. Consideration was given to a motion approving a sign permit to erect an identification sign at 280 North Hanover Street.

Mayor McDevitt said Hensley-Snyder Sign Company has requested a sign permit to erect a freestanding identification sign, 6' x 20', at 280 North Hanover Street advertising "Stowaway Self Service Storage". Pursuant to the Zoning Ordinance, this sign requires the approval of City Council since it will be situated closer than 600' from a limited access highway.

Verl Emrick presented the sign request and said all requirements of the Zoning Ordinance have been met. He said this will be a mini warehouse operation.

Mr. Ron Snyder of Hensley-Snyder Sign Company, by the use of a map, showed the location of where the proposed sign would be erected.

Councilman Price moved to continue the approval of the sign request until the Group Development request is considered by Council for review. This motion was seconded by Councilman Boland and carried unanimously.

BIDS - BITUMINOUS CONCRETE MATERIALS (ASPHALT)

10. Consideration was given to bids received for bituminous concrete materials (asphalt).

Mayor McDevitt said one bid was received for a term purchase contract to furnish the City's annual requirement for asphalt for force account resurfacing and street repair. Since only one bid was received, a market survey was conducted and the bid price was found to be consistent with other cities and the state's current costs. It is recommended to award this contract to APAC-Carolina, Asheville Division, in the amount of $161,675.00. Purchases will be made as required.

Councilman Boland moved to accept the bid, as recommended, to APAC-Carolina in the amount of $161,675.00. This motion was seconded by Councilman Bissette and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

11. Consideration was given to a motion approving the Consent Agenda.

Mayor McDevitt said the following items are of a routine nature and they have been previously reviewed by the members of the City Council.

Tuesday - April 23, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gordon Myers.

INVOCATION

The invocation was given by Mayor McDevitt.

APPROVAL OF THE MINUTES - APRIL 16, 1985, MEETING

1. Approval of the minutes of the April 16, 1985, meeting.

Vice Mayor Bratton requested the minutes be corrected to reflect that Rabbi Ronald C. Bluming gave the invocation at the April 16 meeting.

Mayor McDevitt announced the approval of the minutes as corrected by Vice Mayor Bratton.

ANNOUNCEMENT - RELATIVE TO KICK OFF FOR BELE CHERE 1985 - JULY 26-28, 1985

2. Ray Kisiah, Director of Parks, Recreation, and Public Facilities and Jim Daniels, Chairman of the Bele Chere Board, announced that Bele Chere 1985 would be held July 26-28, 1985. This announcement was made amid the live "rag time" music provided by Steve Becker. Several staff members associated with the planning activities of Bele Chere distributed balloons to members of City Council.

Mr. Daniels said that for the second consecutive year Mr. J. D. Jackson, Jr. will be the Chairman of the Bele Chere Festival.

Invitations to participate in all the Bele Chere activities were extended to the Council and the public.

PROCLAMATION - "PRIVATE PROPERTY WEEK" - APRIL 28 - MAY 4, 1985

3. Mayor McDevitt proclaimed the week of April 28 - May 4, 1985, as "Private Property Week," and presented the proclamation to Ben McKenzie.

PROCLAMATION - "SPECIAL POPULATIONS WEEK" - APRIL 22-28, 1985

4. Mayor McDevitt proclaimed the week of April 22-28, 1985, as "Special Populations Week," and presented the proclamation to Toni Patterson, a senior at Lucy Herring School and a participant in the Special Olympics.

E. Motion to schedule a public hearing relative to a site plan of the proposed Twin Oaks Mobile Home Park to be located on Bingham Road for May 7, 1985.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, reviewed the site plan of the proposed Twin Oaks Mobile Home Park to be located on Bingham Road. The plan was prepared by Ray Anders and Associates for Mr. Allen Moss, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to a 6" water line being shown to serve the fire hydrants, and compliance with the Erosion Control Ordinance.

F. Motion to schedule a public hearing for Community Development Objectives and projected use of funds from 7/1/85 through 6/30/86 for May 7, 1985.

Mayor McDevitt said during the fiscal year beginning July 1, 1985, the City of Asheville anticipates receiving $1,382,000 from the U. S. Department of Housing and Urban Development through the Community Development Block Grant Entitlement Program. Use of the funds is restricted to activities which will benefit low and moderate income persons or aid in the prevention or elimination of slums or blighted areas. At least 51% of the entitlement must be used for activities which benefit low and moderate income persons. This public hearing will afford the citizens of Asheville an opportunity to voice their opinions relative to the objectives and proposed use of funds for 1985-86. Based on the Department of Housing and Urban Development projections, the City's Community Development Block Grant entitlement for 1985-86 will be $1,382,000.

Councilman Price moved for adoption of the Consent Agenda. This motion was seconded by Councilman Bissette and carried unanimously.

CLAIMS - SHIRLEY BROWN (SEWER) - ANN HUNSUCKER (SEWER) - EDGAR SHEPHERD (SANITATION) - CYNTHIA HART (WATER) - LILLIAN WALLEY - (PARKS & RECREATION/STREETS) - WYAND DOERNER (POLICE) - WILLIAM QUEEN (WATER)

The City Manager presented claims received from Shirley Brown, Ann Hunsucker, Edgar Shepherd, Cynthia Hart, Lilliam Walley, Wyand Doerner, and William Queen.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO POLICE CHIEF J. C. HALL AND LOTTERY SALES

Ralph Bishop spoke to Council regarding former Police Chief J. C. Hall's disability and on lottery sales in Asheville.

Upon motion of Councilman Price, seconded by Councilman Bissette, the meeting adjourned at 5:45 p.m.

Lacy McDevitt
MAYOR

William F. Nesbitt
CITY CLERK

Mr. Newcomer said a 35-40 million dollar project is proposed for the area. He said the project would include a 160-room hotel, an athletic center and restaurant, and 230 condominiums. He said picnic tables, an open area, and jogging trails are proposed for the church side of the property. He said the development would provide approximately 200 full-time jobs. He answered general questions from members of Council relative to height and access.

Mayor McDevitt asked if there were any adjacent property owners or any members of Gashes Creek Baptist Church present who wished to address the Council on this issue.

Mayor McDevitt said Earl McIntire had informed him that he did not know what involvement the State would have at this time beyond driveway permits; however, if the Council requested it, the State would be glad to take a look at what their involvements might be.

Mayor McDevitt closed the public hearing at 4:50 p.m.

Councilman Bissette moved for the adoption of Ordinance No. 1510. This motion was seconded by Vice Mayor Bratton.

Councilman Price said this rezoning request is coming before Council at a very stategic time due to local legislation now pending in Raleigh and a public hearing proposed May 7 relative to height restrictions. She said it was her feeling that this area could best be served by remaining R-2 designation. She said she would have a problem in voting to rezone the whole 81 acre tract. She said she would prefer waiting to vote on this issue until information could be obtained on the traffic situation and other questions.

Councilman Boland said it is difficult for City Council to make a decision due to the concerns citizens have expressed relative to ridges and mountain tops. He said the proposed legislation relative to the 3,000 foot rule makes the issue more complex.

Councilman Boland offered a substitute motion to remand the issue back to the Planning and Zoning Commission with instructions to evaluate the rezoning as to traffic, ridge law, and the comprehensive plan. This motion was seconded by Councilman Price.

Councilman Bissette said it would be very unfair to the developer to table this issue indefinitely.

A discussion followed relative to the time table anticipated for the comprehensive plan and the 100 day limitation on matters pending before the Council.

Mr. Thompson said, as he understood it, the project would not be affected by the 3,000 foot ridge law.

Mayor McDevitt said the City currently has a local bill pending before the legislature that will exempt the City from the State ridge law and give the City Council authority to set its own limits. He said the General Assembly could act in a matter of weeks, but this was something he could not predict.

PROCLAMATION - SECRETARIES WEEK

In order : Mayor McDevitt proclaimed the week of April 22-28, 1985, as "Secretaries Week."

PUBLIC HEARING - REZONING PROPERTY KNOWN AS HEMPHILL KNOLL AT GASHES CREEK AND I-40 .

ORDINANCE NO. 1510 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED. (PROPERTY KNOWN AS HEMPHILL KNOLL AT GASHES CREEK AND I-40)

5. A public hearing was held relative to an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended. (Property known as Hemphill Knoll at Gashes Creek and I-40.)

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held March 13, 1985, considered the request of Mr. George Beverly, Agent, that Ward 13, Sheet 33, Lot 68, and Ward 13, Sheet 34, Lot 11, be rezoned from R-2 Residential District to OI Office Institutional District. The property is known as Hemphill Knoll at Gashes Creek and I-40. After review and discussion, the Commission voted to recommend to City Council that a portion of Lot 68, Sheet 33, Ward 13, and a portion of Lot 11, Sheet 34, Ward 13, be rezoned from R-2 Residential District to OI Office Institutional District. This would leave a 100-foot strip of R-2 buffer on the southern border, abutting the Blue Ridge Parkway and Lot 78, Sheet 33, Ward 13, and on the northwestern margin abutting Lots 37-1/4 and 8-1/4, Sheet 33, Ward 13.

Mayor McDevitt opened the public hearing at 4:31 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the proposal before Council is to rezone a complete 81 acre tract from R-2 - Residential District to OI - Office Institutional District. He said the primary reason for the request was for development of the property, as displayed on the map for view of the Council and the public. He said the Planning and Zoning Commission did consider this request at their March 13 meeting, and the Commission recommended approval of the request upon including a 100' R-2 buffer on the southern and northwestern borders.

Mr. Emrick said letters of protest had been received from Senator Robert Swain, other adjoining property owners, and the Gashes Creek Baptist Church.

Mr. George Beverly, representing the Hemphill heirs, introduced Mr. Charles Newcomer, Project Developer, who, in turn, introduced Mr. Mike Thompson, Architect for the project.

Mr. Emrick said the primary reason for the rezoning request is because the lot is currently split with two zoning designations. One part is zoned C-H - Commercial Highway District and the other part is zoned R-2 - Residential District.

Marvin Pope, Attorney, for Mr. and Mrs. Elmer Frink, showed photographs and a diagram of the property. He said this property is located next to the Beverly Hills Beauty and Barber Shop. He said the Frinks do not have any plans to build on this property.

Walter Fletcher, who owns property adjacent to the Frink's property, spoke in opposition to the rezoning. He said all of the property owners in the area had attended the Planning and Zoning Commission meeting in March and had voiced their objections at that time to the rezoning. He said the residents are concerned about devaluation in property, and also, if the property is rezoned Commercial Highway, it opens up the possibility of a McDonald's or some similar development on the property. He said the majority of residents use Arco Road as an access to Tunnel Road, and development of the property would cause a bottle-neck in traffic.

Councilman Price said she supports Mr. Fletcher's concerns and that this could possibly have a domino effect in the neighborhood.

Mayor McDevitt returned to the meeting at 5:50 p.m.

Mayor McDevitt said he had problems voting for something which will do away with the neighborhood concept.

Vice Mayor Bratton closed the public hearing at 5:51 p.m.

Vice Mayor Bratton said members of Council were furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

For lack of a motion, Ordinance No. 1511 failed on first reading.

Copy of Ordinance No. 1511 will be found in Ordinance Book No. 10, page 260.

Mayor McDevitt took over the Chair and presided over the rest of the meeting.

Mayor McDevitt said he wanted Mr. Pope, the Frinks, and Mr. Fletcher to understand the action just taken by Council. He said no motion was made because there was no support for the request; therefore, the request was denied.

PUBLIC HEARING - REZONING PROPERTY AT 800 FAIRVIEW ROAD

ORDINANCE NO. 1512 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED. (800 FAIRVIEW ROAD - RIVER RIDGE MARKET PLACE)

7. A public hearing was held relative to an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended. (800 Fairview Road - River Ridge Market Place)

Mr. Beverly said a lot of option money had been invested up to this point and that the developer was under some time constraints. He said their original request to the Planning Department had been to rezone the property to C-H - Commercial Highway District. He said the Planning Department had spent a great deal of time studying that and had told him that that would be considered "spot zoning," and advised him to proceed with the O-I - Office Institutional designation for the whole tract.

Mr. Thompson said this matter will come before the Council again under a group development request and that Council's concerns seem to apply more under the group development process than under the rezoning request.

With the consent of Councilman Price, Councilman Boland withdrew his substitute motion.

Councilman Boland then moved to postpone the second reading of Ordinance No. 1510 until May 28 and that the staff furnish the Council with answers relative to their questions regarding access, traffic, and the ridge law. This motion was seconded by Councilman Price and carried unanimously.

Note: 4/23/85 minutes amended See 5/21/85 minutes pg. 157

On a roll call vote of 5-1, Ordinance No. 1510 passed on first reading with Mayor McDevitt voting "no."

Mayor McDevitt turned the Chair over to Vice Mayor Bratton at 5:31 p.m.

PUBLIC HEARING - REZONING PROPERTY ON ARCO ROAD

ORDINANCE NO. 1511 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (ARCO ROAD)

6. A public hearing was held relative to an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended (Arco Road).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held March 13, 1985, considered the request of Attorney Marvin Pope for Mr. Elmer Frink that Ward 8, Sheet 13, portion of Lot 192, be rezoned from R-2 Residential District to CH Commercial Highway District. This property is located on Arco Road. After review and discussion, the Commission voted to recommend to City Council that Ward 8, Sheet 13, a portion of Lot 192, be rezoned from R-2 Residential District to CH Commercial Highway District.

Vice Mayor Bratton opened the public hearing at 5:32 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission had reviewed this request at their March meeting and recommended approval of the request to the City Council. By use of a map Mr. Emrick located the property for City Council.

John Rogers, Architect for the Haywood Street Redevelopment Corporation, Developer, said the new name of the Hotel would now be the Haywood Park Hotel. He said the hotel would include 33 executive suites and the ground floor would be used for a restaurant and retail shops. He said the anticipated project cost is $1,600,000.

Mayor McDevitt closed the public hearing at 6:05 p.m.

Councilman Frank moved to approve the site plan for Phase I of the Haywood Park Hotel. This motion was seconded by Councilman Price and carried unanimously.

RESOLUTION NO. 85-62 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE LEASE/PURCHASE AGREEMENTS

9. Consideration was given to a resolution authorizing the City Manager to execute lease/purchase agreements.

Mayor McDevitt said N.C. General Statute section 160A-20 provides for the purchase of personal property by installment contracts which create in the property purchased a security interest to secure payments of the purchase money. The Purchasing Director has received proposals for the lease/purchase financing of motor vehicles, air compressors, front end loader, forklift, and salt and sand spreaders. Twelve (12) proposals were received; however, only five (5) met the requirements. It is recommended to award this agreement to Southern National Leasing Corporation, Charlotte, North Carolina. Savings to the City over a three-year period will be $39,924.54 for equipment leased/purchased for thirty-six (36) months, and $3,086.99 for equipment leased/purchased for twenty-four (24) months. This would be a total savings to the City of $43,011.53 over a cash purchase. Appropriation for all the equipment is included in the FY '85 budget.

Mayor McDevitt said this matter had been discussed during the pre-Council session and during that time the Council had learned that First Union National Bank was actually the low bidder and the reason they were not recommended is because they had included a limitation date of April 15, 1985, in their proposal.

Larry Fisher, Director of Finance, said the City could save over $40,000 in lease/purchasing this equipment as opposed to buying outright. He said another $800 could be saved by the City in awarding the bid to First Union National Bank.

Upon inquiry of Mayor McDevitt, Corporation Counsel Bill Slawter said Council could legally award the bid to First Union National Bank.

Upon motion of Councilman Bissette, seconded by Councilman Price, Resolution No. 85-62 was unanimously adopted awarding the bid for the lease/purchase to First Union National Bank.

Complete text of Resolution No. 85-62 will be found in Resolution Book No. 15 at page 195.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held March 13, 1985, considered the request of Bob Hughes and Associates that Ward 7, Sheet 51, Lot 1, be rezoned from LI Light Industrial District to CH Commercial Highway District. The property is located at 800 Fairview Road (River Ridge Market Place). After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 51, Lot 1, be rezoned from LI Light Industrial District to CH Commercial Highway District.

Mayor McDevitt opened the public hearing at 5:55 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick said the Planning and Zoning Commission had reviewed this request at their March 13 meeting, and the Commission recommends approval of the request to City Council. He said the primary reason for the request is to permit residential development of the property behind the motel. He said the Commerical Highway designation will accommodate this additional development potential.

Carroll Hughes, Architect for this project, said this is Phase IV of the River Ridge Development Project.

Councilman Price moved for the adoption of Ordinance No. 1512. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1512 passed on first reading.

PUBLIC HEARING - SITE PLAN FOR PHASE I OF HAYWOOD PLAZA HOTEL

8. A public hearing was held relative to the site plan for Phase I of the proposed Haywood Plaza Hotel to be located at the corner of Haywood Street and Battery Park Avenue.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held March 13, 1985, reviewed the site plan of Phase I of the proposed Haywood Plaza Hotel to be located at the corner of Haywood Street and Battery Park Avenue. The plan was prepared by John Rogers, Architect, for Haywood Street Redevelopment Corporation, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council.

Mayor McDevitt opened the public hearing at 5:58 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this project involves the renovation of the old Ivey's Department Store. He said Phase I includes the upper floors and a retailing section on the bottom floor and that the work is now being done internally to remove partitions, etc. Mr. Emrick said Phase II and Phase III may involve the Haywood and Starnes buildings. He said that the site plan meets all the requirements of group development and existing ordinances and recommended approval to City Council.

Mayor McDevitt said the Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East End/Valley Street Community Improvement Area.

Parcel	Reuse	Price	Bid	Redeveloper
41	Residential	$3,000	$3,121.99	Johnny Rhodes, Timothy Burdine & Sara Burdine
59	Residential	$3,100	$3,100.00	Meredith Mauldin

Lot 41, located at the corner of Martin Luther King, Jr.

Lot 59, located at the corner of Grail Street and Ridge Street.

The above parcels are residential lot sales for single-family structures under the Incentive Housing Program.

Councilman Price moved to approve the sale of Disposal Parcels 41 and 59 in the East End/Valley Street Community Improvement Area. This motion was seconded by Councilman Frank and carried unanimously.

REPORT - COUNCILMAN BISSETTE RELATIVE TO CABLE TELEVISION

Councilman Bissette said the Council Committee, consisting of himself, Councilman Myers, and Attorney Gary Rowe, has met weekly for the past several weeks. He said this Committee has been assisted by Bill Slawter and his staff. He said they have been in touch with the FCC, other city attorneys, and the Institute of Government in gathering information. He said the Council Committee is continuing its review of the City's legal alternatives which he reported to the Council in an executive session. However, he said, a public disclosure of these legal matters would be premature at this time, but that he would anticipate a further report regarding the City's legal attempts within 30 days.

In the meantime, he said, the Council Committee believes that public response is necessary to determine the level of service that is currently being provided by our franchisee, Asheville Cable Television. He said in conjunction with that, a questionnaire has been developed by the Committee, the Cable Television Committee, and UNCA.

He said the Committee would also like to request the Council's approval for the printing and mailing of the questionnaire to residents receiving cable television service in the City of Asheville. He also requested that Council approve a schedule of public hearings to be held relative to cable television services on May 14 at the Civic Center, May 15 at Hall Fletcher School, on May 16 at Haw Creek School. Councilman Bissette said all of the public hearings would be held at 7:30 p.m. He said this would give City Council the opportunity to gauge whether or not Asheville Cablevision is complying with the franchise.

MOTION - SCHEDULING PUBLIC HEARING - WORDING AMENDMENT TO ZONING ORDINANCE - MAY 7, 1985

10. Consideration was given to a motion scheduling a public hearing relative to amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended (wording amendment relative to proposed structural heights in the R-1, R-2, and R-3 Residential Districts) for May 7, 1985.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a special meeting held April 10, 1985, considered a recommendation regarding proposed structural heights in the R-1, R-2, and R-3 Residential Districts. After discussion, the Commission voted to recommend the following amendment to City Council: "Amend Section 30-5-2. R-1 Residential District, and Section 30-5-3. R-2 Residential District to provide for the following: A) Within the jurisdiction of this ordinance for the zoning districts specified, no building and/or structure may be constructed with a vertical height in excess of fifty (50) feet or three (3) stories. Exemptions: Governmental, quasi governmental or utility structures to include, but not be limited to, water towers/ reservoirs, radio, telephone or television towers or equipment for the transmission of electricity or communications shall be exempt from the provisions contained herein."

Councilman Price moved to schedule a public hearing relative to the proposed wording amendment to the zoning ordinance for May 7, 1985. This motion was seconded by Councilman Frank and carried unanimously.

MOTION - SCHEDULING PUBLIC HEARING RELATIVE TO SITE PLAN OF SWEET CREEK OFFICE PARK

11. Consideration was given to a motion scheduling a public hearing relative to the site plan of the proposed Sweet Creek Office Park to be located on Sweeten Creek Road for May 14, 1985.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, reviewed the site plan of the proposed Sweet Creek Office Park to be located on Sweeten Creek Road. The plan was prepared by John Broadbooks, Landscape Architect, for Ken Partin, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance.

Councilman Price moved to schedule a public hearing relative to the site plan of the proposed Sweet Creek Office Park for May 14, 1985. This motion was seconded by Councilman Frank and carried unanimously.

MOTION - APPROVAL OF SALE OF DISPOSAL PARCELS 41 AND 59 IN THE EAST END/VALLEY STREET COMMUNITY IMPROVEMENT AREA

12. Consideration was given to a motion approving the sale of Disposal Parcels 41 and 59 in the East End/Valley Street Community Improvement Area.

Tuesday - April 30, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Norma T. Price.

INVOCATION

The invocation was given by Councilman Frank.

APPROVAL OF THE MINUTES - APRIL 23, 1985, MEETING

1. Approval of the minutes of the April 23, 1985, meeting.

Mayor McDevitt announced the approval of the minutes as submitted with the exception of some typographical changes.

PROCLAMATION - "NATIONAL PRAYER DAY" IN ASHEVILLE - MAY 2, 1985

2. Mayor McDevitt read a proclamation proclaiming May 2, 1985, as National Prayer Day in Asheville.

PROCLAMATION - "RESPECT FOR LAW WEEK" - MAY 1 - MAY 7, 1985

3. Mayor McDevitt proclaimed the week of May 1-7 as "Respect For Law Week" and May 3 as "Law Day" in Asheville.

RESOLUTION NO. 85-63 - RESOLUTION OF APPRECIATION TO DISTRICT COMMANDER ROBERT B. BRYSON

4. Consideration was given to a resolution of appreciation to District Commander Robert B. Bryson.

Mayor McDevitt said Robert B. Bryson has faithfully served the City of Asheville since 1952, being promoted to District Commander in 1982. Robert B. Bryson retired effective April 1, 1985, and the City Council, by this resolution, expresses its appreciation for his loyalty and dedication to the citizens of the City of Asheville.

Upon motion of Councilman Bissette, seconded by Councilman Boland, Resolution No. 85-63 was unanimously adopted.

Mayor McDevitt presented a copy of the Resolution to Robert R. Bryson. Complete text of Resolution No. 85-63 will be found in Resolution Book No. 15 at page 196.

Councilman Bissette moved to request that City Council appropriate $2,000 for printing and mailing of the questionnaire and approval of the public hearings to be held as listed above. This motion was seconded by Councilman Price and carried unanimously.

ORDINANCE NO. 1513 - BUDGET AMENDMENT

Consideration was given to a budget amendment ordinance to authorize $2,000 from the Contingency Fund for the printing and mailing of a questionnaire relative to cable television services.

Vice Mayor Bratton moved for the adoption of Ordinance No. 1513. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1513 passed an first and final reading.

COUNCILMAN PRICE - REQUEST - CABLE TELEVISION COMMITTEE

Councilman Price requested that the membership of the Cable Television Committee be checked to see whether or not we have full membership.

PETITION - JOE BLY - WATER FOUNTAINS - CITY COUNTY PLAZA/PACK SQUARE

Joe Bly presented a petition to the City Council on behalf of visitors and homefolks of the City, attendees of the Shindig-On-The-Green, and in memory of Fannie B. McCoy for the installation of two (2) new continuously running water fountains in the City County Plaza and for two (2) water fountains on Pack Square.

Mayor McDevitt said Council would look into the request.

CLAIMS - KATHY RIELS (WATER), W.A. ROBBINS (WATER), GEORGE PEBLER (STREETS)

The City Manager presented claims received from Kathy Riels, W. A. Robbins, and George Pebler.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Frank the meeting adjourned at 6:50 p.m.

Lee McDevitt
MAYOR

William F. Wellertz
CITY CLERK

ORDINANCE NO. 1504 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING FOR THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED ON PERIMETER OF ASHEVILLE MALL

8. Consideration was given to the third reading of Ordinance No. 1504, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended.

Mayor McDevitt said the Planning and Zoning Commission reviewed the request at its regular meeting of February 6, 1985, and delayed action requesting the R. L. Coleman Company and the Kenilworth Forest Association to meet to attempt to reach some compromise on several issues which were producing an impass and report to the Commission on February 27, 1985. At the February 27, 1985, meeting, the Commission voted to approve a portion of the rezoning request. In addition, the Commission voted to provide additional R-3 buffers to assist in protecting the White Pine Drive areas. This ordinance passed on first reading on March 26, 1985, and on second reading on April 2, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

Mayor McDevitt said the third reading of Ordinance No. 1504 was recalendared for April 16, at the request of R. L. Coleman Company and the Kenilworth Forest Association residents. At that time, both Mr. Coleman and the neighborhood association asked Council to delay action for two more weeks.

Mr. R. L. Coleman and the adjacent property owners, who are working to reach a compromise on certain elements on the rezoning, asked Council to postpone the third reading for two more weeks.

Upon motion of Councilman Boland, seconded by Councilman Frank, Council agreed to postpone the third reading of Ordinance No. 1504 until May 14.

ORDINANCE NO. 1512 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED AT 800 FAIRVIEW ROAD (RIVER RIDGE MARKET PLACE)

9. Consideration was given to the second reading of Ordinance No. 1512, an ordinance amending ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held March 13, 1985, considered the request of Bob Hughes and Associates that Ward 7, Sheet 51, Lot 1, be rezoned from LI Light Industrial District to CH Commercial Highway District. The property is located at 800 Fairview Road (River Ridge Market Place). After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 51, Lot 1, be rezoned from LI Light Industrial District to CH Commercial Highway District. This ordinance passed on first reading April 23.

Mayor McDevitt said this ordinance was previously read on first reading it would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1512 passed on second reading.

RESOLUTION NO. 85-64 - RESOLUTION OF APPRECIATION TO COMPANY COMMANDER JACK E. WAITES

5. Consideration was given to a resolution of appreciation to Company Commander Jack E. Waites.

Mayor McDevitt said Jack E. Waites has faithfully served the City of Asheville since 1958, being promoted to Company Commander in 1977. Jack E. Waites retired effective April 1, 1985, and the City Council, by this resolution expresses its appreciation for his loyalty and dedication to the citizens of the City of Asheville.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution 85-64 was unanimously adopted.

Mayor McDevitt presented a copy of the resolution to Jack E. Waites.

Complete text of Resolution No. 85-64 will be found in Resolution Book No. 15 at page 197.

RESOLUTION NO. 85-65 - RESOLUTION OF APPRECIATION TO FIREFIGHTER III HUBERT C. ROGERS

6. Consideration was given to a resolution of appreciation to Firefighter III Hubert C. Rogers.

Mayor McDevitt said Hubert C. Rogers has faithfully served the City of Asheville since 1958. Hubert C. Rogers retired effective April 1, 1985, and the City Council, by this resolution expresses its appreciation for his loyalty and dedication to the citizens of the City of Asheville.

Upon motion of Councilman Myers, seconded by Councilman Frank, Resolution 85-65 was unanimously adopted.

Mayor McDevitt presented a copy of the resolution to Hubert C. Rogers.

Complete text of Resolution No. 85-65 will be found in Resolution Book No. 15 at page 198.

RESOLUTION NO. 85-66 - RESOLUTION OF APPRECIATION TO FIREFIGHTER III JAMES C. MESSER

7. Consideration was given to a resolution of appreciation to Firefighter III James C. Messer.

Mayor McDevitt said James C. Messer has faithfully served the City of Asheville since 1960. James C. Messer retired effective March 1, 1985, and the City Council, by this resolution expresses its appreciation for his loyalty and dedication to the citizens of the City of Asheville.

Upon motion of Councilman Boland, seconded by Councilman Bissette, Resolution 85-66 was unanimously adopted.

Complete text of Resolution No. 85-66 will be found in Resolution Book No. 15 at page 199.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

Upon motion of Councilman Myers, seconded by Councilman Bissette, the meeting adjourned at 4:33 p.m.

MAYOR

CITY CLERK

RESOLUTION NO. 85-67 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BY AND AMONG THE CITY OF ASHEVILLE, THE COUNTY OF BUNCOMBE, AND ASHEVILLE BUNCOMBE DEVELOPMENT CORPORATION

10. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville an agreement by and among the City of Asheville, the County of Buncombe, and Asheville Buncombe Development Corporation.

Mayor McDevitt said the City of Asheville, together with the County of Buncombe, wish to provide professional and management services necessary to achieve a comprehensive private investment recovery in the downtown Asheville area. The Asheville-Buncombe Development Corporation has agreed to oversee efforts in this regard. The City and County wish to provide funding to the Asheville-Buncombe Development Corporation in furtherance of said purposes. The City and County desire to enter into an Agreement with Asheville-Buncombe Development Corporation in order to facilitate achievement of said goals. Funding for this activity - not to exceed $20,000/year - will be provided for in the City's annual budget process and will come from non-advalorem sources.

Mayor McDevitt said the Development Corporation, a non-profit organization consisting of private citizens and elected officials, would receive up to $20,000 per year for three years to pay management and consultant services provided by the developer, Owen Kugel.

Mayor McDevitt said Mr. Kugel will attempt to attract $5,000,000 in private investment in the downtown area in the next 12 months. He said if construction on some or all of those projects is not begun within that period, Mr. Kugel will refund any money paid to him by the Development Corporation.

Mayor McDevitt said the City or the Corporation can stop payment to Mr. Kugel and cancel the agreement at any time with 30 days notice.

Mayor McDevitt said Vice Mayor Bratton is serving as Vice Chairman of the Asheville-Buncombe Development Corporation.

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 85-67 was unanimously adopted.

Upon inquiry of Ralph Bishop relative to whether or not the agreement provides for acquiring property under eminent domain and the ownership of the Asheville-Buncombe Development Corporation, Mayor McDevitt said the Corporation is a non-profit corporation sponsored by the City and other agencies. He said property to be developed under the agreement will be property that is acquired by the Corporation.

Complete text of Resolution No. 85-67 will be found in Resolution Book 15 at page 200.

CLAIMS - ROSE CINQUEMANI (SANITATION), LINDA GLASCO (STREETS), LUCRETIA MURPHY (STREETS)

The City Manager presented claims received from Rose Cinquemani, Linda Glasco, and Lucretia Murphy.

Mayor McDevitt noted that Council would be considering an ordinance prohibiting buildings and/or structures constructed with a vertical height in excess of 50 feet, deleting the portion of "three (3) stories".

Mayor McDevitt opened the public hearing at 4:07 p.m.

The City Clerk presented the notice to the public, setting the time and date of the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission had considered a recommendation regarding proposed structural heights in the R-1, R-2, and R-3 Residential Districts. He said after discussion, the Planning and Zoning Commission decided to take the R-3 Residential District requirement under advisement. He said a structure would be measured from the point of contact with land on flat surfaces and contact with the slope on sloped surfaces.

The following individuals said in indicating their support of the ordinance, they were not directing their opposition to any particular project, multi-family housing or high rise units. They said these standards are needed in the City of Asheville for orderly growth and protection of the natural beauty of the mountains. They said the 50 foot requirement would not be unreasonable.

Harvey Haywood - Chairman of the Local Citizens Group
David Long - 4 Patton Mountain Road
David Quinn - Resident of South Asheville
Gary Rowe, Attorney representing citizens of the Sunset Mountain Association
Harry Brummer - Sunset Summit
Mrs. Jasmine Getling - Sunset Mountain
Bill Mebane
Larry Chapman - Sunset Mountain

Mayor McDevitt closed the public hearing at 4:58 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1514. This motion was seconded by Councilman Bissette.

A discussion was held by members of Council relative to amending the ordinance to prohibit a developer from receiving a variance on the height restriction from the Zoning Board of Adjustments. Council requested that staff look into the possibility of an amendment to the ordinance prohibiting the Board of Adjustments from granting variances before the second reading of the ordinance.

Several members of Council said they felt in the near future it would be necessary for Council to consider a "mountainside ordinance" which would also deal with density and slope restrictions.

Tuesday - May 7, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - APRIL 30, 1985 MEETING

1. Approval of the minutes of the April 30, 1985 meeting.

Mayor McDevitt announced the approval of the minutes as submitted.

MOMENT OF SILENCE - IN MEMORY OF POLICE OFFICER WALTER WADDELL

Council held a moment of silence in memory of Police Officer Walter Waddell who passed away on Saturday, May 4, 1985. Officer Waddell was a police officer with the Asheville Police Department from 1952, serving as a patrolman until 1970, and from 1970 until the time of his death, he served as a Court Officer.

PUBLIC HEARING - WORDING AMENDMENT TO ZONING ORDINANCE - STRUCTURAL HEIGHTS IN THE R-1 and R-2 DISTRICTS.

ORDINANCE NO. 1514 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (WORDING AMENDMENT - STRUCTURAL HEIGHTS IN R-1 and R-2 RESIDENTIAL DISTRICT)

2. A public hearing was held relative to amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended (wording amendment relative to proposed structural heights in the R-1 and R-2 district).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a special meeting held April 10, 1985, considered a recommendation regarding proposed structural heights in the R-1, R-2, and R-3 Residential Districts. After discussion the Commission voted to recommend the following amendment to City Council: "Amend Section 30-5-2. R-1 Residential District, and Section 30-5-3. R-2 Residential District to provide for the following: A. Within the jurisdiction of this ordinance for the zoning districts specified, no building and/or structure may be constructed with a vertical height in excess of fifty (50) feet or three (3) stories. Exemptions: Governmental, quasi governmental or utility structures to include, but not be limited to, water towers/reservoirs, radio, telephone or television towers or equipment for the transmission of electricity or communications shall be exempt from the provisions contained herein."

Mayor McDevitt said this application is for planning, capital and operating assistance funds under Section 9 of the UMTA Act. Expenditures for this grant will be a match between Federal, State and City.

Federal	1,051,890
State	83,200
Local (City)	469,490
TOTAL	233,544

Mayor McDevitt opened the public hearing at 5:19 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Carl Ownbey with the Asheville Transit Authority said these funds would be used for capital needs, planning, and operation of the Asheville Transit Authority.

Mayor McDevitt closed the public hearing at 5:20 p.m.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-69 was unanimously adopted.

Complete text of Resolution No. 85-69 will be found in Resolution Book No. 15 at page 203-204.

PUBLIC HEARING - SITE PLAN OF PROPOSED TWIN OAKS MOBILE HOME PARK - BINGHAM ROAD

5. A public hearing was held relative to a site plan of the proposed Twin Oaks Mobile Home Park to be located on Bingham Road.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, reviewed the site plan of the proposed Twin Oaks Mobile Home Park to be located on Bingham Road. The plan was prepared by Ray Anders and Associates for Mr. Allen Moss, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to a 6" water line being shown to serve the fire hydrants, and compliance with the Erosion Control Ordinance.

Mayor McDevitt opened the public hearing at 5:21 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this project would consist of 35 units. He said all water and sewer commitments are in place and the

On a roll call vote of 7-0, Ordinance No. 1514 passed on first reading.

PUBLIC HEARING - APPLICATION FOR URBAN MASS TRANSPORTATION FUNDS (SECTION 5)

RESOLUTION NO. 85-68 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

3. A public hearing was held relative to authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

Mayor McDevitt said this application is for additional operating assistance funds under Section 5 of the UMTA Act. Expenditures for this grant will be 50-50 match between Federal and City.

Federal	116,772
Local (City)	116,772
TOTAL	233,544

Mayor McDevitt opened the public hearing at 5:15 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Carl Ownbey with the Asheville Transit Authority said these funds would be used for operating assistance in carrying out the operation of the transit system in the City of Asheville.

Ralph Bishop spoke in opposition to the resolution, stating that applying for such funds would be building up the federal deficit.

Mayor McDevitt closed the public hearing at 5:17 p.m.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 85-68 was unanimously adopted.

Complete text of Resolution No. 85-68 will be found in Resolution Book No. 15 at page 201-202.

PUBLIC HEARING - APPLICATION FOR UMTA FUNDS (SECTION 9)

RESOLUTION NO. 85-69 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

4. A public hearing was held relative to authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended. (Section 9 funds)

activities which will benefit low and moderate income persons or aid in the prevention or elimination of slum or blighted areas. At least 51% of the entitlement must be used for activities which benefit low and moderate income persons. Based on the Department of Housing and Urban Development projections, the City's Community Development Block Grant entitlement for 1985-86 will be $1,382.000.

Mayor McDevitt opened the public hearing at 5:38 p.m.

The City Clerk presented the notice to the public, setting the date and time for the public hearing and the affidavit of publication.

Mayor McDevitt said Council would be taking no action at today's meeting, but would only be receiving public comments relative to the proposed use of funds. He said Council would be considering action on the budget and submission of the application at the May 14, 1985 meeting.

Logan Delany, Director of Community Development, said the Department of Housing and Urban Development guidelines require that Council hold a public hearing each year on the proposed use of community development funds. He said the Community Development staff had projected a budget which included carrying over several projects and adding one new project to this year's budget. He said the budget had been reviewed by members of staff and representatives of the Department of Housing and Urban Development. He said the budget appears to meet all guidelines set forth by the Department of Housing and Urban Development. He said the new project included in the budget will be for development and implementation of a comprehensive plan for the south end of the Montford community.

Barry Masters, Executive Director of the Pisgah Legal Services, said he represented low income and elderly residents in the Montford area. He said they had been retained to seek assistance from the City for housing rehabilitation for the low and moderate income residents in the Montford area. He cited several provisions of the Housing and Urban Development Act requiring that the use of Community Development funds be used for the improvement of housing for the low and moderate income, minimizing displacement of the residents, and the need to coordinate housing needs assuring compliance with the local housing code. He requested increased Community Development funding for rehabilitation, weatherization, and other assistance to substandard houses in the City of Asheville. He said the national goal for the Community Development Program is primarily for the low and moderate income residents, indicating that not less than 51% of the Community Development funds must be for the benefit of the low and moderate income residents. He said he felt there is a need to improve the efforts of the City Inspections Division, increasing the number of inspectors, to assure decent housing in the City of Asheville.

Daphne Hooker, with the Montford Community Club supported the funding allocated for the comprehensive plan for the south end of Montford Avenue.

Scott Dedman, Community Education Coordinator with the Pisgah Legal Services, said at least $1 Million Dollars a year is needed to ease the "severe housing rehabilitation needs" in the City, and asked that housing rehabilitation be made the City's top priority for Community Development funding.

requirement of the Planning and Zoning Commission that a 6" water line be installed to serve the fire hydrants had been completed. By the use of a map, Mr. Emrick reviewed the location of the property in question.

Mayor McDevitt closed the public hearing at 5:29 p.m.

Councilman Price moved to approve the site plan of the proposed Twin Oaks Mobile Home Park to be located on Bingham Road, subject to the recommendations of the Planning and Zoning Commission, and further that the developer plant a row of trees along the southern boundary of the property. This motion was seconded by Councilman Bissette and carried unanimously.

PUBLIC HEARING - EXPANSION OF BEAUCATCHER CINEMAS - HAW CREEK LANE

6. A public hearing was held relative to the site plan of the proposed expansion of the Beaucatcher Cinemas located on Haw Creek Lane.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, reviewed the site plan of the proposed expansion of the Beaucatcher Cinemas located on Haw Creek Lane. The plan was prepared by Hiller and Hiller, Architects, Greenville, S. C., for The Litchfield Company, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance.

Mayor McDevitt opened the public hearing at 5:32 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this expansion would include two new movie screens to be added to the existing building, as well as a drive-by pickup store. He said there would be no changes in access to the building. He said all parking requirements are being met.

Mayor McDevitt closed the public hearing at 5:35 p.m.

Councilman Frank moved to approve the site plan of the proposed expansion of the Beaucatcher Cinemas located on Haw Creek Lane subject to the recommendation of the Planning and Zoning Commission. This motion was seconded by Councilman Bissette and carried unanimously.

PUBLIC HEARING - PROPOSED STATEMENT OF COMMUNITY DEVELOPMENT OBJECTIVES AND PROJECTED USE OF FUNDS - 7/1/85 THROUGH 6/30/86

7. A public hearing was held to receive comments on the Proposed Statement of Community Development Objectives and Projected Use of Funds for July 1, 1985 through June 30, 1986.

Mayor McDevitt said during the fiscal year beginning July 1, 1985, the City of Asheville anticipates receiving $1,382,000 from the U. S. Department of Housing and Urban Development through the Community Development Block Grant, Entitlement Program. Use of the funds is restricted to

to evaluate all bids received for this service. The committee has determined that it is in the best interests of the City to recommend that Mr. D's Cleaning Service be awarded the bid. He said it will save $5,000-$7,000 per year.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Ray Kisiah, Director of Parks, Recreation and Public Facilities, said the staff and Council Committee is recommending the award to Mr. D's Cleaning Service, being the low bidder meeting all specifications.

Gordon Farmer, owner of Mr. D's Cleaning Service answered questions from members of Council relative to his business.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon inquiry of Mayor McDevitt, Corporation Counsel Slawter said in his opinion Mayor McDevitt would have a conflict of interest in voting on the resolution due to his law firm representing Mr. D's Cleaning Service.

Mayor McDevitt requested that he be excused from participation and voting on this resolution.

Vice-Mayor Bratton moved to excuse Mayor McDevitt from voting on the resolution relative to authorizing an agreement with Mr. D's Cleaning Service. This motion was seconded by Councilman Bissette and carried unanimously.

Upon inquiry of Councilman Bissette, Corporation Counsel Slawter said Councilman Bissette would have a conflict of interest in voting on the resolution because of his law firm representing Mr. D's Cleaning Service.

Councilman Bissette requested that he be excused from participation and voting on the resolution.

Vice-Mayor Bratton moved to excuse Councilman Bissette from voting on the resolution relative to the agreement with Mr. D's Cleaning Service. This motion was seconded by Councilman Myers and carried unanimously.

Councilman Frank moved for the adoption of Resolution No. 85-70. This motion was seconded by Councilman Boland.

Vice-Mayor Bratton said it would be her intent to make a substitute motion to award the contract to Lonnie Gillium, and if that failed, awarding the contract to Mr. Wilson's Cleaning Service. She said she felt area corporations and public institutions have an obligation to award contracts to women/owned and minority businesses when possible.

Councilman Frank said she had met with a committee of Council, along with the City Manager and the Department of Parks, Recreation and Public Facilities and would recommend the award to Mr. D's Cleaning Service.

On a voice vote of 4-1, Resolution No. 85-70 was adopted with Vice-Mayor Bratton voting "no". Councilman Price voting "Aye" in view of an unexcused absence from the meeting.

He said expanded efforts for housing rehabilitation in the Montford area is needed. He showed slides to members of Council indicating the need for such assistance.

Councilman Price left the Council meeting at 6:00 p.m. unexcused.

Sean Devereaux, an attorney in private practice, formally with Pisgah Legal Services, spoke relative to the effectiveness of code enforcement in the City of Asheville. He said prior to the cut back in personnel in the Division of Inspections, the City of Asheville had a strong Housing Code. He said small amounts of money used for weatherization could save thousands of dollars in energy costs for low income residents.

Mayor McDevitt closed the public hearing at 6:13 p.m.

ORDINANCE NO. 1512 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED. - PROPERTY LOCATED ON 800 FAIRVIEW ROAD (BOB HUGHES AND ASSOCIATES PETITION)

8. Consideration was given to Ordinance No. 1512, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended - property located at 800 Fairview Road (River Ridge Market Place)

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held March 13, 1985, considered the request of Bob Hughes and Associates that Ward 7, Sheet 51, Lot 1, be rezoned from LI Light Indistrial District to CH Commercial Highway District. The property is located at 800 Fairview Road (River Ridge Market Place). After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 51, Lot 1, be rezoned from LI Light Industrial District to CH Commercial Highway District. This ordinance passed on first reading April 23 and on second reading April 30, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1512 passed on third and final reading, with Councilman Price voting "Aye" due to an unexcused absence.

Complete text of Ordinance No. 1512 will be found in Ordinance Book No. 10 at page 262-263.

RESOLUTION NO. 85-70 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH MR. D'S CLEANING SERVICE FOR PROFESSIONAL JANITORIAL SERVICE FOR THE CITY HALL BUILDING

9. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Mr. D's cleaning service for professional janitorial service for the City Hall Building.

Mayor McDevitt said the City of Asheville has determined that it would be beneficial to contract for the janitorial service for the City Hall building rather than to provide the service itself. A committee was formed

D. Consideration of a motion scheduling a public hearing relative to rezoning property located at the northwest corner of Charlotte and Chestnut Streets (requested by W. Neal Hanks, Agent) for May 28, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held on April 17, 1985, considered the petition of Mr. W. Neal Hanks, Agent, that Ward 2, Sheet 26, portion of Lot 124, be rezoned from R-4 Residential District to CG Commercial General District. The property is located at the northwest corner of Charlotte and Chestnut Streets.

E. Consideration of a motion scheduling a public hearing relative to the site plan of the proposed addition of a Health Club and Tennis Center to the Grove Park Inn for May 28, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held on April 17, 1985, reviewed the site plan of the proposed addition to a Health Club and Tennis Center to the Grove Park Inn located on Macon Avenue. The plan was prepared by Mayse and Associates, Architects, Dallas, Texas, for Grove Park Inn, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council, subject to provision of appropriate buffering and compliance with the Erosion Control Ordinance.

F. Consideration of a motion scheduling a public hearing relative to the site plan of the proposed "Sunset Pointe Condominiums" to be located on Town Mountain Road for June 4, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held on April 17, 1985, reviewed the site plan of the proposed "Sunset Pointe Condominiums" to be located on Town Mountain Road. The plan was prepared by Freeman, Weels and Major, Architects, for W. R. Martin, Developer, both of Greenville, S. C. and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend denial of the site plan to City Council.

G. Consideration of a motion to schedule a public hearing relative to Revision of Rule 4 and 29 of the Civil Service Rules and Regulations for May 21, 1985.

Upon inquiry of Mayor McDevitt, Mr. Kisiah said funds are appropriated in the Parks, Recreation and Public Facilities departmental budget for the cleaning service.

Resolution Book 15, Page 205.

APPROVAL OF THE CONSENT AGENDA

10. Consideration was given to a motion approving the consent agenda.

Mayor McDevitt said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 85-71 - Consideration of a resolution appointing member to the Asheville Area Civic Center Commission.

HIGHLIGHTS: Due to the resignation of Mrs. Carolyn Thompson, a vacancy now exists on the Asheville Area Civic Center Commission. This resolution will appoint Mr. O. E. Starnes, III as a member to the Asheville Area Civic Center Commission to fill the unexpired term of Carolyn Thompson, term expiring June 30, 1987.

Resolution Book No. 15 at Page 206.

B. Resolution No. 85-72 - Consideration of a resolution appointing member to the Metropolitan Sewerage District Board.

HIGHLIGHTS: The term of office of Mrs. Diane Sciara expired on January 19, 1985. This resolution will appoint Mr. E. Charles Dyson as a member of the Metropolitan Sewerage District Board for a three (3) year term, term expiring January 19, 1988.

Resolution Book No. 15 at Page 207.

C. Resolution No. 85-73 - Consideration of a resolution appointing member to the Board of Trustees of the Firemen's Relief Fund.

HIGHLIGHTS: The term of Webb E. Ellis expired on January 1, 1985. This resolution will reappoint Mr. Ellis to the Board of Trustees of the Firemen's Relief Center for a two (2) year term, term expiring January 1, 1987.

Resolution Book No. 15 at Page 208.

Upon motion of Councilman Frank, seconded by Councilman Bissette, the Consent Agenda was unanimously approved.

RESCHEDULING PUBLIC HEARING - SWEET CREEK OFFICE PARK - SWEETEN CREEK ROAD

Councilman Boland moved to reschedule a public hearing relative to the site plan of the proposed Sweet Creek Office Park to be located on Sweeten Creek Road for May 21, 1985. This motion was seconded by Councilman Bissette and carried unanimously.

CLAIMS - NEAL GALLOWAY (SANITATION) - STELLA JENKINS (WATER) - JAMES CANNON (WATER)

The City Manager presented claims received from Neal Galloway, Stella Jenkins, and James Cannon.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - LAWRENCE JAKE McCLAIN VS. CITY OF ASHEVILLE - (APPEAL FROM CIVIL SERVICE BOARD) LESTIE SHERLIN VS. THE CITY OF ASHEVILLE (BODILY INJURY AND PROPERTY DAMAGE - ICE ON STREET FROM WATER LINE BREAK)

The City Manager said the City was served with summonses in connection with lawsuits involving Lawrence Jake McClain and Lestie Sherlin. Mayor McDevitt referred the summonses to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Vice-Mayor Bratton moved to adjourn the meeting at 6:55 p.m. His motion was seconded by Councilman Frank and carried unanimously.

Gary McDevitt
MAYOR

William F. Valentine
CITY CLERK

HIGHLIGHTS: This public hearing is being scheduled to allow employees, who are members of the Classified Service of the City of Asheville, an opportunity to provide input and recommendations concerning revisions of Rule 4 and 29 of the Civil Service Rules and Regulations. Proposed revisions are being made in order to comply with the provisions of the ADEA (Age Discrimination Employee Act).

H. Consideration of a motion to schedule a public hearing relative to a site plan of the proposed Shawnee Trail Apartments to be located on Shawnee Trail for May 28, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held April 3, 1985, reviewed the site plan of the proposed Shawnee Trail Apartments to be located on Shawnee Trail. The site plan was prepared by John Reid, Architect, for Mr. George Morosani, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions: 1) Receipt of a letter from NCDOT indicating that they will accept the storm drainage at the southwest corner of the property; 2) Submission of an engineering study indicating the stability of the site. 3) Buffering; and 4) Compliance with Erosion Control Ordinance.

I. Consideration of a motion scheduling a public hearing to receive a comprehensive planning study report relative to the Haw Creek Area, and extending the present moratorium in said area for May 21, 1985.

HIGHLIGHTS: On February 26, 1985 Council adopted Ordinance No. 1498 imposing a moratorium on property in the Haw Creek area for the issuance of any zoning or building permits and consideration of any request for group development review by the Planning and Zoning Commission through May 28, 1985. At this public hearing Council will receive a report from the Planning and Zoning Department resulting from a comprehensive planning study of the area. Public comments with regard to said comprehensive planning study will also be received and the City Council will consider what action, if any, to take as a result of the comprehensive planning study, including the possibility of an extension of said moratorium.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 85-74 was unanimously adopted.

Complete text of Resolution No. 85-74 will be found in Resolution Book No. 15 at page 209.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT 31 GRANBY STREET AND 18 ARDEN ROAD

ORDINANCE NO. 1515 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED ON GRANBY STREET AND ARDEN ROAD (JOHN NILSSON PETITION)

4. A public hearing was held relative to rezoning property located at 31 Granby Street and 18 Arden Road.

Vice-Mayor Bratton opened the public hearing at 4:10 p.m.

Vice-Mayor Bratton said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, considered the request of Mr. John Nilsson, Agent for Asheville Hand Center, that Ward 1, Sheet 8, Lots 141 and 143 be rezoned from R-2 Residential District to OI Office Institutional District. The property is located at 31 Granby Street and 18 Arden Road. After review and discussion, the Commission voted to recommend to City Council that Ward 1, Sheet 8, Lot 141 and a portion of Lot 143, be rezoned from R-2 Residential District to OI Office Institutional District, leaving a 30' R-2 Residential District buffer along Granby Street and Arden Road.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the proposed rezoning is requested for an expansion of an existing building and for parking for the Asheville Hand Center.

Upon inquiry of Councilman Bissette, Mr. Emrick said there were no objections expressed at the Planning and Zoning Commission.

Vice-Mayor Bratton closed the public hearing at 4:12 p.m.

Vice-Mayor Bratton said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1515. This motion was seconded by Councilman Myers.

On a roll call vote of 6-0, Ordinance No. 1515 passed on first reading.

PUBLIC HEARING - REZONING PROPERTY LOCATED BEHIND PEARLMAN'S ON TUNNEL ROAD

Tuesday - May 14, 1985 - 4:00 p.m.

Regular Meeting

Present: Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Larry McDevitt (Mayor McDevitt expected later during the meeting).

INVOCATION

The invocation was given by Councilman Louis Bissette.

APPROVAL OF THE MINUTES - MAY 7, 1985 MEETING

1. Approval of the minutes of the May 7, 1985 meeting.

Vice-Mayor Bratton announced the approval of the minutes as submitted.

PROCLAMATION - "AMERICAN BUSINESS WOMEN'S WEEK"

Vice-Mayor Bratton read a proclamation proclaiming May 12-19, 1985, as "American Business Women's Week."

Vice-Mayor Bratton presented the proclamation to Beverly Brooks.

PUBLIC HEARING - CLOSING A PORTION OF OLD MOUNTAIN STREET AND OLD PINE STREET

RESOLUTION NO. 85-74 - RESOLUTION TO CLOSE A PORTION OF OLD MOUNTAIN STREET AND OLD PINE STREET IN THE CITY OF ASHEVILLE, NORTH CAROLINA

3. A public hearing was held relative to closing a portion of Old Mountain Street and Old Pine Street.

Vice-Mayor Bratton opened the public hearing at 4:06 p.m.

Vice-Mayor Bratton said a petition has been filed by the Housing Authority of the City of Asheville, asking that a portion of Old Mountain Street and Old Pine Street be permanently closed to public use. These streets are under the authority and control of the City and are not under the authority of the N.C. Department of Transportation.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

There being no comments relative to the closing of these streets, Vice-Mayor Bratton closed the public hearing at 4:08 p.m.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Verl Emrick, Director of Planning, said the reason for the requested rezoning is to construct a single-family residence.

Vice-Mayor Bratton closed the public hearing at 4:24 p.m.

Vice-Mayor Bratton said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1517. This motion was seconded by Councilman Myers.

On a roll call vote of 7-0, Ordinance No. 1517 passed on first reading.

ORDINANCE NO. 1514 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED. (WORDING AMENDMENT - STRUCTURAL HEIGHTS IN R-1 AND R-2 RESIDENTIAL DISTRICTS

7. Consideration was given to the second reading of Ordinance No. 1514, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended. (Wording amendment relative to proposed structural heights in the R-1 and R-2 Districts.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a special meeting held April 10, 1985, considered a recommendation regarding proposed structural heights in the R-1, R-2, and R-3 Residential Districts. After discussion the Commission voted to recommend the following amendment to City Council: "Amend Section 30-5-2. R-1 Residential District, and Section 30-5-3. R-2 Residential District to provide for the following: A. Within the jurisdiction of this ordinance for the zoning districts specified, no building and/or structure may be constructed with a vertical height in excess of fifty (50) feet or three (3) stories. Exemptions: Governmental, quasi governmental or utility structures to include, but not be limited to, water towers/ reservoirs, radio, telephone or television towers or equipment for the transmission of electricity or communications shall be exempt from the provisions contained herein." This ordinance was read on first reading on May 7, 1985.

Mayor McDevitt said this ordianance was previously read on first reading and would not be reread in its entirety unless there was a specific request to so so.

Upon inquiry of Council, Verl Emrick, Director of Planning, said it would be illegal to prohibit the City's Board of Adjustment from granting any variance to developers who want to increase the height of their buildings.

Councilman Price moved to amend Ordinance No. 1514 to change the height restriction from 50 feet to 40 feet. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

Gary Rowe and Brainard Rorison spoke in support of the ordinance.

On a roll call vote of 7-0, Ordinance No. 1514, as amended, passed on second reading.

ORDINANCE NO. 1516 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED ON TUNNEL ROAD (STEVE RUSSELL, NCNB, AND M.M. PEARLMAN)

5. A public hearing was held relative to rezoning property located behind Pearlman's on Tunnel Road.

Vice-Mayor Bratton opened the public hearing at 4:15 p.m.

Vice-Mayor Bratton said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, considered the request of Mr. Steve Russell, Trust Officer NCNB, for Julian Long Estate, and Mr. M. M. Pearlman that Ward 8, Sheet 11, Lots 50 and 51, be rezoned from R-3 Residential District to CH Commercial Highway District. The property is located behind Pearlman's on Tunnel Road. After review and discussion, the Commission voted to recommend to City Council that Ward 8, Sheet 11, Lots 50 and 51, be rezoned from R-3 Residential District to CH Commercial Highway District.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this rezoning is requested to provide an access to the property. He said the property had been landlocked by the State highway improvements in that area.

Vice-Mayor Bratton closed the public hearing at 4:20 p.m.

Vice-Mayor Bratton said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Bissette moved for the adoption of Ordinance No. 1515. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1516 passed on first reading.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT 941 FAIRVIEW ROAD

ORDINANCE NO. 1517 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED AT 941 FAIRVIEW ROAD (JAMES SCHUMACHER PETITION)

6. A public hearing was held relative to rezoning property located at 941 Fairview Road.

Mayor McDevitt took his seat at 4:22 p.m.

Vice-Mayor Bratton opened the public hearing at 4:22 p.m.

Vice-Mayor Bratton said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, considered the request of Mr. James Schumacher that Ward 7, Sheet 27, Lot 42, be rezoned from LI Light Industrial District to R-3 Residential District. The property is located at 941 Fairview Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 27, Lot 42, be rezoned from LI Light Industrial District to R-3 Residential District.

John Stevens, Attorney representing the R. L. Coleman Company, said the developer had made as many concessions as possible and that he plans to continue negotiation with the community even after the rezoning. He said Council should take into consideration that the rezoning they are considering today is just the rezoning and some of the issues are issues that will come before Council when the site plan is considered for approval. He said the developer would continue to work with the residents but the developer needs to get on with the rezoning. Mr. Stevens outlined the essentials of the agreement proposed between the Kenilworth Forest Residents and the developer. He said all the concessions made by the developer were contingent upon the Kenilworth Forest Association releasing deed restrictions on certain lots in the area.

Upon inquiry of Councilman Price, Verl Emrick said grading or expansion of parking in the area will not require the approval of the site plan.

Upon inquiry of Mr. Payne, Mayor McDevitt said the present Council has not taken a position on the action taken by Council in 1970 when the approval of the original site plan was given.

After discussion, on a roll call vote of 7-0, Ordinance No. 1504, as amended, passed on third and final reading.

Complete text of Ordinance No. 1504 will be found in Ordinance Book No. 10 at page 254-255.

ORDINANCE NO. 1518 - BUDGET ORDINANCE AMENDMENT FOR COMPLETION OF DEPOT STREET IMPLEMENTATION PROJECT

9. Consideration was given to a budget ordinance amendment for completion of the Depot Street Implementation project.

Mayor McDevitt said this will complete the Depot Street Plan Implementation project. Twelve hundred dollars is available for completion of this project in the Community Development Tenth (10th) Year Contingency.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Vice-Mayor Bratton moved for the adoption of Ordinance No. 1518. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1518 passed on first and final reading.

Complete text of Ordinance No. 1518 will be found in Ordinance Book No. 10 at page 274.

RESOLUTION NO. 85-75 - RESOLUTION AUTHORIZING SUBMISSION OF A FINAL STATEMENT OF COMMUNITY DEVELOPMENT OBJECTIVES AND PROJECTED USE OF FUNDS TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR COMMUNITY DEVELOPMENT BLOCK GRANT ENTITLEMENT FUNDS - 1985-86

10. Consideration was given to a resolution authorizing submission of a final statement of Community Development objectives and projected use of funds to the Department of Housing and Urban Development for Community Development Block Grant Entitlement Funds - 1985-86.

ORDINANCE NO. 1504 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED ON PERIMETER OF ASHEVILLE MALL (R.L. COLEMAN, JR. PETITION)

8. Consideration was given to the third reading of Ordinance No. 1504, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended - property located on perimeter of Asheville Mall (R. L. Coleman, Jr. Petition).

Mayor McDevitt said the Asheville Planning and Zoning Commission reviewed the request at its regular meeting of February 6, 1985, and delayed action requesting the R. L. Coleman Company and the Kenilworth Forest Association to meet to attempt to reach some compromise on several issues which were producing an impass and report to the Commission on February 27, 1985. At the February 27, 1985, meeting, the Commission voted to approve a portion of the rezoning request. In addition, the Commission voted to provide additional R-3 buffers to assist in protecting the White Pine Drive areas. This ordinance passed on first reading on March 26, 1985, and on second reading on April 2, 1985.

After discussion, Councilman Price moved to amend Ordinance No. 1504 to include "excepting also that portion of Lot 57 described as follows, said portion to also remain zoned R-3 Residential District; 'Beginning at the northeastern corner of Lot 1 as shown on a plat recorded in Plat Book 24 at Page 9 at the Buncombe County Registry; at 71°, 33 minutes, 40.64 feet; south 10° east, 138.02 feet; thence north 26°, 56 minutes west, 138.0 feet to the place of Beginning.' For purposes of further clarification, Lot 57 is that lot lying immediately east of Lot 93, Ward 8, Sheet 10, along the southern margin of White Pine Drive." This motion was seconded by Councilman Frank and carried unanimously.

It was noted that the above amendment would give Mr. Mosely protection from the Mall. Gerald Gentry, representative of the Kenilworth Forest Association, told members of Council that the residents will not have adequate protection against further commercial encroachment on the property and asked that the rezoning be denied for the benefit of the community as a whole. He said he did not think the rezoning is in the best interest of the community. He said the residents of the Kenilworth Forest Association and the developer, R. L. Coleman, had failed to reach a compromise on the rezoning issue.

Harold Payne, Co-President of the Kenilworth Forest Association told members of Council there are problems stemming from construction of the existing Mall that have not been addressed and that those issues should be settled before expansion is considered. He presented minutes of the Asheville City Council meeting of July 9, 1970, when the Asheville Mall site plan was approved, indicating that the developer had not complied with the stipulations on the approval of the original Mall.

Margaret Curtis, 33 White Pine Drive, spoke in opposition to the rezoning.

Mayor McDevitt said N.C.G.S. Section 160A-270 provides for the sale of surplus personal property at public auction. The Motor Transport Superintendent has declared thirty-two motor vehicles as surplus property. This resolution will authorize the Purchasing Director to dispose of these vehicles by public auction. The sale to take place at the new vehicle maintenance facility, South Charlotte Street, beginning at 10:00 a.m. on Saturday, the 1st day of June, 1985. Sale of surplus vehicles will generate expected revenue of $20,000.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Councilman Bissette, Resolution No. 85-76 was unanimously adopted.

Complete text of Resolution No. 85-76 will be found in Resolution Book No. 15 at page 211.

RESOLUTION NO. 85-77 - RESOLUTION AUTHORIZING THE PURCHASING DIRECTOR TO DISPOSE OF CERTAIN PERSONAL PROPERTY VALUED AT LESS THAN $5,000 BY PRIVATE NEGOTIATION AND SALE (DATA GENERAL COMPUTERS, ETC.)

13. Consideration was given to a resolution authorizing the Purchasing Director to dispose of certain personal property (Data General Computers, etc.).

Mayor McDevitt said N. C. Gen. Stat. Section 160A-266 provides that a municipality may dispose of personal property valued at less than $5,000 for any one item or group of similar items by private negotiation and sale. The Department of Finance, Data Processing Division, has accumulated assorted obsolete computer equipment composed of two (2) Data General Computers and other assorted peripheral equipment and has declared such property to be nonuseable surplus personal property. The specific requirements for private negotiation and sale are set forth at N. C. Gen. Stat. Section 160A-267. This action will have a net positive effect on this year's revenues of from $200.00 to $500.00. This additional revenue has not been included in this year's budget.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 85-77 was unanimously adopted.

Complete text of Resolution No. 85-77 will be found in Resolution Book No. 15 at page 212.

RESOLUTION NO. 85-78 - RESOLUTION TO NORTH CAROLINA BOARD OF TRANSPORTATION (I-240 EASTBOUND OFF-RAMP INTO US 70)

14. Consideration was given to a resolution to the North Carolina Board of Transportation relative to the completion and extension of the I-240 eastbound off-ramp into US 70.

Mayor McDevitt said this resolution will authorize the Mayor to execute and file an application with the Department of Housing and Urban Development for Eleventh Year Entitlement Community Development Block Grant Funds for 1985-86. A public hearing was conducted in the City Council Chambers, City Hall Building, Asheville, North Carolina on May 7, 1985, to obtain citizen views on the goals, objectives and needs of the Community Development Block Grant Program for 1985-86. Based on the Department of Housing and Urban Development projections the City's Community Development Block Grant entitlement for 1985-86 will be $1,382.000.

Logan Delany, Director of Community Development, said a proposed budget had been submitted relative to the entitlement funds for 1985-86.

Upon inquiry of Scott Dedman, with the Pisgah Legal Services, Mr. Delany said support for housing rehabilitation in the City of Asheville had been included in the proposed budget.

Upon inquiry of Councilman Boland, Mr. Delany said in prior years Community Development Funds have been used as "matching funds for housing assistance" for housing rehabilitation.

Mayor McDevitt said members of Council were furnished copies of the resolution and the proposed budget, and it would not be read in its entirety unless there was a specific request to do so.

Vice-Mayor Bratton moved for the adoption of Resolution No. 85-75 with a provision that the word "administrative" be deleted from item 4 on the proposed budget. This motion was seconded by Councilman Price and carried unanimously.

Complete text of Resolution No. 85-75 will be found in Resolution Book No. 15 at page 210.

APPROVAL OF SIGN PERMIT - 562 RIVERSIDE DRIVE

11. Consideration was given to a motion approving a sign permit to erect an off-premises advertising sign at 562 Riverside Drive.

Mayor McDevitt said H & M Outdoor Advertising Company has requested approval of a sign permit to erect an off-premises advertising sign at 562 Riverside Drive. Total square footage of the sign will be 349 square feet. Pursuant to the Zoning Ordinance this sign permit requires the approval of Council since it will be situated within 600 feet of a limited access highway.

Verl Emrick, Director of Planning, said the property is zoned Heavy Industrial and the sign meets all requirements of the Sign Ordinance.

On a voice vote of 4-3, approval of the sign permit failed with Councilman Bissette, Vice-Mayor Bratton, and Councilman Myers voting "aye" and Councilman Boland, Councilman Price, Councilman Frank, and Mayor McDevitt voting "no."

RESOLUTION NO. 85-76 - RESOLUTION AUTHORIZING THE PURCHASING DIRECTOR TO SELL SURPLUS MOTOR VEHICLES AT PUBLIC AUCTION

12. Consideration was given to a resolution authorizing the Purchasing Director to sell surplus motor vehicles at public auction.

CLAIMS - JOHN COCHRAN (SEWER) - BONNIE REECE (SENIOR OPPORTUNITY CENTER)

The City Manager presented the claims received from John Cochran and Bonnie Reece.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - JANE N. GATEWOOD AND HAW CREEK COMMUNITY ASSOCIATION VS BOARD OF ADJUSTMENTS (APPEAL FROM BOARD OF ADJUSTMENT DECISION)

The City Manager said the City was served with a summons in connection with a lawsuit involving Jane N. Gatewood and Haw Creek Community Association vs the Board of Adjustment involving an appeal from the Board of Adjustment decision.

Mayor McDevitt referred the summons to the Corporation Counsel for investigation and recommendation.

REQUEST FROM R. P. CLOWER - FIRE HYDRANT

Mr. Clower appeared before Council requesting an adjustment in a fire hydrant location on Cisco Road due to the installation of a six-inch water line.

After discussion, Council requested that the City Manager look into the situation and report back to Council.

ADJOURNMENT

Councilman Bissette moved to adjourn the meeting at 7:00 p.m. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

Jay McDevitt
MAYOR

William B. Holcomb
CITY CLERK

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Frank, Resolution No. 85-78 was unanimously adopted.

Complete text of Resolution No. 85-78 will be found in Resolution Book No. 15 at page 213.

SCHEDULING PUBLIC HEARING - REZONING PROPERTY ON NORTH BEAR CREEK ROAD

15. Consideration was given to a motion to schedule a public hearing to rezone property on North Bear Creek Road for June 4, 1985.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held May 1, 1985, considered the petition of Mr. T. F. Dula that Ward 6, Sheet 20, Lot 69½ be rezoned from LI Light Industrial District to R-3 Residential District. The property is located on North Bear Creek Road. AFter review and discussion, the Commission voted to recommend to City Council that Ward 6, Sheet 20, Lot 69½, be rezoned from LI Light Industrial District to R-3 Residential District.

Councilman Boland moved to schedule a public hearing to rezone property on North Bear Creek Road for June 4, 1985. This motion was seconded by Councilman Price and carried unanimously.

SCHEDULING PUBLIC HEARING - SITE PLAN OF PROPOSED WOODBERRY APARTMENTS TO BE LOCATED OFF NEW CURVE STREET

16. Consideration was given to a motion to schedule a public hearing relative to a site plan of the proposed Woodberry Apartments to be located off New Curve Street from May 28, 1985.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a metting held May 1, 1985, reviewed the stie plan of the proposed Woodberry Apartments to be located off New Curve Street. The site plan was prepared by Butler Assocaites, Engineers, for Poff Construction Company, Christiansburg, Virginia, Developer, and submitted in accordance with the Group Development Seciton of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance.

Councilman Price moved to schedule the public hearing relative to the site plan for the proposed Woodberry Apartments to be located off New Curve Street for May 18, 1985. This motion was seconded by Councilman Bissette and carried unanimously.

CITY COUNCIL MEETING - MAY 21, 1985 - ASHEVILLE CIVIC CENTER - BANQUET ROOM

Councilman Bissette moved to schedule the City Council meeting for May 21, 1985, in the Asheville Civic Center Banquet Room. This motion was seconded by Councilman Frank and carried unanimously.

ORDINANCE NO. 1519 - AN ORDINANCE IMPOSING A LIMITED MORATORIUM IN THE HAW CREEK AREA

2. A public hearing was held to receive a comprehensive planning study report relative to the Haw Creek area, and extending the present moratorium in said area.

Mayor McDevitt said on February 26, 1985, Council adopted Ordinance No. 1498 imposing a moratorium on property in the Haw Creek area for the issuance of any zoning or building permits and consideration of any request for group development review by the Planning and Zoning Commission through May 28, 1985. At this public hearing, Council will receive a report from the Planning and Zoning Department resulting from a comprehensive planning study of the area. Public comments with regard to said comprehensive planning study will also be received, and Council will consider what action, if any, to take as a result of the comprehensive planning study, including the possibility of an extension of said moratorium.

Mayor McDevitt opened the public hearing at 4:18 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, presented members of Council with the Comprehensive Planning Study Report relative to the Haw Creek area. He also presented members of Council with a copy of the Haw Creek Homeowners Association's Planning Report.

Mr. Emrick summarized the Comprehensive Planning Report, which is attached to and made a part of the minutes.

Bob McDonald, Traffic Engineer, outlined the Haw Creek Street and Traffic Improvements Report, attached to and made a part of the minutes.

Mr. McDonald said he could not recommend an extension of the present moratorium in Haw Creek because of the traffic conditions alone.

Rick Harper, with the Water and Sewer Department, outlined the Sewer Report, which is attached to and made a part of the minutes.

Mr. Harper said the water system in Haw Creek, on a whole, is good. He said there is low pressure in spots. He said before major developments could be added to the area, improvements to the water system would be needed.

Dorothy Davis, Chairman of the Haw Creek Homeowners Association, spoke in support of an extension of the moratorium.

Ed Dyson, member of the Haw Creek Homeowners Association, read the "Report from the Haw Creek Homeowners Association" attached to and made a part of the minutes.

Bob McPherson, Sondley Estates, thanked members of Council for their cooperation with the Haw Creek Homeowners Association.

Mayor McDevitt closed the public hearing at 5:20 p.m.

Tuesday - May 21, 1985 - 4:00 p.m.

Asheville Civic Center Banquet Room

Regular Meeting

Present: Mayor Larry McDevitt, Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gordon Myers

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - MAY 14, 1985 MEETING

1. Approval of the minutes of the May 14, 1985 meeting.

Mayor McDevitt announced the approval of the minutes as submitted.

AMENDMENT TO THE MINUTES OF THE APRIL 23, 1985 MEETING

Councilman Frank moved to amend the minutes of the April 23, 1985, meeting of the Asheville City Council, page 121, relating to the rezoning of property located on Hemphill Knoll at Gashes Creek and I-40 as follows:

Delete the paragraph "On a roll call vote of 5-1, Ordinance No. 1510 passed on first reading with Mayor McDevitt voting 'No'."

Further, that Councilman Boland's motion be amended to reflect the postponement of the first reading of Ordinance No. 1510 until May 28, rather than the postponement of the second reading. This motion was seconded by Councilman Bissette and carried unanimously.

PROCLAMATION - "PUBLIC WORKS WEEK"

1A. Mayor McDevitt read a proclamation proclaiming May 19-25, 1985, as "Public Works Week."

Mayor McDevitt presented the proclamation to Clark Brown, Director of Public Works for the City of Asheville.

Mr. Brown introduced the divisions heads under the Public Works Department.

PUBLIC HEARING - COMPREHENSIVE PLANNING STUDY REPORT RELATIVE TO HAW CREEK AREA - EXTENDING PRESENT MORATORIUM IN HAW CREEK AREA

Mayor McDevitt opened the public hearing at 5:30 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Mr. Emrick, Director of Planning, said the project would consist of 23 units of office condominiums. He said all water and sewer commitments are in place.

Mayor McDevitt closed the public hearing at 5:33 p.m.

Vice-Mayor Bratton moved to approve the site plan of the proposed Sweet Creek Office Park to be located on Sweeten Creek Road. This motion was seconded by Councilman Bissette and carried unanimously.

ORDINANCE NO. 1514 - AN ORDINANCE AMENDING ORDINANCE 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (WORDING AMENDMENT RELATIVE TO PROPOSED STRUCTURAL HEIGHTS IN THE R-1 AND THE R-2 DISTRICT)

5. Consideration was given to the third reading of Ordinance No. 1514, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended (wording amendment relative to proposed structural heights in the R-1 and R-2 Districts).

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

Gary Rowe, Attorney, speaking on behalf of the Sunset Homeowners Association, spoke in support of the ordinance.

Melba Thompson, with the Haw Creek Homeowners Association, also spoke in support of the ordinance.

On a roll call vote of 6-0, Ordinance No. 1514 passed on third and final reading.

Complete text of Ordinance No. 1514 will be found in Ordinance Book No. 10 at page 265, 266, and 267.

ORDINANCE NO. 1515 - AN ORDINANCE AMENDING ORDINANCE 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (REZONING PROPERTY LOCATED AT 31 GRANBY STREET AND 18 ARDEN ROAD)

6. Consideration was given to the second reading of Ordinance No. 1515, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended (rezoning property located at 31 Granby Street and 18 Arden Road).

Councilman Price moved for the adoption of Ordinance No. 1519 with the stipulation that the moratorium be extended for 90 days, August 25, 1985, and that detached single family residences be excluded from the moratorium. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1519 passed on first reading.

PUBLIC HEARING - REVISION TO RULES 4 AND 29 OF THE CIVIL SERVICE RULES AND REGULATIONS

RESOLUTION NO. 85-79 - RESOLUTION APPROVING THE REVISION OF RULES 4 AND 29 OF THE CIVIL SERVICE RULES

3. A public hearing was held relative to the revision of Rules 4 and 29 of the Civil Service Rules and Regulations.

Mayor McDevitt said this public hearing is to allow employees, who are members of the Classified Service of the City of Asheville, an opportunity to provide input and recommendations concerning revisions of Rules 4 and 29 of the Civil Service Rules and Regulations. Proposed revisions are being made in order to comply with the provisions of the ADEA (Age Discrimination Employee Act).

Mayor McDevitt opened the public hearing at 5:28 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

There being no comments from City employees or the public, Mayor McDevitt closed the public hearing at 5:29 p.m.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Frank, Resolution No. 85-79 was unanimously adopted.

Complete text of Resolution No. 85-79 will be found in Resolution Book No. 15 at page 214.

PUBLIC HEARING - SITE PLAN OF PROPOSED SWEET CREEK OFFICE PARK - SWEETEN CREEK ROAD

4. A public hearing was held relative to a site plan of the proposed Sweet Creek Office Park to be located on Sweeten Creek Road.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, reviewed the site plan of the proposed Sweet Creek Office Park to be located on Sweeten Creek Road. The plan was prepared by John Broadbooks, Landscape Architect, for Ken Partin, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1517 passed on second reading.

CLAIMS - WANDA STEIN (WATER) - GREG OGLE (SEWER)

The City Manager presented claims received from Wanda Stein and Greg Ogle.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - HARRY BRUMMER VS. BOARD OF ADJUSTMENTS (APPEAL FROM BOARD OF ADJUSTMENT DECISION)

The City Manager said the City was served with a summons in connection with a lawsuit involving Harry Brummer, Brummer vs. the Board of Adjustment.

Mayor McDevitt referred to summons to the Corporation Counsel for investigation and recommendation.

DISCUSSION OF CHANGE OF SITE PLAN FOR CIMMARON VILLAGE - SWEETEN CREEK ROAD

A discussion was held relative to a site plan change in the Cimmaron Village project located on Sweeten Creek Road.

After discussion, it was the consensus of Council to discuss this matter during the Pre-Council Meeting on May 28, 1985.

ADJOURNMENT

Upon motion, the meeting adjourned at 5:55 p.m.

Larry McDevitt
MAYOR

William J. Wellborn
CITY CLERK

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, considered the request of Mr. John Nilsson, Agent for Asheville Hand Center, that Ward 1, Sheet 8, Lots 141 and 143 be rezoned from R-2 Residential District to OI Office Institutional District. The property is located at 31 Granby Street and 18 Arden Road. After review and discussion, the Commission voted to recommend to City Council that Ward 1, Sheet 8, Lot 141 and a portion of Lot 143, be rezoned from R-2 Residential District to OI Office Institutional District, leaving a 30' R-2 Residential District buffer along Granby Street and Arden Road. This ordinance was read on first reading on May 14, 1985.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1515 passed on second reading.

ORDINANCE NO. 1516 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - (REZONING PROPERTY LOCATED BEHIND PEARLMAN'S ON TUNNEL ROAD)

7. Consideration was given to the second reading of Ordinance No. 1516, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended (rezoning property located behind Pearlman's on Tunnel Road).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, considered the request of Mr. Steve Russell, Trust Office NCNB, for Julian Long Estate, and Mr. M. M. Pearlman that Ward 8, Sheet 11, Lots 50 and 51, be rezoned from R-3 Residential District to CH Commercial Highway District. The property is located behind Pearlman's on Tunnel Road. After review and discussion, the Commission voted to recommend to City Council that Ward 8, Sheet 11, Lots 50 and 51, be rezoned from R-3 Residential District to CH Commercial Highway District. This ordinance was read on first reading on May 14, 1985.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety.

On a roll call vote of 6-0, Ordinance No. 1516 passed on second reading.

ORDINANCE NO. 1517 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - (REZONING PROPERTY LOCATED AT 941 FAIRVIEW ROAD

8. Consideration was given to the second reading of Ordinance No. 1517, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended (rezoning property located at 941 Fairview Road).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, considered the request of Mr. James Schumacher that Ward 7, Sheet 27, Lot 42, be rezoned from LI Light Industrial District to R-3 Residential District. This ordinance was read on first reading on May 14, 1985.

Complete text of Resolution No. 85-80 will be found in Resolution Book No. 15 at page 216.

ORDINANCE NO. 1510 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED AT GASHES CREEK AND I-40 (GEORGE BEVERLY PETITION)

5. Consideration was given to the first reading of Ordinance No. 1510, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended - property located at Gashes Creek and I-40 (George Beverly Petition).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held March 13, 1985, considered the request of Mr. George Beverly, Agent, that Ward 13, Sheet 33, Lot 68, and Ward 13, Sheet 34, Lot 11, be rezoned from R-2 Residential District to OI Office Institutional District. The property is known as Hemphill Knoll at Gashes Creek and I-40. After review and discussion, the Commission voted to recommend to City Council that a portion of Lot 68, Sheet 33, Ward 13, and a portion of Lot 11, Sheet 34, Ward 13, be rezoned from R-2 Residential District to OI Office Institutional District. This would leave a 100-foot strip of R-2 buffer on the southern border abutting the Blue Ridge Parkway and Lot 78, Sheet 33, Ward 13, and on the northwestern margin abutting Lots 37½ and 8¼, Sheet 33, Ward 13. At the April 23, 1985, meeting, the first reading of this ordinance was postponed until May 28, 1985.

Verl Emrick, Director of Planning, noted Planning and Zoning Commission's recommendation to rezone the property stating that the Commission recommended that a 100-foot strip of R-2 buffer be provided around the property. He said the 100' strip, abutting Lot 78, should be left in its natural state. The developer agreed not to develop any part of this and that this would be left in its natural state.

George Beverly, petitioner for the rezoning, said the proposed use of the property would be a 160-unit hotel with a recreational complex in Phase I and a 240-unit condominium complex during Phase II of the project. He said the total project cost would be approximately 35 million dollars and would provide approximately 200 new jobs in the area. He said Phase I of the project should be completed in one to one and one-half years, and Phase II should be completed within two years.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1510. This motion was seconded by Vice-Mayor Bratton.

On a roll call vote of 6-0, Ordinance No. 1510 passed on first reading.

SITE PLAN OF SHAWNEE TRAIL APARTMENTS TO BE LOCATED ON SHAWNEE TRAIL

6. A public hearing was held relative to a site plan of the proposed Shawnee Trail Apartments to be located on Shawnee Trail.

Tuesday - May 28, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Norma T. Price.

INVOCATION

1. The invocation was given by Mayor Larry McDevitt.

APPROVAL OF THE MINUTES - MAY 21, 1985 MEETING

2. Approval of the minutes of May 21, 1985, meeting.

Mayor McDevitt announced the approval of the minutes as submitted.

PROCLAMATION - "PUBLIC RADIO CELEBRATION WEEK" - WEEK OF MAY 28, 1985

3. Mayor McDevitt read a proclamation proclaiming the week of May 28, as "Public Radio Celebration Week."

Mayor McDevitt presented the proclamation to Barbara Sayer with WCQS-FM 81.1 Public Radio Station.

RESOLUTION NO. 85-80 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BY AND AMONG THE CITY OF ASHEVILLE, THE COUNTY OF BUNCOMBE AND WALTER J. SKAYHAN, III

4. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an agreement by and among the City of Asheville, the County of Buncombe, and Walter J. Skayhan, III.

Mayor McDevitt said this action culminates over five months of negotiations between the City, the County of Buncombe, and Mr. Walter J. Skayhan of Baltimore, Maryland. He said this project will be located at the intersection of Haywood Street and Walnut Street and involves the old J. C. Penney and Bon Marche properties. He said the reuse of these buildings will consist of approximately 60 residential units on the upper floors and 18,000 square feet of commercial space surrounding a pedestrian arcade which will access parking at the street level.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Boland, Resolution No. 85-80 was unanimously adopted.

Upon inquiry of Ralph Bishop, Mayor McDevitt answered questions relative to the developer acquiring properties for the improvements.

Kenneth Pankow, Engineer retained by the Redwood Forest Homeowners Association, presented a study relative to the stability of the site. He said the site plans should not be approved until a much more comprehensive engineering study is made and there is much more assurance of site stability.

Attorney William Radeker spoke relative to the site stability, the fill dirt, and the traffic problems in the area.

Mr. Eddie Greene also spoke relative to the site stability of the project.

Mr. Raymond Stepp, of Crockett Avenue, spoke in opposition to the project.

Mr. James Pack, adjacent property owner to the proposed project, also spoke in opposition to the project.

Mr. Birdsong, Engineer, said his company did the subsurface engineering study of the site. He said there would be long-term settlement in the fill, but this would not affect the surrounding neighborhood.

After discussion, Mayor McDevitt closed the public hearing at 7:08 p.m.

The site plan for the proposed Shawnee Trail Apartments was not approved for the lack of a motion.

PUBLIC HEARING - SITE PLAN OF PROPOSED WOODBERRY APARTMENTS - OFF NEW CURVE STREET

7. A public hearing was held relative to a site plan of the proposed Woodberry Apartments to be located off New Curve Street.

Mayor McDevitt said the Planning and Zoning Commission, at a meeting held May 1, 1985, reviewed the site plan of the proposed Woodberry Apartments to be located off New Curve Street. The site plan was prepared by Butler Associates, Engineers, for Poff Construction Company, Christiansburg, Virginia, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance.

Mayor McDevitt opened the public hearing at 7:40 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had recommended approval of the site plan subject to compliance with the Erosion Control Ordinance. He said the project would consist of 164-unit apartment complex. Ron Butler, Engineer for the proposed Woodberry Apartments, said the apartments would be privately owned, but financed with tax exempt revenue bonds issued by the Asheville Housing Authority because it is located in a redevelopment area. He said no government subsidies would be involved, but because the project is in a redevelopment area, it will be financed with these bonds. Twenty percent of the units must be occupied by tenants whose incomes are less than 80 percent of the average income in the Asheville area.

Mayor McDevitt said the Planning and Zoning Commission at a meeting held April 3, 1985, reviewed the site plan of the proposed Shawnee Trail Apartments to be located on Shawnee Trail. The site plan was prepared by John Reid, Architect, for Mr. George Morosani, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions: 1) receipt of a letter from NCDOT indicating that they will accept the storm drainage at the southwest corner of the property; 2) submission of an engineering study indicating the stability of the site; 3) buffering; and 4) compliance with Erosion Control Ordinance.

Mayor McDevitt opened the public hearing at 4:26 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, outlined the stipulations by Planning and Zoning Commission in recommending approval of the site plan. He said the developer had agreed to install an 8-inch fire line to the project. He said the project had also been approved for water consumption and had received commitments from the Metropolitan Sewerage District. He said a letter had been received from the NC Department of Transportation that the developer had submitted an erosion control plan. He said after staff investigation, it would be staff's opinion that the streets and roads in this area are adequate to handle the new development. He said access to the property would be on Beechwood Avenue. He said the developer had presented a report from Soil and Materials, Inc., relative to the stability of the site. He said the property is made up of fill material consisting of rock and fill dirt from the I-240 and Beaucatcher Cut project. He said the fill is approximately 70 to 100 feet deep.

John Reid, Architect for the developer, spoke in support of this project. He said the developer is not asking for any variances or changes in zoning, whatsoever, and the project met all requirements of the Group Development Ordinance. Mr. Reid detailed the engineer's report relative to the stability of the site. He answered general questions from members of Council relative to the report.

Mr. George Morosani, Developer, spoke in support of the project and requested approval.

William Cagle, Attorney for the developer, spoke in support of the project stating that the proposed plans meet all requirements of the Group Development section of the Zoning Ordinance.

Lem Moore, Director of Inspections, said a more comprehensive engineer's report would be needed prior to a permit being issued.

Richard Schumacher, Attorney for the Redwood Forest Homeowners Association, spoke in opposition to the proposed project. He said the project would have a serious effect on the Redwood Forest neighborhood. He said, in his opinion, the property is not zoned properly and should be zoned R-1 Residential District. He said the project poses problems with traffic, site stability, sewer, and access.

Mayor McDevitt closed the public hearing at 8:46 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1520. This motion was seconded by Councilman Myers.

On a roll call vote of 6-0, Ordinance No. 1520 passed on first reading.

PUBLIC HEARING - PROPOSED ADDITION OF A HEALTH CLUB AND TENNIS CENTER TO THE GROVE PARK INN

9. A public hearing was held relative to site plan of the proposed addition of a Health Club and Tennis Center to the Grove Park Inn.

Mayor McDevitt said the Planning and Zoning Commission at a meeting held on April 17, 1985, reviewed the site plan of the proposed addition to a Health Club and Tennis Center to the Grove Park Inn located on Macon Avenue. The plan was prepared by Mayse and Associates, Architects, Dallas, Texas, for Grove Park Inn, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council, subject to provision of appropriate buffering and compliance with the Erosion Control Ordinance.

Mayor McDevitt opened the public hearing at 8:49 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the project would be developed in two phases with two structures. He said the project would be constructed compatible to the architecture of Grove Park Inn. He said there are problems at present with the Erosion Control Ordinance; however, they are in the process of correcting the problems. He said provisions are being made for the appropriate buffering as requested by the Planning and Zoning Commission.

Jack Westall, Attorney for the Grove Park Inn, spoke in support of the project.

Mayor McDevitt closed the public hearing at 8:58 p.m.

Councilman Bissette moved for the approval of the site plan of the proposed addition of a Health Club and Tennis Center to the Grove Park Inn subject to the provisions of the Planning and Zoning Commission. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

PRESENTATION OF 1985-86 BUDGET FOR THE CITY OF ASHEVILLE - SCHEDULING PUBLIC HEARING FOR JUNE 11, 1985

10. The City Manager presented the proposed 1985-86 budget for the City of Asheville and requested that a public hearing be scheduled on the budget for June 11, 1985. He said a copy of the budget would be available in the City Clerk's office for review.

Larry Holt, Deputy Director of the Asheville Housing Authority said housing for low income residents is more readily available than homes for moderate income families such as those who would live in the Woodberry Apartments and that there is a significant need for such housing.

Marla Tugwell spoke in opposition to the proposed Woodberry Apartments expressing concern about the visual impact and physical damage to Beaucatcher to build the apartments.

Mr. Neal Stewart, resident of the neighborhood, also spoke about the concerns of visual impact that the project would have on the mountain. He also spoke relative to problems with soil erosion.

Mr. Burton, with the East/End Valley Street Community Association said the residents in the area supported the project.

After discussion, Mayor McDevitt closed the public hearing at 8:41 p.m.

Vice-Mayor Bratton moved to approve the site plan of the proposed Woodberry Apartments to be located off New Curve Street contingent upon compliance with the Erosion Control Ordinance and further that the developers meet and receive approval of the landscaping plan for the project from Council. This motion was seconded by Councilman Boland and carried on a voice vote of 5-1 with Councilman Frank voting "no."

PUBLIC HEARING - REZONING PROPERTY LOCATED AT THE CORNER OF CHARLOTTE AND CHESTNUT STREETS

ORDINANCE NO. 1520 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED AT NORTHWEST CORNER OF CHARLOTTE AND CHESTNUT STREET (W. NEAL HANKS, AGENT)

8. A public hearing was held relative to rezoning property at the northwest corner of Charlotte and Chestnut streets (requested by W. Neal Hanks, Agent).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held on April 17, 1985, considered the petition of Mr. W. Neal Hanks, Agent, that Ward 2, Sheet 26, portion of Lot 124, be rezoned from R-4 Residential District to CG Commercial General District. The property is located at the northwest corner of Charlotte and Chestnut Streets. After discussion, the Commission recommended that the property be rezoned as petitioned.

Mayor McDevitt open the public hearing at 8:43 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the proposed use of the property would be for a restaurant.

George Beverly spoke in support of the rezoning.

Mayor McDevitt said the Planning and Zoning Commission, at a meeting held April 3, 1985, considered the request of Mr. John Nilsson, Agent for Asheville Hand Center, that Ward 1, Sheet 8, Lots 141 and 143 be rezoned from R-2 Residential District to OI Office Institutional District. The property is located at 31 Granby Street and 18 Arden Road. After review and discussion, the Commission voted to recommend to City Council that Ward, 1, Sheet 8, Lot 141 and a portion of Lot 143, be rezoned from R-2 Residential District to OI Office Institutional District, leaving a 30 foot R-2 Residential District buffer along Granby Street and Arden Road. This ordinance was read on first reading on May 14, 1985, and on second reading on May 21, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1515 passed on third and final reading.

Complete text of Ordinance No. 1515 will be found in Ordinance Book No. 10 at page 268-269.

ORDINANCE NO. 1516 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - REZONING PROPERTY LOCATED ON TUNNEL ROAD (STEVE RUSSELL, NCNB, AND M. M. PEARLMAN PETITION)

13. Consideration was given to the third reading of Ordinance No. 1516, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended - rezoning property located on Tunnel Road (Steve Russell, NCNB, and M. M. Pearlman Petition).

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1516 passed on third reading.

Complete text of Ordinance No. 1516 will be found in Ordinance Book No. 10 at page 270-271.

ORDINANCE NO. 1517 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED AT 941 FAIRVIEW ROAD (JAMES SCHUMACHER PETITION)

14. Consideration was given to the third reading of Ordinance No. 1517, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended - property located at 941 Fairview Road (James Schumacher Petition).

Mayor McDevitt said the Planning and Zoning Commission, at a meeting held April 3, 1985, considered the request of Mr. James Schumacher that Ward 7, Sheet 27, Lot 42, be rezoned from LI Light Industrial District to R-3 Residential District. The property is located at 941 Fairview Road. After

Councilman Frank moved to schedule a public hearing relative to the 1985-86 budget for the City of Asheville for June 11, 1985. This motion was seconded by Councilman Boland and carried unanimously.

ORDINANCE NO. 1519 - AN ORDINANCE AMENDING ORDINANCE NO. 1498 EXTENDING THE NINETY (90) DAY MORATORIUM LIMITING THE DEVELOPMENT IN THE HAW CREEK AREA

11. Consideration was given to the second and third reading of Ordinance No. 1519, an ordinance amending Ordinance No. 1498 extending the ninety (90) day moratorium limiting the development in the Haw Creek Area.

Mayor McDevitt said on February 26, 1985, Council adopted Ordinance No. 1498 imposing a moratorium on property in the Haw Creek area for the issuance of any zoning or building permits and consideration of any request for group development review by the Planning and Zoning Commission through May 18, 1985. At this public hearing, Council will receive a report from the Planning and Zoning Department resulting from a comprehensive planning study of the area. Public comments with regard to said comprehensive planning study will also be received and the City Council will consider what action, if any, to take as a result of the comprehensive planning study, including the possibility of an extension of said moratorium. This ordinance passed on first reading at the May 21 meeting.

At the request of the Corporation Counsel, Councilman Bissette moved to amend Ordinance No. 1519 to include that "provided, however, that this extension shall not be applicable to the issuance of permits associated with the construction of single-family dwelling located more than 300 feet from a public sewer line. Provided further that in the event the North Carolina Department of Natural Resources and Community Development should lift its ban on sewer connections in the area; then in that event, this extension shall not be applicable to the issuance of permits associated with the construction of single-family dwellings within 300 feet of a public sewer line." This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1519, as amended, passed on second reading.

Councilman Frank moved to suspend the rules and proceed to the third reading of Ordinance No. 1519. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1519, as amended, passed on third and final reading.

Complete text of Ordinance No. 1519 will be found in Ordinance Book No. 10 at page 275-276.

ORDINANCE NO. 1515 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - (REZONING PROPERTY LOCATED AT 31 GRANBY STREET AND 18 ARDEN ROAD)

12. Consideration was given to the third reading of Ordinance No. 1515, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended - (rezoning property located at 31 Granby Street and 18 Arden Road).

HAW CREEK STUDY

On February 26, 1985, the Asheville City Council acting on a recommendation from the Asheville Planning and Zoning Commission placed a moratorium on development in the Haw Creek valley. The primary purpose for the action was to study development patterns, assess utility and roadway systems in order to determine their development capacity, and propose a plan for the valley.

The following report will outline specific problems found during the study and relay recommendations for their solutions.

Continuation of Moratorium

First, as to the continuation of the moratorium, it is staff's recommendation that City Council inact a continuation of the moratorium. However, it is staff's opinion that single family detached units be excluded. We have had several requests for permits for this type of development during the last ninety (90) days. Finally, in our opinion, the area covered by the moratorium should remain the same.

The reasons for the continuation are as follows:

1. Design and installation of a new sewer line along New Haw Creek Road will take at least 120 days to complete. Until then, no permits may be issued.

2. The Asheville-Buncombe Water Authority at its March meeting directed McGill Associates to conduct an engineering study and to make specific recommendations on improvements for the valley. This study will not be completed for presentation until June.

3. New zoning district recommendations have been developed, but specific area boundaries have not been agreed on by the resident's association. Estimated time for completion is sixty (60) days.

Therefore, we would recommend continuation of the moratorium for an additional ninety (90) days. Further, in order to avoid any time lapse in between the existing and proposed moratorium, City Council will need to enact an ordinance prior to May 29, 1985.

Water and Sewer

Sewer

The major problem found in the sanitary sewer system in the valley was that of st ground water infiltration into the lines. This problem was comp letailed in a 1977 Metropolitan Sewer District study entitled ty Plan for the Improvements to the Public Sanitary Sewer etropolitan Asheville."

CITY OF ASHEVILLE

DEPARTMENT OF PLANNING

704/255-5434

May 17, 1985

Honorable Mayor and
Members of City Council
City of Asheville
P. O. Box 7148
Asheville, N. C. 28807

RE: Transmittal - Haw Creek Report

Dear Mayor & Members of Council:

Attached hereto you will find staff's report on Haw Creek. The report basically outlines the issues dealt with and actions recommended to either correct a problem or suggest a method by which properties can be developed to deal with a specific issue.

While reports on land use development and the water system have not been completed, they will be shortly, and the results communicated to you at that time.

Please review this material and advise of any questions or comments.

Sincerely,

Verl R. Emrick, Jr.
Planning Director

VREJR/nr
Encl/1
cc/Neal Creighton, City Manager
Department Heads

Water

While pressure and volumes of water for both domestic and fire services is generally good throughout the valley there are some trouble spots. Recognizing this, the Asheville-Buncombe Water Authority has directed that a complete engineering study be conducted in the valley. The purpose of which is to make specific recommendations by priority for improvements to the system.

As noted previously that study is not complete, but is expected in June. Therefore, any recommendations and discussions will be deferred until that time.

Land Use

The predominant land use in the valley is residential with some commercial activity in the general area of "Miller's Store" and for that property fronting U. S. 70. Unlike other similar neighborhoods, the valley is not experiencing pressures of commercial intrusions by rezonings or expansion of existing commercial uses. The primary issue being dealt with is single family detached residential use vs. multi-family development.

In the past two years the valley, largely because of the availability of undeveloped tracts of land, has attracted several apartment and condominium projects. The total units either constructed or approved for construction are in excess of 650 units. This development spirit has resulted in the emergence of land use or land development issues around which the community has expressed strong feeling.

The basic issue is that of single-family development vs. multi-family development. The following issue, which has been discussed earlier, is the carrying capacity of the utility and road systems and the ability to handle additional development of any type regardless of availability of land.

The concern about the resolution of these issues has resulted in the submission of a zoning proposal by the Haw Creek Community Association, Inc. The proposal would suggest the creation of a new zoning district which would apply to the valley. The proposal labeled R-2A Residential District is detailed as follows:

"R2-A LOW DENSITY SINGLE FAMILY RESIDENTIAL DISTRICT

The Low Density Single Family Residential District is intended as an area where the principal use is residences and any conflict between these uses and any other use of the land is at a minimum.

Without detailing the study's findings, I will summarize them:

1. The principal problem is that of the age of the system which causes a physical breakdown of the lines and connecting joints.

2. The breakdown of the lines allows for, in most instances, a continuous infiltration of ground and storm water into the system. Which in turn causes backups and overloads in the system.

Solutions

1. The North Carolina Department of Natural Resources has by its own action imposed a moratorium on connection along the 8" collection line on New Haw Creek Road from Beverly Road to the Sondley Estates on the upper end of the valley. The solution being developed by the City and County is as follows:

   The City will replace the 8" line with a 20" line within its jurisdiction and the County will install a new 16" line within its jurisdiction. The project will be a joint endeavor; therefore, all construction will occur at the same time which will solve the entire problem for that end of the valley.

   The details of the project are as follows:

   a. City line 5,400 feet 20" line
      County line 6,200 feet 16" line

      Total 11,200 feet

   b. Estimated Cost: $270,000 City
      $270,000 County

      Total $540,000

   (Cost could be higher because of right-of-way acquisition and design for installation within a floodplain).

   c. Schedule:

      1. Field Survey: 75% complete City
         10% complete County
         Estimate four (4) weeks to complete
      2. Design: 4 to 6 six weeks to complete
      3. Review by State: 2 weeks
      4. Bid process: 3 weeks
      5. Installation: 2 - 4 months

The Asheville Planning and Zoning Commission can, if necessary, call a special meeting on short notice to deal with this proposal and report its finding probably within sixty (60) days.

Street and Traffic Improvements

Due to existing development, as well as the development potential of the Haw Creek area, several improvements are now necessary, or will be needed in the near future, to accommodate safe and convenient traffic flow. These improvements range from traffic operations improvements, which can generally be done with minimal costs involved, to somewhat substantial widening and geometric improvements requiring additional right-of-way acquisition and utility relocation on some streets.

The City's Engineering Division and Traffic Engineering Division have worked together with the Planning Department to complete the attached list of recommended street improvements, along with cost estimates on projects for which an estimated cost could be determined.

Traffic counts taken on several Haw Creek streets indicate that the streets have not yet reached a critical capacity problem; however, capacity problems are becoming apparent on some streets and at some intersections during the A.M. and P.M. peaks, especially when Haw Creek School is in session. Although existing volumes do not warrant total lane additions or major turning movement treatments at intersections, consideration should be given, in the near future, to these traffic operations improvements to permit the streets to function at an acceptable level of service and to improve the safety of those streets carrying the heavier traffic volumes.

Finally, the recommended improvements set forth herein represent those of primary importance within the Haw Creek area. However, no priority ranking has been established, nor are we recommending immediate implementation of any particular project. These needs reflect only a portion of total citywide needs. The Comprehensive Plan, which is now being developed, should and will consider these needs in comparison to others throughout the City, and should be used as the guide for establishing total priorities and project funding within the Asheville area.

A. Uses Permitted: Within the single family low density residential district, a building or land shall be used only for the following: single family residences, neighborhood playgrounds, home occupations, golf courses, community centers, public facilities, accessory buildings, greenhouses used as accessory buildings to the primary residence, public utilities, transmission lines, and utility substations (subject to the conditions of the group development review provided for in this ordinance).

B. Conditional Uses: Schools having a curriculum the same as given in public schools, churches, mountainside residences not exceeding the height of the ridge line, and the conversion of existing apartments to condominiums.

C. Development Standards.

Use	Minimum Lot Area (Sq. Ft.)	Maximum Density Dwelling Units/Acre	Minimum Lot Width (Feet)	Maximum Building Height (Feet)	Minimum Yard (Feet) Front	Side	Rear
Residential	10,000	4	100	40	35	10	25
Accessory Building	----	-	---	40	80	7.5	7.5
Non-Residential	40,000	-	200	40	100	20	25"

As can be seen the primary difference in the R-2A vs. R-2 district is the elimination of the multi-family uses as well as lowering the density to four (4) units per acre. In addition a height restriction of forty feet has been suggested which is consistent with the proposal City Council is dealing with now.

Staff recommendation on a method of handling this proposal is to refer it to the Asheville Planning and Zoning Commission for study and recommendation to City Council. The rationale for this suggestion is as follows:

1. While the basic concept of the wording of the R-2A is supportable, the proposal must be placed in context of the overall zoning plan and development plan for the community.

2. In order to implement the proposal in whatever form it may finally take, specific district boundaries must be developed and mapped, and at this point no boundaries have been suggested.

7. Ditchline Improvements

Treatment: Clean, reseed and stabilize ditchlines on City streets in the area.

Estimated Cost: $2.00/lineal foot

8. Pavement Markings/Signage

Treatment: Upgrade pavement markings and traffic control signs where necessary.

Estimated Cost: Can be done as a part of normal Traffic Engineering operations.

9. Street Lighting

Treatment: Upgrade street lighting where needed to improve nighttime driving conditions and security. Installations can be made upon request by property owners, if in compliance with current policy and standards.

Estimated Cost: Not Available

10. Street Maintenance

Treatment: Provide street maintenance for City streets, based on Citywide priorities.

Estimated Cost: Not Available

11. New Haw Creek Road (NCDOT)

Treatment: A) Widen to 24-foot cross-section with curb, gutter and drainage improvements.

Estimated Cost: $2,000,000 (for entire length)

Treatment: B) Realignment of a portion of New Haw Creek Road on a new corridor, to connect with Avon and U.S. 70.

Estimated Cost: $1,000,000

Note: New Haw Creek Road is presently a fourth priority improvement in Asheville's Thoroughfare Plan. The City, through the Technical Coordinating Committee and Transportation Advisory Committee, should request NCDOT's assistance in reevaluating the New Haw Creek Road corridor, based on development potential, to determine if this street should be advanced in priority.

ATTACHMENT

Haw Creek Street and Traffic Improvements

1. Beverly Road

   Treatment: Widen to standard 24 foot cross-section with curb, gutter and drainage improvements.

   Estimated Cost: $350,000

2. Intersection of Beverly Road and New Haw Creek Road

   Treatment: Acquire needed right-of-way and realign intersection approaches to improve sight distance and safety. This action will also provide for better progression of traffic on New Haw Creek Road.

   Estimated Cost: $72,000

3. Intersection of Old Haw Creek Road and Middlebrook Road

   Treatment: Lower grade to eliminate vertical curve and provide for better approach alignment.

   Estimated Cost: $40,000

4. Intersection of Old Haw Creek Road and Waters Road

   Treatment: Realign Old Haw Creek Road approach to T-intersection and allow Waters Road to become the through street.

   Estimated Cost: $42,000

✓5. Old Haw Creek Road

   Treatment: Improve portion inside City Limits with 2-foot paved shoulders on each side and repair ditchlines.

   Estimated Cost: $82,620

6. Improve Sight Distance at Intersections

   Treatment: Removal or relocation of signs, shrubbery, fences, etc.

   Estimated Cost: Not Available

HAW CREEK COMMUNITY
HORATORIUM

At the last meeting of the Asheville City Council held at the Civic Center before the building moratorium in Haw Creek was imposed, the citizens in the Haw Creek area expressed several concerns about improvements in city services that were needed prior to any further development in their community. Two areas of concern were involving inadequate water and sewer services. During the past three (3) months the staff of the Water and Sewer Services Department has determined that except for some isolated problems the water system that serves the Haw Creek community is adequately serving the existing customers and has enough reserve capacity to serve a limited amount of future development. However, this portion of our water system will need some improvements before any substantial development can take place. The Asheville/Buncombe Water Authority, at their March 1985 meeting, discussed this situation and requested that the Authority's Consulting Engineer, Mr. Gary McGill, conduct a study of the Haw Creek area water supply system and submit to them his recommendations and proposals concerning the necessary improvements. As of this date the engineering report has not been finalized and submitted to the Authority. Also during the past three months the staff of the Water and Sewer Services Department has been involved in determining solutions to the sewer service problems both inside and outside the city limits in the Haw Creek Community. During the month of April 1985 the City of Asheville and the County of Buncombe received a letter from the North Carolina Department of Natural Resources and Community Development. In this letter they pointed out some direct violations to North Carolina General Statutes concerning public sewer systems. All of these except for the replacement of approximately 5,000 lineal feet of eight (8) inch sewer line have been corrected. It should be further understood that by virtue of the letter received from the Department of Natural Resources all sewer line connections of any size have been banned until the replacement of this eight (8) inch sewer line is complete. In light of this it doesn't matter whether Council lifts its moratorium or not as far as sewer connections are concerned. Aside from some "spot" problems, the replacement of this eight (8) inch sewer line would effectively resolve the majority of all sewer problems in the Haw Creek area. It is the opinion of the staff and the Department of Natural Resources that most problems that exist on lateral sewer lines that feed into the main eight inch collector line are directly related to problems that have been identified on the eight (8) inch collector. When this collector line is replaced not only will it stop the overflow of sewage into Haw Creek but will in all probability take care of most overflow problems on the lateral line. There are however a couple of the smaller lateral sewer lines that have been identified as having particular problems which are not congruent with the collector lines problems. The replacement of these two interceptor lines are included in a Sewer Line Master Plan, as well as the replacement of the eight inch collector line and approximately thirty other sewer line replacement projects which are identified as problem lines in various places throughout the city. This Master Plan is currently being prepared for review by Council. Due to the fact that the Council has determined that some sort of work needs to be done in Haw Creek

such problems as sewer lines and due to the fact that the State has imposed a moratorium on sewer line connections, whether they are directly or indirectly connecting to the existing eight inch collector line, the staff has initiated the survey and design of the replacement of this eight inch collector with a new twenty inch collector. Also due to the fact that the moratorium placed on sewer line connections by the Department of Natural Resources was not only within the city limits but also outside the city limits on the portion of the sewer line maintained by the County; the Water and Sewer Services staff, along with the City Manager and the City Clerk, met with the Chairman of the Buncombe County Commissioners and his staff to discuss the possibilities of a joint City-County project to eradicate the state imposed moratorium. At that meeting the county staff expressed their willingness to participate in a joint effort, with the City of Asheville, in order to comply with the mandate received from the Department of Natural Resources of the State of North Carolina. The County staff requested that the City proceed beyond the city limits with the survey and design of a new sewer line some 6,100 lineal feet to the end of the county-maintained portion of this same collector line. Should the Council decide that it is in the best interest of the City to proceed with the construction of this sewer line replacement, the county staff also requested that the staff proceed with the administration of a contract to construct a sixteen inch sewer line for the replacement of the eight inch collector line owned and maintained by the County of Buncombe. As of this date the Water Engineering Division of the Water and Sewer Services Department has completed approximately 50% of the survey and design of the sewer collector replacement within the city limits, with the survey and design of the county's portion to begin within the next two weeks.

Recommendations:

The Water and Sewer Services staff recommends the replacement of the existing eight inch collector with a new twenty inch collector line to extend from a point near Beverly Road north to the city limit line, consisting of approximately 5,000 lineal feet.

However since the replacement of this line is a part of the above mentioned Master Plan the staff would recommend to Council that priorities only be established after they have had the opportunity to review said Master Plan and the time to evaluate the necessity of all these proposed sewer system improvements.

NCGS 143-215.1(a)(1), (a)(3)
Haw Creek Collection Sewers
City of Asheville
Buncombe County, North Carolina

Dear Mr. Creighton:

As a result of contact by local residents, an investigation of the Haw Creek Collection System upline from the intersection of New Haw Creek Road and Beverly Road (Miller's Grocery) was conducted during the time period of March 29, 1985 through April 9, 1985, by Water Quality Staff members of this office. Complaints generating this investigation alleged that untreated sewage overflowed the sewerlines at several points in this area during normal and routine rainfall events such that sewage was discharged onto adjacent ground area, and into Haw Creek or its tributaries, waters of the State. The investigation consisted of meetings with residents in the affected community, representatives of the City's Water and Sewer Department, evaluation of material supportive of the complaint (pictures, statements), and on-site visits.

The investigation concluded that normal and routine rainfall periods result in sewage overflow in the main Haw Creek line from the manhole adjacent to the intersection of New Haw Creek Road and Dogwood Drive and the manhole adjacent to McIntosh Road. A newly constructed relief sewer (fall, 1984) from this latter manhole to Haw Creek constitutes clear violation of North Carolina General Statute 143-215.1 (making an outlet into State waters without a permit). Continued existence of this sewer subjects the City of Asheville to civil penalties. Sewage overflow of the system upline of the Dogwood Drive manhole from the lateral serving the Pressley Road area appears more dependent on extreme rainfall events, although special problems were noted in the portion of line behind 20 Willowbrook Road (a hole in the top of exposed sewer should be repaired and the sewerline cleaned), and the collection lines adjacent to 350 Old Haw Creek Road and 337 Old Haw Creek Road. Both Old Haw Creek Road lines connect to the main collection

REPORT OF THE HAW CREEK COMMUNITY ASSOCIATION TO ASHEVILLE CITY COUNCIL ON RECOMMENDATIONS FOR THE HAW CREEK STUDY AREA

May 21, 1985

Prepared by the Community Association Development Committee

sewer in this area and appear to overflow whenever the main lateral flows full.

North Carolina General Statute 143-215.67(a) prohibits the addition of wastewater to a waste disposal system in excess of the capacity of the system to treat that wastewater. The Haw Creek sewer system upline from the end of the new outfall which terminates near the intersection of New Haw Creek Road and Beverly Road cannot now carry its present flow, and, therefore, obviously does not have the capacity to receive sewage from additional sources. Therefore, should the City of Asheville allow the tying on of additional sewage sources above this intersection, it would be in violation of North Carolina General Statute 143-215.67(a) and subject to civil penalties and other sanctions as provided by State law. This statutorily imposed prohibition will be lifted at such time that the City of Asheville certifies that rehabilitation/reconstruction of the Haw Creek sewers above the junction of New Haw Creek and Beverly Roads has been completed and succeeds in eliminating overflows as a result of normal and routine rainfalls, and that the sewers again have surplus hydraulic capacity.

In addition, the problem areas discussed in the above paragraphs should be remedied. This statutorily imposed prohibition on new sewer taps would also apply to additions to this sewage collection system outside of City control at the head of Haw Creek Valley in Buncombe County. A copy of this letter is being directed to the Buncombe County Commissioners office in this regard.

We regard the violations noted here as serious, and we will continue to consider other appropriate actions beyond the sewer tape ban, if necessary.

Thank you for your attention to this matter. We will be pleased to discuss any questions or concerns at your convenience.

Yours truly,

Roy M Davis for

Forrest R. Westall,
Regional Engineer

WATER

Haw Creek Valley's water pressure problems are both too little and too much. Some examples of low water pressure are in the Sondley Estates, areas in Happy Valley, Persimmon Lane, and Cisco Road (which the City is currently correcting). Extremely high water pressure can be found in the 700 block of New Haw Creek Road and the Keasler Circle area.

Low water pressure not only causes a great inconvenience, it increases the danger from fire to our homes and families. The attached report from the Haw Creek Volunteer Fire Department on the water pressure at hydrants in the north end of the Valley attests to this.

The City and County should recommend strongly to the Asheville-Buncombe Water Authority that it provide controls to maintain a reasonable water pressure and adequate water flow to homes and hydrants. In part this can be accomplished with larger water lines, as is being done on Cisco Road. A reservoir or storage tank for the Haw Creek area would solve low water pressure problems and also aid in alleviating the high pressure problems now caused by the pumps at the pumping station.

Fire hydrants should be installed, as stated by City Code, every thousand feet. This is not always the case in the city limits of Haw Creek.

With the use of pressure pumps, the addition of a water storage facility and the upgrading of our water lines, we feel our serious water pressure problems can be brought under control. However, it is our hope that in solving our water pressure problems the Water Authority will plan and construct a system with the extra capacity necessary to meet tomorrow's needs,

REPORT OF THE HAW CREEK COMMUNITY ASSOCIATION TO ASHEVILLE CITY COUNCIL

Haw Creek Valley is a relatively large community within Asheville with many acres of undeveloped land. Its growth is still at a point where we have the opportunity, if we act with determination, to guide development so that it can continue to be the attractive, desirable, neighborhood it is now.

There are problems in the Valley that must be recognized and corrected before development can be allowed to continue. The condition of our sewer and water systems is such a problem; one that can be remedied. Our lack of public recreational facilities and parks demands immediate attention, before growth in the Valley makes the construction of new facilities and pathways and the acquisition of park land too awkward and expensive.

Some hindrances to further growth in Haw Creek are essential to the character of the Valley, and must be considered when planning for the future. Our roads are narrow and winding, and unable to handle an excess of traffic. However, these features do much to give the area its rural flavor. To change these roads for broad, straight throughways would be very costly and would destroy the atmosphere of the Valley. However, some road improvements are necessary in areas where narrow and serpentine roads go beyond being charming and become downright dangerous. In addition, as with many areas of Asheville, careful and informed management of drainage, to prevent erosion, property damage and sewer overflow, must be undertaken as an adjunct to any new construction, public or private.

Keeping these general considerations in mind, the following are our initial recommendations for correcting our problems while protecting the integrity of our Valley.

six inch line should be replaced with an eight inch or larger line, either by the City or the developer. This type of upgrading of the entire connection system through to the main line should be required of all new developments.

Also, all septic tank systems should be routinely inspected by the City and County to insure that they are functioning properly and not overflowing into our streams and ponds.

TRAFFIC

Our streets, as mentioned earlier, are an important part of our Valley. Our survey doesn't indicate much support for major changes to our roads. The feeling is that widening and straightening of our roads would only increase the speeds of some who travel them. This would do nothing for the safety of those who walk them, or who prefer to drive the speed limit.

Based on our survey, we have developed this list of needed improvements. We would like to see immediate attention given to the first dozen items:

1. Completion of the revamping of Middlebrook Road at Old Haw Creek Road as planned.

2. Redesign the intersection of New Haw Creek Road, Beverly Road and Miller Road. The installation of a traffic light or three way stop sign at this corner along with the removal of the dumpster and shrubbery from the side of Dalton Carpet are required for safety. Also, prohibit parking in front of this building and along the side of New Haw Creek Road where the dumpster is currently located.

3. Install a stop sign on the west side of the intersection of Old Haw Creek Road and Cisco Road.

as well as resolve our current problems. City and County officials must be willing to approve a Water Authority budget that will permit practical foresight in planning and building.

SEWAGE

It is apparent that there are no short term solutions to the sewage problems in the Haw Creek area. Replacement of outdated sewer lines is the only solution. Please refer to the attached letter from Mr. Roy Davis of the North Carolina Department of Natural Resources.

The Association recommends the replacement of all public sewer lines in the Valley except the twenty inch line that originates behind Keever's Feed and Seed store, at the corner of Beverly and New Haw Creek Roads. The replacement must include the main lines and the connector lines.

Immediate action should be taken to solve the problem of sewage running into the Creek next to the East Asheville Youth Activities, Inc. ball field. It is a health hazard to the large numbers of children and adults that use the area.

It should be required that all new and replacement sewer connections have a check valve installed between the building and the sewer line.

Storm sewers and gutter drains should not be connected to the sewer lines. Inspections have already been made and offenders have been identified. They must be required to correct the problems.

Mr. Lerner's pending development on Beverly Road will be connecting an eight inch line, as the State requires, into an existing six inch line. This

12. Replace the bridge at Arco Road and New Haw Creek Road as planned by the State.

The following suggestions are things we would like to see in the next five years:

13. Storm drains (culverts) should be installed so that shoulders may be added on both sides of New Haw Creek Road from the intersection with Tunnel Road to Sondley Estates. This should also be done on Old Haw Creek Road from Cisco Road to Bell Road.

14. Pave any road in both the City and the County not designated as private.

15. Widen Bethesda Road, paint a center line and improve the intersection with New Haw Creek Road.

16. A concrete sidewalk, a minimum of three feet wide, on the even side of Tunnel Road from Pearlman's (290) to the V.A. Hospital (1100). The same should be done for New Haw Creek Road from the intersection with Tunnel Road to the city limits (741) and the entire lengths of Trinity Chapel and Bethesda Roads.

17. Repair and/or replace existing curbs.

18. A road and walkway to connect New and Old Haw Creek Road to the access alongside I-240 to Chunns Cove Road.

19. A new road from New Haw Creek Road, South of McIntosh Road, across to Avon Road and the widening of Avon Road to Tunnel Road.

4. Pedestrian crossings are needed at the following locations:

New Haw Creek Road and Bell Road

New Haw Creek Road and Beverly Road

New Haw Creek Road and Trinity Chapel Road

New Haw Creek Road and Bethesda Road

Old Haw Creek Road and Bethesda Road

Old Haw Creek Road and Bell Road

Old Haw Creek Road and Trinity Chapel Road

5. Establish school zones on New Haw Creek Road between Cisco Road and Dogwood Grove Road and on Old Haw Creek Road between Asheville Gospel Chapel (350 Old Haw Creek Road) and Pershing Road.

6. Enforce codes and ordinances on sight distances at intersections.

7. Stop the State Highway Patrol from testing tractor trailers on Whitson and Arco Roads.

8. Reduce the speed limits on New Haw Creek Road to 30 mph and all other roads to 25 mph.

9. Widen Beverly Road to twenty feet, remove the curbs and add a three foot wide shoulder on each side.

10. Remove the two smaller islands at the intersection of New Haw Creek Road and Tunnel Road. Also, make the remaining island more visible at night and during rainy weather.

11. Construct seats for bus riders at the corners of Beverly Road and Tunnel Raod and New Haw Creek Road and Tunnel Road.

Our last suggestion concerns mini-parks and community parks. There are NO parks in Haw Creek Valley -- City, County or otherwise. It is time to target land for parks while there is still open land available. The Community Association is presently exploring ways of persuading private landowners, such as CP&L, to consider donating the use of unused lands for community maintained parks.

Our research indicates that there is an increase in land values following such recreational improvements as bike paths and parks. In addition, a commitment on the part of the City to develop neighborhood-enhancing projects will prove an attraction for new residents and progressive industries to locate in Asheville.

ZONING

Haw Creek has only two narrow roads accessing the majority of the Valley from Tunnell Road. This fact, coupled with the narrow, winding nature of the remainder of the roads in the Valley, causes us to question how much growth our roadways will allow.

A recent survey by the Haw Creek Community Association indicated that 94% of those who responded to the survey were in favor of limiting new growth to single family residences. This survey, the character of our roads, and the fact that many of our current lot sizes do not conform to R-1 specifications, compelled us to write a new zoning ordinance to fit our particular needs. Many of us also felt (and it is clear now that the City Council agrees) that a height restriction of 40 feet is suitable for a residential neighborhood. We call this proposed ordinance R2-A.

20. A new road connecting Bell Road to Pinedale Road.

21. More parking in the commercial area around Millers Store.

PARKS AND RECREATION

The goal of improved recreational facilities in and around Haw Creek is a long term one. Bike paths, hiking trails, sidewalks and parks require extensive planning and financial commitment. It is essential that any long-range planning for the Valley take into consideration the community's recreational needs.

Our first suggestion would be a jogging/walking trail around the periphery of Haw Creek Elementary School. The trail would be about four feet wide and travel mostly through wooded areas of the property. The path would incorporate an existing nature trail, and be kept as natural as possible. This path would be accessible from the adjacent streets as well as the school grounds.

Also, land has been cleared on the west side of the school for public tennis courts. We would like to see the completion of the tennis courts and the addition of several basketball courts.

Our second suggestion concerns the construction of bike paths. We would welcome any bike ways, but would prefer those that could be built some distance from the roads. In particular, a bike path that travelled the length of the valley, parallel to the main creek, would be accessible and useful to the largest number of people, including children wishing to walk or bicycle to school, and people wanting to walk or bicycle to the local grocery or hardware stores. Mini parks could be located along this pathway.

Use	Minimum Lot Area (Sq. Ft.)	Maximum Density Dwelling Units/Acre	Minimum Lot Width (Feet)	Maximum Building Height (Feet)	Minimum Yard (Feet)		
					Front	Side	Rear
Residential	10,000	4	100	40	35	10	25
Accessory Building	------	--	---	40	60	7.5	7.5
Non-Residential	40,000	--	200	40	100	10	25

The Haw Creek Community Association recommends that the entire study area, with the exception of those areas that are currently zoned commercial or R-1, be re-zoned to R2-A.

The Association has spent many hours distributing, collecting and compiling surveys and complaint sheets, and discussing with each other and the community the problems and potentials of Haw Creek. This compiling of information formed the basis for this report. We respectfully hope that the City Council will keep this report in mind when making decisions affecting our Valley. Further, we encourage the Council, in conjunction with Planning and Zoning and Haw Creek Community members, to utilize the substance of this report in drawing up and implementing a comprehensive plan for the Haw Creek Study Area.

R2-A allows for the continued development of Haw Creek Valley in a manner agreeable to the residents of the Valley, with a density which will prevent congestion of our roads. It has become, in our minds, an essential element in developing a well-planned residential area. It is our contention that this type of community, with a comfortable rural/urban atmosphere, can and should become the strength of Asheville, serving to enhance the quality of life here as well as attract new growth. As such, R2-A is a zoning option which could benefit many parts of Asheville, not only Haw Creek Valley.

The proposed R-2A ordinance is as follows:

(PROPOSED)

R2-A LOW DENSITY SINGLE FAMILY RESIDENTIAL DISTRICT

The Low Density Single Family Residential District is intended as an area where the principal use is residences and any conflict between these uses and any other use of the land is at a minimum.

A. Uses Permitted: Within the single family low density residential district, a building or land shall be used only for the following: single family residences, neighborhood play grounds, home occupations, golf courses, community centers, public facilities, accessory buildings, greenhouses used as accessory buildings to the primary residence, public utilities, transmission lines, and utility substations (subject to the conditions of the group development review provided for in this ordinance).

B. Conditional Uses: Schools having curriculum the same as given in public schools, churches, mountain side residences not exceeding the height of the ridge line, and the conversion of existing apartments to condominiums.

Tuesday - June 4, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gordon Myers

INVOCATION

The invocation was given by Vice-Mayor Wilhelmina Bratton.

STATEMENT RELATIVE TO ALTERNATIVES FOR ASHEVILLE.

Councilman Norma Price read the following announcement:

The City of Asheville has begun an effort to develop a comprehensive plan which will provide direction for the future of the Asheville community.

Next Monday, June 10, is the first community meeting of six (6) meetings to be held in different areas of the City, that will ask for guidance from the Asheville community for this plan. Your ideas, thoughts, and suggestions are wanted. What do you want Asheville to be tommorrow? To find out how you can be heard on all the major issues facing the Asheville area WLOS-TV will present "Future Vision", a special report on the Alternatives for Asheville planning process. The special 1/2 hour report will air on Thursday, June 6 at 7:00 p.m. on Channel 13.

Also be sure to read this Sunday's Citizen-Times for a special feature on the future of Asheville and how you can participate.

On Sunday, Focus 21, WHNS TV's public affairs program will feature the "Alternatives for Asheville" process - What it is, how will it work - Who will do the planning -- This program airs at 11:00 a.m. on June 9. WKHS-Radio is also doing some very special programming on the need for community input at the Public Forums.

We commend the media in serving the community by promoting this planning effort. The exchange of information, ideas, and news is the most important element of any communities planning process.

Mayor McDevitt noted the time and place for the public meetings during June.

APPROVAL OF THE MINUTES - MAY 28, 1985 MEETING

1. Approval of the minutes of the May 28, 1985 meeting.

Mayor McDevitt announced the approval of the minutes as submitted.

review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 27, Lot 42, be rezoned from LI Light Industrial District to E-3 Residential District. This ordinance was read on first reading on May 14, 1985, and on second reading on May 21, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1517, passed on third and final reading.

Complete text of Ordinance No. 1517 will be found in Ordinance Book No. 10 at page 272-273.

CLAIMS - ASHEVILLE CLEANERS (WATER) - ELEANOR THOMAS (WATER) - W. B. RIDDLE (WATER) - VIOLA THOMPSON (WATER)

The City Manager presented claims received from Asheville Cleaners, Eleanor Thomas, W. B. Riddle, and Viola Thompson.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Councilman Frank moved to adjourn the meeting at 9:10 p.m. This motion was seconded by Councilman Bissette and carried unanimously.

Larry McDevitt
MAYOR

William F. Nolan
CITY CLERK

Gary Rowe, Attorney, representing various property owners on Sunset Mountain, also requested that the public hearing be postponed in order for him to prepare for his presentation to Council. However, he requested that the public hearing be readvertised, and that the public hearing be scheduled for July 2, 1985, since many of the property owners would be out of town on June 25.

Attorney Dameron said his client would have no problems with the public hearing being on July 2.

Vice-Mayor Bratton closed the public hearing at 4:40 p.m.

Councilman Price moved that the public hearing relative to the proposed "Sunset Pointe Condominiums" be rescheduled for July 2, 1985, and that the notice to the public relative to the public hearing be readvertised for that date. This motion was seconded by Councilman Boland and carried unanimously.

PUBLIC HEARING - REZONING PROPERTY ON NORTH BEAR CREEK ROAD

ORDINANCE NO. 1521 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON NORTH BEAR CREEK ROAD (MR. T. F. DULA PETITION)

4. A public hearing was held relative to rezoning property on North Bear Creek Road.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held May 1, 1985 considered the petition of Mr. T. F. Dula that Ward 6, Sheet 20, Lot 69-1/2 be rezoned from LI Light Industrial District to R-3 Residential District. The property is located on North Bear Creek Road. After discussion, the Commission recommended that the property be rezoned as petitioned.

Mayor McDevitt opened the public hearing at 4:43 p.m.

The Clerk Clark presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the purpose for the requested rezoning is that the owner wishes to construct a single-family residence on the property which is presently zoned LI Light Industrial, which prohibits single-family residences.

Upon inquiry of Councilman Bissette, Mr. Emrick said there were no oppositions expressed at the Planning and Zoning Commission meeting.

Mayor McDevitt closed the public hearing at 4:44 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1521. This motion was seconded by Councilman Price.

SWEARING IN OF POLICE OFFICERS

Mayor McDevitt administered the oath of office to 10 new police officers.

PROCLAMATION - JUNE 2-8, 1985 - "MANAGEMENT WEEK"

2. Mayor McDevitt read a proclamation proclaiming the week of June 2-8, 1985 as "Management Week".

Mayor McDevitt presented the proclamation to Randy Shores, with Square D and Larry Collins, Chairman of the Asheville Chapter of the Association of Management.

PROCLAMATION - WEEK OF JUNE 8, 1985 - "NATIONAL SAFE BOATING WEEK"

2A. Mayor McDevitt read a proclamation proclaiming the week of June 8, 1985 as "National Safe Boating Week".

Mayor McDevitt presented the proclamation to Mr. Phillips, with the Asheville Power Squadron, who is sponsoring "National Safe Boating Week".

PUBLIC HEARING - SITE PLAN OF PROPOSED "SUNSET POINT CONDOMINIUMS"

3. A public hearing was held relative to the site plan of the proposed "Sunset Pointe Condominiums" to be located on Town Mountain Road.

Mayor McDevitt said, as previously notified, his law firm represents the developer of the Sunset Pointe Condominiums, and in his opinion, he should not participate in discussion or voting on this issue. Corporation Counsel Slawter agreed with Mayor McDevitt.

Councilman Bissette moved to excuse Mayor McDevitt from discussion or voting on the proposed "Sunset Pointe Condominiums". This motion was seconded by Councilman Price and carried unanimously.

Mayor McDevitt relinquished the chair to Vice-Mayor Bratton.

Vice-Mayor Bratton opened the public hearing at 4:35 p.m.

Verl Emrick, Director of Planning said the Planning and Zoning Commission at a meeting held on April 17, 1985, reviewed the site plan of the proposed "Sunset Pointe Condominiums" to be located on Town Mountain Road. The plan was prepared by Freeman, Weels and Major, Architects, for W. R. Martin, Developer, both of Greenville, S. C. and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend denial of the site plan to City Council.

Ken Dameron, Attorney for the developer of the Sunset Pointe Condominiums, said on behalf of his client, he is requesting that the public hearing be continued until the June 25, 1985 Council meeting. He said his reasons for requesting the continuation is that the public notice of the meeting was misrepresented in the newspaper, and ~~the developer~~ he needs further opportunity to prepare for the presentation to be made to Council.

minutes amended 6-11-85 meeting pg. 180

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1520 passed on second reading.

APPROVAL OF THE SALE OF DISPOSAL PARCELS 12 AND 105A IN THE EAST RIVERSIDE URBAN RENEWAL AREA

7. Consideration was given to a motion approving the sale of disposal parcels 12 and 105A in the East Riverside Renewal Area.

Mayor McDevitt said the Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East Riverside Urban Renewal Area.

PARCEL	REUSE	PRICE	BID	REDEVELOPER
12	Residential	650.00	655.00	Phillip & Sharon Ruff
105A	Residential	8,575.00	8,775.00	Willie & Joann Reynolds

Lot 12 - located at South French Broad Avenue is a residential lot sale to an adjacent property owner to provide additional yard space. Appropriate landscaping will be done but no construction is planned.

Lot 105A - is located at John Street and is a residential lot sale for a single-family structure under the Incentive Housing Program.

Councilman Bissette moved to approve the sale of Disposal Parcels 12 and 105A in the East Riverside Urban Renewal Area as recommended by the Housing Authority. This motion was seconded by Councilman Price and carried unanimously.

RESOLUTION NO. 85-81 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND THE COUNTY OF BUNCOMBE - IDENTIFICATION BUREAU

8. Consideration was given to a resolution authorizing the City Manager to sign an agreement by and between the City of Asheville and the County of Buncombe relative to an Identification Bureau.

Mayor McDevitt said the City-County Radio and Identification Bureau Commission was created by Chapter 262 of the 1941 North Carolina Public Local Laws. Chapter 37 of the 1985 North Carolina Session Laws repeals Chapter 262 of the 1941 North Carolina Public Local Laws, effective May 1, 1985. On April 30, 1985, the representatives of the City-County Radio and Identification Bureau Commission executed a Grant and Release which transfers jointly all records and property held by the City-County Radio and Identification Bureau Commission to the City and County so as to allow the City and County to continue the operation of a joint bureau of identification in the County of Buncombe. The City of Asheville and the County of Buncombe intend to continue the operation of a joint bureau of identification in the County of Buncoube.

On a roll call vote of 6-0, Ordinance No. 1521 passed on first reading.

Mayor McDevitt requested that the City Clerk schedule on the agenda for June 11, 1985, the second, and possibly the third reading of Ordinance No. 1521, which was requested by the petitioner.

ORDINANCE NO. 1510 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED. - PROPERTY LOCATED ON GASHES CREEK AND I-40 (GEORGE BEVERLY PETITION)

5. Consideration was given to the second reading of Ordinance No. 1510, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended. - property located on Gashes Creek and I-40 (George Beverly Petition).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held March 13, 1985, considered the request of Mr. George Beverly, Agent, that Ward 13, Sheet 33, Lot 68, and Ward 13, Sheet 34, Lot 11, be rezoned from R-2 Residential District to OI Office Institutional District. The property is known as Hemphill Knoll at Gashes Creek and I-40. After review and discussion, the Commission voted to recommend to City Council that a portion of Lot 68, Sheet 33, Ward 13, and a portion of Lot 11, Sheet 34, Ward 13, be rezoned from R-2 Residential District to OI Office Institutional District. This would leave a 100 foot strip of R-2 buffer on the southern border abutting the Blue Ridge Parkway and Lot 78, Sheet 33, Ward 13, and on the northwestern margin abutting Lots 37-1/4 and 8-1/4, Sheet 33, Ward 13. At the April 23, 1985 meeting the first reading of this ordinance was postponed until May 28, 1985. This ordinance was read on first reading on May 28, 1985.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1510 passed on second reading.

ORDINANCE NO. 1520 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED. - REZONING PROPERTY LOCATED AT THE NORTHWEST CORNER OF CHARLOTTE AND CHESTNUT STREETS (REQUESTED BY W. NEAL HANKS, AGENT).

6. Consideration was given to the second reading of Ordinance No. 1520, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended. - rezoning property located at the northwest corner of Charlotte and Chestnut Streeet (requested by W. Neal Hanks, Agent).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held on April 17, 1985, considered the petition of Mr. W. Neal Hanks, Agent, that Ward 2, Sheet 26, portion of Lot 124, be rezoned from R-4 Residential District to CG Commercial General District. The property is located at the northwest corner of Charlotte and Chestnut Streets. This ordinance was read on first reading on May 28, 1985.

ORDINANCE NO. 1522 - BUDGET ORDINANCE AMENDMENT TO CARRY OUT SEWER PROJECTS FOR FISCAL 1985/86

11. Consideration was given to a budget ordinance amendment to carry out sewer projects for fiscal 1985/86.

Mayor McDevitt said this amendment will establish an appropriation in the amount of $1,832,443 to carry out sewer projects for Fiscal Year 1985/86.

Rick Harper, Administrative Assistant with the Water/Sewer Department, presented the Water and Sewer Department's proposed sewer master plan. He said the plan consists of 29 projects that are desperately needed in the City of Asheville to address problems of inadequate sewer. He said the projects have been rated into 4 priorities, with priorities 1 and 2 being projects that will stop unsanitary conditions and upgrading of the system. He said priorities 3 and 4 would consist of replacements of existing sewers in new growth areas.

He explained the funding available to carry out the plan at a total cost of $1,810,350.00.

Upon inquiry of Council, Mr. Harper said priorities 1 and 2 would be completed during Fiscal Year 1985/86, and priorities 3 and 4 would be completed in Fiscal Year 1986/87. He presented a map outlining the projects to be completed.

Mayor McDevitt noted that adoption of this budget amendment would incorporate the approval of the Sewer Master Plan.

Councilman Boland moved for the adoption of Ordinance No. 1522. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1522 passed on first and final reading.

Complete text of Ordinance No. 1522 will be found in Ordinance Book No. 10 at Page 280.

1985 CIVIL SERVICE BOARD ELECTION - WALTER RUBY, JR. AND RAYMOND B. STEPP

The City Manager said pursuant to Section 2 of the Civil Service Law (Chapter 757 of the 1953 Session Laws, as amended, of the North Carolina General Assembly), the Civil Service Board election was held on Thursday, May 30, 1985. There were two (2) declared candidates, Walter Ruby, Jr. and Raymond B. Stepp. Messrs. Ruby and Stepp were certified as the winners of the election, by the Board of Canvassers, on Friday, May 31, 1985.

The official tabulation of the votes cast is:

Walter Ruby, Jr.	207
Raymond B. Stepp	200
Write-In Candidates	13

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 85-81 was unanimously adopted.

Complete text of Resolution No. 85-81 will be found in Resolution Book No. 15 at page 217.

RESOLUTION NO. 85-82 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN A LEASE AGREEMENT WITH AIRCALL, INC. FOR LEASING OF RADIO TOWER SPACE AT WHITE FAWN RESERVOIR.

9. Consideration was given to a resolution authorizing the City Manager to sign a lease agreement with Aircall, Inc. for leasing of radio tower space at White Fawn Reservoir.

Mayor McDevitt said the City of Asheville owns and maintains a 180 foot self-supporting tower at White Fawn Reservoir for accommodating two-way FM radio transmitters and antenna. This agreement will allow Aircall, Inc. (Paging System) to lease space on White Fawn Radio Tower. This will generate about $1,200.00 annually in revenue for the City. It will cost the City about $13.60 per month to provide electrical service.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-82 was unanimously adopted.

Complete text of Resolution No. 85-82 will be found in Resolution Book No. 15 at page 218.

RESOLUTION NO. 85-83 - RESOLUTION AUTHORIZING THE CLOSING OF A PORTION OF WALL STREET FOR A STREET FESTIVAL

10. Consideration was given to a resolution authorizing the closing of a portion of Wall Street for a street festival.

Mayor McDevitt said Wall Street and Battery Park Avenue Merchants Association is planning a street festival on Saturday, June 8, 1985. The Merchants Association has requested that a portion of Wall Street, from 46 Wall Street (Asheville Music Hall) to the intersection of Battery Park Avenue, be closed from 11:00 a.m. until 8:00 p.m. The closing of this portion of Wall Street will not create any undue hardship or inconvenience for residents of the area.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-83 was unanimously adopted.

Complete text of Resolution No. 85-83 will be found in Resolution Book No. 15 at page 219.

Tuesday - June 11, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Acting Corporation Counsel Patsy Brison; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gordon Myers; Corporation Counsel William F. Slawter.

Mayor McDevitt - arriving later in meeting.

INVOCATION

The invocation was given by Councilman Mary Lloyd Frank.

APPROVAL OF THE MINUTES - June 4, 1985 MEETING

1. Approval of the minutes of the June 4, 1985, meeting.

Patsy Brison, Acting Corporation Counsel, requested that the minutes of the June 4, 1985, meeting, page 173, last paragraph, reflect that the Attorney for the Developer of the Sunset Point Condominiums was Penn Dameron instead of Ken Dameron; and that the last sentence of the paragraph should state that he (the Attorney) needs further opportunity to prepare for the presentation to be made to Council, rather than the Developer.

Councilman Boland moved to approve the minutes of the June 4, 1985, meeting as amended. This motion was seconded by Councilman Bissette and carried unanimously.

BUNCOMBE ALTERNATIVES - RECOGNITION OF ANTHONY WILLIS

Councilman Frank introduced Mary Murray, Executive Director of Buncombe Alternatives who recognized Anthony Willis from England who is participating in the U.S. Kingdom Exchange Project in conjunction with Buncombe Alternatives.

PROCLAMATION - RAPE PREVENTION MONTH - JUNE, 1985

2. Vice-Mayor Bratton read the proclamation proclaiming the month of June, 1985, as "Rape Prevention Month."

Vice-Mayor Bratton presented the proclamation to Cassandra Provone with the Rape Crisis Center for Asheville.

Councilman Price said it was her privilege to sit on the Board for the Rape Crisis Center in Asheville, N.C. She said this Center provides educational and emotional support for rape victims. She said she hoped this proclamation will increase the emphasis on the problem and turn our statistics around. She said she was very pleased with the Asheville Center for our community.

On Monday, June 3, 1985, the four (4) incumbent Board Members (Thomas Posey, Walter Ruby, Raymond Stepp and Wade Thomas) met and selected, by unanimous vote, Mrs. Sheila Fellerath to be the fifth member of the Board. Mrs. Fellerath, Mr. Ruby and Mr. Stepp, who will each serve a two-year term, were members of the Civil Service Board prior to the election.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop spoke to members of Council relative to lottery sales in the City of Asheville.

ADJOURNMENT

Mayor McDevitt said Council would go into a work session and executive session to discuss legal, personnel and real estate matters after the Council meeting.

Upon motion of Councilman Frank, seconded by Councilman Price, the meeting adjourned at 5:10 p.m.

Lou McDevitt
MAYOR

William J. Nalencz
CITY CLERK

Vice-Mayor Bratton said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1510 passed on third and final reading.

Complete text of Ordinance No. 1510 will be found in Ordinance Book No. 10 at page 259-260.

ORDINANCE NO. 1520 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED AT NORTHWEST CORNER OF CHARLOTTE AND CHESTNUT STREETS (NEAL HANKS)

5. Consideration was given to the second reading of Ordinance No. 1520, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning for the City of Asheville" as amended - property located at northwest corner of Charlotte and Chestnut streets (Neal Hanks).

Vice-Mayor Bratton said the Asheville Planning and Zoning Commission at a meeting held on April 17, 1985, considered the petition of Mr. W. Neal Hanks, Agent, that Ward 2, Sheet 26, portion of Lot 124, be rezoned from R-4 Residential District to CG Commercial General District. The property is located at the northwest corner of Charlotte and Chestnut streets. This ordinance was read on first reading on May 28, and on second reading June 4, 1985.

Vice Mayor Bratton said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1520 passed on third and final reading.

Complete text of Ordinance No. 1510 will be found in Ordinance Book No. 10 at page 277-278.

BIDS - CORRUGATED STEEL PIPE FOR PUBLIC WORKS

6. Consideration was given to bids received for corrugated steel pipe for Public Works Department, Street Division.

Vice-Mayor Bratton said sealed bids were received to furnish the Street Division with 48", 15", 18" and 12" corrugated steel pipe and 48" band couplers. Four (4) bids were received. The Public Works Director has reviewed the bids and recommends awarding a contract to the low bidder, Armco, Inc., Asheville, N.C. in the amount of $12,925.70. Funds for this purchase are available in the Public Works, Street Division appropriation (Account Code 10-427-038).

ORDINANCE NO. 1521 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON NORTH BEAR CREEK ROAD (MR. T. F. DULA PETITION)

3. Consideration was given to the second reading of Ordinance No. 1521, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning for the City of Asheville" as amended - property located on North Bear Creek Road (Mr. T. F. Dula petition.)

Vice-Mayor Bratton said the Asheville Planning and Zoning Commission at a meeting held May 1, 1985, considered the petition of Mr. T. F. Dula that Ward 6, Sheet 20, Lot 69-1/4 be rezoned from LI Light Industrial District to R-3 Residential District. The property is located on North Bear Creek Road. After discussion, the Commission recommended that the property be rezoned as petitioned. This ordinance was read on first reading on June 4, 1985.

Vice-Mayor Bratton said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1521 passed on second reading.

Councilman Price moved to suspend the rules and proceed to the third reading of Ordinance No. 1521. This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1521 passed on third and final reading.

Complete text of Ordinance No. 1521 will be found in Ordinance Book No. 10 at page 278-279.

ORDINANCE NO. 1510 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON GASHES CREEK AND I-40 (GEORGE BEVERLY PETITION)

4. Consideration was given to the third reading of Ordinance No. 1510, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning for the City of Asheville" as amended - property located on Gashes Creek and I-40 (George Beverly petition.)

Vice-Mayor Bratton said the Asheville Planning and Zoning Commission at a meeting held March 13, 1985, considered the request of Mr. George Beverly, Agent, that Ward 13, Sheet 33, Lot 68, and Ward 13, Sheet 34, Lot 11, be rezoned from R-2 Residential District to OI Office Institutional District. The property is known as Hemphill Knoll at Gashes Creek and I-40. After review and discussion, the Commission voted to recommend to City Council that a portion of Lot 68, Sheet 3, Ward 13, and a portion of Lot 11, Sheet 34, Ward 13, be rezoned from R-2 Residential District to OI Office Institutional District. This would leave a 100 foot strip of R-2 buffer on the southern border abutting the Blue Ridge parkway and Lot 78, Sheet 33, Ward 13, and on the northwestern margin abutting Lots 37-1/4 and 8-1/4, Sheet 33, Ward 13. At the April 23, 1985, meeting, the first reading of this ordinance was postponed until May 28, 1985. This ordinance was read on first reading on May 28, and on second reading June 4, 1985.

Funds are available within the Riverside Cemetery budget for this service. The fee is $100.00 per grave. Also, the City has the right to request on an "as needed basis" inurnments, at a rate of $25.00 each.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-84 was unanimously adopted.

Complete text of Resolution No. 85-84 will be found in Resolution Book No. 15 at page 220.

RESOLUTION NO. 85-85 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH CLEAR DAY, INC. FOR PROFESSIONAL WINDOW CLEANING SERVICE FOR THE CITY HALL BUILDING

9. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Clear Day, Inc. for professional window cleaning service for the City Hall Building.

Vice-Mayor Bratton said the City of Asheville has determined that it would be beneficial to contract window cleaning service. Twenty-six (26) bid requests were sent to prospective vendors with only two (2) companies returning bids. It is recommended to award the contract to Clear Day, Inc. as they were the lowest responsible bidder.

Funds are available within the operating budget for the custodial project for a one time cleaning interior and exterior of windows - $1,400.00.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bissette, seconded by Councilman Price, Resolution No. 85-85 was unanimously adopted.

Complete text of Resolution No. 85-85 will be found in Resolution Book No. 15 at page 221.

RESOLUTION NO. 85-86 - RESOLUTION AUTHORIZING THE PURCHASING DIRECTOR TO DISPOSE OF CERTAIN PERSONAL PROPERTY VALUED AT LESS THAN $5,000 BY PRIVATE NEGOTIATION AND SALE (TURN OUT GEAR FOR THE FIRE DEPARTMENT)

10. Consideration was given to a resolution authorizing the Purchasing Director to dispose of certain personal property valued at less than $5,000 by private negotiation and sale (turn out gear from the Asheville Fire Department).

Vice-Mayor Bratton said N.C. Gen. Stat. Sec. 160A-226 provides that a municipality may dispose of personal property valued at less than $5,000 for any one item or group of similar items by private negotiation and sale. The Asheville Fire Department has accumulated assorted firefighter "turn out gear" consisting of 119 helmets, 123 coats, 142 pants and 20 face shields and has declared such property to be nonuseable surplus personal property. The entire group of items are valued at less than $5,000. This sale will generate approximately $5,000 in revenues.

Larry Ward with the Public Works Department said there were four (4) bids received which were as follows:

BIDDER	BID
Armco, Inc.	$12,925.70
Silverman Company	$13,451.25
Municipal and Utilities	$13,674.24
Republic Drainage	$14,863.15

Councilman Price moved to award the contract to the low bidder, Armco, Inc. in the amount of $12,925.70. This motion was seconded by Councilman Bissette and carried unanimously.

BIDS - SALT AND SAND SPREADERS - PUBLIC WORKS DEPARTMENT, STREET DIVISION

7. Consideration was given to bids for four (4) each salt and sand spreaders for the Public Works Department, Street Division.

Vice-Mayor Bratton said sealed bids were received to furnish four (4) each salt and sand spreaders for the Public Works Department, Streets Division. Five (5) bids were received. Clark Brown, Public Works Director has reviewed the bids and recommends a contract be awarded to Gimco International, Inc., Monroe, N.C. in the amount of $24,909.52. Funds for this purchase are available in the Public Works, Street Division appropriation (Account Code 50-427-074).

Larry Ward, with the Public Works Department, presented the bids as follows:

BIDDER	BID
N. C. Equipment, Asheville, N.C.	$25,980.00
N. C. Equipment, Asheville, N.C.	$27,976.00
Gimco International, Monroe, N.C.	$24,909.52
Arden Equipment, Arden, N.C.	$29,995.00
Public Works Equipment, Monroe, N.C.	$28,552.00

Councilman Frank moved to award the bid to Gimco International, Inc. in the amount of $24,909.52. This motion was seconded by Councilman Bissette and carried unanimously.

RESOLUTION NO. 85-84 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO A SERVICE AGREEMENT FOR OPENING AND CLOSING GRAVES AT RIVERSIDE CEMETERY

8. Consideration was given to a resolution authorizing the City Manager to enter into a service agreement for opening and closing of graves at Riverside Cemetery.

Vice-Mayor Bratton said the City of Asheville Parks, Recreation and Public Facilities Department desires to enter into a service agreement to provide for the opening and closing of graves at Riverside Cemetery. American Vault Company has provided these services in a satisfactory manner since September, 1982, and will continue to do so for FY 1985/86 for the same fees.

Complete text of Resolution No. 85-88 will be found in Resolution Book. No. 15 at page 224.

RESOLUTION NO. 85-89 - RESOLUTION AUTHORIZING THE CLOSING OF ALCLARE COURT FOR NEIGHBORHOOD BLOCK PARTY

13. Consideration was given to a resolution authorizing the closing of Alclare Court for a neighborhood block party.

Mayor McDevitt said the residents of Alclare Court are planning a Neighborhood Block Party on Saturday, June 29, 1985. The residents have requested that Alclare Court be closed from 3:00 P.M. until 12:00 midnight. This closing will not create any hardship or inconvenience for residents of the area.

Mayor McDevitt said members of Council are furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bissette, seconded by Councilman Price, Resolution 85-89 was unanimously adopted.

Complete text of Resolution 85-89 will be found in Resolution Book No. 15 at page 225.

CLAIMS - RUTH BRIDGES (WATER) - CONTRACT CARPETS (WATER) - LUNETA DAVIS (WATER) - JOHN FRYE (STREETS) - GAIL HIPSHIRE (SEWER) - CHERYL HAHN (PARKS AND RECREATION) - SHERLYN ALLEN (PARKS AND RECREATION)

The City Manager presented claims received from Ruth Bridges, Contract Carpets, Luneta Davis, John Frye, Gail Hipshire, Cheryl Hahn, and Sherlyn Allen.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - DAVID AND RACHEL MILLER VS. CITY OF ASHEVILLE (DAMAGE TO PROPERTY) - JUDY ANN HENSLEY VS. CITY OF ASHEVILLE (BODILY INJURY)

The City Manager said the City was served with summonses in connection with lawsuits involving David and Rachel Miller vs. City of Asheville relative to damage to property due to alleged negligence in maintenance of storm drainage system and Judy Ann Hensley vs. City of Asheville relative to bodily injury - alleged negligence in maintenance of water meter lid.

Mayor McDevitt referred the summonses to the Corporation Counsel for investigation and recommendation.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Bissette, Resolution No. 85-86 was unanimously adopted.

Complete text of Resolution No. 85-86 will be found in Resolution Book No. 15 at page 222.

Mayor McDevitt arrived at the meeting at 4:35 p.m.

RESOLUTION NO. 85-87 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT WITH SKYLAND VOLUNTEER FIRE DEPARTMENT, INC. FOR FIRE PROTECTION SERVICES IN THE AIRPORT ANNEXATION AREA

11. Consideration was given to a resolution authorizing the Mayor to sign an agreement with the Skyland Volunteer Fire Department, Inc. for fire protection services in the Airport annexation area.

Mayor McDevitt said the area surrounding the Asheville Airport was annexed to the City April 2, 1979. The City is thereby required to provide fire protection for this area. The Skyland Volunteer Fire Department, Inc., has agreed to provide primary fire protection services under contract with the City for the Airport annexation area. He said the contract is authorized by N.C. General Statute Section 69-25.14. Skyland will provide contracted protection for a fee of $4,800.00 for 1985-86. These funds have been requested in the FY 1985-86 budget.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 85-87 was unanimously adopted.

Complete text of Resolution No. 85-87 will be found in Resolution Book No. 15 at page 223.

RESOLUTION NO. 85-88 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT FOR LOSS PREVENTION SERVICES WITH POINSETT SELF-INSURANCE SALES AND SERVICE

12. Consideration was given to a resolution authorizing the City Manager to enter into an agreement for loss prevention services with Poinsett Self-Insurance Sales and Service.

Mayor McDevitt said this will renew our existing agreement for loss prevention services with Poinsett Self-Insurance for our Worker's Compensation program. Cost of the agreement is $6,500.00 and is budgeted for FY 1984/85.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 85-88 was unanimously adopted.

June 11, 1985

The Honorable Larry S. McDevitt
Mayor, City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Dear Mayor McDevitt:

The Housing Authority of the City of Asheville has adopted a Resolution authorizing the sale of certain real estate located in the South Pack Plaza Redevelopment Project to Pack Plaza Associates Limited Partnership, subject to final approval of the sale and conveyance by the City Council of the City of Asheville. A copy of the Resolution adopted by the Commissioners of the Housing Authority which describes the real estate proposed to be sold, the terms and conditions of the sale, and the proceedings held prior to adoption of the Resolution is enclosed.

The Housing Authority respectfully requests that the City Council of the City of Asheville consider this matter and take such action as it finds appropriate.

HOUSING AUTHORITY OF THE CITY OF ASHEVILLE

BY: _____
Chairman

Enclosure

RESOLUTION AUTHORIZING SALE OF LAND TO PACK PLAZA ASSOCIATES LIMITED PARTNERSHIP

WHEREAS, the Housing Authority of the City of Asheville, acting in its capacity as a redevelopment commission, has prepared, approved, and adopted a Redevelopment Plan (hereinafter called the Redevelopment Plan) for the Pack Plaza Redevelopment area (hereinafter called the Redevelopment Project), on July 2, 1984; and

WHEREAS, the City Council of the City of Asheville has approved and adopted the Redevelopment Plan for the Project on July 24, 1984; and

WHEREAS, a copy of the Redevelopment Plan and proceedings pertaining thereto is recorded in the Office of the Register of Deeds of Buncombe County, North Carolina, in Deed Book 1383 at Page 391; and

WHEREAS, the Housing Authority of the City of Asheville has proceeded with and is proceeding with the implementation of the Redevelopment Plan and has acquired portions of Disposal Parcels 1 and 2 and all of Disposal Parcel 3 as shown on the property disposal map which is a part of the Redevelopment Plan, and a copy of which map is attached to and incorporated in this Resolution as Exhibit A; and

PROCLAMATION - JUNE 14, 1985 - "FLAG DAY"

Mayor McDevitt proclaimed June 14, 1985, as "Flag Day" in the City of Asheville.

PROCLAMATION - "BUZZ PETERSON DAY" - June 11, 1985

Mayor McDevitt proclaimed Tuesday, June 11, 1985, as "Buzz Peterson Day."

COUNCIL RECESS

Vice-Mayor Bratton moved that the meeting be recessed until 5:00 p.m. to discuss the 1985-86 budget. This motion was seconded by Councilman Frank and carried unanimously.

RESOLUTION NO. 85-90 - RESOLUTION APPROVING THE SALE AND CONVEYANCE OF CERTAIN PROPERTIES LOCATED IN THE PACK PLAZA REDEVELOPMENT AREA BY THE ASHEVILLE HOUSING AUTHORITY TO PACK PLAZA ASSOCIATES LIMITED PARTNERSHIP

14. Consideration was given to a resolution authorizing the sale and conveyance of certain properties located in the Pack Plaza Redevelopment area from the Asheville Housing Authority to Pack Plaza Associates Limited partnership.

Mayor McDevitt said the Asheville Housing Authority has acquired certain properties pursuant to the implementation of the redevelopment plan for the Pack Plaza Redevelopment area. The Asheville Housing Authority has held a public hearing and made certain findings in order to convey certain parcels in the Pack Plaza Redevelopment area to a prospective developer. This resolution will authorize the sale and conveyance of those properties of the Pack Plaza Redevelopment area under the terms and conditions set forth in the resolution of the Asheville Housing Authority. The funds extended for this conveyance is pursuant to the City/County loan in the Master Agreement and funds have already been budgeted.

Larry Holt, Executive Director of the Asheville Housing Authority, read the following letter and resolution from the Housing Authority of the City of Asheville.

3. The Housing Authority of the City of Asheville finds that the proposed use or development of the real property described in Exhibit B by Pack Plaza Associates Limited Partnership will assure that said property will not remain unused for an unduly long period and will result in a return to the City of Asheville and County of Buncombe ad valorem tax rolls at a substantially greated assessed valuation and at an earlier date than uses or redevelopment obtained by other methods of disposition.

4. The Housing Authority of the City of Asheville finds that the fair, actual value of the real property described in Exhibit B is One Million One Hundred Fifty-Two Thousand Two Hundred Dollars ($1,152,200.00)

5. That the real property described in Exhibit B shall be sold at private sale to Pack Plaza Associates Limited Partnership at a purchase price of One Million Two Hundred Seven Thousand Five Hundred Twenty-Two Dollars and Eighty-Five Cents ($1,207,522.85), which purchase price the Housing Authority of the City of Asheville finds to be not less than the fair, actual value of said real estate.

6. That the Chairman and Secretary be, and they are hereby, authorized to execute, attest, seal, acknowledge, and deliver any and all documents and writings necessary to effectuate the sale of said real estate to Pack Plaza Associates Limited Partnership, including, but not liited to, a contract for the sale and purchase of said real estate and a deed for said real estate, in such form as may be approved by the Chairman, Secretary, and attorney of the Housing Authority of the City of Asheville.

7. That this resolution is subject to final approval of the sale and/or conveyance of such real estate by the City Council of the City of Asheville.

8. That this Resolution shall be effective upon adoption.

I move the adoption of the foregoing Resolution:

Hunter B. Watson
Commissioner

Seconded by: Phillip F. Crouch
Commissioner

Read, approved, and adopted this 11th day of June, 1985.

Margaret M. Shook
Vice-Chairman

ATTEST:

David Jones, Jr.
Secretary

WHEREAS, the real property which constitutes portions of Disposal Parcels 1 and 2 and all of Disposal Parcel 3 and which is the subject of this Resolution is described on Exhibit B attached to and incorporated in this Resolution; and

WHEREAS, the Housing Authority of the City of Asheville is authorized by Chapter 317 of the 1979 Session Laws enacted by the General Assembly of North Carolina to sell property within redevelopment areas at private sale, and the Housing Authority of the City of Asheville is proceeding with the sale of the real property described in Exhibit B of this Resolution pursuant to Sections 2 and 4 of said Chapter 317; and

WHEREAS, the real property described in Exhibit B of this Resolution has been appraised by William T. Duckworth, Jr., MAI, SREA, who is a qualified real estate appraiser, and the fair, actual value of said real property has been appraised by Mr. Duckworth at One Million One Hundred Fifty-Two Thousand Two Hundred Dollars ($1,152,200.00); and

WHEREAS, the contemplated use of said real property is set forth in the Redevelopment Plan; and

WHEREAS, Pack Plaza Associates Limited Partnership, a Maryland limited partnership, wishes to purchase said real property at private sale; and

WHEREAS, the Housing Authority of the City of Asheville has, on May 24, 1985, authorized the holding of a public hearing on June 11, 1985, regarding the private sale of said real estate to Pack Plaza Associates limited partnership and has caused notice of such public hearing to be published in The Asheville Citizen-Times, a newspaper published in the City of Asheville and Buncombe County, for two successive calendar weeks, with the first such publication having been made on May 27, 1985, and the second such publication having been made on June 3, 1985; and

WHEREAS, the Housing Authority of the City of Asheville has, at its June 11, 1985, meeting conducted a public hearing regarding the proposed sale of said real estate to Pack Plaza Associates Limited Partnership and has received and considered the information submitted at said public hearing.

NOW, THEREFORE BE IT RESOLVED by the Housing Authority of the City of Asheville as follows:

I. That the Housing Authority of the City of Asheville finds that Pack Plaza Associates Limited Partnership is the only known available, qualified and willing developer for the contemplated use of the real property described in Exhibit B of this Resolution provided for in the Redevelopment Plan.

2. The Housing Authority of the City of Asheville finds that the use or development of the real property described in Exhibit B proposed by Pack Plaza Associates Limited Partnership is reasonably necessary in order to assure development which will have the desired beneficial effect upon neighborhood property, the redevelopment project, and the community as a whole.

1985, may still do so provided they file a written request on or before June 28, 1985. A form will be provided for this purpose. The option is effective for the fiscal year ending 1986 only. If selected, longevity shall be paid according to current policy and therefore would not be added to base pay in calculating performance increases during fiscal year ending 1986. The request, once made, is irrevokable." He said the Asheville Municipal Credit Union would be offering a variety of savings programs during 1986 for automatic payroll deductions for those employees who wish to receive a separate check during the Christmas season.

Mr. Wurst also explained the proposed new group health insurance program which would contain several cost containment features such as outpatient surgery and pre-admission certification.

At the request of several Council members, Mr. Wurst said he would present a form to the employees to select one of two options relative to their longevity pay.

Upon inquiry of Councilman Price, Mr. Wurst explained the group health insurance that would be available to the pre-65 retirees.

Mayor McDevitt asked if there were any comments from non-employee members of the public. There being no comments from non-employee members, Mayor McDevitt opened the floor for employee comments on the 1985/86 budget.

David Anders, President of the Asheville Firefighters Association, objected to the new pay plan method of receiving salary increases stating that this would result in favoritism, poor morale, and an increase in employee grievances. He said he did not think this would be advantageous to the employees. He said in particular, he did not think that the merit raise system was going to be satisfactory. He said this was the main concern of the Firemen. He said the Firemen feel the performance pay plan is totally unacceptable and that the City of Asheville would see more dissent and grievances that at any time in the City's history. He said it was unfair for supervisors or department heads to determine what increases his subordinates should receive because there may be personality conflicts between some supervisors and workers and close relationships or friendships between others that affect the supervisor's judgement on raises. He said as to the proposed group healh insurance plan, he did not see any reason why the City could not afford better health care benefits.

James Woody, Company Commander, with the Asheville Fire Department, presented members of Council with a memo showing pay discrepancies within the Asheville Fire Department.

Brenda DeBruhl with the Water Department, said she was concerned that an older employee could sometimes make less than a younger employee with this particular pay plan.

Mr. Horace Tower with the Asheville Police Department asked if the present proposed budget had a cost of living increase for the City employees. Mr. Wurst replied to Mr. Tower that it did not.

Mr. Holt described the property to be conveyed as the ABC Store on South Market Street, the Cochran property on Eagle Street, Barber Shop and Reliable Loan Company on Biltmore Avenue, the Bunn property on Biltmore Avenue, the Jones property on Biltmore Avenue, the Fotos property on Pack Square, the Plaza Theater, the Bassett property on the Square, the Brown property on the Square, and the Adler property on the Square. He said the price to be received from the conveyance of the property is $1,207,522.85. He said this is not less than the fair market value of $1,152,200 which was appraised by the W. T. Duckworth Company.

Mike Panyard, with the Pack Plaza Associates Limited Partnership said he was looking forward to the project with anticipation.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Frank, Resolution No. 85-90 was unanimously adopted.

Complete text of Resolution No. 85-90 will be found in Resolution Book No. 15 at page 226.

At the request of the Acting Corporation Council, Councilman Frank moved to amend Resolution No. 85-90 to include in the second "WHEREAS" that this would be pursuant to Sections 2 and 4 of the 1979 Session Laws. This motion was seconded by Councilman Bissette and carried unanimously.

PUBLIC HEARING - 1985-86 - ANNUAL OPERATING BUDGET

ORDINANCE NO. 1523 - AN ORDINANCE ADOPTING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1985/86

15. A public hearing was held relative to the 1985-86 Annual Operating Budget.

Mayor McDevitt opened the public hearing at 5:16 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Bob Wurst, Director of Audit and Budget, outlined the proposed 1985-86 budget stating that the budget is presented with a 59¢ tax rate per $100 assessed valuation.

Mr. Wurst explained the new pay/performance plan which would be adopted as a part of the 1985/86 budget. He said the City staff would be implementing and planning for a full performance graded system. He said the performance system would be based on unsatisfactory to outstanding with some employees receiving more than 5% and some receiving less than 5%. He said City Council would set annually the amount an employee would receive at the mid-point salary range. He said this proposed budget maintains longevity for City employees in a different form. He said longevity pay would be added to an employee's base salary. He said due to concerns of the employees this year, an administrative recommendation would be that "any employee who is currently eligible to receive a lump-sum payment for longevity in December,

Tuesday - June 18, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

CITY RESOLUTION NO. 85-91 - COUNTY RESOLUTION NO. 18173 - JOINT RESOLUTION OF THE CITY OF ASHEVILLE AND THE COUNTY OF BUNCOMBE EXPRESSING SUPPORT AND CONCERN FOR DR. RICHARD Y. MOON AND THE OTHER HOSTAGES CURRENTLY BEING HELD

Consideration was given to a joint resolution of the City of Asheville and the County of Buncombe expressing support and concern for Dr. Richard Y. Moon and the other hostages currently being held.

Doris Giezentanner, Vice-Chairman for the Buncombe County Board of Commissioners, read the resolution.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Boland, Resolution 85-91 was unanimously adopted.

Complete text of Resolution No. 85-91 will be found in Resolution Book No. 15 at page 227 and 228.

Commissioner Ledbetter moved that a copy of the Resolution be sent to the President. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

Mayor McDevitt dispensed with the normal invocation of the City Council meeting and called for a moment of silence in honor of the hostages.

APPROVAL OF THE MINUTES - JUNE 11, 1985 MEETING

1. Approval of the minutes of the June 11, 1985 meeting.

Mayor McDevitt announced the approval of the minutes as submitted.

PROCLAMATION - "DEPARTMENT OF PARKS, RECREATION, AND PUBLIC FACILITIES VOLUNTEER RECOGNITION DAY IN THE CITY OF ASHEVILLE" - JUNE 18, 1985

2. Mayor McDevitt read a proclamation proclaiming June 18, 1985 as "Department of Parks, Recreation, and Public Facilities Volunteer Recognition Day in the City of Asheville".

Mayor McDevitt presented a copy of the resolution to Ray Kisiah, Director of Parks, Recreation and Public Facilities, and recognized Hazel Robinson, Director of the Montford Recreation Center who was named the "Outstanding Volunteer of the Year".

Mayor McDevitt closed the public hearing at 6:33 p.m.

Upon inquiry of Mayor McDevitt, the City Manager and Sam Graves, Director of Management Services, said the City staff is looking into isolated cases of pay discrepancies.

A discussion was held relative to pay discrepancies.

Vice-Mayor Bratton said she did not think information was getting to the employees from the Department Heads. She asked if a measurement tool was in place to objectively make job performance evaluations.

In response to Vice-Mayor Bratton, Mr. Graves said there would be a year-long training process for supervisors to fairly analyze performance of an employee. He said criteria would be developed for supervisors to use.

Councilman Price said after the criteria is established, she felt this should be reviewed by Council before being implemented.

Councilman Frank said she hoped if there are employees out of step with the pay plan, the corrections would be made fairly.

Upon inquiry of Councilman Bissette, Mr. Graves said pay increases would be given on an employees anniversary date.

Councilman Frank moved for the adoption of Ordinance No. 1523. This motion was seconded by Councilman Bissette.

On a roll call vote of 6-0, Ordinance No. 1523 passed on first reading.

ADJOURNMENT

Upon motion of Vice-Mayor Bratton, seconded by Councilman Frank, the meeting adjourned at 7:15 p.m.

Jay McDevitt
MAYOR

William D. Malcott
CITY CLERK

Mayor McDevitt left the meeting with Vice-Mayor Bratton presiding.

In response to a question of Mr. Ralph Bishop, Clark Brown, Director of Public Works, said the problem with Murdock Avenue is the installation of a sewer line and it would be corrected. He also said that Aston Street is on the priority list for improvements.

Vice-Mayor Bratton said this Ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1523 passed on second reading.

ORDINANCE NO. 1524 - BUDGET ORDINANCE AMENDMENT - CIVIC CENTER PROMOTIONS BUDGET

5. Consideration was given to a budget ordinance amendment to adjust the Civic Center's promotions budget for increased promotions activities in FY 1984/85.

Vice-Mayor Bratton said this amendment would increase the budget to provide for increased promotions activity for FY 1984-85. The additional events sponsored this year have generated net revenues of $38,102 to the departmental budget. Events sponsored by the Civic Center using allocated promotions funds exceeded budget amounts. However, revenues exceeded projection by $55,321 and will offset these unbudgeted expenditures.

Vice-Mayor Bratton said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1524. This motion was seconded by Councilman Bissette.

On a roll call vote of 7-0, Ordinance No. 1524 passed on first and final reading.

Complete text of Ordinance No. 1524 will be found in Ordinance Book No. 10 at Page 285.

ORDINANCE NO. 1525 -BUDGET ORDINANCE AMENDMENT - FUNDING FOR COMPREHENSIVE PLAN

6. Consideration was given to a budget ordinance amendment to provide funding for public participation in development of comprehensive plan.

Vice-Mayor Bratton said this amendment would provide funding for public participation in development of a Comprehensive Plan. This amendment will appropriate $7,000 from the contingency fund into the Planning Department Comprehensive Plan.

Vice-Mayor Bratton said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1525. This motion was seconded by Councilman Myers.

RESOLUTION NO. 85-92 - RESOLUTION OF APPRECIATION AND COMMENDATION TO LOGAN DELANY

3. Consideration was given to a Resolution of Appreciation and Commendation to Logan Delany.

Mayor McDevitt said Logan Delany has served the citizens of Asheville as a dedicated City employee and involved community leader for many years. He has earned the admiration and friendship of his co-workers, colleagues, and the citizens of Asheville, whom he has faithfully served for so long. His leadership and involvement with the Asheville community has impacted positively on the quality of life for Asheville and its citizens. On June 30, 1985, Logan Delany will retire from full-time employment with the City of Asheville.

Mayor McDevitt read the Resolution.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Boland, Resolution No. 85-92 was unanimously adopted.

Complete text of Resolution No. 85-92 will be found in Resolution Book 15 at Page 229.

ORDINANCE NO. 1523 - AN ORDINANCE ADOPTING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1985/86.

4. Consideration was given to the second reading of Ordinance No. 1523, an ordinance adopting the operating budget and fixing the tax rate of the City of Asheville for the Fiscal Year 1985/86.

Mayor McDevitt said this budget ordinance fixes the tax rate for the City of Asheville for fiscal year 1985/86 at $.59 per $100 Assessed Valuation.

Bob Wurst, Director of Audit and Budget, gave a status report on the proposed budget for Fiscal Year 1985/86. He said several changes had been made to the proposed budget which would have no direct budget impact. He said employees would be given the option of receiving a separate longevity check for 1986 only, rather than their longevity being added to their base pay on July 1, 1985. He said stand by pay, employees making more than supervisors, and time and grade discrepancies are being addressed by staff. He said in implementing a full performance grading system, employee participation will be sought. He said in response to concerns expressed by some employees, it is being recommended that the Group Health Insurance Program be amended to allow for out-of-pocket expenses during a year for an individual at $600 and $1,800 per family. He said this amendment to the Group Health Insurance Plan would be monitered throughout the year. He said the proposed budget also includes life insurance benefits to be one times the annual salary rather than having a maximum of $20,000. He said one additional holiday will also be added for City employees.

After discussion, Councilman Price moved to amend Ordinance No. 1523 to include a right-of-way clearing activity in the Parks, Recreation and Public Facilities budget in the amount of $64,738. This motion was seconded by Councilman Myers and carried unanimously.

RESOLUTION NO. 85-94 - RESOLUTION ACCEPTING GRANT OF STREETS IN THE STOCKWOOD SUBDIVISION FROM THE STOCKWOOD ASSOCIATION, INC

9. Consideration was given to a resolution accepting grant of streets in the Stockwood Subdivision from the Stockwood Association, Inc.

Vice-Mayor Bratton said the Stockwood Association, Inc. has petitioned the City of Asheville to accept by grant certain streets in the Stockwood Subdivision with said streets being more particularly described in the Deed conveying said streets from Stockwood Association, Inc. to the City of Asheville. Also Stockwood Association, Inc. has asked the City to accept maintenance of the sewer lines located in those streets. There would be an increase in revenues from Powell Bill if the streets are accepted prior to July 1, 1985. There would also be an increase in street maintenance expenditures which should be off-set by an increase in revenues.

Upon inquiry of Councilman Bissette, Clark Brown, Director of Public Works, said the streets in the Stockwood Subdivision are in average condition. He there would be minor repairs needed, and recommended approval of the resolution. He said the streets in the Stockwood Subdivision met State standards when there were built. However, they are not up to City standards now.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-94 was unanimously adopted.

Complete text of Resolution No. 85-94 will be found in Resolution Book No. 15 at page 232.

Mayor McDevitt presiding over the meeting at 4:50 p.m.

BIDS - ONE (1) TRAILER MOUNTED SEWER RODDER MACHINE FOR WATER MAINTENANCE, SEWER DEPARTMENT

10. Consideration was given to bids received for a trailer mounted sewer rodder machine.

Mayor McDevitt said sealed bids were received to furnish one (1) trailer mounted sewer rodder machine for Water Maintenance, Sewer Department. Four (4) bids were received and evaluated considering past performance, service record and reliability. References were provided upon request from the two low bidders, Sewer Equipment Company of America and Cities Supply Company, Inc. As a result of the reference checks, Cities Supply Company, Inc.'s past performance, service record and reliability far exceeded that of the low bidder. It is recommended to award to Cities Supply Company, Inc. as the lowest responsible bidder.

Bid summary is as follows:

BIDDER	BID
Cities Supply Company, Inc.	$12,700.00
Sewer Equipment Company of America	12,200.00
Jet - Vac Sanitary Services, Inc.	16,314.20
Public Works Equipment and Supply	14,980.20

On a roll call vote of 7-0, Ordinance No. 1525 passed on first and final reading.

Complete text of Ordinance No. 1525 will be found in Ordinance Book No. 10 at Page 286.

MOTION - APPROVAL OF THE WATER FUND BUDGET

7. Consideration was given to a motion relative to approval of the Water Fund Budget.

Mike Holcombe, with the Water and Sewer Department, said the Water Fund Budget was prepared in accordance with the North Carolina Local Government Budget and Fiscal Control Act and City budget policy. He said the budget had been approved by the Water Authority and by the County of Buncombe.

Councilman Frank moved to approve the Water Fund Budget. This motion was seconded by Councilman Myers and carried unanimously.

RESOLUTION NO. 85-93 - RESOLUTION ACCEPTING DEDICATION OF STREETS IN ASHEVILLE HOUSING AUTHORITY PROJECTS AND AUTHORIZING THE MAYOR TO EXECUTE THE DEDICATION AGREEMENT ON BEHALF OF THE CITY OF ASHEVILLE

8. Consideration was given to a resolution accepting dedication of streets in Asheville Housing Authority projects and authorizing the Mayor to execute the dedication agreement on behalf of the City of Asheville.

Vice-Mayor Bratton said the Asheville Housing Authority has formerly dedicated certain streets to the City of Asheville. The Asheville Housing Authority desires to dedicate streets serving certain other Public Housing Projects to the City of Asheville. The City and the Asheville Housing Authority have executed Cooperation Agreements in which the City has agreed to accept dedication of all interior streets, roads, alleys and adjacent sidewalks within the areas of such projects upon completion of construction by the Asheville Housing Authority to the satisfaction of the City of Asheville. The Housing Authority and the City have made arrangements for Housing and Urban Development funds and Community Development funds to be available to make needed repairs to certain streets. Acceptance of these streets will increase Powell Bill Street mileage thereby increasing Powell Bill revenues. There is $75,000 available through the Housing Authority and $25,000 in CDBG funds available to make immediate street repairs.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-93 was unanimously adopted.

Complete text of Resolution No. 85-93 will be found in Resolution Book No. 15 at page 230 and 231.

dedicated by the Perry Alexander family. It has been suggested that the street be named Alexander Drive to become effective July 1, 1985.

FISCAL IMPACT: None **Resolution Book 15, Page 235**

D. Consideration of a motion authorizing the Mayor to execute and file revised applications for Section 5 and Section 9 Urban Mass Transportation Grants for operating, planning, and capital assistance for the Asheville Transit Authority.

HIGHLIGHTS: On May 7, 1985 City Council adopted Resolutions No. 85-68 and 85-69 authorizing the filing of applications with the Department of Transportation, United States of America, for grant under the Urban Mass Transportation Act of 1984, as amended (Sections 5 and 9). The U. S. Department of Transportation has requested that revised applications be filed reappropriating funding for Section 5 and Section 9. This motion authorized the Mayor to execute the revised applications as requested by the U. S. Department of Transportation. The funding amounts for the grants will not be increased.

FISCAL IMPACT: Funding for Section 5 grant:

Local - $503,062
Federal - $503,062

Funding for Section 9 grant:

Local - $ 83,200
State - $ 83,200
Federal - $665,600

Resolution No. 85-98

E. Consideration of a resolution authorizing the City Manager or his designee to execute certain contracts for Bele Chere 1985.

HIGHLIGHTS: This will authorize the City Manager to execute contracts with a variety of entities such as performers, a talent agency and vendors. Bele Chere Festival has been a successful event for the past six years and will be held again July 26-28, 1985.

FISCAL IMPACT: None **Resolution Book No. 15, Page 236**

Upon motion of Councilman Bissette, seconded by Councilman Frank, the Consent Agenda was unanimously approved.

CLAIMS - JOHNNY E. JOHNSON (INSPECTIONS) - WANDA BURRELL (WATER) - FRANK GREEN (WATER) - RODERICK SANDERS (SANITATION)

The City Manager presented claims received from Johnny E. Johnson (Inspections) - Wanda Burrell (Water) - Frank Green (Water) and Roderick Sanders (Sanitation).

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

Councilman Boland moved to award the bid to Cities Supply Company, Inc. in the amount of $12,700.00. This motion was seconded by Councilman Price and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

11. Consideration was given to a motion approving the consent agenda.

Mayor McDevitt said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 85-95

A. Consideration of a resolution reappointing a member to the Recreation Board for Asheville.

HIGHLIGHTS: This resolution will reappoint Mr. Tommy Saunooke as a member of the Recreation Board.

FISCAL IMPACT: None **Resolution Book 15, Page 233**

Resolution No. 85-96

B. Consideration of a resolution supporting the Western North Carolina Soap Box Derby and authorizing the closing of certain streets in the City of Asheville for said event.

HIGHLIGHTS: The WNC Soap Box Derby Association, an affiliate of the West Asheville Rotary Club, is sponsoring a Soap Box Derby for participants in WNC on July 13, 1985. The City has received a request from the Rotary Club to close South French Broad Avenue from Bartlett Street south to the end of South French Broad Avenue, Ralph Street from Ora Street to South French Broad Avenue, Livingston Street from Depot Street to Hibernia Road and Choctaw Street from Adams Street to South French Broad Avenue on June 29 (Practice Run Date), July 13 (Race Date) and if necessary, July 20 (Rain Date) from 9:00 A.M. until 4:00 P.M. The street closings are conditioned upon allowing emergency vehicles to pass if the need arises.

FISCAL IMPACT: None **Resolution Book 15, Page 234**

Resolution No. 85-97

C. Consideration of a resolution to name a new street in the City of Asheville.

HIGHLIGHTS: A new street was constructed and completed in 1984 connecting Curve Street and Windswept Drive and it is now necessary to select a name for the street. The right-of-way for the new street was

Tuesday - June 25, 1985 - 4:00 p.m.

Regular Meeting

Present: Vice-Mayor Wilhelmina Bratton, Presiding; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Corporation Counsel William F. Slawter; Associate City Manager/City Clerk William P. Wolcott, Jr. and Deputy City Clerk Carol Hensley.

Absent: Mayor Larry McDevitt, Councilman Louis Bissette, Councilman Gordon Myers, and City Manager Neal Creighton.

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - JUNE 18, 1985 MEETING

1. Approval of the minutes of the June 18, 1985 meeting.

Vice-Mayor Bratton announced the approval of the minutes as submitted.

RESOLUTION NO. 85-99 - RESOLUTION ADOPTING REGULATIONS PRESCRIBING PROCEDURES FOR DISPOSING OF PERSONAL PROPERTY VALUED AT LESS THAN FIVE HUNDRED DOLLARS ($500.00) FOR ANY ONE ITEM OR GROUP OF ITEMS

2. Consideration was given to a resolution adopting regulations prescribing procedures for disposing of personal property valued at less than five hundred dollars ($500.00) for any one item or group of items.

Vice-Mayor Bratton said N. C. Gen. Stat. sec. 160A-266 (C) provides that a City Council may adopt regulations prescribing procedures for disposing of personal property valued at less than $500.00 for any one item or group of items. This resolution establishes such regulations.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-99 was unanimously adopted.

Completed text of Resolution No. 85-99 will be found in Resolution Book No. 15 at page 237.

RESOLUTION NO. 85-100 - RESOLUTION THAT THE MUNICIPAL RECORDS RETENTION AND DISPOSITION SCHEDULE ISSUED JUNE 1984, BY THE DEPARTMENT OF CULTURAL RESOURCES, DIVISION OF ARCHIVES AND HISTORY, BE APPROVED

3. Consideration was given to a resolution that the Muncipal Records Retention and Disposition Schedule issued June 1984, by the Department of Cultural Resources, Division of Archives and History, be approved.

BLUE RIDGE PARKWAY 50TH ANNIVERSITY

Councilman Price spoke relative to the Blue Ridge Parkway celebrating its 50th anniversity in 1985. She said brochures relative to the events taking place are available to the public, and encouraged the citizens to be involved in the celebration.

DANIE A. JOHNSON, ARCHITECT - RESPONSE TO QUESTIONS RELATIVE TO PROPOSED PARKING STRUCTURE ON RANKIN AVENUE

In response to concerns expressed by Danie A. Johnson, Architect, relative to the Request for Proposals for the Proposed Parking Garage on Rankin Avenue, Councilman Bissette requested that Tom Tarrant, City Engineer, explain the City's procedure on selecting consultants for Request for Proposals.

Mr. Tarrant, City Engineer, said both he and the City Manager had, in the past, encouraged architects and engineers to request being on the City's mailing list for Request for Proposals. He said each and every project is advertised in the newspaper on Sunday. He said in response to Mr. Johnson's concerns, the City Engineering Department is delaying the deadline on receiving Requests for Proposals on the Parking Garage for Rankin Avenue until July 5th instead of June 21st. He said he is also sending information relative to the Request for Proposals to all architects and engineers in the telephone book, and also advising them of the City's procedure in furnishing information for Request for Proposals.

Danie Johnson, Architect, said he appreciated the changes being made by the City Engineering Division relative to the proposed parking structure on Rankin Avenue. He said he had a host of concerns about the Request for Proposals. He requested that Council seek input from local architects and engineers about this particular project.

Mayor McDevitt noted that Council is sensitive to the number of issues that were raised in Danie Johnson's letter dated June 13, 1985. He said the fact that no local people were sent Request for Proposals does not reflect an adopted policy by the Asheville City Council. He said Council makes every effort to get involvement from local business people.

(A copy of Danie A. Johnson's letter is attached to the minutes.)

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Frank, seconded by Councilman Myers, the meeting adjourned at 5:20 p.m.

Lou McDevitt
MAYOR

William F. Moseley
CITY CLERK

The proposed building will provide financial services for employees for hospitals, medical facilities, and small industry. The area surrounding the building will be paved with approximately 26 parking spaces and appropriately landscaped.

Councilman Boland moved to accept the recommendation of the Housing Authority for the sale of disposal parcel 123 and disposal parcels 33 and 34. This motion was seconded by Councilman Price and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

5. Consideration was given to a motion approving the consent agenda.

Vice-Mayor Bratton said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 85-101

Resolution reappointing Harold Talbert as a member of the Board of Adjustment for a period of one year, term expiring January 21, 1986.

(Resolution Book No. 15 at page 240.)

Resolution No. 85-102

Resolution reappointing Jack Baber to the Board of Adjustment for a one year term, term expiring January 21, 1986.

(Resolution Book No. 15 at page 241.)

Resolution No. 85-103

Resolution reappointing Wade H. Thomas, Sr. to the Board of Adjustment for a two year term, term expiring January 21, 1987.

(Resolution Book No. 15 at page 242.)

Resolution No. 85-104

Resolution reappointing Richard Webster to the Board of Adjustment for a two year term, term expiring January 21, 1987.

(Resolution Book No. 15 at page 243.)

Vice-Mayor Bratton said N. C. General Statute 121-5 states that no person may destroy, sell, loan, or otherwise dispose of any public record without the consent of the Department of Cultural Resources. In an effort to promote municipal records management, the Department of Cultural Resources, Division of Archives and History, has designed and approved a Municipal Records Management Program which includes a schedule of records retention and disposition known as the Municipal Records Retention and Disposition Schedule. The Municipal Records Retention and Disposition Schedule issued June, 1984, provides that records listed in the Schedule, or those later added by amendment, may be destroyed through its blanket approval of the Retention Disposition Schedule.

Vice-Mayor Bratton said that members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution 85-100 was unanimously adopted.

Complete text of Resolution 85-100 will be found in Resolution Book No. 15 at page 238.

SALE OF DISPOSAL PARCEL 123 IN THE EAST RIVERSIDE URBAN RENEWAL PROJECT AND DISPOSAL PARCELS 33 AND 34 IN THE EAST END/VALLEY STREET COMMUNITY IMPROVEMENT PROGRAM

4. Consideration was given to a motion approving the sale of disposal parcel 123 in the East Riverside Urban Renewal Project and disposal parcels 33 and 34 in the East End/Valley Street Community Improvement Program.

Vice-Mayor Bratton said the Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East Riverside Urban Renewal Project and in the East End/Valley Street Community Improvement Program.

Parcel	Reuse	Price	Bid	Redeveloper
33 & 34	Residential	1,100.00	1,100.00	John & Louise Fields
123	Commercial	39,000.00	41,501.00	United Services Credit Union

Lots 33 and 34, located on Martin Luther King, Jr. and Carroll Avenue, are residential lot sales to an adjacent property owner to provide additional yard space. Appropriate landscaping will be done but no construction is planned.

Lot 123 is located on corner of South French Broad Avenue and Ralph Street. The redevelopers propose to construct a one story, masonry and wood frame structure, approximately 4,000 square feet in size. The inside structure will consist of a teller counter, lobby area, offices, storage area, break room, and conference room. A drive-up window will also be constructed.

Upon motion of Councilman Frank, seconded by Councilman Boland, the Consent Agenda was unanimously approved.

CLAIMS - ANNA W. HAMPTON (POLICE) - DEBRA FOWLER (WATER) - SEKO DEVELOPMENT COMPANY (WATER)

The Assistant City Manager presented claims received from Anna W. Hampton, Debra Fowler, and Seko Development Company.

Vice-Mayor Bratton referred the claims to the Corporation Counsel for investigation and recommendation.

RESOLUTION 85-111 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AMENDED OPTION AGREEMENT FOR THE SALE OF LAND TO THE STATE OF NORTH CAROLINA

Consideration was given to a resolution authorizing the Mayor to sign an amended option agreement for the sale of land to the State of North Carolina.

Corporation Counsel William Slawter said this resolution will authorize the execution of an amended option agreement with the State of North Carolina for the sale of 50 acres of land from a tract containing approximately 65.5 acres adjoining Western North Carolina Agricultural Center. Provided, however, that said option agreement shall continue to be contingent upon the City of Asheville being free from any restrictions that might be imposed by the Federal Aviation Administration or other authority upon the expenditure of the funds derived from the sale. Provided, further, that in the event that said contingency cannot be met, the City shall endeavor to negotiate a lease of said property to the State of North Carolina. Upon such terms and conditions as may be hereafter approved by the City Council. He said this option agreement would expire December 31, 1985.

COMMENTS RELATIVE TO ROCK FESTIVAL HELD ON JUNE 21, 1985 - RACE TRACK

Councilman Price said members of Council had discussed, during the Pre-Council work session, complaints that were received from West Asheville residents relative to the rock festival held at the race track on June 21, 1985. She said as a result of that discussion, the City staff would be looking into alternatives to address such events in the future through a permit system or through the noise ordinance.

ORDINANCE 1523 - AN ORDINANCE ADOPTING THE OPERATING BUDGET AND FIXING THE TAX RATE FOR THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1985/86 (AS AMENDED)

Consideration was given to the third reading of Ordinance 1523, an ordinance adopting the operating budget and fixing the tax rate for the City of Asheville for the fiscal year 1985/86 (as amended).

Vice-Mayor Bratton said this budget ordinance fixes the tax rate for the City of Asheville for fiscal year 1985/86 at $.59 per $100 Assessed Valuation. This ordinance passed on first reading on June 11, 1985 and on second reading on June 18, 1985.

Resolution No. 85-105

Resolution reappointing John Abbott to the Board of Adjustment for a two year term, term expiring Janaury 21, 1987.

(Resolution Book No. 15 at page 244.)

Resolution 85-106

Resolution reappointing John Acee to the Board of Adjustment for a three year term, term expiring January 21, 1988.

(Resolution Book No. 15 at page 245.)

B. **Resolution No. 85-107** Resolution appointing a member to the Asheville-Buncombe Historic Resources Commission.

HIGHLIGHTS: This resolution will appoint Barbara Maloy to the Asheville-Buncombe Historic Resources Commission for a three (3) year term.

FISCAL IMPACT: None

(Resolution Book No. 15 at page 246.)

C. **Resolution No. 85-108** Resolution appointing a member to the Community Arts Council.

HIGHLIGHTS: This resolution will appoint Councilman Norma Price to a one (1) year term to the Community Arts Council.

FISCAL IMPACT: None

(Resolution Book No. 15 at page 247.)

D. **Resolution 85-109** Resolution reappointing members to the Civic Center Commission.

HIGHLIGHTS: This resolution will reappoint Mike Green and Garrett AlDerfer to a three (3) year term.

FISCAL IMPACT: None

(Resolution Book No. 15 at page 248.)

E. **Resolution 85-110** Resolution reappointing member to the Policemen's Pension Board of Examiners.

HIGHLIGHTS: This resolution will reappoint James H. Parris, Jr. and Dr. John A. Henderson to a three (3) year term.

FISCAL IMPACT: None

(Resolution Book No. 15 at page 249.)

On a roll call vote of 4-0, Ordinance No. 1523 passed on third and final reading.

Complete text of Ordinance No. 1523 will be found in Ordinance Book No. 10 at Page 281-284.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Price, the meeting adjourned at 4:20 p.m.

Lay McDevitt
MAYOR

Miriam J. Nolen
CITY CLERK

Vice-Mayor Bratton said this ordinance was previously read on first and second reading and would not be re-read in its entirely unless there was specific request to do so.

Vice-Mayor Bratton said Mayor McDevitt had requested that Council postpone the third reading of the budget ordinance until 5:00 p.m. However, since no one was present to comment on the budget, members of Council desired to continue with the vote on the third reading of the budget ordinance at this time.

Members of Council thanked Mr. Wurst, Audit and Budget Director, for preparing the budget brief to be presented to the citizens of Asheville.

Vice-Mayor Bratton read the following statement from Councilman Louis Bissette:

> "I informed the Council last week that, due to a law suit which I am currently involved in in Norfolk, Virginia, I would be unable to attend the Council's regularly scheduled meeting to be held on June 25, 1985.
>
> Although the Council's agenda for June 25, 1985 is relatively light, it does include the third and final reading of the 1985/86 Budget Ordinance. As you are aware, we have all been integrally involved in the formulation of the final budget ordinance. However, when the budget ordinance was presented for the first and second readings, I still had several questions relative, primarily, to the new pay plan and certain changes to the fringe benefit package for our City employees. Since that time, the City Manager and his staff have satisfactorily answered my questions and made adequate modifications to respond to my specific concerns. I, therefore, wanted you to know, and for the record to reflect, that I support the final budget ordinance as previously amended and passed by Council on second reading."

Note: Mayor McDevitt requested that the following statement be included in the minutes:

"Following adjournment, and at 5:00 p.m., the Mayor arrived in the Council Chambers in order to be present and vote on the budget. He was in Buncombe County Superior Court, in the midst of a trial, and was unable to be present, either for the Pre-Council meeting or the beginning of the regular meeting. He had understood that Council would consider deferring action on the budget until at least 5:00 p.m., and he had called the City Hall Offices with a message that he would be present at the meeting at 5:00 p.m. Even though the meeting had adjourned, the Mayor stated that he had spent a great deal of time on the budget, and assisted in the development of the budget for 1985/86; further, that he had been present and had voted at two previous Council meetings on the 1985/86 budget; and further, that had he been present at the meeting of June 25, 1985 he would have voted in favor of the budget at today's meeting."

RESOLUTION NO. 85-113 - RESOLUTION AUTHORIZING THE BARRICADING OF A PORTION OF CHURCH STREET ON JULY 13, 1985, FOR A "SHARING AFFAIR"

3. Consideration was given to a Resolution authorizing the barricading of a portion of Church Street on July 13, 1985, for "A Sharing Affair".

Mayor McDevitt said the Asheville Buncombe Community Christian Ministry has requested that Church Street, from the property line of Central United Methodist Church south to the property line of Trinity Episcopal Church (not including that portion of Aston Street) be closed to vehicular traffic on Saturday, July 13, 1985, from 6:00 a.m. through 6:00 p.m. for their annual "A Sharing Affair" which has raised thousands of dollars for the work of the Christian Ministry.

Mayor McDevitt said members of Council were furnished copies of the Resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-113 was unanimously adopted.

Complete text of Resolution No. 85-113 will be found in Resolution Book 15 at Page 253.

RESOLUTION NO. 85-114 - RESOLUTION AMENDING RESOLUTION 83-93 BY AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE ANY CHANGE ORDERS WITHIN THE BUDGETED AMOUNT WITH HOBSON CONSTRUCTION COMPANY, INC. FOR THE PROJECT KNOWN AS REED CREEK SEWER LINE (CONTRACT 1.0), AND WHEELER CONSTRUCTION COMPANY, INC. FOR THE PROJECT KNOWN AS MURDOCK AVENUE SEWER LINE (CONTRACT NO. 2.0).

4. Consideration was given to a resolution amending Resolution No. 83-93 by authorizing the Mayor to execute, on behalf of the City of Asheville, any change orders within the budgeted amount with Hobson Construction Company, Inc. for the project known as Reed Creek Sewer Line (Contract 1.0), and Wheeler Construction Company, Inc. for the project known as Murdock Avenue Sewer Line (Contract 2.0).

Mayor McDevitt said this resolution will authorize the Mayor to execute on behalf of the City of Asheville only those change orders within the budgeted amount for the Reed Creek Sewer Line and Murdock Avenue Sewer Line, in lieu of "any change orders which might arise during the construction of said projects".

Mayor McDevitt said members of Council were furnished copies of the Resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-114 was unanimously adopted.

Complete text of Resolution No. 85-114 will be found in Resolution Book 15 at Page 254.

REGULAR MEETING Tuesday, July 2, 1985 - 4:00 p.m.

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; Deputy City Clerk Carol Hensley

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilman Louis Bissette.

ANNOUNCEMENT OF WELCOMING HOME CEREMONIES FOR DR. RICHARD MOON

Mayor McDevitt announced that Dr. Richard Moon would be returning home after being held hostage by a group of terrorists. He said Dr. Moon would be arriving at the Asheville Regional Airport at 10:07 p.m. tonight, and there would be a welcoming home ceremony at the Airport. He said the ceremony would be held by Congressman Hendon, Mayor of Biltmore Forest Canie Smith, Buncombe County Commission Chairman Curtis Ratcliff, and himself. He encouraged as many as possible to attend the ceremony.

APPROVAL OF MINUTES - JUNE 25, 1985 MEETING

1. Approval of the minutes of the June 25, 1985 meeting.

Mayor McDevitt announced the approval of the minutes, as submitted.

RESOLUTION NO. 85-112 - RESOLUTION COMMENDING THE HILLCREST 4-H CLUB FOR RECEIVING THE "KEEP NORTH CAROLINA BEAUTIFUL, INCORPORATED" AWARD

2. Consideration was given to a resolution commending the Hillcrest 4-H Club for receiving the "Keep North Carolina Beautiful, Incorporated" award.

Mayor McDevitt said the Hillcrest 4-H Club was the third place winner in the "Keep North Carolina Beautiful, Incorporated" awards.

Upon motion of Councilman Bissette, seconded by Councilman Boland, Resolution No. 85-112 was unanimously adopted.

Complete text of Resolution No. 85-112 will be found in Resolution Book No. 15 at Page 252.

Mayor McDevitt presented a copy of the Resolution to Mr. Johnny Hayes, Director of the Hillcrest Center, and to members of the Hillcrest 4-H Club.

Keisha Battle, President of the Hillcrest 4-H Club thanked members of Council for the resolution.

Upon motion of Councilman Frank, seconded by Councilman Bissette, Resolution No. 85-116 was unanimously adopted.

Complete text of Resolution No. 85-116 will be found in Resolution Book 15 at Page 256.

APPROVAL OF SIGN PERMIT - 770 PATTON AVENUE - "EYES FOR YOU"

7. Consideration was given to the approval of a sign permit for an identification sign at 770 Patton Avenue.

Mayor McDevitt said Creative Signs of Asheville has requested a sign permit to erect an identification sign at 770 Patton Avenue, advertising "Eyes For You". This sign requires approval of the City Council, pursuant to the zoning ordinance, in that the sign will be situated closer than 600' of a limited access highway.

Verl Emrick, Director of Planning, said this sign meets all requirements of the zoning ordinance. However, it does require the approval of City Council, pursuant to the zoning ordinance.

Councilman Myers moved to approve the sign permit for the identification sign at 770 Patton Avenue. This motion was seconded by Councilman Bissette and carried unanimously.

SCHEDULING OF PUBLIC HEARING - SITE PLAN OF THE PROPOSED "RIVER RIDGE APARTMENTS, 800 FAIRVIEW ROAD

8. Councilman Boland moved to schedule a public hearing relative to the site plan of the proposed River Ridge Apartments to be located at 800 Fairview Road for July 23, 1985. This motion was seconded by Councilman Frank and carried unanimously.

CLAIMS - ROBERT ADAMS (SEWER) - WALTER TOTH (WATER) - TRACY TAYLOR (PARKS) - EDWARDS EQUIPMENT CO. (STREETS) - HOME FURNITURE STORE (WATER) - LEONA ROBINSON (STREETS) - CLARA E. BLALOCK (WATER)

9. The City Manager presented claims from Robert Adams (Sewer), Walter Toth (Water), Tracy Taylor (Parks), Edwards Equipment Company (Streets), Home Furniture Store (Water), Leona Robinson (Streets), and Clara E. Blalock (Water).

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - MARILYN JO LONON VS. CITY OF ASHEVILLE AND FRED JAMES TURNER

10. The City Manager said the City was served with a lawsuit, in which the City of Asheville is a defendant, involving Marilyn Jo Lonon vs. City of Asheville and Fred James Turner.

Mayor McDevitt referred the matter to the Corporation Counsel for appropriate action.

RESOLUTION NO. 85-115 - RESOLUTION AUTHORIZING THE CITY MANAGER ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE AN AGREEMENT FOR AN ARCHAEOLOGICAL SURVEY AT THE PACK PLAZA DEVELOPMENT PROJECT (GILBERT/COMMONWEALTH, INC.)

5. Consideration was given to a resolution authorizing the City Manager, on behalf of the City of Asheville, to execute an agreement for an archaeological survey at the Pack Plaza Development Project.

Mayor McDevitt said in accordance with a Memorandum of Agreement between the City, the Advisory Council on Historic Preservation, and the North Carolina State Historic Preservation Office, the City seeks to conduct data recovery which will be sufficient to document eligibility for inclusion in the National Register of Historic Places (36 CFR Sec. 1202.6). If the resources are determined to meet National Register Criteria (36 CFR Sec. 60.6), the City will ensure compliance with the appropriate provisions of the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. 469). This resolution will authorize the City Manager to execute an agreement for an archaeological survey at the Pack Plaza Development Project. The budget for the above archaeological study will cost $13,175.00 and is to be included in the Pack Plaza project budget.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion by Councilman Price, seconded by Councilman Frank, Resolution No. 85-115 was unanimously adopted.

Complete text of Resolution No. 85-115 will be found in Resolution Book 15 at Page 255.

RESOLUTION NO. 85-116 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT FOR TRANSPORTATION PLANNING SERVICES WITH THE LAND-OF-SKY REGIONAL COUNCIL

6. Consideration was given to a resolution authorizing the Mayor to enter into a contract for Transportation Planning Services with the Land-of-Sky Regional Council.

Mayor McDevitt said the Asheville Urban Area Planning Work Program for 1984-85 has been approved to include a total of $41,565 in Section 104(f) planning funds for the purpose of street and highway planning. The funds are allocated to various departments and agencies within the planning area for completion of work program tasks. For timely completion of the Planning Work Program tasks, it is deemed appropriate to designate a portion of the Section 104(f) planning funds for the Land-of-Sky Regional Council for carrying out specific segments of the program. The work elements assigned to the Land-of-Sky Regional Council are identified in a contract agreement between the City and the Regional Council. The contract not to exceed $3,570.00.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

PUBLIC HEARING - SITE PLAN OF THE PROPOSED "SUNSET POINTE CONDOMINIUMS" - TOWN MOUNTAIN ROAD

15. A public hearing was held relative to the site plan of the proposed "Sunset Pointe Condominiums" to be located on Town Mountain Road.

Mayor McDevitt requested, due to his law firm representing the developer of the Sunset Pointe Condominiums, that he be excused from consideration and vote on the matter relative to "Sunset Pointe Condominiums".

Councilman Price moved to excuse Mayor McDevitt from participation and vote on the Sunset Pointe Condominiums issue. This motion was seconded by Councilman Boland and carried unanimously.

Mayor McDevitt turned the meeting over to Vice-Mayor Bratton.

Vice-Mayor Bratton said the Planning and Zoning Commission, at a meeting held on April 17, 1985, reviewed the site plan of the proposed "Sunset Pointe Condominiums" to be located on Town Mountain Road. The plan was prepared by Freeman, Weels and Major, Architects, for W. R. Martin, Developer, both of Greenville, S.C. and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend denial of the site plan to City Council.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Vice Mayor Bratton opened the public hearing at 4:32 p.m.

Verl Emrick, Director of Planning, said the site plan for the proposed "Sunset Pointe Condominiums" was presented to the Planning and Zoning Commission on April 17, 1985. He said the developer proposed to construct 264 high-rise units adjacent to the existing six story building (Tiara Apartments), which have been converted to condominiums. He said the project would be located on 29 acres. He said the Planning and Zoning Commission recommended denial of the site plan, because the project is not in character with adjacent residential property and because of a threat to the health and safety of current residents by increased traffic. Also, the project is not in character due to topography of the site and should not be developed to the maximum allowed by the ordinance. He said the Planning Board also voiced concern relative to the traffic situation in the area, being that the road is very narrow and curving. He said they were also concerned about the access designed at the lower end of this project. He said at the Planning Board's request, the developer agreed to redesign the internal parking lot of the project, to allow fire apparatus to easily enter the project. He said water and sewer facilities are available and have been approved by the Water Authority and the Metropolitan Sewerage District.

Penn Dameron, attorney representing the developer, introduced Alan Freeman, Architect for the project.

RESOLUTION NO. 85-117 - RESOLUTION DESIGNATING THE MAYOR TO SIGN AS AGENT FOR THE CITY OF ASHEVILLE, A SPECIAL ORDER BY CONSENT ISSUED BY THE STATE OF NORTH CAROLINA, DEPARTMENT OF NATURAL RESOURCES AND COMMUNITY DEVELOPMENT FOR THE HALL CREEK COLLECTOR SEWER

11. Consideration was given to a resolution designating the Mayor to sign as agent for the City of Asheville, a special order by consent issued by the State of North Carolina, Department of Natural Resources and Community Development for the Haw Creek Collector Sewer.

Mayor McDevitt said this resolution will authorize the Mayor to negotiate the terms of a contractual agreement with the State of North Carolina Department of National Resources and Community Development, for issuance of a special order by consent permitting additional sewer service in the Haw Creek area, in the form of 7,500 gallons per day discharge from single family dwellings.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-117 was unanimously adopted.

Complete text of Resolution No. 85-117 will be found in Resolution Book No. 15 at Page 257.

APPROVAL OF WOODBURY APARTMENTS LANDSCAPING PLAN

12. Mayor McDevitt noted that on May 28, 1985, Council approved the site plan of the Woodbury Apartments to be located off New Curve Streeet, subject to compliance with the Erosion Control Ordinance and further that the landscaping plan be submitted and approved by Council. He said during the pre-council meeting, the landscaping plan was presented and approved by Council.

Councilman Bissette requested that the landscaping plan be incorporated into the site plan for the Woodbury Apartment project.

COUNCIL MEETING FOR JULY 9, 1985 - CANCELLED

13. Councilman Price moved that, due to the lack of business, the regularly scheduled meeting for July 9, 1985, be cancelled.

This motion was seconded by Councilman Frank and carried unanimously.

RALPH BISHOP - LOTTERY SALES

14. Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

Gary Rowe, Attorney representing residents from the Sunset Mountain and Grove Park Inn area, read portions of the zoning ordinance relative to group developments. He requested that Council concur with the Planning and Zoning Commission's recommendation to deny the project. He submitted that the newly enacted height restriction ordinance would apply to this particular project. He said the proposed project would be higher than the existing Tiara Apartment complex.

Mr. Rowe referred to a letter to Corporation Counsel Slawter from Penn Dameron, dated June 26, 1985, in citing court cases relative to this issue. He said he felt Council had a valid reason for passing a height restriction ordinance. He said the proposed project is not in harmony with the existing neighborhood.

David Quinn, resident of South Asheville, said the proposed project is not appropriate and is not in keeping with the harmony of the City of Asheville. He also quoted sections of the zoning ordinance relative to appropriate use of land. He said the project is not in keeping with the Land Use Plan, (comprehensive plan), adopted by the Asheville City Council on August 4, 1977. He said in this Comprehensive Plan, Sunset Mountain was designated for a single family residential district, due to the physical characteristics of the land and the neighborhood. He said the existing slopes are severe for this type of density project. He said Council should be concerned about protecting the natural beauty of the mountains. He said the roads are mountainous, steep, narrow, and curvy and would impose hazards in the area. He said the project could present problems in connection with fire protection. He recommended that Council deny approval of the site plan.

Doug Swaim, 296 Montford Avenue, spoke relative to the Environmental Impact Statement submitted by the developer to the City of Asheville. He cited several areas in the Environmental Impact Statement that were incorrect, being that the developer will build on slopes greater than 40%, Town Mountain Road is a scenic highway, and the area is a historical site.

Larry Chapman, resident of Sunset Mountain, said he was not opposed to development, but felt the City of Asheville should consider orderly growth for the neighborhood. He said once a building permit is issued, the plans could be changed without the consent of Council. He said he was also concerned about selling portions of the undeveloped land in the future and putting in more units, which is a very high possibility. He said he had contacted Jim Daniels, past member of North Carolina Department of Transportation Board, who said Town Mountain Road is not a responsibility of the North Carolina Department of Transporation.

Mr. Chapman gave the following synopsis concerning the condition of Old Toll Road:

"SYNOPSIS OF AUGUST 18, 1963 REPLY BY KEN MICHALOVE,
ASHEVILLE CITY MANAGER, AND T. CLARK BROWN, DIRECTOR OF PUBLIC WORKS,
TO QUESTIONS CONCERNING CONDITION OF OLD TOLL ROAD

... this (questions concerning the condition of Old Toll Road) came up approximately two to three years ago (1981 or 1980). At that time, my recommendation, and it has not changed, was to one-way Old Toll Road. This was due to the limited right-of-way and narrow shoulders which would not accomodate guardrails.

Alan Freeman, Architect for the project, said the property is zoned for 220 additional units, and the developer purchased the property with this in mind. He said if the high-rise units were not built, the developer would have to cut all the trees on the property, in order to construct low-rise units. He said the developer preferred to confine construction to as small an area as possible, leaving the majority of the land undisturbed. He said parking would be provided in decks underneath the buildings. He said four buildings would be constructed, leaving 17 acres of the land undisturbed. He said the project is environmentally, economically, and aesthetically good.

Mr. Freeman reviewed the details of the construction aspects of the project. He said the construction will appear to be an outgrowth of the mountains, rather than something that did not belong there.

Upon inquiry of Councilman Price, Mr. Freeman said there were no changes made to the site plan since it was presented to the Planning and Zoning Commission.

Mr. Dameron said since the Planning and Zoning Commission's recommendation, Council has enacted an ordinance restricting height limitations in the R-1 and R-2 residential districts to 40 feet. He said this ordinance should not, and cannot, legally be applicable to this project. He said the recently enacted height restriction ordinance was not considered at the Planning and Zoning Commission meeting. He said as far as the traffic situation is concerned, the North Carolina Department of Transportation has stated that this project would not adversely affect traffic on Town Mountain Road. He said Council should rely on the North Carolina Department of Transportation's statement. He said no one objected, during the Planning and Zoning Commission meeting, to increased traffic in the area that might be created by the construction of the project. He said as far as non-conformity to the neighborhood is concerned, aesthetically the project would be in conformity with the existing high-rise apartments. He said the proposed structure would only be 30 feet greater than the existing structure. He said the project is in keeping with the wooded area, and if the developers went to "low-rise units", it would take up all of the undeveloped land in the area. He said the project, as designed, would be in the best interest of the residents in the neighborhood and the residents of Asheville.

Mr. Dameron repeated that this project is not and will not, out of the question of fairness, be applicable to the recently enacted ordinance on height restrictions. He said in time, the people of Asheville will realize that the project is good for the City of Asheville.

Upon inquiry of Councilman Bissette, Corporation Counsel Slawter said he disagreed with Mr. Dameron that the recently enacted height limitation ordinance is not applicable. He said in his opinion, the 40 foot height restriction would be applicable to the project.

Upon inquiry of Councilman Price, Mr. Dameron said future use of the undeveloped land would have to be addressed by the existing zoning ordinance.

Gary Rowe said members of Council should consider the valid factors presented to them relative to this project. He said the issuance of a building or a zoning permit is not an absolute right but only a privilege. He said Council should approach this issue with strict requirements. He said Council should protect Asheville's most precious resource, its mountains. He said there are other alternatives for the developer and requested that Council deny the project.

Upon inquiry of council, Mr. Emrick said in his opinion the Planning and Zoning Commission did not take an unusual amount of time to consider the project.

Upon inquiry of Councilman Frank, Chief Causey with the Asheville Fire Department said according to the Fire Code, highrise buildings are fought internally. He said the Fire Code only requires that a thirty minute water supply be available. He said as far as access to the building, the only requirement is that access be made available for a fire truck in front of the building. He said the Highrise Building Code would require that the building be sprinkled. He said he has a letter from the developer stating that he will comply with all requirements of the Fire Code and would have the required water supply.

Upon inquiry of Councilman Frank, Mr. Tom Tarrant, City Engineer, said erosion control in the area would not be a problem, because the less surface area you have, the less erosion problems you have; and that density alleviates storm drainage runoff.

There being no further comments, Vice-Mayor Bratton closed the public hearing at 6:04 p.m.

Councilman Bissette commented that he had concerns about the proposed site plan relative to access and traffic on Old Toll Road, as well as being advised by the Corporation Counsel that the project is not in conformance with the zoning ordinance.

Corporation Counsel Slawter again said, in his opinion, the forty foot height restriction is applicable to this project, even though the project was proposed prior to the adoption of the ordinance. He said it is in violation of an existing ordinance. He said one of the options for Council is to remand the project to the Planning and Zoning Commission, giving the developer an opportunity to make amendments to his site plan to address concerns of Council, as well as clearing the violation of the height restriction ordinance.

After discussion, Councilman Boland moved to remand the site plan for the "Sunset Pointe Condominiums" to the Planning and Zoning Commission to further consider traffic, safety, and violations of the height restriction ordinance. He said this would give the developer an opportunity to change the design of the project. This motion was seconded by Councilman Frank and carried unanimously.

ADJOURNMENT

Councilman Price moved to adjourn the meeting at 6:10 p.m. This motion was seconded by Councilman Myers and carried unanimously.

Gary McDevitt
MAYOR

William F. Moletta
CITY CLERK

If Old Toll Road is to be made wide enough to safely continue to accommodate two-way traffic (it) would require installation of guardrail(s) (and) additional right-of-way of approximately 20 feet (on average) would have to be acquired.

"I recommend the 'one-way concept for this street for two reasons. The first is the reduced cost and the second is the instability of the 'outside' third of the street for most of its length.

"... the work needed for this street should be considered a high priority.

"... I do expect the project to be at least proposed for funding in the next fiscal year."

Mr. Chapman said he was also concerned about fire protection, in that the water tanks being installed for the project would provide water for 3 hours and 20 minutes. He said the ladder trucks would not reach more than six stories.

Mr. Chapman also read segments of the State Ridge Law requirements. He recommended that Council accept the recommendation of the Planning and Zoning Commission to deny the project.

Mrs. Lola Myers, with the Asheville Garden Club, said their organization has passed a resolution recommending that the project be rejected.

Dorothy Williams Davis Dodge, of 155 Patton Mountain Road, spoke in opposition to the project, due to increased traffic by the addition of 264 units and because the roads in the area cannot be widened.

Pearl Davis, 33 Sunset Summit, also spoke in opposition to the project, stating concerns relative to erosion control.

Penn Dameron, in rebuttal to comments made by the opposition, said the property in question adjoins the R-1 residential district, but is not zoned R-1 residential district. He said it also adjoins many acres of R-2 residential district. He said the project will not increase the traffic in the area, in that apartments will cause no more traffic than single family dwellings. He said the concern relative to fire protection should not be a basis on which to deny the project, in that there are other buildings in the City of Asheville that are higher than six stories. He said Council should make its decision on approval of the project within the limits of the law.

Upon inquiry of Councilman Price, Mr. Dameron said the proposed structure would be thirty feet higher than the existing structure, because the existing structure is at a lower elevation.

Upon inquiry of Councilman Price, Mr. Dameron said he was not involved in the preparation of the Environmental Impact Study.

George Genson, with Genson Engineering Company, said the project would be thirty feet above the existing tree line in the area.

ANNOUNCEMENT OF CERTIFICATE OF APPOINTMENT OF COMMISSIONER OF THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE - MRS. EARL L. SHOOK, JR.

3. Vice-Mayor Bratton announced that Mayor McDevitt has reappointed Mrs. Earl L. Shook, Jr. as a Commissioner of the Housing Authority of the City of Asheville.

RESOLUTION NO. 85-118 - RESOLUTION ENDORSING THE ASHEVILLE-BUNCOMBE COUNTY INSURANCE ADVISORY COMMITTEE'S PLAN TO ASSIST OTHER UNITS OF GOVERNMENT IN OBTAINING INSURANCE COVERAGE AND DEVELOPING A RISK MANAGEMENT PROGRAM

4. Consideration was given to a resolution endorsing the Asheville-Buncombe County Insurance Advisory Committee's plan to assist other units of government in obtaining insurance coverage and developing a risk management program.

Vice-Mayor Bratton said this resolution will endorse the Insurance Advisory Committee's plan to assist other units of government in obtaining insurance coverage and developing a risk management program, with assistance to be furnished on a cost basis.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 85-118 was unanimously adopted.

Complete text of Resolution No. 85-118 will be found in Resolution Book No. 15 at page 258 and 259.

RESOLUTION NO. 85-119 - RESOLUTION AUTHORIZING THE ASHEVILLE-BUNCOMBE COUNTY INSURANCE ADVISORY COMMITTEE TO CHARGE A SERVICE FEE ON INSURANCE POLICIES WHERE NO COMMISSION IS GIVEN

5. Consideration was given to a resolution authorizing the Asheville-Buncombe County Insurance Advisory Committee to charge a service fee on insurance policies where no commission is given.

Vice-Mayor Bratton said the Insurance Advisory Committee wishes to begin charging 6% service fee on insurance policies where no commission is given. This resolution will authorize payment of this fee. The Asheville-Buncombe Insurance Advisory Committee is normally funded from commissions from insurance policies placed on behalf of the City and County. Where policies do not pay commissions, this action allows the Committee to add on a fee of up to 6% of the premium. Funding for said fees is appropriated in the insurance line items in the operating budget.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 85-119 was unanimously adopted.

Complete text of Resolution No. 85-119 will be found in Resolution Book No. 15 at page 260 and 261.

Tuesday - July 16, 1985 - 4:00 p.m.

Regular Meeting

Present: Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Larry McDevitt, Councilman Gordon Myers, and Louis Bissette.

INVOCATION

The invocation was given by Vice-Mayor Bratton.

APPROVAL OF THE MINUTES - OF THE JULY 2, 1985 MEETING

1. Approval of the minutes of the July 2, 1985 meeting.

Vice-Mayor Bratton announced the approval of the minutes as submitted.

ORDINANCE NO. 1526 - AN ORDINANCE AMENDING SECTION 28-81.3 OF ARTICLE IV, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

2. Consideration was given to Ordinance No. 1526, an ordinance amending Section 28-81.3 of Article IV, speed regulations, of chapter 28 of the Code of Ordinances of the City of Asheville.

Vice-Mayor Bratton said the Traffic Engineering Division of the Public Works Department has received a request from the Ballantree Homeowners Association to establish a 25 mile per hour speed limit on all streets within the Ballantree Development. The streets affected by this proposed ordinance are: 1) Ballantree Drive (between Sweeten Creek Road and Elmwood Lane; 2) Braddock Way; 3) Campbell Circle; 4) Aspen Way; 5) Gardenwood Drive; 6) Gardenwood Lane; 7) Elmwood Lane.

Vice-Mayor Bratton said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1526. This motion was seconded by Councilman Boland.

On a roll-call of 4-0, Ordinance No. 1526 passed on first reading.

RESOLUTION NO. 85-122 - RESOLUTION AUTHORIZING THE CLOSING OF CERTAIN STREETS IN DOWNTOWN ASHEVILLE RELATIVE TO THE BELE CHERE FESTIVAL

9. Consideration was given to a resolution authorizing the closing of certain streets in downtown Asheville relative to the Bele Chere Festival.

Vice-Mayor Bratton said this resolution will approve closing several streets in the downtown area at certain times of the day during the Bele Chere Festival, which will be held July 26-28.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-122 was unanimously adopted.

Complete text of Resolution No. 85-122 will be found in Resolution Book No. 15 at page 264 and 265.

PETITION

10. Mr. Ned Gutman, a resident of Redwood Forest, presented a petition from homeowners of the Redwood Forest Subdivision and Shawnee Trail, requesting that Council proceed with scheduling the public hearings necessary to rezone their property from R-2 Residential District to R-1 Residential District.

Vice-Mayor Bratton advised Mr. Gutman that Council would schedule a work session on the request, and that staff would let him know when this matter would be discussed by Council.

RALPH BISHOP - LOTTERY SALES AND PERSONNEL RECORDS

11. Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville and his inability to obtain personnel records.

ADJOURNMENT

Counilman Price moved to adjourn the meeting at 4:45 p.m.. This motion was seconded by Councilman Boland.

Larry M. Davis
MAYOR

Marcia S. Metcalf
CITY CLERK

RESOLUTION NO. 85-120 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH THE LAND-OF-SKY REGIONAL COUNCIL FOR THE ENERGY PROGRAM

6. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with the Land-of-Sky Regional Council for the energy program.

Vice-Mayor Bratton said the Land-of-Sky Regional Council has conducted an Energy Officer Program in which the City has participated. Savings have resulted from this, and the City desires to continue with this program. The Local Govern-

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 85-120 was unanimously adopted.

Complete text of Resolution No. 85-120 will be found in Resolution Book No. 15 at page 262.

RESOLUTION 85-121 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT WITH THOMPSON-GORDON-SHOOK ENGINEERS, INC. FOR A STRUCTURAL EVALUATION OF THE CIVIC CENTER PARKING GARAGE.

7. Consideration was given to a resolution authorizing the Mayor to execute an agreement with Thompson-Gordon-Shook Engineers, Inc. for a structural evaluation of the Civic Center parking garage.

Vice-Mayor Bratton said this resolution will approve the engineering proposal submitted in the amount of $2,250.00 for providing structural evaluation and recommending maintenance or structural improvement needs for the Civic Center parking garage. Thompson-Gordon-Shook Engineers, Inc. had the lowest proposal. Funding for the structural analysis is included in the budget.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-121 was unanimously adopted.

Complete text of Resolution No. 85-121 will be found in Resolution Book No. 15 at page 263.

CLAIMS - MILDRED MORRIS (WATER) - JERRY GROOMS (WATER) - FRANCES PENLAND (WATER) - CHARLES MORGAN (SANITATION) - JAMES BAKER (WATER) - CORDA MANNEY (STREETS) - MRS. HUB WILLIAMS (WATER) - A.E. TREADWAY (STREETS)

8. The City Manager presented claims from Mildred Morris (Water) - Jerry Grooms (Water) - Frances Penland (Water) - Charles Morgan (Sanitation) - James Baker (Water) - Corda Manney (Streets) - Mrs. Hub Williams (Water) - A. E. Treadway (Streets).

Vice-Mayor Bratton referred the claims to the Corporation Counsel for investigation and recommendation.

A discussion was held relative to the traffic in this particular area. Mr. Emrick said that the City staff and the developer for the project would monitor internal traffic.

Vice-Mayor Bratton closed the public hearing at 4:17 p.m.

Councilman Boland moved to approve the site plan of the proposed River Ridge Apartments to be located at 800 Fairview Road subject to the Planning and Zoning Commission's recommendation. This motion was seconded by Councilman Frank and carried unanimously.

ORDINANCE NO. 1526 - AN ORDINANCE AMENDING SECTION 28-81.3 OF ARTICLE IV, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

3. Consideration was given to the second reading of Ordinance No. 1526, an ordinance amending Section 28-81.3 of Article IV, speed regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville.

Vice-Mayor Bratton said the Traffic Engineering Division of the Public Works Department has received a request from the Ballantree Homeowners Association to establish a 25 mile per hour speed limit on all streets within the Ballantree Development. The streets affected by this proposed ordinance are: 1) Ballantree Drive (between Sweeten Creek Road and Elmwood Lane; 2) Braddock Way; 3) Campbell Circle; 4) Aspen Way; 5) Gardenwood Drive; 6) Gardenwood Lane; and 7) Elmwood Lane. This ordinance was read on first reading at the June 16, 1985 meeting.

Vice-Mayor Bratton said this ordinance was previously read on first reading and would not be reread unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1526 passed on second reading.

RESOLUTION NO. 85-123 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A LEASE BY AND BETWEEN THE CITY OF ASHEVILLE AND THE FRATERNAL ORDER OF POLICE

4. Consideration was given to a resolution authorizing the City Manager to execute a lease by and between the City of Asheville and the Fraternal Order of Police.

Vice-Mayor Bratton said the City owns the property at the Asheville Airport which is not necessary for the operation of the Airport. In the interest of developing training and efficiency in the Asheville Police Department, the City desires to lease this property to the Fraternal Order of Police. Both have agreed to the terms and conditions of the lease. The fiscal impact would be twenty dollars ($20.00) - one dollar ($1.00) per year beginning April 15, 1985, and ending April 14, 2005. This item is budgeted in the 1985-86 budget.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Bissette, Resolution No. 85-123 was unanimously adopted.

Complete text of Resolution No. 85-123 will be found in Resolution Book No. 15 at page 266.

Tuesday - July 23, 1985 - 4:00 p.m.

Regular Meeting

Present: Vice-Mayor Wilhelmina Bratton, Presiding; Councilmen Louis Bissette, Mary Lloyd Frank, Norma T. Price, Walter R. Boland; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Larry McDevitt, Councilman Gordon Myers.

INVOCATION

The invocation was given by Councilman Mary Lloyd Frank.

APPROVAL OF THE MINUTES - JULY 16, 1985 MEETING

1. Approval of the minutes of the July 16, 1985 meeting.

Vice-Mayor Bratton announced the approval of the minutes as submitted.

PUBLIC HEARING - SITE PLAN OF PROPOSED RIVER RIDGE APARTMENTS - 800 FAIRVIEW ROAD

2. A public hearing was held relative to the site plan of the proposed River Ridge Apartments to be located at 800 Fairview Road.

Vice Mayor Bratton said the Asheville Planning and Zoning Commission at a meeting held June 12, 1985, reviewed the site plan of the proposed River Ridge Apartments to be located at 800 Fairview Road. The site plan was prepared by Carrol Hughes, Architect, for Bob Hughes and Associates, Raleigh, N.C., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to compliance with the Erosion Control Ordinance and the Flood Plain Ordinance.

Vice-Mayor Bratton opened the public hearing at 4:04 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission had recommended approval of the site plan subject to compliance with the Erosion Control Ordinance and the Flood Plain Ordinance. He said the project would consist of 230 units in three phases. He said five units would be constructed in the flood plain area, and there would be no construction in the floodway area. He said the units to be constructed in the flood plain must be submitted to the Engineering Department and the Board of Adjustments for approval to assure compliance with the Flood Plain Ordinance. He said the roads in the project would remain private, but would be constructed according to City standards.

Vice-Mayor Bratton said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, reviewed the site plan of the proposed "Hazelwood Mobile Home Court" to be located on North Louisiana Avenue. The site plan was prepared by Associated Land Technologies, Engineer, for Walter Weiss and Frank McGahren (W&M Investment), Developers, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the 6-inch water line being extended to fire hydrant, buffering along adjacent subdivision lots, no extension of roads into subdivision, and compliance with Erosion Control Ordinance.

Councilman Price moved to schedule a public hearing relative to the site plan for the proposed "Hazelwood Mobile Home Court" to be located on North Louisiana Avenue for August 6, 1985. This motion was seconded by Councilman Bissette and carried unanimously.

SCHEDULING OF PUBLIC HEARING - FINAL PLAT OF PHASE TWO OF THE HAZELWOOD SUBDIVISION TO BE LOCATED ON NORTH LOUISIANA AVENUE

8. Consideration was given to a motion scheduling a public hearing relative to the final plat of Phase Two of the Hazelwood Subdivision to be located on North Louisiana Avenue for August 6, 1985.

Vice-Mayor Bratton said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, approved the preliminary plat subject to buffering on Lots 36 through 47 and compliance with the Erosion Control Ordinance. Phase Two of the Hazelwood Subdivision is to be located on North Louisiana Avenue. This plat was prepared by S. V. Griffith, R.L.S. for Frank McGahren and Walter Weiss, Developers, and submitted in accordance with Ordinance 424, as amended.

Councilman Frank moved to schedule a public hearing relative to the final plat of Phase Two of the Hazelwood Subdivision to be located on North Louisiana Avenue for August 6, 1985. This motion was seconded by Councilman Price and carried unanimously.

RESOLUTION NO. 85-124 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN THE NECESSARY CONTRACTS FOR THE PURCHASE, INSTALLATION, AND MAINTENANCE OF A MICRO-COMPUTER SYSTEM AND OPERATING SYSTEM FOR THE ASHEVILLE POLICE DEPARTMENT

9. Consideration was given to a resolution authorizing the City Manager to sign the necessary documents for the purchase, installation, and maintenance of a microcomputer system and operating system for the Asheville Police Department.

Vice-Mayor Bratton said sealed bids were invited to furnish computer equipment for use by the Asheville Police Department. One (1) bid was received. It is recommended to award a contract to Burroughs Corporation, Asheville, N.C. for the purchase, installation and maintenance of this equipment. This bid has been reviewed by the City's Data Processing Division and was found to be in compliance with the bid specifications. The cost of equipment, hardware and software totals $39,223.00. Funds for this purchase will come from FY 84-85 appropriations account code 50-460-0740 and 10-460-0740. Funds for the maintenance of this equipment will come from FY 85-86 appropriations.

ORDINANCE NO. 1527 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDING FOR THE 1985-86 COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM PROJECTS

5. Consideration was given to a budget ordinance amendment to provide funding for the 1985-86 Community Development Block Grant program projects.

Vice-Mayor Bratton said consideration was given to provide funding for the 1985-86 Community Development Block Grant program projects. The entitlement for 1985-86 of the City of Asheville in the amount of $1,382,000.

Vice-Mayor Bratton said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1527. This motion was seconded by Councilman Boland.

On a roll call vote of 5-0, Ordinance No. 1527 passed on first and final reading.

Complete text of Ordinance No. 1527 will be found in Ordinance Book No. 10 at page 289.

SCHEDULING PUBLIC HEARING - SITE PLAN OF PROPOSED BELVEDERE CONDOMINIUMS - BEAVERDAM ROAD

6. Consideration was given to a motion scheduling a public hearing for August 6, 1985, relative to the site plan of the proposed Belvedere Condominiums to be located on Beaverdam Road.

Vice-Mayor Bratton said the Asheville Planning and Zoning Commission at a meeting held July 10, 1985, reviewed the site plan of the proposed "Belvedere Condominiums" to be located on Beaverdam Road. The site plan was prepared by McGill Associates, Engineers, for Condominium Builders, Inc., Winston-Salem, N.C., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to final approval of the driveway cut by the North Carolina Department of Transportation, compliance with the Erosion Control Ordinance, and contingency that water and sewer are available to the site.

Councilman Bissette moved to schedule a public hearing relative to the site plan of the proposed Belvedere Condominiums to be located on Beaverdam Road for August 6, 1985. This motion was seconded by Councilman Price and carried unanimously.

A discussion was held, initiated by Councilman Boland, relative to requiring developers to have drawings available for Council on site plans and group developments.

SCHEDULING PUBLIC HEARING - SITE PLAN OF PROPOSED "HAZELWOOD MOBILE HOME COURT" - NORTH LOUISIANA AVENUE

7. Consideration was given to a motion scheduling a public hearing relative to the site plan of the proposed "Hazelwood Mobile Home Court" to be located on North Louisiana Avenue for August 6, 1985.

TO: HONORABLE MEMBERS OF ASHEVILLE CITY COUNCIL
SUBJECT: RE-SURFACING AND MAINTENANCE OF STEEP SECTION OF KILLIAN ROAD

Dear Sir:

We, the signers of this petition are residents and/or property owners of the steep section of Killian Road. We wish that officials in charge of our tax money had heeded our pleas to fix the road and not the bridge. As it now seems, we are going to end up with an expensive bridge ($67,372) and a pot hole road. The money probably can be replaced by taxpayers, but the approximately 1/2 acre of rich, loam farmland that is covered with dirt and stone is ruined permanently. Possibly, some of you have been reading about the concern of destroying farmland in North Carolina.

In a letter from Mr. Larry Ward, PRD Director of Public Works, to Mr. T. Clark Brown, Director of Public Works, dated March 2, 1984, quote "Killian Road was state maintained up to the second road turning left which I believe is named Killian Lane. This is the only portion that became a city street. City standards would mean that there would have to be minimum of 20 feet of right-of-way with a minimum of 16 feet of paved road." The black-top of Killian Lane is 14 feet at the widest point and narrows down to 10 feet at narrow point. Killian Lane was re-surfaced in 1982 by the city. This was when officials refused to re-surface the 353 feet of steep end of Killian Road.

We say that city officials who say the end of Killian Road is a private drive are wrong. We don't believe that city maps shows private drives. As you can see on the attached map, it shows all of Killian Road. This steep part of Killian Road was paved by city in about 1972 or 1973. Since then the city has installed a street light and patching of the road. We understand that it is city's obligation to continue maintenance of a street unless requested to discontinue by petition of residents.

We respectfully request that city council order the re-surfacing of subject street (as is) in the warm months of 1985.

Respectfully,

Residents of Killian Road

Stanley Masters
Martha Masters
Betty M. Nelon
George A. Nelon, Jr.
Bobby L. Troutman
Carmen Troutman
Hershal D. Effler
Ada M. Effler
Gary A. Reinhardt
Bill & Debbie Stamy
Jean M. Lure
Meredith S. Wanes
Mrs. Harold H. Wanes

Vice-Mayor Bratton informed Mrs. Nelon that the staff would be researching the request, and Council would be back in touch relative to the petition.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution 85-124 was unanimously adopted.

Complete text of Resolution No. 85-124 will be found in Resolution Book No. 15 at page 267.

AUTHORIZING CITY MANAGER TO SIGN LETTER OF INDEMNIFICATION - BELE CHERE HEADQUARTERS - LEGAL BUILDING

10. Councilman Bissette moved that the City Manager be authorized to execute a letter of indemnification to be given to Pack Plaza Associates, Limited Partnership, in order that the City may be able to use the Legal Building as headquarters for the Bele Chere festival for July 26-28, 1985.

This motion was seconded by Councilman Boland and carried unanimously.

WILLIAM DARDEN - SPRINGSIDE DRIVE - PROBLEMS IN RECEIVING A PERMIT TO KEEP CATS.

11. Mr. Darden of Springside Drive spoke to Council relative to his problem in obtaining a permit to keep more than six cats on his property. He said several animal control officers had been to his house to investigate whether or not he could obtain a permit. He said all of the animal control officers had indicated that they would approve him obtaining a permit. He said he was told that the City Manager's office had informed the Police Department not to issue the permit. He asked members of Council why his permit had not been issued.

Councilman Price said she had received a number of complaints relative to the cats at the Springside Drive residence.

Upon inquiry of Councilman Price, Mr. Darden said he presently has thirty-six cats.

Vice-Mayor Bratton requested that Mr. Darden make an appointment with the City Manager relative to his problem in obtaining a permit to keep the cats.

RALPH BISHOP - OBTAINING RECORDS RELATIVE TO THE POLICE PENSION BOARD

12. Mr. Bishop again spoke to members of Council relative to his difficulty in obtaining Police Pension Board Records.

PETITION - RESURFACING AND MAINTENANCE OF STEEP SECTION OF KILLIAN ROAD

13. Mrs. Betty Nalon, 32 Killian Road, read the following petition requesting the resurfacing and maintenance of the upper portion of Killian Road.

In summary, Mr. Jarvis, Attorney for Mr. Kuykendall, stated that Mr. Kuykendall was employed by the City of Asheville as a Police Officer in 1960, and was first injured in a traffic accident in 1969 on Tunnel Road where he was hit by an automobile and sustained injuries. He said Mr. Kuykendall had never fully recovered from that accident, however, after the accident in 1969, Mr. Kuykendall was put back to work in the Police Department doing light duty which continued for 10 years. He said on July 20, 1979, Mr. Kuykendall had been assigned to maintenance in the Police Department and was removing a counter to lay tile. He said in removing the counter Mr. Kuykendall found resistance and hurt his back which caused immediate acute problems. He said Mr. Kuykendall had been treated by his family physician, Dr. Waller, and had been examined by the North Carolina Baptist Hospital, Dr. Jarrett, and an orthopedic doctor, Dr. Capiello, at the request of the City of Asheville, and Dr. Wilson. He said in the end result, Dr. Wilson had identified a chronic inflammation of the muscle and connecting tissues which is called HLA-B 27. He said Mr. Kuykendall cannot stand or sit for any length of time without acute pain. He said the illness arose from the two incidences while working with the Asheville Police Department. He said Mr. Kuykendall is permanently and totally disabled.

Mr. Jarvis detailed each document presented to members of Council.

Mr. Kuykendall, upon questioning by Mr. Jarvis, detailed the injuries occuring while working at the Asheville Police Department in 1969 and in 1979 and his treatments by several doctors since that time.

Mr. Kuykendall was then cross-examined by Corporation Counsel Slawter.

In summary, Mr. Slawter questioned Mr. Kuykendall relative to his current treatment by Dr. Waller and the medications being taken by Mr. Kuykendall. Mr. Kuykendall indicated that he was unable to do any work at all. He said his only source of income was from Police Pension Benefits and his wife's income. Mr. Kuykendall said he was in the hospital the last time in December, 1980, for his back problems at which time Dr. Wilson had diagnosed his HLA-B- 27. Mr. Slawter asked Mr. Kuykendall to identify some pictures of Mr. Kuykendall's house and yard. Mr. Kuykendall identified such pictures, and indicated that Tuesdays and Wednesday are his best days since he receives a weekly shot from Dr. Waller for his condition, and that when he was seen working in his yard was probably on a Tuesday or Wednesday.

Corporation Counsel Slawter requested that he and Mr. Jarvis be allowed to make a list of all the documents presented to the Council as evidence and any other documents that they wish to make a part of the record, and make the list and documents a part of the minutes of this meeting.

In his closing statement, Mr. Jarvis said that Mr. Kuykendall had been injured twice while working with the Asheville Police Department and continues to receive medical attention; has continual pain and is permanently disabled for reasons of work being done for the City of Asheville. He requested that Council award Mr. Kuykendall in line of duty disability benefits.

Vice-Mayor Bratton closed the hearing at 6:40 p.m.

CLAIMS - BILLIE MONTEATH (WATER) - ED PULLIAM (WATER) - LES NOWINSKI (STREETS) - BELINDA WHITE (POLICE)

14. The City Manager presented claims received from Billie Monteath (Water), Ed Pulliam (Water), Les Nowinski (Streets), and Belinda White (Police).

Vice-Mayor Bratton referred the claims to the Corporation Counsel for investigation and recommendation.

COUNCIL RECESS

Vice-Mayor Bratton declared a five minute recess of Council.

APPEAL HEARING - H. R. KUYKENDALL - REQUEST FOR LINE OF DUTY DISABILITY RETIREMENT

15. An appeal hearing was held in the matter of H. R. Kuykendall's request for line of duty disability retirement.

Vice-Mayor Bratton said H. R. Kuykendall is appealing the decision of the Board of Examiners and the decision of the Board of Trustees of the Asheville Policeman's Pension and Disability Fund to the Asheville City Council for in line of duty disability retirement.

Vice-Mayor Bratton explained the procedure to be followed during the appeal hearing.

Mr. H. R. Kuykendall was sworn in by Vice-Mayor Bratton.

Scott Jarvis, attorney for H. R. Kuykendall, offered the following as evidence in the hearing;

1. Letter from Dr. Joe Burleson dated July 20, 1970.
2. Report from Dr. William Wilson - Memorial Mission Hospital - 11/30/79.
3. Report from Dr. Wilson - 2/12/80 - 2/25/80 - 3/4/80 - 3/11/80 - 4/8/80 - 5/7/80.
4. Letter from Dr. Louis Waller - November 17, 1980.
5. Letter from Dr. Louis Waller dated November 19, 1980.
6. Letter from Dr. William Wilson to Dr. Louis Waller dated June 29, 1981.
7. Letter from Dr. David Jarrett dated March 25, 1982.
8. Memorandum from Dr. William Wilson to Whom It May Concern dated May 20, 1982.
9. Letter from Dr. Louis Waller to Attorney Scott Jarvis dated June 18, 1984.
10. Copy of Worker's Compensation Report dated March 18, 1980.
11. Opinion and award - North Carolina Industrial Commission dated December 2, 1980.
12. Opinion and award from North Carolina Industrial Commission dated May 12, 1982.
13. Affidavit of James Hadden dated April 9, 1980.

(Note: A copies of all documents are attached to the original minutes of this meeting.)

Medical Records Department
Memorial Mission Hospital
Biltmore Avenue
Asheville, North Carolina 28801

Dear Sir:

The Board of Examiners for the Asheville Policemen's Pension and Disability Fund is currently investigating the eligibility of Hartman R. Kuykendall for disability retirement under the above named plan.

In order to determine this individual's eligibility, the Board of Examiners is required to review the complete medical history of each applicant for retirement. To facilitate this review, I am requesting, on behalf of the Board of Examiners, that copies of all medical records pertaining to Hartman R. Kuykendall be forwarded to the Board, and in particular, medical records relating to confinement for treatment resulting from an accident in August, 1969. I have attached a copy of a Medical Release Authorization from Mr. Kuykendall to this letter.

Thank you for your cooperation in this matter and please let me know if I may be of assistance to you in expediting this request.

Very truly yours,

Lla Leet L. Hudson

C.C acute pain in neck & upper back

Present Illness Nov. 8 1978 while lifting bales of hay pt noted pain in cervical area and down R arm. Clinical Exam, pictures taken. Rx'ed Naprosyn & Valium. He was given Darvocet & made appointment with Dr. Some temporary help, but pain recurred, his pain has persisted on & off. He was seen in consultation by Dr. Weiss who said chronic "Chronic scalenus & cervical strain" Since physiotherapy gave very little relief, he was admitted for additional therapy

Past History - allergic to penicillin & sensitive to oral medications. No major surgery, auto accident 10 years ago - 2 stitches in tongue

Family History - non-contributory to present illness.

Social married couple 2 children

Systems - HEENT, Cardiovascular, GI, GU, Resp, Musculoskeletal, Neurologic & Psychiatric unremarkable

CONSULTATION.

47 year old Caucasian male.

CHIEF COMPLAINT: Neck and back pain.

HISTORY: This gentleman in August of 1969 was directing traffic here in Asheville. He was hit from behind by a lawyer and knocked up into the air. He states that he was knocked out of his shoes, that he hit the pavement on his head and was momentarily knocked out. He was brought to the emergency room here at Mission, his head was inspected, he had a lacerastion. It was sewed up and apparently his x-rays were negative.

Following that, he had pain in his neck and back which persisted. He apparently was seen at Duke and was told that he had had some muscle and nerve injury and that they could not do anything for him, that he would have to live with the pain. He also was hospitalized here at Mission by Dr. McKeel, and according to the patient, had two myelograms and was told after the second myelogram that he was going to need to have surgery and then the surgery was abruptly cancelled and there was no reason given to him for the cancellation. Since that time, he has had pain in his neck and back. He has tolerated it, however, he has continued to work at the police department. He states that he has been unable to do any yard work at home or garden work which he did do previous to this. He has, however, been able to ride in a car without back pain, but he does have pain in his neck. He also has pain in his neck when he tries to look up, rotating his chin backward or extending the neck. He has severe pain and is hardly able to tolerated it.

About two weeks ago, he was putting some tile down at his home. He states that the job needed to be done and that he could not get anyone to do it, and he was simply trying to get work done. He apparently was in a leaning over position most of the time and when he tried to straighten up he could not get up and the pain was so severe he could hardly tolerate it. At this time, the pain radiated from the low back down to the buttocks on both sides and occasionally all the way down the left leg.

Presently, he is having pain in his neck and his low back and occasionally in both arms and legs. He has been on many different medications and has gotten no lasting relief.

SIGNIFICANT PAST HISTORY:
He is allergic to Penicillin.
He has no history of heart disease, hypertension or pulmonary problems.
He is married and has one child about 20 years of age.

EXAMINATION: Reveals a well developed, well nourished, muscular, Caucasian male of stated age.
HEAD AND NECK: He has pain at the base of the neck on rotation of the neck to either side and pain on extension of the neck. He has moderate muscle spasm in the posterior cervical area and in the intrascapular area. Reflexes at the biceps, triceps and bracial radialis is normal. Tactile sensation seems normal in both hands.
BACK: He has moderate muscle spasm in the back. He has pain to lateral bending on

cc: Dr. Jarrett.
cc: Dr. Waller.
cc: Dr. Weiss.
cc: Dr. Burkhardt.

ATTENDING PHYSICIAN: Dr. Waller.

This is a 47 year old Caucasian male who states he was completely well with no bone joint, muscle, or other problems until he was involved in an accident approximately 10 years ago. He was hit from behind while directing traffic and apparently landed on the concrete on his head. Subsequent to that he has had pain in the upper and lower back and in the proximal muscle groups of the pelvic and shoulder everyday. He was seen initially by Dr. Burkhardt who treated him conservatively, however, he felt he did not have the full response. Subsequent to that Dr. McKeel saw him and performed 2 myelograms both of which were reported to be normal. He was evaluated at Duke where he was told that he would learn to live with his discomfort. The pain as I noted has been present everyday and has never had any relief with the exception of some ultrasound which Dr. Waller used for the neck. This lasted only a few days. This summer he was working with tile and noted a great deal of increase in the pain in the upper and lower back area. Since then he has noted that when ever he bends forward he has to push himself up with his hands as he can not straighten up with his back. The pain is described as an ache primarily infrascapular with some discomfort into the shoulders and in the forearms. The same is present into the upper thighs and low back area which he describes as a discomfort as if he had been running and become sore. There has been no weakness. He denies all symptoms of a connective tissue disorder, a rheumatoid variant, or rheumatoid arthritis. Specifically no prior history of back pain before the initial episode and no urethritis, conjunctivitis, rashes, or fever. Medications have not been beneficial. While in the hospital he has been evaluated comprehensively with a negative myelogram, EMG, and x-rays. Laboratory studies have revealed a normal blood count, sedimentation rate, urinalysis, and SMA-12. Physical therapy and medications including Valium and Indocin have been used. Allergies: Penicillin.

PAST MEDICAL HISTORY: Completely well prior to 10 years ago.

FAMILY HISTORY: There is no history of arthritis or low back pain in the family.

PHYSICAL EXAMINATION: Reveals a well developed, well nourished man with excellent muscular development who is in no acute distress, but moves with slow deliberate movements. Temperature is 99, blood pressure 120/70, and pulse is 86 and regular.
HEENT: WNL. Temporal arteries are normal. Palpable, pulsatile, nontender.
CHEST: Clear to P&A.
HEART: No gallop, rubs, or murmurs are present, although a split first sound is present.
ABDOMEN: Without organomegaly.
SKIN: No rashes.
NAILS: No pitting.
NEUROLOGICAL: Grossly within normal limits with no loss of sensation. Muscle strength is entirely normal. Straight leg raising to 60 degrees is negative. Musculoskeletal revealed all joints to have a full range of motion without restriction. There is no tenderness over any joints, erythema, or effusions. No laxity of the joints are present. Muscles are nontender to palpation. There are several areas in the back which are tender along the thoracic and lumbosacral spine. Forward flexion of the hips to 60 degrees is normal with lumbosacral expansion. No loss of the normal lumbar lordosis. One plus tenderness over both sacroiliac joints. Vertebral expansion is normal. Lateral motion rotation normal. Two plus paraspinal spasm is present with the left being slightly worse than the right. The right shoulder has full motion with exception of loss of 15 degrees of abduction. Flexion of the neck produces pain in the back as does looking toward the ceiling. Tinel's, Phalen's, Spurling, and Adson's are all negative.

TYPE OF REPORT: CONSULTATION, SEE PAGE 2

SIGNED: M.D.

MEMORIAL MISSIO.. .IOSPITAL OF W. N. C. Inc.

ASHEVILLE, NORTH CAROLINA

Dictated 11/16/79.

the right side. The pain is located on the right in the lower lumbar area. There is no sciatic notch tenderness. Extension of the back and flexion of the back also causes pain in similar areas. Straight leg raising is positive bilaterally on the right at about 60 degrees. It is accentuated by flexion of the neck. Straight leg raising is positive on the left at about 45 degrees. It is accentuated by flexion of the neck and causes pain to go down his left arm and all the way down his left leg into his foot. Reflexes at both knees and ankles is within normal limits. He has some decrease in sensation on the lateral side of the right leg. Toe flexors and extensors are strong and equal.

DIAGNOSIS: 1. Chronic neck and back pain with almost normal physical findings other than the muscle spasm.

RECOMMENDATION: I would like to try him on an intensive program of therapy and medication for a week or so. If he does not improve, I suggest we do a repeat myelogram and do a complete myelogram all the way to the cervical area. I would seriously consider an EMG before this is done, also do it of the arms and legs.

Thanks very much for the referral of this nice patient.

Sincerely,

Name KUYKENDALL, Hartman Rankin Birthdate 12-4-31 Marital Status Married

Address 46 Russell Avenue, Asheville, NC 28806 Phone 255-0398

Referred by: Dr. Waller Personal Physician: Dr. Waller

10-4-79: DR. WEISS

This 47 year old right handed white male was referred by Dr. Waller because of neck, shoulder, low back, hip, and leg pain.

HISTORY: Mr. Kuykendall was inj[illegible] ago and has been having problems with his neck and low back ever since. He was a policeman working for the Asheville Police Department at the time of the [illegible]. He was directing traffic when he was hit from behind by a vehicle. He says he was flipped up in the air and came down on top of his head. Immediately following the accident, he had severe pain in his neck and entire back. He has been having problems with neck, shoulder, low back, hip, and leg pain ever since. He was initially cared for by Dr. Burkhardt.. He was then referred to see Dr. Burleson who took over his care, evidently. He was referred to see Dr. McKeel. He had two myelograms performed. The second myelogram was performed at Mission Hospital under the direction of Dr. McKeel approximately eight years ago. Surgery was not recommended. He was referred down to Duke and he was told that he had injuries to his spine that he simply was going to have to live with. He has been cared for by a chiropractor. Over the last several years, he has been cared for by Dr. Waller who he thinks has helped him a great deal. He was out of work for approximately two years after the injury but has evidently been working full time sinc for the police department. He is now in charge of maintenance and his activity involv numerous sorts of work. He thinks that he recently aggravated the problem when he was leaning over in July laying tile. His pain is primarily in his posterior neck and left shoulder and his low back, both hips, and right thigh. He brings in outside x-rays. AP and lateral and oblique cervical spine films taken November, 1978 are of good quality and appear to be entirely normal to me. AP and lateral lumbosacral spine films taken in August of 1979 are also of good quality and appear to me to be completely normal. He is presently taking Equagesic tabs 2 q.i.d., Tandearil 100 mgm t.i.d. which he has been taking since September 25, and Tylox PRN for pain.

PHYSICAL EXAMINATION: This is a healthy appearing white male who appears his stated a Affect seems appropriate. Range of motion of his neck is normal on flexion and slightly restricted on extension and lateral bending to both sides. Foraminal compression test is negative. Passive range of motion of his shoulders reveals normal range of motion on the right but moderate amount of restriction of motion on the left. Passive range of motion of the left shoulder causes a considerable amount of discomfor in the area of his shoulder joint. He is tender to palpation over his posterior left shoulder but not over the bioccipital groove. There is no apparent tenderness on the right. Range of motion of his low back is normal though his lumbar paraspinal muscle tone seems somewhat increased. Straight leg raising can be performed to 90 degrees without discomfort. Popliteal compression test is negative. Deep tendon reflexes ar generally absent. Sensory and motor exam of the upper and lower extremities is entirely normal. Gait is normal.

MEMORIAL MISSION JSPITAL OF W. N. C. Inc.

ASHEVILLE, NORTH CAROLINA

[redacted]PRESSION: 1. Arthralgias and myalgias, etiology unclear. Certainly a HLA-B27 reactive process must be considered, as well as a connective tissue disorder or other disorders which would cause myalgias.

RECOMMENDATIONS:
1. Laboratory studies including an HLA-B27, Maine medical special studies, thyroid profile, antinuclear antibody, CPK have been ordered.
2. Bone scan is ordered to determine if there is any increased activity which would suggest a HLA-B27 reactive process.
3. Would increase the Indocin to 50 milligrams with each meal and at bed time with food.
4. Would not change other therapy at the present time until the above studies have been returned.

ADDENDUM: There is 3+ tenderness in the left supraclavicular fossa and 2+ in the right.

Thank you very much for asking me to see Mr. Kuykendall and I will followup on the studies and discuss him with you.

PAGE TWO RE: KUYKENDALL, Hartman Rankin

10-4-79: DR. WEISS

IMPRESSION: My neurological exam of this man is unremarkable. I think that he has a chronic cervical and lumbosacral strain which is related to the accident which occurred ten years ago. He tells me that Dr. Waller has used ultrasound to treat his shoulder with good success. I recommended that he consider going back to see Dr. Waller in regards to ultrasound treatment of his neck, shoulder, and low back. I think that if the problem does not clear, he ought to see an orthopedist in regards to the mechanical problem in his left shoulder. I do not think that myelograph is indicated. (jei)

BONE SCAN: A posterior and anterior projection was obtained with the radionucleide 99mTc. There is a normal distribution of the radionucleide without evidence of abnormal increased activity. There is a normal uptake within the renal parenchyma and within the bladder.

IMPRESSION: Normal bone scan.

/dkh 12/2/79

-THIS STUDY IS ABNORMAL FOR A PERSON OF THIS AGE AND SEX.

OF NOTE: Chylous

-SIGNIFICANT HYPOIMMUNOGLOBULINEMIA INVOLVING IGG. MAJOR DIFFICULTIES WITH POOR SYSTEMIC RESISTANCE TO INFECTION ARE NOT ANTICIPATED. SUGGEST RESTUDY IN 3 MONTHS. THERE IS IN ADDITION SIGNIFICANT DIFFUSE HYPERIMMUNOGLOBULINEMIA INVOLVING IGM THAT MAY REFLECT AN ACUTE IMMUNE PROCESS.

-MARKED HYPERLIPOPROTEINEMIA. IF THE PATIENT HAS FASTED PROPERLY THE DATA SUGGESTS PANCREATITIS, SEPSIS, ALCOHOLISM, ETC. SERIAL LIPID STUDIES WOULD BE OF VALUE DURING THERAPY.

DATE	PHYSICAL THERAPY
11-17-79 1 PM	Initial eval. 44yo WF ? former policeman, adm'd 10-31-79 c acute neck & upper back pain. Pain originally from MVA 10 yrs ago. Recurred Nov 1978 when lifting a box. Has had P.T. on several occassions c full relief at times — last patient therapy for past year c 75% relief but no significant response in past month. Dr Jarrett rx: "PT for ICT and IPT qd; massage, medicomisletion, HC packs neck & mid & upper back."
	S: Neck pain, back pain & HA since MVA 10 yrs ago. Neck pain is ~~constant~~ greater on (R) than (L) radiating to head c occassional numbness. The back pain is central low back & radiation, but ~~is~~ more severe posteriorly.
	O: Moves somewhat stiffly, but walks c difficulty. Neck rotation is 50% to (R) c pain; neck extension is particularly painful; daily extension is painful c assisted movements. Rx: ICT c HP (15" x 15 mins) @ 110 to back. (R) modes to traps & back. ~~HP~~ reported 1 soreness p Rx.
	A: Recurrent neck & back pain. Doubt L pain understand back.
	P: Cont treatment, add pelvic tx & massage. Thank you. Dr Jarrett
11-18-79 1 PM	S: Reports a general "whirling" in his shoulder & upper back muscles that he related to the IV yesterday and reports is worse since yesterday's P.T.
	(next page)

Dr Jarrett

M M H FORM 56 PHYSICAL THERAPY RECORD

CONSENT TO SPECIAL DIAGNOSTIC PROCEDURE

Date Nov 29, 1979 Time 7 30 (A.M. / P.M.)

I authorize Dr. Thorne, and such assistants as he may designate, to perform upon myself (myself or name of patient) the following diagnostic procedure: pan myelogram

The nature of this procedure, possible alternative methods of diagnosis and the risks of injury despite precautions have been explained to me.

Signed [illegible] (Patient or person authorized to consent for patient)

Witness Cheryl D Fisher, R.T.

MEMORIAL MISSION HOSPITAL OF W. N. C., INC.

June 18, 1984

Mr. Scott Jarvis, Attorney
P. O. Box 7533
Asheville, N. C. 28807

RE: Hartman R. Kuykendall

Dear Mr. Jarvis:

Mr. Kuykendall has acute fasciomyositis (Fibromyalgia) of the muscles of his upper and lower back, his neck, trapezius and rhomboid muscles, and lesser involvement of his upper arms.

These are associated with HLA B-27 positive antigen, and hyperimmunoglobulin M which are often found with other Collagen diseases. He has intermittent bouts of arthritis in his shoulder and lumbar spine joints.

His condition is permanent, and there is no known cure. He cannot sit for any length of time without pain and so he cannot do desk or other less active work.

Prednisone and Clinoril lessen his acute pains but do not relieve it.

He is totally and permanently disabled. See Dr. William Wilson's letter in your file.

Sincerely,

LCWaller

Louis C. Waller, M. D.

NORTH CAROLINA INDUSTRIAL COMMISSION

DOCKET R-5509

HARTMAN P. MULTENBAIL,	Employee, Plaintiff;	O R D E R
-vs-		FOR THE FULL COMMISSION
CITY OF ASHEVILLE,		APPROVING COMPROMISE SETTLEMENT AGREEMENT
SELF-INSURED,	Employer;	P E R
	Defendant.	WM. H. STEPHENSON CHAIRMAN

FILED: JAN 7 1983

This case came on for review before the Full Commission on November 19, 1982. Prior to the review hearing the parties settled their differences and the Commission is presently in receipt of a compromise settlement agreement embodying the terms of settlement.

A P P E A R A N C E S

Plaintiff: J. Lawrence Smith, Attorney, Asheville, N. C. (Now Withdrawn)

Wesley F. Talman, Jr., Attorney, Asheville, N. C.

Defendant: Richard S. Daniels, Attorney, Asheville, N. C.

* * * * * * * * * * * * *

The Full Commission is of the opinion that the agreement is to the best interests of the parties and should be approved.

IT IS THEREUPON ORDERED that the agreement be, and the same is hereby, approved upon condition that defendant comply with the following:

WHEREAS, all four physicians were later deposed by Defendant and their respective depositions filed with the North Carolina Industrial Commission (hereinafter "Commission"), (the contents of these four depositions being incorporated herein);

WHEREAS, there was great discrepancy among the expert medical opinions of the four physicians regarding Plaintiff's condition, to wit: said opinions ranged from finding Plantiff to have no permanent disability (Dr. Cappiello) to finding Defendant to be totally disabled (Dr. Waller);

WHEREAS, the Defendant has made two payments to Plaintiff totalling $6,000.00, which payments were approved by the Commission as advances to be credited to any compensation later awarded to Plaintiff on account of temporary total disability or permanent partial disability;

WHEREAS, with the exception of said advances, no agreement was reached between the parties concerning the proper amount of compensation to be paid to Plaintiff;

WHEREAS, a second hearing was held on December 17, 1981 for the purpose of determining the proper amount of compensation due to Plaintiff, at which time certain items were stipulated into evidence including the depositions of the four physicians who had theretofore been or were thereafter deposed;

WHEREAS, the above-described deposition of Dr. David Cappiello was thereafter taken and filed with the Commission and the record herein was closed on April 9, 1982 by order of the Commission;

WHEREAS, the Commission entered a second Opinion And Award on May 12, 1982 (the terms of which are incorporated herein) which concluded, among other things, that Plaintiff was entitled to temporary total disability benefits from October 26, 1979 through December 3, 1981, and awarded to Plaintiff compensation at the rate of $171.68 per week for so long as Plaintiff remained disabled and neither reached maximum medical improvement nor was offered a job which was suitable to his capacity;

STATE OF NORTH CAROLINA
COUNTY OF BUNCOMBE

BEFORE THE NORTH CAROLINA INDUSTRIAL COMMISSION
I.C. DOCKET NO. H-5509

HARTMAN R. KUYKENDALL
Employee/Plaintiff

vs.

THE CITY OF ASHEVILLE
Employer/Carrier/Defendant.

AGREEMENT OF FINAL COMPROMISE SETTLEMENT AND RELEASE

This Agreement Of Final Compromise Settlement and Release (hereinafter "Agreement") made and entered this 30th day of November, 1982, by and between the above named parties:

W I T N E S S E T H:

WHEREAS, the North Carolina Industrial Commission has heretofor entered an Opinion And Award herein on December 2, 1980 (the terms of which Order And Opinion are incorporated herein and not contested by the parties), which found that Plaintiff was entitled to benefits under the North Carolina Worker's Compensation Act as a result of Plaintiff having sustained an injury by accident arising out of and in the course of his employment on July 20, ~~1980~~ 1979, but which Opinion And Award specifically left the issue of the amount of compensation to be awarded for later agreement by the parties or for rehearing;

WHEREAS, after December 2, 1980, Plaintiff was re-examined by Dr. Louis C. Waller and Dr. William Wilson, and examined by Dr. Carlos Agudelo at the direction of Dr. Waller and examined by Dr. David Cappiello pursuant to request by Defendant, all of said physicians being licensed North Carolina physicians;

to the Commission.

2. The Defendant shall pay the appearance fees of all physicans as set forth in the May 12, 1982 Opinion And Award.

3. The Defendant shall pay all costs incurred in obtaining the May 12, 1982 Opinion And Award and incurred in the approval of this Agreement.

4. The Defendant shall pay, in lump sum, the sum of $24,500 to Plaintiff in full settlement of all claims which Plaintiff has ever had or will ever have for temporary total disability, permanent partial disability and any other type compensation resulting from his employment with Defendant, payable as follows:

a. $6,000.00- has already been advanced as set forth above

b. $15,000.00- payable upon the approval of this Agreement

c. $3,500.00- paid as attorneys fees $2,500.00 to J. Lawrence Smith and $1,000.00 to Wesley F. Talman)

5. The Plaintiff does hereby knowingly and intentionally remise, release and forever discharge the Defendant of and from any and all and every manner of action and actions, cause or causes of action, suits, debts, dues and [illegible]ney, judgments, demands and claims whatsoever, which against the Defendant he ever had or may now have or which his heirs, next-of-kin or personal representatives, or any other person whomsoever, hereinafter can, shall or may have by reason of or growing out of the terms and provisions of the North Carolina Worker's Compensation Act on account of the alleged injury of July 20, 1977 ~~1980~~, which gives rise to this claim for compensation, and for any other disability or medical benefits sustained by him.

WHEREAS, Defendant thereafter timely filed all necessary pleadings to perfect its appeal of said May 12, 1982 Opinion And Award to the full Commission upon those issues stated in Defendant's Application For Review filed on August 24, 1982;

WHEREAS, Defendant recognizes that some compensation is due to Plaintiff;

WHEREAS, Plaintiff recognizes that the medical evidence before the full Commission is so varied as to permit many results upon the appeal to the full Commission and now desires that a certain amount of compensation be awarded without any risk and without incurring further delay or costs of appeal;

WHEREAS, Plaintiff also has pending claims to Defendant for certain other benefits, the payment of which, if any, might be affected by the payment of future worker's compensation benefits and Plaintiff therefore desires to now finally and forever determine his rights with respect to Defendant pursuant to the North Carolina Worker's Compensation Act;

WHEREAS, Defendant also now desires to finally determine its liability to Plaintiff pursuant to the North Carolina Worker's Compensation Act and to finally conclude and dispose of this claim; and

WHEREAS, the parties have agreed and stipulated that the appeal to the full Commission of the May 12, 1982 Opinion And Award be postponed until this Agreement may be presented to the Commission for review and approval;

NOW, THEREFORE, in consideration of the foregoing and the promises hereinafter recited, the parties hereto agree that:

1. The Defendant shall pay all medical bills incurred by the Plaintiff for the treatment of his injury up to and including the date of the execution of this Agreement, after said medical bills and this Agreement have been submitted to and approved by the Commission. The parties acknowledge that, upon information and belief, all medical reports now existing have been submitted

9. This Agreement is made expressly subject to approval by the North Carolina Industrial Commission, either by award duly issued or by endorsement of its approval hereof, and that said award or approval shall be binding on the parties hereto.

This the 30th day of November, 1982.

Employer/Carrier/Defendant

By: K. M. Michalove
Mr. K. M. Michalove

Attorney for Employer/Carrier/
Defendant

6. The Plaintiff knowingly and intentionally agrees that any and all rights which he may have as a result of any changing condition under and by virtue of the provisions of the North Carolina Worker's Compensation Act giving him the right to reopen this claim for compensation or medical benefits at any time within two years from the date of the last payment of compensation under an award by the Commission are waived and the Defendant is expressly and particularly released from any and all further liability to him by reason of any right or claim he may have, or which may hereafter arise, to reopen this action and claim further benefits, whether compensation, medical or otherwise.

It is understood and agreed by the Plaintiff that in making this Agreement, he was not influenced by any representations or statements regarding his condition or regarding any other matters, made by any person, firm or corporation or by any physician or surgeon acting for or on behalf of the Defendant; that the facts in connection with his employment and with his resulting injuries are fully known, understood and comprehended by him; that his rights under the Worker's Compensation Act are thoroughly and completely understood by him and that he is acting with the advice of his own legal counsel.

7. This Agreement contains the entire agreement between the parties hereto and the terms of this Agreement are contractual and are not mere recitals, and the sums of money recited in this Agreement to be paid upon order of the Industrial Commission is all that the said Plaintiff will ever receive.

8. This Agreement in no way affects any right or rights of any of the parties hereto other than those arising under the provisions of the North Carolina Worker's Compensation Act, and such other right or rights are neither compromised nor released hereby. These rights specifically include, but are not limited to, Plaintiffs right to make claim for certian retirement benefits and, in the event such benefits are granted, Defendants right to an offset for all sums paid to Plaintiff on account of temporary total disability and permanent partial disabiltiy.

A P P E A R A N C E S

Plaintiff : J. Lawrence Smith, Attorney, Asheville, (now withdrawn)

Wesley F. Talman, Jr., Attorney, Asheville, counsel of record.

Defendant : Richard S. Daniels, Attorney, Asheville, counsel of record.

* * * * *

The hereinabove referenced Opinion and Award and Orders as well as the Stipulation are incorporated herein by reference.

Based upon all the competent evidence in the record, the undersigned makes the following additional

FINDINGS OF FACT

1. Following the injury by accident giving rise hereto on 7-20-79, plaintiff experienced pain in his back and shoulder areas but continued working, except for a few days, until October 26, 1979.

2. Beginning 8-31-79 and continuing thereafter, plaintiff has been treated on a regular basis by Dr. Waller for the injuries received as a result of said accident. Treatment has included anti-inflammatory, muscle relaxant and pain medications. Dr. Waller referred plaintiff in November 1979 to Dr. Wilson because of persistent tenderness and spasm in the muscles of his neck and back and for evaluation of inflammatory processes. In addition, Dr. Waller referred him to North Carolina Memorial Hospital Rheumatology Clinic for a second opinion.

NORTH CAROLINA INDUSTRIAL COMMISSION

DOCKET H-5509

Hartman Kuykendall,	Employee, Plaintiff,	OPINION AND AWARD
-vs-		BY
City of Asheville,	Employer,	Wm. L. HAIGH
Self-Insurer,	Defendant.	DEPUTY COMMISSIONER

FILED: MAY 12 1982

This matter was initially heard by the undersigned on 11-7-80 in Asheville and resulted in an Opinion and Award filed 12-2-80 as more fully appears of record. By Order filed 9-3-81, Chief Deputy Commissioner Shuford approved a Consent Order of the parties providing for the payment of the sum of $4,500.00 to plaintiff as an advance, said amount to be a credit toward any award of temporary total disability or permanent partial disability compensation. By Order filed 9-18-81, said Deputy Commissioner approved an attorney fee for Mr. Smith in the amount of $500.00. In addition, by Stipulation dated 12-18-81, defendant agreed to advance, without prejudice, the sum of $1,500.00 to plaintiff, said amount to be credited toward any award of temporary total disability or permanent partial disability compensation. No testimony was taken at the scheduled hearing of 12-17-81 in Asheville and the record was thereafter held open until 5-4-82 for depositions and other matters. It is now ready for determination.

plaintiff has been temporarily totally disabled from 10-26-79 up through and including 12-3-81 and he has not yet reached maximum medical improvement. Although he was able, as of February 1980, to perform a sedentary job answering the phone on a limited work schedule initially, the evidence fails to disclose that defendant has offered or procured a job for plaintiff which is suitable to his capacity.

The foregoing findings of fact and conclusions of law engender the following additional

CONCLUSION OF LAW

As a result of the injury by accident giving rise hereto, plaintiff has been temporarily totally disabled from 10-26-79 up through and including 12-3-81 and he is entitled to compensation therefor at the rate of $171.68 per week, less a credit in the amount of $6,000.00 for money advanced to plaintiff. Inasmuch as he has not yet reached maximum medical improvement, defendant shall continue to pay said rate of compensation to him after 12-3-81 so long as he remains so disabled and has not either reached maximum improvement or has not been offered a job which is suitable to his capacity. Defendant has not offered or procured for him a job suitable to his capacity. G. S. 97-29; G. S. 97-32 and G. S. 97-42.

3. Dr. Wilson first saw plaintiff 11-30-79 while hospitalized and has thereafter continued to treat him for an HLA-B27 reactive arthralgia-myalgia syndrome which manifests itself as spasm of muscles, including those of the back and calves, loss of motion, diffuse tenderness, and significant pain and soreness occurring all over but primarily in the shoulders and pelvic girdle area. Plaintiff, genectically, has an HLA-B27 antigen disorder which predisposed him to the development of the above referenced syndrome. The injury by accident giving rise hereto precipitated and triggered the syndrome and the onset of his resultant symptomology and disability.

4. Although plaintiff was struck by an automobile in August 1969 and thereafter received treatment, including conservative treatment by Dr. Waller in 1971 for flare-up of pain in the neck and shoulder, he had no permanent partial disability of the neck or back as a result thereof and thereafter returned to work and remained employed until after the injury by accident giving rise hereto.

5. Plaintiff was also hospitalized in June 1981 at North Carolina Baptist Hospital in Winston-Salem for evaluation by, among others, Dr. Agudelo and he was examined on 3-30-81 by Dr. Cappiello on referral from defendant.

6. As a result of the injury by accident giving rise hereto,

4. Defendant shall pay the costs, including the following expert witness fees: Dr. Louis Waller of Asheville, $200.00; Dr. William Wilson of Asheville, $150.00; Dr. David Cappiello of Asheville, $125.00; and Dr. Carlos Agudelo of Winston-Salem, $250.00.

IT IS HEREBY ORDERED that this cause be REMOVED from the Asheville hearing docket.

William L. Haigh

Wm. L. HAIGH
DEPUTY COMMISSIONER

WLH:mp

5-11-82

Based upon the foregoing findings of fact and conclusions of law, the undersigned makes the following

AWARD

1. Subject to counsel fees hereinafter allowed, defendant shall pay to plaintiff compensation, in a lump sum without commutation, for the period from 10-26-79 to 12-3-81 at the rate of $171.68 per week, less a credit in the amount of $6,000.00. Subject to counsel fee hereinafter allowed, defendant shall continue to pay to plaintiff compensation at the rate of $171.68 per week so long as he remains so disabled and has neither reached maximum medical improvement or has not been offered a job which is suitable to his capacity.

2. Counsel fee in the amount of $500.00 is hereby approved for plaintiff's current attorney, Mr. Wesley F. Talmas, Jr. and such amount shall be deducted from the accrued compensation due plaintiff and shall be paid directly to said attorney. In addition, a counsel fee in the amount of $2,500.00 is hereby approved for plaintiff's former attorney, Mr. Lawrence Smith and such amount shall be deducted from compensations due plaintiff and paid directly to said attorney.

3. Defendant shall pay all medical expenses incurred as a result of the injury giving rise hereto when bills for the same have been submitted through defendant to the Industrial Commission and approved by said Commission.

RE: HARTMAN KUYKENDALL

Dear Lou:

Hartman Kuykendall returned to the office today for follow up evaluation. He was last seen on October 9, and has remained on the Clinoril which you had given him.

Hartman had been evaluated at Bowman Gray where they felt he had some degenerative arthritis as well as a psychosomatic problem. In view of the chronic nature of his symptoms and the results of the studies which we have seen previously, I feel that he has a significant problem at this time which is not psychosomatic.

The positive HLA-B27, morning stiffness, proximal girdle arthralgias and myalgias, the partial response to the Clinoril and the elevated IGM all would point to an inflammatory disorder which is causing this.

I feel Mr. Kuykendall indeed has the symptoms which he describes and that they are secondary to a chronic inflammatory problem. He is to remain on the Clinoril and I have added Zomax 100 mg every four hours as necessary with food. In several other people who have had this disorder, I found Zomax to be more effective than the other medications.

I do not feel that Mr. Kuykendall is able to work at this time and from his apparent response to other treatment, I do not anticipate that he will able to return to work for the next twelve months. I feel he should be found disabled at this time.

I will see Mr. Kuykendall again in one month and we will adjust his medications at that time. If I can be of further assistance, please let me know.

Sincerely,

William F. Wilson, M.D.

Mr. Wesley Talman
Attorney at Law
Suite 508, Northwestern Bank Building
Asheville, N.C.

Dear Mr. Talman:

This concerns Mr. Hartman Kuykendall. A copy of my dictation from November 16, 1979 and a copy of the dictation of Dr. William Wilson from November, 1979 is included. As you can see from this dictation this man was involved in an automobile accident in August, 1969. In that accident he received an injury to his neck which ultimately resulted in hospitalization at Duke, along with a myelogram. Reportedly he had also been hospitalized by Dr. McKeel at Memorial Mission Hospital, and had another myelogram done. The patient has had pain in his back off and on since that injury.

It is my impression that his original problem with his neck started at the time of the accident in 1969.

If I can be of further assistance to you, please let me know.

Sincerely,

David L. Jarrett, M.D.

cc: Louis Waller, M.D.
cc: Mr. Hartman Kuykendall

2. The employer-employee relationship existed between plaintiff and defendant-employer.

3. Defendant was self-insured.

4. At the time of the alleged injury by accident the plaintiff's average weekly wage was $257.50.

5. In addition, the parties stipulated that plaintiff's injury on July 20, 1979, was in the course of his employment, that he is under the care of Drs. Waller and Wilson, that notice was given, and that the only issue for determination at this time is that of compensability.

* * * * * * *

Based upon the stipulations of the parties and the competent evidence adduced at the hearing, the undersigned rules the following

FINDINGS OF FACT

1. As of July 1979, plaintiff had worked for defendant 19 years in its police department. Since about April 1977 he had been in charge of building maintenance and by at least July 1979, he was in charge of vehicle and building maintenance.

2. On July 20, 1979, Captain Beaver requested plaintiff to tear out a counter and in response thereto, plaintiff and another

NORTH CAROLINA INDUSTRIAL COMMISSION

DOCKET H-5509

HARTMAN RUKENDALL,	Employee,) Plaintiff,)	OPINION AND AWARD
-vs-	)	BY
CITY OF ASHEVILLE, (Self-Insured)	Employer,) Defendant.)	WM. L. HAIGH DEPUTY COMMISSIONER

FILED: DEC 2 1980

This matter was heard before the undersigned in Asheville, North Carolina, on November 7, 1980.

APPEARANCES

Plaintiff: J. Lawrence Smith, Attorney, Asheville.

Defendant: Richard Daniels, Attorney, Asheville.

* * * * * * *

The undersigned finds as facts and concludes as matters of law the following, which were entered at the hearing as

STIPULATIONS

1. On the date of the alleged injury by accident, the parties were subject to and bound by the provisions of the Workers' Compensation Act.

CONTENT

If the parties are unable to agree upon the compensation to which plaintiff is entitled as a result of the injury giving rise hereto, then hearing thereon may be requested.

* * * * * * *

Based upon the foregoing findings of fact and conclusion of law, the undersigned enters the following

AWARD

1. Plaintiff is entitled to the benefits of the Workers' Compensation Act.

2. Defendant shall pay all medical expenses incurred by the plaintiff as a result of said injury when bills for the same are submitted through the carrier for approval by the Industrial Commission.

3. Defendant shall pay the costs.

IT IS HEREBY ORDERED that this case be REMOVED from the Asheville docket.

William L. Pfeiffer

WM. L. PFEIFFER
DEPUTY COMMISSIONER

WLP/sbc

employee under his supervision went to do so.

3. Said counter was about six to seven feet long, had 1/4-inch plywood sides and a formica top, all housed around 2 x 4 inch framing nailed with approximately six inch long nails rather than with the usual length nails of about 3 1/2 inches. After plaintiff and the co-employee had removed the sides and top and moved them out, plaintiff took hold of the framing and jerked it, whereupon he twisted his back and experienced back pain with a sensation of something coming loose in his back between his shoulders. Said framing had not come apart as easily as he thought it would.

4. Plaintiff sustained, as above described, an injury by accident arising out of and in the course of his employment on July 20, 1979.

The above findings of fact and conclusions of law engender the following

CONCLUSIONS OF LAW

1. Plaintiff sustained an injury by accident arising out of and in the course of his employment on July 20, 1979. G.S. 97-2(6).

ASHEVILLE, N. C. 28806

[redacted]ovember 17, 1980

RE: Hartman R. KUYKENDALL

To Whom It May Concern:

I first saw Mr. Kuykendall on August 31, 1979, at which time he was complaining of pain in both hips and in the lumbar spine area with tenderness. He gave a history of bending over and pushing a cabinet while he was tiling a floor. He was treated with traction treatments, muscle relaxants, and anti-inflammatory agents.

In the next few days he developed pain and spasm in his trapezius and posterior cervical muscles. This pain and spasm continued in spite of prolonged conservative treatment.

He was seen in consultation by Dr. Weiss, a neurosurgeon, on October 04, 1979. His diagnosis was chronic cervical and lumbosacral strain.

He was seen on November 30, 1979, by Dr. William Wilson. His diagnosis was chronic [redacted]ervical and lumbosacral strain; HLA-B27 positive fasciomyositis and tenosynovitis [redacted]ith traumatic aggravation; Hyper-Immunoglobulin-M.

His pain and spasm have continued to this date. When last seen on November 14, 1980, he had acute pain in his neck on rotation to the right and left with limitation of thirty degree range of motion. At that time he also had acute spasm of the left rhomboideus muscle. Results of a cervical spine x-ray done on this date revealed a narrowing of the left 4-5 neuronal foramina. This results in acute nerve root pain down the left side of his neck and upper back.

In conclusion he has this continuing acute cervical and lumbosacral strain; HLA-B27 positive fasciomyositis and tenosynovitis with traumatic aggravation from his initial injury on July 20, 1979.

Re: Hartmon R. Kuykendall vs. Asheville Policemen's Pension and Disability Fund (City of Asheville)

Dear Mr. Wolcott:

The decision of the Board of Trustees of the Asheville Policemen's Pension and Disability Fund, dated February 21, 1985, has just been received by our office. Scott E. Jarvis, Esq., represents Mr. Kuykendall. Because of a serious illness, Mr. Jarvis is currently absent from the office.

Mr. Kuykendall does not agree with the decision of the Board of Trustees of the Asheville Policemen's Pension and Disability Fund. He intends to contest that decision. Please consider this our formal notice of appeal of the February 21, 1985 decision. We understand the appeal will be heard by the Asheville City Council.

At your earliest convenience, please let us know what, if any, materials you need from the office. Also, we would like an explanation as to the steps and procedures involved in the appeal process.

We would respectfully request that the hearing of this appeal be deferred to and until Mr. Jarvis's return to the office, after his surgery and recuperation. Mr. Jarvis will undergo surgery on April 5, 1985, and we expect him to return to the office approximately three weeks after said date.

Resectfully,

Bill Shuford, Jr.

STATE OF NORTH CAROLINA

COUNTY OF BUNCOMBE

AFFIDAVIT

The undersigned, after being first duly sworn, according to law, deposes and says as follows:

1. My name is James Calvin Hadden and I have been with the Asheville Police Department as a janitor and vehicle maintenance man for seventeen (17) years.

2. On July 20, 1979, H. R. Kuykendall and I were putting down tile in the Detective Office and under the instructions of Captain Beaver, Gladys McDaniels and Sally Stoker.

3. We were trying to move a counter about eight foot long. We were in the process of tearing the counter out and had gotten the sides off of it and this left the frame which was made of two by fours. Mr. Kuykendall was trying to move the counter and pulled at it, but it did not budge because it had been nailed down with nails that were approximately six to eight inches long. He hurt his back and immediately complained about it, and he told me that he had hurt his back when he reached to move the counter and it would not budge because of having been nailed down.

4. The accident happened on Friday and Mr. Kuykendall complained the rest of the day about his back. He was hardly able to do anything more after trying to move the counter. He was humped over and when he came back on Monday, he was all humped over and unable to work and still complaining about his back. He tried to work but was just unable and was in a great deal of pain.

5. Mr. Kuykendall had not complained about his back before the accident [illegible] the counter.

FURTHER, AFFIANT SAITH NAUGHT.

THIS 9th DAY OF APRIL, 1980.

Re: H.R. Kuykendall vs. City of Asheville

Dear Bill:

On February 18, 1985, Mr. Kuykendall had a hearing before the Board of Trustees of the Policemen's Pension Fund. His application for pension was denied by that Board. Upon receipt by certified mail of a copy of the Board's decision, a notice was sent appealing the decision to the City Commission.

We have since been unable to learn when the matter will be considered by the City Commission. Would you please advise as to what we can do to get the matter heard by the Commission.

Also, if you would care to do so, I would be glad to open my entire file concerning Mr. Kuykendall for your inspection. I really feel that Mr. Kuykendall has a valid claim and I will be glad to cooperate with you or your staff in any possible way.

Thank you for looking into this matter and for your assistance on it.

Sincerely,

Scott E. Jarvis

SEJ/as

cc H.R Kuykendall

RECEIVED JUN 2 5 1985

MEMORANDUM TO: Lla Leet Hudson, Fringe Benefit Coordinator

FROM: Bill Slawter, City Attorney

DATE: June 21, 1985

Attached is a copy of the letter I have just received from Scott Jarvis regarding H.R. Kuykendalls' appeal to City Council from the decision from the Police Pension Board. Mr. Jarvis has now apparently recuperated from his illness and is ready to have this matter heard before the City Council. This matter probably needs to be discussed during a pre-council session so that City Council can be advised of the matter and given a packet of available materials concerning the action. They could then determine the date on which they would want to hear the matter. I believe this is the procedure that was followed in Walsh hearing rather than arbitrarily setting a date which might not be convenient for Council since a hearing of this nature would ordinarily take a good bit longer than routine council actions.

Re: Hartman Rankin Kuykendall
employer - City of Asheville
d/a: July 20, 1979

Dear Mr. Daniels:

Pursuant to your instructions, Mr. H. R. Kuykendall was seen and evaluated by me in my office this morning.

As you well know, he is a forty-nine year old employee of the City of Asheville who allegedly was asymptomatic until on or about July 20, 1979 when he injured his neck and upper back while jerking some 2 X 4's. He felt some pain in his upper back shortly after performing the above maneuver and continued to work. He then laid some tile later that same day and began experiencing increasing pain in his upper back and neck. He denied any radiating pain into either upper extremity and also denied any injury to either upper extremity at that time. In 1969 he injured his neck and was treated for an acute cervical strain at that time. He feels that the recent injury is an aggravation of his old injury.

He failed to improve on conservative measures as an outpatient so he was admitted to Memorial Mission Hospital for approximately two months under the care of Doctor Waller. X-rays of the cervical spine along with x-rays of his thoracic and lumbo-sacral spines were taken while in the hospital and they were read as normal. A pan myelogram was also performed and this was read as normal and a bone scan was read as normal. He was seen in consultation by Doctor Jarrett, an orthopaedist, and Doctor Weiss, a neurosurgeon. Other than an intensive course of physical therapy, nothing else was done on this man while in the hospital. He has not yet returned to work and continues to see Doctor Waller frequently for physical therapy treatments as an outpatient.

At the present time he is complaining of discomfort in his neck and upper back along with some radiation into the left upper extremity. He experiences a great deal of weakness in the left upper extremity but, as mentioned above, he does not feel that he injured his left shoulder in the accident.

Physical examination reveals a healthy adult male who appears to be in no distress. He holds his neck in a normal posture but demonstrates a very limited range of

MR. SCOTT F. JARVIS
ATTORNEY AT LAW
P.O. BOX 7533
ASHEVILLE, NORTH CAROLINA 28807

RE: HARTMAN R. KUYKENDALL

DEAR MR. JARVIS:

I AM WRITING TO ADVISE YOU OF THE DECISION OF THE BOARD OF TRUSTEES OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND REGARDING MR. KUYKENDALL'S REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

AFTER CONSIDERATION AND REVIEW OF ALL EVIDENCE SUBMITTED, IT WAS THE DECISION OF THE BOARD OF TRUSTEES (AT THE FEBRUARY 18, 1985 MEETING) TO ACCEPT THE RECOMMENDATION OF THE BOARD OF EXAMINERS AND TO DENY THE REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

UNDER THE PROVISIONS OF CHAPTER 429 OF THE 1979 SESSION LAWS OF THE NORTH CAROLINA GENERAL ASSEMBLY, MR. KUYKENDALL HAS TEN (10) DAYS FROM RECEIPT OF THIS LETTER TO APPEAL THE DECISION TO THE ASHEVILLE CITY COUNCIL; SUCH APPEAL TO BE MADE THROUGH THE CITY CLERK OF THE CITY OF ASHEVILLE.

IF YOU HAVE ANY QUESTIONS REGARDING THIS MATTER, PLEASE LET ME KNOW.

VERY TRULY YOURS,

Lla Leet L. Hudson

LLA LEET L. HUDSON
FRINGE BENEFITS ADMINISTRATOR

LLH:S

November 17, 1981

Mr. J. Lawrence Smith
Attorney and Counsellor at Law
Suite 200
Gennett Building
29 North Market Street
Asheville, North Carolina 28801

Re: Hartman R. Kuykendall

Dear Mr. Smith:

I am writing to advise you of action taken by the Board of Examiners of the Asheville Policemen's Pension and Disability Fund at their meeting held on Monday, November 16, 1981.

As you recall, at the March 16, 1981 meeting, Mr. Kuykendall was instructed to submit affidavits from (1) himself regarding a statement contained in Dr. David L. Jarrett's medical report as to how/where alleged injury to back occurred; and (2) Dr. Jarrett regarding same. To date, only the affidavit from Mr. Kuykendall has been received. Questions were raised as to the status of Mr. Kuykendall's request for disability retirement, and the Board then instructed me to advise you that Mr. Kuykendall be required to furnish the requested information and to appear before the Board at its December 21, 1981 meeting.

If you have any questions regarding the above matter, please advise me accordingly.

Very truly yours,

Lla Leet L. Hudson
Fringe Benefits Administrator

LLH:s

motion of his neck in all planes. This appears to be a voluntary restriction of motion. There is no definite palpable paravertebral muscle spasm but he admits to diffuse tenderness over the cervical spine posteriorly. There is also diffuse tenderness in the thoracic and lumbar areas but there is no definite palpable paravertebral muscle spasm. There is tenderness to deep palpation in the subacromial region of the left shoulder and there is weakness to abduction of the left shoulder. His deep tendon reflexes are normal and equal and there is no motor or sensory deficit in either upper extremity.

X-rays of his cervical spine taken in the office today reveal no disc space narrowing and no arthritic changes. His vertebral bodies and posterior elements are well preserved and the intervertebral foramina are well preserved. X-rays of his thoracic spine reveal no evidence of fracture or dislocation and there are no significant arthritic changes in his thoracic spine.

I feel that this man sustained cervical and thoracic muscle strain in the accident at work and I am extremely surprised that he has not recovered completely from this and is not back to full employment. He may well have injured his left shoulder in the accident but, as stated above, he denied any complaints of pain in the left shoulder at the time of the injury. This man may well have a tear of the rotator cuff of his left shoulder which is aggravating his neck and back. Of course, this possible tear of the rotator cuff does not have to be traumatic in origin. If you would like me to pursue this problem further with a shoulder arthrogram, I will be most happy to do so.

As far as his neck and back are concerned, I feel that he has now reached the point of maximum improvement from treatment and recommend no further treatment. I feel that he can safely return to work immediately without injuring himself further, and I feel that he can be safely discharged from treatment with no (0%) disability as a result of the injuries to his neck and upper back.

If I can be of any further assistance to you in this matter or perhaps answer any further questions more specifically, please do not hesitate to call on me.

Sincerely yours,

David L. Cappiello, M.D.

DLC:jas

attachment (form 25)

DR. WALLER FURTHER ADVISED THAT ONE OF THE TESTS WAS A GAMMA GLOBULIN WHICH RESULTED IN POSITIVE READING FOR THE HLA-B27 SYMDROME; THAT THIS SYNDROME IS ASSOCIATED WITH RHUEMATOID ARTHRITIS; IS A MUSCLE INFLAMMATORY CONDITION; THAT STRESS/ACUTE TRAUMA CAN PRECIPITATE CONDITION; DR. WALLER STATED " THAT HE WAS NOT SAYING THAT KUYKENDALL WOULD NOT HAVE HAD CONDITION IF INJURIES HAD NOT OCCURRED; IT WAS HIS OPINION THAT THE INJURIES PRECIPITATED THE CONDITION EARLIER" .

IN THE DISCUSSION THAT FOLLOWED, IT WAS DETERMINED THAT THE DISEASE IS AN INFLAMMATORY TYPE DISEASE; THAT ANYONE COULD COME DOWN WITH SAME; THE ACCIDENT DID NOT CAUSE THE DISEASE, BUT PRECIPITATED THE DISEASE. MR. FRUE QUESTIONED THE DIFFERENCE BETWEEN PRECIPITATING AND CAUSING. DR. WALLER'S ANSWER WAS THAT STRESS OF INJURY MAY CAUSE IT TO SHOW UP WHEREAS IT MAY NOT SHOW UP UNTIL YEARS LATER; THAT THE AGGRAVATION OF INJURY CHANGED THE DISEASE FROM A SUB-CLINICAL TO A CLINICAL STATE. IT WAS FURTHER DETERMINED/STATED THAT THE CONDITION IS NOT ORTHOPAEDIC.

IN CLOSING, DR. WALLER STATED THAT IT WAS HIS OPINION THAT KUYKENDALL IS DISABLED TO PERFORM ANY WORK.

AT THIS TIME THE BOARD RECESSED AND WENT INTO EXECUTIVE SESSION.

UPON RETURNING TO OPEN SESSION, MOTION WAS MADE BY MR. FOWLER, SECONDED BY MS. FRANK, AND UNANIMOUSLY APPROVED THAT THE BOARD OF TRUSTEES ACCEPT/AFFIRM THE RECOMMENDATION OF THE BOARD OF EXAMINERS AND THAT THE REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY BE DENIED. MR. KUYKENDALL WAS ADVISED OF HIS RIGHT TO APPEAL TO THE CITY COUNCIL.

WILLIAM H. COSTELLO: CONSIDERATION OF REQUEST FOR DEFERRED RETIREMENT BENEFIT.

MRS. HUDSON ADVISED THE BOARD THAT WILLIAM H. COSTELLO HAD RESIGNED FROM THE ASHEVILLE POLICE DEPARTMENT BUT HAD MET THE REQUIREMENTS TO LEAVE HIS CONTRIBUTIONS IN THE PENSION FUND AND RECEIVE BENEFITS WHEN HE REACHED RETIREMENT AGE. (DATE OF EMPLOYMENT: MAY 18, 1957.) THE BOARD ACCEPTED THIS AS INFORMATION.

OTHER BUSINESS:

MRS. HUDSON ADVISED THE BOARD THAT SHE HAD BEEN INFORMED BY MARY ANN MORRIS, ACCOUNTING DIVISION, OF SERVICE CHARGES TO BE INCURRED ON MONIES/FUNDS PRESENTLY BEING HANDLED BY THE BANK.

AFTER DISCUSSION, MRS. HUDSON WAS INSTRUCTED TO ADVISE MS. MORRIS TO MAKE INQUIRIES OF ALL BANKING INSTUTIONS IN THIS AREA REGARDING ANY CHARGES ON MONIES, REASON FOR CHARGES, AND MAKE REPORT TO MRS. HUDSON; UPON RECEIPT OF INFORMATION, MRS. HUDSON IS TO MAKE TELEPHONE SURVEY OF BOARD MEMBERS REGARDING SAME.

ASHEVILLE POLICEMEN'S
PENSION AND DISABILITY FUND

THE REGULAR MONTHLY MEETING OF THE BOARD OF TRUSTEES OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND WAS HELD ON MONDAY, FEBRUARY 18, 1985 AT 10:00 A.M. IN THE COUNCIL CHAMBERS OF THE CITY HALL BUILDING. PRESENT WERE: WILLIAM C. FRUE, JR., CHAIRMAN; MARY LLOYD FRANK; PORTER V. FOWLER, JR.; PATSY BRISON, LEGAL COUNSEL FOR THE BOARD; AND LLA LEET L. HUDSON, FRINGE BENEFITS ADMINISTRATOR.

ALSO PRESENT: HARTMAN R. KUYKENDALL, CLAIMANT; SCOTT JARVIS, LEGAL COUNSEL FOR THE CLAIMANT; LOUIS C. WALLER, M.D.; AND JOHN P. MIALL, JR., EMPLOYEE SERVICES DIVISION HEAD.

THE MEETING WAS CALLED TO ORDER AND A QUORUM WAS PRESENT.

HARTMAN R. KUYKENDALL: CONSIDERATION OF RECOMMENDATION OF BOARD OF EXAMINERS REGARDING REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

MR. JARVIS ADVISED THE BOARD OF THE FOLLOWING: THAT KUYKENDALL'S PROBLEM STARTED IN 1969 WHEN, WHILE DIRECTING TRAFFIC (AFTER AN ACCIDENT ON TUNNEL ROAD), KUYKENDALL WAS HIT BY AN AUTOMOBILE AND THROWN INTO THE AIR, INJURING HIS BACK; AFTER PERIOD OF RECUPERATION, HE RETURNED TO WORK; IN 1979, AFTER HAVING BEEN CLASSIFIED AS A MAINTENANCE SUPERVISOR, KUYKENDALL WAS ASSIGNED TO REMOVE SOME COUNTERS IN THE DETECTIVE OFFICE; WHILE DOING SO, HE INJURED HIS BACK AND COMPLAINED OF PAIN IN NECK, SHOULDERS, BACK; KUYKENDALL HAS BEEN EVALUATED BY NUMEROUS SPECIALISTS, INCLUDING BOWMAN-GRAY, DUKE; IN THE COURSE OF SUCH EVALUATIONS, RHEUMATOLOGISTS DETERMINED THAT KUYKENDALL HAD HLA-B27 SYNDROME WHICH IS A CHRONICALLY INFLAMMED MUSCLE CONDITION; THAT SUCH WAS A RESULT OF THE 1979 ACCIDENT.

HE FURTHER ADVISED THAT A WORKER'S COMPENSATION CLAIM HAD BEEN FILED; WORKER'S COMPENSATION HAD FOUND IN KUYKENDALL'S FAVOR; THE CITY HAD APPEALED THE DECISION, BUT SUBSEQUENTLY SETTLED WITH KUYKENDALL. HE STATED THAT THIS WAS A REAL CONDITION PROVED BY BOTH OBJECTIVE AND SUBJECTIVE FINDINGS-LABORATORY, X-RAYS, ETC; KUYKENDALL IS DISABLED AND SUCH DISABILITY HAD IMMEDIATE ORIGIN IN 1979 WHILE EMPLOYED/WORKING FOR THE CITY OF ASHEVILLE.

DR. WALLER TESTIFIED TO THE FOLLOWING: THAT HIS FIRST CONTACT WITH KUYKENDALL WAS ON JUNE 28, 1971, FOR TREATMENT OF MUSCLE SPASMS/PAIN IN THE NECK; TREATED KUYKENDALL IN 1973 FOR BROKEN WRIST FROM WHICH HE RECOVERED; 1974 FOR CHEST DISCOMFORT; 1976 FOR PHYSICAL EXAMINATION - GENERAL HEALTH WAS GOOD AT THAT TIME; 1978 FOR PAIN IN WALL MUSCLES; FEBRUARY, 1979, SHOVELING SNOW RESULTED IN NECK PAIN AND SPASMS; ON 08/31/79 FOR DEVELOPING PAIN IN NECK (AS RESULT OF INJURY ON 07/20/79); KUYKENDALL CONTINUED TO HAVE PAIN IN NECK, SHOULDER, BACK, AND MUSCLES; DID NOT RESPOND TO TREATMENT/MEDICATIONS; ADMITTED TO HOSPITAL IN OCTOBER, 1979 AND WHILE THERE, WAS TREATED/TESTED BY DR. JARRETT.

ASHEVILLE POLICEMEN'S
PENSION AND DISABILITY FUND

THE REGULAR MONTHLY MEETING OF THE BOARD OF EXAMINERS AND THE BOARD OF TRUSTEES OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND WAS HELD ON MONDAY, NOVEMBER 26, 1984 AT 10:00 A.M. IN THE COUNCIL CHAMBERS OF THE CITY HALL BUILDING. PRESENT WERE: MAYOR LARRY S. MCDEVITT, CHAIRMAN OF THE BOARD OF EXAMINERS; JOHN A. HENDERSON, M.D.; JAMES H. PARRIS, JR.; NEAL CREIGHTON, CITY MANAGER; PATSY BRISON, LEGAL COUNSEL FOR THE BOARDS; AND LLA LEET L. HUDSON, FRINGE BENEFITS ADMINISTRATOR.

ALSO PRESENT: SCOTT JARVIS, ATTORNEY AT LAW; HARTMAN R. KUYKENDALL, CLAIMANT; AND JOHN P. MIALL, JR., EMPLOYEE SERVICES DIVISION HEAD.

ABSENT: RONALD CHANDLER, MEMBER OF BOARD OF EXAMINERS; WILLIAM C. FRUE, JR., CHAIRMAN OF THE BOARD OF TRUSTEES; MARY LLOYD FRANK, TRUSTEE; AND PORTER V. FOWLER, JR., TRUSTEE.

THE MINUTES OF THE PREVIOUS MEETING WERE APPROVED AS WRITTEN.

HARTMAN R. KUYKENDALL: RE-CONSIDERATION OF REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

MRS. HUDSON ADVISED THE BOARD THAT THE REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY HAD PREVIOUSLY BEEN DENIED; HOWEVER, UPON REQUEST FROM THE ATTORNEY, SCOTT JARVIS, WHO IS NOW REPRESENTING MR. KUYKENDALL, SUCH REQUEST WAS SCHEDULED FOR RE-CONSIDERATION IN ORDER THAT CLAIMANT AND HIS ATTORNEY MIGHT PRESENT ADDITIONAL MEDICAL EVIDENCE/TESTIMONY.

AFTER DISCUSSION AS TO THE LEGALITY OF SUCH RE-CONSIDERATION, IT WAS THE DETERMINATION OF THE BOARD THAT HEARING WOULD PROCEED WITH ONLY NEW EVIDENCE/TESTIMONY BEING PRESENTED. (THE BOARD HAD PREVIOUSLY BEEN FURNISHED WITH COPIES OF MINUTES PERTINENT TO TESTIMONY HEARD AT PRIOR MEETINGS.)

MR. JARVIS GAVE A BRIEF HISTORY OF CASE STATING THAT MR. KUYKENDALL HAD BEEN EMPLOYED BY THE ASHEVILLE POLICE DEPARTMENT IN 1966; WAS INJURED IN 1969 WHILE DIRECTING TRAFFIC AT AN ACCIDENT; HAD SUBSEQUENTLY RETURNED TO WORK; WHILE IN EMPLOYMENT OF POLICE DEPARTMENT, HAD BEEN ASSIGNED TO VARIOUS DUTIES - DISPATCHER, JAILER, ETC.; THAT REQUEST FOR DISABILITY RETIREMENT WAS BASED ON INJURY TO BACK WHILE REMOVING A CABINET IN THE DETECTIVE OFFICE; PRESENTLY ON LEAVE WITHOUT PAY (BEGINNING NOVEMBER, 1980); MATTER HAD BEEN REPORTED TO NORTH CAROLINA INDUSTRIAL COMMISSION; ON DECEMBER 02, 1980, INDUSTRIAL COMMISSION MADE A FINDING IN MR. KUYKENDALL'S BEHALF. MR. JARVIS PRESENTED SEVERAL MEDICAL REPORTS TO THE BOARD, COPIES OF WHICH ARE ATTACHED AND MADE A PART OF THESE MINUTES.

THERE BEING NO FURTHER BUSINESS, THE MEETING WAS UPON MOTION ADJOURNED.

BOARD OF TRUSTEES

ASHEVILLE POLICEMEN'S
PENSION AND DISABILITY FUND

The Board of Examiners and the Board of Trustees of the Asheville Policemen's Pension and Disability Fund met in regular session on Monday, December 21, 1981, at 10:00 A.M. in the Council Chambers of the City Hall Building. Present were: Mayor Roy M. Trantham, Chairman of the Board of Examiners; John A. Henderson, M.D.; John M. Biggs; James H. Parris, Jr.; Kenneth M. Michalove, City Manager; William C. Frue, Jr., Chairman of the Board of Trustees; Mary Lloyd Frank, Trustee; Robert J. Robinson, Counsel for the Boards; and Lla Leet L. Hudson, Fringe Benefits Administrator.

Also present: Hartman R. Kuykendall; J. Lawrence Smith, Counsel for H. R. Kuykendall; W. Michael Smith, Director of Administration; Rick Daniels, Attorney at Law; Fred W. Hensley, Chief of Asheville Police Department; and John P. Miall, Jr., Administrative Supervisor of Employee Safety/Development Division of Employee Services Department.

Absent: Walter L. Dillingham, Trustee.

The minutes of the November 16, 1981 meeting were approved as written.

HARTMAN R. KUYKENDALL: FURTHER CONSIDERATION OF REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

Further consideration was given to Hartman R. Kuykendall's request for disability retirement in the line of duty.

At a previous meeting, the Boards had instructed Mr. Kuykendall to submit affidavits from himself and from Dr. Jarrett regarding where alleged injury to back had occurred. Mrs. Hudson informed the Boards that, to date, only an affidavit from Mr. Kuykendall had been received; nothing had been received from Dr. Jarrett

J. Lawrence Smith advised the Boards that a Worker's Compensation hearing had recently been held in regard to alleged back injury; that Mr. Kuykendall had been rated (by a Dr. Wilson) totally disabled due to the accident of 1979 and could no longer work as a police officer; that Dr. Louis Waller had rated Kuykendall at fifty percent (50%) permanent partial disability - having seen him numerous times since the 1979 incident; that Mr. Kuykendall had been out of work for two (2) years and that evidence is present that would sustain claim for disability.

MR. KUYKENDALL TESTIFIED (UNDER OATH) THAT HIS INJURY WAS A RESULT OF TRYING TO REMOVE A COUNTER IN THE DETECTIVE OFFICE; THAT HE WAS FIRST INJURED IN 1969, WHILE DIRECTING TRAFFIC AT AN ACCIDENT SITE; THAT AFTER 1969 INJURY, RETURNED TO WORK; DUTIES INCLUDED THAT OF DISPATCHER, JAILER, BACK ON LINE IN THE TRAFFIC DIVISION, AND FINALLY, WAS ASSIGNED TO DUTIES AS MOTOR VEHICLE/BUILDING MAINTENANCE COORDINATOR. HE DESCRIBED ACCIDENT STATING THAT HE AND JANITOR, JAMES C. HADDEN, WERE SENT DOWN TO DETECTIVE OFFICE TO MOVE COUNTER; REMOVED TOP AND SIDES OF COUNTER; WHEN TRIED TO MOVE FRAME, INJURY TO BACK OCCURRED; FRAME WAS LATER REMOVED BY USING CROWBAR (DUE TO LENGTH OF NAILS); THAT SINCE INJURY, COULD NOT SIT; RISE FROM CHAIR; HAS MUSCLE SPASMS; CANNOT MOVE LEFT ARM OVER HEAD; CANNOT SIT FOR ANY LENGTH OF TIME, BUT HAS TO KEEP MOVING; HE IS UNABLE TO WORK AT ALL; HAS PAIN ALL THE TIME AND IS MEDICATING ALL THE TIME; SEES PHYSICIAN FROM ONE (1) TO THREE (3) TIMES PER WEEK (SINCE 1979). HE AFTER QUESTIONING BY MEMBERS OF BOARD, IT WAS DETERMINED THAT/IS NOT PRESENTLY UNDER CARE OF ORTHOPAEDIC PHYSICIAN; ONLY SEEING LOUIS WALLER, M.D. (GENERAL PRACTIONER).

FURTHER EVIDENCE SHOWED THAT HE SUFFERS FROM HLAB27 SYMDROME; SUCH SYMDROME CAUSES ACHES/PAINS/ETC. IN BODY. HOWEVER, IT IS MR. KUY-KENDALL'S CONTENTION THAT ALLEGED ACCIDENT PRECIPITATED HIM INTO THE SYMDROME, AND FURTHER THAT AGGRAVATION OF CONDITION AROSE FROM THE ALLEGED INJURY.

FURTHER QUESTIONING REVEALED THAT CONDITION IS NOT ORTHOPAEDIC/NEURO-LOGICAL PROBLEM; IS AN INFLAMMATORY DISEASE; THAT TREATMENT RECEIVING WAS SET UP BY DR. WILSON AND IS BEING ADMINISTERED BY DR. WALLER.

AS TO REASON FOR INDUSTRIAL COMMISSION RULING IN FAVOR OF MR. KUYKENDALL, IT WAS DETERMINED THAT WHEN THE COMMISSION IS PRESENTED WITH CONFLICTING ACCOUNTS, THE COMMISSION MUST RULE IN THE WORKER'S (EMPLOYEE'S) FAVOR; THAT THE CITY ALSO FELT THAT TO PURSUE AN APPEAL WOULD RESULT IN THE SAME DECISION (DUE TO THE LAW) AND THUS, FOUND SETTLEMENT LESS COSTLY THAN LENGTHY COURT CASE.

AFTER DISCUSSION, MOTION WAS MADE BY DR. HENDERSON, SECONDED BY MR. PARRIS, AND UNANIMOUSLY APPROVED THAT THE REQUEST FOR DISABILITY RE-TIREMENT IN THE LINE OF DUTY BE DENIED.

MR. KUYKENDALL WAS ADVISED THAT NEW EVIDENCE HAD BEEN CONSIDERED; THAT TECHNICALLY, THE CASE WAS AND HAD BEEN BEFORE THE BOARD OF TRUSTEES; HOWEVER, IN FAIRNESS TO CLAIMANT, HAD AGREED TO HEAR ANY NEW EVIDENCE AND WOULD PASS SUCH EVIDENCE AND THEIR RECOMMENDATION TO THE BOARD OF TRUSTEES.

THERE BEING NO FURTHER BUSINESS, THE MEETING WAS UPON MOTION ADJOURNED.

_____ _____

SECRETARY

CHAIRMAN
BOARD OF EXAMINERS

There being no further business by the Board of Examiners, the meeting was upon motion, adjourned.

ACTION BY BOARD OF TRUSTEES:

Mr. Frue advised Mr. Kuykendall and his Counsel, Mr. Smith, that the Board, having been seated during the meeting of the Board of Examiners and having heard discussion, had nothing further upon which to act; that the Board had Mr. Kuykendall's affidavit and a medical report from Dr. Cappiello.

Mr. Smith advised the Board that he wanted the three (3) depositions (from physicians) made a part of Mr. Kuykendall's medical report; however, he had been unable to obtain them, feeling that expense involved in getting them copied for his client was too expensive. He further stated that he would "insist" that the depositions be reviewed by all three (3) members of the Board of Trustees and that their decision should be predicated by a review of all evidence available.

Mr. Daniels advised the Board that he would be happy to provide copies of the depositions to the Board; however, he would remind the Board that such depositions were taken pertinent to a Worker's Compensation hearing and were therefore, taken in a different context, and he further admonished the Board to remember what disability was being discussed.

Mr. Smith advised the Board that he and his client felt that the requirement for an affidavit from Dr. Jarrett (regarding occurence of alleged injury) imposed a hardship upon them; however, if such were required, then an effort would be made to obtain the affidavit. He further advised the Board that a deposition was being taken from Dr. Cappiello (for Worker's Compensation purposes) and asked that the Board review same. This request came as a result of statement in letter from Dr. Cappiello which said that Mr. Kuykendall was zero percent (0%) disabled, which was pointed out to Mr. Smith by Mr. Frue.

After discussion, Mr. Frue advised Mr. Kuykendall and Mr. Smith that action on the matter would be deferred until depositions were made available for the Board's review.

Rick Daniels, City Attorney for Worker's Compensation, advised the Boards that according to depositions given for the hearing, Dr. Waller feels that Kuykendall is unable to perform any duties; the other two (2) physicians feel that Kuykendall could have held a desk job (performing light duty). Mr. Daniels cautioned the Boards to determine if disability were a result of Kuykendall's performance of duties as a police officer (due to conflicting comment found in Dr. Jarrett's report) and would advise the Boards to continue to request an affidavit from Dr. Jarrett regarding same. Mr. Daniels further advised the Boards that medical evidence (according to depositions) showed that Mr. Kuykendall was suffering from HLAB 27 Syndrome (found by blood tests); such Syndrome causes aches/pains in body; that Drs. Wilson and Waller feel alleged accident precipitated Kuykendall into Syndrome.

Dr. Henderson then questioned as to whether reports (of disability) were based on x-ray/laboratory findings or on statements of pain from Mr. Kuykendall.

Mr. Daniels advised that x-ray findings showed normal; that aches/pains were caused by spasms; that there were little (few) objective findings; and that disability was based on Mr. Kuykendall's reports of aches and pains.

Mr. Robinson referred to the hospital report (previously received by the Boards) and read, to the Boards, Dr. Jarrett's statement that accident occurred while laying tile at home. He advised the Boards that Mr. Kuykendall, in his affidavit, denied making such statement to the doctor; however, no affidavit had been received from Dr. Jarrett (rescinding statement in the report).

After discussion, in which Dr. Henderson stated that there was very little objective evidence submitted to support alleged injury, motion was made by Dr. Henderson, seconded by Mr. Biggs, and unanimously approved that further consideration for Mr. Kuykendall's request for disability retirement in the line of duty be denied.

There being no further business for the Board of Examiners, the meeting was upon motion adjourned.

WILLIAMSON B. ALLISON: FURTHER CONSIDERATION OF REQUEST FOR CHANGE OF RETIREMENT STATUS FROM NORMAL RETIREMENT TO DISABILITY RETIREMENT IN THE LINE OF DUTY.

At the previous meeting of the Board of Trustees, no action had been taken on the request in order that minutes of the July 9, 1979 meeting could be made available to them for review and also, the Board wanted to review medical evidence submitted.

Mr. Cole, Acting Chairman, requested that Mrs. Hudson read the minutes of the July 09, 1979 meeting; in the minutes, it was stated that due to lack of evidence that Mr. Allison had been denied a right to request for disability retirement in the line of duty, and upon recommendation from Mr. Robinson that the request be denied due to the Statute of Limitations and also, Mr. Allison had attained retirement age and had submitted an application for normal retirement benefits which were awarded by a prior Board, the Board of Examiners had denied the request.

After discussion, motion was made by Mr. Dillingham, seconded by Mr. Cole, and unanimously approved that the recommendation of the Board of Examiners be accepted and to deny the request for change in retirement status.

OTHER BUSINESS:

Several bills were presented to the Board for payment; these were approved.

There being no further business for the Board of Trustees, the meeting was upon motion adjourned.

SECRETARY

CHAIRMAN
BOARD OF EXAMINERS

CHAIRMAN
BOARD OF TRUSTEES

BOARD OF EXAMINERS
BOARD OF TRUSTEES
ASHEVILLE POLICEMEN'S
PENSION AND DISABILITY FUND

The Board of Examiners and the Board of Trustees of the Asheville Policemen's Pension and Disability Fund met in special session on Monday, February 23, 1981 at 10:00 A.M. in the Council Chambers of the City Hall Building. Present were: John M. Biggs; John Best; John A. Henderson, M.D.; Kenneth M. Michalove, City Manager; F. Jack Cole, Trustee; Walter L. Dillingham, Trustee; Robert J. Robinson, Counsel for the Boards; and Lila Leet L. Hudson, Fringe Benefits Administrator.

Also present: Max O. Cogburn, Attorney at Law; J. Lawrence Smith, Attorney at Law; Hartman R. Kuykendall; and Williamson B. Allison.

Absent: William C. Frue, Jr., Chairman of the Board of Trustees, and Mayor Roy M. Trantham, Chairman of the Board of Examiners.

The minutes of the January 19, 1981 meeting were approved as written.

HARTMAN R. KUYKENDALL: FURTHER CONSIDERATION OF REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

Further consideration was given to Hartman R. Kuykendall's request for disability retirement in the line of duty.

At a previous meeting, Mr. Kuykendall had informed the Board that he had been involved in an accident on Tunnel Road in 1969 causing back injury; that in 1971, he was involved in an altercation while making an arrest at the Office Lounge, injuring back; and again, in 1979, while working (removing cabinets) at Police Department during remodeling, twisted back. Upon determining that records were unavailable for the 1969 alleged accident, the Board had instructed Mrs. Hudson to request medical records from physician(s) and hospital(s) relating to injury and treatment. Mr. Smith, Attorney for Mr. Kuykendall, was to get medical release form signed and made available to Mrs. Hudson.

Mr. Smith requested that the Board of Examiners delay this meeting for approximately fifteen (15) minutes as he had to be in Superior Court. The Board then questioned Mrs. Hudson as to whether or not all medical information/records had been received from the physician(s) and hospital(s) and was informed that all had been received with the exception of the report from Memorial Mission Hospital.

After discussion, in which it was decided that the hospital report was necessary, motion was made by Mr. Best, seconded by Mr. Biggs, and unanimously approved that action on the request be continued until the March meeting.

Mr. Smith, Attorney for the claimant, stated that not only was Mr. Kuykendall suffering from the twisted back injury (07/20/79), but that he had also been injured in 1969 in a traffic accident on Tunnel Road and had lost one (1) year's work because of that; also, in 1971, Mr. Kuykendall was injured in an altercation at the "Office Lounge" while making an arrest; that these findings are in the file along with abnormal lab tests that would prove that he was no longer able to work as a police officer.

Dr. Henderson advised Mr. Smith that although lab findings were abnormal, they do not prove cause/effect.

At this time, it was the consensus of the Board to go into Executive Session. (Mr. Smith left the hearing under protest.)

Upon resuming the meeting, Mr. Robinson advised Mr. Kuykendall and his Attorney, Mr. Smith, that additional medical evidence was wanted by the Board to prove or disprove pre-existing condition prior to his employment by the City of Asheville. Mr. Robinson further advised the claimant that the Board requested all medical examinations reports, military or otherwise, to be submitted to them. In addition, records of the 1969 accident on Tunnel Road should be submitted. The Board instructed Mrs. Hudson to contact hospitals/physicians requesting such medical reports. Mr. Smith advised that he would submit to Mrs. Hudson a medical release authorization to expedite the matter.

After no further discussion, it was the consensus of the Board to defer any action until the next meeting.

WILLIAMSON B. ALLISON: FURTHER CONSIDERATION OF REQUEST FOR CHANGE IN STATUS OF RETIREMENT FROM NORMAL RETIREMENT TO DISABILITY RETIREMENT IN THE LINE OF DUTY.

Mrs. Hudson advised the Board that Williamson B. Allison had retired on normal retirement on January 31, 1977; that in December, 1978, he had requested the prior Board to change his retirement status from normal retirement to disability retirement in the line of duty; that on July 09, 1979, the prior Board had recommended that the request be denied and that Mr. Allison's retirement status remain the same. However, no action was taken by the Board of Trustees at that time. The Board of Examiners received such information to turn over to the Board of Trustees.

ACTION BY BOARD OF TRUSTEES

The Board of Trustees accepted the information from the Board of Examiners and advised Mr. Cogburn that after review of the file and of the minutes of the prior Board, a decision would be rendered; however, until such review could be made, no action would be taken and the case was deferred to the next meeting.

ASHEVILLE POLICEMEN'S
PENSION AND DISABILITY FUND

The regular monthly meeting of the Board of Examiners and the Board of Trustees of the Asheville Policemen's Pension and Disability Fund was held on Monday, January 19, 1981 at 10:00 A.M. in the Council Chambers of the City Hall Building. Present were: Mayor Roy M. Trantham, Chairman of the Board of Examiners; John A. Henderson, M.D.; John Best; John M. Biggs; Kenneth M. Michalove, City Manager; William C. Frue, Jr., Chairman of the Board of Trustees; F. Jack Cole, Trustee; Robert J. Robinson, Counsel for the Boards; and Lla Leet L. Hudson, Fringe Benefits Administrator.

Also present: Max O. Cogburn, Attorney at Law; Williamson B. Allison; J. Lawrence Smith, Attorney at Law; and Hartman R. Kuykendall.

Absent: Walter L. Dillingham, Trustee.

HARTMAN R. KUYKENDALL: CONSIDERATION OF REQUEST FOR DISABILITY RETIREMENT IN THE LINE OF DUTY.

Consideration was given to Hartman R. Kuykendall's request for disability retirement in the line of duty.

Mrs. Hudson read a memorandum from Chief Fred Hensley, Asheville Police Department, to the Board presenting a request from Mr. Kuykendall for retirement. Chief Hensley also stated that Mr. Kuykendall had expended all accrued sick, annual and holiday leave and was in an inactive status on the payroll until such time as the Board renders a decision on this request. Mrs. Hudson presented the request along with medical reports submitted to support request to the Board who, in turn, requested that Mr. Robinson review the file and make recommendation to the Board.

Mr. Robinson observed after initial review of the file that Mr. Kuykendall seemed to meet the criteria of the Act as his present condition, according to Worker's Compensation Findings of Fact, was due to injury arising out of scope of employment. Mr. Kuykendall twisted his back on July 20, 1979 removing a counter in the Police Department while re-modeling was being done. Mr. Smith advised the Board that Louis A. Waller, M.D., had submitted a report to Worker's Compensation rating Mr. Kuykendall as fifty percent (50%) disabled.

Dr. Henderson stated, after reviewing the medical evidence, that there was no indication that pain Mr. Kuykendall was having was secondary to such injury on job and that he would recommend that Mr. Kuykendall was not eligible for disability retirement in the line of duty. He further observed that if an individual believes himself to be in pain and to be disabled, no physician can evaluate such pain and no lab tests to prove pain.

LARRY H. PHILLIPS: FURTHER CONSIDERATION OF REQUEST BY ASHEVILLE MUNICIPAL CREDIT UNION FOR PAYMENT OF EMPLOYEE CONTRIBUTIONS TO PENSION PLAN BE MADE TO CREDIT UNION.

At a previous meeting, the Board of Trustees had declined to make payment of Employee Contributions of Larry H. Phillips to the Asheville Municipal Credit Union to offset balance on loan from the Credit Union.

Mrs. Hudson advised the Board that Mr. Phillips had been located and that an authorization had been issued by Mr. Phillips to make such payment of his Employee Contributions to the Credit Union.

After review of the authorization, the Board advised Mrs. Hudson to initiate such papers to make payment of Employee Contributions as authorized; check is to be made payable to Larry H. Phillips and Asheville Municipal Credit Union jointly.

There being no further business, the meeting was upon motion adjourned.

Dear Sir:

The Board of Examiners for the Asheville Policemen's Pension and Disability Fund is currently investigating the eligibility of Hartman R. Kuykendall for disability retirement under the above named plan.

In order to determine this individual's eligibility, the Board of Examiners is required to review the complete medical history of each applicant for retirement. To facilitate this review, I am requesting, on behalf of the Board of Examiners, that copies of all medical records pertaining to Hartman R. Kuykendall be forwarded to the Board, and in particular, medical records relating to confinement/treatment for an accident in August, 1969. I have attached a copy of a Medical Release Authorization from Mr. Kuykendall to this letter.

Thank you for your cooperation in this matter and please let me know if I may be of assistance to you in expediting this request.

Very truly yours,

Lla Leet L. Hudson

AFFIDAVIT OF
HARTMAN KUYKENDALL

BEING first duly sworn, according to law, the affiant deposes and says as follows:

1. My name is Hartman Rankin Kuykendall, white, male, born December 4, 1931.

2. During the month of November, 1979, and specifically on November 16, 1979, I was in the Memorial Mission Hospital, Asheville, N. C., for treatment of injury to my spine. I recall Dr. David Jarrett coming into my hospital room and telling me that he had been advised to see me by my general practitioner, Dr. L. C. Waller. I told him that in July, 1979, I had hurt my back at the Police Department on the job while I was tearing out a counter and involved in putting down tile. Not at any time did I ever tell Dr. Jarrett that I had been putting down tile at my home. It is true that I had told the doctor that no one else could do the job because we had tried to get an outside agency to do the job at the Police Department, but no one was available. My home address at the time and frame in which the doctor was speaking in his report dictated 11/16/1979, was at 46 Russell Avenue. I have never in my life done any tile work at that home. I recall having been given some fairly strong drugs at the time I was in the hospital and at the time that I talked to Dr. Jarrett, but I am sure that I did not tell him that I was putting down tile at home two weeks previous to the time that I talked to him when I told him about my injury. As I recall, I had entered the hospital for treatment on or about October 31, 1979.

FURTHER, AFFIANT SAITH NAUGHT.

SPDC NOTE

This 39 year old white right handed male policeman was referred here today by Dr. Waller of Asheville, North Carolina for evaluation of neck and shoulder difficulty since an accident. The patient was allegedly directing traffic 26 months ago when he was struck by an automobile which caused him to fly through the air landing on the back of his head. He had immediate onset of severe pain in the posterior neck region. He was taken to the emergency room where he had some sutures taken in the head and x-rays were taken of the neck and head. He was released afterwards. He tried after a few days of recuperation to return to work but because of pain in the neck and left shoulder and arm region he was unable to continue. He has been seen by orthopaedists, neurosurgeons, and a chiropractor in the past and has had two myelograms, one in 1970 and another in 1971 to investigate the neck area. He continues to have posterior cervical pain with pain in the left shoulder and down the left arm to the wrist with intermittent numbness into the medial aspect of the left hand and to some degree in the left forearm. He thinks that the left arm is weak as well. He has had injections of Cortisone in the left shoulder region without help. He ad halter traction eased his pain only temporarily. He notices increase in his neck pain with any sort of straining maneuver. He tried to go back to work once but had to quite because of persistent difficulty. He was referred here at this time for further neurological evaluation regarding this persistent neck and left arm pain problem.

Physical examination today revealed his vital signs to be normal. He was an alert and cooperative white male in no apparent distress. Examination of the HEENT revealed some limitation of extension of the neck and tilt to the left or right secondary to pain posteriorly. Examination of the heart, lungs, and abdomen was unremarkable. On neurological examination he was found to have hypalgesia of the entire left posterior scalp region, shoulder area, arm, hand, and anterior chest area on the left. There was no definite focal weakness and no reflex asymmetry although at times the patient did not seem to exert himself fully with motor strength testing in the left upper extremity. Rectal examination was normal.

Accessory findings today revealed a hemoglobin of 16.8, WBC 9,000, urinalysis normal.

It is felt that the patient has neck and left arm pain with an uncertain etiology at this time. I cannot be certain of any organic neurological deficit today.

IDENTIFYING STATEMENT AND CHIEF COMPLAINT:

39 yo w/m Policeman, (R) handed, shot for evaluation of pain in (L) shoulder & arm and neck pain

PRESENT ILLNESS:

Was struck from behind while directing traffic 2 6 months ago. Flew through the air landing on the back of his head. He was knocked unconscious for a few minutes. Has had severe burning pain since afterward. Taken to hosp ER where head was sutured, xrays taken and pt released. After few days recuperation at home tried to return to work but unable because of pain in neck (L) shoulder and (L) arm. Since he has seen several MDs including two orthopedists and a neurosurgeon (Dr McKeel) as well as a chiropractor. Hosp & head traction eased pain only temporarily. Two injections of Ecochan in (L) shoulder post. did not help. Has been on many meds. Myelograms & CAT

Pain is mainly in lower neck post → upper post lat cervical area to head, causing headaches. There is also pain in (L) scapular region. Pain → post (L) arm to 4th 5th fingers (L) hand. The pain is aggravated by bringing arm more than 3:4 hrs and is eased by lying down. Movement of (L) arm at shoulder ↑ pain in arm. Also the pain, numbness & tingling of lower arm and (L) fingers. ↑ by resting arm on area of pain

In addition has had lower back pain → (R) leg posteriorly

PRESENT MEDICATIONS:

DRUG SENSITIVITIES: ō

BLOOD TRANSFUSIONS: 5

COMPLAINT AND ON-SET: Hit by Auto Sunday Night injured back

9-3-69: This 37 year old gentleman was struck by an automobile last Sunday night apparently turning a flip, according to other observers, hitting directly on his neck and shoulder area. He was seen by Dr. Bunch in the Emergency Room where he had skull films, pelvis and chest film made which were negative.

Examination today shows some restriction of neck motion particularly to the right and right lateral bend and rotation. There is no change in reflexes in the upper or lower extremities. Some tenderness along the mid and inner scapular area, some tenderness along the posterior neck area. Back motion is possible to 30 degrees although has some discomfort in the low back area.

X-rays of the cervical spine are within normal limits.

Diagnosis: Acute cervical strain and contusion, moderate strain to the lumbosacral spine.

Treatment: Patient is to restrict his activities at home for approximately ten days prior to resuming normal activity. (BURKHARDT)

9-4-69 Farm w2c to Mr. C. R. Pinkston

9-10-69: Tenderness in the right shoulder blade and over the mid-thoracic vertebra; some mid-sternal pain occasionally.

Examination shows chest clear, no discrete rib tenderness. Full range of shoulder motion, neurologically intact, full range of neck motion, although some tenderness on lateral bend to the left and lateral rotation to the left.

KUYKENDALL, Hartman R. -1- Hist. No. 26908

11-10-69 (Continued): him to return to work of a light or moderately light nature.

I discussed with the patient frankly that I felt it would be for his best medical benefit that he return to work of a light nature at least, to progress to fuller work later. I told him I would be glad for him to see any other physician to either reinforce my disposition or to get another perspective on his injury and convalescence.

Patient is to see Dr. Hamilton in a couple of weeks; meantime he will continue working with Mr. Lewis, the physical therapist, in effort to mobilize the lumbar spine, to help gain strength to the upper shoulder girdle. Photocopy of entire record to Dr. Joe Frank Hamilton. (BURKHARDT)

11-18-69: Form #25 with photostats to Mr. C. R. Pinkston.

7-29-70: Photostat and bill to Gudger, Erwin and Crow, Lamar Gudger, 15 Church Street, Asheville, North Carolina.

JUL 30 1970: Patient returns with left shoulder discomfort and right hip discomfort.

Objectively he has minimal findings subjectively he has pain on abduction, external rotation of the shoulder, some vague soreness over the left rotator cuff. Neck motion is symmetrical but not producing any discrete discomfort.

Examination of the right hip shows a full range of motion. Straight leg raising at 60° on the right produces a discomfort in the posterior thigh area. Reflexes are brisk and symmetrical.

X-rays of the left shoulder AP and internal and external rotation shows a small linear calcific deposit over the greater tuberosity.

This can only be seen in internal rotation.

Diagnosis: Attritional tendinitis, left shoulder. Pendulum exercises, and Equagesic.

It is my impression that this gentlemen presents with a great deal more subjective complaints than what could be previously or recently substantiated objectively. He has seen Dr. Burleson, Dr. McKeel and will obtain their records. (BURKHARDT)

7-31-70: Letters of request for records on this patient sent to Dr. Burleson and Dr. McKeel.

7-31-70: Photostat to Mr. Pinkston.

NLE

7-13-70: Verbal consultation with Mr. Lamar Gudger regarding this patient.

2/19/81: PHOTOSTAT OFFICE NOTES TO ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND

9-10-69 (Continued):

X-rays, PA and lateral of the chest, are within normal limits; no evidence of fracture or hemothorax.

Patient to recheck again in 10 days; do no work for two weeks. (BURKHARDT)

9-18-69: Patient has some low back and right hip and leg pain. Also, the intrascapula pain. Pain in left ring finger.

Examination shows straight leg raising negative to 70 degrees. Reflexes brisk and symmetrical. Good range of hip motion. Fist percussion over the lumbar spine is uncomfortable.

Shoulder motion full, but shows tenderness over the intrascapula area, particularly on the right.

X-rays of the lumbar spine negative. X-ray of left ring finger was normal; no fracture. (Diagnosis: Contusion, left ring finger.)
Continue on light activities. Recheck again in two weeks. (BURKHARDT)

9-29-69: Has some low back pain particularly on hyper-extension. Place him on lumbosacral support. Started on flexion excersizes by Mr. Lewis. To return to work this October 1, 1969. Restrict his activities to avoid personal contact. Recheck in 2 weeks. (BURKHARDT)

10-10-69: Admit, Mission: Patient admitted for period of intensive physical therapy and evaluation following his injury.

Patient has been unable to hold down his present job as a policeman and attempts to manage him on an ambulatory basis has not been successful. (BURKHARDT)

10-17-69: D/C, Mission: Patient has been hospitalized for a week and tends to further clarify and establish areas of discomfort and pain the to prove the situation.

He has low back pain which is aggravated by long sitting and standing; he has some pain in the intrascapular area, some in the left shoulder. Patient was initiated on a flexion traction program for his back and other physical therapy. He was also treated for shoulder and neck pain. He improved somewhat from his shoulder pain; still he has some uncomfortableness in the left shoulder.

Objectively, straight leg raising is uncomfortable at 50 degrees; reflexes are brisk and symmetrical; upper extremity reflexes are brisk and symmetrical; neck motion is also symmetrical and is normal.

Patient is to be ambulatory with his lumbosacral support for the next couple of weeks; he is to be on light activity to prepare him for returning to work. (BURKHARDT)

10-28-69: Equagesic #36

11-10-69: Evaluation today shows no change in the subjective findings. I can find no objective reflex changes or structural alterations to account for the degree of disability. I feel he definitely has soft tissue injury (strain of the left shoulder girdle and of the back). However I feel he would be helped medically if we were to progress toward a more active program allowing

Mr. Lamar Gudger
Attorney at Law
Post Office Box 7036
Asheville, North Carolina 28807

Dear Mr. Gudger:

Re: Mr. H. R. Kuykendall
41 Panola Street
Asheville, N.C.

At the authorization of Mr. Kuykendall, and your request, the following is a summary of our care and treatment of this patient:

He was first seen by us on 10 March 1970 with a history that about 8:30 PM on 31 August 1969 he was working as an Asheville police officer directing traffic at the Star LIght Theatre Entrance on Tunnel Road when he was struck by a car exiting from the Howard Johnson Motel being struck posteriorly around the hip area. He was seen in the emergency room of Mission Hospital by Doctor Mary Bunch, x-rays done and no fracture evident. His injury, he states, took him into the air, flipping him, landing him on his head and neck. Following initial examination, he continued to have neck and shoulder discomfort, and was seen by Doctor Nat Burkhardt who cared for him as out patient; later hospitalized him in October, 1969 for traction, physical therapy, and medications. Evidently he improved, and was discharged, he states, from the hospital and ultimately from Doctor Burkhardt's care on 10 November 1969. He states he did not return to work until 1 January 1970. On returning to work this caused some pain in the head and neck on the left, some headache posteriorly. He had been off from work several days complaining of chronic, constant, throbbing pain with no real sensory or motor deficit. He had no past history of such troubles prior to his injury. Between the time of Doctor Burkhardt's discharge in November until our seeing him in March, he was seen by Doctor Dillon Chambers, Chiropractor.

On examination in March, 1970 he had twenty to thirty per cent (20-30%) limitation of neck motions, muscle soreness and some complaing of full shoulder motion on the left side. He had no neurological deficit with equal reflexes. He was tender in the levator muscle area on the left side.

X-rays of his left shoulder and cervical spine were done which were completely normal in our interpretion. He had no other area of complaint. His tender spots in the muscles were injected with cortisone like medication, and he was put on medications that should have helped some post traumatic myositis that we felt he had. He was subsequently seen on 19 March in our absence by Doctor Hamilton to adjust his medications for his continued complaints, and

BOARD OF TRUSTEES

February 10, 1981

Asheville Orthopaedic Associates
111 Victoria at Oakland Road
Asheville, North Carolina 28801

Dear Sirs:

The Board of Examiners of the Asheville Policemen's Pension and Disability Fund is currently investigating the eligibility of Hartman R. Kuykendall for disability retirement under the above named plan.

In order to determine this individual's eligibility, the Board of Examiners is required to review the complete medical history of each applicant for retirement. To facilitate this review, I am requesting, on behalf of the Board of Examiners, that copies of all medical records pertaining to Hartman R. Kuykendall be forwarded to the Board, and in particular, medical records relating to treatment by Dr. Burleson resulting from an accident in August, 1969. I have attached a copy of a Medical Release Authorization from Mr. Kuykendall to this letter.

Thank you for your cooperation in this matter and please let me know if I may be of assistance to you in expediting this request.

Very truly yours,

Lla Leet L. Hudson

RE: KUYKENDALL, Hartman Rankin

Dear Dr. Burleson:

Thank you for referring Mr. Hartman Rankin Kuykendall to the office. This thirty-eight year old married white male was seen and examined 1 May 1970.

HISTORY: Mr. Kuykendall, while working as a police officer directing traffic at Starlight Theater on Tunnel Road on about the 31st of August 1969 about 8:30 in the evening was struck from behind by a car coming out of the Howard Johnson establishment and apparently was somersaulted into the air and landed on his head and neck. He recalls that he remembered landing and his first thought was to get up. He then apparently reported the accident, called into headquarters but is amnestic for most of these events. He was taken to the emergency room, examined, x-rayed and released. He has since complained of pain in the neck up to the left occiput and off on to the left shoulder. This pain is aggravated by movement of the head and neck and relieved by rest. He was subsequently hospitalized in October for traction, physical therapy, etc. apparently with temporary improvement. Following this he apparently consulted a chiropractor who told him that he had a short leg and put a lift on one heel which relieved his low back and leg pain, but he has continued to complain with limitation to motion of the neck and pain in the neck, head and shoulders since. The pain does not radiate below the elbow nor does he have any paresthesias of the fingers or hand.

He describes his past health as good without significant injury or operation in the past. He had pneumonia twice as a child. There are no known allergies and he has been quite well and active as a police officer in the past.

EXAMINATION: Examination reveals a well developed and muscled thirty-eight year old white male who appears somewhat depressed and uncomfortable. Examination of the head, ENT, cranial nerves, optic fundi was unremarkable except he is edentulous with plates.

then seen by myself on 1 April. Again, medication was given and injection carried out. He was seen again 8 April, had no improvement on our routine of therapy, and he was referred, at that time, to Doctor M.F. McKeel for neurosurgical evaluation. Doctor McKeel admitted him to the hospital, did a myelogram and evidently carried out cervical traction and other treatments with final diagnosis of cervical strain, questioning disc probably C-4 interspace. However, he did not feel that surgery was indicated and the patient referred back to us and seen on 8 June 1970. Evidently there had been some disagreement on the patient's part at the hospital, and when seen at that time was complaining of low back pain due to "questionably from the needle in my back". He was finally seen on 22 June 1970, and I had discussed in detail with Doctor McKeel and the patient. He had no improvement during the time that we followed him or during the time of Doctor Burkhardt seeing him or Doctor McKeel. He felt he was still unable to do his regular job, and no further treatment, either orthopaedically or neurologically, was advised. It was felt that his final diagnosis was that of cervical spine strain with some permanent pain, that he had reached maximum improvement, and was discharged with a fifteen per cent (15%) permanent partial disability of the cervical spine, and ten per cent (10%) permanent partial disability of the lumbar spine.

We hope this will be of help to you and Mr. Kuykendall.

Very truly yours,

R. JOE BURLESON, M.D.

MEMORIAL MISSION HOSPITAL OF W. N. C. Inc.

ASHEVILLE, NORTH CAROLINA

This 38 year old married white male was admitted to Mission Hospital May 23, 1970 because of neck, left shoulder, arm pain with some depressed sensation in the deltoid area, as well as questionable weakness in this area, as a possible C4 disc. He had been hit down by a car while directing traffic on Tunnel Road the last of August 1969 and had pain in the low back and in the neck and shoulder since. Routine admission laboratory studies were within a normal limits with a sed rate of 10 mm. per hour, a spinal fluid protein of 55 mg. percent. Cervical myelography was carried out May 24, and this revealed no evidence of disc defect in the cervical region. As noted, the spinal fluid protein was moderately elevated. He was put on a course of physical therapy including traction which tended to aggravate rather than improve the pain. There was noted an increased angle at C4 in extreme flexion but his neck range of motion was remarkably free, and it was felt that cervical interbody fusion at C4 at this time at least, was not indicated. Patient was discharged May 29, 1970.

FINAL DIAGNOSIS: Cervical strain, question HNP C4.

OPERATIONS: Lumbar puncture with cervical myelography.

COMPLICATIONS, INFECTIONS: None

CONDITION ON DISCHARGE: Unimproved.

TYPE OF REPORT
Discharge Summary

SIGNED
M. F. McKeel, M. D./dr 6-9-70
M.D.

PHYSICIAN'S COPY

RE: KUYKENDALL, Hartman Rankin

The strap muscles on the left side of the neck posteriorly are more prominent than on the right and in the mid portion here there is some tenderness. Neck range and motion is limited in extension and rotation with discomfort referred to the left occiput and neck and top of the shoulder. There is a slight tendency to wing of the left scapula. Abduction of the left arm is done rather poorly though I was unable to define any definite atrophy or weakness of the left deltoid. The patient reports the pinwheel depressed over the left circumflex nerve area as compared to the right. There was no weakness of the biceps, triceps or pronator and the tendon reflexes were present and equal throughout. There was no sensory disturbance in the hands or fingers. Heart and lungs were clear. Blood pressure 112/80 in the left arm in the sitting position.

X-rays of the cervical spine which you had made on the 10th of March in flexion and extension were reviewed and while the disc spaces are well maintained without hypertrophic degenerative changes, in the flexion film there is an angulation at C4 level.

IMPRESSION:

I am suspicious of some disc derangement at the C4 level in this man and have suggested that he get a soft cervical collar to wear while at work to see if this improves his situation to any degree. If it does, I would be inclined to offer this the benefit of the doubt as a candidate for anterior interbody disc excision and spine fusion of C4-5.

We will plan to recheck him on the 13th and will advise you of our evaluation of him at that time.

Again thank you for the opportunity of seeing him. With kind regards, I remain,

Sincerely yours,

Millard F. McKeel, M.D.

MFM/bdh

PROGRESS NOTES RE: KUYKENDALL, Hartman Rankin

4-19-71: Patient called in today indicating that he had been in a scuffle when a person who was placed under arrest by lieutenant began to take a swing at the lieutenant, Mr. Kuykendall grabbed the individual around the neck with his left arm from behind and placed his fist in this person's back and the two of them went to the ground and scuffled for awhile until Mr. Kuykendall's arms went numb. He is in today, now complaining of recurrent pain in the neck, both shoulders, carrying the left arm sort of against his side when he walks. There is weakness and apposition of the thumb of the right hand but I was unable to detect any other focal muscle weakness. Sensation was intact. Reflexes were normal. X-rays in the flexion and extension view again revealed no narrowing of the interspaces or hypertrophic change. No evidence of fracture dislocation but there is some reversed angle at the C5 space at this time. He was placed on Valium and Darvon 65 Compound, advised heat, massage to the neck and shoulder area and will recheck in one week.

MFM/mab

4-26-71 - Patient in today looking like he feels a good deal better than he did last Monday but still has considerable discomfort particularly in the left shoulder. There seems to be weakness on both sides in apposition of the thumbs today against the little fingers. He has freer neck range of motion but still with some limitation. He is to continue the Valium, Darvon, heat and massage and exercise. Will recheck in a week.

MFM/bh

5-3-71: Patient in today, a very blustery, cold 40° for May 3, 1971 feeling worse than he did before. Again, I am unable to find any focal nerve root findings though he has 50% limitation in extension and rotation of his neck. Will refer for physical therapy daily to include diathermy, massage to the neck and shoulders and intermittent cervical traction. Will recheck in two weeks.

MFM/mab

5-10-71 - Patient in today indicating that the traction has made his shoulders and neck hurt worse. He moves about in a very frozen like fashion with his head forward and slightly flexed at the waist. He is advised to use heat at home, continue the Darvon and Valium, to wear his soft cervical collar and we will get a recheck appointment for Dr. Burleson's evaluation and possible treatment. Will recheck in a week.

MFM/bh

Copy- Dr. Burleson

PROGRESS NOTE RE: KUYKENDALL, Hartman Rankin

5-17-71: Patient in today still having pain down between the shoulder blades if he extends his neck, wearing a soft cervical collar which does help. We will give him a trial on Indocin 25 mgm. t.i.d. for a week, consider uping it at that time if he has some beneficial results.

MFM/mab

5-24-71 - Patient in today indicating that the cervical collar helps, that neck range of motion increases his pain. He still has the pain between his shoulder blades into the left shoulder and on top of the right. He indicates the pinwheel is depressed over the left deltoid area. It was a year today that we did his last myelogram. The Indocin tends to nauseate him so I think we best leave it off. Will continue as we are for another week or ten days, get a reservation for a room for a repeat myelogram if he is not better.

MFM/bh

6-2-71: Patient in today indicating he is essentially no better and does indicate diminished pinwheel sensation over the left deltoid, though both are equally full. The arms and forearms measure in circumference and I can really detect no reflex change. The collar does help. We will plan to readmit to hospital next Wednesday for myelogram on Thursday June10, and be guided by this.

MFM/mab

Copies of this page and notes beginning 4-19-71 to Mission Hospital

6/21/71 - Patient in today following discharge from hospital where he had a normal cervical myelogram carried out the 10th of June. Again his spinal fluid protein was slightly elevated but multiple views there was absolutely no hint of any nerve root encroachment in the cervical area. He has had some discomfort in the hips and right leg since his myelogram. Has been continuing physical therapy on an outpatient basis. He is to go to Raleigh this week for a class in communications which will be an area of lighter duty in the department and it is recommended that he make every effort to try this. We also discussed the possibility of him seeing Dr. Waller for continued physical therapy and general support because I feel we have done all that we can to exclude the possibility of a neurosurgical lesion in this patient at this time.

MFM/bh

10-28-71: Patient's X-Rays were sent to Dr. Stephen Mahaley in the Private diagnostic Clinic at Duke University at the request of Dr. Waller's office. O. K.'d by Dr. McKeel.

MEMORIAL MISSION HOSPITAL OF W. N. C. INC
ASHEVILLE, NORTH CAROLINA

Dr. William F. Wilson

IMPRESSION: 1. Arthralgias and myalgias, etiology unclear. Certainly a HLA-B27 reactive process must be considered, as well as a connective tissue disorder or other disorders which would cause myalgias.

RECOMMENDATIONS:
1. Laboratory studies including an HLA-B27, Maine medical special studies, thyroid profile, antinuclear antibody, CPK have been ordered.
2. Bone scan is ordered to determine if there is any increased activity which would suggest a HLA-B27 reactive process.
3. Would increase the Indocin to 50 milligrams with each meal and at bed time with food.
4. Would not change other therapy at the present time until the above studies have been returned.

ADDENDUM: There is 3+ tenderness in the left supraclavicular fossa and 2+ in the right.

Thank you very much for asking me to see Mr. Kuykendall and I will followup on the studies and discuss him with you.

CONSULTATION:

William F. Wilson, M.D. 05/11/84

Dictated 11/30/79. cc: Dr. Garrett.
cc: Dr. Waller.
cc: Dr. Weiss.
cc: Dr. Burkhardt.

ATTENDING PHYSICIAN: Dr. Waller.

This is a 47 year old Caucasian male who states he was completely well with no bone joint, muscle, or other problems until he was involved in an accident approximately 10 years ago. He was hit from behind while directing traffic and apparently landed on the concrete on his head. Subsequent to that he has had pain in the upper and lower back and in the proximal muscle groups of the pelvic and shoulder everyday. He was seen initially by Dr. Burkhardt who treated him conservatively, however, he felt he did not have the full response. Subsequent to that Dr. McKeel saw him and performed 2 myelograms both of which were reported to be normal. He was evaluated at Duke where he was told that he would learn to live with his discomfort. The pain as I noted has been present everyday and has never had any relief with the exception of some ultrasound which Dr. Waller used for the neck. This lasted only a few days. This summer he was working with tile and noted a great deal of increase in the pain in the upper and lower back area. Since then he has noted that when ever he bends forward he has to push himself up with his hands as he can not straighten up with his back. The pain is described as an ache primarily infrascapular with some discomfort into the shoulders and in the forearms. The same is present into the upper thighs and low back area which he describes as a discomfort as if he had been running and become sore. There has been no weakness. He denies all symptoms of a connective tissue disorder, a rheumatoid variant, or rheumatoid arthritis. Specifically no prior history of back pain before the initial episode and to urethritis, conjunctivitis rashes, or fever. Medications have not been beneficial. While in the hospital he has been evaluated comprehensively with a number of myelograms, EMG, and x-rays. Laboratory studies have revealed a normal blood count, sedimentation rate, urinalysis, and SMA-12. Physical therapy and medications including Valium and Indocin have been used. Allergies: Penicillin.

LAST MEDICAL HISTORY: Completely well prior to 10 years ago.

FAMILY HISTORY: There is no history of arthritis or low back pain in the family.

PHYSICAL EXAMINATION: Reveals a well developed, well nourished man with excellent muscular development who is in no acute distress, but moves with slow deliberate movements. Temperature is 99, blood pressure 120/70, and pulse is 86 and regular.
HEENT: [illegible]. Temporal arteries are normal. Palpable, pulsatile, nontender.
CHEST: Clear to P&A.
HEART: No gallops, rubs, or murmurs are present, although a split first sound is present.
ABDOMEN: Without organomegaly.
SKIN: [illegible].
NAILS: No clubbing.
NEURO: Grossly within normal limits with no loss of sensation. Muscle strength is otherwise normal. Straight leg raising to 60 degrees is negative. Musculoskeletal revealed [illegible] to 90 degrees with full range of motion without restriction. There is no tenderness over any of the joints of the spine. No laxity of the joints are present. Tenderness is present along the [illegible] bilaterally. There are several areas in the back which are tender along the [illegible] is normal with bilateral symmetry. Forward flexion of the hips to 60 degrees produces pain in the [illegible] region. There is loss of the normal lumbar lordosis. One plus tenderness exists both sides of the [illegible]. Straight leg raising is normal. Patellar reflexes are normal. Two plus throughout. Sensation is normal. Rectal tone is normal. Rectal exam is negative. Prostate is normal. Stool is guaiac negative. Hemoglobin is 15.4 gm% with hematocrit of 45 vol%. White blood count is 6,000 with normal differential. Urinalysis is normal. SMA-12 is normal. Sedimentation rate is 10 mm/hr. Chest x-ray is normal. Cervical spine x-rays are normal. Lumbosacral spine x-rays are normal. Pelvis x-rays are normal. Hip x-rays are normal. Bone scan is

DIPLOMATE AMERICAN BOARD OF FAMILY PRACTICE
1423 PATTON AVENUE
ASHEVILLE, N. C. 28806

November 19, 1980

Mr. Larry Smith, Attorney-at-Law
Suite 201 Gennett Building
Asheville, N. C. 28801

RE: Hartman R. KUYKENDALL

Dear Mr. Smith:

Mr. Kuykendall has continuing acute cervical and lumbosacral strain; HLA-B27 positive fasciomyositis and tenosynovitis with traumatic aggravation; Hyper-Immunoglobulin-M. In addition, a cervical spine x-ray on November 14, 1980, revealed a narrowing of the left 4-5 neuronal foramina. This results in acute nerve root pain down the left side of his neck and upper back.

Because of the above, Mr. Kuykendall is unable to work and perform his duties as a police officer or in the maintenance department. In my opinion, he has a 50% permanent disability of the function of his back.

He is still under my care and his treatment will be indefinite.

If additional information is needed, please advise.

Sincerely,

L. C. Waller, M. D.

Re: H.R. Kuykendall

Dear Bill:

Thank you for the list of items included in the H.R. Kuykendall file for consideration by the County Commission. Although I do not have a summary of the testimony previously made by Louis Waller, M.D., in the earlier hearing, I am sure that should be in the notes of the hearing and I would appreciate the Commission looking at the notes of Dr. Waller's testimony. In addition, I enclose herewith copies of three articles from the Professional Medical Journal of the rheumatologist entitled "The Fibrositis Syndrome: A Common Cause of Soft-Tissue Pain," "New Tests Validate Fibrositis and Ease Diagnosis," and "HLA and Disease." They may shed some light on the nature of Mr. Kuykendall's problem and accordingly they are submitted for the Commission's consideration.

I renew my offer for you to look at my file for anything further which may be of interest to you on behalf of the Commission.

Thank you for your attention on this matter.

Sincerely,

Scott E. Jarvis

RE: Hartman R. KUYKENDALL

To Whom It May Concern:

I first saw Mr. Kuykendall on August 31, 1979, at which time he was complaining of pain in both hips and in the lumbar spine area with tenderness. He gave a history of bending over and pushing a cabinet while he was tiling a floor. He was treated with traction treatments, muscle relaxants, and anti-inflammatory agents.

In the next few days he developed pain and spasm in his trapezius and posterior cervical muscles. This pain and spasm continued in spite of prolonged conservative treatment.

He was seen in consultation by Dr. Weiss, a neurosurgeon, on October 04, 1979. His diagnosis was chronic cervical and lumbosacral strain.

He was seen on November 30, 1979, by Dr. William Wilson. His diagnosis was chronic cervical and lumbosacral strain; HLA-B27 positive fasciomyositis and tenosynovitis with traumatic aggravation; Hyper-Immunoglobulin-M.

His pain and spasm have continued to this date. When last seen on November 14, 1980, he had acute pain in his neck on rotation to the right and left with limitation of thirty degree range of motion. At that time he also had acute spasm of the left rhomboideus muscle. Results of a cervical spine x-ray done on this date revealed a narrowing of the left 4-5 neuronal foramina. This results in acute nerve root pain down the left side of his neck and upper back.

In conclusion he has this continuing acute cervical and lumbosacral strain; HLA-B27 positive fasciomyositis and tenosynovitis with traumatic aggravation from his initial injury on July 20, 1979.

40 most acutely from beneath the umbrella of a wide assortment of soft-tissue pain syndromes variously described as the scapulohumeral syndrome, myofibrositis, fibromyalgia, and so on. The purpose of this article is to review the current state of our knowledge regarding the diagnosis, pathophysiology, and treatment of the fibrositis syndrome.

Diagnosis

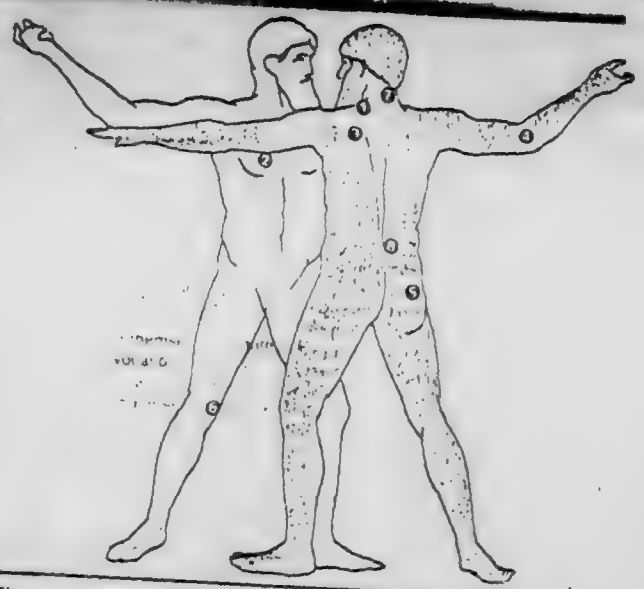
As defined by Smythe and his colleagues, the fibrositis syndrome is a soft-tissue pain syndrome with the features shown in Table 1.

Chronic pain: Typically, the pain is of at least three months' duration and is widespread in the regions of the cervical and lumbar segments. Symptoms tend to be worse with dampness, cold, immobility, and emotional tension. Symptoms vary from day to day, but it is rare that the person feels "normal." Although the patient may complain of burning, numbness, or swelling, there are no abnormalities on physical examination.

Trigger points: The presence of discrete trigger-point areas are essential to the diagnosis of fibrositis. Ordinarily at least four of 14 trigger points should be painful for diagnosis, although Smythe has emphasized the more stringent criteria of 12.

A trigger point is a small surface area (less than 1 cm in diameter) which, when palpated, produces a pattern of local and referred pain. The pain that is the patient's main complaint is reproduced after pressure over this point. Similar pressure of a surface area just outside the trigger point area will not result in pain. The trigger points occur in relatively well defined anatomical locations. The most common ones, according to Smythe and Moldofsky, are indicated in the Figure, but this list is not complete. They are mostly bilateral, except for the single midline points in the neck and over back. Curiously, these points are slightly tender in normal persons, and the trigger points demonstrable in the fibrositis syndrome are an exaggeration of these normally sensitive areas.

Sleep disturbances: A patient with fibrositis usually has a sleep disturbance. Characteristically, the patient may fall asleep readily but then awakens in an hour or two with occasional short periods of sleep thereafter. The patient sometimes does not recognize this sleep disturbance, and it may be helpful to ask his or her spouse, who usually will state that the patient tosses and turns all night. As a result of such sleep disturbance, the fibrositis patient arises fatigued in the morning.



The most common trigger points for fibrositic pain

1 Trapezius (right and left): midpoint of the upper fold of the trapezius
2 Second costochondral junctions (right and left)
3 Supraspinatus origins (right and left): above scapular spine and near the medial borders of the scapula
4 Lateral epicondyles (right and left): "tennis elbow" sites
5 Buttocks (right and left): center of the upper outer quadrants of the buttock
6 Knees (right and left): fat pad medial to the knees overlying the medial collateral ligament
7 Neck: interspinous ligaments in the midline at C_4-C_5 and C_5-C_6
8 Lumbar area: L_4-L_5 interspinous ligament; less commonly at L_3-S_1

Perfectionistic personality: The majority of fibrositis patients are compulsive, rigid people. They make great demands on [illegible] job-related and [illegible] activity. They are fastidious and impress the physician during [illegible] as "not being able to relax." They frequently suffer migraine headaches and depression as well.

Laboratory tests and differential diagnosis: Primary fibrositis syndrome is a diagnosis of exclusion since a wide variety of other diseases can also cause local and widespread soft-tissue pain. The major diseases that should be considered in the differential diagnoses are indicated in Table 2. As several of these are associated with specific laboratory findings, normal test results help rule them out (Table 3).

Polymyalgia rheumatica is generally seen in patients over 50 years of age and is characterized by pain and stiffness in the shoulder and pelvic girdle areas without weakness. The disease is usually associated with an erythrocyte sedimentation rate greater than 50 mm/hour.

Original Article

The Fibrositis Syndrome: A Common Cause of Soft-Tissue Pain
The fibrositis syndrome, believed to be caused by the interaction of a chronic tension state and the reflex phenomenon associated with pain of deep origin, is a distinct clinical entity. Dr. Arthur D. Bankhurst discusses its characteristics, including chronic pain and discrete trigger points, and reviews the multidisciplinary treatment approach—exercise and behavior modification. Page 1

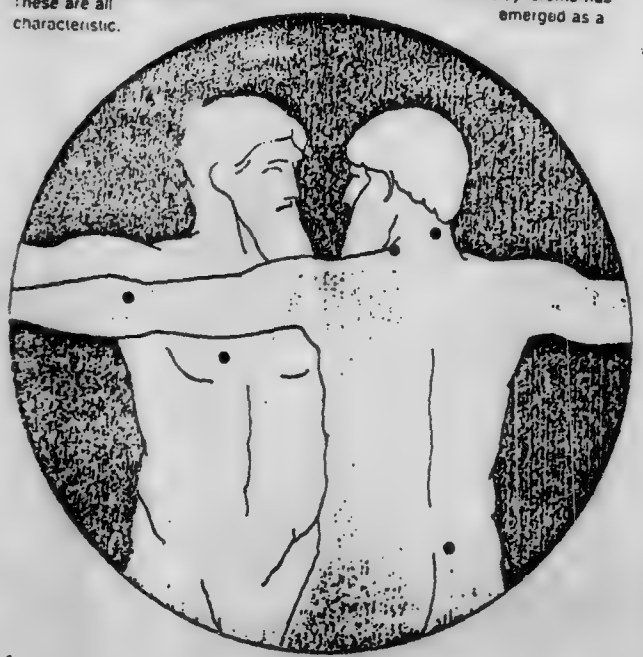
The Fibrositis Syndrome: A Common Cause of Soft-Tissue Pain

Arthur D. Bankhurst, MD
Professor of Medicine
Chief, Division of Clinical Immunology and Rheumatic Diseases
University of New Mexico School of Medicine, Albuquerque, New Mexico

Recently, a 43-year-old stockbroker came to my office complaining of "hurting all over." His symptoms of aching and occasional burning pain in his neck, shoulders, upper back, and legs had occurred for prolonged periods over the preceding three years. The symptoms did not appear to be related to rest, time of day, or unusual physical activity, but cold weather and periods of working long hours seemed to make the symptoms worse. The patient stated that he also felt perpetually "exhausted," particularly on arising in the morning. His physical examination was unremarkable except for discrete areas of "trigger point" tenderness over the interspinous spaces of the lower cervical and lumbar vertebrae, the upper medial borders of the scapulae, the midpoint of both trapezius muscles, and both lateral epicondyles. Laboratory studies were normal.

This case illustrates some of the essential points in a classic example of the fibrositis syndrome: the chronic nature of the problem, the presence of trigger points with no other abnormalities on physical examination, and a normal laboratory profile. These are all characteristic.

During the last decade or so, the fibrositis syndrome has emerged as a



in his activities. This behavior pattern has to be altered so that the patient recognizes his impatient life style and alters his goals to more realistic ones. Tension should be abated with rest, exercise, and diversion. Finally, biofeedback relaxation techniques, with a further emphasis on relaxation from chronic tension, are often helpful.

Education: Physical fitness may be important for the patient with fibrositis. Runners and other physically fit individuals are less likely to develop the fibrositis syndrome even after sleep deprivation. However, it must be emphasized to the patient that bicycling, swimming, or running should not become an "inner competition" but should be done in a low-key, relaxed manner. In addition, the fibrositis patient should carry out a ten-minute exercise program each morning before dressing and again in the evening. The exercises include stretching/mobilizing exercises

Table 4
Management of the Fibrositis Syndrome

- Education and reassurance
- Exercise
- Trigger-point therapy
- Drugs: non-narcotic analgesics, centrally-acting skeletal-muscle relaxants, and antidepressants

and back flexion maneuvers. Some patients find hot packs or a warm bath useful adjuvants to their daily exercises.

Trigger-point therapy: Trigger-point injection often produces a dramatic response. Generally, the most painful trigger points are selected, as it may be impractical to attempt to inject all points. A corticosteroid-anesthetic mixture is commonly used empirically. The maximal amount of corticosteroid administered into multiple sites should not exceed 40 mg of methylprednisolone or equivalent in 1 to 10 mL of local anesthetic. Ordinarily, trigger points should not be reinjected more often than once a month.

Despite the widespread use of corticosteroid-anesthetic injections for the relief of trigger-point pain, however, it has not been established that it clearly makes a difference if such a mixture or saline alone might be equally effective. For example, Lewitt found that dry needling alone produced immediate analgesia without hypoesthesia in 86% of patients with chronic myofascial pain. Also, since it has been shown that brief, intense, electric stimuli are highly effective for controlling some forms of severe chronic pain, it is occasionally useful to apply a transcutaneous electrical stimulator (TENS) to a bothersome trigger point.

Drugs: The useful drugs can be divided into three categories: non-narcotic analgesics, centrally-acting skeletal-muscle relaxants, and antidepressants. Helpful analgesics include aspirin or salicylate derivatives and acetaminophen; narcotics do not play any role in the treatment of the fibrositis syndrome. Examples of centrally-acting skeletal-muscle relaxants are diazepam and [illegible]benzazepine. Studies have shown experimentally tricyclic antidepressants can prevent the alpha intrusion of the delta wave pattern associated with deep stage 4 sleep. A dose of 10 to 75 mg of amitriptyline is helpful, but keep in mind that dosage has to be tailored to the patient to avoid frightening dreams or morning lethargy.

Results of therapy: The combined approach of drugs, exercise, physical therapy and judicious trigger-point therapy often brings prompt relief. However, it should be emphasized to the patient that the fibrositis syndrome is a chronic illness that is subject to exacerbation under conditions of tension, sleep deprivation, and cold exposure. Compliance is critical to long-term management. The majority of fibrositis patients whom we continue to see in our clinics no longer require trigger-point therapy as long as they follow their exercises and behavior modification program.

The fibrositis syndrome in the rheumatoid patient

Not infrequently we encounter patients with rheumatoid arthritis whose musculoskeletal complaints increase despite the fact that their synovitis and laboratory evidence of inflammation have decreased. This subgroup of patients often turns out to have trigger points and their worsening symptoms are not related to rheumatoid arthritis but constitute a "secondary fibrositis" syndrome. Therapy for the secondary fibrositis syndrome is the same as just outlined and does not involve remission-inducing drugs that are indicated for rheumatoid arthritis.

Summary

The fibrositis syndrome is a distinct clinical entity characterized by chronic pain and stiffness and discrete trigger points but otherwise normal physical and laboratory findings. A history of sleep disturbances also helps differentiate it from other disorders that cause soft-tissue pain. Treatment requires a multidisciplinary approach and the patient's compliance in a program of exercises and behavior modification to relieve underlying muscular tension. ■

[illegible] patients experience fatigue and myalgia before overt articular symptoms develop. Such a presentation may also be seen in systemic lupus erythematosus or scleroderma. A positive rheumatoid factor test, a history of morning articular stiffness, and a careful examination for synovitis usually distinguish these diagnoses from primary fibrositis.

Hypothyroidism frequently results not only in myalgias but, eventually, weakness. An elevated serum thyrotropin level can distinguish this condition from primary fibrositis.

The stiffness associated with parkinsonism can be confused with fibrositis. However, the presence of a rest tremor, "cog wheel" movements, and an absence of associated arm movements all point to the correct diagnosis.

Inflammatory muscle disease such as polymyositis and dermatomyositis are associated with muscle pain and subsequent weakness. The development of profound weakness and elevated concentrations of muscle enzymes such as creatine-phosphokinase distinguish these disorders from fibrositis.

Finally, keep in mind that although we have been addressing the so-called idiopathic or primary fibrositis syndrome, fibrositis may be a secondary manifestation of a concomitant disease. In addition to being the initial manifestation of connective tissue disease such as rheumatoid arthritis or polymyositis, hypothyroidism and various other clinical conditions, secondary fibrositis also may sometimes occur in association with metabolic diseases (ie, hypokalemia), neuropathic (ie, diabetes mellitus), and various occult or overt neoplasms. Again, it is important to emphasize that the laboratory tests indicated in Table 3 should be within normal range before a diagnosis of primary fibrositis can be made.

Etiology

Although the fibrositis syndrome is accompanied by diffuse, painful trigger points, there is no consistent histopathologic changes found at these sites. It is currently believed that the fibrositis syndrome is due to the interaction of a chronic tension state and the reflex phenomenon associated with pain of deep origin. The importance of a tension state resulting from chronic sleep disturbance in the fibrositis patient is emphasized by the investigation of Moldofsky and coworkers. In these studies, ten fibrositic subjects were studied by electroencephalograms (EEGs). All ten showed a decrease in the deep stages of sleep (stages 3 and 4) and overnight increase in trigger-point tenderness. Ordinarily, stage 4 sleep is associated with one cycle per second delta waves. The fibrositis patients had a faster alpha rhythm (8 to 10 cycles per second), which was superimposed on the delta rhythm and supported the fact that they had a poor sleep pattern.

In a second study, Moldofsky actually was able to experimentally reproduce the fibrositis syndrome in healthy young students by altering their pattern of deep sleep—by arousing them during the night with repetitive auditory stimuli. After baseline EEGs were obtained, the students were deprived during three nights of stage 4 sleep by loud noises. Those normal subjects who were not able to establish their pattern of deep sleep, as indicated by alpha waves superimposed on delta waves on the EEG, went on to develop many of the clinical aspects of the fibrositis syndrome such as trigger points. The symptoms completely disappeared during a recovery night when they were not subjected to auditory stimuli.

Another study, by Fowler, showed that patients with chronic myofascial pain suffer from chronic muscle tension, as indicated by the fact that they had 50% more electrical activity in performing a standardized task than did normal controls.

In summary, the localized trigger points in the fibrositis patient cannot be ascribed to histopathologic changes at these sites. We do know, however, that a chronic tension state related to a chronic inability to reach a deep stage of sleep is an important factor contributing to the syndrome.

Management

A multidisciplinary approach, outlined in Table 4, is required for successful treatment of the fibrositis syndrome.

Education and reassurance: It is not sufficient to initiate an analgesic regimen without adequately explaining to the patient the origin of his or her pain and the particular relationship between the trigger points and a chronic tension state. Often, the patient will have already visited several physicians and may have been labeled variously as a malingerer or having "psychogenic rheumatism." It should be carefully emphasized that the patient suffers from a chronic pain condition that is definitely not the same as a psychogenic pain state. Demonstration to the patient of specific trigger points often indicates for the first time that there is a specific diagnostic entity amenable to therapy.

The fibrositis patient often has a compulsive, perfectionist attitude toward

eases. In secondary fibrositis, the symptoms arise in the presence of such diseases as rheumatoid arthritis or systemic lupus erythematosus. The two forms are estimated to comprise about 15% of most rheumatologists' practices. But little has been known about fibrositis' etiology and pathogenesis. The new extensions in knowledge were reported at the American Rheumatism Association meeting in San Antonio, Texas.

Immune marker in skin

Xavier J. Caro, M.D., a clinical assistant professor of medicine at the University of California at Los Angeles, reported on the study that suggested the immune skin test. His team looked for clinical and laboratory markers of immune-related disease in 25 patients with apparent primary fibrositis. Each complained of widespread, symmetrical, nondescript aching pain for longer than three months, local tenderness at 10 or more of 25 examined sites, skin roll tenderness over the upper scapular region, disturbed sleep patterns, morning stiffness and fatigue.

None of the patients could be placed in any other known rheumatic disease category, because they all had normal x-rays and laboratory test findings such as sedimentation rate, serum calcium, rheumatoid factor, and antinuclear antibody. Their mean age was 51, and 23 of the 25 were women.

Each patient had a 4 mm skin punch biopsy taken from the extensor part of the forearm. Direct immunofluorescent staining revealed band-like granular deposition of IgG at the dermal-epidermal junction in 76% of the patients' biopsies, Dr. Caro reported. The deposit wasn't seen in skin from 23 normal controls and 48 "diseased" controls with rheumatoid arthritis, progressive systemic sclerosis, polymyositis or psoriasis.

"Skin immunofluorescence testing is a well-accepted way of identifying immune-related problems," explains Dr. Caro. Dermatologists previously found a similar band in the skin of patients with systemic lupus erythematosus. Dr. Caro hopes the test will help to substantiate subjective evidence of fibrositis.

His staining studies didn't detect IgA, IgM, C3 or fibrinogen in the biopsy specimens. This may have been due to a lack of test sensitivity to less strongly positive immune components, says Dr. Caro. If other researchers confirm his results, he thinks potential fibrositis patients should routinely have the test. The tissue sample can be taken in the physician's office and stored in a transport medium while it is being sent to [illegible] for research [illegible].

To check for a relationship between skin immunofluorescence and inflammatory phenomena, Dr. Caro devised a four-point scoring system. Patients with positive skin tests proved to have a higher mean inflammation score.

Autonomic system ties

Since fibrositis has long seemed linked to autonomic nervous system (ANS) dysfunction, the California team also rated patients with a four-point scoring system for such ANS-associated symptoms as heat intolerance, dry eyes, migraine and GI disorders. Again, patients with positive skin tests scored higher, Dr. Caro

New tests validate fibrositis and ease diagnosis

The diverse discomforts of fibrositis, or "soft tissue rheumatism," do not originate in patients' heads, as some skeptics have maintained. Two teams of researchers report they've come up with objective tests and criteria that demonstrate the disorder's presence and link it to an immune abnormality and dysfunction of the autonomic nervous system.

A California study of 25 patients with fibrositis symptoms revealed that three quarters had IgG deposits in their skin. The abnormality can be easily detected in skin biopsies with immunofluorescent staining. The researchers also devised rating scales that showed patients with positive skin biopsies had high scores for inflammatory phenomena and autonomic dysfunction.

In a different study of 22 patients, an Oregon team found that fibrositis could be easily diagnosed with a questionnaire that asks about telltale symptoms and a "colorimeter" test that measures tenderness at common sites of fibrositic pain. The test results showed that fibrositis patients aren't tender all over and don't have an abnormally low pain threshold, as has been suggested.

Being able to define fibrositis more precisely and test for it should ease management of many patients. It is estimated that hundreds of thousands or perhaps over 1 million Americans suffer from nebulous aches and pains or "rheumatism." These complaints often respond to treatment with aspirin or nonsteroidal anti-inflammatory agents. And recent findings may lead to the development of more specific therapy, researchers suggest.

The term *fibrositis* was coined in 1904 to describe a type of low back pain but later was applied more generally to idiopathic local or diffuse musculoskeletal pain. Patients with the syndrome complain about having many discrete tender points and also such disparate symptoms as headaches, intestinal problems, morning stiffness, sleep disorders and fatigue.

Fibrositis is usually divided into two forms. In the primary form, the syndrome's typical symptoms occur in the absence of other rheumatic dis-

HLA and Disease

Joel D. Taurog, MD
Assistant Professor, Section Rheumatology/Clinical Immunology
Department of Medicine, University of Minnesota, Minneapolis, Minnesota

Every vertebrate organism has, on one pair of chromosomes, a major histocompatibility complex, or MHC. This is a complex of genes that contains the genetic code for cell-surface molecules involved in the recognition of foreign antigens. Many of the initial discoveries about this gene complex were made by transplantation immunologists during the 1940s, '50s and early '60s. The past 15 years have seen interest in the MHC extended into additional areas of biology and medicine.

It has become increasingly clear that the gene products of the MHC have changed surprisingly little throughout evolution. In fact, these gene products apparently have evolved from the same primitive gene that has given rise to immunoglobulins and probably other "recognition" proteins. It is thought that these molecules have evolved as defenses against infectious disease. Many of them have now been associated with specific chronic diseases. This review describes these gene products and their functions and discusses their relation to disease states.

Gene products of HLA

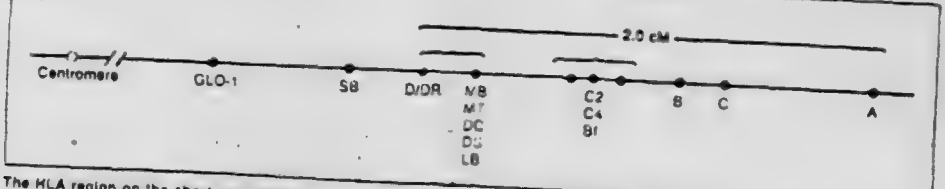
The human MHC, which is usually referred to as HLA, is located on the short arm of chromosome 6 (Fig). The class I and II protein products have been well characterized.

Class I antigens are found on the surface membranes of almost all nucleated somatic cells. In humans, three class I genetic loci are defined, each encoding a series of allelic antigens. The products of these A, B, and C loci (HLA-A, HLA-B, HLA-C) are co-dominantly expressed on cell surface; that is, alleles inherited from both parents are expressed in the children, and no single one is dominant.

Class II antigens are intimately involved in the control of the immune response. They are expressed primarily on macrophages and related "antigen-presenting cells," B lymphocytes, and activated T lymphocytes. The locus for these antigens is known as HLA-D or DR. There is good evidence for at least three such class II antigens in humans.

The class III products of the HLA complex are the complement components C2, C4, and properdin factor B. These are produced and secreted by

Figure



The HLA region on the short arm of human chromosome 6. Class I genes: A, B, C; Class II genes: D/DR, SB, MB/MT/DC/DS/LB; Class III genes: C2, C4, Bf. The relative positions of the genes for D/DR and for MB/MT/DC/DS/LB are not known; SB is thought to map between D/DR and GLO-1 (glyoxalase). The relative positions of the complement loci are not known.

reported. He believes the correlations are more than coincidence. Other research evidence has suggested that patients with immune problems suffer from ANS disorders. His team is now investigating possible connections between fibrositis and ANS dysfunction and also the mechanism through which IgG is deposited in patients' skin.

Life-style at stake

"Fibrositis isn't an insignificant problem," Dr. Caro insists. "Most nonspecialists consider it to be a mild disease, just a nuisance." But 40% of the California patients claimed they were disabled by the disease. "It's not life-threatening, but the pain is so debilitating it threatens the life-style," he says. "And old-time clinicians always believed it was a common problem."

The other fibrositis report given at the meeting also stated that soft-tissue rheumatism is a common, readily definable syndrome. The team, led by Stephen M. Campbell, MD, at Oregon Health Sciences University in Portland, used a screening questionnaire (see form) to identify possible fibrositis patients among hundreds of patients attending medical clinics during a three-month period. Matched clinic patients who didn't meet the questionnaire criteria were used as controls.

There was a high rate of musculoskeletal complaints in both groups, but the 22 patients who were diagnosed as having definite fibrositis all had a characteristic constellation of symptoms including axial pain, severe aching and stiffness, morning fatigue and pain modulation by specific factors. The group furthermore had a higher prevalence of tension headaches and irritable bowel syndrome.

The Oregon team evaluated tenderness over 26 specific body areas with a spring-loaded gauge called a dolorimeter. "The tender points of fibrositis patients were much more tender than corresponding points of controls," says Dr. Campbell, who is an assistant professor of medicine.

"We also found that fibrositis patients aren't tender everywhere and don't have a diminished pain threshold or tolerance."

The Oregon study showed that it's possible to make objective measurements of localized tenderness. Points providing the best discrimination between the fibrositis and control groups were in the paraspinous, trapezius, gluteus and occiput areas. Patients with definite fibrositis had a total of at least 12 tender points.

Dr. Campbell notes that the fibrositis tender points are "remarkably consistent" and symptoms are "almost universally worsened by cold, humid weather." Such features indicate, he says, that "at least some peripheral tissue abnormality exists." What's more, his study found an almost universal sleep disturbance pattern consistent with non-REM sleep deprivation. And standard psychological tests revealed no differences between fibrositis patients and controls, "making a primary psychogenic etiology unlikely."

Part of larger morass?

The Oregon researchers c[illegible] that soft-tissue rheumatism is a "morass," of which fibrositis may represent only a small segment. But more than 5% of the university clinic patients who completed the questionnaire gave answers indicating possible fibrositis. Also, 6 of the 22 patients with definite fibrositis were men, demonstrating that it isn't a disease virtually confined to women.

But the most important finding, says Dr. Campbell, is that clinicians can identify unrecognized fibrositis "with high sensitivity" just by asking patients the 15 simple questions making up the Oregon questionnaire. The answers of a patient with possible fibrositis typically reveal a history of pain and stiffness that worsens in the morning and changes with the weather and emotional upsets.

Presented at the annual meeting of the American Rheumatism Association, San Antonio, Texas, 1983.

Myositis often doesn't require daily steroids

Despite their inherent risks, daily steroids are the textbook treatment for idiopathic myositis. Now, a team at the Mary Imogene Bassett Hospital (MIBH) of Columbia University, Cooperstown, N.Y., says alternate-day therapy can be effective in mild to moderate forms of the disease.

In a study of 27 adult patients with dermato- or polymyositis, Gary S. Hoffman, MD, found that 8 of 11 who received only alternate-day therapy achieved excellent clinical results. Six of the eight have had no recurrence off steroids for 4 to 42 months.

Evidence of milder disease

Comparing the MIBH results to those of large referral centers such as UCLA, Dr. Hoffman attributed the success of the modified dosage to less serious disease. He reported his results at the annual meeting of the American Rheumatism Association.

The mean patient age was 59 years, higher than most series, which usually also include children. Aside from this, the MIBH patients were similar to those in other studies: 41% had polymyositis; 22%, dermatomyositis; 7% had associated malignancies; and 30% had overlap syndromes, including scleroderma, systemic lupus erythematosus and classic rheumatoid arthritis. Daily steroids at a mean dose of 59 mg were given to 19 seriously ill patients, and five of these also received a cytotoxic agent.

The daily therapy group had a higher incidence of severe infection, Cushing's syndrome, fractures and new-onset diabetes that required insulin. Patients who did not become cushingoid were successfully switched to alternate-day medication within two to three months.

Both the MIBH and UCLA studies used the strength grading scales of

The class III antigens function in the classical or alternative complement pathways. It is likely that there are other, as yet unidentified, HLA-linked loci that are important not only in the immune response but in the more fundamental self-recognition processes of embryologic differentiation. Furthermore, although many HLA-associated diseases are apparently related to autoimmunity, others are apparently due to enzyme deficiencies or defects in anatomic development. Our current level of knowledge of the function of the HLA gene products may not be adequate to explain the mechanism of some of these HLA-associated diseases.

HLA AND SPECIFIC DISEASES

If, within the general population, a particular disease occurs with a greater frequency among individuals who bear a particular HLA antigen than among those who lack this antigen, the disease and the antigen are said to be *associated*. If the disease and the antigen are shown by family studies to be consistently inherited together (ie, if they do not segregate in mendelian fashion), the two are said to be *linked*.

Association is measured by calculating *relative risk* (RR) as follows:

RR = hK/kH, where

- h = no persons with the disease and with the antigen
- k = no persons with the disease but without the antigen
- K = no persons without either disease or the antigen
- H = no persons without the disease but with the antigen.

Suppose 1,000 healthy people are HLA-typed and the frequency of DR4 in this group is found to be 22%. If an ethnically comparable population of 100 patients with rheumatoid arthritis is studied and 65% are found to have DR4, then the relative risk is (65) (780)/(35) (220) = 6.58. This should mean, then, that the risk of developing rheumatoid arthritis is 6.58 times as great for a DR4$^+$ person as for a DR4$^-$ person. In practice, however, the 1,000 healthy controls are likely to include a substantial number of young adults, a few of whom may later in life develop rheumatoid arthritis. The true frequency of DR4 in the population who will never develop rheumatoid arthritis may thus be somewhat less than the observed 22%, and the true relative risk may be somewhat higher. But because most DR4$^+$ individuals do not develop rheumatoid arthritis, this slight inaccuracy can be ignored.

This inaccuracy may be more significant in the case of ankylosing spondylitis and HLA-B27. HLA-B27 has been found in about 90% of Caucasians with classical ankylosing spondylitis and in about 6% of normal Caucasian blood donors. However, studies have suggested that about 20% of supposedly normal B27$^+$ individuals actually have undiagnosed ankylosing spondylitis. If the equation is correct for this observation, the relative risk to a B27$^+$ person of developing ankylosing spondylitis increases from 141 to 178. This is by far the closest association of any HLA marker to a particular disease.

Disease heterogeneity

It is apparent that there is no disease in the Table for which there is a 100% association with a particular HLA-encoded antigen. There are two major explanations for this. One is that clinically recognized disease states almost always are the results of complex processes; for a given disease, HLA-linked genes may contribute to only part of the process in

Table

Some HLA [illegible] Associations

Condition	HLA	Frequency (%)		Relative Risk
		Patients	Controls	
Idiopathic hemochromatosis	A3	76	28	8
	B14	16	4	5
Ankylosing spondylitis	B27	90	9	87
Reiter's disease	B27	79	9	37
Acute anterior uveitis	B27	52	9	10
Subacute thyroiditis	B35	70	15	14
Psoriasis vulgaris	Cw6	87	33	13
Dermatitis herpetiformis	DR3	85	26	15
Celiac disease	DR3	79	26	11
Sjogren's syndrome (primary)	DR3	78	26	10
Addison's disease (idiopathic)	DR3	69	26	6
Graves' disease	DR3	56	26	4
Insulin-dependent diabetes	DR3	56	26	3
	DR4	75	32	6
Myasthenia gravis	DR3	50	26	2.5
Systemic lupus erythematosus	DR3	70	26	6
Idiopathic membranous nephropathy	DR3	75	20	12
Multiple sclerosis	DR2	59	26	4
Rheumatoid arthritis (seropositive)	DR4	80	32	8.5

Data are from Caucasian populations only

...ocytes and macrophages.

Serologic Identification

Most human proteins show either no variation from one individual to another (ie, no allelism) or variation in which the allelic products differ by one or at most a few amino acids. This is called *simple polymorphism*. In contrast, class I and class II histocompatibility antigens show *complex polymorphism*, in which each product differs from the others by extensive variations throughout the amino acid sequence.

Detection of HLA polymorphism is generally made serologically. The serums used are obtained mainly from multiparous women, who, as a result of repeated pregnancies, have been heavily immunized with the paternal antigens expressed on fetal cells. At a series of international collaborative workshops, specific typing serums have been identified and the specifically identified antigens given standard designations.

When an individual is typed, separate aliquots of his/her peripheral blood lymphocytes are treated with each of the different typing serums and then with a source of complement (usually rabbit serum). Those cells that have bound antibodies are lysed by the complement and then are stained with a dye which can only be taken up by dead cells.

Currently, there are about 20 different alloantigens of the A series, 40 of the B series, 8 of the C series, and 10 of the DR series that were agreed on at the most recent International Histocompatibility Workshop. An antigen that is well defined is given a letter and number designation, such as HLA-A1. An antigen for which the typing is still tentative is given a provisional designation, such as HLA-Bw41, the w standing for workshop. As serologic techniques are further refined, additional antigens have been detected that were previously typed less specifically. For example, the antigen originally defined as A9 as been "split" by more specific typing serums into Aw23 and Aw24, each of which shares one or more common antigenic determinants but also has specific "private" antigenic determinants. Most D antigens are closely related to the DR antigens of the same number, for example Dw2 and DR2.

Antigen Frequency

In accordance with the Hardy-Weinberg law of population genetics, the frequency of a given HLA allele remains constant from generation to generation within a population. Most of the well-defined HLA-A and HLA-B alloantigens have frequencies in the Caucasian population of 1% to 10%. One would expect, by chance alone, that the probability of two specific antigens (eg, A1 and B8 or B7 and DR2) occurring together would be the product of their individual gene frequencies. However, many combinations of antigens are inherited together much more often than would be predicted by chance. These antigens are said to occur in *linkage disequilibrium*.

Probably, selective pressure of infectious diseases throughout evolution has produced combinations of antigens that are effective in the immune response to common infections. Some antigens, such as DR3, that are associated with genetic diseases occur in strong linkage disequilibrium with alloantigens encoded at other HLA loci; other disease-associated antigens, such as B27, do not show any significant linkage disequilibrium.

The polymorphism of the HLA system genes helps ensure that there will be within a population at least some individuals whose particular genotypes facilitate an effective immune response against any particular microorganism.

The initiation of most immune responses depends on interactions between T lymphocytes and accessory cells such as macrophages, which process and present antigens to the lymphocytes. T lymphocytes do not respond only to antigens, however; for an immune response to be initiated, the T lymphocytes must specifically recognize not just antigen but also class II (DR) histocompatibility antigens expressed on the surface of the antigen-presenting cells. Furthermore, for T lymphocytes to "help" B lymphocytes produce antibody, similar recognition by the T cell of class II antigens on the B cell surface must occur.

In mice, guinea pigs, rats, and recently also in man, *immune response genes* have been identified that encode strong or weak responses to defined antigens. These genes have been shown to be identical to the allelic genes encoding the class II antigens; thus, the particular class II alloantigens expressed on the cells of an individual appear to dictate the particular antigenic determinants to which that individual is capable of making an immune response. In other words, the class II antigens largely define the immune response repertory of a given individual.

The class I (HLA-A, HLA-B, and HLA-C) antigens are also recognition elements for T lymphocytes, in this case the antigens being recognized are usually viral antigens expressed on cell surfaces. During the course of many viral infections, an immune response to viral antigens is mounted. Helper T lymphocytes release factors that stimulate the proliferation and differentiation of cytolytic or "killer" T lymphocytes. These cells recognize specific viral antigens on cell surfaces and subsequently lyse the cells bearing those antigens; however, the killer cells simultaneously must recognize class I antigens on the target cell surface. Thus, each T cell is simultaneously specific for both foreign and self antigens; in general, helper T cells recognize class II self antigens, while cytolytic T cells recognize class I self antigens.

Some Useful Genetic Definitions

Allele. One of two or more alternative genes that occur at a given site (locus) on a chromosome.

Alloantigen (isoantigen). An antigen that exists in alternative (allelic) forms in a species.

Allotypic determinant. A portion of a protein molecule that is antigenic for nonidentical members of the species of the organism that produced it.

Haplotype. A group of alleles of linked genes on a single chromosome.

Linkage disequilibrium. Unexpectedly persistent association in a population of alleles at linked loci.

Locus. A fixed position on a chromosome that is occupied by a given gene.

Polymorphism. Allelism; ie, multiple different genes occurring at a given locus within a species.

Recombination. The genetic result of exchange of chromosomal material between paired chromosomes during meiosis.

DR2 is positively associated with ragweed allergy, leprosy, idiopathic thrombocytopenic purpura, multiple sclerosis, and Goodpasture's syndrome; there is a strong negative association between DR2 and insulin-dependent diabetes (ie, very few cases of the disease have been observed in DR2$^+$ individuals) and, to a lesser extent, rheumatoid arthritis.

DR4 is associated with insulin-dependent diabetes and with rheumatoid arthritis, primarily the adult type in which rheumatoid factor is present. There is some evidence that DR4 is closely linked to an immune response gene to collagen and degradation products of collagen. Both normal and arthritic DR4$^+$ individuals have been shown to have a T cell reactivity to collagen that is suppressed in DR4$^-$ individuals.

DR4$^+$ individuals also have a high risk of hydralazine-induced systemic lupus erythematosus. DR5 and DR8 are associated with certain types of juvenile arthritis. This finding essentially proves that adult rheumatoid arthritis and juvenile polyarthritis have different genetic backgrounds and thus are different diseases.

Clinical applications of HLA testing

Except for organ transplantation, there are as yet few clinical applications for HLA typing. Two clear-cut clinical indications for HLA typing occur uncommonly but should be mentioned: (1) In families with recessive HLA-linked 21-hydroxylase deficiency, all siblings sharing both HLA haplotypes with an affected individual will also have the deficiency. This fact allows the problem to be diagnosed antenatally. (2) Siblings of patients with familial hemochromatosis who share both HLA haplotypes have a 96% chance of developing the disease, whereas siblings sharing one haplotype have a 21% chance. Thus, phlebotomy can be done before organ damage has occurred.

HLA typing is most commonly used to test for HLA-B27 in individuals with rheumatoid disease and/or anterior uveitis. However, there is controversy among rheumatologists over the indications for such testing, since the presence of B27 in an individual is neither necessary nor sufficient to make a diagnosis of any rheumatic disease.

Furthermore, the symptoms of inflammatory back pain are usually different from those of other forms of back pain. Characteristically, the inflammatory back pain of ankylosing spondylitis or Reiter's syndrome is associated with prominent morning stiffness and improves with movement and exercise. Back pain from most other causes is improved with rest.

The diagnosis of probable early ankylosing spondylitis can often be made on clinical grounds alone and the diagnosis of Reiter's syndrome usually can be.

Radiologic evidence of advanced bilateral sacroiliitis is required for the diagnosis of *definite* ankylosing spondylitis, but these changes can take years to develop. Consequently, a clinician should be prepared to make a provisional diagnosis and institute anti-inflammatory and physical therapy on the basis of the clinical findings. [illegible] evaluation of complex or atypical cases that B27 testing can be of [illegible] help.

The evaluation of juvenile arthritis poses special problems. B27-associated disease in children is typically an asymmetric, large-joint peripheral arthritis that begins between the ages of seven and 15 years, predominantly in boys. With this disorder, the presence of B27 allows a clinician to classify the child's disease among the many different forms of juvenile arthritis.

An argument can be made for typing the siblings of patients with insulin-dependent diabetes to assess their risk. This argument would be stronger if appropriate preventive measures such as vaccination against a specific virus were available, but this is not yet the case.

Conclusion

In general, there are no clear indications for routine HLA typing in the diagnosis or anticipation of any diseases except perhaps the B27-associated diseases. However, given the rate at which new information is being gathered on the HLA genes, there is every reason to expect that genetic profiles will soon play an important role in diagnosis and treatment of many diseases. ■

this principle is diabetes mellitus. Insulin-independent (adult-onset) diabetes mellitus has no association with HLA antigens; in marked contrast, insulin-dependent (juvenile-onset) diabetes mellitus is strongly associated with DR3 and DR4. Diabetes associated with DR3 tends also to be associated with autoantibodies to tissues such as thyroid and gastric parietal cells; in contrast, DR4-associated diabetes seems more likely to be associated with viral infections and autoantibodies only to insulin. Furthermore, at least three other genetic factors independent of HLA have been identified as independent risk factors for insulin-dependent diabetes.

The second major explanation for imperfect correlations of specific HLA antigens with specific diseases is the likelihood that many such observations are due to linkage disequilibrium between the identified antigen and the true disease susceptibility gene. Given two neighboring genetic loci on a particular chromosome, it is likely that particular alleles at each may be transmitted together for a few generations. However, over many generations, such alleles usually are separated by random recombinations and ultimately are found together with a frequency equal to the product of their independent frequencies in the population.

Within the HLA system, many antigen pairs, or clusters, occur together in haplotypes with greater than expected frequency. In Caucasian populations, the antigen A1 and B8 occur together in a haplotype about four times more frequently than is predicted by their independent gene frequencies. Often, DR3 is also found on the haplotype containing A1 and B8. Another common Caucasian haplotype is A3-B7-DR2.

It is quite likely that for many HLA-associated diseases the disease-susceptibility gene is not yet identified but occurs in linkage disequilibrium with the gene encoding the antigen with which association has been observed. Examples of such likely associations are described in the next section.

HLA-Disease Associations

Linkage with class I antigens. The allele responsible for familial hemochromatosis occurs in linkage disequilibrium with HLA-A3 and B14. Congenital adrenal hyperplasia due to deficiency of the enzyme 21-hydroxylase is linked to the HLA-B locus, but the disease allele does not occur in linkage disequilibrium with any particular B locus antigen.

HLA-B27 is associated with a group of rheumatic diseases known collectively as seronegative spondyloarthropathies and also with acute anterior uveitis. The closest association is with ankylosing spondylitis. This close association is found not only in Caucasians, in whom B27 occurs with a frequency of 5% to 14%, but also in groups with a much lower incidence of B27. For example, although B27 is found in less than 1% of Japanese, it occurs in over two thirds of Japanese with ankylosing spondylitis. This worldwide distribution of the association suggests that either the B27 antigen itself is the disease-susceptibility factor or that the factor occurs in a close linkage disequilibrium with B27. Which possibility is correct is not yet known.

In patients with ankylosing spondylitis co-existing with either psoriasis or inflammatory bowel disease, the incidence of B27 is lower than in patients with idiopathic spondylitis (50% rather than 90%). This suggests that other factors besides HLA-B27 can lead to the development of ankylosing spondylitis.

Reiter's syndrome and similar reactive arthropathies with or without urethritis, conjunctivitis, mucocutaneous lesions, and diarrhea occur following enteric infection with *Shigella flexneri*, *Salmonella* species, several serotypes of *Yersinia enterocolitica*, *Campylobacter jejuni*, and also following nongonococcal urethritis or cervicitis. About 65% to 80% of affected individuals are B27+. In these arthropathies, primarily the joints and tendons of the lower extremities and the spine are inflamed, often asymmetrically.

When B27-associated arthropathy affects children, it usually causes asymmetric peripheral arthritis, especially involving the knees or ankles. Some, but not all, of these patients develop ankylosing spondylitis as young adults.

It is assumed that genetic factors independent of the HLA complex partly determine susceptibility to the B27-associated (and other HLA-associated) diseases. In support of this assumption is the recent observation that patients with idiopathic acute anterior uveitis have a high incidence of an uncommon alpha$_1$-antitrypsin phenotype. The coincidence of this phenotype and HLA-B27 in one individual combines two independent risk factors for uveitis.

Diseases associated with HLA-D/DR. As noted earlier, the class II antigens in the mouse have been definitively shown to function as immune response genes. Because human inbred strains are not available, it has been very difficult to confirm the presence of such genes in man. Nonetheless, there is good evidence that D-region-linked genes in man control immune responses to tetanus toxoid, collagen, native DNA, schistosomal cell-wall antigen, ragweed allergen Ra5, streptococcal cell-wall antigen, and influenza virus.

It is reasonable to postulate that diseases associated with D/DR antigens, most of which are thought to be autoimmune, arise at least partly because of the functioning of immune response genes; however, it must be emphasized that this has not been formally demonstrated for any disease except, perhaps, IgE-mediated ragweed allergy.

The haplotype A1, B8, DR3, is associated with a strong antibody response to many antigens, especially viruses, and with a relatively slow clearance of immune complexes. Many diseases of organ-specific autoimmunity are associated with DR3, including gluten-sensitive enteropathy (celiac sprue), dermatitis herpetiformis, chronic active hepatitis, primary Sjogren's syndrome, Addison's disease, Graves' disease, myasthenia gravis, and insulin-dependent diabetes. Antibodies are thought to play a pathogenic role in most of these diseases, but in no case has this been definitely shown. Best studied is probably myasthenia gravis, in which most patients can be shown to have antibodies to the acetylcholine receptor.

Vol. 53

1985-1986

Pgs. Not Cons.

Vice-Mayor Bratton said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1526 passed on third and final reading.

Compete text of Ordinance No. 1526 will be found in Ordinance Book No. 10 at Page 287 and 288.

RESOLUTION NO. 85-125 - RESOLUTION AUTHORIZING CITY MANAGER TO SIGN RELEASES IN CONNECTION WITH INSURANCE SETTLEMENTS TO BE PAID TO THE CITY

4. Consideration was given to a resolution authorizing the City Manager to sign releases in connection with insurance settlements to be paid to the City.

Vice-Mayor Bratton said this resolution would authorize the City Manager to sign releases required by insurance companies in connection with settlement payments to be paid by the insurance companies to the City.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 85-125 was unanimously adopted.

Complete text of Resolution No. 85-125 will be found in Resolution Book No. 15 at page 268.

RESOLUTION NO. 85-126 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AGREEMENTS WITH THOMPSON-GORDON-SHOOK ENGINEERS, INC. FOR THE REPLACEMENT/REHABILITATION OF THE HAZEL MILL ROAD BRIDGE, MURDOCK AVENUE BRIDGE AND THOMPSON STREET BRIDGE

5. Consideration was given to a resolution authorizing the Mayor to execute agreements with Thompson-Gordon-Shook Engineers, Inc. for the replacement/rehabilitation of the Hazel Mill Road Bridge, Murdock Avenue Bridge and Thompson Street Bridge.

Vice-Mayor Bratton said this resolution will approve acceptance of engineering proposals submitted by Thompson-Gordon-Shook Engineers, Inc. for design of replacement/rehabilitation bridges on Thompson Street, Murdock Avenue and Hazel Mill Road. The amount quoted was $99,900.00 for all three (3) bridges. The high quote received was for $200,000.00 and the low quote was for $20,000.00. Thompson-Gordon-Shook Engineers, Inc. were in the middle price range but their experience in the Federal Aid Bridge Replacement Program was the highest of any other proposal received. Funds in the amount of $618,824.05 remain in the bridge program which is uncommitted at present. The City will receive 80% reimbursement of the committed funds through the Federal Aid Off System Bridge Program. The proposed price of $99,900.00 will have sufficient funds available and will also receive 80% reimbursement through the Federal Aid Off System Bridge Program.

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Tuesday - July 30, 1985 - 4:00 p.m.

Regular Meeting

Present: Vice-Mayor Wilhelmina Bratton, Presiding; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Larry McDevitt

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - JULY 23, 1985 MEETING

1. Approval of the minutes of the July 23, 1985 meeting.

Corporation Counsel Slawter requested that Exhibits A-EE, including a letter from Attorney Scott Jarvis containing articles from the Professional Medical Journal relative to H. R. Kuykendall's illness, be included in the minutes of the July 23, 1985 meeting.

Councilman Bissette moved to approve the minutes of the July 23, 1985 meeting incorporating the exhibits requested by Corporation Counsel Slawter. This motion was seconded by Counsilman Frank and carried unanimously.

PROCLAMATION - AUGUST 2-9, 1985 - "ASHEVILLE SWIM-ACROSS WEEK".

2. Vice-Mayor Bratton read a proclamation proclaiming August 2-9, 1985 as "Asheville Swim-Across Week".

Vice-Mayor Bratton presented the proclamation to Mary Ritter, Director of Community Services for the American Red Cross, John Teeter, President and Chairman of the Swim-Across Committee, and John Miall.

ORDINANCE 1526 - AN ORDINANCE AMENDING SECTION 28-81.3 OF ARTICLE IV, SPEED REGULATIONS, CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

3. Consideration was given to the third reading of Ordinance 1526, an ordinance amending Section 28-81.3 of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville.

Vice-Mayor Bratton said the Traffic Engineering Division of the Public Works Department has received a request from the Ballantree Homeowners Association to establish a 25 mile per hour speed limit on all streets within the Ballantree Development. The streets affected by this proposed ordinance are: 1) Ballantree Drive (between Sweeten Creek Road and Elmwood Lane; 2) Braddock Way; 3) Campbell Circle; 4) Aspen Way; 5) Gardenwood Drive; 6) Gardenwood Lane; and 7) Elmwood Lane. This ordinance was read on first reading at the June 16, 1985 meeting and on second reading on July 23, 1985.

Residential District to CS Commercial Service District. The property is located on Sweeten Creek Road at Old West Chapel Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 55, Lot 7 be rezoned from R-5 Residential District to CS Commercial Service District.

FISCAL IMPACT: None

B. Schedule a public hearing relative to rezoning property located at 105 Buchanan Avenue for August 13, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held July 10, 1985, considered the petition of Dr. E.B. Crosby, Asheville Hand Center, that Ward 1, Sheet 8, Lot 70, be rezoned from R-3 Residential District to OI Office Institutional District. The property is located at 105 Buchanan Avenue. After review and discussion, the Commission voted to recommend to City Council that Ward 1, Sheet 8, Lot 70, be rezoned from R-3 Residential District to OI Office Institutional District.

FISCAL IMPACT: None

C. Schedule a public hearing relative to rezoning property located behind Ace Applicance on Knight Place for August 13, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held July 10, 1985, considered the petition of Mr. Wayne Smith of Ace Applicance that Ward 5, Sheet 6, Lot 99-1/4, be rezoned from R-3 Residential District to CS Commercial Service District. The property is located behind Ace Applicance on Knight Place. After review and discussion, the Commission voted to recommend to City Council that Ward 5, Sheet 6, Lot 99-1/4 and Lot 99 be rezoned from R-3 Residential District to CS Commercial Service District.

FISCAL IMPACT: None

Upon motion of Councilman Price, seconded by Councilman Myers, the consent agenda was unanimously approved.

RESOLUTION NO. 85-128 - RESOLUTION AUTHORIZING THE VICE-MAYOR TO EXECUTE THE NECESSARY DOCUMENTS FOR EQUIPMENT - PURCHASE AND SECURITY AGREEMENT FOR THE NEW TELEPHONE SYSTEM BY AND BETWEEN THE CITY OF ASHEVILLE AND SOVRAN LEASING CORPORATION

8. Consideration was given to a resolution authorizing the Vice-Mayor to execute the necessary documents for an equipment-purchase and security agreement for the new telephone system by and between the City of Asheville and Sovran Leasing Corporation.

Upon motion of Counilman Frank, seconded by Councilman Price, Resolution No. 85-126 was unanimously adopted.

Complete text of Resolution No. 85-126 will be found in Resolution Book No. 15 at Page 269.

RESOLUTION NO. 85-127 - RESOLUTION AUTHORIZING THE VICE-MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A FEDERAL AVIATION GRANT AGREEMENT, PROJECT NO. 3-37-0005-05.

6. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville a Federal Aviation Grant Agreement, Project No. 3-37-0005-05.

Vice-Mayor Bratton said the Federal Aviation Administration has offered a grant agreement dated July 15, 1985 to the Asheville Regional Airport Authority in the amount of Five Hundred Thirty-Five Thousand Four Hundred Sixty-Three and no/100 dollars ($535,463.00). The City of Asheville and the County of Buncombe are sponsors of the agreement. The FAA requires each sponsor to execute said grant agreement. The grant agreement provides for constructing an emergency access road; overlay general aviation apron (37,340 s.y.) and two taxiways (300' x 50' each); expand general aviation apron (7,320 s.y.).

Vice-Mayor Bratton said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Bissette, Resolution No. 85-127 was unanimously adopted.

Complete text of Resolution No. 85-127 will be found in Resolution Book No. 15 at Page 270.

APPROVAL OF THE CONSENT AGENDA

7. Consideration was given to a motion approving the consent agenda.

Vice-Mayor Bratton said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Schedule a public hearing relative to rezoning property located on Sweeten Creek Road at Old West Chapel Road for August 13, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held July 10, 1985, considered the petition of Mr. Eugene M. Carr, Jr. that Ward 7, Sheet 55, Lot 7 be rezoned from R-5

REPORT RELATIVE TO CITY COUNCIL CABLEVISION COMMISSION - DELAYED

Councilman Bissette said the report relative to the City Council Cablevision Commission has been delayed due to an illness contracted by Gary Rowe, a member of the City Council Cablevision Commission. Councilman Bissette said that he expected a report to be given by the Commission in the next couple of weeks.

RALPH BISHOP - REDRESS - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to his right to seeking redress, relative to lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Myers, seconded by Councilman Bissette, the meeting adjourned at 4:45 p.m.

Gary McHeath
MAYOR

William F. Moseley
CITY CLERK

Vice-Mayor Bratton said this resolution would award the contract for an equipment-purchase and security agreement for the new telephone system for the City of Asheville to Sovran Leasing Corporation.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 85-128 was unanimously adopted.

Complete text of Resolution No. 85-128 will be found in Resolution Book No. 15 at Page 271.

RESOLUTION NO. 85-129 - RESOLUTION DIRECTING CITY CLERK TO ADVERTISE AN OFFER FOR THE PURCHASE OF CITY-OWNED PROPERTY ON HAYWOOD ROAD KNOWN AS THE OLD WEST ASHEVILLE FIRE STATION

9. Consideration was given to a resolution directing the City Clerk to advertise an offer for the purchase of City-owned property on Haywood Road known as the Old West Asheville Fire Station.

Vice-Mayor Bratton said this resolution would authorize the City Clerk to advertise a notice of the offer received from Gary Newlin and Don R. Cloninger to purchase the property owned by the City of Asheville located on Haywood Road and known as the Old West Asheville Fire Station.

Upon motion of Councilman Myers, seconded by Councilman Frank, Resolution No. 25-129 was unanimously adopted.

Complete text of Resolution No. 85-129 will be found in Resolution Book No. 15 at Page 272.

CLAIMS - FRED NEWTON (SEWER) - WILL RUSSELL HOUSE OF FASHION (SEWER)

The City Manager presented claims received from Fred Newton and Will Russell, House of Fashion.

Vice-Mayor Bratton referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - VIRGINIA M. TATE AND SUZANNE TATE MORROW VERSUS BOARD OF ADJUSTMENT (APPEAL FROM BOARD OF ADJUSTMENT DECISION)

The City Manager said the City was served with a summons in connection with a lawsuit involving Virginia M. Tate and Suzanne Tate Morrow versus Board of Adjustments regarding an appeal from the Board of Adjustments decision.

Vice-Mayor Bratton referred the summons to the Corporation Counsel for investigation and recommendation.

REQUEST OF COUNCILMAN PRICE - RESOLUTION RELATIVE TO BELE CHERE - AUGUST 6,1985

Councilman Price requested that a resolution of appreciation to the participants of Bele Chere 1985 be on the agenda for August 6, 1985.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 85-130 was unanimously adopted.

Complete text of Resolution No. 85-130 will be found in Resolution Book No. 15 at page 273.

Mayor McDevitt presented a copy of the resolution to Jim Daniels, Chairman of the Board of Directors for Bele Chere 1985.

RESOLUTION No. 85-131 - RESOLUTION OF APPRECIATION TO MR. J. D. JACKSON, AS 1985 BELE CHERE FESTIVAL CHAIRMAN

3. Consideration was given to a resolution of appreciation to Mr. J. D. Jackson as 1985 Bele Chere Festival Chairman.

Mayor McDevitt read the resolution expressing gratitude and sincere thanks to Mr. J. D. Jackson, Bele Chere Festival Chairman for 1984 and 1985, for his generous contribution of himself to his community and for his outstanding leadership in making Bele Chere 1985 a resounding success.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Frank, Resolution No. 85-131 was unanimously adopted.

Complete text of Resolution No. 85-131 will be found in Resolution Book No. 15 at page 274.

Mayor McDevitt presented the resolution to Mr. Jim Daniels requesting that he forward this resolution to Mr. Jackson.

PUBLIC HEARING - SITE PLAN OF THE PROPOSED "BELVEDERE CONDOMINIUMS" - BEAVERDAM ROAD

4. A public hearing was held relative to the site plan of the proposed "Belvedere Condominiums" to be located on Beaverdam Road.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held July 10, 1985, reviewed the site plan of the proposed "Belvedere Condominiums" to be located on Beaverdam Road. The site plan was prepared by McGill Associates, Engineers, for Condominium Builders, Inc., Winston-Salem, N. C., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to final approval of the driveway cut by the North Carolina Department of Transportation, compliance with the Erosion Control Ordinance, and contingency that water and sewer are available to the site.

Mayor McDevitt opened the public hearing at 4:15 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this project would consist of 42 units. He said the entrance/exit to the project would be one way onto Beaverdam Road. He said the developers will have to be careful with erosion due to the steep grades being involved in the project. He said the roads will

Tuesday - August 6, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Louis Bissette

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - JULY 30, 1985 MEETING

1. Approval of the minutes of the July 30, 1985 meeting.

Councilman Price moved that the minutes of the July 23, 1985, and July 30, 1985, meetings of the Asheville City Council be amended to include the following:

At the regular meeting of the Asheville City Council on July 30, 1985, the minutes of the July 23, 1985 meeting with regard to the appeal of H. R. Kuykendall were amended so as to provide that Exhibits A through EE, being documents from Mr. Kuykendall's Police Pension File, be attached to the minutes. A list of said Exhibits along with copies of the Exhibits have been attached to the minutes of the July 23, 1985, meeting. In addition, Mr. Kuykendall's Attorney, Scott Jarvis, sent to the City Attorney a letter dated July 29, 1985, attaching three articles from the Professional Medical Journal as identified in said letter. A copy of said letter and the three Professional Medical Journal Articles have also been attached to the minutes of the July 23, 1985 meeting.

This motion was seconded by Councilman Frank, and carried unanimously.

Upon motion of Councilman Price, seconded by Councilman Myers, the minutes of the July 30, 1985 meeting were approved as amended.

RESOLUTION NO. 85-130 - RESOLUTION OF APPRECIATION TO THE BOARD OF DIRECTORS, VOLUNTEERS, AND THE STAFF OF BELE CHERE 1985

2. Consideration was given to a resolution of appreciation to the Board of Directors, Volunteers, and Staff of Bele Chere 1985.

Mayor McDevitt read the resolution expressing gratitude and appreciation to the 1985 Bele Chere Board of Directors; Leslie Anderson, Coordinator of the Festival; Ray Kisiah, Director; and the Staff of the Department of Parks, Recreation and Public Facilities; the Staff of other City departments who worked cooperatively with and during the festival; the many sponsors of and contributors to Bele Chere 1985, and all of the approxiately 500 individuals who volunteered their time and talents to make the 1985 Bele Chere Festival a truly outstanding event for the City of Asheville.

Two of the Hazelwood Subdivision is to be located on North Louisiana Avenue. This plat was prepared by S. V. Griffith, R.L.S. for Frank McGahren and Walter Weiss, Developers, and submitted in accordance with Ordinance #424, as amended.

Mayor McDevitt opened the public hearing at 4:27 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said Phase Two of the Hazelwood Subdivision would add 34 lots to the development.

Mayor McDevitt closed the public hearing at 4:28 p.m.

Councilman Boland moved to approve the final plat of Phase Two of the Hazelwood Subdivision to be located on North Louisiana Avenue, subject to the recommendations of the Planning and Zoning Commission, that buffering on Lots 36 through 47 be required and compliance with the Erosion Control Ordinance. This motion was seconded by Vice-Mayor Bratton, and carried unanimously.

RESOLUTION NO. 85-132 - RESOLUTION AUTHORIZING THE MAYOR, ON BEHALF OF THE CITY OF ASHEVILLE, TO EXECUTE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND HAYWOOD STREET REDEVELOPMENT CORPORATION FOR A REDEVELOPMENT PROJECT IN THE HAYWOOD STREET REDEVELOPMENT AREA

7. Consideration was given to a resolution authorizing the Mayor, on behalf of the City of Asheville, to execute an agreement by and between the City of Asheville and Haywood Street Redevelopment Corporation for a redevelopment project in the Haywood Street Redevelopment Area.

Mayor McDevitt said this resolution would authorize the Mayor to execute an agreement by and between the City of Asheville and Haywood Street Redevelopment Corporation for a redevelopment project in the Haywood Street Redevelopment area. This rehabilitation project is for the buildings known as the old Ivey's building and the old Starnes and Haywood buildings in downtown Asheville. This agreement will provide $4.5 million in downtown redevelopment. City expenditures for public improvements will not exceed $320,000. Funding will be provided from a variety of sources earmarked for downtown redevelopment.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Bill Johnson, a partner in the Haywood Street Redevelopment Corporation, thanked members of Council and City staff for and for their efforts in reaching the point of an agreement by and between the City of Asheville and the Haywood Street Redevelopment Corporation.

Chuck Tessier said one of the projects involved in the Haywood Street Redevelopment area already under construction involves the Haywood Park Hotel in the old Ivey's building at the corner of Haywood Steet and Battery Park Avenue. He said the Haywood Street Redevelopment Corporation is headed by Robert D. Armstrong and W. R. Johnson. He said the project will be expanded to include the Haywood and Starnes building which will contain a retail and office

be private and the developers will be responsible for maintenance of the road. He said fire hydrants for the project had been approved by the Fire Prevention Bureau.

Mayor McDevitt closed the public hearing at 4:20 p.m.

Vice-Mayor Bratton moved to approve the site plan of the proposed "Belvedere Condominiums" to be located on Beaverdam Road subject to the recommendations of the Planning and Zoning Commission. This motion was seconded by Councilman Frank and carried unanimously.

PUBLIC HEARING - SITE PLAN OF THE PROPOSED "HAZELWOOD MOBILE HOME COURT" - NORTH LOUISIANA AVENUE

5. A public hearing was held relative to the site plan of the proposed "Hazelwood Mobile Home Court" to be located on North Louisiana Avenue.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, reviewed the site plan of the proposed "Hazelwood Mobile Home Court" to be located on North Louisiana Avenue. The site plan was prepared by Associated Land Technologies, Engineer, for Walter Weiss and Frank McGahren (W & M Investment), Developers, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the 6-inch water line being extended to fire hydrant, buffering along adjacent subdivision lots, no extension of roads into subdivision, and compliance with the Erosion Control Ordinance.

Mayor McDevitt opened the public hearing at 4:21 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the project would consist of 57 lots. He said the Planning and Zoning Commission's recommendation of approval was subject to a 6-inch water line being extended to a fire hydrant, heavy buffering along adjacent subdivision lots, and no extension of roads into the subdivision, and compliance with the Erosion Control Ordinance.

Mayor McDevitt closed the public hearing at 4:26 p.m.

Councilman Price moved to approve the site plan of the proposed "Hazelwood Mobile Home Court" to be located on North Louisiana Avenue, subject to the recommendations of the Planning and Zoning Commission. This motion was seconded by Councilman Frank, and carried unanimously.

PUBLIC HEARING - FINAL PLAT OF PHASE TWO OF THE HAZELWOOD SUBDIVISION - NORTH LOUISIANA AVENUE

6. A public hearing was held relative to the final plat of Phase Two of the Hazelwood Subdivision to be located on North Louisiana Avenue.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held April 3, 1985, approved the preliminary plat subject to buffering on Lots 36 through 47 and compliance with the Erosion Control Ordinance. Phase

Complete text of Resolution No. 85-133 will be found in Resolution Book No. 15 at page 276.

RESOLUTION NO. 85-134 - RESOLUTION REQUESTING THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE TO CONSIDER AND TO ADOPT A RESOLUTION OF INTENT TO ISSUE URBAN REDEVELOPMENT BONDS IN THE AMOUNT OF TWO MILLION DOLLARS FOR THE OLD ASHEVILLE HOTEL PROJECT

9. Consideration was given to a resolution requesting the Housing Authority of the City of Asheville to consider and to adopt a resolution of intent to issue urban redevelopment bonds in the amount of two million dollars for the Old Asheville Hotel Project.

Mayor McDevitt said this resolution is requesting the Housing Authority of the City of Asheville to consider and to adopt on or about September 1, 1985 a resolution of intent to issue urban redevelopment bonds in an amount not to exceed two million dollars for the Old Asheville Hotel Project.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 85-134 was unanimously adopted.

Complete text of Resolution No. 85-134 will be found in Resolution Book No. 15 at page 277.

RESOLUTION NO. 85-135 - RESOLUTION REQUESTING THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE TO CONSIDER AND TO ADOPT A RESOLUTION OF INTENT TO ISSUE URBAN REDEVELOPMENT BONDS IN THE AMOUNT OF FOUR MILLION DOLLARS FOR THE HAYWOOD STREET REDEVELOPMENT CORPORATION REDEVELOPMENT PROJECT

10. Consideration was given to a resolution requesting the Housing Authority of the City of Asheville to consider and to adopt a resolution of intent to issue urban redevelopment bonds in the amount of four million dollars for the Haywood Street Redevelopment Corporation Redevelopment Project.

Mayor McDevitt said this resolution requests the Housing Authority of the City of Asheville to consider and to adopt on or about September 1, 1985, a resolution of intent to issue urban redevelopment bonds in an amount not to exceed four million dollars for the Haywood Street Redevelopment Project.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 85-135 was unanimously adopted.

Complete text of Resolution No. 85-135 will be found in Resolution Book No. 15 at page ~~276~~ 277.

complex to include a 200 space private parking deck at the rear of the Haywood building. He said the City's role in this project will be to make public improvements to the alley behind these buildings and on Haywood Street, from College Street to Pack Library, including new paving, signs, lighting, streets, landscaping and underground facilities.

Upon inquiry of Ralph Bishop, Mayor McDevitt said the cost to the City would not be in excess of $320,000.

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution 85-132 was unanimously adopted.

Complete text of Resolution No. 85-132 will be found in Resolution Book No. 15 at page 275.

RESOLUTION NO. 85-133 - RESOLUTION AUTHORIZING THE MAYOR, ON BEHALF OF THE CITY OF ASHEVILLE, TO EXECUTE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND STEITLER-TESSIER AND ASSOCIATES, INC. FOR A REDEVELOPMENT PROJECT IN THE HAYWOOD STREET REDEVELOPMENT AREA

8. Consideration was given to a resolution authorizing the Mayor, on behalf of the City of Asheville, to execute an agreement by and between the City of Asheville and Steitler-Tessier and Associates, Inc. for a redevelopment project in the Haywood Street Redevelopment Area.

Mayor McDevitt said this resolution would authorize the Mayor to sign an agreement by and between Steitler-Tessier and Associates, Inc., and the City of Asheville for a redevelopment project in the Haywood Street Redevelopment Area. This project is at the old Asheville Hotel property on the corner of Walnut Street and Haywood Street. This agreement will provide for $2.5 million in downtown redevelopment. City expenditures will not exceed $10,000 and the improvements will be included in the Public Works, Street Division budget.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Mr. Tessier introduced the project stating that it would involve the Schulman building, formerly the old Asheville Hotel, at the corner of Haywood and Walnut Street. He said this would be developed by Steitler-Tessier and Associates, Inc. and the building will be transformed to a Bed and Breakfast Inn with a restaurant and lounge, retail space and additional parking. He said this would include a second Inn which will have 40 rooms, a restaurant and lounge, several shops and a balcony overlooking the street that will be used for breakfast in the morning and cocktails in the evening. He said the aluminum facade that now covers the front of the building will be removed and the original brick restored. He said the two projects, combined with the improvements of the City is committed to making, are geared to draw people to the area during the day and the night.

Upon inquiry of Ralph Bishop, Mayor McDevitt said the City's role in this project will include providing an access to the Civic Center Parking Garage in the amount of $10,000.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-133 was unanimously adopted.

SCHEDULING PUBLIC HEARING - EXTENDING PRESENT MORATORIUM IN THE HAW CREEK AREA

Councilman Price moved to schedule a public hearing relative to extending the present moratorium in the Haw Creek Area for August 20, 1985. This motion was seconded by Councilman Frank and carried unanimously.

INQUIRY BY BOB MILLER - DOWNTOWN REDEVELOPMENT - OLD BON MARCHE' AND OLD PENNEY'S BUILDING

Upon inquiry of Bob Miller relative to steps being taken to revitalize the Old Bon Marche' and Old Penny's buildings on Haywood Street in downtown Asheville, Mayor McDevitt said the City is taking certain statutory steps in this regard. He requested that Mr. Miller talk with the City Manager about this proposed project.

DECISION RELATIVE TO H. R. KUYKENDALL APPEAL

Mayor McDevitt requested since he and Councilman Myers were absent during the appeal of H. R. Kuykendall upon advice of the Corporation Counsel Slawter, that they be excused from participation and vote on this issue.

Councilman Price moved to excuse Mayor McDevitt and Councilman Myers from participating and voting on the H. R. Kuykendall appeal. This motion was seconded by Councilman Boland and carried unanimously.

Councilman Boland moved that Mr. Kuykendall's appeal from the Board of Trustees of the Asheville Police Pension Board be denied based on the following Findings of Fact and Conclusions of Law;

FINDINGS OF FACT

1. Hartman R. Kuykendall was employed by the Asheville Police Department from November 5, 1966, through October 26, 1979.

2. While in the course of his duties as a police officer on August 31, 1969, Mr. Kuykendall was struck by an automobile and sustained an injury to his back.

3. Said injury did not result in surgery, Mr. Kuykendall being diagnosed by Dr. R. Joe Burleson as having cervical spine strain and being assessed a fifteen percent (15%) permanent partial disability of the cervical spine and ten percent (10%) permanent partial disability of the lumbar spine.

4. Mr. Kuykendall thereafter continued his employment with the Asheville Police Department working as a City jailer, a dispatcher, vehicle maintenance coordinator, taxi inspector and building maintenance coordinator.

5. On July 20, 1979, while working as building maintenance coordinator in the Asheville Police Department, Mr. Kuykendall again injured his back while in the process of moving a counter.

6. Mr. Kuykendall continued to work on the date of said injury and sought medical treatment for his injury three (3) days later.

RESOLUTION NO. 85-136 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A LEASE BY AND BETWEEN THE CITY OF ASHEVILLE AND THE CITY OF ASHEVILLE BOARD OF ALCOHOLIC CONTROL FOR A RETAIL OUTLET STORE AT THE CORNER OF SOUTH CHARLOTTE STREET AND BILTMORE AVENUE

11. Consideration was given to a resolution authorizing the City Manager to execute a lease by and between the City of Asheville and the City of Asheville Board of Alcoholic Control for a retail outlet store at the corner of South Charlotte Street and Biltmore Avenue.

Mayor McDevitt said the City of Asheville owns property at the northeast corner of Biltmore Avenue and South Charlotte Street. The City does not need to use this property at this time and desires to enter into a lease of the property with the City of Asheville Board of Alcoholic Control. The Board of Alcoholic Control needs to relocate its outlet store presently located in the Pack Plaza Redevelopment Area. Revenues will be six thousand dollars ($6,000) per annum for the first five (5) years. For each subsequent five year period, the rent shall be adjusted upward based on the total increase in the Consumer Price Index for the entire prior five (5) year period with such increase measured at each five (5) year anniversary date of the lease term.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-136 was unanimously adopted.

Complete text of Resolution No. 85-136 will be found in Resolution Book No. 15 at page ~~279.~~ 278 mon

RESOLUTION NO. 85-137 - RESOLUTION AUTHORIZING THE PURCHASING DIRECTOR TO SELL SURPLUS PROPERTY AT PUBLIC AUCTION

12. Consideration was given to a resolution authorizing the Purchasing Director to sell surplus property at public auction.

Mayor McDevitt said N. C. Stat. sec 160A-270 provides for the sale of surplus property at public auction. Various City departments have items which are surplus. This resolution will authorize the Purchasing Director to sell these items at a public auction. Sale of surplus property will generate expected revenues of $6,000, which is not currently budgeted.

Mayor McDevitt said the auction would take place at the old Vehicle Maintenance Facility located on the Hunt Place beginning at 10:00 a.m. on Saturday, August 24, 1985.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-137 was unanimously adopted.

Complete text of Resolution No. 85-137 will be found in Resolution Book No. 15 at page ~~280.~~ 279 mon

Mayor McDevitt informed Mr. Bishop that he would get this information relative to Mrs. Hudson's being bonded and give this information to him at the next meeting.

ADJOURNMENT

Upon motion of Councilman Frank, seconded by Councilman Price the meeting adjourned at 5:40 p.m.

MAYOR

CITY CLERK

7. Mr. Kuykendall continued to work through October 26, 1979.

8. On October 31, 1979, Mr. Kuykendall was admitted to Memorial Mission Hospital whereupon he was diagnosed by Dr. William F. Wilson as having HLA-B27 syndrome.

9. Mr. Kuykendall has not worked since October 26, 1979, in the Asheville Police Department.

10. Mr. Kuykendall has been diagnosed by Dr. Louis C. Waller as being permanently and totally disabled as a result of the HLA-B27 syndrome.

11. Mr. Kuykendall has been diagnosed by Dr. David L. Cappiello, as of March 30, 1981, as having zero percent (0%) disability and capable of returning to work.

12. If Mr. Kuykendall is disabled from performing his duties as a policeman, said disability is due to the HLA-B27 syndrome.

CONCLUSIONS OF LAW

The HLA-B27 syndrome affecting Mr. Kuykendall's physical condition is not the natural and proximate result of an accident occurring while in the actual performance of duty as a member of the Asheville Police Department at some definite time and place as required by Section 9 of Chapter 429 of the 1979 North Carolina Session Laws in order to entitle Mr. Kuykendall to in-line-of-duty disability benefits.

This motion was seconded by Councilman Frank, and carried unanimously on a 4-0 vote.

Mr. Kuykendall thanked members of Council for their time and said that his attorney would be in touch with members of Council.

Corporation Counsel Slawter said that Mr. Kuykendall's attorney, Mr. Scott Jarvis, had contacted him, and said he would not be present for the decision of Mr. Kuykendall's appeal today but did wish that the decision be announced even though he was not present at the meeting.

CLAIMS - MRS. G. WILLIAMSON (SEWER) - SHARON RUFF (WATER)

The City Manager presented claims received from Mrs. G. Williamson and Sharon Ruff.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - RIGHT OF REDRESS - OBTAINING PUBLIC RECORDS

Ralph Bishop spoke to members of Council relative to his right to seek redress from members of Council, and also requested information relative to Lla Leet Hudson, in the Management Services Division, as to whether or not she is bonded by the City.

Councilman Boland moved for the adoption of Ordinance No. 15-28. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1528 passed on first reading.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT 105 BUCHANAN AVENUE

ORDINANCE NO. 1529 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED AT 105 BUCHANAN ROAD (DR. E.B. CROSBY PETITION)

3. A public hearing was held relative to rezoning property located at 105 Buchanan Avenue.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held July 10, 1985, considered the petition of Dr. E. B. Crosby, Asheville Hand Center, that Ward 1, Sheet 8, Lot 70, be rezoned from R-3 Residential District to OI Office Institutional District. The property is located at 105 Buchanan Avenue. After review and discussion, the Commission voted to recommend to City Council that Ward 1, Sheet 8, Lot 70, be rezoned from R-3 Residential District to OI Office Institutional District.

Mayor McDevitt opened the public hearing at 4:12 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the purpose of the rezoning is to expand an existing building for the Asheville Hand Center.

Upon inquiry of Councilman Bissette, Mr. Emrick said no opposition had been received relative to the rezoning.

Mayor McDevitt closed the public hearing at 4:15 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Bissette moved for the adoption of Ordinance No. 1529. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1529 passed on first reading.

PUBLIC HEARING - REZONING PROPERTY LOCATED BEHIND ACE APPLIANCE ON KNIGHT PLACE

4. A public hearing was held relative to rezoning property located behind Ace Appliance on Knight Place.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held July 10, 1985, considered the petition of Mr. Wayne Smith of Ace Appliance that Ward 5, Sheet 6, Lot 99½, be rezoned from R-3 Residential District to CS Commercial Service District. The property is located behind Ace Appliance on Knight Place. After review and discussion, the Commission voted to recommend to City Council that Ward 5, Sheet 6, Lot 99½ and Lot 99 be rezoned from R-3 Residential District to CS Commercial Service District.

Tuesday - August 13, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Acting Corporation Counsel Patsy Brison; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gordon Myers (arriving later in meeting); Corporation Counsel William F. Slawter.

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - AUGUST 6, 1985 MEETING

1. Approval of the minutes of the August 6, 1985 meeting.

Mayor McDevitt announced the approval of the minutes as submitted.

PUBLIC HEARING - REZONING PROPERTY - SWEETEN CREEK ROAD AT OLD WEST CHAPEL ROAD

ORDINANCE NO. 1528 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED ON SWEETEN CREEK ROAD AT OLD WEST CHAPEL ROAD (EUGENE CARR PETITION)

2. A public hearing was held relative to rezoning property located on Sweeten Creek Road at Old West Chapel Road.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held July 19, 1985, considered the petition of Mr. Eugene M. Carr, Jr., that Ward 7, Sheet 55, Lot 7 be rezoned from R-5 Residential District to CS Commercial Service District. The property is located on Sweeten Creek Road at Old West Chapel Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 55, Lot 7 be rezoned from R-5 Residential District to CS Commercial Service District.

Mayor McDevitt opened the public hearing at 4:08 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the lot requested to be rezoned joins the English Lumber Company. He said Mr. Carr wishes to use this property for his business.

Upon inquiry of Councilman Bissette, Mr. Emrick said no opposition had been received relative to the rezoning.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Mayor McDevitt closed the public hearing at 4:11 p.m.

Acting Corporation Counsel Patsy Brison said since the petitioner withdrew the rezoning request, no action would be required by Council.

RESOLUTION NO. 85-138 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A DEED OF CORRECTION WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION

5. Consideration was given to a resolution authorizing the Mayor to execute a Deed of Correction with the North Carolina Department of Transporation.

Mayor McDevitt said in 1979, the North Carolina Department of Transportation conveyed a utility easement to the City of Asheville across property acquired from William Quarterman. However, by mutual mistake, the Deed of Easement conveyed the entire roadway excepting for N.C. DOT limited roadway rights for ingress and egress to the DOT Resident Engineer's office. The Deed of Correction will correct the scope of the easement to reflect the intentions of the parties and will also allow the City access to the roadway for use as a fire lane.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 85-138 was unanimously adopted.

Complete text of Resolution No. 85-138 will be found in Resolution Book No. 15 at page ~~281~~ 280 and ~~282~~ 281.

PRESENTATION BY RETIRED POLICE OFFICERS

6. Captain John Best, retired Police Officer, speaking on behalf of the retired Police Officers, requested that Council initiate a cost of living raise for all retired Police Officers. He said it was his understanding that the General Assembly had adopted legislation amending the Police Pension Law that would allow the City Council to implement a cost of living raise for retired Police Officers. He said if his calculations were correct, there should be approximately $4,000,000 in the Police Pension Fund.

Mayor McDevitt advised Captain Best that the City Council would take their request under advisement.

RESOLUTION NO. 85-139 - RESOLUTION ADOPTING MINORITY AND WOMEN ECONOMIC ENTERPRISE PROGRAM FOR THE CITY OF ASHEVILLE

7. Consideration was given to a resolution adopting Minority and Women Economic Enterprise Program for the City of Asheville.

Mayor McDevitt said the Minority and Women Economic Enterprise project is designed to affirm the City's active concern and support for the inclusion and economic participation of these groups in the City's purchasing, contracting and procurement programs.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Mayor McDevitt opened the public hearing at 4:17 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, presented the following letter from Wayne E. Smith, Vice-President of Ace Appliance Company, withdrawing the rezoning request:

August 7, 1985

Honorable Mayor and Members
of the City Council
City Hall
Asheville, N.C. 28807

RE: Rezoning Petition -
Mr. Wayne Smith

Dear Mayor and Members of the Council:

The Asheville Planning and Zoning Commission at a meeting held July 10, 1985 considered the petition of Mr. Wayne Smith of Ace Appliance Company that Ward 5, Sheet 6, Lot 99¼ be rezoned from R-3 Residential District to CS Commercial Service District. The property is located behind Ace Appliance on Knight Place.

After review and discussion, the Commission voted to recommend to City Council that Ward 5, Sheet 6, Lot 99¼ and Lot 99 be rezoned from R-3 Residential District to CS Commercial Service District.

Concerning the property discussed above, the Zoning Board approved this with Ace Appliance Company being the new owner of the lot, and with Ace Appliance using the entrance of our parking lot as access to this lot, to which we agreed.

Unfortunately, the owners of the lot, after agreeing to sell it to us at a set price, have since changed their minds. Since we will not be the owners of the lot, we know that the new owners would have to use Knight Place (which is a very dangerous road) for their access. We hereby ask the Council to please remove our petition for rezoning and to leave the property zoned as R-3 Residential District. Any new owners would then need to repetition for rezoning to Commercial. We understand that your formal decision will be announced at your next meeting to be held on Monday, August 12, 1985.

Thank you for your help and consideration in this matter.

Sincerely yours,

Wayne E. Smith
Vice President

CLAIMS - KEN CURTIS (SEWER) - RODNEY WILSON (WATER) - KENNY HAYES (SEWER) - MAXINE DEBRUHL (SEWER) - DALLAS DEAN GARDNER (WATER) - WILLIE MCKNIGHT (PARKS)

The City Manager presented claims received from Ken Curtis, Rodney Wilson, Kenny Hayes, Maxine DeBruhl, Dallas Dean Gardner, and Willie McKnight

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

RESPONSE RELATIVE TO RALPH BISHOP'S QUESTION OF AUGUST 6, 1985, RELATIVE TO CITY EMPLOYEES BEING BONDED

Mayor McDevitt, in response to an inquiry of Ralph Bishop on August 6, 1985, said that General Statutes 159-29 requires the City of Asheville to have fidelity bonds on all City employees. He said the City of Asheville has a general blanket bond on all City employees, full-time and part-time, in the amount of $25,000 pursuant to said statute. He said there is an individual bond in the amount of $100,000 on the Director of Finance. He said the City of Asheville also has an insurance policy to cover City employees for wrongful acts in the amount of $1,000,000.

ADJOURNMENT TO EXECUTIVE SESSION

Upon motion of Councilman Bissette, seconded by Councilman Boland, the meeting adjourned into Executive Session at 4:40 p.m.

MAYOR

CITY CLERK

Marvin Vierra, Director of Community Development, said this resolution would be a statement or policy by the City Council to provide minorities and women equal opportunity to participate in all aspects of City contracting and purchasing programs. He said this would also set the policy of the City of Asheville to prohibit discrimination against any person or business in pursuit of these opportunities on the basis of race, color, sex, religion or national origin and to conduct its contracting and purchasing programs so as to prevent such discriminations. He said the City would be actively seeking and identifying qualified minority and women business enterprises to offer them the opportunity to participate as providers of goods and services to the City. He said this program would also establish a committee to help improve business conducted with minority and women business enterprises. He requested that Exhibit 2 of the proposed program be deleted, being a list of minority and women businesses in the City of Asheville. He said the list is not complete and the committee and City staff would establish a more complete list within the next six months.

Logan Delany, former Community Development Director, spoke in support of the program.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Frank, Resolution No. 85-139 was unanimously adopted.

Complete text of Resolution No. 85-139 will be found in Resolution Book No. 15 at page ~~283~~ 282 more.

RESOLUTION NO. 85-140 - RESOLUTION DIRECTING THE CITY CLERK TO ADVERTISE AN OFFER FOR THE PURCHASE OF CITY-OWNED PROPERTY LOCATED ON FANNING BRIDGE ROAD

8. Consideration was given to a resolution directing the City Clerk to advertise an offer for the purchase of City-owned property located on Fanning Bridge Road.

Mayor McDevitt said the City has received an offer for the purchase of a tract of land containing 16.4 acres located east of the intersection of Fanning Bridge Road and Asheville Airport Road. He said the offer is in the amount of $18,000 per acre and was accompanied by a 5% bid deposit received by the City Clerk. He said this resolution would authorize the City Clerk to advertise said offer and a notice that within ten days any person may raise the bid not less than 10% of the first $1,000 and 5% of the remainder of the bid and a statement that the City Council of the City of Asheville reserves the right to reject any and all offers at any time with bid deposits returned to the bidder.

Councilman Myers took his seat at 4:30 p.m.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Bissette, Resolution No. 85-140 was unanimously adopted.

Complete text of Resolution No. 85-140 will be found in Resolution Book No. 15 at page ~~284~~ 283 more.

a state moratorium on additional sewer hookups in a portion of the Haw Creek area expires on Janury 1, 1986. He said the Planning and Zoning Commission would be having a work session with the Haw Creek Homeowners Association on August 21, 1985 relative to long-range planning for the Haw Creek area.

Roy Smucker, 6 Oak Drive, spoke in support of extending the moratorium in the Haw Creek area. He said the original reasons for imposing the moratorium are still valid.

Ed Dyson, with the Haw Creek Homeowners Association, said the members of the Association have worked to correct many problems in the Haw Creek area relative to traffic, sewer, roads, etc. He said their main interest is in future developments and protection of the neighborhood. He said the majority of the residents in Haw Creek feel that the current zoning ordinance is too restrictive or too vulnerable for their area. He said after working with the Planning and Zoning Commission, the Homeowner's Association has presented a plan for a R-2A Zoning Classification. He said the Association has checked with the State and other cities relative to a new zoning designation. He said the State has assured them that there would be no problems in a new zoning district and this would not create spot zoning. He said the City of Asheville needs to develop a means of protecting neighborhoods. He said the Alternatives for Asheville Committee would be presenting a plan, but there was no assurance that the plan will be acted upon. He said the residents of Haw Creek are in favor of an extension of the present moratorium for sixty to ninety days, but felt that Council should act on establishing an additional zoning district for Haw Creek. He said the residents would be opposed to extending the moratorium until January 1, 1986 since there would be a new City Council elected in November and those members would have to be re-educated about the problems in Haw Creek.

Upon inquiry of Mayor McDevitt, Corporation Counsel Slawter said members of Council could consider zoning amendments during the time the moratorium is in effect.

Councilman Bissette also noted that Council could rescind the moratorium at any time if problems were worked out prior to January 1, 1986.

Councilman Price requested that the Planning staff give members of Council an official status report on Haw Creek improvements in sixty days, or by the middle of October, 1985.

Mayor McDevitt closed the public hearing at 4:33 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Bissette moved for the adoption of Ordinance No. 1530. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1530 passed on first reading.

Councilman Frank moved to suspend the rules and proceed to the second reading of Ordinance No. 1530. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1530 passed on second reading.

Tuesday - August 20, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter Boland.

INVOCATION

The invocation was given by Mayor McDevitt.

APPROVAL OF THE MINUTES - AUGUST 13, 1985 MEETING

1. Approval of the minutes of the August 13, 1985 meeting.

Mayor McDevitt announced the approval of the minutes as submitted.

PROCLAMATION - AUGUST 26, 1985 - "WOMEN'S EQUALITY DAY"

2. Mayor McDevitt read a proclamation proclaiming August 26, 1985 as "Women's Equality Day".

Mayor McDevitt presented the proclamation to Sandra T. Wisniewski, Regional Coordinator for the Council on the Status of Women, Mrs. James, Mrs. Ruth Brandon, Julie Cogburn, and Florence Ryan.

Sandra Wisniewski invited all members of Council to the "Women's Equality Day" celebration on Monday, August 26, 1985 from 12:00 noon until 1:00 p.m. on the City/County Plaza.

PUBLIC HEARING - EXTENDING MORATORIUM - HAW CREEK AREA

ORDINANCE No. 1530 - AN ORDINANCE AMENDING ORDINANCE NO. 1519 EXTENDING THE MORATORIUM LIMITING DEVELOPMENT IN THE HAW CREEK AREA

3. A public hearing was held relative to extending the present moratorium in the Haw Creek area.

Mayor McDevitt opened the public hearing at 4:12 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission has been studying the problem of overtaxed sewer lines, streets and other parts of the infrastructure in the Haw Creek community in an effort to recommend a plan for future development in the area. He said the Alternatives for Asheville Committee is examining the potential for additional development and will make a recommendation as part of a comprehensive plan for the City. He said, in that regard, the Planning and Zoning Commission had recommended that the current moratorium be extended until

ORDINANCE NO. 1531 - AN ORDINANCE AMENDING SECTION 28-81.3, 28-82 AND 28-82.1 OF ARTICLE IV, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES FOR THE CITY OF ASHEVILLE (SPEED LIMIT ON SOUTH FRENCH BROAD)

6. Consideration was given to an ordinance amending Section 28-81.3, 28-82 and 28-82.1 of Article IV, speed regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville.

Mayor McDevitt said a petition has been submitted by the Aston Towers Tenants Association to set the speed on South French Broad Avenue, between Hilliard Avenue and Choctaw Street at 25 m.p.h. This petition is supported by the YWCA and Asheville Junior High School, and has also been endorsed by a resolution from the Asheville Housing Authority. The Traffic Engineering Division also recommends that the speed limit on South French Broad, between Timothy Street and Phifer Street, be set at 20 m.p.h. during designated school hours.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1531. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1531 passed on first reading.

ORDINANCE NO. 1532 - AN ORDINANCE AMENDING SECTION 28-81.6 of ARTICLE IV, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (RICEVILLE ROAD)

7. Consideration was given to an ordinance amending Section 28-81.6 of Article IV, speed regulations, of Chapter 28 of the Code Ordinances of the City of Asheville.

Mayor McDevitt said Riceville Road (SR 2002) had an established speed limit of 45 m.p.h. upon annexation by the City. This action will establish a Municipal Ordinance declaring the 45 m.p.h. speed limit and request a concurring ordinance by the Department of Transportation for this portion of Riceville Road.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Bissette moved for the adoption of Ordinance No. 1532. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1532 passed on first reading.

ORDINANCE NO. 1533 - BUDGET ORDINANCE AMENDMENT TO SHIFT FUNDING FOR A STAFF POSITION AT THE CHAMBER OF COMMERCE FROM THE GENERAL FUND TO CBDG

8. Consideration was given to a budget ordinance amendment to shift funding for a staff position at the Chamber of Commerce from the General fund to CBDG.

Mayor McDevitt said this appropriation will be used to fund one staff position at the Chamber of Commerce. Total funds shifted will be $19,616.

Councilman Frank moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1530. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1530 passed on third and final reading.

Complete test of Ordinance No. 1530 will be found in Ordinance Book No. 10 at page 294 and 295.

ORDINANCE NO. 1528 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON SWEETEN CREEK ROAD AT OLD WEST CHAPEL (EUGENE CARR PETITION)

4. Consideration was given to the second reading of Ordinance No. 1528, an ordinance amending Ordinance No. 322 known as "An ordinance providing for the zoning of the City of Asheville," as amended - property located on Sweeten Creek Road and Old West Chapel Road (Eugene Carr petition).

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held July 10, 1985, considered the petition of Mr. Eugene M. Carr, Jr. that Ward 7, Sheet 55, Lot 7 be rezoned from R-5 Residential District to CS Commercial Service District. The property is located on Sweeten Creek Road at Old West Chapel Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 55, Lot 7 be rezoned from R-5 Residential District to CS Commercial Service District. This ordinance was read on first reading on August 13, 1985.

On a roll call vote of 6-0, Ordinance No. 1528 passed on second reading.

ORDINANCE NO. 1529 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," PROPERTY LOCATED AT 105 BUCHANAN ROAD (DR. E.B. CROSBY PETITION)

5. Consideration was given to the second reading of Ordinance No. 1529, an ordinance amending Ordinance No. 322 known as "An ordinance providing for the zoning of the City of Asheville," as amended - property located at 105 Buchanan Road (Dr. E. B. Crosby peitition).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held July 10, 1985, considered the petition of Dr. E. B. Crosby, Asheville Hand Center, that Ward 1, Sheet 8, Lot 70, be rezoned from R-3 Residential District to OI Office Institutional District. The property is located at 105 Buchanan Road. After review and discussion, the Commission voted to recommend to City Council that Ward 1, Sheet 8, Lot 70, be rezoned from R-3 Residential District to OI Office Institutional District. This ordinance was read on first reading on August 13, 1985.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1529 passed on second reading.

FISCAL IMPACT: None

Resolution Book 15 at page ~~286~~ 285.

Resolution No. 85-143

B. Resolution authorizing the City Manager to execute on behalf of the City of Asheville a lease by and between the City of Asheville and the Opportunity Corporation of Madison and Buncombe County Headstart Program for a portion of Reid Memorial Recreation Center.

HIGHLIGHTS: This lease agreement between the City of Asheville and the Opportunity Corporation of Madison and Buncombe County for rental of one (1) room in the Reid Memorial Center will be for a Head Start Program.

FISCAL IMPACT: Rent of $150.00 per month - $1,800.00 annually will be used as revenue for the Parks, Recreation and Public Facilities Department to cover expenses incurred for this service.

Resolution Book No. 15 at page ~~287~~ 286.

Resolution No. 85-144

C. Resolution authorizing the City Manager to execute a Conciliation Agreement by and between the City of Asheville and the Equal Employment Opportunity Commission.

HIGHLIGHTS: The City of Asheville has received a "Letter of Violation" from the Equal Employment Opportunity Commission, hereinafter referred to as "EEOC", with regard to an investigation made at the Asheville Police Department under the Age Discrimination in Employment Act. Section 7(b) of the Age Discrimination in Employment Act requires that, before instituting any action, the EEOC shall attempt to eliminate the discriminatory practice or practices alleged, and to effect voluntary compliance with the requirements of the Act through informal methods of conciliation. The EEOC and the City of Asheville have agreed upon the terms and conditions of a Conciliation Agreement with regard to those discrimination practice or practices alleged in the "Letter of Violation".

FISCAL IMPACT: None

Resolution Book 15 at page ~~288~~ 287.

D. Scheduling a public hearing relative to rezoning property located on Craven Street (Mr. Douglas Clark Petition) for September 10, 1985.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Vice-Mayor Bratton moved for the adoption of Ordinance No. 1533. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1533 passed on first and final reading.

Complete text of Ordinance No. 1533 will be found in Ordinance Book No. 10 at page ~~300.~~ 301 mcm

RESOLUTION NO. 85-141 - RESOLUTION ACCEPTING THE HIGH BID AND AUTHORIZING THE SALE OF CITY OF ASHEVILLE PROPERTY, KNOWN AS THE OLD WEST ASHEVILLE FIRE STATION

9. Consideration was given to a resolution accepting the high bid and authorizing the sale of City of Asheville property known as the Old West Asheville Fire Station.

Mayor McDevitt said the City of Asheville, by Resolution No. 85-129 adopted July 30, 1985, authorized the City Clerk to advertise the sale of property located on Haywood Road, and known as the Old West Asheville Fire Station. Gary Newlin and Don R. Cloninger submitted the highest bid in the sum of $44,000, plus the additional costs of advertising the offer and appraisal of the property. This resolution will authorize the acceptance of the high bid and authorize the sale of said property.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-141 was unanimously adopted.

Complete text of Resolution No. 85-141 will be found in Resolution Book No. 15 at page ~~285.~~ 284 mcm

APPROVAL OF THE CONSENT AGENDA

10. Consideration of a motion approving the consent agenda.

Resolution No. 85-142

A. Resolution authorizing the Mayor to execute and file the "Standard Assurances" for transit assistance grants with the U. S. Department of Transportation.

HIGHLIGHTS: UMTA regulations require that applicants provide a one-time assurance of basic project assurances for transit assistance grants. The City of Asheville is an applicant for transit assistance grants and is therefore required to submit the "Standard Assurances" to the U. S. Department of Transportation. This resolution will authorize the Mayor to execute and file the required "Standard Assurances."

Mayor McDevitt said the replacement of the Arco Road Bridge is an authorized project through the Federal Aid Off-System Program. Replacement of the bridge will require the acquisition of certain real property, right-of-ways and construction easements. He said it is in the best interests of the City of Asheville to acquire said property interests for its use in the replacement of the Arco Road Bridge. He said this resolution would authorize the Mayor to execute the necessary documents for the acquisition of the real property required for the replacement of the Arco Road Bridge.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Myers, Resolution No. 85-145 was unanimously adopted.

Complete text of Resolution No. 85-145 will be found in Resolution Book No. 15 at page ~~289.~~ 288 mon

CLAIMS - KIM ELLIS (WATER) - JOANN FREDERICKSON (WATER) - ROBERT MOSSER (PARKS AND RECREATION) - OVERHEAD DOOR COMPANY (SANITATION) - SARAH WHEELER (WATER)

The City Manager presented claims received from Kim Ellis, Joann Frederickson, Robert Mosser, Overhead Door Company and Sarah Wheeler.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - RAYMOND WATKINS VS. CITY OF ASHEVILLE (DAMAGE TO PERSON AND PROPERTY - WATER LINE)

The City Manager said the City was served with a summons in connection with a lawsuit involving Raymond Watkins vs. City of Asheville relative to damage to person and property due to alleged negligence and maintenance of a water line.

Mayor McDevitt referred the summons to the Corporation Counsel for investigation and recommendation.

ANNOUNCEMENT OF CITY MANAGER'S RESIGNATION

Mayor McDevitt read the following of resignation from City Manager Neal Creighton:

Dear Mayor McDevitt,

3 August 1985

The purpose of this letter is to inform you and the City Council that as of 1 October 1985, I am resigning from my position as City Manager of Asheville. My reasons for resignation are strictly personal ones, and are not related to my relationship to you, the City Council, or my duties as City Manager. In fact, I have thoroughly enjoyed my association with you and the other six numbers of the City Council. I have never met or worked with more dedicated and competent public officials than you and your six colleagues. Asheville is, indeed, fortunate to have such fine leaders. I have also enjoyed working with the almost 900 employees of this city. By and large, they are highly motivated and qualified. Asheville, Buncombe County, and Western North Carolina are, indeed, the best places to live and work that I have encountered anywhere in the world.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held June 5, 1985, considered the petition of Mr. Douglas Clark, Agent for United Chemical Company, Inc., that Ward 6, Sheet 2, Lot 96 and a portion of Lot 45, be rezoned from R-3 Residential District to LI Light Industrial District. The property is located at Craven Street, Waynesville Avenue and Ridgeway Avenue. After review and discussion, the Commission voted to recommend to City Council that Ward 6, Sheet 2, Portions of Lots 96 and 45, be rezoned from R-3 Residential District to LI Light Industrial District, and that adequate buffering be provided.

FISCAL IMPACT: None

E. Scheduling public hearing relative to rezoning property located off Hendersonville Road for September 10, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held July 24, 1985, considered the petition of Mr. William Burgin and Mr. Winston Pulliam that Ward 7, Sheet 60, portion of Lot 55, be rezoned from R-2 Residential District to R-3 Residential District. The property is located off Hendersonville Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 60, portion of Lot 55, be rezoned from R-2 Residential District to R-3 Residential District.

FISCAL IMPACT: None

Upon motion of Councilman Myers, seconded by Councilman Bissette, the Consent Agenda was unanimously approved.

SCHEDULING PUBLIC HEARING RELATIVE TO AMENDING CIVIL SERVICE RULE 17 (J)

Councilman Bissette moved to schedule a public hearing relative to amending Civil Service Rule 17(J) for September 10, 1985, and requesting the Asheville Civil Service Board to amend Civil Service Rule 17(J) of the Civil Service Rules and Regulations to provide for an additional holiday for members of the classified service of the City of Asheville. Said holiday shall be in recognition of Dr. Martin Luther King, Jr.'s birthday. This motion was seconded by Vice-Mayor Bratton and carried unanimously.

RESOLUTION NO. 85-145 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE THE NECESSARY DOCUMENTS TO ACQUIRE THE REAL PROPERTY, RIGHT-OF-WAYS AND CONSTRUCTION EASEMENTS REQUIRED FOR THE REPLACEMENT OF THE ARCO ROAD BRIDGE

Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute the necessary documents to acquire the real property, right-of-ways and construction easements required for the replacement of the Arco Road Bridge.

Tuesday - August 27, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter R. Boland

REPORT ON CITY MANAGER SELECTION PROCESS

Mayor McDevitt said less than a year ago the City Council advertised widely and extensively for a new city manager. He said over 250 applications were received at that time. He said City Council will not be readvertising the position for City Manager; however, they would be accepting applications for the next ten days. He said City Council would be considering all applications previously filed, and any reapplications, and others who had not previously filed.

ORDINANCE 1528 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED ON SWEETEN CREEK ROAD AND OLD WEST CHAPEL ROAD (EUGENE CARR PETITION)

2. Consideration was given to the third reading of Ordinance No. 1528, an ordinance amending Ordinance No. 322 known as "An ordinance providing for the zoning of the City of Asheville," as amended - property located on Sweeten Creek Road and Old West Chapel Road (Eugene Carr Petition).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held July 10, 1985, considered the petition of Mr. Eugene M. Carr, Jr. that Ward 7, Sheet 55, Lot 7 be rezoned from R-5 Residential District to CS Commercial Service District. The property is located on Sweeten Creek Road at Old West Chapel Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 55, Lot 7 be rezoned from R-5 Residential District to CS Commercial Service District. This ordinance was read on first reading on August 13, 1985 and on second reading on August 20, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1528 passed on third and final reading.

Complete text of Ordinance No. 1528 will be found in Ordinance Book No. 10 at page 290 and 291.

I regret that I am unable to continue as City Manager to assist you and the Council in all endeavors. As a private citizen, I will be more than willing to help wherever I can.

Sincerely,

Neal Creighton

Mayor McDevitt said the Council is most disappointed in the City Manager's decision and accepts it with extreme reluctance. He said Mr. Creighton has done an excellent job during his short tenure here and we wish him well in the future. He said having been through the City Manager selection process less than one year ago, the Council does not anticipate needing a lengthy period to select a replacement. He said in the meantime, the City is in good condition, and we will have no problem continuing all operations and activities of City government until a new City Manager is named.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

EXECUTIVE SESSION - ADJOURNMENT

Vice-Mayor Bratton moved to go into to Executive Session and adjournment at 5:00 p.m. This motion was seconded by Councilman Myers and carried unanimously.

Lee McDevitt
MAYOR

Marian D. Walcott
CITY CLERK

ORDINANCE NO. 1532, AN ORDINANCE AMENDING SECTION 28-81.6 OF ARTICLE IV, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

5. Consideration was given to the second reading of Ordinance No. 1532, an ordinance amending Section 28-81.6 of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville.

Mayor McDevitt said Riceville Road (SR 2002) had an established speed limit of 45 m.p.h. upon annexation by the City. This action will establish a Muncipal Ordinance declaring the 45 m.p.h. speed limit and requests a concurring ordinance by the Department of Transportation for this portion of Riceville Road. This ordinance passed on first reading on August 20, 1985.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1532 passed on second reading.

APPROVAL OF SALE OF DISPOSAL PARCELS 117, 187-A, 187-B, 187-C, 187-D, 187-E and 187-F - EAST RIVERSIDE RENEWAL AREA

6. Consideration was given to a motion approving the sale of Disposal Parcels 117, 187-A, 187-B, 187-C, 187-D, 187-E and 187-F in the East Riverside Urban Renewal area.

Mayor McDevitt said the Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East Riverside Urban Renewal Area.

PARCEL	REUSE	PRICE	BID	REDEVELOPER
117	Residential	$2,300.00	$2,400.00	R & R Associates
187-A	Residential	6,200.00	6,351.00	Clarence & Malina McAfee
187-B	Residential	5,750.00	5,800.00	R & R Associates
187-C	Residential	5,650.00	5,700.00	R & R Associates
187-D	Residential	5,600.00	5,750.00	Sandra Smith
187-E	Residential	4,750.00	4,800.00	R & R Associates
187-F	Residential	4,950.00	5,000.00	R & R Associates

Mayor McDevitt said members of Council had been advised that the bid for Parcel 187-B by R & R Associates had been withdrawn.

Councilman Price moved to accept the recommendation of the Housing Authority to sell Disposal Parcels 117, 187-A, 187-C, 187-D, 187-E and 187-F in the East Riverside Renewal Area. This motion was seconded by Councilman Frank and carried unanimously.

ORDINANCE NO. 1529 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED AT 105 BUCHANAN ROAD (DR. E. BROWN CROSBY PETITION)

3. Consideration was given to the third reading of Ordinance No. 1529, an ordinance amending Ordinance No. 322, known as "An Ordinance providing for the zoning of the City of Asheville," as amended - property located at 105 Buchanan Road (Dr. E. Brown Crosby Petition).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held July 10, 1985, considered the petition of Dr. E. Brown Crosby, Asheville Hand Center, that Ward 1, Sheet 8, Lot 70, be rezoned from R-3 Residential District to OI Office Institutional District. The property is located at 105 Buchanan Avenue. After review and discussion, the Commission voted to recommend to City Council that Ward 1, Sheet 8, Lot 70, be rezoned from R-3 Residential District to OI Office Institutional District. This ordinance was read on first reading on August 13, 1985 and second reading on August 20, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1529 passed on third reading.

Complete text of Ordinance No. 1529 will be found in Ordinance Book No. 10 at page 292-293.

ORDINANCE NO. 1531 - AN ORDINANCE AMENDING SECTIONS 28-81.3, 28-82 and 28-82.1 OF ARTICLE IV, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES FOR THE CITY OF ASHEVILLE

4. Consideration was given to the second reading of Ordinance No. 1531, an ordinance amending Sections 28-81.3, 28-82, 28-82.1 of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances for the City of Asheville.

Mayor McDevitt said a petition has been submitted by the Aston Towers Tenants Association to set the speed on South French Broad Avenue, between Hilliard Avenue and Choctaw Street at 25 m.p.h. This petition is supported by the YWCA and Asheville Junior High School, and has also been endorsed by a resolution from the Asheville Housing Authority. The Traffic Engineering Division also recommends that the speed limit on South French Broad, between Timothy Street and Phifer Street, be set at 20 m.p.h. during designated school hours. This ordinance passed on first reading on August 20, 1985.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1531 passed on second reading.

Marvin Vierra, Director of Community Development, said this project was in no way a part of the Pack Plaza Project.

John Broadbrooks, Architect, detailed the work to be done by A & B Construction & Development, Inc. for the South Pack Square Area Streetscape Project stating that the components of the project would be sidewalks and landscaping, steps from a parking lot leading up to Biltmore Avenue, a minipark on the southernmost portion of Market Street and the paving of Wilson Alley.

Upon inquiry of Councilman Price, Mr. Broadbrooks said the project should be completed within six months from the beginning of the construction.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-147 was unanimously adopted.

Complete text of Resolution No. 85-147 will be found in Resolution Book No. 15 at page ~~291-292.~~ 290 mgn

RESOLUTION NO. 85-148 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN THE NECESSARY CONTRACTS FOR THE LEASE, INSTALLATION, AND MAINTENANCE OF A CENTRAL COMPUTER SYSTEM AND OPERATING SOFTWARE

9. Consideration was given to a resolution authorizing the City Manager to sign the necessary contracts for the lease, installation, and maintenance of a central computer system and operating software.

Mayor McDevitt said this resolutioon will authorize the City Manager to execute contracts with Burroughs Corporation for the lease, installation, and maintenance of the City's center computer system. Fiscal impact for leases is $140,707.00.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bissette, seconded by Councilman Frank, Resolution No. 85-148 was unanimously adopted.

Complete text of Resolution No. 85-148 will be found in Resolution Book No. 15 at page ~~293.~~ 291 mgn

SCHEDULING PUBLIC HEARING - SITE PLAN FOR PROPOSED OVERLOOK CONDOMINIUMS - OVERLOOK ROAD

10. Councilman Frank moved to schedule a public hearing for the site plan of the proposed Overlook Condominiums to be located on Overlook Road for September 10, 1985. This motion was seconded by Councilman Myers and carried unanimously.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held August 21, 1985, reviewed the site plan of the proposed Overlook Condominiums to be located on Overlook Road. The site plan was prepared by Pankow Engineers for Burnett Associates, Developers, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance.

RESOLUTION 85-146 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND ROGER'S PLUMBING AND HEATING, INC., WITH REGARD TO CERTAIN IMPROVEMENTS IN THE SOUTH PACK SQUARE AREA STREETSCAPE PROJECT

7. Consideration was given to a resolution authorizing the City Manager to execute on behalf of the City of Asheville an agreement by and between the City of Asheville and Roger's Plumbing and Heating, Inc., with regard to certain improvements in the South Pack Square Area Streetscape Project.

Mayor McDevitt said the City of Asheville, through its agents or employees, is undertaking an improvement project in the South Pack Square area, including improvements to existing sidewalks and landscaped area. A retaining wall located at the corner of South Spruce Street and Wilson Alley, on property owned by Rogers Plumbing and Heating, Inc., is in disrepair. Improvement plans of the City for this project area include plans to partially remove and stablize the retaining wall with an earthen embankment. This resolution will authorize the City Manager to sign the necessary agreement to permit said repairs. Funds for this project are currently budgeted in the South Pack Square Streetscape Project.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Mr. Broadbrooks, Architect, presented the detailed plans for the improvements in the South Pack Square Area Streetscape Project for work to be done by Rogers Plumbing & Heating, Inc.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-146 was unanimously adopted.

Complete text of Resolution No. 85-146 will be found in Resolution Book No. 15 at page ~~290.~~ 289 Mon

RESOLUTION 85-147 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT AND ANY CHANGE ORDERS WITHIN THE BUDGETED AMOUNT WITH A & B CONSTRUCTION AND DEVELOPMENT, INC. FOR THE SOUTH PACK SQUARE AREA STREETSCAPE PROJECT

8. Consideration was given to a resolution authorizing the City Manager to execute on behalf of the City of Asheville a contract and any changes orders within the budgeted amount with A & B Construction Development, Inc. for the South Pack Square Area Streetscape Project.

Mayor McDevitt said plans, specifications, and other contract documents for streetscape improvements have been prepared by John A. Broadbooks, ASLA, Landscape Architect/Planner, and were advertised for bids pursuant to Article B of Chapter 143 of the North Carolina General Statutes. The Community Development Division recommends award of the contract to the low bidder, A & B Construction and Development, Inc. This resolution will authorize the City Manager to sign the contract and any change orders within the budgeted amount. Funds in the amount of $178,803.70 are budgeted in the Community Development Fund for this project.

COMPLAINT OF REVEREND WILLS - ALARM AT T.K. TRIPPS

Reverend Wills spoke to members of Council relative to the T. K. Tripps Restaurant alarm going off in the early morning hours disturbing the neighborhood. He asked Council members to look into the situation to see what can be done.

Mayor McDevitt advised Reverend Wills that the staff would look into the situation and get back with him on his complaint.

REVEREND WILLS - COMPLAINT RELATIVE TO BARFIELD STREET(

Reverend Wills spoke to members of Council relative to Barfield Street being only 9' wide. He said it is impossible for his trucks to get into the neighborhood. He asked that the City staff look into widening this street.

RESOLUTION NO. 85-150 - RESOLUTION AUTHORIZING THE SALE OF APPROXIMATELY 16.4 ACRES OF CITY-OWNED PROPERTY LOCATED EAST OF THE INTERSECTION OF FANNING BRIDGE ROAD AND AIRPORT ROAD

Consideration was given to a resolution authorizing the sale of approximately 16.4 acres of City-owned property located east of the intersection of Fanning Bridge Road and Airport Road.

Mayor McDevitt said the City of Asheville has received an offer for the purchase of a tract of land containing 16.4 acres, more or less, located east of the intersection of Fanning Bridge Road and Asheville Airport Road. He said Resolution No. 85-140 directed the City Clerk to advertise the offer pursuant to North Carolina General Statutes 160-269. He said no upset bids have been received within the time required by the Statutes. He said the Asheville City Council has determined that it does not need this property for City purposes and desires to sell this property to American Die Cast Engineering, Inc., a California corporation doing business under the name of "Ronal Wheels". He said this resolution would accept the offer of Ronal Wheels to purchase the property and authorize the Mayor to execute the offer to purchase by and between the City of Asheville and Ronal Wheels and any other documents required to complete the conveyance of the property.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Bissette, Resolution No. 85-150 was unanimously adopted.

Complete text of Resolution No. 85-150 will be found in Resolution Book No. 15 at page ~~295~~. 293 now

PRESS CONFERENCE RELATIVE TO RONAL INTERNATIONAL MANUFACTURING PLANT

Robert Turner, President of the Asheville Area Chamber of Commerce, said after many months of planning, the Asheville Area Chamber of Commerce and the North Carolina Department of Commerce are pleased to announce that Ronal International, a West German manufacturer of aluminum alloy wheels will build its first U.S. factory on 16.5 acres near the Asheville Regional Airport. He said the factory initially will employ 75 workers and eventually will have 150 employees. He said the plant which will provide wheels for General Motors Corporation and American Motors Corporation will be located near Fanning Bridge

After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions; 1) That the fire hydrant be located on an 8" line as shown on the plans submitted 8/21/85; and 2) Compliance with the Erosion Control Ordinance.

SCHEDULING A PUBLIC HEARING - SITE PLAN OF PROPOSED STOWAWAY WAREHOUSES - WILMINGTON STREET

Councilman Price moved to schedule a public hearing relative to the site plan of the proposed Stowaway Warehouses to be located on Wilmington Street for September 10, 1985. This motion was seconded by Councilman Myers and carried unanimously.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held July 10, 1985, reviewed the site plan of the proposed Stowaway Warehouses to be located on Wilmington Street. The site plan was prepared by J. Bertram King, Architect for Burleson Construction Co., Johnson City, TN, developer and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. He said after review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following items: 1) Compliance with Erosion Control Ordinance; 2) City Engineering Department to review the storm drain placement with the paved areas to determine adequacy of grades for flow; 3) Identification sign to be placed no closer than 200' as measured for the northern property lines; and 4) That a (30') buffer strip be provided on the northern property line to visually protect the residential property.

RESOLUTION NO. 85-149 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE AREA CIVIC CENTER COMMISSION (MRS. SHERYL M. GROCE)

Consideration was given to a resolution appointing Mrs. Sheryl M. Groce as a member to the Asheville Area Civic Center Commission.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-149 was unanimously adopted.

Complete text of Resolution No. 85-149 will be found in Resolution Book No. 15 at page ~~249~~. 292 mom

CLAIMS - PAUL JACKSON (WATER) - CHRIS WREN (WATER) - THOMAS EDWARDS (WATER)

The City Clerk presented claims received from Paul Jackson, Chris Wren and Thomas Edwards.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES AND OBTAINING CITY RECORDS

Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville and his difficulty in receiving police pension records.

Tuesday - September 3, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gordon Myers.

INVOCATION

The invocation was given by Councilman Mary Lloyd Frank.

APPROVAL OF THE MINUTES - AUGUST 27, 1985 MEETING

1. Approval of the minutes of the August 27, 1985 meeting.

Mayor McDevitt announced the approval of the minutes as submitted.

PROCLAMATION - SEPTEMBER, 1985 - "ASHEVILLE SYMPHONY MONTH"

2. Mayor McDevitt read a proclamation proclaiming September as "Asheville Symphony Month".

Mayor McDevitt presented the proclamation to Ellen Sandweiss Hodges, General Manager of the Asheville Symphony.

PROCLAMATION - SEPTEMBER 7-15, 1985 - "FRENCH BROAD RIVER WEEK"

3. Mayor McDevitt read a proclamation proclaiming September 7-15, 1985 as "French Broad River Week".

Mayor McDevitt presented the proclamation to Mrs. Jenkins, who invited all members of Council to the events being sponsored by the French Broad River Week Committee.

ORDINANCE NO. 1534 - BUDGET ORDINANCE AMENDMENT RELATIVE TO REED CREEK SEWER LINE

4. Consideration was given a budget ordinance amendment relative to Reed Creek sewer line.

Mayor McDevitt said this budget ordinance amendment will provide funding to complete change orders to this project to repair Murdock Avenue. Total funding required will be $15,440 to complete this project. Additional funding of $15,440 is required to complete Murdock Avenue repairs. Funding will be provided from Sewer Master Plan Funds. The balance of these funds will be $1,817,003.

Road and Interstate 26. He said because of special requirements in production, the plant's cost will be higher than that of an ordinary factory, with an estimated building cost of 2 million dollars. He said nearly 6 million dollars will be spent on production machinery and startup cost and support equipment will bring the total project cost to 10 million dollars. He said construction of the first building phase will be 55,000 square feet beginning in January. He said the second phase will add 300,000 square feet. He said Ronal represents quality all the way through from the product they manufacture to their commitment to the communities in which they locate. He said the City of Asheville and the Asheville Chamber of Commerce are delighted that Ronal will be locating in Asheville.

ADJOURNMENT TO WORK SESSION AND EXECUTIVE SESSION

Upon motion of Councilman Bissette, seconded by Councilman Myers, the meeting adjourned at 4:50 p.m.

MAYOR

CITY CLERK

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1532 passed on third and final reading.

Complete text of Ordinance No. 1532 will be found in Ordinance Book No. 10 at page 299-300.

RESOLUTION NO. 85-151 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A MUNICIPAL AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE CONSTRUCTION OF A BRIDGE OVER SOUTHERN RAILWAY AND APPROACHES ON SR 3556 (MEADOW ROAD) PROJECT NO. 8.2841601

7. Consideration was given to a resolution authorizing the Mayor to execute a municipal agreement with the North Carolina Department of Transportation for the construction of a bridge over Southern Railway and approaches on SR 3556 (Meadow Road) Project No. 8.2841601.

Mayor McDevitt said the North Carolina Department of Transportation has prepared and adopted plans to make certain street and highway improvements within the City of Asheville under Project No. 8.2841601. These plans consist of constructing a bridge over Southern Railway and approaches on SR 3556 (Meadow Road). The DOT and City propose to enter into an agreement for the above-captioned project. The City of Asheville agrees to reimburse the Department of Transportation to the extent of thirty percent (30%) of the cost of the right-of-way for the project with reimbursement to be made in three (3) equal annual installments to begin on October 15, 1986. This resolution will authorize the Mayor to execute the Agreement with the Department of Transportation. The fiscal impact is thirty percent (30%) reimbursement to NCDOT on right-of-way acquisition. Estimated cost to the City - $55,800.00.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-151 was unanimously adopted.

Complete text of Resolution No. 85-151 will be found in Resolution Book No. 15 at page 294.

RESOLUTION NO. 85-152 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A RATIFICATION OF ACCEPTANCE OF PERPETUAL CONSERVATION FACADE EASEMENT FOR THE PACK PLAZA REDEVELOPMENT PROJECT

8. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville a Ratification of Acceptance of Perpetual Conservation Facade Easement for the Pack Plaza Redevelopment Project.

Mayor McDevitt said Pack Plaza Associates Limited Partnership owns certain real property in the Pack Plaza Redevelopment Project area. They have agreed with the City that the facades of the structures are of historical and

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1534. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1534 passed on first and final reading.

Complete text of Ordinance No. 1534 will be found in Ordinance Book No. 10 at page 302.

ORDINANCE NO. 1531 - AN ORDINANCE AMENDING SECTIONS 28-81.3, 28-82 and 28-82.1 OF ARTICLE 4, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

5. Consideration was given to the third reading of Ordinance No. 1531, an ordinance amending Sections 28-81.3, 28-82 and 28-82.1 of Article 4, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville.

Mayor McDevitt said a petition has been submitted by the Aston Towers Tennants Association to set the speed on South French Broad Avenue, between Hilliard Avenue and Choctaw Street at 25 m.p.h. This petition is supported by the YWCA and Asheville Junior High School, and has also been endorsed by a resolution from the Asheville Housing Authority. The Traffic Engineering Division also recommends that the speed limit on South French Broad, between Timothy Street and Phifer Street, be set at 20 m.p.h. during designated school hours. This ordinance passed on first reading on August 20, 1985, and on second reading on August 27, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and it would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1531 passed on third reading.

Complete text of Ordinance No. 1531 will be found in Ordinance Book No. 10 at page 297-298.

ORDINANCE NO. 1532 - AN ORDINANCE AMENDING SECTION 28-81.6 OF ARTICLE 4, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

6. Consideration was given to the third reading of Ordinance No. 1532, an ordinance amending Section 28-81.6 of Article 4, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville.

Mayor McDevitt said Riceville Road (SR 2002) had an established speed limit of 45 m.p.h. upon annexation by the City. This action will establish a Municipal Ordinance declaring the 45 m.p.h. speed limit and request a concurring ordinance by the Department of Transportation for this portion of Riceville Road. This ordinance passed on first reading on August 20, 1985, and on second reading on August 27, 1985.

Tuesday - September 10, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Mary Lloyd Frank.

APPROVAL OF THE MINUTES - SEPTEMBER 3, 1985 MEETING

1. Approval of the minutes of September 3, 1985 meeting.

Mayor McDevitt announced the approval of the minutes as submitted.

RECOGNITION OF MATTHEW GENTLING

Mayor McDevitt recognized Matthew Gentling, attending the Council meeting in an effort to obtain his citizenship merit badge as an Eagle Scout. Mayor McDevitt commended Matthew Gentling in his hard work and efforts.

PROCLAMATION - SEPTEMBER 15-21, 1985 - "PRINCE HALL MASONIC WEEK."

2. Mayor McDevitt proclaimed the week of September 15-21, 1985, as "Prince Hall Masonic Week."

PROCLAMATION - SEPTEMBER 17-23, 1985 - "CONSTITUTION WEEK"

3. Mayor McDevitt read a proclamation proclaiming the week of September 17-23, 1985, as "Constitution Week."

Mayor McDevitt presented the proclamation to Carol Weir, with the Ruth Davidson Chapter of the D.A.R. and Mrs. R. G. Baughman, with the Edward Buncombe Chapter D.A.R.

RESOLUTION NO. 85-153 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND CITY ASSETS CORPORATION FOR A REDEVELOPMENT PROJECT FOR THE PROPERTIES KNOWN AS THE JAREDS BUILDING AND THE EAGLE BUILDING ON HAYWOOD STREET

4. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an agreement by and between the City of Asheville and the City Assets Corporation for a redevelopment project for the properties known as the Jareds Building and the Eagle Building on Haywood Street.

architectural significance and contribute to the cultural heritage and visual beauty of the City of Asheville. This resolution will authorize the Mayor to execute an agreement on behalf of the City of Asheville for the acceptance of the facade easement.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Mayor McDevitt said Council had previously agreed to accept the conservation easement in a Memorandum of Understanding with the Pack Plaza Associates Limited Partnership. He said the City would be accepting the dedication of the facade easements for historical purposes and perpetuity. He said maintenance would remain the responsibility of the owners of the building once they are restored, and would be in accordance with the standards of the US Government.

Upon motion of Council Bissette, seconded by Councilman Price, Resolution No. 85-152 was unanimously adopted.

Complete text of Resolution No. 85-152 will be found in Resolution Book No. 15 at page 295-296.

RESOLUTION NO. ... - RESOLUTION APPROVING THE SALE AND CONVEYANCE OF CERTAIN ADDITIONAL PROPERTIES LOCATED IN THE PACK PLAZA REDEVELOPMENT AREA BY THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE TO PACK PLAZA ASSOCIATES LIMITED PARTNERSHIP

9. Mayor McDevitt, upon the request of Corporation Counsel Slawter, said this resolution would be considered at the September 10, 1985 meeting.

CLAIMS - CARLETON JUSTUS (WATER) - L. M. ROBINSON (SANITATION) - BYNUM SPRINKLE (SANITATION)

The City Manager presented claims received from Carleton Justus, L. M. Robinson, and Bynum Sprinkle.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - HIRING OF CITY MANAGER

Ralph Bishop spoke to members of Council relative to their search for a new city manager.

INTRODUCTION OF HAROLD HUFF - DIRECTOR OF WATER AND SEWER SERVICES

The City Manager introduced Mr. Harold Huff, the new Director for the Water and Sewer Services Department.

ADJOURNMENT

Upon motion of Councilman Frank, seconded by Vice-Mayor Bratton, the meeting adjourned at 4:40 p.m.

Harry W. McDevitt
MAYOR

Miriam S. McDevitt
CITY CLERK

Verl Emrick, Director of Planning, said the rezoning was requested in order to accommodate an expansion of the present leasee, United Chemical Company. He said the Planning and Zoning Commission had recommended rezoning of this property subject to adequate buffering being provided. Mr. Emrick said that all adjacent property owners had been notified of the proposed rezononing and no opposition has been received.

Mayor McDevitt closed the public hearing at 4:28 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1535. This motion was seconded by Councilman Boland.

A discussion was held relative to the buffering requirements and the possibility of amending the ordinance to provide for the buffering. After discussion, Councilman Price moved to amend the motion to adopt Ordinance No. 1535 to include the provision that in Item No. 1, the third paragraph, be amended to provide that Ward 6, Sheet 2, all of Lot 45 except that portion that lies north of a line extended from the southern tip of Lot 88 to the southwestern tip of Lot 47 to be rezoned R3 Residential District. This amendment was accepted by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1535 passed on first reading.

PUBLIC HEARING - REZONING PROPERTY LOCATED OFF HENDERSONVILLE ROAD (WILLIAM BURGIN AND WINSTON PULLIAM, PETITIONERS)

ORDINANCE NO. 1536 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED OFF HENDERSONVILLE ROAD (WILLIAM BURGIN AND WINSTON PULLIAM PETITION)

6. A public hearing was held relative to rezoning property located off Hendersonville Road (William Burgin and Winston Pulliam, petitioners).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held July 24, 1985, considered the petition of Mr. William Burgin and Mr. Winston Pulliam that Ward 7, Sheet 60, portion of Lot 55, be rezoned from R-2 Residential District to R-3 Residential District. The property is located off Hendersonville Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 60, portion of Lot 55, be rezoned from R-2 Residential District to R-3 Residential District.

Mayor McDevitt opened the public hearing at 4:39 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the requested rezoning is to allow an increase in the density of the area.

Mayor McDevitt said the City Assets Corporation desires to undertake a redevelopment project for the properties known as the Jareds Building and the Eagle Building on Haywood Street. City Assets Corporation has requested that the City include this property in the Haywood Street Redevelopment area. This resolution will authorize the Mayor to execute an agreement between the City and City Assets Corporation for this project. This agreement will provide improvements to the downtown area in the amount of 1.1 million dollars, (total estimated cost). Redevelopment bonds in the amount of $750,000 will be provided for and repaid by the developer.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Roger McGuire, with City Assets Corporation, said the project will consist of retail shops at the street level and 12 luxury apartments on the upper floors, plus the penthouse on the Jareds Building. He said they plan to restore the facades within a few weeks with the original style and quality. He said he appreciated the City's interest in downtown and the efforts of the City Manager and staff in moving this project to fruition.

Upon motion of Councilman Frank, seconded by Councilman Bissette, Resolution No. 85-153 was unanimously adopted.

Complete text of Resolution No. 85-153 will be found in Resolution Book No. 15 at page 297.

PUBLIC HEARING - REZONING PROPERTY LOCATED ON CRAVEN STREET (MR. DOUGLAS CLARK, PETITIONER)

ORDINANCE NO. 1535 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON CRAVEN STREET (MR. DOUGLAS CLARK PETITION)

5. A public hearing was held relative to rezoning property located on Craven Street (Mr. Douglas Clark, Petitioner).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held June 5, 1985, considered the petition of Mr. Douglas Clark, Agent for United Chemical Company, Inc., that Ward 6, Sheet 2, Lot 96 and a portion of Lot 45, be rezoned from R-3 Residential District to LI Light Industrial District. The property is located at Craven Street, Waynesville Avenue and Ridgeway Avenue. After review and discussion, the Commission voted to recommend to City Council that Ward 6, Sheet 2, Portions of Lots 96 and 45, be rezoned from R-3 Residential District to LI Light Industrial District, and that adequate buffering be provided.

Mayor McDevitt opened the public hearing at 4:24 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

PUBLIC HEARING - SITE PLAN OF PROPOSED STOWAWAY WAREHOUSES - WILMINGTON STREET

8. A public hearing was held relative to the site plan of the proposed Stowaway Warehouses to be located on Wilmington Street.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held July 10, 1985, reviewed the site plan of the proposed Stowaway Warehouses to be located on Wilmington Street. The site plan was prepared by J. Bertram King, Architect, for Burleson Construction Company, Johnson City, Tennessee, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following items: 1) compliance with Erosion Control Ordinance; 2) City Engineering Department to review the storm drain placement with the paved areas to determine adequacy of grades for flow; 3) identification sign be placed no closer than 200 feet as measured from the northern property line; and 4) that a thirty (30') foot buffer strip be provided on the northern property line to visually protect the residential property.

Mayor McDevitt opened the public hearing at 4:49 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the development of the mini-warehouses will be in two phases. He said there are no problems with water and sewer requirements or with fire protection, according to the Asheville Fire Department, since these will be metal buildings and a fire hydrant is close enough to accommodate the development. He said a concern had been expressed relative to the narrow roads for access to the development. He said this type of business would have a relatively low traffic volume. He said the first phase of the development would consist of in excess of 100 storage units.

Upon inquiry of Council, Mr. Emrick said it was his understanding that a guard would be on duty at night, but the warehouses would be closed during the evening hours.

Upon inquiry of Councilman Price, Mr. Charles Allen, Developer, answered questions relative to the buildings being sprinkled and buffering along the interstate.

Mr. Allen also answered questions relative to the location and height of the proposed identification sign for the Stowaway Warehouse business.

Mr. Al Adams, of 75 Madison Avenue, spoke relative to the combustible materials being stored in the mini-warehouses, stating that he felt the building should be sprinkled.

After discussion, Mayor McDevitt closed the public hearing at 5:03 p.m.

William Burgin, petitioner, spoke in support of the ordinance and requested that the ordinance be read on two readings at this meeting since there was no opposition expressed and there is a time frame involved in the sale of the property.

Mayor McDevitt closed the public hearing at 4:42 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1536. This motion was seconded by Councilman Bissette.

On a roll call vote of 7-0, Ordinance No. 1536 passed on first reading.

Councilman Boland moved to suspend the rules and proceed to the second reading of Ordinance No. 1536. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1536 passed on second reading.

PUBLIC HEARING - SITE PLAN OF PROPOSED OVERLOOK CONDOMINIUMS - OVERLOOK ROAD

7. A public hearing was held relative to the site plan of the proposed Overlook Condominiums located on Overlook Road.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held August 21, 1985, reviewed the site plan of the proposed Overlook Condominiums to be located on Overlook Road. The site plan was prepared by Pankow Engineers for Burnett Associates, Developers, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions; 1) That the fire hydrant be located on an 8" line as shown on the plans submitted 8/21/85; and 2) Compliance with the Erosion Control Ordinance.

Mayor McDevitt opened the public hearing at 4:49 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission had recommended approval of this 12-unit condominium complex subject to a fire hydrant being located on an 8" line and compliance with the Erosion Control Ordinance.

After discussion, Mayor McDevitt closed the public hearing at 4:53 p.m.

Councilman Price moved to approve the site plan of the proposed Overlook Condominiums to be located on Overlook Road subject to the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Frank and carried unanimously.

RESOLUTION NO. 85-155 - RESOLUTION AUTHORIZING FILING AN APPLICATION WITH THE NORTH CAROLINA LOCAL GOVERNMENT COMMISSION RELATING TO A PROPOSED GENERAL OBLIGATION BOND ISSUE AND DESIGNATING THE AUTHORIZED REPRESENTATIVE OF THE CITY TO FILE THE APPLICATION AND TO EMPLOY BOND COUNSEL

11. Consideration was given to a resolution authorizing filing an application with the North Carolina Local Government Commission relating to a proposed general obligation bond issue and designating the authorized representative of the City to file the application and to employ bond counsel.

Mayor McDevitt said this resolution authorizes the filing of an application with the Local Government Commission for the issuance of $885,000 general obligation bonds, the proceeds of which will be used to defray a part of the cost of constructing a parking deck at Rankin-College Streets. The resolution also selects bond counsel for this purpose. If the funds are approved and sold, they will generate $885,000 to be used in the construction of a $2,200,000 parking deck. Neither the revenue nor the expenditure is currently budgeted. Construction of the deck is expected to have a strong positive economic impact on the community.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon inquiry of Ralph Bishop, Mayor McDevitt answered questions relative to the use of ad valorem taxes for this project.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-155 was unanimously adopted.

Complete text of Resolution No. 85-155 will be found in Resolution Book No. 15 at page 299-300.

RESOLUTION NO. 85-156 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A MUNICIPAL AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR PROJECT 9.5130201 (U-503) KNOWN AS CONSTRUCTION AND IMPROVEMENT OF U.S. 25 (MCDOWELL STREET) FROM NEAR VICTORIA ROAD TO SOUTHSIDE AVENUE INTERSECTION

12. Consideration was given to a resolution authorizing the Mayor to execute a municipal agreement with the North Carolina Department of Transportation for Project 9.5130201 (U-503) known as construction and improvement of U.S 25 (McDowell Street) from near Victoria Road to Southside intersection.

Mayor McDevitt said the North Carolina Department of Transportation has prepared and adopted plans to make certain street and highway improvements within the City under Project 9.5130201. These plans consist of the construction and improvement of US 25 (McDowell Street) from approximately 700 feet north of Victoria Road to US 25 (Southside Avenue) intersection. The DOT and City propose to enter into an Agreement for the above-captioned project whereby this Municipality agrees: 1) To effect the necessary adjustment of any utilities under franchise without cost to the Department of Transportation, except that said Department will reimburse this Municipality in accordance with said Department's Municipally Owned Utility Policy.

A discussion was held relative to the proposed sign to be located on the property. After discussion, Councilman Bissette moved to approve the site plan for the proposed Stowaway Warehouses without the approval of the identification sign and subject to the recommendations outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Boland and carried unanimously.

Councilman Bissette noted that the developer could submit alterations to the proposed sign and submit those plans to Council at a later date.

RESOLUTION NO. 85-154 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE AN AMENDMENT TO THE MEMORANDUM OF AGREEMENT WITH THE NORTH CAROLINA ARCHIVES AND HISTORY AND NATIONAL ADVISORY COUNCIL ON HISTORIC PRESERVATION

9. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute an amendment to the Memorandum of Agreement with the North Carolina Archives and History and National Advisory Council on Historic Preservation.

Mayor McDevitt said the City of Asheville, the North Carolina State Historic Preservation Officer, and the Advisory Council on Historic Preservation (Council) executed a Memorandum of Agreement on January 18, 1985, for the South Pack Square Redevelopment Project. The City has determined that the alterations to the Hutchinson Building, 18 Eagle Street, and its structural instability, have compromised the integrity of the building as a contributing structure to Asheville Downtown Historic District, and that rehabilitation is no longer economically feasible within the project scope.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-154 was unanimously adopted.

Complete text of Resolution No. 85-154 will be found in Resolution Book No. 15 at page 298.

REJECTION OF BID REQUEST NO. 240-85 - FIRE DEPARTMENT 1200-GALLON TANKER TRUCK

10. Consideration was given to a motion to reject Bid Request No. 240-85 for Fire Department 1200-gallon tanker truck.

Mayor McDevitt said Bid Request No. 240-85 was issued for a 1200-gallon tanker truck for the City's Fire Department. Bids were received, evaluated and an award recommendation was made subject to staff agency concurrence. After further consideration, Chief Ball determined it would be best to purchase a 1000 GPM Pumper rather than a 1200-gallon tanker truck. It is being recommended that bids received for the 1200-gallon tanker truck be rejected.

Councilman Frank moved to reject Bid Request No. 240-85 for Fire Department 1200-gallon tanker truck. This motion was seconded by Councilman Price and carried unanimously.

RESOLUTION NO. 85-158 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A LEASE BY AND BETWEEN THE CITY OF ASHEVILLE AND THE STATE OF NORTH CAROLINA (WESTERN NORTH CAROLINA AGRICULTURAL CENTER)

14. Consideration was given to a resolution authorizing the Mayor to execute a lease by and between the City of Asheville and the State of North Carolina in connection with the additional property for the Western North Carolina Agricultural Center.

Mayor McDevitt said this resolution will authorize the Mayor to execute a lease by and between the City of Asheville and the State of North Carolina for a tract of land lying and being in Limestone Township, Buncombe County, North Carolina. The City will realize $500,000 proceeds from this lease.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 85-158, was unanimously adopted.

Complete text of Resolution No. 85-158 will be found in Resolution Book No. 15 at page 303.

APPROVAL OF THE CONSENT AGENDA

15. Consideration was given to a motion approving the consent agenda.

Mayor McDevitt said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 85-159

A. Resolution authorizing the Mayor to execute on behalf of the City of Asheville a Federal Aviation Grant Agreement, Amendment No. 1, Project No. 3-37-0005-05.

HIGHLIGHTS: This resolution will authorize the Mayor to execute Amendment No. 1 to the Federal Aviation Administration Grant Agreement, Project No. 3-37-0005-05. Amendment No. 1 will add Special Condition No. 12 for the letter of credit method of payment.

FISCAL IMPACT: None

2) The City agrees to reimburse the Department of Transportation to the extent of 15% of the cost of the right-of-way for the project with reimbursement to be made in three (3) equal annual installments to begin on October 15, 1986. Funding should be available after July, 1986, in Community Development Funds for the City's participation of $72,990.00. The participating funds are not available in the current budget.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bissette, seconded by Councilman Price, Resolution No. 85-156, was unanimously adopted.

Complete text of Resolution No. 85-156 will be found in Resolution Book No. 15 at page 301.

RESOLUTION NO. 85-157 - RESOLUTION APPROVING THE SALE AND CONVEYANCE OF CERTAIN ADDITIONAL PROPERTIES LOCATED IN THE PACK PLAZA REDEVELOPMENT AREA BY THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE TO PACK PLAZA ASSOCIATES LIMITED PARTNERSHIP

13. Consideration was given to a resolution approving the sale and conveyance of certain additional properties located in the Pack Plaza Redevelopment Area by the Housing Authority of the City of Asheville to Pack Plaza Associates Limited Partnership.

Mayor McDevitt said the Housing Authority of the City of Asheville has acquired certain properties pursuant to the implementation of the Redevelopment Plan for the Pack Plaza Redevelopment Area. The Housing Authority held a public hearing on August 27, 1985, and made certain findings, all pursuant to Sections 2 and 4 of 1979 Sess. Laws Ch. 317, in order to convey certain parcels in the Pack Plaza Redevelopment Area to a prospective developer. This resolution will authorize the sale and conveyance of those properties of the Pack Plaza Redevelopment area under the terms and conditions set forth in the resolution of the Asheville Housing Authority. The funds extended for this conveyance are pursuant to the City/County loan in the Master Agreement and funds have already been budgeted.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon inquiry of Ralph Bishop, Corporation Counsel Slawter said the price for the Pack Library Building and the Plaza Theatre had not been determined yet since this will be determined by the court system.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Boland, Resolution No. 85-157, was unanimously adopted.

Complete text of Resolution No. 85-157 will be found in Resolution Book No. 15 at page 302.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Mayor McDevitt said he felt compelled to state this is an absurd requirement by the federal government and only drives up the cost of the project. He said this action would do nothing but delay the project; however, Council has no alternative except to approve the resolution.

Vice-Mayor Bratton commented that she felt this was the biggest waste of public funds she had been involved in.

Councilman Bissette said the only action Council could do was appeal the requirement but this would only delay the project for another year.

Councilman Price suggested that the City Council write a letter to the federal government indicating their objections and stating this was a "good intention that turned out to be a bad idea."

Upon motion of Vice-Mayor Bratton, seconded by Councilman Price, Resolution No. 85-160 was unanimously adopted.

Complete text of Resolution No. 85-160 will be found in Resolution Book No. 15 at page 305.

Ralph Bishop spoke in opposition to the resolution stating that Council is not compelled to pass the resolution and should not adopt the resolution.

PUBLIC HEARING - DESIGNATING ADDITIONAL HOLIDAY FOR CITY EMPLOYEES

RESOLUTION NO. 85-161 - RESOLUTION APPROVING THE REVISION OF RULE 17(J) OF THE CIVIL SERVICE RULES AND REGULATIONS

17. A public hearing was held relative to designating an additional holiday for City employees.

Mayor McDevitt said during a recent classification and compensation study conducted by Cresap, McCormick, and Paget, it was recommended that an additional holiday be designated for City employees which will bring the City up to the average number of holidays offered by surveyed organizations. A public hearing is required pursuant to the Civil Service Law.

Mayor McDevitt opened the public hearing at 5:33 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Richard Kendrick, with the Management Services Division, said the consultants, Cresap, McCormick and Paget, had surveyed other cities and industries and had recommended that an additional holiday be designated for City employees. He said this recommendation included that the Council designate Memorial Day as a holiday for City employees. He said it was his understanding that Council had decided to designate January 15, 1985, Martin

Complete text of Resolution No. 85-159 will be found in Resolution Book No. 15 at page 304.

B. Motion to schedule a public hearing for rezoning property located on Old Chunns Cove Road for October 1, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held August 7, 1985, considered the petition of Mr. Larry Buckner, Buckner Associates, that Ward 8, Sheet 25, Lot 26, be rezoned from R-1 Residential District to R-2 Residential District. The property is located on Old Chunns Cove Road. After review and discussion, the Commission voted to recommend to City Council that Ward 8, Sheet 25, Lot 26, be rezoned from R-1 Residential District to R-2 Residential District.

FISCAL IMPACT: None

C. Motion to schedule a public hearing for rezoning property located on Hendersonville Road - Biltmore Dairy Farms, Inc. - for October 1, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Committee at a meeting held August 7, 1985, considered the petition of Attorney Philip Carson for Biltmore Dairy Farms, Inc. that Ward 7, Sheet 52, Lot 169, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located on Hendersonville Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 52, Lot 169, be rezoned from R-2 Residential District to CH Commercial Highway District.

FISCAL IMPACT: None

Upon motion of Councilman Bissette, seconded by Councilman Boland, the consent agenda was unanimously approved.

RESOLUTION NO. 85-160 - RESOLUTION AUTHORIZING THE CITY MANAGER OF THE CITY OF ASHEVILLE TO EXECUTE AN AMENDMENT TO THE AGREEMENT WITH GILBERT/COMMONWEALTH, INC. OF MICHIGAN FOR THE ARCHAEOLOGICAL SURVEY AT THE PACK PLAZA REDEVELOPMENT PROJECT

16. Consideration was given to a resolution authorizing the City Manager of the City of Asheville to execute an amendment to the agreement with Gilbert/Commonwealth, Inc. of Michigan for the archaeological survey at the Pack Plaza Redevelopment Project.

Mayor McDevitt said after the initial archaeological testing and evaluation, it has been determined that archaeological data recovery of significant archaeological remains is necessary and that the North Carolina State Historic Preservation Officer has requested this recovery. This resolution will authorize the City Manager to execute an amendment to the agreement with Gilbert/Commonwealth, Inc. to conduct an archaeological survey at the Pack Plaza Redevelopment Project. The budget for the above archaeological survey/data recovery will cost $16,922, and is to be included in the Pack Plaza Project budget. This money is under the Project Management Contingency funding which contains a current balance of $252,096.12.

Mr. McClure, 17 Turtle Creek Apartments, said the issue of Memorial Day should not be considered by the City employees at the same time that Council is considering designating Martin Luther King, Jr.'s, birthday as an official holiday.

Charlotte Tell, City Accountant, read a memorandum dated August 14, 1985, which was received by her division last week indicating that City employees should express their opinion verbally or in writing to their respective department heads relative to the designation of an additional holiday. She said she felt many employees had communicated with their department heads and she was disappointed that their department heads were not here to communicate their concerns to City Council.

Alan Hyder, with the Asheville Police Department, said he had no objection to the observance of Martin Luther King, Jr.'s, birthday being an official holiday in the City of Asheville but the City employees, he felt, would prefer Memorial Day. He suggested that the employees be given the opportunity to vote on the issue since they would be most affected by the observance of holidays.

Bob Smith, Director of the Asheville/Buncombe Community Relations Council, said the leaders of the City and County should get behind the celebration of Martin Luther King, Jr.'s, birthday and make it a special time instead of just another day off.

Larry Fisher, Director of Finance, read a letter from one of the employees in the Accounting Division which objected to City employees having five of their nine holidays grouped in a seven week period between December and January. He said the letter indicated the employees would prefer to take Memorial Day off in May when their families would have the same holiday.

Mr. Henderson, with the Asheville/Buncombe Community Relations Council, presented a petition and letters as a part of the minutes.

Note: The petitions and letters are attached as a part of the minutes.)

Richard Kendrick, with Management Services Division, also presented petitions and letters that he had received relative to designating Memorial Day and requested that they be entered into the minutes.

Note: The petition and letters are attached as a part of the minutes.)

Mayor McDevitt closed the public hearing at 6:10 p.m.

Mayor McDevitt indicated that he was sensitive to the views of the City employees, and all of the petitions, letters, and telephone calls relative to designating another official holiday in the City of Asheville. He said that he was, in fact, against designating any additional holiday off for City employees, however, he felt Council should look at the proposed holiday as a day the City calls to the attention of the community rather than just another day off.

Luther King, Jr.'s birthday, as an official holiday for City employees. He said it had been brought to the staff's attention that the federal government recognizes the third Monday of January as a holiday honoring the birthday of Martin Luther King, Jr., and the first observance of which falls on January 20, 1986. He said the City Council, in his opinion, should recognize the same day as the federal government.

Mr. Kendrick said on September 4, 1985, the Asheville Civil Service Board adopted and approved the revision of Civil Service Rule No. 17(j) to establish January 15th as a holiday for all full-time City of Asheville employees to honor Martin Luther King, Jr.

Mr. Kendrick said he had received petitions from several departments in the City of Asheville for City Council to adopt Memorial Day as an official holiday for City employees. He said he had petitions from the Accounting Division, with eleven signatures; from the Legal Services Division with one signature; and the Street Division with seven signatures. He said it had also been recommended and suggested by the employees that the issue be voted upon by the City employees. He said the employees had indicated that they would rather be home with their families when they are home on Memorial Day.

Councilman Frank noted that in reviewing the survey taken by the consultants that thirteen cities in North Carolina give Memorial Day as an official holiday and three give Martin Luther King, Jr.'s, birthday. She also noted that the consultant had recommended that Memorial Day be given as an official holiday for City employees.

Mayor McDevitt said he had received a petition, just prior to the Council meeting, that read as follows:

"We, the employees of the classified service of the City of Asheville, wish to express our concern and request that the City Council of the City of Asheville schedule a vote among City employees to determine their preference in designating an additional holiday, as approved in the fiscal 1985-86 budget. Due to the fact that several options exist, and there is merit to each respective date, the employees interests would best be served by calling for such a referendum."

He said the petition contained one hundred and forty-three signatures. He requested that the petition be made a part of the minutes.

(Note: The petition is attached as a part of the minutes.)

Oralene Simmons, Director of the Montford Recreation Center, spoke in support of Council designating Martin Luther King, Jr.'s, birthday as an official holiday for the City of Asheville.

Mr. Henderson, with the Asheville/Buncombe Community Relations Council, staff liaison for Martin Luther King, Jr.'s holiday, presented petitions with 225 signatures requesting that the City of Asheville designate Martin Luther King, Jr.'s birthday as an official holiday for the City of Asheville. He also presented copies of letters from many civic organizations requesting that this be designated as an official holiday in the City of Asheville.

LAWSUITS - DOUGLAS DEAN MARTIN VS. CITY OF ASHEVILLE (FALL AT FIRE DEPARTMENT)

19. The City Manager said the City was served with a summons in connection with a lawsuit involving Douglas Dean Martin vs. City of Asheville (fall at Fire Department).

Mayor McDevitt referred the summons to the Corporation Counsel for investigation and recommendation.

RESOLUTION 85-163 - RESOLUTION APPOINTING AN INTERIM CITY MANAGER (WILLIAM F. WOLCOTT, JR.)

20. Mayor McDevitt read a resolution appointing an interim City Manager, William F. Wolcott, Jr., effective October 1, 1985, to serve until such time as a new City Manager shall be named.

Upon motion of Councilman Price, seconded by Councilman Bissette, Resolution No. 85-163 was unanimously adopted.

Complete text of Resolution No. 85-163 will be found in Resolution Book No. 15 at page 308.

RESOLUTION NO. 85-164 - RESOLUTION AUTHORIZING THE CLOSING OF SOUTH CHARLOTTE STREET

21. Consideration was given to a resolution authorizing the closing of South Charlotte Street.

Mayor McDevitt read the resolution stating that rain prevented the hot air balloon races from taking place during Bele Chere and the balloonists wanted, at their own expense, to give Asheville its balloon show. He said the Asheville Parks, Recreation, and Public Facilities Department is co-sponsoring a kite-flying contest with Asheville Cablevision in concert with the hot air balloon lift. He said this resolution would authorize the closing of South Charlotte from 3 p.m. until 8 p.m. on September 28, 1985, and if necessary, due to inclement weather, to close this street from 7 a.m. until approximately 9:30 a.m. on September 29, 1985.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-164, was unanimously adopted.

Complete text of Resolution No. 85-164 will be found in Resolution Book No. 15 at page 309.

PETITION PRESENTED BY HUGH SMITH - WILSHIRE PARK

22. Mr. Hugh Smith read the following petition from the residents of Wilshire Park relative to street improvements.

Vice-Mayor Bratton said this should be a day Asheville sets aside because of its principle.

Councilman Boland agreed with Vice-Mayor Bratton stating that this would be a holiday to celebrate the leadership of Martin Luther King, Jr., and his ideas of non-violent changes.

Councilman Bissette said this had been a difficult decision for him because Memorial Day and Martin Luther King, Jr.'s, birthday are truly deserving as an official holiday. He said he understood the concerns of the City employees and also the significance of Martin Luther King, Jr.'s, birthday. He said he felt it was the right thing to designate Martin Luther King, Jr.'s, birthday as an official holiday for City employees.

Councilman Price said she felt that it was unfortunate that the two issues occured at the same time, since the consultant recommended Memorial Day and the community initiated a request that the City designate Martin Luther King, Jr.'s, birthday as an offical holiday. She said she would support the majority of the members of Council.

Councilman Frank said she had first supported a "floating holiday" for City employees or either to let the City employees vote on the issue. However, she would abide by the democratic majority of Council.

Upon motion of Councilman Boland, seconded by Vice-Mayor Bratton, Resolution No. 85-161 was unanimously adopted.

Complete text of Resolution No. 85-161 will be found in Resolution Book No. 15 at page 306.

RESOLUTION NO. 85-162 - RESOLUTION APPOINTING MEMBER TO THE TOURISM DEVELOPMENT AUTHORITY (MR. HERMAN VON TRESKOW)

17. Consideration was given to a resolution appointing Mr. Herman Von Treskow as a member of the Tourism Development Authority for a term of three years, term expiring August 30, 1988.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 85-162, was unanimously adopted.

Complete text of Resolution No. 85-162, will be found in Resolution Book No. 15 at page 307.

CLAIMS - WILLIAM MORRIS (STREETS) - MICHAEL GUZMAN (STREETS)

18. The City Manager presented claims received from William Morris and Michael Guzman.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

In conclusion, it is recommended that a competent survey be made of the conditions cited above in order to verify same and hopefully to have necessary corrective action taken within a reasonable period of time.

Letter:

47 Carlton Place
Asheville, NC 28806

March 4, 1975

Mr. Philip C. Cocke, Jr.
Director Public Works
P.O. Box 7148, City Building
Asheville, NC

Dear Mr. Cocke:

Subject: Intersection of Wilburn Place and Providence Road

This is a follow-up of your letter of December 5, 1973. According to your personal survey of the condition of the intersection of Wilburn Place and Providence Road, you saw the necessity of a construction project to revise the existing drainage problem. At this time, the blacktop at this section is also in need of repair, due to an oil spill on the Lutheran Church property.

A year has passed and nothing has been done. Were you able to obtain money for this project in 1974, in order that this work might be included in the 1975 budget? Please advise as to the present status.

Yours truly,

Mrs. D. Stephen Mitchell
Corresponding Secretary

M/h
cc: Mr. Bostic
Mr. Webb Bostic, Supt., Street Dept.
P.O. Box 7148, City Building
Asheville, North Carolina

Mr. Smith presented a map outlining the problems indicated in the petition.

He suggested that a sealing treatment be used on the streets in Wilshire Park rather than resurfacing at this time.

Mr. Smith said he knew it was not likely that eveything in the petition would be approved without reservations. However he would suggest that Council direct the appropriate City agency to make an inspection of the conditions cited in the petition. He said based on the results of that inspection, he would recommend that the necessary improvements be made. He

PETITION RELATING TO THE IMPROVEMENT OF STREETS IN THE WILSHIRE PARK SUB-DIVISION OF ASHEVILLE, NC

TO: The Honorable Larry McDevitt, Mayor, and members of the City Council of Asheville, NC.

We, the undersigned residents, and/or property owners in Wilshire Park, Asheville, NC request that:

1. The streets in Wilshire Park be repaired and resurfaced.

2. The curve at the intersection of Wilburn Place and Providence Road be re-graded in order to permit safer driving.

3. The existing concrete street markers be repainted or replaced with metal street signs.

The streets concerned in Wilshire Park include:

Carlton Place	Wilburn Road
Luther Street	Wilburn Place
Providence Road	Wilshire Drive

DISCUSSION: The streets listed above have potholes or have been damaged in a number of places. The patching of same has been a temporary expedient at best. In addition, the street surfaces in numerous areas have become badly cracked due to frost heave. Of particular note is that portion of Wilburn Place between Wilburn Road and Luther Street. Some twelve or more potholes have been patched in that short section of street in the past. Some of them repeatedly. Today, the pavement on Wilburn Place near Wilburn Road is again breaking up with several significant potholes creating a traffic hazard. NOTE: Wilburn Place is a busy traffic street due to the Emmanuel Lutheran Church and School being located at the intersection of Wilburn Place and Luther Street.

With respect to re-grading the curve at the intersection of Wilburn Place and Providence Road, orginally, Wilburn Place extended to what is now the entrance to Laurel Loop, and is still shown that way on city maps. With the construction of the present Patton Avenue roadway, the extended portion of Wilburn Place was eliminated. Providence Road and Wilburn Place were then connected by a rather steep sloping curve that falls away to the outside of the turn. Said curve is especially hazardous during snow or ice conditions. On or about December 5, 1973, Mr. Phillip Cocke, Jr., then director of Public Works for the City of Asheville, made a survey of the situation at the intersection of Wilburn Place and Providence Road. He apparently saw the need for corrective action, however, the project would have to be included in the following years budget due to the cost involved. To date, (almost twelve (12) years later), nothing has been done to improve the situation. See copy of follow-up letter to Mr. Cocke from Wilshire Park Community Club dated March 3, 1975, which is attached hereto.

As for repairing or replacing the existing concrete street markers, the need for such action is obvious because the present markers in some instances are no longer legible.

Total of 143 signatures

We, the employees of the classified service of the City of Asheville, wish to express our concern and request that the City Council of the City of Asheville schedule a vote among City employees to determine their preference in designating an additional holiday, as approved in the fiscal 1985-86 budget. Due to the fact that several options exist, and there is merit to each respective day, the employees' interest would best be served by calling for such a referendum.

said if the costs involved are a governing factor then he would propose that the improvements be accomplished over a one to two year period. Priorities based on feasibility would be as follows: 1) Replace five existing defective street signs; 2) Correct the surface water problem at the intersection of Johnston Boulevard and Providence Road; 3) Repair and resurface poorest road conditions particularly at intersections, resurface the remainder later; 4) Regrade the turn at the intersection of Wilburn Place and Providence Road.

Mayor McDevitt requested that the petition be entered in the minutes.

(Note: The petition is attached as a part of the minutes.)

Mayor McDevitt informed Mr. Smith that he or the City Manager would be giving him a direct response to the petition in the very near future.

RALPH BISHOP - OBTAINING CITY POLICE PENSION RECORDS

23. Mr. Ralph Bishop again spoke to members of Council relative to his difficulty in obtaining police pension records for James J. Moles, former policeman with the City of Asheville.

Mayor McDevitt informed Mr. Bishop that whatever records he was entitled to see under the law, he would be permitted to see.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Bissette, the meeting adjourned at 6:55 p.m.

Asheville City Council
City Hall
Asheville, NC 28801

Dear Members of the Asheville City Council:

The significance of sponsoring a Martin Luther King, Jr. Holiday, city and countrywide, is one of great magnitude. Dr. King was an inspiration to our entire generation - his dream of civil rights combined with his philosophy of civil disobedience in an era marked by violence should serve as a great instruction tool in history, to be used repeatedly for the healthy future of mankind.

Please consider adopting a Martin Luther King, Jr. Holiday in Asheville and Buncombe County. It will enhance our educational system by honoring a man who can serve as a role model for all children and young adults currently enrolled in our school systems.

Shalom,

Geoffrey M. Brown
Executive Director

Mr. Robert G. Smith
Executive Director
Asheville-Buncombe Community
Relations Council
165 S. French Broad Avenue
Asheville, North Carolina 28801

Dear Mr. Smith:

With the many unusual accomplishments of Dr. Martin Luther King, Jr. in the field of civil and human rights, The Opportunity Corporation definitely feels that the King holiday is a most deserving one.

As you recall, Dr. King's primary mission was for the basic elimination of injustice and poverty for all people. During his life-time, Dr. King was a "Drum Major for Justice and Peace." He suffered humiliation and imprisonment. No sacrifice was too great for Dr. King.

In the end, Dr. King gave his life attempting to correct the many ills he saw in his country.

We commend the Asheville-Buncombe Community Relations Council for their resolution relative to the adoption of a Martin Luther King, Jr. holiday in Asheville and Buncombe County. We endorse the concept and encourage others to adopt the Martin Luther King, Jr. holiday in Asheville and Buncombe County.

Yours truly,

Dear School Board Members:

In response to a request from the Asheville-Buncombe Community Relations Council, the Board of Directors of Helpmate, Inc. supports the adoption of a Martin Luther King, Jr. holiday in Asheville and Buncombe County.

Without wishing to impose substantial financial burdens on the City or County, the majority of the Board of Directors believe such a holiday is a worthy tribute to a man of such distinction in the area of civil and human rights. As an agency which strives to protect these rights in our community, Helpmate finds it appropriate to support such a cause.

Please give this issue the serious consideration it deserves.

Sincerely,

Dear Community Leaders:

I am writing in support of the resolution to adopt a holiday honoring Martin Luther King, Jr., a great man of peace and nonviolence. A tribute such as this will give the community the message that we value Dr. King's courageous struggle and worthy ideals. Adoption of a regular holiday in his honor will encourage us to study his teachings annually and in that way will empower and uplift us all.

It is important for young and old blacks to have a role model of such high caliber. I strongly urge passage of the resolution to adopt the holiday as a statement that we appreciate Dr. King's work and honor his life.

Sincerely,

Barbara Davis

Dear

As a young man growing up in the South and remembering a lot of good things that Dr. Martin Luther King, Jr. has done for the country for all mankind, I believe we owe him something back. Dr. King would never ask for anything that's the kind of person he was. I would love my kids and all kids to know the kind of man he was. I believe that if they really knew this they would love to love one another a little bit more and really believe that there is a God who really cares. In order to do this (let our kids remember Dr. King) it would surely help if we had a Holiday for Dr. King.

Sincerely,

Sheldon L. McAlpin

Alpha Phi Alpha Fraternity, Inc.
GAMMA PSI LAMBDA CHAPTER
Asheville, N.C.

May 30, 1985

Mr. Larry McDevitt, Mayor
P.O. Box 7148
City Hall Building
Asheville, N.C. 28801

Dear Mayor McDevitt:

On behalf of the men of Gamma Psi Lambda Chapter of Alpha Phi Alpha Fraternity, Inc., I strongly urge you to consider and to pass a resolution adopting Martin Luther King, Jr.'s birthday as an official holiday in Asheville. As a member of our international fraternity, Dr. King was and remains as a shining example of the ideals and beliefs of our organization: truth, brotherly and sisterly love, justice, equality and equal prosperity for all persons. It is sad to note that his dream has not yet come true as war, racism, poverty and religious conflict continue to plague the civilizations of the world. The adoption of the holiday and the subsequent celebrations, meetings and programs that occur on that day would be a small albeit significant step towards making Asheville an outstanding example of true brotherhood at work.

We urge the adoption of this holiday as a mechanism by which young people and old may reflect upon the true meaning of human relations and hopefully dedicate and re-dedicate themselves towards helping make the dream of justice, peace and prosperity a reality in their lifetimes. To that end, we urge you and your fellow Council members to pass a resolution for a King holiday and to actively take part in making the celebration meaningful for all citizens of this city. The Asheville area has often been noted for its " pioneer spirit " and progressive attitude; Gamma Psi Lambda Chapter challenges you to once again be pioneers in spirit and progressive in attitude by adopting a city wide holiday in honor of Dr. King.

Sincerely,

Lacy T. Haith

Lacy T. Haith,
President

July 23, 1985

Mr. Larry McDevitt, Mayor
City Hall Building
P.O. Box 7148
ASheville, N.C. 28807

Dear Mayor McDevitt:

On behalf of the Young Adult Choir of Hopkins Chapel A.M.E. Zion Church, I strongly urge you and your fellow councilpersons to consider adopting Dr. Martin Luther King, Jr.'s birthday as a holiday in the city of Asheville. Dr. King, through his efforts in the civil rights struggle, was able to help set in motion the adoption of the Civil Rights Act of 1964 and the Voting Rights Act of 1965, two pieces of legislation which had a major positive impact upon women, minorities and other groups struggling to achieve the American dream and enjoy the full fruits of this nation of plenty. For this reason alone we believe Dr. King is worthy of the honor of having a city holiday in his name.

The adoption of this holiday, however, would mean much more than just a day in his name. This day should be a day in which all of Asheville's citizens would meet and discuss the issues of peace, better human relations, equal economic opportunity and concretely plan for the betterment and prosperity of all city residents. In addition, Dr. King stands as a shining example to our youth because he died for the principles in which he believed; he was a man who spoke the truth without regard for the abuse, threats and physical and mental obstacles put in his way. In a world where our major role models for youth are involved in drug scandals and other immoral and amoral acts, we are fortunate to have witnessed the achievements and lifestyle of such a great individual.

In conclusion, let me emphasize that King's efforts were not just confined to this nation. This may be witnessed by the many monuments to his memory in many of the nations of the world. The principles of peace, prosperity for all and love for mankind are the objects of desire for all nations of the world. Please help keep his dream alive by adopting his birthday a city holiday and by continually working for the betterment of the Asheville society.

Sincerely,

Billie McAdams

Billie McAdams, President

Asheville, North Carolina

July 8, 1985

Asheville-Buncombe Community Relations Council
Aston Towers 165 South French Broad Avenue
Asheville, North Carolina 28801

Dear Members of City Council and Members Buncombe County Board of Commissions

The 83 members of Daughters of Esther Chapter 128, Order of Eastern Star, PHA Jurisdiction of North Carolina strongly support the adoption of a Martin Luther King, Jr. holiday in Asheville and Buncombe County. We believe that much has been said about the works of Dr. King and a holiday in his memory will remind us of his works and what his works require of us.

There is a great need in Asheville and Buncombe County for us to accept the challenge of fulfilling Dr. King's dream. His dream was a dream for all America.

Although Dr. King is dead.....His influence would live forever through the adoption of a national holiday because all citizens of our community could grasp the opportunity to make monumental strides on the basis of principles which have withstood the ravages of varying conditions through all times, love, faith, hope, commitment to the laws of right and actions based on these.

We ask you to please keep the dream alive by the adoption of a "Martin Luther King, Jr. holiday in Asheville and Buncombe County.

Sincerely,

Hazel Turner

July 23, 1985

Mr. R. Curtis Ratcliffe, Chairman
Buncombe County Board of Commissioners
P.O. Box 7435
Asheville, N.C. 28807

Dear Mr. Ratcliffe:

On behalf of the Young Adult Choir of Hopkins Chapel A.M.E. Zion Church, I urge you and your fellow Commission members to consider adopting a county holiday in the name of Martin Luther King, Jr. Dr. King's achievements and the principles for which he struggled make him an exemplary person in which to dedicate with an official holiday.

Beyond his achievements, we believe he should be honored for the achievement of great things in the face of many obstacles. The fact that he was able to accomplish much of what he set out to do makes him an excellent role model for today's youth. In an age in which our children see their idols involved in drug scandals and spread out in Playboy and Penthouse, the efforts and character of Dr. King stand as a refreshing alternative. Dr. King worked for what was right and good even in the face of threats and verbal abuse; his strength and dedication should serve as an example to us all of what can and must be done to make this city, county and nation a better place in which to live.

We would hope that the adoption of this holiday would be much more than a day off for individuals; we would hope that this day would be a day in which all citizens could focus directly upon the issues and principles Dr. King espoused throughout his life --- better human relations, economic prosperity for all persons, international peace and freedom from oppression. By collaborating on these issues we can make Asheville and Buncombe County a better and more productive place in which to live.

Sincerely,

Billie McAdams,
President

PETITION TO
THE ASHEVILLE CITY COUNCIL
AND
THE BUNCOMBE COUNTY BOARD OF COMMISSIONERS

We hereby urge establishment of the third Monday in January of each year as a legal city/county holiday, with said time period being designated *Martin Luther King, Jr. Peace Day*. Through such official action will be accorded concrete, continual appreciation to those individuals - irrespective of race, creed, gender, or other personal circumstances - who did, do, and shall not only promote respect for the worth and dignity of all humankind but strive toward achievement of lasting peace and fellowship among all peoples of the world.

MEMORANDUM TO: Patsy Brison, Staff Attorney

FROM: Charlotte Hutchison, Research Analyst ch

DATE: September 5, 1985

SUBJECT: Proposed Civil Service rule change

This memo is in response to the proposed revision of Civil Service Rule 17. I am glad that Dr. King's birthday has been made into a national holiday, but I don't like the idea of choosing January 15 for the additional holiday for city employees. Personally I don't care what we celebrate — I'd be delighted to have Halloween or Valentine's Day or April Fools Day, so long as the date was one that doesn't come too close to our existing city holidays.

That's why I object to adding January 15 for our ninth holiday. Even without the addition of another holiday, we already have 5 of our 8 holidays within a 5-week period extending from the end of November to the beginning of January. This leaves only 3 holidays for the remaining 47 weeks of the year. If we're going to have another holiday, let's not clump it in with the five days that are already so clumped together.

Attached is a copy of the calendar for next year. On it I have highlighted in pink each of our existing holidays, plus the proposed new one. I have also crossed through the five months during which we have no holiday. (I didn't cross through April because Easter tends to come in April; it just happens to be early next year.) I have also highlighted, in yellow, some appropriate holidays that come in the months when we have no holiday.

My suggestion is that we have one of these other holidays (Washington's birthday, Memorial Day, Flag Day or Columbus Day) instead of Dr. King's birthday. My personal preference would be Memorial Day, since it creates a three-day weekend and seems to be the most widely observed of those holidays that I've listed.

PETITION TO

THE ASHEVILLE CITY COUNCIL

AND

THE BUNCOMBE COUNTY BOARD OF COMMISSIONERS

We hereby urge establishment of the third Monday in January of each year as a legal city/county holiday, with said time period being designated *Martin Luther King, Jr. Peace Day*. Through such official action will be accorded concrete, continual appreciation to those individuals - irrespective of race, creed, gender, or other personal circumstances - who did, do, and shall not only promote respect for the worth and dignity of all humankind but strive toward achievement of lasting peace and fellowship among all peoples of the world.

[illegible]	[illegible]
[illegible]	138 D Lillington Dr.
[illegible]	274 N. H. Hillside St

We, the employees of the classified service of the City of Asheville, wish to express our concern and request that the City Council of the City of Asheville schedule a vote among City employees to determine their preference in designating an additional holiday, as approved in the fiscal 1985-86 budget. Due to the fact that several options exist, and there is merit to each respective day, the employees' interest would best be served by calling for such a referendum.

COMMENTS TO CITY COUNCIL RE; WILSHIRE PARK PETITION

ADDRESS COUNCIL: "MAYOR MCDEVITT AND MEMBERS OF COUNCIL."

MY NAME IS HUGH SMITH AND I LIVE AT 37 CARLTON PLACE IN WILSHIRE PARK,WEST ASHEVILLE.

I APPEAR BEFORE YOU AS A REPRESENTATIVE OF THE RESIDENTS OF WILSHIRE PARK. PURPOSE-- TO PRESENT A PETITION WHICH RELATES TO THE NEED FOR STREET IMPROVEMENTS IN THE PARK.

(Pass out copies of petition to members of council and news media.Give copy with signatures to Mayor. Announce number of signatures.)

WITH YOUR PERMISSION,I WOULD LIKE TO READ THE PETITION AND POINT OUT SOME OF THE DETAILS FROM A MAP OF WILSHIRE PARK WHICH I HAVE BROUGHT WITH ME.

(Proceed to read petition aloud and then point out details from map.)

DO YOU HAVE ANY QUESTIONS THUS FAR?

(Answer same as appropriate.)

MEMBERS OF COUNCIL,I KNOW IT IS NOT LIKELY THAT EVERYTHING ASKED FOR IN THIS PETITION WILL BE APPROVED WITHOUT RESERVATION.HOWEVER,I WOULD SUGGEST THAT YOU DIRECT THE APPROPRIATE CITY AGENCY TO MAKE AN INSPECTION OF THE CONDITIONS CITED IN THE PETITION.BASED ON THE RESULTS OF SUCH INSPECTION,I WOULD RECOMMEND THAT THE NECESSARY IMPROVEMENTS BE MADE. IF COST IS A GOVERNING FACTOR,THEN I PROPOSE THAT THE IMPROVEMENTS BE ACCOMPLISHED OVER A PERIOD OF ONE TO TWO YEARS.PRIORITIES BASED ON FEASIBILITY WOULD BE AS FOLLOWS;

1. REPLACE 5 EXISTING DEFECTIVE STREET SIGNS.
2. CORRECT THE SURFACE WATER PROBLEM AT THE INTERSECTION OF JOHNSTON BLVD. AND PROVIDENCE ROAD.
3. REPAIR AND RE-SURFACE THE POOREST ROAD CONDITIONS,PARTICULARLY AT INTERSECTIONS. RE-SURFACE THE REMAINDER LATER.
4. RE-GRADE THE TURN AT THE INTERSECTION OF WILBURN PLACE AND PROVIDENCE ROAD.

LADIES AND GENTLEMEN, IF THERE ARE NO FURTHER QUESTIONS,I THANK YOU FOR YOUR TIME AND ATTENTION.

FINANCE DIR.
SEP - 6 A.M.

MEMORANDUM TO: Larry Fisher, Department of Finance

FROM: The Undersigned

DATE: September 5, 1985

SUBJECT: Civil Service Rule 17

This is in response to the memorandum to all City Employees regarding a public hearing on the proposed Civil Service Rule Revision.

We understand the revision is to add Dr. Martin Luther King, Jr.'s Birthday to the current list of holidays.

We would prefer a holiday more widely observed by other governmental units, such as:

Memorial Day - 4th Monday in May

Presidents Day - 3rd Monday in February

PETITION RELATING TO THE IMPROVEMENT OF STREETS IN THE WILSHIRE PARK SUB-DIVISION OF ASHEVILLE. NC

TO: The Honorable Larry McDevitt, Mayor, and members of the City Council of Asheville, NC.

We, the undersigned residents, and/or property owners in Wilshire Park, Asheville, NC request that;

1. The streets in Wilshire Park be repaired and resurfaced. suggests a sealing treatment

2. The curve at the intersection of Wilburn Place and Providence Road be re-graded in order to permit safer driving.

3. The existing concrete street markers be repainted or replaced with metal street signs.

The streets concerned in Wilshire Park include:

Carlton Place	Wilburn Road
Luther Street	Wilburn Place
Providence Road	Wilshire Drive

DISCUSSION: The streets listed above have potholes or have been damaged in a number of places. The patching of same has been a temporary expedient at best. In addition, the street surfaces in numerous areas have become badly cracked due to frost heave. Of particular note is that portion of Wilburn Place between Wilburn Road and Luther Street. Some twelve or more potholes have been patched in that short section of street in the past. Some of them repeatedly. Today, the pavement on Wilburn Place near Wilburn Road is again breaking up with several significant potholes creating a traffic hazard. NOTE: Wilburn Place is a busy traffic street due to the Emmanuel Lutheran Church and School being located at the intersection of Wilburn Place and Luther Street..

With respect to re-grading the curve at the intersection of Wilburn Place and Providence Road, originally, Wilburn Place extended to what is now the entrance to Laurel Loop, and is still shown that way on city maps. With the construction of the present Patton Avenue roadway, the extended portion of Wilburn Place was eliminated. Providence Road and Wilburn Place were then connected by a rather steep sloping curve that falls away to the outside of the turn. Said curve is especially hazardous during snow or ice conditions. On or about December 5, 1973, Mr Phillip Cocke,Jr, then director of Public Works for the City of Asheville, made a survey of the situation at the intersection of Wilburn Place and Providence Road. He apparently saw the need for corrective action, however, the project would have to be included in the following years budget due to the cost involved. To date, (almost twelve (12) years later), nothing has been done to improve the situation. See copy of follow-up letter to Mr Cocke from the Wilshire Park Community Club dated March 3, 1975 which is attached hereto.

As for repairing or replacing the existing concrete street markers, the need for such action is obvious because the present markers in some instances are no longer legible.

In conclusion, it is recommended that a competent survey be made of the conditions cited above in order to verify same and hopefully to have necessary corrective action taken within a reasonable period of time.

RFC: ① Survey of conditions ② Priority date

(petition signatures on following pages)

Wilshire Park Community Club

Asheville, North Carolina

47 Carlton Place
Asheville, N. C. 28806

March 4, 1975

Mr. Philip C. Cocke, Jr.
Director Public Works
P. O. Box 7148, City Building
Asheville, North Carolina

Dear Mr. Cocke:

Subject: Intersection of Wilburn Place and Providence Road

This is a follow-up of your letter of December 5, 1973. According to your personal survey of the condition of the intersection of Wilburn Place and Providence Road, you saw the necessity of a construction project to revise the existing drainage problem. At this time, the blacktop at this section is also in need of repair, due to an oil spill on the Lutheran Church property.

A year has passed and nothing has been done. Were you able to obtain money for this project in 1974, in order that this work might be included in the 1975 budget? Please advise as to the present status.

Yours truly,

Mrs. D. Stephen Mitchell
Corresponding Secretary

M/h

cc: Mr. Bostic

Mr. Webb Bostic, Supt., Street Department

P. O. Box 7148, City Building

Asheville, North Carolina

Lot 45, be rezoned from R-3 Residential District to LI Light Industrial District. The property is located at Craven Street, Waynesville Avenue and Ridgeway Avenue. After review and discussion, the Commission voted to recommend to City Council that Ward 6, Sheet 2, Portions of Lots 96 and 45, be rezoned from R-3 Residential District to LI Light Industrial District, and that adequate buffering be provided. On September 10, 1985, a public hearing was held and this ordinance passed on first reading.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1535 passed on second reading.

ORDINANCE NO. 1536 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED OFF HENDERSONVILLE ROAD (WILLIAM BURGIN AND WINSTON PULLIAM, PETITIONERS)

6. Consideration was given to the third reading of Ordinance No. 1536, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended, property located off Hendersonville Road. (William Burgin and Winston Pulliam, Petitioners).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held July 24, 1985, considered the petition of Mr. William Burgin and Mr. Winston Pulliam that Ward 7, Sheet 60, portion of Lot 55, be rezoned from R-2 Residential District to R-3 Residential District. The property is located off Hendersonville Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 60, portion of Lot 55, be rezoned from R-2 Residential District to R-3 Residential District. On September 10, 1985, a public hearing was held and this ordinance passed on first and second reading.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specitic request to do so.

On a roll call vote of 6-0, Ordinance No. 1536 passed on third and final reading.

Complete text of Ordinance No. 1536 will be found in Ordinance Book No. 10 at page 305 and 306.

RESOLUTION NO. 85-165 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE INSTALLATION OF A TWELVE INCH SEWER LINE ACROSS JOHNSTON BOULEVARD, STATE ROAD 1319

7. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for the installation of a twelve inch sewer line across Johnston Boulevard, State Road 1319.

Mayor McDevitt said this resolution will authorize the Mayor to execute a right-of-way encroachment agreement with the NC DOT for the purpose of installing a twelve inch (12") sewer line across Johnston Boulevard, SR 1319. This is part of the Smith Mill Creek Project. This is one of the Priority II projects in the City of Asheville Sewer Master Plan - $100,000 is appropriated for this project.

Tuesday - September 17, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Wilhelmina Bratton (Death in Family)

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - SEPTEMBER 10, 1985 MEETING

1. Approval of the minutes of the September 10, 1985 meeting.

Mayor McDevitt announced the approval of the minutes as submitted.

PROCLAMATION - SEPTEMBER 17, 1985 - "INTERNATIONAL DAY OF PEACE"

2. Mayor McDevitt read a proclamation proclaiming September 17, 1985, as "International Day of Peace".

Mayor McDevitt presented the proclamation to David Quinn, Chairman of Baha'i Local Spiritual of Asheville.

PROCLAMATION - SEPTEMBER 24, 1985 - "INTERNATIONAL INTEGRITY DAY"

3. Mayor McDevitt proclaimed September 24, 1985, as "International Integrity Day".

PROCLAMATION - SEPTEMBER 22, 1985 - "AMERICAN BUSINESS WOMEN'S DAY"

4. Mayor McDevitt read a proclamation proclaiming September 22, 1985, as "American Business Women's Day".

Mayor McDevitt presented the proclamation to Beverly Brooks, President of the Sky Hy Chapter of the American Business Women's Association.

ORDINANCE NO. 1535 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED ON CRAVEN STREET (MR. DOUGLAS CLARK PETITIONER)

5. Consideration was given to the second reading of Ordinance No. 1535, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended, property located on Craven Street (Mr. Douglas Clark, Petitioner).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held June 5, 1985, considered the petition of Mr. Douglas Clark, Agent for United Chemical Company, Inc., that Ward 6, Sheet 2, Lot 96 and a portion of

Transportation not paid by the Federal Highway Administration. This resolution will authorize the Mayor to execute an agreement for the reinspection of the municipal system bridges. The estimated cost will be $3,000.00 which is included in the current budget.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bissette, seconded by Councilman Boland, Resolution No. 85-167 was unanimously adopted.

Complete text of Resolution No. 85-167 will be found in Resolution Book No. 15 at page 312.

RESOLUTION NO. 85-168 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT FOR THE DEVELOPMENT OF AN FY'85 COST ALLOCATION PLAN

10. Consideration was given to a resolution authorizing the Mayor to sign an agreement for the development of an FY'85 Cost Allocation Plan.

Mayor McDevitt said the City has used the services of David M. Griffith and Associates, Ltd. to prepare cost allocation plans for each fiscal year since FY'82. All the plans prepared have been accepted by the Department of Housing and Urban Development without modification. The use of these plans have allowed a significant increase in recovery of administrative and other indirect costs. Federal regulations require that a new plan be developed each year. This resolution will authorize the Mayor on behalf of the City to execute an agreement with David M. Griffith and Associates, Ltd. for the development of cost allocation plans which allocate audited FY'85 costs. The cost of the plan is included in the FY'85 budget. The plan itself will support the recovery of revenues already included in the FY'86 budget.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Mayor McDevitt said, in previous years, the cost allocation plans have proved to be invaluable.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-168 was unanimously adopted.

Complete text of Resolution No. 85-168 will be found in Resolution Book No. 15 at page 313.

RESOLUTION NO. 85-169 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO MAKE APPLICATION FOR STATE SENIOR CITIZEN CENTER FUNDS

11. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to make application for State Senior Citizen Center funds.

Mayor McDevitt said the North Carolina Department of Human Resources, Division of Aging, has a program whereby grants are available for acquisition or renovation of senior citizen centers. The program of services at the Harvest House Senior Citizen Center could be improved by the use of funds from this grant. The total grant is for $12,000.00.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-165 was unanimously adopted.

Complete text of Resolution No. 85-165 will be found in Resolution Book No. 15 at page 310.

RESOLUTION NO. 85-166 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AMENDMENT FOR THE CONTRACT WITH SUTTON-KENNERLY AND ASSOCIATES FOR ADDITIONAL FEES FOR PROFESSIONAL SERVICES ON THE PROJECT KNOWN AS THE MUNICIPAL BUILDING REPAIR PROJECT

8. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville Amendment for the contract with Sutton-Kennerly and Associates for additional fees for professional services on the project known as the Municipal Building Repair Project.

Mayor McDevitt said due to the extension of the time period for the construction phase for the Municipal Building Repair Project and due to the change in scope of the Municipal Building Repair Project, additional fees for professional services of Sutton-Kennerly and Associates are necessary. This resolution will authorize the Mayor to execute on behalf of the City an amendment for the contract with Sutton-Kennerly and Associates for additional professional services. This amount was recouped by assessing the construction contractor $1,000.00 as liquidated damages.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-166 was unanimously adopted.

Complete text of Resolution No. 85-166 will be found in Resolution Book No. 15 at page 311.

RESOLUTION NO. 85-167 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE INSPECTION OF BRIDGES ON THE CITY OF ASHEVILLE'S STREET SYSTEM

9. Consideration was given to a resolution authorizing the Mayor to execute an agreement with the North Carolina Department of Transportation for the inspection of bridges on the City of Asheville's street system.

Mayor McDevitt said the City of Asheville has requested the North Carolina Department of Transportation to perform certain work under the Federal-Aid Highway Bridge Replacement and Rehabilitation Program, said work to consist of the reinspection and analysis of all public bridges on the Municipal Street System in the City of Asheville. The Federal Highway Administration shall reimburse the North Carolina Department of Transportation for eighty percent (80%) of the cost of the work subject to compliance with all applicable federal policy and procedural rules and regulations. The City of Asheville shall reimburse the North Carolina Department of Transportation for all costs of the work incurred by the Department of

Mayor McDevitt read the resolution stating that the City has been advised that the City Hall boiler presently in use has a high probability of failure which may result in significant damage as has already occurred in the past two heating seasons. The City is in the process of developing a plan for energy conservation for the City Hall which calls for replacement of the heating system. The firm of Wood and Cort, P.A. is presently preparing said plan and has agreed to provide design services, contract documents, preparation, advertising for competitive bidding, receipt of bids, construction observation and coordination of the work with requirement with future heating/cooling system for a lump sum fee of $4,800.00. This resolution will amend the existing agreement with Wood and Cort, P.A. to encompass the aforementioned project and authorize the City Manager to execute a change in the agreement.

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 85-170 was unanimously adopted.

Complete text of Resolution No. 85-170 will be found in Resolution Book No. 15 at page 315.

CLAIMS - DON WELBORN (FIRE) - BONNIE HOLCOMBE (WATER) - JOHN CHAMBERS (WATER)

The City Manager presented claims received from Don Welborn, Bonnie Holcombe and John Chambers.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

ANNOUNCEMENT OF DECISION ON APPEAL BY THE SCHNEIDER NINE GROUP - DECERTIFICATION OF BUNN AND GIBBS BUILDING - BILTMORE AVENUE AND COMMERCE BUILDING ON SOUTH PACK SQUARE

Mayor McDevitt announced that the appeal, by the Schneider Nine Group, of the U.S. Department of the Interior's regional office in Atlanta's decision that the Bunn and Gibbs Building and Commerce Building not be decertified had been approved by Ernest Connally, Chief Appeals Officer of the Preservation Assistance Division of the National Park Service. He said the decertification would allow the Bunn and Gibbs Building on Biltmore Avenue to be demolished to make way for a parking deck at Broadway and Eagle Street. He said the Schneiders plan to gut the interior of the Commerce Building and install a corridor that would extend from the Jackson Building to the Legal Building which are now separated by walls. He said he felt this was the last major hurdle for the Pack Plaza Developmen Project and construction should begin within the next few weeks. He said he was very pleased and proud of the way the appeal was handled by the Schneiders and the City.

RALPH BISHOP - OBTAINING POLICE PENSION RECORDS

Upon inquiry of Ralph Bishop relative to obtaining police pension records relative to former police officer James J. Moles, Corporation Counsel Slawter said Mr. Bishop had received all the records relative to Mr. Moles that were public records. He said Mr. Moles would have to give written permission for any further records to be reviewed by the public.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 85-169 was unanimously adopted.

Complete text of Resolution No. 85-169 will be found in Resolution Book No. 15 at page 314.

APPROVAL OF SIGN PERMIT - 37 TUNNEL ROAD - BISHOP'S CATTLE COMPANY

12. Consideration was given to a motion approving a sign permit for an identification sign at 37 Tunnel Road for Bishop's Cattle Company.

Mayor McDevitt said Bishop's Cattle Company has requested a sign permit to erect an identification sign at 37 Tunnel Road advertising "Bishop's Cattle Company". This sign requires approval of City Council pursuant to the zoning ordinance in that the sign will be situated closer than 600' of a limited access highway.

Verl Emrick, Director of Planning, said there would be three signs involved at this location. He said two signs would be on the building; one with 62 square feet and one with 95 square feet. He said the joint identification sign would contain 127 square feet. He said the signs meet all the requirements of the sign ordinance.

Councilman Frank moved to approve the sign permit for an identification sign at 37 Tunnel Road for Bishop's Cattle Company. This motion was seconded by Councilman Myers, and carried unanimously.

SCHEDULING PUBLIC HEARING - REDEVELOPMENT PLAN FOR THE HAYWOOD/WALL STREET REDEVELOPMENT PROJECT

13. Councilman Myers moved to schedule a public hearing to consider adoption of a redevelopment plan for the Haywood/Wall Street Redevelopment Project for October 8, 1985. This motion was seconded by Councilman Frank, and carried unanimously.

CLOSING OF WALL STREET - THURSDAY, SEPTEMBER 19, 1985 - RECEPTION FOR ASHEVILLE-BUNCOMBE DISCOVERY OFFICE

14. At the request of the Planning Director, Councilman Frank moved to allow the closing of Wall Street from 5:00 p.m. to 7:00 p.m. on Thursday, September 19, 1985 for the purpose of a reception sponsored in part by the Wall Street Merchants Association which officially opens the Asheville-Buncombe Discovery Office. This motion was seconded by Councilman Price, and carried unanimously.

RESOLUTION 85-170 - RESOLUTION AUTHORIZING THE CITY MANAGER TO AMEND AGREEMENT WITH WOOD AND CORT, P.A. TO INCLUDE BOILER REPLACEMENT

15. Consideration was given to a resolution authorizing the City Manager to amend agreement with Wood and Cort, P.A. to include boiler replacement.

Tuesday - September 24, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager Neal Creighton; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gordon Myers

INVOCATION

The invocation was given by Councilman Louis Bissette.

APPROVAL OF THE MINUTES - SEPTEMBER 17, 1985 MEETING

1. Approval of the minutes of the September 17, 1985 meeting.

Mayor McDevitt announced the approval of the minutes as submitted.

ORDINANCE NO. 1535 - AN ORDINANCE AMENDING ORDINANCE NO. 322, "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED, PROPERTY LOCATED ON CRAVEN STREET (MR. DOUGLAS CLARK, PETITIONER)

2. Consideration was given to the third reading of Ordinance No. 1535, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended, property located on Craven Street (Mr. Douglas Clark, Petitioner).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held June 5, 1985, considered the petition of Mr. Douglas Clark, Agent for United Chemical Company, Inc., that Ward 6, Sheet 2, Lot 96 and a portion of Lot 45, be rezoned from R-3 Residential District to LI Light Industrial District. The property is located at Craven Street, Waynesville Avenue and Ridgeway Avenue. After review and discussion, the Commission voted to recommend to City Council that Ward 6, Sheet 2, Portions of Lots 96 and 45, be rezoned from R-3 Residential District to LI Light Industrial District, and that adequate buffering be provided. On September 10, 1985, a public hearing was held and this ordinance passed on first reading. This Ordinance passed on second reading on September 17, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1535 passed on third and final reading.

Complete text of Ordinance No. 1535 will be found in Ordinance Book No. 10 at page 303 and 304.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Frank, the meeting adjourned at 4:40 p.m.

Mayor

City Clerk

PROCLAMATION - SEPTEMBER 29 - OCTOBER 5, 1985 - " PRINCE HALL MASONIC WEEK"

5. Mayor McDevitt read a proclamation proclaiming the week of September 29 - October 5, 1985 as "Prince Hall Masonic Week".

Mayor McDevitt presented the proclamation to Marvin Chambers.

RESOLUTION NO. 85-172 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN AN AGREEMENT EXTENDING FIRE PROTECTION SERVICES TO THE VETERAN'S ADMINISTRATION MEDICAL CENTER AT OTEEN THROUGH SEPTEMBER 30, 1986

6. Consideration was given to a resolution authorizing the City Manager to sign an agreement extending fire protection services to the Veteran's Administration Medical Center at Oteen through September 30, 1987.

Mayor McDevitt said by Resolution No. 85-9, dated January 29, 1985, the Mayor was authorized on behalf of the City to sign an agreement with Veteran's Administration Medical Center at Oteen regarding the provisions of certain fire protection services. The present agreement expires September 30, 1985. The Fire Department staff and the local Veteran's Administration Medical Center staff have negotiated a two (2) year extension of the present agreement which expires September 30, 1987. This resolution will authorize the City Manager to execute an agreement with the Veteran's Administration Medical Center for extending fire protection. He said revenues would be increased in the amount of $12,425.09 for the period October 1, 1985, to September 30, 1986.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 85-172 was unanimously adopted.

Complete text of Resolution No. 85-172 will be found in Resolution Book No. 15 at page 317.

RESOLUTION NO. 85-174 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A FEDERAL AVIATION GRANT AGREEMENT, PROJECT NO. 3-37-0005-06

7. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville a Federal Aviation Grant Agreement, Project No. 3-37-0005-06.

Mayor McDevitt said the Federal Aviation Administration has offered a grant agreement dated September 19, 1985, to the Asheville Regional Airport Authority in the amount of $180,000.00. The City of Asheville and the County of Buncombe are sponsors of the agreement, and the FAA requires each sponsor to execute the grant agreement. The FAA has approved a project for the airport or planning area consisting of the following: Install fence around fuel farm with automatic gates and sign; acquire snow removal equipment (front end loader); construct sanitary sewer line from emergency equipment storage building to trunk sewer (1,100 L.F.); expand vehicle storage building (30 foot by 40 foot). This resolution will authorize the Mayor to execute said grant agreement.

ORDINANCE NO. 1537 - AN ORDINANCE PROHIBITING SMOKING ON CITY PUBLIC TRANSPORTATION

3. Consideration was given to a ordinance prohibiting smoking on City public transportation.

Mayor McDevitt said this ordinance will prohibit smoking on Asheville Transit Authority buses for health and cleanliness reasons.

Carl Ownbey, with the Asheville Transit Authority, said many complaints had been received from the elderly and visitors in the area relative to smoking on City buses. He said signage of "no smoking" is on the buses, but no enforcement is available. He said there are litter problems and cigarette burns on the buses. He said other cities have adopted ordinances prohibiting smoking on City buses, and they have had no problems with enforcement.

Walter Renfroe, Chairman of the Asheville Transit Authority, said this ordinance would provide enforcement for no smoking on the City buses.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Vice-Mayor Bratton moved for the adoption of Ordinance No. 1537. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1537 passed on first reading.

RESOLUTION NO. 85-171 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE RENTAL AGREEMENTS WITH DRS. McCALL AND WITTEN FOR OFFICE SPACE IN THE CITY BUILDING

4. Consideration was given to a resolution authorizing the City Manager to execute rental agreements with Drs. McCall and Witten for office space in the City Building.

Mayor McDevitt said this resolution will authorize the City Manager to execute lease agreements with Dr. E. R. S. Witten and Dr. William H. McCall for office space located on the sixth floor of the City Building. He said the monthly fee from Dr. McCall is $1,034.50 and monthly fee from Dr. Witten is $247.50.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Bissette, Resolution No. 85-171 was unanimously adopted.

Complete text of Resolution No. 85-171 will be found in Resolution Book No. 15 at page 316.

RESOLUTION NO. 85-173 - RESOLUTION OF APPRECIATION TO NEAL CREIGHTON

8. Consideration was given to a Resolution of Appreciation to Neal Creighton.

Mayor McDevitt read the resolution.

Mayor McDevitt presented a copy of the resolution and a book entitled "Asheville, a Pictorial History" to resigning City Manager, Neal Creighton.

Upon motion of Vice-Mayor Bratton, seconded by Councilman Bissette, Resolution No. 85-173 was unanimously adopted.

Complete text of Resolution No. 85-173 will be found in Resolution Book No. 15 at Page 318.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Frank, the meeting adjourned at 4:30 p.m.

MAYOR

CITY CLERK

Mayor McDevitt read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Bissette, Resolution No. 85-174 was unanimously adopted.

Complete text of Resolution No. 85-174 will be found in Resolution Book No. 15 at page 319.

CLAIMS - CORNELIA STREETER (STREETS) - JACK McCURRY (WATER) - MRS. JACK STEELE (SEWER) - FRAME SHOPPE (WATER)

The City Manager presented claims received from Cornelia Streeter, Jack McCurry, Mrs. Jack Steele, and the Frame Shoppe.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO THE ASHEVILLE POLICE DEPARTMENT AND THE RESIGNING CITY MANAGER

Ralph Bishop spoke to members of Council relative to the Asheville Police Department, the resigning City Manager, and lottery sales within the City of Asheville.

HOLIDAY FOR CITY OF ASHEVILLE - EMPLOYEES - MEMORIAL DAY

Mayor McDevitt said "almost eighteen (18) months ago, City Council began a total re-examination of our City personnel system. As you recall, we have made a number of changes, including a total personnel reclassification and salary structure. Part of our work included an examination of City holiday policies. We found at that time that Buncombe County and the State of North Carolina had eleven (11) official holidays and the Federal Government had ten (10) official holidays, while the City workers only had eight (8). We decided to re-examine that policy and concluded that additional holidays were in order, both for community significance, and as additional employee benefits. Having adopted one (1) additional holiday to date, bringing City holidays to nine (9), it is my hope that you will adopt my recommendation to you that we complete our work in this area by fixing and holding the number of official City holidays at ten (10). In that connection, I would also recommend that we move today to fill the ten (10) holiday schedule by adopting Memorial Day as a City Holiday. My personal feeling, as well as my informal pool of employees and surrounding community sentiment, suggests that this would be a most appropriate day to emphasize in our community. In doing this, I do want to clarify a mistaken impression created in recent news articles to the effect that the approval of the King Holiday replaced Memorial Day as a holiday. Such was not the case. Memorial Day has never been a City holiday and the only issue before Council two weeks ago was whether or not to approve the Civil Service Board's action, recommended by us, to establish the King Holiday."

Councilman Frank moved that the Asheville City Council request the Civil Service Board to take the appropriate action pursuant to Section 4 of the Civil Service Law in order to amend Civil Service Rule 17 (j) so as to establish Memorial Day as an additional holiday for City employees. This motion was seconded by Councilman Price and carried unanimously.

PROCLAMATION - OCTOBER 6 - 12, 1985 - "MINORITY ENTERPRISE DEVELOPMENT WEEK"

6. Mayor McDevitt read a proclamation proclaiming October 6-12, 1985, as "Minority Enterprise Development Week".

Mayor McDevitt presented a copy of the proclamation to Don Schronce, Coordinator for the Asheville Business Development Center.

RESOLUTION NO. 85-175 - RESOLUTION OF APPRECIATION TO VERNON FRADY, RETIRING EMPLOYEE OF THE CITY OF ASHEVILLE

7. Consideration was given to a resolution of appreciation to Vernon Frady, retiring employee of the City of Asheville.

Mayor McDevitt read the resolution stating that Vernon Frady was employed by the City of Asheville for more than 30 years in the Parks Maintenance Division and retired on September 16, 1985.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 85-175 was unanimously adopted.

Complete text of Resolution No. 85-175 will be found in Resolution Book No. 15 at page 320.

Mayor McDevitt and members of Council presented a copy of the resolution to Mr. Vernon Frady.

PUBLIC HEARING - REZONING PROPERTY LOCATED ON OLD CHUNNS COVE ROAD

ORDINANCE NO. 1538 - AN ORDINANCE AMENDING NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON OLD CHUNNS COVE ROAD (LARRY BUCKNER PETITION)

8. A public hearing was held relative to rezoning property located on Old Chunns Cove Road.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held August 7, 1985, considered the petition of Mr. Larry Buckner, Buckner Associates, that Ward 8, Sheet 25, Lot 26, be rezoned from R-1 Residential District to R-2 Residential District. The property is located on Old Chunns Cove Road. After review and discussion, the Commission voted to recommend to City Council that Ward 8, Sheet 25, Lot 26, be rezoned from R-1 Residential District to R-2 Residential District.

Mayor McDevitt opened the public hearing at 4:33 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at its meeting of August 7, 1985, recommended that the property be rezoned as petitioned. He said no opposition had been received relative to the rezoning. By the use of a map, Mr. Emrick showed members of Council the property requested to be rezoned.

Tuesday - October 1,1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland; Corporation Counsel William F. Slawter; and Acting City Manager William F. Wolcott, Jr; Deputy City Clerk Carol Hensley.

Absent: Councilman Louis Bissette

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - SEPTEMBER 24, 1985 MEETING

1. Approval of the minutes of the September 24, 1985 meeting.

Mayor McDevitt noted a typographical error on page 133 of the minutes of the September 24, 1985 meeting.

Mayor McDevitt announced approval of the minutes as amended.

BLUE AND GREY BARBERSHOPPERS QUARTET - SING

2. Members of the Blue and Grey Barbershoppers Quartet sang two songs for members of Council. This was in connection with the Barbershoppers Quartet Convention being held in Asheville, October 3, 4 & 5, 1985.

PROCLAMATION - OCTOBER 6 - 12, 1985 - "OSTEOPOROSIS AWARENESS WEEK"

3. Mayor McDevitt read a proclamation proclaiming October 6-12, 1985, as "Osteoporosis Awareness Week".

Mayor McDevitt presented a copy of the proclamation to Lillian G. Williams, Assistant State Director for AARP.

PROCLAMATION - OCTOBER 6 - 12, 1985 - "EMPLOY THE HANDICAPPED WEEK"

4. Mayor McDevitt proclaimed the week of October 6-12, 1985, as "Employ the Handicapped Week".

PROCLAMATION - OCTOBER 6 - 12, 1985 - "MENTAL ILLNESS AWARENESS WEEK"

5. Mayor McDevitt read a proclamation proclaiming the week of October 6-12, 1985, as "Mental Illness Awareness Week".

Mayor McDevitt presented a copy of the proclamation to Jack Matthews, Chairperson for the Western Carolina Alliance for the Mentally Ill.

ORDINANCE NO. 1539 - AN ORDINANCE CREATING THE ASHEVILLE FAIR HOUSING COMMISSION

11. Consideration was given to an ordinance creating the Asheville Fair Housing Commission.

Mayor McDevitt said the City Council of the City of Asheville finds it in the public interest to promote fair housing practices in the City. The City Council desires to prevent discriminatory practices against any person in a real estate transaction. The U. S. Department of Housing and Urban Development has for many years encouraged and supported anti-discrimination initiatives through grant programs to the City designed to ensure equal opportunity for all citizens. The City Council of the City of Asheville does desire to create a Commission to be known as the Asheville Fair Housing Commission as authorized in Chapter 776, Sections, 1, 2 and 3 of the General Statutes of North Carolina.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

A discussion was held relative to the term of office for the Chairman of the Commission. It was determined that a decision relative to the length of term for the Chairman would be discussed at the October 8, 1985 meeting.

Mayor McDevitt answered questions from Ralph Bishop relative to the ordinance.

Councilman Boland moved for the adoption of Ordinance No. 1539. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1539 passed on first reading.

RANKIN STREET PARKING BONDS

12. Consideration was given to action relative to the issuance of the $885,000 Rankin Street Parking Bonds.

There was introduced in written form the following order authorizing bonds which was read:

ORDINANCE NO. 1540

ORDER AUTHORIZING $885,000 RANKIN STREET PARKING BONDS

BE IT ORDERED by the Council of the City of Asheville:

Section 1. That, pursuant to The Local Government Bond Act, as amended, the City of Asheville, North Carolina, is hereby authorized to contract a debt, in addition to any and all other debt which said City may now or hereafter have power or authority to contract, and in evidence thereof to issue Rankin Street Parking Bonds in an aggregate principal amount not exceeding $885,000 for the purpose of providing funds, with any other available funds, for purchase of land and constructing a structure for public parking at the Rankin-College Street intersection in Asheville, North Carolina.

Mayor McDevitt closed the public hearing at 4:35 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1538. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1538 passed on first reading.

PUBLIC HEARING - REZONING PROPERTY LOCATED ON HENDERSONVILLE ROAD - BILTMORE DAIRY FARMS, INC.

9. A public hearing was held relative to rezoning property located on Hendersonville Road - Biltmore Dairy Farms, Inc.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held August 7, 1985, considered the petition of Attorney Philip Carson for Biltmore Diary Farms, Inc. that Ward 7, Sheet 52, Lot 169, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located on Hendersonville Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 52, Lot 169, be rezoned from R-2 Residential District to CH Commercial Highway District.

Mayor McDevitt opened the public hearing at 4:36 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Mayor McDevitt noted that a request had been received from Philip Carson, Attorney for the petitioner, Biltmore Dairy Farms, Inc., requesting that the public hearing be continued for one week.

Councilman Boland moved to continue the public hearing relative to rezoning property located on Hendersonville Road - Biltmore Dairy Farms, Inc. until October 8, 1985, without further advertisement. This motion was seconded by Councilman Price and carried unanimously.

ORDINANCE NO. 1537 - AN ORDINANCE PROHIBITING SMOKING ON CITY PUBLIC TRANSPORTATION

10. Consideration was given to the second reading of Ordinance No. 1537, an ordinance prohibiting smoking on City Public Transportation.

Mayor McDevitt said this ordinance will prohibit smoking on Asheville Transit Authority buses for health and cleanliness reasons. This ordinance passed on first reading on September 24, 1985.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1537 passed on second reading.

Section 2. That this resolution, being a resolution directing administrative action, shall take effect immediately.

_____
Mayor

_____
City Clerk

Approved as to form:

_____
Corporation Counsel

Upon motion of Vice-Mayor Bratton, seconded by Councilman Price, the foregoing resolution entitled: "RESOLUTION DESIGNATING THE DIRECTOR OF FINANCE TO PREPARE AND FILE THE SWORN STATEMENT OF DEBT" was passed by the following vote:

Ayes: Councilmen: Mary Lloyd Frank, Norma T. Price, Walter R. Boland, Gordon Myers, Mayor Larry McDevitt, Vice-Mayor Wilhelmina Bratton.

Noes: None

Thereupon the Director of Finance filed with the City Clerk, in the presence of the Council, the Sworn Statement of Debt as so required, which statement is attached to and made a part of these minutes.

Thereupon Councilman Price introduced in written form the following resolution which was read:

RESOLUTION NO. 85-177

RESOLUTION PROVIDING FOR A PUBLIC HEARING UPON AN ORDER AUTHORIZING $885,000 RANKIN STREET PARKING BONDS AND DIRECTING THE CITY CLERK TO PUBLISH SAID ORDER TOGETHER WITH A STATEMENT GIVING NOTICE OF SAID HEARING

BE IT RESOLVED by the Council of the City of Asheville:

Section 1. That a public hearing upon the order entitled: "ORDER AUTHORIZING $885,000 RANKIN STREET PARKING BONDS" shall be held at 4:00 o'clock p.m., on October 22, 1985, at the City Hall in Asheville, North Carolina, at which the Council shall hear anyone who may wish to be heard on the question of the validity of said order or the advisability of issuing said bonds.

Section 2. That said public hearing may be adjourned from time to time.

Section 3. That the City Clerk be and he is hereby directed to publish said order, together with the appended statement giving notice of said hearing as required by The Local Government Bond Act, as amended, once

Section 2. That taxes shall be levied in an amount sufficient to pay the principal of and the interest on said bonds.

Section 3. That a Sworn Statement of Debt of the City has been filed with the City Clerk and is open to public inspection.

Section 4. That this order shall take effect 30 days after its publication following adoption, unless it is petitioned to a vote of the people as provided in North Carolina General Statutes, Sec. 159-60, and that in that event the order will take effect when approved by the voters of the City at a referendum as provided in said Act.

Thereupon, upon motion of Councilman Frank, seconded by Councilman Price, the order entitled: "ORDER AUTHORIZING $885,000 RANKIN STREET PARKING BONDS," as hereinabove set forth, was passed upon its first reading by the following vote:

Ayes: Councilmen: Mary Lloyd Frank, Norma T. Price, Walter R. Boland, Gordon Myers, Mayor Larry McDevitt, Vice-Mayor Wilhelmina Bratton.

Noes: None

Thereupon, upon motion of Vice-Mayor Wilhelmina Bratton, seconded by Councilman Price, the requirement of the Charter that ordinances be read on three separate days was dispensed with by the following vote, being not less than two-thirds of the members of the Council:

Ayes: Councilmen: Mary Lloyd Frank, Norma T. Price, Walter R. Boland, Gordon Myers, Mayor Larry McDevitt, Vice-Mayor Wilhelmina Bratton.

Noes: None

Thereupon, upon motion of Councilman Frank, seconded by Councilman Price, the order entitled: "ORDER AUTHORIZING $885,000 RANKIN STREET PARKING BONDS," as hereinabove set forth, was read a second time and was passed upon its second reading by the following vote:

Ayes: Councilmen: Mary Lloyd Frank, Norma T. Price, Walter R. Boland, Gordon Myers, Mayor Larry McDevitt, Vice-Mayor Wilhelmina Bratton.

Noes: None

There was introduced in written form the following resolution which was read:

RESOLUTION NO. 85-176 - RESOLUTION DESIGNATING THE DIRECTOR OF FINANCE TO PREPARE AND FILE THE SWORN STATEMENT OF DEBT

BE IT RESOLVED by the Council of the City of Asheville:

Section 1. That the Director of Finance be and he is hereby designated as the officer who shall prepare and file with the City Clerk the Sworn Statement of Debt of the City of Asheville which is required by The Local Government Bond Act, as amended, to be filed after a Bond Order has been introduced and before the public hearing thereon.

Lots 105-C and 127 are to be developed with a single family homes for resale. The eventual purchasers of the completed homes will be able to obtain the Dollar-A-Lot subsidy.

Lot 105-D is a residential lot sale for a single family structure under the Incentive Housing Program.

Councilman Price moved to approve the sale of disposal parcels 113, 105-C, 105-D, and 127 in the East Riverside Urban Renewal area. This motion was seconded by Councilman Frank and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

14. Consideration of a motion approving the consent agenda.

Mayor McDevitt said the following items are of a routine nature, and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

RESOLUTION NO. 85-178

A. Resolution authorizing the Mayor to make application for State sewer grant funds for the City of Asheville Sewer Master Plan Project.

HIGHLIGHTS: The State has recently appropriated grant funds for eligible sewer projects to counties and municipalities. Such grants are to be made for eligible projects on a 50% matching basis. The recently adopted Sewer Master Plan is such an eligible project.

FISCAL IMPACT: The receipt of this grant ($749,762) would extend existing sewer construction resources.

Complete text of Resolution No. 85-178 will be found in Resolution Book No. 15 at page 323.

B. Motion scheduling a public hearing for rezoning property located on Hazel Mill Road for October 15, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held September 11, 1985, considered the petition of Attorney S. J. Crow for Trustees of the Theodore Freeman Estate that Ward 6, Sheet 16, Lots 456, and 467, be rezoned from R-3 Residential District to CH Commercial Highway District. The property is located on Hazel Mill Road. After review and discussion, the Commission voted to recommend that the petition be denied and the property remain as it is now zoned. However, the petitioner has filed an appeal of the decision of the Planning and Zoning Commission, and has requested the City Council to hold a public hearing relative to the rezoning.

in The Asheville Times not later than the sixth day before the date of said public hearing.

Approved as to form:

_____
Corporation Counsel

Upon motion of Councilman Price, seconded by Councilman Boland, the foregoing resolution entitled: "RESOLUTION PROVIDING FOR A PUBLIC HEARING UPON AN ORDER AUTHORIZING $885,000 RANKIN STREET PARKING BONDS AND DIRECTING THE CITY CLERK TO PUBLISH SAID ORDER TOGETHER WITH A STATEMENT GIVING NOTICE OF SAID HEARINGS" was passed by the following vote:

Ayes: Councilmen: Mary Lloyd Frank, Norma T. Price, Walter R. Boland, Gordon Myers, Mayor Larry McDevitt, Vice-Mayor Wilhelmina Bratton.

Noes: None

Thereupon the resolution entitled: "RESOLUTION DESIGNATING THE DIRECTOR OF FINANCE TO PREPARE AND FILE THE SWORN STATEMENT OF DEBT," the resolution entitled: "RESOLUTION PROVIDING FOR A PUBLIC HEARING UPON AN ORDER AUTHORIZING $885,000 RANKIN STREET PARKING BONDS AND DIRECTING THE CITY CLERK TO PUBLISH SAID ORDER TOGETHER WITH A STATEMENT GIVING NOTICE OF SAID HEARING," were authenticated by the signatures of the Mayor and the City Clerk, and the Corporation Counsel endorsed upon said resolutions his approval of the forms thereof.

SALE OF DISPOSAL PARCELS 113, 105-C, 105-D, AND 127 - EAST RIVERSIDE URBAN RENEWAL AREA

13. Consideration was given to a motion approving the sale of Disposal Parcels 113, 105-C, 105-D and 127 in the East Riverside Urban Renewal area.

Mayor McDevitt said the Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East Riverside Urban Renewal area.

Parcel	Reuse	Price	Bid	Redeveloper
113	Residential	$1,200.00	$1,200.00	Burnell Freeman
105-C	Residential	3,575.00	3,625.00	R & R Associates
105-D	Residential	5,425.00	5,425.00	James & Pamela Vernon
127	Residential	1,800.00	1,850.00	R & R Associates

Lot 113 is a residential lot sale to an adjacent property owner to provide additional garden space. Appropriate landscaping will be done, but no construction is planned.

Mayor McDevitt said the boilers which heat the City Hall Building are old and in need of replacement. It is necessary to execute various contracts for the construction and repair involving the replacement of the boilers. Part of the construction and repair project involves the removal of asbestos in the boiler room area to enable the replacement of the boiler. The City of Asheville has solicited informal bids from two companies licensed to remove the asbestos in the boiler room area. Those bids have been reviewed, and City staff recommends that City Council award the bid to NEO Corporation as the lowest responsible bidder. This resolution will authorize the interim City Manager to execute an agreement for removal of asbestos in the boiler room area for the Boiler Replacement Project in the City Hall Building.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-181 was unanimously adopted.

Complete text of Resolution No. 85-181 will be found in Resolution Book No. 15 at page 326.

CLAIMS - JUDY STRICKLAND (WATER)

The Acting City Manager presented a claim received from Judy Strickland.

Mayor McDevitt referred the claim to the Corporation Counsel for investigation and recommendation.

LAWSUITS - HARRY BRUMMER vs. CITY OF ASHEVILLE (APPEAL OF BOARD OF ADJUSTMENTS ORDER)

The Acting City Manager said the City of Asheville was served with a summons in connection with a lawsuit involving Harry Brummer v. City of Asheville relative to an appeal of the Board of Adjustments' order affirming revocation of a zoning permit.

Mayor McDevitt referred the summons to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT TO EXECUTIVE SESSION

Upon motion of Vice-Mayor Bratton, seconded by Councilman Frank, the meeting adjourned to executive session at 5:35 p.m.

MAYOR

CITY CLERK

C. Motion to schedule a public hearing on a site plan of the proposed Sweeten Creek Village Apartments to be located on Sweeten Creek Road for October 15, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held August 21, 1985, reviewed the site plan of the proposed Sweeten Creek Village Apartments to be located on Sweeten Creek Road. The site plan was prepared by Mills, Oliver and Webb, Inc., Blacksburg, Virginia, Architects-Engineers, for Pralin and Waldron, Inc., Roanoke, Virginia, Developers, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions: 1) final approval of entrance off Sweeten Creek Road from North Carolina Department of Transportation; and 2) compliance with the Erosion Control Ordinance.

RESOLUTION NO. 85-179

D. Resolution appointing a member to the Asheville Transit Authority.

HIGHLIGHTS: The term of Roy Meece expired on February 12, 1985. This resolution will appoint Mrs. Wanda Winslow as a member of the Asheville Transit Authority.

Complete text of Resolution No. 85-179 will be found in Resolution Book No. 15 at page 324.

RESOLUTION NO. 85-180

E. Resolution authorizing the barricading of a portion of Booker Street on October 2, 1985.

HIGHLIGHTS: This resolution will authorize the closing of Booker Street between Caribou Road and West Chapel Road October 2 from 11:00 A.M. until 12:00 Noon for the purpose of a performance by the Asheville High School Band and the ROTC Drill Team at the Venus Lodge Masonic Lodge Hall.

Complete text of Resolution No. 85-180 will be found in Resolution Book No. 15 at page 325.

Upon motion of Councilman Price, seconded by Councilman Frank, the Consent Agenda was unanimously adopted.

RESOLUTION 85-181 - RESOLUTION AUTHORIZING THE INTERIM CITY MANAGER TO EXECUTE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND NEO CORPORATION FOR THE REMOVAL OF ASBESTOS IN THE BOILER REPLACEMENT PROJECT

15. Consideration was given to a resolution authorizing the interim City Manager to execute an agreement by and between the City of Asheville and NEO Corporation for the removal of asbestos in the Boiler Replacement Project.

SWORN STATEMENT OF DEBT (continued)

For City of Asheville, North Carolina

SCHEDULE OF GROSS DEBT

(The debt described below should not include debt incurred or to be incurred in anticipation of the collection of taxes or other revenues or in anticipation of the sale of bonds other than funding and refunding bonds. The debt described below should not include revenue bonds.)

A. Outstanding debt evidenced by bonds:

Purpose	Amount	
Water	7,040,000	
Electric		
Gas		
Sanitary Sewer		
Other	3,930,000	Total $ 10,970,000

B. Bonds authorized by orders introduced but not yet adopted:

Date Introduced	Purpose	Amount	
10/01/85	Parking Deck	885,000	
			Total $ 885,000

C. Unissued bonds authorized by adopted orders:

Date Introduced	Purpose	Amount	
			Total $ -0-

D. Outstanding debt not evidenced by bonds:

Date Incurred	Purpose	Amount	
	Capitalized Lease Commitments		Total $ 879,882
			$ 12,734,882

LGC-109

SWORN STATEMENT OF DEBT

Made pursuant to the Local Government Bond Act, as Amended,

For City of Asheville, **North Carolina**

I, Larry A. Fisher (Name), Finance Director (Office) of the City of Asheville, North Carolina, having been designated by the City Council (Governing Body) for said City of Asheville (City/Town/County) to make and to file with the Clerk to the governing body a statement of debt of said City of Asheville (City/Town/County) pursuant to the Local Government Bond Act, as amended, DO HEREBY CERTIFY that the following is a true statement as shown by the books in my office, not taking into consideration any debt incurred or to be incurred in anticipation of bonds other than funding and refunding bonds.

A.	Gross Debt as listed in the attached "Schedule of Gross Debt",	$ 12,734,882
B.	Deductions to be made from Gross Debt as listed in the attached "Schedule of Deductions".	$ 7,040,000
C.	Net Debt being the difference between Gross Debt and Deductions.	$ 5,694,882
D.	Appraised Value of property subject to taxation before the application of any assessment ratio, being the value from which the assessed value was last fixed for taxation as revealed by the County tax records and certified by the County Tax Supervisor.	$1,630,241,806
E.	Percentage that Net Debt bears to the appraised value of property subject to taxation.	$ 0.35%

Larry A Fisher (Signature) October 1, 1985 (Date)

SWORN STATEMENT OF DEBT (continued)

For City of Asheville, North Carolina

SCHEDULE OF DEDUCTIONS

A.	Funding and refunding bonds authorized by orders introduced but not yet adopted.	$ -0-
B.	Funding and refunding bonds authorized but not issued.	$ -0-
C.	Amount held in sinking funds or otherwise for the payment of gross debt other than debt incurred for water, gas, electric light or power purposes or sanitary sewer purposes (to the extent deductible under Section 159-55 [b] of The Local Government Finance Act), or two or more of these purposes.	$ -0-
D.	Bonded debt included in gross debt and incurred or to be incurred for water, gas or electric light or power purposes, or any two or more of these purposes.	$ 7,040,000
E.	Bonded debt included in gross debt and incurred or to be incurred for sanitary sewer system purposes (to the extent deductible by subsection [b] of Section 159-55 of The Local Government Finance Act).	$ -0-
F.	Uncollected special assessments levied for local improvements for which gross debt (that is not otherwise deducted) was or is to be incurred, to the extent it will be applied, when collected, to the payment of such gross debt.	$ -0-
G.	Estimate of special assessments to be levied for local improvements for which any part of gross debt (that is not otherwise deducted) was or is to be incurred, to the extent that the special assessments when collected, will be applied to the payment of any part of gross debt.	$ -0-
	Total	$ 7,040,000

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held August 7, 1985, considered the petition of Attorney Philip Carson for Biltmore Dairy Farms, Inc. that Ward 7, Sheet 52, Lot 169, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located on Hendersonville Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 52, Lot 169, be rezoned from R-2 Residential District to CH Commercial Highway District. On October 1, 1985, at the request of Attorney Philip Carson and the petitioner, Biltmore Diary Farms, Inc., the public hearing was continued until October 8, 1985.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had recommended approval of the rezoning. He presented an Environmental Impact Statement from the North Carolina Department of Transportation stating that the Department has scheduled the widening of Hendersonville Road and would be making a right-of-way recommendation of 0' to 40' from the existing right-of-way for the widening. He said at the present time there is no specific design for the widening of the roadway; however, the project is scheduled for design in 1987 and acquisition in 1989.

Councilman Bissette expressed concern relative to right-of-way protection for the North Carolina Department of Transportation. He said since this property abuts Hendersonville Road, and the North Carolina Department of Transportation proposes to widen said road; he requested that Mr. Emrick seek input from the North Carolina Department of Transportation relative to this rezoning prior to the second reading of the ordinance.

Upon inquiry of Councilman Price, Mr. Emrick said there are no specific uses proposed for the property. He said the petitioners feel the property is unsuitable for residential purposes.

Attorney Phil Carson, representing Biltmore Dairy Farms, Inc., spoke in support of the rezoning stating that his client has no proposed use for the property at the present time. He said the proposed use would be contingent upon the rezoning.

After discussion, Mayor McDevitt closed the public hearing at 4:26 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Vice-Mayor Bratton moved for the adoption of Ordinance No. 1541. This motion was seconded by Councilman Bissette.

On a roll call vote of 6-0, Ordinance No. 1541 passed on first reading.

Tuesday - October 8, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, and Louis Bissette; Corporation Counsel William F. Slawter; City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: Councilman Walter R. Boland

INVOCATION

The invocation was given by Mayor Larry McDevitt.

APPROVAL OF THE MINUTES - OCTOBER 1, 1985 MEETING

1. Approval of the minutes of the October 1, 1985, meeting.

Mayor McDevitt announced the approval of the minutes as submitted.

PROCLAMATION - WEEK OF OCTOBER 6, 1985 - "FIRE PREVENTION WEEK"

2. Mayor McDevitt read a proclamation proclaiming the week of October 6, 1985, as "Fire Prevention Week".

Mayor McDevitt presented the proclamation to Chief Powell Ball of the Asheville Fire Department.

PROCLAMATION - OCTOBER 11 - 13, 1985 - "CROP WALK WEEKEND"

2a. Mayor McDevitt recognized Virginia Stevens, Coordinator of the Crop Walk Weekend.

Virginia Stevens said "Crop Walk Weekend" is held to help local hunger-fighting agencies receive local designated Crop Walk funds. She said 25% of the donations would go to Meals On Wheels and ABCCM, and 75% of the donations would go to the Hunger Abroad. She urged members of Council and the citizens of Asheville to walk or to sponsor a prisoner from Craggy Prison who will be walking on Saturday, October 12, 1985.

Mayor McDevitt proclaimed October 11 - 13, 1985, as "Hunger Fighting Weekend" (Crop Walk Weekend).

CONTINUATION OF PUBLIC HEARING - REZONING PROPERTY LOCATED ON HENDERSONVILLE ROAD - BILTMORE DAIRY FARMS, INC.

ORDINANCE NO. 1541 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED - PROPERTY LOCATED ON HENDERSONVILLE ROAD (ATTORNEY CARSON FOR BILTMORE DAIRY FARMS, INC.)

3. A public hearing relative to the rezoning of property located on Hendersonville Road - Biltmore Dairy Farms, Inc. was continued.

Upon inquiry of Kathryn Grooms, resident of Asheville and merchant on Wall Street, Mayor McDevitt answered questions relative to the entire site plan being approved by Council and the existing parking lots on Wall Street.

Gary Brady, businessman on Wall Street, spoke in opposition of the plan stating that projects like these push prices up.

Chuck Tessier, with Stietler-Tessier Associates, spoke in support of the plan stating that his firm is very pleased that everyone is working together for the redevelopment of downtown.

Mayor McDevitt closed the public hearing at 5:27 p.m.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Vice-Mayor Bratton moved for the adoption of Resolution No. 85-182 approving and adopting the redevelopment plan for the Haywood/Wall Street Redevelopment Project as described by Larry Holt. This motion was seconded by Councilman Frank, and carried unanimously.

It was noted that the financing plan on pages 25 and 26 of the redevelopment plan would be as follows:

PROJECT COSTS

Public Acquisition and Relocation	$ 500,000
Public Improvements	524,000
Construction: Restoration & Parking	29,438,000
Total Costs	$30,462,000

The method of financing would be:

Public Funds (City and County)	$ 3,462,000
Redevelopment Bond Issue	20,750,000
Private Funds	6,250,000
Total Funding	$30,462,000

It was noted that "as the redevelopment bonds will be issued to finance the acquisition, restoration, rehabilitation and upgrading of existing property in the project area by private developers, said developers will pay all costs associated with the issuance and placement of the redevelopment bonds, including, but not limited to, the professional fees of bond counsel."

Complete text of Resolution No. 85-182 will be found in Resolution Book No. 15 at pages 327 and 328.

PUBLIC HEARING - ADOPTION OF REDEVELOPMENT PLAN - HAYWOOD/WALL STREET REDEVELOPMENT PROJECT

RESOLUTION NO. 85-182 - RESOLUTION APPROVING AND ADOPTING THE REDEVELOPMENT PLAN FOR THE HAYWOOD/WALL STREET REDEVELOPMENT PROJECT

4. A public hearing was held relative to the adoption of a redevelopment plan for the Haywood/Wall Street Redevelopment Project.

Mayor McDevitt said the City has entered into an agreement with several developers for redevelopment projects in the Haywood Street and Wall Street area. There are other proposed redevelopment projects for this area as well. Some of the developers will be using redevelopment bonds as partial financing for their projects. In order to secure redevelopment bonds and to carry out redevelopment projects in the area, it is necessary to consider the adoption and approval of a redevelopment plan for the project area, all pursuant to the North Carolina Urban Redevelopment law as found in the N. C. General Statutes Sections 160A-500 et. seq. Public funds for the Haywood/ Wall Street Redevelopment Plan total $2,992,000 ($272,000 of which is included as "Project Contingency"). Funds will come from CDBG, General Revenue Sharing, proceeds of a "2/3 Bond Issue", Buncombe County funding and Loan Repayments from UDAG's. $2,200,000 will be used towards a proposed parking deck on Rankin Avenue between Walnut Street and College Street. The balance, excluding contingency funds, will be used for street, sidewalk and other public improvements.

Mayor McDevitt opened the public hearing at 4:28 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Larry Holt, Deputy Executive Director of the Asheville Housing Authority, gave an in-depth, detailed presentation of the Haywood/Wall Street Redevelopment Plan.

Note: A copy of the Redevelopment Plan for the Haywood/Wall Street Redevelopment Project is on file in the Office of the City Clerk.

Upon inquiry of Ralph Bishop, Mayor McDevitt explained the procedure for using redevelopment bonds in this project.

Barry Olen, merchant and property owner on Wall Street, spoke in support of the redevelopment plan for the Haywood/Wall Street Redevelopment Project. He said the Wall Street and Battery Park Merchants Association pledge their cooperation and support for the plan. He requested that City Council instruct the City staff to continue their efforts to alleviate any problems during the construction phase of the project. He said that problems he would foresee in the project would be parking during construction, renovation procedures, and construction during the daytime business hours.

Upon inquiry of Mr. Olen, Mayor McDevitt said no final decision had been made relative to the opening or closing of Wall Street. He said, upon inquiry of Mr. Olin, that the area would be a mixed use of residential and retail area.

On a roll call vote of 6-0, Ordinance No. 1537 passed on third and final reading.

Complete text of Ordinance No. 1537 will be found in Ordinance Book No. 10 at page 307.

ORDINANCE NO. 1538 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON OLD CHUNNS COVE ROAD (LARRY BUCKNER PETITIONER)

7. Consideration was given to the second reading of Ordinance No. 1538, an ordinance amending Ordinance No. 322 known as "an ordinance providing for the zoning of the City of Asheville" as amended - property located on Old Chunns Cove Road (Larry Buckner petitioner).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held August 7, 1985, considered the petition of Mr. Larry Buckner, Buckner Associates, that Ward 8, Sheet 25, Lot 26, be rezoned from R-1 Residential District to R-2 Residential District. The property is located on Old Chunns Cove Road. After review and discussion, the Commission voted to recommend to City Council that Ward 8, Sheet 25, Lot 26, be rezoned from R-1 Residential District to R-2 Residential District. This ordinance passed on first reading on October 1, 1985.

Mayor McDevitt said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1538 passed on second reading.

ORDINANCE NO. 1539 - AN ORDINANCE CREATING THE ASHEVILLE FAIR HOUSING COMMISSION

8. Consideration was given to the second reading of Ordinance No. 1539, an ordinance creating the Asheville Fair Housing Commission.

Mayor McDevitt said the City Council of the City of Asheville finds it in the public interest to promote fair housing practices in the City. The City Council desires to prevent discriminatory practices against any person in a real estate transaction. The U. S. Department of Housing and Urban Development has for many years encouraged and supported anti-discrimination initiatives through grant programs to the City designed to ensure equal opportunity for all citizens. The City Council of the City of Asheville does desire to create a Commission to be known as the Asheville Fair Housing Commission as authorized in Chapter 776, Sections 1, 2 and 3 of the General Statutes of North Carolina. This ordinance passed on first reading on October 1, 1985.

Councilman Frank moved to amend Ordinance No. 1539, Section 6, to read as follows: "The Chairman shall be appointed by City Council from among the members of the Commission and shall serve for a term of one (1) year. No member shall serve more than two (2) successive, one (1) year term as Chairman". This motion was seconded by Councilman Price, and carried unanimously.

ORDINANCE NO. 1542 - AN ORDINANCE AMENDING SECTION 19A-11 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (GRIEVANCE PROCEDURE)

5. Consideration was given to an ordinance amending Section 19A-11 of the Code of Ordinances of the City of Asheville (Grievance Procedure).

Mayor McDevitt said a recent Supreme Court decision, Cleveland Board of Education vs. Loudermill, requires the City to institute pre-termination hearing procedures for any employees being terminated from City employment by the City. These procedures will also be used for employees being demoted or suspended without pay for more than five (5) days. In addition, a number of minor procedural changes are being made in City's grievance process including: intermediate supervisors in the process; specifying hand delivery or delivery by certified mail of all notices; permitting employees to go to the Civil Service Board if the grievance process isn't completed in 30 days; and removing a section making reinstatement actions retroactive to date a grievance is filed.

Mayor McDevitt said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Upon inquiry of Councilman Price, Sam Graves, Director of Management Services, said the amendments to the grievance procedure would strengthen procedures used by supervisor for personnel actions. He said because of incorrect actions by supervisors, many have been overturned by the Civil Service Board and the court system. He said the proposed amendments have not been discussed with the employees; however, he felt the amendments would make the system more just and fair.

Upon inquiry of David Anders, with the Asheville Firefighters Association, Mr. Graves said reinstatement actions would be retroactive back to the date the actions occurred rather than the date grievance is filed on such actions.

Councilman Frank moved for the adoption of Ordinance No. 1542. This motion was seconded by Councilman Myers.

On a roll call vote of 6-0, Ordinance No. 1542 passed on first reading.

ORDINANCE NO. 1537 - AN ORDINANCE PROHIBITING SMOKING ON CITY PUBLIC TRANSPORTATION

6. Consideration was given to the third reading of Ordinance No. 1537, an ordinance prohibiting smoking on City public transportation.

Mayor McDevitt said this ordinance will prohibit smoking on Asheville Transit Authority buses for health and cleanliness reasons. This ordinance passed on first reading on September 24, 1985, and on second reading on October 1, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so.

APPROVAL OF THE CONSENT AGENDA

11. Consideration was given to a motion approving the consent agenda.

Mayor McDevitt said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 85-184

A. Resolution authorizing the City Manager to enter into a lease agreement with the Buncombe County Child Development Program to be conducted at the William C. Reid Memorial Recreation Center.

HIGHLIGHTS: The City owns property known as William C. Reid Memorial Recreation Center. The Buncombe County Child Development Program is currently using the annex building to this property as well as the kitchen and cafeteria in the main Reid Recreation Center. This resolution will authorize the City Manager to enter into a lease agreement with Buncombe County for a five (5) year period with an option to renew the lease for an additional five (5) years.

FISCAL IMPACT: Revenues - $1,200.00 annually.

Resolution Book No. 15 at page 330.

B. Motion to schedule a public hearing for rezoning property located at Georgia Avenue and Craven Street for October 29, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held September 11, 1985, considered the petition of Mr. Lawrence Lynch that Ward 6, Sheet 1, Lot 91, be rezoned from R-3 Residential District to CS Commercial Service District. The property is located at Georgia Avenue and Craven Street. After review and discussion, the Commission voted to recommend to City Council that a portion of Lot 91, Sheet 1, Ward 6, be rezoned from R-3 Residential District to CS Commercial Service District.

FISCAL IMPACT: None

C. Motion to schedule a public hearing relative to a site plan for Pack Plaza Project for October 29, 1985.

HIGHLIGHTS: On November 27, 1984 City Council reviewed and approved the site plan of the South Pack Plaza Project in concept. As all of the project is now owned by Pack Plaza Associate

Ralph Bishop spoke in opposition to the ordinance stating that this was an invasion of the Privacy Act.

On a roll call vote of 6-0, Ordinance No. 1539 passed on second reading as amended.

RESOLUTION NO. 85-183 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AGREEMENTS WITH DESIGNATED AGENCIES TO CARRY OUT THE OPERATION OF THE CITY'S COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM DURING 1985-86

9. Consideration was given to a resolution authorizing the Mayor to execute agreements with designated agencies to carry out the operation of the City's Community Development Block Grant Program during 1985-86.

Mayor McDevitt said this resolution will authorize the Mayor to execute contracts with City Departments, Housing Authority, Chamber of Commerce, and Community Relations Council to carry out the 1985-86 CDBG program as approved by City Council on May 14, 1985 and outlined in the Statement of Objectives and Project Use of Funds. $1,382,000.00 funds are already budgeted in CDBG Fund.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-183 was unanimously adopted.

Complete text of Resolution No. 85-183 will be found in Resolution Book No. 15 at page 329.

BIDS - ALUMINUM STRUCTURE PLATE - PIPE ARCH - PUBLIC WORKS DEPARTMENT

10. Consideration was given to a motion relative to bids received for aluminum structure plate - pipe arch.

Mayor McDevitt said sealed bids were invited to furnish one (1) lot of aluminum structure plate, .125" thick to fabricate 10' 9" span x 6' 10" rise pipe arches into two (2) 60' runs and two (2) 30' runs for the Public Works Department, Street Division. Request for bids included a statement that all materials and labor necessary to fabricate the pipe arches at the job site be furnished by the vendor. Nine (9) invitations were mailed to prospective bidders; however, only one bid was received. This bid was from Silverman Company in Asheville in the amount of $22,572.00. There are sufficient funds in the Street Division Budget to cover this cost.

The Acting City Manager noted that the materials would be used to increase the size of the culvert at Riverside Drive and Lyman Street.

Councilman Bissette moved to award the bid to Silverman Company in the amount of $22,572.00. This motion was seconded by Councilman Frank and carried unanimously.

Mr. Tom Marinkovich, President of Daniels and Associates, Inc., read the following presentation to the City Council:

ASHEVILLE CABLEVISION

Presentation to the City Council
By
Tom Marinkovich, President
Daniels & Associates Inc.

My name is Tom Marinkovich. I'm president and chief operating officer for Daniels & Associates of Denver, Colorado, which has been the managing partner of Asheville Cablevision since March, 1983. I'll be speaking to you this evening on behalf of Asheville Cablevision and its over 2500 partner/owners.

First, I want to thank the City Council for giving us this opportunity to respond to those items outlined by the commission.

We'll try to be brief today. But we do hope to convince you we are fully committed to outstanding service when it comes to those items you have called to our attention, including service interruptions, signal quality, service response capabilities and communications with the community.

Today, we'll outline, for each of those issues, what causes the problems, what steps we've taken to address them and our specific plans for the future to ensure that we provide first class cable television service to the citizens of Asheville.

We would also like to use this opportunity to recommend ways we might be able to communicate more closely with the Asheville City Government.

You know when we acquired the system in March of 1983, it had 16,000 subscribers. We've built that up to 19,500 customers. It had 30 employees. We now have 45. We promised $6 million in capital improvements over six years. We will have spent $3

Limited Partnership or the Asheville Housing Authority, it is in order for the City Council to schedule a public hearing and give final approval to the site plan.

FISCAL IMPACT: Total Project Cost: $18,200,000

Developer Debt/Equity	$13,000,000
UDAG Grant	3,200,000
Local Contributions	2,000,000

Anticipated Tax Increase:

Property	$56,970
Sales	23,400
Personal	21,000
Total	$ 101,370/yr.

Upon motion of Councilman Bissette, seconded by Councilman Price, the consent agenda was unanimously approved.

RESOLUTION NO. 85-185 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO MAKE APPLICATION FOR A COMPUTER ENRICHMENT PROGRAM

12. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to make application for a computer enrichment program.

Mayor McDevitt said $2,407.00 in state funds is available to provide enrichment programs in three neighborhoods with local match in the amount of $2,229.00 to be provided by City through in-kind staff services and departmental supplies in place at the Reid Memorial, Montford, and Stephesn Lee Center service areas. He said this program would be aimed at deterring juvenile delinquency using computers as recreation. This resolution will authorize the Mayor to apply for said grant.

Mayor McDevitt read the resolution.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-185 was unanimously adopted.

Complete text of Resolution No. 85-185 will be found in Resolution Book No. 15 at page 331.

CLAIMS - MICHAEL GUZMAN (STREETS) - SIMON DEMOS (SANITATION)

13. The Acting City Manager presented claims received from Michael Guzman and Simon Demos.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

DISCUSSION OF CITY COUNCIL CABLE TELEVISION COMMISSION REPORT

13. John Jerose, General Manager of Asheville Cablevision, introduced Mr. Tom Marinkovich, President of Daniels and Associates of Denver, Colorado, managing partner of Asheville Cablevision.

rebuild those areas of the plant that needed replacement.

We'll be spending additional sums for that purpose in coming months. It's obvious to me that our company needs to improve the way in which it communicates to the Council and the people of Asheville the extent of our commitment to providing cable service that is second to none. I pledge to you we will do a much better job of doing that in the future.

As one of the largest multiple cable systems operators in the nation, we have a formal Mission Statement for our business. To help you appreciate the extent of our commitment, I'd like to share it with you. It reads:

> The mission of all Daniels Cablevision systems is to provide a quality, well maintained communications/entertainment/information service through trained, highly mot vated employees, while developing an optimum return to investors and maintaining a position of integrity and responsibility within the community.

We recognize that communications means receiving input, whether its from you, our customers, or the public. We recently commissioned an opinion survey and focus group research of our customers here in Asheville, which can be projected to our 19,000 customers with high reliability.

It was illuminating in that it provided evidence that we have made substantial strides in improving our customer service in recent months, and yet there's still room for improvement.

With that background let me respond to each of the items the commission has brought to our attention.

The first is service interruptions or outage problems.

There are two categories of service outages -- uncontrollable or controllable. Uncontrollable events are obvious, such as

million in three years.

We'll do whatever's necessary -- within the bounds of good business judgement and our First Amendment rights as an electronic publisher -- to demonstrate to you, to our customers and to the general public that we are a good business that's responsive to our customers, actively involved in the community and an economic asset to Asheville.

We don't want to just perform minimally. Our company is noted throughout the cable television industry as one of the finest operators in the business. We pride ourselves on being the best. We're dedicated to buying the best equipment, hiring the best people, acquiring the best programming, maintaining the best maintenance schedule, conducting the best training, employing the best billing systems and giving our best to the community.

Our company's founder, Bill Daniels, has little patience for second-best. We know that it makes nothing but good business sense to utilize the finest business practices possible. After all, we are in business to make a profit. That means attracting and maintaining subscribers, being responsive to customers and being involved in the community as a civic-minded corporate citizen.

In the case of Asheville Cablevision, we've been here only two and a half years, but we've invested millions of dollars in rebuilding, upgrading and enhancing the existing cable plant and equipment. It's important to remember that Asheville has had cable television since 1968, and it's only natural that some of the plant needs replacement. We set out immediately after acquiring the system with a persistant pattern and plan to

using the best-available technology and plant maintenance methods to minimize interruptions.

With respect to controllable circumstances, we have made excellent progress. And we are not finished.

We recognize that overall plant reliability is the key to reducing our exposure to outages. Today, we use better construction techniques and materials than were available when the system was constructed in the late 1960's and early 1970's.

Building reliability into the system is the direct responsibility of our Technical Department, Trent Morrison has been promoted to Field Engineer and Dean McCracken and Dave Drum are each taking half of the system to provide for system sweeping, balancing and trunk and feeder performance.

Let me give you a couple of quick examples of our progress in reducing controllable outages.

We have found that customer installed converters or channel selectors, have presented the greatest problem. We allowed customers to install their own converters in order to save the customer money, but many were not installed correctly. So we have improved the Customer Education efforts of our Sales Staff to help ensure that our customers install and operate the converter boxes correctly.

Also, a follow up is made on every single installation and service call with a telephone call by our Customer Service Representatives to make sure the work has been performed properly and timely.

Our Technical Staff is now responding within 24 hours or less if a customer-installed converter doesn't operate properly.

lightning or storm damage to our facilities, utility poles being knocked down by vehicles, severe weather conditions or loss of electrical power to our equipment. The controllable circumstances involve either equipment failure that could have been anticipated or human error.

Because of the nature of Cable technology, our system can experience a single interruption or outages to entire areas affecting hundreds of customers simultaneously, either from uncontrollable or controllable circumstances.

First let me review the actions we have taken to try to reduce interruptions from uncontrollable circumstances. To reduce lightning damage and damage from power transients and surges, we instituted a program over twelve months ago to improve the grounding for poles and line equipment. We have gone to a non comingling grounding system which far exceeds code requirements. It is expensive but we think it is worth it to achieve increased reliability.

Secondly, we continue to install back-up power supplies throughout the system, to provide continuous service during short term power interruptions.

Another uncontrollable circumstance is physical damage to the coaxial cable itself. We have been and will continue to replace old bare aluminum sheath cables with coaxial cable that's been coated with a polyvynal jacket to prevent internal damage, and interrupted service to our customers.

We certainly will continue to experience outages from lightning, storms, downed telephone poles or extreme cold or hot weather. Every cable system in the country does. But we are

From the beginning we planned to replace major portions of the system over the first five or six years. We have been replacing old cable regularly including a major new trunk line in South Asheville. Our work to date has made noted improvement in reliability since the acquisition.

I would summarize the service interruption issue by saying that we have made good progress and we will attack any problem that comes up with vigor and will continue to take steps to increase the reliability of the system.

In the area of signal quality let me briefly explain what can cause problems.

Usually, its associated with extreme temperature changes causing equipment failure. An example, is when there's severe hot weather, electronic components in our equipment degrade, adversely affecting the quality of the television picture.

For the past 18 months, our Technical Department has stepped up its monitoring of the system to look for signs of equipment failure and to make corrections, many times before it adversely affects the picture quality.

We have been installing and will continue to install improved electronic equipment designed to compensate for temperature fluctuations.

To the extent there is a picture quality problem, our service department is responding to our customers need within 24 hours.

Today the signal quality throughout the system is generally good. Where we find poor reception we will fix it. Interestingly, in the survey we just had conducted, 81% of our customers

Another example. We have had difficulties with converters scrambling and turning on and off, we have found that the line from the pole to the home and the associated connections were the main source of these problems.

We have and will continue to respond to these problems as a priority.

One final example. To ensure plant reliability we have made significant capital improvements to the system. To date, we've spent more than $3.0 million on this system. You can see that this is not a business for the faint of heart.

Incidently, during the hearings you held, 41 people spoke to the issue of service interruptions. We have been able to reach 31 of these people and received assurances that their technical problems have been resolved. If anyone currently has a problem we would certainly like to hear about it and we will fix it.

Our plans for the future are well-defined, our staff is geared to perform. I'm very confident we will continue to make significant progress in the area of service interruptions as part of our formal 1986 Business Plan.

Briefly, here are some illustrations.

We plan to spend close to another $1,000,000 in 1986 for new cable and equipment. This will include replacing old cable plant together with adding more stand-by power supplies throughout the system, which will continue to improve reliability.

We acquired this system two and one half years ago. Some of the system was new, but some of it was old and getting older by the day.

reported problem.

Management personnel are also on duty weekends, to help any customers with unusual problems.

Our 10 technicians are receiving ongoing training in engineering programs and ways to better communicate with our customers.

We have also taken steps within our business office to improve service response.

We have promoted Dot Cordell to Customer Service Supervisor She has the responsibility to work with customers to resolve any dissatisfaction with our service.

She will also coordinate with our Construction Manager present and future projects and completion date information, so that it can be passed on to customers in response to their inquiries.

All of our Customer Service Representatives have completed training programs to increase their knowledge of billing problems and programming, and to refine their interpersonal skills so they can quickly and effectively respond to our customer over the telephone.

I am pleased at the improvement shown by our employees with both the consideration and patience shown to our customers, and, most importantly, their professionalism in handling customer needs. We will not tolerate discourtesy by any employee towards a customer, no matter what the problem and no matter who is right.

Prior to the channel changes on March 1, 1985 there were less than 75 complaint letters in the City's file since the system opened in 1968.

expressed their satisfaction with the picture and sound quality of cable television.

Nonetheless, our Business Plan has established picture quality as another area of high priority for the Technical Department. And, this means quality reception, whether that's the visual picture or the sound on the television set.

Next is the issue of service response capabilities.

This is one area that has required a great deal of attention and we're making headway.

We have taken steps during the past two years to manage, organize, train and motivate our employees. Additionally, we've devoted considerable financial resources to acquire a much better telephone system, better billing systems and internal communications systems to improve service to our customers. In the last six months we have stepped up our commitment in all of these areas. We are listening and we are hearing what has been said and we will continue to monitor our performance in the future.

We've added two service technicians above normal staffing levels of other cable systems. We now answer customer calls Monday through Friday 9AM - 9PM, Saturdays 9AM - 2PM, with additional personnel being trained for Sunday. This has significantly reduced our use of an answering service which cannot communicate affectively to our customers in the manner of our trained personnel.

We are now fixing cable problems seven days a week with a goal to provide service to a customer in less than 24 hours of a

with government and the public.

Our company has learned a great deal from this experience and we will not make the same mistakes again. We are not happy if we get even one complaint so we plan to do more. Our plan for the next year is again specific.

Additional installation training during 1986 will upgrade the skills of all installers to include meter reading, trouble shooting, splicing, pole grounding, pole transfers, and customer service. Special emphasis will be placed on customer information and education during installations and a program for incentives to motivate 100% performance.

Installers completing this course work will be tested before consideration is given to their promotion.

All technical personnel will also attend customer service training.

And, additional improvements will be made within our business office to make it easier and faster to deal with us by telephone, in person or by correspondence. We will be making further enhancements to our telephone system, sending our Customer Service Representatives through advanced training, refining our billing procedures and computerized information data base and using incentive, motivational, and team-building management.

In the area of communications with the community, we have recently made excellent progress. Admittedly, we had a long way to go and we still have much room for improvement.

The first step to rectify the communications gap was to announce our seven-point Customer Care Plan in August. The second step was to communicate directly with our customers

This is not to say that those were the only problems that we had, but it does demonstrate that we handled customer problems quite well.

To place the issue of customer service in proper perspective, we must look at the period from March 1, through May 31st.

We had no idea that the customer response to upgrade their service would be as great as it was. During the notification period in January and Febuary it did not appear that many customers would upgrade their service. However when we activated the channel changes and premium service price reductions, on March 1, the onslaught began and frankly we were not adequately prepared to deal with over 5000 customers who would upgrade their service in the next 90 days.

I do not offer this as an excuse but an explanation. Yes, customers were angry over the channel changes, frustrated because they could not get through on the telephone to order the new service, and in some cases they came in to pick up their converter and returned nome only to find that it wouldn't work.

Let me say at this point that I do apologize to the members of the Council, the City staff and our customers for the actions caused by any inadequacies in communication on our part.

I have analyzed the period since June 1st and find that service calls have decreased to levels existing prior to the change. We have turned this problem into an opportunity to address the care of our customer and to improve communications

we've made that are newsworthy to the community.

Most of all, we want to do a better job of communicating with you.

We'd be happy to do whatever is necessary to build a cooperative bond with you, including meeting on a regular basis to give you a better understanding of our problems, progress and commitment to excellence. We also want your input and insight.

In summary, just let me say we are completely committed to providing outstanding cable television service here in Asheville. It's in our best interests to do that. We respect your interest in seeing that we do a good job and calling us to task if we slip up. Let me assure you our objectives are the same as yours.

The commissions report has also raised a number of legal issues. I have asked one of our attorneys, Wade Hargrove, to be here this evening and to address all of those issues. Thank you for your patience in listening.

Wade Hargrove, Attorney for Asheville Cablevision, read the statement which follows on the next page.

through our own channel 9 "call-in programs." These programs, an hour long, coupled with brochures mailed to all subscribers, have been successful in communicating to our customers how we are dealing with their concerns, telling them that we cared about them and asking them to assist us.

We hold regular Employee Meetings to stress good communications with our customers and the general public.

We have been using cable television, radio, and the newspaper as vehicles to focus public attention on the positive things we are doing to provide excellent cable television. Our efforts are working.

Not only are we communicating to our customers, but we are actively seeking their opinions and perspectives about our company and our services. Again, we are listening and responding to what they are telling us.

We will continue our television, radio and newspaper communications to the public. We will sponsor two major community events in 1986 to enhance our community participation. Our employees will be encouraged to take part in other community activities .

We will continue to cablecast customer "call-in programs" to maintain an open, public dialogue with them. We will train key Cablevision personnel in speechmaking techniques and arrange for them to visit several civic organizations to open lines of communications.

Our plan also calls for an assertive program of working with journalists and broadcasters to publicize the improvements

The federal government, through the FCC, started regulating cable TV in 1966. A few of the states have chosen to regulate it. North Carolina hasn't. And virtually every city jumped into the rate regulation business early on because the local cable company looked to a lot of folks a little like the telephone company.

But you should make no mistake about it. A cable television company is not to be confused with a telephone company, an electric company, or a water company. A cable TV company is a system of mass communications--just like the local newspaper--and the right to own and operate a cable television system is a right guaranteed and protected by the First Amendment to the United States Constitution. There have been a series of federal court cases in recent months which have consistently so held.

I'll go into more detail about that later, but it's important to note at the outset that the legal issues raised by the Cable Study Commission in its report must be viewed within that constitutional framework.

Although I respectfully disagree with the legal conclusions in the Cable Study Commission's report, the report reflects an enormous amount of conscientious work and raises some very important issues. As you can see, the cable company is not taking the report lightly and is

STATEMENT
OF
WADE H. HARGROVE
BEFORE THE ASHEVILLE CITY COUNCIL

October 8, 1985

Thank you.

My name is Wade Hargrove, and I'm a member of the Raleigh law firm of Tharrington, Smith and Hargrove. I appreciate the opportunity to discuss with you the legal issues raised in the Cable Study Commission's report.

I've devoted the better part of the last twenty years representing cable television systems, radio and television stations, newspapers and telephone companies.

I've always been amazed at the strong emotional feelings people seem to have about television. You, as members of the Council, have seen that here in Asheville. I guess it's understandable because everybody who watches television considers himself, and perhaps rightly so, to be an expert on the subject. For that reason, however, cable companies--like public officials--find it impossible to please all of their constituents all of the time. Television shouldn't be so important, but it is. Because of all that, it's not surprising that government, at every level, got itself involved in the business of regulating cable TV from day one.

clearly legal; and there is no basis for revocation of the franchise.

Let me go through those issues one at a time.

I.

The Term Of The Franchise

The franchise expressly states that it is for a term that does not end until the year 2002. The franchise was granted by the City Council in 1967 under the authority existing then and now in the City Charter. Indeed, a previous attempt by the City in October, 1965, to grant a cable television franchise was invalidated by the North Carolina Supreme Court in January, 1967, because the City had failed to follow the procedures for issuing the franchise required by the Charter. The case was Shaw v. Asheville, 269 N.C. 90 (1967), and I'm sure you're familiar with it. The Supreme Court in that case recognized that the City of Asheville was empowered by its 1923 Charter to grant cable television franchises and the City--unlike most cities--did not have to depend on general state law to issue a cable franchise. The Supreme Court at p. 99 said that the City had authority to issue a cable franchise

> "Within the implied authority conferred upon Asheville by § 212 and 213 of the City Code, i.e., the City Charter. . . ."

committed to responding to it as completely and honestly as it knows how.

The report appears to raise the following legal issues:

(1) Whether the term of the franchise is 35 years or 20 years;

(2) Whether the city can legally issue an "exclusive" franchise and, if not, whether to the extent the existing franchise purports to be exclusive, it invalidates the franchise in its entirety;

(3) Whether the company violated the franchise by retiering its programming last spring;

(4) Whether the reported reception and service problems constitute a breach of the franchise; and

(5) In light of all of that, whether the city could or should revoke the franchise.

My thoughts, briefly stated, are as follows: Asheville Cablevision has a valid franchise; it is valid until the year 2002; it is not and cannot be exclusive and the presence of the language in it purporting to make it exclusive does not invalidate the other provisions of the franchise; the retiering of services last March was

intent to do so.[1/] As noted earlier, the legislature did not state that the 1967 act relating to the length of cable franchises was meant to supercede or repeal the 1923 act authorizing Asheville to issue a 35-year franchise. To quote just on of the most recent pronouncements of the North Carolina Supreme Court on this issue:

> "It is well established in North Carolina that a legislative act of local application is repealed only when a subsequent act of general application clearly expresses such an intent."
>
> City of Durham v. Manson, 285 N.C. 741, At 744 (1974).

1/ "General statutes ordinarily do not repeal the provisions of charters granted to municipal corporations or special statutes enacted for their benefit, even though conflicting with the general statutes, unless such repeal is in express language or by necessary implication." McQuillen, Municipal Corporations, § 9.31 (3rd ed.)

"The enactment of a general law broad enough in its scope and application to cover the field of operation of a special or local statute will generally not repeal a statute which limits its operation to a particular phase of the subject covered by the general law, or to a particular locality within the jurisdictional scope of the general statute. An implied repeal of prior statutes will be restricted to statutes of the same general nature, since the legislature is presumed to have known of the existence of prior special or particular legislation, and to have comtemplated only a general treatment of the subject matter by the general enactment. Where the later general statute does not present an irreconcilable conflict the prior special statute will be construed as remaining in effect as a qualification or exception to the general law." Suthgrland, Statutory Construction, § 23.15 (4th ed.)

The City Charter, with the 35-year franchise term provision, was enacted by the General Assembly as Chapter 16 of the Private Laws of 1923. The original grant of the franchise took place when the current company's predecessor, Thoms Broadcasting, accepted the franchise on August 17, 1967. Consistent with the requirements of the City Charter, a referendum on the franchise was held a few days earlier, on July 28, 1967, in which the people of Asheville voted to approve the grant for a term of 35 years.

The Cable Study Commission's report questions whether these actions in July and August, 1967, were invalidated by what took place in the state legislature earlier that summer. Chapter 1122 of the 1967 Session Laws, which became effective on July 4, 1967, amended Section 160-2 of the General Statutes (now G.S. 160A-319) to authorize cities to issue cable television franchises and to limit those franchises to 20-year terms. The 1967 legislative act, however, did not express an intent to supersede or override the 1923 act of the General Assembly adopting the Asheville City Charter.

The law of this state--and in other states as well--is quite clear that legislation which is designed for all cities does not repeal existing legislation for a specific city unless the General Assembly specifically expresses an

history to show an intent to supercede the earlier legislative act authorizing Asheville to issue a 35-year franchise.

Combined with the general rule of statutory construction that repeal by implication is not favored, it is quite clear that the section of the City of Asheville Charter providing for a 35-year term for franchises was not repealed in 1967.

In addition to that, however, the City of Asheville itself has since acknowledged that it had authority to issue the cable franchise for a 35-year term. As you know, in March, 1983, when the City approved the transfer of the franchise to the present company, the City Council reaffirmed in Section 4 of the Ordinance transferring the franchise, that the franchise was good until "August 2002."

Both the City and Asheville Cablevision have long relied on the franchise as a 35-year term. The current owner of the cable system and its predecessors have invested money, bought equipment and committed millions of dollars that they plainly would not have committed if the franchise were to expire in 1987. That is, of course, the purpose of a franchise in the first place. It enables a company to make long-term plans, to accept early losses in anticipation of later gains. It permits a business to

This, of course, is an eminently sensible rule of law when you consider the history of how local governments in North Carolina (and most states for that matter) got their power. Until the 1969 session of the legislature, most of the power of city government came from local acts of the legislature--like Asheville's Charter. The majority of laws that were enacted by the General Assembly each year until 1969 were acts granting specific powers to specific cities and counties. In 1969, however, the legislature enacted the first significant "home rule" legislation for cities. For the first time, all cities in the state were given wide-ranging powers so that individual local governments would not have to keep coming back to the legislature for changes in their charters. This legislation is now codified in Chapter 160A of the General Statutes.

In recognition of this history of a piecemeal, local-act-by-local-act way of granting powers to cities, the courts developed the statutory rule of construction to which I referred earlier. That is, a subsequent general law written for <u>all</u> cities must not be construed to override an earlier law written specifically for a particular city unless the General Assembly has made clear that is what it intended to do.

And as I mentioned, there is nothing in the 1967 act on cable television franchises or in its legislative

necessary to its grant of such permission did not exist."

City of Summerville v. Georgia Power Company, 205 GA 843, 55 S.E.2d 540 (1949).

Thus, with all due respect to the Council, after so many years of reliance and having received the benefits of the franchise, I believe the City would be estopped by any court from contesting the validity of the 35-year term.

Moreover, there is no basis under state law for concluding that the franchise expires until 2002. If you should decide otherwise, Asheville Cablevision would be entitled to the full protection of the renewal provisions of the 1984 federal cable act, [2/] including judicial review of the City's failure to renew the franchise. That law sets precise and narrow grounds for termination of franchises, and there is clearly not a sufficient basis here for revoking the franchise under the federal act.

II.

Exclusivity Provisions Of The Franchise

I agree with the Study Commission's concern over the provision relating to the exclusivity of the franchise. I do not believe that the exclusivity provision would be

---

2/ The "Cable Communications Policy Act of 1984." S. 66, 98th Cong. 2nd Sess. (1984).

continue to invest in improving its operation, knowing that it has a number of years over which to amortize its investment.

Likewise, the City itself has relied on the franchise by accepting thousands of dollars in franchise taxes, having a channel dedicated for use by the Board of Education and by having free drop lines for schools, fire stations, police stations and city hall. (See Sections 8 and 9 of Ordinance.) There is a general rule of law that if the parties to a contract act as if a contract has existed for a long period of time and have spent money on that assumption, there comes a point when the law says it is too late to claim that there was some deficiency in the procedure for making the contract. For example, when the City of Summerville, Georgia, after 20 years, attempted to argue that an electric power franchise it had earlier issued was improperly granted and, was therefore invalid, that state's Supreme Court held the city raised the argument too late. The Court said:

> "On the faith that permission had been legally given, great expenditures were made in the construction and maintenance of the distribution system; and now the city, after acquiescing in that use and after receiving the benefits therefrom, under the principles of equitable estoppel will not be heard to say that the conditions

That section of the franchise is, of course, consistent with general rules of law for construing contracts and statutes. As stated in McQuillen's treatise on municipal law:

> "The fact that a franchise is exclusive, even where the exclusive feature is wholly unauthorized, does not render it invalid in toto but merely insofar as it is exclusive, provided the grant is severable."
>
> McQuillen, Municipal *Corporations*, § 34.27.

The Asheville franchise is severable by its own express terms so any invalidation of the exclusivity provision would plainly not invalidate the franchise itself.

III.

Retiering Of Program Services

The Study Commission further questions whether the company's retiering of programs earlier this year was legal. There is no question but that the retiering was legal under the express provisions of Section 625(d) of the federal cable act of 1984 and under the protection afforded to cable systems by the First Amendment to the United States Constitution. Neither federal, state nor local governments can dictate specific programs to be carried on cable systems--any more than they can dictate

sustained under either the North Carolina State Constitution's prohibition against monopolies and special emoluments or under the First Amendment to the United States Constitution. The North Carolina Supreme Court has stricken "exclusive" franchises issued for the operation of racetracks and water work systems. More importantly, a Ninth Circuit Federal Court of Appeals decision earlier this year held that the City of Los Angeles could not, under the First Amendment, issue an exclusive cable franchise unless the city could prove that the city's rights of way could not accommodate more than one cable system. Preferred Communications, Inc. v. City of Los Angeles, Slip Opinion, Case No. 84-5541 (9th Cir. Mar. 1, 1985).

The fact of the matter is, however, that Cablevision of Asheville does not request that it be issued an exclusive franchise. The fact that the exclusivity clause might be invalid does not affect any other terms of the franchise. The franchise itself expressly states that all its sections are severable. Section 34 of the 1967 franchise Ordinance states:

> "If any section, subsection, sentence, clause, phrase or portion of this ordinance is held invalid or unconstitutional such portion will be deemed a separate, distinct and independent provision and such holding shall not effect the validity of the remaining portions thereof."

difficulties. After all, it's extremely difficult to operate a system at the same time you are rebuilding it.

Under Section 32 of the franchise, the Council would have no grounds for revoking the franchise unless it could establish

(1) that the violations were not attributable to "causes beyond the reasonable control" of the company, and

(2) as to violations that were "beyond the reasonable control of the company," that the Council gave 30 days written notice of the specific violations alleged to have occurred, and

(3) that the company did not "commence," and "within a reasonable time complete the correction" of the alleged violation.

In addition, Section 626(d) of the federal cable act requires a similar notice. Of course, even if the franchise and the cable act did not, by their own terms, require such notice, fundamental requirements of due process and fair play would. With all due respect, the generalized concerns raised in the Cable Study Commission's Report concerning service difficulties do not rise to the level of specificity and particularity that are required for an adequate "notice"of violation. If you

specific articles to be published in the local newspaper or programs carried on the local TV station or movies run in local movie theatres. If there should be any serious question about that, a telephone call to the FCC would quickly confirm this to be an accurate statement of the law.

IV.

Reception And Customer Service Concerns

Finally, the Study Commission raises the question whether Cablevision of Asheville is in breach of the franchise as a result of reported reception and service difficulties. I believe it's apparent from the statement you just heard from the cable company's President that the company is committed to responding in a positive, immediate and effective way to the concerns that have been raised in this regard. Whatever difficulties and misunderstandings that might have existed in the past are being addressed by the company. The technology of the cable business is complicated. It's not simple, in the least, and it poses an enormous challenge to any company. Given the company's efforts since it acquired the system to upgrade the system's equipment, it is not surprising that there would be reports by subscribers of technical

Finally, and most importantly, a revocation would violate the First Amendment rights of the cable company and of its subscribers. As I mentioned earlier, the courts, in case after case, have struck down on First Amendment grounds interference by both federal and local governments with the First Amendment rights of cable television systems. Back in 1977, for example, when the federal government imposed a series of burdensome regulations on the cable industry, a federal court immediately invalidated them and commented:

> "There is nothing. . . to suggest a constitutional distinction between cable television and newspapers. . ."
>
> Home Box Office, Inc. v. FCC, 567 F.2d 9 (D.C. Cir. 1977) at 46.

In another case involving a cable television system in Colorado, a federal judge put the local cable TV company on the same legal footing as the local newspaper. He said he could not:

> "Distinguish the dissemination of news and information by cable TV from that by newspapers. Surely, an attempt by a city to use control of its streets and ways as a bludgeon to deny delivery of a newspaper. . . would be rapidly struck down on First Amendment grounds. The more so when it became clear that the denial was but a first step in a plan to insure the presence

will provide the cable company with a list of the specific matters relating to service which you feel to constitute violations of the franchise, I am confident that the company will do everything within its power to correct these problems as quickly as possible.

With all due respect, it is fair to say that if you proceed to try to revoke the company's franchise and its right to do business in this community, the company will respond just as you or anyone else would under the circumstances--it will use every appropriate resource at its disposal to protect its constitutional rights.

Aside from general application of state law to the specific terms of the franchise, any attempt at revocation would--as I mentioned earlier--be subject to the provisions of Section 626 of the federal cable act of 1984. The principal purpose of that act was to provide cable companies with a reasonable expectancy for continuation of their franchises. I believe, again with all due respect to the Cable Study Commission, that no evidence has been presented that would be sufficient to sustain a revocation under federal law.

Moreover, any attempt to arbitrarily revoke the company's right to operate a cable system would constitute a restraint of trade under the Sherman Act and under North Carolina's state antitrust laws.

regulate cable programing. But the courts have rejected that.

A federal Court of Appeals in a case involving a cable company in Los Angeles earlier this year held that the presence of cable on a city's right-of-way did not burden the city's property any more that did the placement of newspaper vending machines on city owned streets. The Court went on to hold that the City of Los Angeles could not deny a cable franchise to a company that wanted to operate in that city. Preferred Communications, Inc. v. City of Los Angeles, supra.

The courts have also rejected the argument that cable TV is a "natural monopoly" and therefore must be regulated. The Court in the Preferred case noted that the Supreme Court long ago ruled that the fact there is only one newspaper in most cities did not justify any licensing or regulation of newspapers.

As you know, there are the same number of local newspapers in Asheville as there are cable companies. Obviously, the Council would not think of shutting down the local newspaper because it raised its prices or because it dropped or added a columnist or published or failed to publish a news story or comic strip to which the City Council objected.

> of only one newspaper, approved by the city. . . ."
>
> Community Communications Company, Inc. v. City of Boulder, 630 F.2d 704, 714 (10th Cir. 1980), rev'd on other grounds, 455 U.S. 40 (1982).

In the most recent cable TV case involving the first amendment, a decision was handed down on July 19, 1985, by a federal Court of Appeals in Washington, D.C. The court there put it as follows:

> "It is now clearly established. . . that cable operators engage in conduct protected by the First Amendment."
>
> Quincy Cable TV, Inc. v. FCC, 768 F.2d 1434 (D.C. Cir. 1985)

That same Court rejected and overturned an attempt by Homestead Air Force Base in Florida to take away the franchise of a cable company operating on the base. The Court held that the cable company had stated a valid "First Amendment claim" against the Air Force base as a result of the effort to shut down the company's operations. Tele-Communications of Key West, Inc. v. United States, Slip Opinion, Case No. 84-5008 (D.C. Cir. April 2, 1985).

The history of municipal regulation of cable TV is a fascinating study in government regulation. Cities have come up with all kinds of theories over the years to justify regulation of cable. Some have argued that since cable is strung along public rights of way, cities can

ADJOURNMENT

Upon motion of Vice-Mayor Bratton, seconded by Councilman Myers, the meeting adjourned at 7:30 p.m.

MAYOR

CITY CLERK

I hope--and I know that hope is shared by Cablevision of Asheville--that the Council will work in partnership with the company to respond positively --not negatively--to the concerns which the Cable Study Commission has addressed. The President of the Company has assured you that he and his company will do everything they can do to provide the people of Asheville with a cable television service that is second to none. I urge you to accept that offer and to move forward together to achieve the common objectives which you both share for the good people of Asheville.

Thank you.

Upon inquiry of Councilman Bissette, Mr. Marinkovich said the programming changes in March, 1985, was a business decision to repackage service into a purely reception and information package and an entertainment package, and by doing so, would allow, and did allow, the reduction of the price of the premium services, such as HBO/Cinemax/and the Disney Channel to be in line of their values. He said the premium service channels were reduced by $2 each. He said, although Mr. Jerose communicated this information to members of Council in January or February, 1985, there might have been a communication problem with the subscribers in the area. He said Cablevision is in a competitive environment "with VCR's and backyard dishes". He said he felt the current pricing and packaging is appropriate for the Asheville subscribers.

Upon inquiry of Councilman Bissette, Mr. Marinkovich said programs throughout the country, that are managed by Daniels and Associates, are different because of different environments.

Mayor McDevitt said in order to clear up any misunderstandings, he wanted to note that Council had not acted upon the report given by the City Council Cable Study Commission. He said Asheville Cablevision or Daniels and Associates should not view this report as a notice of default, as the Asheville City Council has not acted upon the report. He said City Council is well aware of its rights and obligations under the current franchise agreement.

Mayor McDevitt said City Council tentatively plans to act upon this report on October 15, 1985.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

training offered through the Red Cross in First Aid, Small Craft or Water Safety. This highest award presented by the American National Red Cross has been presented to the above individuals for having saved the life of an individual by administering CPR on or about September 15, 1984.

Mayor McDevitt recognized Mr. John Stovall, Director of Safety Services with the American Red Cross.

Mr. Stovall said this was the highest recognition given by the American National Red Cross, and they were very pleased to be giving these Certificates of Merit to local citizens and employees of the City of Asheville. He introduced Mr. Doug Jones, Chairman of the Safety Committee for the American National Red Cross, who presented the Certificate of Merits and lapel pins to each of the individuals.

Mayor McDevitt read the resolution.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-196 was unanimously adopted.

Mayor McDevitt presented each of the individuals with a copy of the resolution.

Complete text of Resolution No. 85-196 will be found in Resolution Book No. 15 at page 332.

RECOGNITION OF LARRY FISHER, DIRECTOR OF FINANCE - "AWARD OF FINANCIAL REPORTING ACHIEVEMENT"

5. Mayor McDevitt in recognizing Mr. Larry Fisher, Director of Finance for the City of Asheville, said he had received a letter from Mr. David R. Bean, with the Government Finance Officers Association, which read as follows:

August 16, 1985

The Honorable Larry S. McDevitt
Mayor
City of Asheville
P.O. Box 7148
Asheville, NC 28807

Dear Mayor McDevitt:

We are pleased to notify you that your comprehensive annual financial report for the fiscal year ended June 30, 1984 qualifies for a Certificate of Conformance in Financial Reporting. The Certificate of Conformance is the highest form of recognition in governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

When a Certificate of Conformance is awarded to a government an Award of Financial Reporting Achievement is also presented to the individual designated by the government as primarily responsible for its having earned the certificate. Enclosed is an Award of Financial Reporting Achievement for:

Larry Fisher Director of Finance

Tuesday - October 15, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Roland, and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager Sam Graves; and Deputy City Clerk Carol Hensley.

Absent: Acting City Manager William F. Wolcott, Jr.

INVOCATION

The invocation was given by Vice-Mayor Bratton.

APPROVAL OF THE MINUTES - OCTOBER 8, 1985 MEETING

1. Approval of the minutes of the October 8, 1985 meeting.

Mayor McDevitt suggested that the minutes be amended to delete Mr. Wade Hargrove's summary relative to Asheville Cablevision, from the minutes and insert a verbatim text of Mr. Hargrove's presentation.

Mayor McDevitt announced approval of the minutes as amended.

PROCLAMATION - OCTOBER 20-26 - "NATIONAL LUPUS AWARENESS WEEK"

2. Mayor McDevitt read a proclamation proclaiming October 20-26, as "National Lupus Awareness Week".

Mayor McDevitt presented the proclamation to Mary Proctor, Chairman of the Lupus Support Group.

PROCLAMATION - OCTOBER 19, 1985 - "ST. JUDE CHILDREN'S RESEARCH HOSPITAL DAY"

3. Mayor McDevitt read a proclamation proclaiming October 19 as "St. Jude Children's Research Hospital Day."

Mayor McDevitt presented the proclamation to Dr. Steve Seibert, of the Biltmore Chiropractic Center.

RESOLUTION NO. 85-186 - RESOLUTION RECOGNIZING THE AWARDING OF THE CERTIFICATE OF MERIT FROM THE AMERICAN NATIONAL RED CROSS TO RICKY BATES, RAY SHIPMAN, LARRY BRADLEY, JACK RAMSEY, LEROY LUNSFORD AND H. C. ALDRIDGE, JR.

4. Consideration was given to a resolution recognizing the awarding of the Certificate of Merit from the American National Red Cross to Ricky Bates, Ray Shipman, Larry Bradley, Jack Ramsey, LeRoy Lunsford and H. C. Aldridge, Jr.

Mayor McDevitt said the American National Red Cross annually presents the National Certificate of Merit to persons who have saved or sustained a life by using skills and knowledge learned in volunteer

denial was based on the narrowness and curvature of Hazel Mill Road, which could possibly create traffic hazards. He presented a rendering for the proposed use of the property showing that the property would be used for greenhouses.

Mayor McDevitt noted that members of Council should base their decision only on rezoning the property to Commercial Highway District since all the permitted uses in the Commercial Highway District would be allowed.

Upon inquiry of Councilman Boland, Verl Emrick said Hazel Mill Road is primarily zoned R-3 Residential District.

Attorney Jerry Crow, representing the Freeman Estates, spoke in support of the rezoning. He said Hazel Mill Road is slowly gravitating to commercial development. He said the proposed use of the property, being green-
houses, will not generate additional traffic in the area since it is only a storage area except for a couple of times a year. He said the proposed use of the property would be better than the current vacant lot. He said the property would be fenced, landscaped, and buffered.

Mr. Ljungberg, of 240 Hazel Mill Road, spoke in opposition to the requested rezoning. He said if the property is rezoned, it would be strictly commercial property, and the residents in the area were opposed to commercial development. He suggested that the property be used as an office building location.

After discussion, Mayor McDevitt closed the public hearing at 5:05 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance, rezoning the property as requested, and it would not be read in its entirety.

Councilman Price moved to support the recommendation of the Planning and Zoning Commission to deny the requested rezoning. This motion was seconded by Councilman Boland.

A discussion was held relative to prohibiting the property owner from requesting any rezoning of the property within a one-year time period if Council denies the rezoning.

After discussion, Councilman Price withdrew her motion to support the recommendation of the Planning and Zoning Commission to deny the requested rezoning. Councilman Boland consented to withdrawing the motion.

After calling for a motion relative to adoption of the ordinance, Mayor McDevitt announced that the ordinance died for the lack of a motion for adoption.

The Certificate of Conformance plaque will be shipped under separate cover in about six weeks. We hope that you will arrange for a formal presentation of the Certificate and Award of Financial Reporting Achievement, and that appropriate publicity will be given to this notable achievement. A sample news release is enclosed. We suggest that you provide copies of it to the local newspapers and radio and television stations.

We hope that your example will encourage other government officials in their efforts to achieve and maintain an appropriate standard of excellence in financial reporting. If you have any questions regarding this matter, or if we may be of any further assistance, please do not hesitate to contact us.

Sincerely,

GOVERNMENT FINANCE OFFICERS ASSOCIATION

David R. Bean
Assistant Director/Governmental Accounting Programs

DRB/pp

Enclosures

Mayor McDevitt presented the plaque and award to Larry Fisher.

Larry Fisher, Director of Finance, said this was the sixth Certificate of Conformance plaque to be received by the City of Asheville, and he was proud of the recognition.

PUBLIC HEARING - REZONING PROPERTY LOCATED ON HAZEL MILL ROAD

6. A public hearing was held relative to rezoning property located on Hazel Mill Road.

Mayor McDevitt said the Asheville Planning and Zoning Commission, at a meeting held September 11, 1985, considered the petition of Attorney S. J. Crow for Trustees of the Theodore Freeman Estate that Ward 6, Sheet 16, Lots 456 and 467, be rezoned from R-3 Residential District to CH Commercial Highway District. The property is located on Hazel Mill Road. After review and discussion, the Commission voted to recommend that the petition be denied and the property remain as it is now zoned. However, the petitioner has filed an appeal of the decision of the Planning and Zoning Commission, and has requested City Council to hold a public hearing relative to the rezoning.

Mayor McDevitt opened the public hearing at 4:34 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission denied the requested rezoning. He said the

REPORT - REHABILITATION OF APARTMENT HOUSE KNOWN AS 37 EAST CHESTNUT STREET

8. Vice-Mayor Bratton said on January 15, 1985, Council adopted Resolution No. 84-5 authorizing an agreement by and between Keith E. Harwood and wife Deborah Joan Harwood, owners of 37 East Chestnut Street, to rehabilitate the apartment house known as 37 East Chestnut Street. Said agreement provided that Mr. Harwood would report to Council on April 16, 1985, as to whether or not the apartment house has been brought into compliance with the North Carolina State Building Code and the minimum Housing Code of the City. On April 16, 1985, an amendment was authorized to the agreement to extend the time of completion of rehabilitation to the apartment house until the 16th day of October, 1985, with a report back to Council on October 15, 1985.

Lem Moore, Director of Inspections, said Mr. Harwood had fulfilled all the requirements of the agreement for the rehabilitation of 37 East Chestnut Street. He said his division had issued Certificate of Occupancies for all four units.

ORDINANCE NO. 1541 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON HENDERSONVILLE ROAD (ATTORNEY CARSON FOR BILTMORE DAIRY FARMS, INC.)

9. Consideration was given to the second reading of Ordinance No. 1541, an ordinance amending Ordinance No. 322 known as "An ordinance providing for the zoning of the City of Asheville" as amended, property located on Hendersonville Road (Attorney Carson for Biltmore Diary Farms, Inc).

Mayor McDevitt returned to the meeting at 5:30 p.m.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held August 7, 1985, considered the petition of Attorney Philip Carson for Biltmore Dairy Farms, Inc., that Ward 7, Sheet 52, Lot 169, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located on Hendersonville Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 52, Lot 169, be rezoned from R-2 Residential District to CH Commercial Highway District. On October 1, 1985, at the request of Attorney Philip Carson and the petitioner, Biltmore Dairy Farms, Inc., the public hearing was continued until October 8, 1985. This ordinance passed on first reading on October 8, 1985.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Upon inquiry of Councilman Bissette, Verl Emrick said he had not received information from the North Carolina Department of Transportation relative to the requested rezoning; however, he would be in contact with the North Carolina Department of Transportation before the third reading of the ordinance.

On a roll call vote of 7-0, Ordinance No. 1541 passed on second reading.

PUBLIC HEARING - SITE PLAN - SWEETEN CREEK VILLAGE APARTMENTS - SWEETEN CREEK ROAD

7. A public hearing was held relative to the site plan of the proposed Sweeten Creek Village Apartments to be located on Sweeten Creek Road.

Mayor McDevitt said the Asheville Planning and Zoning Commission, at a meeting held August 21, 1985, reviewed the site plan of the proposed Sweeten Creek Village Apartments to be located on Sweeten Creek Road. The site plan was prepared by Mills, Oliver and Webb, Inc., Blacksburg, Virginia, Architects-Engineers, for Fralin and Waldron, Inc., Roanoke, Virginia, Developers, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions: 1) final approval of entrance off Sweeten Creek Road from North Carolina Department of Transportation; and 2) compliance with the Erosion Control Ordinance.

Mayor McDevitt opened the public hearing at 5:16 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the project would consist of a 120-unit complex. He said all zoning and group development requirements have been met for the site plan.

He presented a letter from Richard Phillips, with the North Carolina Department of Natural Resources and Community Development, which stated that the State would be responsible for the erosion control on this property. He said the erosion control plans have been submitted and are being reviewed by the North Carolina Department of Natural Resources and Community Development. He also presented a letter to Earl McIntire, with the North Carolina Department of Transportation, requesting approval of the entrance to the project.

Ridgley Robinson, Architect, spoke in support of the site plan.

Upon of inquiry of Councilman Price, Mr. Robinson said the property would be well preserved, and enhanced with landscaping and buffering.

Mayor McDevitt left the meeting at 5:20 p.m.

After discussion, Vice-Mayor Bratton closed the public hearing at 5:25 p.m.

Councilman Bissette moved to approve the site plan of the proposed Sweeten Creek Village Apartments to be located on Sweeten Creek Road subject to the final approval of the entrance off Sweeten Creek Road with the North Carolina Department of Transportation and compliance with the erosion control ordinance. This motion was seconded by Councilman Price and carried unanimously. (Mayor McDevitt voting "aye" as he was unexcused from the meeting.)

ORDINANCE NO. 1538 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON OLD CHUNNS COVE ROAD (LARRY BUCKNER PETITION)

11. Consideration was given to the third reading of Ordinance No. 1538, an ordinance amending Ordinance No. 322 known as "an ordinance providing for the zoning of the City of Asheville" as amended - property located on Old Chunns Cove Road (Larry Buckner Petition).

Mayor McDevitt said the Asheville Planning and Zoning Commission, at a meeting held August 7, 1985, considered the petition of Mr. Larry Buckner, Buckner Associates, that Ward 8, Sheet 25, Lot 26, be rezoned from R-1 Residential District to R-2 Residential District. The property is located on Old Chunns Cove Road. After review and discussion, the Commission voted to recommend to City Council that Ward 8, Sheet 25, Lot 26, be rezoned from R-1 Residential District to R-2 Residential District. This ordinance passed on first reading on October 1, and on second reading on October 8, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1538 passed on third and final reading.

Complete text of Ordinance No. 1538 will be found in Ordinance Book No. 10 at page 308 and 309.

ORDINANCE NO. 1539 - AN ORDINANCE CREATING THE ASHEVILLE FAIR HOUSING COMMISSION

12. Consideration was given to the third reading of Ordinance No. 1539, an ordinance creating the Asheville Fair Housing Commission.

Mayor McDevitt said the City Council of the City of Asheville finds it in the public interest to promote fair housing practices in the City. The City Council desires to prevent discriminatory practices against any person in a real estate transaction. The U. S. Department of Housing and Urban Development has for many years encouraged and supported anti-discrimination initiatives through grant programs to the City designed to ensure equal opportunity for all citizens. The City Council of the City of Asheville does desire to create a Commission to be known as the Asheville Fair Housing Commission as authorized in Chapter 776, Sections 1, 2 and 3 of the General Statutes of North Carolina. This ordinance passed on first reading on October 1, and on second reading on October 8, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

Ralph Bishop spoke in opposition to the ordinance stating that this was an invasion of privacy.

ORDINANCE NO. 1542 - AN ORDINANCE AMENDING SECTION 19A-11 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (GRIEVANCE PROCEDURE)

10. Consideration was given to the second reading of Ordinance No. 1542, an ordinance amending Section 19A-11 of the Code of Ordinances of the City of Asheville.

Mayor McDevitt said a recent Supreme Court decision, Cleveland Board of Education vs. Loudermill, requires the City to institute pre-termination hearing procedures for any employees being terminated from City employment by the City. These procedures will also be used for employees being demoted or suspended without pay for more than five (5) days. In addition, a number of minor procedural changes are being made in the City's grievance process including: intermediate supervisors in the process; specifying hand delivery or delivery by certified mail of all notices; permitting employees to go the Civil Service Board if the grievance process isn't completed in 30 days; and removing a section making reinstatement actions retroactive to date a grievance is filed. This ordinance passed on first reading on October 8, 1985.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

David Anders, with the Asheville Firefighters Association, said the ordinance does not entitle an employee to confront or cross-examine adverse witnessess or to present witnesses on his own behalf, unless it is deemed necessary by a department head at a pre-determination hearing. He said he felt that an employee should be allowed to present witnesses and also have a representative available if they so desire. Mr. Anders requested that Council consider amending the ordinance to allow an automatic approval for employees to present witnesses or to be represented at a pre-determination hearing. He presented copies of decisions from the Ninth Circuit Court of Appeals where representatives were allowed at any disciplinary hearing.

Vice-Mayor Bratton, Councilman Boland, Councilman Price and Councilman Bissette all agreed that Mr. Anders had made a reasonable request and employees should have a right to be represented during a pre-determination hearing.

Council instructed the City Attorney to check on amending Ordinance No. 1542 to reflect Mr. Anders' request and to check the current law relative to reinstatement provisions.

On a roll call vote of 5-2, Ordinance No. 1542 passed on second reading with Councilman Boland and Vice-Mayor Bratton voting "no".

Mayor McDevitt urged members of Council to have appropriate motions/amendments ready for consideration at next week's meeting.

Mayor McDevitt instructed the Deputy City Clerk to mail a copy of the Resolution to Senators Helms and East and Congressman Hendon.

RESOLUTION NO. 85-189 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A DEED OF RELEASE BY AND BETWEEN THE CITY OF ASHEVILLE AND THE DEPARTMENT OF TRANSPORTATION

15. Consideration was given to a resolution authorizing the Mayor to execute a Deed of Release by and between the City of Asheville and the Department of Transportation.

Mayor McDevitt said the City of Asheville has conveyed to the Department of Transportation by a Deed of Correction dated August 13, 1985, a 20' wide right-of-way in which the City of Asheville retained for itself a joint use easement over same for use as fire lane and water line easement. The City has determined that a portion of the 20' easement, which contains no right-of-way, is not needed for use as a fire lane or for utilities. This resolution will authorize the Mayor to execute a Deed of Release between the City and the Department of Transportation.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-189 was unanimously adopted.

Complete text of Resolution No. 85-189 will be found in Resolution Book No. 15 at page 336.

RESOLUTION NO. 85-190 - RESOLUTION AUTHORIZING THE SALE OF CERTAIN PROPERTIES ACQUIRED BY THE COUNTY OF BUNCOMBE PURSUANT TO TAX FORECLOSURE

16. Consideration was given to a resolution authorizing the sale of certain properties acquired by the County of Buncombe pursuant to tax foreclosure.

Mayor McDevitt said the City of Asheville and the County of Buncombe entered into an Agreement dated November 5, 1984, to set forth the responsibilities of the City and County with regard to the prior responsibilities of the Buncombe County Board of Tax Supervision. Pursuant to that Agreement, the County is authorized to sell and convey all property heretofore titled in the name of the Buncombe County Board of Tax Supervision to such person or party and for such price on such terms as the Board of County Commissioners shall deem for the best interests of the City of Asheville, subject to the prior approval of the City of those lots within the City. Those properties titled in the name of the Buncombe County Board of Tax Supervision which are within the city limits of the City of Asheville have now been identified. City Council approves the sale of four lots by the County of Buncombe at a price not less than the current tax valuation. Total tax value of the lots would be $13,900. The City would receive approximately one-half of this as revenue.

Mayor McDevitt said members of Council were furnished copies of the resolution, and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-190 was unanimously adopted.

On a roll call vote of 7-0, Ordinance No. 1539 passed on third and final reading.

Complete text of Ordinance No. 1539 will be found in Ordinance Book No. 10 at page 310 and 311.

Vice-Mayor Bratton thanked Mayor McDevitt for his many efforts in getting this ordinance adopted.

RESOLUTION NO. 85-187 - RESOLUTION AUTHORIZING THE BARRICADING OF A PORTION OF EDGEWOOD ROAD ON OCTOBER 19, 1985

13. Consideration was given to a resolution authorizing the barricading of a portion of Edgewood Road on October 19, 1985.

Mayor McDevitt said this resolution will authorize the temporary closing of Edgewood Road from College Heights to University Heights on October 19, 1985, from 9:00 a.m. to 2:00 p.m. for the purpose of a St. Jude Children's Research Hospital Bike-A-Thon.

Mayor McDevitt said members of Council were furnished copies of the resolution, and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Myers, Resolution No. 85-187 was unanimously adopted.

Complete text of Resolution No. 85-187 will be found in Resolution Book No. 13 at page 333.

RESOLUTION NO. 85-188 - RESOLUTION SUPPORTING PROPOSED CHANGES IN THE FAIR LABOR STANDARDS ACT

14. Consideration was given to a resolution supporting proposed changes in the Fair Labor Standards Act.

Mayor McDevitt said the Supreme Court has ruled that state and local governments must comply with the Fair Labor Standards Act. This will create a great hardship for cities throughout the nation. It is estimated that the cost for Asheville alone will be anywhere from $200,000 to $250,000 per year, despite cost-cutting measures that will necessitate the hiring of new employees for jobs in which present city employees have traditionally "moonlighted". This resolution urges our representatives in Congress to support Senate Bill 1570, which would amend the Fair Labor Standards Act to exempt state and local government employees from the overtime provisions, exempt individuals providing services to state and local governments on a volunteer basis from the minimum wage and overtime provisions of the act, and eliminate the retroactive application of the act.

Mayor McDevitt said members of Council were furnished copies of the resolution, and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Bissette, Resolution No. 85-188 was unanimously adopted.

Complete text of Resolution No. 85-188 will be found in Resolution Book No. 15 at page 334 and 335.

A discussion was held, instituted by Councilman Boland and Attorney Max Coghurn, as to whether the notification of default should be delayed until after the F.C.C. investigation in the event the Federal Communications Commission shows that the company is in compliance with their regulations.

Councilman Bissette said he felt the F.C.C. would deal only with issues involving its own regulations, it would not examine the issues involving the franchise that are detailed in the Commission's report.

Councilman Myers said City Council should address the concerns of all the citizen complaints expressed at the public hearing, the many telephone calls received by City staff and individual Councilmembers, and the many letters received relative to the service problems, picture quality, level of service, and the re-tiering of programming in March of 1983, which was a major voice of concern by the subscribers. He said the City Council Cable Television Commission was told by Asheville Cablevision that they would not return to programming provided by the basic service prior to March of 1983. He said he felt his action adversely affected many people in this community and City Council should address these concerns.

Ralph Bishop spoke to members of Council relative to the frustration of the subscribers in Asheville Cablevision changing the programming in March, 1983, on basic service.

Mayor McDevitt called for a five minute recess of Council.

Upon inquiry of Mayor McDevitt, Councilman Bissette said he would include in his motion that the City Attorney draft a letter for Council's approval next week relative to notification to Asheville Cablevision of its default, and that the company has 60 days to commence with correcting the problem as detailed in the report.

On a voice vote of 6-1, Councilman Bissette's motion passed with Councilman Boland voting "no".

Councilman Boland, in voting against the motion, said he felt the F.C.C. has the power to investigate the concerns in the Commission's report. He said he felt the F.C.C. investigation would be a first, logical step in a series of events, and if the first step is completed, Council may not need a second step.

Councilman Price, in addressing Attorney Max Coghurn, said one of the problems with Asheville Cablevision is the outages experienced in the West Asheville area.

BIDS - BULK SODIUM CHLORIDE FOR SNOW AND ICE CONTROL

18. Consideration was given to a motion relative to bids received for bulk sodium chloride for snow and ice control.

Mayor McDevitt said sealed bids were received for a term purchase contract to furnish the City's requirements for bulk sodium chloride for snow and ice control for the winter of 1985-86. Five (5) bids were received. It is recommended that the low bidder, Domtar Industries,

Complete text of Resolution No. 85-190 will be found in Resolution Book No. 15 at page 337 and 338.

Mayor McDevitt noted that the lots outlined in the resolution were as follows:

Tax Lot No.	Tax Value	Location
Ward 9, Sheet 8, Lot 73	$3,900.00	Fenner Avenue
Ward 6, Sheet 2, Lot 86	$3,800.00	Toxaway Street
Ward 6, Sheet 2, Lot 63	$4,000.00	Westwood Place Hazel Road
Ward 2, Sheet 5, Lot 111	$2,200.00	Holland

COUNCIL ACTION RELATIVE TO CITY COUNCIL CABLE TELEVISION COMMISSION REPORT

17. Mayor McDevitt said the Commission report was discussed during the Pre-Council meeting at some length with the representatives of Asheville Cablevision and their attorney Max Cogburn.

Councilman Bissette moved that the City Council Cable Television Commission's report be essentially adopted to recommend that the report, the results of the questionnaire, and the summaries of the proceedings of the public hearings be forwarded to Mr. Stephen Rawls, Chief of Cable TV Branch, Mass Media Bureau, Federal Communications Commission, 1919 Main Street Northwest, Washington, DC, with a formal request that an enforcement engineer be sent to Asheville to institute a full investigation of Asheville Cablevision's signal quality, service interruption problems, and overall operating procedures. Further, that the Asheville City Council notify Asheville Cablevision as soon as possible, pursuant to Section 32 of the franchise agreement of its default, and that the company has 60 days to commence with correcting the problems detailed in the report and that they may complete these corrections within a reasonable time or show cause why the City Council should not exercise its right to revoke and declare forefeited the franchise agreement and all rights of Asheville Cablevision. This motion was seconded by Vice-Mayor Bratton.

Max Cogburn, Attorney for Asheville Cablevision, spoke relative to the Commission's report stating that Asheville Cablevision is committed to doing what needs to be done and that the firm welcomes the F.C.C. investigation and will cooperate in every way. He requested that no further action be taken until the F.C.C. investigation is complete and that the problems outlined in the report could be resolved without formal notification of default. He said Asheville Cablevision would like to see a list of the problems outlined by the City Council Cable Television Commission.

Mike McFee, Acting General Manager for Asheville Cablevision, said it is hopeful that Asheville City Council knows that Asheville Cablevision is willing to work with Council, and that they would support the recommendation of Councilman Bissette. He said Asheville Cablevision would provide City Council with the most recent results of the annual F.C.C. report. He requested that Council take a less formal approach to the problems detailed in the report.

On a roll call vote of 7-0, Ordinance No. 1543 passed on first and final reading.

Complete text of Ordinance No. 1543 will be found in Ordinance Book No. 10 at page 317.

ACTION RELATIVE TO BIDS RECEIVED FOR HAW CREEK SEWER PROJECT

21. Mayor McDevitt said members of Council had discussed bids received for the Haw Creek Sewer Project in depth during the Pre-Council meeting.

After discussion, Councilman Price moved to accept the low bid presented by Huntley Construction Company in the amount of $131,459 for the Haw Creek Sewer Project. This motion was seconded by Councilman Frank and carried unanimously.

Mayor McDevitt said, if necessary, Council would take further action on the bids in two weeks.

RESOLUTION NO. 85-192 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND ELB/MONITOR, INC. FOR TESTING FOR RESIDUAL ASBESTOS IN AREAS WHERE REMOVAL WORK HAS BEEN PERFORMED IN THE CITY BUILDING

22. Consideration was given to a resolution authorizing the Mayor to execute an agreement by and between the City of Asheville and ELB/Monitor, Inc. for testing for residual asbestos in areas where removal work has been performed in the City Building.

Mayor McDevitt said work to remove asbestos from surfaces in the boiler room and adjoining areas of the City Building is being performed. After this removal work has been performed, it is necessary that areas be tested for residual asbestos. The City has solicited informal bids for this testing from three firms qualified to perform the testing. The City staff recommends that City Council award the contract to ELB/Monitor, Inc. as the lowest responsible bidder.

Mayor McDevitt read the resolution.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-192 was unanimously adopted.

Complete text of Resolution No. 85-192 will be found in Resolution Book No. 15 at page 340.

SCHEDULING PUBLIC HEARING - CIVIL SERVICE RULE 17 (J) - ADDITIONAL HOLIDAY FOR EMPLOYEES OF THE CITY OF ASHEVILLE - MEMORIAL DAY

23. Councilman Price moved to schedule a public hearing relative to adopting an amendment to Civil Service Rule 17(j) providing for an additional holiday for members of the classified service of the City of Asheville, being Memorial Day, for November 12, 1985, at 4:00 p.m. This motion was seconded by Councilman Frank and carried unanimously.

Incorporated, Sifto Salt Division, be awarded the contract in the amount of $20,694.00. Funds in the amount of $500,000 were appropriated in the 1985-86 Public Works Operating Budget (0380/Materials Line Item), and purchases will be made as required.

Councilman Poland moved to award the bid to the low bidder, Domtar Industries, Inc., Sifto Salt Division, for estimated contract amount of $20,694. This motion was seconded by Councilman Price and carried unanimously.

The bid summary is as follows:

Bidder	Amount
Domtar Industries, Inc.	$20,694.00
Morton Salt Company	21,858.00
International Salt Co.	23,538.00
Diamond Crystal	25,800.00
Cargill Salt Co.	21,900.00

RESOLUTION NO. 85-191 - RESOLUTION GRANTING RIGHT-OF-WAY TO CAROLINA POWER AND LIGHT COMPANY FOR A SERVICE LINE ON DEAVERVIEW PARK PROPERTY

19. Consideration was given to a resolution granting right-of-way to Carolina Power and Light Company for a service line on Deaverview Park property.

Mayor McDevitt said Carolina Power and Light Co. has requested authority to establish one pole, one anchor, and approximately 60' of primary line on property owned by the City of Asheville and known as Deaverview Park. He said this easement is necessary to supply power to the West Congressional Jehovah Witness Church which is under construction on property immediately adjoining Deaverview Park on Johnston Boulevard. The establishment of this right-of-way and its primary electrical service will not interfere in any way with the use of the park area. This resolution will authorize the Mayor to execute a deed granting the easement to Carolina Power and Light Company.

Mayor McDevitt read the resolution.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-191 was unanimously adopted.

Complete text of Resolution No. 85-191 will be found in Resolution Book No. 15 at page 339.

ORDINANCE NO. 1543 - BUDGET ORDINANCE AMENDMENT APPROPRIATING FUNDING FOR THE MAYOR'S COMMITTEE ON THE EMPLOYMENT OF THE HANDICAPPED

20. Consideration was given to a budget ordinance amendment to provide funding in the amount of $300 for support for the Mayor's Committee on Employment of the Handicapped. Funding will be provided from the General Fund Contingency.

Vice-Mayor Bratton moved for the adoption of Ordinance No. 1543. This motion was seconded by Councilman Frank.

2046

Tuesday - October 22, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager, William F. Wolcott, Jr.; and Deputy City Clerk, Carol Hensley.

Absent: Councilman Gordon Myers

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - OCTOBER 15, 1985 MEETING

1. Approval of the minutes of the October 15, 1985 meeting.

Mayor McDevitt announced the approval of the minutes with several minor changes.

EXPRESSION OF APPRECIATION TO AGENCIES, BUSINESSES, AND CONCERNED CITIZENS THAT HELPED DURING THE RECENT EMERGENCY AT BEAVER LAKE

Mayor McDevitt recognized the following agencies, businesses, and concerned citizens for their help and assistance during the recent emergency at Beaver Lake. He said although the outcome was a tragedy, with the drowning of Kenneth Bishop, the operation could not have been undertaken without the voluntary assistance of all involved.

Fire Department Personnel, American Red Cross, Asheville Police Department, Buncombe County EMS, Buncombe County Parks & Recreation, Asheville Area Rescue Squad, Inc., Burger King, Fairview Volunteer Fire Department, French Broad Fire Department, Hardees of Asheville, McDonalds Hamburgers, Pepsi Cola Company of Asheville, Red Diamond Service Station, Skyland Fire Department, Upper Hominy Fire Department, Wendy's Old Fashion Hamburgers, West Buncombe Fire Department, Mr. Grover Blazer, Mr. Herbert Hill, Frank Blankenship, Sr., Daniel Boone, Robert Bayer, Turner Rogers, President of the Lakeview Park Association; the Yancey County Rescue Squad, McDowell County Rescue Squad, Henderson County Rescue Squad, Jackson County Rescue Squad, and Tri-County ReAct.

Chief Ball of the Asheville Fire Department also expressed his appreciation to all those who helped during the emergency. He said the tremendous response and efforts of all these agencies, businesses, and citizens displayed the compassion for others when emergencies of this nature arise.

PROCLAMATION - "UNITED NATIONS DAY" - OCTOBER 24, 1985

2. Mayor McDevitt read a proclamation proclaiming October 24, 1985, as "United Nations Day".

MOTION RELATIVE TO ACTING CITY MANAGER - SAM GRAVES

24. At the request of the Corporation Counsel, Councilman Price moved to accept William F. Wolcott's decision to appoint Sam Graves, as Acting City Manager while he is on vacation. This motion was seconded by Councilman Frank and carried unanimously.

CLAIMS - MARY CARTER (STREETS) - NORMA SCHULMAN (PARKS AND RECREATION)

25. The Acting City Manager presented claims received from Mary Carter and Norma Schulman.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

CITY COUNCIL WORK SESSION SCHEDULED FRIDAY, OCTOBER 18, 1985 - 3:00 P.M.

26. Mayor McDevitt announced that City Council would be holding a work session on Friday, October 18, 1985, at 3:00 p.m. in the Council Conference Room in the City Hall Building.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

27. Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville and the appointment of Sam Graves as Acting City Manager during Mr. Wolcott's absence.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Myers, the meeting was adjourned at 8:10 p.m.

Tony McDevitt
MAYOR

William F. Wolcott
CITY CLERK

Thereupon, upon motion of Councilman Frank, seconded by Councilman Price, and carried, the order introduced and passed on its first and second readings on October 1, 1985, entitled: "ORDER AUTHORIZING $885,000 RANKIN STREET PARKING BONDS," was read in full a third time, and passed upon its final reading. The vote upon the final passage of said order was: Ayes: Mayor Larry McDevitt, Vice-Mayor Wilhelmina Bratton, Councilman Mary Lloyd Frank, Councilman Norma Price, Councilman Walter Boland, and Councilman Louis Bissette.

Noes: None

Mayor McDevitt then announced the order entitled "ORDER AUTHORIZING THE $885,000 RANKIN STREET PARKING BONDS" had been adopted.

The City Clerk was thereupon directed to publish said order once in the Asheville Times, together with the appended statement as required by the Local Government Bond Act, as amended.

Complete text of Ordinance No. 1540 will be found in Ordinance Book 10 at Page 312.

ORDINANCE NO. 1541 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED ON HENDERSONVILLE ROAD (ATTORNEY CARSON FOR BILTMORE DAIRY FARMS, INC.)

5. Consideration was given to the third reading of Ordinance No. 1541, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended - property located on Hendersonville Road (Attorney Carson for Biltmore Dairy Farms, Inc.)

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held August 7, 1985, considered the petition of Attorney Philip Carson for Biltmore Dairy Farms, Inc. that Ward 7, Sheet 52, Lot 169, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located on Hendersonville Road. After review and discussion, the Commission voted to recommend to City Council that Ward 7, Sheet 52, Lot 169, be rezoned from R-2 Residential District to CH Commercial Highway District. On October 1, 1985, at the request of Attorney Philip Carson and the petitioner, Biltmore Dairy Farms, Inc., the public hearing was continued until October 8, 1985. This ordinance passed on first reading on October 8, 1985, and on second reading on October 15, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

Councilman Bissette said Verl Emrick, Director of Planning, had been in contact with the North Carolina Department of Transportation for input relative to this rezoning. He said it was his understanding that the petitioner for the rezoning had said there would be no building constructed on the proposed right-of-way for the widening of Hendersonville Road by the North Carolina Department of Transportation.

Mayor McDevitt presented a copy of the proclamation to Richardson Rice, Vice-President of the Local Chapter for United Nations Association.

RESOLUTION NO. 85-193 - RESOLUTION COMMENDING THE HILLCREST 4-H GARDEN CLUB FOR WINNING THE ACGA/GLAD NATIONAL COMMUNITY GARDENING CONTEST

3. Consideration was given to a resolution commending the Hillcrest 4-H Garden Club for winning The ACGA/GLAD National Community Gardening Contest.

Mayor McDevitt said the Hillcrest Garden Club has been selected as a special population site winner in The ACGA/GLAD National Community Gardening Contest. As a winner in ACGA's Southern region, the Hillcrest Garden Club has been awarded $100.00 to be used by the Club.

Upon motion of Councilman Bissette, seconded by Councilman Price, Resolution No. 85-193 was unanimously adopted.

Complete text of Resolution No. 85-193 will be found in Resolution Book 15 at Page 341.

Mayor McDevitt recognized Thomas Youngblood-Peterson, with MAGIC, who presented Mr. Johnny Hayes, Director of the Hillcrest 4-H Club with a check for $100.00 to be used by the Garden Club to further their activities.

Mayor McDevitt recognized the Hillcrest 4-H Club members that were in attendance at the meeting, and presented a copy of the Resolution to Keisha Battle, President of the Hillcrest 4-H Club.

PUBLIC HEARING - ISSUANCE OF $885,000 RANKIN STREET PARKING BONDS

ORDINANCE NO. 1540 - ORDER AUTHORIZING $885,000 RANKIN STREET PARKING BONDS

4. Mayor McDevitt announced that this was the date and hour fixed by the Council for the public hearing upon the order entitled: "ORDER AUTHORIZING $855,000 RANKIN STREET PARKING BONDS" and that the Council would immediately hear anyone who might wish to be heard on the question of the validity of said order or the advisibility of issuing said bonds.

Mayor McDevitt opened the public hearing at 4:33 p.m.

The Deputy City Clerk presented the notice to public, setting the time and date for the public hearing and the affidavit of publication.

Upon inquiry of Ralph Bishop, Mayor McDevitt said the City would own the property upon which the parking deck would be built prior to construction of the parking deck. He said the parking deck would be in connection with the Haywood-Wall Street Redevelopment Plan. He said in case of default, and the Haywood Street Redevelopment Project is not carried through, the full faith and pledge of the City of Asheville would be pledged for the parking bonds.

Mayor McDevitt closed the public hearing at 4:37 p.m.

The Director of Finance announced that no written statement relating to the question of the issuance of the bonds had been received.

Councilman Price moved for the adoption of Ordinance No. 1544. This motion was seconded by Councilman Bissette.

On a roll call vote of 6-0, Ordinance No. 1544 passed on first and final reading.

Complete text of Ordinance No. 1544 will be found in Ordinance Book No. 10 at Page 318.

Councilman Price moved to direct the City Staff to accrue interest separately on the Pack Plaza Project - cultural arts contribution - and that a budget amendment be submitted to Council, at a later date, appropriating the accrued interest into this budget line item. This motion was seconded by Councilman Bissette and carried unanimously.

ORDINANCE NO. 1545 - BUDGET ORDINANCE AMENDMENT FOR THE McDOWELL STREET IMPROVEMENT PROJECT

8. Consideration was given to a budget ordinance amendment for the McDowell Street Improvement Project.

Mayor McDevitt said this amendment will appropriate CDBG funds for the City's share of the Municipal Agreement with NCDOT for the McDowell Street Improvement Project. The project includes widening McDowell Street between Asheland Avenue and the Victoria Street tunnel. Local share of this NCDOT project - $72,990.00. Funds available for this project include anticipated revenue from sale of City property in the R-48 urban renewal area.

Mayor McDevitt said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1545. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1545 passed on first and final reading.

Complete text of Ordinance No. 1545 will be found in Ordinance Book No. 10 at Page 319.

APPROVAL OF THE CONSENT AGENDA

9. Consideration was given to a motion approving the consent agenda.

Mayor McDevitt said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Councilman Price said she felt this property could best be used for multi-family dwellings.

Philip Carson, Attorney for Biltmore Dairy Farms, Inc., said the petitioner would be sending a letter to Verl Emrick, Director of Planning, stating that Biltmore Dairy Farms, Inc. would not build anything on the proposed right-of-way for the widening of Hendersonville Road.

Mayor McDevitt noted that although the letter to Mr. Emrick relative to building on the proposed right-of-way was a good gesture, it was not a condition or a request by Council of the petitioner for the rezoning.

Mr. Carson said he was aware that the letter was not a condition of the rezoning, but was voluntary.

On a roll call of 6-0, Ordinance No. 1541 passed on third and final reading.

Complete text of Ordinance No. 1541 will be found in Ordinance Book 10 at Page 313 and 314.

ORDINANCE NO. 1542 - AN ORDINANCE AMENDING SECTION 19A-11 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (GRIEVANCE PROCEDURE)

6. Consideration was given to the third reading of Ordinance No. 1542, an ordinance amending Section 19A-11 of the Code of Ordinances of the City of Asheville (Grievance Procedure).

Mayor McDevitt said a recent Supreme Court decision, Cleveland Board of Education vs. Loudermill, requires the city to institute pre-termination hearing procedures for any employees being terminated from city employment by the city. These procedures will also be used for employees being demoted or suspended without pay for more than five (5) days. In addition, a number of minor procedural changes are being made in the city's grievance process including: intermediate supervisors in the process; specifying hand delivery or delivery by certified mail of all notices; permitting employees to go to the Civil Service Board if the grievance process isn't completed in 30 days; and removing a section making reinstatement actions retroactive to date a grievance is filed. This ordinance passed on first reading on October 8, 1985, and on second reading on October 15, 1985.

Councilman Price moved to postpone the third reading of Ordinance No. 1542 until the October 29, 1985, meeting and that the matter be scheduled on the pre-Council work session agenda for October 29, 1985. This motion was seconded by Councilman Boland and carried unanimously.

ORDINANCE NO. 1544 - BUDGET ORDINANCE AMENDMENT FOR THE PACK PLAZA PROJECT - CULTURAL ARTS CONTRIBUTION

7. Consideration was given to a budget ordinance amendment for the Pack Plaza Project - Cultural Arts Contribution.

Mayor McDevitt said this amendment would appropriate a contribution from the Developer in the amount of $150,000, this funding was not included in the original project budget.

DISCUSSION RELATIVE TO BIDS RECEIVED FOR THE HAW CREEK SEWER PROJECT - BILL HOBSON

Bill Hobson, with Hobson Construction Company, spoke to members of Council relative to the bids recently received for the Haw Creek Sewer Project. He said he understood that the low bidder, Huntley Construction Company, made an error in his bid, and that Council had accepted that bid. He said he also understood that Huntley Construction Company had rejected acceptance of the bid. He requested that Council accept the second low bidder for the Haw Creek Sewer Project rather than rebidding the project. He said he understood the change-over in the Water & Sewer Department, and that the bid specifications had been changed several times before being let to bids.

Mr. Latham, with Associated General Contractors for the Carolina's, said he represented contractors bidding on municipal contracts in the Carolina's. He said, in his opinion, it would not be fair to contractors bidding on the project for City Council to rebid the contract when they have a reputable second low bidder. He said the second low bidder is responsive and is within the budget. He said the main concern of rebidding the project would be that the contractors who presented bids have already revealed their bids which have been made public. He said if the project is rebid, he would request that the bid specifications be modified.

Mayor McDevitt told Mr. Hobson and Mr. Latham that Council would take their comments into consideration.

RALPH BISHOP - PRESS CONTROL - ACTING CITY MANAGER APPOINTMENT

Mr. Ralph Bishop read an article to members of Council relative to the news media and press being controlled, and relative to Sam Graves being appointed as Acting City Manager while Mr. Wolcott, the Interim City Manager was on vacation last week.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Frank, the meeting adjourned at 5:10 p.m.

MAYOR

CITY CLERK

A. Motion to schedule a public hearing relative to rezoning property located at #4 Clairmont Avenue for November 12, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held October 2, 1985, considered the petition of Mr. Tim Wilson that Ward 9, Sheet 6, Lot 35, be rezoned from R-3 Residential District to CH Commercial Highway District. The property is located at #4 Clairmont Avenue. After review and discussion, the Commission voted to recommend to City Council that Lot 35 and Lot 34, Sheet 6, Ward 9, be rezoned from R-3 Residential District to CH Commercial Highway District.

FISCAL IMPACT: None

B. Motion to schedule a public hearing for Phase Three of the Hazelwood Subdivision to be located on North Louisiana Avenue for November 12, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held October 2, 1985, approved the final plat of Phase Three of the Hazelwood Subdivision to be located on North Louisiana Avenue. This plat was prepared by S. V. Griffith, R.L.S. for Frank McGahren and Walter Weiss, Developers, and submitted in accordance with Ordinance No. 424, as amended. The Commission approved the preliminary plat subject to compliance with the Erosion Control Ordinance.

FISCAL IMPACT: None

Upon motion of Councilman Frank, seconded by Councilman Price, the Consent Agenda was unanimously approved.

COUNCIL MEETING OF NOVEMBER 5, 1985 - CANCELLED

Councilman Price moved that the regular meeting scheduled for November 5, 1985, for the Asheville City Council be cancelled. This motion was seconded by Councilman Boland and carried unanimously.

CLAIMS - DIANA HUMPHREYS (STREET) - MAXINE McCOLLUM (WATER)

The Acting City Manager presented claims received from Diana Humphreys and Maxine McCollum.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - GRANT COLBERTS AUTO MARKET VS. ASHEVILLE POLICE DEPARTMENT (SMALL CLAIMS ACTION - WRONGFUL ACT) - ALFRED FULTON ROBERTS VS. CITY (WRONGFUL ACT - LEAKAGE IN WATER LINES)

The Acting City Manager said the City was served with summonses in connection with lawsuits involving Grant Colberts Auto Market vs. Asheville Police Department and Alfred Fulton Roberts, et al, vs. City.

Mayor McDevitt referred the summonses to the Corporation Counsel for investigation and recommendation.

New Orleans, Louisiana. The Hillcrest Enrichment Program has received the Juvenile Association Award, the Excellent Community Award, the Governor's Award, and other awards, and brought honor and distinction to the program and to the City. The Hillcrest Enrichment Program is to be commended for its accomplishments and achievements and its positive influence and contributions to the Hillcrest community and to the City of Asheville. This resolution will proclaim the week of November 2 - 8, 1985 as "Unity Week" with the central theme being "Keep Unity in Community".

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 85-194 was unanimously adopted.

Complete text of Resolution No. 85-194 will be found in Resolution Book No. 15 at page 342.

Vice-Mayor Bratton presented the resolution to Beverly Williams, Advisor for the Hillcrest Enrichment Program.

INTRODUCTION OF NEW GENERAL MANAGER FOR ASHEVILLE CABLEVISION

2B. Mr. Mike McPhee, Acting General Manager for Asheville Cablevision, introduced Mr. Joe Haight, who will be the new General Manager for Asheville Cablevision.

Mr. McPhee said Asheville Cablevision would be launching a new program called "Asheville Video Probe" which would feature Asheville and Buncombe County on November 6, 1985 at 9:00 p.m. with a preview being at 6:00 p.m. to which members of Council were invited.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT GEORGIA AVENUE AND CRAVEN STREET

ORDINANCE NO. 1546 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON CRAVEN STREET, (MR. LAWRENCE LYNCH PETITION)

3. A public hearing was held relative to rezoning property located on Georgia Avenue and Craven Street.

Vice-Mayor Bratton said the Planning and Zoning Commission at a meeting held September 11, 1985, considered the petition of Mr. Lawrence Lynch, that Ward 6, Sheet 1, Lot 91, be rezoned from R-3 Residential District to CS Commercial Service District. The property is located at Georgia Avenue and Craven Street. After review and discussion, the Commission voted to recommend to City Council that a portion of Lot 91, Sheet 1, Ward 6, be rezoned from R-3 Residential District to CS Commercial Service District.

Vice-Mayor Bratton opened the public hearing at 4:20 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing, and the affidavit for publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had recommended that Council rezone a portion of Lot 91, Sheet 1, Ward 6. He said there was no opposition expressed relative to the rezoning, and the petitioner requested the rezoning for a proposed use of an automobile shop.

Tuesday - October 29, 1985 - 4:00 p.m.

Regular Meeting

Present: Vice-Mayor Wilhelmina Bratton, Presiding; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr., and Deputy City Clerk Carol Hensley.

Absent: Mayor Larry McDevitt; and Councilman Gordon Myers

INVOCATION

The invocation was given by Councilman Mary Lloyd Frank.

APPROVAL OF THE MINUTES - OCTOBER 22, 1985 MEETING

1. Approval of the minutes of the October 22, 1985 meeting.

Vice-Mayor Bratton announced the approval of the minutes as submitted.

PROCLAMATION - NOVEMBER 3 - 9, 1985 - "MEMORIAL MISSION HOSPITAL WEEK"

2. Vice-Mayor Bratton read a proclamation proclaiming the week of November 3 - 9, 1985 as "Memorial Mission Hospital Week".

Vice-Mayor Bratton presented the proclamation to Robert Burgin, with the Memorial Mission Hospital.

PROCLAMATION - MONTH OF NOVEMBER, 1985 - "BETTER BUSINESS BUREAU SOLICITATION EDUCATION MONTH"

Vice-Mayor Bratton read a proclamation proclaiming the month of November, 1985 as "Better Business Bureau Solicitation Education Month".

Vice-Mayor Bratton presented the proclamation to Dr. Lewis Rathburn, Board Member for the Better Business Bureau.

RESOLUTION NO. 85-194 - RESOLUTION OF COMMENDATION OF THE HILLCREST ENRICHMENT PROGRAM AND PROCLAIMING THE WEEK OF NOVEMBER 2 - 8, 1985 TO BE "UNITY WEEK"

2A. Consideration was given to a resolution of commendation of the Hillcrest Enrichment Program and proclaiming the week of November 2 - 8, 1985 to be "Unity Week".

Vice-Mayor Bratton read the resolution stating that the Hillcrest Enrichment Program was founded in 1977 in the Hillcrest community to serve the youth and the community, and to promote and encourage scholastic achievement, good citizenship, and good conduct at home, school, and in the community. The program has been utilized for the March of Dimes Walk-A-Thon, Quality Forward Cleanup Efforts and numerous community service projects. The Hillcrest Enrichment Program participants have represented the City of Asheville in parades throughout North and South Carolina, and at the 1984 World's Fair in

ORDINANCE NO. 1542 - AN ORDINANCE AMENDING SECTION 19A-11 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (GRIEVANCE PROCEDURE)

5. Consideration was given to the third reading of Ordinance No. 1542, an ordinance amending Section 19A-11 of the Code of Ordinances of the City of Asheville (Grievance Procedure).

Vice-Mayor Bratton said a recent Supreme Court decision, Cleveland Board of Education vs. Loudermill, requires the City to institute pre-termination hearing procedures for any employees being terminated from employment by the City. These procedures will also be used for employees being demoted or suspended without pay for more than five (5) days. In addition, a number of minor procedural changes are being made in City's grievance process including: intermediate supervisors in the process; specifying hand delivery or delivery by certified mail of all notices; permitting employees to go to the Civil Service Board if the grievance process isn't completed in 30 days; and removing a section making reinstatement actions retroactive to the date a grievance is filed. This ordinance passed on first reading on October 8, 1985 and on second reading on October 15, 1985. At the October 22, 1985 meeting, the third reading was postponed until October 29, 1985.

Vice-Mayor Bratton said this ordinance was previously read on first and second reading, and it would not be read in its entirety unless there was a specific request to do so.

Councilman Bissette moved to amend Ordinance No. 1542 Section 1(a)(2), the second sentence to read as follows, "The Department Head shall take the necessary administrative actions which will ensure that the employee's interests and rights are adequately represented and protected at the hearing." This motion was seconded by Councilman Frank.

David Anders, with the Asheville Firefighters Association, said he felt the language would still be a department head decision as to whether or not an employee could be represented at a pre-termination hearing. He said he did not feel this amendment was proper because it did not give employees the automatic right to have representation at a pre-termination hearing.

Councilman Bissette said he felt the language would provide a positive assurance that an employee's reasonable request for representation would be honored. He said if a department head did not honor a reasonable request of an employee, the department head would be violating the intent of this ordinance.

Councilman Boland said he felt the City Manager should set guidelines for department heads to follow on a pre-termination procedure.

Ralph Bishop spoke in support of an employee having representation at a pre-termination hearing.

On a voice vote of 5-0, Councilman Bissette's motion to amend Ordinance 1542 carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1542 passed on third and final reading, as amended.

Complete text of Ordinance No. 1542 will be found in Ordinance Book No. 10 at page 315.

Vice-Mayor Bratton closed the public hearing at 4:25 p.m.

Vice-Mayor Bratton said members of Council were previously furnished copies of the Ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1546. This motion was seconded by Councilman Bissette.

On a roll call vote of 5-0, Ordinance No. 1546 passed on first reading.

PUBLIC HEARING - SITE PLAN FOR PACK PLAZA PROJECT

4. A public hearing was held relative to a site plan for the Pack Plaza Project.

Vice-Mayor Bratton said on November 27, 1984, City Council reviewed and approved the site plan of the South Pack Plaza Project in concept. She said it is now in order for Council to consider the final approval to the site plan. She said the fiscal impact of the project would be:

Total Project Cost:	$18,200,000
Developer Debt/Equity	$13,000,000
UDAG Grant	3,200,000
Local Contributions	2,000,000

Anticipated Tax Increase:	
Property	$56,970
Sales	23,400
Personal	21,000
Total	$101,370/yr.

Vice-Mayor Bratton opened the public hearing at 4:28 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing, and the affidavit of publication.

Verl Emrick, Director of Planning, said this is the final step in getting the project to the building permit stage. He said there was no change since the tentative approval by Council, and the only modifications are minor design changes that have been made to meet historic preservation requirements. He said all but two pieces of property have been acquired and the project is ready to move ahead without obtaining the additional property at the present time.

Upon inquiry of Ralph Bishop, Verl Emrick said no local ad valorem taxes were involved in the project.

Vice-Mayor Bratton closed the public hearing at 4:31 p.m.

Councilman Frank moved to approve the site plan for the Pack Plaza Project. This motion was seconded by Councilman Bissette and carried unanimously.

Mr. Charles Fant plans to build a single family residence on Disposal Parcel 187-B at an estimated construction cost of $40,000.00.

57-A,B,C are located at the intersection of Southside, McDowell and Asheland Avenue.

96-B.2 is located on Lyman Street.

99 is located on Lyman Street.

187-B is located on Beech Street off Livingston Street.

Councilman Frank moved to accept the recommendation of the Housing Authority relative to the sale of Disposal Parcels 57-A,B,C; 96-B.2; 99; and 187-B in the East Riverside Development Area. The motion was seconded by Councilman Price and carried unanimously.

RESOLUTION 85-195 - RESOLUTION AUTHORIZING THE MAYOR TO MAKE APPLICATION FOR STATE WATER GRANT FUNDS FOR THE WATER MASTER PLAN PROJECT

8. Consideration was given to a resolution authorizing the Mayor to make application for State Water Grant Funds for the Water Master Plan Project.

Vice-Mayor Bratton said the State has recently appropriated grant funds for eligible water projects to counties and municipalities. Such grants are to be made for eligible projects on a 50% matching basis. The recently adopted Asheville/Buncombe Water Authority Water System Master Plan is such an eligible project. A resolution must be adopted by April 1, 1986 indicating that it will proceed with an eligible project. This resolution will authorize the Mayor to make application for the Water System Master Plan Project.

Vice-Mayor Bratton said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 85-195 was unanimously adopted.

Complete text of Resolution No. 85-195 will be found in Resolution Book No. 15 at page 343-344.

RESOLUTION NO. 85-196 - RESOLUTION DESIGNATING THE COMMUNITY ARTS COUNCIL TO RECEIVE FUNDS FROM THE DONATION OF PACK PLAZA ASSOCIATES LIMITED PARTNERSHIP FOR THE CULTURAL ARTS AND SCIENCE FACILITIES IN THE PACK PLAZA REDEVELOPMENT PROJECT

9. Consideration was given to a resolution designating the Community Arts Council to receive funds from the donation of Pack Plaza Associates, Limited Partnership for the Cultural Arts and Science Facilities in the Pack Plaza Redevelopment Project.

Vice-Mayor Bratton said this resolution would authorize the Interim City Manager to transfer $12,500 of the $150,000 contribution from Pack Plaza Associates, Limited Partnership for the Cultural Arts and Science Facilities in

Councilman Boland moved that the Asheville City Council or Council's designee, hold a hearing in six months, from this date, for City employees and department heads to comment on the effectiveness of Ordinance No. 1542. This motion was seconded by Councilman Bissette and carried unanimously.

FURTHER ACTION ON BIDS RELATIVE TO HAW CREEK SEWER LINE PROJECT

6. Vice-Mayor Bratton said on Tuesday, October 8, 1985, bids were opened for the Haw Creek area sewerage facilities. The apparent low bidder was Huntley Construction Company with a bid of $131,459.00. In a meeting with the Water and Sewer Staff, Mr. Huntley reported that he had made an error in his bid of approximately $100,000,00. During the City Council meeting on October 15, 1985, a motion was made and seconded to accept the bid of Huntley Construction Company in the amount of $131,459.00 and that, if needed, further action relative to the bids would be taken at the October 29, 1985 meeting.

Councilman Price moved to reject all bids, except the Huntley Construction Company bid in the amount of $131,459.00, for the Haw Creek Sewer Line Project. This motion was seconded by Councilman Bissette and carried unanimously.

Councilman Price said since errors were made in the bidding process, she did not feel taxpayers should bear the expense of the difference between the low bid, and the second low bid and they should not bear the burden of a mistake made by the contractors in this profession.

SALE OF DISPOSAL PARCELS 57-A,B,C, 96-B.2, 99 and 187-B - EAST RIVERSIDE REDEVELOPMENT AREA

7. Consideration was given to a motion approving the sale of disposal parcels 57-A,B,C, 96-B.2, 99, and 187-B in the East Riverside Redevelopment Area.

Vice-Mayor Bratton said the Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East Riverside Redevelopment Area.

Parcel	Reuse	Price	Bid	Redeveloper
57-A,B,C	Commercial	$331,000.00	$497,500.00	Windswept Views of Asheville, Inc.
96-B.2	Lt. Industrial	25,000.00	25,200.00	Bushfield Land Co.
99	Lt. Industrial	9,700.00	10,100.00	A. Jerome Dave
187-B	Residential	5,750.00	5,911.00	Charles L. Fant

Windswept Views of Asheville, Inc. plans to develop 57-A,B, & C as office condominiums consisting of five (5) two-story buildings with on-grade parking and entry at each level. A total of 55,000 sq. ft. will be constructed at an estimate cost of $3,575,000.00.

Bushfield Land Company plans to build a 4,800 sq. ft. office building on Disposal Parcel 96-B.2 at an estimated construction cost of $210,000.00.

Mr. Jerome Dave plans to build an office building for Dave Steel Co. on Disposal Parcel 99 at an estimated cost of $125,000.00 - $150,000.00.

the residents of the Redwood Forest Subdivision and Shawnee Trail to rezone their property from R-2 Residential District to R-1 Residential District.

FISCAL IMPACT: None

B. Consideration of a motion scheduling a public hearing relative to the adoption of an ordinance designating "The Gate House" at 265 Charlotte Street as historic property for November 26, 1985.

HIGHLIGHTS: The structure known as "The Gate House" was completed in 1899 as the entrance to the grounds of the Manor Inn, and remains an impressive Lodge of shingle, stucco, and timber with a rock tower. It also serves as a reminder of the architecture of early resort developments in Western North Carolina. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission.

FISCAL IMPACT: None

C. Consideration of a motion scheduling a public hearing relative to the adoption of an ordinance designating "first block of North Market Street and Langren Alley" as historic property for November 26, 1985.

HIGHLIGHTS: North Market Street is the last street in the City of Asheville having brick pavement, and Langren Alley is the last street in the City of Asheville having Belgian block pavement. These pavements figured prominently in the development of Asheville's thoroughfares. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission.

FISCAL IMPACT: None

D. Consideration of a motion scheduling a public hearing relative to the adoption of an ordinance designating "The Manor Inn" at 265 Charlotte Street as historic property for November 26, 1985.

HIGHLIGHTS: "The Manor" was completed in 1899 as an "English Country Inn in America", and is a rare surviving example of the picturesque resort development so important to the history of the North Carolina mountains. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission.

FISCAL IMPACT: None

the Pack Plaza Redevelopment Project to the Community Arts Council, as contract administrator for the Cultural Facilities Committee, for the first phase of a feasibility study by the consultant for said Cultural Arts and Science Facilities.

Vice-Mayor Bratton said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-196 was unanimously adopted.

Complete text of Resolution No. 85-196 will be found in Resolution Book No. 85 at page 345-346.

RESOLUTION NO. 85-197 - RESOLUTION CREATING A POLICEMEN'S PENSION/DISABILITY FUND TASK FORCE

10. Consideration was given to a resolution creating a Policemen's Pension/Disability Fund Task Force.

Vice-Mayor Bratton said the City Council has received several requests from active and inactive members of the Police Pension and Disability Fund. In an effort to effectively respond to these requests, the Council desires to create a task force to review current requests and related issues following the plan.

Vice-Mayor Bratton said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-197 was unanimously adopted.

Complete text of Resolution No. 85-197 will be found in Resolution Book No. 15 at 347, 348, and 349.

APPROVAL OF THE CONSENT AGENDA

11. Consideration was given to a motion approving the consent agenda.

Vice-Mayor Bratton said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Consideration of a motion scheduling a public hearing relative to rezoning the Redwood Forest Subdivision and Shawnee Trail for November 19, 1985.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held October 2, 1985, reviewed and approved the petition of

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-199 was unanimously adopted.

Complete text of Resolution No. 85-199 will be found in Resolution Book No. 15 at page 351.

COUNCIL MEETING SCHEDULED FOR NOVEMBER 12, 1985 - CANCELLED

14. Councilman Price moved to cancel the regularly scheduled Council meeting of November 12, 1985 due to the lack of a quorum in that the majority of members of Council would be attending a North Carolina League of Municipalities meeting in Raleigh, North Carolina. This motion was seconded by Councilman Frank and carried unanimously.

RESCHEDULING PUBLIC HEARING - REZONING PROPERTY LOCATED AT 4 CLAIRMONT AVENUE

15. Councilman Price moved to reschedule the public hearing relative to rezoning property located at 4 Clairmont Avenue for November 19, 1985. This motion was seconded by Councilman Frank and carried unanimously.

RESCHEDULING PUBLIC HEARING - PHASE THREE OF THE HAZELWOOD SUBDIVISION - LOCATED NORTH LOUISIANA AVENUE

16. Councilman Price moved to reschedule the public hearing for Phase Three of the Hazelwood Subdivision to be located on North Louisiana Avenue for November 19, 1985. This motion was seconded by Councilman Frank and carried unanimously.

RESCHEDULING PUBLIC HEARING - DESIGNATING ADDITIONAL HOLIDAY FOR CITY EMPLOYEES - MEMORIAL DAY

17. Councilman Price moved to reschedule the public hearing relative to designating an additional holiday for City employees (Memorial Day) for November 26, 1985. This motion was seconded by Councilman Frank and carried unanimously.

CLAIMS - HERMAN SMITH (WATER) - ARNOLD KROCHMAL (WATER) - LEE BLANKE (WATER)

18. The Acting City Manager presented claims from Herman Smith, Arnold Krochmal, and Lee Blanke.

Vice-Mayor Bratton referred the claims to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 85-200 - RESOLUTION AUTHORIZING THE LINCOLN CITY MANAGER TO SIGN AN AGREEMENT OF FINAL COMPROMISE, SETTLEMENT AND RELEASE FOR WADE COLE WORKERS' COMPENSATION CLAIM

19. Consideration was given to a resolution authorizing the City Manager to sign an agreement of final compromise, settlement and release for Wade Cole Workers' Compensation Claim.

E. Consideration of a motion scheduling a public hearing relative to the adoption of an ordinance designating "The Grove Arcade Building" on Battle Square as historic property for November 26, 1985.

HIGHLIGHTS: "The Grove Arcade" was designed by prominent architect George N. Parker and built for famous developer and entrepreneur Edwin W. Grove, known as the "Father of Twentieth Century in Asheville". "The Grove Arcade" is a grand and flamboyant building constructed of fine ornamental terra cotta and stone, and is finished inside and out with Tudoresque and medieval ornamentation. This building is also a rare example of an interior shopping arcade with covered pedestrian thoroughfares. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission.

Upon motion of Councilman Price, seconded by Councilman Frank, the consent agenda was unanimously approved.

RESOLUTION NO. 85-198 - RESOLUTION ACCEPTING EASEMENT FROM LAKEVIEW PARK COMMISSION, INC., FOR THE CONSTRUCTION AND MAINTENANCE OF GLEN FALLS ROAD BRIDGE

12. Consideration was given to a resolution accepting easement from Lakeview Park Commission, Inc., for the construction and maintenance of Glen Falls Road Bridge.

The Acting City Manager read the resolution stating that the Lakeview Park Commission is the owner of the property adjoining Glen Falls Road Bridge, and construction of a new bridge at this site is necessary. The Lakeview Park Commission, Inc. has consented to grant to the City of Asheville a perpetual 60' easement for the purpose of construction and maintenance of the bridge. He said this resolution will accept the easement from the Lakeview Park Commission, Inc.

Upon motion of Councilman Bissette, seconded by Councilman Price, Resolution No. 85-198 was unanimously adopted.

Complete text of Resolution No. 85-198 will be found in Resolution Book No. 15 at page 350.

RESOLUTION 85-199 - RESOLUTION AUTHORIZING THE PURCHASING DIRECTOR TO SELL SURPLUS MOTOR VEHICLES AT PUBLIC AUCTION

12. Consideration was given to a resolution authorizing the Purchasing Director to sell surplus motor vehicles at public auction.

The Acting City Manager read the resolution stating that the Motor Transport Superintendent has declared 47 motor vehicles as surplus. He said the Purchasing Director would be authorized to dispose of these vehicles by public auction to take place at the new Vehicle Maintenance Facility on South Charlotte Street beginning at 10:00 a.m. on Saturday, November 23, 1985.

ADJOURNMENT TO EXECUTIVE SESSION

Councilman Boland moved to adjourn the meeting to go into Executive Session. This motion was seconded by Councilman Bissette and carried unanimously.

MAYOR

CITY CLERK

The Corporation Counsel read the resolution stating that Wade Cole sustained a compensable injury under Chapter 97 of the North Carolina General Statutes for Workers' Compensation on or about the 14th day of October, 1975, and the City of Asheville has paid Mr. Cole all benefits to which he is entitled under the North Carolina Workers' Compensation Act to date. The City of Asheville and Wade Cole have reached an agreement as to the amount of compensation due for the permanent partial disability he incurred from said injury. The agreement for final compromise settlement and release fully and accurately describes the extent of his disabilities and the amount of compensation to which Mr. Cole is entitled for the disabilities. The City of Asheville and Wade Cole mutually desire to finally establish the limits to which the City of Asheville shall be liable for these injuries. This resolution will authorize the Interim City Manager to execute an agreement with Wade Cole on behalf of the City of Asheville.

Upon motion of Councilman Price, seconded by Councilman Bissette, Resolution No. 85-200 was unanimously adopted.

Complete text of Resolution No. 85-200 will be found in Resolution Book No. 15 at page 352.

COMMENTS BY BARRY OLEN - WALL STREET MERCHANT - REDEVELOPMENT PLAN

Mr. Barry Olen, Wall Street merchant, spoke to Council relative to the recently adopted Redevelopment Plan for the Haywood/Wall Street Area. He said he felt that representatives from the local Haywood/Wall Street Area should be included on the Design Review Board outlined in the Redevelopment Plan. He said he felt this would allow citizen participation in the plan.

Mr. Olen also spoke relative to the proposed Wall Street Plan stating that the square footage suggested for businesses by the proposed developer would not be adequate for Wall Street merchants.

Vice-Mayor Bratton requested that Mr. Olen put his request relative to the Design Review Board in writing, and submit the suggestions to members of Council.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

COMMENTS RELATIVE TO REINSTATEMENT ACTIONS ON GRIEVANCE PROCEDURES BY CITY EMPLOYEES - DAVID ANDERS

The Asheville Firefighters Association again requested information relative to the reinstatement of actions being retroactive to the date a grievance is filed.

Corporation Counsel Slawter advised Mr. Anders that the Civil Service Board has the authority to reinstate any corrective measures back to the date of the wrongful act.

Complete text of Ordinance No. 1547 will be found in Ordinance Book No. 10 at Page 324.

MAYOR McDEVITT CONGRATULATED INCUMBENT COUNCIL MEMBERS ON THEIR RE-ELECTION TO COUNCIL

Mayor McDevitt congratulated the incumbent Council members for their re-election in the recent City Council election, and Louis Bissette for his election as Mayor of the City of Asheville.

VOTING DELEGATE - NORTH CAROLINA LEAGUE OF MUNICIPALITIES CONVENTION - NOVEMBER 10-12, 1985

It was the consensus of Council that Councilman Louis Bissette be the voting delegate for the City of Asheville at the North Carolina League of Municipilities Convention in Raleigh November 10-12, 1985, and that Councilman Mary Lloyd Frank be the City of Asheville's alternate Voting Delegate.

MAYOR McDEVITT - ANNOUNCEMENT OF STATE OF CITY ADDRESS

Mayor McDevitt noted that the Asheville Rotary Club is hosting a meeting on November 14, 1985, at 12:30 p.m. at which time he would be giving a State of the City Address. He asked members of Council to attend and to let him know if they have any thoughts or ideas for him to cover during the State of the City Address.

ADJOURNMENT TO EXECUTIVE SESSION

Councilman Price moved to adjourn to executive work session to discuss real estate, personnel, and legal matters. This motion was seconded by Councilman Bissette and carried unanimously.

MAYOR

CITY CLERK

Thursday - November 7, 1985 - 4:00 p.m.

Special Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr; and Deputy City Clerk Carol Hensley.

Absent: Councilman Gordon Myers

INVOCATION

The invocation was given by Councilman Louis Bissette.

RESOLUTION NO. 85-201 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND INDUSTRIAL MAINTENANCE AND OVERFLOW CORPORATION FOR BOILER REPLACEMENT IN THE CITY HALL BUILDING

1. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City an agreement by and between the City of Asheville and Industrial Maintenance and Overflow Corporation for boiler replacement in the City Hall Building.

Mayor McDevitt read the resolution stating that a new replacement boiler has been delivered and the consulting architect has prepared contract documents for the replacement of one of the existing boilers. The consulting architect and City staff have recommended that the contract for the work be awarded to Industrial Maintenance and Overflow Corporation as the lowest responsible bidder, in the amount of $22,435.00.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-201 was unanimously adopted.

Complete text of Resolution No. 85-201 will be found in Resolution Book No. 15 at Page 353.

ORDINANCE NO. 1547 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDING FOR THE REPLACEMENT OF THE CITY HALL BOILER

2. Consideration was given to a budget ordinance amendment to provide funding for the replacement of the City Hall boiler, including acquisition, installation, and removal of asbestos in the amount of $58,300.00.

Mayor McDevitt read the ordinance.

Councilman Boland moved for the adoption of Ordinance No. 1547. This motion was seconded by Councilman Bissette.

On a roll call vote of 6-0, Ordinance No. 1547 passed on first and final reading.

RESOLUTION NO. 85-202 - RESOLUTION OF APPRECIATION TO ASSISTANT CHIEF JOHN W. PARRIS

4b. Consideration was given to a resolution of appreciation to Assistant Chief John W. Parris.

Mayor McDevitt read the resolution stating that Assistant Chief Parris has faithfully served the City of Asheville since 1956, being promoted to Assistant Chief in 1978, and has requested retirement from his present post, effective July 1, 1985.

Upon motion of Councilman Boland, seconded by Councilman Bissette, Resolution No. 85-202 was unanimously adopted.

Complete text of Resolution No. 85-202 will be found in Resolution Book No. 15 at page 354.

Mayor McDevitt presented a copy of the resolution to Assistant Chief John Parris.

DONATION FROM LONG JOHN SILVER'S - MAYOR'S COMMITTEE FOR EMPLOYMENT OF THE HANDICAPPED COMMITTEE

5. Mayor McDevitt introduced Mr. Tom Waller, Manager of Long John Silver's in Biltmore, and Gary Martin, Chairman of the Mayor's Committee for Employment of the Handicapped. He said Long John Silver's in Biltmore recently opened a new store, and he was invited to attend a ribbon cutting of the opening of the new store. He said since he was unable to attend, Vice-Mayor Bratton attended the ribbon cutting. He said Long John Silver's made a donation of $200 to the Mayor's favorite charity. He said it was his decision to present the donation to the Mayor's Committee for Employment of the Handicapped.

Mayor McDevitt thanked Mr. Waller and Long John Silver's for their contribution to the Mayor's Committee for Employment of the Handicapped.

SWEARING IN OF POLICE RESERVE OFFICERS - B. L. PENLEY - B. R. MARTIN - D. R. GALLAGHER - R. S. DUTCHER

6. Mayor McDevitt, assisted by Lt. Mike Berry, swore in Police Reserve Officers B. L. Penley, B. R. Martin, D. R. Gallagher, and R. S. Dutcher.

Mayor McDevitt thanked these citizens for offering their time as Police Reserve Officers.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT #4 CLAIRMONT AVENUE

ORDINANCE NO. 1548 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON CLAIRMONT AVENUE (MR. TIM WILSON PETITION)

7. A public hearing was held relative to rezoning property located at #4 Clairmont Avenue.

Tuesday - November 19, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: Councilman Gordon Myers.

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - OCTOBER 29, 1985 MEETING

1. Approval of the minutes of the October 29, 1985 meeting.

Mayor McDevitt announced the approval of the minutes as submitted.

APPROVAL OF THE MINUTES - SPECIAL MEETING OF NOVEMBER 7, 1985

2. Approval of the minutes of the special meeting of November 7, 1985.

Mayor McDevitt announced the approval of the minutes as submitted.

PROCLAMATION - NOVEMBER 24 - DECEMBER 1, 1985 - "BIBLE WEEK IN ASHEVILLE"

3. Mayor McDevitt read a proclamation proclaiming November 24 - December 1, 1985, as "Bible Week in Asheville."

Mayor McDevitt presented a copy of the proclamation to Dr. Claude Frazier.

Dr. Frazier made comments relative to the proclamation.

PROCLAMATION - NOVEMBER, 1985 - "ROTARY INTERNATIONAL MONTH"

4. Mayor McDevitt proclaimed the month of November, 1985, as "Rotary International Month."

PROCLAMATION - NOVEMBER, 1985 - "ALZHEIMER'S DISEASE AWARENESS MONTH"

4a. Mayor McDevitt read a proclamation proclaiming the month of November, 1985, as "Alzheimer's Disease Awareness Month."

Mayor McDevitt presented a copy of the proclamation to Mrs. Sid Ezzell.

Mrs. Sid Ezzell said a local organization has an office in the Doctors Building for anyone who would like information relative to Alzheimer's Disease.

PUBLIC HEARING - PHASE THREE OF THE HAZELWOOD SUBDIVISION - NORTH LOUISIANA AVENUE

8. A public hearing was held relative to Phase Three of the Hazelwood Subdivision to be located on North Louisiana Avenue.

Vice-Mayor Bratton said the Asheville Planning and Zoning Commission, at a meeting held October 2, 1985, approved the final plat of Phase Three of the Hazelwood Subdivision to be located on North Louisiana Avenue. This plat was prepared by S. V. Griffith, R.L.S. for Frank McGahren and Walter Weiss, Developers, and submitted in accordance with Ordinance No. 424, as amended. The Commission approved the preliminary plat subject to compliance with the Erosion Control Ordinance.

Vice-Mayor Bratton opened the public hearing at 4:50 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said all other phases of the Hazelwood Subdivision have received prior approval. He said the Planning and Zoning Commission had approved the preliminary plat of Phase Three of the Hazelwood Subdivision subject to compliance with the Erosion Control Ordinance.

A discussion was held, instituted by Councilman Price, relative to the subdivision not being subject to City Building Code requirements. She said she felt the subdivision should be provided with fire hydrants.

Walter Weiss, Developer of Hazelwood Subdivision, said the developers are not required to put in fire hydrants. He said he felt the fire pumper truck with the West Buncombe Volunteer Fire Department would be capable of taking care of any fires in the subdivision.

Councilman Boland said he concurred with Councilman Price that fire hydrants should be provided in a subdivision, and he also felt that a fire pumper truck would not be sufficient to take care of a fire in a subdivision.

Vice-Mayor Bratton closed the public hearing at 4:56 p.m.

After discussion, Mayor McDevitt moved to defer action on Phase Three of the Hazelwood Subdivision until November 26, 1985, giving the developer an opportunity to review the possibility of installing fire hydrants in the subdivision. This motion was seconded by Councilman Boland and carried unanimously.

PUBLIC HEARING - REZONING REDWOOD FOREST SUBDIVISION AND SHAWNEE TRAIL

ORDINANCE NO. 1549 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED IN REDWOOD FOREST AND SHAWNEE TRAIL AREA (MR. TED MORRIS AGENT)

9. A public hearing was held relative to rezoning the Redwood Forest Subdivision and Shawnee Trail.

Mayor McDevitt said the Asheville Planning and Zoning Commission, at a meeting held October 2, 1985, considered the petition of Mr. Tim Wilson that Ward 9, Sheet 6, Lot 35, be rezoned from R-3 Residential District to CH Commercial Highway District. The property is located at #4 Clairmont Avenue. After review and discussion, the Commission voted to recommend to City Council that Lot 35 and Lot 34, Sheet 6, Ward 9, be rezoned from R-3 Residential District to CH Commercial Highway District.

Mayor McDevitt opened the public hearing at 4:33 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission had recommended the rezoning of Lot 35 and Lot 34 from R3 Residential District to CH Commercial Highway District. He said concerns were expressed relative to direct access onto Clairmont Avenue. He said Council could have the option of rezoning only a portion of Lot 35, leaving a 10-foot buffer zoned R3 Residential District to prohibit access onto Clairmont Avenue.

Jim Groce, with the Citizens Home Center, said his company has the opportunity to purchase this property for expansion of their present business. He said they are not interested in access from Clairmont Avenue, mainly because Clairmont Avenue is a narrow street. He said the expansion would be used for a garden shop and parking.

A discussion was held relative to leaving a 10-foot buffer zoned R3 Residential District prohibiting the use of the property for commercial development.

Mayor McDevitt requested that Council excuse him from participation and voting on the rezoning of #4 Clairmont Avenue due to the fact that his law firm represents Mr. Groce, and he felt this would be a complict of interest.

Councilman Bissette moved to excuse Mayor McDevitt from voting on the issue relative to rezoning property located at #4 Clairmont Avenue. This motion was seconded by Councilman Frank and carried unanimously.

Vice-Mayor Bratton took over the meeting.

Upon inquiry of Councilman Bissette, Mr. Emrick said during the Planning and Zoning Commission meeting, questions were only raised relative to clarification, and that no opposition had been expressed at the meeting.

Vice-Mayor Bratton closed the public hearing at 4:46 p.m.

Councilman Price moved for the adoption of Ordinance No. 1548, provided that a 10-foot buffer on Lot 35 remain zoned R3 Residential District. This motion was seconded by Councilman Boland.

On a roll call vote of 5-0, Ordinance No. 1548 passed on first reading.

Vice-Mayor Bratton said she was thoroughly familiar with the area and would support the requested rezoning to R-1 Residential District.

Vice-Mayor Bratton moved for the adoption of Ordinance No. 1549. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1549 passed on first reading.

ORDINANCE NO. 1546 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON CRAVEN STREET (MR. LAWRENCE LYNCH)

10. Consideration was given to the second reading of Ordinance No. 1546, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended - property located on Craven Street (Mr. Lawrence Lynch petition).

Mayor McDevitt said the Asheville Planning and Zoning Commission, at a meeting held September 11, 1985, considered the petition of Mr. Lawrence Lynch that Ward 6, Sheet 1, Lot 91, be rezoned from R-3 Residential District to CS Commerical Service District. The property is located at Georgia Avenue and Craven Street. After review and discussion, the Commission voted to recommend to City Council that a portion of Lot 91, Sheet 1, Ward 6, be rezoned from R-3 Residential District to CS Commerical Service District. This ordinance passed on first reading on October 29, 1985.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1546 passed on second reading.

RESOLUTION NO. 85-203 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A LEASE AGREEMENT WITH THE ASHEVILLE MALL, INC., FOR LOCATING A TWO-WAY FM RADIO TRANSMITTER AT WHITE FAWN RESERVOIR

11. Consideration was given to a resolution authorizing the City Manager to execute a lease agreement with the Asheville Mall, Inc., for locating a two-way FM radio transmitter at White Fawn Reservoir.

Mayor McDevitt said the City of Asheville owns and operates a two-way FM radio system under license from the Federal Communications Commission. These facilities and equipment are located at White Fawn Reservoir. The Asheville Mall, Inc., desires to locate a two-way FM radio transmitter and antenna at the White Fawn site. This resolution will authorize the City Manager to enter into a lease agreement on behalf of the City with The Asheville Mall, Inc.

Mayor McDevitt said members of Council were furnished copies of the resolution, and it would not be read in its entirety.

Mayor McDevitt resumed the Chair.

Mayor McDevitt said the Asheville Planning and Zoning Commission, at a meeting held October 2, 1985, reviewed and approved the petition of the residents of the Redwood Forest Subdivision and Shawnee Trail to rezone their property from R-2 Residential District to R-1 Residential District.

Mayor McDevitt opened the public hearing at 5:03 p.m..

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the property requested to be rezoned contains 98 lots. He said there were 68 signatures of property owners in the area. He said if the property is rezoned, five lots would be nonconforming due to lot size, and 47 lots would be nonconforming due to width of the lots. He said the property requested to be rezoned has deed restrictions. He said objections to the rezoning had been received from Asheville Contracting Company, owner of Lot 18, through their attorney, George Saenger.

Gwen Radeker, Attorney representing Edwin Green, owner of 10.6 acres on Shawnee Trail, spoke in favor of the rezoning. He said the only access onto land on Shawnee Trail is through Redwood Forest.

Richard Schumacher, Attorney representing the Redwood Forest Subdivison, spoke in support of the rezoning, stating that the neighborhood has only one access road and cannot accommodate additional traffic. He said he felt that single family residential district is the best use for the land in Redwood Forest. He said that City Council also, in their adoption of the 1977 Land Use Plan, had stated that this area should be used strictly for single family residences. He said he did not feel Council should delay action on the rezoning pending recommendations from Alternatives for Asheville relative to a comprehensive plan for the City of Asheville.

Attorney George Saenger, representing Asheville Contracting Company, owner of Lot 18, said his client objected and protested to the proposed rezoning. He said his client owns property at the intersection of I-240 and Highway 70, property which was filled from materials from the I-240 cut. He said the property was filled and compacted for future use at State standards, and the property is not appropriate for R-1 zoning. He said his client does not object to other rezonings requested, but did object to their own property being rezoned. He requested that Council delete Lot 18 from the requested rezoning. He said he also feels Alternatives for Asheville recommendations will be important, and it is prudent for Council to listen to their recommendations.

Mayor McDevitt closed the public hearing at 5:26 p.m.

Mayor McDevitt said Eugene Rankin Elementary School is property owned by the Asheville City Board of Education. The Board is of the opinion that the use of Eugene Rankin Elementary School property is neither necessary nor desirable for use by the Board for public school purposes. The City of Asheville owns property north of Ira B. Jones Elementary School which is known as the "Swain Property." The City no longer needs this property for its purposes and has determined that this property will most likely be needed by the Board for future expansion of Ira B. Jones Elementary School properties. This resolution will authorize the Mayor to execute any documents required for the exchange of these properties, said documents to be approved by the Corporation Counsel.

Mayor McDevitt also noted that a provision would be in the agreement that the Asheville City Board of Education shall be required to demolish and remove the existing buildings on the Rankin School property at its expense, with the City to provide trucks and truck drivers to haul off the debris from said demolition. He said the conveyance by the City to the Board of the Swain Property shall be by non-warranty deed which shall provide that title thereto shall revert to the City in the event the Board ceases to use the property for public school purposes.

Upon motion of Councilman Bissette, seconded by Councilman Boland, Resolution No. 85-205 was unanimously adopted.

Complete text of Resolution No. 85-205 will be found in Resolution Book No. 15 at page 357 and 358.

RESOLUTION NO. 85-206 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH CLEAR DAY, INC., FOR PROFESSIONAL WINDOW CLEANING SERVICES AND EXTERIOR CAULKING OF WINDOWS FOR THE CITY HALL BUILDING

14. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Clear Day, Inc., for professional window cleaning services and exterior caulking of windows for the City Hall Building.

Mayor McDevitt said bid requests were sent to 26 prospective vendors with only two companies returning bids. Clear Day, Inc., is the lowest responsible bidder. This resolution will authorize the City Manager to enter into an agreement with Clear Day, Inc., to provide window cleaning service and exterior, caulking of windows for the City Hall Building.

Mayor McDevitt said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-206 was unanimously adopted.

Complete text of Resolution No. 85-206 will be found in Resolution Book No. 15 at page 359.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 85-203 was unanimously adopted.

Complete text of Resolution No. 85-203 will be found in Resolution Book No. 15 at page 355.

RESOLUTION NO. 85-204 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND ENWRIGHT ASSOCIATES, INC., FOR THE DESIGN SERVICES FOR A MULTI-LEVEL PARKING DECK ON RANKIN AVENUE

11. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an agreement by and between the City of Asheville and Enwright Associates, Inc., for the design services for a multi-level parking deck on Rankin Avenue.

Mayor McDevitt said the Asheville City Council has decided to construct a multi-level parking structure on the site of the current municipal parking lots located on property bounded on the east by Rankin Avenue, on the north by Walnut Street and on the south by College Street. This resolution will authorize the Mayor to enter into an agreement with Enwright Associates, Inc., for the design and construction inspection of a multi-level deck parking structure on Rankin Avenue.

The consultant's design fee of $111,000 plus reimbursable expenses of $8,630 (total $119,630) will be budgeted in the Downtown Redevelopment Fund/ Haywood Street Redevelopment Plan.

Upon inquiry of Ralph Bishop, Mayor McDevitt said the City of Asheville has not yet acquired the property on which the parking facility will be built.

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 85-204 was unanimously adopted.

Complete text of Resolution No. 85-204 will be found in Resolution Book No. 15 at page 356.

RESOLUTION NO. 85-205 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE ANY AND ALL DOCUMENTS NECESSARY TO EXCHANGE CITY-OWNED PROPERTY KNOWN AS THE "SWAIN PROPERTY" LOCATED NORTH OF IRA B. JONES ELEMENTARY SCHOOL FOR THE EUGENE RANKIN ELEMENTARY SCHOOL TRACT OWNED BY THE ASHEVILLE CITY BOARD OF EDUCATION

13. Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute any and all documents necessary to exchange City-owned property known as the "Swain Property" located north of Ira B. Jones Elementary School for the Eugene Rankin Elementary School tract owned by the Asheville City Board of Education.

Councilman Bissette read the resolution stating that the Blue Ridge Parkway management has found Asheville to be both a logical and desirable location for its permanent headquarters, and after a lengthy identification and evaluation process, a 81.66 acre tract on Hemphill Knob has been selected as the best possible location for a Blue Ridge Parkway Headquarters facility and visitor center in the Asheville area. He said this resolution will support the Department of Interior's purchase of this land for use as the Blue Ridge Parkway's permanent headquarters and would urge our representatives in the United States Congress to seek approval of the project.

Upon motion of Councilman Bissette, seconded by Councilman Price, Resolution No. 85-207 was unanimously adopted.

Complete text of Resolution No. 85-207 will be found in Resolution Book No. 15 at page 360.

RESOLUTION NO. 85-208 - RESOLUTION AUTHORIZING THE PURCHASING DIRECTOR TO SELL SURPLUS MOTOR VEHICLES AT PUBLIC AUCTION

18. Consideration was given to a resolution authorizing the Purchasing Director to sell surplus motor vehicles at a public auction.

Resolution No. 85-199, adopted October 29, 1985, authorized the disposal of 47 motor vehicles, and the City's Motor Transport Superintendent has identified seven additional vehicles as surplus property. He says this resolution will authorize the sell of the seven additional vehicles at the auction to be held on November 23, 1985.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-208 was unanimously adopted.

Complete text of Resolution No. 85-208 will be found in Resolution Book No. 15 at page 361.

CLAIMS - DAVEY TREE COMPANY (SANITATION) - STEVE HODGENS (WATER) - MARIE CANTRELL (WATER) - SOUTHERN BELL (WATER) - CYNTHIA MCFATTER (WATER) - A. R. RIDDLE (SEWER) - JOHN RAINES (SANITATION)

The Acting City Manager presented claims received from Davey Tree Company, Steve Hodgens, Marie Cantrell, Southern Bell, Cynthia McFatter, A. R. Riddle, and John Raines.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUIT - WADE HOWELL VS. CITY OF ASHEVILLE (SEWER BACKED UP)

The Acting City Manager said the City was served with a summons relative to a lawsuit involving Wade Howell vs. City of Asheville (sewer backed up).

Mayor McDevitt referred the summons to the Corporation Counsel for investigation and recommendation.

SCHEDULING PUBLIC HEARING - ZONING ORDINANCE AMENDMENT - RIDGE LAW AMENDMENT - DECEMBER 10, 1985

15. Consideration was given to a motion to schedule a public hearing relative to amending the Zoning Ordinance for Ridge Law Amendments for December 10, 1985.

Mayor McDevitt said at the regular meeting of the Asheville Planning and Zoning Commission held on November 13, 1985, the Commission recommended to Council the adoption of an Ordinance amending Chapter 30 of the Code of Ordinances of the City of Asheville to expand the coverage of the Mountain Ridge Protection Act of 1983 to prohibit tall buildings on all ridges 500 feet above the adacent valley floor.

Councilman Price moved to schedule a public hearing relative to amending the Zoning Ordinance for Ridge Law Amendments for December 10, 1985. This motion was seconded by Councilman Frank and carried unanimously.

APPROVAL OF SIGN PERMIT - 800 FAIRVIEW ROAD - KENTUCKY FRIED CHICKEN

16. Consideration was given to a motion relative to approving a sign permit for an identification sign at 800 Fairview Road.

Verl Emrick, Director of Planning, said Kentucky Fried Chicken has requested a sign permit to erect an identification sign at 800 Fairview Road advertising "Kentucky Fried Chicken." This sign requires approval of City Council pursuant to the Zoning Ordinance in that the sign will be situated closer than 600' of a limited access highway.

Upon inquiry of Councilman Boland, Councilman Price said Alternatives for Asheville will be addressing signs, both small and large billboards.

After discussion, Councilman Bissette moved to delay consideration of the sign permit until November 26, 1985. This motion was seconded by Councilman Price and carried unanimously.

Councilman Bissette requested that the parties involved in requesting the sign permit be notified that this matter will be discussed on November 26, 1985.

Councilman Price also requested that Quality Forward be notified that Council would be taking action relative to a sign permit at 800 Fairview Road.

RESOLUTION NO. 85-207 - RESOLUTION SUPPORTING THE DEPARTMENT OF INTERIOR'S PURCHASE OF PROPERTY ON HEMPHILL KNOB FOR THE HEADQUARTERS OF THE BLUE RIDGE PARKWAY

17. Consideration was given to a resolution supporting the Department of Interior's purchase of property on Hemphill Knob for the Headquarters of the Blue Ridge Parkway.

The Corporation Counsel read the resolution stating that Harry Brunner has appealed two decisions of the Board of Adjustments of the City of Asheville to the Superior Court. He said one of the actions is pending in Superior Court, and the other action has been concluded in Superior Court, but is on appeal to the North Carolina Court of Appeals. He said the City Council has decided, upon recommendation of the Corporation Counsel, to retain outside Counsel in connection with these proceedings. He said Max O. Cogburn has agreed to provide the necessary legal services.

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 85-210 was unanimously adopted.

Complete text of Resolution No. 85-210 will be found in Resolution Book No. 15 at page 363.

ORDINANCE NO. 1550 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDING FOR COURT JUDGMENT IN WAYNE WARREN MATTER

23. Consideration was given to a budget ordinance amendment to provide funding for a court judgment in the Wayne Warren matter in the amount of $50,778.

Mayor McDevitt read the ordinance.

Vice-Mayor Bratton moved for the adoption of Ordinance No. 1550. This motion was seconded by Councilman Bissette.

On a roll call vote of 6-0, Ordinance No. 1550 passed on first and final reading.

Complete text of Ordinance No. 1550 will be found in Ordinance Book No. 10 at page 329.

Attorney Lawrence Smith, representing Wayne Warren, requested that the funds to be paid to Wayne Warren be paid to him tomorrow on November 20, 1985. He said that the Corporation Counsel had stated that Mr. Warren would receive his check the day following Council's action.

Corporation Counsel Slawter said he did not make such a statement, and the funds would be paid in due course and within a reasonable period of time.

Mayor McDevitt informed Attorney Smith that the City of Asheville would move timely on this issue. The Acting City Manager said the funds would be forwarded to Mr. Warren before the end of the week.

APPROVAL OF SIGN PERMIT FOR SELF-STOWAWAY SIGN ON HAYWOOD ROAD

24. Councilman Price moved to approve the sign permit to be located on Haywood Road for Stowaway Self-Storage with a height limitation of the sign being at 20 feet. This motion was seconded by Councilman Frank and carried unanimously.

AUTHORIZATION TO EXECUTE LETTER OF INDEMNIFICATION - USE OF LEGAL BUILDING AS HEADQUARTERS FOR THE "LIGHT UP YOUR HOLIDAYS" FESTIVAL FOR NOVEMBER 25 - DECEMBER 31, 1985

20. Consideration was given to a motion authorizing the City Manager to sign a Letter of Indemnification with Pack Plaza Associates, Ltd., Partnership, for the use of the Legal Building as headquarters for the "Light Up Your Holidays" festival for November 25 - December 31, 1985.

Councilman Frank moved that the City Manager be authorized to execute a Letter of Indemnification to be given to Pack Plaza Associates, Ltd., Partnership, in order that the City may be able to use the Legal Building as headquarters for the "Light Up Your Holidays" festival for November 25 - December 31, 1985. This motion was seconded by Councilman Bissette and carried unanimously.

RESOLUTION NO. 85-209 - RESOLUTION AUTHORIZING THE BLOCKING OF VEHICULAR TRAFFIC ON PATTON AVENUE FROM BILTMORE AVENUE EAST TO COLLEGE STREET FROM 5:30 P.M. UNTIL 7:30 P.M. ON DECEMBER 1, 5, 12, AND 19, 1985 (FOR "LIGHT UP YOUR HOLIDAYS" FESTIVAL

21. Consideration was given to a resolution authorizing the blocking of vehicular traffic on Patton Avenue from Biltmore Avenue east to College Street from 5:30 p.m. until 7:30 p.m. on December 1, 5, 12, and 19, 1985, for the "Light Up Your Holidays" festival.

The Corporation Counsel read the resolution stating that the "Light Up Your Holidays" festival will be held November 27 - December 31, 1985, in the City of Asheville and is coordinated by the Asheville Parks, Recreation and Public Facilities Department, the Asheville Area Chamber of Commerce, and the Western North Carolina Community Arts Council. He said the festival will be sponsoring four special public events including the premiere on December 1, 1985, and three other celebrations on December 5, 12, and 19 at Pack Square beginning at 6:00 p.m. He said for the safety of the participants, it is advisable to restrict vehicular traffic in the Pack Square area during the times these programs are in progress.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-209 was unanimously adopted.

Complete text of Resolution No. 85-209 will be found in Resolution Book No. 15 at page 362.

RESOLUTION NO. 85-210 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN CONTRACT WITH ATTORNEY MAX O. COGBURN FOR LEGAL SERVICES IN CONNECTION WITH THE LAWSUIT FILED AGAINST THE CITY OF ASHEVILLE BY HARRY BRUMMER

22. Consideration was given to a resolution authorizing the Mayor to sign a contract with Attorney Max O. Cogburn for legal services in connection with the lawsuit filed against the City of Asheville by Harry Brummer.

first bidding, the low bidder had made an error in his bid, and Terry Brothers Construction was second low bidder. He said he tried to talk to Mr. Huff, Director of Water & Sewer Services, stating that the Code of Ethics would provide that the second low bidder receive the award of the bid. He said Mr. Huff was very upset with him for requesting this action. He said there was a lot of misunderstandings in this bid process. Mr. Terry said he was also second low bidder at the second bid opening. He said he would protest the awarding of the contract to the low bidder and hoped that Council would award the contract to Terry Brothers Construction Company due to the fact that this would morally be correct.

Mr. Terry introduced the other contractors in attendance at the meeting, all of which concurred with Mr. Terry's comments.

Gary Meece, with Taylor-Murphy Construction Company, said he also felt that Terry Brothers Construction Company should be awarded the contract because during the first bidding process, Terry Brothers had put in a good faith bid. He said this is the first time that a bid has been processed in this manner. He said if a low bidder forfeits his bond, it is customary to automatically award the bid to the second low bidder. He said the project was readvertised without alterations in the design of the project.

Jesse Jayne, with Supply Specialties, said he felt the bid on the Haw Creek Sewer Line Project was mishandled. He said he felt Terry Brothers Construction Company had been done an injustice. He requested that Council award the bid to Terry Brothers Construction Company, and that Council members give this matter strong consideration prior to awarding the bids on November 26, 1985.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

BARRY OWEN - PROPERTY OWNER DOWNTOWN - COMMENTS RELATIVE TO PROPOSED BUS TERMINAL ON LEXINGTON AVENUE

Barry Owen, property owner in downtown Asheville, spoke in opposition to the proposed bus terminal on Lexington Avenue.

Mr. Owen was informed that the zoning permit for the bus terminal on Lexington Avenue had been revoked.

Mr. Owen said Council should be very careful in the placement of a bus terminal in the downtown area due to the element of people that hang around bus terminals.

Mr. Owen also requested that Council look into the drug trafficking in the area of Biltmore Avenue.

COMMENTS BY JIM CAIRNES - FLEA MARKET ON MONTFORD AVENUE - SIDEWALKS UNDER CONSTRUCTION ON BILTMORE AVENUE - PAVING CURBING ON WILSON ALLEY

25. Jim Cairnes of 209 Cumberland Avenue spoke to members of Council relative to an on-going flea market at 200 Montford Avenue. He said the residents at 200 Montford Avenue sell every day of the week in their yard. He said it was his understanding that the Historic Resources Commission was to look into this situation, but to date, they have not.

Council instructed the Acting City Manager investigate this situation, and report back to Council next week.

Mr. Cairnes also spoke relative to the continued construction of sidewalks on Biltmore Avenue. He said it was his understanding that there was some problems with compaction in the area and lack of funds to complete the project. He said the sidewalk construction work had been stopped.

Mr. Cairnes also spoke relative to the curbing on Wilson Avenue. He said garbage trucks and delivery trucks could not travel the street without running up on the curb.

Mr. Cairnes also spoke relative to gambling and prostitution on Wilson Alley.

City Council instructed the Acting City Manager to investigate the problems mentioned by Mr. Cairnes, and report back to Council next week.

COMMENTS BY COPPER COGGINS - RESOLUTION TO NORTH CAROLINA DAY CARE COMMISSION RELATIVE TO OBJECTIONS TO REINTRODUCTION OF CORPORAL PUNISHMENT INTO DAY CARE CENTERS IN NORTH CAROLINA

26. Copper Coggins spoke to members of Council seeking their support of a resolution urging the North Carolina Day Care Commission to stand firm against the reintroduction of corporal punishment into any day care center in North Carolina in any guise. She requested that Council adopt a resolution at today's meeting so it could be sent to the North Carolina Day Care Center Commission for action on Wednesday.

It was the consensus of the members of Council that resolutions of this nature should be placed on the agenda prior to the meeting date in order that consideration could be given to the resolution prior to the meeting. It was noted that members of Council did not know enough about the requested action to commit the City at this time. It was felt that to take action at today's meeting would be setting a very bad precedent in matters that need Council's careful consideration.

COMMENTS RELATIVE TO BIDS ON 12" SEWER LINE FOR HAW CREEK

27. Garland Terry, with Terry Brothers Construction Company, appeared before Council, along with other contractors and suppliers in the area to protest the rebidding of the 12" Sewer Line Project in Haw Creek. Mr. Terry said he felt this was a rush job, and his company was second low bidder on both bids. He said that his company had been treated unfairly. He said at the

Tuesday - November 26, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Larry McDevitt, Presiding; Vice-Mayor Wilhelmina Bratton; Councilmen Mary Lloyd Frank, Norma T. Price, Gordon Myers, Walter R. Boland, and Louis Bissette; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr., and Deputy City Clerk Carol Hensley.

Absent: None

INVOCATION

The invocation was given by Mayor Larry McDevitt.

APPROVAL OF THE MINUTES - NOVEMBER 19, 1985 MEETING

1. Approval of the minutes of November 19, 1985 meeting.

Mayor McDevitt announced the approval of the minutes as submitted.

DESIGNATION OF HISTORIC PROPERTIES/JOINT MEETING/ASHEVILLE-BUNCOMBE COUNTY HISTORIC RESOURCES COMMISSION

Mayor McDevitt opened a joint meeting with The Historic Resources Commission of Asheville and Buncombe County and the Asheville City Council to consider the designation of buildings and properties as historic property.

PUBLIC HEARING - DESIGNATION OF "THE GATE HOUSE" AT 265 CHARLOTTE STREET - HISTORIC PROPERTY

ORDINANCE NO. 1551 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "THE GATE HOUSE" AT 265 CHARLOTTE STREET IN ASHEVILLE, NORTH CAROLINA, CURRENTLY OWNED BY MAPLE COVE, INC., AS HISTORIC PROPERTY

2. A public hearing was held relative to the adoption of an ordinance designating "The Gate House" at 265 Charlotte Street as historic property.

Mayor McDevitt said the structure known as "The Gate House" was completed in 1899 as the entrance to the grounds of the Manor Inn, and remains an impressive Lodge of shingle, stucco, and timber with a rock tower. It also serves as a reminder of the architecture of early resort developments in Western North Carolina. The Asheville-Buncombe County Historic Resources Commission has demonstrated the historic significance of the building, and the Division of Archives and History, North Carolina Department of Cultural Resources has endorsed the findings of the Commission.

Mayor McDevitt opened the public hearing at 4:12 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

EXECUTIVE SESSION - ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Frank, the meeting adjourned to Executive Session at 7:15 p.m.

MAYOR

CITY CLERK

Councilman Frank moved for the adoption of Ordinance No. 1552. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1552 passed on first reading.

PUBLIC HEARING - DESIGNATION OF "THE MANOR INN" AT 265 CHARLOTTE STREET AS HISTORIC PROPERTY

ORDINANCE NO. 1553 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "THE MANOR INN" AT 265 CHARLOTTE STREET IN ASHEVILLE, NORTH CAROLINA, CURRENTLY OWNED BY TRANSCO FINANCIAL GROUP, LTD., AS HISTORIC PROPERTY

4. A public hearing was held relative to adoption of an ordinance designating "The Manor Inn" at 265 Charlotte Street as historic property.

Mayor McDevitrt said "The Manor" was completed in 1899 as an "English Country Inn in America," and is a rare surviving example of the picturesque resort development so important to the history of the North Carolina mountains. The Asheville-Buncombe County Historic Resources Commission has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission.

Mayor McDevitt opened the public hearing at 4:21 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Mr. Coleman, with the Asheville-Buncombe County Historic Resources Commission, said The Manor Inn is the centerpiece of the neighborhood, and it is important to keep its historic character.

Mr. Bill Thomas, representing Matthew Ellman, said foreclosure proceedings have been instituted for the property known as The Manor at 265 Charlotte Street, and the proceedings should be concluded by Friday, December 20, 1985, if not before. He said Mr. Ellman is represented locally by Attorney Jerry Crow. He said Mr. Ellman is interested in protecting his exposure of the building. He said after the foreclosure proceedings are complete, title to the The Manor would be in Mr. Ellman's name. He said Mr. Ellman has mixed feelings about the historic designation but would be conferring with local officials relative to this designation. He said Mr. Ellman would take no position, at the present time, relative to the historic designation; however, he is interested in how many restrictions would be imposed upon the property.

Councilman Price asked Mr. Thomas to confer with the Planning Director relative to the historic designation. She said the historic property designation allows utilization of the City's "historic overlay" zoning by allowing a use for it that is not normally allowable. She said The Manor Inn is located in an R2 zone, and technically, cannot be used as an inn in that zone. However, the historic overlay zone would allow property to be used for the purpose for which it was originally built, regardless of the zone.

Mr. Coleman, with the Historic Resources Commission, said this designation was extremely important to the City of Asheville, and the neighborhood is dependent upon keeping the character of the buildings.

R. L. Bailey, owner of the Gate House, said he did not fully understand the restrictions imposed upon the property when it is designated historic property. He said the property is currently on the National Register as historic property. He said he could not speak in favor or in opposition to the ordinance at this time. However, he said he would review the restrictions and voice his opinion before the third reading of the ordinance.

Mayor McDevitt closed the public hearing at 4:15 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance, and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1551. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1551 passed on first reading.

PUBLIC HEARING - DESIGNATING "FIRST BLOCK OF NORTH MARKET AND LANGREN ALLEY" AS HISTORIC PROPERTY

ORDINANCE NO. 1552 - AN ORDINANCE DESIGNATING A STREET KNOWN AS "NORTH MARKET STREET" AND AN ALLEY KNOWN AS "LANGREN ALLEY" IN ASHEVILLE, NORTH CAROLINA, AND CURRENTLY OWNED BY THE CITY OF ASHEVILLE, AS HISTORIC PROPERTY

3. A public hearing was held relative to the adoption of an ordinance designating "a street known as North Market Street" and "an alley known as Langren Alley" as historic property.

Mayor McDevitt said North Market Street is the last street in the City of Asheville having brick pavement, and Langren Alley is the last street in the City of Asheville having Belgian block pavement. These pavements figured prominently in the development of Asheville's thoroughfares. The Asheville-Buncombe County Historic Resources Commission of has demonstrated the historic significance of the streets, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission.

Mayor McDevitt opened the public hearing at 4:16 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Mr. Coleman, with the Asheville-Buncombe County Historic Resources Commission, said the owners of the street, which would be the City of Asheville, would be responsible for keeping and maintaining the streets in their present condition.

Mayor McDevitt closed the public hearing at 4:20 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance, and it would not be read in its entirety.

ADJOURNMENT - JOINT MEETING - ASHEVILLE CITY COUNCIL/ASHEVILLE-BUNCOMBE COUNTY HISTORIC RESOURCES COMMISSION

Mayor McDevitt adjourned the joint meeting of the Asheville-Buncombe County Historic Resources Commission and continued with the regular meeting of the Asheville City Council.

PUBLIC HEARING - DESIGNATING ADDITIONAL HOLIDAY FOR CITY EMPLOYEES - MEMORIAL DAY

RESOLUTION NO. 85-211 - RESOLUTION APPROVING THE REVISION OF RULE 17(J) OF THE CIVIL SERVICE RULES AND REGULATIONS

6. A public hearing was held relative to designating an additional holiday for City employees - Memorial Day.

Mayor McDevitt said during a recent classification and compensation study conducted by Cresap, McCormick, and Paget, it was recommended that an additional holiday be designated for City employees which will bring the City up to the average number of holidays offered by surveyed organizations. A public hearing is required pursuant to the Civil Service Law.

Mayor McDevitt opened the public hearing at 4:37 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

There being no comments relative to the designation of Memorial Day as a holiday for City employees, Mayor McDevitt closed the public hearing at 4:39 p.m.

Mayor McDevitt said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Myers, Resolution No. 85-211 was unanimously adopted.

Complete text of Resolution No. 85-211 will be found in Resolution Book No. 15 at page 365.

ORDINANCE NO. 1555 - BUDGET ORDINANCE AMENDMENT FOR THE REPLACEMENT OF AN ANIMAL CONTROL TRUCK

7. Consideration was given a budget ordinance amendment for the replacement of an animal control truck.

Mayor McDevitt said this action will fund replacement of an animal control truck damaged in an accident. The truck was a 1978 model and not worth repairs. Funding in the amount of $9,110 will be provided from Revenue Sharing contingency.

Mayor McDevitt said members of Council were furnished copies of the ordinance, and it would not be read in its entirety.

Councilman Bissette moved for the adoption of Ordinance No. 1555. This motion was seconded by Councilman Boland.

Mayor McDevitt closed the public hearing at 4:28 p.m.

Mayor McDevitt said members of Council were previously furnished copies of the ordinance, and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1553. This motion was seconded by Councilman Bissette.

On a roll call vote of 7-0, Ordinance No. 1553 passed on first reading.

PUBLIC HEARING - DESIGNATION OF "THE GROVE ARCADE BUILDING" ON BATTLE SQUARE AS HISTORIC PROPERTY

ORDINANCE NO. 1554 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "THE GROVE ARCADE ON BATTLE SQUARE IN ASHEVILLE, NORTH CAROLINA, CURRENTLY OWNED BY THE UNITED STATES OF AMERICA, AS HISTORIC PROPERTY

5. A public hearing was held relative to the adoption of an ordinance designating "The Grove Arcade Building" on Battle Square as historic property.

Mayor McDevitt said "The Grove Arcade" was designed by prominent architect Charles N. Parker and built for famous developer and entrepreneur Edwin W. Grove, known as the "Father of Twentieth Century in Asheville." "The Grove Arcade" is a grand and flamboyant building constructed of fine ornamental terra cotta and stone, and is finished inside and out with Tudoresque and medieval ornamentation. This building is also a rare example of an interior shopping arcade with covered pedestrian thoroughfares. The Asheville-Buncombe County Historic Resources Commission has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission.

Mr. Coleman, with the Asheville-Buncombe Historic Resources Commission, said he had received a letter from V. C. Motley, with the General Service Administration in Atlanta, stating they have no objections to the historic designation.

A discussion was held, instituted by Councilman Price, relative to restricting the interior of the building.

Mayor McDevitt closed the public hearing at 4:34 p.m.

Mayor McDevitt said members of Council were furnished copies of the ordinance, and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1554. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1554 passed on first reading.

Mayor McDevitt thanked members of the Asheville-Buncombe County Historic Resources Commission for their time and efforts on the Asheville-Buncombe County Historic Resources Commission. He also thanked Carolyn Humphries, staff liaison with the Historic Resources Commission, for her time and efforts.

ORDINANCE NO. 1548 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED ON CLAIRMONT AVENUE (MR. TIM WILSON PETITION)

10. Consideration was given to the second reading of Ordinance No. 1548, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended - property located on Clairmont Avenue (Mr. Tim Wilson Petition).

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held October 2, 1985, considered the petition of Mr. Tim Wilson that Ward 9, Sheet 6, Lot 35, be rezoned from R-3 Residential District to CH Commercial Highway District. The property is located at #4 Clairmont Avenue. After review and discussion, the Commission voted to recommend to City Council that Lot 35 and 34, Sheet 6, Ward 9, be rezoned from R-3 Residential District to CH Commercial Highway District. This ordinance passed on first reading at the November 19, 1985, meeting with an amendment to leave a 10' buffer on Lot 35 to remain zoned R-3 Residential District.

Mayor McDevitt requested that he be excused from voting on the ordinance relative to rezoning property on Clairmont Avenue since his law firm represents the proposed purchaser of the property.

Councilman Price moved to excuse Mayor McDevitt from voting on Ordinance No. 1548. This motion was seconded by Councilman Myers and carried unanimously.

Mayor McDevitt noted that the ordinance had been amended prior to first reading to read as follows: "Ward 9, Sheet 6, all of Lot 34, and all of Lot 35 except a 10' strip along Clairmont Avenue on the southern boundary of Lot 35, which shall remain zoned R-3 Residential District.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1548 passed on second reading.

Councilman Boland moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1548. This motion was seconded by Councilman Frank and carried on a voice vote of 5-1, with Councilman Bissette voting "No."

On a roll call vote of 6-0, Ordinance No. 1548 passed on third and final reading.

Complete text of Ordinance No. 1548 will be found in Ordinance Book No. 10 at page 325 and 326.

On a roll call vote of 7-0, Ordinance No. 1555 passed on first and final reading.

Complete text of Ordinance No. 1555 will be found in Ordinance Book No. 10 at page 339.

ORDINANCE NO. 1556 - BUDGET ORDINANCE AMENDMENT FOR LOT CLEARING PROGRAM

8. Consideration was given to a budget ordinance amendment for a lot clearing program.

Mayor McDevitt said this amendment will provide funds for a vacant lot clearing program. Funding for equipment of $17,500 will be provided from the General Revenue Sharing Contingency Fund which will leave a balance of $143,209. Funding for operating costs of $32,500 will be provided from General Fund Contingency which will leave a balance of $261,684.

Mayor McDevitt said members of Council were furnished copies of the ordinance, and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1556. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1556 passed on first and final reading.

Complete text of Ordinance No. 1556 will be found in Ordinance Book No. 10 at page 340.

ORDINANCE NO. 1546 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED ON CRAVEN STREET (MR. LAWRENCE LYNCH PETITION)

9. Consideration was given to the third reading of Ordinance No. 1546, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended - property located on Craven Street (Mr. Lawrence Lynch petition).

Mayor McDevitt said the Asheville Planning and Zoning Commission, at a meeting held September 11, 1985, considered the petition of Mr. Lawrence Lynch that Ward 6, Sheet 1, Lot 91, be rezoned from R-3 Residential District to CS Commercial Service District. The property is located at Georgia Avenue and Craven Street. After review and discussion, the Commission voted to recommend to City Council that a portion of Lot 91, Sheet 1, Ward 6, be rezoned from R-3 Residential District to CS Commercial Service District. This ordinance passed on first reading on October 29, and on second reading on November 19, 1985.

Mayor McDevitt said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1546 passed on third and final reading.

Complete text of Ordinance No. 1546 will be found in Ordinance Book No. 10 at page 322 and 323.

ORDINANCE NO. 1557 - BUDGET ORDINANCE AMENDMENT TO APPROPRIATE FUNDS FOR A GRANT TO BE AWARDED TO THE YMI CULTURAL CENTER, INC.

13. Consideration was given to a budget ordinance amendment to appropriate funds for a grant to be awarded to the YMI Cultural Center, Inc.

Mayor McDevitt said this budget amendment will appropriate funds to be budgeted for a grant to be awarded to the YMI Cultural Center, Inc., a non-profit organization. Revenue in the amount of $50,000 is availble from funds received through UDAG Loan repayments.

Marvin Vierra, with the Community Development Department, said he had checked with the U. S. Housing and Urban Development, and was informed that this was an eligible use for Community Development funds.

Vice-Mayor Bratton moved for the adoption of Ordinance No. 1557. This motion was seconded by Councilman Bissette.

On a roll call vote of 7-0, Ordinance No. 1557 passed on first and final reading.

Complete text of Ordinance No. 1557 will be found in Ordinance Book No. 10 at page 341.

RESOLUTION NO. 85-212 - RESOLUTION AUTHORIZING A $50,000 GRANT OF COMMUNITY DEVELOPMENT FUNDS TO THE YMI CULTURAL CENTER

14. Consideration was given to a resolution authorizing a $50,000 grant of Community Development funds to the YMI Cultural Center.

Mayor McDevitt said pursuant to numerous prior discussions with City Council, the YMI Cultural Center has requested a $50,000 grant to assist in the completion of its building renovation project which will cost $50,000. Funds are available for this purpose in the UDAG Loan repayment budget.

Vice-Mayor Bratton moved for the adoption of Resolution No. 85-212. This motion was seconded by Councilman Price and carried unanimously.

Complete text of Resolution No. 85-212 will be found in Resolution Book No. 15 at page 336.

Wanda Henry-Coleman expressed appreciation to members of Council for the grant to YMI Cultural Center.

RESOLUTION NO. 85-213 - RESOLUTION AUTHORIZING THE BARRICADING OF BOSTON WAY AND SWAN STREET ON NOVEMBER 29, 1985

15. Consideration was given to a resolution authorizing the barricading of Boston Way and Swan Street on November 29, 1985.

Mayor McDevitt said Biltmore Village Association is having a festival event called "Lighting of Biltmore Village" on November 29, 1985. In order to accommodate the number of people attending the festival, the Association requests the barricading of Boston Way and Swan Street from 5:00 p.m. until 9:00 p.m. The merchants and property owners on Boston Way, Swan Street, All

ORDINANCE NO. 1549 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED IN REDWOOD FOREST AND SHAWNEE TRAIL AREA (MR. TED MORRIS, AGENT)

11. Consideration was given to the second reading of Ordinance No. 1549, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended - property located in Redwood Forest and Shawnee Trail area (Mr. Ted Morris, Agent).

Mayor McDevitt said the Asheville Planning and Zoning Commission, at a meeting held October 2, 1985, reviewed and approved the petition of the residents of the Redwood Forest Subdivision and Shawnee trail to rezone their property from R-2 Residential District to R-1 Residential District. This ordinance passed on first reading at the November 19, 1985, meeting.

Mayor McDevitt said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Jane Clark, of Redwood Forest, spoke in support of the rezoning ordinance.

On a roll call vote of 7-0, Ordinance No. 1549 passed on second reading.

ACTION RELATIVE TO PHASE THREE OF THE HAZELWOOD SUBDIVISION - NORTH LOUISIANA AVENUE

12. Consideration was given to a motion relative to Phase Three of the Hazelwood Subdivision to be located on North Louisiana Avenue.

Mayor McDevitt said the Asheville Planning and Zoning Commission at a meeting held October 2, 1985 approved the final plat of Phase Three of the Hazelwood Subdivision to be located on North Louisiana Avenue. This plat was prepared by S.V. Griffith, R.L.S. for Frank McGahren and Walter Weiss, Developers, and submitted in accordance with Ordinance No. 424, as amended. The Commission approved the preliminary plat subject to compliance with the Erosion Control Ordinance. At the November 19, 1985 meeting a public hearing was held relative to this matter and action was delayed until November 26, 1985.

Verl Emrick, Director of Planning, said Walter Weiss, Developer, had installed a fire hydrant on Brickyard Road which would be within 120' of Phase Three of the Hazelwood Subdivision. He said the Fire Marshall had said this fire hydrant would be adequate protection for this portion of the subdivision.

Councilman Boland moved to approve Phase Three of the Hazelwood Subdivision to be located on North Louisiana Avenue. This motion was seconded by Councilman Price and carried unanimously.

Members of Council requested that the City staff review the possibility of including fire code requirements and other applicable codes to subdivisions and group developments in the City's zoning jurisdiction.

have agreed to the participation of each with regard to the replacement of the sewer line. This resolution authorizes the Mayor to execute an agreement for this project.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Bissette, Resolution No. 85-215 was unanimously adopted.

Complete text of Resolution No. 85-215 will be found in Resolution Book No. 15 at page 339.

RESOLUTION NO. 85-216 - RESOLUTION AUTHORIZING THE INTERIM CITY MANAGER TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH OWNER OF WICK & GREENE JEWELERS, LOCATED ON BOSTON WAY

18. Consideration was given to a resolution authorizing the Interim City Manager to execute a Right-Of-Way Encroachment Agreement with owner of Wick & Greene Jewelers, located on Boston Way.

Mayor McDevitt said Mr. Paul P. Greene, owner of Wick & Greene Jewelers, has requested that the City enter into an encroachment agreement so that an original antique street clock of the 1920 period may be installed upon the right-of-way between the sidewalk and curb of Boston Way. This clock is to be installed, kept up and, if necessary for any purpose, removed by the owner of Wick & Greene Jewelers at his expense.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 85-216 was unanimously adopted.

Complete text of Resolution No. 85-216 will be found in Resolution Book No. 15 at page 340.

RESOLUTION NO. 85-217 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A QUITCLAIM DEED CONVEYING ANY INTEREST THE CITY MAY HAVE IN A STRIP OF LAND NEAR THE NORTHWESTERN BANK BUILDING PROPERTY

19. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville a Quitclaim Deed conveying any interest the City may have in a strip of land near the Northwestern Bank Building property.

Mayor McDevitt said the Northwestern Bank Building property located in the block bounded on the north by College Street, on the east by Broadway, on the south by Patton Avenue and on the west by North Lexington Avenue has been recently purchased. The survey of this property and subsequent title search indicated that the City of Asheville may have some interest in a strip of land adjacent to the building line. This strip of land is not within the sidewalk or street rights-of-way and there are no utility lines or easements crossing this strip of land. This resolution will authorize the Mayor to execute a Quitclaim Deed releasing any interest of the City to Asheville Building Associates, purchaser of the property.

Souls Crescent, and Biltmore Plaza support the festival and have indicated their concurrence for the temporary barricading of these streets by signing a petition to the City Council.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-213 was unanimously adopted.

Complete text of Resolution No. 85-213 will be found in Resolution Book No. 15 at page 337.

RESOLUTION NO. 85-214 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE INSTALLATION OF AN EIGHT-INCH SEWER LINE ON SWEETEN CREEK ROAD (U.S. 25-A)/BUSBEE VIEW ROAD

16. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for the installation of an eight-inch sewer line on Sweeten Creek Road (U.S. 25-A)/Busbee View Road.

Mayor McDevitt said the City of Asheville desires to encroach on the right-of-way of the public road designated as Sweeten Creek Road (U.S. 25-A). The North Carolina Department of Transportation is willing to permit the encroachment within the limits of its right-of-way. This resolution will authorize the Mayor to execute the agreement for this sewer line.

Mayor McDevitt said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Myers, seconded by Councilman Boland, Resolution No. 85-214 was unanimously adopted.

Complete text of Resolution No. 85-214 will be found in Resolution Book No. 15 at page 338.

RESOLUTION NO. 85-215 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE AN AGREEMENT BY AND AMONG THE TOWN OF BILTMORE FOREST, THE CITY OF ASHEVILLE, THE COUNTY OF BUNCOMBE, BILTMORE FOREST COMPANY, AND OXFORD DEVELOPMENT ENTERPRISES, INC., FOR THE FOUR-MILE CREEK SEWER LINE PROJECT

17. Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute an agreement by and among the Town of Biltmore Forest, the City of Asheville, the County of Buncombe, Biltmore Forest Company, and Oxford Development Enterprises, Inc., for the Four-Mile Creek sewer line project.

Mayor McDevitt said the Town of Biltmore Forest, the City of Asheville, the County of Buncombe, Biltmore Forest Company, and Oxford Development Enterprises, Inc., have discussed participation in the replacement of a section of a sanitary sewer line running through the Town of Biltmore Forest which has been referred to as the Four-Mile Creek Sewer Improvement Project. All parties

Councilman Bissette said he was not satisfied with the manner in which this bidding process was handled. He said, however, he feels the Council members are charged with awarding the bid to the lowest responsible bidder.

Councilman Boland reiterated comments of Councilman Bissette, stating that the Council, given the evidence involved, does not have any alternative except to award the bid to the lowest responsible bidder.

Jesse Jayne spoke to members of Council on behalf of Terry Brothers Construction Company. He said this particular incident of bidding for the Haw Creek Area Sewerage Contract was handled wrong. He said during the first bidding process, a legal, closed, and bonded bid was submitted by Terry Brothers Construction Company, and he could not see how Council could justify re-bidding the project. He said the low bidder, during the second bidding, really had no right to bid because all bidding figures had been released. He said he felt the City of Asheville has an obligation to the local contractors to treat them fairly. He requested that Council reject all of the bids submitted during the second bidding process, and award the bid to the low bidder during the first bidding process, Terry Brothers Construction Company. He asked members of Council to vote their own personal convictions on this matter.

Vice-Mayor Bratton indicated that she felt unconfortable with re-bidding this project and stated members of Council should have awarded the bid during the first bidding process.

On a voice vote of 4-3, Councilman Bissette's motion carried with Mayor McDevitt, Vice-Mayor Bratton and Councilman Myers voting "no".

Complete text of Resolution No. 85-219 will be found in Resolution Book No. 16 at page 344.

SCHEDULING PUBLIC HEARING - REDEVELOPMENT PLAN AMENDMENT - WOODBERRY APARTMENTS - DECEMBER 17, 1985

22. Consideration was given to a motion scheduling a public hearing relative to a redevelopment plan amendment for the Woodberry Apartments for December 17, 1985.

Mayor McDevitt said this amendment will allow the Housing Authority to act in its capacity as a redevelopment commission to issue redevelopment bonds for the construction of multi-family housing in the East End Community.

Councilman Price moved to schedule a public hearing relative to a redevelopment plan amendment for the Woodberry Apartments for December 17, 1985. This motion was seconded by Councilman Boland and carried unanimously.

SIGN PERMIT - IDENTIFICATION SIGN - 800 FAIRVIEW ROAD - KENTUCKY FRIED CHICKEN

23. Mayor McDevitt noted that action relative to the sign permit for an identification sign at 800 Fairview Road would be postponed until the December 10, 1985, City Council meeting.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-217 was unanimously adopted.

Complete text of Resolution No. 85-217 will be found in Resolution Book No. 15 at page 341.

RESOLUTION NO. 85-218 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A RATIFICATION OF ACCEPTANCE OF PERPETUAL CONSERVATION FACADE EASEMENT FOR THE PACK PLAZA REDEVELOPMENT PROJECT

20. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville a Ratification of Acceptance of Perpetual Conservation Facade Easement for the Pack Plaza Redevelopment Project.

Mayor McDevitt said this resolution ratifies and confirms the City's acceptance of the facade easement described in the Ratification of Acceptance of Perpetual Conservation Facade Easements and the Perpetual Conservation Facade Easement Agreement and authorizes the Mayor to execute said documents on behalf of the City of Asheville.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-218 was unanimously adopted.

Complete text of Resolution No. 85-218 will be found in Resolution Book No. 15 at page 342 and 343.

RESOLUTION NO. 85-219 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT ON BEHALF OF THE CITY OF ASHEVILLE WITH COOPER CONSTRUCTION COMPANY, FOR THE PROJECT KNOWN AS HAW CREEK AREA SEWERAGE FACILITIES CONTRACT NUMBER E-020/W-005.85

21. Consideration was given to a resolution authorizing the Mayor to sign a contract on behalf of the City of Asheville with Cooper Construction Company for the project known as Haw Creek Area Sewerage Facilities Contract Number E-020/W-005.85.

Mayor McDevitt said bids were solicited for the project known as the Haw Creek Area Sewerage Facilities project. Cooper Construction Company, Inc. of Hendersonville is the lowest responsible bidder in the amount of $197,618.60. The project includes installation of approximately 5460 linear feet of 15" diameter sewer pipe, 23 manholes and associated appurtenances. Installation and materials will conform to plans and specifications issued by the City.

Mayor McDevott said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Councilman Bissette moved for the adoption of Resolution No. 85-219. This motion was seconded by Councilman Frank.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Frank, the meeting adjourned at 5:30 p.m.

Ray McDevitt

MAYOR

CITY CLERK

RESOLUTION NO. 85-220 - RESOLUTION REAPPOINTING MEMBER TO THE CITY OF ASHEVILLE BOARD OF ALCONOLIC CONTROL (MRS. CELESTE L. LOFTIN)

24. Consideration was given to a resolution reappointing Mrs. Celeste L. Loftin as a member of the City of Asheville Board of Alconolic Control.

Mayor McDevitt read the resolution.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 85-220 was unanimously adopted.

Complete text of Resolution No. 85-220 will be found in Resolution Book No. 15 at page 345.

RESOLUTION NO. 85-221 - RESOLUTION APPOINTING MEMBER TO THE RECREATION BOARD FOR ASHEVILLE (MR. CHARLES BULLMAN)

25. Consideration was given to a resolution appointing Mr. Charles Bullman as a member of the Recreation Board for Asheville.

Mayor McDevitt read the resolution.

Upon motion of Councilman Bissette, seconded by Councilman Price, Resolution No. 85-221 was unanimously adopted.

Complete text of Resolution No. 85-221 will be found in Resolution Book No. 15 at page 346.

CLAIMS - GRACE BALLEW (CIVIC CENTER) - EVELYN GIEZENTANNER (TRAFFIC ENGINEERING)

26. The Acting City Manager presented claims received from Grace Ballew and Evelyn Giezentanner.

Mayor McDevitt referred the claims to the Corporation Counsel for investigation and recommendation.

ANNOUNCEMENT OF ACTION RELATIVE TO BUNCOMBE COUNTY SEWER CONSOLIDATION - STATEMENT OF PRINCIPLES

27. Mayor McDevitt announced that during the Executive Session of Asheville City Council on November 19, 1985, he was authorized to execute a Buncombe County Sewer Consolidation Agreement outlining a Statement of Principles. He said the agreement has been signed by the City of Asheville, the County of Buncombe, and the Metropolitan Sewerage District.

Mayor McDevitt instructed that a copy of the Buncombe County Sewer Consolidation Agreement be included as a part of the minutes.

A copy of the agreement is attached as part of the minutes.

COMMENTS BY MAYOR MCDEVITT

28. Mayor McDevitt told members of Council it had been a pleasure working with the members of the Asheville City Council during the last two years in his capacity as Mayor.

various collector sewer systems within the County and made the following findings and recommendations:

(a) That many of the collector lines are in a state of bad repair with broken or defective pipes and poor connections;

(b) That the condition of the collector systems results in the leaking of raw sewage from the system and the introduction of large quantities of rain and ground water into the sewer lines;

(c) That from time to time the inflow and infiltration of rain and ground water into the collector sewer systems produces more wastewater than can be conveyed by the the MSD's interceptor sewers or treated at the MSD's wastewater treatment plant thus causing the discharge of untreated wastewater directly into the French Broad River, the Swannanoa River, and numerous creeks within the County;

(d) That the discharge of untreated wastewater and leaking of raw sewage poses a potentially serious threat to the public health and future economic growth in Buncombe County;

(e) That the most effective solution to the aging and deteriorating collector sewer systems and the infiltration and inflow of rain and ground water into the systems and the leaking of raw sewage from the systems would be for MSD to assume the rsponsibility for the maintenance and repair of such systems and to rehabilitate those collector sewer systems found to need rehabilitation;

(f) That the MSD has a significant interest in having control over the collector sewer systems because it is ultimately responsible for treating sewage generated and transported through those sytems;

BUNCOMBE COUNTY SEWER CONSOLIDATION

This Statement of Principles outlines the broad area of understanding reached among the County of Buncombe (the County), the City of Asheville (the City), and the Metropolitan Sewerage District of Buncombe County (the MSD) concerning the future maintenance, repair, and rehabilitation of the collector sewer systems located in Buncombe County.

BACKGROUND

The collector sewer systems throughout Buncombe County are currently maintained by at least seven different government units. Large parts of these systems are over 60 years old. These sytems need constant maintenance and repair and many segments of the sewer lines need reconstructing, rebuilding, and rehabilitating (rehabilitation).

The Metropolitan Sewerage District of Buncombe County (MSD) was created in 1962 and operates a wastewater treatment facility which treats sewage generated throughout the County and discharged into the various collector sewer systems. The MSD has also constructed and operates several large interceptor sewer lines which receive sewage collected by the various collector sewer systems.

The Buncombe County Collector System Management Task Force (Task Force) comprised of the Land of the Sky Regional Council, the MSD, and all of the government units in Buncombe County which generate sewage and which maintain collector sewer systems, made studies, including an extensive Sewer System Evaluation Survey Report dated April, 1982, of all of the

2660

2. The County, the City, and the MSD are committed to working out an agreement by which the collector sewer systems presently owned by the County and the City would be transferred to the MSD for all future maintenance, repair, and rehabilitation. The parties acknowledge that such an agreement ought to include all of the government units in the County which operate collector sewer systems because it would be most difficult for any plan of Sewer Consolidation to succeed unless all of the collector sewer systems in the County were part of a consolidated system.

3. On a date to be established in 1986 the various government units in the County will transfer to the MSD their collector sewer systems, including all lines, pipes, and rights of way. The MSD will thereafter assume the full responsibility of maintenance, repair, and rehabilitation of those systems.

4. The parties will strive for a transfer of the collector sewer systems on July 1, 1986, but such transfer shall occur in no event later than December 31, 1986.

5. As to all participating government units, the MSD will institute a separate sewer use charge based upon billable flow wastewaster with uniform rates and with the revenue derived from this charge to be applied toward the maintenance, repair, and rehabilitation of the collector sewer systems. The MSD will develop and institute a pay-as-you-go or other financing plan to provide the necessary funding for the maintenance, repair, and rehabilitation of the collector sewer systems in order that such rehabilitation can be accomplished within a ten year period.

(g) That the MSD, because of its experience and expertise in constructing and maintaining interceptor sewer lines, is a logical entity to have the responsibility for rehabilitating and maintaining the collector sewer lines in the County.

The City of Asheville, the County of Buncombe, the MSD, and various government units in the County have been working for a considerable period of time in an effort to develop a satisfactory system of Sewer Consolidation under which the MSD would take over and thereafter maintain and repair of all the collector sewer systems in the County and rehabilitate those systems in need of rehabilitation. The City, the County, and the MSD now desire to announce the following Statement of Principles with which they have agreed concerning Sewer Consolidation:

STATEMENT OF PRINCIPLES

1. Sewer Consolidation means the assumption by the MSD of ownership and control of the collector sewer systems of participating government units in Buncombe County, including all lines, pipes, conduits, connections, manholes, covers, fittings, apparatus, rights of way, and easements presently owned by those participating units. Sewer Consolidation will further mean that upon such assumption of ownership and control the MSD will thereafter fully maintain and repair those collector sewer systems and will develop and implement a plan of rehabilitation of those systems in order that all collector sewer systems may be uniformly maintained, repaired, and rehabilitated as required under a single, cost effective, and centralized system.

City of Asheville for water service. Provided, the government units in the County retain the right to levy additional rates, fees, or charges in order to meet their responsibilities to construct new sewers and for any other lawful purposes.

10. Should residential, commercial, or industrial development occur in those parts of the County not presently served by any collector sewer system, the MSD shall have no obligation to extend collector sewer service to those areas not served. The government units in the County shall retain the right to make and implement all decisions with respect to the extension of sewer service within their respective jurisdictions. Those government units may contract with the MSD to construct sewer lines, but the funding of such construction and a decision of when and where to so construct shall solely be that of the separate government units.

11. Upon assumption of its obligations under Sewer Consolidation, the MSD will establish and maintain a system to receive and respond to citizen complaints and concerns about collector sewer system service.

12. Upon assumption of its obligations under Sewer Consolidation, the MSD agrees to repair to applicable standards any streets or rights of way owned and maintained by any government unit which are disturbed as a result of the maintenance, repair, and rehabilitation of any collector sewer system.

13. In order to discharge its responsibilities under Sewer Consolidation, the MSD recognizes that it will need a competent work force of employees in order to maintain the present level of sewer maintenance

6. The MSD will undertake the maintenance, repair, and rehabilitation of the collector sewer systems in a good and workmanlike manner adhering to good engineering practices and in accordance with all applicable federal and state regulations.

7. In discharging its obligations with respect to Sewer Consolidation, the MSD will generally follow the Buncombe County, North Carolina, Metropolitan Wastewater Management Plan adopted by the Task Force in 1982, except that where the Wastewater Management Plan contemplates a phased assumption of responsibilities by the MSD, the MSD will assume responsibility for all collector sewer systems at the same time in 1986.

8. The MSD in its sole and absolute discretion will determine the need for any maintenance, repair, and rehabilitation of the collector sewer systems and the priority in which any rehabilitation of the systems will take place. The MSD in its sole and absolute discretion will determine the timing and location of any maintenance, repair, and rehabilitation of the collector sewer systems, it being understood that the MSD will attempt first to address those problems which it finds to be the most critical throughout the collector sewer systems.

9. The City will act as billing and collecting agent for the MSD and shall collect any additional rates, fees, or charges levied by the MSD for use in connection with the maintenance, repair, and rehabilitation of the collector sewer systems. Any additional rates, fees, or charges levied by the MSD for such activity will be added to the rates, fees, or charges for sewage disposal service presently included in monthly bills rendered by the

IN WITNESS WHEREOF the parties have caused this document to be executed pursuant to authority duly given, this the 26th day of November, 1985.

services afforded by the government units. Accordingly, the MSD will offer full time employment to those persons presently in good standing employed by the participating government unit who are engaged in sewer maintenance, and all such persons who become MSD employees will thereafter become fully subject to all prevailing MSD rules and regulations governing employment.

14. The parties agree that if MSD fails to make substantial progress toward discharging its responsibilities under Sewer Consolidation within seven years following the transfer of the collector sewer systems then the government units which have transferred such systems to the MSD shall have the right to have those systems conveyed back to them.

15. The transfer of ownership of the collector sewer systems and the acceptance and operation of such systems by the MSD will be subject to the approval of the North Carolina Local Government Commission and will at all times be in full compliance with all of the terms and conditions of the Bond Order entered into by the MSD on the _____ day of June, 1985, which Bond Order secures certain outstanding bonds of the MSD.

16. The various government units which convey collector sewer systems to the MSD will make available to the MSD for purchase at its fair market value all items of machinery and equipment presently used by the respective government units in the maintenance of their collector sewer systems.

17. The City and the County will make available to the MSD at no cost for a period of time not exceeding four years the facilities which each presently maintain for the conduct of their respective sewer maintenance operations. The MSD will, however, be responsible for all utilities and for preventive maintenance at those facilities.

PROBLEMS

Let me direct your attention first to problems Asheville faces:

1. Our sanitary sewerage system is in deplorable condition. While we have undertaken major efforts at rehabilitation - such as Reed Creek, we are part of a county-wide problem that will cost our community, not just Asheville, at least $50 million dollars to correct. Until our sewerage system is rehabilitated, inadequate lines will continue to stymie growth while broken lines will continue to pollute our city. To address this problem by ourselves makes no sense, because the situation is as bad, if not worse, in most areas of Buncombe County outside Asheville. We must begin to correct this problem in cooperation with Buncombe County, the other towns within the county, sanitary sewer districts, and the Metropolitan Sewerage District.

2. The storm sewers of Asheville pose a problem that appears to wax and wane with the weather. In fact, our storm sewer system is inadequate and in many areas of Asheville non-existent. The result is that during heavy rains our streets are more dangerous than they should be and the property of many of our citizens is placed in jeopardy. One of the principal causes of this

STATE OF THE CITY MESSAGE

MAYOR LARRY MCDEVITT
Thursday, November 14, 1985
Asheville Rotary Club
Asheville Civic Center

Thank you Mr. Steele, members of the Asheville Rotary Club and guests, citizens of Asheville. I want to thank the Asheville Rotary Club for having me here today; my father was a member of this club until his death 35 years ago, and because of him, being with you has special meaning for me. I hope that my State of the City Message will become an annual or biannual tradition by the Mayor in which the people of Asheville are given a formal report and accounting of the condition of their city.

It is in that spirit then that I appear before you today. My comments are not intended to be a self-justification or attempted glorification of my years on city council, rather I will discuss with you the problems, progress and prospects of our city as they exist today. However, due to time limitations, my observations will not be all-inclusive but will attempt to highlight major areas.

sewer rehabilitation. How much would it cost to bring all city streets and sidewalks up to par? More than the city could possibly afford at one time. Therefore, a moderate approach, funded initially with bonds perhaps may be the wisest course of action to follow. Using this approach some of the worst streets and sidewalks could be reconditioned and the remainder placed on a scheduled multiyear pay-as-you-go plan. Scheduled preventative maintenance must be funded as streets and sidewalks are reconditioned so as to prevent a recurrence of the problems now before us. You should know that, in cooperation with the State, we are in the midst of the most comprehensive bridge repair and replacement program in our city's history, and this program will continue for five more years. We have also completed the planning necessary to begin computerized coordination of traffic lights on state roads which should be expanded in the future to all city traffic lights.

4. Some city facilities, particularly our own City Hall and Municipal Building, are in need of major repairs and renovations. In fact,

problem is the collapse of old storm sewers privately placed years ago and owned and maintained by no one. No thorough study of the extent of this problem has been undertaken and no satisfactory solution developed. The council is attempting to set aside funds to attack some of the worst of those problems in the public rights-of-way, however, those on private property must be dealt with by the property owners at least until a more comprehensive approach is found. While I cannot place an accurate price tag on the cost to place and rehabilitate our storm sewers, we can estimate that it will be at least as expensive within the city as the sanitary sewer rehabilitation cost is county-wide.

3. City streets and sidewalks continue to be a matter of concern. Funding from the State for maintenance of state roads in the city, such as Patton, Merrimon and Biltmore Avenues, is barely adequate, and funding for city streets and sidewalks is - and has for quite some time been - inadequate. Massive funding is necessary to recondition city streets and sidewalks and much of this should be coordinated with storm and sanitatary

responsibility for their neighborhoods, not just their own yards, (2) so that city and county governments will keep their rights of way clean, and (3) so that individual businesses, shopping centers, and industry will hear from a citizenry that the litter they generate or allow to accumulate on their property is a disgrace.

preliminary estimates indicate that the cost to repair and rehabilitate the Municipal Building, headquarters to our police and fire departments, would exceed the cost of constructing a new, up-to-date facility. Should council elect to construct a new facility, then we certainly should discuss with Buncombe County the feasibility of a joint law enforcement center that could serve common needs.

5. As our community grows so does our interest in the appearance of our city. Thanks to the efforts of Quality Forward, many individuals, and numerous civic organizations, public and private efforts are underway to attack the problems of litter, building appearance, landscaping, signage, vacant lots and right of way maintenance, problems which can destroy community pride and discourage shoppers and visitors from returning. We need to expand our capabilities in these areas, particularly in enforcing our newly toughened litter control ordinance. But most of all what is needed is a change in attitude (!) so that our citizens feel a

8. The question "How shall we grow?" still begs for an answer. Alternatives for Asheville will, we hope, help supply that answer. I trust the decisions which will come from this process will enable us to deal forcefully and realistically with growth issues that are beyond the scope of many of our current policies. If these issues are not resolved, our environment, our heritage, and our quality of life will be permanently altered. If we do not take the future of Asheville into our own hands, then it will be molded by the hands of others. I encourage each of you to continue to be involved, or begin to be involved, in the Alternatives for Asheville process and let your voice be heard. At least be prepared to attend the next round of public meetings a few weeks from now, when the preliminary reports will be presented. The results of this effort will chart our course for Asheville into the 21st century.

9. We have not yet felt the full impact of pending cuts of state and federal funds. Currently our city ad valorem tax provides only 24.7% of total city revenues; other revenue sources, including state and federal

6. An expanding and cosmopolitan city asks questions of its city fathers. What are we doing for the cultural life of our community? From Baryishnikov to Billy Edd Wheeler, how should we contribute to a creative climate for the arts? Most solutions will come from those citizens already involved as they raise funds, evaluate needs, and plan. The city's future role has yet to be defined, but must be defined with careful analysis and vision.

7. With the increased involvement of our citizens in the life and government of our city, we must not allow ourselves to fall prey to blind, single issue politics. It may be that your interest is the most important thing in the world to you, but the operation of this city is predicated on responding to thousands of interests and needs, none of which necessarily take precedence over others. Most people in our community understand this, and I hope this attitude will continue to be typical of our citizens.

PROGRESS

Of course our city will never be problem free. We will continue to attack these and many, many other problems which our city faces. In fact, city government has made substantial progress in the last few years on many fronts. Let me report to you on a few examples of that progress:

1. The fiscal condition of the city has improved markedly in the last two years. For several years city council has used its fund balance to balance the budget. During the last two years, revenues have exceeded spending thanks to sound fiscal management and extraordinary effort by the employees of our city. The bonds for the downtown parking garage have been retired, and we have dedicated twelve cents on the tax dollar, or approximately $2 million dollars a year, for debt service and capital reserve funds to enable us to begin to address some of the long range capital needs of our city.

2. For years, city councils and community leaders have spent a great deal of time and energy attempting to revitalize our decaying downtown.

funds, comprise the remainder. To compensate these losses we will either have to cut services further or increase taxes. In 1982 council made substantial cuts in personnel and in other areas in order to counter the effects of revaluation. There is little fat left in the city's operational budget. While there are always additional economies that can be found, I do not see the opportunity for further substantial savings in city operations without cutting services.

10. Asheville is once again without a city manager. One of my few regrets about being mayor is that I have spent almost half my term without a city manager. Billy Wolcott, a Rotarian and our interim city manager for the second time, our department heads, and our employees have performed in a magnificent manner during these periods. However, while basic city services have continued without interruption, the absence of a permanent city manager has slowed progress on many, many fronts. I can report to you that this council is still working to find the right person to be our city manager and we will continue to do so; however, I cannot tell you <u>when</u> to expect a decision.

The process of developing these projects and concluding the agreements upon which they are based has been tedious and time consuming, and your City Council and County Commissioners have been conservative and cautious. As I have said repeatedly, just because we have an agreement signed does not automatically mean that the project is underway. There are many hurdles to be crossed, many problems to be solved, and many decisions to be made before construction of any project can begin. In fact, only one project has actually begun construction. Another is expected to start shortly. The others are still in the process of finalizing plans, acquiring property, and securing private financing. If any of these projects fail to go forward under the contracts, there are other prospective developers waiting in the wings. The common wisdom that "it's not a project 'til it's built" is true, however, the prospects of eventual completion of these projects is excellent. We may have to deal with several developers to get what we want for Asheville, but that is appropriate. I have high hopes in this area but would caution you to guard against either unrealistic expectations or undue pessimism because of our deliberate pace.

Following the overwhelming rejection of the Strouse-Greenberg Project four years ago, we devised a community plan to attempt to stimulate redevelopment of, and reinvestment in, downtown Asheville. We have followed that plan, and it does seem to be working. Currently we have under contract five projects. The total value of these projects is $31,490,000.00. A sixth project valued at approximately $9 million dollars is currently in negotiations. The city and the county have made certain financial commitments to these projects without the use of ad valorem tax revenues; our total joint commitments to date are $2.54 million dollars. In addition, the City, with possible help from the County, will construct a parking facility on Rankin Street at a cost of approximately $2 million dollars. Our money for these commitments will come from Community Development Block Grant funds, federal UDAG funds, federal revenue sharing funds, and bond funds to be repaid through revenues. Generally speaking, the local government participation is geared toward the provision of parking and street improvements.

mean that your City Council and other community groups have undertaken significant and meaningful steps to encourage minorities in the city to feel and be a part of the process of government and know that they have a voice in the affairs and life of this City. It is my impression that the channels of communication, trust, and ability to work together have never been better, but it is essential to the well-being of our entire community that this momentum be maintained.

5. The protection of the lives and property of its citizens is the first obligation of government. With that thought in mind I should report that for the first eight months of 1985 while we experienced slight increases in violent crimes, such as rape, robbery, and aggravated assault, we saw decreases in property crime, such as burglary, our number 1 problem. Breaking and entering for businesses is down almost 25% from last year and down 7.3% for residences. Motor vehicle theft is up 3.2% and larceny from automobiles up 2.5%. Compared to the nine core cities in the State of North Carolina, that is, cities which have populations of 50,000 or more, Asheville experienced 4.3% less crime than any other core city during this

3. A few minutes ago I described to you the problems with our sanitary sewerage system. I am happy to report to you today that negotiations which have been underway for two years among Buncombe County, the City of Asheville, and the Metropolitan Sewerage District, have made substantial progress. In fact, the drafting of an agreement in principle is in process for final consideration by all three governmental bodies. If approved, this agreement would establish the principles upon which our sewerage systems would be consolidated for purposes of maintenance and rehabilitation under the Metropolitan Sewerage District. Once those three bodies have concluded this agreement of principles - and it is absolutely essential to any sewer consolidation that those three do agree - we will ask the other governmental entities in Buncombe County to join us in an attempt to draft an agreement by which all public sewerage systems in Buncombe County could be consolidated.

4. Community relations, particularly with respect to minorities, are perhaps in the best condition ever. That does not mean that we have solved all of our problems in this area or even adequately addressed them. It does

6. While on the subject of city employees, you should know that the City has 850 full-time employees, down approximately 400 full-time positions from several years ago. We have recently revised the City's pay and reclassification plan to provide a more equitable salary structure for our employees and to provide for pay raises and promotions based on merit rather than longevity. In my opinion, the general morale of our employees is good and I am satisfied that we are fortunate to have some of the most competent, dedicated, decent people working for the City of Asheville that I have had the privilege to know. As with any organizations, we have had, and will continue to have, problems, particularly in the area of public relations, but our employees are aware of their responsibility to the public and on the whole take pride in their work on behalf of the City.

7. One of the brightest spots in the development of our city is the resurgence of neighborhood pride. As a council we have rejected the notion that neighborhood organizations should be discouraged because they are troublemakers. Rather, our policy has been to encourage the development of,

period. The crime rate is significantly less within the city limits of Asheville than outside the city limits of Asheville, and we are continuing to improve our training in order to improve the quality of protection afforded to our citizens. Of course, there will never be enough policemen to set continuous speed traps on all streets, to quiet all barking dogs, or to patrol on foot every square inch of our city, and I doubt that our police force, as fine as it is, will distinguish itself as the first force in the country to eradicate prostitution. Nonetheless, I would judge the quality of protection afforded to our citizens as excellent in comparison to other cities in North Carolina and would suggest that while certainly improvements can come about through better training, improved law enforcement in our city will only come about with increased manpower at a higher cost.

Our fire department continues to distinguish itself not only in the area of firefighting but in the more important area of fire <u>prevention</u> which is largely unappreciated in our community. The recommendation and enforcement of a new fire code and the merging of the fire and police communications centers will certainly improve their ability to respond to the needs of this city.

four years, not a harsh word has passed between us. Your elected representatives have successfully established a relationship based upon respect and trust. We have attempted not to make excessive demands of each other and have been able quietly, but effectively, to cooperate in downtown development, litter control, sewer consolidation, and in some planning. The City is in the process of renovating facilities to provide more room for the storage of bulk purchase needs, and we have invited the County to evaluate the possibility of joint use of such a facility. It has been a real pleasure and a source of pride for me to represent the City in discussions with county officials who were unfailingly attentive, polite, candid, and helpful. In my opinion, the people of Asheville, who also vote for the County Commissioners, should be proud of the Commissioners' responses to the needs of their Asheville constituents.

PROSPECTS

With the problems to be faced and the progress made, what are the prospects for our city? Comparatively speaking, they are excellent.

and interest in, neighborhoods, whether individually or through neighborhood groups, and we welcome the interest, the enthusiasm, the questions, the criticisms, and the ideas that the people who live in our city's neighborhoods have to offer. I am particularly proud of the neighborhood development plans that have been submitted to us by various neighborhood groups. While most of the plans would require a financial commitment from the City that, at least in one case, would exceed the total city budget for two years, this is healthy because the spirit in which these plans have been submitted has been with the understanding that more is being asked than the City can give - at least now - but these plans give us blueprints for maintaining and enhancing the special character of individual neighborhoods. This will preserve the unique diversity of our city and make it a place where people want to live.

8. I would certainly be remiss if I did not mention the quality of the City's relationship to the government of Buncombe County. I hope you have noticed that at least in the last two years, and for most of the last

capacity, and will have an even greater capacity, to become what we want to become. We all sense this. Our people have responded to those policies of City Council which encourage public debate, public criticism, and public input. As a result, the spirit of the people of Asheville has been rekindled, and we are experiencing a veritable explosion of enthusiasm, ideas, and interest from a broad spectrum of individuals and groups which comprise our city. Being a part of the revival of this spirit is perhaps the one thing I will miss most when my term as Mayor ends. It is this spirit and willingness to improve our community that is our greatest strength.

What is happening now, of course, did not just begin to happen when this council assumed office. Asheville has been building its base of sound leadership for years. While the political make-up of city council can change from election to election, it should be noted that dedicated men and women of both political parties have been able to sit on this council and work cooperatively and as a team. They brought a level of expertise and understanding developed over years of public service. I do want you to know how proud I am of this council and the non-partisan approach it has taken

First of all, the mechanisms are, or shortly will be, in place to deal with the issues of water and sewer. The Asheville-Buncombe Water Authority has been operational now for four years and is doing an outstanding job. They have already increased the water capacity of this community and have plans for the development of a new water source and an extension of our water system. It is important for you to know that while our water problems are not solved, the means are available to solve them. When sewer consolidation comes about, and it must, a similar mechanism will exist to address that problem. The citizens' plan from Alternatives for Asheville will have allowed local people to set the course for the development of our City. With this plan in hand we will be able to evaluate our long range goals and develop strategies to meet them. I can foresee the possibility of a major bond issue, user service charges, or of other types of financial arrangements being submitted to the people of this community in order to address our capital needs over a five to twenty year period, and we will have the information available, and the plans in place so that the people of this community and your leaders can made informed decisions. We have the

Tuesday - December 3, 1985 - 4:00 p.m.

Organizational Meeting

OATHS OF OFFICE

Mayor Larry McDevitt introduced Judge C. Walter Allen, who administered the Oath of Office to the following:

Mayor W. Louis Bissette, Jr.

Mayor McDevitt presented the gavel to Mayor Bissette.

Councilman Kenneth M. Michalove
Councilman Mary Lloyd Frank
Councilman Walter R. Boland
Councilman George M. Tisdale
Councilman Wilhelmina Bratton
Councilman Norma T. Price

The Mayor and members of Council introduced relatives in attendance and made brief remarks.

INVOCATION

The invocation was given by Rev. Arthur F. Fogartie.

RESOLUTION NO. 85-223 - RESOLUTION OF APPRECIATION TO GORDON MYERS

Mayor Bissette read a resolution of appreciation to Gordon Myers.

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 85-223 was unanimously adopted.

Complete text of Resolution No. 85-223 will be found in Resolution Book No. 15 at page 378.

Mayor Bissette presented a copy of the resolution and a plaque for Gordon Myers, to Mrs. Kay Myers in Gordon Myers' absence.

RESOLUTION NO. 85-222 - RESOLUTION OF APPRECIATION TO MAYOR LARRY MCDEVITT

Mayor Bissette read a resolution of appreciation to Mayor Larry McDevitt.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-222 was unanimously adopted.

to solving our problems. You should be proud of them, too. As I have said before, except for my family, I doubt that I will ever know a greater joy than the honor of having served as Mayor of this city for this city council. I am proud, not of myself, but of our city and this community.

I leave office with faith in our people and our newly elected leaders, with pride in our past, and with confidence in our future - knowing that Asheville is truly poised for unprecedented greatness.

Good afternoon.

Tuesday - December 3, 1985 - 5:00 p.m.

Regular Meeting

Present: Mayor Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Norma T. Price, Walter R. Boland, George M. Tisdale, and Kenneth M. Michalove; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; and Deputy City Clerk Carol Hensley.

Absent: None

APPROVAL OF THE MINUTES - NOVEMBER 26, 1985 MEETING

1. Approval of the minutes of November 26, 1985 meeting.

Councilman Price moved that the minutes of the November 26, 1985, meeting be amended to include the "State of the City Address" delivered by Mayor McDevitt. This motion was seconded by Councilman Boland and carried unanimously.

PROPOSAL BY SOUTH EASTERN HISTORIC PROPERTIES, INC., FOR A REDEVELOPMENT PROJECT FOR THE WALL STREET AREA

2. A proposal by Southeastern Historic Properties, Inc., was presented for a redevelopment project for the Wall Street area.

Mayor Bissette said consideration of the resolution authorizing the execution of a Memorandum of Understanding with Southeastern to participate in the project would be on the agenda for December 10, 1985, since negotiations are still going on relative to the terms of the Memorandum of Understanding with Southeastern Historic Properties, Inc.

Bill Smith, President of Southeastern Historic Properties, Inc., presented the plans for a proposed $8.4 million project to revitalize Wall Street in downtown. Mr. Smith described the proposals stating that plans are proposed for a three-phase development involving a parking deck, street improvement, and rehabilitation of 11 buildings, 10 of which Southeastern Historic Properties, Inc., presently owns. He said the developers have spent a lot of time on the development of the Wall Street Project, and he feels it is critical to the success of the revitalization of downtown.

Mr. Smith said the four-story, 350-space parking deck would be constructed on the west end of Wall Street with three access points and one exit. He said it would rise to the level of Battery Park Avenue. He said the rehabilitation would involve buildings on the south side of Wall Street and would include 22 apartments on the second floor level of the buildings, 40,000 square feet of retail space, 10,000 square feet of office space, and 30,000 square feet of space in the Public Service Building that would be used as an inn or as additional office space. He said the developers have worked closely with the existing tenants on Wall Street, and the tenants have a lot of interest in the proposed redevelopment.

Complete text of Resolution No. 85-222 will be found in Resolution Book No. 15 at page 377.

Mayor Bissette presented the resolution and a plaque to Mayor Larry McDevitt.

ELECTION OF VICE-MAYOR

Mayor Bissette said, as a matter of procedure, the election of the Vice-Mayor would be as follows: 1) That the vote be taken in alphabetical order by voice vote; 2) that members of Council vote by name only for one candidate; 3) that in the event that three nominations are made, after the first vote, the nominee with the least number of votes be eliminated if the nominee did not receive a majority vote.

Councilman Price nominated Mary Lloyd Frank as Vice-Mayor of the City of Asheville.

Councilman Bratton nominated Councilman Bratton as Vice-Mayor for the City of Asheville.

Councilman Michalove moved that if the entire Council could not agree on one person for being Vice-Mayor, the term of Vice-Mayor be rotated, an equal number of months, in alphabetical order, for those who wish to serve as Vice-Mayor.

Not receiving a second for Councilman Michalove's motion, Mayor Bissette declared Councilman Michalove's motion dead for lack of a second.

On a roll call vote, Councilman Frank was elected as Vice-Mayor, the vote being as follows:

Councilman Boland voting for Councilman Frank;
Councilman Tisdale voting for Councilman Frank;
Councilman Price voting for Councilman Frank;
Councilman Bratton voting for Councilman Bratton;
Councilman Frank voting for Councilman Frank;
Councilman Michalove voting "No vote;"
Councilman Bissette voting for Councilman Bratton.

ADJOURNMENT

Mayor Bissette adjourned the organizational meeting and called for a brief recess before opening the regular meeting of the December 3, 1985, meeting.

ORDINANCE NO. 1551- AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "THE GATE HOUSE" AT 265 CHARLOTTE STREET IN ASHEVILLE, NORTH CAROLINA, CURRENTLY OWNED BY MAPLE COVE, INC., AS HISTORIC PROPERTY

3. Consideration was given to the second reading of Ordinance No. 1551, an ordinance designating a building and property known as "The Gate House" at 265 Charlotte Street in Asheville, North Carolina, currently owned by Maple Cove, Inc., as historic property.

Mayor Bissette said the structure known as "The Gate House" was completed in 1899 as the entrance to the grounds of the Manor Inn, and remains an impressive Lodge of shingle, stucco, and timber with a rock tower. It also serves as a reminder of the architecture of early resort developments in Western North Carolina. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission. This ordinance passed on first reading on November 26, 1985.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

R. L. Bailey, President of Maple Cove, Inc., said he supported the findings of the Historic Resources Commission, and the ordinance would have his full support.

Ralph Bishop spoke in opposition to the adoption of the ordinance.

On a roll call vote of 7-0, Ordinance No. 1551 passed on second reading.

ORDINANCE NO. 1552 - AN ORDINANCE DESIGNATING A STREET KNOWN AS "NORTH MARKET STREET" AND AN ALLEY KNOWN AS "LANGREN ALLEY" IN ASHEVILLE, NORTH CAROLINA, CURRENTLY OWNED BY THE CITY OF ASHEVILLE, AS HISTORIC PROPERTY

4. Consideration was given to the second reading of Ordinance No. 1552, an ordinance designating a street known as "North Market Street" and an alley known as "Langren Alley" in Asheville, North Carolina, currently owned by the City of Asheville, as historic property.

Mayor Bissette said North Market Street is the last street in the City of Asheville having brick pavement, and Langren Alley is the last street in the City of Asheville having Belgian block pavement. These pavements figured prominently in the development of Asheville's thoroughfares. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the street, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission. This ordinance passed on first reading on November 26, 1985.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1552 passed on second reading.

Jim Glave, Architect for Southeastern Historic Properties, Inc., showed detailed maps of the proposed project and an aerial view. He said other improvements would include covering the asphalt street with paving brick or paving block, tree plantings, street lights, benches, and improved drainage, and creation of a green space behind the Lantzius Building. He said the project proposes that Wall Street would be closed to vehicular traffic during the normal business hours to increase pedestrian activity. He said in the future, if the closing of Wall Street proved to be unsuccessful, the project is flexible enough that Wall Street could be reopened. He said the developers had consulted with the State Historic Preservation Officer relative to restoring the facades on the Wall Street and Patton Avenue buildings. He said the facades would be put back to their original condition.

Ned Guttman, of 58 Beachwood Road, spoke in support of the proposed project. He requested that the developers consider a facade on the parking building on the Battery Park Avenue side to be consistent with the Post Office Building and the Grove Arcade Building. He also questioned whether a three-story parking building would be better than a four-story parking deck.

Upon inquiry of Ralph Bishop, Mayor Bissette said private and federal money would be used to develop the project, and imminent domain is a possibility on some parcels in the area.

Roy Burchfield, Manager of Penney's, said he was concerned about parking. He said the merchants in the area need parking badly. He said he was concerned about the closing of Wall Street because he felt this street is needed for the smooth flow of traffic in the downtown area. He suggested that Wall Street be open to vehicular traffic flowing one way. He said an additional hardship, by closing Wall Street, would be the congestion on College and Haywood Streets.

It was a consensus of Council, at the request of Councilman Michalove, that the City Manager receive traffic counts on Wall Street, Haywood Street, and Otis Street to determine the traffic flow in the area. He also requested that the City staff investigate the possibility of making Battery Park a two-way street.

Kathryn Grooms, merchant on Wall Street, questioned three entrances going into a parking deck with only one exit. She said she felt this would create a problem. She said she was also concerned about the closing of Wall Street. She invited the developers, Southeastern Historic Properties, to attend the next Wall Street Merchants Association meeting to discuss their proposed plans.

Gail Brady, merchant on Wall Street, said she was concerned that the redevelopment of the area would cause the rent to rise above what Asheville could support.

Bill Smith, President of Southeastern Historic Properties, Inc., answering some of the concerns of the area merchants, said the project would have the flexibility of opening or closing Wall Street. He said he would rely on the judgment of the architect relative to the facade on the parking deck facing Battery Park.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1554 passed on second reading.

ORDINANCE NO. 1549 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED IN REDWOOD FOREST AND SHAWNEE TRAIL AREA (MR. TED MORRIS, AGENT)

7. Consideration was given to the third reading of Ordinance No. 1549, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended - property located in Redwood Forest and Shawnee Trail area (Mr. Ted Morris, Agent).

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held October 2, 1985, reviewed and approved the petition of the residents of the Redwood Forest Subdivision and Shawnee Trail to rezone their property from R-2 Residential District to R-1 Residential District. This ordinance passed on first reading at the November 19, 1985, meeting and on second reading at the November 26, 1985, meeting.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1549 passed on third and final reading.

Complete text of Ordinance No. 1549 will be found in Ordinance Book No. 10 at page 327 and 328.

SALE OF DISPOSAL PARCELS 4, 63, 75, AND 198 - EAST RIVERSIDE URBAN RENEWAL PROJECT - EAST END/VALLEY STREET COMMUNITY IMPROVEMENT AREA

8. Consideration was given to a motion approving the sale of disposal parcels 4, 63, 75 and 198 in the East Riverside Urban Renewal Project and the East End/Valley Street Community Improvement Area.

Mayor Bissette said the Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East Riverside Urban Renewal Project and the East End/Valley Street Community Improvement Area.

Parcel	Reuse	Price	Bid	Redeveloper
4	Residential	$1,950.00	$2,000.00	R & R Associates, Inc.
63	Residential	2,050.00	2,100.00	R & R Associates, Inc.
75	Residential	1,400.00	1,450.00	R & R Associates, Inc.
198	Residential	1,620.00	1,621.00	Randolph Evans & April Twitty

Lots 4, 63, and 75 of the East End/Valley Street Area are to be developed with single family homes for resale. The eventual purchasers of the completed homes will be able to obtain a Dollar-A-Lot subsidy. These lots are located on Martin Luther King Drive.

ORDINANCE NO. 1553 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "THE MANOR" AT 265 CHARLOTTE STREET IN ASHEVILLE, NORTH CAROLINA, CURRENTLY OWNED BY TRANSCO FINANCIAL GROUP, LTD., AS HISTORIC PROPERTY

5. Consideration was given to the second reading of Ordinance No. 1553, an ordinance designating a building and property known as "The Manor" at 265 Charlotte Street in Asheville, North Carolina, currently owned by Transco Financial Group, Ltd., as historic property.

Mayor Bissette said "The Manor" was complete in 1899 as an "English Country Inn in America," and is a rare surviving example of the picturesque resort development so important to the history of the North Carolina mountains. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission. This ordinance passed on first reading on November 26, 1985.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Verl Emrick, Director of Planning, said a letter has been received from Jerry Crowe, Attorney representing Matthew Elman, requesting that action on the ordinance be postponed until the process of completing foreclosure proceedings against the property is completed.

After discussion, Vice-Mayor Frank moved that the second reading of Ordinance No. 1553 be postponed until February 4, 1986. This motion was seconded by Councilman Tisdale and carried unanimously.

Max Hanger, Secretary of the Grove Park Sunset Citizens Association, said the Association members are concerned about the future use of the Manor. He requested that Council give this matter proper consideration.

ORDINANCE NO. 1554 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "THE GROVE ARCADE" ON BATTLE SQUARE IN ASHEVILLE, NORTH CAROLINA, CURRENTLY OWNED BY THE UNITED STATES OF AMERICA, AS HISTORIC PROPERTY

6. Consideration was given to the second reading of Ordinance No. 1554, an ordinance designating a building and property known as "The Grove Arcade" on Battle Square in Asheville, North Carolina, currently owned by the United States of America, as historic property.

Mayor Bissette said "The Grove Arcade" was designed by prominent architect Charles N. Parker and built for famous developer and entrepreneur Edwin W. Grove, known as the "Father of Twentieth Century in Asheville." The "Grove Arcade" is a grand and flamboyant building constructed of fine ornamental terra cotta and stone, and is finished inside and out with Tudoresque and medieval ornamentation. This building is also a rare example of an interior shopping arcade with covered pedestrian thoroughfares. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission. This ordinance passed on first reading on November 26, 1985.

SCHEDULING PUBLIC HEARING - AMENDING ZONING ORDINANCE BY CREATING A NEW R2-A RESIDENTIAL DISTRICT FOR DECEMBER 17, 1985

11. Consideration was given to a motion scheduling a public hearing relative to amending the Zoning Ordinance by creating an R2-A Residential District December 17, 1985.

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held November 6, 1985, considered the request of the Haw Creek Community Association, Inc., that the Zoning Ordinance be amended by creating a new R2-A Residential District. After discussion, the Commission voted to recommend to City Council that the request be denied and that the alternate recommendation of staff to amend the current R-2 Residential District be denied. The Haw Creek Community Association, Inc., has requested that Council hold a public hearing relative to this request.

Councilman Boland moved to schedule a public hearing relative to amending the Zoning Ordinance by creating a new R2-A Residential District for December 17, 1985. This motion was seconded by Councilman Price and carried unanimously.

COUNCILMAN MICHALOVE'S REQUEST FOR CURRENT STUDIES DEALING WITH ANNEXATION

At the request of Councilman Michalove, it was the consensus of Council that the City Manager present to members of Council current studies available through the Planning Department relative to annexation plans of the City of Asheville. It was requested that this information be presented to Council before January 1, 1986. It was also requested that the statement from the North Carolina League of Municipalities relative to annexation also be presented to members of Council.

CLAIMS - CAROLYN HOGAN (STREETS) - CLIFTON YOUNG (SEWER) - GWENDOLYN MILLER (STREETS) - MAE THOMAS (SANITATION)

The Acting City Manager presented claims received from Carolyn Hogan, Clifton Young, Gwendolyn Miller, and Mae Thomas.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again spoke to members of Council relative to the lottery peddlers running wide open in the City of Asheville, and violating income tax laws.

ADJOURNMENT - EXECUTIVE SESSION

Councilman Price moved to adjourn the meeting to Executive Session to discuss real estate and personnel matters. This motion was seconded by Councilman Boland and carried unanimously.

MAYOR

CITY CLERK

Lot 198 of East Riverside Urban Renewal Project is a residential lot sale for a single family structure under the Incentive Housing Program. This lot is located on South French Broad Avenue.

Councilman Price moved to accept the recommendations of the Housing Authority for the sale of disposal parcels 4, 63, 75 and 198 in the East Riverside Urban Renewal Project and East End/Valley Street Community Improvement Area. This motion was seconded by Councilman Boland and carried unanimously.

SCHEDULING PUBLIC HEARING - GROUP DEVELOPMENT REVIEW - BUCK COVE DEVELOPMENT - DECEMBER 17, 1985

9. Consideration was given to a motion to schedule a public hearing for a group development review - Buck Cove Development for December 17, 1985.

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held November 13, 1985, reviewed the site plan of the proposed Buck Cove Development (Townhouses) to be located on Old Chunns Cove Road. The site plan was prepared by Dobson Engineering and Associates for Mr. Larry Buckner, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions: 1) that the street be constructed to an average grade of 15% and a maximum grade of 20%; 2) that the project comply with the Erosion Control Ordinance and that the final plans be shown with 2' contours instead of 5'.

Councilman Price moved to schedule a public hearing relative to the group development review for the Buck Cove Development for December 17, 1985. This motion was seconded by Councilman Michalove and carried unanimously.

SCHEDULING PUBLIC HEARING - EXTENDING PRESENT MORATORIUM IN THE HAW CREEK AREA FOR DECEMBER 17, 1985

10. Consideration was given to a motion scheduling a public hearing relative to extending the present moratorium in the Haw Creek Area for December 17, 1985.

Mayor Bissette said on August 20, 1985, Council adopted Ordinance No. 1530 imposing a moratorium on property in the Haw Creek Area for the issuance of any zoning or building permits and consideration of any request for group development review by the Planning and Zoning Commission. This moratorium expires on January 1, 1986, and a request has been received for Council to consider extending the moratorium for an additional ninety (90) days.

Councilman Michalove moved to schedule a public hearing relative to extending the present moratorium in the Haw Creek Area for December 17, 1985. This motion was seconded by Councilman Tisdale and carried unanimously.

Mr. Kisiah said Mrs. Byers had been employed with the City of Asheville for over twenty-two years as a Director of the Burton Street Center.

RECOGNITION OF STUDENTS FROM UNC-A

Mayor Bissette recognized students attending the Council meeting from UNC-A, during a special project in a news writing class at UNC-A.

PUBLIC HEARING - AMENDING THE ZONING ORDINANCE FOR RIDGE LAW AMENDMENTS

ORDINANCE NO. 1558 - AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE BY ADDING A NEW SECTION 30-3-18 ENTITLED "PROTECTED MOUNTAIN RIDGES"

3. A public hearing was held relative to amending the Zoning Ordinance relative to Ridge Law amendments.

Mayor Bissette said at the regular meeting of the Asheville Planning and Zoning Commission held on November 13, 1985, the Commission recommended to Council the adoption of an Ordinance amending Chapter 30 of the Code of Ordinances of the City of Asheville to expand the coverage of the Mountain Ridge Protection Act of 1983 to prohibit tall buildings on all ridges 500 feet above the adjacent valley floor.

Julia Cogburn, with the Planning Department, outlined the amendments to the Code of Ordinances stating that this amendment would expand the coverage of the Mountain Ridge Protection Act of 1983, as amended, in the City of Asheville and the extraterritorial planning jurisdiction of the City to further regulate the construction of tall buildings or structures on mountain ridges. She said this would restrict tall buildings or structures with a vertical height of more than 40 feet. She said this ordinance would eliminate the 3,000 foot elevation requirement in North Carolina General Statutes Section 113A-206 (6) in defining and protecting mountain ridges. She said a protective mountain ridge would be defined as all mountain ridges whose elevation is 500 or more feet above the elevation of an adjacent valley floor.

Councilman Boland said that he felt there were many issues relative to mountain ridges that were not covered by this ordinance, and in his opinion, Council should deal with these issues.

Mayor Bissette closed the public hearing at 4:16 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance, and it would not be read in its entirety unless there was a specific request to do so.

Councilman Boland moved for the adoption of Ordinance No. 1558. This motion was seconded by Councilman Michalove.

Councilman Boland said it was his hope that the "Alternatives for Asheville" Committee would be addressing issues involving mountain ridges.

Tuesday - December 10, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Norma T. Price; Kenneth M. Michalove; Walter R. Boland; George M. Tisdale; and Wilhelmina Bratton; Corporation Counsel William F. Slawter; Acting City Manager William P. Wolcott, Jr and Deputy City Clerk Carol Sundley.

Absent: None

APPROVAL OF THE MINUTES - DECEMBER 3, 1985 MEETING

1. Approval of the minutes of the December 3, 1985 meeting.

Councilman Michalove requested that the minutes be amended to include the following verbatim statement relative to the election of the Vice-Mayor:

"Mayor and fellow Council members, the election of the Vice-Mayor is our first official act as the team that has been elected to serve all the residents of the City of Asheville for the next two years. To me, the Vice-Mayor election is insignificant compared to the issues that lie ahead. While I would not expect us to agree on every issue that lies in the future, I feel that the most important aspect of this issue is to start as a team, undivided.

Therefore, I cannot, in good conscience vote for Mrs. Bratton or Mrs. Frank. Not because they are not qualified, but because it perpetuates division.

My recommendation is that if we cannot agree on one amongst us to assume these responsibilities that we can all agree on, in the absence of that, the responsibilities of Vice-Mayor should be rotated for equal months, in alphabetical order, among those that want the responsibility.

Simply put, on this issue, united we stand, divided we fail."

Councilman Tisdale requested that the minutes be amended to reflect that he seconded Councilman Price's motion to nominate Mary Lloyd Frank as Vice-Mayor of the City of Asheville.

Mayor Bissette announced the approval of the minutes as amended.

PRESENTATION OF AWARD - LOLA BYERS - NORTH CAROLINA RECREATION AND PARKS SOCIETY

2. Ray Kisiah, Director of Parks and Recreation, introduced Mr. Rick Bennett, representing the North Carolina Recreation and Parks Society, who presented Lola Byers, with an award and plaque from the North Carolina Recreation and Parks Society as an outstanding recreation leader.

Mayor Bissette said North Market Street is the last street in the City of Asheville having brick pavement, and Langren Alley is the last Street in the City of Asheville having Belgian block pavement. These pavements figured prominently in the development of Asheville's thoroughfares. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission. This ordinance passed on first reading on November 26, 1985 and on second reading on December 3, 1985.

Mayor Bissette said this ordinance was previously read on first and second reading, and it would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1552 passed on third and final reading.

Complete text of Ordinance No. 1552 will be found in Ordinance Book No. 10 at Page 332 and 333.

ORDINANCE NO. 1554 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "GROVE ARCADE" ON BATTLE SQUARE IN ASHEVILLE, NORTH CAROLINA, CURRENTLY OWNED BY THE UNITED STATES OF AMERICA, AS HISTORIC PROPERTY

6. Consideration was given to the third reading or Ordinance No. 1554, an ordinance designating a building and property known as "Grove Arcade" on Battle Square in Asheville, North Carolina, currently owned by the United States of America, as historic property.

Mayor Bissette said "The Grove Arcade" was designed by prominent architect Charles N. Parker and built for famous developer and entrepreneur Edwin W. Grove, known as the "Father of Twentieth Century in Asheville". "The Grove Arcade" is a grand and flamboyant building constructed of fine ornamental terra cotta and stone, and is finished inside and out with Tudoresque and medieval ornamentation. This building is also a rare example of an interior shopping arcade with covered pedestrian thoroughfares. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission. This ordinance passed on first reading on November 26, 1985, and on second reading on December 3, 1985.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1554 passed on third and final reading.

Complete text of Ordinance No. 1554 will be found in Ordinance Book No. 10 at Page 337 and 338.

Upon inquiry of Mayor Bissette, Julia Cogburn said the State of North Carolina, Department of Natural Resources and Community Development, would be reviewing and finalizing a map to submit prior to March, 1986. She said the State would also be looking at whether or not to include Beaucatcher Mountain as a protected mountain ridge.

On a roll call vote of 7-0, Ordinance No. 1558 passed on second reading.

ORDINANCE NO. 1551 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "THE GATE HOUSE" AT 265 CHARLOTTE STREET IN ASHEVILLE, NORTH CAROLINA, CURRENTLY OWNED BY MAPLE COVE, INC. AS HISTORIC PROPERTY

4. Consideration was given to the third reading of Ordinance No. 1551, an ordinance designating a building and property known as "The Gate House" at 265 Charlotte Street in Asheville, North Carolina, currently owned by Maple Cove, Inc. as historic property.

Mayor Bissette said the structure known as "The Gate House" was completed in 1899 as the entrance to the grounds of the Manor Inn, and remains an impressive Lodge of shingle, stucco, and timber with a rock tower. It also serves as a reminder of the architecture of early resort developments in Western North Carolina. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission. This ordinance passed on first reading on November 26, 1985 and on second reading on December 3, 1985.

Mayor Bissette said this ordinance was previously read on first and second reading, and it would not be reread in its entirety unless there was a specific request to do so.

Upon inquiry of Ralph Bishop, Mayor Bissette said the property would remain historic property as long as City Council wants it to remain that designation. He said this ordinance would not prohibit demolition of the building.

On a roll call vote of 7-0, Ordinance No. 1551 passed on third and final reading.

Complete text of Ordinance No. 1551 will be found in Ordinance Book No. 10 at Page 330 and 331.

ORDINANCE NO. 1552 - AN ORDINANCE DESIGNATING A STREET KNOWN AS "NORTH MARKET STREET" AND AN ALLEY KNOWN AS "LANGREN ALLEY" IN ASHEVILLE, NORTH CAROLINA, AND CURRENTLY OWNED BY THE CITY OF ASHEVILLE, AS HISTORIC PROPERTY

5. Consideration was given to the third reading of Ordinance No. 1552, an ordinance designating a street known as "North Market Street" and an alley known as "Langren Alley" in Asheville, North Carolina, and currently owned by the City of Asheville, as historic property.

Mayor Bissette said this resolution was previously presented to members of Council and would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 85-225 was unanimously adopted.

Complete text of Resolution No. 85-225 will be found in Resolution Book No. 15 at Page 366.

APPROVAL OF SIGN PERMIT - 800 FAIRVIEW ROAD - KENTUCKY FRIED CHICKEN

8. Consideration was given to a motion approving a sign permit for an identification sign at 800 Fairview Road.

Mayor Bissette said Kentucky Fried Chicken has requested a sign permit to erect an identification sign at 800 Fairview Road advertising "Kentucky Fried Chicken". This sign requires approval of City Council pursuant to the zoning ordinance in that the sign will be situated closer than 600' of a limited access highway. This sign permit was considered at the November 19, 1985 meeting and action was postponed until November 26, 1985. On November 26, 1985, at the request of the owners, action was postponed until December 10, 1985.

Verl Emrick, Director of Planning, said the sign permit meets all the requirements of the Zoning Ordinance. However, this sign permit requires approval of City Council pursuant to the Zoning Ordinance in that the sign will be situated closer than 600' of a limited access highway.

Harold Jackson, representing Kentucky Fried Chicken, spoke in support of the approval of the sign permit. He said it was very important for the sign to be visible from the interstate.

Councilman Price expressed concern about "cluttering" the area with signs in and around the shopping center.

Councilman Michalove said the sign permit would be within the maximum height of 40 feet, and in his opinion, businesses need to advertise. He said Council could, in the future, place limitations on signs in shopping centers.

Councilman Michalove moved for the approval of the sign permit at 800 Fairview Road for Kentucky Fried Chicken. This motion was seconded by Councilman Tisdale.

Councilman Boland requested that the City staff present to members of Council existing material on billboard sign ordinances.

Mayor Bissette read the following letter from Quality Forward:

RESOLUTION NO. 85-224 - RESOLUTION AUTHORIZING THE SALE OF PROPERTY ACQUIRED BY THE COUNTY OF BUNCOMBE PURSUANT TO TAX FORECLOSURE

7. Consideration was given to a resolution authorizing the sale of property acquired by the County of Buncombe pursuant to tax foreclosure.

Mayor Bissette said the City and County entered into an Agreement November 5, 1984, to set forth the responsibilities of the City and County with regard to the prior responsibilities of the Buncombe County Board of Tax Supervision. This resolution authorizes the sale of tax lots by the County of Buncombe at a price not less than the current tax valuations. These tax lots are owned jointly by the City and the County, and they are land that have been foreclosed upon for failure to pay taxes. The County, for itself and as agent for the City, is undertaking to sell these lots, and our agreement with them requires that they have City approval prior to selling any of the lots within the City limits. He said revenue to the City would be approximately 50% of the current tax valuations of the lots sold.

Mayor Bissette said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 85-224 was unanimously adopted.

Complete text of Resolution No. 85-224 will be found in Resolution Book No. 15 at Page 349-365.

RESOLUTION NO. 85-225 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO A CONTRACT FOR STATE SENIOR CITIZEN CENTER FUNDS

7. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into a contract for State Senior Citizen Center Funds.

Mayor Bissette said the North Carolina Department of Human Resources, Division of Aging, has a program whereby grants are available for acquisition or renovation of Senior Citizen Centers. The City has demonstrated its concern for its senior citizens by developing and operating the Senior Opportunity Center. The Parks, Recreation and Public Facilities Department and the Buncombe County Energy Commission have developed plans for a Solar Sun Space to be added on to the Senior Opportunity Center and has obtained funds for this purpose totaling $15,000. This resolution will authorize the Mayor to enter into an agreement between the City and Land-of-Sky Regional Council for use of these funds. He said of the total grant ($28,500), 53% will be furnished by the Federal and State ($15,000) and 47% will be furnished by the City. The 47% provided by the City will come from labor by the Park Maintenance Division ($8,500) and from the Alternative Energy Commission ($5,000).

Ray Kisiah, Director of Parks and Recreation, said this would provide for a solor sun space to be added to the Senior Opportunity Center.

RESOLUTION NO. 85-226 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A MEMORANDUM OF UNDERSTANDING BY AND BETWEEN THE CITY OF ASHEVILLE AND SUNBELT HISTORIC PROPERTIES LIMITED PARTNERSHIP FOR A REDEVELOPMENT PROJECT IN THE WALL STREET AREA

9. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville a Memorandum of Understanding by and between the City of Asheville and Sunbelt Historic Properties Limited Partnership for a Redevelopment Project in the Wall Street Area.

Mayor Bissette said Sunbelt Historic Properties Limited Partnership desires to undertake a redevelopment project for the Wall Street area. The City desires to enable parking improvements for the project area and to provide for certain street and site improvements in connection with the project. Sunbelt Historic Properties Limited Partnership and the City have agreed to the terms and conditions of a MOU setting forth the responsibilities of each party with respect to the redevelopment project.

Bill Smith, President of Southeastern Historic Properties, and developer of the project being Sunbelt Historic Properties Limited Partnership, explained the proposal for the redevelopment of Wall Street. He said the proposal involves 8.4 million in construction cost and that an additional $900,000 for street improvements, lighting, paving, tree plantings and other improvements associated with the parking deck. He said the four-story deck will be built with 350 spaces, but will be designed to accommodate additional levels in the future, if necessary. He said the deck will be built on the west end of Wall Street, with three access points and one exit.

Mayor Bissette summarized the contents of the Memorandum of Understanding. He said the Memorandum of Understanding is a result of at least two years of negotiations.

Mayor Bissette explained the financing for the Wall Street proposal.

Councilman Tisdale commended the developer for their plans, but said he was uncomfortable with some of the financial aspects of the parking garage and would be casting a negative vote.

Councilman Boland said he had reservations about some of the details of the project; however, he was pleased that the project is progressing. He said even if the proposal was not accepted, the City of Asheville would still have to provide parking and street improvements in the area with or without the project.

Councilman Price agreed with comments made by Councilman Boland.

Councilman Frank said studies have shown the Wall Street area is vital to downtown revitalivation.

Councilman Michalove said he felt the project is needed for downtown revitalization.

December 10, 1985

Mayor W. Louis Bissette, Jr.
City of Asheville
P. O. Box 7148
Asheville, N. C. 28807

Dear Lou:

Concerning the placement of signs for River Ridge Colonel Sanders Restaurant, I would like to state that this area is located adjacent to an I-240 beautification project that we plan to implement in Spring, 1986.

For this reason we are very interested in keeping signage on I-240 to a minimum and placing emphasis on landscaping and other improvements. We suggest a sign listing all tourist-related businesses be placed on the highway at that exit. Information signs are called "Logo" signs because they use identifying logos for each business (as you have seen in Virginia).

Our plan is to plant trees in the median strip from the beginning of I-240 to Chunns Cove. This tree planting, combined with the landscaping already completed by the Department of Transportation, will welcome visitors and improve the environment of East Asheville. We planned this in response to concerns voiced about the entrances to Asheville. We are in the process of planting at all the entrances into the City.

Thank you for considering limitation of signs along I-240.

Sincerely,

Susan Mayer
Executive Director

enc.: Letter to Marie Colton concerning "Logo" signs

Councilman Price said she felt shopping centers need "Logo" signs to identify all businesses in a shopping center.

Mayor Bissette said he was also concerned about the signs cluttering the entrances to the City, however, he realized the importance of businesses needing to advertise.

Barry Olen and Keith Thompson, spoke relative to Council's need to study the sign restrictions in the City of Asheville.

On a voice vote, Councilman Michalove's motion passed on a 4-3 vote, with Vice-Mayor Frank, Councilman Price, and Councilman Boland voting "no".

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 85-227 passed on a voice vote of 6-1, with Councilman Tisdale "no".

Complete text of Resolution No. 85-227 will be found in Resolution Book 15 at Page 369 and 370.

MOTION RELATIVE TO USE OF UDAG LOAN REPAYMENTS TO FUND DOWNTOWN PROJECT

11. Consideration was given to a motion relative to use of UDAG loan repayments to fund downtown project.

Mayor Bissette said this motion will direct the City Manager to identify and earmark specific UDAG repayments to be used to fund downtown redevelopment, and that a budget ordinance be submitted to Council appropriating said repayments to the Rankin Street Parking Garage and the Wall Street Redevelopment Project.

Councilman Michalove moved that, based on the funding commitments that have been made with regard to UDAG loan repayment funds, including the commitment today for the Wall Street Project, the Asheville City Council herewith places a moratorium on the use of these funds for any other projects until such time as the projects committed to are completed, reduced in scope, or eliminated from further consideration, to the extent that such funds are permitted by the Federal government to be used for these purposes. He said this motion would also direct the City Manager to prepare a budget amendment appropriating the repayments to the Rankin Street Parking Garage and the Wall Street Redevelopment Project. This motion was seconded by Councilman Bratton and carried on a voice vote of 6-1, with Councilman Tisdale voting "no".

COMMENDATION OF ZACK ALLEN RELATIVE TO ARTICLE IN ASHEVILLE CITIZEN TIMES ON HISTORY OF RIVERSIDE CEMETERY

Councilman Tisdale commended Zack Allen, with the Asheville Citizen Times, on the fine article he wrote relative to the history of the Riverside Cemetery.

CLAIMS - ANN JOYCE (METER READER) - THE MARKET PLACE (WATER) - MARY RIDDLE (STREETS) - LOUIS MONGIOVI (METER READER) - MEL GADDY (SANITATION) - OLIVIA BLAIR (SEWER)

The City Manager presented claims received from Ann Joyce (Meter Reader) - The Market Place (Water) - Mary Riddle (Streets) - Louis Mongiovi (Meter Reader) - Mel Gaddy (Sanitation) and Olivia Blair (Sewer).

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUIT - HARRY BRUMMER

The City Manager said a lawsuit naming the Board of Adjustments of the City of Asheville as a defendant was filed on November 27, 1985, involving Harry Brummer (prayer for damages for breach of contract and interference of defendant and request for injunction and mandamus to issue a building permit).

Upon inquiry of Ralph Bishop, Mayor Bissette noted that the Asheville City Council believes the project is in conformance with all related State laws.

Barry Olen, property owner on Wall Street, said he had mixed feelings relative to the project. He expressed concern that the changes will result in some of the tenants on Wall Street losing their businesses or not being able to afford higher rents. He also said he was concerned about the developer's proposal to close Wall Street to vehicular traffic during business hours, a plan the merchants say will result in less business and less accessibility to other parts of the downtown.

Mayor Bissette said the issue of closing or opening Wall Street is not addressed in the Memorandum of Understanding and is still open for discussion.

Katherine Grooms, a tenant on Wall Street, also spoke relative to her concerns about the rents being raised and the closing of Wall Street.

Tom Stietler, spoke relative to the project, stating that he was enthused about the new parking garage being downtown.

Mayor Bissette said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety.

Upon motion of Councilman Bratton, seconded by Councilman Michalove, Resolution No. 85-226 passed on a vote 6-1, with Councilman Tisdale voting "no".

Complete text of Resolution No. 85-226 will be found in Resolution Book No. 15 at Page 367 and 368.

RESOLUTION NO. 85-227 - RESOLUTION REQUESTING THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE TO CONSIDER AND TO ADOPT A RESOLUTION OF INTENT TO ISSUE URBAN REDEVELOPMENT BONDS IN AN AMOUNT NOT TO EXCEED TEN MILLION DOLLARS FOR THE WALL STREET AREA PROJECT

10. Consideration was given to a resolution requesting the Housing Authority of the City of Asheville to consider and to adopt a resolution of intent to issue Urban Redevelopment Bonds in an amount not to exceed Ten Million Dollars for the Wall Street Area Project.

Mayor Bissette said Sunbelt Historic Properties Limited Partnership ("Sunbelt") has negotiated a Memorandum of Understanding with the City which provides for Sunbelt to undertake a redevelopment project in the Wall Street area. Sunbelt desires to fund a portion of the total cost of the project by the issuance of urban redevelopment bonds as authorized in Article 22 of Chapter 160A of the North Carolina General Statutes. Sunbelt shall assign its rights under the MOU to Wall Street Limited Partnership, whose name shall be used in the issuance of the bonds. The City Council desires the Housing Authority, acting as a redevelopment commission pursuant to Article 22 of Chapter 160A of the North Carolina General Statutes, to issue the redevelopment bonds to fund a portion of the costs for this project.

Tuesday - December 17, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Norma Price, Walter R. Roland, Kenneth M. Michalove, and George Tisdale; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; and Deputy City Clerk Carol Hensley.

Absent: None

INVOCATION

The invocation was given by Councilman Tisdale.

APPROVAL OF THE MINUTES - DECEMBER 10, 1985 MEETING

1. Approval of the minutes of the December 10, 1985 meeting.

Mayor Bissette noted that the minutes should be amended to include that Corporation Counsel William F. Slawter was absent for the December 10, 1985, meeting, and that Patsy Brison was Acting Corporation Counsel at the meeting.

Mayor Bissette announced the approval of the minutes as amended.

PUBLIC HEARING - REDEVELOPMENT PLAN AMENDMENT FOR THE WOODBERRY APARTMENTS

2. A public hearing was held relative to a redevelopment plan amendment for the Woodberry Apartments.

Mayor Bissette opened the public hearing at 4:10 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette said the proposed amendment would add provisions to the plan for the issuance of urban development bonds for the making of loans to redevelopers to finance the acquisition and construction of residential units within the East End/Valley Street Redevelopment area.

Larry Holt, Deputy Executive Director of the Housing Authority of the City of Asheville, said this would be the first amendment to the East End/Valley Street Community Redevelopment Plan, approved by the Asheville City Council May 27, 1978. He said under the North Carolina General Statutes the Housing Authority is enabled to issue redevelopment bonds for land and construction of housing. He said bonds would be issued for the construction of an apartment complex consisting of 164 units on Alexander Drive. He said all proceeds from the bonds would be available to Poff Construction Company for construction of the apartment complex. He said in exchange for the tax exempt bonds, the owners of the complex would set aside 20% of the units for low and moderate income families.

Upon inquiry of Councilman Tisdale, Mr. Holt said there would be no expense to the City of Asheville for issuing the redevelopment bonds.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 85-228 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO SIGN AN AGREEMENT WITH SIGHT AND SOUND, INC. FOR PROFESSIONAL SERVICES FOR ALTERNATIVES FOR ASHEVILLE COMMITTEE

Consideration was given to a resolution authorizing the Mayor of the City of Asheville to sign an agreement with Sight and Sound, Inc. for professional services for Alternatives for Asheville Committee.

Verl Emrick, Director of Planning, said this contract would allow Sight and Sound, Inc. to do a video production for presentation to the public relative to information from the Alternatives for Asheville Committee. He said the cost of the video production would be $2,200.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 85-228 was unanimously adopted.

Complete text of Resolution No. 85-228 will be found in Resolution Book No. 15 at Page 371.

LETTER OF APPRECIATION TO JUDGE C. WALTER ALLEN

Councilman Price requested that a Letter of Appreciation be sent to Judge C. Walter Allen, signed by all Council members, expressing their appreciation for his participation in the swearing in ceremonies on December 3, 1985.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT TO WORK SESSION AND EXECUTIVE SESSION

Councilman Tisdale moved to adjourn the meeting to a work session and executive session. This motion was seconded by Councilman Price and carried unanimously.

MAYOR

CITY CLERK

Verl Emrick, Director of Planning, said due to technical problems, it would be his recommendation that Council continue the public hearing until January 7, 1986.

Councilman Tisdale moved to continue the public hearing relative to the Group Development Review for the Buck Cove Development until January 7, 1986, without further advertisement. This motion was seconded by Councilman Boland and carried unanimously.

PUBLIC HEARING - AMENDING THE ZONING ORDINANCE - CREATING A NEW R2-A RESIDENTIAL DISTRICT OR AMENDING THE EXISTING R-2 RESIDENTIAL DISTRICT

4. A public hearing was held relative to amending the Zoning Ordinance by creating a new R2-A Residential District or amending the existing R-2 Residential District.

Mayor Bissette said the Planning and Zoning Commission, at a meeting held November 6, 1985, considered the request of the Haw Creek Community Association, Inc., that the Zoning Ordinance be amended by creating a new R2-A Residential District. After discussion, the Commission voted to recommend to City Council that the request be denied and that the alternate recommendation of staff to amend the current R-2 Residential District be denied. The Haw Creek Community Association, Inc., has requested that Council hold a public hearing relative to this request.

Mayor Bissette opened the public hearing at 4:25 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said after several months of discussion by the Planning and Zoning Commission relative to the creation of a new zoning district to be R2-A, or a modification of the existing R-2 Low Density Residential District, and after talking with the Alternatives for Asheville Committee, the Commission recommended that no change be made in the existing Zoning Ordinance just to regulate the Haw Creek Valley. He said the Haw Creek Valley is presently zoned R-2, which would allow 10 units per acre. He said the Haw Creek Community Association, Inc., has requested that Council amend the Zoning Ordinance to create a new district, R2-A, or to amend the existing R-2 district to provide for four units per acre in order to protect the character of their neighborhood.

Mr. Emrick said in the very near future, Council would be dealing with growth patterns and balanced property rights for all the City, through the Alternatives for Asheville Committee's recommendations.

Mr. Emrick showed members of Council and the audience a chart showing a trend toward multi-family units in Asheville. He said Council had several alternatives, including the extension of the existing moratorium in the Haw Creek Valley for multi-family dwellings. He said Council has the option of approving the proposal from the Haw Creek Community Association to create an R2-A district, which would allow four units per acre; or modifying the existing R-2 Low Density Residential District to include six units per acre. He said changing the existing 10 units per acre to six units per acre would not have an adverse effect on the growth pattern in the Haw Creek area.

Upon inquiry of Ralph Bishop, it was noted that no additional costs would be imposed upon the City for water, sewer, or street improvements.

Mayor Bissette closed the public hearing at 4:16 p.m.

RESOLUTION NO. 85-229 - RESOLUTION ADOPTING AND APPROVING AMENDMENT NO. 1 TO THE EAST END/VALLEY STREET COMMUNITY IMPROVEMENT REDEVELOPMENT PLAN

Mayor Bissette said copies of the resolution were previously presented to members of Council, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 85-229 was unanimously adopted.

Complete text of Resolution No. 85-229 will be found in Resolution Book No. 15 at page 402 and 403.

RESOLUTION NO. 85-230 - RESOLUTION APPROVING THE ISSUANCE BY THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE OF URBAN DEVELOPMENT BONDS IN A PRINCIPLE AMOUNT NOT TO EXCEED SIX MILLION DOLLARS

Mayor Bissette said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 85-230 was unanimously adopted.

Complete text of Resolution No. 85-230 will be found in Resolution Book No. 15 at page 404 and 405.

PUBLIC HEARING - GROUP DEVELOPMENT REVIEW - BUCK COVE DEVELOPMENT

3. A public hearing was held relative to a group development review for the Buck Cove Development.

Mayor Bissette said the Planning and Zoning Commission, at a meeting held November 13, 1985, reviewed the site plan of the proposed Buck Cove Development (Townhouses) to be located on Old Chunns Cove Road. The site plan was prepared by Dobson Engineering and Associates for Mr. Larry Buckner, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions: 1) that the street be constructed to an average grade of 15% and a maximum grade of 20%; 2) that the project comply with the Erosion Control Ordinance and that the final plans be shown with 2' contours instead of 5'.

Mayor Bissette opened the public hearing at 4:20 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Councilman Tisdale commended the Haw Creek Community Association for trying to keep the character of their neighborhood. He said he could support the density level requirement of four units per acre.

Mayor Bissette said he did not feel that changing the requirement of 10 units to six units would adversely affect the City of Asheville.

Councilman Michalove said he felt the Buncombe County Board of Commissioners should pursue extending the extra territorial zoning jurisdiction to cover the entire Haw Creek area.

On a roll call vote of 4-3, Ordinance No. 1559 passed on first reading, with Councilmen Tisdale, Bratton, and Michalove voting "No."

ORDINANCE NO. 1560 - AN ORDINANCE AMENDING ORDINANCE NO. 1530 EXTENDING THE MORATORIUM LIMITING DEVELOPMENT IN THE HAW CREEK AREA

6. A public hearing was held relative to extending the present moratorium in the Haw Creek area.

Mayor Bissette said on August 20, 1985, Council adopted Ordinance No. 1530 imposing a moratorium on property in the Haw Creek Area for the issuance of any zoning or building permits and consideration of any request for group development review by the Planning and Zoning Commission. This moratorium expires on January 1, 1986, and a request has been received for Council to consider extending the moratorium for an additional ninety (90) days.

Mayor Bissette opened the public hearing at 5:17 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Frank Martin, of Haw Creek, supported the continuation of the present moratorium in the Haw Creek area.

Mr. Wickman, of Haw Creek, requested that the City staff look into the curb situation on Beverly Road.

Mayor Bissette closed the public hearing at 5:23 p.m.

Councilman Michalove moved for the adoption of Ordinance No. 1560. This motion was seconded by Councilman Tisdale.

On a roll call vote of 7-0, Ordinance No. 1560 passed on first reading.

Councilman Bratton moved to suspend the rules and proceed to the second reading of Ordinance No. 1560. This motion was seconded by Councilman Michalove and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1560 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1560. This motion was seconded by Councilman Frank and carried unanimously.

Upon inquiry of Councilman Bratton, Mr. Barrick said the Planning and Zoning Commission felt that an amendment to the Zoning Ordinance at this time would be a "stop gap" approach to the Alternatives for Asheville Comprehensive Plan currently being researched and developed.

Councilman Boland said he felt there was a big separation of allowable units per acre between the R-1 District and the R-2 District. He said the Alternatives for Asheville Committee is currently considering "clustering" of units in the City of Asheville, and Council should await their recommendations.

Ed Dyson, representing the Haw Creek Community Association, Inc., said the area residents are having problems with the restrictions in the R-2 and R-1 Residential Districts. He said large complexes have an impact on neighborhoods. He said their recommendation would be to reduce the density to four units per acre, which would allow for orderly growth without a large impact. He said the present infrastructure of Haw Creek could be addressed with this type of orderly growth. He said the Haw Creek area has winding narrow roads, water and sewer problems, and the proposed sewer line of 15" will not be adequate to alleviate the problems the citizens are having in the Haw Creek area. He said the association would like for Council to amend the Zoning Ordinance to include four units per acre, but could live with six units per acre. He also requested that Council amend the Group Development portion of the Zoning Ordinance to provide that Council review all developments in excess of two units. He also requested that members of Council contact the Buncombe County Commissioners to request that they extend their zoning jurisdiction to cover the entire valley of Haw Creek.

Bill Tennant, of Haw Creek, said the area residents would like to keep the Haw Creek area a basic residential area.

John Barnett, of Haw Creek, also spoke relative to controlled growth in the Haw Creek area.

Frank Martin, of Haw Creek, said area developers take advantage of legal "loopholes" with the current Group Development regulations. He requested that members of Council extend the current moratorium to prohibit developers from taking advantage of the area before the enforcement and adoption of a new Comprehensive Plan.

Mayor Bissette closed the public hearing at 5:10 p.m.

ORDINANCE NO. 1559 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (WORDING AMENDMENT - SECTION 30-5-3 - R-2 LOW DENSITY RESIDENTIAL DISTRICT)

Councilman Price moved to approve Ordinance No. 1559 amending the development standards under Section 30-5-3(C) development standards to allow for six units as a maximum density dwelling units per acre. This motion was seconded by Councilman Boland.

Councilmen Michalove, Bratton, and Tisdale expressed concerns relative to amending the Zoning Ordinance for the R-2 Low Density District in that it would affect all R-2 zones in the City, even though studies have not been made to determine if the new density requirements are appropriate for all those areas. It was noted that there was a big spread between the R-2 zoning and the R-6 zoning for density dwelling units per acre.

Complete text of Ordinance No. 1562 will be found in Ordinance Book No. 10 at page 351.

AUTHORIZATION FOR BONUS TO BE PAID TO RETIRED MEMBERS AND SURVIVORS OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND

8. Consideration was given to a motion relative to City Council authorizing that a bonus be paid to the retired members and survivors of the Asheville Policemen's Pension and Disability Fund as of December 17, 1985.

Mayor Bissette said this motion will approve distribution of a one-time bonus to retirees/survivors of the Policemen's Pension and Disability Fund.

Councilman Bratton moved that City Council authorize a bonus to be paid to the retired members and survivors of the Asheville Policemen's Pension and Disability Fund as of December 17, 1985, according to an approved formula. This motion was seconded by Councilman Tisdale and carried unanimously.

ORDINANCE NO. 1558 - AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE BY ADDING A NEW SECTION 30-3-18 ENTITLED "PROTECTED MOUNTAIN RIDGES"

9. Consideration was given to the second and third reading of Ordinance No. 1558, an ordinance amending Chapter 30 of the Code of Ordinance of the City of Asheville to expand the coverage of the Mountain Ridge Protection Act of 1983 to prohibit tall buildings on all ridges 500 feet above the adjacent valley floor.

Mayor Bissette said at the regular meeting of the Planning and Zoning Commission held on November 13, 1985, the Commission recommended to Council the adoption of an Ordinance amending Chapter 30 of the Code of Ordinances of the City of Asheville to expand the coverage of the Mountain Ridge Protection Act of 1983 to prohibit tall buildings on all ridges 500 feet above the adjacent valley floor. This ordinance passed on first reading at the December 10, 1985, meeting.

On a roll call vote of 7-0, Ordinance No. 1558 passed on second reading.

Vice-Mayor Frank moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1558. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1558 passed on third and final reading.

Complete text of Ordinance No. 1558 will be found in Ordinance Book No. 10 at page 343, 344, and 345.

On a roll call vote of 7-0, Ordinance No. 1560 passed on third and final reading.

Complete text of Ordinance No. 1560 will be found in Ordinance Book No. 10 at page 348 and 349.

ORDINANCE NO. 1561 - BUDGET ORDINANCE AMENDMENT ESTABLISHING BUDGET FOR HARVEST HOUSE AND SENIOR OPPORTUNITY CENTER FEDERAL GRANTS

6. Consideration was given to a budget ordinance amendment establishing a budget for federal grants at the Harvest House and Senior Opportunity Center.

Mayor Bissette said this budget ordinance will establish a budget to administer federal grants received from the Senior Citizen Fund for Harvest House Senior Center and Senior Opportunity Center. A total of $9,000 was received for Harvest House deck construction and equipment purchases and a total of $15,000 was received for the construction of the Senior Opportunity Center's solar space. There will be a total cost of $24,000 to make improvements to the existing facilities at these locations.

Councilman Tisdale moved for the adoption of Ordinance No. 1561. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1561 passed on first and final reading.

Complete text of Ordinance No. 1561 will be found in Ordinance Book No. 10 at page 350.

ORDINANCE NO. 1562 - BUDGET ORDINANCE AMENDMENT FOR SOUTH PACK SQUARE STREETSCAPE IMPROVEMENTS

7. Consideration was given to a budget ordinance amendment for South Pack Square Streetscape Improvements.

Mayor Bissette said this budget amendment will appropriate funds for South Pack Square Streetscape costs overruns. There will be a cost of $28,000 available from CDBG contingency which contains a balance of $56,955.

Marvin Vierra, with the Community Development Department, said the South Pack Square Streetscape Project has encountered a problem with soil compaction that has resulted in a cost overrun and a delay in the completion of the project. He said this appropriation will allow for the correction to the soil problem and allow paving and landscaping to continue with amendments to the plan.

Upon inquiry of Ralph Bishop, it was noted that federal funds were being used for the South Pack Square Streetscape Project.

Councilman Price moved for the adoption of Ordinance No. 1562. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1562 passed on first and final reading.

RESOLUTION NO. 85-233 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A REDEVELOPMENT STUDY CONTRACT WITH THE FIRM OF BUTLER ASSOCIATES, P.A.

Mayor Bissette read a resolution which would authorize a contract with Butler Associates, P.A., in the amount of $1,709.25 to conduct a portion of the studies in the downtown relative to designation of redevelopment project areas.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 85-233 was unanimously adopted.

Complete text of Resolution No. 85-233 will be found in Resolution Book No. 15 at page 408.

CLAIMS - A. A. HILL (SANITATION) - TIMOTHY GALLAGHER (WATER) - MARGARET BURGIN (WATER) - FUTON DESIGNS (WATER/STREETS)

The Acting City Manager presented claims received from A. A. Hill, Timothy Gallagher, Margaret Burgin and Futon Designs.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - SEEKING REDRESS TO MEMBERS OF COUNCIL - LOTTERY PEDDLERS

Ralph Bishop again spoke to members of Council relative to his difficulty in seeking redress from members of Council, and relative to lottery sales in the City of Asheville.

PRESENTATION BY ASHEVILLE CABLEVISION

Mr. Michael McPhee, Vice President of Operations for Daniels and Associates, Inc., presented a presentation to the Asheville City Council relative to improvements being made by Asheville Cablevision to its subscribers. He said these improvements are results of a letter from the City of Asheville, dated October 22, 1985.

The verbatim presentation is attached as part of these minutes.

ADJOURNMENT

Councilman Price moved to adjourn the meeting to a work session. This motion was seconded by Councilman Boland and carried unanimously.

MAYOR

CITY CLERK

RESOLUTION NO. 85-231 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT ON BEHALF OF THE CITY OF ASHEVILLE WITH TERRY BROTHERS CONSTRUCTION COMPANY, INC., FOR THE PROJECT KNOWN AS BUSBEE VIEW ROAD/SWEETEN CREEK ROAD EIGHT INCH SEWER LINE CONTRACT NUMBER E-027/W-011.85

10. Consideration was given to a resolution authorizing the Mayor to sign a contract on behalf of the City of Asheville with Terry Brothers Construction Company, Inc., for the project known as Busbee View Road/Sweeten Creek Road Eight Inch Sewer Line Contract Number E-027/W-011.85.

Mayor Bissette said bids were solicited for the project known as the Busbee View Road/Sweeten Creek Road Eight Inch Sewer Line. The project includes the installation of approximately 1875 linear feet of eight inch (8") diameter sewer pipe, ten (10) manholes and associated appurtenances. Terry Brothers Construction Company, Inc., of Leicester, North Carolina was the lowest responsible bidder. Total cost for this project is $36,515.20. This is budgeted in the Capital Construction (33) Fund.

Upon motion of Councilman Price, seconded by Councilman Michalove, Resolution No. 85-231 was unanimously adopted.

Complete text of Resolution No. 85-231 will be found in Resolution Book No. 15 at page 406.

SCHEDULING PUBLIC HEARING - AMENDMENT TO GROUP DEVELOPMENT SECTION OF THE ZONING ORDINANCE FOR JANUARY 7, 1986

Councilman Price moved that a public hearing be scheduled relative to amending the Zoning Ordinance, Group Development Section, Article 6, for January 7, 1986. This motion was seconded by Councilman Michalove and carried unanimously.

EXTENSION OF OPTION FOR SALE OF PROPERTY TO WESTERN NORTH CAROLINA AGRICULTURAL CENTER AT THE AIRPORT

Councilman Tisdale moved that the option previously granted to the State of North Carolina with regard to the sale or lease of fifty (50) acres of land adjoining the Western North Carolina Agricultural Center be extended through the 31st day of Janaury, 1986. This motion was seconded by Councilman Price and carried unanimously.

RESOLUTION NO. 85-232 - RESOLUTION EXTENDING A SALES AGREEMENT FOR THE SALE OF APPROXIMATELY 16.4 ACRES OF CITY-OWNED PROPERTY LOCATED EAST OF THE INTERSECTION OF FARMING BRIDGE AND AIRPORT ROAD TO AMERICAN DIECASTING ENGINEERING, INC., (RONAL WHEELS)

Mayor Bissette read a resolution authorizing the execution of an agreement extending through March 31, 1986, the offer to purchase a 16.4 acre tract of land by Ronal Wheels.

Upon motion of Councilman Bratton, seconded by Councilman Tisdale, Resolution No. 85-232 was unanimously adopted.

Complete text of Resolution No. 85-232 will be found in Resolution Book No. 15 at page 407.

City . . . (and) to maintain that system in reasonable repair and working order and provide adequate facilities for such maintenance" in the following respects:

1. Excessive service interruptions and outage problems exist;
2. Poor signal quality and reception exists; and
3. Asheville Cablevision has failed to provide adequate service responce to the above mentioned problems.

What I would like to do today is address each of these issues and to share with you the steps we've taken to address each of them. Additionally, we have gathered survey data to support our contention that we deserve the cable franchise for the City of Asheville.

As Tom Marinkovich indicated to you in October, service outages are caused by uncontrollable or controllable events. As a reminder, uncontrollable events are lightning or storm damage, utility poles being knocked down by vehicles or loss of electrical power to our equipment. The controllable circumstances involve either equipment failure that could have been anticipated or human error. Both of these types of failures can affect an individual customer or entire areas involving hundreds of homes. On December 3rd, when the temperature suddenly dropped 40 degrees, a fuse was blown that took the entire system down for 45 minutes. Problems like that will occur at times, and are common to all cable systems. I intend to share with you those steps

Presentation
to
Asheville City Council
By
Michael P. Mc Phee
Vice President, Operations
Daniels and Associates, Inc.
December 17, 1985

Good afternoon. My name is Michael Mc Phee, and I am the Vice President of Operations for Daniels and Associates, the Company responsible for the management of Asheville Cablevision. I appreciate being given the opportunity to appear before you today and report on the progress and steps taken by our Cable Company in response to the letter from the City dated October 22, 1985. I hope to demonstrate to you that we have been responsive to the concerns raised in that letter. I will ask that if you become convinced, as I am, that we have made significant progress toward correcting the problems, that you rescind the default position taken by the City at that time.

I will also make a recommendation to the Council that its Cable Television Commission be continued, with expanded membership, to ensure ongoing communications with the cable company and continued compliance with the terms of our franchise.

As you are aware, Mayor Mc Devitt stated that Asheville Cablevision has failed to "furnish reasonable, adequate and efficient community antenna service to the residents of the

like lightening strikes, and automatic overload short circuit protection, which prevents damage to expensive equipment. These devices will add considerable reliability to the cable system.

Occasionally our underground cable is cut or damaged during construction activities. All of the local utilities participate and cooperate with a company named "ULOCO", Utilities Locating Company, whose job it is to notify those Companies when digging is planned that may cause problems. We have installed a direct phone line and printer and receive instant notices of construction activity that allow us to locate our buried cable before it is damaged.

Controllable circumstances that cause equipment failure are those that could have been anticipated, or human error. We are expanding our technical capabilities in our system in 1986 and we intend to continue the technical training programs that were initiated in the second half of 1985.

To support our view that the service interruptions are less today, I would like to share with you the results of a opinion/attitude survey of Cablevision customers, which was conducted by the research analysts within Daniels corporate marketing department. We attempted to contact all subscribers who attended the three public hearings or completed the City Council questionnaire and complained

we are taking to reduce outages from uncontrollable circumstances.

To reduce lightning damage and damage from "power transients" and "surges," we instituted a program over twelve months ago to improve the grounding for line equipment mounted on poles. To date, we have grounded 460 equipment locations using a highly effective, non-comingling grounding approach. These additional grounds provide a more efficient way to disperse currents induced by lightning strikes and other unwanted electrical currents in our cable plant. This approach exceeds code requirements and is expensive, but we feel it will be worth it to achieve increased reliability. An additional 2806 locations are scheduled to be completed during 1986 at the rate of 230 locations per month.

We have analyzed our outages, and fully 35 percent are directly related to interruptions of service from the power company. We continue to install backup power supplies throughout the system to provide backup power to the cable system during short term power interruptions. There are presently 19 Lectro stand-by power supplies operational system wide. We will put an additional 39 units in service during 1986. These units are state-of-the-art equipment with enhanced features such as heavy duty surge protection, which reduces outages caused by sudden shocks to the system

Mr. Warren L. Braun, P.E., president and founder of Comsonics, Inc., a technical services firm in the cable television industry. Mr. Braun, a professional engineer, is a graduate electrical engineer with 44 years of experience in the radio and television broadcast industry, and is well recognized as an expert in the cable television industry. He was instrumental in the establishment of a scientific method of grading television picture quality known as the Taso scale. Mr. Braun selected at random the households of 35 subscribers who had complained to the City last May. This process resulted in statistically valid signal quality sampling throughout our system, including the extremities. He observed the television picture quality under controlled conditions at these 35 locations using a van and a 100 foot long cable drop. Mr. Braun's complete report is attached to this document for your review, but basically he felt that the picture quality throughout our system was good to excellent. Should any of you desire further information from Mr. Braun, he would be happy to discuss his experience in Asheville with the Council.

Asheville Cablevision has taken several steps to improve customer service response. While back in May of 1985, the case could have been made that Asheville Cablevision was providing a substandard level of customer service, through busy phone lines, discourtesy, or poorly answered questions by our customer service representatives, today there is

about service interruptions, poor picture quality, or inadequate service response. We were successful in reaching by telephone 1,122 of the approximately 1,800 people who completed City survey forms. In all cases, we asked those people if we could send them a survey form. Nearly all, 937 of them, agreed and received our written survey document. A total of ~~780~~ 385 survey forms were returned to us and the data I am about to present is based a statistically reliable sample of that number. I should point out that statistically this size group enables us to predict with +/- 6% accuracy. These results from our severest critics would indicate that Asheville Cablevision has made significant progress in reducing service interruptions and outages.

We also conducted a telephone survey of 400 subscribers selected at random to obtain their views on these same subjects. This survey revealed that since July 1, those respondents who reported experiencing outages either "very seldom or not at all" increased from 29% to 53%. We do not intend to rest on our laurels, and we will again spend approximately $1 million in 1986 on new plant and equipment for the cable system to improve reliability.

To evaluate the systems technical condition and signal quality, we retained an independent expert in television broadcasting. Picture quality is a very subjective issue unless dealt with by a professional in the field. We hired

courtesy and commitment to 100 percent subscriber satisfaction.

Let me take a few moments to go into detail on these service points, as well as let you know the results of customer surveys, which provide further evidence of our position.

Prior to December, our hours were 9 a.m. to 5 p.m., and 9 a.m. to 2 p.m. on Saturday. We have significantly expanded those hours so that now our office hours for customer service are 8 a.m. to 8 p.m., Monday through Friday; 9 a.m. to 5 p.m. on Saturday; (technicians and installers until 8 p.m.); and technicians ~~and installers~~ 9 a.m. until 5 p.m. on Sunday. Additionally, we have a duty officer and chief technician on call from 8 p.m. to 8 a.m. every day to deal with customer problems during the time our answering service is handling telephone calls.

We have established an arrangement with the Better Business Bureau and the Mayor's office to notify us immediately of any complaints received by them from our customers. With this information, we are able to respond to dissatisfied customers more quickly.

In May we installed a new telephone system and expanded the number of incoming lines to 10. We have been monitoring the frequency of situations when all of our line are busy,

absolutely no question that for the majority -- indeed the overwhelming majority of residents -- Asheville Cablevision is providing an outstanding level of customer service.

We have appointed a new system general manager, who was the recipient of Daniels' highest management award for customer service in 1985. He has brought to us a renewed commitment to service and leadership for our employees. We have invested considerable resources in an improved telephone system. We've expanded our customer service hours. We created a new position dedicated full-time to resolving special customer service problems which cannot be quickly addressed through our normal procedures. We have publicized a new Customer Care Program and have conducted extensive training and supervision to ensure that all our employees treat our customers with utmost care and respect. Further, we've instituted a policy to check back with all customers receiving installation or service to ensure their complete satisfaction with the quality of our work.

Based upon these concrete, positive actions coupled with research conducted on two separate occasions since the City's hearings to examine our customers' attitudes about service in detail, I am fully confident that customer service response is no longer a point of contention with Asheville Cablevision customers. In fact, we are now receiving high marks for our service response, dedication,

We instituted a policy to call back upon completion of work all customers requiring installation or service orders to make sure the customer is satisfied with the quality of the work performed. If we are unable to reach the customer by telephone, we mail them a post card to obtain their response. Our technicians or installers also leave a pre-paid "customer response card", signed by the individual performing the work. With all new subscribers we leave a information packet that provides useful information about the Cable Company.

We instituted our Customer Care program in August, and have made a very serious effort to communicate with our subscribers and the citizens of Asheville. We have had three live call-in television shows inviting customers to call with any questions or complaints they had with the cable company. As we received those complaints, we dealt with them immediately. We have initiated some locally originated programming to be more responsive to the specific needs of Asheville and Buncombe County. Our Christmas version of Asheville Video Probe is presently showing on the system. This program deals with the support agencies that are available and the services they provide to help the needy here in the Asheville/Buncombe area. I am very proud of this particular production, and I hope all of you have an opportunity to watch it.

preventing a customer from reaching us. I can tell you that in the last two months, we are averaging less than 0.6% of the time per day when all our lines are tied up. Obviously during a major outage our lines light up and some of our subscribers will not be able to get through to us. Fortunately this does not happen frequently. During this same period, we had three outages that lasted a total of 2 hours and 5 minutes, all of an uncontrollable nature. If we exclude these occurances from the above calculation, our lines were completely busy for 0.1% of the time, or approximately 43 seconds per day. I am also pleased to report that during this same time period, our phone was answered on the first or second ring 87% of the time. We have programs underway to inform our customers that we know about the problem and are responding immediately when a major outage occurs, and therefore there is no need to call the cable company. Our survey indicates that those respondents who have tried to reach Cablevision on the telephone since July 1, 1985, ten times as many report that access has gotten better. We instituted cycle billing in October to further even out telephone calls associated with billing questions and reduce peak period traffic.

We created the special position of Customer Service Specialist to deal with customer complaints, and Dot Cordell has been very effective at coordinating our different departments to ensure proper treatment for our customers.

The survey data supports our position that service response has improved. Of the people who responded, four times as many felt our customer service had improved. Roughly three times the number of respondents rated Cablevision either "excellent or good" as opposed to "fair or poor" with respect to providing courteous service.

Asheville Cablevision has been responsive to the concerns raised by the City Council in October. You have the commitment of the President of Daniels & Associates Inc. to provide outstanding cable television service here in Asheville and we will fulfill that obligation. I hope the information presented here today has convinced you that we have made significant progress toward this objective. If so, it is fair for you to rescind the default declaration made in Mayor Mc Davitt's letter of October 22, 1985. We deserve the cable franchise for the City of Asheville, and we will continue to work diligently to earn that privilege.

In my opening remarks, I mentioned the suggestion that the City Council Cable Television Commission be continued. What I would propose for your consideration is the establishment of a committee, including a representative from the City Council, the General Manager of Asheville Cablevision, and two or three prominent local officials. The purpose of this group would be to provide a communication and monitoring vechicle within the community. We believe this group could

During the past seven months, we have actually conducted, at our company's expense, three scientific opinion/attitude surveys to attempt to verify and quantify the positive and negative impressions of our company, outages, signal quality, customer service response and overall performance.

The survey methodology adhered to sound research principles to give us a real picture of our customers' perceptions.

One of the surveys, as I mentioned earlier, was specifically aimed at those people who had taken part in the hearings or City survey, which we have termed "Previously Disgruntled Customers." The results among that group show that almost three of every four customers felt that Asheville Cablevision had improved its overall performance recently.

Better than three out of four rated us as excellent or good on providing courteous service. A majority said our response time was either excellent or good. Nearly two-thirds rated our overall customer service performance as excellent or good. Again, these results come not from the customer base at large, but focused directly on those disgrunted people who raised concerns about our service seven months ago.

Tuesday - January 7, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Roland, Kenneth M. Michalove, Norma T. Price, George M. Tisdale; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; and Deputy City Clerk Carol Wensley.

Absent: None.

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - DECEMBER 17, 1985 MEETING

1. Approval of the minutes of the December 17, 1985 meeting.

Mayor Bissette noted that the minutes should be amended on page 309 correcting a typographical error.

Mayor Bissette announced the approval of the minutes as amended.

QUALITY FORWARD - SLIDE SHOW AND AWARDS PRESENTED - LITTERING

LaRue Rolick, Community Educator with Quality Forward, said Quality Forward has been working diligently to clean up litter. She said a high school committee developed a slide presentation to be shown during all driver education classes in Asheville and Buncombe County. She said the slide show features Neville Bilbrey, an Asheville High School graduate, to help educate high school students about the impact of littering. She showed members of Council and the audience the slide show showing "famous Marvin" for his expertise in tossing litter and garbage out car windows in the trashing of Asheville and the rest of America. She said after the show was developed, Keep America Beautiful Committees across the country have asked to make copies of the 7 minute show. She said the slide show is being sold for the cost of copying.

Bess Baird, with Quality Forward, recognized and presented awards to Neville Bilbrey, Sheriff Tom Morrissey, and former Mayor McDevitt for helping with the slide presentation.

PUBLIC HEARING - AMENDING ZONING ORDINANCE RELATIVE TO GROUP DEVELOPMENT REVIEWS

ORDINANCE NO. 1563 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (WORDING AMENDMENTS - ARTICLE 2. DEFINITIONS, SECTION 30-2-1. GENERAL, ARTICLE 6. SECTION 30-6-1. GROUP DEVELOPMENTS/PLANNED UNIT DEVELOPMENTS)

2. A public hearing was held relative to amending Article 2, Definitions, Section 30-2-1. General, and Article 6. Section 30-6-1, Group Developments/Planned Unit Developments of the zoning ordinance.

Mayor Bissette said this ordinance will amend the zoning ordinance to provide that any mobile home park, camper-trailer park, or any multi-family

be of great help in continuing the improvement in service to our subscribers. We are anxious to work with the Council if you feel this idea has merit.

I appreciate being given the time in your session to present this report of our progress. Thank you.

ORDINANCE NO. 1559 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (WORDING AMENDMENT - ARTICLE 5. USE DISTRICTS, SECTION 30-5-3, R-2 LOW DENSITY RESIDENTIAL DISTRICT)

4. Consideration was given to the second reading of Ordinance No. 1559, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended (Wording Amendment - Section 30-5-3, R-2 Low Density Residential District).

Councilman Tisdale moved to amend Ordinance No. 1559, deleting the provision relative to 40' height limitations. This motion was seconded by Councilman Price and carried unanimously.

Councilman Tisdale said he was still supportive of 4 units per acre but since the majority of Council would be voting for 6 units per acre he would support that amendment.

Councilman Michalove again expressed concerns that the amendment to the R-2 Low Residential District is too strong of a move to permanently change the R-2 district in all areas of the City.

Councilman Bratton said she felt members of Council should not amend the zoning ordinance until the comprehensive plan from the Alternatives for Asheville Committee is presented.

On a roll call vote of 5-2, Ordinance No. 1559 passed on second reading with Councilman Bratton and Councilman Michalove voting "no".

REPORT RELATIVE TO ASHEVILLE CABLEVISION

Mike McPhee, Vice-President of Operations for Daniels and Associates, presented the following presentation to members of council:

residential building or structure containing (3) or more individual units will require approval pursuant to Group Developments/Planned Unit Developments.

Mayor Bissette opened the public hearing at 4:24 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this ordinance would modify the current regulations in the zoning ordinance relative to group developments to require a group development review by the Planning and Zoning Commission and City Council for developments of 25,000 square feet or more or any mobile home park, camper-trailer park or multi-family residential building or structure containing three (3) or more units. He said the current regulation is five (5) units or more.

Mayor Bissette closed the public hearing at 4:27 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1563. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1563 passed on first reading.

CONTINUATION OF PUBLIC HEARING - GROUP DEVELOPMENT REVIEW - BUCK COVE DEVELOPMENT

3. A public hearing was continued for a group development review for the Buck Cove Development.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held November 13, 1985, reviewed the site plan of the proposed Buck Cove Development (Townhouses) to be located on Old Chunns Cove Road. The site plan was prepared by Dobson Engineering and Associates for Mr. Larry Buckner, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions: 1) that the street be constructed to an average grade of 15% and a maximum grade of 20%; 2) that the project comply with the Erosion Control Ordinance and that the final plans be shown with 2' contours instead of 5'. This public hearing was opened on December 17, 1985, and continued until January 7, 1986.

Verl Emrick, Director of Planning, said the developers are still having technical problems with their plan, and requested that the public hearing be continued until January 21, 1986.

Councilman Tisdale moved to continue the public hearing relative to the group development review for Buck Cove Development until January 21, 1986, without further advertisement. This motion was seconded by Vice-Mayor Frank and carried unanimously.

Cablevision has failed to, and I quote "furnish reasonable, adequate and efficient community antenna service to the residents of the City . . . (and) to maintain that system in reasonable repair and working order and provide adequate facilities for such maintenance" in the following respects:

1. Excessive service interruptions and outage problems exist;
2. Poor signal quality and reception exists; and
3. Asheville Cablevision has failed to provide adequate service response to the above mentioned problems.

Today, I will address each of these issues and share with you the steps we have taken to address each of them. Additionally, we have gathered survey data to support our contention that we continue to deserve the cable franchise for the City of Asheville.

As Tom Marinkovich indicated to you in October, service outages are caused by uncontrollable or controllable events. As a reminder, uncontrollable events are lightning or storm damage, utility poles being knocked down by vehicles or loss of electrical power to our equipment. The controllable circumstances involve either equipment failure that could have been anticipated or human error. Both of these types of failures can affect an individual customer or entire areas involving hundreds of homes. I intend to share with you those steps we are taking to reduce outages from uncontrollable circumstances.

Presentation
to
Asheville City Council
By
Michael P. Mc Phee
Vice President, Operations
Daniels and Associates, Inc.
January 7, 1985

Good afternoon. My name is Mike Mc Phee, and I am the Vice President of Operations for Daniels and Associates. Our Company is responsible for the management of Asheville Cablevision. I appreciate being given the opportunity to appear before you today and report on the progress and steps taken by our Cable Company in response to the letter from the City dated October 22, 1985. I believe that my report today will demonstrate to you that we have been responsive to the concerns raised in that letter. If you become convinced, as I am, that we have made significant progress toward correcting the problems, I will ask that you rescind the default position taken by the City at that time.

I also make the recommendation to the Council that its Cable Television Commission be continued, with expanded membership, to ensure ongoing communications with the cable company and continued compliance with the terms of our franchise.

As you are aware, Mayor Mc Devitt stated that Asheville

Controllable circumstances that cause equipment failure are those that could have been anticipated, or human error. We are expanding our technical capabilities in our system in 1986 and we intend to continue the technical training programs that were initiated in the second half of 1985.

To support our view that the service interruptions are less today, I would like to share with you the results of a opinion/attitude survey of Cablevision customers, which was conducted by the research analysts within Daniels corporate marketing department beginning in November. We attempted to contact all subscribers who attended the three public hearings or completed the City Council questionnaire and complained about service interruptions, poor picture quality, or inadequate service response. We were successful in reaching by telephone 1,122 of the approximately 1,800 people who completed City survey forms. In all cases, we asked those people if we could send them a survey form. Nearly all, 937 of them, agreed and received our written survey document. A total of 472 survey forms were returned to us, roughly 50 %, and the data I am about to present is based on that number. This number is significantly larger than the number of returned survey forms used in my December 17th report. I should point out that statistically this size group enables us to predict with +/- 3.2% accuracy at the 95% confidence level. I am pleased to report to the Council that although the precision level has increased

To reduce lightning damage and damage from "power transients" and "surges," we instituted a program over twelve months ago to improve the grounding for line equipment mounted on poles. To date, we have grounded 460 equipment locations using a highly effective, non-comingling grounding approach. These additional grounds provide a more efficient way to disperse currents induced by lightning strikes and other unwanted electrical currents in our cable plant. This approach exceeds code requirements and is expensive, but we feel it will be worth it to achieve increased reliability.

We have analyzed our outages, and fully 35 percent are directly related to interruptions of service from the power company. We continue to install backup power supplies throughout the system to provide backup power to the cable system during short term power interruptions. These devices will add considerable reliability to the cable system.

Occasionally our underground cable is cut or damaged during construction activities. We have installed a direct phone line and printer with a Utilities Locating Company and receive instant notices of construction activity that allow us to locate our buried cable before it is damaged.

subjective issue unless dealt with by a professional in the field. We hired Mr. Warren L. Braun, P.E., president and founder of Comsonics, Inc., a technical services firm in the cable television industry. Mr. Braun, a professional engineer, is a graduate electrical engineer with 44 years of experience in the radio and television broadcast industry, and is well recognized as an expert in the cable television industry. He was instrumental in the establishment of a scientific method of grading television picture quality known as the Taso scale. Mr. Braun felt that the picture quality throughout our system was good to excellent. You have been provided with a copy of Mr. Braun's report.

Asheville Cablevision has taken several steps to improve customer service response. While back in May of 1985, the case could have been made that Asheville Cablevision was providing a substandard level of customer service, through busy phone lines, discourtesy, or poorly answered questions by our customer service representatives, today there is absolutely no question that for the majority -- indeed the overwhelming majority of residents -- Asheville Cablevision is providing an outstanding level of customer service.

We have appointed a new system general manager, who was the recipient of Daniels' highest management award for customer service in 1985. He has brought to us a renewed commitment to service and leadership for our employees. We have

(from +/- 5.0% to +/- 3.2%), there are no substantial changes in the results that were reported in the December report. These results from those subscribers who formerly were our severest critics, would indicate that Asheville Cablevision has made significant progress in reducing service interruptions and outages.

Survey data is certainly meaningful, but perhaps one of the truest indicators of our improved performance is your own personal experience. At the December 17th Council work session Councilwoman Price indicated that the complaints had stopped and that one of her neighbors had expressed surprise when the Cable Company had called back three times to make sure they were satisfied. Human nature being what it is, people that are satisfied tend to remain silent.

We also conducted a telephone survey of 400 subscribers selected at random to obtain their views on these same subjects. This survey revealed that since July 1, those respondents who reported experiencing outages were cut in half. We do not intend to rest on our laurels, and we will again spend approximately $1 million in 1986 on new plant and equipment for the cable system to improve reliability.

We evaluated the systems technical condition and signal quality. In order to do this we retained an independent expert in television broadcasting. Picture quality is a very

Today our office hours are 8 a.m. to 8 p.m., Monday through Friday; 9 a.m. to 5 p.m. on Saturday; (technicians and installers until 8 p.m.); and technicians 9 a.m. until 5 p.m. on Sunday. Additionally, we have a duty officer and chief technician on call from 8 p.m. to 8 a.m. every day to deal with customer problems during the time our answering service is handling telephone calls.

We have established an arrangement with the Better Business Bureau and the Mayor's office to notify us immediately of any complaints received by them from our customers. With this information, we are able to respond to dissatisfied customers more quickly.

In May we installed a new telephone system and expanded the number of incoming lines to 10. Our survey indicates that those respondents who have tried to reach Cablevision on the telephone since July 1, 1985, ten times as many report that access has gotten better. We instituted cycle billing in October to further even out telephone calls associated with billing questions and reduce peak period traffic.

We instituted our Customer Care program in August, and have made a very serious effort to communicate with our subscribers and the citizens of Asheville. We have had three live call-in television shows inviting customers to call with any questions or complaints they had with the

invested considerable resources in an improved telephone system. We've expanded our customer service hours. We created a new position dedicated full-time to resolving special customer service problems which cannot be quickly addressed through our normal procedures. We have publicized a new Customer Care Program and have conducted extensive training and supervision to ensure that all our employees treat our customers with utmost care and respect. Further, we've instituted a policy to check back with all customers receiving installation or service to ensure their complete satisfaction with the quality of our work.

Based upon these concrete, positive actions coupled with research conducted on two separate occasions since the City's hearings to examine our customers' attitudes about service in detail, I am fully confident that customer service response is no longer a point of contention with Asheville Cablevision customers. In fact, we are now receiving high marks for our service response, dedication, courtesy and commitment to 100 percent subscriber satisfaction.

Let me take a few moments to go into detail on these service points, as well as let you know the results of customer surveys, which provide further evidence of our position.

three of every four customers felt that Asheville Cablevision had improved its overall performance recently.

Three out of four rated us as excellent or good on providing courteous service. A majority said our response time was either excellent or good. Nearly two-thirds rated our overall customer service performance as excellent or good. Again, these results come not from the customer base at large, but focused directly on those dissatisfied people who raised concerns about our service seven months ago.

The survey data supports our position that service response has improved since July 1. Of the people who responded, 48% felt our customer service had improved, versus 3% who felt it was worse. 59% of these respondents rated Cablevision better with respect to providing courteous service versus 2% who felt we were worse. It is unlikely we will ever satisfy all of our customers 100%, but we will try. If we have dissatisfied customers and they tell us of their problems, we will correct them.

Asheville Cablevision has been responsive to the concerns raised by the City Council in October. I come here today to renew the commitment of the President of Daniels & Associates Inc. to provide outstanding cable television service here in Asheville and we will fulfill that obligation. I hope the information presented here today has

cable company. As we received those complaints, we dealt with them immediately. We have initiated some locally originated programming to be more responsive to the specific needs of Asheville and Buncombe County. Our Christmas version of Asheville Video Probe dealt with the support agencies that are available and the services they provide to help the needy here in the Asheville/Buncombe area. I was very proud of this particular production, and I hope all of you had an opportunity to watch it. Our Toys for Tots campaign during Christmas was very successful contributing over 800 toys and $500 to the Salvation Army for distribution.

During the past seven months, we have actually conducted, at our company's expense, three scientific opinion/attitude surveys to attempt to verify and quantify the positive and negative impressions of our company, outages, signal quality, customer service response and overall performance.

The survey methodology adhered to sound research principles to give us a real picture of our customers' perceptions.

One of the surveys, as I mentioned earlier, was specifically aimed at those people who had taken part in the hearings or City survey, which we have termed "Previously Dissatisfied Customers." The results among that group show that almost

Councilman Price noted that the citizens of Asheville should know that Asheville Cablevision does not have an "exclusive franchise" and another cablevision company option is open for Asheville.

Councilman Boland said he would be interested in looking at the option of another cablevision company coming to Asheville.

Councilman Bratton said she felt the members of Council have a responsibility to the community to look into that option.

Councilman Tisdale commended Asheville Cablevision for their most recent efforts and asked that they continue with their improvements.

Morris Fox, of Valle Vista Road, said he was one of the original complainers during the May public hearings relative to Asheville Cablevision. He said since that time the services have improved tremendously, since Michael McPhee has been operating Asheville Cablevision.

Sam Hyatt, of Providence Road, said on a scale of 1 to 10, the rate of service for Asheville Cablevision, in the recent weeks, has been about a 9 and back in May it couldn't possibly have been above a 2. He said he felt tremendous progress has been made in service. He said when Asheville Cablevision officials changed their programming it should have been clarified and done with proper understanding.

Chris Peterson, with Peterson Amusements Company, spoke in support of Asheville Cablevision.

Gary Moffitt, Manager of Cinjades, said he felt Asheville Cablevision's service is good and response and asked that Council rescind their letter of default.

Steve Brady, with Steven's Pub, said he felt Asheville Cablevision's service was excellent.

Carl Green told members of Council he felt Asheville Cablevision's prices were cheaper than other cable companies and other utility costs.

Wolfgang Reiner, with WCOS, said he felt Asheville Cablevision was very responsive and courteous to their subscribers. He said cablevision in Alabama was more expensive than Asheville Cablevision.

Don Chase, West Asheville resident, spoke to members of Council relative to his many problems with Asheville Cablevision citing bad reception and constant interference.

Patsy Roberts, with Norrell Services, spoke in favor of Asheville Cablevision.

Peter Winslow, Chairman of the Asheville/Buncombe Cable Television Study Committee, said he was still receiving complaints relative to programming problems. He said he felt their service was getting better. He asked questions of Mr. McPhee relative to the 5 year budget presented when Daniels and Associates took over Asheville Cablevision. He also indicated several commercial businesses in town that could not receive cablevision services.

convinced you that we have made significant progress toward this objective. We believe we deserve the cable franchise for the City of Asheville, and we will continue to work diligently to earn that privilege. If you agree, it is fair for you to rescind the default declaration made in Mayor Mc Devitt's letter of October 22, 1985. We ask you to take that action today.

I appreciate being given the time in your session to present this report of our progress. Thank you.

Councilman Roland said he was happy to hear of the improvements by Asheville Cablevision, but he still felt the citizens were concerned about the inadequate programming on the basic service. He said there was considerable sentiments that programming by Asheville Cablevision does not compare with other cities' programming. He said he felt this was important for Asheville Cablevision to take under advisement.

Mr. McPhee, responding to Councilman Roland, said he realized the prgramming last March was unpopular, however the change was made for economical reasons to remove the expensive channels. He said he felt there was a need in Asheville to carry a low basic service for fixed-income subscribers. He said Asheville Cablevision has not increased the price for basic services in the past three years. He said Asheville Cablevision had to make a business decision to remove the expensive channels from the basic service in order not to increase the price for basic service. He said all cable companies have independent programming lineups.

Councilman Roland and Councilman Bratton said, in their opinion the subscribers felt betrayed when the programming was changed in March of 1985.

Councilman Bratton said she had voted for the last rate increase for Asheville Cablevision, based on the programming presented at that time.

Councilman Roland said he realized that Asheville City Council did not have a legal recourse to force Asheville Cablevision to do anything with their programming, however, Asheville Cablevision should take this into consideration.

Mr. McPhee, responding to Councilman Roland and Councilman Bratton, said cable companies have a right to modify their programming.

Complete text of Resolution No. 86-1 will be found in Resolution No. 15 at page 409.

BIDS - ELEVEN (11) 2-WAY RADIOS FOR POLICE DEPARTMENT

8. Consideration was given to a motion relative to bids received for eleven (11) 2-way portable radios for the Police Department.

Mayor Bissette said sealed bids were received to furnish eleven (11) FM 2-way portable radios for use by the Police Department. Four (4) invitations were mailed to prospective bidders, however only one bid was received. This bid was from Motorola Communications in the amount of $17,490. A total of $16,622 was budgeted to purchase eleven (11) radios - seven (7) for the Patrol Bureau and four (4) for the Criminal Investigations Bureau. Bid of $17,490, which is $868 in excess of budget, should cause no negative effect because of anticipated savings on other purchases.

Councilman Price moved that the bid be awarded to Motorola Communications in the amount of $17,490. This motion was seconded by Councilman Tisdale and carried unanimously.

RESOLUTION 86-2 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A NEGOTIATED SETTLEMENT AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND THE EQUAL EMPLOYMENT OPPORTUNITY COMMISSION

9. Consideration was given to a resolution authorizing the City Manager to execute a negotiated settlement agreement by and between the City of Asheville and the Equal Employment Opportunity Commission.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 86-2 was unanimously adopted.

Complete text of Resolution No. 86-2 will be found in Resolution Book No. 15 at page 410.

RESULTS OF DEMOCRATIC PRIMARY - SEPTEMBER 24, 1985 AND GENERAL ELECTION NOVEMBER 5, 1985 FOR MAYOR AND CITY COUNCIL

10. The Acting City Manager said he had received the results of the City Council Democratic primary of September 24, 1985, and the Mayor and City Council general election of November 5, 1985 and requested they be made a part of the minutes.

A copy of the results are attached.

CLAIMS - MRS. A. B. HESS (WATER) - DONALD PENLAND (SEWER) - ROCK HAVEN MOTEL (WATER) - LEIGH HIPPS (STREETS) - LUCY HUGHES (WATER) - MEEKER LINCOLN MERCURY INCORPORATION (SANITATION) - MIKE HAHN (SEWER)

11. The Acting City Manager presented claims received from Mr. A.B. Hess, Donald Penland, Rock Haven Motel, Leigh Hipps, Lucy Hughes, Meeker Lincoln Mercury Incorporation, and Mike Hahn.

Mr. Winslow said he felt Asheville City Council should continue to be a "watchdog" of Asheville Cablevision and requested that they work on programming.

June Ratcliff, also a member of the Asheville/Buncombe Cable Television Committee, said she felt Asheville Cablevision had violated its trust in its recent change in programming.

After discussion, Mayor Bissette said members of Council had discussed the cablevision issue during pre-council work session and executive session, and it was the consensus of Council that Mayor Bissette send a letter to Asheville Cablevision within the next two weeks.

Councilman Price said she would be interested in the Asheville/ Buncombe Cable Television Committee being active.

ORDINANCE NO. 1564 - BUDGET ORDINANCE AMENDMENT APPROPRIATING FUNDING FOR PUBLIC IMPROVEMENTS IN THE HAYWOOD STREET REDEVELOPMENT PROJECT

6. Consideration was given to a budget ordinance amendment appropriating funding for public improvements in the Haywood Street Redevelopment Project.

Mayor Bissette said this budget ordinance amendment is to appropriate funding totaling $320,000 for public improvements in the Haywood Street Redevelopment Project. Funding will be provided from uncommitted General Revenue Sharing Funds. These public improvements will result in private investment of approximately $5.5 million.

Councilman Michalove moved for the adoption of Ordinance No. 1564. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1564 passed on first and final reading.

Complete text of Ordinance No. 1564 will be found in Ordinance Book No. 10 at page 356.

RESOLUTION NO. 86-1 - RESOLUTION OF CONCURRENCE WITH A BUSINESS RELOCATION POLICY CHANGE

7. Consideration was given to a resolution of concurrence with a business relocation policy change.

Mayor Bissette said this policy change provides sole proprietorships, with the owner being 65 years of age or older, who have businesses which are subject to relocation, with an option of receiving a payment of $10,000 "in lieu of" moving expense payment or the actual moving expense cost. Possible cost is $40,000. Funds for this purpose are budgeted in the Pack Plaza Project.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Michalove, seconded by Councilman Roland, Resolution No. 86-1 was unanimously adopted.

CITY COUNCIL

DEMOCRATIC PRIMARY - SEPTEMBER 24, 1985

ABSTRACT OF VOTES, CAST AT PRIMARY ELECTION, HELD FOR COUNCILMEN, CITY OF ASHEVILLE, SEPTEMBER 24, 1985, IN THE COUNTY OF BUNCOMBE, NORTH CAROLINA AT PLACES APPOINTED BY LAW FOR HOLDING PRIMARY ELECTIONS IN SAID COUNTY.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT TO EXECUTIVE SESSION

Councilman Price moved that Council adjourn to executive session to discuss a personnel matter. This motion was seconded by Councilman Boland and carried unanimously. The meeting adjourned to executive session at 6:00 p.m.

Mayor

City Clerk

Tuesday - January 14, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland, Kenneth M. Michalove, Norma T. Price, George M. Tisdale; Corporation Counsel William F. Slawter; and Acting City Manager William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Mayor Bissette.

APPROVAL OF THE MINUTES - JANUARY 7, 1986 MEETING

1. Mayor Bissette noted that the minutes should be amended to correct a typing error on Page 342, paragraph 8. The word "response" should be "responsive."

Mayor Bissette announced the approval of the minutes as amended.

MAYOR BISSETTE - RECOGNITION OF ERIC ARTHUR

2. Mayor Bissette recognized Eric Arthur, Boy Scout, attending the Council meeting as part of his work toward a citizenship merit badge.

ORDINANCE NO. 1563 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (WORDING AMENDMENT - ARTICLE 2., DEFINITIONS, SECTION 30-2-1. GENERAL., ARTICLE 6, SECTION 30-6-1. GROUP DEVELOPMENT/PLANNED UNIT DEVELOPMENTS)

3. Consideration was given to the second reading of Ordinance No. 1563, "an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended (Wording Amendment - Article 2., Definitions, Section 30-2-1. General., Article 6, Section 30-6-1. Group Development/Planned Unit Developments.)

Mayor Bissette said this ordinance will amend the Zoning Ordinance to provide that any mobile home park, camper-trailer park, or any multi-family residential building or structure containing three (3) or more individual units will require approval pursuant to Group Developments/Planned Unit Developments. This ordinance passed on first reading on January 7, 1986.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote 7-0, Ordinance No. 1563 passed on second reading.

MAYOR AND CITY COUNCIL

GENERAL ELECTION - NOVEMBER 5, 1985

ORDINANCE NO. 1565 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDING FOR URBAN DESIGN WORKSHOP

5. Consideration was given to a budget ordinance amendment to provide funding for Urban Design Workshop.

Mayor Bissette said this budget ordinance amendment will provide funding in the amount of $24,996 for services for Urban Design Workshop. One half of funding is provided by local participation.

Verl Emrick, Director of Planning said $12,500 will be provided by the City as local participation and this will be matched by $12,500 from the private sector.

Karen Fields, Executive Director of Asheville-Buncombe Discovery, said workshops, which will be sponsored by the City of Asheville, Asheville-Buncombe Discovery, and Downtown Developers will be held during the months of January and February. She said this project will also call for meetings with Biltmore Village merchants and West Asheville merchants to encourage development in those areas.

Councilman Boland moved for the adoption of Ordinance 1565. This motion was seconded by Councilman Michalove.

On a roll call vote of 7-0, Ordinance No. 1565 passed first and final reading.

Complete text of Ordinance No. 1565 will be found in Ordinance Book 10 at Page 356.

RESOLUTION NO. 86-3 - A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND HAYES, SEAY, MATTERN AND MATTERN FOR THE ASHEVILLE URBAN DESIGN WORKSHOP PROJECT

6. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an agreement by and between the City of Asheville and Hayes, Seay, Mattern and Mattern for the Asheville Urban Design Workshop Project.

Mayor Bissette said this resolution will authorize an agreement with Hayes, Seay, Mattern and Mattern to facilitate a series of workshops which will result in a graphic urban design plan for the downtown area. Total cost of contract - $25,000 City: $12,500 and Private Sector: $12,500

Verl Emrick, Director of Planning, said the workshop will be lead by Architect Tinm Jamieson of Roanoke, Virginia; Urban Designer Chad Floyd of Centerbrook Essex, Connecticut; and Lester Collins, former Dean of Landscape Architect at Harvard University.

Mr. Emrick said the purpose of this project is to create an urban plan for Asheville, and will requires the cooperation of the public and private sector.

ORDINANCE NO. 1559 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (WORDING AMENDMENT - SECTION 30-5-3. R-2 LOW DENSITY RESIDENTIAL DISTRICT)

4. Consideration was given to the third reading of Ordinance No. 1559, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended (Wording Amendment - Section 30-5-3. R-2 Low Density Residential District.)

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held November 6, 1985, considered the request of the Haw Creek Community Association, Inc. that the Zoning Ordinance be amended by creating a new R2-A Residential District. After discussion, the Commission voted to recommend to City Council that the request be denied and that the alternate recommendation of staff to amend the current R-2 Residential District be denied. The Haw Creek Community Association, Inc. has requested that Council hold a public hearing relative to this request. This ordinance passed on first reading on December 17, 1985, and on second reading on January 7, 1986, amending the R-2 density dwelling units per acre to six (6).

Lee Towery, 17 Alpine Way, spoke in opposition to the proposed zoning. He requested that City Council delay the third reading of the ordinance until such time as the City can re-write the entire Zoning Ordinance so that it will be uniform throughout the entire City.

Mr. David West spoke in opposition to the proposed zoning. He said the proposed zoning had not been recommended by the Planning and Zoning Commission and that several matters should be taken into consideration by City Council before the ordinance was adopted. He said the proposed zoning would have an adverse affect on the City through loss of revenues and population. He requested that Council table the ordinance.

Councilman Price said she hopes any action the Council takes does not conflict with any directions the Alternatives for Asheville would be looking at. She said Council has had to address problems in Haw Creek not affecting other areas of the City. She said Council's action is a reaction to a moratorium placed on Haw Creek area by the State.

Councilman Bratton said she had voted against the proposed ordinance on first and second reading. She said she would vote against the ordinance again today because she felt the City needs to complete the comprehensive plan for the whole City.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 5-2, Ordinance No. 1559 passed on third and final reading, with Councilman Bratton and Councilman Michalove voting "no."

Complete text of Ordinance No. 1559 will be found in Ordinance Book 10 at Pages 346 and 347.

Complete text of Resolution No. 86-5 will be found in Resolution Book 15 at Page 413.

RESOLUTION NO. 86-6 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE/BUNCOMBE WATER AUTHORITY

8a. Consideration was given to a resolution appointing member to the Asheville/Buncombe Water Authority.

Mayor Bissette said this resolution will appoint Richard A. Wood for a term of 3 years, term to expire December 31, 1988.

Mayor Bissette said John Powell had indicated that he was not interested in being reappointed due to other commitments.

Upon motion of Councilman Price, seconded by Councilman Michalove, Resolution No. 86-6 was unanimously adopted.

Complete text of Resolution No. 86-6 will be found in Resolution Book 15 at Page 414.

RESOLUTION NO. 86-7 - RESOLUTION APPOINTING MEMBER TO THE METROPOLITAN SEWERAGE DISTRICT

8b. Consideration was given to a resolution appointing a member to the Metropolitan Sewerage District.

Mayor Bissette said this resolution will reappoint Walter Boggs as a member to the Metropolitan Sewerage District Board for a term of 3 years, term to expire January 19, 1989.

Councilman Price said she felt Mr. Boggs' continued service on this Board would be in the best interest of the City since the City has just signed a consolidation agreement with MSD.

Councilman Tisdale said he had talked with Roy Robinson and was told that Mr. Boggs has been a devoted member to the Metropolitan Sewerage District Board. The Board encourages City Council to reappoint Mr. Boggs, and he supports the reappointment.

Upon motion of Councilman Bratton, seconded by Councilman Michalove, Resolution No. 86-7 was unanimously adopted.

Complete text of Resolution No. 86-7 will be found in Resolution Book 15 at Page 415.

MOTION - CONSENT AGENDA

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Mayor Bissette said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-3 was unanimously adopted.

Complete text of Resolution 86-3 will be found in Resolution Book 15 at Page 411.

RESOLUTION NO. 86-4 - RESOLUTION APPROVING TRANSFER OF NORTH CAROLINA HOUSING FINANCE AGENCY HOME IMPROVEMENT LOAN COMMITMENTS TO THE CITY OF LUMBERTON, NORTH CAROLINA

7. Consideration was given to a resolution approving transfer of North Carolina Housing Finance Agency Home Improvement Loan Commitments to the City of Lumberton, North Carolina.

Mayor Bissette said this resolution will approve a reduction of a loan commitment from $240,000 to $140,000 by transferring $100,000 to the City of Lumberton. The City of Lumberton will reimburse the City of Asheville $3,000 for a debt reserve and $18,360 interest subsidy which was previously paid from Community Development Block Grant funds.

Marvin Vierra, Director of Community Development, said that $140,000 would be left for loans through the agency, and this action would not put any rehabilitation efforts in jeopardy. He said since April of 1983, only two persons out of 50 applicants, were able to qualify under the stringent guidelines now imposed for these loans. He said the Housing Finance Agency's intent is to help low income people with housing rehabilitation, but to qualify, you must be in the mid-income category.

Mr. Vierra answered general questions from members of Council concerning restrictions and how the funds are released by the State.

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, Resolution No. 86-4 was unanimously adopted.

Complete text of Resolution No. 86-4 will be found in Resolution No. 15 at Page 412.

RESOLUTION NO. 86-5 - RESOLUTION APPOINTING A MEMBER TO THE ASHEVILLE-BUNCOMBE WATER AUTHORITY.

8. Consideration was given to a resolution appointing a member to the Asheville-Buncombe Water Authority.

Mayor Bissette said this resolution will appoint Norma Price to fill the unexpired term of Gordon Myers, whose term expires December 31, 1986.

Upon inquiry of Councilman Price, Corporation Counsel Slawter said that it would be a conflict of interest for her to vote on this matter.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 86-5 was adopted with Councilman Price abstaining.

CLAIMS - DOUG MICHAELS (SANITATION), MARY SANTUCCI (FIRE DEPARTMENT), JOHN HOLT (SEWER), ANN CARVER (STREETS), WILLIAM IRBY, SR. (SANITATION), AND HAZEL CARLAND (WATER)

9. The City Manager presented claims received from Doug Michaels (Sanitation), Mary Santucci (Fire Department), John Holt (Sewer), and Carver (Streets), William Irby, Sr. (Sanitation), and Hazel Carland (Water).

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - ELIZABETH WITSON V. CITY OF ASHEVILLE; WYAND F. DOERNER, III V. CITY

10. The City Manager said the City was served on January 6, 1986, with the following lawsuits in which the City is a defendant: - Elizabeth Witson v. City of Asheville and Wyand F. Doerner, III v. City of Asheville.

Mayor Bissette referred the lawsuits to Corporation Counsel for investigation and recommendation.

RALPH BISHOP - REMARKS ON CABLEVISION REPORT

11. Ralph Bishop said he felt that Council had received a real snow job when they heard the report on cablevision last week. He said that he would side with Councilman Boland and agree that Asheville Cablevision has violated their franchise. He said he hopes the Council will continue to look into the possibility of getting another cable company in Asheville.

BILL BARLEY - 68 FAIRWAY DRIVE

12. Bill Barley, 68 Fairway Drive, said he appreciated Councilman Price's consideration. He said that the residents of Beverly Hills would be prepared to state their case when the Carmelite matter comes before the City Council on February 4, 1986.

ADJOURNMENT - EXECUTIVE SESSION

Councilman Price moved that Council adjourn to executive session to discuss real estate and personnel matters. This motion was seconded by Vice-Mayor Frank and carried unanimously. The meeting adjourned to executive session at 5:03 p.m.

MAYOR

William E. Malcott
CITY CLERK

A. **Motion scheduling a public hearing relative to the site plan of the proposed Eagle's Crest Retirement Center and The Forrest Apartments to be located on the Carmelite Monastery site on Fairway Drive for February 4, 1986.**

HIGHLIGHTS: The Planning and Zoning Commission at a meeting held December 11, 1985, reviewed the site plan of the proposed Eagle's Crest Retirement Center and The Forrest Apartments to be located on the Carmelite Monastery site on Fairway Drive. The site plan was prepared by Jan Wiegman, Architect, for the M.B. Corporation of Raleigh, N. C., Developer, and submitted in accordance with the Group Development Section of the Zoning Ordinance. After review and discussion, the Commission voted to accept the Staff Report and approve the project subject to the following conditions:

1. That parking for Eagle Crest be no less than one space per unit;

2. That the plans prior to going to City Council be submitted showing a relocation of the tennis courts.

3. That the Department of Public Works approve the specifications and design of street requested for dedication or that portion thereof; and

4. Compliance with Erosion Control Ordinance.

The Commission further recommended that City Council consider officially closing Carmelite Drive.

B. **Motion scheduling a public hearing relative to amending the Zoning Ordinance to provide for handicapped off-street parking requirements for February 4, 1986.**

C. **Motion scheduling a public hearing relative to the site plan of 60-66 Haywood Street for February 11, 1986.**

HIGHLIGHTS: The Planning and Zoning Commission at a meeting held December 11, 1985, reviewed the site plan of 60-66 Haywood Street showing adaptive reuse of two buildings for residential and retail purposes. The site plan was prepared by James Samsel, Architect, for City Assets Corporation, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council.

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, the Consent Agenda was unanimously adopted.

further notified that if you failed to commence corrections within sixty (60) days of receipt of this notice and failed to complete corrections within a reasonable time thereafter, the City Council of the City of Asheville would consider revoking and declaring forfeited the franchise agreement and all of Asheville Cablevision's rights thereunder.

On December 17, 1985, you presented to the Asheville City Council a report responding to the City's notification of default. This report included a customer service survey dated December, 1985, and a signal analysis prepared by Warren L. Braun, dated December 12, 1985. These reports were supplemented by a further presentation to City Council by Michael P. McPhee on January 7, 1985 and an update on the previously submitted customer service survey.

A public hearing was held by the Asheville City Council on January 7, 1986 and comments were taken from members of the public, as well as members of the Asheville-Buncombe Cable Television Committee.

Based upon the foregoing evidence, the Asheville City Council hereby acknowledges the commencement of corrections as requested in our notice of default to you, dated October 22, 1985.. It appears that Asheville Cablevision has made an effort to improve its service to the residents of the City by addressing the following problems:

1. Excessive service interruptions and outage problems.

2. Poor signal quality and reception.

3. Inadequate service response to the above mentioned problems.

It is much more difficult based upon the evidence received by the City Council to make a final determination at this time as to whether the corrections required have been completed. Therefore, the City of Asheville will continue to monitor on a regular basis the service being provided to the citizens of Asheville under Asheville Cablevision's franchise agreement. We propose to monitor this performance through the use of a newly constituted cable television commission. This commission will be named by the City Council and will include a representative from the City Council, the General Manager of Asheville Cablevision, the Chairman of the Asheville-Buncombe Cable Television Committee and two additional representatives from the community to be named by the City Council. It will be the responsibility of this newly constituted commission to monitor Asheville Cablevision's compliance with the terms of its franchise agreement and to provide regular communications between Asheville Cablevision and the City of Asheville.

In addition, the City of Asheville shall renew its request to the Federal Communications Commission for the completion of the investigation which has been requested by the City of Asheville.

Although it is apparent that Asheville Cablevision is making an effort to address many of the service problems which have occurred in the past, Asheville Cablevision has made no significant effort to address the complaints of the citizens of the City of Asheville and

Tuesday - January 21, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Norma Price, Kenneth Michalove, and George Tisdale; Corporation Counsel William Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: Councilman Walter R. Boland

INVOCATION

The invocation was given by Councilman George Tisdale.

APPROVAL OF THE MINUTES - JANUARY 14, 1986 MEETING

1. Approval of the minutes of the January 14, 1986 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

RESOLUTION NO. 86-8 - RESOLUTION OBJECTING TO THE SELECTION OF BUNCOMBE COUNTY AS A SITE FOR THE DUMPING OF NUCLEAR WASTE

1A. Consideration was given to a resolution objecting to the selection of Buncombe County as a site for the dumping of nuclear waste.

Mayor Bissette read the resolution.

Upon motion of Councilman Price, seconded by Councilman Bratton, Resolution No. 86-8 was unanimously adopted.

Complete text of Resolution No. 86-8 will be found in Resolution Book No. 15 at page 416 and 417.

Councilman Price noted that even though the selection of the site was in the future, the idea of selecting a site in Buncombe County is damaging to our community. She requested that the letters indicating objection to the site for the repository of nuclear waste being in Buncombe County insist that the community be notified that Buncombe County would not be considered as a site as expeditiously as possible.

LETTER TO ASHEVILLE CABLEVISION

Mayor Bissette read the following letter relative to Asheville Cablevision:

January 20, 1986

Mr. Michael P. McPhee
Asheville Cablevision
172 Charlotte Street
Asheville, NC 28801

Dear Mr. McPhee:

On October 22, 1985, the City of Asheville notified you by letter from Larry McDevitt, Mayor, that Asheville Cablevision was in default under Section 20 of its franchise agreement with the City. You were

plan was prepared by Dobson Engineering and Associates for Mr. Larry Buckner, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions: 1) that the street be constructed to an average grade of 15% and a maximum grade of 20%; 2) that the project comply with the Erosion Control Ordinance and that the final plans be shown with 2' contours instead of 5'. This public hearing was opened on December 17, 1985, and continued until January 7, 1986. On January 7, 1986, the developers requested that the public hearing be continued until January 21, 1986.

Councilman Michalove said since it is his understanding that the developer has not yet complied with the Erosion Control Ordinance and our Engineering Division is not satisfied with the plans presented, he would move to continue the public hearing until such information is received by the Engineering Division. This motion was seconded by Councilman Frank.

Councilman Tisdale said he had visited the site of the proposed Buck Cove Development, and felt the developer had complied with all conditions except the Erosion Control Ordinance. He said the City staff would have control over not issuing the permit for the Buck Cove Development until the Erosion Control Plan is in order.

Larry Buckner, Developer of the Buck Cove Development, in response to questions from members of Council, said that he did not start work on construction of the Buck Cove Development as indicated. He said they had started construction and grading of a road. He said they had built one 4-unit building that did not require approval under the Group Development regulations.

Verl Emrick, Director of Planning, in response to questions from members of Council, said no one had spoken in opposition to the Buck Cove Development at the Planning and Zoning Commission meeting. He said Council could approve the Buck Cove Development contingent upon the Erosion Control Plan being approved. He did say, however, that grading is not allowed by a developor prior to Council approving a Group Development Plan.

A discussion was held relative to a misunderstanding between the City staff and the developer for approval of the project.

Mayor Bissette said the Erosion Control Plan could administratively be approved before a building permit is issued for construction of the project.

After discussion, Councilman Michalove's motion to continue the public hearing was unanimously opposed.

Verl Emrick, Director of Planning, proceeded to review the details of the Buck Cove Development. He said five buildings, with four units each, would be constructed in phases. He said water and sewer, parking, and police and fire services are adequate for development. He said the developer had complied with all conditions outlined by the Planning and Zoning Commission except for the Erosion Control Plan.

Upon inquiry of Councilman Michalove, Mr. Buckner said he felt the Erosion Control Plan could be submitted to the Engineering Division within the next two weeks.

the Asheville City Council regarding the quality of programming provided on its basic service tier. In our opinion, the programming provided by Asheville Cablevision on its basic service tier is inferior to that provided by other cablevision companies operating in our geographical area. Asheville Cablevision's basic service tier excludes ESPN, WTBS, WGN, and other popular stations carried on the basic tiers of neighboring cablevision companies. It is our hope that you will improve the programming provided on your basic service tier so that it will be comparable with other cablevision companies operating in this area.

Very truly yours,

ASHEVILLE CITY COUNCIL

Louis Bissette
Mayor

LB/cah
cc: Wade H. Hargrove, Attorney for Asheville Cablevision
Max O. Cogburn, Attorney for Asheville Cablevision
Members of the Asheville City Council

Vice-Mayor Frank moved that the Mayor proceed with providing Asheville Cablevision with the above letter. This motion was seconded by Councilman Tisdale and carried unanimously.

Councilman Bratton said she was still concerned with the number of calls and inquiries she receives relative to the programming on the basic service. She requested that Asheville Cablevision continue to look into changing their programming on the basic service and restoring ESPN to the basic tier.

Councilman Tisdale noted that the program scheduling by Asheville Cablevision is not something the Asheville City Council can regulate.

Ralph Bishop said he felt Asheville should invite other cable companies to do business in the City of Asheville.

Mike McPhee, with Asheville Cablevision, said they would continue to look at their basic service programming, and the value of the Reception and Information service. He said he could not make a commitment to put the programs excluded from the basic service in March back on the basic service. He said Asheville Cablevision could no longer afford to carry these high priced programs on the basic service tier. He said Asheville Cablevision is committed to doing everything they can to prove they are a very good company for the City of Asheville.

CONTINUATION OF PUBLIC HEARING - GROUP DEVELOPMENT REVIEW - BUCK COVE DEVELOPMENT

2. A public hearing relative to a group development review for the Buck Cove Development was continued.

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held November 13, 1985, reviewed the site plan of the proposed Buck Cove Development (Townhouses) to be located on Old Chunns Cove Road. The site

ORDINANCE NO. 1567 - AN ORDINANCE REPEALING ORDINANCE NO. 1287 KNOWN AS AN ORDINANCE ESTABLISHING THE ASHEVILLE DOWNTOWN COMMISSION AND IN LIEU THEREOF A NEW ORDINANCE BE ADOPTED

4. Consideration was given to an ordinance repealing Ordinance No. 1287 known as an ordinance establishing the Asheville Downtown Commission and in lieu thereof a new ordinance be adopted.

Mayor Bissette said this amendment will change the composition, powers and purpose of the Asheville Downtown Commission.

Verl Emrick, Director of Planning, said the proposed ordinance had been reviewed and approved by the current Asheville Downtown Commission. He reviewed the details of the proposed ordinance stating that the composition of the members would change from seven versus the current eleven members.

Mayor Bissette said this ordinance was previously presented to members of Council and would not be read in its entirety unless there was a specific request to do so.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1567. This motion was seconded by Councilman Michalove.

On a roll call vote of 6-0, Ordinance No. 1567 passed on first reading.

ORDINANCE NO. 1563 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (WORDING AMENDMENTS - ARTICLE 2. DEFINITIONS, SECTION 30-2-1. GENERAL, ARTICLE 6. SECTION 30-6-1. GROUP DEVELOPMENTS/PLANNED UNIT DEVELOPMENTS)

5. Consideration was given to the third reading of Ordinance No. 1563, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the Zoning of the City of Asheville," as amended (Wording Amendments - Article 2. Definitions, Section 30-2-1. General, Article 6, Section 30-6-1. Group Developments/Planned Unit Developments).

Mayor Bissette said this ordinance will amend the zoning ordinance to provide that any mobile home park, camper-trailer park, or any multi-family residential building or structure containing three (3) or more individual units will require approval pursuant to Group Developments/Planned Unit Developments. This ordinance passed on first reading on January 7, 1986 and on second reading on January 14, 1986.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1563 passed on third and final reading.

Complete text of Ordinance No. 1563 will be found in Ordinance Book No. 10 at page 353 and 354.

After discussion, Mayor Bissette closed the public hearing at 5:10 p.m.

Councilman Tisdale moved to approve the Group Development Plan for the Buck Cove Development subject to the conditions outlined by the Planning and Zoning Commission, and further that the City staff report back to Council within two weeks relative to the Erosion Control Plan for the Buck Cove Project. This motion was seconded by Councilman Bratton and carried unanimously.

ORDINANCE NO. 1566 - AN ORDINANCE AMENDING SECTION 28 - 81.6 OF ARTICLE IV, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

3. Consideration was given to an ordinance amending Section 28 - 81.6 of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville.

Mayor Bissette said this ordinance establishes a municipal ordinance declaring a 45 mph speed limit on South Charlotte Street and rescinds the existing 45 mph speed limit on South Tunnel Road (Speed Limit reverts to statutory 35 mph). This is a concurring ordinance with the North Carolina Department of Transportation.

Mayor Bissette said this ordinance was previously presented to members of Council and would not be read in its entirety unless there was a specific request to do so.

Councilman Price moved for the adoption of Ordinance No. 1566. This motion was seconded by Councilman Michalove.

On a roll call vote of 6-0, Ordinance No. 1566 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1566. This motion was seconded by Councilman Tisdale and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1566 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinanace No. 1566. This motion was seconded by Councilman Tisdale and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1566 passed on third and final reading.

Complete text of Ordinance No. 1566 will be found in Ordinance Book No. 10 at page 357.

RESOLUTION NO. 86-11 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND THE ASHEVILLE/BUNCOMBE WATER AUTHORITY

8. Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute an agreement by and between the City of Asheville and the Asheville/Buncombe Water Authority.

Mayor Bissette said this resolution will authorize the Mayor to execute an agreement between the City and the Asheville/Buncombe Water Authority for certain expenses associated with a watershed management plan which would generate income from timber sales at North Fork Reservoir. The Fiscal 1986-87 budget will include revenues from timber sales estimated to be $93,500. The estimated cost of the timber management program will be $30,000.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Councilman Michalove said it was his recollection that the Water Agreement was carefully written to exclude the City of Asheville participating in costs such as this.

In response to Councilman Michalove's concern, Corporation Counsel Slawter said such provisions that the City of Asheville would not incur expenses with timber sales was not incorporated into the written Water Agreement. He said evidently that was a silent agreement.

A discussion was held relative to the need for a timber management program at the watershed.

A discussion was also held relative to including a 180 day termination provision in the agreement.

Councilman Bratton moved for the adoption of Resolution No. 86-11 and to amend the agreement to include a 180 day termination provision. This motion was seconded by Vice-Mayor Frank and carried on a voice vote of 5-1 with Councilman Michalove voting "no".

Complete text of Resolution No. 86-11 will be found in Resolution Book No. 10 at page 420.

RESOLUTION NO. 86-12 - RESOLUTION CORRECTING EXPIRATION DATE OF MEMBER'S TERM TO THE ASHEVILLE REGIONAL AIRPORT AUTHORITY

9. Consideration was given to a resolution correcting expiration date of member's term to the Asheville Regional Airport Authority.

Mayor Bissette said Resolution 83-219 adopted on December 20, 1983 provided that Harold C. Enloe was reappointed as a member of the Asheville Regional Airport Authority to serve a term of four years, expiring December 15, 1987. Pursuant to the November 29, 1979, Agreement between the County of Buncombe and the City of Asheville creating the Asheville Regional Airport Authority, the terms of its members are to expire on June 30. The second term of Harold C. Enloe as a member of the Authority is to expire on June 30, 1988 or at such date as his successor is duly appointed and qualified.

RESOLUTION NO. 86-9 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE AN EASEMENT AGREEMENT WITH THE UNITED STATES OF AMERICA, U.S. FOREST SERVICE, DEPARTMENT OF AGRICULTURE

6. Consideration was given to a resolution authorizing the City Manager to execute an easement agreement with the United States of America, U.S. Forest Service, Department of Agriculture.

Mayor Bissette said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Vice-Mayor Frank, Resolution No. 86-9 was unanimously adopted.

Complete text of Resolution No. 86-9 will be found in Resolution Book No. 15 at page 418.

RESOLUTION NO. 86-10 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT ON BEHALF OF THE CITY OF ASHEVILLE WITH TERRY BROTHERS CONSTRUCTION COMPANY, INC. FOR THE PROJECT KNOWN AS BEVERLY ROAD SEWER LINE IMPROVEMENTS, CONTRACT NO. E-033/W-012/85

7. Consideration was given to a resolution authorizing the Mayor to sign a contract on behalf of the City of Asheville with Terry Brothers Construction Company, Inc. for the project known as Beverly Road Sewer Line Improvements, Inc., Contract No. E-033/W-012/85.

Mayor Bissette said bids were solicited for the project known as the Beverly Road Sewer Line Improvements. The project includes installation of approximately 1409 linear feet of eight inch (8") diameter sewer line, nine (9) manholes and associated appurtenances. Installation and materials will conform to plans and specifications issued by the City of Asheville. This resolution will authorize the Mayor to execute a contract with Terry Brothers Construction Company, Inc., the lowest responsible bidder, for Beverly Road Sewer Line improvements project and any change orders for the contract. Cost to be incurred by the Water and Sewer Services Department and Public Works Department. Water and Sewer Services Department share equals $31,106.64 and Public Works Department share equals $4,825.00. Funds are budgeted in the Capital construction (33) fund.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, Resolution No. 86-10 was unanimously adopted.

Complete text of Resolution No. 86-10 will be found in Resolution Book No. 15 at page 419.

LAWSUIT - COOPER CONSTRUCTION VS. CITY OF ASHEVILLE (ALLEGED BREACH OF CONTRACT)

The Acting City Manager said the City of Asheville was served with a lawsuit involving Cooper Construction Company versus the City of Asheville relative to an alleged breach of contract.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

SCHEDULING PUBLIC HEARING - UMTA FUNDS - TRANSPORTATION OF WHEEL-CHAIRED INDIVIDUALS AND SEMI-AMBULATORY PERSONS

Vice-Mayor Frank moved to schedule a public hearing to consider proposals for the transportation of wheel-chaired individuals and semi-ambulatory persons by private agency for February 18, 1986. This motion was seconded by Councilman Price and carried unanimously.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop spoke to members of Council relative to the lottery sales in the City of Asheville. He also said that he did not feel that Asheville City Council members should go to Lake Junaluska when they could do their work at the City Hall Building. He said he felt this was an unnecessary expense to the taxpayers.

ADJOURNMENT TO EXECUTIVE SESSION

Councilman Tisdale moved to adjourn the meeting to go into executive session to discuss personnel. This motion was seconded by Councilman Bratton and carried unanimously.

The meeting adjourned at 6:00 p.m.

_____ Mayor

_____ City Clerk

Mayor Bissette said copies of the resolution were previously furnished to members of Council and it would not be read in its entirety.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 86-12 was unanimously adopted.

Complete text of Resolution No. 86-12 will be found in Resolution Book No. 15 at page 421.

BIDS - ANNUAL CONTRACT FOR BITUMINOUS CONCRETE MATERIALS (ASPHALT)

10. Consideration was given to a motion relative to bids received for an annual contract for bituminous concrete materials.

Mayor Bissette said sealed bids were received for a term purchase contract to furnish the City's annual requirement for Bituminous Concrete Materials (asphalt) for force account resurfacing and street repair. One bid was received. A market survey was conducted and the bid price was found to be consistent with other cities and the state's current costs. Clark Brown, Director of Public Works, recommends the acceptance of the bid submitted by APAC-Carolina in the total amount of $161,737.50. Purchases will be made as required. Funding is budgeted in the Public Work's Department operating and capital budgets.

Councilman Price moved to award the bid for bituminous concrete materials to APAC-Carolina in the total amount of $161,737.50. This motion was seconded by Councilman Tisdale and carried unanimously.

BIDS - VEHICLES FOR POLICE DEPARTMENT AND PUBLIC WORKS DEPARTMENT

11. Consideration was given to a motion relative to bids received for vehicles for the Asheville Police Department and the Public Works Department.

Mayor Bissette said sealed bids were invited to furnish twelve (12) Patrol (blue and white) and (8) Unmarked Police Vehicles for the Police Department; (1) 1/2 ton pick-up truck and (1) 3/4-ton, four-wheel drive pick-up truck for Public Works, Street Division; and (2) 1/2-ton pick-up trucks for Public Works, Sanitation Division. Three (3) bids were received. All award recommendations are made to the low bidder for each item, all of which have the lowest energy efficient cost meeting specification requirements. Total Awards - $261,832.54. Matthews Ford, Inc. - $236,983.00 and Apple Tree Chevrolet, Inc. - $24,849.54. Funds for these purchases will come from the Police Department and Public Works Department Capital Equipment appropriations for FY 85-86.

Councilman Michalove moved to accept the bids as recommended for the vehicles for the Police Department and the Public Works Department awarding Matthews Ford, Inc. a total amount of $263,983.00 and Apple Tree Cheverolet, Inc. $24,849.54. This motion was seconded by Councilman Price and carried unanimously.

CLAIMS - CAROL'S CABINET CENTER (WATER) - BRENDA HANCOCK (WATER)

The Acting City Manager presented claims received from Carol's Cabinet Center and Brenda Hancock.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ORDINANCE NO. 1569 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDING TO PURCHASE VIDEO DISPLAY TERMINALS AND PRINTER

4. Consideration was given to a budget ordinance amendment to provide funding to purchase video display terminals and printers.

Mayor Bissette said this budget ordinance amendment is to provide funding for computer upgrade and purchase of terminals which are now being leased. These terminals can be purchased for the same cost as would be expended within two years of a three-year lease. The total amount is $11,202.00, from Data Processing funds.

Mayor Bissette said copies of this ordinance were previously furnished to members of Council, and it would not be read in its entirety unless there was a specific request to do so.

Councilman Michalove moved for the adoption of Ordinance No. 1569. This motion was seconded by Councilman Tisdale.

On a roll call vote of 6-0, Ordinance No. 1569 passed on first and final reading.

Complete text of Ordinance No. 1569 will be found in Ordinance Book No. 10 at page 363.

ORDINANCE NO. 1567 - AN ORDINANCE REPEALING ORDINANCE NO. 1287, KNOWN AS AN ORDINANCE ESTABLISHING THE ASHEVILLE DOWNTOWN COMMISSION AND IN LIEU THEREOF A NEW ORDINANCE BE ADOPTED

5. Consideration was given to the second reading of Ordinance No. 1567, an ordinance amending Ordinance No. 1287, known as an ordinance establishing the Asheville Downtown Commission including its composition, terms of office, and other general provisions.

Mayor Bissette said this amendment will change the composition, powers and purpose of the Asheville Downtown Commission. This ordinance passed on first reading on January 21, 1986.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

At the request of the Corporation Counsel, Vice-Mayor Frank moved to amend Ordinance No. 1567 incorporating several typographical and language errors in the ordinance. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1567 passed on second reading.

RESOLUTION NO. 86-13 - RESOLUTION APPROVING AND CONSENTING TO THE CREATION OF A SECURITY INTEREST IN AND COLLATERAL ASSIGNMENT OF THE CABLE TELEVISION FRANCHISE OF AMERICAN CABLE TV INVESTORS TO SECURE INDEBTEDNESS

6. Consideration was given to a resolution approving and consenting to the creation of a security interest in and collateral assignment of the cable television franchise of American Cable TV Investors to secure indebtedness.

Tuesday - January 28, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland, Kenneth M. Michalove, and George Tisdale; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; and Deputy City Clerk Carol Hensley.

Absent: Councilman Norma T. Price

INVOCATION

The invocation was given by Councilman Boland.

APPROVAL OF THE MINUTES - JANUARY 21, 1986 MEETING

1. Consideration was given to the approval of the minutes of the Janaury 21, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - FEBRUARY 2 - 8, 1986, AS "CATHOLIC SCHOOLS WEEK"

2. Mayor Bissette read a proclamation proclaiming the week of February 2 - 8 as "Catholic Schools Week."

Mayor Bissette presented a proclamation to Mr. Bob McGratton, Principal of the Asheville Community Catholic School.

ORDINANCE NO. 1568 - BUDGET ORDINANCE AMENDMENT TO CLOSE OUT PRIOR YEAR FUND BALANCE FOR ON-GOING CDBG PROJECTS

3. Consideration was given to a budget ordinance amendment to close out prior year fund balance for on-going CDBG projects.

Mayor Bissette said this budget ordinance amendment is to close out prior year CDBG fund balance for on-going projects and appropriate funds to continue Incentive Housing and R-48 Close-out programs. He said $89,723 of revenue funds is to come from R-48 land sales and existing on-going projects.

Marvin Vierra, with the Community Development Department, explained the budget amendment and the funds involved.

Mayor Bissette said members of Council were previously furnished copies of the ordinance, and it would not be read in its entirety unless there was a specific request to do so.

Councilman Michalove moved for the adoption of Ordinance No. 1568. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1568 passed on first and final reading.

Complete text of Ordinance No. 1568 will be found in Ordinance Book No. 10 at page 362.

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, Resolution No. 86-15 was unanimously adopted.

Complete text of Resolution No. 86-15 will be found in Resolution Book No. 15 at page 426.

RESOLUTION NO. 86-16 - RESOLUTION APPOINTING MEMBERS TO THE POLICEMEN'S PENSION/DISABILITY TASK FORCE

9. Consideration was given to a resolution appointing members to the Policemen's Pension/Disability Task Force.

Mayor Bissette said by Resolution No. 85-197, Council created a Policemen's Pension/Disability Task Force. This resolution will appoint the following individuals to the Task Force: 1) Chief Fred W. Hensley, City Staff Liaison; 2) Lt. Porter V. Fowler, Active Member of the Plan; 3) Capt. James Coffey, Inactive Member of the Plan; 4) Capt. John Best, Inactive Member of the Plan; 5) Mayor Louis Bissette, Board of Examiners Representative; 6) Vice-Mayor Mary Lloyd Frank, Board of Trustees Representative; 7) Councilman Norma T. Price, City Council Liaison; 8) Douglas Franklin, Retirement; Pension Professional Representative.

Mayor Bissette said copies of the resolution were previously furnished to members of Council, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Councilman Boland, Resolution No. 86-16 was unanimously adopted.

Complete text of Resolution No. 86-16 will be found in Resolution Book No. 15 at page ~~427~~ 426.

APPROVAL OF CONSENT AGENDA

10. Consideration was given to a motion approving the consent agenda.

Mayor Bissette said the following items are of a routine nature, and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Schedule a public hearing to rezone property located on the New Leicester Highway for February 18, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission, at a meeting held January 8, 1986, considered the petition of Mr. Wayne Hawkins that portions of Lots 35 and 41, Sheet 36, Ward 12, and Lot 323, Sheet 20, Ward 6, be rezoned from R-3 Residential District to CS Commercial Service District. The property is located on the New Leicester Highway. After review and discussion, the Commission voted to recommend to City Council that Lot 323, Sheet 20, Ward 5, be rezoned from R-3 Residential District to CS Commercial Service District.

Mayor Bissette said American Cable has advised the City that it has refinanced its cable television properties and has requested approval of the City Council to the refinancing insofar as it affects the cable television business of American Cable in the City.

Mayor Bissette said copies of the resolution were previously furnished to members of Council, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Boland, seconded by Councilman Tisdale, Resolution No. 86-13 was unanimously adopted.

Complete text of Resolution No. 86-13 will be found in Resolution Book No. 15 at pages 422 and 423.

RESOLUTION NO. 86-14 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN THE NECESSARY DOCUMENTS FOR THE PURCHASE OF VIDEO DISPLAY TERMINALS AND PRINTERS FOR THE CITY OF ASHEVILLE, DEPARTMENT OF FINANCE, DATA PROCESSING DIVISION

7. Consideration was given to a resolution authorizing the City Manager to sign the necessary documents for the purchase of video display terminals and printers for the City of Asheville, Department of Finance, Data Processing Division.

Mayor Bissette said sealed bids were requested to furnish eleven (11) video display terminals and two (2) printers for the Data Processing Division. Burroughs Corporation in Asheville submitted the lowest responsive bid, meeting the City's specifications, terms and conditions. The total amount is $22,343.00. Funding for this purchase will be provided from the Data Processing Division appropriations, Account Code 50-441-0740.

Mayor Bissette said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Tisdale, Resolution No. 86-14 was unanimously adopted.

Complete text of Resolution No. 86-14 will be found in Resolution Book No. 15 at page 424 and 425.

RESOLUTION NO. 86-15 - RESOLUTION AUTHORIZING THE EMPLOYEE SERVICES MANAGER TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A WORKERS' COMPENSATION AGREEMENT WITH CITY EMPLOYEE, WILLIAM WILMER

8. Consideration was given to a resolution authorizing the Employee Services Manager to execute on behalf of the City of Asheville a Workers' Compensation agreement with City employee, William Wilmer.

Mayor Bissette said on April 16, 1985, William Wilmer, a City employee, was injured in an accident arising out of and during the course and scope of his employment with the City. From this accident, the employee sustained twenty percent (20%) permanent partial disability of the left arm. This amounts to $10,502.40, and is budgeted in the Department of Public Works.

Mayor Bissette said copies of this resolution were previously furnished to members of Council, and it would not be read in its entirety unless there was a specific request to do so.

After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following: 1) that the site plan be reviewed as a "Conditional Use" in the R-3 Residential District by the Board of Adjustment; 2) that the City Council grant a variance to permit .82 parking spaces per unit as shown on the plans, but that the developer be able to provide two spaces per unit if necessary; 3) that the nursing home site be marked off as a future phase of the project; and 4) compliance with the Erosion Control Ordinance.

FISCAL IMPACT: None

E. Schedule a public hearing relative to rezoning property on Haywood Road for February 25, 1986. (Behind Ace Appliance on Knight Place)

HIGHLIGHTS: The Asheville Planning and Zoning Commission, at a meeting held July 10, 1985, considered the petition of Mr. Wayne Smith, of Ace Appliance, that Ward 5, Sheet 6, Lot 99½, be rezoned from R-3 Residential District to CS Commercial Service District. The property is located behind Ace Appliance on Knight Place. After review and discussion, the Commission voted to recommend to City Council that Ward 5, Sheet 6, Lot 99½ and Lot 99 be rezoned from R-3 Residential District to CS Commercial Service District. At the Council meeting of August 13, 1985, the petitioner withdrew his request for rezoning. Ace Appliance now wishes for the requested rezoning to be heard by City Council, and this motion will schedule the public hearing for February 25, 1986.

FISCAL IMPACT: None

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, the consent agenda was unanimously approved.

CLAIMS - DIANE CARPENTER (WATER) - THOMAS [redacted] (PARKS AND RECREATION) - CHARMAINE ABRAMS (SEWER)

The Acting City Manager presented claims received from Diane Carpenter, Thomas Hunnicutt, and Charmaine Abrams.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - JOHNNY RAY OWENS VS. R.E. GREENE AND J. L. GADDY (SECTION 1983 LAWSUIT - PERSONAL INJURY DUE TO ALLEGED VIOLATION OF CIVIL RIGHTS)

The Acting City Manager said the City was served on January 23, 1986, with a lawsuit in which the City of Asheville is a defendant involving Johnny Ray Owens vs. R. E. Green and J. L. Gaddy relative to Section 1983 lawsuit - personal injury due to alleged violation of civil rights.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

Staff advised the Commission that Lots 35 and 41, Sheet 36, Ward 12 were already zoned Commercial Service in their entirety.

FISCAL IMPACT: None

B. Schedule a public hearing for a site plan of Crownpointe Mobile Home Park to be located on North Louisiana Avenue for February 18, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission, at a meeting held January 8, 1986, reviewed the site plan of Crownpointe Mobile Home Park to be located on North Louisiana Avenue. The site plan was prepared by Ray Anders, R.L.S., for Mr. Allen Moss, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to: 1) deletion of Lot #1 and provision of appropriate landscaping; 2) deletion of Lot #30 and redesign of Lot #31; 3) that a planted buffer and a solid barrier of chain link fence 6' high and slatted be provided on the western boundary as shown at the entrance and lot lines on Lots #30 and #31; 4) redrawing of the plat to include the "common area" and access from this mobile home park prior to going to City Council; and 5) compliance with Erosion Control Ordinance.

FISCAL IMPACT: None

C. Schedule a public hearing for a site plan of the proposed Barnard Grove Apartments to be located on Barnard Avenue for February 18, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission, at a meeting held January 8, 1986, reviewed the site plan of the proposed Barnard Grove Apartments to be located on Barnard Avenue. The site plan was prepared by James Samsel, Architect, for Mr. Kerry Lindsey, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to: 1) documentation of access into the site; and 2) compliance with the Erosion Control Ordinance. The Commission further recommended that parking on one side only on Fenner Avenue be instituted as soon as possible.

FISCAL IMPACT: None

D. Schedule public hearing to review the site plan of a proposed Asheville Retirement Center to be located on Hendersonville Road for February 18, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission, at a meeting held January 8, 1986, reviewed the site plan of a proposed Asheville Retirement Center to be located on Hendersonville Road. The plan was prepared by LandDesign, Inc., Charlotte, N.C., for Oxford Development Corporation, Charlotte, N.C., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning ordinance.

Tuesday - February 4, 1986 - 4:00 p.m.

Regular Meeting:

Present: Mayor Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Norma T. Price, Kenneth Michalove, Walter R. Boland and George Tisdale; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: None

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - JANUARY 28, 1986 MEETING

1. Consideration was given to the approval of the minutes of the Janaury 28, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - FEBRUARY 9 - 15, 1986 - "NATIONAL SALUTE TO HOSPITALIZED VETERANS WEEK"

2. Mayor Bissette read a proclamation proclaiming the week of February 9 - 15, 1986, as "National Salute to Hospitalized Veterans Week."

Mayor Bissette presented the proclamation to Mr. Robert Dawson, with the V.A. Hospital.

PROCLAMATION - MONTH OF FEBRUARY, 1986 AS "HUMAN RELATIONS MONTH"

3. Mayor Bissette read a proclamation proclaiming the month of February, 1986, as "Human Relations Month."

Mayor Bissette instructed that a copy of the proclamation be given to Mr. Bob Smith, with the Asheville-Buncombe Community Relations Council.

PROCLAMATION - "FOUNDERS DAY IN THE AFRICAN METHODIST EPISCOPAL CHURCH" - SUNDAY, FEBRUARY 9, 1986

Mayor Bissette read a proclamation proclaiming Sunday, February 9, 1986, as "Founders Day in the African Methodist Episcopal Church."

Mayor Bissette presented the proclamation to Rev. Wendall Christopher, Pastor of the St. James African Methodist Episcopal Church.

ADJOURNMENT - EXECUTIVE SESSION

Vice-Mayor Frank moved to adjourn the meeting to Executive Session to discuss personnel and real estate matters. This motion was seconded by Councilman Tisdale and carried unanimously.

The meeting adjourned at 4:25 p.m.

MAYOR

CITY CLERK

Donald Lawrence, spoke in support of the ordinance stating that he had an interest and had worked for the proposed ordinance for the past four or five years. He said he had concerns with the state law adopted on July 1, 1979 in that curb signs for handicapped parking would be permitted until the signs served their useful life. He said he was concerned that the courts would not enforce the law. He said it was very important that the proposed ordinance be enforced.

Bernadette Thompson, member of the Mayor's Employment of the Handicapped Committee and of the Governor's Advocacy Council, spoke in support of the ordinance.

Mayor Bissette closed the public hearing at 4:28 p.m.

Councilman Bratton moved for the adoption of Ordinance No. 1570. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1570 passed on first reading.

PUBLIC HEARING - SITE PLAN OF PROPOSED EAGLE'S CREST RETIREMENT AND THE FORREST APARTMENTS - LOCATED ON THE CARMELITE MONASTERY SITE ON FAIRWAY DRIVE

5. A public hearing was held relative to the site plan of the proposed Eagle's Crest Retirement Center and the Forrest Apartments to be located on the Carmelite Monastary site on Fairway Drive.

Mayor Bissette said the Planning and Zoning Commission at a meeting held December 11, 1985, reviewed the site plan of the proposed Eagle's Crest Retirement Center and The Forrest Apartments to be located on the Carmelite Monastery site on Fairway Drive. The site plan was prepared by Jan Wiegman, Architect, for the M. B. Corporation of Raleigh, N.C., Developer, and submitted in accordance with the Group Development Section of the Zoning Ordinance. After review and discussion, the Commission voted to accept the Staff Report and approve the project subject to the following conditions:

1. That parking for Eagle Crest be no less than one space per unit;

2. That the plans prior to going to City Council be submitted showing a relocation of the tennis courts.

3. That the Department of Public Works approve the specifications and design of street requested for dedication or that portion thereof; and

4. Compliance with Erosion Control Ordinance.

The Commission further recommended that City Council consider officially closing Carmelite Drive.

Mayor Bissette opened the public hearing at 4:31 p.m.

Mayor Bissette requested that Council excuse him from participation and vote on the issue relative to the Eagle's Crest Retirement Center and The

PUBLIC HEARING - AMENDING ZONING ORDINANCE TO PROVIDE FOR HANDICAPPED OFF-STREET PARKING REQUIREMENTS

ORDINANCE NO. 1570 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (HANDICAPPED OFF-STREET PARKING REQUIREMENTS)

4. A public hearing was held relative to amending the Zoning Ordinance to provide for handicapped off-street parking requirements.

Mayor Bissette said this wording amendment will provide a requirement for handicapped off-street parking.

Mayor Bissette opened the public hearing at 4:15 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Corporation Counsel Bill Slawter said the proposed ordinance had been discussed by members of Council on several occasions. He said the purpose of the ordinance was to institute handicapped parking requirements on parking lots that were in existence prior to the enforcement of the current State Building Code requirements. He said this ordinance would require all public parking lots to have at least one handicapped parking space for each additional 50 parking spaces. He said, however, that this ordinance, unlike the State Building Code, would exempt parking lots with 10 or fewer spaces which were in existence prior to September 1, 1973, and off-street parking spaces which are clearly designated as reserved for employee parking or long-term parking. He said this ordinance also has a provision that owners of parking lots have until July 1, 1986, to come into compliance and to correct the necessary signage as required by the State Building Code, requiring the signs to be replaced with a R7-8 or R7-8(a) sign.

Corporation Counsel Slawter said that he had alot of contact with handicapped persons in the City of Asheville and Roger Foushee, with the Governor's Advocacy Council. He said the Governor's Advocacy Council supported the ordinance except they were concerned that the ordinance exempts parking areas with ten or fewer spaces and parking areas that are clearly designated for employee parking or long-term parking.

Upon inquiry of Councilman Price, the Corporation Counsel said he was not aware of any other City in the State of North Carolina that has a similar ordinance relative to handicapped off-street parking. He said the Zoning Enforcement Officer would be responsible for enforcement of the ordinance and would see that all businesses affected would be notified.

Councilman Bratton thanked members of the Mayor's Employment of the Handicapped Committee for bringing this matter to Council's attention and for working with the City staff in the drafting of the ordinance.

Paul Godfrey, a member of the Mayor's Employment of the Handicapped Committee, spoke in support of the ordinance. He said the problems that handicapped persons have in parking have been real.

He said the projects would be constructed in compliance with all City standards. He said time is of the essence in order for the developers to put their financial package in order. He said the proposed site plans were designed to comply with the present zoning of the property. He said the plans indicate that the projects exceed the requirements of the Zoning Ordinance. He said modifications were made in the plans to accommodate the neighborhood's requests. He said the projects would serve as a buffer between the Beverly Hills residential area and the businesses on Swannanoa River Road. He said the entrance to the project would be from Swannanoa River Road to encourage traffic to avoid streets in the Beverly Hills area. He said the developers plan to close Carmelite Drive. He said a portion of the property currently has deplorable water and sewer lines and the developers plan to correct that situation at no expense to the City. He said 7.2 percent of the site will be covered with buildings allowing for a wide buffer all around the project, and in his opinion, would be separate from Beverly Hills.

Mr. Wiegman said the project would not be subsidized housing and would not be a nursing facility. He said the rent on the apartments in the Retirement Center would be approximately $900 per month. He said traffic would be minimized due to most of the residents not having an automobile. He said the knoll on the property would be shaved down to about 50' in order to accommodate the project. He said the buildings on the project would be no closer than 200' from a property line. He said the majority of the property would be left in its natural state. He said the project would provide housing for the area, and would bring increased revenue to the City.

Upon inquiry of Councilman Bratton, Mr. Wiegman said although grading would be done on the knoll, there would be no problems with Erosion Control. He said catch basins would be built during construction of the project.

In response to Councilman Price and Councilman Boland, Mr. Wiegman said trees would be left on the property and the developers intend to plant additional trees.

Mr. Wiegman also said the fence currently surrounding the property would be taken down and eventually would be replaced with a fence to compliment the project and the neighborhood.

Councilman Michalove said he had noted some sewerage problems in the bottom area, at the creek, when he recently walked the property in question.

Upon inquiry of Councilman Michalove, Mr. Enrick, Planning Director, said Council could approve the project subject to final approval by Council of the landscaping plan and the design of the replacement fence.

Cathy Duke, representing the M.B. Corporation, developer, requested Council's approval of the proposed projects. She said her firm has constructed a lot of rental properties including subsidized housing units. She said the management has not yet set final rent payments, but the Retirement Center rentals would be in the neighborhood of $900 per month which would include meals, housekeeping services, transportation services, and maintenance. She said rental for The Forrest Apartments would begin at about $350 per month. She said the new fence that would be erected would blend in with the environment.

Forrest Apartments because his law firm represents the project's architect. He said he had discussed this with the Corporation Counsel and members of Council and they had agreed that this would be a conflict of interest.

Councilman Tisdale moved to excuse Mayor Bissette from participation and vote on the issue relative to the site plan of the Eagle's Crest Retirement Center and The Forrest Apartments. This motion was seconded by Councilman Boland and carried unanimously.

The Deputy City Clerk presented the Notice to the Public setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette turned the meeting over to Vice-Mayor Frank.

Verl Emrick, Director of Planning, said the Planning and Zoning Commissioin reviewed and approved the site plan of the proposed Eagle's Crest Retirement Center and The Forrest Apartments subject to several conditions as outlined by Mayor Bissette. He showed slides of the physical location of the property in question showing the roads and terrain of the property. He said several previous Councils have dealt with this property in the past, dating back to 1963, when the then Council rezoned a portion of the property to OI Office Institutional to allow the Carmelites to use the property for a mortuary. He said when the property was rezoned in 1963 an agreement was signed by the Carmelites to provide that if the property was ever sold the zoning would revert either to RA-6 or to the highest adjoining residential use, which would be R-1. He said, however, a court ruling in 1979 designated the property as partly R-2 and mostly, Office Institutional and that the 1963 agreement constituted contract zoning and is illegal. He said the Carmelites no longer live on the property in question, and all the bodies buried on the property had been removed. He said it was also his opinion and the Corporation Counsel's opinion that the 1963 zoning and agreement was contract zoning and can not be legal. He said the Planning and Zoning Commission, during their hearing on the proposed site plans, ruled that the zoning issue was not in question and the only question for them to deal with was the approval or disapproval of the site plans.

Mr. Emrick then proceeded to explain the details of the projects. He said the total project would consist of 324 units, Eagle's Nest Retirement Center with 164 units and The Forrest Apartments with 160 units. He said 90 of the units would be constructed on the R-2 Residential District zone and 234 units constructed on the Office Institutional District zone. He said the retirement center will be one five-story building with three wings extending from a community facility in the center. He said the apartment complex will contain 30 units with one bedroom, 94 with two bedrooms and 36 units with three bedrooms and will include tennis courts, a pool, and a community center.

Mr. Emrick said the site density is substantially lower than the density requirements in the Zoning Ordinance. He said water and sewer facilities are adequate for the project. He said the entrance streets, being off Swannanoa River Road, will be public to allow for public bus transportation.. He said other streets in the project would be private.

Jan Wiegman, Architect for the Eagle's Crest Retirement Center, spoke in support of the project, and requested Council's approval of the projects.

Mrs. Bob Wisham, of 22 Pinehurst Road, spoke in opposition to the project stating that the area would be overpopulated, additional traffic, noise and pollution. She said she was also concerned about the type of fencing that would be erected on the property.

Attorney Bill Moore, appearing on behalf of Attorney Harold Bennett, representing the Carmelite Nuns said only the approval or disapproval of the site plans for the project were before Council today, and that the zoning of the property has nothing to do with the proposed project. He said his clients had expressed their intention to petition for rezoning of the property to a R-3 Residential District classification.

Mr. Ned Guttman of Beechwood Road, spoke in opposition of the projects stating Council should consider the harmony of the existing neighborhood as required by the review of group developments.

Vice-Mayor Frank closed the public hearing at 6:30 p.m.

Councilman Tisdale moved for the approval of the site plans as revised January 27, 1986, contingent upon the following conditions:

1) That portion of the project included within the areas zoned R-2 be amended so as to include no more than six units per acre.

2) That no less than one parking space per unit be provided in the project.

3) That the Department of Public Works approve the specifications and design of the street requested for dedication.

4) Compliance with the Erosion Control Ordinance.

5) The closing of Carmelite Drive except for emergency vehicle use.

6) Fencing

7) Buffering

This motion was seconded by Councilman Boland.

Councilman Bratton made a substitute motion to remand the issue to the Planning and Zoning Commission in order that the zoning issue and the site plan approval can be separated and the zoning issue be cleared up prior to Council's consideration. This motion was seconded by Councilman Price.

In response to Councilman Michalove, Mr. Wiegman said a delay of 45-60 days for the project to be remanded to the Planning and Zoning Commission and the zoning issue cleared would be detrimental to the project. He said he knew the process taken by Planning and Zoning and it would take longer than 60 days to resolve the zoning issue. He said the project has been before the Planning and Zoning Commission for six months.

At the request of Council, Vice-Mayor Frank called for a 15-minute recess to discuss parliamentary procedures, and to discuss new language for Councilman Tisdale's motion for approval of the project.

Ken Boisseau, architect for The Forrest Apartments, said this property was chosen for the projects because of its uniqueness and its views. He said his firm would use a design to compliment the neighborhood. He said only preliminary plans are presently available, but he would be happy to submit the final design later. He said they would be using some financing from the North Carolina Housing Finance Agency which would require that 20 percent of the units be made available to medium income individuals. He said financing is available now but if the project is delayed much longer, it may not be financially feasible to continue with the project. He said the plans would have to be approved by the North Carolina Housing Finance Agency and the Department of Housing and Urban Development.

Upon inquiry of Councilman Michalove, Mr. Boisseau said, if the project is approved, construction would begin this year with a 12-15 month construction time period.

Tom Bell, an attorney, said he represents the Beverly Hills Homeowners Association who are of the opinion that the property is not legally zoned for a project of this nature. He cited sections of Ordinance No. 480, adopted in 1963, the agreement provided for in Ordinance No. 480; General Statute 1-54.1 stating that a 9 month statute of limitation exist to contest an ordinance; and Section 30-12-2 relating to the adoption of a new zoning ordinance and stating, in his opinion, that the new 1975 zoning ordinance did not repeal Ordinance No. 480. He contended that the court ruling in 1979 was not legal and that Ordinance No. 480 is a valid zoning ordinance.

Mr. Bell said the proposed site plans violate the zoning ordinance, and further that a portion of the property on which the project is proposed to be constructed is subject to Beverly Hills Restrictive Covenants which require only single family residences. He said it is also unclear to him as to who the actual owners of the property are because the property has been transferred from one diocese to the other, without a deed being recorded.

Mike Moody of 32 Fairway Drive, speaking in opposition to the project, said Council should consider the 410 households in the Beverly Hills area. He said the 1963 agreement by the Carmelites actually promised that the property would not be used for developments such as is proposed for this property. He read a letter from the Carmelite Nuns dated November 15, 1985, stating that they felt they had an obligation to have the property zoned to a residential district zoning. He said he had a petition signed by property owners on Ambler Road protesting the projects.

Mr. Bill Barley of 68 Fairway Drive, reiterated comments made by Mr. Moody. He said the owners of the property and the proposed developers are evading and denying the promises made in 1963 when the property was rezoned. He said Council should live up to their promises. He said he opposed the project, and requested that Council act wisely and legally. He suggested that the matter be remanded to the Planning and Zoning Commission in order for the owners of the property to request or petition for rezoning of the property to a single-family residential district or to a R-1 classification.

Tyrus Maynard spoke in opposition to the project and questioned the process of rezoning the property.

Don Roberts, Beverly Hills resident, spoke in opposition to the project. He said he had been involved in the 1979 Court ruling.

On a voice vote of 4-2, Councilman Bratton's substitute motion failed with Vice-Mayor Frank, Councilmen Michalove, Tisdale and Boland voting "no".

Councilman Tisdale then moved to approve the site plans as revised January 27, 1986, contingent upon the following conditions:

1. That portion of the project included within the area zoned R-2 be amended so as to include no more than six units per acre.

2. That no less than one parking space per unit be provided in that portion of the project known as Eagle's Crest and all other portions of the project (The Forrest Apartments) provide two (2) spaces per unit.

3. That the Department of Public Works approve the specifications and design of the street requested for dedication.

4. Compliance with the Erosion Control Ordinance.

5. The closing of Carmelite Drive except for emergency vehicle use and erection of a gate by the developer.

6. Fencing and landscaping plans be subject to final approval by City Council.

This motion was seconded by Councilman Boland.

Councilman Price questioned how far the proposed swimming pool would be from any property line. Mr. Wiegman responded that it would be about 100 ft. from the property line.

Councilman Bratton said she would not be voting on the motion because the issue before the Council is not clear in light of the zoning dispute, and this matter should have been resolved prior to Council's consideration of the site plans.

On a voice vote of 6-0, Councilman Tisdale's motion was adopted.

A discussion was held relative to Councilman Bratton's decision not to vote and it was the Corporation Counsel's opinion that Councilman Bratton's abstention was an "aye" vote.

Councilman Bratton said she felt a precedent had previously been set, during the organizational meeting of the Council, relative to "abstaining votes".

Councilman Price moved that Council instruct the Corporation Counsel to consult with the Attorney for the owners of the Carmelite property to determine if the rezoning of the property will be requested, and for Council to initiate the rezoning if the diocese chooses not to; further that the requested rezoning include the property that faces Ambler Road to R-1 if the diocese declines to request the change. This motion was seconded by Councilman Michalove and carried on voice vote of 5-1, with Councilman Bratton voting "no".

Councilman Price was excused from the meeting at 7:35 p.m.

In response to Vice-Mayor Frank, Corporation Counsel Slawter said it would be in order for Council to proceed with voting on Councilman Bratton's substitute motion.

A discussion was held, instituted by the Beverly Hills residents, relative to reopening the public hearing to receive additional comments from the opponents since the developers had had additional time to speak.

Councilman Tisdale withdrew his motion for approval in order that the public hearing could be reopened for additional comments by the Beverly Hills residents. Councilman Boland accepted the withdrawal of the motion.

Councilman Bratton did not wish for her substitute motion to be withdrawn.

At this time, Vice-Mayor Frank reopened the public hearing for additional comments.

Don Roberts, Beverly Hills resident, said this matter is so important that Council should not consider the time elements of the developers.

Bill Barley of 68 Fairway Drive, questioned Council approving a $10 million dollar project without first receiving explicit detailed plans for the project.

Bill Moore said the project could not be financed if the project was delayed for any length of time.

Ned Guttman voiced concern that if Council approved the project the developers could go ahead with the construction of the project prior to the zoning issue being resolved. He spoke in support of Councilman Bratton's substitute motion.

Jan Wiegman said they were informed from the very beginning that the property is zoned properly for this type of development. He said even if the Carmelites request rezoning of the property to the R-3 classification, the proposed project would still be an allowable use.

Mike Moody said he felt Council had an obligation to consider the zoning issue.

Clyde Collier of Ambler Road, an adjoining property owner to the proposed projects, spoke in opposition to the projects.

Vice-Mayor Frank again closed the public hearing at 7:20 p.m.

In response to Councilman Michalove, Corporation Counsel Slawter said Council had the options of approving or disapproving the project, or remanding the project to the Planning and Zoning Commission. He said members of Council could institute rezoning of the property. He said he felt strongly in his opinion that the 1963 rezoning of the property with a provision for an agreement with the Carmelite Nuns was contract zoning and illegal. He said the Beverly Hills Homeowners restrictive covenants on a portion of the property in question was a private issue and would have to be resolved between the parties.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1567 passed on third and final reading.

Complete text of Ordinance No. 1567 will be found in Ordinance Book No. 10 at page 358, 359, 360, and 361.

RESOLUTION NO. 86-... - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE FAIR HOUSING COMMISSION

8. Consideration was given to a resolution appointing members to the Asheville Fair Housing Commission.

Mayor Bissette said members of Council had discussed this resolution during their Pre-Council work session, and it was the consensus to continue action on this resolution until February 11, 1986.

Councilman Tisdale moved to continue action on the resolution appointing members to the Asheville Fair Housing Commission until February 11, 1986. This motion was seconded by Councilman Michalove and carried unanimously.

RESOLUTION NO. 86-17 - RESOLUTION APPOINTING MEMBERS TO THE BOARD OF DIRECTORS OF THE ASHEVILLE-BUNCOMBE COMMUNITY RELATIONS COUNCIL

9. Consideration was given to a resolution appointing members to the Board of Directors of the Asheville-Buncombe Community Relations Council.

Mayor Bissette said Mr. Jesse Ray, Jr., has resigned as a member of the Asheville-Buncombe Community Relations Council. The terms of Betty Jo Sullivan and the Chief of Police expired on December 31, 1985. This resolution will appoint Betty Jo Sullivan to serve the unexpired term of Jesse Ray, Jr. The Police Chief will be reappointed for a three year term, and Dwight B. Mullen will be appointed for a three year term.

Mayor Bissette said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Boland, seconded by Vice Mayor Frank, Resolution No. 86-17 was unanimously adopted.

Complete text of Resolution No. 86-17 will be found in Resolution Book No. 15 at page 428. 429 mon

RESOLUTION NO. 86-18 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE DOWNTOWN COMMISSION

10. Consideration was given to a resolution appointing members to the Asheville Downtown Commission.

Mayor Bissette said pursuant to Ordinance No. 1567 this resolution will appoint seven (7) members to the Downtown Commission as follows:

Councilman Bratton left the Council meeting unexcused.

Mayor Bissette resumed the chair.

ORDINANCE NO. 1553 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "THE MANOR" AT 265 CHARLOTTE STREET IN ASHEVILLE, NORTH CAROLINA, CURRENTLY OWNED BY TRANSCO FINANCIAL GROUP, LTD., AS HISTORIC PROPERTY

6. Consideration was given to the second reading of Ordinance No. 1553, an ordinance designating a building and property known as "The Manor" at 265 Charlotte Street in Asheville, North Carolina, currently owned by Transco Financial Group, Ltd., as historic property.

Mayor Bissette said "The Manor" was completed in 1899 as an "English Country Inn in America", and is a rare surviving example of the picturesque resort development so important to the history of the North Carolina mountains. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission. This ordinance passed on first reading on November 26, 1985. At the December 3, 1985, Council meeting, Council postponed the second reading of this ordinance until February 4, 1986, due to a pending process of completing foreclosure proceedings against the property.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Mayor Bissette said he had been informed by the Acting City Manager that Attorney Jerry Crowe, representing the owner of "The Manor Inn", had requested that the second reading of this ordinance be continued until next week, February 11, 1986.

Councilman Michalove moved to postpone the second reading of Ordinance No. 1553 until February 11, 1986. This motion was seconded by Councilman Frank and carried unanimously.

ORDINANCE NO. 1567 - AN ORDINANCE REPEALING ORDINANCE NO. 1287, KNOWN AS AN ORDINANCE ESTABLISHING THE ASHEVILLE DOWNTOWN COMMISSION AND IN LIEU THEREOF A NEW ORDINANCE BE ADOPTED

7. Consideration was given to the third reading of Ordinance No. 1567, an ordinance amending Ordinance No. 1287, an ordinance establishing the Asheville Downtown Commission including its composition, terms of office, and other general provisions.

Mayor Bissette said this amendment will change the composition, powers and purpose of the Asheville Downtown Commission. This ordinance passed on first reading at the January 21, 1986, meeting and on second reading at the January 28, 1986, meeting.

I have attached the Personal Property Disposal Report For Period July 1 through December 31, 1985, for presentation to City Council.

NRD:jg

ATTACHMENT: Personal Property Disposal Report 7/1/85 - 12/31/85

PERSONAL PROPERTY DISPOSAL REPORT
FOR THE PERIOD OF JULY 1, 1985
THROUGH DECEMBER 31, 1985
PREPARED: JANUARY 22, 1986

REQUEST FOR QUOTATION FILE NO. 1653 July 1, 1985 - December 31, 1985

Item(s) Sold	Date of Sale	Amount Received	Sold To

	TOTAL	$760.95	

RESOLUTION NO. 86-19 - RESOLUTION AUTHORIZING THE CITY MANAGER OR HIS DESIGNEE TO EXECUTE CERTAIN CONTRACTS FOR BELE CHERE 1986

12. Consideration was given to a resolution authorizing the City Manager or his designee to execute certain contracts for Bele Chere 1986.

Mayor Bissette said this resolution will authorize the City Manager or his designee to execute contracts for Bele Chere 1986. These contracts will be between the City and the various performers, vendors and a talent agency.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Boland, seconded by Vice Mayor Frank, Resolution No. 86-19 was unanimously adopted.

Complete text of Resolution No. 86-19 will be found in Resolution Book No. 15 at page ~~430~~ 431.

1) Walter R. Boland, City Council appointee
2) Wilhelmina B. Bratton, City Council appointee
3) Jesse Ledbetter, County Commissioner appointee
4) Wayne Montgomery, County Commissioner appointee
5) Robert J. Carr, Chairman
6) John N. Daniel, Private sector appointee
7) David C. Swann, Private sector appointee

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, Resolution No. 86-18 was unanimously adopted.

Complete text of Resolution No. 86-18 will be found in Resolution Book No. 15 at page ~~429~~ 430.

REPORT FROM PURCHASING DIRECTOR RELATIVE TO DISPOSAL OF CITY OWNED PERSONAL PROPERTY

11. Mayor Bissette accepted the following report from the Purchasing Director relative to disposal of City owned personal property and said on June 25, 1985, Council adopted Resolution No. 85-99 describing procedures for disposing of personal property valued at less than five hundred dollars ($500.00) for any one item or group of items. This resolution requires the Purchasing Director to report to Council any property disposed of. This report is for the period of July 1 through December 31, 1985.

"MEMORANDUM TO: William F. Wolcott, Jr.
Acting City Manager

FROM: Norwood R. Dunn
Purchasing Director

DATE: January 22, 1986

SUBJECT: Report on Disposal of City Owned Personal Property Valued at Less Than $500.00 For The Period July 1 Through December 31, 1985

Resolution No. 85-99 adopted by City Council on June 25, 1985, prescribed procedures for disposing of personal property valued at less than five hundred dollars ($500.00) for any one item or group of items. The regulations attached to and made part of Resolution No. 85-99 requires the Purchasing Director to make a written report to City Council as to any property disposed of as follows:

> On the first day of February report any property disposed of pursuant to these procedures for the period from July 1 through December 31 of the previous year.
>
> The report to include a description of property sold or exchanged; to whom it was sold, or with whom exchanged; and the amount of money or other considerations received for each sale.

Tuesday, February 11, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Norma Price, Kenneth Michalove and Walter R. Boland; Corporation Counsel William Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: Councilman George Tisdale (attending meeting at the Institute of Government in Chapel Hill)

INVOCATION

The invocation was given by Vice-Mayor Mary Lloyd Frank.

APPROVAL OF THE MINUTES - FEBRUARY 4, 1986 MEETING

1. Consideration was given to the approval of the minutes of the February 4, 1986 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PUBLIC HEARING - SITE PLAN OF 60-66 HAYWOOD STREET

2. A public hearing was held relative to the site plan of 60-66 Haywood Street.

Mayor Bissette said the Planning and Zoning Commission at a meeting held December 11, 1985, reviewed the site plan of 60-66 Haywood Street showing adaptive reuse of two buildings for residential and retail purposes. The site plan was prepared by James Samsel, Architect, for City Assets Corporation, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council.

Mayor Bissette opened the public hearing at 4:11 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this site plan would involve the Jared's and Eagles Building on Haywood Street. He said 13 residential units were planned for the upper level of the building and 3 retail shops proposed for the lower level. He said City Assets Corporation, Developer, would also have an office in this building. He said the Planning and Zoning Commission had recommended approval of the site plan.

Jim Samsel, Architect for the project, stated that the developers are ready to begin the project and are waiting final approval of the site plan by Council. He said the rental rates for the apartment units have not been established. He said the project would cost approximately $750,000, all funding would be from private sources.

RESOLUTION NO. 86-20 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A SUBORDINATION AGREEMENT IN CONNECTION WITH BURGERLAND ASSOCIATES UDAG LOAN

13. Consideration was given to a resolution authorizing the Mayor to sign a Subordination Agreement in connection with Burgerland Associates UDAG Loan.

Mayor Bissette said the City of Asheville is a holder of a note dated January 16, 1980, in the amount of $35,000 secured by a deed of trust. Burgerland Associates, a North Carolina general partnership is the obligor under said note and deed of trust. This deed of trust is presently subordinate to a deed of trust in favor of the Northwestern Bank in the sum of $184,000. Burgerland Associates has arranged new financing within NCNB in the amount of $170,000 and has requested the City to subordinate its lien rights to a new note in favor of NCNB. This subordination agreement will not adversely affect the City's security under said note and deed of trust.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Boland, seconded by Councilman Michalove, Resolution No. 86-20 was unanimously adopted.

Complete text of Resolution No. 86-20 will be found in Resolution Book No. 15 at page ~~431~~ and ~~432~~ 432 and 433.

CLAIMS - JOANNE MCKINNEY (WATER) - MAXINE TREADWAY (PARKS AND RECREATION) - JAMES GETER (SANITATION) - LANGDON AMMEN (FIRE) - ROSSWOOD MOBILE HOME PARK/ JIM MORGAN (POLICE)

14. The Acting City Manger presented claims received from Joanne McKinney, Maxine Treadway, James Geter, Langdon Ammen, and Jim Morgan.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - MARSHA MORGAN MCFEE VS. CITY OF ASHEVILLE (WRONGFUL ACT - SANITATION)

15. The Acting City Manager said the City was served on January 29, 1986 with a lawsuit in which the City of Asheville is a defendant in the case involving Marsha Morgan McFee versus City of Asheville (wrongful act - Sanitation).

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Councilman Tisdale moved to adjourn the meeting at 7:50 p.m. This motion was seconded by Councilman Boland and carried unanimously.

MAYOR

CITY CLERK

Mayor Bissette said this ordinance was previously read on first reading and will not be reread in its entirety unless there was a specific request to do so.

Jerry Crow, Attorney, representing the lendor of funds to restore "The Manor", said a recent venture toward restoring "The Manor" did not work out and foreclosure proceedings were instituted. He said a Deed of Record would be filed tomorrow, naming Matthew Ellam, Trustee for a Canadian group as the owner. He said he did not feel that the ordinance designating "The Manor" as historic property would be of benefit or encourage the owners to utilize the best use of the property and asked that Council table the second reading of the ordinance until a later date. He said he felt this ordinance would put a burden on the property owners, as far as seeking approval to do any restoration or anything to the property. He said, in fact, it may impede such restoration.

Upon inquiry of Councilman Price, Mr. Crow said he was aware of the Conservation Overlay Ordinance and felt that this ordinance would also be burdensome to the owners of the property. He requested at least a 90-day delay on the second reading of the ordinance.

Upon inquiry of Council, the Corporation Counsel said the rules and regulations adopted by City Council allows them to continue or table action on a motion for 100 days.

Councilman Price questioned whether or not the neighborhood residents or the Historic Resources Commission had been made aware of the request for the delay of the second reading of the ordinance. It was noted that no contact had been made with the neighborhood or the Historic Resources Commission relative to the request for the delay.

After discussion, Councilman Price moved to continue the second reading of Ordinance No. 1553 until May 20, 1986. This motion was seconded by Councilman Boland and carried unanimously.

Upon inquiry of Councilman Boland, Mr. Crow said to his knowledge the property owners did not intend to demolish the building.

At the request of Councilman Michalove, Council requested that the City Manager contact the Historic Resources Commission and the Grove Park Sunset Citizens Association and advise them of the action taken by City Council on this particular ordinance. It was also requested that a report be given to members of Council by the Inspections Division on the condition of the building on May 20, 1986.

RESOLUTION NO. 86-21 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE FAIR HOUSING COMMISSION

5. Consideration was given to a resolution appointing members to the Asheville Fair Housing Commission.

Mayor Bissette said pursuant to Ordinance No. 1539 adopted on October 15, 1985, this resolution will appoint seven (7) members to the Asheville Fair Housing Commission as follows:

Upon inquiry of Ralph Bishop, Mayor Bissette said the reason for Council reviewing the project was that all projects consisting of 3 or more apartments require approval of Council.

Mayor Bissette closed the public hearing at 4:20 p.m.

Councilman Michalove moved for the approval of the site plan of 60-66 Haywood Street. This motion was seconded by Councilman Price and carried unanimously.

ORDINANCE NO. 1570 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (HANDICAPPED OFF-STREET PARKING REQUIREMENTS)

3. Consideration was given to the second reading of Ordinance No. 1570, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended (handicapped off-street parking requirements).

Mayor Bissette said this wording amendment will provide a requirement for handicapped off-street parking. This ordinance passed on first reading on February 4, 1986.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Donna Cator, Chairperson for the Mayor's Committee on Employment of the Handicapped, thanked members of Council for their consideration of the Handicapped Parking Ordinance.

On a roll call vote of 6-0, Ordinance No. 1570 passed on second reading.

ORDINANCE NO. 1553 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "THE MANOR" AT 265 CHARLOTTE STREET IN ASHEVILLE, NORTH CAROLINA, CURRENTLY OWNED BY TRANSCO FINANCIAL GROUP, LTD., AS HISTORIC PROPERTY

4. Consideration was given to the second reading of Ordinance No. 1553, an ordinance designating a building and property known as "The Manor" at 265 Charlotte Street in Asheville, North Carolina, currently owned by Transco Financial Group, Ltd., as historic property.

Mayor Bissette said "The Manor" was completed in 1899 as an "English Country Inn in America", and is a rare surviving example of the picturesque resort development so important to the history of the North Carolina Mountains. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina, Department of Cultural Resources, has endorsed the findings of the Commission. This ordinance passed on first reading on November 26, 1985. At the December 3, 1985, Council meeting, Council postponed the second reading of this ordinance until February 4, 1986 due to a pending process of completing foreclosure proceedings against the property. At the February 4, 1986, meeting Council continued the second reading until February 11, 1986.

Mayor Bissette said the Asheville City Council has decided that the proposed four year, two stream quality and storm-water modeling study is needed to evaluate existing storm drainage problems and to develop methods of correction and prevention. The proposed $286,000 study is subsidized by a fifty percent (50%) Federal Grant and supported by other State and Local Agencies resulting in a total City of Asheville commitment of $30,000. The proposal is flexible and allows for the expansion of the study to include other streams should additional funding or other grants or participation become available during the course of the four year study. He said funds have been approved in the amount of $45,000 for this grant.

Tom Tarrant, City Engineer, spoke in support of the resolution, stating that the US Geological Survey is very interested in working with property in the mountains and felt this was a very beneficial project.

Councilman Boland said he felt this project would also cover the City of Asheville in case of emergencies during the interim period of four years.

Councilman Price noted that the Land-of-Sky Regional Council had contributed greatly to the study done on storm water drainage in the past year.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Boland, seconded by Councilman Frank, Resolution No. 86-22 was unanimously adopted.

Complete text of Resolution No. 86-22 will be found in Resolution Book No. 15 at Page ~~435~~ 436.

RESOLUTION NO. 86-23 - RESOLUTION REGARDING EMPLOYEE USE OF VEHICLES OWNED BY THE CITY OF ASHEVILLE, NORTH CAROLINA

8. Consideration was given to a resolution regarding employee use of vehicles owned by the City of Asheville, North Carolina.

Mayor Bissette said the 1985 Tax Act enacted by the United States Congress repeals various sections of the Tax Reform Act of 1984, concerning personal use of employer-provided vehicles. The federal legislation defines an employee's personal use of an employer-furnished vehicle as a taxable fringe benefit and includes commuting to and from work within the term "personal use". The City provides certain municipal vehicles to its employees for use in municipal business, including commuting to and from work for employees who are "on call". Pursuant to state law (N. C. Gen. Stat. sec. 14-247), the City of Asheville prohibits its employees from using municipal vehicles for any personal purposes whatsoever.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Betty Jo Sullivan
James M. Pressley
Gladys P. Forney
Dwight B. Mullen, Chairman
Dennis Kinney
Doug Bebber
Tom West

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 86-21 was unanimously adopted.

Complete text of Resolution No. 86-21 will be found in Resolution Book No. 15 at Page 434.

ORDINANCE NO. 1571 - BUDGET ORDINANCE AMENDMENT TO ESTABLISH $45,000 FOR THE CITY OF ASHEVILLE STORM WATER MODELING PROJECT

6. Consideration was given to a budget ordinance amendment to establish $45,000 for the City of Asheville Storm Water Modeling Project.

Bob Wurst, Director of Audit and Budget, said it is a practice of the City of Asheville to appropriate funds anticipated from grants in the budget. He said this budget amendment would appropriate the local share of $30,000 for the Storm Water Modeling Project and $15,000 for contingency.

Councilman Price moved for the adoption of Ordinance No. 1571. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1571 passed on first and final reading.

Complete text of Ordinance No. 1571 will be found in Ordinance Book No. 10 at Page ~~367~~ 368 mon

RESOLUTION NO. 86-22 - RESOLUTION TO ACCEPT THE OCTOBER 21, 1985, PROPOSAL BY THE UNITED STATES GEOLOGICAL SURVEY FOR A FOUR YEAR, TWO STREAM QUALITY AND STORM-WATER MODELING STUDY AND TO AUTHORIZE THE MAYOR TO EXECUTE AN AGREEMENT ON BEHALF OF THE CITY OF ASHEVILLE BY AND BETWEEN THE CITY OF ASHEVILLE AND THE UNITED STATES GEOLOGICAL SURVEY OF THE DEPARTMENT OF INTERIOR FOR SAID STUDY

7. Consideration was given to a resolution to accept the October 21, 1985, proposal by the United States Geological Survey for a four year, two stream quality and storm-water modeling study and to authorize the Mayor to execute an agreement on behalf of the City of Asheville by and between the City of Asheville and the United States Geological Survey of the Department of Interior for said study.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-25 was unanimously adopted.

Complete text of Resolution No. 86-25 will be found in Resolution Book No. 15 at Page ~~440~~. 441

RESOLUTION NO. 86-26 - RESOLUTION AUTHORIZING FREE PARKING AT METERED PARKING SPACES ON FEBRUARY 28, MARCH 1 AND MARCH 2, 1986 FOR THE SOUTHERN CONFERENCE BASKETBALL TOURNAMENT

11. Consideration was given to a resolution authorizing free parking at metered parking spaces on February 28, March 1 and March 2, 1986 for the Southern Conference Basketball Tournament.

The Acting City Manager read the resolution.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, Resolution No. 86-26 was unanimously adopted.

Complete text of Resolution No. 86-26 will be found in Resolution Book No. 15 at Page ~~441~~. 442

RESOLUTION NO. 86-27 - RESOLUTION AUTHORIZING THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE TO MAKE APPLICATION FOR A BEAUTIFICATION GRANT FOR BINGHAM HEIGHTS, DEAVERVIEW, LEE-WALKER HEIGHTS, PISGAH VIEW AND KLONDYKE APARTMENTS

12. Consideration was given to a resolution authorizing the Housing Authority of the City of Asheville to make application for a beautification grant for Bingham Heights, Deaverview, Lee-Walker Heights, Pisgah View and Klondyke Apartments.

Johnny Hayes, with the Housing Authority, said the State of North Carolina Department of Crime Control and Public Safety through the Governors Crime Commission, has announced the potential availability of funds up to $50,000 for selected juvenile justice and delinquency prevention projects. He said the Housing Authority of the City of Asheville sees the need to provide the families of youthful offenders and at-risk youth with programs that will enhance the family and deter juvenile delinquency. He said this resolution will authorize the Executive Director of the Housing Authority of the City of Asheville to submit an application in the amount of $49,284.44 to the Governors Crime Commission for the beautification programs.

Mayor Bissette said members of Council were previously furnished copies of this resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Vice-Mayor Frank, Resolution No. 86-27 was unanimously adopted.

Complete text of Resolution No. 86-27 will be found in Resolution Book No. 15 at Page ~~442~~. 443

Upon motion of Vice-Mayor Frank, seconded by Councilman Boland, Resolution No. 86-23 was unanimously adopted.

Complete text of Resolution No. 86-23 will be found in Resolution Book No. 15 at Page 436, 437 and 438. and 439. mss

RESOLUTION NO. 86-24 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO MAKE APPLICATION FOR A COMPUTER ENRICHMENT PROGRAM

9. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to make application for a Computer Enrichment Program.

Mayor Bissette said the State of North Carolina has established a grant program known as Community-Based Alternatives through the North Carolina Department of Human Resources, and has made funds available for Community-Based Alternative programs in Buncombe County. State funds in the amount of $5,500 is available to provide an enrichment program in three neighborhoods with local match in the amount of $4,170 to be provided by the City through in-kind staff services and departmental supplies in place at the centers. This resolution will authorize the Mayor to make application in the amount of $5,500 to the N. C. Department of Human Resources for a Computer Enrichment Program at the William C. Reid Memorial, Montford, and Stephens-Lee Recreation Centers.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, Resolution No. 86-24 was unanimously adopted.

Complete text of Resolution No. 86-24 will be found in Resolution Book No. 15 at Page 439. 440. mss

RESOLUTION NO. 86-25 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE INSTALLATION OF CONDUIT AND WIRING FOR TRAFFIC SIGNAL AND FIRE ALARM SERVICE ON BILTMORE AVENUE

10. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for the installation of conduit and wiring for traffic signal and fire alarm service on Biltmore Avenue.

Mayor Bissette said this resolution will authorize the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for the installation of a three (3") inch underground conduit and wiring for traffic signal and fire alarm service. He said funding for this work has been approved and is available as a part of the South Pack Square Streetscape Project.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Tuesday - February 18, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Norma T. Price, Walter Boland, George Tisdale and Kenneth Michalove; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr., Deputy City Clerk Carol Hensley

Absent: Councilman Wilhelmina Bratton

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - FEBRUARY 11, 1986 MEETING

1. Consideration was given to the approval of the minutes of the February 11, 1986 meeting.

Mayor Bissette announced the approval of the minutes as submitted with the correction of a typographical error.

PROCLAMATION - FEBRUARY 16-22, 1986 - "GEORGE WASHINGTON WEEK"

2. Mayor Bissette read a proclamation proclaiming February 16-22, 1986 as "George Washington Week."

PROCLAMATION - FEBRUARY 18, 1986 - "SAVE THE MOUNTAINS DAY"

2a. Mayor Bissette read a proclamation proclaiming February 18, 1986 as "Save the Mountains Day" in connection with the Department of Energy's proposal to locate a nuclear waste storage site in Western North Carolina.

Mayor Bissette presented the proclamation to Dr. James Laird.

PUBLIC HEARING - PROPOSALS FOR THE TRANSPORTATION OF WHEELCHAIRED INDIVIDUALS AND SEMI-AMBULATORY PERSONS BY PRIVATE AGENCY

3. A public hearing was held to consider proposals for the transportation of wheel-chaired individuals and semi-ambulatory persons by a private agency.

Mayor Bissette said the City of Asheville receives UMTA transportation funds. Federal regulations provide that a portion of these funds be used for the transportation of wheel-chaired and semi-ambulatory persons. UMTA regulations require that a public hearing be held relative to proposals received for providing this service. He said the contract funds will be drawn from UMTA funds received through operating assistance. The amount will be 3-1/2% of the operating funds for each fiscal year.

CLAIMS - MRS. ROBERT ADAMS (WATER) - CLARENCE BRADLEY (SANITATION)

The Acting City Manager presented claims received from Mrs. Robert Adams and Clarence Bradley.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

PROCLAMATION - FEBRUARY 16-22, 1986 - "NATIONAL RETAIL BAKERS WEEK"

Mayor Bissette read a proclamation proclaiming February 16-22, 1986, as "National Retail Bakers Week".

Mayor Bissette presented the proclamation to Dotson Wright with Rollin Pin Bakery.

Mr. Wright then presented members of Council with a cake decorated with the inscription of the City seal and the City Hall Building.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Nicholson, the meeting adjourned to executive session to discuss personnel.

The meeting adjourned at 5:10 p.m.

MAYOR

CITY CLERK

planning and design of mass transportation facilities and services so that the availability to elderly and handicapped persons, of mass transportation which they can effectively utilize, will be assured.

Furthermore, it is federal law that no otherwise qualified handicapped individual shall, solely by reason of his or her handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. The courts have repeatedly held that this law requires, at the very least, "modest, affirmative steps" to accommodate the handicapped in public transportation. The regulations refer to the term "special efforts," and indicate that one way to meet those special efforts is to provide a minimum of 3.5% of the federal financial assistance under UMTA to a program for wheelchair users and semi-ambulatory handicapped persons.

In my opinion, the funding that will be provided in this proposal is overdue, but it is certainly better for it to arrive late -- than never -- for my client and others similarly situated. As this funding is overdue, I request that you give consideration to providing additional funding for this program, and that there be expenditures above and beyond the 3.5% that would include advertising, publicity and outreach for persons, like my client, who may have given up hope that they could find access to transportation within the City of Asheville.

I would remind the City Council that the 3.5% figure is described as a "minimum," and I would urge that the City seek to reach more persons with this proposal than are already in touch with either the American Red Cross or Pisgah Legal Services.

Thank you.

Mayor Bissette closed the public hearing at 4:16 p.m.

PUBLIC HEARING - REZONING PROPERTY LOCATED ON NEW LEICESTER HIGHWAY

ORDINANCE NO. 1572 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED ON LEICESTER HIGHWAY (MR. WAYNE HAWKINS PETITION)

4. A public hearing was held relative to rezoning property located on New Leicester Highway.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held January 8, 1986, considered the petition of Mr. Wayne Hawkins that portions of Lots 35 and 41, Sheet 36, Ward 12, and Lot 323, Sheet 20, Ward 6, be rezoned from R-3 Residential District to CS Commercial Service District. The property is located on the New Leicester Highway. After review and discussion, the Commission voted to recommend to City Council that Lot 323, Sheet 20, Ward 5, be rezoned from R-3 Residential District to CS Commercial Service District. Staff advised the Commission that Lots 35 and 41, Sheet 36, Ward 12 were already zoned Commercial Service in their entirety.

Mayor Bissette opened the public hearing at 4:10 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Carl Owenby, with the Asheville Transit Authority, said the Federal Government allows 3.5 percent of Urban Mass Transportation Act funds to be used for transporation of wheel-chaired individuals and semi-ambulatory persons. He said one proposal had been received from the American Red Cross to furnish this service on an annual basis. He said since only one proposal had been received, a contract would be drawn up and brought back to Council for their consideration at a later date.

Barry Master, Attorney for the Pisgah Legal Services, read the following prepared statement:

REMARKS TO ASHEVILLE CITY COUNCIL ON TRANSPORTATION PROPOSAL FROM AMERICAN RED CROSS

February 18, 1986

My name is Barry Master. I am an attorney and am the executive director of Pisgah Legal Services. I wish to speak in favor of the proposal from the American Red Cross.

Pisgah Legal Services has been retained by an elderly, semi-ambulatory resident of the City of Asheville to protect her legal rights to have access to public transportation. She is unable to use the City bus system due to the high steps at the bus entrance. We have put her in touch with the American Red Cross, and they have provided her with transportation to medical appointments. There have been times, however, when she has called the Red Cross one to one and a half weeks in advance of her medical appointment, only to find that the Red Cross is booked and she cannot get a ride to her appointment. There is no other agency in town that we or the Red Cross have been able to refer her to, on these occasions, which would be able to get her to her medical appointments.

If the Red Cross had the additional funding that this proposal would provide, they would be able to purchase additional vehicles which could provide transportation to medical appointments for my client and at least 1,700 others who have been provided transportation in Asheville in the past year from the Red Cross.

Under the law, the City of Asheville, as a recipient of funds from the federal government under the Urban Mass Transportation Act, has a legal obligation towards my client and other handicapped and semi-ambulatory persons who are similarly situated. Her transportation is the City's responsibility. It is Federal law that elderly and handicapped persons have the same right as everyone else to utilize mass transportation facilities and services. The law requires that special efforts be made in the

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had reviewed the site plan and had recommended approval subject to several conditions which have been met. He said the project complied with all requirements of the Zoning Ordinance and is being constructed at density level requirements for a mobile home park.

Upon inquiry of Councilman Price, Mr. Emrick said the project, even though outside the City limits, had been reviewed in its entirety by the Fire Marshall.

Mr. Emrick said, in the near future, it would be necessary to amend the Zoning Ordinance relative to mobile home parks to provide for larger lot sizes and design of pads for mobile homes since they are constructing larger mobile homes. He said this would also decrease the density ratio per acre.

Mayor Bissette closed the public hearing at 4:27 p.m.

Councilman Price moved to approve the site plan of the Crownpointe Mobile Home Park to be located on North Louisiana Avenue, subject to the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Michalove and carried unanimously.

PUBLIC HEARING - SITE PLAN OF PROPOSED BARNARD GROVE APARTMENTS TO BE LOCATED ON BARNARD AVENUE

6. A public hearing was held relative to a site plan of the proposed Barnard Grove Apartments to be located on Barnard Avenue.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held January 8, 1986, reviewed the site plan of the proposed Barnard Grove Apartments to be located on Barnard Avenue. The site plan was prepared by James Samsel, Architect, for Mr. Kerry Kindsey, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to: 1) documentation of access into the site; and 2) compliance with the Erosion Control Ordinance. The Commission further recommended that parking on one side only on Fenner Avenue be instituted as soon as possible.

Mayor Bissette opened the public hearing at 4:29 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the project would be in the vicinity of UNCA, and was reviewed by the Planning and Zoning Commission at it meeting held on January 8, 1986, and received a recommendation for approval, subject to documentation of access into the site and compliance with the Erosion Control Ordinance. He said Jack Westall, Attorney for the developer, has delivered documentation that access would be available on Barnard Avenue. He said plans had been submitted to the Engineering Division for the erosion control plan. He said the project had been approved by the Fire Marshall. He said the project would consist of 34 units and meets all requirements of the Zoning Ordinance.

Mayor Bissette opened the public hearing at 4:17 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had reviewed the requested rezoning and recommended approval. He said this property ties in with property already zoned Commercial Service. He said adjacent property owners had been notified of the requested rezoning and no one had opposed the rezoning. He said the proposed use of the property would be for a mini warehouse project.

Kenneth Pankow, with Pankow Engineering Company, said he represents Public Storage, Inc. who has a contract on the property at the present time, and spoke in favor of the rezoning.

Mayor Bissette closed the public hearing at 4:20 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Boland moved for the adoption of Ordinance No. 1572. The motion was seconded by Councilman Tisdale.

On a roll call vote of 6-0, Ordinance No. 1572 passed on first reading.

PUBLIC HEARING - SITE PLAN OF CROWNPOINTE MOBILE HOME PARK - NORTH LOUISIANA AVENUE

5. A public hearing was held relative to a site plan of Crownpointe Mobile Home Park, to be located on North Louisiana Avenue.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held January 8, 1986, reviewed the site plan of Crownpointe Mobile Home Park to be located on North Louisiana Avenue. The site plan was prepared by Ray Anders, R.L.S., for Mr. Allen Moss, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to: 1) deletion of Lot #1 and provision of appropriate landscaping; 2) deletion of Lot #30 and redesign of Lot #31; 3) that a planted buffer and a solid barrier of chain link fence 6' high and slatted be provided on the western boundary as shown at the entrance and lot lines on Lots #30 and #31; 4) redrawing of the plat to include the "common area" and access from this mobile home park prior to going to City Council; and 5) compliance with Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:22 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Board of Adjustment; 2) that the City Council grant a variance to permit .82 parking spaces per unit as shown on the plans, but that the developer be able to provide two spaces per unit if necessary; 3) that the nursing home site be marked off as a future phase of the project; and 4) compliance with the Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 5:02 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had reviewed the site plan and recommended approval, subject to the conditions outlined by Mayor Bissette. He said, subsequently, the Board of Adjustments had reviewed the project and approved the conditional use for Oxford Development. He said the project would consist of 292 units in 3 phases.

He said one of the conditions of the Planning and Zoning Commission is to permit .82 parking spaces per unit, however, there is enough room on the property to allow for 2 spaces per unit if necessary. He said water would be provided for the complex from Sweeten Creek Road. However, a new line in the area is contemplated for the future.

Larry Ford, Assistant Development Manager, for Oxford Development Corporation spoke in support of the project stating that the complex would consist of cottages, residential apartments, assisted living units, and a nursing home. He said residents would be furnished meals, housekeeping, laundry, transportation, and emergency medical care. He said he felt the project would enhance Asheville as a retirement area. He said construction is scheduled to start July 1. He said the complex would be used for individuals 65 and over.

Mayor Bissette closed the public hearing at 5:19 p.m.

Councilman Tisdale moved for the approval of the site plan of the proposed Asheville Retirement Center to be located on Hendersonville Road, subject to the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Boland and carried unanimously.

ORDINANCE NO. 1570 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (HANDICAPPED OFF-STREET PARKING REQUIREMENTS)

8. Consideration was given to the third reading of Ordinance No. 1570, an ordinance relative to amending the Zoning Ordinance to provide for handicapped off-street parking requirements.

Mayor Bissette said this wording amendment will provide a requirement for handicapped off-street parking. This ordinance passed on first reading on February 4, 1986, and on second reading on February 11, 1986.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

He showed slides of the property in question. He said the Commission had recommended that parking on one side only on Fenner Avenue be instituted as soon as possible. He said the Traffic Engineer had reviewed the site plan and the site visibility at the access point.

Jim Samsel, Architect for the project, said the units would be rental units with 2 bedrooms.

Mrs. Grahams of Barnard Avenue spoke relative to the project, stating that she was concerned about erosion control that is currently an existing problem on Barnard Avenue, and the serious wash-off problems this project may cause. She said the project, as proposed, would cover most of the land with buildings and parking, and not allow for drainage control.

Harold Garland, of 88 Fenner Avenue, spoke relative to the project, stating that the area currently has water problems with volume and pressure, and this project would add an additional burden to the water problem, the current problems with traffic, and would create a hazard for the neighborhood. He said a project such as this should be done in an orderly fashion.

Jim Samsel said he had received assurance from the Water Department that the project, as proposed, would have sufficient water pressure. He said provisions are being made to control the erosion problems that currently exist and to control any storm drainage that this project would cause. He said the existing house on the property would be converted into 3 apartments and a new building would contain 7 units.

Upon inquiry of Mayor Bissette, the Acting City Manager said if the project was approved, he intended to implement parking on one side of Fenner Avenue.

Mayor Bissette closed the public hearing at 5:00 p.m.

Vice-Mayor Frank moved for the approval of the proposed Barnard Grove Apartments to be located on Barnard Avenue, subject to the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Price and carried unanimously.

PUBLIC HEARING - PROPOSED ASHEVILLE RETIREMENT CENTER - HENDERSONVILLE ROAD

7. A public hearing was held relative to the site plan of the proposed Asheville Retirement Center to be located on Hendersonville Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held January 8, 1986, reviewed the site plan of a proposed Asheville Retirement Center to be located on Hendersonville Road. The plan was prepared by Land Design, Inc., Charlotte, N. C., for Oxford Development Corporation, Charlotte, N. C., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following: 1) that the site plan be reviewed as a "Conditional Use" in the R-3 Residential District by the

Mayor Bissette said this resolution will approve the capital improvements made at the Asheville Regional Airport by the Asheville Regional Airport Authority since July 1, 1980, and approves the capital improvements in respect to an addition to the vehicle storage building, with a gasoline/diesel fuel station and with related site work at the Asheville Regional Airport.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Michalove, seconded by Councilman Price, Resolution No. 86-29 was unanimously adopted.

Complete text of Resolution No. 86-29 will be found in Resolution Book No. 15 at Page ~~444~~ 445.

RESOLUTION NO. 86-30 - RESOLUTION AUTHORIZING THE INTERIM CITY MANAGER TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT OF FINAL COMPROMISE SETTLEMENT AND RELEASE REGARDING THE WORKERS' COMPENSATION CLAIM OF HUBERT C. ROGERS

11. Consideration was given to a resolution authorizing the Interim City Manager to execute on behalf of the City of Asheville an agreement of final compromise settlement and release regarding the Workers' Compensation Claim of Hubert C. Rogers.

Mayor Bissette said on or about September 16, 1982, Hubert C. Rogers suffered an injury to his back by accident while working on a transmission on a fire truck. The transmission began to fall and upon catching it, Mr. Rogers suffered an injury to his low back. This resolution will authorize the Interim City Manager to execute an agreement of final compromise settlement and release for payment to the employee, Hubert C. Rogers. He said final settlement would be $8,550.00. This amount is budgeted for FY 1985-86 in the Fire Department Budget.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Councilman Tisdale, Resolution No. 86-30 was unanimously adopted.

Complete text of Resolution No. 86-30 will be found in Resolution Book No. 15 at Page ~~445 and~~ 446 and 447.

APPROVAL OF SIGN PERMIT - 29 MONTFORD AVENUE

12. Consideration was given to a motion approving a sign permit for an identification sign at 29 Montford Avenue.

Mayor Bissette said Frank S. Smith has requested a sign permit to erect an identification sign at 29 Montford Avenue. This sign requires approval of City Council pursuant to the Zoning Ordinance in that the sign will be situated closer than 600' of a limited access highway.

Donna Cator, Chairperson for the Mayor's Employment of the Handicapped Committee, extended appreciation to members of Council for the adoption of this ordinance.

Mr. Lawrence spoke in support of the ordinance, stating that he felt this particular ordinance would correct defects in a State law for handicapped parking.

On a roll call vote of 6-0, Ordinance No. 1570 passed on third and final reading.

Complete text of Ordinance No. 1570 will be found in Ordinance Book No. 10 at Page 364, 365, and 366 and 367.

RESOLUTION NO. 86-28 - RESOLUTION APPROVING THE SALE AND CONVEYANCE OF CERTAIN ADDITIONAL REAL PROPERTIES LOCATED IN THE PACK PLAZA REDEVELOPMENT AREA BY THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE TO PACK PLAZA ASSOCIATES LIMITED PARTNERSHIP

9. Consideration was given to a resolution approving the sale and conveyance of certain additional real properties located in the Pack Plaza Redevelopment Area by the Housing Authority of the City of Asheville to Pack Plaza Associates Limited Partnership.

Mayor Bissette said the Housing Authority has acquired certain properties pursuant to the implementation of the Redevelopment Plan for the Pack Plaza Redevelopment Area. The Housing Authority held a public hearing on February 11, 1986, and made certain findings, all pursuant to Sections 2 and 4 of 1979 Session Laws Ch. 317, in order to convey certain parcels in the Pack Plaza Redevelopment Area to a prospective developer. This resolution will authorize the sale and conveyance of those properties of the Pack Plaza Redevelopment Area under the terms and conditions set forth in the resolution of the Housing Authority of the City of Asheville.

Verl Emrick, Director of Planning, said this would convey the final two parcels to the Pack Plaza Associates, Ltd. Partnership.

Mayor Bissette said copies of the resolution were previously furnished to members of Council and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Boland, Resolution No. 86-28 was unanimously adopted.

Complete text of Resolution No. 86-28 will be found in Resolution Book No. 15 at Page ~~443~~ 444.

RESOLUTION NO. 86-29 - RESOLUTION APPROVING CAPITAL IMPROVEMENTS AT THE ASHEVILLE REGIONAL AIRPORT

10. Consideration was given to a resolution approving capital improvements at the Asheville Regional Airport.

with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions: 1) approval of curb cut on Hendersonville Road from the North Carolina Department of Transportation; and 2) compliance with the Erosion Control Ordinance.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, the Consent Agenda was unanimously approved.

CLAIMS - MARGARET SILVERMAN (SEWER) - TERESA ISRAEL (FIRE) - HAROLD BLANKENSHIP (STREETS)

The Acting City Manager presented claims received from Margaret Silverman, Teresa Israel and Harold Blankenship.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 86-32 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH TRAFFIC SYSTEMS INTERNATIONAL LIMITED TO CONDUCT A PARKING FEASIBILITY STUDY FOR THE CENTRAL BUSINESS DISTRICT

14. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Traffic Systems International Limited to conduct a parking feasibility study for the Central Business District.

Winn Powell, with the Audit and Budget Department, said this resolution would authorize the City Manager to enter into an agreement for Traffic Systems International Limited to conduct a parking feasibility study for the Central Business District. He said the City needs a parking feasibility study to assist in planning for future development and growth in the downtown area. He said proposals were solicited for the study, and the firm of Traffic Systems International Limited submitted a proposal to conduct the study for a cost not to exceed $20,940.00. He said the City staff has reviewed the proposal and recommended the contract be awarded to Traffic Systems International Limited.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 86-32 was unanimously adopted.

Complete text of Resolution No. 86-32 will be found in Resolution Book No. **15 at Page 449.** 451

ORDINANCE NO. 1573 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDING FOR THE RANKIN STREET PARKING GARAGE

15. Consideration was given to a budget ordinance amendment to provide funding in the amount of $400,000.00 for land acquisition for the Rankin Street Parking Garage.

The Acting City Manager said the sign had also been approved by the Historic Resources Commission.

Councilman Michalove moved to approve the sign permit for an identification sign at 29 Montford Avenue. This motion was seconded by Councilman Tisdale and carried unanimously.

APPROVAL OF CONSENT AGENDA

13. Consideration was given to a motion approving the Consent Agenda.

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. **Resolution No. 86-31**

Resolution of intent to close all of North Street, Short Pine Street, Higgins Place and an unnamed alley and portions of Mountain Street, Clemmons Street, Lincoln Street, Latta Street, and Sassafras Street and scheduling a public hearing for March 25, 1986.

HIGHLIGHTS: A petition has been filed by the Housing Authority requesting that the following streets and alley be permanently closed to public use: North Street, Short Pine Street, Higgins Place, Unnamed Alley, portion of Mountain Street, portion of Clemmons Street, portion of Lincoln Street, portion of Latta Street, and portions of Sassafras. Permanent closing of these streets and alley would not be detrimental to or contrary to the public interest or the property rights of any individual.

Resolution Book 15 - Page ~~447~~ 448 and ~~448~~ 449.

B. Motion to schedule a public hearing for a site plan of the proposed Forest Plaza (office Condominiums and retail complex) to be located at 932 Hendersonville Road for March 11, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held December 11, 1985, reviewed the site plan of the proposed Forest Plaza (office condominiums and retail complex) to be located at 932 Hendersonville Road. The site plan was prepared by John Reid, Architect, for Mr. George Morosani, Developer, and submitted in accordance

2. In 1979 this Council determined that the appropriate use for this property was R-1. Of course, the current project would not be appropriate under R-1.

3. It has been stated that the 1979 lawsuit settled the zoning question. That lawsuit provided that the property was "restored to the same zoning classification it had." In addition, the Superior Court made no effort to determine the appropriate use of this property, of the surrounding neighborhood, or of the City as a whole. That is the responsibility of this Council.

The City of Asheville has no authority to zone except for purposes outlined in North Carolina General Statutes 160A-381 and 160A-383. These sections require a comprehensive plan for districts which will, among other things, promote the health and general welfare of the community. On behalf of the Beverly Hills Homeowners, I urge this Council not to give final approval to a site plan for multi-story apartment buildings on this property without first exercising its responsibility to determine that such a use is consistent with a comprehensive plan promoting the purposes authorized by law.

This letter is to urge the Council as a whole, and each member individually, to institute a petition for rezoning in accordance with Section 30-11-1 of the Code of Ordinances of the City of Asheville. I believe an investigation will show that the character of this property has not changed since 1979 and is currently appropriate for R-1 zoning.

One reason the members of the Council are being urged to initiate such a petition is that Ordinance 30-11-1 as now written would not allow any of the surrounding land owners to file such a petition.

The City Council has in its file an opinion letter from the Institute of Government addressed to Verl Emrick stating that such a provision in the City Ordinance is unconstitutional. Based upon this, one of our members will be filing a petition to rezone, and I urge you to consider this petition on its merits. Again, I urge this Council to not grant final approval to a site plan prior to determining the appropriate zoning.

Sincerely yours,

Thomas R. Bell, Jr.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

PRESENTATION OF CORRESPONDENCE RELATIVE TO THE CARMELITE PROPERTY

Thomas K. Bell, Jr., Attorney representing the Beverly Hill Homeowners Association, presented the following correspondence relative to the project proposed for the Carmelite property in Beverly Hills:

18 February, 1986

Asheville City Council
Post Office Box 7148
Asheville, North Carolina 28807

Re: Proposed construction on the Carmelite Monastery property

Dear Members of the Council:

This letter is to express my concern about the site plan for development on the Carmelite property which has been partially approved by you. As you know, I spoke before you on Tuesday, February 4. I appreciate your attention, and I will not repeat the points I raised at that time.

What does concern me, and what prompts this letter, is that the Council is on the verge of approving a site plan which includes a multi-story apartment complex, when this Council has never determined that this type construction would be appropriate for this property or for the surrounding neighborhood. This issue is completely different from the issue of what the current zoning for the property is and whether it is enforceable. The City Council has twice considered the appropriate use of this property consistent with the general welfare of the community:

1. In 1963 the Council found that this property was appropriate for a monastery and mausoleum and specifically found that should this change, the property would be appropriately developed according to the highest adjacent use. This ordinance expressed the Council's feeling at that time that the current project would not be appropriate for this property.

Tuesday - February 25, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Norma T. Price, Wilhelmina B. Bratton, Walter R. Boland, Kenneth Michalove, and George M. Tisdale; Corporation Counsel William F. Slawter; Associate City Manager/City Clerk William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: None

INVOCATION

The invocation was given by Councilman Michalove.

APPROVAL OF THE MINUTES - FEBRUARY 25, 1986 MEETING

1. Consideration was given to the approval of the minutes of the February 25, 1986 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - "CHILD PASSENGER SAFETY AWARENESS WEEK" - WEEK OF FEBRUARY 24

2. Mayor Bissette read a joint proclamation proclaiming the week of February 24, 1986 as "Child Passenger Safety Awareness Week".

Mayor Bissette said this is a joint proclamation by the City of Asheville, Town of Biltmore Forest, Black Mountain, Montreat, Weaverville, Woodfin, and Buncombe County.

Mayor Bissette recognized Mayor Michael Begley from the Town of Black Mountain; Mayor Reese Lasher, Town of Weaverville; and Mayor Kermit Penley, Town of Woodfin; who were in attendance at the meeting.

PROCLAMATION - FEBRUARY 28, MARCH 1, AND MARCH 2, 1986 AS "SOUTHERN CONFERENCE BASKETBALL TOURNAMENT WEEK"

2a. Mayor Bissette read a proclamation proclaiming February 28, March 1 and 2 as "Southern Conference Basketball Tournament Week".

Mayor Bissette presented the proclamation to Barrie Sneed, Chairman of the Southern Conference for the Junior League.

Barrie Sneed thanked members of Council for the proclamation, and for City Council's recent action in allowing free on-street metered parking during the conference tournament.

PROCLAMATION - MARCH, 1986 - "YOUTH ART MONTH"

3. Mayor Bissette read a proclamation proclaiming March, 1986 as "Youth Art Month".

Mayor Bissette presented the proclamation to Mary K. Israel, State Chairman for Youth Art Month.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Boland, the meeting adjourned to executive session to discuss real estate and personnel.

The meeting adjourned at 5:45 p.m.

MAYOR

CITY CLERK

Upon inquiry of Ralph Bishop, Mr. Emrick said the petition for rezoning was still valid.

Mayor Bissette closed the public hearing at 4:35 p.m.

Councilman Tisdale moved for the adoption of Ordinance No. 1574. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1574 passed on first reading.

ORDINANCE NO. 1572 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON LEICESTER HIGHWAY (MR. WAYNE HAWKINS PETITION)

5. Consideration was given to the second reading of Ordinance No. 1572, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville" as amended, property located on Leicester Highway (Mr. Wayne Hawkins petition).

Mayor Bissette said the Planning and Zoning Commission at a meeting held January 8, 1986, considered the petition of Mr. Wayne Hawkins that portions of Lots 35 and 41, Sheet 36, Ward 12, and Lot 323, Sheet 20, Ward 6, be rezoned from R-3 Residential District to CS Commercial Service District. The property is located on the New Leicester Highway. After review and discussion, the Commission voted to recommend to City Council that Lot 323, Sheet 20, Ward 5, be rezoned from R-3 Residential District to CS Commercial Service District. Staff advised the Commission that Lots 35 and 41, Sheet 36, Ward 12 were already zoned Commercial Service in their entirety. This ordinance passed on first reading at the February 18, 1986 meeting.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1572 passed on second reading.

BIDS - DIESEL ENGINE TRACTOR WITH SAFETY CAB

6. Consideration was given to a motion relative to bids received for a diesel engine tractor with safety cab.

Mayor Bissette said sealed bids were invited to furnish one (1) Diesel Engine Tractor and alternate bids for this unit with an optional safety cab for Parks, Recreation and Public Facilities use with their side arm mower. Requests for bids included that the tractor must be compatible, including mounting parts, to a Terrain King model "A" side arm mower. Three (3) bids were received; however, John Deere Company in Conyers, Georgia notified the Purchasing Division of an error in their bid and requested that their bid be withdrawn and bid security returned. This request was made within seventy-two hours after the bids were opened. It is recommended to award this contract to the lowest bidder meeting specifications, Farm Equipment Company of Asheville, Incorporated.

RECOGNITION OF NEW CITY MANAGER - DOUG BEAN

Mayor Bissette recognized Doug Bean, Asheville's new City Manager, effective April 1, 1986.

PUBLIC HEARING - REZONING PROPERTY ON HAYWOOD ROAD BEHIND ACE APPLIANCE ON KNIGHT PLACE

ORDINANCE NO. 1574 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON KNIGHT PLACE

4. A public hearing was held relative to rezoning property on Haywood Road behind Ace Appliance on Knight Place.

Mayor Bissette said the Planning and Zoning Commission, at a meeting held July 10, 1985, considered the petition of Ace Appliance, that Ward 5, Sheet 6, Lot 99-½, be rezoned from R-3 Residential District to CS Commercial Service District. The property is located behind Ace Appliance on Knight Place. After review and discussion, the Commission voted to recommend to City Council that Ward 5, Sheet 6, Lot 99-½ and Lot 99 be rezoned from R-3 Residential District to CS Commercial Service District. At the Council meeting of August 13, 1985, the petitioner withdrew his request for rezoning. Ace Appliance now wishes for the requested rezoning to be heard by City Council.

Mayor Bissette opened the public hearing at 4:21 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had previously considered the rezoning of Lot 99-½ and Lot 99. He said the rezoning was requested to allow for expansion of Ace Appliance Company. He said negotiations for the sale of the property never took place, but since that time re-negotiations for the purchase of the property by Douglas Holcombe, from Ace Appliance Company, have taken place and Ace Appliance Company wishes to continue with the requested rezoning. He said since the property in question abuts residential property, a buffer would be required.

Upon inquiry of Vice-Mayor Frank, Mr. Emrick said there was no existing buffer on the property in question.

Upon inquiry of Councilman Tisdale, Mr. Emrick said notices were sent to all adjacent property owners relative to the rezoning, and four notices were returned. He said three were in favor and one from James D. Sparks, of 127 Pennsylvania Avenue, voiced objection to the rezoning of the property.

Councilman Price voiced concern relative to rezoning Lot 99 since the property owner has not petitioned for the property to be rezoned. However, she felt it would be best to rezone Lot 99 since there would be some protection by buffering.

Douglas Holcombe, with Ace Appliance Company, spoke in favor of the rezoning, stating that the adjacent property owners would be protected by buffering and fencing.

Disposal Parcel 3 is a commercial site located in the East End/Valley Street Community Improvement Program Area. The proposed development will consist of a 2,500 square foot building designed for use as a flower shop, adequate parking and appropriate landscaping.

Disposal Parcel 186 is located in the East Riverside Project Area. The proposed development will consist of a church building including sanctuary, office, kitchen and classroom space, adequate parking and appropriate landscaping.

Mayor Bissette said, during pre-Council meeting, Council members decided to delay consideration of the sale of Disposal Parcel 3 until next week.

Councilman Bratton moved to approve the sale of Disposal Parcel 186 as recommended by the Housing Authority. This motion was seconded by Councilman Boland and carried unanimously.

CLAIMS - HAROLD REDMOND (WATER/SEWER/STREETS/FIRE) - JOAN PRESSLEY (SEWER) - MRS. WALLACE TRAVIS (WATER) - RAYMOND ALLEN (STREETS) - ELLSWORTH MORMAN (WATER)

The Acting City Manager presented claims received from Harold Redmond, Joan Pressley, Mrs. Wallace Travis, Raymond Allen, and Ellsworth Morman.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

COMMENTS BY GARY FIELDS - REGARDING PROPERTY LOCATED AT 76 LANVALE AVENUE

Mr. Gary Fields of 86 Lanvale Avenue read the following letter of invitation to members of Council relative to problems relating to the property at 76 Lanvale Avenue.

The Concerned Howeowners of Lanvale Avenue 252-4933

Bill Wolcott
Acting City Manager
City of Asheville

February 24, 1986

Ref/Property 76 Lanvale Avenue - problems

Mr. Wolcott,

The homeowners of Lanvale Avenue are in need of your help. An apartment in a house located at 76 Lanvale Avenue has been rented by its owner to a ring of known prostitutes which are, with their trade, terrorizing what was once a quiet and safe neighborhood.

Neighbors can no longer feel secure in their homes nor feel safe of their property. We can't allow our children to play unattended, or walk from neighbor to neighbor without adult protection. All of us have lost sleep while loud music, profane language, door slamming, drunk drivers and noise from truck loads of "clients" being shuttled to and from the house of prostitution shattered the early morning hours.

The Acting City Manager said the diesel engine tractor would be used by the Parks and Recreation Department for their right-of-way clearing operation.

The bid summary is as follows:

ITEM NO.	DESCRIPTION	BIDDER	PROPOSED PRODUCT	MODEL NO.	BID AMOUNT
1	Tractor Less Safety Cab	*John Deere Co. Atlanta, GA	John Deere	2550	$10,849.20
1-A	Tractor With Safety Cab	*John Deere Co.	John Deere	2550	$13,779.05
1	Tractor Less Safety Cab	Farm Eqmt. Co. Asheville, NC	Ford	5610 (LA414M)	$14,005.00
1-A	Tractor With Safety Cab	Farm Eqmt. Co. Asheville, NC	Ford	5610 (LA414M)	$16,400.00
1	Tractor Less Safety Cab	Arden Eqmt. Co. Arden, NC	Kubota	M6950F	$20,419.59
1-A	Tractor With Safety Cab	Arden Eqmt. Co. Arden, NC	Kubota & Sims	M6950F with cab	$24,924.59

*John Deere Company has requested to withdraw their bid due to an error made in bidding. Their bid did not include necessary mounting parts for the Terrain King Mower. This request was received within the 72 hours following the bid opening.

Vice-Mayor Frank moved to approve the bid and award the contract for the diesel engine tractor with safety cab to Farm Equipment Company in the amount of $16,400.00. This motion was seconded by Councilman Price and carried unanimously.

SALE OF DISPOSAL PARCELS 3 AND 186 IN THE EAST RIVERSIDE URBAN RENEWAL PROJECT IN THE EAST END/VALLEY STREET COMMUNITY IMPROVEMENT PROGRAM

7. Consideration was given to a motion approving the sale of disposal parcels 3 and 186 in the East Riverside Urban Renewal Project in the East End/Valley Street Community Improvement Program.

Mayor Bissette said the Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East Riverside Urban Renewal Project and the East End/Valley Street Community Improvement Project.

PARCEL	REUSE	PRICE	BID	REDEVELOPER
3	Commercial	$15,250.00	$15,250.00	Floral Design Unlimited of Asheville, Inc.
186	Church	$56,500.00	$56,000.00	New Mt. Olive Missionary Baptist Church

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Price, the meeting adjourned to Executive Session to discuss a real estate matter.

The meeting adjourned at 4:55 p.m.

Mayor

City Clerk

The house is without water, (the renters haul water in gallon jugs), the smell of human waste can be detected from the street, windows are missing or broken and, we are told, the furnace in the house does not work. The only furniture in the house is mats and mattresses. The yard is littered with beer bottles and cans which spill into the street.

Even though police have raided the house more than once, and response to complaints of loud noise, the problem remains.

Thus, the signed, Lanvale homeowners would like for you to meet with us on March 8, 1986, 2:00 pm at 86 Lanvale Avenue, to discuss the problem and construct a solution which is legal, fair and longlasting. Similar invitations will be addressed to the house's owner in Florida, caretaker in Asheville and mortgage holder in Atlanta as well as both Police Chief Fred Hensley and Sheriff Tom Morrissey.

Please help us to cleanup Lanvale. Prostitution is illegal whether on Ashland Avenue or Lanvale Avenue. We need your help, please come.

Mr. Fields said that he had talked with the Acting City Manager and the Chief of Police relative to the problems at 76 Lanvale Avenue. He said the Police Department had been very cooperative with the neighborhood in trying to deal with the problems.

Mayor Bissette said the Acting City Manager had brought this matter to Council's attention during their pre-Council meeting and Council has requested a report from the Chief of Police and the Director of Inspections relative to 76 Lanvale Avenue by Tuesday, March 4, 1986. He said the City of Asheville intends to enforce all State laws and City laws and would proceed with corrective actions at 76 Lanvale Avenue.

Upon inquiry of Councilman Price, Mr. Fields said the Litter Enforcement Control Officer had been contacted relative to litter problems around 76 Lanvale Avenue.

Councilman Bratton informed Mr. Fields that if small children were involved with the problems at 76 Lanvale Avenue she would suggest that the neighbors contact the Department of Social Services, Pat Webb, Supervisor in the Buncombe County Social Services Department.

Paul Hollar, of Lanvale Avenue, spoke relative to the problems at 76 Lanvale Avenue stating that this was a nice neighborhood and they would like to keep it that way.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE - ASHEVILLE POLICE DEPARTMENT

Mr. Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville and the Asheville Police Department.

Mayor Bissette said this ordinance will amend the dog licensing tax ordinance to provide for civil penalties.

The Acting City Manager requested that action on this ordinance be postponed until March 11, 1986 due to several discrepancies that need to be cleared up.

It was the consensus of Council to postpone action on this ordinance until March 11, 1986.

ORDINANCE NO. 1574 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY LOCATED ON KNIGHT PLACE (ACE APPLICANCE PETITION)

4. Consideration was given to the second reading of Ordinance No. 1574, an ordinance amending Ordinance No. 322 known as "an ordinance providing for the zoning of the City of Asheville" as amended, property located on Knight Place (Ace Applicance petition).

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held July 10, 1985, considered the petition of Mr. Wayne Smith, of Ace Appliance, that Ward 5, Sheet 6, Lot 99-1/4, be rezoned from R-3 Residential District to CS Commercial Service District. The property is located behind Ace Appliance on Knight Place. After review and discussion, the Commission voted to recommend to City Council that Ward 5, Sheet 6, Lot 99-1/4 and Lot 99 be rezoned from R-3 Residential District to CS Commercial Service District. At the Council meeting of August 13, 1985, the petitioner withdrew his request for rezoning. Ace Appliance now wishes for the requested rezoning to be heard by City Council. This ordinance passed on first reading at the February 25, 1986 meeting.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

A representative from Ace Appliance Company requested that Council consider the second and third readings of this Ordinance at today's meeting.

On a roll call vote of 7-0, Ordinance No. 1574 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1574. This motion was seconded by Councilman Bratton and carried on a voice vote of 6-1, with Councilman Price voting "no".

On a roll call vote of 7-0, Ordinance No. 1574 passed on third and final reading.

Complete text of Ordinance No. 1574 will be found in Ordinance Book No. 10 at page ~~371 and~~ 372 and 373

Tuesday - March 4, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor Louis Bissette, Jr., Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Norma T. Price, Walter R. Boland, Kenneth M. Michalove and George M. Tisdale ; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: None

INVOCATION

The invocation was given by Mayor Bissette.

APPROVAL OF THE MINUTES - FEBRUARY 25, 1986 MEETING

1. Consideration was given to the approval of the minutes of the February 25, 1986 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - MARCH, 1986 - "DRUG AWARENESS MONTH"

2. Mayor Bissette read a proclamation proclaiming March, 1986 as "Drug Awareness Month".

PROCLAMATION - MARCH 3-9, 1986 - "VOLLEYBALL WEEK"

2a. Mayor Bissette read a proclamation proclaiming the week of March 3 to March 9 as "Volleyball Week".

Ray Kisiah, Director of Parks, Recreation, and Public Facilities Department, said the Asheville Volleyball Club and the Asheville Parks, Recreation, and Public Facilities Department is sponsoring the "Hi Neighbor" Volleyball Tournament in the City of Asheville on Saturday, March 8 at eleven locations with finals on Sunday, March 9 at U.N.C.-A., Justice Gymnasium. He said the tournament has grown into one of the largest volleyball tournaments in the country, second only to the National U.S.V.B.A. Championships, with 115 teams this year from 12 states and the District of Columbia.

Donny Luke, with the Asheville Volleyball Club, said this tournament would make Asheville the center for volleyball tournaments, and provides the best volleyball tournaments in the East Coast. He presented members of Council with a "Hi Neighbor" Volleyball T-shirt.

ORDINANCE NO. ____ - AN ORDINANCE AMENDING ORDINANCE NO. 1226 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

3. Consideration was given to an ordinance amending Ordinance No. 1226 of the Code of Ordinances of the City of Asheville.

Mayor Bissette said the Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East End/Valley Street Community Improvement Project.

PARCEL	REUSE	PRICE	BID	REDEVELOPER
3	Commercial	$15,250.00	$15,250.00	Floral Design Unlimited of Asheville, Inc.

Disposal Parcel 3 is a commercial site located in the East End/Valley Street Community Improvement Program Area. The proposed development will consist of a 2,500 square foot building designed for use as a flower shop, adequate parking and appropriate landscaping.

Councilman Bratton moved to approve the sale of Disposal Parcel 3 as recommended by the Housing Authority. This motion was seconded by Councilman Price and carried unanimously.

ALLEN CENTER ACQUISITION AND REHABILITATION BY ROBERT W. MAYHEW

8. Councilman Tisdale requested that the Mayor write a letter to Robert W. Mayhew, on behalf of City Council, expressing Council's appreciation for his acquisition and renovation of the Allen Center on College Place.

RESOLUTION NO. 86-34 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT WITH THE ASHEVILLE AREA CHAMBER OF COMMERCE FOR SERVICES PROMOTING GENERAL INDUSTRIAL GROWTH AND GROWTH OF THE TRAVEL AND TOURISM INDUSTRY

9. Consideration was given to a resolution authorizing the Mayor to execute an agreement with the Asheville Area Chamber of Commerce for services promoting general industrial growth and growth of the travel and tourism industry.

Mayor Bissette said the Asheville Area Chamber of Commerce has presented an agreement to the City of Asheville to provide certain services during fiscal year '85-'86 to the City for public purposes. He said the City Council has appropriated non-tax funds in the amount of $37,542.00 for the services. He said this resolution would authorize the execution of said agreement.

Upon motion of Councilman Bratton, seconded by Councilman Michalove, Resolution No. 86-34 was unanimously adopted.

Complete text of Resolution No. 86-34 will be found in Resolution Book No. 15 at page ~~451~~ 452.

CLAIMS - PISGAH FISH CAMP (SEWER) - PATTY EARWOOD (WATER) - RUMORS BEAUTY SALON (SEWER)

10. The Acting City Manager presented claims received from Pisgah Fish Camp, Patty Earwood, and Rumors Beauty Salon.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ORDINANCE NO. 1572 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY LOCATED ON LEICESTER HIGHWAY (MR. WAYNE HAWKINS)

5. Consideration was given to the third reading of Ordinance No. 1572, "an ordinance providing for the zoning of the City of Asheville", as amended, property located on Leicester Highway (Mr. Wayne Hawkins).

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held January 8, 1986, considered the petition of Mr. Wayne Hawkins that portions of Lots 35 and 41, Sheet 36, Ward 12, and Lot 323, Sheet 20, Ward 6, be rezoned from R-3 Residential District to CS Commercial Service District. The property is located on the New Leicester Highway. After review and discussion, the Commission voted to recommend to City Council that Lot 323, Sheet 20, Ward 5, be rezoned from R-3 Residential District to CS Commercial Service District. Staff advised the Commission that Lots 35 and 41, Sheet 36, Ward 12 were already zoned Commercial Service in their entirety. This ordinance passed on first reading at the February 18, 1986 meeting and on second reading on February 25, 1986.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1572 passed on third and final reading.

Complete text of Ordinance No. 1572 will be found in Ordinance Book No. 10 at page ~~368 and~~ 369. and 370 mon

RESOLUTION NO. 86-33 - RESOLUTION OF INTENT TO CLOSE A PORTION OF AN UNNAMED ALLEY OFF PEARSON DRIVE AND SCHEDULING A PUBLIC HEARING FOR APRIL 8, 1986

6. Consideration was given to a resolution of intent to close a portion of an unnamed alley off Pearson Drive and scheduling a public hearing for April 8, 1986.

Mayor Bissette said a petition has been filed by Kathleen Garren and William Garren, owners of property adjoining a portion of an unnamed alley between Madison Street and Gray Street off Pearson Drive, asking that the portion of this alley adjoining Lots 54 and 59 of Ward 3, Sheet 9 of the Buncombe County Tax Maps be permanently closed to public use.

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, Resolution No. 86-33 was unanimously adopted.

Complete text of Resolution No. 86-33 will be found in Resolution Book No. 15 at page ~~450.~~ 451. mon

SALE OF DISPOSAL PARCEL 3 - EAST END/VALLEY STREET COMMUNITY IMPROVEMENT PROJECT

7. Consideration was given to a motion approving the sale of Disposal Parcel 3 in the East End/Valley Street Community Improvement Project.

Tuesday - March 11, 1985 - 4:00 p.m.

Regular Meeting

Present: Mayor Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Norma Price, Kenneth Michalove, and George Tisdale; Corporation Counsel William F. Slawter; Acting City Manager William F. Wolcott, Jr.; and Deputy City Clerk Carol Hensley.

Absent: Councilman Walter R. Boland

INVOCATION

The invocation was given by Councilman Tisdale.

APPROVAL OF THE MINUTES - MARCH 4, 1986 MEETING

1. Consideration was given to the approval of the minutes of the March 4, 1986 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - MARCH 10-15, 1986 - "EMPLOY THE OLDER WORKER WEEK"

2. Mayor Bissette read a proclamation proclaiming March 10-15, 1986, as "Employ the Older Worker Week".

Mayor Bissette presented the proclamation to Suzanne Piver, Placement Supervisor with the Employment Security Commission.

PUBLIC HEARING - SITE PLAN - FOREST PLAZA - 932 HENDERSONVILLE ROAD

3. A public hearing was held relative to a site plan of the proposed Forest Plaza (office condominiums and retail complex) to be located at 932 Hendersonville Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held December 11, 1985, reviewed the site plan of the proposed Forest Plaza (office condominiums and retail complex) to be located at 932 Hendersonville Road. The site plan was prepared by John Reid, Architect, for Mr. George Morosani, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions: 1) approval of curb cut on Hendersonville Road from the North Carolina Department of Transportation; and 2) compliance with the Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:10 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

REPORT RELATIVE TO PROPERTY AT 76 LANVALE AVENUE

11. The Acting City Manager said on February 25, 1986, that members of Council were presented a petition relative to the property at 76 Lanvale Avenue on February 25, 1986.

Major Breedlove, with the Asheville Police Department, said he felt the problems at 76 Lanvale Avenue had been settled. However, if drastic physical improvements are not made to the dwelling such a condition is very possible to result again.

Lem Moore, Director of Building Inspections, said steps had been taken last week, after the Police Department had visited the house, and the house had been vacated, for inspections to be made at 76 Lanvale Avenue. He said after inspections were made sufficient grounds were evident to condemn and post the dwelling as a health and safety hazard. He said he had talked to the owner of the dwelling, and had been assured that he would take immediate steps to correct the problems.

Gary Fields, of 86 Lanvale Avenue, thanked members of Council for their expendient action on their request.

RALPH BISHOP - ASHEVILLE POLICE DEPARTMENT - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to the Asheville Department and lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Boland, the meeting adjourned at 4:35 p.m.

MAYOR

CITY CLERK

RESOLUTION NO. 86-36 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND MOSER, INC., FOR INSTALLING DRY STANDPIPES IN THE CIVIC CENTER PARKING GARAGE ON RANKIN AVENUE

5. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City an agreement by and between the City of Asheville and Moser, Inc., for installing dry standpipes in the Civic Center Parking Garage on Rankin Avenue.

Mayor Bissette said State fire codes require the installation of "standpipes" in the Civic Center Parking Garage located on Rankin Avenue. The plans and specifications have been prepared and proposals for the work have been received. It is recommended by City staff that the contract be awarded to the lowest responsible bidder, Moser, Incorporated. He said the total cost would be $14,755.00 which is currently budgeted. He said this would bring the Civic Center Parking Garage into compliance with the State Fire Code requirements.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, Resolution No. 86-36 was unanimously adopted.

Complete text of Resolution No. 86-36 will be found in Resolution Book No. 15 at Page 434. 435

RESOLUTION NO. 86-37 - RESOLUTION AUTHORIZING THE TEMPORARY CLOSING OF MARKET STREET TO VEHICULAR TRAFFIC FOR ST. PATRICK'S DAY EVENT ON MARCH 16, 1986

6. Consideration was given to a resolution authorizing the temporary closing of Market Street to vehicular traffic for St. Patrick's Day event on March 16, 1986.

Mayor Bissette said Cin-Jades, a downtown business, is planning a parade, cookout and small festival on March 16, 1986, to commemorate St. Patrick's Day. This resolution will authorize the section of Market Street from the intersection at College Street to the intersection at Walnut Street to be temporarily closed to vehicular traffic from 6:00 a.m. until 6:00 p.m. on March 16, 1986.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 86-37 was unanimously adopted.

Complete text of Resolution No. 86-37 will be found in Resolution Book No. 15 at Page 453. 456

Verl Barick, Director of Planning, said the Planning and Zoning Commission had recommended approval of the site plan subject to approval of curb cut on Hendersonville Road from the North Carolina Department of Transportation and compliance with the Erosion Control Ordinance. He said Mr. Morosani, Developer, had received a letter from the North Carolina Department of Transportation, dated February 15, 1986, approving the driveway permits. He said the project would entail office condominiums and a retail complex with a proposed parking deck.

John Reid, Architect for the project, said the retail activity in the complex would be similar to businesses already operating along Hendersonville Road. He said buffering would be provided along Seminole Street.

Upon inquiry of Councilman Michalove, Mr. Reid said they were aware of the scheduled widening of Hendersonville Road by the North Carolina Department of Transportation, and it is their understanding that the City would not be requested to acquire the right-of-way for the widening.

Mayor Bissette closed the public hearing at 4:19 p.m.

Councilman Tisdale moved for the approval of the site plan of the proposed Forest Plaza to be located at 932 Hendersonville Road. This motion was seconded by Councilman Price.

Councilman Michalove asked if Councilman Tisdale's motion included the conditions outlined by the Planning and Zoning Commission and his request that the right-of-way currently set aside for the Hendersonville Road widening would be at no cost to the City of Asheville. Councilman Tisdale answered in the affirmative. The motion carried unanimously.

RESOLUTION NO. 86-35 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AMENDMENT NO. 1 TO FEDERAL AVIATION GRANT AGREEMENT, PROJECT NO. 3-37-0005-02.

4. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville Amendment No. 1 to Federal Aviation Grant Agreement, Project No. 3-37-0005-02.

Mayor Bissette said this amendment would increase the maximum grant obligation by $3,605 to cover cost overruns in the construction of a vehicle storage building.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Bratton, Resolution No. 86-35 was unanimously adopted.

Complete text of Resolution No. 86-35 will be found in Resolution Book No. 15 at Page ~~452~~ 453 and ~~453~~ 454. mom

Mayor Bissette said this resolution will reappoint Wanda Henry Coleman, Michael D. Moser, and Jan Wiegman as members of the Planning and Zoning Commission for two (2) year terms.

Councilman Michalove stated that he would be voting "no" on the resolution. He said at a number of the Alternatives for Asheville meetings, several requests were made that City Council look into the composition of the Planning and Zoning Commission and appoint members from neighborhood organizations. He said it would be his preference to wait until August, 1986, when all the terms would have expired, and take a look at the entire Board as far as representation is concerned.

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, Resolution No. 86-39 passed on a voice vote of 5-1 with Councilman Michalove voting "no".

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Councilman Bratton said she had been appointed as a liaison between Asheville City Council and the Planning and Zoning Commission, and she would be attending the Planning and Zoning Commission meetings, and would look at their operating procedures and report back to members of Council. She requested that Mayor Bissette write a letter to the Chairman of the Planning and Zoning Commission informing them of her appointment as a liaison to the Commission.

Complete text of Resolution No. 86-39 will be found in Resolution Book No. 15 at Page ~~457~~ 438.

RESOLUTION NO. 86-40 - RESOLUTION APPOINTING MEMBER TO THE WESTERN NORTH CAROLINA AIR POLLUTION BOARD (FRANKLIN R. SCHUTZ)

10. Consideration was given to a resolution appointing Franklin R. Schutz as a member of the Western North Carolina Air Pollution Board.

Mayor Bissette said this resolution will appoint Mr. Schutz for a six (6) year term. He said Mr. Schutz would be filling the expiring term of Dr. Roy Roberts who has rendered a valuable service for over sixteen years.

Upon motion of Vice-Mayor Frank, seconded by Councilman Tisdale, Resolution No. 86-40 was unanimously adopted.

Complete text of Resolution No. 86-40 will be found in Resolution Book No. 15 at Page ~~458~~. 459

RESOLUTION NO. 86-41 - RESOLUTION REAPPOINTING MEMBER TO THE ASHEVILLE TRANSIT AUTHORITY (JOHN J. SHERMAN, JR.)

11. Consideration was given to a resolution reappointing John J. Sherman, Jr. to the Asheville Transit Authority.

RESOLUTION NO. 86-38 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACTURAL AGREEMENT WITH PULITZER BROADCASTING COMPANY TO LEASE SPACE FROM THE CITY OF ASHEVILLE AT THE CITY'S WHITE FAWN RADIO TOWER FOR THE PURPOSE OF RECEIVING AND TRANSMITTING TELEVISION SIGNALS IN AND AROUND THE ASHEVILLE-BUNCOMBE COUNTY AREA

7. Consideration was given to a resolution authorizing the Mayor to enter into a contractural agreement with Pulitzer Broadcasting Company to lease space from the City of Asheville at the City's White Fawn radio tower for the purpose of receiving and transmitting television signals in and around the Asheville-Buncombe County area.

Mayor Bissette said Pulitzer Broadcasting Company, doing business as WYFF-TV, is desirous of leasing space from the City at its White Fawn site for the purpose of transmitting television signals in and around the Asheville-Buncombe County area. The City and Pulitzer Broadcasting Company have mutually agreed to the terms for such a lease. This resolution will authorize the Mayor to sign an agreement with Pulitzer Broadcasting Company for said purpose. He said the rent will be $2,400 annually with a $600 advance deposit payable upon execution of this agreement. Electrical service to WYFF-TV from the City's meter will be approximately $60 per month.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Bratton, Resolution No. 86-38 was unanimously adopted.

Complete text of Resolution No. 86-38 will be found in Resolution Book No. 15 at Page ~~456~~ 457 mon

ASHEVILLE HOUSING AUTHORITY - PRESENTATION OF CHECK FOR PAYMENT IN LIEU OF TAXES

8. Jesse Ray, Sr., Chairman of the Asheville Housing Authority, presented Mayor Bissette with a check from the Asheville Housing Authority, pursuant to an agreement made in 1949 that the Housing Authority present a payment to the City of Asheville as a "payment in lieu of taxes". The check was in the amount of $33,023.35. Mr. Ray said this makes a total of $578,469.17 that has been paid to the City of Asheville in lieu of taxes.

Councilman Michalove said he felt this was a good example of what a non-profit organization can do for the City of Asheville for city services they receive. He said the City has a high number of non-profit organizations such as churches, etc., that could make a payment in lieu of taxes.

RESOLUTION NO. 86-39 - RESOLUTION APPOINTING MEMBERS TO THE PLANNING AND ZONING COMMISSION (WANDA HENRY COLEMEN, MICHAEL D. MOSER, AND JAN WIEGMAN)

9. Consideration was given to a resolution appointing Wanda Henry Colemen, Michael D. Moser, and Jan Wiegman as members of the Planning and Zoning Commission.

Upon motion of Vice-Mayor Frank, seconded by Councilman Tisdale, Resolution No. 86-42 was unanimously adopted.

Complete text of Resolution No. 86-42 will be found in Resolution Book No. 15 at Page 460. 461.

CLAIMS - ELIZABETH BUDZINSKI (WATER) - ROLAND BUNDROCK (STREETS)

The Acting City Manager presented claims received from Elizabeth Budzinski (Water) and Roland Bundrock (Streets).

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

COUNCILMAN BRATTON - REQUEST TO SCHEDULE MEETING WITH REPRESENTATIVES OF THE ASHEVILLE SCHOOL BOARD

Councilman Bratton requested that members of Council schedule a meeting with representatives of the Asheville School Board.

LETTER OF APPRECIATION TO WILLIAM B. CECIL - PURCHASE OF AKZONA BUILDING

Councilman Tisdale requested that Mayor Bissette write a letter to William B. Cecil with the Biltmore Company commending him on his purchase of the Akzona Building and locating his headquarters in downtown.

FLOYD BROCK PRESENTATION RELATIVE TO HUNTLEY CONSTRUCTION COMPANY BID FOR HAW CREEK SEWER PROJECT

Floyd Brock, Attorney representing Huntley Construction Company, said in the fall of 1985, Huntley Construction Company submitted a bid relative to the Haw Creek Sewer Project. He said Mr. Harvey Huntley had presented the bid on Tuesday and was notified on Friday that he was low bidder. He said over the weekend, Mr. Huntley had checked his estimates and found a substantial error. He said on the following Monday he notified the Director of Water and Sewer Services of his error and asked to be excused from the bid. He said, at that time, Mr. Huntley would have rather forfeited his bid bond rather than complete the job at the bid submitted. He said it is his opinion that North Carolina General Statutes 143-129 would allow a bidder to withdraw his bid within seventy-two (72) hours after notification that he was low bidder without forfeiture of bid bond. He said Mr. Huntley is requesting that Council waive his forfeiture of bid bond in the amount of $6,000.00. He requested that Council carefully review Mr. Huntley's request.

Harold Huff, Director of Water and Sewer Services, reviewed the events that lead up to Mr. Huntley's request. He said the Water and Sewer Staff did not recommend the forfeiture of bid bond, however, the Council considered the matter in detail and the-then-Council decided to ask for the forfeiture of bond.

Mayor Bissette informed Mr. Brock that Council would discuss the request with the Legal Department, and would let him know the decision reached by members of Council.

Mayor Bissette this resolution will reappoint John J. Sherman, Jr. as a member of the Asheville Transit Authority to serve a four (4) year term.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 86-41 was unanimously adopted.

Complete text of Resolution No. 86-41 will be found in Resolution Book No. 15 at Page ~~459~~. 460

SCHEDULING PUBLIC HEARING RELATIVE TO EXTENDING HAW CREEK MORATORIUM

12. Councilman Tisdale moved to schedule a public hearing relative to extending the current moratorium in the Haw Creek area for March 25, 1986. This motion was seconded by Councilman Price and carried unanimously.

SCHEDULING PUBLIC HEARING RELATIVE TO HAYWOOD PARK HOTEL PROJECT PHASE II

13. Councilman Tisdale moved to schedule a public hearing relative to the site plan for the Haywood Park Hotel Project Phase II, for March 25, 1986. This motion was seconded by Councilman Price and carried unanimously.

RECOGNITION OF PLANNING STAFF RELATIVE TO ALTERNATIVES FOR ASHEVILLE'S METRICS

14. Councilman Price commended the Planning Staff on an outstanding job during the recent public hearings and continuing efforts for Alternatives for Asheville.

RESOLUTION NO. 86-42 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT FOR ENTRY WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION

15. Consideration was given to a resolution authorizing the Mayor to execute an agreement for entry with the North Carolina Department of Transportation.

Mayor Bissette said the North Carolina Department of Transportation has developed plans to improve McDowell Street and in order to install proper drainage for the project, the North Carolina Department of Transportation requires an easement across property owned by the City of Asheville on Choctaw Street. He said there is not sufficient time to allow the final easement agreement between the City of Asheville and the North Carolina Department of Transportation to be approved prior to placing the project on the North Carolina Department of Transportation bid list. He said the execution of an agreement for entry will be sufficient to allow the project to be placed on the bid list. He said prior to the project being completed, the North Carolina Department of Transportation will prepare the easement agreements required to officially record the easement required for placement of the drainage system. He said this resolution will authorize the Mayor to execute said agreement for entry.

Tuesday - March 18, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor Louis Bissette, Presiding Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Norma Price, Kenneth Michalove, Walter R. Boland and George Tisdale; Corporation Counsel William Slawter; Acting City Manager William F. Wolcott, Jr.; and Deputy City Clerk Carol Hensley.

Absent: None

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - MARCH 11, 1986 MEETING

1. Consideration was given to the approval of the minutes of the March 11, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted with the correction of one typographical error.

RESOLUTION NO. 86-43 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A MUNICIPAL AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR PROJECT 9.5130201 (U-503) AND 8.1840901 KNOWN AS CONSTRUCTION AND IMPROVEMENT OF U.S. 25 (MCDOWELL STREET) FROM NEAR VICTORIA ROAD TO SOUTHSIDE AVENUE INTERSECTION

2. Consideration was given to a resolution authorizing the Mayor to execute a municipal agreement with the North Carolina Department of Transportation for Project 9.5130201 (U-503) and 8.1840901 known as construction and improvement of U.S. 25 (McDowell Street) from near Victoria Road to Southside Avenue intersection.

Mayor Bissette said the City of Asheville and the North Carolina Department of Transportation have previously entered into Municipal Agreements dated October 22, 1981, and October 4, 1985, with regard to construction and improvement of U.S. 25 (McDowell Street). The N.C. Department of Transportation has adopted new plans regarding said improvements. It is necessary for the City of Asheville and NCDOT to enter into a new agreement for the above-captioned project which will supersede and rescind the previous Municipal Agreements. This resolution will authorize the Mayor to execute the Municipal Agreement with the North Carolina Department of Transportation.

Mayor Bissette said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety unless there was a specific request to do so.

RALPH BISHOP - ASHEVILLE POLICE DEPARTMENT AND LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to the Asheville Police Department and lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Council Tisdale, seconded by Vice-Mayor Frank, the meeting adjourned at 4:55 p.m.

MAYOR

CITY CLERK

Upon motion of Councilman Boland, seconded by Councilman Michalove, Resolution No. 86-45 was unanimously adopted.

Complete text of Resolution No. 86-45 will be found in Resolution Book No. 15 at page ~~464~~ 465.

RESOLUTION NO. 86-46 - RESOLUTION REAPPOINTING MEMBERS TO THE BOARD OF ELECTRICAL EXAMINERS (E. FRANK DAVIS, JR., LARRY KEENAN, WALTER J. HARLOW, J. MICHAEL BOOZER, MALACHIE CROMARTIE)

5. Consideration was given to a resolution reappointing members to the Board of Electrical Examiners.

Mayor Bissette said this resolution will reappoint E. Frank Davis, Jr., Larry Keenan, Walter J. Harlow, J. Michael Boozer and Malachie Cromartie to the Board of Electrical Examiners for a two (2) year term.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank , seconded by Councilman Price, Resolution No. 86-46 was unanimously adopted.

Complete text of Resolution No. 86-46 will be found in Resolution Book No. 15 at page ~~465~~ 466.

RESOLUTION NO. 86-47 - RESOLUTION REAPPOINTING MEMBERS TO THE BOARD OF EXAMINERS OF MOTION PICTURE OPERATORS (ROY B. GIBBS AND L. B. SIMMONS)

6. Consideration was given to a resolution reappointing members to the Motion Picture Operators, Board of Examiners.

Mayor Bissette said this resolution will reappoint Roy B. Gibbs and L. B. Simmons to the Motion Picture Operators, Board of Examiners for a two (2) year term.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 86-47 was unanimously adopted.

Complete text of Resolution No. 86-47 will be found in Resolution Book No. 15 at page 466.

RESOLUTION NO. 86-48 - RESOLUTION REAPPOINTING MEMBER TO THE BOARD OF TRUSTEES OF THE FIREMEN'S RELIEF FUND (T. CECIL TALLENT)

7. Consideration was given to a resolution reappointing a member to the Firemen's Relief Fund, Board of Trustees.

Mayor Bissette said this resolution will reappoint T. Cecil Tallent to the Firemen's Relief Fund, Board of Trustees for a two (2) year term.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, Resolution No. 86-43 was unanimously adopted.

Complete text of Resolution No. 86-43 will be found in Resolution Book No. 15 at page ~~461~~ 462 and ~~462~~ 463. mom

RESOLUTION NO. 86-44 - RESOLUTION APPROVING AN AMENDMENT TO THE ASHEVILLE-BUNCOMBE WATER AUTHORITY BY-LAWS

3. Consideration was given to a resolution approving an amendment to the Asheville-Buncombe Water Authority By-laws.

Mayor Bissette said the City-County Water Agreement, dated October 29, 1981, provides that the Authority may amend its By-laws upon the affirmative vote of two of the three governmental bodies: the Asheville-Buncombe Water Authority, the Asheville City Council, and the Buncombe County Board of Commissioners. The Authority desires to amend its By-laws so as to permit a new Authority member appointed to replace a resigning Authority member to vote within the thirty (30) day period after the resigning Authority member has submitted a written resignation. The Water Authority adopted a resolution on February 18, 1986, approving said amendment. This resolution will approve said amendment to the By-laws of the Water Authority.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 86-44 was unanimously adopted.

Complete text of Resolution No. 86-44 will be found in Resolution Book No. 15 at page ~~463~~. 464. mom

RESOLUTION NO. 86-45 - RESOLUTION DIRECTING THE CITY CLERK TO INVESTIGATE A PETITION REQUESTING ANNEXATION OF A NON-CONTIGUOUS AREA RECEIVED UNDER NORTH CAROLINA GENERAL STATUTE SEC. 160A-58.1

4. Consideration was given to a resolution directing the City Clerk to investigate a petition requesting annexation of a non-contiguous area received under North Carolina General Statute Sec. 160A-58.1.

Mayor Bissette said a petition requesting annexation of an area near the intersection of Long Shoals Road and Ledbetter Road and more particularly described in said petition was received on March 21, 1985, by the Asheville City Council. N.C. Gen. Stat. Sec. 160A-58.1 provides that the sufficiency of the petition shall be investigated by the City Clerk before further annexation proceedings may take place. This resolution will direct the City Clerk to investigate the sufficiency of the petition and to certify to Council the result of his investigation.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

LAWSUITS - JERRY N. JONES VS. CITY OF ASHEVILLE, BOARD OF ADJUSTMENT

The Acting City Manager said the City was served on March 11, 1986, with a law suit in which the City of Asheville is a defendant involving Jerry N. Jones vs. City of Asheville, Board of Adjustments, (appeals from Board of Adjustment decision).

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

CANCELLATION OF REGULARLY SCHEDULED COUNCIL MEETING FOR APRIL 1, 1986

Councilman Price moved to cancel the regularly scheduled Council meeting for April 1, 1986, due to Easter holidays. This motion was seconded by Vice-Mayor Frank and carried unanimously.

RALPH BISHOP - ASHEVILLE POLICE DEPARTMENT

Ralph Bishop again spoke to members of Council relative to incidents at the Asheville Police Department and lottery sales in the City of Asheville.

COMMENTS BY BARRY OLIN, WALL STREET MERCHANT

Barry Olin, Wall Street merchant, said he was appearing before Council to apologize for the aggressive attitude and conduct of several of the tenants on Wall Street relative to action taken on eviction notices by the developer of the Wall Street Redevelopment Plan. He said he felt guidelines should be set up for situations of this nature. He said the tenants on Wall Street look forward to working with the developer, the new City Manager, and the new Downtown Coordinator.

ADJOURNMENT

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, the meeting adjourned at 4:25 p.m.

MAYOR

CITY CLERK

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Boland, Resolution No. 86-48 was unanimously adopted.

Complete text of Resolution No. 86-48 will be found in Resolution Book No. 15 at page ~~467.~~ 468.

SCHEDULING PUBLIC HEARING - SITE PLAN OF HAZELWOOD MOBILE HOME PARK, PHASE II - NORTH LOUISIANA AVENUE

8. Consideration was given to a motion to schedule a public hearing for a site plan of the Hazelwood (Weiss) Mobile Home Park, Phase II, to be located on North Louisiana Avenue for April 8, 1986.

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held February 26, 1986, reviewed the site plan of the Hazelwood (Weiss) Mobile Home Park, Phase II, to be loacted on North Louisiana Avenue. The site plan was prepared by Associated Land Technologies, Engineer, for Walter Weiss, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to: 1) location of a fire hydrant within the site; 2) removal of four sites on the front of project to meet density requirement and provide open space; and 3) compliance with the Erosion Control Ordinance.

Councilman Tisdale moved to schedule a public hearing relative to the site plan of the Hazelwood Mobile Home Park, Phase II, to be located on North Louisiana Avenue for April 8, 1986. This motion was seconded by Councilman Price and carried unanimously.

REQUEST OF COUNCILMAN TISDALE - MAYOR TO WRITE LETTER TO WILL CURTIS OF THE ASHEVILLE CITIZEN RELATIVE TO EDITORIAL REGARDING BOARD AND COMMISSIONS - CONFLICT OF INTEREST

Councilman Tisdale requested that Mayor Bissette write a letter, on behalf of the Asheville City Council, expressing appreciation for his editorial in the Asheville Citizen on Monday, March 17, 1986, relative to steps taken to eliminate possible conflict of interest situations on various boards and commissions appointed by Asheville City Council.

CLAIMS - ALAN COOPER (WATER) - BETTY DILLINGHAM (STREETS) - BETTY DILLINGHAM (STREETS)

The Acting City Manager presented claims received from Alan Cooper and Betty Dillingham.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

Complete text of Resolution No. 86-49 will be found in Resolution Book No. 15 at page ~~468.~~ 469. mor

PUBLIC HEARING - CLOSING ALL OF NORTH STREET, SHORT PINE STREET, HIGGINS PLACE AND AN UNNAMED ALLEY AND PORTIONS OF MOUNTAIN STREET, CLEMMONS STREET, LINCOLN STREET, LATTA STREET, AND SASSAFRAS STREET

RESOLUTION NO. 86-50 - RESOLUTION TO CLOSE ALL OF NORTH STREET, SHORT PINE STREET, HIGGINS PLACE AND AN UNNAMED ALLEY AND PORTIONS OF MOUNTAIN STREET, CLEMMONS STREET, LINCOLN STREET, LATTA STREET, AND SASSAFRAS STREET IN THE CITY OF ASHEVILLE, NORTH CAROLINA

3. A public hearing was held relative to closing all of North Street, Short Pine Street, Higgins Place and an unnamed alley and portions of Mountain Street, Clemmons Street, Lincoln Street, Latta Street and Sassafras Street.

Mayor Bissette said a request has been filed by the Housing Authority of the City of Asheville asking that all of North Street, Short Pine Street, Higgins Place and an unnamed alley and portions of Mountain Street, Clemmons Street, Lincoln Street, Latta Street and Sassafras Street be closed to public use. He stated that the permanent closing of these streets and alley would not be detrimental to or contrary to the public interest or the property rights of any individual.

Mayor Bissette opened the public hearing at 4:24 p.m.

The Interim City Manager presented the notice to the public and the affidavit of publication.

Mrs. Alice Mitchem, resident on Sassafras Street, said that if the top portion of Sassafras Street was closed she would have no access to her home. Mayor Bissette responded that during the Pre-Council Work Session this was taken into consideration and Mr. Holt assured them that he is not asking for that portion of Sassafras Street in front of her home be closed.

Mayor Bissette closed the public hearing at 4:29 p.m.

Mayor Bissette said copies of the resolution had previously been distributed to members of City Council, and the resolution would not be read unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Tisdale, Resolution No. 86-50 was unanimously adopted.

Complete text of Resolution No. 86-50 will be found in Resolution Book No. 15 at page ~~469.~~ 470 + 471. mor

PUBLIC HEARING - SITE PLAN OF THE HAYWOOD PARK PROMENADE (STARNES AND HAYWOOD BUILDING), PHASE II OF THE HAYWOOD PARK HOTEL PROJECT

4. A public hearing was held relative to the site plan of the Haywood Park Promenade (Starnes and Haywood Building), Phase II of the

Tuesday, March 25, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Norma Price, Kenneth Michalove, Walter R. Boland and George Tisdale; Corporation Counsel William F. Slawter; and Interim City Manager William F. Wolcott, Jr.

Absent: None

Invocation

The invocation was given by Councilman Norma Price.

Approval of the Minutes - March 18, 1986, Meeting

1. Consideration was given to the approval of the minutes of the March 18, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

Announcement

Mayor Bissette said that on behalf of the City Council and staff he wished Mr. Frank Mulvaney a happy birthday. Mr. Mulvaney served on the City Council for 24 years from 1945 - 1969 and has now reached his 92nd birthday.

RESOLUTION NO. 86-49 - RESOLUTION COMMENDING ASHEVILLE HIGH SCHOOL FOR ITS PARTICIPATION IN THE INTERNATIONAL EXCHANGE PROGRAM AND RECOGNIZING THE FOREIGN EXCHANGE STUDENTS AND TEACHER FROM JAPAN AND FRANCE THAT ARE PARTICIPATING IN THE PROGRAM

2. Consideration was given to a resolution commending Asheville High School for its participation in the International Exchange Program and recognizing the foreign exchange students and teacher from Japan and France that are participating in the program.

Mayor Bissette recognized Mr. Larry Liggett, from Asheville High School, who explained that the Council of International Education Exchange and National Association of Secondary School Principals are sponsoring a student exchange program. Asheville High School is hosting foreign exchange students from Kofu, Japan, and also an American Field Service exchange student from France.

Mayor Bissette read the resolution.

Upon motion of Councilman Bratton, seconded by Vice-Mayor Frank, Resolution No. 86-49 was unanimously adopted.

Mayor Bissette presented each student and teacher with a welcome letter and a copy of the resolution adopted by Council.

The Interim City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Verl Emrick, Director of Planning, said that Mr. Harold Huff, Director of Water and Sewer Services, said that the sewer line in the area would be completed on June 1, 1986. He stated that the widening of Beverly Road for 1987 may have to be revised. He stated that many improvements would be dependent upon funds available. He said that the staff recommended imposing the moratorium for another ninety (90) days. He requested that the western and northwestern portions of the valley be taken in to the moratorium in order that they may be protected from development.

Mr. Ed Dyson, with the Haw Creek Homeowners Association, said that the Cinnamon Ridge Development Project was a concern of the area residents because the Haw Creek area is already heavily developed at the Middlebrook and Haw Creek Road intersection. He stated that the area cannot handle any more current development. He said that they are polling area residents to see if they would be interested in asking for a rezoning of the area from R-3 Residential District to a more restrictive zone - R-2 Residential District. He questioned whether there were any plans for removing the curbs on Beverly Road.

Mayor Bissette responded to Mr. Dyson by saying that he had received several calls on the widening of Beverly Road. He said that in the Pre-Council Work Session they discussed moving forward on getting a more definite estimate on that project. They would like to widen it as quicky as possible. He asked the Interim City Manager to look into getting these figures and reporting back to them. He said that the Council would like to get this project done in 1986.

Mr. Dyson asked about the proposed water line from Peach Knob into the Haw Creek area and the removal of the pumping station.

Mr. Dyson requested the Council look into the possibility of a new road by-passing Miller's Store. He would like to road to be from New Haw Creek Road to Avon Road. He said that that was a bad intersection and something needed to be done in order to get the traffic to Interstate 70. He stated that the area residents are in total support of extending this moratorium for an additional ninety (90) days.

Mr. Andler, resident of the Haw Creek area, requested that after the large sewer line is installed that the Council should look into the possibility of working on the small, old leader lines. He also supported the extension of the moratorium.

Mr. Frank Martin, resident of the Haw Creek area, thanked the Council for the extension of the moratorium. He suggested some way of tying sewer line work in with the other improvements needed in the area.

Councilman Michalove stated that he would like to see the curbs removed on Beverly Road very soon and asked that Council move quickly

Haywood Park Hotel Project.

Mayor Bissette opened the public hearing at 4:30 p.m.

The Interim City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Verl Emrick, Director of Planning and Zoning, said that the Asheville Planning and Zoning Commission, at a meeting held on February 26, 1986, reviewed the site plan of the Haywood Park Promenade (Starnes and Haywood Building), Phase II of the Haywood Park Hotel Project. He said that the site plan was prepared by Mr. John Rogers, Architect, for the Haywood Street Redevelopment Corporation, Developer, and it was submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. Mr. Emrick stated that after the Commission reviewed and discussed this site plan, they voted to recommend approval of it to Council.

Upon inquiry of a Council member, Mr. Rogers said that he did not have a new drawing of the new parking structure.

Upon inquiry of Councilman Price about access into the structure, Mr. Rogers produced a map and pointed out specific interests of the Council. Mr. Rogers stated that the anticipated completion date of the public spaces would be September, 1986, and the total number of spaces would be 145. Mr. Rogers said that the power lines are through the alley now but future ones will be going underground.

Councilman Tisdale commended Mr. Rogers for their efforts and wished them much success.

Mayor Bissette closed the public hearing at 4:37 p.m.

Councilman Michalove moved for the approval of the site plan of the site plan of the Haywood Park Promenade, (Phase II of the Haywood Park Hotel Project). This motion was seconded by Councilman Tisdale and carried unanimously.

ORDINANCE NO. 1575 - AN ORDINANCE AMENDING ORDINANCE NO. 1560 EXTENDING THE MORATORIUM LIMITING DEVELOPMENT IN THE HAW CREEK AREA

5. A public hearing was held relative to extending the present moratorium in the Haw Creek Area.

Mayor Bissette said that on December 17, 1985, Council adopted Ordinance No. 1560 imposing a moratorium on property in the Haw Creek Area for the issuance of any zoning or building permits and consideration of any request for group development review by the Planning and Zoning Commission. This moratorium expires on April 1, 1986, and a request has been received for Council to consider extending the moratorium for an additional ninety (90) days.

Mayor Bissette opened the public hearing at 4:40 p.m.

On a roll call vote of 7-0, Ordinance No. 1575 passed on its third and final reading.

Mayor Bissette stated that the moratorium will be extended until July 1, 1986.

Complete text of Ordinance No. 1575 will be found in Ordinance Book No. 10 at page 373. 374

RESOLUTION NO. 86-51 - RESOLUTION FIXING DATE OF PUBLIC HEARING ON QUESTION OF ANNEXATION OF A NON-CONTIGUOUS AREA NEAR THE INTERSECTION OF LONG SHOALS ROAD AND LEDBETTER ROAD, PURSUANT TO NORTH CAROLINA GENERAL STATUTE SEC. 160A-58.2 , AS AMENDED

6. Consideration was given to a resolution fixing date of public hearing on question of annexation of a non-contiguous area near the intersection of Long Shoals Road and Ledbetter Road, pursuant to North Carolina General Statute sec. 160A-58.2, as amended.

Mayor Bissette said that a petition requesting annexation of the non-contiguous area has been received. He said that the City Clerk has been directed to investigate the sufficiency of the petition and that certification as to the sufficiency of this petition has been made by the Clerk. He said that a public hearing will be held on April 8, 1986, at 4:00 p.m. in the Council Chambers.

Mayor Bissette said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 86-51 was unanimously adopted.

Complete text of Resolution No. 86-51 will be found in Resolution Book No. 15 at page 472 + 473

RESOLUTION NO. 86-52 - RESOLUTION TO AMEND RESOLUTION NO. 80-158 REGARDING RULE NO. 34 OF THE RULES AND PROCEDURES FOR THE ASHEVILLE CITY COUNCIL

7. Consideration was given to a resolution to amend Resolution No. 80-158 regarding Rule No. 34 of the Rules and Procedures for the Asheville City Council.

Mayor Bissette said that this resolution will authorize settlement of worker's compensation claims and will not require individual approval by City Council. He said that this will amend Rule 34 of the Rules and Procedures for the Asheville City Council adopted by Resolution No. 80-158 dated August 21, 1980, and will read as follows: "The Employee Services Manager shall have the authority, upon written approval from the City Manager and the Corporation Counsel, to authorize settlements of claims against the City pertaining to Workers' Compensation. The City Manager shall have the authority upon written recommendation from the Corporation Counsel, to authorize settlements fo all other claims against the City which have

on this project. He responded to Mr. Dyson's question about the Peach Knob water line by saying that that is the Asheville-Buncombe Water Autority's jurisdiction and that the funding is through that authority. He gave Mr. Dyson the meeting time and date of the Asheville-Buncombe Water Authority and suggested that he attend their meeting and let them know of their interest. Councilman Michalove stated that he believed that the intersection at Miller's Store was part of the study. Councilman Michalove stated that not all back-ups are caused by sewer lines. He said that some problems are caused by storm drainage problems and if area residents can help raise funds to alleviate these problems, more improvements could be made. Councilman Michalove stated that they had approached the Buncombe County Commissioners with the idea of extending the one-mile extraterritorial jurisdiction in the Haw Creek area to three miles. They felt the County was not interested in changing the zoning status. He stated the time and dates for the County Commissioners meeting and suggested that the Haw Creek area residents attend a Buncombe County Commission meeting and let them know of their interests.

Councilman Price commented that the Peach Knob Project was one of the top ten priorities of the Water Authority and that the City Council will have an opportunity to have it presented before them.

Upon request of Councilman Price, Mr. Wolcott stated that he would get a map of the intersection by Miller's Store and show the Council the proposed new road that Mr. Dyson is requesting. He stated that he would get an estimate on that proposed new road.

Councilman Tisdale stated that he would be happy to work with the County Commissioners in trying to change the one-mile extraterritorial jurisdiction in the Haw Creek area to three miles. He said that if the County realizes that they are not asking for it City-wide they might be able to let them make it only in the Haw Creek area.

Mayor Bissette closed the public hearing at 5:00 p.m.

Mayor Bissette said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Tisdale moved for the adoption of Ordinance No. 1575. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1575 passed on its first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1575. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1575 passed on its second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1575. This motion was seconded by Councilman Price and carried unanimously.

RESOLUTION NO. 86-53 - RESOLUTION OF THE ASHEVILLE CITY COUNCIL IN SUPPORT OF AN APPLICATION FOR CIVIL WORKS FUNDS FROM THE NORTH CAROLINA DEPARTMENT OF NATURAL RESOURCES AND COMMUNITY DEVELOPMENT FOR RIVERFRONT IMPROVEMENTS

Consideration was given to a resolution of the Asheville City Coounicl in support of an application for Civil Works Funds from the North Carolina Department of Natural Resources and Community Development for Riverfront Improvements.

Councilman Boland read the resolution stating that the City of Asheville desires to beautify and provide recreational opportunity on the French Broad River corridor running through the Asheville urban area and that it is the purpose of the City Council to seek support, technical expertise and funds for the planning and development of a comprehensive Riverfront Project. He said that this resolution shows that the Council supports and endorses an application filed by the French Broad River Foundation for Civil Works Funding which is administered through the North Carolina Department of Natural Resources and Community Development.

Councilman Boland moved for the adoption of Resolution No. 86-53. This motion was seconded by Vice-Mayor Frank.

Councilman Bratton stated that the concept is worth considering but feels strongly about projects that affect Buncombe County residents. She said that this is a prime opportunity to work with the County and perhaps this resolution could be a joint City/County resolution. She feels that we need to work with the County on this.

Councilman Boland stated that the Committee will be contacting the County Commissioners but this project is within the City exclusively. He stated that they had contacted the County informally and will be working with them in the future. Councilman Boland stressed the fact that the application has to include the support from the City. He stated that this resolution does not commit the City to anything except its support and that it in no way should interfere with the Council's priorities.

Councilman Price stated that she strongly supports the efforts of beautification of the French Broad River.

This motion carried unanimously. Complete text of Res.No. 86-53 will be found in Resolution Book 15 at page 475.

SCHEDULING PUBLIC HEARING - TREE ORDINANCE

Councilman Michalove moved to schedule a public hearing on April 15, 1986, to hear the Tree Ordinance proposed by the Tree Commission and ask for public comments with regard to that proposed ordinance. This motion was seconded by Councilman Boland and carried unanimously.

Councilman Bratton stressed that this public hearing be widely advertised in order to give everyone interested an opportunity to speak on the matter.

been duly presented to the City Council as required by the City Charter and which do not exceed the sum of $2,500.00. All such settlements shall be reported to the City Council in a timely fashion."

Mayor Bissette said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, Resolution No. 86-52 was unanimously adopted.

Complete text of Resolution No. 86-52 will be found in Resolution Book No. 15 at page ~~473.~~ 474.

CLAIM - JOHN BREWTON

The Interim City Manager presented a claim received by Mr. John Brewton.

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

SCHEDULING OF A PUBLIC HEARING FOR A SITE PLAN OF THE PROPOSED WICK AND GREENE PLAZA

Councilman Boland moved to schedule a public hearing on April 15, 1986, for a site plan of the proposed Wick and Greene Plaza to be located at the corner of Patton Avenue and Otis Street. This motion was seconded by Councilman Price and carried unanimously.

EXTENSION OF SALES AGREEMENT FOR THE SALE OF APPROXIMATELY 16.4 ACRES OF CITY-OWNED PROPERTY LOCATED EAST OF THE INTERSECTION OF FANNING BRIDGE ROAD AND AIRPORT ROAD TO AMERICAN DIECASTING ENGINEERING, INC. (RONAL WHEELS)

Councilman Bratton moved to extend the sales agreement for the sale of approximately 16.4 acres of City-owned property located east of the intersection of Fanning Bridge Road and Airport Road to American Diecasting Engineering, Inc. (Ronal Wheel) for an additional ninety (90) days which is through June 30, 1986, and that the Mayor be authorized to sign any and all documents relating to such extension of time. This motion was seconded by Councilman Boland and carried unanimously.

DISTRIBUTION OF OVERCHARGED EXXON FUNDS

Councilman Tisdale moved to send a letter to Governor Jim Martin, Lt. Governor Bob Jordan, House Speaker Liston Ramsey and Attorney General Lacy Thornburg suggesting that they consider using the Powell Bill formula as a means of distributing the $2 billion of North Carolina's share of the overcharged funds through North Carolina in order that each county in the state receive a portion of the money. Councilman Price seconded the motion and it carried unanimously.

Mayor Bissette said that the letter would be prepared.

NEXT CITY COUNCIL MEETING

Councilman Tisdale stated that the next meeting of the Asheville City Council will be held April 8, 1986. The April 1, 1986, meeting has been cancelled due to Easter holiday.

RALPH BISHOP

Mr. Ralph Bishop spoke to members of Council about lottery sales in the City of Asheville.

ADJOURNMENT

Councilman Boland moved to adjoun the meeting. This motion was seconded by Councilman Tisdale and carried unanimously.

RECOGNITION FOR OUTSTANDING PLANNING AWARD - NORMA PRICE

6. Mayor Bissette said each year the North Carolina Chapter of the American Planning Association conducts an award program. This program is designed to recognize contributions of individuals and agencies who have completed outstanding plans, programs, and projects, or have made notable contributions to the planning profession. These awards will be presented at the annual meeting of the chapter in Chapel Hill on April 17. The City of Asheville's Planning Department has recently been notified of the following:

(1) Norma Price has been selected to be the recipient of the Outstanding Elected Official Award for her work as Chair of the "Alternatives for Asheville" committee. This award is given to an individual member of a local governing board in the state who has made outstanding contributions affecting planning programs or activities.

(2) The City of Asheville Planning staff has been selected to receive the Outstanding Planning Award. This award recognizes planners who initiate, develop, or administer a program, plan, project, or report of unusually high merit. The staff was selected for the recognition of the video presentation developed for utilization and its "Alternatives for Asheville" program.

Mayor Bissette recognized Councilman Norma Price, Patty Tallerday, Carol Alberice, Al Koph, and Julia Cogburn with the Asheville Planning Department.

RESOLUTION NO. 86-54 - RESOLUTION PROCLAIMING THE SECOND WEEK OF APRIL EACH YEAR AS TELECOMMUNICATOR/RADIO DISPATCHER WEEK

7. Consideration was given to a resolution proclaiming the second week of April each year as Telecommunicator/Radio Dispatcher Week.

Mayor Bissette said the professional Telecommunicator/Radio Dispatcher plays a crucial role in the protection of life and property, the preservation of society and its laws, and the provision of municipal services. The Telecommunicators/Radio Dispatchers in the City are highly dedicated and deeply motivated people who daily serve the citizens of Asheville in countless ways without due recognition by the beneficiaries of the services. They are front line contacts with the citizens of Asheville and the general public and are uniquely charged with the responsibility of maintaining citizen satisfaction and a positive image of the City of Asheville to the general public. This resolution will proclaim the second week in April of each year to be designated as "Telecommunicator/Radio Dispatcher Week."

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 86-54 was unanimously adopted.

Complete text of Resolution No. 86-54 will be found in Resolution Book No. 16 at page 1.

Mayor Bissette presented the resolution to Major Pipitone with the Asheville Police Department.

Tuesday - April 8, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding, Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Vice-Mayor Mary Lloyd Frank.

OATH OF OFFICE FOR CITY MANAGER DOUGLAS O. BEAN

1. Mayor Bissette administered the Oath of Office to Douglas O. Bean as City Manager.

Mayor Bissette thanked the Acting City Manager William F. Wolcott, Jr., for his services since October, 1985.

APPROVAL OF THE MINUTES - MARCH 25, 1986 MEETING

2. Consideration was given to the approval of the minutes of the March 25, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - "KIDS' SAFETY WEEK" - APRIL 7-13, 1986

3. Mayor Bissette read a proclamation proclaiming April 7-13, 1986, as "Kids' Safety Week."

Mayor Bissette presented the proclamation to Kim Yelton.

PROCLAMATION - WEEK OF APRIL 13 - "SPECIAL POPULATIONS WEEK"

4. Mayor Bissette read a proclamation proclaiming the week of April 13, 1986, as "Special Populations Week."

Mayor Bissette presented the proclamation to Grace Walker.

PROCLAMATION - "BARBERSHOP HARMONY MONTH" - MONTH OF APRIL, 1986

5. Mayor Bissette read a proclamation proclaiming the month of April as "Barbershop Harmony Month."

Mayor Bissette presented the proclamation to Mike Phipps, Chorus Manager for the Asheville Chapter/Land of Sky Chorus. The Asheville Chapter/Land of Sky Chorus sang for members of Council.

Mayor Bissette opened the public hearing at 4:45 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Larry Ward, with the Public Works Department, recommended approval of the resolution.

Mayor Bissette closed the public hearing at 4:46 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 86-55 was unanimously adopted.

Complete text of Resolution No. 86-55 will be found in Resolution Book No. 15 at page 2.

ORDINANCE NO. 1576 - AN ORDINANCE AMENDMENT TO APPROPRIATE FUNDS FOR RENTAL REHABILITATION PROGRAM

11. Consideration was given to a budget ordinance amendment to appropriate funds for the Rental Rehabilitation Program.

Mayor Bissette said this budget ordinance will appropriate funds for the Rental Rehabilitation Program which is administered by the Housing Authority and the City of Asheville and is grantee for funds provided by HUD. This will appropriate grant funds in the amount of $118,000 which has been approved by HUD.

Marvin Vierra, with the Community Development Department, explained the details of the Rental Rehabilitation Program stating that funds would be used for capital improvements only.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Michalove moved for the adoption of Ordinance No. 1576. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1576 passed on first and final reading.

Complete text of Ordinance No. 1576 will be found in Ordinance Book No. 11 at page 1.

PUBLIC HEARING - SITE PLAN OF HAZELWOOD (WEISS) MOBILE HOME PARK, PHASE II - NORTH LOUISIANA AVENUE

8. A public hearing was held relative to a site plan of the Hazelwood (Weiss) Mobile Home Park, Phase II, to be located on North Louisiana Avenue.

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held February 26, 1986, reviewed the site plan of the Hazelwood (Weiss) Mobile Home Park, Phase II, to be located on North Louisiana Avenue. The site plan was prepared by Associated Land Technologies, Engineer, for Walter Weiss, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to: 1) location of a fire hydrant within the site; 2) removal of four sites on the front of project to meet density requirement and provide open space; and 3) compliance with the Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:40 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission had reviewed the plans and recommended approval subject to several conditions.

Mayor Bissette closed the public hearing at 4:44 p.m.

Councilman Tisdale moved to approve the site plan of the Hazelwood (Weiss) Mobile Home Park, Phase II, to be located on North Louisiana Avenue subject to: 1) location of a fire hydrant within the site; 2) removal of four sites on the front of project to meet density requirement and provide open space; and 3) compliance with the Erosion Control Ordinance. This motion was seconded by Councilman Michalove and carried unanimously.

PUBLIC HEARING - CLOSING OF PORTION OF UNNAMED ALLEY OFF PEARSON DRIVE

RESOLUTION NO. 86-55 - RESOLUTION TO CLOSE A PORTION OF UNNAMED ALLEY OFF PEARSON DRIVE

9. A public hearing was held relative to closing a portion of an unnamed alley off Pearson Drive.

Mayor Bissette said a petition has been filed by Kathleen Garren and William Garren, owners of property adjoining a portion of an unnamed alley between Madison Street and Gray Street off Pearson Drive, asking that the portion of this alley adjoining Lots 54 and 59 of Ward 3, Sheet 9 of the Buncombe County Tax Maps be permanently closed to public use. Resolution No. 85-33, a resolution of intent to close a portion of an unnamed alley off Pearson Drive, was adopted by City Council on March 4, 1986.

Mayor Bissette said the City is a recipient of funds under Sections 9 and 5 of the Urban Mass Transportation Act. Section 504 of the Rehabilitation Act of 1974 and Section 16 (a) of the Urban Mass Transportation Act of 1964, as amended, require that the City provide public transportation services within the corporate City limits to qualified handicapped individuals, including wheelchair users and semi-ambulatory persons. These services may be provided by the Asheville Transit Authority or through the use of a private agency. The American Red Cross is willing to provide these services on an annual basis. This resolution will authorize the Mayor to execute an agreement with the American Red Cross. The funding has been placed in a budget amendment for FY 86 operating assistance funds for the Transit Authority.
Amount: $4,400.00
Period: April, May, June, 1986

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Councilman Boland, Resolution No. 86-57 was unanimously adopted.

Complete text of Resolution No. 86-57 will be found in Resolution Book No. 16 at page 4.

RESOLUTION NO. 86-58 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A MUNICIPAL AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR CERTAIN STREET AND HIGHWAY CONSTRUCTIONS/IMPROVEMENTS UNDER PROJECT NO. 8.7384012, BUNCOMBE COUNTY

15. Consideration was given to a resolution authorizing the Mayor to execute a municipal agreement with the North Carolina Department of Transportation for certain street and highway constructions/improvements under Project No. 8.7384012, Buncombe County.

Mayor Bissette said the North Carolina Department of Transportation has prepared and adopted plans to make certain street and highway improvements under Project No. 8.7384012. The North Carolina Department of Transportation and the City of Asheville propose to enter into an Agreement for the above-captioned project whereby the City of Asheville agrees: (1) to exercise any rights under any franchise to effect the necessary adjustments of certain utilities without cost to the North Carolina Department of Transportation, and (2) to provide for the adjustment of any City of Asheville owned utilities without cost to the North Carolina Department of Transportation, except that the North Carolina Department of Transportation will reimburse the City of Asheville in accordance with the North Carolina Department of Transportation's Municipally Owned Utility Policy. The City of Asheville agrees to reimburse the Department of Transportation to the extent of 20% of the cost of the right-of-way for Safety Projects (1) US 25 (Merrimon Avenue) and SR 1781 (Broadway Avenue); and (2) SR 3548 (Patton Avenue) and SR 3548 (Clingman Avenue) with reimbursement to be made in five (5) equal annual installments to begin on October 15, 1986.

ORDINANCE NO. 1577 - BUDGET ORDINANCE AMENDMENT FOR FISCAL YEAR 1986 OPERATING ASSISTANCE GRANT (TRANSIT AUTHORITY)

12. Consideration was given to a budget ordinance amendment for fiscal year 1986 Transit Authority Operating Assistance Grant.

Mayor Bissette said due to an Asheville Transit Authority liability insurance increase and contracted transportation services with the American Red Cross, the City must request additional funds from UMTA.

Carl Ownbey, with the Asheville Transit Authority, explained the need for the additional funds from UMTA.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Boland moved for the adoption of Ordinance No. 1577. This motion was seconded by Councilman Tisdale.

On a roll call vote of 7-0, Ordinance No. 1577 passed on first and final reading.

Complete text of Ordinance No. 1577 will be found in Ordinance Book No. 11 at page 2.

RESOLUTION NO. 86-56 - RESOLUTION AUTHORIZING THE MAYOR TO FILE A GRANT AMENDMENT ON BEHALF OF THE CITY OF ASHEVILLE WITH THE URBAN MASS TRANSPORTATION ADMINISTRATION

13. Consideration was given to a resolution authorizing the Mayor to file a Grant Amendment on behalf of the City of Asheville with the Urban Mass Transportation Administration.

Mayor Bissette said this resolution will authorize the Mayor to execute any grant amendment agreements for transportation projects.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 86-56 was unanimously adopted.

Complete text of Resolution No. 86-56 will be found in Resolution Book No. 16 at page 3.

RESOLUTION NO. 86-57 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT ON BEHALF OF THE CITY OF ASHEVILLE WITH THE ASHEVILLE AREA CHAPTER OF THE AMERICAN RED CROSS

14. Consideration was given to a resolution authorizing the Mayor to execute an agreement on behalf of the City of Asheville with the Asheville Area Chapter of the American Red Cross.

Mayor Bissette closed the public hearing at 5:08 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Tisdale moved for the adoption of Ordinance No. 1578 with the provision that the agreement relative to the sewer line be completed prior to the third reading of the ordinance. This motion was seconded by Councilman Michalove.

On a roll call vote of 7-0, Ordinance No. 1578 passed on first reading.

RESOLUTION NO. 86-59 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS, RECREATION, AND PUBLIC FACILITIES DEPARTMENT TO SIGN A COMMITMENT OF SITE FACILITY USE FOR THE NUTRITION FOR OLDER AMERICANS AT CERTAIN RECREATION CENTERS

17. Consideration was given to a resolution authorizing the Director of Parks, Recreation, and Public Facilities Department to sign a Commitment of Site Facility Use for the Nutrition for Older Americans at certain recreation centers.

Mayor Bissette said this resolution will authorize the Director of Parks, Recreation, and Public Facilities be authorized to sign a Commitment of Site Facility Use for the Nutrition Program for Older Americans at Reid Memorial Recreation Center.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Vice-Mayor Frank, Resolution No. 86-59 was unanimously adopted.

Complete text of Resolution No. 86-59 will be found in Resolution Book No. 16 at page 6.

RESOLUTION NO. 86-60 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE ANY AND ALL DOCUMENTS NECESSARY TO CONVEY PROPERTY DEEDED TO THE CITY OF ASHEVILLE BY THE ASHEVILLE CITY BOARD OF EDUCATION AND ADJACENT TO THE "SWAIN PROPERTY"

18. Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute any and all documents necessary to convey property deeded to the City of Asheville by the Asheville City Board of Education and adjacent to the "Swain Property."

Mayor Bissette said this resolution will authorize the Mayor to execute any documents required to convey an approximately two-acre tract located between the Ira B. Jones Elementary School property and the "Swain Property" to the Asheville City Board of Education.

Mayor Bissette said members of Council were furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Councilman Tisdale noted that the right-of-way costs to the City would be payable over a five-year period.

Councilman Michalove noted that the City picks up right-of-way costs for highway improvements through municipal agreements which is an additional cost to City residents only. He said the County does not participate in costs concerning highway construction improvements.

Councilman Michalove also noted that any costs associated with the adjustment of water and sewer lines should be handled through the Water Authority budget.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, Resolution No. 86-58 was unanimously adopted.

Complete text of Resolution No. 86-58 will be found in Resolution Book No. 16 at page 5.

PUBLIC HEARING - ANNEXATION OF PROPERTY ON LONG SHOALS ROAD AND LEDBETTER ROAD

ORDINANCE NO. 1578 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA, BY ANNEXING A NON-CONTIGUOUS AREA NEAR THE INTERSECTION OF LONG SHOALS ROAD AND LEDBETTER ROAD, PURSUANT TO THE REQUEST OF THE PROPERTY OWNER

16. A public hearing was held relative to annexation of a non-contiguous area near the intersection of Long Shoals Road and Ledbetter Road, pursuant to North Carolina General Statute Section 160A-58.2, as amended.

Mayor Bissette said a petition requesting annexation of the non-contiguous area has been received. Certification as to the sufficiency of this petition has been made by the City Clerk.

Mayor Bissette opened the public hearing at 5:01 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the annexation petition meets all statutory requirements and is within the three-mile limit of annexation authority.

Corporation Counsel Slawter said a release has been prepared for the property owners to sign releasing the City of Asheville from providing sewer services to the area, and stating that they are satisfied with the present sewer system.

PETITION PRESENTED - WEST ASHEVILLE COMMUNITY CENTER COMMITTEE - REQUEST FOR NEW COMMUNITY CENTER

Mayor Bissette said a petition had been presented to Council during today's Pre-Council meeting, by the West Asheville Community Center Committee which reads as follows "We, the undersigned residents of West Asheville, hereby petition the Asheville City Council for a Community Center with adequate facilities to accommodate activities of the senior citizens, the youth, and the general public. A facility with a gymnasium, playing field for baseball, softball, and football, adequate parking with safe and easy access and room, and the facility to hold community gatherings. The present West Asheville Community Center on Haywood Road is not adequate to accommodate the programs for the elderly, the youth, daycare, and many other needs such as workshops, seminars, and community meetings. The parking area provided is for the use of library patrons, and is not adequate or practical for those attending anything at the Community Center. Use of an existing, publicly owned property would seem to make practical sense from an economical standpoint." The petition contained approximately 500 signatures.

Mayor Bissette noted that during the pre-Council meeting, Council members had referred the petition to the Parks and Recreation Advisory Board and the Parks, Recreation, and Public Facilities Department for further information which will be available within three weeks.

JUDGE FRANK PARKER RETAINED FOR MELVIN WALSH CASE

Vice-Mayor Frank moved that Judge Frank Parker be retained for the appeal of the Melvin Walsh case. This motion was seconded by Councilman Michalove and carried unanimously.

ANNOUNCEMENT - "HANDS ACROSS ASHEVILLE EVENT"

Mayor Bissette noted that Jay Banks and George Phiffer attended the Pre-Council work session to enlighten Councilmembers of the "Hands Across Asheville" Event on May 25, 1986, at 12:30 p.m.

CLAIMS - TERRY BRACKETT (WATER) - KASEY CONSTRUCTION (SEWER) - JEAN MILLER (MANAGEMENT SERVICES) - INN ON THE PLAZA (SEWER) - IVA JEAN PAYNE (SEWER) - NANCY HYATT (WATER) - ANTON CHEVROLET (WATER) - KANE-PUTNAM PART. (WATER) - MARTHA WILLIAMS (STREETS)

The City Manager presented claims received from Terry Brackett, Kasey Construction, Jean Miller, Inn on the Plaza, Iva Jean Payne, Nancy Hyatt, Anton Chevrolet, Kane-Putnam Part., and Martha Williams.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-60 was unanimously adopted.

Complete text of Resolution No. 86-60 will be found in Resolution Book No. 16 at page 7.

BIDS - FURNISHED RENTAL UNIFORMS AND SERVICE TO EMPLOYEES IN VARIOUS DEPARTMENTS FOR TWO YEARS

19. Consideration was given to a motion relative to bids received to furnish rental uniforms and service to employees of various departments for two years.

Mayor Bissette said sealed bids were invited to furnish rental uniforms and service to 143 employees in various departments. Two bids were received. National Linen Service, 115 Fairview Road, Asheville, was the low bidder. During the bid evaluation process, Harold Huff, Director of Water and Sewer Services, informed Norwood Dunn, Purchasing Director, that all uniforms for his department were to be purchased and not rented. Mr. Jerry Barkley, Branch Manager of National Linen Service agreed to provide rental uniform service at the same weekly rate as bid for the remaining 33 employees. Fiscal impact totals $13,555.36 for the two year contract. Sufficient funds are provided in the individual budgets of the various departments and divisions.

After discussion, relative to funding, action relative to approval of the bids was postponed until April 15, 1986.

BIDS - HERBICIDE FOR THE PUBLIC WORKS, STREET DIVISION, AND PARKS, RECREATION, AND PUBLIC FACILITIES DEPARTMENT

Consideration was given to a motion relative to bids received for herbicide for the Public Works, Street Division, and Parks, Recreation, and Public Facilities Department.

Mayor Bissette said sealed bids were invited to furnish the estimated 1986 season requirements of 350 gallons of herbicide for the Public Works, Street Division, and Parks, Recreation, and Public Facilities Department's annual treatment of undesirable vegetation and right-of-way maintenance program. Six bids were received. It is recommended to award this contract to the lowest bidder, Helena Chemical Company, Enfield, N.C. Purchases will be made on an as needed basis. Total amount of fiscal impact is $26,141.50 - $74.69 per gallon. Funding will be from the Street Division's appropriation, Account Code 10-427-038 and Parks, Recreation, and Public Facilities appropriation, Account Code 17-502.0320.

Vice-Mayor Frank moved to approve the bids for herbicide to the lowest bidder, Helena Chemical Company, in the total amount of $26,141.50. This motion was seconded by Councilman Price and carried unanimously.

Tuesday, April 15, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas Bean, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Bratton introduced Rev. Presley with the Beverly Hills Baptist Church who gave the invocation.

APPROVAL OF THE MINUTES - APRIL 8, 1986 MEETING

1. Consideration was given to the approval of the minutes of the April 8, 1986 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

ANNOUNCEMENT RELATIVE TO SOUTH PACK PLAZA PROJECT

2. Mayor Bissette read the following press release:

April 15, 1986

SUBJECT: South Pack Plaza Project

I am very pleased to announce that an agreement has been reached between Schneider Nine and a group of local financial institutions for a $5,900,000.00 conventional loan on the South Pack Plaza Project. This agreement should clear the way for construction to begin on the Project in the very near future.

This Project is an example of the very finest in public/private cooperation. This Project includes the equity participation by the Developer, a Federal Urban Development Action Grant, City/County participation in the Project's public improvements and participation by eight local financial institutions in the construction and permanent financing.

I want to take this opportunity to publicly commend all of the parties involved, but particularly those financial institutions whose interest and commitment to this community have finally made this project a reality. The following financial institutions have agreed to participate in the South Pack Plaza Project:

Asheville Federal Savings & Loan Association
Blue Ridge Savings & Loan Association
Branch Bank & Trust Company
Clyde Savings & Loan Association
First Federal Savings & Loan Association
First Union National Bank
NCNB National Bank of North Carolina
Wachovia Bank & Trust Company, N.A.

RALPH BISHOP - LOTTERY SALES AND OBTAINING CITY RECORDS

Ralph Bishop spoke to members of Council relative to the lottery sales in the City of Asheville, the Asheville Police Department, and obtaining records relative to James J. Moulds.

Mayor Bissette informed Mr. Bishop that the staff would look at the General Statutes to determine whether or not the records are public records and available for the inspection of the public.

ATTENDANCE AT NUCLEAR DEPOSITORY MEETING

Mayor Bissette thanked Vice-Mayor Frank and Councilman Tisdale for attending the public hearings on April 4 relative to the proposed nuclear depository site.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, the meeting adjourned at 5:30 p.m.

MAYOR

CITY CLERK

Mr. Earick said the project meets all the criteria of the group development section of the Asheville Zoning Ordinance and is recommended for approval. By the use of a map, Mr. Earick showed the location of the proposed project. He said plans for sidewalks and streets in the project are compatible with other developers in the Wall Street area. He said the project is also compatible with the suggestions of the Urban Design Workshop.

Mr. Earick said the developers, Mr. Paul Greene, with Wick and Greene Jewelers, would be meeting with other developers on Wall Street relative to the design of streets and sidewalks.

John Rogers, Architect, said the project would entail the renovation and an addition to the old service station at the corner of Patton Avenue and Otis Street, and would be used by Wick and Greene Jewelers.

Mayor Bissette closed the public hearing at 4:29 p.m.

Councilman Boland moved for the approval of the site plan of the proposed Wick and Greene Plaza to be located at the corner of Patton Avenue and Otis Street, said approval to be only up to the property line of the project. This action was seconded by Councilman Tisdale and carried unanimously.

PRESENTATION OF TREE CITY USA AWARD

6. Ray Kisiah introduced Fred White with the North Carolina Division of Forestry who presented the City of Asheville with the Tree City USA Award.

Susan Mayer with Quality Forward said this was the sixth year the City of Asheville had received the award.

PUBLIC HEARING - PROPOSED TREE ORDINANCE

7. A public hearing was held relative to a proposed tree ordinance.

Mayor Bissette opened the public hearing at 4:35 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette announced that Council would only be taking public comments relative to the ordinance today. He said the first reading of the ordinance would be considered at a later date.

Ray Kisiah, Director of Parks, Recreation, and Public Facilities Department, summarized the proposed ordinance, stating that the purpose of the ordinance was for the preservation and protection of trees on City property and City rights-of-way, and on front lines of private property up to the setback lines outlined in the particular zone set out in the Zoning Ordinance. He said trees may be removed only after securing a permit to do so. He said the Asheville Tree Commission would be setting certain pruning standards. He said it is hopeful that the ordinance will slow down the process of the removal of trees in the City of Asheville.

These financial institutions and their local representatives have worked extremely hard to put in place this final part of the complex South Pack Plaza downtown rehabilitation project. On behalf of the City Council and the City of Asheville, I want to thank them for their support of this extremely important community project.

Councilman Bratton also thanked Mayor Bissette for his time, effort and energy working on the South Pack Plaza Project financing.

PROCLAMATION - WEEK OF APRIL 20-26, 1986 - "NATIONAL CONSUMERS WEEK"

3. Mayor Bissette read a proclamation proclaiming the week beginning April 20, 1986, as "National Consumers Week".

RESOLUTION NO. 86-61 - RESOLUTION OF APPRECIATION AND COMMENDATION TO MARY ANN MORRIS

4. Consideration was given to a resolution of appreciation and commendation to Mary Ann Morris.

Mayor Bissette said Mary Ann Morris has served the citizens of Asheville as a dedicated City employee since September 20, 1948. She has earned the admiration and friendship of her co-workers and citizens of Asheville, whom she has served faithfully for so long. On May 1, 1986, she will retire from the City of Asheville.

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, Resolution No. 86-61 was unanimously adopted.

Mayor Bissette presented a copy of the resolution to Mary Ann Morris.

Complete text of Resolution No. 86-61 will be found in Resolution Book No. 16 at page 8.

PUBLIC HEARING - SITE PLAN OF PROPOSED WICK AND GREENE PLAZA - CORNER OF PATTON AVENUE AND OTIS STREET

5. A public hearing was held relative to a site plan of the proposed Wick and Greene Plaza to be located at the corner of Patton Avenue and Otis Street.

Mayor Bissette opened the public hearing at 4:25 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held March 19, 1986, reviewed the site plan of the proposed Wick and Greene Plaza to be located at the corner of Patton Avenue and Otis Street. The site plan was prepared by John Rogers, Architect, for Mr. Paul Greene, Wick and Greene Jewelers, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council.

ORDINANCE NO. 1579 - AN ORDINANCE AMENDING SECTION 28-81.3 OF ARTICLE IV, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES FOR THE CITY OF ASHEVILLE (GLEN FALLS ROAD, BLACKWOOD ROAD AND GRIFFING BOULEVARD)

8. Consideration was given to an Ordinance amending Section 28-81.3 of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances for the City of Asheville.

Mayor Bissette said this ordinance will lower the speed limit to 25 m.p.h. on the following streets: Glen Falls Road, Blackwood Road and Griffing Boulevard.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1579. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1579 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1579. This motion was seconded by Councilman Tisdale and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1579 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1579. This motion was seconded by Councilman Boland and failed on a voice vote of 4-3.

ORDINANCE NO. 1578 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA, BY ANNEXING A NON-CONTIGUOUS AREA NEAR THE INTERSECTION OF LONG SHOALS ROAD AND LEDBETTER ROAD, PURSUANT TO THE REQUEST OF THE PROPERTY OWNER

9. Consideration was given to the second reading of Ordinance No. 1578, an ordinance to extend the corporate limits of the City of Asheville, North Carolina, by annexing a non-contiguous area near the intersection of Long Shoals Road and Ledbetter Road, pursuant to the request of the property owner.

Mayor Bissette said the City of Asheville has been petitioned under N. C. Gen. Stat. Sec 160A-58.1, as amended, to annex a non-contiguous area near the intersection of Long Shoals Road and Ledbetter Road. The City Clerk has been directed to investigate the sufficiency of the petition. The City Clerk has certified the sufficiency of the petition and a public hearing was held on April 8, 1986. This ordinance passed on first reading at the April 8, 1986 meeting.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Susan Mayer, with Quality Forward, spoke in support of the ordinance and said the City of Asheville would need to hire a horticulturist or arborist to enforce the tree ordinance.

Upon inquiry of Councilman Michalove, Mr. Kisiah said it would cost approximately $30,000.00 to enforce the ordinance.

The following individuals spoke in support of the ordinance:

Melinda Woods, Kenilworth
Steve Bowman, Real Estate Broker
Tom Youngblood - Peterson, Coordinator of MAGIC
Richard Lance, 16 St. Dunstans Circle
Pat Patton, North Asheville
Mack Hanner, 5 Kimberly Avenue
Jim Samsel, Architect
Carolyn Tingle
Barry Master, Pisgah Legal Services, representing the low income elderly residents on Montford Avenue
Larry Holt, Chairman of Quality Forward and Deputy Executive Director of the Housing Authority
Peter Austin, Hillside Avenue
Bonnie Burnette, Burnette Landscaping
Lowell Orbinson, Member of the Asheville Tree Commission
Anthony Lord, Architect and member of the Asheville Tree Commission
Roger Smith, member of the Asheville Tree Commission
Elrita Nesby, member of the Asheville Tree Commission
Mrs. Charles Waddell
Marty Miller
John Broadbrooks, Chairman of the Asheville Tree Commission and Architect
LaRue Bolick, Quality Forward
Doug Campbell, President of the American Institute of Architects
Annabelle Green
Ernest Hamill
Dorothy Davis
E. H. Ledherer, Lakeview Park Commission
Sybil Bowers, Historic Resources Commission
Carol Bowman

The following individuals spoke against the ordinance stating that the ordinance would be taking away the rights of private property owners:

Wayne Kinser, Developer
Gay Williams

Councilman Michalove said he was concerned about passing another ordinance that might not be enforced because of infringing on the rights of private property owners. He said he would like for the City Attorney to look into the legality of the enforcement of the ordinance prior to adoption.

Councilman Boland said he felt trees and the City's environment is very important.

Mayor Bissette closed the public hearing at 6:05 p.m.

CLAIMS - C. L. McMAHAN (WATER) - MRS. FREDRICK GOETZ (STREETS) - CLYDE CONNER (WATER)

The City Manager presented claims received from C. L. McMahan, Mrs. Fredrick Goetz and Clyde Conner.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - ASHEVILLE HOUSING AUTHORITY VS. JOHN N. DAVIS ET ALS (CONDEMNATION RANKIN AVENUE PARKING LOTS)

The City Manager said the City was served with a summons in connection with a lawsuit involving the Asheville Housing Authority vs. John N. Davis et als regarding condemnation proceedings involving the Rankin Avenue parking lots.

Mayor Bissette referred the summons to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Tisdale, the meeting adjourned at 6:40 p.m.

William F. Moreau
CITY CLERK

L. Glo Bissette
MAYOR

Corporation Counsel Slawter said an agreement had been reached with the property owners relative to the sewer line in the area.

On a roll call vote of 7-0, Ordinance No. 1578 passed on second reading.

BIDS - RENTAL UNIFORMS AND SERVICE TO EMPLOYEES IN VARIOUS DEPARTMENTS FOR TWO YEARS

10. Consideration was given to a motion relative to bids received to furnish rental uniforms and service to employees in various departments for two years.

Mayor Bissette said sealed bids were invited to furnish rental uniforms and service to 143 employees in various departments. Two bids were received. National Linen Service, 115 Fairview Road, Asheville, was the low bidder. During the bid evaluation process, Harold Huff, Director of Water and Sewer Services, informed Norwood Dunn, Purchasing Director, that all uniforms for his department were to be purchased and not rented. Mr. Jerry Barkley, Branch Manager of National Linen Service agreed to provide rental uniform service at the same weekly rate as bid for the remaining 33 employees. These bids were discussed at the April 8 meeting and action was postponed until the April 15 meeting. He said the total for the two year contract is $13,555.36. He said sufficient funds are provided in the individual budget of the various departments and divisions.

Councilman Tisdale moved to approve the bid of National Linen Service in the amount of $13,555.36. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION NO. 86-62 - RESOLUTION AUTHORIZING THE MAYOR TO FILE ON BEHALF OF THE CITY OF ASHEVILLE AN APPLICATION FOR FEDERAL FUNDING ADMINISTERED THROUGH THE GOVERNORS HIGHWAY SAFETY PROGRAM AND AUTHORIZING THE PROJECT DIRECTOR TO EXECUTE ANY AGREEMENTS OR DOCUMENTS REQUIRED TO CARRY OUT THE PROJECT SHOULD THE GRANT BE APPROVED

11. Consideration was given to a resolution authorizing the Mayor to file on behalf of the City of Asheville an application for federal funding administered through the Governors Highway Safety Program and authorizing the Project Director to execute any agreements or documents required to carry out the project should the grant be approved.

Mayor Bissette read the resolution stating that the application would be to the Governors Highway Safety Program for federal funding in the amount of $21,600.00 to be made to the City of Asheville to assist and defray the cost of the Community Seat Belt Program.

Upon motion of Councilman Michalove, seconded by Councilman Bratton, Resolution No. 86-62 was unanimously adopted.

Complete text of Resolution No. 86-62 will be found in Resolution Book No. 16 at Page 9 and 10.

ORDINANCE NO. 1580 - AN ORDINANCE REPEALING ORDINANCE NO. 1226 AND ORDINANCE NO. 1479 AND ESTABLISHING IN LIEU THEREOF A NEW ORDINANCE REGARDING DOG LICENSE TAXES

4. Consideration was given to an ordinance repealing Ordinance No. 1226 and Ordinance No. 1479 and establishing in lieu thereof a new ordinance regarding dog license taxes.

Mayor Bissette said this ordinance will repeal Ordinance No. 1226 and Ordinance No. 1479 and will establish a combined, amended dog control and license ordinance.

The City Manager indicated that this ordinance would give authority for the Animal Control Officers to write civil violations to owners who allow their dogs to run at large and who fail to display license tags on dogs running loose.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1580. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1580 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1580. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1580 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1580. This motion was seconded by Councilman Price and carried unanimously.

On a roll call of of 7-0, Ordinance No. 1580 passed on third and final reading.

Complete text of Ordinance No. 1580 will be found in Ordinance Book No. 11 at pages 7 and 8.

ORDINANCE NO. 1581 - AN ORDINANCE AMENDING ORDINANCE NO. 1481, (ANIMALS AND FOWLS) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

5. Consideration was given to an ordinance amending Ordinance No. 1481 (Animals and Fowls) of the Code of Ordinances of the City of Asheville.

Mayor Bissette said with these amendments, the animal control officers will be able to write a civil violation to owners (1) who allow their dog(s) to run at large; and (2) who fail to display the license tag on a dog who is running at large. The failure to purchase a license tag will remain a misdemeanor.

Tuesday - April 22, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilman Michalove.

APPROVAL OF THE MINUTES - APRIL 15, 1986 MEETING

1. Consideration was given to the approval of the minutes of the April 15, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - APRIL 22 - "DEPARTMENT OF PARKS, RECREATION, AND PUBLIC FACILITIES VOLUNTEER RECOGNITION DAY"

2. Mayor Bissette read a proclamation proclaiming April 22, 1986, as "Department of Parks, Recreation, and Public Facilities Volunteer Recognition Day" in Asheville.

Ray Kisiah, Director of Parks and Recreation, recognized Marlena Renwick, Director of the Reid Recreation Center, who introduced Sister Marie Day, recently named Volunteer of the Year.

Marlena Renwick, Director of the Reid Recreation Center, said Sister Day was involved in many of the programs at the Reid Recreation Center and tutored students, kindergarten through sixth grade. She said Sister Day is a retired classroom nun from St. Genevieve's and is truly an asset to the community and the recreation center.

Mayor Bissette said the proclamation would be presented to Sister Day at a Volunteer Recognition Dinner on April 22, 1986 at 6:30 p.m. at the Reid Center.

PROCLAMATION - MAY 1, 1986 AS "LOYALTY DAY"

3. Mayor Bissette read a proclamation proclaiming May 1 as "Loyalty Day" in the City of Asheville.

Mayor Bissette presented the proclamation to Stanley Parker and Berdie Wallace, representing the VFW organization.

ORDINANCE NO. 1583 - BUDGET ORDINANCE AMENDMENT FOR MCDOWELL STREET IMPROVEMENTS

7. Consideration was given to a budget ordinance amendment for McDowell Street improvements.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1583. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1583 passed on first and final reading.

Complete text of Ordinance No. 1583 will be found in Ordinance Book No. 11 at page 12.

ORDINANCE NO. 1579 - AN ORDINANCE AMENDING SECTION 28-81.3 OF ARTICLE IV, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

8. Consideration was given to the third reading of Ordinance No. 1579, an ordinance amending Section 28-81.3 of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville.

Mayor Bissette said this ordinance will lower the speed limit to 25 m.p.h. on the following streets: Glen Falls Road, Blackwood Road and Griffing Boulevard. This ordinance passed on first and second reading at the April 15, 1986 meeting.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1579 passed on third and final reading.

Complete text of Ordinance No. 1579 will be found in Ordinance Book No. 11 at page 6.

Councilman Michalove requested that the City Manager direct the Police Department to give a thirty day warning of the speed limit change prior to issuing speeding citations for the 25 m.p.h. zone.

RESOLUTION NO. 86-63 - RESOLUTION SETTING POLICY FOR SEWER LINE EXTENSIONS FOR THE CITY OF ASHEVILLE TO NON-CONTIGUOUS ANNEXATION AREAS

9. Consideration was given to a resolution setting policy for sewer line extensions for the City of Asheville to non-contiguous annexation areas.

Mayor Bissette said the City Council established an interim policy concerning water and sewer line extensions for the City of

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Michalove moved for the adoption of Ordinance No. 1581. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1581 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1581. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1581 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1581. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1581 passed on third and final reading.

Complete text of Ordinance No. 1581 will be found in Ordinance Book No. 11 at pages 9 and 10.

ORDINANCE NO. 1582 - BUDGET ORDINANCE AMENDMENT FOR REIMBURSEMENT OF COMMUNITY DEVELOPMENT FUNDS

6. Consideration was given to a budget ordinance amendment for reimbursement of Community Development funds.

Mayor Bissette said this budget ordinance amendment is to reimburse Community Development Funds for overexpenditure of 20% limit for planning and administration for the year ended June 30, 1985. Fiscal impact for the General Fund is a negative impact of $51,684.00. These funds will be available for appropriation for Community Development eligible activities.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1582. This motion was seconded by Councilman Tisdale.

On a roll call vote of 7-0, Ordinance No. 1582 passed on first and final reading.

Complete text of Ordinance No. 1582 will be found in Ordinance Book No. 11 at page 11.

RESOLUTION NO. 86-64 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND THE SKYLAND VOLUNTEER FIRE DEPARTMENT TO PROVIDE FIRE PROTECTION SERVICE TO THE NEWLY ANNEXED NON-CONTIGUOUS AREA LOCATED NEAR THE INTERSECTION OF LONG SHOALS ROAD AND LEDBETTER ROAD (COACHLITE RESTAURANT)

11. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an agreement by and between the City of Asheville and the Skyland Volunteer Fire Department to provide fire protection service to the newly annexed non-contiguous area located near the intersection of Long Shoals Road and Ledbetter Road (Coachlite Restaurant).

Mayor Bissette said the City has annexed a non-contiguous area near the intersection of Long Shoals Road and Ledbetter Road. This resolution will authorize the Mayor to execute an agreement by and between the City of Asheville and Skyland Volunteer Fire Department to provide fire protection service to this area.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 86-64 was unanimously adopted.

Complete text of Resolution No. 86-64 will be found in Resolution Book No. 16 at page 13.

RESOLUTION NO. 86-65 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND ASHEVILLE-BUNCOMBE TECHNICAL COLLEGE

12. Consideration was given to a resolution authorizing the Mayor to execute an agreement by and between the City of Asheville and Asheville-Buncombe Technical College.

Mayor Bissette said Asheville-Buncombe Technical College desires to construct a pedestrian bridge over Victoria Road. Victoria Road is a part of the street system for the City of Asheville with attendant air rights. The City wishes to allow Asheville-Buncombe Technical College to encroach upon the air rights attendant to Victoria Road. This resolution will authorize the Mayor to execute an agreement by and between the City of Asheville and Asheville-Buncombe Technical College.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 86-65 was unanimously adopted.

Complete text of Resolution No. 86-65 will be found in Resolution Book No. 16 at page 14.

Asheville in Resolution No. 69-1, adopted on November 20, 1969. Some changes have occurred in the actual practice of the Department of Water and Sewer Services with regard to extension of sewer lines. While the City has an unwritten policy with regard to extension of sewer lines to non-contiguous annexation areas, it is now desirable to have such a policy in writing.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

The Corporation Counsel noted that in the policy that if a property owner requests sewer service it would be at the property owner's expense.

Upon motion of Councilman Boland, seconded by Councilman Tisdale, Resolution No. 86-63 was unanimously adopted.

Complete text of Resolution No. 86-63 will be found in Resolution Book No. 16 at pages 11 and 12.

ORDINANCE NO. 1578 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA, BY ANNEXING A NON-CONTIGUOUS AREA NEAR THE INTERSECTION OF LONG SHOALS ROAD AND LEDBETTER ROAD, PURSUANT TO THE REQUEST OF THE PROPERTY OWNER (COACHLITE RESTAURANT)

10. Consideration was given to the third reading of Ordinance No. 1578, an ordinance to extend the corporate limits of the City of Asheville, North Carolina, by annexing a non-contiguous area near the intersection of Long Shoals Road and Ledbetter Road, pursuant to the request of the property owner (Coachlite Restaurant).

Mayor Bissette said the City of Asheville has been petitioned under N. C. Gen. Stat. sec 160A-58.1, as amended, to annex a non-contiguous area near the intersection of Long Shoals Road and Ledbetter Road. The City Clerk has been directed to investigate the sufficiency of the petition. The City Clerk has certified the sufficiency of the petition and a public hearing was held on April 8, 1986. This ordinance passed on first reading at the April 8, 1986 meeting and on second reading at the April 15, 1986 meeting.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1578 passed on third and final reading.

Complete text of Ordinance No. 1578 will be found in Ordinance Book No. 11 at pages 3, 4, and 5.

RESOLUTION NO. 86-68 - RESOLUTION AUTHORIZING THE SALE BY THE COUNTY OF BUNCOMBE OF TAX LOT IDENTIFIED AS WARD 4, SHEET 2, LOT 121

16. Consideration was given to a resolution authorizing the sale by the County of Buncombe of Tax Lot identifed as Ward 4, Sheet 2, Lot 121.

Mayor Bissette said the City of Asheville and the County of Buncombe entered into an agreement November 5, 1984 to set forth the responsibilities of the City and County with regard to prior responsibilities of the Buncombe County Board of Tax Supervision. Pursuant to Resolution No. 85-224, the City approved of the sale by the County of Buncombe certain lots. Other lots titled in the name of the Buncombe County Board of Tax Supervision and located within the City limits of the City of Asheville were retained for the City's use, pursuant to recommendation of City staff and approval of the City Council. It has been determined that Tax Lot identified as Ward 4, Sheet 2, Lot 121 does not need to be retained and can be released by the City for sale. This resolution does hereby authorize and approve of the sale by the County of Buncombe of this tax lot. Revenue to the City is $2,400.00. 50% of the current tax valuation of the lot is $4,800.00

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Boland, Resolution No. 86-68 was unanimously adopted.

Complete text of Resolution No. 86-68 will be found in Resolution Book No. 16 at page 17 and 18.

RESOLUTION NO. 86-69 - RESOLUTION APPOINTING MEMBER TO THE BOARD OF ADJUSTMENT UNDER ORDINANCE NO. 322 AS AMENDED (APPOINTMENT OF HAL F. STARNES)

17. Consideration was given to a resolution appointing Hal F. Starnes as a member of the Board of Adjustment.

Mayor Bissette said this resolution will appoint Hal F. Starnes to serve an unexpired term, term expiring January 21, 1988.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-69 was unanimously adopted.

Complete text of Resolution No. 86-69 will be found in Resolution Book No. 16 at page 19.

RESOLUTION NO. 86-66 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A DRAINAGE EASEMENT FOR STATE PROJECT 9.5130201 (MCDOWELL STREET WIDENING PROJECT)

13. Consideration was given to a resolution authorizing the Mayor to execute a drainage easement for State Project 9.5130201 (McDowell Street Widening Project).

Mayor Bissette said the North Carolina Department of Transportation desires to construct and maintain a drainage facility through and across City-owned property. The drainage facility is required in conjunction with the McDowell Street Widening Project. This project will improve traffic safety and flow for the citizens. This resolution will authorize the Mayor to execute the Drainage Easement Agreement.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-66 was unanimously adopted.

Complete text of Resolution No. 86-66 will be found in Resolution Book No. 16 at page 15.

RESOLUTION NO. 86-67 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN THE NECESSARY CONTRACTS FOR THE LEASE OF A COMPUTER LINE ADAPTER FOR THE CITY OF ASHEVILLE DEPARTMENT OF FINANCE, DATA PROCESSING DIVISION

15. Consideration was given to a resolution authorizing the City Manager to sign the necessary contracts for the lease of a computer line adapter for the City of Asheville Department of Finance, Data Processing Division.

Mayor Bissette said this resolution will authorize the City Manager to enter into a one year lease contract with Burroughs Corporation to provide one (1) asychronous direct connect line adapter to be installed on the Criminal Justice Information System computer. The monthly lease cost will be $90.00, inclusive of maintenance services. A one-time installation cost of $160.00 will also be incurred. Lease of line adapter for one year, $1,080.00; one time installation cost of $160.00 - Total cost - $1,240.00

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 86-67 was unanimously adopted.

Complete text of Resolution No. 86-67 will be found in Resolution Book No. 16 at page 16.

Disposal Parcels 133, 140, 147, 148, 156, 165, and 167 are located in the East End/Valley Street Area and are residential lot sales for single family structures under the Incentive Housing Program.

Disposal Parcels 143 and 166 of the East End/Valley Street Area are to be developed with single family homes for resale. The eventual purchasers of the completed homes will be able to obtain the Incentive Housing Subsidy.

Councilman Michalove moved to approve the sale of the disposal parcels as recommended by the Housing Authority. This motion was seconded by Vice-Mayor Frank and carried unanimously.

COUNCILMAN BRATTON - COMMENTS RELATIVE TO GLEN FALLS ROAD BRIDGE

Upon inquiry of Councilman Bratton, the City Manager said bids had been received for the Glen Falls Road Bridge project.

CLAIMS - FAYE REDMON (WATER)

The City Manager presented a claim received from Faye Redmond.

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, the meeting adjourned at 5:15 p.m.

J. Bissette
Mayor

William F. McCarthy
City Clerk

RESOLUTION NO. 86-70 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE-BUNCOMBE CRIME STOPPERS COMMITTEE (C.M. "MIKE" GEHRING)

18. Consideration was given to a resolution appointing C.M. "Mike" Gehring as a member of the Asheville-Buncombe Crime Stoppers Committee.

Mayor Bissette said this resolution will appoint C. M. "Mike" Gehring to serve the unexpired term of Douglas Blizard, term expiring June 10, 1987.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 86-70 was unanimously adopted.

Complete text of Resolution No. 86-70 will be found in Resolution Book No. 16 at page 20.

SALE OF DISPOSAL PARCELS 133, 140, 143, 147, 148, 156, 165, 166, 167, AND 96B.3 IN THE EAST RIVERSIDE URBAN RENEWAL PROJECT AND THE EAST END/VALLEY STREET COMMUNITY IMPROVEMENT PROJECT

19. Consideration was given to a motion approving the sale of Disposal Parcels 133, 140, 143, 147, 148, 156, 165, 166, 167, and 96B.3 in the East Riverside Urban Renewal Project and the East End/Valley Street Community Improvement Project.

Mayor Bissette said the Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East Riverside Urban Renewal Project and the East End/Valley Street Community Improvement Project.

Parcel	Reuse	Price	Bid	Redeveloper
133	Residential	$6,300.00	$6,601.00	Charles & Alice Payton
140	Residential	8,500.00	10,001.00	David & Gwendolyn Jones
143	Residential	7,800.00	8,350.00	R & R Associates, Inc.
147	Residential	7,100.00	7,601.00	Jerome Eubanks & Regina Mosley
148	Residential	6,900.00	7,200.00	Frank & Virginia Sibert
156	Residential	10,300.00	12,300.00	Ogden Z. & Gwendolyn Braxton
165	Residential	7,500.00	7,850.00	Phillip & Ginger Ridley
166	Residential	9,700.00	11,250.00	R & R Associates, Inc.
167	Residential	8,800.00	9,007.00	James & Marion King
96B.3	Light Indrl.	20,300.00	20,300.00	Carolina Converters, Inc.

Parcel 133 is located on Old Pine Street; parcel 140 is located on Hazzard Street; parcel 143 is located on Martin Luther King, Jr. Drive; parcels 147, 148, and 156 are located on Lincoln Street; parcels 165, 166, and 167 are located on Martin Luther King, Jr. Drive and parcel 96B.3 is located on Lyman Street.

PROCLAMATION - MAY 4 - 10, 1986 AS "DISABILITIES AWARENESS WEEK" - MAY 7, 1986 "NATIONAL BARRIERS AWARENESS DAY IN ASHEVILLE"

6. Mayor Bissette read a proclamation proclaiming May 4 - 10, 1986, as "Disabilities Awareness Week" and May 7 as "National Barriers Awareness Day in Asheville".

Mayor Bissette presented the proclamation to Donna Cator, Vice Chairman of the Disabilities Awareness Week Committee.

RESOLUTION NO. 86-71 - RESOLUTION APPOINTING PRICE WATERHOUSE AS AUDITORS FOR FISCAL YEAR ENDING JUNE 30, 1986

7. Consideration was given to a resolution appointing Price Waterhouse as auditors for fiscal year ending June 30, 1986.

Mayor Bissette said the City of Asheville appointed Price Waterhouse as its auditors for the fiscal years ending June 30, 1984 and 1985, on the basis of a proposal of services for a three year period commencing with the fiscal year ended June 30, 1984. Price Waterhouse has satisfactorily performed their duties for the fiscal years ended June 30, 1984 and 1985. The City hereby names the accounting firm of Price Waterhouse as its auditor for the fiscal year ending June 30, 1986, and also authorizes the Mayor to execute all documents. The annual audit by independent auditors is required by N. C. State statutes. The funds for these services have been appropriated and the proposed fee will not exceed $29,100.00.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilman Michalove, Resolution No. 86-71 was unanimously adopted.

Complete text of Resolution No. 86-71 will be found in Resolution Book No. 16 at page 21.

RESOLUTION NO. 86-72 - RESOLUTION AUTHORIZING THE EXECUTION OF A LEASE AGREEMENT WITH THE ASHEVILLE HOUSING AUTHORITY FOR CITY PARKING LOT #21

8. Consideration was given to a resolution authorizing the execution of a lease agreement with the Asheville Housing Authority for City Parking Lot #21.

Mayor Bissette said the property formerly leased from T. C. Smith Company, located on South Lexington Avenue, is now owned by the Asheville Housing Authority. The Housing Authority is interested in continuing the lease of this property with the City at a rate of $1.00 per year. This resolution will authorize the Mayor to execute a Lease Agreement with the Asheville Housing Authority for this parking lot.

The City Manager said this action would have a positive fiscal impact on the budget in the amount of $3,400.00.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Tuesday - April 29, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Mary Lloyd Frank and Councilman Norma T. Price.

INVOCATION

The invocation was given by Mayor Louis Bissette.

APPROVAL OF THE MINUTES - APRIL 22, 1986 MEETING

1. Consideration was given to the approval of the minutes of the April 22, 1986 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - MAY 1 - 7, 1986 - "RESPECT FOR LAW WEEK"

2. Mayor Bissette read a proclamation proclaiming May 1 - 7, 1986 as "Respect for Law Week".

Mayor Bissette presented the proclamation to Officer Logan with the Optimist Club.

PROCLAMATION - MAY 2, 1986 - "LAW DAY USA"

3. Mayor Bissette read a proclamation proclaiming May 2nd as "Law Day USA".

Mayor Bissette presented the proclamation to David Gantt, Attorney.

Mr. Gantt said on May 2nd, attorneys would be available in the Law Library to provide free legal service to individuals requesting assistance. He said this would be called "Free Day".

PROCLAMATION - MONTH OF MAY, 1986 - "BICYCLE MONTH"

4. Mayor Bissette read a proclamation proclaiming the month of May as "Bicycle Month".

Mayor Bissette asked that a copy of the proclamation be forwarded to Claudia Nix, member of the Youth Service Action Group.

PROCLAMATION - MAY 4 - 10, 1986 AS "EXTENSION HOMEMAKERS WEEK"

5. Mayor Bissette read a proclamation proclaiming May 4, 1986 as "Extension Homemakers Week".

Mayor Bissette presented the proclamation to Mary Jo Drake, with the Extension Homemakers Assocation.

certain public improvements in the project. This resolution will authorize the Mayor to execute an amendment to the Memorandum of Understanding.

Mayor Bissette also noted that this amendment would not change the Wall Street Project in any way. He said this amendment would divide the Memorandum of Understanding into two phases, and allow for the commencement of phase I immediately. He said this amendment would also change the expiration date for the Memorandum of Understanding from April 30, 1986 to June 30, 1986.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bratton, seconded by Councilman Michalove, Resolution No. 86-74 was adopted on a voice vote of 4-1, with Councilman Tisdale voting "no".

Councilman Tisdale said his negative vote had nothing to do with the developer for the Wall Street area, however, he voted against the initial Memorandum of Understanding and voted against the amendment because he had reservations about the financing of the project.

Complete text of Resolution No. 86-74 will be found in Resolution Book No. 16 at page 24.

RESOLUTION NO. 86-75 - RESOLUTION REGARDING SELECTION OF A BOND COUNSEL

11. Consideration was given to a resolution regarding the selection of a Bond Counsel.

Mayor Bissette said Articles 4, 5 and 7 of Chapter 159 of the General Statutes of North Carolina authorize North Carolina local governments to issue bonded debt and sets forth procedures in authorizing and issuing bonds. The North Carolina Local Government Commission must approve all North Carolina local government bond sales. The North Carolina Local Government Commission instructions state that employment of bond counsel is necessary for the appropriate issuance of bonds. There is no fiscal impact effect on the operating budget. Bond Counsel fees will be paid from the capital project(s) funded by any bond issue. Sale of bonds, which requires the employment of bond counsel, will provide funds to positively impact the community by improving community physical assets.

Mayor Bissette said the selection of a Bond Counsel is the first step in the process for preparing for a bond issue to be put before the citizens of the City of Asheville, if Council so desires. He said, at the present time, no decisions have been made by Council as to what would be included in the bond issue or the amount of the bonds.

The City Manager said after an extensive research, it would be his recommendation to select the firm of Smith, Helms, Mullis, and Moore, a North Carolina firm from Greensboro.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Councilman Boland, Resolution No. 86-72 was unanimously adopted.

Complete text of Resolution No. 86-72 will be found in Resolution Book No. 16 at page 22.

RESOLUTION NO. 86-73 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT AND ANY CHANGE ORDERS WITHIN THE BUDGETED AMOUNT WITH BLUE RIDGE STRUCTURE COMPANY FOR THE PROJECT KNOWN AS GLEN FALLS ROAD BRIDGE REPLACEMENT PROJECT

9. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville a contract and any change order within the budgeted amount with Blue Ridge Structure Company for the project known as Glen Falls Road Bridge Replacement Project.

Mayor Bissette said Glen Falls Road Bridge is located upon a City System street and is in need of replacement due to its age and present condition. This bridge is included in the Federal Aid Off-System Bridge Replacement Program. Bridge replacement and design plans have been prepared and approved by City, State and Federal officials. Low bidder for the project is Blue Ridge Structure Company. This resolution will authorize the Mayor to execute a contract and any change order within the budgeted amount for this project. Total contact amount is $73,240.70.

Upon inquiry of Councilman Tisdale, the City Manager said the City of Asheville will be reimbursed 80% of the contract amount from the state from the Bridge Replacement Program.

Mayor Bissette noted that the construction period for the replacement project would be 180 days. He said traffic would be closed on Glen Falls Road Bridge during construction.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bratton, seconded by Councilman Michalove, Resolution No. 86-73 was unanimously adopted.

Complete text of Resolution No. 86-73 will be found in Resolution Book No. 16 at page 23.

RESOLUTION NO. 86-74 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AMENDMENT TO THE MEMORANDUM OF UNDERSTANDING BY AND BETWEEN SUNBELT HISTORIC PROPERTIES LIMITED PARTNERSHIP AND THE CITY OF ASHEVILLE

10. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an amendment to the Memorandum of Understanding by and between Sunbelt Historic Properties Limited Partnership and the City of Asheville.

Mayor Bissette said the City of Asheville and Sunbelt Historic Properties Limited Partnership entered into a Memorandum of Understanding dated December 10, 1985, setting forth the responsibilities of each party with regard to a redevelopment project for the Wall Street area. The parties now desire to amend that Agreement with regard to the City's funding of

Complete text of Resolution No. 86-77 will be found in Resolution Book No. 16 at page 27 and 28.

COMMENTS RELATIVE TO INTERGOVERNMENTAL COMMITTEE OF CITY OF ASHEVILLE AND COUNTY OF BUNCOMBE

Mayor Bissette said Council had recently reenacted the Intergovernmental Committee of the City of Asheville and County of Buncombe in order that the committee could discuss matters of mutual concern to both the City and County. He said it was hopeful that the committee could meet on a monthly basis. He said the committee members would be Councilman Boland, Vice-Mayor Frank, Councilman Tisdale, Commissioner Montgomery, and Commissioner Sobol.

COMMENT BY COUNCILMAN BRATTON RELATIVE TO ESTHER ROWE

Councilman Bratton noted that Esther Rowe, J. J.'s mother on "Good Times" would be making public appearances in the City of Asheville for the next few days.

RESOLUTION NO. 86-78 - RESOLUTION AUTHORIZING THE SALE BY THE COUNTY OF BUNCOMBE OF TAX LOT IDENTIFIED AS WARD 1, SHEET 1, LOT 282 (VELVET STREET)

Consideration was given to a resolution authorizing the sale by the County of Buncombe of Tax Lot identified as Ward 1, Sheet 1, Lot 282 on Velvet Street.

Mayor Bissette read the resolution stating that the City of Asheville and the County of Buncombe entered into an agreement dated November 5, 1984 to set forth the responsibilities of the City and County with regard to prior responsibilities of the Buncombe County Board of Tax Supervision. He said pursuant to that agreement the County is authorized to sale and convey all property heretofore titled in the name of the Buncombe County Board of Tax Supervision to such person or party and for such price on such terms as the Board of County Commissioners shall deem for the best interests of the City of Asheville, subject to the prior approval of the City. He said pursuant to Resolution No. 85-224 the City approved the sale by the County of a certain number of lots at a price not less than the current tax valuation. He said other lots titled in the name of the Buncombe County Tax Supervision and located within the city limits of the City of Asheville were retained for the City's use pursuant to recommendation of City staff and approval of the City Council. He said it has now been determined that the tax lot identified as Ward 1, Sheet 1, Lot 282 does not need to be retained and it can be released by the City.

Upon motion of Councilman Boland, seconded by Councilman Tisdale, Resolution No. 86-78 was unanimously adopted.

Complete text of Resolution No. 86-78 will be found in Resolution Book No. 16 at page 29 and 30.

SCHEDULING PUBLIC HEARING - FINAL SUBDIVISION PLAT FOR EMMA AIRPORT ASSOCIATES, INC.

Councilman Michalove moved to schedule a public hearing relative to the final subdivision plat for Emma Airport Associates, Inc. for May 13, 1986. This motion was seconded by Councilman Tisdale and carried unanimously.

Upon motion of Councilman Boland, seconded by Councilman Bratton, Resolution No. 86-75 was unanimously adopted.

Complete text of Resolution No. 86-75 will be found in Resolution Book No. 16 at page 25.

RESOLUTION NO. 86-76 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN EMPLOYMENT AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND DOUGLAS O. BEAN

12. Consideration was given to a resolution authorizing the Mayor to execute an employment agreement by and between the City of Asheville and Douglas O. Bean.

Mayor Bissette said this agreement sets forth the terms and conditions of the employment of Douglas O. Bean as City Manager. He said the agreement does not set forth a specific time period.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Tisdale, seconded by Councilman Boland, Resolution No. 86-76 was unanimously adopted.

Complete text of Resolution No. 86-76 will be found in Resolution Book No. 16 at page 26.

RESOLUTION NO. 86-77 - RESOLUTION ESTABLISHING THE ASHEVILLE CABLEVISION COMMISSION

13. Consideration was given to a resolution establishing the Asheville Cablevision Commission and appointing members to said commission.

Mayor Bissette said the Asheville City Council desires to establish an Asheville Cablevision Commission. This Commission will include a representative of the City Council, the General Manager of Asheville Cablevision, the Chairman of the Asheville-Buncombe Cable Television Committee, and two (2) additional representatives from the community. The responsibility of the Commission will be to monitor Asheville Cablevision's compliance with the terms of its franchise agreement and to provide regular communications between Asheville Cablevision and the City of Asheville. This resolution also will appoint members to The Asheville Cablevision Commission.

Mayor Bissette said this resolution would appoint Councilman George Tisdale as a representative of City Council; Joe Haight, as General Manager of Asheville Cablevision; W. P. "Pete" Winslow; Chairman Representative of the Asheville-Buncombe Cable Television Committee; Minnie E. Jones, community representative; and Pearce Weaver as a community representative to serve at the pleasure of Council. He said this resolution would also specify that the representative of City Council shall serve as Chairman of the Asheville Cablevision Commission.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Michalove, seconded by Councilman Boland, Resolution No. 86-77 was unanimously adopted.

Tuesday - May 6, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilmen Walter R. Boland and Wilhelmina Bratton.

INVOCATION

The invocation was given by Councilman George Tisdale.

APPROVAL OF THE MINUTES - APRIL 29, 1986 MEETING

1. Consideration was given to the approval of the minutes of the April 29, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

RESOLUTION NO. 86-79 - RESOLUTION OF APPRECIATION TO BOB WILLIAMS (NEWS REPORTER FOR WISE - KISS-FM RADIO STATION)

3. Mayor Bissette read a resolution of appreciation to Bob Williams, who has served the citizens of Asheville as a new reporter for WISE-KISS FM Radio Station for the past three years. He said Bob Williams would be leaving the City of Asheville on May 9, 1986, to advance in his career by accepting a position of news director for a radio station in Augusta, Georgia. He said this resolution expresses the sincere appreciation on behalf of the residents of Asheville for his dedication to the City and its citizens throughout his tenure with WISE-KISS FM and his service to the City.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-79 was unanimously adopted.

Mayor Bissette presented the resolution to Bob Williams.

Complete text of Resolution No. 86-79 will be found in Resolution Book No. 16 at page 31.

PROCLAMATION - WEEK OF MAY 3, 1986, AS "HERITAGE WEEK"

2. Mayor Bissette read a proclamation proclaiming the week of May 3, 1986, as "Heritage Week."

Mayor Bissette presented the proclamation to Sybil Bowers, Director of Historic Resources Commission, and Marge Turcot, President of the Preservation Society of Asheville and Buncombe County.

CLAIMS - DORIS H. MACE (STREET) - JUDY SHAFT (WATER) - W. RUSTY ERICKSON (PARKS) - SANDRA OWENBY (STREET) - DIANNA NORDSTROM (WATER)

The City Manager presented claims received from Doris H. Mace, Judy Shaft, W. Rusty Erickson, Sandra Owenby, and Dianna Nordstrom.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

JEANNIE CALLOWAY - SISTER CITY PROGRAM - SOVIET UNION

Jeannie Calloway appeared before Council stating that the City of Asheville had been paired with the City of Kislovodsk in the Soviet Union. She said approximately fifteen people from Asheville with various backgrounds and interests have made travel arrangements to visit this sister city during the month of May. She said they would be taking gifts to be given out in Kislovodsk and the individuals traveling have given over $500 "out of pocket expenses" for these gifts. She requested that the City of Asheville provide an allocation of funds in the amount of $500 for additional gifts from the Folk Art Center such as quilts and tapes, etc. to take to the people in Kislovodsk.

Mayor Bissette asked that Mrs. Calloway request the funding from the City Manager, and Council would give her an answer next week relative to her request for funding.

BILL BASS - PROPERTY MANAGER FOR DEERWOOD CONDOMINIUMS REQUESTS

Bill Bass, with Raintree Properties, said his company is property manager for Deerwood Condominiums on Hendersonville Road. He said the condominiums are now in the City of Asheville. In the way of background information, Mr. Bass said Deerwood Condominiums owns their own lighting system, has no problems with police or fire protection, does not have City garbage pick-up (pays Skyland Refuse Collection $5.15 per month per unit for garbage pick-up), the roads in the condominium area are privately maintained and there has been very little expenditures by the City for the condominium project. He said the City of Asheville receives approximately $500 per unit per year in taxes. He requested, on behalf of the property owners at Deerwood Condominiums, assistance in maintaining the street lighting system in the amount of $116 per month and assistance in garbage pick-up in the amount of $7 per month per unit. He said the total being requested would be $413 per month or $4,956 per year.

Mayor Bissette told Mr. Bass that Council would look into their request and report back to them in the next couple of weeks.

RALPH BISHOP OBTAINING CITY RECORDS - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to his right to obtain certain City records, and the lottery sales in the City of Asheville. He also requested a copy of the employment agreement with Douglas O. Bean as City Manager.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Boland, the meeting adjourned at 5:15 p.m.

Mayor

City Clerk

RESOLUTION NO. 86-81 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE EASEMENT IN FAVOR OF THE CAROLINA POWER & LIGHT COMPANY (PROPERTY LOCATED AT THE ASHEVILLE REGIONAL AIRPORT)

7. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute an easement in favor of the Carolina Power & Light Company for property located at the Asheville Regional Airport.

Mayor Bissette said Carolina Power & Light Company has requested that the City of Asheville execute a right-of-way easement on property belonging to the City of Asheville located at the Asheville Regional Airport for the purpose of updating an existing electric power line as shown on Carolina Power & Light Company Drawing No. RW-D-5979 dated August 31, 1979, to serve FAA MALSR; Skyland Volunteer Fire Department and Asheville Airport Fire Training Center.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 86-81 was unanimously adopted.

Complete text of Resolution No. 86-81 will be found in Resolution Book No. 16 at page 33.

BIDS - TRAILER-MOUNTED ASPHALT MAINTENANCE SPRAY TANK/DISTRIBUTOR

8. Consideration was given to bids received for a trailer-mounted asphalt maintenance spray tank/distributor.

Mayor Bissette said sealed bids were invited to furnish one (1) trailer-mounted asphalt maintenance spray tank/distributor for the Public Works Department, Street Division. Three (3) bids were received with A. E. Finley and Associates, Inc., Charlotte, North Carolina submitting the lowest bid for an E. D. Etnyre Model MU-10-TRL. This bid fully meets specifications and all other requirements of the bid requests. There are sufficient funds in the Street Division budget to cover this cost ($15,083.00) - account code 50-427-074.

The City Manager presented the bid summary sheet stating that bids were received from A. E. Finley and Associates in the amount of $15,083.00; Arrow Equipment, Inc., in the amount of $17,542.90; and North Carolina Equipment Company in the amount of $25,280.00.

Vice-Mayor Frank moved to accept the bid of A. E. Finley and Associates in the amount of $15,083.00 for the trailer-mounted asphalt maintenance spray tank/distributor. This motion was seconded by Councilman Tisdale and carried unanimously.

PROCLAMATION - MAY 6-11, 1986 - "DAYS OF REMEMBRANCE OF THE VICTIMS OF THE HOLOCAUST"

4. Mayor Bissette read a proclamation proclaiming May 6-11, 1986, as "Days of Remembrance of the Victims of the Holocaust."

Mayor Bissette presented the proclamation to Rabbi Bluming with the Beth Ha-Tephila Temple.

PROCLAMATION - MAY 10, 1986 - BRAD DAUGHERTY DAY

5. Mayor Bissette read a proclamation extending best wishes to Brad Daugherty on May 10, 1986, as the Town of Black Mountain honors him as an outstanding athlete on the University of North Carolina Tar Heels basketball team from 1982-1986.

Mayor Bissette presented the proclamation to Doug Stafford, Alderman for the Town of Black Mountain.

RESOLUTION NO. 86-80 - RESOLUTION APPROVING THE BY-LAWS OF THE ASHEVILLE FAIR HOUSING COMMISSION

6. Consideration was given to a resolution approving the by-laws of the Asheville Fair Housing Commission.

Mayor Bissette said the Asheville City Council created the Asheville Fair Housing Commission by adoption of Ordinance No. 1539 on October 15, 1985. This ordinance requires that prior to performing any duties, the Commission shall adopt by-laws governing the Commission's operating procedures. The Asheville Fair Housing Commission adopted by-laws on April 16, 1986. City Council has reviewed the by-laws and desires to approve them.

Mayor Bissette said members of Council were previously furnished copies of the resolution and the by-laws, and they would not be read in their entirety unless there was a specific request to do so.

Corporation Counsel Slawter said during the Pre-Council meeting, Council members had requested that the by-laws be amended to include that the Chairman shall vote on all matters before the Commission; that the Secretary of the Commission keep minutes of all meetings and proceedings; that to the extent not provided for in the by-laws, rules of procedure for conduct of the meetings shall be provided by Roberts' Rules of Order as Revised; and that the rules of the Commission can be amended at any time by City Council or by an affirmative vote of the majority of the members, subject to the approval of City Council.

Upon inquiry of Councilman Tisdale, Mayor Bissette said the Department of Housing and Urban Development will fund the Fair Housing Commission at a fixed amount for two years, then on a case-by-case basis.

Upon motion of Councilman Price, seconded by Councilman Michalove, Resolution No. 86-80 was unanimously adopted.

Complete text of Resolution No. 86-80 will be found in Resolution Book No. 16 at page 32.

Upon motion of Councilman Michalove, seconded by Councilman Price, the Consent Agenda was unanimously approved.

CLAIMS - RICHARD GUTHRIE (POLICE)

The City Manager presented a claim received from Richard Guthrie.

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

LEAGUE OF WOMEN VOTERS

Leah Karpin, with the League of Women Voters, encouraged all members of Council and citizens to vote in the election today, and to vote against the nuclear waste depository being in Western North Carolina.

RALPH BISHOP - LOTTERY SALES - ASHEVILLE POLICE DEPARTMENT

Ralph Bishop spoke to members of Council relative to the lottery sales in the City of Asheville and the Asheville Police Department.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, the meeting adjourned at 4:50 p.m.

MAYOR

CITY CLERK

APPROVAL OF THE CONSENT AGENDA

9. Consideration was given to a motion approving the Consent Agenda.

Mayor Bissette said the following items are of a routine nature, and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Schedule a public hearing for a site plan of the proposed Pinecliff Condominiums to be located on State Road 2243 for May 27, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission, at a meeting held April 9, 1986, reviewed the site plan of the proposed Pinecliff Condominiums to be located on State Road 2243. The site plan was prepared by Larry Traber, Architect, for Piney Mountain Associates, Inc., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of Phase I (Units A thru J and the recreational facilities), subject to: 1) satisfactory easement for developer to tie into sewer line; 2) satisfactory easement to protect City's 16" water line; and 3) compliance with the Erosion Control Ordinance.

B. Schedule a public hearing for the site plan of the proposed apartment complex to be located on St. Dunstan's Road for May 27, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held April 9, 1986, reviewed the site plan of the proposed apartment complex to be located on St. Dunstan's Road. The site plan was prepared by Gray Engineering, Greenville, South Carolina, for Wade Cooper, Developer, and submitted in accordance with the Group Development section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend denial of the site plan to City Council.

C. Schedule a public hearing for the site plan of a proposed addition to Peppertree Vacation Club on the grounds of the Great Smokies Hilton for May 27, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held April 9, 1986, reviewed the site plan of a proposed addition to Peppertree Vacation Club on the grounds of the Great Smokies Hilton. The site plan was submitted by Mr. C. Wayne Kinser, Owner, Great Smokies Hilton, in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan subject to compliance with the Erosion Control Ordinance.

PROCLAMATION - MAY 18 - 24, 1986 - "PUBLIC WORKS WEEK".

4. Mayor Bissette read a proclamation proclaiming May 18 - 24, 1986 as " Public Works Week".

Clark Brown, Director of Public Works, accepted the proclamation from Mayor Bissette.

PROCLAMATION - MAY, 1986 - "MOTORCYCLE AWARENESS MONTH"

5. Mayor Bissette read a proclamation proclaiming the Month of May, 1986 as "Motorcycle Awareness Month".

Mayor Bissette presented the proclamation to Gary Aiken, President of the Buncombe County Chapter for Concerned Bikers Association.

PUBLIC HEARING - FINAL SUBDIVISION PLAT - EMMA AIRPORT ASSOCIATES, INC.

6. A public hearing was held relative to a final subdivision plat for the Emma Airport Associates, Inc.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held April 9, 1986, approved the preliminary plat of an industrial subdivision to be located on Emma Road at the old Emma Airport. This final plat was prepared by Ashley Engineering for Mr. Bob Kinser, Emma Airport Associates, Developer, and submitted in accordance with Ordinance No. 424, as amended.

Mayor Bissette opened the public hearing at 4:20 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Board has reviewed and recommended approval of the final plat for the Emma Airport Associates, Inc. He said the site is located on the old Emma Airport property and is zoned Light Industrial. He said the proposed development meets all the requirements of the subdivision ordinance. He said the project would consist of eleven lots to be used for light industries.

Shelly Shelton, 295 Brickyard Road, objected to projects in the area, stating that two access entrances has been constructed on Brickyard Road. She said at the beginning of the construction the City and County had said there were no plans or approvals for entrances on Brickyard Road. She said Brickyard Road is a small narrow county road, and the entrances have been made in a very dangerous curve. She said it is her understanding that the main entrance for the project will be used by tractor trailers.

Mayor Bissette explained to Mrs. Shelton that the approval of the final subdivision plat for the Emma Airport Associates, Inc. does not include any entrances off Brickyard Road. He said it was his understanding that another proposed development would be considered by the Planning and Zoning Commission on May 14, 1986 by the Kinco Corporation and that development would come before Council at a later date.

Tuesday - May 13, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

BELE CHERE KICK-OFF

Ray Kisiah, Director of Parks, Recreation and Maintenance Facilities introduced Jim Daniels, Chairman of the Board of Directors for Bele Chere 1986.

Jim Daniels presented a band for members of Council, and invited all members of Council to attend Bele Chere 1986. He outlined the events that would take place during Bele Chere 1986.

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - MAY 6, 1986 MEETING

1. Consideration was given to the approval of the minutes of the May 6, 1986 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - MAY 18 - 25, 1986 - "SMALL BUSINESS WEEK"

2. Mayor Bissette read a proclamation proclaiming May 18 - 25, 1986 as "Small Business Week".

Mayor Bissette presented the proclamation to Bob Kendrick with the Small Business Council of the Asheville Area Chamber of Commerce.

PROCLAMATION - MAY 11 - 17, 1986 - "LAW ENFORCEMENT OFFICERS WEEK".

3. Mayor Bissette read a proclamation proclaiming May 11 - 17, 1986 as "Law Enforcement Officers Week".

Mayor Bissette presented the proclamation to Major Pipitone and Dr. Howard Shockley, Chaplain for the Asheville Police Department.

Dr. Shockley invited members of Council to attend a Law Enforcement Officers Memorial Service on Thursday, May 15, 1986, at 12:30 p.m. in the City-County Plaza honoring the men who lost their lives as law enforcement officers.

Complete text of Resolution No. 86-83 will be found in Resolution Book No. 16 at Page 35.

APPROVAL OF SIGN PERMIT - SHONEY'S - 102 TUNNEL ROAD

9. Consideration was given to a motion approving a sign permit for an identification sign at 102 Tunnel Road.

Mayor Bissette said Gary Lowe has requested a sign permit to erect an identification sign at 102 Tunnel Road advertising "Shoney's". This sign requires approval of City Council pursuant to the zoning ordinance in that the sign will be situated closer than 600' of a limited access highway.

Verl Emrick, Director of Planning, presented a diagram for the proposed sign. He said the sign is an off-premises advertising sign containing 320 square feet. He showed the proposed location of the sign on the property. He said the Planning Staff would recommend denial of the approval of this sign permit due to the location of the sign being located close to a motel which would limit the ability of the Fire Department to fight a fire in the motel. He said if the sign was moved forward from the proposed location, it would limit visibility.

Mack Robinson, with Naegele Outdoor Advertising Company spoke in support of approval of the sign permit. He said one side of the sign would be an identification sign for Shoney's and the other side would be used for another business in that area. He said the trees in the area would obscure the sign from being visible from I-240. He said the sign was designed to meet the needs of the businesses on Tunnel Road.

Upon inquiry of Councilman Tisdale, Mr. Robinson said Naegele Outdoor Advertising Company would have no objection to moving the sign closer to the building and away from the property line.

Upon inquiry of Councilman Tisdale, Mr. Emrick said the Planning staff would still recommend denial even if the sign is moved forward due to the limited visibility.

Councilman Price and Councilman Boland indicated that they felt the sign would be another billboard in the area, and they would be opposed to additional clutter on Tunnel Road of billboard signs.

After discussion, Councilman Tisdale moved to postpone action relative to approving the sign permit at 102 Tunnel Road for one week until a formal report could be received from the Asheville Fire Department relative to safety. This motion was seconded by Councilman Michalove and carried on a voice vote of 4-3 with Councilman Price, Councilman Boland, and Vice-Mayor Frank voting "no".

SCHEDULING OF PUBLIC HEARING - COMMUNITY DEVELOPMENT STATEMENT OF OBJECTIVES

10. Consideration was given to a motion to schedule a public hearing on Community Development Statement of Objectives for May 27, 1986.

Mayor Bissette said this public hearing will be to obtain citizen views on 1986-87 Community Development program objectives and is a legal requirement in obtaining Community Development Block Grant Funds.

Mike Keleher expressed appreciation to the Planning Staff and Council for their cooperation in his proposed development.

Mayor Bissette closed the public hearing at 4:30 p.m.

Councilman Michalove moved to approve the final subdivision plat for the Emma Airport Associates, Inc. to be located on Emma Road at the old Emma Airport. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION NO. 86-82 - RESOLUTION AUTHORIZING THE SALE BY THE COUNTY OF BUNCOMBE OF TAX LOTS IDENTIFIED AS WARD 1, SHEET 1, LOTS 53, 54, 55 and 56

7. Consideration was given to a resolution authorizing the sale by the County of Buncombe of tax lots identified as Ward 1, Sheet 1, Lots 53, 54, 55 and 56.

Mayor Bissette said the City of Asheville and the County of Buncombe entered into an Agreement dated November 5, 1984, to set forth the responsibilities of the City and County with regard to prior responsibilities of the Buncombe County Board of Tax Supervision. Pursuant to that Agreement, the County is authorized to sell and convey all property heretofore titled in the name of the Buncombe County Board of Tax Supervision to such person or party and for such price on such terms as the Board of County Commissioners shall deem for the best interest of the City of Asheville, subject to the prior approval of the City. This resolution would authorize and approve the sale by the County of Buncombe of tax lots identified as Ward 1, Sheet 1, Lots 53, 54, 55 and 56 at a price not less than the current tax valuation. He said revenue to the City would be approximately 50% of the current tax valuations of the lots sold. Tax valuation for Tax Lot 53 - $1,000; Tax Lot 54 - $100; Tax Lot 55 - $700; and Tax Lot 56 - $700.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 86-82 was unanimously adopted.

Complete text of Resolution No. 86-82 will be found in Resolution Book No. 16 at page 34.

RESOLUTION NO. 86-83 - RESOLUTION APPOINTING A MEMBER TO THE ASHEVILLE FAIR HOUSING COMMISSION (EDWARD C. HAY, JR.)

8. Consideration was given to a resolution appointing Edward C. Hay, Jr. to the Asheville Fair Housing Commission.

Mayor Bissette said this resolution will appoint Edward C. Hay, Jr. to the Asheville Fair Housing Commission to fill the unexpired term of Tom West, term expiring February 11, 1989.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 86-83 was unanimously adopted.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, the meeting adjourned at 5:15 p.m.

CITY CLERK

MAYOR

Councilman Michalove moved to schedule a public hearing on the Community Development Statement of Objectives for May 27, 1986. This motion was seconded by Councilman Price and carried unanimously.

REQUEST BY ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL FOR FUNDING

11. J. D. Jackson, member of the Adult Advisory Board for the Asheville-Buncombe County Youth Council requested a contribution of $15,000 in joint funding with the County of Buncombe in financing a youth center at the Allen Center.

Nancy Hensley, Chairperson for the Asheville-Buncombe Youth Council, next year, spoke in support of the funding for the youth center stating that a lot of research work has been done on this project, and the teenagers in the area need a center to go to. She said the teenagers in the area do not have a place to go to after 9:00 p.m.

Sandra Harrison, Director of the Asheville-Buncombe Youth Council spoke in support of the funding stating that the youth center would be for all youth in the City and County and not just for the Youth Council members.

After discussion relative to the limited use of facilities in Asheville and Buncombe County for the youth, Mayor Bissette said Council would consider their request and would be back in touch with them relative to the funding requested.

REPORT BY COUNCILMAN TISDALE - ASHEVILLE CABLEVISION COMMISSION MEETING

12. Councilman Tisdale informed members of Council and the public that the Asheville Cablevision Commission had its first meeting on Monday, May 12, 1986, with all members attending. He said it was the concensus of the Commission to meet the 2nd Monday of each month and the news media was, and will be, notified of all meetings. He said the next meeting for the Asheville Cablevision Commission is scheduled for June 9, 1986, at the Asheville Cablevision office on Charlotte Street for a tour of the facility.

CLAIMS - GEORGE THOMPSON (SEWER) - ROOSEVELT BROADWATER (WATER) - BETSY STILES (SEWER) - LAND-OF-SKY BEAUTY SHOP (SEWER) - MR. & MRS. C. WREN (WATER)

13. The City Manager presented claims received from George Thompson, Roosevelt Broadwater, Betsy Stiles, Land-of-Sky Beauty Shop and Mr. & Mrs. C. Wren.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES IN THE CITY OF ASHEVILLE, SIGNS ON TUNNEL ROAD, AND FUNDING OF A CONSULTANT FOR THE DOWNTOWN PARKING STUDY

14. Ralph Bishop spoke to members of Council relative to the lottery sales in the City of Asheville, signs being located on Tunnel Road, and his concern that monies had been provided for a consultant for a downtown parking study.

Councilman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1584. This motion was seconded by Councilman Michalove and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1584 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1584. This motion was seconded by Councilman Price and carried unanimously

On a roll call vote of 7-0, Ordinance No. 1584 passed on third and final reading.

Complete text of Ordinance No. 1584 will be found in Ordinance Book No. 11 at page 13-16.

ORDINANCE NO. 1585 - AN ORDINANCE AMENDING CITY OF ASHEVILLE ORDINANCE NO. 1195, AS CODIFIED AS ARTICLE 13 OF CHAPTER 30 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

3. Consideration was given to an ordinance amending City of Asheville Ordinance No. 1195, as codified as Article 13 of Chapter 30 of the Code of Ordinances of the City of Asheville.

Mayor Bissette said the City of Asheville desires to be designated as a Certified Local Government for historic preservation purposes. The North Carolina State Department of Cultural Resources has determined that certain amendments should be made to City of Asheville Ordinance No. 1195 creating the Montford Historic District, in order that the City of Asheville may be designated as a Certified Local Government.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1585. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1585 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1585. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1585 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1585. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1585 passed on third and final reading.

Complete text of Ordinance No. 1585 will be found in Ordinance Book No. 11 at page 17 and 18.

Tuesday - May 20, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - MAY 13, 1986 MEETING

1. Consideration was given to the approval of the minutes of the May 13, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

ORDINANCE NO. 1584 - AN ORDINANCE AMENDING ORDINANCE NO. 1109, CODIFIED AS CHAPTER 14A OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

2. Consideration was given to an ordinance amending Ordinance No. 1109, Codified as Chapter 14A of the Code of Ordinances of the City of Asheville.

Mayor Bissette said the City of Asheville desires to be designated as a Certified Local Government for historic preservation purposes. The North Carolina State Department of Cultural Resources has determined that certain amendments should be made to City of Asheville Ordinance No. 1109, which creates the Historic Resources Commission of Asheville and Buncombe County in order that the City of Asheville may be designated as a Certified Local Government.

Verl Emrick, Director of Planning, said the amendments to the ordinance are minor and primarily include language to provide for archeological surveys when needed.

Sybil Bowers, with the Historic Resources Commission, said this amendment is also part of the City's application to be designated as a certified local government which will allow the City to apply for grants.

Councilman Boland moved for the adoption of Ordinance No. 1584. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1584 passed on first reading.

RESOLUTION NO. 86-84 - RESOLUTION ESTABLISHING A POLICY FOR FUNDING OUTSIDE AGENCIES

5. Consideration was given to a resolution establishing a policy for funding outside agencies.

Mayor Bissette said the City Council wishes to establish a policy for contribution to funding of outside agencies. Requests for contributions to the funding of outside agencies shall not be considered where the scope of the benefit derived from the funding extends beyond the corporate limits of the City of Asheville including but not limited to the items of County responsibility identified in the Water Agreement dated October 29, 1981. The outside agencies specifically referred to in the Water Agreement shall not be funded by the City beyond the scope of the funding provided for in said agreement.

Mayor Bissette also noted that each year the City Council receives requests from many agencies for funding. He said, in his opinion, Council should establish a policy for such funding since tax payers in the City of Asheville were funding many agencies twice, as a City tax payer and a County tax payer.

Councilman Michalove noted that although he agreed with the concept of eliminating double taxation, he would prefer that Council consider various agency request on a year-to-year basis.

Mayor Bissette noted that this policy would not cover agencies that provide contract services.

Mayor Bissette said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 86-84 was unanimously adopted.

Complete text of Resolution No. 86-84 will be found in Resolution Book No. 16 at page 36.

RESOLUTION NO. 86-85 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE TERMINATING A LEASE

6. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an agreement by and between the City of Asheville and the Housing Authority of the City of Asheville terminating a lease.

Mayor Bissette said the property subject to this lease agreement is part of the Pack Plaza Redevelopment Project. In the City's agreement with the developer, the City agreed to cancel the unexpired term of the lease at

ORDINANCE NO. 1553 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "THE MANOR" AT 265 CHARLOTTE STREET IN ASHEVILLE, NORTH CAROLINA, CURRENTLY OWNED BY TRANSCO FINANCIAL GROUP, LTD., AS HISTORIC PROPERTY

4. Consideration was given to the second reading of Ordinance No. 1553, an ordinance designating a building and property known as "The Manor" at 265 Charlotte Street in Asheville, North Carolina, currently owned by Transco Financial Group, Ltd., as historic property.

Mayor Bissette said "The Manor" was completed in 1899 as an "English Country Inn In America", and is a rare surviving example of the picturesque resort development so important to the history of the North Carolina mountains. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission. This ordinance passed on first reading on November 26, 1985. At the December 3, 1985 Council meeting, Council postponed the second reading of this ordinance until February 4, 1986 due to a pending process of completing foreclosure proceedings against the property. At the February 4, 1986 meeting, council continued the second reading until February 11, 1986. At the February 11, 1986, meeting the second reading was postponed until May 20, 1986.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Jim Coman, with the Historic Resources Commission spoke in support of adoption of the ordinance. He said he had been in contact with Bill Thomas, representative for Mr. Elman, present owner of the Manor. He said the historic Resources Commission is willing to compromise on the adoption of the ordinance and to delete the interior portion for historic designation. He said he felt postponing of the readings of the ordinance is just a delaying action on the part of the present owner. He said Mr. Elman does not have an interest in restoring the building for historic purposes. He said the Historic Resources Commission is concerned about demolition of the building, and the adoption of this ordinance would delay demolition for at least 180 days. He outlined what portions of the Manor Inn would be included in the historical designation.

After discussion, Councilman Michalove moved that Council consider the second reading of Ordinance No. 1553 today and that the legal staff and the Historic Resources Commission investigate the feasibility, and prepare appropriate language, to amend the ordinance to delete the interior portion of the Manor from historical designation prior to the third reading of the ordinance. This motion was seconded by Councilman Tisdale and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1553 passed on second reading.

Mayor Bissette said the proposed amendment to Ordinance No. 1553 should be forwarded to the property owner's attorney, Jerry Crowe.

Mack Robinson, with Naegele Outdoor Advertising Company, spoke in support of the sign permit, stating that outdoor advertising is primarily for small businesses. He said Naegele Outdoor Advertising Company has taken down five billboard faces in the City of Asheville during the past two months. He said restaurants are competitive and they need the additional signage.

Councilman Bratton said that over the past couple of years the City of Asheville has spent alot of money on economic development. She said she felt businesses need their advertising space.

Councilman Price, speaking in opposition to the approval of the sign permit, said she felt our community is for tourists and that the billboard would be additional clutter on Tunnel Road.

Councilman Boland said he agreed with Councilman Price. He said he felt our economy is based on tourism, and if we continue to clutter the City of Asheville with billboards, tourism will decrease.

Councilman Tisdale spoke in support of the approval of the sign permit, stating that if the sign was proposed for across the street, approval from City Council would not be necessary. He said the sign in question only requires approval from City Council because it will be located closer than 600 feet of a limited access highway.

Vice-Mayor Frank said she felt there were too many signs on Tunnel Road.

Councilman Michalove spoke in support of the sign permit, stating that the City of Asheville needs businesses.

A discussion was held relative to strengthening the current sign ordinance.

Councilman Michalove moved to approve the sign permit requested at 102 Tunnel Road. This motion was seconded by Councilman Bratton and carried on a voice vote of 4-2, with Councilman Michalove, Councilman Bratton, Mayor Bissette, and Councilman Tisdale voting "aye" and Vice-Mayor Frank, Councilman Price, and Councilman Boland voting "no".

Leah Karpen spoke in opposition to the sign permit being approved.

Jane Bingham also spoke in opposition to the sign permit.

Frank Parton spoke in opposition to approval of the sign permit.

Councilman Michalove requested that the City Attorney review the current ordinance and the legality of amending the ordinance, stating that Council would not approve any off-premises signs that are within 600 feet of a limited access highway. He requested that a report be given back to Council on this matter within two weeks.

the time the property was transferred to the developer. The property was transferred to the developer on May 8, 1986, and the lease will be terminated effective May 8, 1986. This resolution will authorize the Mayor to execute an agreement terminating the lease.

Mayor Bissette said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 86-85 was unanimously adopted.

Complete text of Resolution No. 86-85 will be found in Resolution Book No. 16 at page 37-38.

APPROVAL OF SIGN PERMIT - 102 TUNNEL ROAD

7. Consideration was given to a motion approving a sign permit for an identification sign at 102 Tunnel Road.

Mayor Bissette said Gary Lowe has requested a sign permit to erect an identification sign at 102 Tunnel Road advertising "Shoney's". This sign requires approval of City Council pursuant to the zoning ordinance in that the sign will be situated closer than 600' of a limited access highway. This was continued from the May 13, 1986 meeting.

The City Manager said he had received a report from the Fire Department stating that if the proposed sign is located 10 feet from the property line, there would be no problem with the Asheville Fire Department servicing that area.

Verl Emrick, Director of Planning, said this sign would add 320 square feet to the total signage allowable at this location. He said with the addition of this sign, the total signage for Shoney's would be 470 square feet. He said this, within itself, would not be a conflict with the Sign Ordinance, however, any additional signage requested would have to be approved by the Board Adjustments.

Harold Johnson of 165 Cherokee Road strongly objected to any more billboard signs anywhere in the City of Asheville.

Susan Mayer, with Quality Forward, said she felt Council should stick to enforcing the Sign Ordinance, and not add clutter to Tunnel Road. She said advertising of various businesses could be done by logos on the interstate rather than by billboards.

Ralph Bishop spoke for the approval of the sign permit.

Doug Swain, representing a group of concerned citizens, spoke in opposition to the approval of the sign permit stating that Council should be careful in their consideration of sign permits and should stop the number of billboards going up in the City of Asheville.

David Quinn, also spoke in opposition to the sign permit stating that, in his opinion, the City of Asheville did not need another billboard on Tunnel Road.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Tisdale, the meeting adjourned at 5:35 p.m.

MAYOR

CITY CLERK

RECONSIDERATION OF MOTION RELATIVE TO EMMA AIRPORT ASSOCIATES PROJECT - EXCUSING MAYOR FROM VOTE

8. Mayor Bissette requested that the motion adopted on May 13, 1986, relative to approval of the Emma Airport Associates Project be reopened for consideration.

Councilman Tisdale moved that the motion relative to approval of the Emma Airport Associates Project be reopened for reconsideration. This motion was seconded by Councilman Michalove and carried unanimously.

Mayor Bissette requested that he be excused from participation and vote on this matter due to his law firm providing services for the developer.

Councilman Tisdale moved to excuse Mayor Bissette from participation and vote on the project for Emma Airport Associates. This motion was seconded by Councilman Michalove and carried unanimouusly.

Councilman Price moved to approve the site plan for the Emma Airport Associates. This motion was seconded by Councilman Boland and carried unanimously.

SCHEDULING PUBLIC HEARING - UMTA OPERATING ASSISTANCE GRANT FUNDS

9. Councilman Boland moved to schedule a public hearing relative to Urban Mass Transportation Act Operating Assistance Grant Funding for June 24, 1986. This motion was seconded by Councilman Price and carried unanimously.

CLAIMS - KIM MEASE (WATER) - C. N. PENLAND (WATER) - MARGIE BINGHAM (WATER) - RONALD MILLER (SANITATION)

The City Manager presented claims received from Kim Mease, C. N. Penland, Margie Bingham and Ronald Miller.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

COMMENTS BY NOLA KNUCKLES - MAGNOLIA AND FLINT STREET

10. Nola Knuckles of 222 Flint Street complained that the streets, sidewalks, and water breaks were a problem in the Flint Street and Montford Avenue area.

Mayor Bissette explained that specific problems in that area should be reported to the City Manager and taken care of immediately. He also explained to Mrs. Knuckles that the City Council members are proposing a bond referendum to make major improvements in the City of Asheville which would include streets and sidewalks.

Mrs. Knuckles also requested a stop light at Magnolia and Flint Streets. She said that the playground in that area which attracts children warrants a stop light at this location.

The City Clerk presented the Notice to the Public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, by the use of a map, outlined the area of the proposed project. He said the Planning and Zoning Commission had approved Phase 1 of the proposed project which would consist of 36 units. He said at present there is no recorded easement for the water line and the project does not have access to sewer facilities. He said it is his understanding that the developer has several options relative to obtaining access to sewer lines. He said the developers are negotiating an easement with an adjoining property owner to pump the sewer over a hill to drop into a 20" line going into a 36" line but to his knowledge the easement has not been executed.

Mike Robinson, representing the developer, spoke in support of the project outlining the details of the proposed project. He said the developer proposes to leave as many trees as possible. He requested approval of the project contingent upon the developer obtaining an easement for the sewer facilities.

Jane Hildebran, of 338 Chunn's Cove Road, questioned whether or not the sewer line right-of-way would be from Haw Creek Road through the property line on which the project is proposed.

Mr. Robinson responded to Mrs. Hildebran that the developer is securing a 13' right-of-way for the underground sewerline.

Mayor Bissette closed the public hearing at 4:22 p.m.

After discussion, Councilman Tisdale moved to approve the site plan of the proposed Pinecliff Condominiums subject to 1) satisfactory easement for developer to tie into sewer line; 2) satisfactory easement to protect City's 16" waterline; and 3) compliance with the Erosion Control Ordinance. This motion was seconded by Councilman Bratton and carried unanimously.

PUBLIC HEARING - SITE PLAN - APARTMENT COMPLEX ON ST. DUNSTAN'S ROAD

4. A public hearing was held relative to the site plan of the proposed apartment complex to be located on St. Dunstan's Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held April 9, 1986, reviewed the site plan of the proposed apartment complex to be located on St. Dunstan's Road. The site plan was prepared by Gray Engineering, Greenville, South Carolina, for Wade Cooper, Developer, and submitted in accordance with the Group Development section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend denial of the site plan to City Council.

Mayor Bissette opened the public hearing at 4:25 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the proposed project would consist of 6 units on an one-half acre. He said the Planning and Zoning Board was concerned about the access to the property, and had received a petition on April 8th from George Saenger, attorney for adjoining property owners.

Tuesday - May 27, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Vice-Mayor Frank introduced Reverend J. Walter Hills, Pastor with the Rock Hill Missionary Baptist Church, who gave the invocation.

APPROVAL OF THE MINUTES - MAY 20, 1986 MEETING

1. Consideration was given to the approval of the minutes of the May 20, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - MONTH OF JUNE 1986 - "RAPE PREVENTION MONTH"

2. Mayor Bissette read a proclamation proclaiming the month of June, 1986 as "Rape Prevention Month".

Mayor Bissette presented the proclamation to Cassandra Pavone, Director of the Rape Crisis Center of Asheville.

PROCLAMATION - WEEK BEGINNING JUNE 1, 1986 - "NATIONAL SAFE BOATING WEEK"

2a. Mayor Bissette proclaimed the week beginning June 1, 1986 as "National Safe Boating Week".

PUBLIC HEARING - SITE PLAN - PINECLIFF CONDOMINIUMS

3. A public hearing was held relative to a site plan of the proposed Pinecliff Condominiums to be located on State Road 2243.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held April 9, 1986 reviewed the site plan of the proposed Pinecliff Condominiums to be located on State Road 2243. The site plan was prepared by Larry Traber, Architect, for Piney Mountain Associates, Inc., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of Phase I (Units A thru J and the recreational facilities), subject to: 1) satisfactory easement for developer to tie into sewer line; 2) satisfactory easement to protect City's 16" water line; and 3) compliance with the Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:09 p.m.

Vice-Mayor Frank said the Asheville Planning and Zoning Commission at a meeting held April 9, 1986, reviewed the site plan of a proposed addition to Peppertree Vacation Club on the grounds of the Great Smokies Hilton. The site plan was submitted by Mr. C. Wayne Kinser, Owner, Great Smokies Hilton, in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan subject to compliance with the Erosion Control Ordinance.

Vice-Mayor Frank opened the public hearing at 5:04 p.m.

Verl Emrick, Director of Planning, said the proposed addition would be two additional buildings consisting of eight units. He said all utility connections would be connected to existing utilities. He said all staff and departments have reviewed the plan and recommended approval.

Vice-Mayor Frank closed the public hearing at 5:07 p.m.

Councilman Bratton moved for the approval of the site plan of the proposed addition to Peppertree Vacation Club on the grounds of the Great Smokies Hilton. This motion was seconded by Councilman Boland and carried unanimously.

PUBLIC HEARING - COMMUNITY DEVELOPMENT STATEMENT OF OBJECTIVES

6. A public hearing was held relative to the Community Development's Statement of Objectives and projected use of funds for 1986-87.

Mayor Bissette said this public hearing will be to obtain citizen views on 1986-87 Community Development program objectives and is a legal requirement in obtaining Community Development Block Grant Funds.

Mayor Bissette opened the public hearing at 5:08 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Marvin Vierra, with the Community Development Department, said the City anticipates receiving $890,000 in Community Development Block Grant Funds for fiscal year 1986-87. He outlined the proposed final statement of Community Development objectives and projected use of the funds.

Tony Clark-Sayer, Chairman of the Montford Planning Committee, thanked members of Council for the past support and funding for the Montford area and commended Mr. Vierra for holding hearings in the area relative to the proposed use of the Community Development Block Grant Funds. He requested that the Council proceed cautiously with the use of the Community Development Block Grant Funds requesting that any additional funds that are currently uncommitted and that are in contingency for this year's budget as well as the 1986-87 budget be used for the Montford area. He questioned the use of the Community Development Block Grant Funds for the Rankin Street Parking Garage and also the amount allocated for contingency.

Barry Master, Executive Director of Pisgah Legal Services of 89 Montford Avenue, said he represented the low income and elderly residents in the Montford area. He reiterated comments made by Tony Clark Sayer stating that

George Saenger, attorney representing the adjacent property owners, spoke in opposition to the proposed development stating that this project would be inconsistent with the present neighborhood.

The following individuals spoke in opposition to the proposed project stating that the proposed site is unstable and therefore unsuitable for construction of any type; area residents have experienced unacceptably low level of water pressure and are concerned that this development will compound the problem; the proposed development is not in character with the neighborhood; the proposed site is located at the top of a small wooded cove that served as a buffer strip between St. Dunstan's Road and St. Dunstan's Circle and development of this buffer area would greatly detract from the aesthetics of the community; development and subsequent paving of the proposed site will cause serious erosion problems; the parking lot and associated access roads to the proposed site lie between two dangerous curves on St. Dunstan's Road; and the absence of sidewalks, narrow width of St. Dunstan's Road and the added traffic generated from the proposed development pose a threat to children who play near the site; added traffic on Roebling Circle will aggravate a dust problem that is already severe; and much of the area that has been backfilled has a slope that approachs 40% and it is inconceivable that a 6-family dwelling is being considered on such a steep embankment.

Rick Crawford, 172 St. Dunstan's Road
Linda Crawford, 172 St. Dunstan's Road
Rose Marie Mintern, St. Dunstan's Road
C. L. Lackey, 5 St. Dunstan's Road
Bill Bechtold, 25 St. Dunstan's Circle

Wade Cooper, representing the developer, spoke in support of the proposed project and answered questions from members of Council. He said the project would be built to coordinate with the neighborhood.

Ruel Austin, of 93 St. Dunstan's Circle, also spoke in opposition to the project due to water pressure and children playing in the neighborhood.

Mayor Bissette closed the public hearing at 5:00 p.m.

After discussion, Councilman Price moved to accept the recommendation of the Planning and Zoning Commission to deny the site plan of the proposed apartment complex to be located on St. Dunstan's Road. This motion was seconded by Councilman Bratton and carried unanimously.

PUBLIC HEARING - ADDITION TO PEPPERTREE VACATION CLUB - GREAT SMOKIES HILTON

5. A public hearing was held relative to the site plan of the proposed addition to Peppertree Vacation Club on the grounds of the Great Smokies Hilton.

Mayor Bissette requested that he be excused from participation and vote on this particular project due to his law firm representing the developer.

Councilman Price moved to excuse Mayor Bissette from participation and vote on the issue relative to the proposed addition to Peppertree Vacation Club on the grounds of the Great Smokies Hilton. This motion was seconded by Councilman Tisdale and carried unanimously.

Complete text of Resolution No. 86-86 will be found in Resolution Book No. 16 at page 39.

ORDINANCE NO. 1553 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "THE MANOR" AT 265 CHARLOTTE STREET IN ASHEVILLE, NORTH CAROLINA, CURRENTLY OWNED BY TRANSCO FINANCIAL GROUP, LIMITED AS HISTORICAL PROPERTY

7. Consideration was given to the third reading of Ordinance No. 1553, an ordinance designating a building and property known as "The Manor" at 265 Charlotte Street in Asheville, North Carolina, currently owned by Transco Financial Group, Limited as historical property.

Mayor Bissette said "The Manor" was completed in 1899 as an "English Country Inn in America", and is a rare surviving example of the picturesque resort development so important to the history of the North Carolina mountains. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina Department of Cultural Resources has endorsed the findings of the Commission. This ordinance passed on first reading on November 26, 1985, and on second reading on March 30, 1986

Mayor Bissette said this ordinance was previously read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so.

Corporation Counsel Slawter said at the request of Council the ordinance had been amended to delete the interior portion of "The Manor" as historic property. He read Section 2 as proposed to be amended stating that the Historic Resources Commission shall have no jurisdiction over the interior arrangement of "The Manor".

Councilman Price moved to amend Ordinance No. 1553, Section 2, to add the sentence "the Commission shall have no jurisdiction over interior arrangement". This motion was seconded by Councilman Michalove and carried unanimously.

Corporation Counsel Slawter said he had received a letter from Jerry Crow, Attorney representing the owner of "The Manor", requesting that the third reading of the ordinance be postponed until the second Tuesday in June. He said the letter assured that neither he nor the prospective purchasers have any intention of razing "The Manor" prior to the third reading date of the ordinance.

Councilman Tisdale moved to postpone the third reading of Ordinance No. 1553 until June 10th as requested by Attorney Jerry Crow. This motion was seconded by Councilman Michalove.

A discussion was held relative to the concern that "The Manor" could be demolished at any time prior to the third reading of this ordinance.

Jim Coleman, with the Historic Resources Commission, requested that Council continue with the third reading of the ordinance at today's meeting because the property owner is going to continue to fight for the property not to be designated as historic property.

the residences in the Montford area will be lost if something is not done to help fund the rehabilitation of these residences. He said the primary purpose of the Community Development Block Grant Funds are for low and moderate income neighborhoods and any monies spent in the Montford area would be well spent.

Jim Cairnes, of 209 Cumberland Avenue, also spoke in support of additional funding from Community Development Block Grant Funds for the Montford area.

Sean Devereax / of Alexander requested that additional funds be earmarked for the Montford area.

Upon inquiry of Council, Marvin Vierra said funding for the Community Development Block Grant is included in the President's budget for fiscal year 1987 at the 1986 level. He said contingency balances are only used by authority of Council. He said all funds are committed except for contingency funds.

Ernie Thurston, of 19 Panola St., member of the Montford Community Club, requested that as much money as possible go into the Montford area.

Councilman Boland said, in his opinion, Council should allot planning time to discuss leveraging of public and private money for the Montford area.

A discussion was held relative to the Montford area residents using the Neighborhood Housing Services.

Councilman Michalove requested that the Montford area residents use organizational input from the Housing Authority before Council acts upon appropriations for the Montford area. He said the Housing Authority and agencies were established by ordinance and state law and should be used. He read the responsibilities of the Housing Authority in the interest of moving ahead in the Montford community. He said he felt a meeting was needed between the Montford Community Club, the Housing Authority, and the City Manager.

Councilman Boland agreed with Councilman Michalove's concept of the use of the Housing Authority for the Montford area. (PARAGRAPH AMENDED 6-3-86 MINUTES)

Councilman Tisdale said he was very much interested in the Montford area since the residences in Montford are not historical but are in terrible condition. (PARAGRAPH AMENDED 6-3-86 MINUTES)

Mayor Bissette closed the public hearing at 6:00 p.m.

RESOLUTION NO. 86-86 - RESOLUTION AUTHORIZING SUBMISSION OF A FINAL STATEMENT OF COMMUNITY DEVELOPMENT OBJECTIVES AND PROJECTED USE OF FUNDS TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR COMMUNITY DEVELOPMENT BLOCK GRANT ENTITLEMENT FUNDS - 1986-87

Mayor Bissette said the resolution was previously presented to members of Council and would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Tisdale, Resolution No. 86-86 was unanimously adopted.

C. Motion to schedule a public hearing for a site plan of Sunset Pointe Condominiums to be located on Town Mountain Road for June 17, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held May 14, 1986, reviewed the site plan of Sunset Pointe Condominiums to be located on Town Mountain Road. The site plan was submitted by Freeman, Wells, and Major, Architects, Greenville, S.C. for W.R. Martin Corporation, Developer, in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to: 1) extension of 6" water line 200' north toward existing apartments and addition of one fire hydrant; and 2) compliance with Erosion Control Ordinance.

Upon motion of Councilman Michalove, seconded by Councilman Price, the consent agenda was unanimously approved.

RESOLUTION NO. 86-88 - RESOLUTION RE-APPOINTING MEMBERS TO THE ASHEVILLE AREA CIVIC CENTER COMMISSION (GORDON GREENWOOD - DAVID BROWN - JOE WEBSTER)

Consideration was given to a resolution reappointing David L. Brown, Gordon Greenwood, and Joe L. Webster to the Asheville Area Civic Center Commission to serve a three year term, term expiring June 30, 1989.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, Resolution No. 86-88 was unanimously adopted.

Complete text of Resolution No. 86-88 will be found in Resolution Book No. 16 at page 14.

CLAIMS - GEORGE SIMMONS (PARKS)

The City Manager presented a claim received from George Simmons.

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Tisdale, the meeting adjourned at 6:30 p.m.

_____ Mayor

_____ City Clerk

NOTE: THESE MINUTES AMENDED ON 6-3-86 BY INCLUDING THE ATTACHED PRE-COUNCIL MINUTES OF 5-27-86 TO THESE MINUTES. (ATTACHED TO THESE MINUTES)

108 Sondley Parkway

James File, with the Historic Preservation Society, spoke in support of the ordinance. He said the preservation of historic property is consistent with Council's policy to preserve downtown and other areas of the City.

Councilman Michalove moved that Council recess into Executive Session to discuss this matter. This motion was seconded by Vice-Mayor Frank and carried unanimously.

After reconvening, Councilman Tisdale withdrew his motion to postpone the third reading of Ordinance No. 1553 until June 10, 1986 and moved to defer the third reading until June 3, 1986. This motion was seconded by Councilman Michalove and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

8. Consideration of a motion approving the consent agenda.

NOTE: The following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 86-87

A. Resolution authorizing the City Manager to sign an agreement for loss prevention services with Poinsett Self-Insurance Sales and Service.

HIGHLIGHTS: The City of Asheville is a self-insured municipal employer for purposes of workers' compensation, pursuant to the Workers' Compensation Act of the State of North Carolina. In order to secure re-insurance for the City's program of workers' compensation as required by law, the City must retain the services of an outside consultant for safety and loss prevention services. This resolution will authorize the City Manager to execute an agreement between the City and Poinsett Self-Insurance Sales and Services.

FISCAL IMPACT: Annual sum of $7,500.00. Budgeted in FY 85-86 budget.

Resolution Book 16 - page 40.

B. Motion to schedule a public hearing relative to the 1986-87 Budget for June 17, 1986.

Vote on Vice-Mayor Frank's motion:
Mayor Bissette, Vice-Mayor Frank, Councilman Bratton, Councilman Price, Councilman Boland - "For"

Councilman Michalove, Councilman Tisdale - "Against"

Councilman Tisdale noted that his negative vote on Vice-Mayor Frank's motion was not against a bond referendum but because he felt a need to put the question before the voters of the City of Asheville on a referendum ballot. He said he felt the citizens of Asheville should decide whether or not a tax increase is needed.

In further discussion, it was the concensus of members of Council to hold the bond referendum in September, 1986. The general split on the ballot would be $3,000,000 for the Arts and Science, and the remainder going for capital improvements in Public Works.

MINUTES
PRE-COUNCIL MEETING - MAY 27, 1986

DEVELOPMENT OF BOND PACKAGE

In discussing a bond referendum for capital improvements, Councilman Michalove moved that Council adopt a $27 million dollar bond issue (noting that this would be a 10 cent tax increase). This motion was seconded by Councilman Boland.

A discussion was held relative to the pros and cons of issuing a bond in the amount of $27 million dollars.

Vote on Councilman Michalove's motion:
Councilman Michalove and Councilman Boland - "For"

Mayor Bissette, Vice-Mayor Frank, Councilman Tisdale, Councilman Price, and Councilman Bratton - "Against"

Councilman Bratton moved that Council adopt a $20 million dollar bond issue (noting that this would be a 7 cent tax increase). This motion was seconded by Vice-Mayor Frank.

In a discussion, Larry Fisher noted that even though the 7 cent tax increase was the amount to amortize the bond and pay the debt service, the question on the ballot would be that the City would levy taxes in an amount sufficient to pay the debt service.

Vote on Councilman Bratton's motion:
Mayor Bissette, Vice-Mayor Frank, Councilman Tisdale, Councilman Bratton, Councilman Price, Councilman Boland - "For"

Councilman Michalove - "Against"

Councilman Michalove said his opposition to Councilman Bratton's motion was not opposing the $20 million dollar bond issue, but because this amount would not be sufficient to cover the needs. He said a $27 million dollar bond issue is needed and would come closer to meeting the needs of the City.

DISCUSSION OF TAX LEVY

In discussing the 1986-87 budget, Vice-Mayor Frank moved that a 7 cent tax increase be included in the 1986-87 operational budget to be earmarked for capital improvements. This motion was seconded by Councilman Bratton.

Councilman Michalove make a substitute motion to amend Vice-Mayor Frank's motion to include a 10 cent tax increase in the 1986-87 operational budget. This motion was seconded by Councilman Boland.

Vote on Councilman Michalove's Substitute Motion:
Councilman Michalove and Councilman Boland - "For"

Mayor Bissette, Vice-Mayor Frank, Councilman Bratton, Councilman Price and Councilman Tisdale - "Against"

PROCLAMATION - JUNE 1-7, 1986 - "MANAGEMENT WEEK"

2. Mayor Bissette read a proclamation proclaiming June 1-7, 1986, as "Management Week".

Mayor Bissette presented the proclamation to Doug Buchanan, President of the National Management Associates of Square D Chapter.

PRESENTATION BY MARCAL PAPER COMPANY - PROGRAM FOR REPLACEMENT OF TREES

3. Ray Kisiah, Director of Parks, Recreation and Public Facilities introduced Nicholas Marcalus, President and Chief Operating Officer with Marcal Paper Company.

Mr. Marcalus thanked members of Council for allowing him to come before Council to kick off the 1986 "Plant A Tree Program" in Asheville. He said the "Plant A Tree Program" grew out of a partnership between Marcal Paper Mills, Inc. and the National Arbor Day Foundation, a non-profit organization dedicated to tree planting and conservation. He said the program provides funds to designated communities for the purpose of planting trees and beautifying urban areas.

Mr. Marcalus said Marcal Paper Mills, Inc. will be sponsoring a free standing newspaper insert on June 8, 1986, in over 50 East Coast markets. He said in this advertisement, consumers will be offered three coupons to save on Marcal paper products. He said for every Marcal coupon redeemed, Marcal will donate 10 cents to establish the "Plant a Tree" fund. He said the funds will be administered by the National Arbor Foundation and distributed to participating cities. He said, in addition, consumers in participating markets will be given the opportunity at their local retailers to receive a discount membership to the National Arbor Day Foundation.

He said Marcal Paper Mills, Inc. would also be producing as a part of the program, a variety of educational materials and public service announcements promoting the benefits of trees and tree planting. He said in distributing the funds, the National Arbor Day Foundation would recognize communities that have received a Tree City USA Award, and who have a commitment to growing trees.

He said since the City of Asheville has been designated a Tree City USA for the past six years, Asheville will be eligible to participate in Marcal's "Plant A Tree Program". He then presented members of Council with red maple seedlings to kick off the 1986 "Plant A Tree Program".

ORDINANCE NO. 1553 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "THE MANOR" AT 265 CHARLOTTE STREET IN ASHEVILLE, NORTH CAROLINA, CURRENTLY OWNED BY TRANSCO FINANCIAL GROUP, LTD., AS HISTORIC PROPERTY

4. Consideration was given to the third reading of Ordinance No. 1553, an ordinance designating a building and property known as "The Manor" at 265 Charlotte Street in Asheville, North Carolina, currently owned by Transco Financial Group, Ltd., as historic property.

Tuesday - June 3, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Norma Price

INVOCATION

The invocation was given by Councilman Bratton.

APPROVAL OF THE MINUTES - MAY 27, 1986 MEETING

1. Consideration was given to the approval of the minutes of the May 27, 1986 meeting.

Councilman Tisdale requested that the minutes of the May 27, 1986 meeting be amended to include proceedings in the pre-council meeting on May 27, 1986 relative to the bond issue and tax levy, stating how each member of Council voted on the issues, and that the minutes of the pre-council meeting be attached to the formal minutes of the May 27, 1986 meeting. This motion was seconded by Councilman Bratton and carried unanimously.

Mayor Bissette said during the pre-council meeting, several typographical and other changes were noted in the minutes of the May 27, 1986 meeting.

Councilman Tisdale requested that the minutes of May 27, 1986 reflect the addresses of those individuals speaking during the public hearing relative to the Community Development Statement of Objectives and Projected Use of Funds for 1986-87. He also requested that his paragraph relative to the residences in Montford include his statement that since so many people from the Montford area were in attendance, that he wanted them to know that he would encourage other members of Council to have the current building codes enforced on these properties. He said there are many houses in the area with doors and windows out.

Councilman Boland requested that the minutes be amended to include his statement that one of the options for the Montford Planning Committee would be to meet with the Housing Authority and the City Manager to discuss the feasibility of using the Neighborhood Housing Services.

Mayor Bissette announced the approval of the minutes as amended.

Councilman Michalove said he had gone through the building and felt the building would not limit itself to rehabilitation without a lot of money being spent to restore the building.

Jim Coman, with the Historic Resources Commission, spoke in favor of the ordinance, noting that a lot of inappropriate structures on the building would not be contested by the Historic Resources Commission. He said the Conservation Overlay Ordinance would help to restrict the use of the property, particularly for commercial use. He also reminded members of Council that the owner is not legally required to notify Council that the building is intended for demolition. He said he felt the Historic Resources Commission needed some control over the demolition of the building.

Jim File, of 108 Sondley Parkway Drive, with the Preservation Society of Asheville and Buncombe County, spoke in support of the adoption of the ordinance.

Sybil Bowers, Director of the Historic Resources Commission, said the purpose for the adoption of the ordinance is not to primarily deal with the current owner of the property, but to preserve the property for historic purposes. She said the Historic Resources Commission would be willing to work with any property owner of The Manor. She indicated that if the property is designated as historic property, there would be a reduction in taxes and tax credits would be available.

A discussion was held relative to amending the ordinance to indicate the current owner of the building.

Councilman Tisdale moved to amend Ordinance No. 1553 to strike the words "currently owned by Transco Financial Group, Ltd.,"and insert in lieu thereof" currently owned by Matthew Ellman, as Trustee." This motion was seconded by Councilman Boland and carried unanimously.

After discussion, Councilman Michalove moved to amend Ordinance No. 1553, paragraph 2, to include in the first sentence that "no exterior portion or any building or other structure which was not a part of the original construction or completed before 1945", and that the last sentence in paragraph 2 read "the commission shall have no jurisdiction over interior arrangement, or roads, access, or landscaping. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 5-1, Ordinance No. 1553 passed on third and final reading with Councilman Tisdale voting "no".

Complete text of Ordinance No. 1553 will be found in Ordinance Book No. 10 at Page 334, 335, and 336.

Mayor Bissette said "The Manor" was completed in 1899 as an "English Country Inn in America", and is a rare surviving example of the picturesque resort development so important to the history of the North Carolina mountains. The Historic Resources Commission of Asheville and Buncombe County has demonstrated the historic significance of the building, and the Division of Archives and History of North Carolina, Department of Cultural Resources has endorsed the findings of the Commission. This ordinance passed on first reading on November 26, 1985, and on second reading on March 20, 1986. At the May 27, 1986 meeting the third reading was postponed until June 3, 1986.

Corporation Counsel Slawter noted that the ordinance had been amended, during the second reading, to exclude the interior portions of the building as historic property.

Jerry Crowe, Attorney, representing Matthew Ellman, Trustee, and present owner of The Manor, requested that Council reconsider the adoption of this ordinance because, in his opinion, the provisions of the ordinance and the provisions of the Historic Conservation Overlay Ordinance, which would also affect this property, would be so restrictive that the property would be unusable. He presented members of Council with background information relative to the purchase of The Manor. He said the current owners intend to remarket The Manor and rehabilitate the building for lodging purposes such as an inn, condominiums, or an apartment complex. He said this proposed ordinance would greatly affect the remarketability of this property. He also noted that the current zoning would practically prohibit any commercial development. He cited several sections of the proposed ordinance and the Conservation Overlay Ordinance, Ordinance No. 1365, indicating the restrictiveness that would be placed upon the property. He said the current owner has no intentions of demolishing the building; however, his client had indicated that if the building is to be demolished, that Council would be notified of their intentions. He said his client objects to the adoption of the ordinance, but if Council desires to continue with a third reading of the ordinance, they would request that the ordinance be amended to exclude any improvements related to the exterior portion of the building, such as fencing, access to the property, exterior stairs, pavement, a free standing rock wall and landscaping. He said if The Manor Inn is to be preserved, Council would have to work with developers.

A discussion was held between Mr. Crowe and members of Council relative to the land that would be involved in the historical designation, fencing in and around the property, and plexiglas covering, that was not a part of the original structure, and the effect the Conservation Overlay Ordinance would have upon the property.

Verl Emrick, Director of Planning, said if this ordinance is adopted, the provisions of the Historic Conservation Overlay Ordinance would be in effect. He explained the procedures outlined in these ordinances.

Mr. Emrick also noted that if the ordinance is adopted, a Certificate of Appropriateness would be required from the Historic Resources Commission for any major improvements that are made to the property. He said minor improvements could be approved by the Historic Resources Commission staff.

Councilman Tisdale commented that he did not feel Council should include a 10-cent tax increase in the 1986-87 budget unless the citizens of Asheville support it with a bond referendum.

Vice-Mayor Frank said she could not support a bond referendum in the amount of $27 million dollars.

Councilman Bratton said she felt the amount of the bonds isn't as important as unity and togetherness with members of Council. She said she felt a bond issue has little chance of passing unless it has the total support of Council. She said she felt it was important for Council to go to the citizens of Asheville together and sell the bond issue.

Mayor Bissette said he agreed with Councilman Michalove and Councilman Boland that the problems are massive, but that he could not support more than a $20 million dollar bond referendum. He said he felt the citizens of Asheville know the needs of the City and would be willing to face up to this but, in his opinion, $20 million dollars is sufficient at this time.

Councilman Tisdale said he felt it was very important to keep the citizens of Asheville well informed as to Council's actions on the bond referendum and the 1986-87 budget.

On a voice vote of 3-3, Councilman Michalove's motion to postpone the vote on the resolution of intent to June 17th failed with Mayor Bissette, Vice-Mayor Frank, and Councilman Tisdale voting "no".

Councilman Bratton moved for the adoption of Resolution No. 86-89. This motion was seconded by Vice-Mayor Frank.

Ralph Bishop spoke to members of Council relative to Section 9 of the City Charter, stating that the citizens of Asheville have a right to be heard by Council, and he felt that the public was excluded from the discussion and the vote taken relative to the bond referendum in the Pre-Council meeting.

On a voice vote of 5-1, Resolution No. 86-89 was adopted with Councilman Michalove voting "no".

Complete text of Resolution No. 86-89 will be found in Resolution Book No. 16 at Page 15.

RESOLUTION NO. 86-90 - RESOLUTION AUTHORIZING SETTLEMENT OF CLAIM OF HARRY E. ADAMS

6. Consideration was given to a resolution authorizing settlement of a claim of Harry E. Adams.

Mayor Bissette said this resolution would authorize the City Attorney to execute a consent judgment resolving matters of dispute between the City of Asheville, Harry E. Adams and the State of North Carolina Department of State Treasurer. He said the City will be required to pay $6,557.04 into the Local Government Employees' Retirement System on behalf

RESOLUTION NO. 86-89 - RESOLUTION AUTHORIZING AND DIRECTING THE CITY CLERK TO PUBLISH A NOTICE OF INTENT TO FILE APPLICATION TO THE LOCAL GOVERNMENT COMMISSION FOR SALE OF BONDS

5. Consideration was given to a resolution authorizing and directing the City Clerk to publish a Notice of Intent to file application to the Local Government Commission for sale of bonds.

Mayor Bissette said the City has considered sale of some general obligation bonds for streets, sidewalks and other public works type improvements and for the partial funding of an Arts and Science Center in the Pack Plaza Project. This resolution requires the City Clerk to publish the Notice of Intent required by the North Carolina General Statutes.

Mayor Bissette noted that the proposed resolution and Notice of Intent would be proposing a $20 million dollar bond referendum that would require a 7-cent tax increase.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Councilman Michalove said in discussing the proposed bond referendum, he and Councilman Boland feel that the bond issue should be set at a higher amount, supporting a $27 million dollar issue which would require a 10-cent tax increase. He said he felt Council has not properly evaluated how much is needed and how the money needs to be used, and felt that Council has not given the public a chance to understand the needs and respond back to Council. He said the City has not put any capital dollars in the budget for several years. He said the City is faced with sharing a large cost of the right-of-way for the Broadway extension and other State road rights-of-way. He said the taxpayers in the City of Asheville have not, for the past several years, had a tax increase to meet the needs of the City. He said a $27 million dollar bond issue would create $45 million dollars, and would go a long way to correct a lot of the problems the City is facing. He said he has been given permission to have two guest editorials through WLOS-TV and the Asheville Citizen Times on Sunday. He said he would be appealing to the public to contact Council members in support of a $27 million dollar referendum.

Councilman Michalove then moved to postpone the vote on the resolution of intent to apply for the bonds until June 17, giving the citizens of Asheville an opportunity to be heard relative to the amount of the bond referendum. This motion was seconded by Councilman Boland.

Councilman Boland said he felt Council needed time to investigate all the needs of the City and to seek the public's support in the $27 million dollar bond issue which gives a return of $45 million dollars. For an example, Councilman Boland said a 10-cent tax increase would amount to, on property valued at $72 to $75 thousand dollars, $75 dollars a year or $1.45 per week. He said he did not feel this amount would break the citizens of Asheville since they had not had a tax increase in the last 6 or 7 years.

HIGHLIGHTS: The City has determined that it would be beneficial to contract for window cleaning service for the City Hall Building. Clear Day, Inc. has cleaned the windows in the past and references have been good to excellent. This resolution will authorize the City Manager to enter into a contract with Clear Day, Inc. to provide window cleaning service on a semi-annual basis. The total cost is $2,800.00 yearly. This is included in FY Custodial Services Budget.

Resolution Book 16, Page 17.

B. Resolution closing an alley, Carolina Lane, for an outside concert.

Resolution No. 86-92

HIGHLIGHTS: On June 6, the beach music group "Joe Pope and the Tams" will be performing in the Lexington Park Courtyard from 8:00 p.m. until 12:00 midnight. The City has received a request from D. Leverette, Inc. that this alley needs to be closed from 5:00 p.m. to 12:30 a.m.

Resolution Book No. 16, Page 18

Resolution No. 86-93

C. Consideration of a resolution to amend Resolution No. 80-158 regarding Rule 34 of Rules and Procedures for the Asheville City Council.

HIGHLIGHTS: This resolution will amend Rule 34 of the Rules and Procedures for the Asheville City Council by authorizing settlement of subrogation claims by the City Manager on behalf of the City of Asheville arising against third parties responsibile for liabilities incurred by the City under the Workers' Compensation Act.

Resolution Book No. 16, Page 19.

D. Scheduling a public hearing relative to approving the revision of Rule 17 (e) of the Civil Service Rules and Regulations for June 17, 1986.

HIGHLIGHTS: The revision of Civil Service Rule 17 (e) will clarify that death leave can only be taken when an employee is scheduled to work and that it must be taken at the time of the emergency. It prohibits employees who are otherwise not

of Harry E. Adams along with Mr. Adams' contribution of $5,420,70 and a contribution by the State of North Carolina in the sum of $699.05 in order to make Mr. Adams a participant in LGERS.

Upon motion of Councilman Tisdale, seconded by Councilman Boland, Resolution No. 86-90 was unanimously adopted.

Complete text of Resolution No. 86-90 will be found in Resolution Book No. 16 at Page 16.

REPORT FROM CORPORATION COUNSEL - AMENDING THE SIGN ORDINANCE

7. Mayor Bissette said at the May 20, 1986, meeting the Corporation Counsel was instructed to review the legality of amending the sign ordinance providing that Council would not approve any off-premises signs that are within 600' of a limited access highway and that a report be given to Council on June 3, 1986.

Corporation Counsel Slawter said, as discussed in the Pre-Council meeting, he would offer four alternatives relative to amending the Sign Ordinance for off-premises signs that are within 600' of a limited access highway. He said Council could: 1) Eliminate the requirement that Asheville City Council approve signs within 600' of a limited access highway; 2) prohibit off-premises advertising signs within 660' of a limited access highway, being that 660' is the distance for State and Federal regulations on signs; 3) prohibit off-premises advertising signs in certain zoning districts and include all districts along major highways; or 4) adopt stricter standards for off-premises advertising signs within 660' of a limited access highway or in specific zones. He said alternatives 2, 3, and 4 would require an amortization schedule for existing signs.

Councilman Michalove moved to forward the alternatives offered by the Corporation Counsel to the Planning and Zoning Commission for their review and recommendation at their next meeting. This motion was seconded by Councilman Boland and carried unanimously.

APPROVAL OF CONSENT AGENDA

8. **NOTE:** The following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 86-91

A. Resolution authorizing the City Manager to enter into an agreement with Clear Day, Inc. for professional window cleaning service for the City Hall Building.

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, the Consent Agenda was unanimously approved.

COUNCILMAN TISDALE'S COMMENTS RELATIVE TO PARKING VIOLATION REVENUES

9. Councilman Tisdale noted that as a result of North Carolina General Assembly action, parking violation revenues in the amount of $72,092.70 for the period of July 1, 1985 through April 30, 1986, were forwarded to the County Finance Director. He said the revenues to the County are diminished only by the actual cost of collections which may not exceed 10% of the amount collected. He noted that the City cost of collection are significantly more than 10% of the revenues collected, thus the reason for remittence of 90% of the parking violation revenues.

CLAIMS - NOLA KNUCKLES (WATER) - ADDIE BEASLEY (WATER)

10. The City Manager presented claims received from Nola Knickles and Addie Beasley.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

COMPLAINT - AZALEE RUSTIN - 204 BROADWAY

11. Azalee Rustin of 204 Broadway spoke to members of Council relative to several decorations in front of her house being stolen on May 28th. She said she had called the Asheville Police Department and felt they did not adequately investigate the theft.

Mayor Bissette asked the City Manager to check on the complaint of Azalee Rustin and to have someone from the City Staff to get back in touch with Mrs. Rustin.

PETITIONS - RESIDENTS OF MAXWELL STREET AND MONROE PLACE

12. Mrs. Hughes of 14 Maxwell Street, speaking on behalf of the Maxwell Street Community Watch group, presented two petitions to members of Council relative to two residences on Maxwell Street and Monroe Place in which the neighbors are having problems. She said Officers Allen and Masters with the Asheville Police Department, have been working with the neighbors relative to the problems the neighbors are having from the happenings at 11 Maxwell Street and 27 Monroe Street.

Mayor Bissette requested that the City Manager check into the problems specified in the petition and report back to members of Council at next week's meeting.

Mr. and Mrs. Williams of 7 Maxwell Street also spoke relative to the problems from these dwellings.

Frank Bray from 17 Maxwell Street said the residents in that area want to live in a respectful neighborhood and the people living in these houses are not allowing that to happen. He requested that Council try to vacate these houses which are two troublesome spots and annoying situations.

working (due to annual leave, sick leave, or regularly scheduled days off) from substituting death leave for any other time they are absent from work. In addition, the definition of "immediate family" has been expanded and time off has been provided for employees to attend the funerals of co-workers and close personal friends.

E. Scheduling a public hearing for a site plan of the proposed relocation of Kinco Corporation to Lot #7 of the Emma Airport Associates Subdivision for June 24, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held May 14, 1986, reviewed the site plan of the proposed relocation of Kinco Corporation to Lot #7 of the Emma Airport Associates Subdivision. The site plan was prepared by Ashley Engineering Company for Mr. Bob Kinser, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project provided that it has no access to Brickyard Road and compliance with the Erosion Control Ordinance.

F. Scheduling a public hearing for the site plan of a proposed six-unit apartment to be located on Barnard Avenue for June 24, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held May 14, 1986, reviewed the site plan of a proposed six-unit apartment to be located on Barnard Avenue. The site plan was prepared by Frank McGahren, Engineer, for Mark Carlson, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance.

G. Scheduling a public hearing to consider an ordinance amending Chapter 30 of the Code of Ordinances of the City of Asheville to create The Chestnut-Liberty Street Area as local historic district for June 24, 1986.

HIGHLIGHTS: This ordinance designates the Chestnut-Liberty Street neighborhood as a local historic district. Certificate of Appropriateness are required by a property owner before any exterior rehabilitation or new construction can take place.

Tuesday - June 10, 1986 - 4:00 p.m.

Regular Meeting

Present: Vice-Mayor Mary Lloyd Frank, Presiding; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor W. Louis Bissette

INVOCATION

The invocation was given by Councilman Michalove.

APPROVAL OF THE MINUTES - JUNE 3, 1986

1. Consideration was given to the approval of the minutes of the June 3, 1986 meeting.

Vice-Mayor Frank noted a typographical error in the minutes of the June 3, 1986 minutes.

Vice-Mayor Frank announced the approval of the minutes as amended.

PROCLAMATION - JUNE 11-13, 1986 AS "JAIL-A-THON" IN ASHEVILLE FOR THE AMERICAN CANCER SOCIETY

2. Vice-Mayor Frank read a proclamation proclaiming June 11-13, 1986 as "Jail-A-Thon" in Asheville for the American Cancer Society.

Vice-Mayor Frank presented the proclamation to Judith Holt and Susan Johnson with the American Cancer Society.

PROCLAMATION - JUNE 14, 1986 - "FLAG DAY"

3. Vice-Mayor Frank proclaimed June 14, 1986 as "Flag Day" in the City of Asheville.

ORDINANCE NO. 1586 - BUDGET ORDINANCE AMENDMENT TO ESTABLISH A BUDGET FOR HIGHWAY SAFETY GRANT - SEAT BELT PROGRAM

4. Consideration was given to a budget ordinance amendment to establish a budget for highway safety grant - seat belt program.

Vice-Mayor Frank said this budget amendment is to establish a budget for an approved state grant. The funds will be used to cover expenses incurred in establishing and conducting a community passenger safety program. This is a one-third match program to be matched with in-kind services. She said this is a state grant in the amount of $21,600.00.

Councilman Boland moved for the adoption of Ordinance No. 1586. This motion was seconded by Councilman Tisdale.

Elizabeth Smith of 26 Monroe Street said she felt the people living at these dwellings are also selling drugs and the Police Department would not do anything about it because they have said they have to "see it happening first".

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

13. Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville and his involvement with the Asheville Police Department relative to his complaints about lottery sales.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Tisdale, the meeting adjourned at 6:30 p.m.

MAYOR

William F. Worsett
CITY CLERK

BIDS - UNIFORM SHIRTS AND PANTS FOR CITY'S FIRE DEPARTMENT

7. Consideration was given to a motion relative to bids received for uniform shirts and pants for the City's Fire Department.

Vice-Mayor Frank said sealed bids were invited to furnish the estimated annual requirements of uniform shirts and pants for the City's Fire Department. Three (3) bids were received. Low bid was submitted by the Whole Armor Uniform Company, 570 Hendersonville Road, Asheville, North Carolina. This bid fully meets all requirements of our request for quotation and offers guaranteed firm pricing until April 30, 1987.

The City Manager said bids were received from Whole Armor Uniform Company in the amount of $9,977.94; Kay Uniforms in the amount of $10,688.20; and Hub-Stinnette Uniforms in the amount of $10,785.80.

Councilman Tisdale moved to award the bids to the low bidder, Whole Armor Uniform Company in the amount of $9,977.94. This motion was seconded by Councilman Price and carried unanimously.

APPROVAL OF CONSENT AGENDA

8. Vice-Mayor Frank said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 86-96

A. Consideration of a resolution appointing members to the Board of Adjustment.

HIGHLIGHTS: The term of Hal Talbert, as a member of the Zoning Board of Adjustment expired on January 21, 1986. This resolution will appoint Ben McKenzie, 25 Summerhill Drive, Asheville, N. C. 28804, for a term of three years, term expiring January 21, 1989, or until his successor is duly appointed and qualified.

FISCAL IMPACT: None

Resolution Book 16, Page 24

Resolution No. 86-97

B. Consideration of a resolution appointing members to the Asheville Regional Airport Authority.

On a roll call vote of 6-0, Ordinance No. 1586 passed on first and final reading.

Complete text of Ordinance No. 1586 will be found in Ordinance Book No. 11 at page 19.

RESOLUTION NO. 86-94 - RESOLUTION SETTING POLICY FOR SEWER CONNECTIONS AND EXTENSIONS AS WELL AS REPAIR WORK FOR SERVICE LINE STOPPAGES

5. Consideration was given to a resolution setting policy for sewer connections and extensions as well as repair work for service line stoppages.

Vice-Mayor Frank said by Resolution No. 69-1, City Council established an interim policy concerning water and sewer line extensions for the City of Asheville both inside and outside the corporate limits. Resolution No. 86-63 sets a policy for sewer line extensions to non-contiguous annexation areas. Neither of these resolutions nor any ordinances set forth the policy for sewer connections or for the responsibility of the City with regard to stoppages in service lines. This resolution is setting a policy for sewer connections and extensions and service line stoppages for the City of Asheville.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 86-94 was unanimously adopted.

Complete text of Resolution No. 84-94 will be found in Resolution Book No. 16 at Page 20, 21, and 22.

RESOLUTION NO. 86-95 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND ASHEVILLE-BUNCOMBE DISCOVERY TO FUND A MEDIATOR WITH REGARD TO RENOVATION OF THE GROVE ARCADE BUILDING

6. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an agreement by and between the City of Asheville and Asheville-Buncombe Discovery to fund a mediator with regard to renovation of the Grove Arcade Building.

Vice-Mayor Frank said Asheville-Buncombe Discovery has received a grant from the National Trust for Historic Preservation to hire a mediator to negotiate an agreement between the General Services Administration of U.S. and Asheville-Buncombe Discovery or other representative of the Asheville Community for renovation of the Grove Arcade Building. The grant is in the amount of $2,000.00 and requires matching funds from the grantee. She said matching funds in the amount of $2,000.00 are available in the Community Development budget.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 86-95 was unanimously adopted.

Complete text of Resolution No. 86-95 will be found in Resolution Book No. 16 at Page 23.

HIGHLIGHTS: Jack Westall has resigned as a member of the Asheville-Buncombe Historic Resources Commission. This resolution will appoint Mr. Jim Cairnes, 209 Cumberland Avenue, Asheville, NC, 28801 to the Asheville-Buncombe Historic Resources Commission to serve the unexpired term of Jack Westall, term expiring on July 1, 1988, or until his successor has been duly appointed and qualified.

FISCAL IMPACT: None

Resolution Book 16, Page 28.

Upon motion of Councilman Michalove, seconded by Councilman Boland, the Consent Agenda was unanimously approved.

SCHEDULING PUBLIC HEARING - ORANGE STREET OFFICE PARK GROUP DEVELOPMENT

9. Councilman Michalove moved to schedule a public hearing relative to the Orange Street Office Park Group Development for July 8, 1986. This motion was seconded by Councilman Price and carried unanimously.

SCHEDULING PUBLIC HEARING - UMTA GRANT - SECTION 9

10. Councilman Boland moved to schedule a public hearing relative to amending the current capital grant contract for the Urban Mass Transportation Administration under Section 9 of the Urban Mass Transportation Act of 1964, as amended, for June 24, 1986. This motion was seconded by Councilman Michalove and carried unanimously.

COUNCILMAN TISDALE - REPORT RELATIVE TO ASHEVILLE CABLEVISION COMMISSION MEETING

11. Councilman Tisdale noted that the Asheville Cablevision Commission held its second meeting on June 9, 1986, at the offices of Asheville Cablevision on Charlotte Street. He said all members of the Commission were present and toured the entire facilities at the Asheville Cablevision office. He said members of Council would be receiving minutes of the Commission's meeting. He did note, however, that data was presented at the meeting indicating an increase in the expanded subscribers of 1% and basic subscribers dropping 1% which indicated that subscribers are interested in the expanded services offered by Asheville Cablevision. He said he was impressed with the continued efforts of Asheville Cablevision to improve the service in the City of Asheville. He said no complaints were received during the past month relative to cablevision in the City of Asheville.

CLAIMS - ED PREUNINGER (SANITATION) - MRS. B. M. EDINGTON (WATER)

12. The City Manager presented claims received from Ed Preuninger and Mrs. B. M. Edington.

Vice-Mayor Frank referred the claims to the Corporation Counsel for investigation and recommendation.

HIGHLIGHTS: The terms of Richard L. Haber and William F. Wolcott, Jr. will expire on June 30, 1986. This resolution will appoint Mr. William G. Moore, 18 Buckingham Court, Asheville, N. C. 28803, and Mrs. Mimi Cecil, 7 Firth Drive, Asheville, N.C. 28803 to fill the vacancies, terms expiring on June 30, 1990, or until their successors have been duly appointed and qualified.

FISCAL IMPACT: None

Resolution Book 16, Page 25.

Resolution No. 86-98

C. Consideration of a resolution appointing a member to the Asheville Transit Authority.

HIGHLIGHTS: The term of Murray A. Miller expired on December 31, 1985. This resolution will appoint Don Patton, 15 Reynolds Place, Asheville, N.C. 28804 to a four (4) year term, term expiring on December 31, 1989, or until his successor has been duly appointed and qualified.

FISCAL IMPACT: None

Resolution Book 16, Page 26.

Resolution No. 86-99

D. Consideration of a resolution appointing a member to the Western North Carolina Air Pollution Control Board.

HIGHLIGHTS: Franklin R. Schutz has resigned as a member of the Western North Carolina Air Pollution Board. This resolution will appoint the Reverend Nilous M. Avery, 46 Chunns Cove Road, Asheville, N. C. 28805 to fill the unexpired term, term expiring on January 15, 1992, or until his successor has been duly appointed and qualified.

FISCAL IMPACT: None

Resolution Book 16, Page 27.

Resolution No. 86-100

E. Consideration of a resolution appointing a member of the Asheville-Buncombe Historic Resources Commission.

earmarked for the Education, Science and Art Center and $24 million for public works projects. My concern is that we are currently not thinking broad enough for the public works projects that I feel we should be considering.

Asheville has 325.63 miles of its own streets, not counting the state system streets.

On June 5, 1986 City Manager Doug Bean sent us a memo entitled "Recap of Public Improvement Funding Needs", a recap of needs outlined at the worksession on the Public Improvement Plan as they were included in the $20,000,000 level bond issue.

In this recap Doug listed Streets: as "A" - Low Volume/residential and "B" - High Volume/collector & thoroughfare.

Rating	A	B
Fair	21 miles/ $1.0 million	17 miles/ $1.3 million
Poor	38 " / 1.7 "	

	TOTAL	
76 miles of A & B streets	4.0	million
add misc.	.5	
At this point Doug's memo stops with street improvements but indicates several items left out — Sub Total	4.5	

I recommend that we look at some of the following in addition to the $4.5 million.

3 years of deterioration since the study was done - est. damage $750,000 annually (cost of overlay 2"-2 twelve foot lanes, 2" thick, one mile $72,000)	2.25
Right-of-way cost for major corridors (Hendersonville Road, Leicester Hwy., Broadway, I-40/25-A, etc. Average 30% of $ 8,466,000 (does not include Broadway greenbelt)	2.54
Beverly Road (Haw Creek to Tunnel Rd.)	.28
Fairview Road (ROW, 2 twelve ft. lanes sidewalk and some drainage)	2.50
Kenilworth Road (ROW, 2 twelve ft. lanes sidewalk and some drainage)	3.25
Computerized signalization (N,E,S,W, all major state system streets to the City limits to compliment what we have borrowed money to do downtown)	1.00
Pay off existing loan to state for signals	.26

DISCUSSION RELATIVE TO AMOUNT FOR BOND ISSUE FOR PUBLIC IMPROVEMENTS

13. Councilman Michalove, urging members of Council to increase the bond amount from $20 million to $27 million, read the following memorandums to members of Council stating that if the greater amount is not obtained now, the City would be forced to come back to the voters in the near future with another referendum in what is likely to be a much poorer economic climate. He said he did not feel Council members are aware of the total needs for street improvements. He said the information furnished to members of Council relative to streets were from a three-year old map and there has been substantial deterioration of the streets since the map was prepared.

MEMORANDUM

To: Members of City Council

From: Ken Michalove Date: June 10, 1986

The Asheville Alternatives survey forms produced some interesting information regarding the need for a bond issue regardless of the amount we finally set.

Out of the 278 surveys returned 247 said we needed to utilize bond referendum mechanisms to finance major public improvements, 24 said no.

Out of the 278 respondents the following numbers gave their input regarding taxes:

91	said	raise	5%
71	"	"	10%
30	"	"	15%
4	"	"	20%
15	"	"	25%
2	"	"	50%

MEMORANDUM

To Lou Bissette, Mayor
Mary Lloyd Frank, Vice-Mayor
Walt Boland
Wilhelmina Bratton
Norma Price
George Tisdale

From: Ken Michalove Date: June 10, 1986

Subject: $27 Million Dollar Bond Issue

As you all are aware I have continued to push for the $27 Million Bond Issue. The purpose of this memo is to provide you with some information that I hope will help expand your horizons regarding this bond issue. With the $27 million issue $ 3 million is

Upon inquiry of Councilman Tisdale, Councilman Michalove said he would be in favor of increasing the tax rate by 10 cents in this year's budget, even though a bond referendum of $27 million dollars failed.

Councilman Price said she would be willing to support submitting the $27 million referendum to the voters, but increasing the tax rate only 7 cents in this year's budget, rather than the 10 cent required to repay the $27 million dollar issue. She said if the citizens of Asheville approved the referendum of $27 million, the additional 3 cents necessary to repay the higher bond debt could be added to the tax rate in next year's budget. She said if the bond vote fails, the 7 cents tax increase would remain in the budget, but the additional 3 cents would not be added.

Vice-Mayor Frank said she could not support the motion to have a $27 million bond issue. She said she felt $20 million would be sufficient, since the County of Buncombe would also be experiencing a tax increase this year.

Councilman Bratton said she could not support more than a $20 million bond referendum. She said she felt industries in the area have had cutbacks and many industries have closed which greatly affects the citizens of Asheville. She also said she did not feel Council should take action of this importance with the Mayor being absent. She said she felt every Council member had digested and reviewed the needs and problems of the City of Asheville, and she resented one Council member pushing other Council members into another decision. She said it was her hope that the Council members, as a whole, could seek approval of a $20 million bond issue to address the needs of the City of Asheville.

Upon inquiry of Councilman Price, the City Manager said, in his opinion, itemizing improvements on the bond referendum, such as streets, sidewalks, and storm drainage would put the bond issue in jeopardy. He said the wording on the bond referendum needs to be simple. He said if the specific projects were itemized, it would severely restrict Council's use of funds.

Councilman Tisdale requested a roll call vote on Councilman Michalove's motion.

Augusta Young, of Kenilworth Road, spoke in favor of increasing the bond amount to $27 million, stating that during the Alternatives for Asheville meetings, the needs of the community were expressed. She said she would be willing to help Council pass the bond issue, however, in her opinion, Council should pass the $27 million bond issue and make the public improvements necessary.

Mr. Gaston Brackett of 9 Main Street, Oakley, spoke in opposition to any tax increase in the City budget. He said the majority of the residents of the City of Asheville could not afford any more tax. He suggested that everyone pay for the needed public improvements, including tourists, perhaps through the use of sales tax.

Ralph Bishop also spoke in opposition to a tax increase in the City of Asheville.

Pay off existing ROW to state	.15
Haywood Rd. (milling, sidewalk)	1.00
Old Toll Road (min. drainage, 5' shoulders, 2 ten foot lanes w/ guard rail)	2.20
GRAND TOTAL	$ 19.93

You can probably think of some roads that should also be considered or some other projects that fall into the other public works categories.

I feel that the $20 million Issue as currently structured calls for too much to be spent on sidewalks in relationship to the street work and storm drainage work that needs to be done.

I think that some sidewalk work around schools, recreation centers, and some other public areas is appropriate but I also feel that in other areas we should follow the policy of the City doing the work and the property owner supply the ROW and materials.

On drainage work I agree that a storm drainage master plan should be done, but I also feel that we need to adequately fund this accordance with my recommendation to the Council May 27, 1986.

Other considerations in the cost of this are as follows:

Estimated cost of referendum	$ 20,000
" " " bond counsel not to exceed	20,000
Cost to issue the bonds	6,000

Based on this information I would hope that the Council would reconsider the level of the bond issue and raise the amount from $20 million to $27 million.

Councilman Michalove moved to advertise a notice of intent for the City of Asheville to hold a referendum on the issuance of $27 million in bonds for needed improvements. This motion was seconded by Councilman Boland.

Councilman Boland said the $27 million bond issue would be minimally sufficient. He said he felt the interest rate was right for issuing bonds, and the needs of the City of Asheville are massive. He said he felt the concerns expressed by the citizens of Asheville during the Alternatives for Asheville meetings, and concerns expressed through the Urban Design Workshop have indicated that the citizens are aware of the needs of the City's public improvements.

Councilman Tisdale said he would not be in favor of issuing a $27 million bond issue with a 10 cent tax increase. He said he felt if a bond issue should fail, the tax levy should not be increased. He said the citizens of Asheville should decide the amount of tax increase.

Upon inquiry of Councilman Price, Corporation Counsel Slawter said a roll call vote on Councilman Michalove's motion was in order.

On a roll call vote of 3-3, Councilman Michalove's motion to increase the bond amount to $27 million failed for a lack of majority votes, with Councilman Boland, Councilman Price, and Councilman Michalove voting "aye", and Councilman Tisdale, Vice-Mayor Frank, and Councilman Bratton voting "no".

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

14. Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Boland, the meeting adjourned at 5:30 p.m.

MAYOR

CITY CLERK

He said Mrs. Morris actively serves her community through the participation in such organizations as the Commission of the Status of Women, the Planning Committee of the Department of Social Services, the Asheville Day Nursery, and the United Methodist Church. He said this resolution commends Mrs. Morris and her family for outstanding accomplishments in upholding traditional values and for receiving the well-deserved honor of the Great American Family award, and expresses Council's sincere appreciation for their valuable service to our community.

Upon motion of Councilman Bratton, seconded by Councilman Tisdale, Resolution No. 86-102 was unanimously adopted.

Complete text of Resolution No. 86-102 will be found in Resolution Book No. 16 at Page 30.

Mayor Bissette presented the Resolution to Mrs. Morris and her family.

PUBLIC HEARING - SITE PLAN OF SUNSET POINTE CONDOMINIUMS - TOWN MOUNTAIN ROAD

3. A public hearing was held relative to a site plan of the Sunset Pointe Condominiums to be located on Town Mountain Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held May 14, 1986, reviewed the site plan of Sunset Pointe Condominiums to be located on Town Mountain Road. The site plan was submitted by Freeman, Wells, and Major, Architects, Greenville, S. C. for W. R. Martin Corporation, Developer, in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commision voted to recommend approval of the project subject to: 1) extension of 6" water line 200' north toward existing apartments and addition of one fire hydrant; and 2) compliance with Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:20 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission had reviewed the site plan of the Sunset Pointe Condominiums and recommended approval subject to the two conditions outlined by Mayor Bissette. He said the developer and the Planning staff have reviewed the plans for the proposed project and finds them to be in conformity with Ordinance No. 1558 relative to protected ridges and Ordinance No. 1554, restricting heights to 40 feet. He said the project complies with both ordinances. By the use of a map, Mr. Emrick showed the project to be in compliance with the ordinances. He said the project would be composed of 48 units, constructed on 21 acres. He said 7 acres will be used for the construction site. He said water and sewer lines are available, however, some lines below the project would have to be replaced or upgraded at the expense of the developer. He said the developer would be

Tuesday - June 17, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Acting Corporation Counsel Patsy Brison; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Corporation Counsel William F. Slawter.

INVOCATION

The invocation was given by Mayor Louis Bissette.

APPROVAL OF THE MINUTES - JUNE 10, 1986 MEETING

1. Consideration was given to the approval of the minutes of the June 10, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

RESOLUTION NO. 86-101 - RESOLUTION OF APPRECIATION TO WILLIAM ROGER WILLIAMS

2. Consideration was given to a resolution of appreciation to William Roger Williams.

Mayor Bissette said William Roger Williams has served the City of Asheville Water and Sewer Services Department since June 1, 1959. Since that time, Roger Williams has contributed generously of himself in the service of his fellow citizens through the work of the Water and Sewer Services Department, and has helped to make the City of Asheville and Buncombe County a better place in which to live.

Upon motion of Councilman Price, seconded by Councilman Michalove, Resolution No. 86-101 was unanimously adopted.

Mayor Bissette presented the resolution to Roger Williams.

Complete text of Resolution No. 86-101 will be found in Resolution Book No. 16 at Page 29.

RESOLUTION NO. 86-102 - RESOLUTION OF COMMENDATION TO MRS. MILDRED MORRIS AND FAMILY

2a. Consideration was given to a resolution of commendation to Mrs. Mildred Morris and family.

Mayor Bissette said the American Family Society sponsors and coordinates an annual Great American Family Awards Program, and Mrs. Mildred Morris and family was chosen as one of the six great American families honored by Mrs. Reagan at the White House on June 10, 1986. He said Mrs. Morris has been a single parent to a dozen children, two of her own and ten foster children, known as " a second mother" rather than a "foster parent".

because of the very steep slopes involved in the project. He said he understood that another, or a final set of plans, had been submitted to the City Engineering Division for erosion control, but the plans could not be obtained, therefore, the residents had no assurance of safe and adequate drainage control. He also questioned the density of the units per acre for the proposed project. He said, in his opinion, the project does not meet the requirements of the Protected Ridge Law.

Mr. John Coli again spoke to members of Council, requesting that Council disapprove the project on the basis that it is not compatible with the 1977 Land Use Plan, adopted by Council, and the incompleteness of the project due to storm drainage in the area.

Jasmin Gentling of 241 Old Toll Road spoke against the project due to the increased possibility of storm drainage damage. She showed members of Council photographs of damage that had already been done due to erosion control in the area.

Barbara Mailoy of 107 Evelyn Place, President of the Grove Park Sunset Citizens Association, also spoke in opposition of the project.

Jerry Hobbs of 106 Old Toll Road spoke in opposition to the project. He stated that he has sustained property damage due to storm water run-off since the cutting of trees on the proposed site.

Loren Wells of 710 Town Mountain Road, owner of "Overlook Castle" spoke in opposition to the project and presented a letter from Dr. William Highsmith regarding restrictive covenants on the proposed site.

Mrs. Wells of 710 Town Mountain Road spoke in opposition to the project, stating that this would have a great effect on the "Overlook Castle" that they had remodeled, and that "Overlook Castle" is on the National Historic Register and is a Local Historic District.

Dorothy Davis-Dodge of 155 Patton Mountain Road spoke in opposition to the project, stating that this project would be an insult to the environment of the neighborhood.

Brainard Rorison of 1 Crestwood Road spoke in opposition to the project.

Mrs. Scully of 17 Bluebriar Road spoke in opposition to the project, citing problems with drainage.

Patricia Davies, of 362 Town Mountain Road spoke in opposition to the project, noting that this would increase the traffic congestion on Town Mountain Road.

Alfred Adams, Attorney, representing the developer, again spoke to members of Council relative to approval of the project, stating that the proposed structure would be in compliance with all local and state laws. He said the units would be in breaks, and would be staggered, and built around the base of the mountain, using 2½ acres of the property for construction, and would enhance the neighborhood.

William Martin of W. R. Martin Corporation spoke in support of the project.

providing a 200,000 gallon reservoir which would be used solely for fire protection. He said the developers have submitted plans to the City Engineering Department for erosion control, and approval of the plans is anticipated within two weeks. He said under State statutes, a developer cannot create or exceed more water runoff than is currently existing. He said the developer intends to provide additional retention ponds to take care of any additional runoffs created by the project.

Alfred Adams, Attorney, representing W. R. Martin Corporation, Developer, spoke in support of the project. He said the developer submitted plans a year ago which were denied. He said after months of discussion and revamping, and downscaling of the project, his client had received approval by the Planning and Zoning Commission of the project. He said, in his opinion, the project will enhance the tax base of the City of Asheville, and provide reasonable growth needed in the City. He said the total project is in compliance with the permitted use of the land, and to table or postpone action on the site plan would not be consistent with the developers intent nor with the neighborhood. He said the developer would comply with all laws relative to storm drainage, and would receive approval from the City Engineering Division for erosion control plans prior to beginning the project.

Allan Freeman, Architect for the project, spoke in support of the project, and outlined the details of the construction phase. He said parking would be provided on the top ridge of the mountain, and the entrance would be by the use of a bridge.

Representing the Grove Park Sunset Citizens Association, John Coli of 314 Town Mountain Road, spoke in opposition to the project. He said the proposed project is not in compliance with the Land Development Plan, Phase II, Land Use and Growth, adopted by Asheville City Council on August 4, 1977. He said the plan adopted in 1977 was still in effect and in force. He said the plan provides policies for guiding future growth by elected officials.

Francis Manley of 310 Town Mountain Road spoke in opposition to the project, stating that the residents on Town Mountain Road have no storm sewer system, and water is dumped on private properties, causing serious problems. He also referred to the 1977 plan and referred to a soil map and a policy set forth in the plan to discourage development on slopes 25% or greater. He further referred to a map of existing and future land use recommending single family residential use. He said when the developers of the proposed project cleared off trees and undergrowth, this caused additional problems to the private properties. He said when the project is completed, runoff problems will be compounded. He said it was his understanding that the City of Asheville has not allocated money for improvements in the City of Asheville for storm drainage. He requested that Council disapprove the project due to existing serious storm drainage problems, traffic congestion on narrow Town Mountain Road, in addition to being an eyesore and an insult to the environment.

Kenneth Pankow, with Pankow Engineering Company, said he was hired by the Grove Park Sunset Citizens Association to review the plans of the proposed project from a professional standpoint. He said in reviewing the plans, he found problems in erosion control. He said one of the guidelines of the Group Development Ordinance is to ensure safe and adequate storm drainage. He said there would be problems with storm water drainage, mainly

Acting Corporation Counsel Patsy Brison said Councilman Michalove's motion was out of order since members of Council must hold a public hearing and pass an ordinance relative to moratoriums, and also members of Council were strictly considering the site plan of the Sunset Pointe Condominiums at this time.

Councilman Michalove then moved to schedule a public hearing for a six-month moratorium on multi-family development in all areas that may be affected by the mountainside zoning ordinance. This motion was seconded by Councilman Boland and was defeated on a vote of 4-3, with Vice-Mayor Frank, Councilman Michalove, and Councilman Boland voting "aye".

Councilman Bratton said she felt members of Council has had adequate time to consider this proposed project, and should make a decision on the approval or disapproval of the site plan. She said the developer is meeting all requirements of the zoning and building codes of the City of Asheville.

Councilman Bratton moved to approve the site plan of the Sunset Pointe Condominiums to be located on Town Mountain Road. This motion was seconded by Councilman Price.

Councilman Michalove made a substitute motion to deny the site plan of the Sunset Pointe Condominiums on the information submitted to members of Council. This motion was seconded by Councilman Boland.

After discussion, Councilman Michalove withdrew his substitute motion.

On a voice vote of 6-1, Councilman Bratton's motion for approval for the site plan for Sunset Pointe Condominiums failed, with Councilman Bratton voting "for".

Mayor Bissette then announced that approval of the site plan was denied.

Councilman Michalove again moved to schedule a public hearing for a six-month moratorium on multi-family development in all areas that may be affected by the proposed mountainside zoning ordinance for July 8, 1986. This motion was seconded by Councilman Price and carried unanimously.

PUBLIC HEARING - APPROVING THE REVISION OF RULE 17(e) OF CIVIL SERVICE RULES AND REGULATIONS

4. A public hearing was held relative to approving the revision of Rule 17(e) of the Civil Service Rules and Regulations.

Mayor Bissette said the revision of Civil Service Rule 17(e) will clarify that death leave can only be taken when an employee is scheduled to work and that it must be taken at the time of the emergency. It prohibits employees who are otherwise not working (due to annual leave, sick leave, or regularly scheduled days off) from substituting death leave for any other time they are absent from work. In addition, the definition of "immediate family" has been expanded and time off has been provided for employees to attend the funerals of co-workers and close personal friends.

George Jensen, with Jensen Engineering Company, said the present City ordinance does not require developers to install stormwater retention ponds. However, the developer would be installing these retention ponds, and the erosion control plans were submitted to the City Engineering Department on June 16, 1986.

After discussion, Mayor Bissette closed the public hearing at 6:03 p.m.

Councilman Michalove commented that members of Council should consider many facets of this project, including the zoning plan mentioned by John Coli, and the legal requirements of Council relative to the project. However, Council members also need to make many determinations about the project, questioning whether or not the Planning and Zoning Commission considered the Land Use Plan adopted by City Council in 1977. He said he felt there were two types of storm drainage problems on Town Mountain Road due to buildings and homes on the mountain. He said members of Council should review and study this project, plus the overall area. He said he would also like to review the cross-section drawings of the proposed project as to what it would look like on the mountain. He said members of Council should review and take action on the proposed buffering ordinance and the mountainside zoning ordinance as it relates to this type project. He said he would also like to see formal correspondence from the Fire Chief and the Director of Water and Sewer Services regarding this project. He said he felt the proposed plans for the project were weak in the forms of buffering and storm drainage.

Councilman Boland agreed with Councilman Michalove and said aesthetics are also involved in this project, and Council members should look closely at the storm water drainage problems.

Vice-Mayor Frank said she would also be interested in reviewing the proposed mountainside zoning ordinance as it relates to these type projects.

Councilman Price said she could not support the project because it would have an important visual impact on the mountain, and before she could support the project, she would have to determine if it would be in harmony with the area.

Councilman Tisdale moved to postpone action on the site plan for Sunset Pointe Condominiums until members of Council could see the report from City Engineering Department relative to the erosion control plan and other questions relative to the project are answered, indicating that Council take action on the proposed project on July 1, 1986. This motion died for the lack of a second.

Councilman Price then moved that the site plan for the Sunset Pointe Condominiums be denied, stating that the plans did not meet the intent of the group development section of the Zoning Ordinance. This motion also died for the lack of a second.

Councilman Michalove moved to impose a moratorium on multi-family dwellings in all areas that may be affected by the proposed mountainside zoning ordinance. This motion was seconded by Councilman Boland.

I feel this section of the present rule should remain as is, except for the inclusion of grandchildren, grandparents, and step-children.

3. 1-Day/Personal Friends or Fellow Employees - I do not feel a whole day is necessary when personal friends or fellow employees. Here again, a person is supporting the immediate family, and the normal obligation is to visit the family "when friends are received" at the funeral home, preparation of food for the family, and attendance of the funeral. In most cases, I believe a person could do whatever is necessary to support the "immediate family" during the evening hours and use "annual leave" or "compensatory time" for the funeral itself. Therefore, I do not feel that Council should authorize a 1-day type leave.

I also see where the inclusion of this amendment could be abused by employees and department heads alike. Whose to make the judgement when an employee says "a close friend" has died and request time off on a weekly basis? Also, I think department heads could show a lot of favortism under the proposed amendment, and this would result in poor morale and job performance by employees feeling they were not given "equal treatment" by the department head.

I think it would be far better for employees to do as they are now - request whatever time necessary to attend the funeral (usually 1-2 hours is all that is necessary), and charge to comp or leave time.

I appreciate the opportunity to express myself on this important issue.

Mayor Bissette closed the public hearing at 6:53 p.m.

It was the consensus of Council to take no action on the revision of Rule 17(e), but to refer the matter to the Council Personnel Committee for their recommendation.

PUBLIC HEARING - 1986/87 ANNUAL BUDGET

5. A public hearing was held relative to the 1986/87 annual budget.

Mayor Bissette said in accordance with the Local Government Budget and Fiscal Control Act, a public hearing is required to receive public comments on the proposed budget for 1986-87. A copy of the proposed budget was submitted to Asheville City Council on May 30, 1986. He said the total budget would be $29,310,026.00.

The City Manager noted that members of Council had received copies of the proposed operating, capital, and water and sewer budget. He said the budget was being presented as a balanced budget with a 2 cent tax increase for operations to replace funds lost through federal cutbacks and to continue City services at their current levels, and 7 cents to be used to repay the bond debt if a bond referendum passes in September, or to fund

Anita Jones, Civil Service Manager, explained that the Civil Service Board had an inquiry on April 2nd, relative to a clarification of this rule. She said a proposal was drafted and was approved by the Civil Service Board to clarify bereavement leave to be taken only at the time of an emergency, and to extend a one-day bereavement leave for a close friend or co-worker. She said this revision would also expand the definition of immediate family. She said employees in the classified service were given notice of the public hearing, stating that they could either attend the public hearing to give their input or submit their comments to department heads, to be submitted to members of Council.

Lem Moore, Director of Inspections Division, said he had received several comments from his employees, taking exceptions to including aunts and uncles in the definition of immediate family, and not including in-laws. He said, in his personal opinion, he felt the written policy should be more general and Administration should grant bereavement leave on the merit of a personal situation.

Councilman Michalove requested that the following be included in the minutes since the memorandum was presented to members of Council.

MEMORANDUM TO: Members of Council

FROM: Margaret Messer

DATE: June 12, 1986

SUBJECT: Proposed Amendment to Rule 17(e) (Bereavement Leave)

As a member of the Classified Service and a City taxpayer, I would like to express my thoughts about the proposed amendment to Rule 17(e) (Bereavement Leave):

1. "Immediate Family" - I agree partly with the extended definition of "immediate family" whereby it would include father, mother, brother and sister, spouse, children, grandchildren, and grandparents. However, I do not think the definition should include aunts and uncles, but should include step-children.

   My reasoning for this is because most people are not obligated nor responsible in helping with the arrangements, etc. when aunts and uncles die, but do provide support to the "immediate family".

   If the Council wants to include aunts and uncles, I think they should be included in the "up to 1 day leave" category, designated for "aunts and uncles" only.

2. Bereavement Leave/3 days for Immediate Family - I agree that this leave should be taken during the time of the emergency. However, I do not feel that if an employee is on vacation or sick and a member of the "immediate family" dies, that days used for arrangements, etc. should be charged to annual or sick leave. You certainly cannot justify those days under the definition of "annual leave" or "sick leave".

J. Thomas Butler, of 13 Sayles Road, spoke in opposition to a tax increase or a bond issue, stating that he felt the City should make public improvements on a "pay as you go" basis, rather than mortgaging every home in the City of Asheville.

Doug Swain, of 296 Montford Avenue spoke in support of the proposed budget, and requested Council's approval of the full budget as submitted by the Historic Resources Commission. He also spoke in support of submitting a $27 million bond issue to the voters of the City of Asheville for streets, sidewalks, and storm drainage improvements, as well as a Arts and Science Center.

Councilman Price said she felt members of Council should also talk to the County relative to the Historic Resources Commission budget.

Bob Mayhew, of 131 Deerlake Drive spoke in opposition to a tax increase in the budget, stating that higher taxes will drive businesses and residents out of the City. He said he felt the City of Asheville was in competition with other areas and other states and he felt the City Council members should evaluate all needs and be as efficient as possible.

Richard Hurley, of 177 Wendover Road, speaking as a representative of the Square "D" Company, spoke in favor of submitting a $27 million bond issue to the voters of the City of Asheville. He said the Square "D" Company is willing to pay their share for the continued growth in the City.

Sally Rhodes, of 456 Merrimon Avenue also spoke in support of submitting the $27 million bond issue to the voters of the City of Asheville, particularly commenting on the need for an Arts and Science Center in the City of Asheville.

After discussion, Mayor Bissette closed the public hearing at 8:11 p.m.

ORDINANCE NO. 1587 - BUDGET ORDINANCE AMENDMENT TO SET UP STATE SEWER GRANT REVENUE RECEIVED FOR CITY OF ASHEVILLE SEWER MASTER PLAN

6. Consideration was given to a budget ordinance amendment to set up State sewer grant revenue received for City of Asheville Sewer Master Plan.

Mayor Bissette said the State of North Carolina approved a grant application for the City of Asheville Sewer Master Plan. This grant is a 50% match grant. The sewer master plan is currently funded 100% with local funds; however, the staff is recommending that these additional funds be appropriated under the contingency account with the Master Plan, and an appropriation for the Smith Bridge sewer line relocation project (Municipal Agreement Project No. 8.2840101). He said this grant will in effect, increase the available local funds in the amount of $749,762 for sewer extensions or annexation related improvements.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

minor capital improvements if the referendum fails. He said the budget also includes the use of 1.4 million of the fund balance to balance the budget. He said the budget also includes maintaining a 12 cent capital reserve budget. He said the budget also includes an increase to the Chamber of Commerce and the Asheville-Buncombe Community Relations Council since the County of Buncombe was not going to fund the Community Relations Council.

Councilman Bratton commended the City Manager for a job well done on the proposed 1986/87 budget. She said she felt there were several agencies in the City of Asheville where funding is on a formula basis between the City of Asheville and the County of Buncombe. She said she was concerned about this formula and felt the City Council and the County of Buncombe should meet each year at budget time on projects that are jointly funded by the City and the County. She requested that members of Council request the County Commissioners meet with the City Council to discuss, among other things, budgets for agencies set out in the Water Agreement.

Councilman Price requested that Mayor Bissette contact the Buncombe County Commissioners to have a joint meeting within the next week relative to the budgets for outside agencies outlined in the Water Agreement.

Councilman Boland said that he felt the Asheville City Council and the County Commissioners should meet on a regular basis to discuss many mutual efforts.

Councilman Tisdale said he did not support a 2 cent tax increase on the budget since he felt there were many internal controls that could be taken, such as the use of City vehicles, lights in the building staying on after midnight, and energy savings. He said he felt Council or the City staff should have internal committees to cut cost, putting forth real efforts in effectively spending taxpayers money wisely. He said he felt members of Council should live up to the requirements in the Water Agreement relative to funding of the Chamber of Commerce and the Asheville-Buncombe Community Relations Council.

Councilman Michalove said he was concerned about the proposed budget since the City of Asheville does not have enough revenue to balance a budget without having to go into the fund balance. He said, from past experience, he knew that the budget could not be cut without cutting the level of services. He said he did not feel 2 cent on the tax rate was enough for the general operations budget, and should be at least 5 cents.

Councilman Boland said he felt 2 cents on the operational budget is reasonable and would not impose a burden on the taxpayers of the City of Asheville since there has not been a real tax increase in six or seven years.

Mayor Bissette said he felt the proposed budget, with a 2 cent increase in the operational budget, was reasonable and was requested by members of Council to be included in the budget to fund agencies and the contingency fund.

Sybil Bowers, Executive Director of the Historic Resources Commission, asked members of Council to give full support to the Historic Resources Commission budget, as submitted.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Councilman Michalove commented on the need for City Council to support the submission of a $27 million bond issue to the voters of the City of Asheville for streets, sidewalks, and storm drain improvements in the City of Asheville.

After discussion, Councilman Michalove moved to submit to the voters of the City of Asheville, in a referendum in September, a bond issue in the amount of $27 million and that advertisement be made accordingly. This motion was seconded by Councilman Boland.

Upon inquiry of Councilman Tisdale, the City Manager said it would cost the City of Asheville approximately $20,000 to hold a referendum in September.

After discussion, Councilman Michalove's motion to submit a $27 million bond issue to the voters of the City of Asheville failed on a vote of 4-3 with Mayor Bissette, Vice-Mayor Frank, Councilman Bratton, and Councilman Tisdale voting "no".

Upon motion of Councilman Bratton, seconded by Councilman Michalove, Resolution No. 86-103 was unanimously adopted.

Complete text of Resolution No. 86-103 will be found in Resolution Book No. 16 at Page 31.

Councilman Tisdale noted that he did not support putting a tax increase in the budget for 1986/87 unless the voters of the City of Asheville approve the bond referendum in September.

APPROVAL OF THE CONSENT AGENDA

9. Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 86-104

A. Consideration of a resolution authorizing the Mayor on behalf of the City of Asheville to execute an agreement with the Western North Carolina Regional Air Pollution Control Agency for the provision of inspection services with regard to the heating code of the City of Asheville.

HIGHLIGHTS: The City of Asheville has adopted the North Carolina State Building Code, Volume III,

Councilman Price moved for the adoption of Ordinance No. 1587. This motion was seconded by Councilman Bratton.

On a roll call vote of 7-0, Ordinance No. 1587 passed on first and final reading.

Complete text of Ordinance No. 1587 will be found in Ordinance Book No. 11 at page 20.

ORDINANCE NO. 1588 - BUDGET ORDINANCE AMENDMENT TO PROVIDE APPROPRIATION FOR PURCHASE OF A 1000 GPM PUMPER

7. Consideration was given to a budget ordinance amendment to provide appropriation for purchase of a 1000 GPM pumper.

Mayor Bissette said this budget amendment is to provide appropriation for the purchase of a 1000 GPM pumper for the Asheville Fire Department. He said the total cost will be $118,696.00. He said funding is from unearmarked Revenue Sharing Funds. He said this item was included in the Fiscal 1984-85 Capital Budget.

Mayor Bissette said copies of the ordinance were previously presented to members of Council and it would not be read in its entirety unless there was a specific request to do so.

Councilman Bratton moved for the adoption of Ordinance No. 1588. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1588 passed on first and final reading.

Complete text of Ordinance No. 1588 will be found in Ordinance Book No. 11 at page 21.

RESOLUTION NO. 86-103 - RESOLUTION AUTHORIZING FILING AN APPLICATION WITH THE NORTH CAROLINA LOCAL GOVERNMENT COMMISSION RELATING TO A PROPOSED GENERAL OBLIGATION BOND ISSUE AND DESIGNATING THE AUTHORIZED REPRESENTATIVE OF THE CITY TO FILE THE APPLICATION

8. Consideration was given to a resolution authorizing filing of an application with the North Carolina Local Government Commission relating to a proposed general obligation bond issue and designating the authorized representative of the City to file the application.

Mayor Bissette said studies have indicated the need to improve City streets, sidewalks, the storm drainage system and the usefulness of a community arts and sciences facility. Article V, Section 4 of the North Carolina Constitution permits and North Carolina General Statutes, Chapter 159, Article 4 prescribe the procedures for the issuance of general obligation bonds. This resolution will designate the City's Finance Director to serve as the representative of the City to file the application for approval of the bonds with the Local Government Commission of the State of North Carolina.

D. Consideration of a motion relative to bids received for parking garage parking control equipment.

HIGHLIGHTS: Sealed bids were invited to furnish and install two (2) Automatic Parking Ticket Dispensers, four (4) Parking Gates, six (6) vehicle Detectors and four (4) gate arms for the Public Works Department, Civic Center Parking Garage Division. One (1) bid was received. It is recommended to award this purchase to Cincinnati Systems, Inc., Greenville, South Carolina.

FISCAL IMPACT: $18,020.00 - There are sufficient funds in the Public Works Department appropriations Account Code 50-432-0740.

E. Consideration of a motion to schedule a public hearing for a site plan of the proposed Forest Ridge Mobile Home Park to be located on Rock Hill Circle for July 8, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held May 14, 1986, reviewed a site plan of the proposed Forest Ridge Mobile Home Park to be located on Rock Hill Circle. The plan was prepared by Pankow Engineering Company for Mr. Frank Duckett, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to: 1) agreement on entrance road; 2) placement of some fencing within the 50' buffer requirement; and 3) compliance with the Erosion Control Ordinance.

FISCAL IMPACT: None

Upon motion of Councilman Michalove, seconded by Councilman Price, the Consent Agenda was unanimously approved.

MOTION RELATIVE TO CONSENT JUDGEMENT - LAWSUIT BETWEEN NORTH CAROLINA DEPARTMENT OF TRANSPORTATION AND JOHN P. HOLT AND WIFE

10. At the request of the Acting Corporation Counsel, Councilman Michalove moved to authorize Corporation Counsel William F. Slawter to sign a Consent Judgement in a lawsuit between the North Carolina Department of Transportation and John P. Holt and wife, lawsuit involving right-of-way acquisition by the North Carolina Department of Transportation and the City's interest in collecting the City taxes on said property. This motion was seconded by Councilman Price and carried unanimously.

Heating, as the City of Asheville's Heating Code. Pursuant to N. C. Gen. Stat. sec. 160A-412, the City is responsible for enforcement of State and local laws relating to the installation of heating systems and air conditioning systems. This resolution will authorize the Mayor to execute an agreement between the City and the WNC Air Pollution Board authorizing the WNC Air Pollution Control Agency to perform the heating and air conditioning inspections.

FISCAL IMPACT: None

Resolution Book 16, Page 32 & 33

Resolution No. 86-105

B. Consideration of a resolution directing the City Clerk to investigate a petition received under G.S. 160A-58.1 to annex a non-contiguous area on Hwy. 70, now occupied by the Holiday Inn East.

HIGHLIGHTS: A petition requesting annexation of an area has been received. N. C. Gen. Stat, sec. 160A-58.2 provides that the sufficiency of the petition shall be investigated by the City Clerk before further annexation proceedings may take place. This resolution will direct the City Clerk to investigate the sufficiency of the petition and to certify to Council the result of his investigation.

FISCAL IMPACT: None

Resolution Book 16, Page 34

C. Consideration of a motion relative to bids received for a 1000 GPM Pumper with Accessories for the Asheville Fire Department.

HIGHLIGHTS: Sealed bids were invited to furnish a 1000 GPM Pumper with accessories for the Asheville Fire Department. Forty (40) bids were mailed; however, only two (2) bids were received. It is recommended that the award be made to the low bidder, American Eagle Fire Apparatus/Mark VI, Asheville, North Carolina. The low bidder meets all the bid specifications.

FISCAL IMPACt: $118,695.80 - Funds for this purchase are from the Fire Department's appropriations account code 10-470-0740-477.

RESOLUTION NO. 86-106 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A NEW LEASE AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND THE STATE OF NORTH CAROLINA

11. Consideration was given to a resolution authorizing the Mayor to execute a new lease agreement by and between the City of Asheville and the State of North Carolina.

Mayor Bissette said by Resolution No. 85-158, dated September 10, 1985, the City of Asheville authorized the Mayor to execute a lease agreement by and between the City of Asheville and the State of North Carolina for a tract of land lying and being in Limestone Township. He said changes have been made to the lease agreement and this resolution would authorize the Mayor to sign a new lease agreement by and between the City of Asheville and the State of North Carolina for said property.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, Resolution No. 86-106 was unanimously adopted.

Complete text of Resolution No. 86-106 will be found in Resolution Book No. 16 at Page 35.

CLAIMS - C & H USED CARS (WATER) - EARL SPROUSE (WATER) - GRACE REVELL (SANITATION) - ELLA MAE YOUNG (SANITATION) - JAMES DUTTON (WATER) - STEVE TAPPE (WATER)

12. The City Manager presented claims received from C & H Used Cars, Earl Sprouse, Grace Revell, Ella Mae Young, James Dutton and Steve Tappe.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - HOUSING AUTHORITY FOR THE CITY OF ASHEVILLE VS. CHRISTA MICHELLE REEVES (CONDEMNATION LAWSUIT - HAYWOOD/WALL STREET REDEVELOPMENT AREA

13. The City Manager noted that the City of Asheville was served with a lawsuit involving the Housing Authority of the City of Asheville vs. Christa Michelle Reeves regarding condemnation lawsuit - Haywood/Wall Street Redevelopment area.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Boland, the meeting adjourned at 8:35 p.m.

MAYOR

CITY CLERK

Councilman Boland commented that he was concerned about the requested increase for the Historic Resources Commission. He said it was his understanding that if the increase is not granted for the Historic Resources Commission budget, the Executive Director's position ould be cut back to a part-time position.

Councilman Tisdale said he would not support the 2¢ tax rate increase because he feels costs can be cut by internal controls and reduce the need for a tax increase, and he said the 7¢ tax increase for capital improvements should be placed in the budget only if voters approve the September referendum. He said he felt the new City Manager had not had an opportunity to review the various departments regarding operations or their budgets. He said he felt Council members should give the new City Manager an opportunity to investigate the departments and their operations before instituting a tax rate increase. He said he felt internal controls within the City government could be improved substantially, such as the use of City vehicles and energy controls. He said he was concerned about the 16% tax increase for the City residents, with the Asheville School Board requesting a supplemental tax, the County of Buncombe increasing their taxes, and the State officials imposing a gasoline tax increase. He said he had participated in campaigning for legalizing the sale of liquor in the City of Asheville, and it was promised, at that time, that the revenue earned from the legalized sale of liquor would be used to pave streets in the City of Asheville. He said he would have no objections, and would like for the City of Asheville to earmark all the revenue from the sale of liquor for the improvements of streets, sidewalks, and storm drainage.

MEMORANDUM TO: Doug Bean, City Manager

FROM: Bob Wurst, Director of Audit & Budget

DATE: June 24, 1986

SUBJECT: ABC REVENUES

ESTIMATED ABC REVENUE FOR 1985-86	$743,000
CITY SHARE 75%	557,250
COUNTY SHARE 25%	185,750

Approximately 17% of revenue comes from Liquor by the Drink or approximately $94,700 to the City. I can find no restriction on use of funding.

BW:m:sm

He said it also concerned him that the Powell Bill funds have been thrown in the general fund and they should be used strictly for streets, sidewalks, and storm drainage. He said he felt the City of Asheville should institute many cost savings programs. He questioned why incumbent members of Council had not supported a tax increase last year, during an election year, and is supporting a tax increase this year.

Tuesday - June 24, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - JUNE 17, 1986 MEETING

1. Consideration was given to the approval of the minutes of the June 17, 1986, meeting.

Mayor Bissette said approval of the minutes would be reserved until next week.

PROCLAMATION - JULY 7-12, 1986 - "SOAP BOX DERBY WEEK"

2. Mayor Bissette read a proclamation proclaiming July 7-12, 1986, as "Soap Box Derby Week."

Mayor Bissette presented the proclamation to Carlie Rogers with the West Asheville Rotary Club.

ORDINANCE NO. 1589 - AN ORDINANCE ADOPTING THE BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1986/87

3. Consideration was given to an ordinance adopting the budget and fixing the tax rate of the City of Asheville for the Fiscal Year 1986/87. Mayor Bissette said in accordance with the Local Government Budget and Fiscal Control Act, this ordinance will adopt the budget and fix the tax rate for 1986/87. The total budget is $29,310,026.00.

Mayor Bissette said the budget included a 2¢ tax increase for the operating budget, which will produce approximately $350,000 to be used to replace federal and state funding that has been cut back or terminated and to continue City services at their current level. He said the remaining 7¢ would be used for improvements to streets, sidewalks and storm drains either through repayment of a $20,000,000 bond debt if voters approve a Public Works bond referendum in September or to fund minor capital improvements if the referendum fails.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there is a specific request to do so.

Councilman Frank said she supported the proposed budget because she felt there were many needs that need to be met within the City of Asheville due to cut-backs at the federal, state, and local levels. She also noted that ad valorem taxes is only one-third of the total budget in revenues.

Councilman Bratton said she supported the proposed budget since all members of Council have had the opportunity to review the entire proposed budget.

Councilman Boland, speaking in favor of the tax increase, said if the voters did not approve the bond referendum in September, a "pay as you go plan" will not meet the needs of the City of Asheville.

Mayor Bissette thanked the City Manager and the City staff for presenting a reasonable budget. He said he felt the increase in the operational budget and the 7¢ to be used for improvements of streets, sidewalks, and storm drainage was reasonable.

Councilman Boland moved for the adoption of Ordinance No. 1589. This motion was seconded by Councilman Bratton.

On a roll call vote of 6-1, Ordinance No. 1589 passed on first and final reading with Councilman Tisdale voting "No."

Complete text of Ordinance No. 1589 will be found in Ordinance Book No. 11 at page 222 - 225.

APPROVAL OF THE WATER AUTHORITY BUDGET

Mayor Bissette said the Water Authority requires the City of Asheville, the County of Buncombe, and the Water Authority to approve the Water Authority Budget.

After discussion, Councilman Michalove moved to approve the Water Authority budget for 1986/87 along with a request that the Water Authority consider amending the capital budget by appropriating $350,000 to the Sewer Maintenance Fund. This motion was seconded by Councilman Boland and carried unanimously.

Councilman Price said she was hopeful that the City of Asheville could meet with the County of Buncombe in the very near future to review the requested increase to the Chamber of Commerce, the Asheville Buncombe Community Relations Council, and the Historic Resources Commission.

Councilman Tisdale said he was very disappointed that the Inter-governmental Committee meeting between the City of Asheville and the County of Buncombe has not been scheduled, and it was his hope that Mayor Bissette could help influence the County officials to meet with the City Council members.

After discussion, Councilman Michalove moved that if the Inter-governmental Services Committee between the City of Asheville and the County of Buncombe has not met by July 15, members of Council adjourn the City Council meeting and go to the County Commissioners meeting and ask to be heard under other business. This motion was seconded by Councilman Bratton.

Councilman Bratton said she was concerned about the funding for outside agencies such as the Chamber of Commerce and the Asheville Buncombe Community Relations Council. She said she felt a joint meeting with the County of Buncombe and the City of Asheville is greatly needed to discuss the funding for these outside agencies pursuant to the Water Agreement.

Ralph B. Adams, of 75 Madison Avenue, spoke for the residents of "Precinct 3" stating that his group is definitely opposed to any of these tax increases, and they would also like to know, in detail, how the increased tax funds would be distributed in various precincts.

John Walsh spoke to members of Council offering Council an alternative to raising taxes, stating that he would work in the Water Quality Department for minimum wage.

Willa May Brown, of 93 White Fawn Drive, said she felt the bond issue is necessary, but that it is unfair for City property owners to pay the bond debt. She said she would like Council members to investigate other plans for raising revenues other than raising property taxes.

Captain John Best, retired police officer, spoke to members of Council, requesting that the retired police officers and their survivors be given a "cost of living" increase each year.

Mayor Bissette, responding to Captain Best, said the Police Pension Task Force Committee has been studying the Police Pension Program and should have a recommendation on the benefit package within the next month.

John Sorrells, of 201 East Chestnut Street, suggested that Council eliminate the Historic Resources Commission Executive Director and also the Commission. He said he felt the Historic Resources Commission is a bureaucracy, and it would save money to do away with the Executive Director position and the Commission.

Dorothy Arrowood, 126 Vance Crescent, also suggested that Council eliminate the Historic Resources Commission. She said historic properties designations are needed, but they should be on a volunteer basis.

Capt. Donald Maney, retired police officer, also requested that Council institute a "cost of living" increase each year for retired police officers and their survivors.

Councilman Michalove said he was concerned that the budget, as presented, would be using 1.4 million of the fund balance to balance the budget. He said by using the fund balance each year, the City would eventually not have a fund balance. He said the fund balance being used in this year's budget equates to 8.2¢ on the tax rate. He said it also concerned him that in the capital budget, there was no money appropriated for street paving when $1,000,000 was requested. He said before the bond referendum goes to the voters for approval, exact streets and specific information would be given to all citizens.

Councilman Price noted that the City Council has no other alternatives except to go to the City tax payers for revenues. She suggested that the citizens encourage their State legislators to support legislation to authorize municipalities to impose other taxes other than ad valorem taxes.

There being no discussion relative to the site plan, Vice- Mayor Frank closed the public hearing at 5:36 p.m.

Councilman Boland moved to approve the site plan and the proposed relocation of the Kinco Corporation to Lot #7 of the Emma Airport Associates Subdivision as recommended by the Planning and Zoning Commission. This motion was seconded by Councilman Price and carried unanimously.

PUBLIC HEARING - SITE PLAN - PROPOSED SIX UNIT APARTMENT - BARNARD AVENUE

5. A public hearing was held relative to the site plan of a proposed six-unit apartment to be located on Barnard Avenue.

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held May 14, 1986, reviewed the site plan of a proposed six-unit apartment to be located on Barnard Avenue. The site plan was prepared by Frank McGahren, Engineer, for Mark Carlson, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 5:40 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had approved the proposed site plan subject to compliance with the Erosion Control Ordinance. He said in the initial review of the plan, there were some design problems relating to water running around the existing building; however, that has been resolved to the satisfaction of the Planning and Zoning Commission. He said the property is zoned R-3 Residential which would allow ten units. He said there is an existing structure on the property, and it is proposed that six more units would be added. He said access to the project would be from Barnard Avenue.

A discussion was held, instituted by Counciman Boland, relative to the narrowness of Barnard Avenue. Mr. Emrick said measures could be taken to alleviate any problems at the intersection of Edgewood Road and for the narrowness on Barnard Avenue.

A discussion was held relative to the future widening of Barnard Avenue, and it was noted that there was enough right-of-way and property to widen the road.

Mark Carlson, developer of the proposed project, spoke in support of the development presenting his credentials on past performance.

Councilman Michalove said he felt this particular area, near the University of North Carolina at Asheville is growing tremendously, and the Planning and Zoning Commission should be looking at the entire area relative to zoning.

Mayor Bissette closed the public hearing at 5:48 p.m.

Mayor Bissette commented that it is very difficult to get two governmental bodies together at this time of year since both are working on budgets for the coming year. He said he felt the County Commissioners are willing to meet with the City Council members. He commented that he had never been turned away to discuss any matter with individual County Commission members; however, he felt there was a need for more meetings between the City Council and County Commissioners to discuss numerous problems and issues that affect both the City of Asheville and the County of Buncombe. He said he felt Councilman Michalove's motion would be placing too much pressure on the County Commissioners.

Councilman Tisdale objected to threatening-type tactics and abstained from voting.

Councilman Boland agreed with Mayor Bissette and said he was hopeful that the meeting could be scheduled very soon.

On a voice vote of 5-2, Councilman Michalove's motion passed with Mayor Bissette and Councilman Boland voting "No."

PUBLIC HEARING - SITE PLAN - PROPOSED RELOCATION OF KINCO CORPORATION - EMMA AIRPORT ASSOCIATES SUBDIVISION

4. A public hearing was held relative to a site plan of the proposed relocation of Kinco Corporation to Lot #7 of the Emma Airport Associates Subdivision.

Mayor Bissette requested that he be excused from participation and vote on the issue relative to the Kinco Corporation since his firm represents this developer.

Councilman Tisdale moved to excuse Mayor Bissette from participation and vote on the matter relative to the site plan of the proposed relocation of the Kinco Corporation. This motion was seconded by Councilman Price and carried unanimously.

Vice-Mayor Frank said the Asheville Planning and Zoning Commission, at a meeting held May 14, 1986, reviewed a site plan of the proposed relocation of Kinco Corporation to Lot #7 of the Emma Airport Associates Subdivision. The plan was prepared by Ashley Engineering Company for Mr. Bob Kinser, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project provided that it has no access to Brickyard Road and compliance with the Erosion Control Ordinance.

Vice-Mayor Frank opened the public hearing at 5:34 p.m.

The City Clerk presented the notice to the public, setting the date and time for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had recommended approval of the project provided that no access is made to Brickyard Road and there is compliance with the Erosion Control Plan. He said this development would house the Kinco Corporation. He said the Erosion Control Plan had been submitted to the State and approved.

documents in connection with the application and will authorize the City Manager to furnish additional information as the U.S. Department of Transportation may require in connection with the application.

Urban Mass Transportation Admin.	$ 562,936
City of Asheville	562,936
Total Operating Assistance	$1,125,872

Mayor Bissette opened the public hearing at 5:54 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Carl Ownbey, with the Asheville Transit Authority, said this is an annual operational assistance grant used for the operation of the Asheville Transit Authority.

Councilman Price noted that the Transit Authority subsidy has increased by $73,000 over the last year. She said she felt the increase was primarily due to the liability insurance increasing to $82,000. She said she felt the Asheville Transit Authority and members of Council should address the issue of the liability insurance problems.

Councilman Michalove said he felt the funding was necessary for the elderly and handicapped in the City of Asheville. He also noted that the federal funding equates to approximately 3¢ on the City tax rate.

Mayor Bissette closed the public hearing at 5:56 p.m.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-107 was unanimously adopted.

Complete text of Resolution No. 86-107 will be found in Resolution Book No. 16 at page 36-37.

RESOLUTION NO. 86-108 - RESOLUTION AUTHORIZING THE EXECUTION OF N.C.D.O.T./ M.P.O. AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION PURSUANT TO RELEVANT SECTIONS OF THE URBAN MASS TRANSPORTATION ACT OF 1964 AS AMENDED

8. Consideration was given to a resolution authorizing the execution of N.C.D.O.T./M.P.O. Agreement with the North Carolina Department of Transportation pursuant to relevant sections of the Urban Mass Transportation Act of 1964, as amended.

Mayor Bissette said as of July 1, 1986, the North Carolina Department of Transportation will be administering all planning grants. The City of Asheville will no longer need to submit a grant application for the necessary planning funds. The amount needed will be awarded by what is detailed in the Planning Work Program (PWP) submitted each year in March. With this being the first year, some additional assurances (ones that were submitted to UMTA) will be sent with the signed contracts. After this year, all assurances will be incorporated by reference. The funding for these projects will still be from UMTA, N.C.D.O.T., and the City of Asheville.

Councilman Michalove moved to approve the site plan of the proposed six-unit apartment to be located on Barnard Avenue subject to the recommendations of the Planning and Zoning Commission. This motion was seconded by Vice-Mayor Frank and carried unanimously.

PUBLIC HEARING - AMENDING CHAPTER 30 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO CREATE THE CHESTNUT-LIBERTY STREET AREA AS LOCAL HISTORIC DISTRICT

6. A public hearing was held relative to consideration of an ordinance amending Chapter 30 of the Code of Ordinances of the City of Asheville to create the Chestnut-Liberty Street area as local historic district.

Mayor Bissette said this ordinance would designate the Chestnut-Liberty Street neighborhood as a local historic district. Certificates of Appropriateness would be required by a property owner before any exterior rehabilitation or new construction can take place. At the June 11, 1986, Planning and Zoning meeting, the Commission did not take action on this designation; therefore, the public hearing will be opened and will be continued until July 15, 1986.

Mayor Bissette opened the public hearing at 5:50 p.m.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had several questions relative to the designation and has scheduled a workshop for the neighborhood residents and the Historic Resources Commission for June 24, 1986, at 1:00 p.m. in the First Floor Conference Room.

Dorothy Arrowood, 126 Vance Crescent Ext., spoke in opposition to the designation of the Chestnut-Liberty Street area as a local historic district. She reiterated that historic preservation should be on a volunteer basis.

Vice-Mayor Frank moved to continue the public hearing without further advertisement until July 15, 1986. This motion was seconded by Councilman Michalove and carried unanimously.

PUBLIC HEARING - FILING APPLICATION FOR GRANT UNDER URBAN MASS TRANSPORTATION ACT OF 1964 AS AMENDED (OPERATIONAL ASSISTANCE GRANT)

RESOLUTION NO. 86-107 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964 AS AMENDED

7. A public hearing was held relative to the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

Mayor Bissette said the Secretary of Transportation is authorized to make grants for Mass Transportation projects. The contract for financial assistance will impose certain obligations upon the applicant, including the provision by it of the local share of the project costs. It is required by the U.S. Department of Transportation in accord with the provisions of Title VI of the Civil Rights Act of 1964, that in connection with the filing of an application for assistance under the Urban Mass Transportation Act of 1964, as amended, the applicant give assurance that it will comply with Title VI of the Civil Rights Act of 1964 and the U.S. Department of Transportation requirements. This resolution will authorize the Mayor to execute the necessary

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Boland, seconded by Vice-Mayor Frank, Resolution No. 86-109 was unanimously adopted.

Complete text of Resolution No. 86-109 will be found in Resolution Book No. 16 at page 40.

RESOLUTION NO. 86-110 - RESOLUTION AUTHORIZING THE FILING OF A GRANT AMENDMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR ADDITIONAL CAPITAL IMPROVEMENT FUNDS

10. Consideration was given to a resolution authorizing the filing of a grant amendment with the North Carolina Department of Transportation for additional capital improvement funds.

Mayor Bissette said the North Carolina Department of Transportation is authorized to make grants and amendments for mass transit projects. The City of Asheville has made a grant application amendment to the United States Department of Transportation, Urban Mass Transportation Administration. The federal share will be 80% of the net project cost and the City of Asheville will provide 10% of the net project costs. This resolution will authorize the Mayor to execute and file this grant amendment and any amendment agreements.

Federal share	$769,600
State share	96,200
Local share	96,200
Total cost	$962,000

Mayor Bissette said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety unless there a specific request to do so.

Upon motion of Councilman Boland, seconded by Vice-Mayor Frank, Resolution No. 86-110 was unanimously adopted.

Complete text of Resolution No. 86-110 will be found in Resolution Book No. 16 at page 41.

RESOLUTION NO. 86-111 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT ON BEHALF OF THE CITY OF ASHEVILLE WITH THE ASHEVILLE CHAPTER OF THE AMERICAN RED CROSS

11. Consideration was given to a resolution authorizing the Mayor to execute an agreement on behalf of the City of Asheville with the Asheville Chapter of the American Red Cross.

Mayor Bissette said Section 504 of the Rehabilitation Act of 1974 and Section 16(a) of the Urban Mass Transportation Act of 1964, as amended, require that the City provide public transportation services within the corporate City limits to qualified handicapped individuals, including wheelchair users and semi-ambulatory persons. Resolution 86-57 adopted April 8, 1986, the City of Asheville contracted with the American Red Cross to provide transportation for handicapped individuals. This resolution will authorize the Mayor to execute an agreement to continue to provide transportation for qualified handicapped individuals.

Urban Mass Transportation Admin.	$25,600
N.C.D.O.T.	3,200
Total Planning Funds	$32,000

Carl Ownbey, with the Asheville Transit Authority, noted that this was a yearly planning grant from the North Carolina Department of Transportation.

Councilman Michalove noted that the funding received equates to approximately 5¢ on the tax rate.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 86-108 was unanimously adopted.

Complete text of Resolution No. 86-108 will be found in Resolution Book No. 16 at page 38 - 39.

PUBLIC HEARING - AMENDMENT TO CURRENT CAPITAL GRANT CONTRACT FOR URBAN MASS TRANSPORTATION ADMINISTRATION UNDER SECTION 9 OF THE URBAN MASS TRANSPORTATION ACT OF 1964 AS AMENDED

RESOLUTION NO. 86-109 - RESOLUTION AUTHORIZING THE FILING OF A GRANT AMENDMENT WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964 AS AMENDED

9. A public hearing was held relative to amending the current capital grant contract for the Urban Mass Transportation Administration under Section 9 of the Urban Mass Transportation Act of 1964, as amended.

Mayor Bissette said the Secretary of Transportation is authorized to make grants and amendments for mass transportation projects. The contract amendment will impose certain obligations upon the applicant, including the provision of the local share of the project costs. This resolution will authorize the Mayor to file this grant amendment and execute any grant amendment agreements.

Federal share	$769,600
State share	96,200
Local share	96,200
Total cost	$962,000

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette opened the public hearing at 6:01 p.m.

Carl Ownbey, with the Asheville Transit Authority, said this amendment would allow for the purchase of additional radios and construction work at the Asheville Transit Authority.

Mayor Bissette closed the public hearing at 6:03 p.m.

Resolution No. 86-112

A. **Consideration of a resolution supporting the Western North Carolina Soap Box Derby and authorizing the closing of certain streets in the City of Asheville for said event.**

HIGHLIGHTS: The WNC Soap Box Derby Association, an affiliate of the West Asheville Rotary Club, is sponsoring a Soap Box Derby for participants in Western North Carolina on July 12, 1986. The West Asheville Rotary Club has requested that College Street between Spruce and Oak Streets be closed between 10:00 a.m. and 2:00 p.m. on June 28, 1986, (Practice Run Date) and July 12, 1986 (Race Date).

Resolution Book No. 16, page 70.

Resolution No. 86-113

B. **Consideration of a resolution authorizing the Mayor to sign an agreement with the Skyland Volunteer Fire Department, Inc., for fire protection services in the Airport Annexation Area.**

HIGHLIGHTS: On April 2, 1979, the area surrounding the Asheville Airport was annexed to the City of Asheville. This resolution will authorize the Mayor to enter into an agreement with the Skyland Volunteer Fire Department, Inc., to furnish necessary men and equipment to provide primary fire protection services for the Airport annexation area.

FISCAL IMPACT: Skyland Volunteer Fire Department, Inc., will provide the service for a fee of $4,800.00

Resolution Book No. 16, page 71.

Resolution No. 86-114

C. **Consideration of a resolution authorizing the Mayor to execute on behalf of the City of Asheville an amendment to the agreement by and between the City of Asheville and the Skyland Volunteer Fire Department for the provision of fire protection service to the newly annexed noncontiguous area located near the intersection of Long Shoals Road and Ledbetter Road.**

HIGHLIGHTS: This resolution will authorize the Mayor to execute, on behalf of the City, an amendment to the agreement between the City of Asheville and the Skyland Volunteer Fire Department to provide fire protection services for successive one year renewals unless either party shall give the other party written notice of its desire to modify or terminate the agreement. This is for a noncontiguous area near the intersection of Long Shoals Road and Ledbetter Road.

FISCAL IMPACT: The annual fee for the period July 1, 1986, through June 30, 1987, shall be based on the Skyland Fire District Tax amount of $.08 per $100.00 valuation of the property. FY 86-87 costs for the contracts $90.40 based on present value of $113,000.00 Funds are available in the general operating budget.

The amount is estimated at $19,700 to be advanced in quarterly payments of $4,925. Funds for this agreement is included in the fiscal year budget for Asheville Transit Authority operating funds.

Carl Ownbey, with the Asheville Transit Authority, said the amount of funds to be provided for the 86-87 contract with the American Red Cross is 3.5% of the federal funds received from the Urban Mass Transportation Administration.

Mayor Bissette said members of Council were previously furnished copies of this resolution, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, Resolution No. 86-111 was unanimously adopted.

Complete text of Resolution No. 86-111 will be found in Resolution Book No. 16 at page 42.

ORDINANCE NO. 1590 - BUDGET ORDINANCE AMENDMENT FOR UMTA CAPITAL BUDGET

12. Consideration was given to a budget ordinance amendment for UMTA capital budget.

Mayor Bissette said this budget ordinance amendment is to provide for radios, passenger counters and parts room. An additional $13,000 local match is included in fiscal 1986/87 capital budget.

Carl Ownbey, with the Asheville Transit Authority, said this budget amendment would allow the City's portion of the UMTA capital funds to be used for radios, passenger counters, and parts room.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1590. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1590 passed on first and final reading.

Complete text of Ordinance No. 1590 will be found in Ordinance Book No. 11 at page 26.

APPROVAL OF CONSENT AGENDA

13. Mayor Bissette said the following items are of a routine nature, and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

C. Consideration of a motion to schedule a public hearing for the proposed Redevelopment Plan of Wall Street for July 8, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held April 9, 1985, reviewed the proposed Redevelopment Plan of Wall Street. The site plan was submitted by Glave-Newman-Anderson, of Richmond, Virginia, Architects, for Sunbelt Historic Properties, Winston-Salem, N.C., Developer, in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of Phase I, subject to compliance with the Erosion Control Ordinance, and to approve the concept of Phase II, including the parking deck.

H. Consideration of a motion scheduling a public hearing relative to amending Ordinance No. 322, "an ordinance providing for the zoning of the City of Asheville", as amended to provide buffering requirements for July 8, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission on March 19, 1986, reviewed a buffering amendment to the zoning ordinance proposed by the Asheville Tree Commission. After some modifications, the Commission voted to recommend approval of the amendment to City Council.

Upon motion of Councilman Michalove, seconded by Councilman Price, the Consent Agenda was unanimously adopted.

MOTION AUTHORIZING MAYOR TO SIGN AN AMENDMENT TO THE MEMORANDUM OF UNDERSTANDING RELATIVE TO WALL STREET

14. At the request of the Corporation Counsel, Councilman Price moved to authorize the Mayor to sign an amended Memorandum of Understanding with Sunbelt or Southeastern Historic Properties relative to the development of Wall Street extending the Memorandum of Understanding for 90 days. This motion was seconded by Councilman Bratton and carried unanimously.

ORDINANCE NO. 1591 - AN ORDINANCE AMENDING SECTION 28-81.2 (B) OF ARTICLE IV, SPEED REGULATIONS, CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (GROVEWOOD ROAD)

15. Consideration was given to an ordinance amending Section 28-81.2 (B) of Article IV, Speed Regulations, Chapter 28 of the Code of Ordinances of the City of Asheville.

Mayor Bissette said this ordinance would provide for a 20 mph speed limit on Grovewood Road.

Councilman Price moved for the adoption of Ordinance No. 1591. This motion was seconded by Councilman Michalove.

On a roll call vote of 7-0, Ordinance No. 1591 passed on first reading.

Vice-Mayor Frank moved to suspend the rules and proceed to the second reading of Ordinance No. 1591. This motion was seconded by Councilman Michalove and carried unanimously.

Resolution Book No. 16, page 72.

Resolution No. 86-115

D. **Consideration of a resolution authorizing the City Manager to execute an agreement by and between the City of Asheville and Dr. A. Thomas Hollingsworth for consultant services.**

HIGHLIGHTS: This resolution will authorize the City Manager to enter into a contract with Dr. A. Thomas Hollingsworth to conduct training in objectives-based performance appraisal for up to 150 employees.

FISCAL IMPACT: Total cost will be $6,200.00. Each department will be billed for the training of its employees at a rate of $41.33 per employee. No additional appropriation is needed to cover the training costs.

Resolution Book No. 16, page 73.

E. **Consideration of a motion relative to bids received for one (1) computer aided drafting/design (CAD) system.**

HIGHLIGHTS: Sealed bids were invited to furnish one (1) Computer Aided Drafting/Design (CAD) system for the Finance Department, City Engineering Division. Alternate bids were invited on an annual maintenance agreement, digitizer, tape backup system and an uninterruptible power supply. Five (5) bids were received; however, MAG Incorporated and Computerland of Asheville bids were disqualified and returned due to improper bid deposit. It is recommended to award this purchase to the low bidder, Entre Computer Center, Asheville, North Carolina.

FISCAL IMPACT: $15,977.50 - Funds for the purchase of this equipment are available in the Finance Department, City Engineering Division appropriations account codes 50-722-0740 and 43-722-0740-490.

F. **Consideration of a motion to schedule a public hearing to rezone property located at 1616 Patton Avenue from R-2 Residential District to CH Commercial Highway District for July 15, 1986.**

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held June 11, 1986, considered the petition of Mr. Bobby Barbour that a portion of Lot 1, Sheet 24, Ward 5, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located at 1616 Patton Avenue. After review and discussion, the Commission voted to recommend that the petition be denied and that a portion of Lot 1, Sheet 24, Ward 5, be rezoned from CH to R-2 Residential District to provide a buffer on the eastern property line of Lot 1. However, the petitioner has appealed Planning & Zoning Commission's decision and has asked that a public hearing be scheduled so the rezoning matter can be heard before Council.

Upon inquiry of Councilman Tisdale, Mr. Swaim said he had talked to individual members of the Chamber of Commerce and the Tourism Development Association and felt these individual members would support stricter sign control.

Councilman Tisdale suggested that this group present their presentation to the Chamber of Commerce and the Buncombe County Board of Commissioners.

Suzanne Yeager, of 21 Butler Mountain, representing Hill-Gatewood Realtors spoke in support of stricter and tighter sign control and is in complete support of the request for a moratorium on the erection of additional billboards and other off-premise advertising signs until such time tighter controls on signs can be passed into law.

Councilman Bratton, noting that the group represents the coalition of the Carolina Coalition for Scenic Beauty, requested that she be furnished literature on this organization.

Councilman Boland suggested that the Planning Department consider a logo sign program for the City limits of the City of Asheville.

Mayor Bissette thanked the group for presenting their request to the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Michalove, the meeting adjourned at 6:50 p.m.

MAYOR

CITY CLERK

On a roll call vote of 7-0, Ordinance No. 1591 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1591. This motion was seconded by Vice-Mayor Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1591 passed on third and final reading.

Complete text of Ordinance No. 1591 will be found in Ordinance No. 11 at page 27.

CLAIMS - LANA TUTTLE (WATER)

The City Manager presented a claim received from Lana Tuttle.

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

LAWSUIT - RONNIE LEE BROCKWELL (BODILY INJURY - FALL IN WATER METER)

The City Manager said the City of Asheville was served with a lawsuit involving Ronnie Lee Brockwell relative to a bodily injury from a fall in a water meter.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

PRESENTATION RELATIVE TO SIGN ORDINANCE - LIN BROWN

Lin Brown, of 62 Macon Avenue, spoke to members of Council representing a large group of concerned citizens relative to adequate control of on and off-premise signs within the City of Asheville. She said the group is also concerned about the number of billboards in the City.

Mrs. Brown presented petitions, containing approximately 2,000 signatures which read as follows "We, the undersigned, petition the Asheville City Council and the Buncombe Commissioners to enact a moratorium on the erection of additional billboards and other off-premise advertising signs in Asheville and Buncombe County until such time that tighter controls on such signs can be passed into law, in order to protect our very special roadside scenery that contributes so much to our present quality of life and upon which our tourism economy depends.

Stan Griffin, of Elk Mountain Scenic Highway and owner of a building on All Souls Crescent, spoke in support of a stricter sign ordinance. He said he was also speaking on behalf of the Merchants Association of Biltmore Village.

Doug Swaim, of 296 Montford Avenue, spoke to members of Council relative to stricter sign control. He said the Transportation Improvement Program Plan for the State of North Carolina has scheduled the implementation of a inter-state logo program for signs. He said this program should be under construction within the next six years. He also spoke in favor of prohibiting billboards on limited access highways.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland, Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter, City Manager Douglas O. Bean, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

PLEDGE OF ALLEGIANCE/INVOCATION

Councilman Tisdale, in observance of the birthday of our Nation, led the Council and audience in saying the Pledge of Allegiance. The invocation was then given by Councilman Tisdale.

APPROVAL OF MINUTES - JUNE 17, 1986

1. Consideration was given to the approval of the minutes of the June 17, 1986 meeting.

Mayor Bissette announced approval of the minutes, as amended.

APPROVAL OF MINUTES - JUNE 24, 1986

2. Consideration was given to the approval of the minutes of the June 24, 1986 meeting.

Mayor Bissette announced approval of the minutes, as amended.

PROCLAMATION - JULY, 1986 - RECREATION AND PARK MONTH

2-a. Mayor Bissette read a proclamation proclaiming the month of July, 1986 as "Recreation and Park Month" and presented the proclamation to Ray L. Kisiah, Director of Parks, Recreation and Public Facilities.

Mr. Kisiah said observance of Recreation and Park Month has been traditionally held in June every year. However, due to schools closing later each year, the observance has now been moved to the month of July. He said Parks and Recreation Month will be observed in the City of Asheville by special events such as Shindig-On-The-Green, July 4th activities on City/County Plaza, the Tennis Tournament, etc. He said he would provide the Council with a complete schedule of events and invited them to attend.

RESOLUTION NO. 86-... - RESOLUTION AUTHORIZING THE MAYOR TO APPLY FOR CIVIL WORKS FUNDS FOR FRENCH BROAD RIVERFRONT RECREATIONAL PLANNING

3. Mayor Bissette announced that in order to give staff time to answer questions from members of Council which arose during the Pre-Council work session, consideration of this resolution would be postponed until next week.

agreement and any amendments by and between the City of Asheville and Sunbelt Roofing Services, Inc. He said the total estimated contract sum is $42,500.00.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, Resolution No. 86-117 was unanimously adopted.

Complete text of Resolution No. 86-117 will be found in Resolution Book No. 16, page 73.

RESOLUTION NO. 86-...- RESOLUTION FIXING DATE OF PUBLIC HEARING ON QUESTION OF ANNEXATION PURSUANT TO G. S. 160A-58.2, AS AMENDED (HOLIDAY INN/EAST)

6. Mayor Bissette announced that consideration of this resolution would be postponed until next week due to questions which arose during the Pre-Council work session.

PUBLIC HEARING SCHEDULED - FINAL SITE PLAN - PACK PLAZA PROJECT

7. Consideration was given to a motion scheduling a public hearing relative to the final site plan for Pack Plaza Project for July 22, 1986.

Mayor Bissette said the Asheville Planning and Zoning Commission and the Asheville City Council approved the site plan for Pack Plaza in concept in October, 1984. Approval of "concept" was given primarily because ownership of all properties contained within the site had not been transferred to the developer. The acquisition and transfer of property has been completed and the developer is ready to proceed. He said all financial and grant funding has previously been reviewed and approved by Asheville City Council.

Councilman Boland moved to schedule a public hearing on the final site plan for Pack Plaza for July 22, 1986. This motion was seconded by Councilman Price and carried unanimously.

REPORT - CITY COUNCIL INTERGOVERNMENTAL SERVICES COMMITTEE MEETING

Vice Mayor Frank said the City Council Intergovernmental Services Committee had met with representatives of the County Commissioners today. She said during the meeting the group went over a list of mutual concerns and set the next meeting date for Tuesday, August 5, 1986, at 12:30 p.m. in the Council Conference Room.

Councilman Bratton said funding of the Asheville-Buncombe Community Relations Council is a very important issue and lack of funding can hurt the economic base. She said she feels very strongly about this issue and requested that the Intergovernmental Services Committee put this item on the top burner for discussion with representatives of the County Commissioners.

RESOLUTION NO. 86-116-RESOLUTION REQUESTING THE HOUSING AUTHORITY TO ADOPT A RESOLUTION OF INTENT TO ISSUE URBAN REDEVELOPMENT BONDS IN AN AMOUNT NOT TO EXCEED $1,080,000 FOR THE OLD PENNEY'S BUILDING

4. Consideration was given to a resolution requesting the Housing Authority to adopt a Resolution of Intent to issue Urban Redevelopment Bonds in an amount not to exceed $1,080,000 for the Old Penney's Building Project.

Mayor Bissette said this resolution requests the Housing Authority to adopt a resolution of intent to issue Urban Redevelopment Bonds for the renovation of the Old Penney's Building located at the corner of Haywood Street and Walnut Street. He said the proposed redevelopment project is estimated to cost $1,350,000, resulting in an increase valuation for ad valorem taxes.

David Matney, representing the Developers - Marshall N. Kanner, Russell Thomas, Ben Kanner and Donald J. Kipnis, said the developers plan to renovate both the interior and exterior of the building. He said there would be a restaurant on the first floor, retail shops on the second floor, offices on the third through sixth floors, and luxury condominiums units on the top floor. He requested Council to adopt the resolution.

Upon inquiry of Ralph Bishop, Mr. Matney said the old Penney's building is currently owned by Robert and Marilyn Miller, and that acquisition of the building had nothing to do with eminent domain.

Mayor Bissette told Mr. Bishop He said Redevelopment Bonds do not obligate the City of Asheville in any way.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 86-116 was unanimously adopted.

Complete text of Resolution No. 86-116 will be found in Resolution Book No. 16, page 72.

RESOLUTION NO. 86-117 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BY AND BETWEEN THE CITY AND SUNBELT ROOFING SERVICES, INC. FOR RE-ROOFING OF STEPHENS LEE RECREATION CENTER

5. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an agreement by and between the City and Sunbelt Roofing Services, Inc. for re-roofing of Stephens Lee Recreation Center.

Mayor Bissette said the existing roof on Stephens Lee Recreation Center has deteriorated and requires replacing. It is recommended that the contract be awarded to Sunbelt Roofing Services, Inc., as the lowest responsible bidder. This resolution will authorize the Mayor to execute an

Councilman Price said this request has been made before, but the area in question, is under the control of the N. C. Department of Transportation.

Mayor Bissette requested that the City Manager check into the reasons for the speed limit and obtain recommendations on the requested change.

RALPH BISHOP - POLICE PENSION RECORDS AND GAMBLING

Ralph Bishop addressed the Council on his difficulty in obtaining Police Pension records for J. J. Moulds.

Mr. Bishop also asked why the City Manager can't enforce gambling in the City of Asheville.

ADJOURNMENT

Upon motion of Vice Mayor Frank, seconded by Councilman Price, the formal meeting was adjourned at 4:43 p.m. to continue the Pre-Council work session.

MAYOR

CITY CLERK

RESOLUTION NO. 86-118 - RESOLUTION ENDORSING NORTH CAROLINA HOUSE OF REPRESENTATIVES VERSION OF ADDITIONAL ONE-HALF CENT LOCAL OPTION SALES TAX HOUSE BILL 1542

Councilman Michalove said the North Carolina House of Representatives passed a one-half cent sales tax without any restrictions and sent the bill to the Senate. He said Senator Winner was sponsoring legislation that would require that counties use 60 percent of their additional funds for school construction and that cities use 40 percent of their share of the tax for water and sewer facilities.

Upon motion of Councilman Michalove, seconded by the entire Council, Resolution No. 86-118 was unanimously adopted, which asked the North Carolina Senate to adopt a one-half cent sales tax without any restrictions on its use.

Complete text of Resolution No. 86-118 will be found in Resolution Book No. 16, page 74.

COUNCILMAN BRATTON - WALTON STREET POOL

Councilman Bratton invited the Council to a "bring your own bag" lunch on Tuesday, July 8, 1986, at 12:00 Noon, to view first hand the poor condition of the Walton Street Pool and Park.

Mayor Bissette asked the City Manager to look into conditions described by Councilman Bratton, and asked that all of the Council make an effort to be at the Walton Street Pool on Tuesday.

WATER AGREEMENT - COMMENTS BY COUNCILMAN MICHALOVE

Councilman Michalove said the Water Agreement was a subject of concern to the County Commissioners. He inquired as to whether this subject was brought up at the Intergovernmental Services Committee Meeting, and he was advised that it was not. He said he hoped the Council could have a joint work session with the Commissioners in the very near future.

CLAIMS - ELAINE CULBERSON (STREETS), MARY W. PARTON (SANITATION), JOHN D. LOFANO (TRAFFIC ENGINEERING)

The City Manager presented claims received from Elaine Culberson (Streets), Mary W. Parton (Sanitation), and John D. Lofano (Traffic Engineering).

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

DEWEY BROWN - REQUEST TO REDUCE SPEED LIMIT - PATTON AVENUE

Dewey Brown, 18 Powers Drive, West Asheville, (255-7579) said there are three different speed limits in a section of Patton Avenue in West Asheville. He requested that Council increase the speed limit on Patton Avenue - Johnson Boulevard to the Pisgah Fish Camp - from 35 mph to 50 mph. He said when people get a ticket in this area, they not only have to pay the ticket, but their insurance is also increased for three (3) years.

Councilman Bratton opened the public hearing at 4:15 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission had recommended approval of the project to be constructed at the intersection of Orange Street and Liberty Street subject to relocating the entrance drive 50' from intersection of Orange and South Liberty Street and compliance with the Erosion Control Ordinance. He said the property is zoned R4 Residential District and the proposed use is for a professional office building. He said all requirements for the group development have been met.

John Broadbooks and Jan Weigman, architects for the project, answered questions from members of Council relative to the proposed project.

Tim Warner, of 87 North Liberty Street, spoke in support of the proposed project, stating that the design would blend with the neighborhood. He said the proposed project would be constructed on the largest open land available in this particular area. He said the residents in the area are particularly interested in what is going on and the proposed Chestnut-Liberty Street Historic District.

Robert Dungon, of 89 North Liberty Street, said he felt vacant space downtown should be used before areas in residential neighborhoods for professional office buildings. He also expressed concern relative to the problems of traffic flow in the area and requested that the City staff investigate the need for a red light at Broad and Liberty Street, and also at Liberty and Orange Street.

Councilman Bratton closed the public hearing at 4:25 p.m.

Councilman Michalove moved for the approval of the site plan of the Orange Street Professional Park subject to the recommendations of the Planning and Zoning Commission. This motion was seconded by Councilman Tisdale and carried unanimously.

PUBLIC HEARING - REDEVELOPMENT PLAN OF WALL STREET

4. A public hearing was held relative to the proposed Redevelopment Plan of Wall Street.

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held April 9, 1986, reviewed the proposed Redevelopment Plan of Wall Street. The site plan was submitted by Glave-Newman-Anderson, of Richmond, Virginia, Architects, for Sunbelt Historic Properties, Winston-Salem, N.C., Developer, in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of Phase I, subject to compliance with the Erosion Control Ordinance, and to approve the concept of Phase II, including the parking deck.

Mayor Bissette opened the public hearing at 4:29 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Tuesday - July 8, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Mary Lloyd Frank and Councilman Norma Price.

INVOCATION

The invocation was given by Mayor Louis Bissette.

APPROVAL OF THE MINUTES - JULY 1, 1986 MEETING

1. Consideration was given to the approval of the minutes of the July 1, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - JULY 6-12, 1986 - "THERAPEUTIC RECREATION WEEK"

2. Mayor Bissette read a proclamation proclaiming July 6-12 as "Therapeutic Recreation Week."

Mayor Bissette presented the proclamation to Gary Crite, Therapeutic Recreator at Appalachian Hall.

PUBLIC HEARING - SITE PLAN OF THE ORANGE STREET PROFESSIONAL PARK

3. A public hearing was held relative to the site plan of the Orange Street Professional Park.

Mayor Bissette requested that he be excused from participation and vote on the issue relative to the Orange Street Professional Park Development since his law firm represents the developer.

Councilman Tisdale moved to excuse Mayor Bissette from participation and vote in the issue relative to the Orange Street Professional Park. This motion was seconded by Councilman Boland and carried unanimously.

At this time, Councilman Bratton chaired the meeting.

Councilman Bratton said the Asheville Planning and Zoning Commission, at a meeting held May 14, 1986, reviewed the site plan of the Orange Street Professional Park. The site plan was prepared by John Broadbooks, ASLA, for Tyner Construction Company, Burnsville, N.C., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to: 1) relocating entrance drive 50' from intersection of Orange and South Liberty Street, or between Buildings A and B; and 2) compliance with the Erosion Control Ordinance.

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held May 14, 1986, reviewed a site plan of the proposed Forest Ridge Mobile Home Park to be located on Rock Hill Circle. The plan was prepared by Pankow Engineering Company for Mr. Frank Duckett, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to: 1) agreement on entrance road; 2) placement of some fencing within the 50' buffer requirement; and 3) compliance with the Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:55 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette noted that the attorney for the developer had requested that the public hearing be continued until July 22, 1986.

Councilman Tisdale moved to continue the public hearing relative to the Forest Ridge Mobile Home Park until July 22, 1986, without further advertisement. This motion was seconded by Councilman Michalove and carried unanimously.

PUBLIC HEARING - ESTABLISHMENT OF MORATORIUM LIMITING MULTI-FAMILY DEVELOPMENT ON SITES WHERE THE AVERAGE SLOPE IS FIFTEEN PERCENT (15%) OR GREATER

6. A public hearing was held relative to consideration of an ordinance establishing a moratorium limiting multi-family development on sites where the average slope is fifteen percent (15%) or greater.

Mayor Bissette said this ordinance will impose a six (6) month moratorium on the issuance of any building, zoning, grading and other construction permits for all multiple-family projects which are proposed to be located on sites where the average slope is fifteen percent (15%) or greater and on consideration of any requests for group development reviews by the Planning and Zoning Commission which would be affected by this moratorium in order that studies can be completed for adoption of new zoning regulations for project sites whose average slope is fifteen percent (15%) or greater. This limited moratorium shall begin with the adoption of this ordinance and shall run six months thereafter, expiring on January 8, 1987.

Mayor Bissette opened the public hearing at 4:56 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette noted that the notice to the public published that the proposed moratorium would be on average slopes which is fifteen percent (15%) or greater. He said, in discussing the matter during the Pre-Council meeting, Council members felt that the moratorium restricting multi-family projects on sites where the average slope is fifteen percent (15%) or greater would be too restrictive and would affect too much land in the City of Asheville.

Councilman Michalove moved to schedule a public hearing relative to the adoption of an ordinance establishing a moratorium limiting multi-family developments on sites where the average slope is 2,220' or greater for July 22, 1986. This motion was seconded by Councilman Boland and carried unanimously.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission had reviewed and approved Phase I of the Redevelopment Plan of Wall Street which would involve the renovation of property on the south side of Wall Street and a comprehensive streetscape involving furniture, lights, plantings and other improvements. He said the Planning and Zoning Commission had also approved, in concept, Phase II of the project dealing with a 250-space parking deck. By the use of a map, Mr. Emrick showed the location of the Phase I renovations.

Jim Glave, architect for the project, described Phase I of the project.

Ned Guttman, of Beechwood Road, questioned the need for a parking garage in this particular area.

Barry Olin, of 19 Wall Street, said he was concerned with the problems that he is having during the development of the Wall Street project, particularly with workers parking on the street. He said he felt the City of Asheville should have a liaison to oversee the project. He also requested permission to erect a temporary sign at the end of Wall Street to let people know his business is still open during the construction period.

Mayor Bissette requested that Mr. Olin contact the City Manager directly with any problems relative to the Wall Street Project. He also requested that the developer work with the merchants in the area to help smooth the problems during the construction phase.

Upon inquiry of Mike Green, of 89 Wendover Road, it was noted that the Redevelopment Plan of Phase I for the Wall Street Project would include the streetscape design and landscaping.

Charles Inman, of 21 Wall Street, spoke relative to the streetscape plan and the future approval of the parking deck.

Mayor Bissette informed Mr. Inman and other interested merchants that the parking deck site plan would be considered at a later date.

Elizabeth Meadows, of 26 Sandon Drive, owner of property on Wall Street, objected to the construction taking both parking lots beside her business on Wall Street.

Mayor Bissette closed the public hearing at 4:53 p.m.

Councilman Boland moved to approve the proposed redevelopment plan of Wall Street subject to the recommendations of the Planning and Zoning Commission. This motion was seconded by Councilman Bratton and carried unanimously.

PUBLIC HEARING - SITE PLAN - PROPOSED FOREST RIDGE MOBILE HOME PARK TO BE LOCATED ON ROCK HILL CIRCLE

5. A public hearing was held relative to the site plan of the proposed Forest Ridge Mobile Home Park to be located on Rock Hill Circle.

Councilman Michalove requested that the Water and Sewer Department, Public Works Department, and the ULOCO Committee review the proposed buffering requirements before the final reading of the ordinance.

Verl Emrick answered questions from Councilman Michalove relative to specific portions of the proposed amendment.

Councilman Tisdale commended the Asheville Tree Commission for their work on the proposed buffering amendments.

Mayor Bissette closed the public hearing at 5:40 p.m.

Mayor Bissette said the ordinance was previously presented to members of Council and would not be read in its entirety unless there was a specific request to do so.

Councilman Michalove moved for the adoption of Ordinance No. 1592. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1592 passed on first reading.

Mayor Bissette noted that several amendments to the ordinance had been suggested and the amendments would be presented prior to second reading of the ordinance.

CONSIDERATION OF ACTIONS RELATIVE TO THE BOND ISSUE (STREETS AND SIDEWALKS AND PACK PLAZA EDUCATION, ARTS AND SCIENCE CENTER)

8. There was introduced in written form the following order authorizing bonds which was read:

ORDINANCE NO. 1593 - ORDER AUTHORIZING $17,000,000 STREET AND SIDEWALK BONDS

BE IT ORDERED by the Council of the City of Asheville:

1. That, pursuant to the local Government Bond Act, as amended, the City of Asheville, North Carolina, is hereby authorized to contract a debt, in addition to any and all other debt which said City may now or hereafter have power or authority to contract, and in evidence thereof to issue Street and Sidewalk Bonds in an aggregate principal amount not exceeding $17,000,000 for the purpose of providing funds, with any other available funds, for constructing, erecting, providing, installing, reconstructing, renovating, replacing, enlarging, expanding, extending, demolishing, improving, grading, draining, landscaping, paving, widening and resurfacing streets and sidewalks, including without limitation bridges, viaducts, causeways, overpasses, underpasses, alleys, curbs and gutters, culverts, drains, traffic controls, signals, markers, lighting, grade crossings and the elimination thereof and grade separations, including the acquisition of necessary land, right of way, and equipment.

2. That taxes shall be levied in an amount sufficient to pay the principal of and the interest on said bonds.

Augusta Young, of 360 Kenilworth Road, spoke in support of the moratorium stating that there is a need to protect the mountain slopes, as well as mountain ridges in the City of Asheville.

Ned Guttman, of Beechwood Road, said he felt there was a need for control of all high buildings within the City of Asheville.

John Walsh, of 26 Ivy Street, spoke relative to erosion control factors on mountain ridges and slopes. He said he felt such an ordinance should provide safeguards for erosion control.

Barbara Melton, of 15 Melton Drive in Haw Creek, spoke in support of the adoption of a mountainside zoning ordinance and the establishment of a moratorium until such an ordinance is adopted.

Mayor Bissette closed the public hearing at 5:10 p.m.

Councilman Michalove's motion to schedule a public hearing for July 22, 1986, on this particular matter carried unanimously.

PUBLIC HEARING - AMENDMENT TO ZONING ORDINANCE - PROVIDING BUFFERING REQUIREMENTS

ORDINANCE NO. 1592 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED

7. A public hearing was held relative to amending Ordinance No. 322, known as "An ordinance providing for the City of Asheville", as amended to provide buffering requirements.

Mayor Bissette said the Asheville Planning and Zoning Commission on March 19, 1986, reviewed a buffering amendment to the zoning ordinance proposed by the Asheville Tree Commission. After some modifications, the Commission voted to recommend approval of the amendment to City Council.

Mayor Bissette opened the public hearing at 5:12 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, outlined the proposed amendments to the Zoning Ordinance providing buffering requirements. He said members of Council had been presented with the proposed amendments. He said the major requirements would be that developers plant one tree for each 15 spaces constructed in parking areas, the plantings within a parking area must be in islands protected by curbing or parking barriers, and buffering around the perimeter of a parking area also will be required. He said in the downtown area, at least one tree for each 40' of street frontage will be required for any new construction or substantial rehabilitation where space and environmental conditions permit. He said in residential areas, buffer strips will be required for any group development project adjacent to single family housing. He said buffer strips of 20' in width would be required in all commercial zoning districts and where the development abuts residential districts. He said the amendment would also require property owners to maintain the buffering and for trees and shrubs to be carefully planted in accordance with good horticultural practices.

2. That taxes shall be levied in an amount sufficient to pay the principal of and the interest on said bonds.

3. That a sworn statement of the debt of said City has been filed with the City Clerk and is open to public inspection.

4. That this order shall take effect when approved by the voters of said City at a referendum as provided in said Act.

Thereupon, upon motion of Councilman Michalove, seconded by Councilman Boland, the order entitled: "ORDER AUTHORIZING $3,000,000 EDUCATION, ARTS AND SCIENCE CENTER BONDS," as hereinabove set forth, was passed upon its first reading by the following vote:

Ayes: Councilmen Bratton, Tisdale, Boland, Michalove, and Mayor Bissette.

Noes: None.

Thereupon, upon motion of Councilman Bratton, seconded by Councilman Tisdale, the requirement of the Charter that ordinances be read on three separate days was dispensed with by the following vote, being not less than two-thirds of the members of the Council:

Ayes: Councilmen Bratton, Tisdale, Boland, Michalove, and Mayor Bissette.

Noes: None.

Thereupon, upon motion of Councilman Michalove, seconded by Councilman Boland, the order entitled: "ORDER AUTHORIZING $3,000,000 EDUCATION, ARTS AND SCIENCE CENTER BONDS," as hereinabove set forth, was read a second time and was passed upon its second reading by the following vote:

Ayes: Councilmen Bratton, Tisdale, Boland, Michalove, and Mayor Bissette.

Noes: None.

Thereupon, there was introduced in written form the following resolution which was read:

RESOLUTION NO. 86-119 - RESOLUTION DESIGNATING THE DIRECTOR OF FINANCE TO PREPARE AND THE CITY MANAGER TO FILE THE SWORN STATEMENT OF DEBT

BE IT RESOLVED by the Council of the City of Asheville:

Section 1. That the Director of Finance be and he is hereby designated as the officer who shall prepare and that the City Manager be and he is hereby designated as the officer who shall file with the City Clerk the sworn statement of debt of the City of Asheville which is required by The Local Government Bond Act, as amended, to be filed after a bond order has been introduced and before the public hearing thereon.

3. That a sworn statement of the debt of said City has been filed with the City Clerk and is open to public inspection.

4. That this order shall take effect when approved by the voters of said City at a referendum as provided in said Act.

Thereupon, upon motion of Councilman Boland, seconded by Councilman Tisdale, the order entitled: "ORDER AUTHORIZING $17,000,000 STREET AND SIDEWALK BONDS," as hereinabove set forth, was passed upon its first reading by the following votes:

Ayes: Councilmen Bratton, Tisdale, Boland, Michalove, and Mayor Bissette.

Noes: None.

Thereupon, upon motion of Councilman Boland, seconded by Councilman Michalove, the requirement of the Charter that ordinances be read on three separate days was dispensed with by the following vote, being not less than two-thirds of the members of the Council:

Ayes: Councilmen Bratton, Tisdale, Boland, Michalove, and Mayor Bissette.

Noes: None.

Thereupon, upon motion of Councilman Boland, seconded by Councilman Michalove, the other entitled: "ORDER AUTHORIZING $17,000,000 STREET AND SIDEWALK BONDS," as hereinabove set forth, was read a second time and was passed upon its second reading by the following vote:

Ayes: Councilmen Bratton, Tisdale, Boland, Michalove, and Mayor Bissette.

Noes: None.

Thereupon there was introduced in written form the following order authorizing bonds which was read:

ORDINANCE NO. 1594 - ORDER AUTHORIZING $3,000,000 EDUCATION, ARTS AND SCIENCE CENTER BONDS

BE IT ORDERED by the Council of the City of Asheville:

1. That, pursuant to the Local Government Bond Act, as amended, the City of Asheville, North Carolina, is hereby authorized to contract a debt, in addition to any and all other debt which said City may now or hereafter have power or authority to contract, and in evidence thereof to issue Education, Arts and Science Center Bonds in an aggregate principal amount not exceeding $3,000,000 for the purpose of providing funds, with any other available funds, for renovating, constructing, reconstructing, and expanding existing buildings and additional facilities for use as an arts and science center, including the acquisition of any necessary equipment and furnishings.

a(3)	Unissued bonds authorized by adopted orders.....	$	-0-
a(4)	Outstanding debt, not evidenced by bonds.....	$	802,962
(a)	GROSS DEBT, being the sum of a(1), a(2), a(3) and a(4).....	$	30,352,962
	(b) DEDUCTIONS		
b(1)	Funding and refunding bonds authorized by orders introduced but not yet adopted.....	$	-0-
b(2)	Funding and refunding bonds authorized but not yet issued.....	$	-0-
b(3)	The amount of money held in sinking funds or otherwise for the payment of any part of the principal of gross debt other than debt incurred for water, gas, electric light or power purposed, or sanitary sewer purposes (to the extent that the bonds are deductible under G.S. §159-55(b)) or two or more of these purposes.....	$	-0-

Read, approved and adopted this the 8th day of July, 1986.

City Clerk Mayor

Complete text of Resolution No. 86-119 will be found in Resolution Book No. 16 at page 77.

Upon motion of Councilman Bratton, seconded by Councilman Michalove, the foregoing resolution entitled: "RESOLUTION DESIGNATING THE DIRECTOR OF FINANCE TO PREPARE AND THE CITY MANAGER TO FILE THE SWORN STATEMENT OF DEBT" was passed by the following vote:

Ayes: Councilmen Bratton, Tisdale, Boland, Michalove, and Mayor Bissette.

Noes: None.

Thereupon, the City Manager filed with the City Clerk, in the presence of the Council, the sworn statement of debt as so required, which statement is attached to and made a part of these minutes.

CITY OF ASHEVILLE, NORTH CAROLINA

SWORN STATEMENT OF DEBT MADE PURSUANT TO THE LOCAL GOVERNMENT BOND ACT, AS AMENDED

I, Larry Fisher, Finance Director of the City of Asheville, North Carolina, having been designated by the Council for said City to make a statement of the debt of said City pursuant to The Local Government Bond Act, as amended, DO HEREBY CERTIFY that the following is a true statement as shown by the books in my office, not taking into consideration any debt incurred or to be incurred in anticipation of the collection of taxes or other revenues or in anticipation of the sale of bonds other than funding and refunding bonds and not taking into consideration revenue bonds:

(a) GROSS DEBT

a(1)	Outstanding debt evidenced by bonds:			
	Water Bonds	$ 6,340,000		
	Electric Bonds			
	Gas Bonds			
	Sanitary Sewer Bonds			
	Other Bonds	3,210,000	$	9,550,000
a(2)	Bonds authorized by orders introduced but not yet adopted:			
	Street and Sidewalk Bonds (introduced July 8, 1986)	17,000,000		
	Arts and Science Center Bonds (introduced July 8, 1986)	3,000,000	$	20,000,000

Thereupon, there was introduced in written form the following resolution which was read:

RESOLUTION NO. 86-120 - RESOLUTION PROVIDING FOR A PUBLIC HEARING UPON AN ORDER AUTHORIZING $17,000,000 STREET AND SIDEWALK BONDS AND DIRECTING THE CITY CLERK TO PUBLISH SAID ORDER TOGETHER WITH A STATEMENT GIVING NOTICE OF SAID HEARING

BE IT RESOLVED by the Council of the City of Asheville:

Section 1. That a public hearing upon the order entitled: "ORDER AUTHORIZING $17,000,000 STREET AND SIDEWALK BONDS" shall be held at 4:00 o'clock p.m., on July 22, 1986, at the Council chambers of the City Building in Asheville, North Carolina, at which the Council shall hear anyone who may wish to be heard on the question of the validity of said order or the advisability to issuing said bonds.

Section 2. That said public hearing may be adjourned from time to time.

Section 3. That the City Clerk be and he is hereby directed to publish said order, together with the appended statement giving notice of said hearing as required by the Local Government Bond Act, as amended, once in The Asheville Times not later than the sixth business day before the date of said public hearing.

Read, approved and adopted this the 8th day of July, 1986

City Clerk

Mayor

Complete text of Resolution No. 86-120 will be found in Resolution Book No. 16 at page 78.

Upon motion of Councilman Boland, seconded by Councilman Michalove, the foregoing resolution entitled: "RESOLUTION RROVIDING FOR A PUBLIC HEARING UPON AN ORDER AUTHORIZING $17,000,000 STREET AND SIDEWALK BONDS AND DIRECTING THE CITY CLERK TO PUBLISH SAID ORDER TOGETHER WITH A STATEMENT GIVING NOTICE OF SAID HEARING" was passed by the following vote:

Ayes: Councilmen Bratton, Tisdale, Boland, Michalove, and Mayor Bissette.

Noes: None.

Thereupon, there was introduced in written form the following resolution which was read:

RESOLUTION NO. 86-121 - RESOLUTION PROVIDING FOR A PUBLIC HEARING UPON AN ORDER AUTHORIZING $3,000,000 EDUCATION, ARTS AND SCIENCE CENTER BONDS AND DIRECTING THE CITY CLERK TO PUBLISH SAID ORDER TOGETHER WITH A STATEMENT GIVING NOTICE OF SAID HEARING

BE IT RESOLVED by the Council of the City of Asheville:

(c) NET DEBT

(c)	NEW DEBT, being the difference between the GROSS DEBT (a) and the DEDUCTIONS (b)	$ 24,012,962

(d) APPRAISED VALUE

(d)	APPRAISED VALUE of property subject to city taxation before the application of any assessment ratio, being the value fixed in 1985 and the value from which the assessed value last fixed for taxation by the City of Asheville was computed.	$ 1,729,765,748

(e) DEBT RATIO

(e)	Percentage which the NET DEBT (c) bears to the APPRAISED VALUE (d).....	1.39%

The foregoing statement is true.

_____
Finance Director of the City of Asheville, North Carolina

STATE OF NORTH CAROLINA)
) ss.:
COUNTY OF BUNCOMBE)

Subscribed and sworn to before me this _____ day of July, 1986.

_____
Notary Public

My Commission Expires: _____

I, William P. Wolcott, Jr., City Clerk of the City of Asheville, North Carolina, DO HEREBY CERTIFY that the foregoing is a true copy of a statement which was filed with me at a meeting of said Council on July 8, 1986, after the introduction of and before the public hearing on two orders authorizing bonds of said City, and that said statement is open to public inspection in my office.

WITNESS my hand and the official seal of said City, this _____ day of July, 1986.

_____
City Clerk

[SEAL]

Mayor Bissette said a petition requesting annexation of the non-contiguous area has been received. The City Clerk has been directed to investigate the sufficiency of the petition. Certification as to the sufficiency of this petition has been made by the City Clerk.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, Resolution No. 86-122 was unanimously adopted.

Complete text of Resolution No. 86-122 will be found in Resolution Book No. 16 at page 80 and 81.

APPROVAL OF CONSENT AGENDA

10. Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 86-123

A. Consideration of a resolution authorizing the barricading of a portion of Church Street on July 12, 1986 for "A Sharing Affair".

HIGHLIGHTS: The Asheville Buncombe Community Christian Ministry for several years has successfully executed their fundraising event for the work of the Christian Ministry. Over 100 churches join forces to create this event on Church Street. This resolution will authorize the barricading of Church Street from the property line of Central United Methodist Church south to the property line of Trinity Episcopal Church (not including that portion of Aston Street) to be closed to traffic on Saturday, July 12, 1986, from 6:00 a.m. until 6:00 p.m. for ABCCM to have "A Sharing Affair".

FISCAL IMPACT: None

Complete text of Resolution No. 86-123 will be found in Resolution Book No. 16 at page 82.

B. Consideration of a motion to schedule a public hearing to rezone property on U.S. 70-E adjacent to Bell School from R-2 Residential District to CH Commercial Highway District for July 29, 1986.

Section 1. That a public hearing upon the order entitled: "ORDER AUTHORIZING $3,000,000 EDUCATION, ARTS AND SCIENCE CENTER BONDS" shall be held at 4:00 o'clock p.m., on July 22, 1986, at the Council chambers of the City Building in Asheville, North Carolina, at which the Council shall hear anyone who may wish to be heard on the question of the validity of said order or the advisability of issuing said bonds.

Section 2. That said public hearing may be adjourned from time to time.

Section 3. That the City Clerk be and he is hereby directed to publish said order, together with the appended statement giving notice of said hearing as required by The Local Government Bond Act, as amended, once in The Asheville Times not later than the sixth business day before the date of said public hearing.

Read, approved and adopted this the 8th day of July, 1986.

City Clerk Mayor

Complete text of Resolution No. 86-119 will be found in Resolution Book No. 16 at page 77.

Upon motion of Councilman Michalove, seconded by Councilman Boland, the foregoing resolution entitled "RESOLUTION PROVIDING FOR A PUBLIC HEARING UPON AN ORDER AUTHORIZING $3,000,000 EDUCATION, ARTS AND SCIENCE CENTER BONDS AND DIRECTING THE CITY CLERK TO PUBLISH SAID ORDER TOGETHER WITH A STATEMENT GIVING NOTICE OF SAID HEARING" was passed by the following vote:

Ayes: Councilmen Bratton, Tisdale, Boland, Michalove, and Mayor Bissette.

Noes: None.

Thereupon the resolution entitled: "RESOLUTION DESIGNATING THE DIRECTOR OF FINANCE TO PREPARE AND THE CITY MANAGER TO FILE THE SWORN STATEMENT OF DEBT", the resolution entitled: "RESOLUTION PROVIDING FOR A PUBLIC HEARING UPON AN ORDER AUTHORIZING $17,000,000 STREET AND SIDEWALK BONDS AND DIRECTING THE CITY CLERK TO PUBLISH SAID ORDER TOGETHER WITH A STATEMENT GIVING NOTICE OF SAID HEARING" and the resolution entitled: "RESOLUTION PROVIDING FOR A PUBLIC HEARING UPON AN ORDER AUTHORIZING $3,000,000 EDUCATION, ARTS AND SCIENCE CENTER BONDS AND DIRECTING THE CITY CLERK TO PUBLISH SAID ORDER TOGETHER WITH A STATEMENT GIVING NOTICE OF SAID HEARING" were authenticated by the signatures of the Mayor and the City Clerk.

RESOLUTION 86-122 - RESOLUTION FIXING DATE OF PUBLIC HEARING ON QUESTION OF ANNEXATION PURSUANT TO G.S. 160A-58.2 AS AMENDED (HOLIDAY INN EAST PROPERTY)

9. Consideration was given to a resolution fixing the date of a public hearing on the question of annexation pursuant to G.S. 160A-58.2 as amended (Holiday Inn East property).

HIGHLIGHTS: This resolution will appoint Mr. Nelson M. Ferg, 20 Mayflower Drive, Asheville, N.C. to a four year term, term expiring on June 30, 1990, or until his successor has been duly appointed and qualified.

FISCAL IMPACT: None

Complete text of Resolution No. 86-126 will be found in Resolution Book No. 16 at page 85.

Upon motion of Councilman Michalove, seconded by Councilman Tisdale, the Consent Agenda was unanimously approved.

COUNCILMAN TISDALE REQUEST OF CITY MANAGER - TRACTOR TRAILERS ON FAIRVIEW ROAD/ SCHOOL ROAD

Councilman Tisdale requested that the City Manager look into a concern of the Oakley Residents relative to tractor trailers using Fairview Road and School Road.

COUNCILMAN BRATTON - STATISTICAL INFORMATION REQUESTED ON AFFIRMATIVE ACTION

Councilman Bratton requested statistical information from the City Manager relative to affirmative action within the City of Asheville.

CLAIMS - MARY S. DAVIDSON (WATER) - MRS. ZEB WEAVER (WATER)

The City Manager presented claims received from Mary S. Davidson and Mrs. Zeb Weaver.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 86-127 - RESOLUTION ENDORSING PROPOSED HOUSING DEVELOPMENT SPONSORED BY ALL SOULS AND TRINITY PARISHES

Consideration was given to a resolution endorsing proposed housing development sponsored by All Souls and Trinity parishes.

Mayor Bissette said the congregation of All Souls Episcopal Church and Trinity Episcopal Church is sponsoring 40 units of low-income housing for the elderly and/or handicapped under Section 202-8 of the National Housing Act and there is documented need for more of this type of low-income housing for the elderly and handicapped in Asheville. He said this resolution would endorse and commend the efforts of All Souls Episcopal Church and Trinity Episcopal Church for their efforts in sponsoring such a low-income prject for the elderly and/or handicapped.

Upon motion of Councilman Michalove, seconded by Councilman Bratton, Resolution No. 86-127 was unanimously adopted.

Complete text of Resolution No. 86-127 will be found in Resolution Book No. 16 at page 86.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held June 11, 1986, considered the petition of Attorney Jack Westall for Mr. Frank Kasey that Ward 8, Sheet 31, portion of Lot 201, be rezoned from R-2 Residential District to CH Commercial Highway District. The petition also requested the repeal of Ordinance #1046 requiring a 50' green belt and that the 50' green belt be rezoned "R-2". The property is located on U.S. 70-E adjacent to Bell School. After review and discussion, the Commission voted to recommend that the petition be denied. However, the petitioner has appealed Planning & Zoning Commission's decision and has asked that a public hearing be scheduled so the rezoning matter can be heard before Council.

FISCAL IMPACT: None

Resolution No. 86-124

C. Consideration of a resolution appointing a member to the Asheville-Buncombe Historic Resources Commission.

HIGHLIGHTS: The term of Verne Rhoades expired July 1, 1986. This resolution will appoint Dennie Martin, Route 5, Box 885, Rose Hill Road, Asheville, N.C. 28803 to a three (3) year term, term expiring July 1, 1989 or until his successor has been duly appointed and qualified.

FISCAL IMPACT: None

Complete text of Resolution No. 86-124 will be found in Resolution Book No. 16 at page 83.

Resolution No. 86-125

D. Consideration of a resolution appointing members to the Asheville Tree Commission.

HIGHLIGHTS: The terms of Elrita Nesby, Anthony Lord, and John A. Broadbrooks expired August 1, 1985. This resolution will appoint Peter Gentling, 241 Old Toll Road, Asheville, N. C.; Carlos P. Bickford, 53 Fanning Bridge Road, Fletcher, N.C.; and Roger T. Smith, 438 Hazelmill Road, Asheville, N.C. to a three (3) year term, term expiring August 1, 1988, or until their successors have been duly appointed and qualified.

FISCAL IMPACT: None

Complete text of Resolution No. 86-125 will be found in Resolution Book No. 16 at page 84.

Resolution No. 86-126

E. Consideration of a resolution appointing a member to the Asheville Regional Airport Authority.

Tuesday - July 15, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton; Kenneth M. Michalove; and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilmen Norma T. Price and Walter R. Boland

INVOCATION

The invocation was given by Vice-Mayor Mary Lloyd Frank.

APPROVAL OF THE MINUTES - JULY 8, 1986 MEETING

1. Consideration was given to the approval of the minutes of the July 8, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - JULY 20-27, 1986 AS "BELE CHERE DIRTY CAR WEEK"

2. Mayor Bissette read a proclamation proclaiming July 20-27, as "Bele Chere Dirty Car Week".

Mayor Bissette presented the proclamation to Ray Kisiah, Director of Parks, Recreation, and Public Facilities.

PUBLIC HEARING - DESIGNATION OF CHESTNUT-LIBERTY STREET AREA AS LOCAL HISTORIC DISTRICT

3. A public hearing to consider an ordinance amending Chapter 30 of the Code of Ordinances of the City of Asheville to create the Chestnut-Liberty Street area as local historic district was continued.

Mayor Bissette said this ordinance would designate the Chestnut-Liberty Street neighborhood as a local historic district. Certificates of Appropriateness would be required by a property owner before any exterior rehabilitation or new construction can take place. At the June 24, 1986 meeting of the City Council, this public hearing was continued until July 15, 1986.

Mayor Bissette noted that the Planning and Zoning Commission is scheduled to consider the Chestnut-Liberty Street area as a local historic district on August 6, 1986. He recommended that Council continue the public hearing until August 12, 1986.

Councilman Tisdale moved to continue the public hearing relative to the creation of the Chestnut-Liberty Street area as a local historic district until August 12, 1986 without further advertisement. This motion was seconded by Vice-Mayor Frank and carried unanimously.

RALPH BISHOP - OBTAINING PUBLIC RECORDS

Ralph Bishop again spoke to members of Council relative to his difficult in obtaining public records referring to a letter given to him by the Corporation Counsel from the Attorney General of the State of North Carolina stating that police pension records were not a part of public record and should not be released.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Boland, the meeting adjourned at 6:15 p.m.

MAYOR

CITY CLERK

George Jensen, of 12 Broad Street, engineer of the proposed project said the slopes for the project are stable and the buildings are in the approximate approved locations. He said very little grading had been done that was not approved by Council on May 25, 1985.

After a lengthy discussion, Councilman Michalove moved that the Asheville City Council stop construction on the project; invoke whatever appropriate fines there are regarding erosion control and zoning violations; require the developer to submit a new landscaping plan that will be coterminous with the grading that was done and submit that plan by July 22, 1986; that the developer increase the amount of planting to be done in conformance with the new buffering ordinance that Council is now considering; that the developer control the dust on the project area by leasing, renting, or purchasing whatever equipment they need to water the area down on a regular basis; that the developer create off-street parking areas if there are not sufficient parking spaces off the street; that the developer hydroseed as soon as possible or take whatever other appropriate measures there are to control any wash that might occur during a heavy rain; that the City of Asheville notify the developer's lender of current problems and violations; that the City charge the contractor for any cleaning of the street done by the City if any has been done; that the City properly invoke the City regulations regarding the control of dust and street washing when there is contract work being done; that the developer have a flagman on duty when there is equipment crossing the street; and that the developer post a performance bond for assuring the City that the landscaping plan that they come up with will be carried out. This motion was seconded by Councilman Bratton.

Upon inquiry of Councilman Tisdale, the Corporation Counsel suggested that Council go into Executive Session to discuss Councilman Michalove's motion.

Councilman Michalove withdrew his motion, at the request of the Corporation Counsel, to discuss the motion during an Executive Session. Councilman Bratton withdrew the second to the motion.

Councilman Bratton moved that Council adjourn to Executive Session to discuss a motion relative to the Woodberry Apartment Complex,being a legal matter. This motion was seconded by Councilman Tisdale and carried unanimously.

After the Executive Session, Councilman Michalove moved that the City Manager be directed to take such actions as deemed necessary to compel compliance by the developer with all applicable provisions, including, but not limited to, the Building Code, the Zoning Ordinance, dust control, parking, and traffic control of the Code of Ordinances of the City of Asheville and to pursue such fines and other legal remedies that may be available under the Code of Ordinances for failure to comply. Further, that the developer submit a new landscaping plan, other than the one dated 7/1/86, which will compensate for the destruction of trees that were stated to be left in the landscaping plan approved by the Asheville City Council July 16, 1985. Further, that the developer consider the quantity, size, types, and spacing of trees, shrubs, and groundcover in accordance with the Director of Planning. This motion was seconded by Councilman Bratton.

Upon inquiry of Councilman Tisdale, the Corporation Counsel noted that this motion was in order.

On a voice vote, Councilman Michalove's motion carried unanimously.

REVISED SITE PLAN - WOODBERRY APARTMENT COMPLEX LANDSCAPING PLAN

4. Consideration was given to a revised site plan of the Woodberry Apartment Complex landscaping plan.

Mayor Bissette said on May 25, 1986, City Council approved the site plan for Woodberry. Changes in the approved grading plan occurred which will require a new landscaping plan. In addition, the developer is also requesting approval for four (4) additional units in the complex.

Verl Emrick, Director of Planning, said the developers were notified on May 12 that they were in violation of the approved site plan for the Woodberry Apartment Complex. By the use of a map, Mr. Emrick outlined the changes that have occurred to the project since the site plan was originally presented to Council for approval.

Jeff Ratliff, Architect for the project, spoke in support of the project. He said, in his opinion, an error was made by clearcutting too many trees in the project but also pointed out that when Council approved the site plan it also approved the grading plan which called for the removal of trees. He said the original landscaping plan presented to members of Council was a rough schematic plan rather than a technical grading plan.

Mr. Ratliff answered questions from members of Council relative to the landscaping plan and the project.

Several members of Council indicated that they were disappointed in the project since, at the present time, the project consists of buildings, dirt and a barren slope, which should be covered with trees according to the approved landscaping plan.

By the use of a map, Mr. Ratliff showed changes to be made in the original landscaping plan.

A discussion was held, instituted by Councilman Tisdale, relative to complaints received from residents in the area relative to roads being blocked by construction without flagmen, and dust, and parking on the road during construction.

Paul Goodman, 484 Windswept Drive, spoke to members of Council relative to the parking and dust on the road during construction.

Marla Tugwell, Windswept Drive, also spoke relative to the condition of the road and the parking situation during construction.

Sue Peterson, Windswept Drive, spoke to members of Council relative to the erosion control problems created by the project.

Neal Stewart, Windswept Drive, speaking on behalf of homeowners on Windswept Drive, said the residents are concerned about the internal development of the property and was opposed to the project as it is being developed. He said the residents are concerned about dust, parking, speeding, littering, and the blocking of the road by the construction crew.

Jeff Phillips, of Branch Associates, contractor for the project, spoke in support of the project stating that he was aware that landscaping for the project is a problem but requested that Council cooperate with the developer.

Mayor Bissette said the revision of Rule 17(e), Bereavement Leave, will provide that leave shall be granted to any member of the Classified Service who is scheduled to work but who has a death in the immediate family. Such leave shall (1) be approved by the employee's department/division head and not exceed three (3) working days; (2) be with pay; and (3) not be charged against the employee's accrued compensatory time or annual/sick leave. Under all circumstances, the leave must be taken at the time of the emergency. For the purposes of this rule, the term "immediate family" shall mean father and mother, brother and sister, spouse, children, grandchildren, grandparents, and subject to the discretion of the employee's department/division head, anyone acting in such a capacity. The revision further provides that time off from a regularly scheduled work day of no more than one (1) work day may be granted to allow a member of the Classified Service to attend the funeral of a co-worker, close personal friend, or relative not in the immediate family.

Mayor Bissette noted that this matter was previously addressed by members of Council during a public hearing several weeks ago and the matter was referred to the Council Personnel Committee. He said, since that time, the revision to Rule 17(e) has been approved by the Council Personnel Committee.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 86-129 was unanimously adopted.

Complete text of Resolution No. 86-129 will be found in Resolution Book No. 16 at page 88 and 89.

RESOLUTION NO. 86-130 - RESOLUTION AUTHORIZING SUBMISSION OF AN APPLICATION TO HUD FOR RENTAL REHABILITATION PROGRAM FUNDS

8. Consideration was given to a resolution authorizing submission of an application to HUD for rental rehabilitation program funds.

Mayor Bissette said this resolution will authorize the submission of an application to HUD for funds in the amount of $28,000 for Rental Rehabilitation Program assistance designed to encourage rehabilitation of rental residential property. Increase in revenue by $28,000. Public funds will be matched by private investment. A budget amendment will be submitted for this funding upon approval by HUD.

Mayor Bissette said this resolution was previously presented to members of Council and would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, Resolution No. 86-130 was unanimously adopted.

Complete text of Resolution No. 86-130 will be found in Resolution Book No. 16 at page 90.

ORDINANCE NO. 1592 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED (PROVIDING BUFFERING REQUIREMENTS)

5. Consideration was given to the second reading of Ordinance No. 1592, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville" as amended to provide buffering requirements.

Mayor Bissette said the Asheville Planning and Zoning Commission on March 19, 1986, reviewed a buffering amendment to the zoning ordinance proposed by the Asheville Tree Commission. After some modifications, the Commission voted to recommend approval of the amendment to City Council. This ordinance passed first reading at the July 8, 1986 meeting.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Mayor Bissette said several proposed amendments to the ordinance have been presented and the amendments would be made prior to the third reading of the ordinance.

On a roll call vote of 5-0, Ordinance No. 1592 passed on second reading.

RESOLUTION NO. 86-128 - RESOLUTION ADOPTING AN INVESTMENT POLICY FOR THE CITY OF ASHEVILLE

6. Consideration was given to a resolution adopting an investment policy for the City of Asheville.

Mayor Bissette said Statement No. 3 of the Governmental Accounting Standards Board has been interpreted by the North Carolina Institute of Government staff and the North Carolina Local Government Commission staff to imply that investment policies be approved by governing boards. This resolution will place, in writing, the City's long-standing investment policy.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, Resolution No. 86-128 was unanimously adopted.

Complete text of Resolution No. 86-128 will be found in Resolution Book No. 16 at page 87.

RESOLUTION NO. 86-129 - RESOLUTION APPROVING THE REVISION OF RULE 17(e) OF THE CIVIL SERVICE RULES AND REGULATIONS

7. Consideration was given to a resolution approving the revision of Rule 17(e) of the Civil Service Rules and Regulations.

HIGHLIGHTS: Carolina Power and Light Company has requested that the City of Asheville execute a right-of-way easement on property belonging to the City of Asheville located at the intersection of Hiawassee Street and Rankin Avenue for the purpose of updating existing power lines as shown on Carolina Power and Light Company Drawing No. RWA-7692. This resolution will authorize the Mayor to execute the easement in favor of Carolina Power and Light Company.

FISCAL IMPACT: None

Resolution Book No. 16, page 94.

Resolution No. 86-134

D. Consideration of a resolution appointing member to the Policemen's Pension & Disability Task Force.

HIGHLIGHTS: On October 29, 1985, by Resolution No. 85-197, the Asheville City Council established the Policemen's Pension & Disability Fund Task Force. In this resolution, the City Council determined that an active member of the Plan should be appointed to the Task Force. Lt. Porter V. Fowler, as Active Member, has retired from the Asheville Police Department. This resolution will appoint Lt. Owen Bodenhamer, as Active Member to the Policemen's Pension & Disability Fund Task Force.

FISCAL IMPACT: None

Resolution Book No. 16 Page 95

E. Consideration of a motion to schedule a public hearing to rezone property located at 1616 Patton Avenue from R-2 Residential District to CH Commercial Highway District for August 5, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held June 11, 1986, considered the petition of Mr. Bobby Barbour that a portion of Lot 1, Sheet 24, Ward 5, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located at 1616 Patton Avenue. After review and discussion, the Commission voted to recommend that the petition be denied and that a portion of Lot 1, Sheet 24, Ward 5, be rezoned from CH to R-2 Residential District to provide a buffer on the eastern property line of Lot 1. However, the petitioner has appealed Planning & Zoning Commission's decision and has asked that a public hearing be scheduled so the rezoning matter can be heard before Council.

FISCAL IMPACT: None

Upon motion of Councilman Michalove, seconded by Councilman Bratton, the consent agenda was unanimously adopted.

APPROVAL OF THE CONSENT AGENDA

9. Consideration was given to a motion approving the consent agenda.

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 86-131

A. Consideration of a resolution to elect a tax shelter of employees contributions payable as members of the Law Enforcement Officers Retirement System of the State of North Carolina.

HIGHLIGHTS: Pursuant to a bill ratified by the N. C. General Assembly in 1984, the City was authorized to tax shelter contributions payable to the Law Enforcement Officers' Retirement System by its employees. The City has been tax sheltering the contributions payable to its employees to this system since January 1, 1984. The State of North Carolina requires adoption of a resolution authorizing the tax sheltering of the employees' contributions, and this action would bring the City into compliance with this requirement.

FISCAL IMPACT: None, however this action would save employees who are members of LEO Retirement System money as deductions are made prior to taxes thus ensuring greater "take-home" pay.

Resolution Book No. 16, page 91.

Resolution No. 86-132

B. Consideration of a resolution authorizing the closing of certain streets in Downtown Asheville relative to the Bele Chere Festival.

HIGHLIGHTS: The annual Bele Chere Festival for the City of Asheville will be held July 25, 26, and 27, 1986. The City Council and the Buncombe County Board of Commissioners have indicated their full support of this event. This resolution will authorize the City Manager to cause the closing of certain streets in downtown Asheville during the dates and times of the festival.

FISCAL IMPACT: None

Resolution Book No. 16, page 92-93.

Resolution No. 86-133

C. Consideration of a resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company.

CLAIMS - LAWRENCE TATE (WATER) - EDDIE NICHOLS (SEWER) - WAYNE CALDWELL (WATER) - N. H. HENSON (WATER) - HENRIETTA GRIFFIN (STREETS) - ZEB PETERSON (MOTOR TRANSPORT) - MARY LOU KING (SANITATION) - IRENE SCARBOROUGH (STREETS) - JEFFREY SANBORN (SEWER) - J. N. FEATHERSTONE (SANITATION)

The City Manager presented claims received from Lawrence Tate, Eddie Nichols, Wayne Caldwell, N.H. Henson, Henrietta Griffin, Zeb Peterson, Mary Lou King, Irene Scarborough, Jeffrey Sanborn, and J.N. Featherstone.

Mayor Bissette referred the claims to Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, the meeting adjourned at 6:45 p.m.

MAYOR

CITY CLERK

AUTHORIZATION TO EXECUTE LETTER OF INDEMNIFICATION - PACK PLAZA ASSOCIATES LIMITED PARTNERSHIP - LEGAL BUILDING - BELE CHERE

Councilman Bratton moved that the City Manager be authorized to execute a letter of indemnification to be given to Pack Plaza Associates, Limited Partnership in order that the City may be able to use the Legal Building as headquarters, the Plaza Theater for Pack Plaza Promotions, and the parking lot between the theater and the old Dunn Antiques Building on Biltmore Avenue for the start of the bicycle races for the Bele Chere Festival for July 25, 26, and 27, 1986. This motion was seconded by Vice-Mayor Frank and carried unanimously.

AUTHORIZATION TO EXTEND OPTION TO PURCHASE - RONAL WHEELS - PROPERTY LOCATED NEAR THE ASHEVILLE AIRPORT

Councilman Michalove moved to authorize the Mayor to execute an extension of the option to purchase a 16.4 acre tract located near the Asheville Airport by Ronal Wheels until August 30, 1986. Further, that Ronal Wheels submit a proposal for any additional extensions by August 10, 1986. This motion was seconded by Councilman Tisdale and carried unanimously.

AUTHORIZATION FOR CORPORATION COUNSEL TO INSTITUTE LEGAL PROCEEDINGS - DENNIS A. CHADWICK - 80 BEAVERPARK CIRCLE

Vice-Mayor Frank moved that the City Attorney be authorized to institute appropriate legal proceedings against Dennis A. Chadwick and other appropriate parties for violation of the Zoning Ordinance of the City of Asheville at 80 Beaverpark Circle. This motion was seconded by Councilman Tisdale and carried unanimously.

REPORT BY COUNCILMAN TISDALE - ASHEVILLE CABLEVISION COMMISSION

Councilman Tisdale noted that the Asheville Cablevision Commission met on July 14, 1986. He said the City of Asheville did not receive any complaints relative to Asheville Cablevision during the month of June 1986. He said the Commission would not be meeting in August and their next meeting would be on September 8, 1986. He said Joe Haight, General Manager of Asheville Cablevision had advised the Commission members that Asheville Cablevision would be considering a possible 5% increase in the basic service rate in September 1986. He said proper notification of the increase would be given in subscriber's bills and through the news media. He said that Asheville Cablevision would advise Asheville City Council of their decision relative to the increase prior to notification to subscribers. He noted that Asheville Cablevision, under the Cable TV Act has the option to impose such a rate increase.

REPORT BY COUNCILMAN TISDALE - MEETING OF ASHEVILLE TRANSIT AUTHORITY

Councilman Tisdale noted that he had attended the board meeting of the Asheville Transit Authority. He said Don Patton, the new member of the Board was introduced and in his opinion, Mr. Patton would be an asset to the Authority. He noted that the Asheville Transit Authority would be requesting to be heard by the Asheville City Council on July 22, 1986.

Bob Orr, Attorney representing Mr. Duckett, said he has been working with Ms. Brison, Staff Attorney, on an agreement between the City and Mr. Duckett to address the entrance road and fencing on the 50' buffer strip concerns.

Mayor Bissette closed the public hearing at 4:14 p.m.

Upon request from Councilman Michalove on a clarification on the fencing, Mr. Duckett said he is going to install a cedar split rail fence, approximately 400' long, on his property and had agreed to install and pay for a chain link fence, approximately 100' long, on Mr. Ward's property, owner of an adjacent lot.

Councilman Boland moved to approve the site plan based on Mr. Duckett assuming responsibility for paving and the continued maintenance of the unimproved section of Rock Hill Circle, the erection of fences as described by Mr. Duckett, and compliance with the Erosion Control Ordinance. This motion was seconded by Councilman Bratton and carried unanimously.

PUBLIC HEARING - FINAL SITE PLAN - PACK PLAZA PROJECT

3. A public hearing was held relative to the final site plan for the Pack Plaza Project.

Mayor Bissette said the Asheville Planning and Zoning Commission and the Asheville City Council approved the site plan for Pack Plaza in concept in October of 1984. He said approval of "concept" was given primarily because ownership of all properties contained within the site had not be transferred to the developer. He said the acquisition and transfer of property has been completed and the developer is ready to proceed. He said all financial and grant funding has previously been reviewed and approved by the City Council.

Mayor Bissette opened the public hearing at 4:19 p.m.

The City Clerk presented the notice to the public and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Board had affirmed their recommendation that the project be approved. He pointed out the boundaries of the project on a map. He said he has been told that work on the project would begin August 15, 1986.

Mayor Bissette closed the public hearing at 4:21 p.m.

Councilman Bratton moved to approve the final site plan for the Pack Plaza Project. This motion was seconded by Vice Mayor Frank and carried unanimously.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland, Kenneth M. Michalove, and George M. Tisdale; Corporation Counsel William F. Slawter, City Manager Douglas O. Bean, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Norma T. Price

INVOCATION

Councilman Bratton introduced Cordell Johnson, President of Asheville Chapter of the N.A.A.C.P., who gave the invocation.

APPROVAL OF THE MINUTES - JULY 15, 1986 MEETING

1. Mayor Bissette announced approval of the minutes of the July 15, 1986, meeting as submitted.

PUBLIC HEARING - SITE PLAN - FOREST RIDGE MOBILE HOME PARK

2. A public hearing was held relative to the site plan of the proposed Forest Ridge Mobile Home Park to be located on Rock Hill Circle.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held May 14, 1986, reviewed a site plan of the proposed Forest Ridge Mobile Home Park to be located on Rock Hill Circle. The plan was prepared by Pankow Engineering Company for Mr. Frank Duckett, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to (1) agreement on entrance road; (2) placement of some fencing within the 50' buffer requirement; and (3) compliance with the Erosion Control Ordinance. He said at the July 8, 1986 meeting, this public hearing was continued without further advertisement.

Mayor Bissette opened the public hearing at 4:10 p.m.

The City Clerk presented the notice to the public and the affidavit of publication.

Verl Emrick, Director of Planning, said the site is located to the North of Rock Hill Road and adjoins the Whispering Pines Mobile Park owned by Marshall Kanner and that acess to the site will be from Rock Hill Circle through an unimproved section of the Circle. He said 4 units were deleted from the plan, leaving a total of 22 units. He said fencing will be provided for the adjacent property owners and the site plan conforms to requirements of Group Development standards. He said an agreement between Mr. Duckett and the City will provide for paving and continued maintenance of the unimproved section of Rock Hill Circle.

Ayes: Councilmen Bratton, Tisdale, Boland, Michalove, Vice Mayor Frank, and Mayor Bissette.

Noes: None

The Mayor then announced that the order entitled: "ORDER AUTHORIZING $3,000,000 EDUCATION, ARTS AND SCIENCE CENTER BONDS", had been adopted.

The City Clerk was thereupon directed to publish each of said orders in The Asheville Times once, and to publish at the foot of each said orders the appended note as required by The Local Government Bond Act, as amended.

Complete text of Ordinance No. 1594 will be found in Ordinance Book 11, at page 33.

Thereupon Councilman Boland introduced the following resolution, a copy of which was distributed to each Councilman present and the title of which was read:

RESOLUTION NO. 86-136 - RESOLUTION CALLING A SPECIAL BOND REFERENDUM

BE IT RESOLVED by the Council for the City of Asheville:

Section 1. A special bond referendum is hereby called to be held in the City of Asheville on Tuesday, September 23, 1986, between 6:30 a.m. and 7:30 p.m., at which there shall be submitted to the qualified voters of the City of Asheville the questions set forth in the Notice of Special Bond Referendum included in Section 3 of this resolution.

Section 2. For said referendum, (i) the regular registration books for elections in the County of Buncombe shall be used, and the registration books, process or records shall be open for the registration of qualified persons and for public inspection in the manner, under the conditions and at the times and places set forth in the Notice of Special Bond Referendum hereinafter provided for,

PUBLIC HEARING - ORDER AUTHORIZING $17,000,000 STREET AND SIDEWALK BONDS AND ORDER AUTHORIZING $3,000,000 EDUCATION, ARTS AND SCIENCE CENTER BONDS

4. Mayor Bissette announced that this was the date and hour fixed by the Council for the public hearing upon the orders entitled "ORDER AUTHORIZING $17,000,000 Street and Sidewalk Bonds" and "ORDER AUTHORIZING $3,000,000 Education, Arts and Science Center Bonds" and that the Council would hear anyone who might desire to be heard on the questions of the validity of any of such orders or the advisability of issuing said bonds.

Mayor Bissette opened the public hearing at 4:21 p.m.

The City Clerk presented the notices to the public and the affidavits of publication.

No one appeared, either in person or by attorney, to be heard on said questions, and the City Clerk announced that no statement in writing had been received by him on the question of the validity of said orders or the advisability of issuing said bonds.

After the Council had heard any persons who requested to be heard, Councilman Michalove moved that the public hearing be closed. The motion was seconded by Councilman Boland and was unanimously adopted. The public hearing was closed at 4:26 p.m.

ORDINANCE NO. 1593 - ORDER AUTHORIZING $17,000,000 STREET AND SIDEWALK BONDS

Thereupon, upon motion of Councilman Boland, seconded by Councilman Frank and carried, the order introduced and passed on its first and second readings on July 8, 1986, entitled "ORDER AUTHORIZING $17,000,000 STREET AND SIDEWALK BONDS", was read a third time by title and placed upon its final passage. The vote upon the final passage of said order was:

Ayes: Councilmen Bratton, Tisdale, Boland, Michalove, Vice Mayor Frank, and Mayor Bissette.

Noes: None

The Mayor then announced that the order entitled: "ORDER AUTHORIZING $17,000,000 STREET AND SIDEWALK BONDS", had been adopted.

Complete text of Ordinance No. 1593 will be found in Ordinance Book 11, at page 32.

ORDINANCE NO. 1594 - ORDER AUTHORIZING $3,000,000 EDUCATION, ARTS AND SCIENCE CENTER BONDS

Thereupon, upon motion of Councilman Frank, seconded by Councilman Boland, the order introduced and passed on its first and second readings on July 8, 1986, entitled "ORDER AUTHORIZING $3,000,000 EDUCATION, ARTS AND SCIENCE BONDS", was read a third time by title and placed upon its final passage. The vote upon the final passage of said order was:

purpose of providing funds, with any other available funds, for constructing, erecting, providing, installing, reconstructing, renovating, replacing, enlarging, expanding, extending, demolishing, improving, grading, draining, landscaping, paving, widening and resurfacing streets and sidewalks, including without limitation bridges, viaducts, causeways, overpasses, underpasses, alleys, curbs and gutters, culverts, drains, traffic controls, signals, markers, lighting, grade crossings and the elimination thereof and grade separations, including the acquisition of necessary land, rights of way, and equipment, and authorizing the levy of taxes in an amount sufficient to pay the principal of and the interest on said bonds, be approved?

#2

Shall the order adopted by the Council of the City of Asheville, North Carolina, authorizing Education, Arts and Science Center Bonds of the City of Asheville, North Carolina, in an aggregate principal amount not exceeding $3,000,000 for the purpose of providing funds, with any other available funds, for renovating, constructing, reconstructing and expanding existing buildings and additional facilities for use as an education, arts and science center, including the acquisition of any necessary equipment and furnishings, and authorizing the levy of taxes in an amount sufficient to pay the principal of and the interest on said bonds, be approved?

Each of the questions hereinabove set forth contains a statement of the purpose for which the bonds are authorized by the order referred to in such question.

If said bonds are issued taxes in an amount sufficient to pay the principal and interest thereof will be levied upon all taxable property in the City of Asheville.

For said referendum the regular registration books for elections in the County of Buncombe will be used and the registration books, process or records will be open for the acceptance of registration applications and the registration of qualified persons (i) from 8:30 a.m. until 5:00 p.m. on Monday through Friday,

(ii) the registrars, judges and other officers of elections appointed by the Buncombe County Board of Elections for the several precincts and voting places in the City of Asheville shall be the election officers for such precincts and voting places, and (iii) the precincts and voting places shall be those fixed by said County Board of Elections as provided in said Notice of Special Bond Referendum, subject to change as provided by law. The Buncombe County Board of Elections is hereby requested to conduct said referendum and to take all necessary steps to that end in accordance with the provisions of this resolution.

Section 3. The City Clerk shall cause a notice to be published in The Asheville Times once at least fourteen days before August 25, 1986 (being the last day on which persons may register for said referendum except as otherwise provided in said notice set forth in this Section) and once again not less than seven days before such day, such notice to read substantially as follows:

NOTICE OF SPECIAL BOND REFERENDUM
to be held in the
CITY OF ASHEVILLE, NORTH CAROLINA
on September 23, 1986

A special bond referendum will be held throughout the City of Asheville between 6:30 a.m. and 7:30 p.m., on Tuesday, September 23, 1986, at which there will be submitted to the qualified voters of said City the following questions:

#1

Shall the order adopted by the Council of the City of Asheville, North Carolina, authorizing Street and Sidewalk Bonds of the City of Asheville, North Carolina, in an aggregate principal amount not exceeding $17,000,000 for the

notice of election day transfer in accordance with the procedures set forth in Section 163-72.3 of the General Statutes of North Carolina at the precinct in which he is registered and record a change of address on the date of the referendum and vote in the office of the Buncombe County Board of Elections mentioned above or at such other location as specified by the Buncombe County Board of Elections.

The last day for new registration of those not now registered under Buncombe County's permanent registration system is Monday, August 25, 1986.

Except as provided above, the last day on which registered voters, who have changed residence from one precinct to another may transfer registration is Monday, August 25, 1986.

Any qualified voter of the City who is qualified to vote by absentee ballot in said special bond referendum may apply to the Buncombe County Board of Elections for an absentee ballot. Certain persons in the armed forces and their spouses, certain veterans, certain civilians working with the armed forces and members of the Peace Corps who are qualified to vote by absentee ballot pursuant to Section 163-245 of the General Statutes of North Carolina may also apply for an absentee ballot as provided by Section 163-247 of the General Statutes of North Carolina.

Persons who are not certain whether they are registered to vote or qualified to vote by absentee ballot or who desire further information concerning the registration process or the special bond referendum should contact the Buncombe County Board of Elections at the office of said Board mentioned above.

inclusive, of each week at the office of the Buncombe County Board of Elections located at 189 College Street in Asheville, North Carolina.

In addition, registration applications will be accepted by and qualified persons may also register with the registrars and judges of election for the several precincts in the City.

Also, registration applications will be accepted by and qualified persons may register with roving registrars designated by the Buncombe County Board of Elections at such times and places as may be announced by the Buncombe County Board of Elections.

Furthermore, certain persons in the armed forces and their spouses, certain veterans, certain civilians working with the armed forces and members of the Peace Corps may register by mail at any time prior to said referendum in the manner provided in Article 21 of Chapter 163 of the General Statutes of North Carolina and in person at any time, including the date of said referendum.

Those residents of the City who are presently registered under Buncombe County's permanent registration system and who have not changed residence from one precinct to another since their registration will be permitted to vote in said referendum. A registered voter who has moved from one precinct to another within the City within 30 days before the special bond referendum shall not be deprived of the right to vote in the precinct from which he has moved. Any person who has moved from one precinct to another more than 30 days prior to the special bond referendum but who has not submitted a change of address report as provided in Section 163-72.2 of the General Statutes of North Carolina may obtain a

PUBLIC HEARING -HOLIDAY INN/EAST

ORDINANCE NO. 1595 - AN ORDINANCE ANNEXING A NON-CONTIGUOUS AREA ON TUNNEL ROAD - HOLIDAY INN/EAST

5. A public hearing was held relative to the adoption of an ordinance annexing a non-contiguous area on Tunnel Road - Holiday Inn/East.

Mayor Bissette said a petition requesting annexation of a non-contiguous area has been received from Holiday Inn/East. The City Clerk has investigated and certified the sufficiency of the petition. At the July 8, 1986 meeting, a public hearing was scheduled relative to this annexation. He said this action will result in an increase in assessed valuation of approximately $2.2 million and should result in increased revenue of approximately $17,000 per year. He said there would be no effect on City operating cost.

Mayor Bissette opened the public hearing at 4:31 p.m.

The City Clerk presented the notice to the public and the affidavit of publication.

Patty Tallerday of the Planning Department said the Planning Department had reviewed the property and it does meet the standards for annexation. She said the property is within one mile of the City limits and is served by City water and sewer. She said the Holiday Inn would not require any public works services such as garbage collection and street lighting. She said fire services would be provided by Station 8, Station 9, and the Downtown Fire Station. She said routine and emergency police services would be provided by officers of the Asheville Police Department assigned to zones 4 and 5.

extending, demolishing, improving, grading, draining, landscaping, paving, widening and resurfacing streets and sidewalks, including without limitation bridges, viaducts, causeways, overpasses, underpasses, alleys, curbs and gutters, culverts, drains, traffic controls, signals, markers, lighting, grade crossings and the elimination thereof and grade separations, including the acquisition of necessary land, rights of way, and equipment, and authorizing the levy of taxes in an amount sufficient to pay the principal of and the interest on said bonds, be approved?

Special Bond Referendum

[Facsimile of Signature]

September 23, 1986 Chairman, Buncombe County Board of Elections

Section 5. That the City Clerk is hereby directed to deliver or mail a certified copy of this resolution to the Buncombe County Board of Elections and to the State Board of Elections within three days after its passage.

Section 6. This resolution shall take effect upon its passage.

Mayor Bissette, on behalf of the Council and citizens of Asheville, welcomed members of the Langendorf Mandolin Orchestra to the City of Asheville and thanked them for coming to Asheville to participate in the Bele Chere Festival.

PUBLIC HEARING - MORATORIUM - MULTI-FAMILY DEVELOPMENT

ORDINANCE NO. .... - AN ORDINANCE ESTABLISHING A MORATORIUM LIMITING MULTIPLE-FAMILY DEVELOPMENT ON SITES WHERE THE ELEVATION IS 2220 FEET OR GREATER

7. A public hearing was held relative to the adoption of an ordinance establishing a moratorium limiting multiple-family development on sites where the elevation is 2220 feet or greater.

Mayor Bissette said this ordinance will impose a six (6) month moratorium on the issuance of any building, zoning, grading and other construction permits for all multiple-family projects which are proposed to be located on sites where the elevation is 2220 feet or greater and on consideration of any requests for group development reviews by the Planning and Zoning Commission which would be affected by this moratorium in order that studies can be completed for adoption of new zoning regulations for project sites whose elevation is 2220 feet or greater.

Mayor Bissette said this ordinance is being considered by Council because the Council and the Planning and Zoning Commission are currently in the process of developing a Mountainside Ordinance. Mayor Bissette said the Council will schedule a workshop in the next 2 weeks to receive input for the Mountainside Ordinance. He said the date of the workshop would be announced and extended an invitation to developers, engineers, realtors, and the general public to attend.

Mayor Bissette opened the public hearing at 4:44 p.m. and requested that those wishing to speak limit their comments to three (3) minutes.

The City Clerk presented the notice to the public and the affidavit of publication.

Verl Emrick, Director of Planning, said due to several inquiries he would like to clarify that a multi-family dwelling would constitute a dwelling containing three (3) or more families. By use of a map, Mr. Emrick pointed out the areas, which were highlighted by shades of brown, to be affected by the moratorium. He said the darker shade of brown indicated R-1 Residential areas and the lighter shade of brown indicated R-5 Residential and other districts involved. He said the 15% slope is inclusive and is where you begin to find trouble spots in the soil.

Mr. Frank Burke, resident of Black Mountain and Developer, spoke in opposition to the proposed moratorium. He said we currently have the best interest rates and this is the best time to build. He said a moratorium to prohibit building would hurt the citizens of Asheville for a long time.

Mr. Steve Goldstein, Attorney for Holiday Inn/East, said he was present on behalf of his client and would be happy to answer any questions members of Council might have.

Mayor Bissette closed the public hearing at 4:35 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Tisdale moved for the adoption of Ordinance No. 1595. This motion was seconded by Councilman Michalove.

On a roll call vote of 6-0, Ordinance No. 1595 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1595. This motion was seconded by Councilman Tisdale and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1595 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1595. This motion was seconded by Councilman Tisdale and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1595 passed on third and final reading.

Complete text of Ordinance No. 1595 will be found in Ordinance Book No. 11, pages 34-36.

RESOLUTION NO. 86-135 - A RESOLUTION RECOGNIZING THE LANGENDORF MANDOLIN ORCHESTRA AND THEIR HOSTS AND EXTENDING TO THESE VISITORS ALL BEST WISHES FOR AN ENRICHING AND SUCCESSFUL VISIT IN ASHEVILLE

6. Consideration was given to a resolution recognizing the Langendorf Mandolin Orchestra and their hosts and extending to these visitors all best wishes for an enriching and successful visit in Asheville.

Mayor Bissette read the resolution.

Vice Mayor Frank moved for the adoption of Resolution 86-135. This motion was seconded by Councilman Boland and carried unanimously.

Mr. Doug Michaels, representative of the Friendship Force and Central Methodist Church and also coordinator of the visit, introduced Ebera Hard Malitius, Concert Master of the Langendorf Mandolin Orchestra. Mr. Malitius, on behalf of the group, thanked the Mayor and Council for the resolution and their warm welcome.

Mayor Bissette presented original copies of the resolution to Mr. Malitius and Mr. Doug Michaels.

Mr. Paul Jones, President of the Asheville Board of Realtors, 209 E. Chestnut Street, spoke in opposition to the proposed moratorium. He said there is an ordinance already on file that would be adequate if properly enforced. He said the moratorium is not necessary and would stiffle growth in the City of Asheville during its best time to grow. He said he is willing to work with Council or any other group on the Mountainside Ordinance.

Mr. Harry Giezentanner, 38 Rhododendron Place, read a letter opposing the moratorium on behalf of the commercial and real estate brokers of Asheville and Buncombe County. He distributed copies of the letter to members of City Council.

Mr. Kenny Partin, President of the Homebuilders Association, said he opposed the moratorium and that he supported the statement of opposition made by Paul Jones, President of the Asheville Board of Realtors.

Mr. Larry Nadel, Developer and resident of Columbia, South Carolina, spoke in opposition to the proposed moratorium because of its detrimental effect on the economy.

Carolyn Tingle, Coalition of Asheville Neighborhoods, spoke in support of the moratorium. She said mistakes are visible and permanent. She said the Coalition of Asheville Neighborhoods is not opposed to development, but wants to see guidelines developed that everyone can live with.

Councilman Michalove said he felt in the absence of a mountainside ordinance, the moratorium was a must.

Councilman Boland said he was in favor of a workshop and asked for the cooperation of the real estate community and developers to help come up with a workable document. He said he would support a short moratorium.

Vice Mayor Frank said she would support a short moratorium just to put pressure on the Council to move ahead with the adoption of a mountainside ordinance. She said she is glad the developers are willing to work with the city toward this goal.

Councilman Bratton said she supported the mountainside ordinance, but not the moratorium. She said the Council needs to give direction to the staff by setting a deadline for completion of the mountainside ordinance.

Councilman Tisdale said he is very supportive of a mountainside ordinance, but does question whether or not the moratorium would stand up legally. He said he has been assured by the City Manager and staff that Council would have the mountainside ordinance by September.

Mayor Bissette said he supports a mountainside ordinance. He said the mountainside ordinance is a very difficult and complicated document and this is why the City needs the input of the architects, developers, realtors and citizens of Asheville. He said the City can, and must, develop the mountainside ordinance to protect the beauty of our City. However, he said he could not support a blanket moratorium that affects not only bad but good developments.

Mr. Don Nolkey, resident of Fairview and President of the Asheville Community Investment & Realty Association, spoke against the proposed moratorium. He said he felt the City's present regulations were adequate to take care of any adjustments that may be needed, and the moratorium would be unfair to developers and landowners.

Mr. George Morosani, resident of Cane Creek in the Fletcher area, said he felt the moratorium was a restriction uncalled for and that there were enough rules already in place.

Mr. Roger Grant, Realtor and resident of Town Mountain Road, spoke in opposition to the proposed moratorium. He said the general public should have some time to look into the restrictions.

Upon inquiry of Mr. Grant, Mayor Bissette said that Council had been advised about legal liabilities associated with the moratorium during an Executive Session.

Mayor Bissette explained to Mr. Grant that the purpose of the public hearing today was to receive comments from the public prior to making a decision on the matter.

Mr. Hugh Slussler, Realtor and resident of Bent Creek, said he felt there were already enough restrictions in place, and that the moratorium would take away individual property rights.

Barbara Stout, Realtor and resident of Riceville Road, said people come to Asheville looking for condos and looking for views. She said the moratorium would limit Asheville and its growth.

Mr. Thomas King, King Electric Contractors at 234 N. Leicester Highway and resident of Reems Creek in Weaverville, said the moratorium would have a detrimental effect on property values and could mean a loss of thousands of dollars that were already invested in projects.

Augusta Young, resident of 360 Kenilworth Road, spoke in support of the proposed moratorium. She urged City Council to adopt the moratorium until an ordinance is in place establishing guidelines for mountainside development.

Mr. George Jensen, Engineer with Jensen Engineering at 12 Broad Street, spoke in opposition to the proposed moratorium. He said most of the problems with runoff, drainage, water and sewer are caused by the construction of single family dwellings. He said if a moratorium is imposed, single family dwellings should also be included.

Mr. Ned Guttman, resident of 58 Beechwood Road, spoke in favor of the moratorium saying that he felt the moratorium would not hurt the business of developers and realtors that much for 6 months. He said we don't need the restrictions if we have responsible development. He cited the Windswept and Woodbury projects as examples of bad developments. He said these developments were approved by the City, but yet something went wrong in the governmental process.

HIGHLIGHTS: The United States Department of Transportation requires that certain assurances, certifications and other documents be filed with the appropriate regional office. The Regional Office for the City of Asheville has recently been changed from Atlanta, Georgia, to Philadelphia, Pennsylvania. This resolution will authorize the Mayor to execute and file the one-time submission of assurances with the Philadelphia Regional Office that the City of Asheville is following federal regulations.

FISCAL IMPACT: None

Resolution Book No. 16, page 107.

B. RESOLUTION NO. 86-138 - Resolution authorizing the Mayor to enter into a Municipal Agreement with the North Carolina Department of Transportation relative to Project No. 8.2840101 for replacement of Bridge 743 (Smith Bridge) over the French Broad River on West Haywood Street.

HIGHLIGHTS: This resolution will authorize the Mayor to execute a Municipal Agreement with the North Carolina Department of Transportation relative to Project No. 8.2840101 for replacing approximately 232 linear feet of 12-inch terra cotta sanitary sewer pipe on Bridge 743 (Smith Bridge) over the French Broad River on West Haywood Street. This agreement requires the City of Asheville to reimburse the N. C. Department of Transportation for the cost of the work in one (1) lump sum payment upon completion of the work.

FISCAL IMPACT: The amount of this work is approximately $8,000 and will be appropriated under the Budget Amendment/G-1, currently being considered.

Resolution Book No. 16, page 108.

C. RESOLUTION NO. 86-139 - Resolution authorizing the Mayor to enter into a Municipal Agreement with the North Carolina Department of Transportation relative to Project No. 8.4840301 for construction and improvement of the interchange at N. C. State Highway 191 and U. S. Interstate 40 at the Farmer's Market in Asheville, North Carolina.

HIGHLIGHTS: The N. C. Department of Transportation and the City of Asheville propose to enter into an agreement whereby the Department of Transportation will include in its construction contract provisions to temporarily support and maintain the existing 8-inch C.I. water line and to permanently support the existing water main after the new

Mayor Bissette closed the public hearing at 6:00 p.m.

Councilman Tisdale said because he questions the legality of the moratorium, he could not support it.

Councilman Michalove moved for the adoption of the ordinance changing the period from 6 months to 90 days and changing the dates accordingly. This motion was seconded by Councilman Boland.

On a roll call vote of 3-3, the ordinance failed for a lack of a majority with Councilman Tisdale, Councilman Bratton, and Mayor Bissette voting "no" and Councilman Michalove, Councilman Boland, and Vice Mayor Frank voting "yes".

Councilman Bratton moved to have Council direct the City Manager to have the Planning staff prepare a mountainside ordinance for council's consideration not later than September 30, 1986. This motion was seconded by Councilman Michalove and carried unanimously.

REPORT - WOODBERRY APARTMENT COMPLEX - SITE PLAN - CITY MANAGER

8. City Manager Douglas O. Bean said he has received a new site plan on the Woodberry Apartment Complex today, but that he and the staff had not had time to review the plan prior to the Council Meeting. He said he would have a report on the site plan for Council at next week's meeting.

ORDINANCE NO. 1592 - AN ORDINANCE AMENDING ORDINANCE NO. 322, "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED, TO PROVIDE BUFFERING REQUIREMENTS

9. Consideration was given to the third reading of Ordinance No. 1592, an ordinance amending Ordinance No. 322, "an ordinance providing for the zoning of the City of Asheville", as amended, to provide buffering requirements.

Mayor Bissette said there had been several changes made in the ordinance, and in order to give the City Attorney time to thoroughly review these changes, the third reading of the ordinance would be postponed until next week's meeting.

CONSENT AGENDA

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. RESOLUTION NO. 86-137 - Resolution authorizing the Mayor to execute and file the necessary asssurances, certifications and other documents required by the United States Department of Transportation with the Philadelphia Regional Office.

Council establish a committee of five (5) to consist of two (2) Council Members, two (2) representatives of the N.A.A.C.P., and one member at large to look into the testing and promotion policy of the Police Department and report back to Council in 30 days.

Mayor Bissette said he thought the committee idea was a good one and asked the City Manager to look into minority hiring not only in the Police Department but in all other departments as well.

Councilman Boland said he felt something should be done about this. He said it is important to take a look at the Asheville Police Department's promotion policy, testing policy, recruitment of police officers, and career paths setting forth requirements for promotions. He said the issue has become symbolic in the black community. He said the City needs to move on this issue and do the right thing.

Vice Mayor Frank said the purpose of the Equal Opportunity Employment Commission is to obtain job equality for women and blacks.

Councilman Bratton said the Council is responsible for making sure that the City is representative throughout its organization and that equal employment is mandated by the Federal Government.

Councilman Bratton said she felt the suggestion for a committee is a workable one and moved that the Council establish a committee of five to be composed of two (2) Members of Council; two (2) representatives of the N.A.A.C.P.; and one (1) member at large. She suggested that Council appoint Bob Smith, Director of the Asheville-Buncombe Community Relations Council, as the member at large, and that this committee report back to the Council in 30 days. This motion was seconded by Councilman Boland.

Councilman Michalove suggested that the Council not pass the motion of Councilman Bratton, but instead ask the Mayor and City Attorney to draft a resolution establishing the committee and its responsibilities for next week's meeting.

Councilman Bratton said Councilman Michalove's suggestion is the spirit of her motion. She and Dr. Boland concurred in Councilman Michalove's recommendation and this was unanimously approved by the Council.

Mr. Steve Wilburn, Colburn Avenue, requested that Council set up a committee to look into equal hiring and promotional opportunities in the City of Asheville and specifically in the Police Department from a policy standpoint and report back in 30 days.

Mary Lewis, W. Chestnut Street, thanked the Council for their action and said she hopes the Council will follow through.

bridge deck has been constructed. This agreement requires the City of Asheville to reimburse the N. C. Department of Transportation for the cost of the work in one (1) lump sum payment upon completion of the work. This resolution will authorize the Mayor to sign the Municipal Agreement.

FISCAL IMPACT: The amount of this work is approximately $9,600.00, which was appropriated by the Asheville/Buncombe Water Authority and funded under code 35-840.

Resolution Book No. 16, page 109.

D. Consideration of a motion scheduling a public hearing relative to the site plan of the proposed Public Storage Facility to be located on Leicester Highway for August 12, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held July 9, 1986, reviewed a site plan of the proposed Public Storage Facility to be located on Leicester Highway. The plan was prepared by Hill-Fister Engineers, Inc., Tucker, Georgia, for Public Storage, Inc., Marietta, Georgia, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance and provisions of buffering.

FISCAL IMPACT: None

Upon motion of Councilman Boland, seconded by Councilman Tisdale, the Consent Agenda was unanimously adopted.

TESTING/PROMOTIONS - POLICE DEPARTMENT - JOHN HAYES

Mr. John Hayes, 230 Livingston Street, addressed the Council relative to testing and promotions in the Asheville Police Department. He said of the Police Department's 120 officers, only 12 are black, and that the Department's testing would appear to be biased since no black officer can or has passed. He said many of the questions on the test are not relevant to the duties of the job. He said for the past 40 years, blacks have only been promoted as far in ranking as sergeant, and that points are assigned relating to colleges attended and black colleges are assigned fewer points. He said the Police Department should use policies and guidelines recommended by the Equal Opportunity Commission and the Affirmative Action Program and adopt a test similar to those used in cities of comparable size. He said equal points should be assigned from all accredited colleges, and that credit for attendance at the FBI School, the Criminal Justice School at Asheville-Buncombe Technical College, experience, time on the job and training should count toward promotion. He requested that

INDEMNIFICATION AGREEMENT - WRIGHT MOTOR LINES

Vice Mayor Frank moved to authorize the City Manager to execute a letter of indemnification to be given to Wright Motor Lines, Inc. in order that the City may be able to use two flat bed trucks for the Bele Chere Street Dance on July 25, 1986. This motion was seconded by Councilman Tisdale and carried unanimously.

CLAIMS - ALICE CRUZ (SANITATION), KATHERINE BRANK (FIRE), THERESA LEDBETTER (WATER), PAUL McFARLAND (WATER) AND FRANKLYN OWENS (WATER)

The City Manager presented claims received from Alice Cruz (Sanitation), Katherine Brank (Fire), Theresa Ledbetter (Water), Paul McFarland (Water) and Franklyn Owens (Water).

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Counciman Boland, the meeting adjourned at 6:55 P.M.

Marguerite R. Wolcott
CITY CLERK

MAYOR

which would create a safety hazard to the students attending the school or a nuisance to the learning environment of that school. He said one of the alternatives would be to rezone the property to Commercial Highway leaving a 15' strip adjacent to Bell School with the remainder of the property being graded and seeded. He said during the Pre-Council meeting James Williams, Attorney for the Buncombe County Board of Education, presented members of Council with a letter stating that they would be willing to withdraw their objections to the rezoning pending an agreement with the property owner Mr. Frank Kasey. He said the agreement would provide that Mr. Kasey would convey to the Buncombe County Board of Education a portion of the tract of land in question being a small parcel of property located west of the fence line near the western margin of the Kasey property. In addition, the owner would place a green buffer, 15' in width, along the western and northern margin of the property adjacent to the school property. Further, that the owner acknowledge his obligation as an adjacent land owner to provide lateral support to the school property and to take such erosion control methods as are required by law and which will protect the property of the Buncombe County Board of Education from erosion due to any excavation or other activities on his property. He said when the Planning & Zoning Commission reviewed the agreements between the Buncombe County Board of Education and the property owner, Mr. Frank Kasey, had not been present. He said since these agreements were not in the process at that time, the Planning & Zoning Commission had recommended denial of the rezoning petition.

Jack Westall, Attorney for Mr. Frank Kasey, said an agreement had been reached with the Buncombe County Board of Education relative to the property in question. By the use of a map, Mr. Westall showed members of Council the property proposed to be conveyed to the Buncombe Board of Education and the area to be buffered. He said this would allow 35' of the property now zoned R-2 Residential District to be rezoned to CH Commercial Highway District.

Mayor Bissette said during the Pre-Council meeting members of Council indicated they would be willing to consider rezoning 35' of the 50' buffer zone leaving a 15' buffer zoned R-2 Residential District.

At the request of Councilman Tisdale, the following letter from James W. Williams, Attorney for the Buncombe County Board of Education, was made a part of the minutes.

ROBERTS STEVENS & COGBURN, P.A.
Attorneys at Law
Post Office Box 7647
Asheville, NC 28807
July 29, 1986

Honorable W. Louis Bissette, Jr.
Mayor of the City of Asheville
City Building
Asheville, NC 28801

RE: Zoning Petition by Frank Kasey

Dear Mr. Mayor:

The Buncombe County Board of Education has asked me to express its position on the zoning request by Mr. Frank Kasey as evidenced by a petition dated March 17, 1986 with reference to property described as Ward 8, Sheet 31, Lot 201 in the City of Asheville.

Tuesday - July 29, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Michalove.

APPROVAL OF THE MINUTES - JULY 22, 1986 MEETING

1. Mayor Bissette announced the approval of the minutes of the July 22, 1986, meeting as submitted with the correction of several typographical errors.

PUBLIC HEARING - REZONING PROPERTY ON U.S. 70 - EAST ADJACENT TO BELL SCHOOL

ORDINANCE NO. 1596 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED, AND REPEAL OF SECTIONS OF ORDINANCE NO. 1046 (PROPERTY LOCATED ON U.S. 70 - EAST ADJACENT TO BELL SCHOOL

2. A public hearing was held relative to a request to rezone property on U.S. 70-East adjacent to Bell School from R-2 Residential District to CH Commercial Highway District.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 11, 1986, considered the petition of Attorney Jack Westall for Mr. Frank Kasey that Ward 8, Sheet 31, portion of Lot 201, be rezoned from R-2 Residential District to CH Commercial Highway District. The petition also requested the repeal of Ordinance #1046 requiring a 50' green belt and that the 50' green belt be zoned "R-2". The property is located on U.S. 70-East adjacent to Bell School. After review and discussion, the Commission voted to recommend that the petition be denied. However, the petitioner has appealed Planning & Zoning Commission's decision and has asked that a public hearing be scheduled so the rezoning matter can be heard before Council. This public hearing was scheduled at the July 8, 1986 meeting.

Mayor Bissette opened the public hearing at 4:08 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this property was originally rezoned in 1978, however, Ordinance No. 1046 provided that a 50' strip on Lot 109½ would remain zoned R-2 providing a green belt buffer for the benefit of the Charles Bell School. He said when the Planning & Zoning Commission reviewed the requested rezoning of the property in question, the Buncombe County Board of Education had voiced objections stating that the Bell School site should be protected from any use of adjoining or neighboring properties

Verl Emrick, Director of Planning, said the City staff has received and reviewed a revised site plan and landscaping plan for the Woodberry Apartment Complex. He said the City staff has confirmed with the attorneys and the developer, Mr. Ratliff, that the landscape plan would be acceptable subject to compliance with Section 2F Landscape Work (General Landscaping Requirements) listed below and made a part of the approval of the plan. He said the General Landscape Requirements details how plantings will be done and will guarantee the plantings for one year by the landscaper and thereafter management of the apartment complex would be responsible for maintenance of the plantings. He said the landscaping requirements also stipulate how fertilizing will be done, that tree plantings will commence in the fall, hydroseeding will take place as soon as possible, and that a minimum of 6,500 Virginia Pine and White Pine trees at least, 18"-24" high, will be planted on the bank and in excess of 2,000 Blue Rug Junipers will be planted at the base of the slope. He said the City staff agrees with what the developer has presented and recommends acceptance of the landscaping plan.

Upon inquiry of Councilman Price, Mr. Emrick said it would not be necessary for the amended site plan to again be reviewed by the Planning & Zoning Commission to increase the complex by four units since this will not increase the land being used.

After discussion, Councilman Boland moved to approve the amended site plan for the Woodberry Apartment Complex to allow four additional units to be constructed to Building No. 2. This motion was seconded by Vice-Mayor Frank and carried unanimously.

Councilman Price moved to approve the amended landscaping plan for the Woodberry Apartment Complex dated July 28, 1986 subject to compliance with the attached 2F - Landscape Work (General Landscape Requirements). This motion was seconded by Councilman Boland and carried unanimously.

SECTION 2F - LANDSCAPE WORK

1. GENERAL LANDSCAPE REQUIREMENTS:

a. Landscaping Plan shall be used as a guide to locate individual items specified herein. References either here or on landscaping plan shall apply to the work involved.

b. Submit planting schedule showing coordination of normal planting times with construction schedule for other related work.

c. Planting Season for performing work specified herein shall be limited to the normal period after October 15 for digging plants. However, the contractor, by taking special precautions such as spraying foliage with "Wilt-not", may extend or preceed the normal season. In all cases, the guarantee will remain unchanged.

d. Layout areas of planting and location of each major plant, for review by Architect prior to start of planting. Follow plan as closely as possible.

2. PLANT SIZE AND QUALITY: Provide sizes of plants as shown or scheduled, conforming to ANSI Z60.1 "Standard for Nursery Stock" for shape and quality.

The greatest concern of the Buncombe County Board of Education is that the Bell School site be protected from any use of adjoining or neighboring properties which would create either a safety hazard to the grammar school students attending that school or a nuisance to the learning environment of that school. Mr. Kasey has approached the Board of Education and has offered to convey to the Buncombe County Board of Education a portion of the tract of land in question, being a small parcel of property located west of a fence line near the western margin of the Kasey property. In addition, Mr. Kasey has agreed to place a green buffer fifteen feet in width along the western and northern margin of the property adjacent to the school property. Additionally, Mr. Kasey has agreed to acknowledge his obligation as an adjacent land owner to provide lateral support to the school property and to take such erosion control methods as are required by law and which will protect the property of the Buncombe County Board of Education from erosion due to any excavation or other activities on his property.

The Buncombe County Board of Education is of the opinion that should Mr. Kasey do those things as set forth in the aforesaid paragraph, the Buncombe County Board of Education will continue to enjoy a protected environment for its school and under those circumstances withdraws its objection to the petition of Mr. Kasey dated March 17, 1986.

Very truly yours,

James W. Williams

JWW:cb

Mayor Bissette closed the public hearing at 4:16 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance, however, the ordinance has been amended since it was presented to members of Council to read in Section 1 "that the following property be rezoned from R-2 Residential District to CH Commercial Highway District. All of Ward 8, Sheet 31, Lot 201, except the northern and westernmost 15' as shown on the official zoning maps located in the City Planning Department, said 15' strip to remain zoned R-2 Residential District."

Vice-Mayor Frank moved for the adoption of Ordinance No. 1596. This motion was seconded by Councilman Tisdale.

On a roll call vote of 7-0, Ordinance No. 1596 passed on first reading.

Councilman Tisdale noted that it was the understanding of members of Council that the bank will be seeded and planted with White Pines to stay green all year around.

WOODBERRY APARTMENT COMPLEX SITE PLAN

3. Consideration was given to the revised Woodberry Apartment Complex site plan.

Mayor Bissette said following last week's Council meeting, City staff met with the developer to review his compliance with various City ordinances. A revised site plan was delivered Tuesday, July 22, 1986. Since staff did not have enough time to review the report, it was continued until July 29, 1986.

pockets, watering thoroughly as layers are placed. Build 3" high berm of topsoil beyond edge of excavation. Apply 3" mulch of peat, straw or other recognized organic planting mulch.

b. Prune trees to remove damaged branches, improve natural shape, thin out, structure and remove not more than 15% of branches. Paint cuts more than 1/2" in size with pine tar.

c. Wrap trunk from ground to first branch with tree wrapping tape.

d. Guy and stake trees as detailed with 3 vertical stakes.

e. Excavate Pits or Trench to twice the diameter of balls or containers, or 1' - 0" wider than spread of roots, and 3" deeper than required for positioning at proper height. Compact a layer of topsoil in bottom before placing plants. Backfill around plants with topsoil, compacted to eliminate voids and air pockets. Water thoroughly as layers are placed. Form grade slightly dished, and bermed at edges of excavation. Apply 2" mulch of peat, straw or other recognized organic planting mulch.

f. Prune shrubs to remove damaged branches, improve natural shape, thin out structure and remove not more than 15% of branches.

7. PLANTING GROUND COVER:

a. Cultivate to depth of 8" in areas where topsoil has not been stripped.

b. Loosen subgrade to depth of 4" in areas where topsoil has been stripped, and spread topsoil to depth of 4", except as otherwise indicated.

c. Space plants 2'-0" apart both ways, except as otherwise indicated. Compact backfill to eliminate voids, and leave grade slightly dished at each plant. Water thoroughly. Apply 2" mulch of peat, straw or other recognized organic planting mulch over entire planting bed, lifting plant foliage above mulch.

d. During periods of hot sun and wind at time of planting, provide protective cover for several days.

8. PLANTING LAWNS:

a. Seeding lawns will be restrictive to eliminate the months of June, July, and August.

b. Sod: Clean, strongly rooted, 18" x 4' strips of 2 year old Kentucky 31 Fescue stripped not more than 24 hours prior to laying. Sodding shall be placed on entire width of all drainage swales shown on site plan.

c. Grass Seed: A blend of predominantly Kentucky 31 Fescue seeds, with approximately 20% "nurse-grass" seeds, complying with standards of the Official Seed Analysis of North America, for 85% purity, 80% germination and 1% (max.) weed seed, recommended by

a. Furnish Balled and Burlapped (B&B) trees and shrubs, except container-grown plants may be furnished if indicated size is below limit established in ANSI Z60.1.

b. Deciduous Shrubs may be furnished in bare root condition if adequately maintained and protected from drying through entire transplanting period.

c. Furnish Ground Cover Plants in removable containers or integral peat pots.

3. GUARANTEE: Guarantee Plants, Shrubs, and Trees for a period of one year against death and unhealthy condition, except as may result from neglect by Owner, damage by others, and unusual phenomena beyond installer's control. Replace at optimum planting time. Guarantee period begins at acceptance by HUD.

4. TOPSOIL: Only topsoil free of debris such as weeds, glass, metal cans, stumps, rock over 1" diameter, will be permitted. Representative topsoil samples shall be sent to an independent testing laboratory (e.g. a County Extension Service). Samples shall be analyzed, and nutrient and PH recommendations shall be made for the turfgrass species shown on the plans. A duplicate copy of the test results shall be sent to the Architect.

a. The Contractor shall uniformly spread such amounts of fertilizer and lime as recommended by the testing laboratory. After spreading, fertilizer and lime shall be worked 4 to 6 inches into the soil by harrowing or discing.

5. FERTILIZATION OF SOIL: Provide fertilizer, humus and other soil amendments of a type which are known to improve the PH condition of the soil for the particular plant material to be planted. Mix peat humus (PS-Q-P-166) with topsoil in the ration of 1:3 for use in planting. For basis of quantity, assume topsoil which has not been stripped in 4" depth.

a. Fertilize topsoil for planting trees shrubs and ground cover with a 10% phosphorus, 4% nitrogen and 4% potash commercial fertilizer, applied and mixed at the rate of not less than 0.25 lbs. per cu. ft. of soil and humus.

b. Lime shall be agricultural grade ground limestone, and shall be of such fineness that 90 percent will pass a 10 mesh screen and at least 50 percent will pass a 100 mesh screen. Apply at rate of 140 lbs. per 1000 SF (3 tons per acre).

c. Fertilize topsoil for planting grass with a 10-10-10- commercial fertilizer, applied at a rate of 30 lbs. per 1000 SF (1200 lbs. per acre).

6. PLANTING TREES:

a. Excavate pit to twice the diameter of the tree ball and not less than 6" deeper. Compact a layer of topsoil in pit to locate collar of plant properly in a slightly dished finish grade. Backfill around ball with topsoil, compacted to eliminate voids and air

Mayor Bissette said this ordinance was previously presented to members of Council and would not be read in its entirety unless there was a specific request to do so.

Councilman Michalove moved for the adoption of Ordinance No. 1597. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1597 passed on first and final reading.

Complete text of Ordinance No. 1597 will be found in Ordinance No. 11 at page 38.

ORDINANCE NO. 1598 - BUDGET ORDINANCE AMENDMENT TO ESTABLISH AN APPROPRIATION TO SET UP CENTRAL WAREHOUSING FACILITY

5. Consideration was given to a budget ordinance amendment to establish an appropriation to set up the Central Warehousing Facility.

Mayor Bissette said this budget ordinance amendment will establish an appropriation to set up the Central Warehousing Facility. Projected savings to the City is $50,400.

The City Manager said this budget amendment would provide centralizing purchasing and warehousing facility. He said the capital cost for providing this facility would be approximately $132,000 providing a projected savings of $50,400 per year. He said the Central Warehousing Facility would be located on Hunt Hill Place.

Councilman Boland indicated that the Town of Woodfin, Weaverville, and the County of Buncombe might consider consolidating purchasing and warehousing into this facility. He said the Intergovernmental Committee would be discussing this matter at their next meeting.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Boland moved for the adoption of Ordinance No. 1598. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1598 passed on first and final reading.

Complete text of Ordinance No. 1598 will be found in Ordinance Book No. 11 at page 39.

ORDINANCE NO. 1592 - AN ORDINANCE AMENDING ORDINANCE NO. 322, "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED TO PROVIDE BUFFERING REQUIREMENTS

6. Consideration was given to the third reading of Ordinance No. 1592, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville" as amended to provide buffering requirements.

producer, for full-sun exposure of lawns in geographic location of project.

d. Hydro seeding slopes shall be with 50/50 mixture of Kentucky 31 Fescue and Crown Vetch at a rate of 2.75 lbs. per 1000 SF with mulch totaling 1-1/2" to 2" loose thickness.

e. Cultivate to a depth of 6" in areas where topsoil has not been stripped, tilling surface to a level, fine texture.

f. Loosen subgrade to a depth of 4" in areas where topsoil has been stripped, spread 2" depth of topsoil, till to mix topsoil with subsoil, spread additional 2" depth of topsoil, till surface to a level, fine texture.

g. Grade and roll prepared lawn surface. Water thoroughly but do not create a muddy soil condition.

h. Lay sod strips with tight joints, roll or tamp lightly, and water thoroughly.

i. Sow grass seed uniformly in two directions at the rate of 2.75 lbs. per 1000 square foot lawn area. Rake seed lightly into top 1/8" of lawn surface. Water thoroughly with a fine spray.

j. Protect seeded areas against erosion by spreading straw to a uniform loose depth of 1-1/2".

9. LANDSCAPE WARRANTY: Warranty landscape work for a period of 60 days immediately following complete installation of each major category of work. Include repairing any erosion, reseeding, cultivating, restoration of grade, pruning trees and shrubs, protection from insects and diseases, fertilizing and similar operations as needed to ensure continued normal growth and good health for live plant material. The "60 day" period shall apply to "areas" or "phases" of work installed, i.e., some areas may have passed the "60 day" period before entire project is complete.

10. GUARANTEE: The General Contractor shall guarantee for a period of one year the establishment and viability of all "lawn" areas and guarantee all plant material (trees, shrubs) to live. Guarantee period includes the warranty period specified herein and shall begin on the date of substantial completion as determined by HUD.

ORDINANCE NO. 1597 - BUDGET ORDINANCE AMENDMENT PROVIDING FUNDING FOR UNDERGROUND WIRING OF WOODFIN STREET - BROADWAY TO LEXINGTON AVENUE

4. Consideration was given to a budget ordinance amendment to provide funding in the amount of $4,478 for underground wiring of Woodfin Street - Broadway to Lexington Avenue.

Mayor Bissette said this budget ordinance amendment in the amount of $4,478 will provide funding for underground wiring of Woodfin Street - Broadway to Lexington Avenue. This charge represents the cost to the City for placing existing primary feeders, secondary and street light circuits underground. Funding from the General Fund - Contingency would be in the amount of $4,478.

RESOLUTION NO. 86-141 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT FOR TRANSPORTATION PLANNING SERVICES WITH THE LAND-OF-SKY REGIONAL COUNCIL

8. Consideration was given to a resolution authorizing the Mayor to enter into a contract for transportation planning services with the Land-of-Sky Regional Council.

Mayor Bissette said the Asheville Urban Area Planning Work Program for 1986-87 has been approved to include a total of $41,500 of Planning Funds provided pursuant to Section 112 of the Federal Aid Highway Act of 1973 and Section 104(f) Title 23, United States Code, for the purpose of street and highway planning. This resolution will authorize the Mayor to enter into a contract with the Land-of-Sky Regional Council for completion of four (4) identified transportation planning work elements in an amount not to exceed $3,570.00. Also, the City Manager is authorized to submit any additional information which may be required by the Federal Highway Administration or the North Carolina Department of Transportation.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Michalove, seconded by Councilman Boland, Resolution No. 86-141 was unanimously adopted.

Complete text of Resolution No. 86-141 will be found in Resolution Book No. 16 at page 112.

RESOLUTION NO. 86-142 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT AND ANY CHANGE ORDERS WITHIN THE BUDGETED AMOUNT WITH TENNOCA CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS ARCO ROAD BRIDGE REPLACEMENT PROJECT

9. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville a contract and any change orders within the budgeted amount with Tennoca Construction Company for the project known as Arco Road Bridge Replacement Project.

Mayor Bissette said Arco Road Bridge is located upon a City System Street and is in need of replacement due to its age and present condition. This bridge is included in the Federal Aid Off-System Bridge Replacement Program. This resolution will authorize the Mayor to execute on behalf of the City of Asheville a contract with Tennoca Construction Company and any change orders within the budgeted amount for the bridge replacement. Total cost for the project is $96,772.70 and there are sufficient funds in the 60 Fund. The City will receive an 80% reimbursement through the Federal Aid Off-System Bridge Program for eligible expenditures on this project.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Tisdale, Resolution No. 86-142 was unanimously adopted.

Mayor Bissette said the Asheville Planning and Zoning Commission on March 19, 1986, reviewed a buffering amendment to the zoning ordinance proposed by the Asheville Tree Commission. After some modifications, the Commission voted to recommend approval of the amendment to City Council. This ordinance passed first reading at the July 8, 1986 meeting and second reading on July 15, 1986. At the July 22, 1986 meeting the third reading was postponed until July 29, 1986.

Verl Emrick, Director of Planning, said several changes had been made to the ordinance, mainly changes in phraseology. He also indicated that Section 1, Item 2D, first paragraph, sixth line, the words "and/or the Planning & Zoning Commission" would be deleted.

Councilman Michalove moved to amend Ordinance No. 1592 as indicated by the Planning Director. This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1592 passed on third and final reading as amended.

Complete text of Ordinance No. 1592 will be found in Ordinance No. 11 at page 28 - 31.

RESOLUTION NO. 86 - 140 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE RELEASES RELEASING JANICE L. BRYANT AND THE ESTATE OF JACK E. BRYANT FROM ANY AND ALL OBLIGATIONS WHICH EITHER MAY HAVE BY AND UNDER THE TERMS AND CONDITIONS OF NOTES PAYABLE TO THE CITY OF ASHEVILLE SECURED BY DEEDS OF TRUST ON PROPERTY LOCATED AT 53 N. MARKET STREET AND THE HAYES & HOPSON BUILDING LOCATED ON SPRUCE STREET

7. Consideration was given to a resolution authorizing the Mayor to execute releases releasing Janice L. Bryant and the Estate of Jack E. Bryant from any and all obligations which either may have by and under the terms and conditions of notes payable to the City of Asheville secured by deeds of trust on property located at 53 N. Market Street and the Hayes & Hopson Building on Spruce Street.

Mayor Bissette said this resolution will authorize the Mayor to execute releases releasing Janice L. Bryant and the Estate of Jack E. Bryant from any and all obligations which either may have by and under the terms and conditions of notes payable to the City of Asheville secured by deeds of trust on property located at 53 N. Market Street and the Hayes & Hopson Building located on Spruce Street.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Councilman Bratton, Resolution No. 86-140 was unanimously adopted.

Complete text of Resolution No. 86-140 will be found in Resolution Book No. 16 at page 110 and 111.

regulations on limited access highways. He said the Planning & Zoning Commission is currently reviewing these regulations and it has been recommended that the approval of the sign permit be continued pending a report from the Planning & Zoning Commission relative to signs being placed on limited access highways.

Councilman Price moved to continue action on the placement of a sign at the intersection of Highway 74 and I-40 until a report is received from the Planning & Zoning Commission relative to signs being placed on a limited access highway. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION NO. - RESOLUTION ESTABLISHING AND APPOINTING AN EQUAL EMPLOYMENT OPPORTUNITY TASK FORCE COMMISSION

13. Mayor Bissette said as requested by representatives of the National Association for the Advancement of Colored People at the last Council meeting, the City Council has agreed to appoint a seven member Equal Employment Opportunity Task Force Commission to examine the City's minority employment situation particularly in the Asheville Police Department.

Mayor Bissette read the resolution stating that Councilman Bratton, Councilman Boland, Robert Smith, Tom Posey, Sheila Fellerath, George Weaver, and Logan Delaney would be appointed as members of the Commission.

John Hayes, an N.A.A.C.P. spokesman who requested the Task Force last week, and the Reverend Lynwood Leverette, another member of the organization, said the N.A.A.C.P. had requested that they be appointed to the Task Force. Both individuals objected to the individuals being appointed to the Commission.

Several Council Members said they had understood that the N.A.A.C.P. had recommended a list of five people, including the names of Johnny Hayes and Reverend Leverette, any two of whom would be satisfactory to the organization and the Council choose two others on the list.

Mr. Hayes and Reverend Leverette said they felt the Commission would be "lopsided" and requested that Council take another look at the appointments.

After a lengthy discussion, Mayor Bissette said he would speak with the N.A.A.C.P. Chairman to determine the organization's wishes before the appointments are made and that the matter would be considered at next week's meeting.

RESOLUTION NO. 86-143 - RESOLUTION AUTHORIZING THE CHIEF OF POLICE TO EXECUTE A GRANT AWARD AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF ADMINISTRATION

14. Consideration was given to a resolution authorizing the Chief of Police to execute a grant award agreement with the North Carolina Department of Administration.

The City Manager read the resolutions stating that the Asheville Police Department has applied and been award a Victims of Crime Act Grant. He said the Asheville Police Department feels this grant will provide better service to the community by providing equipment and training for officers in the area of juvenile and adult sexual assault and victim assistance.

Upon motion of Vice-Mayor Frank, seconded by Councilman Tisdale, Resolution No. 86-143 was unanimously adopted.

Complete text of Resolution No. 86-142 will be found in Resolution Book No. 16 at page 113.

SCHEDULING PUBLIC HEARING - REZONING PROPERTY LOCATED ON CAMPGROUND ROAD AND U.S. 70-EAST

10. Consideration was given to a motion granting a request for an extension of time regarding rezoning property located on Campground Road and U.S. 70-East and scheduling a public hearing for August 19, 1986.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held April 9, 1986, considered the petition of Mr. R.S. Craig by Mr. Lee Towery, Realtor, that Ward 8, Sheet 31, Lot 16, be rezoned from R-2 Residential District to CS Commercial Service District. The property is located on Campground Road and U.S. 70-East. After review and discussion, the Commission voted to recommend that the petition be denied and the property remain as it is now zoned. However, the petitioner is asking for an extension of time to appeal the Planning and Zoning Commission's decision, since they were out of the country and unable to return in time to appeal within the time frame allowed.

Councilman Boland moved to grant a request for an extension of time regarding rezoning property located on Campground Road and U.S. 70-East and scheduling a public hearing relative to rezoning the property for August 19, 1986. This motion was seconded by Councilman Tisdale and carried unanimously.

SCHEDULING PUBLIC HEARING - CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY - BEAVER LAKE CAB COMPANY

11. Consideration was given to a motion scheduling a public hearing authorizing the issuance of a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company for August 19, 1986.

Mayor Bissette said the City Manager will be authorized to issue a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company pursuant to Section 27-34 of the Code of Ordinances of the City of Asheville upon proof of financial responsibility in accordance with N. C. Gen. Stat., Sec. 20-280.

Councilman Michalove moved to schedule a public hearing authorizing the issuance of a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company for August 19, 1986. This motion was seconded by Councilman Tisdale and carried unanimously.

APPROVAL OF SIGN AT INTERSECTION OF HIGHWAY 74 AND I-40

12. Consideration was given to a motion approving the placement of a sign at the intersection of Highway 74 and I-40.

Mayor Bissette said Southern Railroad has requested approval of a 10' x 30' off-premises advertising sign to be located at the intersection of Highway 74 and I-40. Pursuant to the Zoning Ordinance, Ordinance No. 322, City Council must approve the placement of this sign since it will be situated closer than 600' from a limited access highway.

Mayor Bissette said several months ago members of Council had requested that the Planning and Zoning Commission review the current sign

RALPH BISHOP - OBTAINING RECORDS FROM THE POLICEMEN'S PENSION AND DISABILITY BOARD OF TRUSTEES

18. Ralph Bishop again spoke to members of Council relative to obtaining public records from the Policemen's Pension and Disability Board of Trustees and Board of Examiners.

CLAIMS - RHONDA TANNER (WATER) - KEITH A. CURTIN (POLICE)

The City Manager presented claims received from Rhonda Tanner and Keith A. Curtin.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUIT - W. R. MARTIN CORPORATION AND SOUTHERN U.S. REALTY CORPORATION VS. CITY AND CITY COUNCIL

The City Manager presented a lawsuit received from W. R. Martin Corporation and Southern U.S. Realty.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Tisdale, the meeting adjourned at 5:40 p.m.

CITY CLERK

MAYOR

Complete text of Resolution No. 86-143 will be found in Resolution Book No. 16 at page 114.

ORDINANCE NO. 1599 - BUDGET ORDINANCE AMENDMENT TO RECOGNIZE REVENUE AND APPROPRIATE FUNDING FOR THE VICTIMS OF CRIME GRANT

15. Consideration was given to a budget ordinance amendment to recognize revenue and appropriate funding in the amount of $6,474.00 for the Victims of Crime Grant.

The City Manager presented the budget ordinance amendment.

Councilman Tisdale moved for the adoption of Ordinance No. 1599. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1599 passed on first and final reading.

Complete text of Ordinance No. 1599 will be found in Ordinance Book No. 11 at page 40.

RESOLUTION NO. 86-144 - RESOLUTION AUTHORIZING THE SALE BY THE COUNTY OF BUNCOMBE OF TAX LOT IDENTIFIED AS WARD 7, SHEET 2, LOT 198 (BILTMORE AVENUE AND SWANNANOA RIVER)

16. Consideration was given to a resolution authorizing the sale by the County of Buncombe of Tax Lot identified as Ward 7, Sheet 2, Lot 198 (Biltmore Avenue and Swannanoa River).

Mayor Bissette requested that he be excused from participation and vote on this particular resolution since his law firm represents the perspective buyer, Burger King.

Councilman Michalove moved to excuse Mayor Bissette from participation and vote on the resolution authorizing the sale of the Tax Lot to Burger King. This motion was seconded by Councilman Price and carried unanimously.

Corporation Counsel Slawter said this resolution would authorize the sale of Ward 7, Sheet 2, Lot 198 on Biltmore Avenue and Swannanoa River Road to Burger King Incorporated. He said it has now been determined that the Tax Lot does not need to be retained by the City of Asheville and can be released by the City subject to retention of an additional 30' right-of-way along Biltmore Avenue at a price of not less than $10,200.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 86-144 was unanimously adopted.

Complete text of Resolution No. 86-144 will be found in Resolution Book No. 16 at page 115.

REPORT REQUESTED RELATIVE TO BREAK-INS AND ROBBERIES ON GRIFFING BOULEVARD AND GRACELAND AVENUE

17. Mayor Bissette said he had received a number of calls from the residents in the area of Griffing Boulevard and Graceland Avenue relative to break-ins and robberies. He said the people in the neighborhood are extremely concerned about the number of break-ins and robberies recently in the area. He requested that the City Manager look into this matter.

Commission's decision and has asked that a public hearing be scheduled so the rezoning matter can be heard before Council. This public hearing was scheduled at the July 15, 1986, Council Meeting.

Mayor Bissette opened the public hearing at 4:16 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission had recommended denial of the petition for rezoning as presented. He said the Planning and Zoning Commission did, however, recommend that Council rezone a 50' strip, to be a buffer, on the eastern margin of the property, to R-2 Residential District. By the use of a map, Mr. Emrick showed the location of the property in question.

He said the Planning Department received from the Malvern Hills Association a protest petition; however, he was not prepared to say whether or not the protest petition is still valid or in effect, or whether or not it has been withdrawn due to an agreement which has been reached between the petitioner and the adjoining property owners. He said if, indeed, the petition is in effect, it will be determined whether or not the 20% rule applies and, if so, this would require a 3/4 vote or 6 affirmative votes of members of Council to rezone the property.

Larry Kimel, Attorney for the Petitioner, Mr. Bobby Barbour, said a meeting with the Malvern Hills Homeowners Association was held, and a committee was formed and subsequently a memorandum of agreement was entered into which provides that the petitioner would agree to a 35' buffer to remain in its natural setting along a residential area; a 25' buffer strip along a portion of another residential area; slopes not steeper than 2-1 and planted; that an additional area be rezoned from Commerical Highway to R-2 Residential; that the creek be moved to along the residential lots; that the property east of the creek be zoned Commercial Highway; that the property west of the creek remain zoned R-2 Residential District and that there be no commercial access road leading into School Road from the property. By the use of a map, Mr. Kimel explained the different areas in question.

Walter Byerly, on behalf of the Malvern Hills Association, questioned whether or not the lot numbers specified in the ordinance were correct. He requested that Council look into the correct lot numbers. He said the residents' main concern was that there not be a commercial access into School Road. He said the Malvern Hills Homeowners Association would have no objections to the rezoning if all provisions of the agreement are as stated by Attorney Kimel.

Councilman Price noted that, although the members of Council were happy that the petitioner and the homeowners in the area could reach an agreement, the City Council could not legally be a part of that agreement.

Walter Byerly requested that in the future when notices to public are made relative to rezoning of property that a street address be put into the notice rather than describing the property by ward, sheet, and tax lot number designations.

Tuesday - August 5, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Wilhelmina Bratton

INVOCATION

1. The invocation was given by Mayor Bissette.

APPROVAL OF THE MINUTES - JULY 29, 1986 MEETING

2. Consideration was given to the approval of the minutes of the July 29, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - AUGUST 30 - "GOOMBAY DAY"

3. Mayor Bissette read a proclamation proclaiming Saturday, August 30, 1986, as "Goombay Festival Day."

Mayor Bissette presented the proclamation to David Jones and Wanda Henry-Coleman with the YMI Cultural Center.

PROCLAMATION - SATURDAY, SEPTEMBER 6 - "FIRST ANNUAL BILTMORE VILLAGE FESTIVAL DAY"

4. Mayor Bissette read a proclamation proclaiming September 6, 1986, as the "First Annual Biltmore Village Festival Day."

Mayor Bissette presented the proclamation to Mary Hyde, Festival Coordinator, and Patricia Williams, President of the American Association of University Women.

PUBLIC HEARING - REZONING PROPERTY - 1616 PATTON AVENUE

5. A public hearing was held relative to rezoning property located at 1616 Patton Avenue from R-2 Residential District to CH Commercial Highway District.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 11, 1986, considered the petition of Mr. Bobby Barbour that a portion of Lot 1, Sheet 24, Ward 5, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located at 1616 Patton Avenue. After review and discussion, the Commission voted to recommend that the petition be denied and that a portion of Lot 1, Sheet 24, Ward 5, be rezoned from CH to R-2 Residential District to provide a buffer on the eastern property line of Lot 1. However, the petitioner has appealed Planning and Zoning

RESOLUTION NO. 86-145 - RESOLUTION ESTABLISHING AN EQUAL EMPLOYMENT OPPORTUNITY TASK FORCE

7. Consideration was given to a resolution establishing an Equal Employment Opportunity Task Force.

Mayor Bissette read the resolution stating that the City Council desires to establish a Task Force with the following duties: A) to study and evaluate the existing policies, practices and procedures of the City regarding equal employment opportunities; B) to make recommendations to the Council based upon its findings, with its initial report to be within sixty (60) days.

Mayor Bissette said the initial members of the task force would be Councilman Wilhelmina Bratton as Chairman, Councilman Walter R. Boland, Robert Smith, Thomas Posey, Sheila Fellerath, Reverend O. T. Tomes, and John R. Hayes.

Councilman Boland moved for the adoption of Resolution 86-145. This motion was seconded by Vice-Mayor Frank.

Councilman Michalove, commenting on the resolution, said a few weeks ago Council was presented with concerns by representatives of the N.A.A.C.P., in particularly with reference to black male employment and promotions in the Police Department and the N.A.A.C.P. representative, Johnny Hayes, requested that Council appoint a committee to look into these and other matters. He said he felt the N.A.A.C.P. is an appropriate body to make such a request but he felt what Council has done, at this point, is to broaden that concern to study and evalute the existing policies, practices, and procedures of the City reqarding equal employment opportunities. He said the City of Asheville has an organization in the community that is substantially funded by the City of Asheville, the Asheville-Buncombe Community Relations Council, and having worked in a government capacity for about 18 years, he knew what this organization means to the community. He said after researching what Council had chartered the Asheville-Buncombe Community Relations Council to do, back in the 1970's, being that the objectives of the Community Relations Council are to centralize the individual and community resources by combining the private, governmental, and voluntary efforts in a community attack to solve human problems as they relate to racial, ethnic origin, religion and class relationships; to provide information and opportunities for open discussions and actions in solving the sensitive problems involved in intergroup relations; to secure steady progress in Asheville and Buncombe County toward employment on merit without regard to race, ethnic origin, religious belief, or class; to create a community in which the dignity and work of each individual is respected on its own merits and to bring coordinating leadership of all organizations that are working to solve human relations and to make sure they are working in the same direction and to make sure they are doing what is relevant to the situation. He said he felt the point that the N.A.A.C.P. has brought out is not an uncommon concern in the black community and has been one for several years, being the promotions as they relate to the Asheville Police Department. He said in considering appointments to this broadbased committee, Council appointed two Council Members which were recommended by the N.A.A.C.P. and two representatives from the Asheville Civil Service Board, since that Board plays a very vital role in the hiring of employees. He said he is concerned that the City of Asheville has other groups in the community that are concerned about equal employment opportunities and Council did not give them an opportunity to have a voice or input into the committee appointments. He said such organizations are the Commission on the Status of Women, the Mayor's

Mayor Bissette again noted that City Council members could not legally consider the agreement between the petitioner and the property owners in the rezoning matter.

Mary Harkins, of 225 School Road, requested that a buffer strip that had been cut down be replanted.

Attorney Kimel informed Mrs. Harkins that the area would be replanted with white pines as specified in the Memorandum of Agreement.

Mayor Bissette closed the public hearing at 4:36 p.m.

Councilman Tisdale moved to postpone consideration of the first reading of the ordinance until the exact boundaries to be rezoned could be specified and further that the protest petition be addressed. This motion was seconded by Councilman Boland and carried unanimously.

Mayor Bissette requested that the City staff prepare an ordinance for consideration at next week's meeting.

ORDINANCE NO. 1596 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED, AND REPEAL SECTIONS OF ORDINANCE NO. 1046 (PROPERTY LOCATED ON U.S. 70-E ADJACENT TO BELL SCHOOL)

6. Consideration was given to the second reading of Ordinance No. 1596, an ordinance amending Ordinance No. 322 known as "an ordinance providing for the zoning of the City of Asheville" as amended, and repeal sections of Ordinance No. 1046, property located on U.S. 70-E adjacent to Bell School.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 11, 1986, considered the petition of Attorney Jack Westall for Mr. Frank Kasey that Ward 8, Sheet 31, portion of Lot 201, be rezoned from R-2 Residential District to CH Commercial Highway District. The petition also requested the repeal of Ordinance #1046 requiring a 50' green belt and that the 50' green belt be zoned "R-2". The property is located on U.S. 70-E adjacent to Bell School. After review and discussion, the Commission voted to recommend that the petition be denied. However, the petitioner has appealed Planning & Zoning Commission's decision and has asked that a public hearing be scheduled so the rezoning matter can be heard before Council. This ordinance passed first reading at the July 29, 1986 meeting with an amendment to provide a 15' green belt and that the 15' green belt area remain zoned R-2 Residential District.

Mayor Bissette said that it was his understanding that an agreement relative to the rezoning had been reached between the Buncombe County Board of Education and the property owner, Mr. Frank Kasey. He said it was also his understanding that a deed to a portion of the property had been tendered to the Attorney for the Buncombe County Board of Education.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1596 passed on second reading.

until 12:00 Midnight for "Goombay Festival". The closing of these streets would not create an undue hardship or inconvenience.

FISCAL IMPACT: None

Resolution Book 16, page 117.

Resolution No. 86-147

B. Consideration of a resolution authorizing the City Manager to enter into a Lease Agreement with Robert L. Brummond d/b/a Handi-Com for space at the City's Patton Mountain site for the purpose of operating an FM Radio Transmitter.

HIGHLIGHTS: The City of Asheville owns, operates, and maintains a radio tower located at Patton Mountain for the purpose of transmitting and receiving FM and TV signals. Robert L. Brummond d/b/a Handi-Com would like to lease space from the City at its Patton Mountain site for transmitting two-way FM radio signals in and around the Asheville/Buncombe County area. This will be for coordinating handicapped transportation services in the Asheville/Buncombe County area.

FISCAL IMPACT: This contract will not generate any revenue. The City will provide electrical services at a cost of approximately $12.00 to $15.00 per month.

Resolution Book 16, page 118.

Resolution No. 86-148

C. Consideration of a resolution authorizing the City Manager to sign a service maintenance agreement with Continental Telephone Company of North Carolina.

HIGHLIGHTS: This resolution will authorize the City Manager to enter into a contract with Continental Telephone Company of North Carolina (Contel) for one year to maintain the City's telephone system.

FISCAL IMPACT: The maintenance agreement is $9,900.00 per year.

Resolution Book No. 16, page 119.

D. Consideration of a motion to schedule a public hearing for the final plat of the Schwab Construction Company Subdivision to be located off Lakeshore Drive for August 26, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held June 11, 1986, approved the preliminary plat subject to the developer providing a 16' wide paved drive to all four parcels and recommending that City Council consider placing a caution signal light and signage on each side of the entrance road. The final plat of the Schwab Construction Company Subdivision is to be located off Lakeshore Drive. This plat was prepared

Committee on Employment of the Handicapped, and the American Association of Retired People. He said he felt these organizations are really target groups that Council should conscious of in dealing with promotions, hiring, etc. He said it would have been his preference to have Council appoint two Council members, two representatives from the Civil Service Board, and the City Manager; and to request that the Asheville-Buncombe Community Relations Council add to that appointment list representatives from the various organizations as they saw fit as it relates to equal employment opportunities. He said he would hope that if the request arises from these organizations that the Council either appoint a representative to this task force from the organizations or at least give them an opportunity to participate.

Mayor Bissette indicated that members of Council felt it would be more effective to have a small task force.

John Hayes, with the N.A.A.C.P., said he felt the N.A.A.C.P. is a broad-based organization and would be concerned with everyone.

Upon inquiry of Mr. Hayes, Mayor Bissette said even though the resolution requested that the initial report from the task force be within sixty (60) days that if a report is ready before then Council would be willing to accept the report at any time.

Upon inquiry of Ralph Bishop, Mayor Bissette said this task force would not take away the right of the City Manager to hire employees for the City of Asheville.

On a voice vote, Resolution No. 86-145 was unanimously adopted.

Complete text of Resolution No. 86-145 will be found in Resolution Book No. 16 at page 116.

APPROVAL OF THE CONSENT AGENDA

8. Consideration was given to a motion approving the consent agenda.

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 86-146

A. Consideration of a resolution authorizing the closing of a portion of Market Street and Eagle Street on Saturday, August 30, 1986 from 12:00 Noon until 12:00 Midnight for a "Goombay Festival".

HIGHLIGHTS: This resolution will authorize the City Manager to cause the closing of Market Street from the ABC Store to the YMI Cultural Center and Eagle Street from the YMI Cultural Center to Mt. Zion Church on Saturday, August 30, 1986 from 12:00 Noon

REPORT ON INTERGOVERNMENTAL SERVICES COMMITTEE MEETING

Vice-Mayor Frank said the Intergovernmental Services Committee, consisting of Councilman Boland, Councilman Tisdale, Vice-Mayor Frank, and Buncombe County Commissioners Tom Sobol and Wayne Montgomery was held today at 12:30 p.m. She said the members discussed the plan for the County-wide MSD sewer system and a proposal for implementing the 911 Emergency Telephone System throughout the County. She said after discussion the members of the Intergovernmental Services Committee indicated that they would take the matters back to their respective bodies and try to reach an agreement by the middle of September. She said the committee also discussed central purchasing and warehousing and the Buncombe County Commissioners would be sent a copy of the City's plan for central purchasing and warehousing. She said the next meeting of the Intergovernmental Services Committee would be on September 2, 1986.

MAYOR BISSETTE - STATUS OF ACTUARIAL REPORT

Mayor Bissette said a memorandum has been sent to all members, retirees, and survivors covered under the Asheville Policemen's Pension and Disability Trust Fund. He said the memorandum would advise these members that the plan actuary is proceeding with an acturarial review of the questions submitted by the Police Pension Task Force. He said a list of eight specific questions to the plan actuary was reviewed to determine what financial impact various proposed changes to the pension fund would have on plan members and the City of Asheville. He said to date, the plan actuary has completed a review of the first six questions but is still working on the final two. He said these two questions involve the issues of Social Security's coverage for members of the plan and additional acturarial data required from the Local Government Employee's Retirement System. He said the plan actuary has informed City staff that a complete report should be ready sometime around the first part of September. He said as soon as the report is available the task force will review it in its entirety and report to all concerned parties.

CLAIMS - WILLIAM HALFEX (WATER) - WILLIAM G. CROMER (WATER) - CITY ASSETS CORPORATION (WATER)

The City Manager presented claims received from William Halfex, William G. Cromer, and City Assets Corporation.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - RIGHT TO SEEK REDRESS - LOTTERY PEDDLERS

Ralph Bishop again spoke to members of Council relative to his right to seek redress from the Asheville City Council and expressed distress that the Mayor stopped him from stating his facts. He also spoke relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, the meeting adjourned at 5:00 p.m.

MAYOR

William J. Wescott II
CITY CLERK

by Webb Morgan, R.L.S., for Schwab Construction Company, Developer, and submitted in accordance with Ordinance #424, as amended.

FISCAL IMPACT: None

E. Consideration of a motion to schedule a public hearing for an ordinance amending Ordinance No. 1487, an ordinance to provide for the control of soil erosion and sedimentation for August 19, 1986.

HIGHLIGHTS: Cities and Counties having Soil Erosion and Sedimentation Ordinances are required to have ordinances that comply with the "State Model Ordinance". Last year the State adopted a new model ordinance that requires all cities and counties amend their current ordinances.

FISCAL IMPACT: None

Upon motion of Vice-Mayor Frank, seconded by Councilman Tisdale, the Consent Agenda was unanimously approved.

RESOLUTION NO. 86-149 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO A LEASE AGREEMENT WITH WASV-TV, INC. FOR SPACE FROM THE CITY OF ASHEVILLE AT THE CITY'S WHITE FAWN RESERVOIR SITE FOR THE PURPOSE OF OPERATING A TV TRANSMITTER

9. Consideration was given to a resolution authorizing the City Manager to enter into a lease agreement with WASV-TV, Inc. for space from the City of Asheville at the City's White Fawn Reservoir Site for the purpose of operating a TV transmitter.

Mayor Bissette requested that he be excused from vote and participation on this resolution since his law firm represents WASV-TV, Inc.

Councilman Price moved to excuse Mayor Bissette from vote and participation in the resolution regarding the lease agreement with WASV-TV, Inc. This motion was seconded by Councilman Boland and carried unanimously.

Vice-Mayor Frank said the City owns, operates, and maintains a radio tower located at White Fawn Reservoir, on Windswept Drive in Asheville for transmitting and receiving FM and TV signals. WASV-TV, Inc. would like to lease space from the City of Asheville at White Fawn for the purpose of transmitting UHF-TV signals. WASV-TV is a new commercial UHF station in the Asheville area. Under the terms of the agreement, WASV-TV will ultimately build a new tower at White Fawn and convey ownership of the new tower to the City, for future rent free operation. The first year will generate $3,600.00 in revenues. Future revenues from a new tower could reach $30,000.00 annually.

Upon motion of Councilman Michalove, seconded by Councilman Tisdale, Resolution No. 86-149 was unanimously adopted.

Complete text of Resolution No. 86-149 will be found in Resolution Book No. 16 at page 120.

PUBLIC HEARING - CREATION OF THE CHESTNUT-LIBERTY STREET AREA AS LOCAL HISTORIC DISTRICT

4. A public hearing was held relative to consideration of an ordinance amending Chapter 30 of the Code of Ordinances of the City of Asheville to create The Chestnut-Liberty Street Area as a local historic district.

Mayor Bissette opened the public hearing at 4:16 p.m.

Mayor Bissette said this ordinance would designate the Chestnut-Liberty Street neighborhood as a local historic district. Certificates of Appropriateness would be required by a property owner before any exterior rehabilitation or new construction can take place. At the June 11, 1986 Planning and Zoning meeting, the Commission did not take action on this designation; therefore, the public hearing will be opened and will be continued until July 15, 1986. At the July 15, 1986 meeting, the public hearing was continued until August 12, 1986.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Historic Resources Commission submitted a recommendation to the Planning and Zoning Commission relative to the creation of The Chestnut-Liberty Street Area as a local historic district. He said several work sessions were held and neighborhood residents made various suggestions relative to the creation of the historic district. He said several formal letters had been received requesting that their property be deleted from the proposed local historic district. He said the Planning and Zoning Commission recommended that the boundaries designated by the Historic Resources Commission not be established as a local historic district.

Tom Steitler, Chairman of the Historic Resources Commission, said the Commission started taking action on this district in February of 1985, designating the boundaries from a historic and architectural standpoint. He spoke in favor of the designation of the area as a local historic district.

Sybil Bowers, Executive Director of the Historic Resources Commission, showed members of Council a slide show on the boundaries of the proposed district and the type of activities that could happen in a historic district. She outlined particular properties in the Chestnut-Liberty Street area that are historic in nature. She said the Chestnut-Liberty Street area is a compact historic district with historic houses, pavement patterns, and tree lined streets. She said a local historic designation is a legal mechanism to control an area in order to preserve its historic and architectural status. She said if the area is not designated, then significant historic properties would not be preserved.

The following individuals made comments for and against the proposal by the Historic Resources Commission to designate the Chestnut-Liberty area as a local historic district:

Tuesday - August 12, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - AUGUST 5, 1986 MEETING

1. Consideration was given to the approval of the minutes of the August 5, 1986 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

RECOGNITION OF LARRY FISHER, DIRECTOR OF FINANCE AND FINANCE DEPARTMENT STAFF - "CERTIFICATE OF ACHIEVEMENT FOR EXCELLENCE IN FINANCIAL REPORTING"

2. Mayor Bissette recognized Larry Fisher, Director of Finance; Charlotte Tell, City Accountant; and Ken Turbyfill from the Finance Department, for their efforts in the City of Asheville, for the seventh consecutive year, qualifying for a "Certificate of Achievement for Excellence in Financial Reporting" for the fiscal year ending June 30, 1985. He said this award is from the Government Finance Officers Association. He said the Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting, and its attainment represents a significant accomplishment by government and its management. He presented Larry Fisher, Finance Director, with an "Award of Financial Reporting Achievement".

REPORT RELATIVE TO SIGNS - AUGUST 19, 1986

2a. Mayor Bissette said the Asheville Planning and Zoning Commission at its August 6, 1986 meeting took action relative to signs on limited access highways. He said the City Council members have not received the report from Planning and Zoning Commission and expects the report to be given at next week's meeting, at which time the Council will make a decision relative to Planning and Zoning's recommendation.

PUBLIC HEARING - SITE PLAN OF PROPOSED PUBLIC STORAGE FACILITY - LEICESTER HIGHWAY

3. Mayor Bissette noted that the public hearing relative to the site plan of the proposed public storage facility to be located on Leicester Highway would not be held at the request of the developer.

Tony Clarke-Sayer spoke in support of the designation by the Historic Resources Commission of the Chestnut-Liberty Street area as a local historic district as well as other areas of the City.

Allen White of 167 Chestnut Street spoke in opposition to the designation.

Doug Swaim, of the Montford Area, spoke in support of designating areas as local historic districts.

Ned Guttman of 58 Beechwood Road also spoke in support of designating areas as local historic districts.

Margaret Bridgett of 173 E. Chestnut Street spoke in favor of the designation.

Marjanovic Zzyuko of 90 N. Liberty Street spoke in opposition of the designation.

Robert Bunn of Claxton Street spoke in opposition to the designation.

Bill Duckworth, Realtor, spoke in opposition to the designation.

Mike Summey, an investor, spoke in opposition to the designation.

Judge Frank Parker of 79 S. Liberty Street spoke in opposition to the designation.

Sarah Upchurch of 78 Rosewood Avenue spoke in support of the designation of local historic districts.

Dorothy Arrowood, owner of property at 104 Central Avenue, spoke in opposition to the designation.

Jack Ingle of 104½ Central Avenue spoke in opposition to the designation.

Mary Jane Hooper of 102 Shady Oak Drive spoke in opposition to the designation.

Mike Coxe of 189 Town Mountain Road speaking as a member of the Historic Resources Commission, spoke in favor of the local historic district.

Allen Roberts of 265 Pearson Drive spoke in favor of local historic districts.

Carolyn Humphries, Interim Executive Director of the Historic Resources Commission commented relative to the creation of the Chestnut-Liberty Street area as a local historic district.

Mrs. James McCarthy, speaking for her sister who lives at the corner of Liberty and Orange Street, spoke in favor of the designation.

Tim Warner, 87 N. Liberty Street, spoke in favor of the designation of the Chestnut-Liberty Street area as a local historic district. He presented a map showing the property owners for the designation and those that made no comment. He noted that the Chestnut-Liberty Street is presently on the National Historic Register.

Jean Warner of 87 N. Liberty Street spoke in favor of the designation.

Marion Gebhardt of 81 N. Liberty Street spoke in favor of the designation.

John Hayes of 70 N. Liberty Street spoke in favor of the designation.

Ralph Adams of 75 Madison Avenue spoke in favor of the designation.

Ann Cross of 18 Orange Street spoke in opposition to the designation of the Chestnut-Liberty Street area as a local historic district. She said she was opposed to government control of private property.

Paul Michalove of 147 Chestnut Street spoke in opposition to the designation stating that, economically, the area will suffer if designated as a local historic district.

Evelyn Wyatt of Pearson Drive spoke in favor of designating the area as a local historic district. She said the Montford area has improved since its designation as a local historic district.

Mildred Williams of 60 N. Liberty Street spoke in opposition to the designation stating that she did not feel the government should control private property.

Betty Lawrence spoke in favor of the designation of the Chestnut-Liberty Street area as a local historic district.

John Sorrells of 201 E. Chestnut Street spoke in opposition to the designation.

Upon inquiry of Mr. Sorrells, it was noted that investment tax credits are available for rental and commercial property owners in an area that is designated by the National Historic Register.

Walter Batts of 104 N. Liberty Street spoke in opposition to the designation.

Rev. Allen Bragwell, Pastor of Christ Fellowship Church of 163 Chestnut Street spoke in opposition to the designation.

Margaret Burgin of 143 Merrimon Avenue spoke in opposition to the designation.

RESOLUTION NO. 86-150 - RESOLUTION RECOGNIZING FRIENDSHIP FORCE OF WESTERN NORTH CAROLINA AND VISITORS FROM SHIZUOKA, JAPAN

5. Consideration was given to a resolution recognizing Friendship Force of Western North Carolina and visitors from Shizuoka, Japan.

Mayor Bissette read the resolution recognizing Friendship Force of Western North Carolina for hosting ambassadors from Shizuoka, Japan from August 9-21, 1986 and extending to the visitors all best wishes for an enriching and successful visit.

Mayor Bissette presented the resolution to Mrs. Chihoko Maeda, Exchange Director, and Doug Micheals with Friendship Force of Western North Carolina.

Upon Motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-150 was unanimously adopted.

Complete text of Resolution No. 86-150 will be found in Resolution Book No. 16 at Page 121.

ORDINANCE NO. 1600 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" - PETITION OF MR. BOBBY BARBOUR - 1616 PATTON AVENUE

6. Consideration was given to an ordinance relative to a request to rezone property located at 1616 Patton Avenue from R-2 Residential District to CH Commercial Highway District.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 11, 1986, considered the petition of Mr. Bobby Barbour that a portion of Lot 1, Sheet 24, Ward 5, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located at 1616 Patton Avenue. After review and discussion, the Commission voted to recommend that the petition be denied and that a portion of Lot 1, Sheet 24, Ward 5, be rezoned from CH to R-2 Residential District to provide a buffer on the eastern property line of Lot 1. However, the petitioner has appealed Planning & Zoning Commission's decision and has asked that a public hearing be scheduled so the rezoning matter can be heard before Council. This public hearing was scheduled at the July 15, 1986 Council Meeting. A public hearing was held August 5, 1986 and the first reading of the ordinance was postponed until August 12, 1986.

Mayor Bissette said the Corporation Counsel has prepared an ordinance with more percise and exact boundaries and a plat showing the rezoning of the properties.

Verl Emrick, Director of Planning, said the protest petition originally filed by the Malvern Hills Homeowners Association does not meet the 20 percent requirement of the Zoning Ordinance and therefore a simple majority vote would be all that would be necessary to pass the amendment.

Councilman Price moved for the adoption of Ordinance 1600 as presented by the Corporation Counsel. This motion was seconded by Councilman Tisdale.

Sybil Bowers, Executive Director of the Historic Resources Commission, said local historic district designations help to keep up property values and does not allow neighbors to infringe on other property owners' rights.

Several letters were presented in support of the designation from Mary Carter, David Brook, Robert Duncan, Louise Bisenger, and Kay Johnson.

Mayor Bissette closed the public hearing at 7:00 p.m.

Mayor Bissette said the ordinance was previously presented to members of Council and it would not be read in its entirety unless there was a specific request to do so.

Councilman Price moved to remand the Chestnut-Liberty Street area local historic district to the Historic Resources Commission to reconsider its proposal and to return with alternate plans that include a smaller area and different boundaries. This motion was seconded by Councilman Boland.

After discussion, Mayor Bissette noted that by taking no action on this particular ordinance, Council would not be passing the ordinance and the Historic Resources Commission would, from an architectural and historic viewpoint, look at all the boundaries and present to members of Council a viable district that meets the guidelines but also is acceptable to the majority of the people. He said prior to a public hearing on a new boundary designation there would be an legal ad notifying the date and time of the hearing.

Councilman Boland suggested that a forum be organized to allow developers, homeowners, preservationist, government officials, and others involved in historic preservation to discuss the whole issue of preservation very seriously. He said other areas of the City, such as Biltmore Village and a large portion of the downtown, are being considered for historic district designation and many of the questions and comments at today's meeting are likely to be heard again with each new hearing on designations. He said he felt a round table discussion could answer a lot of these questions and it could be the beginning of a stratagy plan for historic preservation throughout the City.

Councilman Michalove said he was skeptical of the Council taking any action on the present ordinance and requested that Council not remand the matter to the Historic Resources Commission, but let Council members decide on what it actually desires to do with the property designation within the next week.

Councilman Michalove suggested that the next public hearing relative to the Chestnut-Liberty Street area be held at the Asheville Civic Center.

After discussion, Councilman Price's motion carried unanimously.

Resolution No. 86-151

A. Consideration of a resolution authorizing the City Manager to sign an agreement extending fire protection services to the Veteran's Administration Medical Center at Oteen through September 30, 1987.

HIGHLIGHTS: This resolution will authorize the City Manager to execute an agreement extending fire protection services to the Veteran's Administration Medical Center at Oteen for the period October 1, 1986 through September 30, 1987.

FISCAL IMPACT: Revenue for 1986-1987 will be $174,835.18 which represents an increase of $12,416.09 from the 1985-1986 contract.

Resolution Book No. 16 Page 122

Resolution No. 86-152

B. Consideration of a resolution appointing member to the Tourism Development Authority.

HIGHLIGHTS: This resolution will appoint Mrs. Barbara McEwan, as a member of the Tourism Development Authority for a term of three years, term expiring August 30, 1989 or until her successor has been duly appointed and qualified.

FISCAL IMPACT: None

Resolution Book No. 16 Page 123

Resolution No. 86-153

C. Consideration of a resolution appointing members to the Asheville-Buncombe Historic Resources Commission.

HIGHLIGHTS: This resolution will reappoint Carroll Hughes and Johnny Baxter to the Asheville-Buncombe Historic Resources Commission for a three year term, term expiring July 1, 1989 or until their successor has been duly appointed and qualified.

FISCAL IMPACT: None

Resolution Book No. 16 Page 124

Resolution No. 86-154

D. Consideration of a resolution appointing members to the Asheville Tree Commission.

On a roll call vote of 7-0, Ordinance No. 1600 passed on first reading.

ORDINANCE NO. 1596 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED AND REPEAL OF SECTIONS OF ORDINANCE NO. 1046 (PROPERTY LOCATED ON U.S. 70-E ADJACENT TO BELL SCHOOL)

7. Consideration was given to the third reading of Ordinance No. 1596, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended and repeal of sections of Ordinance No. 1046 (Property Located On U.S. 70-E Adjacent to Bell School.)

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 11, 1986, considered the petition of Attorney Jack Westall for Mr. Frank Kasey that Ward 8, Sheet 31, portion of Lot 201, be rezoned from R-2 Residential District to CH Commercial Highway District. The petition also requested the repeal of Ordinance #1046 requiring a 50' green belt and that the 50' green belt be zoned "R-2". The property is located on U.S. 70-E adjacent to Bell School. After review and discussion, the Commission voted to recommend that the petition be denied. However, the petitioner has appealed Planning and Zoning Commission's decision and has asked that a public hearing be scheduled so the rezoning matter can be heard before Council. This ordinance passed first reading at the July 29, 1986 meeting with an amendment to provide a 15" green belt and that the 15' green belt area remain zoned R-2 Residential District.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

Mayor Bissette said he had been notified by the attorney for the Buncombe County Board of Education, Jim Williams, that all agreements had been complied with between the Buncombe County Board of Education and the property owner, Mr. Frank Kasey.

On a roll call vote of 7-0, Ordinance No. 1596 passed on third and final reading.

Complete text of Ordinance No. 1596 will be found in Ordinance Book No. 11 at page 37.

APPROVAL OF THE CONSENT AGENDA

8. Consideration was given to a motion approving the consent agenda.

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

H. **Consideration of a motion to schedule a public hearing relative to an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended - property known as The Coachlite Restaurant near intersection of Long Shoals Road and Ledbetter Road for September 9, 1986.**

HIGHLIGHTS: The Asheville Planning and Zoning Commission on July 9, 1986, reviewed and recommended that the Coachlite Restaurant property, which became a part of the City of Asheville in April, 1986, as a non-contiguous, or "satellite" annexation area, be zoned CH Commercial Highway District.

FISCAL IMPACT: None

Upon motion of Vice-Mayor Frank, seconded by Councilman Boland, the Consent Agenda was unanimously adopted.

REPORT RELATIVE TO THE WOODBERRY APARTMENT COMPLEX

9. The City Manager said the contractor and the developer for the Woodberry Apartment Complex have complied with all requirements of the Soil Erosion Control Ordinance.

CLAIMS - WHEELS AND BRAKES (WATER) -KATHY CUNNINGHAM (SEWER)

10. The City Manager presented claims received from Wheels and Brakes and Kathy Cunningham.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Boland, the meeting adjourned at 7:50 p.m.

MAYOR

CITY CLERK

HIGHLIGHTS: This resolution will appoint members to fill four (4) vacancies on the Tree Commission. Dr. J. Lowell Orbison and Mr. Claude B. Haynes, Jr. were reappointed to the Asheville Tree Commission for a three year term, term expiring August 1, 1989. Mr. Jerry Snow and Ms. Julia Hall were appointed to the Asheville Tree Commission for a three year term, term expiring August 1, 1989.,

FISCAL IMPACT: None

Resolution Book No. 16 Page 125

E. **Consideration of a motion to schedule a public hearing relative to an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended - property known as The Black Forest Restaurant located on U.S. 25 for September 9, 1986.**

HIGHLIGHTS: The Asheville Planning and Zoning Commission on July 9, 1986, reviewed and recommended that the Black Forest Restaurant property, which became a part of the City of Asheville in 1983 as a non-contiguous, or "Satellite" annexation area, be zoned CH Commercial Highway District.

FISCAL IMPACT: None

F. **Consideration of a motion to schedule a public hearing relative to an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended - property known as The Poseidon Restaurant located on Tunnel Road for September 9, 1986.**

HIGHLIGHTS: The Asheville Planning and Zoning Commission on July 9, 1986, reviewed and recommended that the Poseidon Restaurant property, which became a part of the City of Asheville in 1983 as a non-contiguous, or "satellite" annexation area, be zoned CH Commercial Highway District.

FISCAL IMPACT: None

G. **Consideration of a motion to schedule a public hearing relative to an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended - property known as The Ramada Inn-West located on U.S. 19-23 for September 9, 1986.**

HIGHLIGHTS: The Asheville Planning and Zoning Commission on July 9, 1986, reviewed and recommended that the Ramada Inn - West property, which became a part of the City of Asheville in 1984 as a non-contiguous, or "satellite" annexation area, be zoned CH Commercial Highway District.

FISCAL IMPACT: None

Patsy Brison, Acting Corporation Counsel, explained the amendments to the present ordinance.

Mayor Bissette closed the public hearing at 4:18 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Tisdale moved for the adoption of Ordinance No. 1601. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1601 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed with the second reading of Ordinance No. 1601. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1601 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed with the third and final reading of Ordinance No. 1601. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1601 passed on third and final reading.

Complete text of Ordinance No. 1601 will be found in Ordinance Book No. 11 at page 42-53.

PUBLIC HEARING - REZONING PROPERTY LOCATED ON CAMPGROUND ROAD AND U.S.70-E - PETITION OF MR. R. S. CRAIG

5. A public hearing was held relative to the adoption of an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended - petition of Mr. R. S. Craig - rezoning property located on Campground Road and U.S. 70-E.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held April 9, 1986, considered the petition of Mr. R. S. Craig by Mr. Lee Towery, Realtor, that Ward 8, Sheet 31, Lot 16, be rezoned from R-1 Residential District to CS Commercial Service District. The property is located on Campground Road and U. S. 70-E. After review and discussion, the Commission voted to recommend that the petition be denied and the property remain as it is now zoned. However, the petitioner requested an extension of time to appeal Planning and Zoning Commission's decision, since they were out of the country and unable to return in time to appeal within the time frame allowed. Council granted this request and scheduled the public hearing at their August 5th meeting.

Tuesday - August 19, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Acting Corporation Counsel Patsy Brison; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Mary Lloyd Frank and Corporation Counsel William F. Slawter.

INVOCATION

1. The invocation was given by Councilman George Tisdale.

APPROVAL OF THE MINUTES - August 12, 1986 MEETING

2. Consideration was given to the approval of the minutes of the August 12, 1986 meeting.

Mayor Bissette announced the approval of the minutes of the August 12, 1986 meeting as submitted.

PROCLAMATION - MONTH OF SEPTEMBER, 1986 AS "PLUS" - PROJECT LITERACY U.S.

3. Mayor Bissette read a proclamation proclaiming the month of September, 1986 as "PLUS" - Project Literacy U.S.

Mayor Bissette presented the proclamation to Sherrill Barber of WLOS and Charles Erwin with the Employment Security Commission.

PUBLIC HEARING - AMENDING ORDINANCE NO. 1487 - SOIL EROSION AND SEDIMENTATION ORDINANCE NO. 1601 - ORDINANCE AMENDING ORDINANCE NO. 1487, COTIFIED AS ARTICAL V OF CHAPTER 8 OR THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

4. A public hearing was held relative to an ordinance amending Ordinance #1487, an ordinance to provide for the control of soil erosion and sedimentation.

Mayor Bissette said cities and counties having "Soil Erosion and Sedimentation Ordinances are required to have ordinances that comply with the "State Model Ordinance". Last year the State adopted a new model ordinance that requires all cities and counties amend their current ordinances.

Mayor Bissette opened the public hearing at 4:16 p.m.

The City Clerk presented the notice to the public setting a time and date for the public hearing and the affidavit of publication.

Tom Tarrant, City Engineer, said this ordinance would amend our current Soil Erosion and Sedimentation Ordinance to comply with the State Ordinance. He said there are only minor changes, particularily in notifications relative to violations.

Mayor Bissette said this action would authorize the City Manager to issue a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company pursuant to Section 27.34 of the Code of Ordinances of the City of Asheville upon proof of financial responsibility in accordance with North Carolina General Statutes Section 20-280.

The City Manager said he had received a request from Paul Davis, Beaver Lake Cab Company, requesting the issuance of a Certificate of Public Convenience and Necessities to Beaver Lake Cab Company for the operation of twelve taxi cabs.

Reynald Williams, Attorney representing 3 of the 4 taxicab companies in the City of Asheville said his clients, Bruce Ramsey of the Yellow Cab Company, Amos Miller of the Miller Cab Company, and Mr. Jones of the Jolly Cab Company, strongly believe that the Council should not issue any more Certificates of Public Convenience and Necessity for taxicabs. He said they believe that the market is already saturated and there is no need for additional taxicabs in the City of Asheville. He requested that this matter be tabled for two weeks, giving his clients an opportunity to collect data to present to members of Council as to why another taxicab is not needed in the City of Asheville. He said these companies presently have Certificates authorizing taxicabs that are not being used.

Joe Penland, with Blue Bird and American Cab Company, referring to Chapter 27 of the Code of Ordinances stated that the Taxicab Ordinance is out of date. He said in March, 1984, he was appointed to an Urban Transit Committee and they had made recommendations to amend the Charter, which recommendations never reached members of Council. He said the Committee had also researched the need for taxicabs in the City of Asheville and had recommended one unit per 1000 population. He said there are presently 75 licensed units in the City of Asheville and some companies are holding license that are not being used. He said there are presently more units than are needed in the City of Asheville.

Mr. Penland suggested that Council form a study committee to look at amendments to Chapter 27 of the Code of Ordinances. He also recommended that this matter be tabled until a committee could revise the present regulations and provisions.

After discussion, Councilman Boland moved to continue the public hearing relative to the issuance of a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company until September 2, 1986. This motion was seconded by Councilman Tisdale, with a provision that all cab companies be notified of this public hearing, including the petitioner, Mr. Paul Davis. The motion carried unanimously.

ORDINANCE NO. 1600 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" - PETITION OF MR. BOBBY BARBOUR OF 1616 PATTON AVENUE

7. Consideration was given to the second reading of Ordinance No. 1600, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville", as amended - petition of Mr. Bobby Barbour of 1616 Patton Avenue.

Mayor Bissette opened the public hearing at 4:24 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission considered this rezoning request on April 9, 1986, and recommended denial of the rezoning from R-2 Residential District to CS Commercial Service. He said the Commission felt the rezoning would introduce an additional commercial zone in an area which could possibly constitute spot zoning. He said many of the uses allowed in the CS Commercial Service District were inappropriate for this particular area.

At the request of Council members, Mr. Emrick defined spot zoning.

Mr. R. S. Craig, petitioner for the rezoning, spoke to members of Council requesting that the property be rezoned. He said the property is presently a deep gulley and could lend itself to commercial use which would bring more taxes to the City of Asheville. He said drainage problems with the property could be corrected.

Mr. Lee Towery, Realtor, speaking on behalf of Mr. Craig, said he felt there was a misunderstanding relative to the rezoning requested, and that the petitioner would accept a Commercial Highway District rezoning because he is only looking for a retail location.

Upon inquiry of members of Council, Mr. Emrick said several citizens from an adjoining church had attended the Planning and Zoning Commission meeting and had inquired as to the proposed use of the land. He said he did not feel the adjoining property owners would object to a retail business in the area.

At the request of Dick Daves, of Edwin Place, Mr. Emrick reviewed the location of the property by the use of a map.

Mayor Bissette closed the public hearing at 4:52 p.m.

After discussion, Councilman Boland moved to remand the rezoning request to the Planning and Zoning Commission for their consideration of a Commercial Highway zone in this area. This motion was seconded by Councilman Bratton and carried unanimously.

PUBLIC HEARING - AUTHORIZING ISSUANCE OF A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO BEAVER LAKE CAB COMPANY

6. A public hearing was held relative to authorizing the issuance of a certificate of public convenience and necessity to Beaver Lake Cab Company.

Mayor Bissette opened the public hearing at 4:56 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Councilman Bratton suggested that a committee be established to review a new comprehensive sign ordinance prior to the revised ordinance being presented to members of Council.

Jane Bingham of Biltmore Forest said she had also attended the meeting ten years ago when the present Sign Ordinance was adopted. She said she felt the present Sign Ordinance was a compromise and was not what the people wanted. She said she was not happy with the present Sign Ordinance and visual pollution of signs has continued. She said she felt it was time for members of Council to rewrite the Sign Ordinance.

Ralph Bishop told members of Council he felt signs are not offensive but informative. He said the felt tourists need signs to see what is available in the City of Asheville. He requested that Council not put restrictions on signs.

APPROVAL OF THE CONSENT AGENDA

9. Consideration was given to a motion approving the consent agenda.

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 86-155

A. **Consideration of a resolution authorizing the Mayor to execute on behalf of the City of Asheville Amendment No. 1 to Federal Aviation Grant Agreement, Project No. 3-37-005-03.**

HIGHLIGHTS: This resolution will authorize the Mayor to execute Amendment No. 1 to Federal Aviation Grant Agreement, Project No. 3-37-0005-03 to cover cost overruns.

FISCAL IMPACT: Total cost $5,274.00

Resolution Book No. 16 - Page 126

Resolution No. 86-156

B. **Consideration of a resolution appointing member to the Board of Adjustment.**

HIGHLIGHTS: This resolution will appoint T. Randy O'Donnell, as a member of the Board of Adjustment for a term of three (3) years, term expiring January 21, 1989, or until his successor is duly appointed and qualified.

Resolution Book No. 16 - Page 127

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 11, 1986, considered the petition of Mr. Bobby Barbour that a portion of Lot 1, Sheet 24, Ward 5, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located at 1616 Patton Avenue. After review and discussion, the Commission voted to recommend that the petition be denied and that a portion of Lot 1, Sheet 24, Ward 5, be rezoned from CH to R-2 Residential District to provide a buffer on the eastern property line of Lot 1. However, the petitioner has appealed Planning and Zoning Commission's decision and has asked that a public hearing be scheduled so the rezoning matter can be heard before Council. This public hearing was scheduled at the July 15, 1986 Council Meeting. A public hearing was held August 5, 1986 and the first reading of the ordinance was postponed until August 12, 1986. This ordinance passed on first reading at the August 12, 1986 meeting.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1600 passed on second reading.

REPORT FROM PLANNING DIRECTOR ON SIGN REGULATIONS

8. Mayor Bissette said on June 3, 1986, City Council requested that the Asheville Planning and Zoning Commission review alternatives on how to deal with "Off Premises Signs". The Commission discussed the recommendations of staff, which included background information and statutory authority to implement such regulations at its meeting on June 11, 1986, and received both staff reports and comments from interested parties. After hearing those comments, the Commission scheduled a work session on July 21, 1986, to investigate the questions raised by the Commission and the public. Following that work session, the Commission reconsidered the issue at their August 6, 1986 meeting and recommended that Council impose a moratorium on all off-premise advertising signs within 660 feet of limited access highways within the jurisdiction of the ordinance until a comprehensive plan is developed and considered by Council.

Verl Emrick, Planning Director, said at the Planning and Zoning Commission meeting on June 3, 1986, the Commission has recommended that Council propose a moratorium on all off-premises advertising signs within 660 feet of limited access highways within the jurisdiction of the Sign Ordinance until a comprehensive plan is developed and considered by Council. The Commission felt that it would be immaterial to look at one facet of the Sign Ordinance when they are proposing to draft a comprehensive revision to the present Sign Ordinance in October.

Mike Summey, with Summey Sign Company, asked members of Council why this matter is being studied. He said the present Sign Ordinance was adopted ten years ago after a very lengthy discussion. He said he felt the quality of signs in the City of Asheville have improved and there are fewer signs in the City now than there were ten years ago. He ask members of Council what the outdoor advertising sign companies were doing wrong and also what was wrong with the present Sign Ordinance.

Councilman Boland said he felt there is a visual block of signs in the City of Asheville that could damage the tourist.

FISCAL IMPACT: This action will require a budget amendment to appropriate $24,000 from the General Fund Contingency prior to completion of the agreement.

Resolution Book No. 16, Page 128

Resolution No. 86-158

F. **Consideration of a resolution authorizing the City Manager to execute an amended agreement by and among the Town of Biltmore Forest, the City of Asheville, the County of Buncombe, Biltmore Forest Company, and Oxford Development Enterprises, Inc. for the four-mile creek sewer line project.**

HIGHLIGHTS: The Town of Biltmore Forest, the City of Asheville, the County of Buncombe, Biltmore Forest Company, and Oxford Development Enterprises, Inc. entered into an agreement dated October 21, 1985, for the funding of the four-mile creek sewer line project. Cost overruns now require the expenditure of additional funds for the completion of said project. The parties have agreed to fund said additional costs as set forth in the attached agreement. This resolution will authorize the City Manager to execute an amended agreement by and among the Town of Biltmore Forest, the City of Asheville, the County of Buncombe, Biltmore Forest Company, and Oxford Development Enterprises, Inc. establishing responsibility for cost overruns in connection with the four-mile creek sewer line project.

FISCAL IMPACT: Adequate funding is available in the Sewer Capital Funds - Annexation to cover the additional cost to be incurred.

Resolution Book No. 16, Page 129

Upon motion of Councilman Michalove, seconded by Councilman Price, the consent agenda was unanimously approved.

MAYOR BISSETTE'S REPORT RELATIVE TO US 19-23/I-40 INTERCHANGE

10. Mayor Bissette said he had received a number of calls relative to US 19-23/I-40 Interchange. He said even though this area is outside the City limits, he had requested that the City Manager inquire of NCDOT as to their proposed revisions at this interchange.

He said the interchange revisions as proposed by NCDOT include the following:

1. Relocation of I-40 east bound exit ramp to align with eastbound onramp. This intersection will be signalized.

2. Relocation and widening of I-40 westbound exit ramp, to provide additional vehicle storage on the ramp. This intersection will also have new signalization.

C. **Consideration of a motion relative to the assignment of lease for space at the Reid Memorial Recreation Center.**

HIGHLIGHTS: This motion will authorize the City Manager to execute an Assignment of Lease consenting to an assignment by the Opportunity Corporation of Madison and Buncombe County Headstart Program to the Buncombe County Child Development for space in the Reid Memorial Recreation Center.

D. **Consideration of a motion approving bid for one (1) refuse collection vehicle.**

HIGHLIGHTS: On May 23, 1986, sealed bids were received for one (1) refuse collection vehicle and eight (8) bids were received. These bids were reviewed by T. Clark Brown, Director of Public Works, Alfred Hagan, Superintendent of Sanitation, and David Pruett, Superintendent of Motor Transport for technical compliance to specifications. Mr. Brown recommends rejecting the low bid from Quality Equipment and Supply Company, Charlotte, N. C., on the basis that the equipment proposed does not meet all of the specifications. These are major problems with the Loadmaster packer body meeting the specifications required by the City. This motion awards the bid to Western North Carolina Truck Center, Inc., Asheville, N.C., as the lowest, responsible bidder, in the amount of $80,359.61 for a 1987 White Xpeditor Model WX64 cab and chassis with a Heil Formula 5000 packer body and a Barker dumping unit. This award takes into consideration the quality, performance and the time specified in the proposals for the performance of the contract.

FISCAL IMPACT: No effect upon revenues. Reduction of operating expenditures due to reduced maintenance. Adequate funding is available in the Public Works Department's Capital Budget.

Resolution No. 86-157

E. **Consideration of a resolution authorizing the City Manager to execute release and agreement with the Asheville Y.M.C.A.**

HIGHLIGHTS: The Asheville Y.M.C.A. was built in 1969 in an Urban Redevelopment area within the City of Asheville. There exists at the time of said construction a storm sewer across the Y.M.C.A. property. There exists a controversy between the City of Asheville and the Y.M.C.A. regarding the validity of the easement across the Y.M.C.A. property and the responsibility of the City for relocating said storm sewer line. This resolution will authorize the City Manager to execute release and agreement with the Asheville Y.M.C.A. to resolve said matters of dispute.

Tuesday - August 26, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - AUGUST 19, 1986 MEETING

1. Consideration was given to the approval of the minutes of the August 19, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted with several typographical errors.

PROCLAMATION - SEPTEMBER, 1986 - "SYMPHONY MONTH"

2. Mayor Bissette read a proclamation proclaiming the month of September, 1986, as "Symphony Month."

Mayor Bissette presented the proclamation to Robert Baker, Conductor and Music Director; George Saenger, President of Symphony Society Board; Marcia O'Nieal, General Manager of the Symphony; and Marilyn Miller, President of the Symphony Guild.

RESOLUTION NO. 86-159 - RESOLUTION ENDORSING THE 1986 UNITED WAY CAMPAIGN

3. Consideration was given to a resolution endorsing the 1986 United Way Campaign.

Mayor Bissette said the United Way of Asheville and Buncombe County has a 34-year history of providing quality service to the citizens of Asheville and Buncombe County. The United Way supports 46 agencies that serve residents of the City of Asheville and also maintains a 24-hour-a-day information and referral service. By adoption of this resolution, the City Council will endorse the United Way's 1986 Campaign.

Upon motion of Councilman Michalove, seconded by Councilman Boland, Resolution No. 86-159 was unanimously adopted.

Complete text of Resolution No. 86-159 will be found in Resolution Book No. 16 at page 130.

Mayor Bissette presented the resolution to Jay Banks.

3. Concrete median will be installed on centerline of US 19-23, at Acton Circle, to eliminate crossing movement to I-40 and dangerous left turn onto US 19-23. He said it is his understanding that the contract for this project is to be let in November, 1986. He said also, NCDOT plans to implement a speed limit reduction in this area very soon. He said information and a concurring ordinance on the speed limit should be received within the next few days.

Mayor Bissette requested that members of Council pass a motion requesting that the North Carolina Department of Transportation expedite these actions as soon as possible.

Upon motion of Councilman Tisdale, seconded by Councilman Bratton, this motion was unanimously adopted.

MAYOR BISSETTE'S REPORT RELATIVE TO PACK PLAZA PROJECT

11. Mayor Bissette noted that a commitment letter has been duly executed by the Schneider Group and the Banking Syndicate and construction could begin on this project in the very near future.

CLAIMS - MARY BURRELL (WATER) - ROGER SHOOK (STREETS)

12. The City Manager presented claims received from Mary Burrell and Roger Shook.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - OBTAINING CITY RECORDS AND LOTTERY SALES IN THE CITY OF ASHEVILLE

13. Ralph Bishop spoke to members of Council relative to the Police Pension Board holding an illegal executive session relative to James A. Mould's pension. He spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Council Boland, the meeting adjourned at 5:50 p.m.

MAYOR

CITY CLERK

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1600 passed on third and final reading.

Complete text of Ordinance No. 1600 will be found in Ordinance Book No. 11 at page 41.

RESOLUTION NO. 86-160 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE, ON BEHALF OF THE CITY, AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND WOOD AND CORT, P.A., TO DEVELOP SPECIFICATIONS FOR THE INSTALLATION OF BOILER FOR THE CITY HALL BUILDING AND THE MUNICIPAL BUILDING

6. Consideration was given to a resolution authorizing the City Manager to execute, on behalf of the City, an agreement by and between the City of Asheville and Wood and Cort, P.A., to develop specifications for the installation of boiler for the City Hall Building and the Municipal Building.

Mayor Bissette said the present heating systems for the City Hall Building and the Municipal Building are not adequate to heat these buildings. This resolution will authorize the City Manager to execute an agreement with Wood and Cort, P.A., for developing the specifications for the purchase of boilers for the City Hall Building and the Municipal Building. Total cost of the project is $168,200. Money is budgeted into the City's capital budget to cover these expenses.

Upon motion of Councilman Price, seconded by Councilman Tisdale, Resolution No. 86-160 was unanimously adopted.

Complete text of Resolution No. 86-160 will be found in Resolution Book No. 16 at page 131.

RESOLUTION NO. 86-161 - RESOLUTION HONORING S. LEIGH WILSON, EXECUTIVE DIRECTOR OF THE NORTH CAROLINA LEAGUE OF MUNICIPALITIES

7. Consideration was given to a resolution honor S. Leigh Wilson, Executive Director of the North Carolina League of Municipalities.

Mayor Bissette read the resolution stating that S. Leigh Wilson began work at the North Carolina League of Municipalities on April 1, 1947, as a Field Consultant and was named Executive Director on November 1, 1969. He said under Mr. Wilson's leadership, the North Carolina League of Municipalities became one of the top municipal leagues in the nation, and Leigh Wilson became one of the most respected league directors. He said Leigh Wilson is retiring at the end of this year from the North Carolina League of Municipalities, and this resolution expresses Council's deep personal affection and sincere gratitude his years of service to the North Carolina League of Municipalities and to the cities of this state.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-161 was unanimously adopted.

Complete text of Resolution No. 86-161 will be found in Resolution Book No. 16 at page 132.

PUBLIC HEARING - FINAL PLAT OF THE SCHWAB CONSTRUCTION COMPANY SUBDIVISION - LAKESHORE DRIVE

4. A public hearing was held relative to the final plat of the Schwab Construction Company subdivision to be located off Lakeshore Drive.

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held June 11, 1986, approved a 16' wide paved drive to all four parcels and recommending that City Council consider placing a caution signal light and signage on each side of the entrance road. The final plat of the Schwab Construction Company Subdivision is to be located off Lakeshore Drive. This plat was prepared by Webb Morgan, R.L.S., for Schwab Construction Company, Developer, and submitted in accordance with Ordinance #424, as amended.

Mayor Bissette opened the public hearing at 4:24 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the developer has requested that the public hearing be continued for one week due to technical problems with the roads.

Councilman Tisdale requested that information be furnished to members of Council, at the public hearing, relative to the water supply for this development.

Councilman Tisdale moved to continue the public hearing relative to the final plat of the Schwab Construction Company Subdivision until September 2, 1986, without further advertisement. This motion was seconded by Councilman Price and carried unanimously.

ORDINANCE NO. 1600 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," - PETITION OF MR. BOBBY BARBOUR - 1616 PATTON AVENUE

5. Consideration was given to the third reading of Ordinance No. 1600, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended, to rezone property located at 1616 Patton Avenue from R-2 Residential District to CH Commercial Highway District.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 11, 1986, considered the petition of Mr. Bobby Barbour that a portion of Lot 1, Sheet 24, Ward 5, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located at 1616 Patton Avenue. After review and discussion, the Commission voted to recommend that the petition be denied and that a portion of Lot 1, Sheet 24, Ward 5, be rezoned from CH to R-2 Residential District to provide a buffer on the eastern property line of Lot 1. However, the petitioner has asked that a public hearing be scheduled so the rezoning matter can be heard before Council. This public hearing was scheduled at the July 15, 1986, Council Meeting. A public hearing was held August 5, 1986, and the first reading of the ordinance was postponed until August 12, 1986. This ordinance passed on first reading at the August 12, 1986, meeting and on second reading on August 19, 1986.

Tuesday - September 2, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Vice-Mayor Mary Lloyd Frank.

APPROVAL OF THE MINUTES - AUGUST 26, 1986 MEETING

1. Consideration was given to the approval of the minutes of the August 26, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - SEPTEMBER 6-14, 1986 - "FRENCH BROAD RIVER WEEK"

2. Mayor Bissette read a proclamation proclaiming the week of September 6-14, 1986, as "French Broad River Week".

Mayor Bissette presented the proclamation to Councilman Norma Price on behalf of the French Broad River Week Committee.

Councilman Price outlined the activities that would be taking place during the French Broad River Week.

RESOLUTION - 86-162 - RESOLUTION OF APPRECIATION TO FIRE CHIEF POWELL N. BALL

3. Consideration was given to a Resolution of Appreciation to Fire Chief Powell N. Ball.

Mayor Bissette said Powell N. Ball has faithfully served the City of Asheville since 1950, being promoted to Chief in 1970. Powell N. Ball's retirement becomes effective July 1, 1986, and the City Council expresses its appreciation for his loyalty and dedication to the citizens of the City of Asheville.

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, Resolution No. 86-162 was unanimously adopted.

Complete text of Resolution No. 86-162 will be found in Resolution Book No. 16 at page 134.

Mayor Bissette presented the Resolution to Chief Ball.

AUTHORIZING THE CITY MANAGER TO PURCHASE TWO BOILERS AND RELATED EQUIPMENT FOR THE CITY HALL BUILDING AND THE MUNICIPAL BUILDING

8. Consideration was given to a motion authorizing the City Manager to purchase boiler replacements for the City Hall Building and the Municipal Building.

The City Manager said there is a need to upgrade the heating system of the City Hall Building and the Municipal Building in accordance with the laws of the State of North Carolina governing the heating of such buildings. He said the replacement boilers for these two buildings can be purchased from R. K. Hunter Company in Greensboro, North Carolina, under an existing North Carolina state contract at a reduced price than from any other source. He said it is imperative to proceed as quickly as possible with the purchase of these two boilers in order that adequate heating can be established for these buildings before December 31, 1986.

Vice-Mayor Frank moved to authorize the City Manager to purchase boiler replacements for the City Hall Building and the Municipal Building at a price not to exceed $15,000 each. This motion was seconded by Councilman Price and carried unanimously.

DOROTHY I. ARROWOOD - REPORT RELATIVE TO PROPOSED CHESTNUT-LIBERTY STREET HISTORIC DISTRICT

9. Dorothy Arrowood of 126 Vance Crescent, and property owner in the Chestnut-Liberty Street area, presented members of Council with a report and comments on the proposed Chestnut-Liberty Street Historic District. She noted from the report that 71% of the properties in the proposed Chestnut-Liberty Street area are non-compatible, non-contributing, conversions, demolitions, intrusions, insensitive, neutral, modern, and fringe or buffer areas. She requested that members of Council review the report prior to the matter coming before Council.

CLAIMS - DAVID GAY (SEWER) - JOYCE CRAWFORD (TRAFFIC ENGINEERING) - GRADY PARHAM (SEWER) - JOSEPH DILLIN (STREETS) - JACKIE GOUGE (SEWER) - PAULINE HARRISON (WATER) - TARA GUILLEBEAUX (WATER) - BETTY PONDER (SEWER)

10. The City Manager presented claims received from David Gay, Joyce Crawford, Grady Parham, Joseph Dillin, Jackie Gouge, Pauline Harrison, Tara Guillebeaux, and Betty Ponder.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Tisdale, the meeting adjourned at 4:50 p.m.

MAYOR

CITY CLERK

is unreliable. He requested that members of Council seriously consider the application of Mr. Davis and approve the Certificate of Public Convenience and Necessity as requested by Mr. Davis.

Reynald Williams, Attorney representing three taxicab companies in the City of Asheville, being the Miller Cab Company, the Yellow Cab Company, and the Jolly Cab Company, presented members of Council with a report which indicated there was currently an adequate supply of taxicabs within the City of Asheville. He said the analysis shows that Asheville has more taxicabs in operation than is needed. He said from the report, it is indicated that one taxicab is needed per 1,000 population and there are presently 65 taxicabs operating in the City of Asheville, 10 vans, and 3 or 4 limousines. He said, in his opinion, the City of Asheville would not need additional taxicabs until the year 2000. He said other factors that need to be considered were the fact that the present requirements for taxicab certificates need to be revised. He said the present Ordinance regulations are not adequately applied and the requirements are not being enforced. He said it was also his understanding that an Urban Mass Transportation Committee that was established in March of 1984, presented recommendations for revisions to Chapter 27 to the Legal Department for the City; however, no action has been taken on those recommendations. He said members of Council should first address proposed revisions to Chapter 27 regulating taxicabs before issuing any additional Certificates of Public Convenience and Necessity.

Joe Penland, owner of the Blue Bird Taxicab Company, said he also felt that there were presently more taxicabs being operated in the City of Asheville than needed. He said he has a permit to operate 40 taxicabs; however, because of the demand of taxicabs in the City of Asheville, he only operates 31 of those units.

Councilman Tisdale noted that he felt the petitioner for the application for a Certificate of Public Convenience and Necessity should be allowed to take the risk as to whether or not additional taxicabs are needed in the City of Asheville. He said he felt members of Council should also consider the number of tourists in the City as well as the population.

Upon inquiry of members of Council, Mr. Penland said that, to his knowledge, he has never obtained a Certificate of Public Convenience and Necessity from City Council due to the fact that he purchased existing taxicab companies in the City of Asheville.

Upon inquiry of members of Council, the Corporation Counsel stated that the code provides that if a taxicab business is out of business for more than 30 days, their Certificate of Public Convenience and Necessities are null and void.

Mayor Bissette said members of Council would be working on revisions to the current ordinance regulating taxicabs.

Upon inquiry of Councilman Price, Mr. Jackson said his client would be willing to accept a Certificate of Public Convenience and Necessity to operate no more than 3 taxicabs in the City of Asheville until a new ordinance is adopted and that he will comply with any new ordinance adopted if it was not too cumbersome.

PUBLIC HEARING - SCHWAB CONSTRUCTION COMPANY SUBDIVISION - LOCATED OFF LAKESHORE DRIVE

4. A public hearing was continued relative to the final plat of the Schwab Construction Company Subdivision to be located off Lakeshore Drive.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 11, 1986, approved the preliminary plat subject to the developer providing a 16' wide paved drive to all four parcels and recommending that City Council consider placing a caution signal light and signage on each side of the entrance road. The final plat of the Schwab Construction Company Subdivision is to be located off Lakeshore Drive. This plat was prepared by Webb Morgan, R.L.S., for Schwab Construction Company, Developer, and submitted in accordance with Ordinance #424, as amended. This public hearing was continued from the August 26, 1986, meeting.

Councilman Michalove said in light of discussion during the pre-Council work session, he moved that the public hearing be continued until September 9, 1986, without further advertisement. This motion was seconded by Vice-Mayor Frank and carried unanimously.

Councilman Michalove noted that during the pre-Council meeting, members of Council asked that the City staff discuss with the developer of the proposed project; specifications relative to the road, a turnaround at the end of the road, and final ownership of the road.

PUBLIC HEARING - CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO BEAVER LAKE CAB COMPANY

RESOLUTION NO. 86-163 - RESOLUTION AUTHORIZING THE ISSUANCE OF A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO BEAVER LAKE CAB COMPANY

5. A public hearing was held relative to authorizing the issuance of a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company.

Mayor Bissette said this resolution would authorize the City Manager to issue a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company pursuant to Section 27-34 of the Code of Ordinances of the City of Asheville upon proof of financial responsibility in accordance with N. C. Gen. Stat. Sec. 20-280.

Corporation Counsel Slawter outlined the requirements for the issuance of a Certificate of Public Convenience and Necessity as specified in Chapter 27 of the Code of Ordinances of the City of Asheville.

Cecil Jackson, Attorney for the petitioner Paul Davis, presented members of Council with several affidavits relative to Mr. Davis' request for a Certificate of Public Convenience and Necessity, and his reputation as a business person in the City of Asheville. He said he felt there was a demand in the City of Asheville for a good taxicab service. He said he felt the Beaver Lake Cab Company could serve the public's needs. He said since there have been quiet a number of mergers with taxicab companies in the last few years, this has created competition. He said the majority of the cab companies in the City of Asheville operate under lease/option policies which

Mayor Bissette said this budget ordinance amendment is to appropriate $140,000.00 for City participation in the Mapping Program. He said funding will be provided in the Sewer Capital Fund as follows: Contribution from Water Fund - $35,000.00, contribution from the General Fund - $105,000.00 (additional half cent sales tax).

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was specific request to do so.

Councilman Tisdale moved for the adoption of Ordinance No. 1603. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1603 passed on first and final reading.

Complete text of Ordinance No. 1603 will be found in Ordinance Book No. 11 at page 56.

RESOLUTION NO. 86-164 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH BUNCOMBE COUNTY, THEREBY ACCEPTING BUNCOMBE COUNTY'S OFFER TO PARTICIPATE IN A JOINT MAPPING PROJECT

8. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Buncombe County, thereby accepting Buncombe County's offer to participate in a joint mapping project.

Mayor Bissette said Asheville City Council finds that it is in the best interest of the citizens of Asheville to accept Buncombe County's offer to participate in a joint mapping project, and to enter into an agreement with Buncombe County. This joint agreement will eliminate the need for two separate mapping projects, thereby eliminating duplication of effort and cost to both City and County residents. Such an integrated mapping system will allow enhanced levels of service by the ability to share information between the governments. He said funding will be provided from the Sewer Capital Budget in the amount of $140,000.00

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 86-164 was unanimously adopted.

Complete text of Resolution No. 86-164 will be found in Resolution Book No. 16 at page 136.

APPROVAL OF THE CONSENT AGENDA

9. Consideration was given to a motion approving the consent agenda.

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of

Councilman Bratton said she felt the current ordinance should be followed, and she was not prepared to vote on this issue due to the lack of information and reports from the City staff. She said she felt it was the responsibility of the City staff to conduct a study and survey to determine the need for taxicabs in the City of Asheville.

Mr. Williams said he felt members of Council should contact other cities in North Carolina to determine their methods of regulations. He said he felt this research was needed prior to another Certificate of Public Convenience and Necessity being issued.

After discussion, Mayor Bissette closed the public hearing at 5:30 p.m.

Upon motion of Councilman Boland, seconded by Vice-Mayor Frank, Resolution No. 86-163 was adopted on a voice vote of 6-1, with Councilman Bratton voting "no", authorizing the Beaver Lake Cab Company to operate no more than 3 taxicabs in the City of Asheville.

Councilman Bratton noted that she was not voting against the Beaver Lake Cab Company, but felt that there was a lack of information relative to the issue.

Complete text of Resolution No. 86-163 will be found in Resolution Book No. 16 at page 135.

ORDINANCE NO. 1602 - BUDGET ORDINANCE AMENDMENT TO PROVIDE ADDITIONAL FUNDING FOR THE HISTORIC RESOURCES COMMISSION

6. Consideration was given to a budget ordinance amendment to provide additional funding for the Historic Resources Commission.

Mayor Bissette said this budget ordinance amendment is to provide additional funding for the Historic Resources Commission through October, 1986.

Mayor Bissette said the ordinance was previously presented to members of Council and would not be read in its entirety unless there was a specific request to do so.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1602. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1602 passed on first and final reading.

Complete text of Ordinance No. 1602 will be found in Ordinance Book No. 11 at Page 54 and 55.

ORDINANCE NO. 1603 - BUDGET ORDINANCE AMENDMENT FOR APPROPRIATING FUNDS FOR THE CITY'S PARTICIPATION IN THE MAPPING PROGRAM

7. Consideration was given to a budget ordinance amendment for appropriating funds for the City's participation in the Mapping Program.

resources of the staff of St. Joseph's Urgent Care, Inc., for the past four and one-half years. He said this would be $3,500.00 annually. This fee can be covered under 1986-87 Professional Services (.044 line item) in Employee Services' budget.

Mayor Bissette and Councilman Michalove requested that they be excused from voting on the resolution relative to St. Joseph's Urgent Care, Inc., due to a conflict of interest. Mayor Bissette's conflict being that his law firm represents St. Joseph's Hospital and Councilman Michalove is working for a subsidiary of the St. Joseph's Hospital.

Councilman Price moved to excuse Mayor Bissette and Councilman Michalove from participation and vote on the resolution relative to the contractual agreement with St. Joseph's Urgent Care, Inc. This motion was seconded by Councilman Bratton and carried unanimously.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 86-167 was unanimously adopted.

Complete text of Resolution No. 86-167 will be found in Resolution Book No. 16 at page 139.

ORDINANCE NO. 1604 - AN ORDINANCE AMENDING ARTICLE IV, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (SMOKEY PARK HIGHWAY)

11. Consideration was given to an ordinance amending Article IV, Speed Regulations, Chapter 28 of the Code of Ordinances of the City of Asheville to provide a speed limit on Smoky Park Highway from a point 0.06 miles northeast of I-40 to Asheville School Road at 40 miles per hour.

Mayor Bissette noted that this ordinance would be a concurring ordinance with the North Carolina Department of Transportation.

Councilman Michalove moved for the adoption of Ordinance No. 1604. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1604 passed on first reading.

Councilman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1604. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1604 passed on second reading.

Councilman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1604. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1604 passed on third and final reading.

Complete text of Ordinance No. 1604 will be found in Ordinance Book No. 11 at Page 57.

the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 86-165

A. Consideration of a resolution authorizing the City Manager to enter into an agreement with the Asheville-Buncombe Community Relations Council.

HIGHLIGHTS: The Asheville-Buncombe Community Relations Council was established in 1960 by joint action of the Asheville City Council and Buncombe County Commissioners for the purpose of bringing together a comprehensive and county-wide effort to solve human problems related to racial, ethnic, religious, political and class relationships. This resolution will authorize the City Manager to enter into an agreement with the Asheville-Buncombe Community Relations Council.

FISCAL IMPACT: This contract in the amount of $53,387 is for 50% of the City/County contribution to the Community Relations Council per the terms of the Water Agreement. Adequate funding is budgeted for Fiscal 1986/87.

Resolution Book 16, Page 137

Resolution No. 86-166

B. Consideration of a resolution appointing a member to the Equal Employment Opportunity Task Force.

HIGHLIGHTS: Sheila Fellerath was unable to serve on the Equal Employment Opportunity Task Force. This resolution will appoint David R. Hillier to fill the existing vacancy.

Resolution Book 16, Page 138

Councilman Michalove moved to approve the Consent Agenda. This motion was seconded by Councilman Price and carried unanimously.

RESOLUTION NO. 86-167 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO A CONTRACTUAL AGREEMENT WITH ST. JOSEPH'S URGENT CARE, INC., FOR THE PURPOSE OF PROVIDING ATTENDING PHYSICIAN SERVICES TO THE EMPLOYEE INFIRMARY

10. Consideration was given to a resolution authorizing the City Manager to enter into a contractual agreement with St. Joseph's Urgent Care, Inc., for the purpose of providing attending physician services to the Employee Infirmary.

Mayor Bissette said this resolution will authorize the City Manager to enter into an agreement with St. Joseph's Urgent Care, Inc., for the purpose of providing medical treatment, advice, and consultations to the Employee Infirmary on an on-going basis. The City of Asheville has utilized the

LAWSUITS - HOUSING AUTHORITY OF THE CITY OF ASHEVILLE VS. CONDEMNATION OF CORA SILLS ET. AL. PROPERTY EAST END VALLEY STREET - CONDEMNATION OF LOIS FOSTER ROBERTSON ET. AL. PROPERTY EAST END VALLEY STREET - CONDEMNATION OF T. M. ELROD ET. AL. PROPERTY EAST END VALLEY STREET AREA - CONDEMNATION OF WALTER THOMAS HOUSE ET. AL. PROPERTY EAST END VALLEY STREET AREA

15. The City Manager said the City of Asheville was served on August 26, 1986, with the following lawsuits in which the City of Asheville is a defendant. Condemnation of Cora Sills et.al. property East End Valley Street, Condemnation of T. M. Elrod, et.al, property East End Valley Street area, condomnation of Walter Thomas House, et. al., property East End Valley Street Area. Condemnation of Lois Foster Robertson et. al. property East End Valley Street area.

Mayor Bissette referred the lawsuits to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO HIS RIGHT TO OBTAIN PUBLIC RECORDS - LOTTERY SALES IN THE CITY OF ASHEVILLE

16. Ralph Bishop again spoke to members of Council relative to his right to obtain public records and lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Boland, the meeting adjourned at 5:55 p.m.

MAYOR

CITY CLERK

SCHEDULING OF PUBLIC HEARING RELATIVE TO THE PROPOSED CHESTNUT-LIBERTY STREET AREA BEING DESIGNATED AS HISTORIC DISTRICT

12. Mayor Bissette noted that consideration of scheduling a public hearing relative to a revised proposal to designate the Chestnut-Liberty Street area as a historic district would be on City Council's agenda on September 9, 1986.

It was noted that after the public hearing is scheduled on September 9, 1986, a legal advertisement would be placed in the Asheville Citizen-Times two consecutive weeks as required by North Carolina General Statutes, and that all property owners in the adjacent area would be notified of the date and time of the public hearing.

RESOLUTION NO. 86-168 - RESOLUTION AUTHORIZING THE CITY MANAGER OF THE CITY OF ASHEVILLE TO ENTER INTO AN AGREEMENT WITH THE NEO CORPORATION TO REMOVE ASBESTOS FROM THE HEATING SYSTEM OF THE MUNICIPAL BUILDING

13. Consideration was given to a resolution authorizing the City Manager of the City of Asheville to enter into an agreement with the NEO Corporation to remove asbestos from the heating system of the Municipal Building.

The City Manager said there is a need to upgrade the heating system in the Municipal Building in accordance with the laws of the State of North Carolina governing the heat of such buildings. He said it would be necessary to remove asbestos insulation from the pipes and boilers of the Municipal Building before a new boiler can be installed. He said NEO Corporation of Waynesville, N. C., is duly licensed and capable of removing this asbestos under federal guidelines and restrictions and is the low bidder for this work. He said this resolution would authorize the City Manager to enter into an agreement and any change orders with the NEO Corporation for the removal of the asbestos from the heating system of the Municipal Building at a price not to exceed $20,000.00.

Upon motion of Councilman Price, seconded by Councilman Michalove, Resolution No. 86-168 was unanimously adopted.

Complete text of Resolution No. 86-168 will be found in Resolution Book No. 16 at Page 140.

CLAIMS - WILLIAM A. RIDDLE (SANITATION) - LYNN CHANDLER (STREETS) - AERIAL PHOTOGRAPHY SERVICE (WATER) - 7-UP ASHEVILLE COMPANY, INC. (STREETS)

14. The City Manager presented claims received from William A. Riddle, Lynn Chandler, Aerial Photography Service and 7-Up Asheville Company, Inc.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

property which became a part of the City of Asheville in 1983 as a non-contiguous, or "Satellite" annexation area be zoned CH Commercial Highway District.

Mayor Bissette opened the public hearing at 4:17 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said property was annexed by consent of the property owner. He said all the property involved is used for commercial businesses, and the property would be zoned Commercial Highway District.

Mayor Bissette closed the public hearing at 4:18 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1605. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1605 passed on first reading.

Vice-Mayor Frank moved to suspend the rules and proceed to the second reading of Ordinance No. 1605. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1605 passed on second reading.

PUBLIC HEARING - ZONING PROPERTY LOCATED ON TUNNEL ROAD (THE POSEIDON RESTAURANT)

ORDINANCE NO. 1606 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY KNOWN AS THE POSEIDON RESTAURANT LOCATED ON TUNNEL ROAD

3. A public hearing was held relative to an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville" as amended - property known as The Poseidon Restaurant located on Tunnel Road.

Mayor Bissette said the Asheville Planning and Zoning Commission on July 9, 1986, reviewed and recommended that the Poseidon Restaurant property which became a part of the City of Asheville in 1983 as a non-contiguous, or "satellite" annexation area be zoned CH Commercial Highway District.

Mayor Bissette opened the public hearing at 4:20 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

There being no comments relative to the zoning of the property, Mayor Bissette closed the public hearing at 4:21 p.m.

Tuesday - September 9, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; Deputy City Clerk Carol Hensley.

Absent: Councilman Wilhelmina Bratton and Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilman Kenneth Michalove.

APPROVAL OF THE MINUTES - SEPTEMBER 2, 1986 MEETING

1. Consideration was given to the approval of the minutes of the September 2, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - SEPTEMBER 15 - 19, 1986 - "PRISONERS OF WAR WEEK"

1A. Mayor Bissette read a proclamation proclaiming the week of September 15 - 19, 1986, as "Prisoners of War Week".

Mayor Bissette presented the proclamation to David Brown.

RESOLUTION NO. 86-169 - RESOLUTION IN MEMORIUM OF FORMER GOVERNOR DAN MOORE

1B. Mayor Bissette read a resolution in memorium of former governor Dan Moore, stating that the City Council wishes to records its deep sorrow over the recent passing of former governor Dan Moore.

Upon motion of Councilman Tisdale, seconded by Councilman Boland, Resolution No. 86-169 was unanimously adopted.

Complete text of Resolution No. 86-169 will be found in Resolution Book No. 16 at page 141.

PUBLIC HEARING - ZONING PROPERTY LOCATED ON U.S. 25 (BLACK FOREST RESTAURANT)

ORDINANCE NO. 1605 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY KNOWN AS THE BLACK FOREST RESTAURANT LOCATED ON U.S. 25

2. A public hearing was held relative to an ordinance amending Ordinance No. 322, known as "as ordinance providing for the zoning of the City of Asheville" as amended - property known as The Black Forest Restaurant located on U.S. 25.

Mayor Bissette said the Asheville Planning and Zoning Commission on July 9, 1986, reviewed and recommended that The Black Forest Restaurant

On a roll call vote of 6-0, Ordinance No. 1607 passed on second reading.

PUBLIC HEARING - ZONING PROPERTY NEAR INTERSECTION OF LONG SHOALS ROAD AND LEDBETTER ROAD (THE COACHLITE RESTAURANT)

ORDINANCE NO. 1608 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY KNOWN AS THE COACHLITE RESTAURANT NEAR INTERSECTION OF LONG SHOALS ROAD AND LEDBETTER ROAD

5. A public hearing was held relative to an ordinance amending Ordinance No. 322 known as "an ordinance providing for the zoning of the City of Asheville" as amended - property known as The Coachlite Restaurant near intersection of Long Shoals Road and Ledbetter Road.

Mayor Bissette said the Asheville Planning and Zoning Commission on July 9, 1986, reviewed and recommended that The Coachlite Restaurant property which became a part of the City of Asheville in April, 1986, as a non-contiguous, or "satellite" annexation area be zoned CH Commercial Highway District.

Mayor Bissette opened the public hearing at 4:24 p.m.

Verl Emrick, Director of Planning, said one adjacent property owner had expressed opposition to zoning the property Commercial Highway District.

Mayor Bissette closed the public hearing at 4:25 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Tisdale moved for the adoption of Ordinance No. 1608. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 6-0, Ordinance No. 1608 passed on first reading.

Vice-Mayor Frank moved to suspend the rules and proceed to the second reading of Ordinance No. 1608. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1608 passed on second reading.

PUBLIC HEARING - FINAL PLAT OF THE SCHWAB CONSTRUCTION COMPANY SUBDIVISION - LOCATED OFF LAKESHORE DRIVE

6. A public hearing was continued relative to the final plat of the Schwab Construction Company Subdivision to be located off Lakeshore Drive.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 11, 1986, approved the preliminary plat subject to the developer providing a 16' wide paved drive to all four parcels and recommending

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Boland moved for the adoption of Ordinance No. 1606. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1606 passed on first reading.

Vice-Mayor Frank moved to suspend the rules and proceed to the second reading of Ordinance No. 1606. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1606 passed on second reading.

PUBLIC HEARING - ZONING PROPERTY LOCATED ON U.S. 19-23 (THE RAMADA INN-WEST)

ORDINANCE NO. 1607 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY KNOWN AS THE RAMADA INN-WEST LOCATED ON U.S. 19-23

4. A public hearing was held relative to an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended property known as The Ramada Inn-West located on U.S. 19-23.

Mayor Bissette said the Asheville Planning and Zoning Commission on July 9, 1986, reviewed and recommended that The Ramada Inn-West property which became a part of the City of Asheville in 1984 as a non-contiguous, or "satellite" annexation area be zoned CH Commercial Highway District.

Mayor Bissette opened the public hearing at 4:22 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

There being no further comments relative to the zoning of the property, Mayor Bissette closed the public hearing at 4:23 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Boland moved for the adoption of Ordinance No. 1607. This motion was seconded by Councilman Tisdale.

On a roll call vote of 6-0, Ordinance No. 1607 passed on first meeting.

Vice-Mayor Frank moved to suspend the rules and proceed to the second reading of Ordinance No. 1607. This motion was seconded by Councilman Price and carried unanimously.

Resolution Book 16 - page 143.

C. Consideration of a motion relative to bids received for one diesel engine tractor with mower.

HIGHLIGHTS: Sealed bids were invited to furnish one (1) diesel engine tractor with hydraulic arm mower to the Parks, Recreation and Public Facilities Department. Specifications called for a four (4) cyclinder engine tractor with a minimum of 239 cubic inch displacement. Four (4) bids were received. It is recommended that Bruce Machinery Company of Asheville be accepted on the basis of being the lowest responsible bidder meeting specifications.

FISCAL IMPACT: $27,617.16 - Funding is available in the Fiscal 1986/87 Capital Budget. Account Code 17-502-0740-321.

D. Resolution No. 86-172

Consideration of a resolution appointing members to the Planning & Zoning Commission.

HIGHLIGHTS: This resolution will appoint Augusta Young and Ed Dyson to a two year term effective October 1, 1986, term expiring August 14, 1988.

FISCAL IMPACT: None

Resolution Book 16 - page 144.

E. Consideration of a motion to schedule a public hearing for the site plan of a proposed Bi-Lo Shopping Center to be located on Hendersonville Road for September 30, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held August 27, 1986, reviewed the site plan of a proposed Bi-Lo Shopping Center to be located on Hendersonville Road. The plan was prepared by Gray Engineering Consultants, Inc., Greenville, South Carolina for the Sofran Company, Atlanta, Georgia, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project, and signage, subject to 1) compliance with the Erosion Control Ordinance; 2) approval of curb cut by NCDOT; 3) location of trash compactor to southern side of building; 4) recommend that buffering conditions around the dumpster be met by fencing; and 5) buffer with trees on the east side.

FISCAL IMPACT: None

F. Consideration of a motion to schedule a public hearing for a site plan of Phase II of Pinecliff Condominiums located on State Road 2243 for September 30, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held August 6, 1986, reviewed a site plan of Phase II of

that City Council consider placing a caution signal light and signage on each side of the entrance road. The final plat of the Schwab Construction Company Subdivision is to be located off Lakeshore Drive. This plat was prepared by Webb Morgan, R.L.S., for Schwab Construction Company, Developer, and submitted in accordance with Ordinance #424, as amended. This public hearing was continued from the August 26, 1986 meeting. At the September 2, 1986 meeting, this public hearing was continued until the September 9, 1986 meeting.

Verl Emrick, Director of Planning, said the developer has requested that the public hearing be continued until technical problems relative to the roadway are solved.

Councilman Tisdale moved to continue the public hearing until September 16, 1986, without further advertisement. This motion was seconded by Councilman Price and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

7. Consideration was given to a motion approving the consent agenda.

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. **Resolution No. 86-170**

Consideration of a resolution authorizing the Purchasing Director to sell surplus motor vehicles and other surplus property at public auction.

HIGHLIGHTS: This resolution will authorize the Purchasing Director to sell surplus motor vehicles and other surplus property at a public auction.

FISCAL IMPACT: This auction will generate an estimated $30,000.00 in revenues.

Resolution Book 16 - page 142.

B. **Resolution No. 86-171**

Consideration of a resolution authorizing the City Manager or his designee to enter into agreements necessary to conduct the French Broad Riverfest and authorizing the City Manager to temporarily close a portion of Riverside Drive for the French Broad Riverfest to be held on Saturday, September 13, 1986

HIGHLIGHTS: This resolution will authorize the City Manager or his designee to enter into agreements necessary to conduct the French Broad Riverfest and that the City Manager be authorized to temporarily close a portion of Riverside Drive for the French Broad Riverfest for Saturday, September 13, 1986, from 8:00 a.m. until 9:00 p.m.

Mayor Bissette noted that Carolyn Humphries, Executive Director of the Historic Resources Commission, had presented the revised boundaries to members of Council during the pre-Council work session. He said it was the intent of the Council to advertise and consider the boundaries as presented by Carolyn Humphries.

See amendment page 349 ■ 9/23/86

Councilman Michalove, using a map as presented by the Historic Resources Commission, explained that it was his understanding that controlling design review could be done in two ways - an historic overlay and a redevelopment/renewal plan. He expressed concern that this area was not being properly planned for and needed to be looked at in terms of overall zoning and a redevelopment plan bordering Merrimon, Murdock, Charlotte Street and I-240. He said that the proposed historic district was too large and did not follow logical lines and if an historic district were done, he would prefer seeing a smaller district at this time, say including the Jefferson Apts. on Chestnut to Liberty St., east along the back property lines of the property fronting the north side of Chestnut to Washington St., north to Hillside then south on Liberty back to Chestnut. He explained that to create a large Historic District at this time, without an overall plan would be a disservice to the area because once the area was designated historic it would be different to reduce the size, wheras, starting small and building the size, if appropriate, would be a more logical approach. He also said that Historic houses of real significance could be moved to an historic district in another location.

Councilman Price noted that in order to designate the Chestnut-Liberty Street area a redevelopment area the houses in the area would have to be designated blighted. She said this process is very long and costly. She said that she would like to proceed with the action to schedule the public hearing relative to designating the area as an historic district as presented by the Historic Resources Commission.

Councilman Michalove said since members of Council had agreed to look at the overall zoning for the entire City of Asheville he felt it was a disservice to the citizens to designate this property as an historic district.

A discussion was held relative to including the "Penland property" in the Chestnut-Liberty Street historic district. Carolyn Humphries, Executive Director of Historic Resources Commission, said she felt it would be best to leave the Penland property in the district in order that it could be used as an entrance point.

Councilman Price moved to schedule a public hearing relative to the adoption of an ordinance amending Chapter 30 of the Code of Ordinances of the City of Asheville to create the Chestnut-Liberty Street area as local historic district for September 30, 1986, including three lots on Charlotte Street, north of Broad Street, presently owned by Penland and sons. This motion was seconded by Councilman Tisdale.

Tim Warner, of 87 North Liberty Street, spoke in support of the Historic Resources Commission's designation and urged Council's adoption of the boundaries as proposed, including the Penland and Sons property as an historic district.

Ed Schell, of 12 Linden Avenue, speaking on behalf of the Community Club, spoke in support of the historic designation and questioned why Councilman Michalove was questioning the designation of the historic district.

Pinecliff Condominiums located on State Road 2243. The plan prepared by Traber Associates, Architect, for Piney Mountain Associates, Inc., Developer, and submitted in accordance with the Group Development section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to: granting water line easement in favor of the City of Asheville or moving 16" line, and compliance with the Erosion Control Ordinance.

Councilman Price moved to approve the consent agenda. This motion was seconded by Vice-Mayor Frank and carried unanimously.

RESOLUTION NO. 86-173 - RESOLUTION AMENDING RESOLUTION NO. 85-8 ESTABLISHING GRADING PERMIT FEES FOR APPLICATIONS REQUIRED BY THE SOIL EROSION AND SEDIMENTATION CONTROL ORDINANCE

8. Consideration was given to a resolution amending Resolution No. 85-8 establishing grading permit fees for applications required by the Soil Erosion and Sedimentation Control Ordinance.

Mayor Bissette said this resolution will amend Resolution No. 85-8 establishing grading permit fees for applications made pursuant to the City of Asheville's Soil Erosion and Sedimentation Control Ordinance. This will increase revenues by approximately $12,000 per year.

The City Manager stated that when the Soil Erosion and Sedimentation Control Ordinance was adopted, the fee schedule was not included. He said the approximate cost of enforcing this ordinance is $72,000 per year and the City is presently receiving approximately $5,000 in revenues. He said after surveying various cities, it was determined that the grading permit fees as presented should be adopted. He said this still would not recover all the costs associated for administration of the ordinance.

Upon motion of Vice-Mayor Frank, seconded by Councilman Boland, Resolution No. 86-173 was unanimously adopted.

Complete text of Resolution No. 86-173 will be found in Resolution Book No. 16 at page 145.

SCHEDULING PUBLIC HEARING - RELATIVE TO ADOPTION OF AN ORDINANCE CREATING THE CHESTNUT-LIBERTY STREET AREA AS LOCAL HISTORIC DISTRICT

9. Consideration was given to a motion to schedule a public hearing relative to the adoption of an ordinance amending Chapter 30 of the Code of Ordinances of the City of Asheville to create Chestnut-Liberty Street area as local historic district for September 30, 1986.

Mayor Bissette said this ordinance would designate the Chestnut-Liberty Street neighborhood as a local historic district. Certificates of Appropriateness would be required by a property owner before any exterior rehabilitation or new construction can take place. At the August 12, 1986 meeting, a public hearing was held to consider a proposal by the Historic Resources Commission; however, this matter was remanded to the Historic Resources Commission to reconsider alternate plans that include a smaller area and different boundaries. The Historic Resources Commission has now presented Council with a revised proposal.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Tisdale, the meeting adjourned at 5:45 p.m.

MAYOR

CITY CLERK

Councilman Michalove responded that the Chestnut-Liberty Street area has been in progress since February 1986. He said he felt members of Council should be looking at the community at large rather than individual property owners.

On a voice vote of 5-1, Councilman Price's motion to schedule the public hearing passed with Councilman Michalove voting "no".

RESOLUTION NO. 86-174 - RESOLUTION OF APPRECIATION TO C. LEROY ROBINSON FOR SERVICES AS CHAIRMAN OF THE METROPOLITAN SEWERAGE DISTRICT BOARD

Mayor Bissette read a resolution of appreciation to C. LeRoy Robinson for services as Chairman of the Metropolitan Sewerage District Board who has served for 23 years and has been the Board's Chairman for the past 12 years. He said Mr. Robinson is resigning from the Metropolitan Sewerage District Board effective September 16, 1986. He said this resolution would express City Council's appreciation to Mr. Robinson for his services as Chairman of the Metropolitan Sewerage District Board and for his services to the citizens of this community in this capacity.

Upon motion of Vice-Mayor Frank, seconded by Councilman Tisdale, Resolution No. 86-174 was unanimously adopted.

Complete text of Resolution No. 86-174 will be found in Resolution Book No. 16 at page 146.

REPORT RELATIVE TO INTERGOVERNMENTAL SERVICES COMMITTEE MEETING OF SEPTEMBER 9, 1986

Vice-Mayor Frank said all members of the Intergovernmental Services Committee met at 12:30 p.m. on September 9, 1986. She said they discussed the emergency 911 number, the proposed MSD agreement, and the central warehousing proposal. She said the committee members also requested that members of Council and the County Commissioners discuss the Water Agreement in November.

MAYOR BISSETTE COMMENTS - MEETING WITH NORTH CAROLINA BOARD OF REALTORS

Mayor Bissette said he had met with the Home Builders Association and received a request that they be notified of any matters being considered by Council in which the Home Builders Association might have an interest. It was agreed by members of Council that the City Manager inform the Home Builders Association of any matters being considered by members of Council relative to real estate.

LETTER OF SYMPATHY TO BE SENT TO FAMILY OF CARL HYATT

Mayor Bissette said a letter of sympathy would be sent to the family of Carl Hyatt. He said Mr. Hyatt was the former Director of Public Safety for the City of Asheville and had contributed tremendously in many capacities to the community over a number of years.

CLAIMS - SUSAN KELLY (SEWER) - DAVID GAY (SEWER) - RUTH OWENBY (SEWER) - TOM HARDER (SANITATION)

The City Manager presented claims received from Susan Kelly, David Gay, Ruth Owenby, and Tom Harder.

PROCLAMATION - WEEK OF SEPTEMBER 21, 1986 - "PRINCE HALL MASONIC WEEK"

5. Mayor Bissette read a proclamation proclaiming the week of September 21, 1986, as "Prince Hall Masonic Week".

Mayor Bissette presented the proclamation to Oscar McCoy.

PROCLAMATION - SEPTEMBER 21 - "INTERNATIONAL DAY OF PRAYER AND ACTION FOR HUMAN HABITAT"

6. Mayor Bissette read a proclamation proclaiming September 21 as "International Day of Prayer and Action for Human Habitat".

Mayor Bissette presented the proclamation to Thelma Caldwell with Human Habitat Incorporated.

RESOLUTION NO. 86-175 - RESOLUTION OF APPRECIATION TO DISTRICT CHIEF HOLLY P. OXNER

7. Consideration was given to a Resolution of Appreciation to District Chief Holly P. Oxner.

Mayor Bissette said Holly P. Oxner has faithfully served the City of Asheville since 1956, being promoted to District Chief in 1982. Holly Oxner's retirement became effective August 1, 1986, and the City Council expresses its appreciation for his loyalty and dedication to the citizens of the City of Asheville.

Upon motion of Councilman Boland, seconded by Vice-Mayor Frank, Resolution No. 86-175 was unanimously adopted.

Complete text of Resolution No. 86-175 will be found in Resolution Book No. 16 at page 147.

PUBLIC HEARING - FINAL PLAT OF THE SCHWAB CONSTRUCTION COMPANY SUBDIVISION - OFF LAKESHORE DRIVE

8. A public hearing was continued relative to the final plat of the Schwab Construction Company Subdivision to be located off Lakeshore Drive.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 11, 1986, approved the preliminary plat subject to the developer providing a 16' wide paved drive to all four parcels and recommending that City Council consider placing a caution signal light and signage on each side of the entrance road. The final plat of the Schwab Construction Company subdivision is to be located off Lakeshore Drive. This plat was prepared by Webb Morgan, R.L.S., for Schwab Construction Company, Developer, and submitted in accordance with Ordinance #424, as amended. This public hearing was continued from the August 26, 1986 meeting. At the September 2, 1986 meeting, this public hearing was continued until the September 9, 1986 meeting. At the September 9, 1986 meeting, the public hearing was continued until September 16, 1986.

Tuesday - September 16, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; Deputy City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilman Kenneth Michalove.

PROCLAMATION - OCTOBER 5, 1986 - "PEACE DAY"

1. Mayor Bissette read a proclamation proclaiming October 5, 1986 as "Peace Day" in the City of Asheville.

Mayor Bissette said since Mary Ann Ellison was unable to attend the meeting, a copy of the proclamation would be mailed to her.

PROCLAMATION - SEPTEMBER 29 - OCTOBER 5, 1986 - "FAMILY WEEK" - MONTH OF OCTOBER - "STRENGTHENING FAMILIES MONTH"

2. Mayor Bissette read a proclamation proclaiming September 29 - October 5, 1986, as "Family Week" and the month of October "Strengthening Families Month".

Mayor Bissette presented the proclamation to Jim Stikney, President of the Family Service Center and Don Reed, Past-President of the Family Service Center.

Jim Stikney outlined the events that would be taking place during the 75th anniversary of the Family Service Center.

PROCLAMATION - SEPTEMBER 17 - SEPTEMBER 23, 1986 - "CONSTITUTION WEEK"

3. Mayor Bissette read a proclamation proclaiming September 17-23, 1986 as "Constitution Week".

Mayor Bissette presented the proclamation to Helen Brown and Mary Alice Baird with the DAR Chapters in the City of Asheville.

PROCLAMATION - SEPTEMBER 22, 1986 - "AMERICAN BUSINESS WOMEN'S DAY"

4. Mayor Bissette read a proclamation proclaiming September 22, 1986, as "American Business Women's Day".

Mayor Bissette presented the proclamation to Patsy Cauble, with the American Business Women's Association.

Complete text of Ordinance No. 1606 will be found in Ordinance Book No. 11 at page 60-61.

ORDINANCE NO. 1607 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY KNOWN AS RAMADA INN-WEST LOCATED ON U.S. 19-23

11. Consideration was given to the third reading of Ordinance No. 1607, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended - property known as Ramada Inn-West located on U.S. 19-23.

Mayor Bissette said the Asheville Planning and Zoning Commission on July 9, 1986, reviewed and recommended that the Ramada Inn-West property which became a part of the City of Asheville in 1984 as a non-contiguous, or "satellite" annexation area be zoned CH Commercial Highway District. This ordinance passed first and second reading at the September 9, 1986 meeting.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1607 passed on third and final reading.

Complete text of Ordinance No. 1607 will be found in Ordinance Book No. 11 at page 62-63.

ORDINANCE NO. 1608 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY KNOWN AS THE COACHLITE RESTAURANT NEAR INTERSECTION OF LONG SHOALS ROAD AND LEDBETTER ROAD

12. Consideration was given to the third reading of Ordinance No. 1608, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended - property known as the Coachlite Restaurant near intersection of Long Shoals Road and Ledbetter Road.

Mayor Bissette said the Asheville Planning and Zoning Commission on July 9, 1986, reviewed and recommended that the Coachlite Restaurant property which became a part of the City of Asheville in April, 1986, as a non-contiguous, or "satellite" annexation area be zoned CH Commercial Highway District. This ordinance passed first and second reading at the September 9, 1986 meeting.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1608 passed on third and final reading.

Complete text of Ordinance No. 1608 will be found in Ordinance Book No. 11 at page 64-65.

Mayor Bissette said it was his understanding that the City staff is still waiting for a revised plat from the developer relative to the Schwab Construction Company Subdivision.

Councilman Tisdale moved to continue the public hearing until October 14, 1986, without further advertisement. This motion was seconded by Councilman Price and carried unanimously.

ORDINANCE NO. 1605 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY KNOWN AS THE BLACK FOREST RESTAURANT LOCATED ON U.S. 25

9. Consideration was given to the third reading of Ordinance No. 1605, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended, property known as The Black Forest Restaurant located on U.S. 25.

Mayor Bissette said the Asheville Planning and Zoning Commission on July 9, 1986, reviewed and recommended that the Black Forest Restaurant property which became a part of the City of Asheville in 1983 as a non-contiguous, or "Satellite" annexation area be zoned CH Commercial Highway District. This ordinance passed first and second reading at the September 9, 1986 meeting.

Mayor Bissette said this ordinance was previously read on first and second reading and it would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1605 passed on third and final reading.

Complete text of Ordinance No. 1605 will be found in Ordinance Book No. 11 at page 58-59.

ORDINANCE NO. 1606 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED - PROPERTY KNOWN AS THE POSEIDON RESTAURANT LOCATED ON TUNNEL ROAD

10. Consideration was given to the third reading of Ordinance No. 1606, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended - property known as the Poseidon Restaurant located on Tunnel Road.

Mayor Bissette said the Asheville Planning and Zoning Commission on July 9, 1986, reviewed and recommended that the Poseidon Restaurant property which became a part of the City of Asheville in 1983 as a non-contiguous, or "satellite" annexation area be zoned CH Commercial Highway District. This ordinance passed first and second reading at the September 9, 1986 meeting.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1606 passed on third and final reading.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-177 was unanimously adopted.

Complete text of Resolution No. 86-177 will be found in Resolution Book No. 16 at Page 149, 150 and 151.

RESOLUTION NO. 86-178 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AMENDMENT TO THE MASTER AGREEMENT BY AND AMONG THE CITY OF ASHEVILLE, THE COUNTY OF BUNCOMBE AND SCHNEIDER NINE, INC; AN AMENDMENT TO THE AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND THE COUNTY OF BUNCOMBE DATED DECEMBER 4, 1984; AND DOCUMENTS FOR THE CLOSING OF THE CONVENTIONAL LOAN FINANCING FOR THE PACK PLAZA PROJECT

15. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an amendment to the Master Agreement by and among the City of Asheville, the County of Buncombe and Schneider Nine, Inc; an amendment to the agreement by and between the City of Asheville and the County of Buncombe dated December 4, 1984; and documents for the closing of the conventional loan financing for the Pack Plaza Project.

Mayor Bissette read the resolution stating that this amendment would include some standard language required by the United States Department of Housing and Urban Development with regard to the Urban Development Action Grant among other things. He said the loan closing for the conventional financing on the project has been scheduled and it is necessary to authorize the Mayor to execute the documents on behalf of the City of Asheville for that loan closing.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-178 was unanimously adopted.

Complete text of Resolution No. 86-178 will be found in Resolution Book No. 16 at Page 152 and 153.

APPROVAL OF CONSENT AGENDA

16. Consideration was given to a motion approving the consent agenda.

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

RESOLUTION NO. 86-176 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND PACK PLAZA ASSOCIATES LIMITED PARTNERSHIP TERMINATING A LEASE AGREEMENT

13. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an agreement by and between the City of Asheville and Pack Plaza Associates Limited Partnership terminating a lease agreement.

Mayor Bissette said the City entered into a lease agreement September 29, 1982, for property located on Biltmore Avenue, formerly owned by Bruce C. Jones and wife, Martha G. Jones, and presently owned by Pack Plaza Associates Limited Partnership. This lease agreement was amended on November 1, 1984, to provide, among other things, that the lease can be terminated prior to the expiration of the lease by either lessor or lessee, or their successors and assigns, by the giving of ten (10) days notice in writing to the other party of its intention to terminate the lease. This resolution will authorize the Mayor to execute an agreement by and between the City of Asheville and Pack Plaza Associates Limited Partnership terminating this lease.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Boland, seconded by Vice-Mayor Frank, Resolution No. 86-176 was unanimously adopted.

Complete text of Resolution No. 86-176 will be found in Resolution Book No. 16 at Page 148.

RESOLUTION NO. 86-177 - RESOLUTION OF INTENT TO CLOSE ALL PUBLIC ALLEYS LOCATED IN THE PACK PLAZA PROJECT AREA, IN THE BLOCK BORDERED BY BILTMORE AVENUE TO THE WEST, EAGLE STREET TO THE SOUTH, SOUTH MARKET STREET TO THE EAST AND PACK SQUARE TO THE NORTH, AND CALLING FOR A PUBLIC HEARING ON THE QUESTION FOR OCTOBER 14, 1986

14. Consideration was given to a Resolution of Intent to close all public alleys located in the Pack Plaza Project area, in the block bordered by Biltmore Avenue to the west, Eagle Street to the south, South Market Street to the east and Pack Square to the north, and calling for a public hearing on the question for October 14, 1986.

Mayor Bissette said a petition has been filed by Pack Plaza Associates Limited Partnership, owner of all the property located in the Pack Plaza Project in the block bounded by Biltmore Avenue to the west, Eagle Street to the south, South Market Street to the east and Pack Square to the north, requesting that all the public alleys therein, be permanently closed to public use. The permanent closing of these public alleys would not be either detrimental to or contrary to the public interest or the property rights of any individual and no individual owning property in the vicinity of said public alleys would be deprived of reasonable means of ingress and egress to this property.

DISCUSSION RELATIVE TO EQUAL EMPLOYMENT OPPORTUNITY TASK FORCE - JOHNNY HAYES

19. Johnny Hayes, a member of the Equal Employment Opportunity Task Force, presented the following resolution as presented by the Equal Employment Opportunity Task Force. The resolution is as follows:

> Whereas: the City Council of the City of Asheville has the authority under (Chapter 744 of the 1953 Session Laws, as amended by the North Carolina General Assembly.)
>
> Whereas under Section 4 of Civil Service Law which states: The Civil Service Board shall make, and may amend, rules for promoting efficiency in the classified service of the City, for the appointment, promotion, transfer, layoff, reinstatement, suspension and removal of employees in the classified service. Such rules and any amendment thereto, shall be submitted to the said Council for approval, and shall be open to public inspection, when filed with the said Council for such approval. The City Council, after giving members of the classified service and citizens of Asheville an opportunity to be heard at a public hearing, shall act upon such proposed rules and amendments, and such rules or amendments, when approved by a majority vote of the Council, shall be in full force and effect. The Council may, before approval, amend the rules or amendments thereto, submitted to it for approval.
>
> We the Equal Employment Task Force Committee, a Committee established by the City Council to investigate hiring and promotional practices of the City and to make recommendations as to their improvement for the benefit of all the citizens of the City hereby request a halt to all hiring and promotions by the Civil Service Commission and by City Manager until such time as the Council has adopted or amended a policy which will increase the opportunity to hire and promote minorities in direct proportion to their ratio within the population of the City as a whole.
>
> Humbly submitted,
>
> O. T. Tomes

Bob Smith, member of the Equal Employment Opportunity Task Force, said the Task Force Committee was not unanimous in its decision to request a halt to all firing and promotions by the Civil Service Commission and the City Manager, but they are in total agreement that there is a problem within the Asheville Police Department which prevents minority officers from rising above the rank of a sergeant. He said he felt like the moratorium on hiring and promotions is a first step to solving these problems.

Carl Johnson, said he felt the "rule of three" of the Civil Service Law is prohibiting black officers from being promoted. He said he felt it was odd that in forty years, the Asheville Police Department has not promoted a black to the rank of Lieutenant. He said he did not feel that a study was needed but that some action needed to be taken.

Resolution No. 86-179

A. **Consideration of a resolution appointing a member of the Asheville-Buncombe Crime Stoppers Committee.**

HIGHLIGHTS: This resolution will appoint Virginia Washington to fill the unexpired term of Ann Huntington, term expiring June 10, 1987.

FISCAL IMPACT: None

Resolution Book No. 16 Page 154.

Resolution No. 86-180

B. **Consideration of a resolution appointing members to Victoria of Asheville Board of Directors.**

HIGHLIGHTS: This resolution will appoint Matthew Bacoate and John F. Shuford to the Victoria of Asheville Board of Directors for a three-year term, term expiring November 29, 1988.

FISCAL IMPACT: None

Resolution Book No. 16 Page 155.

Upon motion of Councilman Price, seconded by Councilman Boland, the Consent Agenda was unanimously approved.

RESOLUTION NO. 86-181 - RESOLUTION REQUIRING EACH MEMBER OF THE CITY PLANNING COMMISSION TO VOTE UPON ALL MATTERS

17. Consideration was given to a resolution requiring each member of the City Planning Commission to vote upon all matters.

Mayor Bissette read the resolution stating that this would require each member of the City Planning Commission, including the chairman, to vote upon all matters unless otherwise disqualified. He said the City Attorney is currently reviewing the authorization to require that all members of all boards and commissions be required to vote on all matters unless they are otherwise disqualified.

Upon motion of Councilman Tisdale, seconded by Councilman Boland, Resolution No. 86-181 was unanimously adopted.

Complete text of Resolution No. 86-181 will be found in Resolution Book No. 16 at Page 156.

CLAIMS - ANN RANDALL (SANITATION) - J. L. HARRIS (TRAFFIC ENGINEERING) - FENTON CUNNINGHAM (WATER)

18. The City Manager presented claimed from Ann Randall, J. L. Harris and Fenton Cunningham.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

does not legally have the authority to interfere with hiring, firing or promotions of City employees. He said the only three individuals that City Council could hire is the City Manager, City Clerk, and the City Attorney. He said members of Council would be in violation of the Laws of the State of North Carolina if they interfered with the hiring, firing or promotions of employees of the City of Asheville.

Ralph Bishop commented that the City Council under the City Charter has the right to investigate any department within the City of Asheville, and he felt the Asheville Police Department needs an "overhaul".

James Harrison again commented that the 1976 agreement is binding, and is not being followed. He said the department heads have not been doing anything about the plan presented on May 20, 1976. He said it was his hope that the Equal Employment Opportunity Task Force would be more effective than the agreement he was involved in 1976.

Linda Reece questioned the validity of recent tests given for sergeants and lieutenants. She said there has been a number of grievances filed by the Asheville Police Department employees relative to the scoring on such tests.

Councilman Bratton said since she has been on the Equal Employment Opportunity Task Force, she has found that a number of issues needs reviewing, one being tests being administered, and tests being implemented by department heads.

Jesse Ray, Sr., said he felt this issue has had proscrastination and excuses for years.

Bob Smith, a member of the Equal Employment Opportunity Task Force said the members are looking into a vast ocean of concerns relative to equal employment opportunities. He said he felt it was the right thing to do to put a halt to all hiring and promotions by the Civil Service Commission and the City Manager until such time Council has adopted an affirmative action program.

COMPLAINT BY HARLAN HAYNES - SPOOKS BRANCH ROAD

20. Harlan Haynes of 14 Spooks Branch Road spoke to members of Council relative to a water problem he is having on his property since the City of Asheville paved Locust Avenue.

After discussion, Mayor Bissette requested that Mr. Haynes meet with the City Manager to work out this problem.

RALPH BISHOP - COMMENTS RELATIVE TO POLICE PENSION AND DISABILITY FUND

21. Ralph Bishop again spoke to members of Council relative to his being denied copies of documents relating to the Police Pension and Disability Fund. He questioned the opinion of the Attorney General relative to his right to obtain such records.

After discussion, Mayor Bissette requested that Ralph Bishop make an appointment with him to discuss the various statutes involved.

Jesse Ray, Sr., said he felt the "system" is responsible for blacks not being promoted within the Asheville Police Department. He said he felt members of Council of the City of Asheville should give black people a chance for promotions.

James Harrison, a resident of Asheville, said he helped to solve a similar problem eleven years ago. He said an agreement was reached at that time relative to employment practices in the Police Department, on May 20, 1976. However, everyone did not do their part as far as the agreement is concerned.

Elain Petty, a Memorial Mission Hospital employee, said many of the department stores do not have black employee clerks. She said she did not feel the City of Asheville needed to study the situation, but needed to have equal representation of blacks brought in line with the black population in Asheville.

Bennie Lake said he felt the City of Asheville should do something relative to minority business problems in Asheville. He said he had previously asked for some type of loan pool for minority businesses. He said he did not feel a study is necessary. He said he would like for Council to consider minority businesses, as they address the issue of hiring and promotions within the Asheville Police Department.

Cecelia Workman also spoke relative to blacks being given the opportunity for advancement.

Johnny Hayes presented newspaper articles relative to blacks being promoted within the Asheville Police Department dated June 20, 1978. He said the Majors in the Asheville Police Department were appointed without testing. He said a number of grievances have been filed by Asheville Police Department employees regarding testing, and he said all tests given during the past year should be invalid. He said the 1979 Affirmative Action Plan that was outlined for the Asheville Police Department cannot be found.

Councilman Boland, also a member of the Equal Employment Opportunity Task Force said he felt the Asheville City Council does have a commitment for providing an affirmative action program. He said he did not feel the Task Force was just another study, but felt the study will systemize how to organize goals, time tables and a system for monitoring these goals. He said he felt the recommendation to halt hirings and promotions would be counter-productive. He said the Task Force members and members of Council should be in cooperation.

Mayor Bissette said he felt every employee in the City of Asheville needs an opportunity for promotion and advancement. He said he was committed to changing the system in an orderly fashion. He said he would oppose the recommendation for freezing hiring and promotions but would request that the City Manager, within the next thirty to sixty days, personally review all hirings and promotions in the best interest of the City of Asheville, as well as considering, in that review, that the Task Force is studying the current system. He said the City of Asheville operates under a Civil Service Law which is complicated. He said this particular law may need some amendments or changes and the Equal Employment Opportunity Task Force will be looking into recommended amendments. He further stated that the City Council members

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Tisdale, the meeting adjourned at 6:15 p.m.

MAYOR

CITY CLERK

Mayor Bissette announced the approval of the minutes of the September 16, 1986 meeting as submitted.

ORDINANCE NO. 1609 - BUDGET ORDINANCE AMENDMENT FOR THE SOUTH CHARLOTTE STREET SEWER IMPROVEMENTS PROJECT

2. Consideration was given to a budget ordinance amendment for the South Charlotte Street sewer improvements project.

Mayor Bissette said this budget ordinance would appropriate funds for the South Charlotte Street sewer improvements. As a result of Municipal Agreement No. 8.2017501, certain utility relocation and betterment costs are to be borne by the City. On February 18, 1986, the Water Authority appropriated $154,890.00 for the water improvements. Total cost for sewer improvements is $190,325.00. There are sufficient existing funds within the Capital Construction (33) Fund for these projects; the contingency account within the Sewer Master Plan.

Councilman Tisdale moved for the adoption of Ordinance No. 1609. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1609 passed on first and final reading.

Complete text of Ordinance No. 1609 will be found in Ordinance No. 11 at page 66.

PROCLAMATION - "SEVEN DAYS OF INDIGNATION AND MEMORIAM" - SEPTEMBER 24-30, 1986

3. Mayor Bissette read a proclamation proclaiming September 24 - 30, 1986, as "Seven Days of Indignation and Memoriam", of the twenty-two Turkish-Jewish citizens slaughtered at prayer and to protest the uncivilized barbarity of international terrorism.

DISCUSSION RELATIVE TO EQUAL EMPLOYMENT OPPORTUNITY TASK FORCE

4. Mayor Bissette said there has been a lot of discussion and developments surrounding the Equal Employment Opportunity Task Force and two members of that task force have resigned. He recommended to the Council that the City Manager be instructed to work with the remaining members of the task force to work for development of an affirmative action plan within four weeks. He said this is a matter City Council wants to find a solution for, and he felt this would be the quickest way to get it resolved. He said he felt this is what Council would want, and the task force wants, and he felt what the black community would want. He said he felt members of Council still have a good core of task force members that can work well with the City Manager. He said Councilman Walter Boland, the other City Council representative on the task force, will become Chairman to replace Councilman Bratton.

After discussion, City Council instructed the City Manager to work with the remaining members of the Equal Employment Opportunity Task Force to develop an affirmative action hiring plan within four weeks.

Tuesday - September 23, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: Associate Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Mayor Louis Bissette.

APPROVAL OF THE MINUTES - SEPTEMBER 9, 1986 MEETING

1. Consideration was given to the approval of the minutes of the September 9, 1986, meeting.

Councilman Michalove requested that the minutes be amended to substitute the following paragraph in lieu of the paragraph regarding his statement relative to the scheduling of a public hearing for the proposed Chestnut-Liberty Street Historic District;

REQUESTED SUBSTITUTED PARAGRAPH - SEPTEMBER 9, 1986
City Council Minutes

"Councilman Michalove, using a map prepared by the Historic Resources Commission, explained that it was his understanding that controlling design review could be done in two ways - an historic overlay and a redevelopment/renewal plan. He expressed concern that this area was not being properly planned for and needed to be looked at in terms of overall zoning and a redevelopment plan bordering Merrimon, Murdock, Charlotte Street and I-240. He said that the proposed historic district was too large and did not follow logical lines and if an historic district were done, he would prefer seeing a smaller district at this time, say including the Jefferson Apts. on Chestnut to Liberty St., east along the back property lines of the property fronting the north side of Chestnut to Washington St., north to Hillside then south on Liberty back to Chestnut. He explained that to create a large Historic District at this time, without an overall plan would be a disservice to the area because once the area was designated historic it would be difficult to reduce the size, whereas, starting small and building the size, if appropriate, would be a more logical approach. He also said that Historic houses of real significance could be moved to an historic district in another location."

Mayor Bissette announced the approval of the minutes of the September 9, 1986 meeting as amended.

APPROVAL OF THE MINUTES - SEPTEMBER 16, 1986 MEETING

1B. Consideration was given to the approval of the minutes of the September 16, 1986 meeting.

economic development. He said this resolution would authorize the City Manager to submit a grant application to the Appalachian Regional Commission in the amount of $205,000.00. He said the Champion Sewer/Siphon project totals $350,000.00. He said the additional funding would come from the CDBG funds or other sources, and would allow expansion of the Champion Finishing Company and would increase their work force.

Upon motion of Councilman Price, seconded by Vice-Mayor Frank, Resolution No. 86-183 was unanimously adopted.

Complete text of Resolution No. 86-183 will be found in Resolution Book No. 16 at page 158.

MOTION AUTHORIZING CITY ATTORNEY TO SIGN DOCUMENTS RELATIVE TO CLOSING OF PACK PLAZA PROJECT

8. At the request of the City Manager, Councilman Michalove moved to authorize the City Attorney to sign closing documents relative to the Pack Plaza project. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION NO. 86-184 - RESOLUTION APPROVING CAPITAL IMPROVEMENTS AT THE ASHEVILLE REGIONAL AIRPORT

9. Consideration was given to a resolution approving capital improvements at the Asheville Regional Airport.

The City Manager said the lease agreement between the City of Asheville and the Asheville Regional Airport Authority requires that the Asheville Regional Airport Authority obtain written approval from the City before any capital improvements are made at the airport. He said capital improvements at the airport are planned for renovations and additions to the terminal building's ticket lobby, baggage claim and rental car areas and the construction of an entrance roadway and fencing runway rehabilitation. He said this resolution would approve the capital improvements requested.

Upon motion of Councilman Price, seconded by Councilman Tisdale, Resolution No. 86-184 was unanimously adopted.

Complete text of Resolution No. 86-184 will be found in Resolution No. 16 at page 159.

CITY COUNCIL MEETING OF SEPTEMBER 30, 1986 - TO BE HELD IN ASHEVILLE CIVIC CENTER BANQUET ROOM

10. Mayor Bissette announced that the City Council meeting scheduled for September 30, 1986, will be held in the Asheville Civic Center Banquet Room instead of the Asheville City Council Chambers due to the large number of participants expected relative to the Chestnut-Liberty Street Historic designation.

* See amendment page 254 under approval of minutes.

RALPH BISHOP - COMMENTS RELATIVE TO OBTAINING CITY RECORDS - LOTTERY SALES

11. Ralph Bishop again spoke to members of Council relative to his right to obtain public records regarding the Policemen's Pension and Disability Fund. He also spoke relative to lottery sales in the City of Asheville.

ORDINANCE NO. 1610 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDS TO ACQUIRE REPLACEMENT ENGINES FOR BUSES

5. Consideration was given to a budget ordinance amendment to provide funds to acquire replacement engines for buses.

The City Manager said the staff from the Asheville Transit Authority inspected bus engines the transit system could use for its bus operation. He said the transit staff and the management company feel that the investment by the City of Asheville for engines would be beneficial. It is recommended that the City purchase eleven engines from Mr. Ronald C. Ivey, Ivey's Equipment Company, from Stark, Florida, in the amount of $9,000.00.

Councilman Tisdale noted that the Asheville Transit Authority is in agreement with this purchase and he commended the transit authority staff for looking into and inspecting the bus engines to be purchased.

Councilman Price moved for the adoption of Ordinance No. 1610. This motion was seconded by Councilman Tisdale.

On a roll call vote of 7-0, Ordinance No. 1610 passed on first and final reading.

Complete text of Ordinance No. 1610 will be found in Ordinance No. 11 at page 67.

RESOLUTION NO. 86-182 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BY AND BETWEEN THE CITY AND W. H. ARTHUR COMPANY FOR REROOFING OF HUNT HILL FACILITY

6. Consideration was given to a resolution authorizing the City Manager to execute on behalf of the City of Asheville an agreement by and between the City and W. H. Arthur Company for reroofing of Hunt Hill facility.

The City Manager said the existing roof on the Hunt Hill facility has deteriorated and requires replacing. He said specifications for the reroofing have been prepared and bids have been received. He said the City staff has recommended the contract for the work be awarded to W.H. Arthur Company in the amount of $9,950.00.

Upon motion of Councilman Boland, seconded by Vice-Mayor Frank, Resolution No. 86-182 was unanimously adopted.

Complete text of Resolution No. 86-182 will be found in Resolution Book No. 16 at page 157.

RESOLUTION NO. 86-183 - RESOLUTION AUTHORIZING APPLICATION FOR APPALACHIAN REGIONAL COMMISSION FUNDS FOR THE CHAMPION SEWER/SIPHON PROJECT

7. Consideration was given to a resolution authorizing application for Appalachian Regional Commission funds for the Champion Sewer/Siphon Project.

The City Manager said the City deems it necessary to make certain sewer improvements for the Bingham Road area to promote private reinvestment. He said the Appalachian Regional Commission is accepting applications for grants to construct public works improvements which are designated to promote

Tuesday - September 30, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; Associate City Manager William F. Wolcott, Jr.; Deputy City Clerk Carol Hensley.

Absent: City Manager Douglas O. Bean

INVOCATION

Councilman Boland led the audience in a moment of silence in memoriam of Asheville Police Office Carl Eugene Edwards who passed away on Saturday, September 27, 1986. The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - SEPTEMBER 23, 1986 MEETING

1. Consideration was given to the approval of the minutes of the September 23, 1986 meeting.

Mayor Bissette noted that one amendment would be made to the minutes of the September 23, 1986 meeting relating to the discussion, at the end of the meeting, relative to the location of the September 30, 1986 meeting. He said the amendment would include a note at the end of the meeting stating that Councilman Tisdale and Councilman Boland did not hear the discussion relative to moving the Council meeting to the Civic Center Banquet Room on September 30, 1986.

PROCLAMATION - SEPTEMBER 29 - OCTOBER 3, 1986 - "MINORITY ENTERPRISE DEVELOPMENT WEEK"

2. Mayor Bissette read a proclamation proclaiming September 29 - October 3, 1986 as "Minority Enterprise Development Week".

Mayor Bissette presented the proclamation to Don Schronce with the Asheville Business Development Center.

RESOLUTION NO. 86-185 - RESOLUTION OF APPRECIATION TO HOBERT J. LEDFORD

3. Consideration was given to a resolution of appreciation to Hobert J. Ledford.

Mayor Bissette read the resolution stating that Hobert J. Ledford has faithfully served the City of Asheville since 1972. He has requested retirement from his present post as Laborer effective September 1, 1986.

Upon motion of Councilman Michalove, seconded by Councilman Boland, Resolution No. 86-185 was unanimously adopted.

Complete text of Resolution No. 86-185 will be found in Resolution Book No. 16 at page 160.

Mayor Bissette presented the resolution to Hobert J. Ledford.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, the meeting adjourned at 4:50 p.m.

MAYOR

CITY CLERK

for the Asheville Art Museum, the Health Adventure, and the Colburn Mineral Museum. The approval of the $3,000,000 Bond Issue opens the way for this important project.

There is no plan at this time for the specific allocation of the bond funds in the project. The City Council, however, wants to publicly reaffirm its commitment to the YMI Cultural Center as an integral part of the Pack Place Center. Simply stated, the City's bonds shall not be issued unless and until the additional funds are raised and the total project, including the YMI Cultural Center is approved by the City.

I hope this letter sufficiently addresses your concerns.

Very truly yours,

ASHEVILLE CITY COUNCIL

Louis Bissette
Mayor

LB/jr

Wanda Henry-Coleman and Al Whitesides, President of the YMI Cultural Board, thanked members of Council and reaffirmed their commitment that the YMI Cultural Center is an integral part of the Pack Place Project.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-187 was unanimously adopted.

Councilman Price moved that the Mayor be authorized to forward the letter referred to the YMI Cultural Center and that the letter be attached as a part of the minutes. This motion was seconded by Councilman Boland and carried unanimously.

PUBLIC HEARING - ORDINANCE AMENDING CHAPTER 30 OF THE CODE OF ORDINANCES ESTABLISHING THE CHESTNUT-LIBERTY STREET AREA AS LOCAL HISTORIC DISTRICT

ORDINANCE NO. 1611 - AN ORDINANCE ESTABLISHING THE CHESTNUT-LIBERTY STREET HISTORIC DISTRICT

6. A public hearing was held relative to the adoption of an ordinance amending Chapter 30 of the Code of Ordinances of the City of Asheville to create the Chestnut-Liberty Street area as a local historic district.

Mayor Bissette said this ordinance would designate the Chestnut-Liberty Street neighborhood as a local historic district. Certificates of Appropriateness would be required by a property owner before any exterior rehabilitation or new construction can take place. At the August 12, 1986 meeting, a public hearing was held to consider a proposal by the Historic Resources Commission; however, this matter was remanded to the Historic Resources Commission to reconsider alternate plans that include a smaller area and different boundaries. The Historic Resources Commission has now presented Council with a revised proposal.

Mayor Bissette opened the public hearing at 4:30 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

RESOLUTION NO. 86-186 - RESOLUTION IN MEMORIAM OF CHARLES C. HARDING

4. Consideration was given to a resolution in memoriam of Charles C. Harding.

Mayor Bissette read the resolution stating that Charles C. Harding was a dedicated employee with the City of Asheville over his 20 year career until his untimely death on September 20, 1986.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-186 was unanimously adopted.

Complete text of Resolution No. 86-186 will be found in Resolution Book No. 16 at page 161.

RESOLUTION NO. 86-187 - RESOLUTION DECLARING THE RESULT OF THE SPECIAL BOND REFERENDUM HELD IN THE CITY OF ASHEVILLE ON SEPTEMBER 23, 1986 UPON THE QUESTION OF APPROVING THE $3,000,000 EDUCATION, ARTS AND SCIENCE CENTER BONDS AND $17,000,000 STREET AND SIDEWALK BONDS

5. Consideration was given to a resolution declaring the result of the Special Bond Referendum held in the City of Asheville on September 23, 1986 upon the questions of approving $3,000,000 Education, Arts and Science Center Bonds and $17,000,000 Street and Sidewalk Bonds.

Mayor Bissette said this resolution will declare the results of the referenda as reported by the Buncombe County Board of Elections. Approval of the voters permits issuance of $17 million in bonds for streets and sidewalks and $3 million in bonds for the Pack Place Education, Arts and Science Center.

Mayor Bissette said he had had recent discussions with Wanda Coleman and Al Whitesides with the YMI Cultural Center relative to some misconceptions and in community relative to the YMI Cultural Center as it relates to the recent bond issue. He requested permission from the Council members to forward the following letter to Wanda Coleman with the YMI Cultural Center.

September 30, 1986

Wanda Henry Coleman
YMI Cultural Center
Market & Eagle Street
Asheville, NC

RE: YMI Cultural Center - Pack Place Center

Dear Wanda:

A question has arisen concerning the $3 million bond issue which was approved by Asheville voters on September 23, 1986.

These bond proceeds will represent the City's participation in the $7,600,000 proposed Pack Place Center. The additional $4,600,000 in matching funds will be raised from corporations, individuals, foundations and other public sources. This educational and cultural endeavor includes $500,000 for the completion of the YMI Cultural Center. Pack Place will also become the new home

Mike Robinson, 75 Botany Drive, resident at 179 S. Liberty St.
June Grant, with Grant Realty
Gordon Jewell, 50 E. Chestnut St.
Judge Frank Parker, co-owner of 95 Charlotte St.
Don Nockley
Ralph Bishop
Mr. Batts, 15 Clayton St.
John Hall, 47 Orange St.
Walter Batts, 104 N. Liberty St.
Bill Stamey, Clayton St.
Helen McDarris, Merrimon Avenue

Mayor Bissette closed the public hearing at 7:22 p.m. and Council went into a five minute recess.

Mayor Bissette said the ordinance designating the Chestnut-Liberty area as a historic district was previously presented to members of Council and would not be read in its entirety unless there was a specific request to do so.

Councilman Price moved for the adoption of Ordinance No. 1611. This motion was seconded by Vice-Mayor Frank.

Councilman Michalove said his cousin is the owner of property on Chestnut St. and he asked the City Attorney if he would have a conflict in voting on this issue.

The Corporation Counsel said, in his opinion, Councilman Michalove does not have a conflict of interest.

Councilman Bratton said property owners have the option of pursuing historic designations for their buildings without an entire district being designated and that as a property owner herself, she has a problem with having to ask someone else what she can do with her property.

Mayor Bissette said, in his opinion, he felt a historic district could work but he also feels that it takes the support of the majority of the people in the district. He said he is not convinced the support is in the area to make it work so on this reading he would vote no.

Councilman Michalove said he felt the area is too large, that the boundaries are not logical, that the overall zoning issue should be studied before a district is created and that the success of the Montford Historic District designation should be studied before another area is designated.

Councilman Boland said he felt the designation would be beneficial to the area and to the City because of the importance of the historic preservation.

Vice-Mayor Frank said at times government needs to control an area.

On a roll call vote of 4-3, Ordinance No. 1611 passed on first reading with Mayor Bissette, Councilman Michalove, and Councilman Bratton voting "no" and Vice-Mayor Frank, Councilman Boland, Councilman Tisdale, and Councilman Price voting "yes".

Councilman Tisdale asked members of Council if they felt the second reading of Ordinance No. 1611 should be held in the City Council Chambers or the Civic Center Banquet Room.

Carolyn Humphries, Executive Director of the Historic Resources Commission, presented members of Council with a map showing the proposed boundaries of the Chestnut-Liberty Street areas to be designated as a local historic district.

Mayor Bissette requested that the public hold their comments to three minutes or less unless they are representing a group.

The following individuals spoke in support of creating a historic district in the Chestnut-Liberty Street area stating that the City of Asheville needs to recognize the importance of our heritage and its structures to future generations. The historic designation will not affect property use and statistics from other cities show that property values rise dramatically when historic districts are created:

Pam Warner, 87 N. Liberty St.
Betty Lawrence, 142 E. Chestnut St.
Valerie Clemmer, 89 N. Liberty St.
Marilyn Gephardt, 81 N. Liberty St.
Patsy Warner, 53 Orange St.
Evelyn Wyatt, of Pearson Drive
Robert Dungen, 89 N. Liberty St.
Edward B. Crause
Marvin P. Pope
Gwen Dean, teacher at Claxton and a group of her students
Jim Cairnes, Pearson Drive
Tom Steitler, Chairman of the Historic Resources Commission
Doug Swaim
Boyce Meece
Margaret Bridget, 173 E. Chestnut St.
Bea Hendricks, 165 E. Chestnut St.
A resident of 160 E. Chestnut St.
Jean Warner, 87 N. Liberty St.
Mrs. Hill, 73 Merrimon Avenue
Barbara Molloy, 107 Edwin Place a member of the Historic Resources Commission

The following individuals spoke in opposition to the designation of Chestnut-Liberty Street area as a historic district stating that the proposal would add another level of government control that would deny property rights and personal freedom:

Ralph B. Adams, 75 Madison Avenue
Bill Duckworth, Manager of property on Charlotte St.
Mrs. Haggar, 111 E. Chestnut St.
Ann Cross, Orange St.
Mr. & Mrs. Burgin, 143 Merrimon Avenue
Mr. & Mrs. Green, 141 Merrimon Avenue
John Sorrells, E. Chestnut St.
W. A. McEldruff, 212 E. Chestnut St.
Paul Jones, President of the Asheville Board of Realtors also read a resolution of the Board in opposition to the designation
Dorothy Arrowood, 126 Vance Crescent
John Carroll, 85 Tunnel Road and owner of property at 50 Orange St.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held August 6, 1986, reviewed and recommended that the property known as the Holiday Inn-East which was annexed into the City of Asheville on July 22, 1986, be zoned CH Commercial Highway District.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

There being no further discussion, Mayor Bissette closed the public hearing at 7:58 p.m.

Mayor Bissette said the ordinance was previously presented to members of Council and would not be read in its entirety unless there was a specific request to do so.

Councilman Bratton moved for the adoption of Ordinance No. 1612. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1612 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1612. This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1612 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1612. This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1612 passed on third and final reading.

Complete text of Ordinance No. 1612 will be found in Ordinance No. 11 at page 79-80.

PUBLIC HEARING - SITE PLAN OF PHASE II OF PINECLIFF CONDOMINIUMS LOCATED ON STATE ROAD 2243

9. A public hearing was held relative to a site plan of Phase II of Pinecliff Condominiums located on State Road 2243.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held August 6, 1986, reviewed a site plan of Phase II of Pinecliff Condominiums located on State Road 2243. The plan was prepared by Traher Associates, Architect, for Piney Mountain Associates, Inc., Developer, and submitted in accordance with the Group Development section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to: granting water line easement in favor of the City of Asheville or moving 16" line, and compliance with the Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 8:00 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette said the second reading of Ordinance No. 1611 will be calendared for October 7, 1986 in the City Council Chambers.

PUBLIC HEARING - SITE PLAN OF THE PROPOSED BI-LO SHOPPING CENTER - HENDERSONVILLE ROAD

7. A public hearing was held relative to the site plan of the proposed Bi-Lo Shopping Center to be located on Hendersonville Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held August 27, 1986, reviewed the site plan of a proposed Bi-Lo Shopping Center to be located on Hendersonville Road. The plan was prepared by Gray Engineering Consultants, Inc., Greenville, South Carolina for the Sofran Company, Atlanta, Georgia, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project, and signage, subject to 1) compliance with the Erosion Control Ordinance; 2) approval of curb cut by NCDOT; 3) location of trash compacter to southern side of building; 4) recommend that buffering conditions around the dumpster be met by fencing; and 5) buffer with trees on the east side.

Mayor Bissette opened the public hearing at 7:51 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick reiterated Mayor Bissette's statement that the Planning and Zoning Commission had recommended approval of the project subject to several conditions. He said the plan is designed to meet all off-street parking requirements even with the proposed widening of Hendersonville Road. After discussion, the developer said he would be willing to dedicate right-of-way to the North Carolina Department of Transportation for widening of Hendersonville Road.

Mayor Bissette closed the public hearing at 7:56 p.m.

Councilman Michalove moved to approve the site plan of the proposed Bi-Lo Shopping Center to be located on Hendersonville Road subject to the conditions outlined by the Planning and Zoning Commission and further that the developer dedicate to the North Carolina Department of Transportation property for right-of-way. This motion was seconded by Councilman Tisdale and carried unanimously.

PUBLIC HEARING - ZONING PROPERTY KNOWN AS THE HOLIDAY INN-EAST LOCATED ON U.S. 70

ORDINANCE NO. 1612 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED - PROPERTY KNOWN AS THE HOLIDAY INN-EAST LOCATED ON U.S. 70

8. A public hearing was held relative to an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville" as amended - property known as the Holiday Inn-East located on U.S. 70.

Mayor Bissette opened the public hearing at 7:00 p.m.

RESOLUTION NO. 86-189 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE, ON BEHALF OF THE CITY, A CONTRACT BETWEEN THE CITY OF ASHEVILLE AND R & W, INC. OF ASHEVILLE, NORTH CAROLINA FOR THE INSTALLATION OF A BOILER IN THE MUNICIPAL BUILDING

12. Consideration was given to a resolution authorizing the City Manager to execute, on behalf of the City, a contract between the City of Asheville and R & W, Inc. of Asheville, North Carolina for the installation of a boiler in the Municipal Building.

The Associate City Manager said the present heating system for the Municipal Building is not adequate to heat the building. He said Wood & Cort, Inc., Architects are employed by the City to develop specifications for the installation of a boiler in the Municipal Building. He said the low bid for the successful completion of the boiler in the Municipal Building is R & W, Inc. of Asheville, North Carolina in the amount $25,600.00. He said this resolution will authorize the City Manager to execute agreements and any amendments to the agreements within the budgeted amount by and between the City of Asheville and R & W, Inc. for the installation of a boiler in the Municipal Building.

Upon motion of Councilman Michalove, seconded by Councilman Boland, Resolution No. 86-189 was unanimously adopted.

Complete text of Resolution No. 86-189 will be found in Resolution Book No. 16 at page 167.

RESOLUTION NO. 86-190 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE, ON BEHALF OF THE CITY OF ASHEVILLE, A FEDERAL AVIATION GRANT AGREEMENT, PROJECT NO. 3-37-0005-07

13. Consideration was given to a resolution authorizing the Mayor to execute, on behalf of the City of Asheville, a Federal Aviation Grant Agreement, Project No. 3-37-0005-7.

The Associate City Manager said the Federal Aviation Administration has offered a grant agreement to the Asheville Regional Authority in the amount of $2,333,967.00. He said the City of Asheville and the County of Buncombe are co-sponsors of the grant agreement and the FAA requires each sponsor to execute said grant agreement. He said the project consists of relocating terminal access road; overlay and groove runway 16/34; install and relocate perimeter fencing with gate; rehabilitate portion of parallel taxiway; expand and rennovate terminal building; and land acquisition for airport development.

Upon motion of Councilman Boland, seconded by Councilman Bratton, Resolution No. 86-190 was unanimously adopted.

Complete text of Resolution No. 86-190 will be found in Resolution Book No. 16 at page 168.

Verl Emrick said the project would consist of a total of 72 units. He said the problem with the sewer line has been resolved by private easement negotiation by the developer with adjoining property owners.

A discussion was held relative to a water line easement for the proposed project.

After discussion, Mayor Bissette closed the public hearing at 8:22 p.m.

Councilman Michalove moved to approve the site plan of Phase II of Pinecliff Condominiums located on State Road 2243 subject to the Planning and Zoning Commission's recommendations and further that a mutually satisfactory agreement be developed between the City of Asheville and the property owner and that members of Council review the easement as soon as possible. This motion was seconded by Councilman Boland and carried unanimously.

SCHEDULE PUBLIC HEARING - AMENDING ORDINANCE NO. 322 - ZONING ORDINANCE OF THE CITY OF ASHEVILLE FOR OCTOBER 14, 1986 REGARDING MOUNTAIN/SLOPE STANDARDS

10. Councilman Price moved to schedule a public hearing relative to an ordinance amending Ordinance No. 322 known as an ordinance providing for the zoning of the City of Asheville as amended for October 14, 1986 at the Asheville Civic Center Banquet Room regarding Mountain/Slope Standards. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION 86-188 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE ON BEHALF OF THE CITY, A CONTRACT BETWEEN THE CITY OF ASHEVILLE AND MOSER, INC. OF ASHEVILLE, NORTH CAROLINA FOR THE INSTALLATION OF A BOILER IN THE CITY HALL BUILDING

11. Consideration was given to a resolution authorizing the City Manager to execute on behalf of the City, a contract between the City of Asheville and Moser, Inc. of Asheville, North Carolina for the installation of a boiler in the City Hall Building.

The Associate City Manager said the present heating system for the City Hall Building is not adequate to heat the building. He said Wood & Cort, PA, Architects were employed by the City of Asheville, to develop specifications for the installation of a boiler in the City Hall Building. He said the low bid for the successful completion of the installation of a boiler in the City Hall Building is Moser, Inc. in the amount of $22,732.00. He said this resolution would authorize the City Manager to execute the agreements and any amendments to the agreements within the budgeted amount by and between the City of Asheville and Moser, Inc. for the installation of a boiler in the City Hall Building.

Upon motion of Councilman Michalove, seconded by Councilman Boland, Resolution No. 86-188 was unanimously adopted.

Complete text of Resolution No. 86-188 will be found in Resolution Book No. 16 at page 166.

Tuesday - October 7, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Tisdale led the audience in the Pledge of Allegiance and gave the invocation.

APPROVAL OF THE MINUTES - SEPTEMBER 30, 1986 MEETING

1. Consideration was given to the approval of the minutes of the September 30, 1986, meeting.

Councilman Boland requested that the minutes be amended to substitute the following paragraph in lieu of the paragraph regarding his statement relative to the second reading of the proposed Chestnut-Liberty Street Historic District: "Councilman Boland said the majority of Asheville's citizens support historic districts. He said this is reflected in responses to Alternatives for Asheville questionnaires and also in the proposed districts for Biltmore Village and the downtown area. He said the designation of a historic district is also a useful tool to limit the urban sprawl from the central business district. He said it has been determined that a historic district will raise property values. He suggested that a forum be established to work out the active promotion of marketing of such areas".

Mayor Bissette announced the approval of the minutes of the September 30, 1986 meeting, as amended.

PROCLAMATION - "EMPLOY THE HANDICAPPED WEEK" - OCTOBER 5-11, 1986

2. Mayor Bissette read a proclamation proclaiming October 5-11, 1986 as "Employ the Handicapped Week".

Mayor Bissette presented the proclamation to Sally Monroe with Handi-Skills.

RECOGNITION OF BOY SCOUTS

3. Mayor Bissette recognized several boy scouts in the audience.

RESOLUTION NO. 86-191 - RESOLUTION AUTHORIZING VICE-MAYOR TO EXECUTE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND ANA ENTERPRISES FOR THE RELOCATION OF A SEWER LINE AND GRANTING OF EASEMENTS ON PROPERTY LOCATED AT 660 MERRIMON AVENUE

14. Consideration was given to a resolution authorizing Vice-Mayor to execute an agreement by and between the City of Asheville and ANA Enterprises for the relocation of a sewer line and granting of easements on property located at 660 Merrimon Avenue.

The Associate City Manager presented the resolution stating that the location of the new building on 660 Merrimon Avenue requires the relocation of an existing sewer line on the southwestern portion of said property. He said the City is interested in acquiring a recorded easement from the property owner for additional right-of-way for a public street or sidewalk along the eastern boundary of the property. He said this resolution will authorize the Vice-Mayor to execute an agreement or lease, by and between the City of Asheville, and ANA Enterprises for relocation of a sewer line and granting of easements for property located at 660 Merrimon Avenue.

Mayor Bissette requested that he be excused from participation and vote on the resolution due to his firm representing ANA Enterprises.

Councilman Price moved to excuse Mayor Bissette from voting on Resolution 86-191. This motion was seconded by Vice-Mayor Frank and carried unanimously.

Upon motion of Councilman Michalove, seconded by Councilman Boland, Resolution No. 86-191 was unanimously adopted.

Complete text of Resolution No. 86-191 will be found in Resolution Book No. 16 at page 169.

CLAIMS - WRIGHT'S CARPET (WATER) - HAZEL GRANT (WATER) - INGRID GORDOS (STREETS)

The Associate City Manager presented claims received from Wright's Carpet, Hazel Grant, and Ingrid Gordos.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Boland, the meeting adjourned at 8:30 p.m.

MAYOR

CITY CLERK

RESOLUTION NO. 86-193 - RESOLUTION COMMENDING PARTICIPANTS IN THE ANNUAL RED CROSS BLOOD DRIVE

7. Consideration was given to a resolution commending participants in the Annual Red Cross Blood Drive.

Mayor Bissette said the City of Asheville, in conjunction with the Asheville Area American Red Cross, conducted an annual Blood Drive on Wednesday, August 27, 1986, at the Main Fire Department Headquarters. Eighty-five pints of blood were donoted by City employees. The Department of Public Works donated thirty-eight (38) pints and the Division of Water and Sewer Maintenance donated sixteen (16) pints.

Mayor Bissette recognized several City employees who had donated a substantial amount of blood to the Red Cross.

Upon motion of Vice-Mayor Frank, seconded by Council Tisdale, Resolution No. 86-193 was unanimously adopted.

Complete text of Resolution No. 86-193 will be found in Resolution Book No. 16 at Page 171.

ORDINANCE NO. 1611 - AN ORDINANCE AMENDING CHAPTER 30 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO CREATE THE CHESTNUT-LIBERTY STREET AREA AS LOCAL HISTORIC DISTRICT

8. Consideration was given to the second reading of Ordinance No. 1611, an ordinance amending Chapter 30 of the Code of Ordinances of the City of Asheville to create the Chestnut-Liberty Street Area as local historic District.

Mayor Bissette said this ordinance would designate the Chestnut-Liberty Street neighborhood as local historic district. Certificates of Appropriateness would be required by a property owner before any exterior rehabilitation or new construction can take place. At the August 12, 1986 meeting, a public hearing was held to consider a proposal by the Historic Resources Commission; however, this matter was remanded to the Historic Resources Commission to reconsider alternate plans that include a smaller area and different boundaries. The Historic Resources Commission has now presented Council with a revised proposal. This ordinance passed first reading at the September 30, 1986 meeting.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Ralph Bishop requested that the ordinance be read in its entirety.

Mayor Bissette and members of Council read the proposed ordinance in its entirety.

James Smith, of 90 North Liberty Street, showed a video of the Chestnut-Liberty Street area. He also spoke in opposition to the designation of the Chestnut-Liberty Street area as a local historic district.

PROCLAMATION - OCTOBER, 1986 - "NATIONAL LUPUS AWARENESS MONTH"

4. Mayor Bissette read a proclamation proclaiming October, 1986, as "National Lupus Awareness Month".

Mayor Bissette presented the proclamation to Robert and Mary Proctor.

REPORT RELATIVE TO MARKETING SURVEY - BELE CHERE 1986

5. Jim Daniels, Chairman of Bele Chere 1986, and Jerry Grant, Festival Chairman, said they felt Bele Chere 1986 was a success. Mr. Grant said Pro Gen Research of Greenville, South Carolina, conducted an independent demographic and economic impact survey during the festival. He said approximately $11.5 million was spent in Asheville during the festival at restaurants, hotels, gift shops, retail outlets, gas stations, and other businesses, in addition to the money spent at the festival itself. He said he felt the $11.5 million was a conservative figure. He said it was determined that 200,000 people attended the Bele Chere 1986 Festival. He said vendor revenues from Bele Chere totalled $176,636.00, and the City's 20% commission totalled $35,327.00. He said the survey, based on a sampling of 829 people who went to the festival, including responses from 640 residents who live in Western North Carolina areas, and 189 non-residents from 22 states. He said the survey showed the average person at Bele Chere spent $31.27 on souvenirs; $96.40 on lodging for those who obtained lodging; $23.64 on food; and $13.58 on gasoline. He said the average total expenditure was $54.46 for area residents, and $146.06 for non-residents. He said of the area residents surveyed, 94.4% said they will attend the festival next year, while 83.6% of the non-residents said they will return for Bele Chere 1987. He said the figures are above what was projected for Bele Chere 1986. He said he felt the survey should be used in a positive way to plan other festival events.

Jim Daniels thanked the 600 volunteers who worked for Bele Chere 1986, and for the City of Asheville's support.

Mayor Bissette thanked Jim Daniels, Jerry Grant, the Bele Chere Board, and Leslie Anderson for their efforts in making Bele Chere 1986 a success.

RESOLUTION NO. 86-192 - RESOLUTION IN MEMORIAM OF CARL EUGENE EDWARDS

6. Consideration was given to a resolution in memoriam of Carl Eugene Edwards.

Mayor Bissette said Carl Eugene Edwards was a dedicated employee with the City of Asheville over his 30 year career until his untimely death on September 28, 1986.

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, Resolution No. 86-192 was unanimously adopted.

Complete text of Resolution No. 86-192 will be found in Resolution Book No. 16 at Page 170.

Councilman Michalove said he felt an additional cost would be involved in the Historic Resources Commission budget if the proposed ordinance is approved. He said Council had only approved the Historic Resources budget through October. He said he would agree to postpone action on the ordinance until a survey of the Montford Historic District is completed, and a decision as to funding for the Historic Resources Commission is made.

On a roll call vote of 4-3, Ordinance No. 1611 passed on second reading, with Councilman Boland, Councilman Tisdale, Councilman Price, and Vice-Mayor Frank voting "Aye", and Mayor Bissette, Councilman Michalove, and Councilman Bratton voting "no".

CHANGE IN MEETING LOCATION FOR MEETING SCHEDULED OCTOBER 14, 1986

9. Mayor Bissette noted that the regular scheduled City Council meeting for October 14, 1986, will be held in the Asheville Civic Center Banquet Room.

SALE OF DISPOSAL PARCELS 35, AND 126 - EAST RIVERSIDE RENEWAL PROJECT AND THE EAST END/VALLEY STREET COMMUNITY IMPROVEMENT PROJECT

10. Consideration was given to a motion approving the sale of disposal parcels 35 and 126 in the East Riverside Renewal Project and the East End/Valley Street Community Improvement Project.

Mayor Bissette said the Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East Riverside Renewal Project and the East End/Valley Street Community Improvement Project.

Parcel	Resue	Price	Bid	Redeveloper
35	Residential	$300.00	$300.00	Joyce Neal
126	Residential	900.00	900.00	Varick Chapel Church

Disposal Parcel 35 is located in the East End/Valley Street Project. The developer is proposing to improve the accessibility and frontage to the adjacent property on Martin Lutuer King Blvd. The improvements will consist of fencing and grass. No construction is anticipated.

Disposal Parcel 126 is located in the East Riverside Project on the corner of South French Broad Avenue and Bartlett Street. The developer proposes a parking lot for the church to eliminate on-street parking. No construction is anticipated.

Councilman Michalove moved to approve the sale of disposal parcels 35 and 126 in the East Riverside Renewal Project and the East End/Valley Street Community Improvement Project as recommended by the Housing Authority of the City of Asheville. This motion was seconded by Councilman Tisdale and carried unanimously.

Ann Cross, Orange Street, spoke in opposition to the proposed designation, and requested that her property be excluded from the historic district.

Judge Frank Parker, co-owner of property located at 95 Charlotte Street spoke in opposition to the proposed designation, and presented statistics showing that a substantial number of actual owners and residents in the area opposed the designation.

Paul Jones, President of the Asheville Board of Realtors, and resident of Black Mountain, said the Asheville Board of Realtors was approached by the Historic Resources Commission to present facts to the Board relative to the historic designation. He said Tom Stietler with the Historic Resources Commission and June Grant, a resident opposed to the designation, appeared before the Asheville Board of Realtors on October 6, 1986, to present all of the facts involved. He said after hearing the presentations, the Board was still in opposition to the proposed historic district.

Waylon Hampton, of 179 S. Liberty Street spoke in opposition to the proposed historic district, and asked that his property be excluded.

Ralph Bishop spoke in opposition to the ordinance.

Gary Lanning of 109 North Liberty Street spoke in opposition to the historic designation.

Bill Duckworth, Manager of property on Charlotte Street also spoke in opposition to the historic designation, and recommended that Council defer action on this ordinance for at least one or two years until a survey is taken in the Montford Historic District to determine its success. He said he felt like the next request for the Montford area would be for an urban redevelopment area.

Catherine Hunter of 160 East Chestnut Street spoke in support of the ordinance.

Tom Steitler, Chairman of the Historic Resources Commission spoke in support of the ordinance.

Betty Lawrence of 142 Hillside Street spoke in support of the ordinance. She said she did not feel a study or survey is needed in the Montford Historic District. She said the Montford area has proven to be successful as a historic district.

Annette Owenby of 30 East Chestnut Street said she felt there was no comparison with the Montford area and the Chestnut-Liberty area. She spoke in opposition to the proposed designation.

Jean Warner of North Liberty Street, speaking in support of the proposed ordinance, stated that the list of names presented by Judge Frank Parker was not accurate. She said information has been given to residents in the area which has been distorted and is frightening some residents.

Councilman Tisdale, speaking in support of the ordinance, said many commercial businesses have been successful in historic districts.

Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to buffering and compliance with the Erosion Control Ordinance.

FISCAL IMPACT: None

D. Consideration of a motion to schedule a public hearing authorizing the issuance of a Certificate of Public Convenience and Necessity to Hilliard L. Wright for October 28, 1986.

HIGHLIGHTS: The City Manager will be authorized to issue a Certificate of Public Convenience and Necessity to Hilliard L. Wright pursuant to Section 27-34 of the Code of Ordinances of the City of Asheville upon proof of financial responsibility in accordance with N. C. Gen. Stat. sec. 20-280.

FISCAL IMPACT: None

Upon motion of Councilman Michalove, seconded by Councilman Tisdale, the Consent Agenda was unanimously approved.

CLAIMS - ROBERT W. LONG (SEWER) - MICHAEL BRADY (STREETS) - HERSCHEL HARRIS (WATER)

12. The City Manager presented claims received from Robert W. Long, Michael Brady and Herschel Harris.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

13. Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Tisdale, the meeting adjourned at 6:50 p.m.

MAYOR

CITY CLERK

APPROVAL OF THE CONSENT AGENDA

11. Consideration was given to a motion approving the Consent Agenda.

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 86-194

A. Consideration of a resolution authorizing the City Manager to execute an agreement with the Asheville Area Chamber of Commerce for services promoting general industrial growth and growth of the travel and tourism industry.

HIGHLIGHTS: This resolution will authorize the City Manager to execute an agreement between the City of Asheville and the Asheville Area Chamber of Commerce for services promoting tourism.

FISCAL IMPACT: Total Sum - $37,542 - to be paid in quarterly payments.

Resolution Book No. 16 - Page 172.

B. Consideration of a motion to schedule a public hearing to rezone a portion of Lot 192, Sheet 13, Ward 8 from R-2 Residential District to CH Commercial Highway District for October 28, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held September 10, 1986, considered the petition of Attorney John Stevens for Mr. and Mrs. Elmer Frink that a portion of Lot 192, Sheet 13, Ward 8, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located on Arco Road. After review and discussion, the Commission voted to recommend to City Council that a portion of Lot 192, Sheet 13, Ward 8 to within 50' of Arco Road be rezoned from R-2 Residential District to CH Commercial Highway District.

C. Consideration of a motion to schedule a public hearing relative to a site plan of the proposed Bob Barbour Development to be located at 1616 Patton Avenue for October 28, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held September 10, 1986, reviewed the site plan of the proposed Bob Barbour Development to be located at 1616 Patton Avenue. The plan was prepared by Vaughn & Melton, Engineers, for Bob Barbour, Developer, and submitted in accordance with the Group Development Section of the

PUBLIC HEARING - FINAL PLAT OF THE SCHWAB CONSTRUCTION COMPANY SUBDIVISION - OFF LAKESHORE DRIVE

3. A public hearing was continued relative to the final plat of the Schwab Construction Company Subdivision to be located off Lakeshore Drive.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 11, 1986, approved the preliminary plat subject to the developer providing a 16' wide paved drive to all four parcels and recommending that City Council consider placing a caution signal light and signage on each side of the entrance road. The final plat of the Schwab Construction Company Subdivision is to be located off Lakeshore Drive. This plat was prepared by Webb Morgan, R.L.S., for Schwab Construction Company, Developer, and submitted in accordance with Ordinance #424, as amended. This public hearing was continued from the August 26, 1986 meeting. At the September 2, 1986 meeting, this public hearing was continued until the September 9, 1986 meeting. At the September 9, 1986 meeting, the public hearing was continued until September 16, 1986. At the September 16, 1986 meeting, the public hearing was continued until the October 14, 1986 meeting.

Verl Emrick, Director of Planning, said revised plans have been received from the developer for the Schwab Construction Company Subdivision to be located off Lakeshore Drive. He said a 16' right-of-way would be constructed at City standards. He said a turnaround at the end of the road would be provided with a 50' radius. He said the Public Works Department had requested that Council also allow for a 4' right-of-way on each side of the road.

After discussion, Mayor Bissette closed the public hearing at 4:24 p.m.

Councilman Boland moved to approve the final plat of the Schwab Construction Company Subdivision to be located off Lakeshore Drive subject to the recommendations of the Planning and Zoning Commission and further that a 50' radius be provided on a cul-de-sac and a 4' additional right-of-way on each side of the road be dedicated to the City. This motion was seconded by Councilman Tisdale and carried unanimously.

PUBLIC HEARING - AMENDING ORDINANCE NO. 322 - PROVIDING FOR MOUNTAIN/SLOPE STANDARDS

ORDINANCE NO. 1613 - AN ORDINANCE AMENDING ORDINANCE NO. 322, BEING THE ZONING ORDINANCE OF THE CITY OF ASHEVILLE

4. A public hearing was held relative to an ordinance amending Ordinance No. 322, being the Zoning Ordinance of the Code of Ordinances of the City of Asheville (hillsides).

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held September 10, 1986, reviewed and recommended approval of the Mountain/Slope Standards subject to clarification that it only pertains to land over 2,220 feet.

Mayor Bissette opened the public hearing at 4:26 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Tuesday - October 14, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - OCTOBER 7, 1986 MEETING

1. Consideration was given to the approval of the minutes of the October 7, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted with one typographical error.

RESOLUTION NO. 86-195 - RESOLUTION AMENDING RULE 23 OF THE RULES AND PROCEDURES OF THE ASHEVILLE CITY COUNCIL

1a. Consideration was given to a resolution amending Rule 23 of the Rules and Regulations of the Asheville City Council by adding the following additional paragraph: "Members of the public requesting a copy of any ordinance under consideration of the City Council shall be provided with a copy of said ordinance without said charge. Requests by members of the public for an ordinance to be read in its entirety in a Council meeting shall only be complied with upon a vote of the majority of Council. The person requesting that the ordinance be read in full shall be provided a copy of the ordinance without charge."

Mayor Bissette said the Council feels that the reading of an ordinance in its entirety is unnecessary and, therefore, this resolution will do away with the provision that ordinances be read in full.

Upon motion of Councilman Bratton, seconded by Councilman Price, Resolution No. 86-195 was unanimously adopted.

Complete text of Resolution No. 86-195 will be found in Resolution Book No. 16 at page 173.

PROCLAMATION - INTERNATIONAL CREDIT UNION DAY - OCTOBER 16, 1986 - ASHEVILLE-BUNCOMBE CREDIT UNION DAY

2. Mayor Bissette read a proclamation proclaiming October 16, 1986, as "International Credit Union Day" and further that October 16, 1986, be proclaimed as "Asheville-Buncombe Credit Union Day."

Mayor Bissette read the proclamation and presented a copy to Doris Rigsby, Manager of the Asheville-Buncombe Employees Credit Union.

Councilman Price also requested that the City staff look into height regulations in zones other than R-1 and R-2.

Mayor Bissette requested that the following memorandum from Dr. Richard Nailling be included in the minutes.

PLANNING AND ZONING COUNCIL - STATEMENT 10/14/86

Members of the Asheville City Council

Mr. Mayor and City Councilmen:

I am addressing this statement to you in the hopes that you will consider very seriously the future of our fine mountain city as it relates to the Planning and Zoning Ordinance which is being presented for public discussion and passage this afternoon.

I feel that you are being forced into this "freeze Asheville mentality" by a backlash from poor administration in your Planning and Zoning and City Inspection Departments, chiefly instigated by the poorly controlled Woodbury Project. This project you know was fully approved by Planning and Zoning, but got out of hand because it was claimed that they did not have enough work force to follow afterward and see that things were being done right. Actually, a step to the windows at City Hall was all that was necessary!

The same officials are now forcing the most restrictive ordinance imaginable on our beautiful mountain city to stifle construction only 3.71 feet above the level of our Post Office steps, this being 2216.29 feet by the national geodetic survey.

Leave the mountain alone! Let history continue to develop! Just because Town Mountain is finished and very rich and acceptable, don't condemn Beaucatcher's future. It is still withstanding the recent poorly planned and more poorly monitored onslaughts of Woodbury Apartments, Windswept Condominiums (and just wait until the wind really does sweep!) and Wind in The Oaks, another wind susceptible structure - AND ALL OF THE ABOVE WITHOUT ADEQUATE WATER PRESSURE FOR FIREFIGHTING. It appears rather obvious that Council has mustered at least four votes, possibly five to steam roll this inadequate and fitiful ordinance over people who would yet like to come to the mountains and have a view from a nice mountain home.

Beaucatcher Mountain is not going to slide from its ridges and slopes of predominantly rock. One can see this by driving through the new cut in Town Mountain; which, incidently, was delayed some five or six years by a Westgate developer and the Town Mountain Association at several million dollars expense to the City, County, and State DOT. I am told this was an elevation in bid amounts of some eight million dollars.

Such engineers as Tektronics of Gatlinburg, the builder of some of the finest hotels and motels in that city and Lewis-Clark, nationally known planners of Raleigh have been on Beaucatcher Mountain and studied it and have felt that it could hold almost any type of structure, including cement buildings and bridges, due to its firm rock core.

It is a pity that the new officials coming in with such plants as BASF and others, who are interested in the quality of life of their employees, will have to go out in the country about nine miles to escape the arbitrary one

Verl Emrick, Director of Planning, said the purpose of the ordinance is to regulate development in hillside areas which will preserve the City's unique visual character, conserves the public health, safety, and general welfare, and promotes environmentally sound design and planning. He said the Hillside Ordinance would regulate multi-family developments on slopes and would affect all residential zones and commercial highway and office institutional zones where residential development is permitted. He said this ordinance would apply to developments that require a group developement review, are located on a site with a slope of 15% or greater, and are at an elevation of 2,220' or higher. He said the ordinance would not drastically affect development of property in the City of Asheville. By the use of a map, Mr. Emrick showed the areas of the City that would be affected by this ordinance. He said this particular ordinance does not address single family dwellings or small scale developments. He said in the Planning staff's opinion, the ordinance is not overly restricted in developments on mountain slopes.

Roger Lyda, professional engineer, spoke in opposition to the proposed ordinance stating that the purpose and objectives of the ordinance will not control the growth of property in the City of Asheville.

Doug Swaim, representing the Coalition of Asheville Neighborhoods, spoke in support of the ordinance stating that the ordinance is necessary to control development on mountain sides and minimize negative effects of developments on lower lying properties. He said the ordinance is not perfect, but it would help alleviate problems with developments on mountain slopes. He urged Council's adoption of the ordinance.

George Jensen, engineer, whose residence is in Weaverville, NC, said the ordinance should affect single family, as well as multi-family development because both types of construction hurt the environment through erosion run-off and other disturbances.

Rev. John David Stewart, of 139 Kenilworth Road and President of the Kenilworth Residents Association, spoke in support of the ordinance.

After discussion, Mayor Bissette closed the public hearing at 5:06 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance, and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1613. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1613 passed on first reading.

Upon inquiry of Councilman Michalove and Mayor Bissette relative to their professional involvement with firms owning property in these particular areas, Corporation Counsel Slawter said there would be no conflicts of interest either on Councilman Michalove's or Mayor Bissette's participation and vote on this particular ordinance.

Vice-Mayor Frank noted that Council would be discussing standards for single-family dwellings on mountain slopes.

Mayor Bissette opened the public hearing at 5:13 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

The City Manager said there would be no problems relative to sewer easements due to the fact that the resolution will reserve easements for water and sewer lines.

After a brief discussion, Mayor Bissette closed the public hearing at 5:15 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-196 was unanimously adopted.

Complete text of Resolution 86-196 will be found in Resolution Book No. 16 at Page 174-175.

ORDINANCE NO. 1611 - AN ORDINANCE AMENDING CHAPTER 30 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO CREATE THE CHESTNUT-LIBERTY STREET AREA AS LOCAL HISTORIC DISTRICT

6. Consideration was given to the third reading of Ordinance No. 1611, an ordinance amending Chapter 30 of the Code of Ordinances of the City of Asheville to create The Chestnut-Liberty Street Area as local historic district.

Mayor Bissette said this ordinance would designate the Chestnut-Liberty Street neighborhood as a local historic district. Certificates of Appropriateness would be required by a property owner before any exterior rehabilitation or new construction can take place. At the August 12, 1986 meeting, a public hearing was held to consider a proposal by the Historic Resources Commission; however, this matter was remanded to the Historic Resources Commission to reconsider alternate plans that include a smaller area and different boundaries. The Historic Resources Commission has now presented Council with a revised proposal. This ordinance passed first reading at the September 30, 1986 meeting and second reading at the October 7, 1986 meeting.

Carolyn Humphries, Executive Director of the Historic Resources Commission, again outlines the bounderies to be included in the Chestnut -Liberty Street area as a local historic district.

Mayor Bissette said he had received several letters requesting that their individual properties be excluded from inclusion into the Chestnut-Liberty Street Historic District. He said one letter was received from Virginia Hampton owning Ward 2, Sheet 2, Lot 33 1/4; John Hall owning Ward 2, Sheet 2, Lot 33; and Ann Cross owning Ward 2, Sheet 4, Lot 112 1/2.

Ralph Bishop spoke in opposition to the ordinance.

Judge Frank Parker, owner of property in the proposed Chestnut-Liberty Street area, spoke in opposition to the ordinance and presented a

mile limit - and then be followed out by further expensive legal battles of annexation - while over extended water and sewer lines can't affort to follow them. It is fitting to mention at this time that Asheville was formerly 72,000 population and has been depressed to 55,000 for the last few counts. It will certainly not go anywhere after this restrictive ordinance is passed.

As a concerned citizen and moderately heavy taxpayer, I am not looking forward to the city's increasingly costly legal battles here and in Raleigh - and who knows, possibly in Washington, against such developers - two at the present time - who have been injured by P&Z staff to see to it that they acquaint and educate the members of the Council in the technical know-how to avoid these costly mistakes before they ever happen.

It should be a mandatory policy that all council members should be required to go see all property affected by this ordinance before passing such measures at these hearings. It is interesting to note that this public hearing had no notice in the Asheville Times last evening or the Asheville Citizen this morning, therefore it will not be very public!

It is very smug and unrepresentative of concern for the tax payer when Councilmen can break firm promises, repeatedly, to view such properties under consideration and practically to be condemned by this menacing ordinance. Possibly the councilman thinks "it will go away" if he does not see it. Who knows what he might be thinking? It certainly could not be foresight nor far-sighted in respect to Asheville's future.

Sincerely yours,

R. C. Nailling

Richard C. Nailling, M.D.

PUBLIC HEARING - CLOSING PUBLIC ALLEYS FOR PACK PLAZA PROJECT AREA

RESOLUTION NO. 86-196 - RESOLUTION TO CLOSE ALL PUBLIC ALLEYS LOCATED IN THE PACK PLAZA PROJECT AREA

5. A public hearing was held relative to closing all public alleys located in the Pack Plaza Project area, in the block bordered by Biltmore Avenue to the west, Eagle Street to the south, South Market Street to the east, and Pack Square to the north.

Mayor Bissette said a petition has been filed by Pack Plaza Associates Limited Partnership, owner of all the property located in the Pack Plaza Project in the block bounded by Biltmore Avenue to the west, Eagle Street to the south, South Market Street to the east and Pack Square to the north, requesting that all the public alleys therein, be permanently closed to public use. The permanent closing of these public alleys would not be either detrimental to or contrary to the public interest or the property rights of any individual and no individual owning property in the vicinity of said public alleys would be deprived of reasonable means of ingress and egress to this property. **

This public hearing was scheduled at the September 16, 1986 meeting.

**SEE MINUTES - OCTOBER 28, 1986.

expression of their request in the public hearing or previous public hearings, and letters received by the Mayor requesting that their property be excluded. This motion was seconded by Councilman Michalove.

Councilman Michalove said the exclusion of certain properties in this historic district would be setting a precedent of eliminating properties in various zoning matters. He said he felt the Council needs to look at the City as a whole; however, this was an unusual case and enough residents opposed the designation for Council not to proceed in making this a historic district.

Councilman Boland said he felt that eliminating certain properties would be a precedent that would cause a problem.

Carolyn Humphries, at the request of Councilman Boland, said the Historic Resources Commission would recommend that these properties not be excluded since the boundaries are that of a national historic district.

Mayor Bissette said he could not support Councilman Bratton's motion due to the fact that many people in the area who have not officially requested that their property be excluded would probably also like that opportunity.

On a voice vote of 5-2, Councilman Bratton's motion failed, with Mayor Bissette, Councilman Boland, Councilman Tisdale, Councilman Price, and Vice-Mayor Frank voting "no", and Councilman Bratton and Councilman Michalove voting "aye".

On a roll call vote of 4-3, Ordinance No. 1611 passed on third and final reading with Mayor Bissette, Councilman Michalove, and Council Bratton "no".

Complete text of Ordinance No. 1611 will be found in Ordinance Book No. 11 at Page 68-78.

APPROVAL OF THE CONSENT AGENDA

7. Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 86-197

A. Consideration of a resolution requiring each member of all City boards and commissions to vote upon all matters.

HIGHLIGHTS: This resolution will require each member of all City boards and commissions, including the Chairman, to vote upon all matters unless otherwise disqualified and unless otherwise provided for by law.

Resolution Book No. 16, Page 176.

letter from Helen McEyea of 120 Flint Street who opposed the designation of a historic district. He said she was denied permission to enclose her porch as she is located in the Montford Historic District.

Annette Owenby of East Chestnut Street said she had also written a letter requesting that her property be removed from the proposed area. She also presented letters from Donna Burgin and Helen McDaris. She said 64 percent of the property owners in the area are opposed to the designation and 34 residents have expressed their opposition to the ordinance.

John Sorrells noted that he had also written to the Mayor requesting that his property be removed from the designation.

Walter Batts of North Liberty Street asked that his property be removed from the designation. He asked if the proposed district is created, would the City of Asheville replace streets with brick and old street lights. He said he felt if the residents have to do their part, then the City should also have to comply with the historic regulations.

Margaret Bridgett of Chestnut Street spoke in favor of the ordinance.

Gene Gephart of 81 North Liberty Street spoke in favor of the ordinance.

Tom Steitler, Chairman of the Historic Resources Commission, spoke in support of the ordinance, stating that the City would also have to go through the due process with infrastructure changes in the neighborhood.

Gene Warner, spoke in support of the ordinance.

Richard Thornton of 123 Blackberry Inn Road in Weaverville, North Carolina, and past Director of Downtown Revitalization, said he felt voluntary guidelines should be used in the designation of a historic district rather than mandatory guidelines.

Willard Robinson of Madison Avenue spoke in support of the ordinance.

Tim Warner spoke in support of the ordinance.

Joe Penland, owner of property inside and outside of the proposed district spoke in opposition to the proposed ordinance stating that his business property should be exempt from the ordinance.

Bill Duckworth of 243 East Chestnut Street said all signatures presented to the Mayor on a petition opposing the historic district were original and obtained without duress. He said the City of Asheville residents do not need another layer of government control. He asked that his property also be excluded from the historic district designation.

Councilman Tisdale noted that all the residents should work together to make this particular area a beautiful district.

Councilman Bratton said she did not feel the historic district designation would be successful unless everyone in the area were in favor of the historic district.

After discussion, Councilman Bratton moved to exclude those properties requested to be excluded from the historic district, either by

FISCAL IMPACT: None

Resolution Book No. 16, Page 178.

Resolution No. 86-200

E. Consideration of a resolution supporting the application for a Civil Works Grant for Planning activities on the French Broad River in Asheville.

HIGHLIGHTS: The City Council desires to support an application for Civil Works Funds from the North Carolina Department of Natural Resources and Community Development for comprehensive planning activities on the French Broad River Corridor running through the Asheville urban area. The City desires to study a method and create a design to beautify and provide recreational opportunity for the citizens and visitors of this urban center. This will request the State to provide financial assistance in the amount of $20,000 or 50% of the planning costs, whichever is less. The Council will assume full obligation for payment of the balance of planning costs.

FISCAL IMPACT: Grant funds in the amount of $20,000.

Resolution Book No. 16, Page 179.

F. Consideration of a motion scheduling a public hearing for Wall Street Development Plan Phase II - Parking Deck for October 28, 1986.

HIGHLIGHTS: At a meeting held October 8, 1986, the Asheville Planning and Zoning Commission reviewed the site plan of Wall Street Development Plan, Phase II - Parking Deck which was prepared by Glave-Newman-Anderson, Architects, for Southeastern Historic Properties, Developer. The Commission moved to recommend approval of the plan and to recommend to City Council that they review the developer's plans for maintaining access to all businesses that are currently in operation on Wall Street.

FISCAL IMPACT: Memorandum of Agreement and City Agreements in place.

G. Consideration of a motion relative to a site plan of the proposed addition to Grove Park Inn for October 28, 1986.

HIGHLIGHTS: At a meeting held October 8, 1986, the Asheville Planning and Zoning Commission reviewed a site plan of the proposed addition to Grove Park Inn consisting of new guest rooms, meeting rooms, restaurant, convention facilities, and parking deck. The plan was prepared for Jack Tar Hotels - Grove Park Inn, Developer, by Daniel International Corporation, Greenville, S. C. The

B. Consideration of a motion relative to bids received for bulk Sodium Chloride (Rock Salt) for snow and ice control.

HIGHLIGHTS: Sealed bids were invited to furnish 600 tons of bulk sodium chloride for snow and ice control for the winter of 1986-87. Four bids were received. It is recommended that the contract be awarded to the low bidder, International Salt Company, Clarks Summit, Pennsylvania. Purchases will be made as required and funding is budgeted in the Public Works Department.

FISCAL IMPACT: $20,310.00 - Funding is budgeted in the Public Works Department, Street Division's operating budget.

Resolution No. 86-198

C. Consideration of a resolution authorizing the Mayor to execute a contract with the Housing Authority of the City of Asheville for federal compliance monitoring services in the Pack Plaza Project.

HIGHLIGHTS: This resolution will authorize the Mayor to execute a contract with the Housing Authority to perform federal compliance monitoring services including labor standard and equal opportunity contracting requirements in connection with the Pack Plaza Project.

FISCAL IMPACT: Contract will not exceed $15,000 for the duration of the project (18 months). Funds are available in the Pack Plaza Management contingency account (69 Fund).

Resolution Book No. 16, Page 177

Resolution No. 86-199

D. Consideration of a resolution authorizing the City Manager to enter into a lease agreement with Spartan Radiocasting Company to lease space from the City of Asheville at White Fawn Reservoir.

HIGHLIGHTS: The City of Asheville owns, operates, and maintains a tract of land known as White Fawn Reservoir on Windswept Drive used for the purposes of transmitting and receiving FM and TV signals. This resolution will authorize the City Manager to enter into a lease agreement with Spartan Radiocasting Company to lease space at White Fawn Reservoir for its storage building and radio tower.

CITY COUNCIL MEETING OF OCTOBER 28, 1986 - CIVIC CENTER BANQUET ROOM

Mayor Bissette announced that the regularly scheduled Council meeting for October 28, 1986, will be held in the Asheville Civic Center Banquet Room due to the anticipated large crowd.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE - HISTORIC DISTRICT

10. Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville, and his opposition to the designation of the Chestnut-Liberty Street area as a local historic district.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Price, the meeting adjourned to executive session to discuss a personnel matter at 6:40 p.m.

MAYOR

CITY CLERK

Commission moved to recommend approval of plans as presented subject to provision of off-street parking for construction personnel, subject to access from Club View Road during construction, provision of buffering and lighting to be approved by staff, and the provision of a 40' wide easement along the north property line to avoid future problems at that point before the issuance of an occupancy permit (clarified to say that this allows issuance of a building permit and allows construction; however, the occupancy permit would be contingent upon having a recorded 40' easement). Commission further moved to recommend that City Council set up a liaison committee during construction.

FISCAL IMPACT: None

H. Consideration of a motion to cancel the Council meeting scheduled for October 21, 1986 due to the North Carolina League of Municipalities.

Upon motion of Councilman Michalove, seconded by Councilman Boland, the Consent Agenda was unanimously approved.

RESOLUTION NO. 86-201 RESOLUTION AUTHORIZING THE PURCHASING DIRECTOR TO SELL SURPLUS EQUIPMENT AT PUBLIC AUCTION

8. Consideration of a resolution authorizing the Purchasing Director to sell surplus equipment at public auction.

Mayor Bissette presented the resolution stating that Resolution No. 86-170, adopted September 9, 1986, City Council authorized disposal of twenty-eight motor vehicles and other equipment. The City's Purchasing Director has identified two (2) garage doors from Hunt Hill Facility and other equipment. This resolution will allow the additional property to be sold at the auction.

Upon motion of Councilman Price, seconded by Vice-Mayor Frank, Resolution No. 86-201 was unanimously adopted.

Complete text of Resolution No. 86-201 will be found in Resolution Book No. 16 at page 180.

SCHEDULING PUBLIC HEARING - MUSE BUSINESS TO BE LOCATED ON JOHNSTON SCHOOL ROAD

9. Councilman Tisdale moved to schedule a public hearing relative to the site plan of the proposed Muse Business Park to be located on Johnston School Road for October 28, 1986. This motion was seconded by Councilman Boland and carried unanimously.

CLAIMS - KENNETH MCFECTURE (WATER)

The City Manager presented a claim received from Kenneth McFecture.

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

PUBLIC HEARING - SITE PLAN - MUSE BUSINESS PARK

4. A public hearing was held relative to the proposed Muse Business Park to be located on Johnson School Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held September 10, 1986, reviewed the site plan of the proposed Muse Business Park to be located on Johnson School Road. The plan was prepared by Robert Moody, Architect, for Troy Muse, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project, subject to: 1) compliance with Erosion Control Ordinance; 2) that the wall signs for each of the buildings not exceed 20 square feet; 3) that no access be granted to Scottsdale Drive; 4) that buffering be provided on the east side; 5) that on the west side the setback on Scottsdale Drive be increased to 40' minimum; 6) that a minimum of 20' buffer be provided along Scottsdale, along entire property line, prior to going to City Council; and 7) final approval from NCDOT on curb cut.

Mayor Bissette opened the public hearing at 4:32 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the site plan does comply with the group development ordinance.

Mayor Bissette closed the public hearing at 4:36 p.m.

Vice-Mayor Frank moved to approve the site plan subject to the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Tisdale and carried unanimously.

PUBLIC HEARING - SITE PLAN - BOB BARBOUR DEVELOPMENT - 1616 PATTON AVENUE

5. A public hearing was held relative to a site plan of the proposed Bob Barbour Development to be located at 1616 Patton Avenue.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held September 10, 1986, reviewed the site plan of the proposed Bob Barbour Development to be located at 1616 Patton Avenue. The plan was prepared by Vaughn & Melton, Engineers, for Bob Barbour, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to buffering and compliance with the Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:37 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said Phase I of the development on Patton Avenue, in the vicinity of Malvern Hills, had recently been rezoned. He said a lot of natural buffer will be provided and that all access will be on Patton Avenue. He said the Planning and Zoning Commission had voted to recommend approval of the project subject to and compliance with the Erosion Control and Buffering Ordinances.

Tuesday - October 28, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; City Attorney Patsy Brison; City Manager Douglas O. Bean; and City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter R. Boland and Corporation Counsel William F. Slawter.

INVOCATION

Vice-Mayor Mayor Lloyd Frank introduced Dr. E. B. Turner, President of the State Baptist Association. She said Dr. Turner was also the Past President of the North Carolina League of Municipalities and Mayor ProTem of Lumberton, North Carolina. She extended a welcome to Dr. Turner and other members attending the state convention of the North Carolina Baptist Association.

APPROVAL OF THE MINUTES - OCTOBER 14, 1986 MEETING

1. Consideration was given to the approval of the minutes of the October 14, 1986 meeting.

Mayor Bissette said the minutes were amended to delete the wording, at the bottom of page 275, "the closing of these alleys will be subject to easements for water and sewer lines to be determined at a later date."

Mayor Bissette said the resolution, as adopted, already provided for the necessary water and sewer easements.

Mayor Bissette announced the approval of the minutes as amended.

PROCLAMATION - UNITED NATIONS DAY - OCTOBER 24, 1986

2. Mayor Bissette read a proclamation proclaiming Thursday, October 24, 1986, as United Nations Day.

Mayor Bissette recognized Barbara Dardin, Richard Martello, and Herman Allen and presented the proclamation to them.

RESOLUTION 86-202 - RESOLUTION ENDORSING THE NAMING OF A MAJOR NAVAL SHIP AS U.S.S. ASHEVILLE

3. Consideration was given to a resolution endorsing the naming of a major naval ship as U.S.S. Asheville.

Mayor Bissette read the resolution.

Upon motion of Councilman Price, seconded by Councilman Tisdale, Resolution No. 86-202 was unanimously adopted.

Complete copy of Resolution No. 86-202 will be found in Resolution Book No. 16 at page 181.

Dr. Erby R. Oglesby, owner of the property at 48 Battery Park, said in his last offer he had received from Southeastern Historic Properties, Inc., he had been notified to vacate his office by November 1, 1986. He said this disturbed him greatly since it was impossible to move a dental office and its equipment within the time frame given. Further, he said the letter had indicated that if he was not out of his office by November 1, 1986, City Council would be requested to start condemnation proceedings. He said this would have an adverse effect on him and he felt the letter was, in his opinion, high-handed and inappropriate.

Upon inquiry of Ralph Bishop, Mayor Bissette said the parking garage would be financed through revenue bonds.

Barry Olen, Wall Street merchant, said the parking study indicates elimination of current on-street parking in order for the new parking deck to be financially feasible. He said he felt it is mandatory that construction follow a specific schedule.

Mike Greene, Wick & Greene Jewelers, said there were 40 to 52 businesses at the beginning of the project and that some had moved out, but nobody had received any financial compensation for moving. He said this would be an excellent project, but without the addition of the 284 spaces in the parking deck, the project would not be feasible. He urged City Council to approve the project.

Doris Williams of Accudata Services, Inc., 62 and 52 Wall Street, said she had not asked for any payoff, but that she would request consideration in terms of her long-term lease. She said it was imperative that she have access to her building during construction, and before final approval was given by City Council, the plan should be looked at very carefully.

Mr. Larry Elliott of Elliott's Rental Mart, 111 Patton Avenue, said he is concerned about parking and loading and unloading during construction. He said he will not be able to conduct his business like this and requested that parking during the construction period be provided.

Councilman Price said she would hope that Southeastern Historic Properties, Inc. would work with current owners, tenants, and leaseholders during this difficult time of construction.

Mr. Steve Aceto reiterated the need for final plans and a schedule for parking and access for all tenants concerned. Further, he expressed the need for Council to appoint a responsible person to coordinate all of these efforts.

Councilman Bratton echoed the suggestion of Councilman Price for the development of a Committee to work with everyone during the construction period of this project.

Bill Smith said he had met with several of the property owners to discuss the project details. He said that even Southeastern has cash flow problems, but the improvements will benefit everyone's investment. He expressed his willingness to meet with every individual involved to discuss their individual problems and concerns and make every effort to arrive at an agreeable solution.

Verl Barick, Director of Planning, said the Planning and Zoning Commission and the Downtown Commission both recommend approval of the plan. He said the developers are sensitive to the issues of the remaining businesses on Wall Street and that these could best be addressed by the City's new Downtown Coordinator Leslie Anderson.

***

Mr. Glave made a slide presentation showing details of the Wall Street project.

Mr. William F. "Buck" Talman, representing Talman Office Supply, Inc., 101 Patton Avenue, spoke of the necessity of clearing residual property rights questions. The areas involved generally were overhead sidewalks, Express Alley, existing easements near the "wall", and access to the property. Continuing, Mr. Talman expressed support for the project and his willingness to work out any problems alluded to.

Mr. William Duckworth, in his role as property manager/agent for the Tench Francis Cox Building and the Anderson Building on Wall and College Street, spoke generally in favor of the project, but stressed the critical need for stronger links of communication between the City, the developer, the property owners, and the tenants. As an example, he cited the problems his clients had experienced with changeover in utilities and service to the rear of the buildings he manages.

Mr. Steve Barden, Attorney representing William Groover, owner of the Trophy House at 58 Wall Street and also representing Doris and Nancy Williams, owners of Accudata Services, Inc., said his clients have long-term leases on their businesses and that they currently have only one access onto Wall Street. He said they are also concerned about parking and loading for their businesses. Mr. Barden said he felt the easement on the bridge was of no benefit to the Trophy House or the Williams' business. He also said, in his opinion, the project is not ready for approval in its current format.

Mr. William G. Smith, President of Southeastern Historic Properties, Inc., said he would be happy to sit down with Mr. Barden and explain the project in detail. He further expressed his desire to work closely with the tenants during this time and during construction of the parking deck. He said he is working with Mr. Talman relative to the property rights question and possible interim relocation during construction.

Councilman Price suggested that Council should consider forming a Liaison Committee to work with the tenants and property owners as the project progresses.

After discussion, all parties (City Council, the developer, property owners, and tenants) agreed that such a committee would be useful and could accomplish a great deal.

Mr. Steve Aceto, Attorney representing Elizabeth Meadows Marple, owner of The Trophy House property, said that his client has long-term leases on the property, and that she feels both legal and moral obligations to these tenants. He said problems of access and parking during the construction should be addressed. He said he would support Councilman Price's recommendation to form a committee to work together during the construction period. Mr. Aceto said no provision for parking and access have been made for the 8 to 10 month construction period and these concerns should be addressed.

*** Corporation Counsel William F. Slawter arrived at the meeting at this time.

Walter Gale, a resident of Club View Rd., said Club View Rd. is a narrow, steep residential street and the noise, dust and debris from construction and the vehicular traffic will disturb the elderly, retired residents of Club View Road. He suggested that during the off-season they use the Clubhouse entrance in order to miss four houses on Club View and he said some responsible person should be in charge of seeing that the roads are kept clean. Mr. Gale was advised by Mr. Neilson and Mr. Westall that ingress and egress to the construction site would be through the Clubhouse parking lot.

Mr. Jack Westall, Attorney representing Grove Park Inn, said a number of concerns relative to traffic flow, lights, and on-site parking had been addressed through modification of the plans. He said the construction itself should cause very little inconvenience to the residents of the area. He requested that the 40' easement required by the Planning and Zoning Commission be reduced to a 20' easement. He said the plans had been revised to maintain a 20' fire lane.

Max Haner, Grove Park/Sunset Citizen Association, said the developer and contractor had addressed concerns of the association and that the Grove Park/Sunset Citizen Association is encouraged with the spirit of cooperation they have received from the developer and contractor.

Mike Greene, Wick & Greene Jewelers, spoke in support of the project and urged Council to approve. He said this addition would help the City to continue to grow.

Barry Olen said he would like to commend Council and the residents for their spirit of cooperation.

Mayor Bissette closed the public hearing at 5:27 p.m.

Councilman Michalove moved to approve the site plan for the proposed addition to the Grove Park Inn subject to the recommendations of the Planning and Zoning Commission except that the recommended 40' fire lane be reduced to a 20' fire lane to be maintained by Grove Park Inn. This motion was seconded by Councilman Bratton and carried unanimously.

PUBLIC HEARING - WALL STREET DEVELOPMENT PLAN - PHASE II - PARKING DECK

7. A public hearing was held relative to Wall Street Development Plan Phase II, Parking Deck.

Mayor Bissette said at a meeting held October 8, 1986, the Asheville Planning and Zoning Commission reviewed the site plan of Wall Street Development Plan, Phase II - Parking Deck which was prepared by Glave-Newman-Anderson, Architects, for Southeastern Historic Properties, Developer. The Commission moved to recommend approval of the plan and to recommend to City Council that they review the developer's plans for maintaining access to all businesses that are currently in operation on Wall Street. This public hearing was scheduled at the October 14, 1986 meeting. Memorandum of Agreement and City Agreements are in place.

Mayor Bissette opened the public hearing at 5:29 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette closed the public hearing at 4:44 p.m.

Councilman Tisdale moved to approve the site plan of the proposed Bob Barbour Development subject to the recommendations of the Planning and Zoning Commission. This motion was seconded by Councilman Michalove and carried unanimously.

PUBLIC HEARING - SITE PLAN - PROPOSED ADDITION TO GROVE PARK INN

6. A public hearing was held relative to a site plan of the proposed addition to Grove Park Inn.

Mayor Bissette said at a meeting held October 8, 1986, the Asheville Planning and Zoning Commission reviewed a site plan of the proposed addition to Grove Park Inn consisting of new guests rooms, meeting rooms, restaurant, convention facilities, and parking deck. The plan was prepared for Jack Tar Hotels - Grove Park Inn, Developer, by Daniel International Corporation, Greenville, S.C. The Commission moved to recommend approval of the plans as presented subject to provisions of off-street parking for construction personnel, subject to access from Club View Road during construction, provision of buffering and lighting to be approved by staff, and the provision of a 40' wide easement along the north property line to avoid future problems at that point before the issuance of an occupancy permit (clarified to say that this allows issuance of a building permit and allows construction; however, the occupancy permit would be contingent upon having a recorded 40' easement for a fire lane). Commission further moved to recommend that City Council set up a liaison committee during construction. This public hearing was scheduled at the October 14, 1986 meeting.

Mayor Bissette opened the public hearing at 4:46 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the concerns voiced at the Planning and Zoning Commission meeting had been resolved concerning water and sewer commitments from the City and MSD. He said the Innsbruck Road residents had voiced concerns relative to buffering and lighting and access to an employee parking lot. He said the plans had been revised to delete any vehicular access on to Innsbruck Road. He said all construction traffic would be restricted through Club View instead of Macon Avenue.

Mr. Emrick said a Grove Park Liaison Committee had been established to work with all involved parties during the construction of the expansion to the Grove Park Inn. He said the committee is composed of himself and Al Kopf from the Planning Department, Barbara Molloy and Max Haner from the Sunset Grove Park Association, and Jack Westall representing the Grove Park Inn. He said this committee has been formed to be a sounding board for parties during the construction period and he hoped that any problems in the neighborhood could be discussed, and a reasonable compromise reached through this committee.

Ken Neilson, Architect, said the addition of the 11-story wing will provide 186 guest rooms, a lounge, 9 meeting rooms, and a 17,000 square feet ballroom with banquet seating for 1,700. He said construction traffic would use Club View Road and that noise from the construction itself would begin around 9:00 a.m. and end around 6:00 p.m., and construction is scheduled to begin in mid-November.

Doug McCovey, 155 Arco Road, spoke in opposition to the rezoning. He said a 50' strip is needed in order to prevent visual and noise pollution.

Mr. Walter Fletcher, 154 Arco Road, said he does not live at this address but owns the property. He read the minutes of last year's Council meeting concerning this same request. He said the proposed rezoning would result in devaluation of the homes in the area and opens up the possibility of businesses such as fast foods in the area.

Mr. Beale Fletcher, 207 Governor's View Road, presented members of Council with a letter of opposition from the Beverly Hills Homeowners Association. He said the residents strongly object to the rezoning and that a fast food business is a strong possibility for the site. He said there is also a restrictive covenant on this property.

Corporation Counsel William F. Slawter said these are separate matters, and that the zoning considerations are made without consideration of deed restrictions.

Linda Fletcher, wife of Walter Fletcher, 154 Arco Road, said all residents are opposed and that they do not want the noise, trash, traffic and devaluation of property which would occur as a result of the rezoning. She said this area is intended for residential use.

Mayor Bissette said the City does not get involved in the deed restrictive covenants for this area.

Mr. J. D. Netherton, 161 Arco Road, spoke in opposition to the proposed zoning. He said the Commercial Highway designation will kill valuation of all property in the area.

Mr. Elmer Moxley, 32 Pinehurst Road, said all residents of the area object to the proposed rezoning.

Mr. Jack Stevens, Attorney for the Prinks, said most of the opposition from the neighborhood is due to their concern about the increased congestion. He said a fast food service can presently be put in the area and the only thing that they can't do is use the back portion of the property. He said he has serious doubts about the enforceability of the deed restrictions mentioned.

Mr. Dean Hines, 22 Crestwood Lane, said the surrounding property is already commercial and the price should not have any bearing on the rezoning consideration. He said the property should be used to its maximum best use.

Mayor Bissette closed the public hearing at 8:34 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Michalove moved to remand the request back to the Planning and Zoning Commission for inclusion in the comprehensive plan being developed with recommendations for zoning changes throughout the City. This motion was seconded by Councilman Tisdale and carried unanimously.

Paul Greene of Wick & Greene Jewelers also expressed his support for the project.

Councilman Michalove moved that the hearing be continued until Wednesday, at which time the City Council is scheduled to meet for other business, so Council could give further consideration to a satisfactory solution to the problems and concerns brought to their attention.

After discussion, Councilman Michalove withdrew his motion.

Mr. William F. Talman suggested that as a way of progressing with the project, that it be approved contingent upon the execution of the necessary agreements to satisfy the property rights questions.

Mayor Bissette closed the public hearing at 7:22 p.m.

Mayor Bissette indicated that at this point Council could only approve the project in concept, since legal documents are not in place. However, he said, the City would like to move ahead with the project on a conditional basis, until the developers, business owners, property owners, tenants, and City staff worked out a satisfactory solution.

Vice-Mayor Frank moved to approve the site plan in concept, contingent upon a construction plan to be approved by the Asheville City Council to include the acquisition of the subject property and the resolution of all property rights concerning those properties; with final approval to be made by the Asheville City Council after a determination of those matters. This motion was seconded by Councilman Michalove and carried unanimously.

City Council supported the establishment of a Wall Street Liaison Committee to work with the tenants and property owners as the project progresses.

PUBLIC HEARING - REZONING PROPERTY ON ARCO ROAD

8. Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held September 10, 1986, considered the petition of Attorney John Stevens for Mr. and Mrs. Elmer Frink that a portion of Lot 192, Sheet 13, Ward 8, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located on Arco Road. After review and discussion, the Commission voted to recommend to City Council that a portion of Lot 192, Sheet 13, Ward 8 to within 50' of Arco Road be rezoned from R-2 Residential District to CH Commercial Highway District.

Mayor Bissette opened the public hearing at 7:36 p.m.

Mr. Jack Stevens, Attorney for Mr. and Mrs. Elmer Frink, said this property fronts Tunnel Road and Arco Road, and the Frinks would like to develop the property and put it on the market for sale. He said the best use of the property can be accomplished under the Commercial Highway designation.

Estey McCall, 153 Arco Road, said that her residence was directly in front of this property and that she is opposed to the area being rezoned Commercial Highway.

authorize the Mayor and City Manager to execute an agreement with Thompson-Gordon-Shook Engineers, Inc. and any change orders within the budgeted amount for the bridge replacement program.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Tisdale, seconded by Councilman Frank, Resolution No. 86-203 was unanimously adopted.

Complete text of Resolution No. 86-203 will be found in Resolution Book 16 at page 182.

MOTION - SCHEDULING PUBLIC HEARING/SITE PLAN - PHASE II TIMBERS CONDOMINIUMS

12. Consideration was given to a motion to schedule a public hearing relative to a site plan of Phase II of Timbers Condominiums to be located on Beaverdam Road for November 4, 1986.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held August 6, 1986, reviewed a site plan of Phase II of Timbers Condominiums located on Beaverdam Road. The plan was prepared by Traber Associates, Architect, for North Asheville Condominium Enterprises, Inc., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to: 1) a minimum of 25' setback be maintained at any point; 2) provision of buffering in accordance with Ordinance 1592 on the south and east abutting the R-1 District; and 3) compliance with the Erosion Control Ordinance.

Councilman Price moved to schedule the public hearing relative to the site plan of Phase II of Timbers Condominiums for November 4, 1986. This motion was seconded by Councilman Frank and carried unanimously.

CITY MANAGER - AFFIRMATIVE ACTION PLAN

13. The City Manager said he had furnished members of Council with copies of the draft Affirmative Action Plan for the City of Asheville. He said he would be reviewing the draft with Council during the next few weeks.

RESOLUTION NO. 86-204 - RESOLUTION APPOINTING A MEMBER TO THE BOARD OF ELECTRICAL EXAMINERS

14. Consideration was given to a resolution appointing Jonathan D. Smith, 12 Parkview Dr., Asheville, North Carolina 28805, 298-2969, as a member to the Board of Electrical Examiners to serve the unexpired term of J. Michael Boozer, term expiring July 1, 1987.

From motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 86-204 was unanimously adopted.

Complete text of Resolution No. 86-204 will be found in Resolution Book No. 16 at page 183.

PUBLIC HEARING - ISSUANCE OF CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY - HILLIARD L. WRIGHT

9. A public hearing was held relative to the issuance of a Certificate of Public Convenience and Necessity to Hilliard L. Wright.

Mayor Bissette said the City Manager will be authorized to issue a Certificate of Public Convenience and Necessity to Hilliard L. Wright pursuant to Section 27-34 of the Code of Ordinances of the City of Asheville upon proof of financial responsibility in accordance with N. C. Gen. Stat. Sec. 20-280.

Mayor Bissette opened the public hearing at 8:44 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Since Mr. Wright was not present at the meeting, Councilman Michalove moved to continue the hearing to November 11, 1986. This motion was seconded by Councilman Price and carried unanimously.

Council requested that Mr. Wright be given notice of the new hearing date.

ORDINANCE NO. 1613 - AN ORDINANCE AMENDING ORDINANCE NO. 322, BEING THE ZONING ORDINANCE OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (HILLSIDES)

10. Consideration was given to the second reading of Ordinance No. 1613, an ordinance amending Ordinance No. 322, being the zoning ordinance of the Code of Ordinances of the City of Asheville (Hillsides).

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held September 10, 1986, reviewed and recommended approval of the Mountain/Slope Standards subject to clarification that it only pertains to land over 2,220 feet. This ordinance was read on first reading on October 14, 1986.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1613 passed on second reading.

RESOLUTION NO. 86-203 - RESOLUTION AUTHORIZING MAYOR AND CITY MANAGER TO EXECUTE A SUPPLEMENTAL ENGINEERING AGREEMENT WITH THOMPSON-GORDON-SHOOK ENGINEERS, INC. FOR THE CHESTNUT STREET REPLACEMENT PROJECT

11. Consideration was given to a resolution authorizing the Mayor and the City Manager to execute a supplemental engineering agreement with Thompson-Gordon-Shook Engineers, Inc. for the Chestnut Street Bridge Replacement Project.

Mayor Bissette said the City has entered into an engineering contract with Thompson-Gordon-Shook Engineers, Inc. to design replacement of the Chestnut Street Bridge. Upon completion of the design and approval by N.C. DOT and the City, changes are required to the original approved design to accommodate the N.C. DOT Broadway Avenue Project. This resolution will

Tuesday - November 4, 1986 - 4:00 p.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank, Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Bratton.

APPROVAL OF THE MINUTES - OCTOBER 28, 1986 MEETING

1. Consideration was given to the approval of the minutes of the October 28, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - ALZHEIMER'S DISEASE AWARENESS MONTH - NOVEMBER, 1986

2. Mayor Bissette read a proclamation proclaiming the Month of November, 1986, as "Alzheimer's Disease Awareness Month".

Mayor Bissette said the annual banquet for the Alzheimer's Disease Organization would be held on Thursday evening. He said due to other commitments, however, he would not be able to attend but that Vice-Mayor Frank would attend the banquet and deliver the proclamation to the Organization at that time.

PROCLAMATION - MAYORS' D-DAY IN THE WAR ON DRUGS - NOVEMBER 18, 1986

2a. Mayor Bissette read a proclamation proclaiming November 18, 1986 as "Mayors' D-Day in the War on Drugs".

PUBLIC HEARING - SITE PLAN OF PHASE II OF TIMBERS CONDOMINIUMS

3. A public hearing was held relative to the site plan of Phase II of the Timbers Condominiums to be located on Beaverdam Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held August 6, 1986, reviewed a site plan of Phase II of Timbers Condominiums to be located on Beaverdam Road. The plan was prepared by Traber Associates, Architect, for North Asheville Condominiums Enterprises, Inc., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to: 1) a minimum of 25' setback be maintained at any point; 2) provision of buffering in accordance with Ordinance 1592 on the south and east abutting the R-1 District; and 3) compliance with the Erosion Control Ordinance.

CLAIMS - MARY MOSLEY (WATER) - MURPHY GOGGINS (WATER) - BECKY YORK (WATER) - PEARL YARBROUGH (WATER)

15. The City Manager presented claims received from Mary Mosley, Murphy Goggins, Becky York, and Pearl Yarbrough.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

MAYOR BISSETTE ANNOUNCEMENT - PRESS CONFERENCE

16. Mayor Bissette said there would be an important Press Conference at 2:00 p.m. tomorrow. He asked that all members of Council try to attend. He said immediately following the Press Conference, the Council would convene in a short Executive Session.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Michalove, the meeting adjourned until 2:30 p.m. on Wednesday, October 29, 1986.

Mayor

William F. Holcombe
City Clerk

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held September 10, 1986, reviewed and recommended approval of the Mountain/Slope Standards subject to clarification that it only pertains to land over 2,220 feet. This ordinance was read and passed on first reading on October 14, 1986, and passed second reading October 28, 1986.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be reread in its entirety unless there was a specific request to do so.

Corporation Counsel William F. Slawter presented the following two new sections to be included in the ordinance for Council's consideration.

"Section 2(b) - Residential development which does not meet all of the above standards shall remain governed by Section 30-7-1 (B) of the Code of Ordinances."

"Section 8 - Applicability
This article shall not apply to permit holders having valid building or zoning permits on the effective date of this Article nor to the issuance of building or zoning permits for repair or rehabilitation of existing structures, nor to those parties who have filed application for building or zoning permits on or before the effective date of this Article."

Councilman Price moved to amend the ordinance as read by the Corporation Counsel. This motion was seconded by Councilman Tisdale and carried unanimously.

On a roll call vote of 7-0, Ordinance 1613 passed on third and final reading, as amended.

Complete text of Ordinance No. 1613 will be found in Ordinance Book No. 11 at page 81-89.

RESOLUTION NO. 86-205 - RESOLUTION ESTABLISHING A FLEXIBLE BENEFITS PLAN FOR THE EMPLOYEES OF THE CITY OF ASHEVILLE

5. Consideration was given to a resolution establishing a flexible benefits plan for the employees of the City of Asheville.

Mayor Bissette said a flexible benefits plan would provide employees with an opportunity to make pre-tax deductions from their weekly or bi-weekly pay and to use these funds during the course of the year to be reimbursed for eligible employee benefits.

City Manager, Doug Bean, said the program is a no-cost benefit the City can provide to its employees to allow them to put pre-tax money into an account to pay for eligible expenses under the plan. He said it would take two (2) months to educate the employees about the program, and that he would like to begin the program on January 1, 1987.

Mayor Bissette said this program is of no cost to the City other than the administration of the plan, and it would provide the employees with a significant benefit. He said we would need to provide information and education to the employees so they will realize the benefits of the plan and be able to take advantage of it.

Mayor Bissette said he had a conflict in voting on this issue since his firm represents North Asheville Condominium Enterprises, Inc., and requested that Council excuse him from voting on the matter.

Councilman Tisdale moved to excuse the Mayor from voting on the site plan of Phase II of the Timbers Condominiums. This motion was seconded by Councilman Price and carried unanimously.

Vice-Mayor Frank took over the chair.

Vice-Mayor Frank opened the public hearing at 4:20 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Veri Emrick, Director of Planning, said as Mayor Bissette had indicated, the site plan for Phase II of the Timbers Condominiums was reviewed by the Planning and Zoning Commission at their August meeting. He said the second phase of the project will contain 16 additional units. He said Phase I had contained 68 units, and the total project would include 86 units.

Mr. Emrick said after the Planning and Zoning Commission had reviewed the drawings, Mr. Traber had submitted new drawings which showed modifications to include buffering and a 25' setback that had been required by the Commission. He said the Engineering Division is handling the final submission of plans for Erosion Control, and that all parking requirements for both phases of the project had been met.

Mr. Emrick said the Council should include in their motion to approve the project the three (3) conditions recommended by the Planning and Zoning Commission.

Upon inquiry of Councilman Price, Mr. Emrick said the buffering for the residential areas is contained in the 25' setback requirements.

Vice-Mayor Frank closed the public hearing at 4:22 p.m.

Councilman Boland moved to approve the site plan of Phase II of the Timbers Condominiums subject to the recommendations made by the Planning and Zoning Commission. This motion was seconded by Councilman Tisdale and carried unanimously.

Mayor Bissette resumed the chair.

ORDINANCE NO. 1613, AN ORDINANCE AMENDING ORDINANCE NO. 322, BEING THE ZONING ORDINANCE OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE (HILLSIDES)

4. Consideration was given to the third reading of Ordinance No. 1613, an ordinance amending Ordinance No. 322, being the Zoning Ordinance of the Code of Ordinances of the City of Asheville (Hillsides).

extreme circumstances. He said at the initial hearing for the project, parking on one side of the street on Fenner Avenue had been agreed to, but had not been done. He said at a small cost, some additional improvements to Fenner Avenue could be made to improve the street for the residents.

Upon inquiry of Councilman Tisdale, Mr. Emrick said no Council action was required to permit parking only on one side of the street on Fenner Avenue.

Mr. Harold Garland, resident of 88 Fenner Avenue, said Council had originally approved 7 units for this project, which he had accepted, even though he had been opposed to it. He said he felt another unit should not be added to the project, because of the potential of additional traffic to the narrow, crowded street. He said he did not think residents of Fenner Avenue knew about the proposed change or they would have been present today to oppose the change.

Upon inquiry of Mayor Bissette relative to whether or not there was any requirement that a notice to the public be published, Corporation Counsel William F. Slawter said a notice to the public would be required only if the change was of such a significance that it would be considered a new site plan, and that would depend to a large extent, as to what constitutes "minor" changes.

Mr. Emrick responded that, in his opinion, the amendment was "minor" in nature.

Councilman Michalove suggested that the matter be postponed for one week to give the neighborhood an opportunity to respond to the proposed change.

Upon inquiry of Councilman Michalove relative to the status of construction, Mr. Samsel said the owner had already made arrangements for contractor to be on the site.

There was a discussion among Council members relative to approving only the 6-unit building, and the concerns about parking and traffic problems on Fenner Avenue.

City Manager, Doug Bean, said he would have a report for Council next week relative to the placement of "no parking" signs on one side of the street on Fenner Avenue.

Upon inquiry of Councilman Tisdale, Mr. Samsel said there was not a question about the adequacy of water for the units, but whether or not there was sufficient water pressure for fire protection. He said sprinklers would be installed in the units, and the pressure was sufficient for the operation of the sprinklers to provide fire protection.

Councilman Price moved to approve the site plan, as amended, to allow one (1) additional unit. This motion was seconded by Councilman Boland.

Councilman Bratton and Councilman Tisdale said they could not support the motion because they felt the property owners should have been notified.

Mayor Bissette said copies of this resolution were previously distributed to members of City Council and the resolution would not be read unless there was a specific request to do so.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 86-205 was unanimously adopted.

Complete text of Resolution 86-205 will be found in Resolution Book No. 16 at Page 184-196.

AMENDMENT TO SITE PLAN - APARTMENT COMPLEX - BARNARD AND FENNER AVENUES

6. Consideration was given to an amendment to the site plan of an apartment complex to be located on Barnard and Fenner Avenues.

Mr. Verl Emrick, Director of Planning, said this is a request by the Architect, Jim Samsel, to amend the site plan of the project for the addition of 1 unit. He said that Council had previously approved the site plan for this project in June. He said the Architect proposes that the existing building contain 2 units, and that the new building contain 6 units rather than 5. He said the complex is 13 units short of what is allowed under the Zoning Ordinance for the R-3 Residential District.

Mr. Emrick said, it was his opinion, he has the authority to grant this change since it is less than 5,000 square feet without coming to Council for approval. However, he said because there had been opposition and concern expressed during the initial approval of the project, he felt it best to bring the request before Council so that everyone would know exactly what is going on.

Upon inquiry of Councilman Price, Mr. Samsel said the existing building would contain 2 units and the new building would contain 6 units, and the total project was going from 7 units to 8 units.

Councilman Tisdale said that he owns property adjoining the project and there had been some concerns about parking problems, both on Maney Avenue and Fenner Avenue, as new duplexes and apartments continue to be built in the area.

Upon inquiry of Councilman Tisdale, Mr. Samsel said the building would be built on the southwest side of the existing building, and that the evcavation done in the last week or so was for a parking lot. He said the project originally had 7 units, 4 of which are going to be attached to the existing building, but they had decided it would be more cost effective to take the existing house and make it into 2 units, and build a new 6-unit building.

Upon inquiry of Councilman Tisdale, Mr. Emrick said the Zoning Ordinance requires 2 parking spaces per unit.

Upon inquiry of Councilman Price, Mr. Samsel said 17 parking spaces are being provided.

In response to Councilman Tisdale, Mr. Samsel said there is an additional lot that could be used for parking during the next phase, and once that phase is built, there would be more flexibility in parking in that the driveways are wide enough to accommodate additional parking during

community center also has a high volume of usage. He said the community's concern is for more meeting space, and he was pleased with the interest the community expressed.

Councilman Price said she felt the problem is still being perceived that the City is going to take over the library space, regardless of the comments, which continue to be favor of the library. In talking with the Librarian, she said she was told that there was total support from all of the library staff and that the bookmobile did not need to be there, and the space could be better utilized.

Councilman Tisdale said that the new Librarian for the County, Mr. Douglas F. Perry, had attended the meeting, and it was his understanding that Mr. Perry would be contacting the City Manager about some additional floor space on the upper level.

DR. OGLESBY PROPERTY - BATTERY PARK AVENUE

8. Mr. Eugene W. Ellison, Attorney for Dr. Oglesby, said he and Dr. Oglesby had been dealing with Southeastern Developers for some time. He said he wanted to make Council aware that they have not stoped negotiating with Southeastern. He said he had been out of town last week when someone from Southeastern had tried to contact him, and after contact with the City Manager's office, someone from the City Manager's office had contacted his client, Dr. Oglesby. He said negotiations on the matter had not been closed and he believes some conclusions will be reached within the next couple of weeks.

CLAIMS - ANN DEMETRIS (FIRE) - MARY FRANCES PICKENS (STREETS) - MARY KINCAID - (SANITATION)

9. The City Manager presented claims received from Ann Demetris (Fire), Mary Frances Pickens (Streets), and Mary Kincaid (Sanitation).

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

10. Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville, and the City Manager's duty to enforce the lottery laws.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Tisdale, the meeting adjourned at 5:05 p.m.

MAYOR

CITY CLERK

On a voice vote of 4-3, the site plan, as amended, was approved with Councilman Bratton, Councilman Tisdale, and Councilman Michalove voting "no".

Mayor Bissette noted this was an administrative matter and only a slight change which was within the realm of the Planning Director's authority to make the decision. However, he said, because of past concerns he understood why Mr. Emrick wanted to bring this matter before the City Council.

Councilman Boland said the City had sponsored a conference several years ago trying to straighten out some of the problems in dealing with developers to simplify and quicken the process the developers go through, and to let them know in a clear fashion what they have to do and where they have to go, hopefully through a one-stop process.

Mayor Bissette said the City Manager has been working for some time to establish a one-stop permitting system, and that the process will be in place on December 1, 1986. He said the system had been developed through a conference with representatives from the Home Builders Association and the Board of Realtors. He said he felt this would be a good thing for the City and the developers, and requested that the City Manager give Council a briefing on how the process would work.

City Manager Doug Bean said one phase of the program, the Technical Review Committee, was already in place and operating. He said the Committee meets every week. He said City staff is in the process of putting a package together on the one-stop process, and he will be giving this information to Council in the near future.

REPORT BY CITY MANAGER - WEST ASHEVILLE COMMUNITY CENTER

7. City Manager Doug Bean said there have been concerns at the Community Center about the proposal to move out the bookmobile and possibly replacing the use of that facility with recreational use. He said his proposal for the facility is as follows: 1) to not move the library out, but explore either a joint effort with the County to expand the building or explore ways to jointly use that facility for the library and the City; 2) to go ahead with cosmetic changes to the recreation center such as painting, replacement of light fixtures, and kitchen equipment; and 3) to go ahead and move the fence back to provide enough parking for the facility.

The City Manager said we could go ahead now with the parking and cosmetic changes. However, he said it was his understanding that Councilman Tisdale wanted to talk to the Intergovermental Relations Committee about the possibility of the County's participation, since the library is a County function and the facility belongs to the City.

The City Manager said he would have a budget amendment at next week's meeting for Council's consideration on the capital improvements to the West Asheville Community Center.

Councilman Tisdale said he did not realize until a recent meeting that the County was not paying any rent for the use of the center. He said the library had one of the highest usages in the County and that the

Mayor Bissette presented the proclamation to Joyce Brown with the Beta Sigma Phi Sorority.

Joyce Brown announced that the Beta Sigma Phi's 30th Annual Snow Carnival Charity Ball will be held November 22 at the Quality Inn On The Plaza.

PUBLIC HEARING - ISSUANCE OF A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO HILLIARD L. WRIGHT

3. Mayor Bissette said Hilliard L. Wright had requested the issuance of a Public Convenience and Necessity for the operation of one taxicab, however, he said he had received notification from Mr. Wright that his request be cancelled.

ORDINANCE NO. 1614 - BUDGET ORDINANCE AMENDMENT - CDBG PROJECTS - CONTINUATION OF EAST RIVERSIDE PROPERTY MANAGEMENT AND DOLLAR-A-LOT PROGRAMS

4. Consideration was given to a budget ordinance amendment to close out prior year fund balance for on-going CDBG projects and to provide funds to continue East Riverside property management and dollar-a-lot programs.

Mayor Bissette said this budget ordinance amendment will close out prior year fund balance for on-going CDBG projects and provide funds to continue East Riverside property management and dollar-a-lot programs. The amendment will also appropriate CDBG matching funds for the Champion Sewer/Siphon project. $50,000 of program income from R-48 land sales will be used to fund dollar-a-lot and property management projects. $75,000 from CDBG Contingency will be used to fund the Champion Sewer/Siphon project.

Marvin Vierra, Community Development Director, said appropriations of the surplus funds would be allocated for community development administration in the amount of $19,350; community development planning $10,498; dollar-a-lot program $35,000; East Riverside property management $15,000; contingency $36,126; and $75,000 to the Champion Sewer/Siphon project.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety; and anyone desiring a copy of the ordinance will be furnished a copy.

Councilman Price moved for the adoption of Ordinance No. 1614. This motion was seconded by Councilman Tisdale.

On a roll call vote of 6-0, Ordinance No. 1614 passed on first and final reading.

Complete text of Ordinance No. 1614 will be found in Ordinance No. 11 at page 90.

ORDINANCE NO. 1615 - BUDGET ORDINANCE AMENDMENT FOR IMPROVEMENTS TO WEST ASHEVILLE RECREATION CENTER

5. Consideration was given to a budget ordinance amendment relative to improvements to the West Asheville Recreation Center.

Tuesday - November 11, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: Councilman Kenneth Michalove and Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

In observance of Veterans Day, Mayor Bissette requested that members of Council and the audience join with him in giving the pledge of allegiance to the flag.

Mayor Bissette gave the invocation.

APPROVAL OF THE MINUTES - NOVEMBER 4, 1986 MEETING

1. Consideration was given to the approval of the minutes of the November 4, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - NOVEMBER 14, 1986 - "OPERATING ROOM NURSE DAY"

2. Mayor Bissette read a proclamation proclaiming November 14, 1986, as "Operating Room Nurse Day".

Mayor Bissette presented the proclamation to Ann Barrett and Lucia Ruckman of the Association of Operating Room Nurses of Western North Carolina.

PROCLAMATION - NOVEMBER 17 - 21, 1986 - "BIG BROTHERS AND SISTERS APPRECIATION WEEK"

2A. Mayor Bissette read a proclamation proclaiming the week of November 17 - 21, 1986, as "Big Brothers and Sisters Appreciation Week".

Mayor Bissette presented the proclamation to Steve Kirkland, Executive Director, and J. D. Jackson, Board President.

PROCLAMATION - NOVEMBER 20, 1986 - "GREAT AMERICAN SMOKE OUT DAY"

2B. Mayor Bissette read a proclamation proclaiming Thursday, November 20, 1986, as "Great American Smoke Out Day".

Mayor Bissette presented the proclamation to Judith Holt with the American Cancer Society.

PROCLAMATION - WEEK OF NOVEMBER 17, 1986, AS "BETA SIGMA PHI WEEK"

2C. Mayor Bissette read a proclamation proclaiming the week of November 17, 1986, as "Beta Sigma Phi Week".

Councilman Boland moved for the adoption of Ordinance No. 1616. This motion was seconded by Councilman Price.

Councilman Bratton noted that she could not support the adoption of this ordinance because she felt minorities should not be separated but be a part of the mainstream. She said she would feel more comfortable with the loan pool if it was for the entire community. She said she felt the Cherokee/Asheville Business Development Center should merge with the Asheville Area Chamber of Commerce.

On a roll call vote of 5-1, Ordinance No. 1616 passed on first and final reading with Councilman Bratton voting "no".

Complete text of Ordinance No. 1616 will be found in Ordinance Book No. 11 at page 92.

RESOLUTION NO. 86-206 - RESOLUTION APPROVING PAYMENTS TO SUTTON-KENNERLY ASSOCIATES FOR ADDITIONAL ENGINEERING SERVICES IN CONNECTION WITH RE-ROOFING OF THE CIVIC CENTER, FIRE STATION #8/LIBRARY/EAST ASHEVILLE COMMUNITY CENTER AND THE ASHEVILLE TRANSIT AUTHORITY FACILITY

7. Consideration was given to a resolution approving payments to Sutton-Kennerly Associates for additional engineering services in connection with re-roofing of the Civic Center, Fire Station #8/Library/East Asheville Community Center and the Asheville Transit Authority facility.

Mayor Bissette said this resolution will authorize the Mayor to execute amendments to the contracts by and between the City of Asheville and Sutton-Kennerly Associates for the provision of additional engineering services. Total sum of fiscal impact is $11,781.18.

Civic Center	$7,590.00
Station #8/Library/Comm. Center	2,528.00
Transit Authority Facility	1,663.18

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual desiring a copy of the resolution would be furnished a copy.

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, Resolution No. 86-206 was unanimously adopted.

Complete text of Resolution No. 86-206 will be found in Resolution Book No. 16 at page 197.

APPROVAL OF SIGN PERMIT - IDENTIFICATION SIGN AT 45 CHERRY STREET

8. Consideration was given to a motion approving a sign permit for an identification sign at 45 Cherry Street.

Mayor Bissette said Crawford Sign Company has requested a sign permit to erect an identification sign at 45 Cherry Street advertising "45 Cherry". This sign requires approval of City Council pursuant to the zoning ordinance in that the sign will be situated closer than 600' of a limited access highway.

Mayor Bissette said this budget ordinance amendment is relative to improvements based on recommendations by the Parks and Recreation Department Director to City Council regarding the West Asheville Recreation Center.

Mayor Bissette said as agreed in the Pre-Council work session, this budget amendment would appropriate $40,000 for improvements to the West Asheville Community Center. He said the improvements would be made only in areas now being utilized for the City Parks and Recreation Department, and will not involve the library portion of the building. He said the funds also will be used to increase parking at the rear of the building.

Councilman Bratton noted that it is her understanding that the appropriation of these funds is not a final distribution of funds to be used in the West Asheville Recreation programs. She said she felt there should be a review of the entire Parks and Recreation budget.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety and any individual desiring a copy of the ordinance would be furnished a copy.

Ralph Bishop was furnished a copy of the budget ordinance amendment.

Councilman Boland moved for the adoption of Ordinance No. 1615. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1615 passed on first and final reading.

Complete text of Ordinance No. 1615 will be found in Ordinance Book No. 11 at page 91.

ORDINANCE NO. 1616 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDS FOR THE ESTABLISHMENT OF A MINORITY BUSINESS LOAN POOL

6. Consideration was given to a budget ordinance amendment to provide funds for the establishment of a Minority Business Loan Pool.

Mayor Bissette said this budget ordinance will appropriate $5,000 which will be used as a contribution to the Asheville-Buncombe Development Corporation on behalf of the Asheville Minority Business Loan program. The loan program will be administered by the Cherokee/Asheville Business Development Center. Revenue source will be UDAG loan repayment funds.

Councilman Boland said that he had been working with the Asheville Minority Business Development Center for a number of years to establish a minority business loan pool. He said the loan pool would be established by the Asheville-Buncombe Development Corporation and would be administered by the Cherokee/Asheville Business Development Center. He said the purpose of the loan pool would be to provide modest amounts of business credit to minorities with a low market interest rate. He said it is hoped that $10,000 - $15,000 would be put into the loan pool along with matching grants. He said the Asheville-Buncombe Development Corporation, Wachovia Bank, First Union Bank and North Carolina National Bank has committed $1,000 to the loan pool. He said First Federal and Asheville Federal is also considering committing $1,000. He said no funds would be spent out of the loan pool until all funds are in place.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

13. Ralph Bishop again spoke to members of Council relative to the Asheville Police Department and lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Boland, the meeting adjourned at 5:20 p.m.

Mayor

City Clerk

Verl Emrick, Director of Planning, said the requested sign complies with all criteria of the sign ordinance.

Councilman Tisdale moved to approve the sign permit for the identification sign at 45 Cherry Street. This motion was seconded by Councilman Bratton and carried unanimously.

SCHEDULING PUBLIC HEARING - SITE PLAN OF THE PROPOSED CONVERSION OF EXISTING HOUSE AT CHARLOTTE STREET AND HILLSIDE WALK (108 ORCHARD STREET) FOR DECEMBER 2, 1986

9. Councilman Price moved to schedule a public hearing relative to a site plan of the proposed conversion of an existing house at Charlotte Street and Hillside Walk (108 Orchard Street) for December 2, 1986. This motion was seconded by Councilman Boland and carried unanimously.

CLAIMS - SANDERS ROLAND (SEWER) - MIKE BENNETT (STREETS) - WALTER SMITH (PARKS) - CAROLYN TAYLOR (WATER) - JERRY BRADLEY (WATER)

10. The City Manager presented claims received from Sanders Roland, Mike Bennett, Walter Smith, Carolyn Taylor, and Jerry Bradley.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

REQUEST OF IRMGARD GORDOS - CLAIM

11. Irmgard Gordos, of 61 Bingham Road, Apartment 7-C, spoke to members of Council relative to a claim for damages presented to the City of Asheville. She said she had hit a pothole which damaged her car. She said she had been in contact with the City's Legal Department, the Street Department, and Nationwide Insurance Company. She said the insurance company for the City of Asheville claims the City of Asheville is not negligent. She said Asheville Alignment Service would not state that the hitting of the pothole would cause the damage done to her car. She said she felt if the streets were in good condition, this would not have happened. She requested that Council look into the matter and refund her the cost of repairing her car in the amount of $127.04. After discussion, Mayor Bissette directed the City Manager and City Attorney to look into this matter further and to report their findings back to Mrs. Gordos.

DISCUSSION - HARRY BRUMMER - 10 SUNSET SUMMIT - SPIVEY MOUNTAIN PROJECT

12. Harry Brummer spoke to members of Council relative to the injustice done to him relative to the construction of his house at 10 Sunset Summit. He requested that the City Council members take action to reissue his building permit for 10 Sunset Summit.

Mayor Bissette said because this matter is in the courts, members of Council would confer with the City Attorney on this matter.

Mayor Bissette informed Mr. Brummer that the City of Asheville has no jurisdiction relative to his project on Spivey Mountain. He said the Asheville-Buncombe Water Authority would have jurisdiction relative to the water being furnished to the project and Buncombe County would be responsible for providing sewer services.

Complete text of Resolution No. 86-207 will be found in Resolution Book No. 16 at page 198.

RESOLUTION NO. 86-208 - RESOLUTION AUTHORIZING THE MAYOR TO SEND A LETTER NOTIFYING THE NORTH CAROLINA DEPARTMENT OF ADMINISTRATION, STATE DIVISION OF PURCHASE AND CONTRACT, OF THE INTENT OF THE CITY OF ASHEVILLE TO PARTICIPATE IN THE NORTH CAROLINA STATE CONTRACT FOR TIRES AND TUBES

3. Consideration was given to a resolution authorizing the Mayor to send a letter notifying the North Carolina Department of Administration, State Division of Purchase and Contract, of the intent of the City of Asheville to participate in the North Carolina State contract for tires and tubes.

Mayor Bissette said this resolution is to authorize the Mayor to execute a notice of intent with the North Carolina Department of Administration, State Division of Purchase and Contract for tires and tubes.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual desiring a copy of the resolution would be furnished a copy.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 86-208 was unanimously adopted.

Complete text of Resolution No. 86-208 will be found in Resolution Book No. 16 at page 199.

RESOLUTION NO. 86-209 - RESOLUTION PROVIDING FOR THE ISSUANCE OF $4.8 MILLION STREET AND SIDEWALK BONDS SERIES 1986

4. Consideration was given to a resolution providing for the issuance of $4.8 million Street and Sidewalk Bonds Series 1986.

Mayor Bissette said this resolution sets forth the details of the bonds as required by N. C. General Statutes 159-65. The sale of these bonds will provide funds for street and sidewalk improvements.

The City Manager said the reason for the $4.8 million being issued is that the new tax bill has a $10 million limit on the amount of bonds a municipality can sell in any one year and still be termed a "small issuer". He said the necessity of staying a small issuer is due to the fact that in order for banks to purchase these bonds and still have the advantage of tax free interest, a local government must issue less than $10 million in any one calendar year. He said by staying under the $5 million limit the City would be exempt from arbitrage requirements.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual desiring a copy of the resolution would be furnished a copy.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-209 was unanimously adopted.

Complete text of Resolution No. 86-209 will be found in Resolution Book No. 16 at page 200-222.

Tuesday - November 18, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Michalove gave the invocation.

APPROVAL OF THE MINUTES - NOVEMBER 11, 1986 MEETING

1. Consideration was given to the approval of the minutes of the November 11, 1986, meeting.

Councilman Bratton requested that the minutes be amended relative to her statement concerning Ordinance No. 1616 adding the following sentence, "She said it was her understanding that qualifying individual minorities would be given $2,000 from the Minority Loan Pool in an effort to assist them in establishing minority businesses. She said she felt this amount would not be sufficient for anyone to start a business but would only create problems for the individual."

Mayor Bissette announced the approval of the minutes as amended.

RESOLUTION NO. 86-207 - RESOLUTION AUTHORIZING SUBMISSION OF AN AMENDED STATEMENT OF COMMUNITY DEVELOPMENT OBJECTIVES AND PROJECTED USE OF FUNDS TO THE U. S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

2. Consideration was given to a resolution authorizing submission of an amended statement of community development objectives and projected use of funds to the U. S. Department of Housing and Urban Development.

Mayor Bissette said the amended statement of objectives proposes to use additional CDBG funds from HUD for the following purposes: 1) Housing Rehabilitation Revolving Loan Fund, $102,000; and 2) Neighborhood Housing Services Project, $80,000. CDBG Revenue will be increased by $182,000.

Marvin Vie[illegible], Community Development Director, said the Housing Rehabilitation Revolving Loan Fund was set up in 1981 and has been very successful. He said twenty-eight loans were approved last year and two applications are now pending. He said if the two applications now pending are approved, the current rehabilitation loan funds would be depleted.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual desiring a copy of the resolution would be furnished a copy.

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, Resolution No. 86-207 was unanimously adopted.

STATE OF THE CITY MESSAGE
MAYOR LOUIS BISSETTE
THURSDAY, NOVEMBER 13, 1986

Members of the Asheville Rotary Club, Guests and Citizens of Asheville. I appreciate very much the opportunity to be here today to present this formal report on the condition of our City. This is the second annual State of the City Message and I hope it will become a tradition in the future.

I intend, today, to report to you on the condition of the City and discuss with you the problems, progress and prospects of our City, as seen from the Mayor's Office. I will attempt to structure this report as follows:

1. Financial Condition
2. Infrastructure
3. City Government
4. Economic Development
5. Downtown
6. City-County Relations
7. Community Relations
8. Asheville's Future

Before I begin my report, I would like to address what I consider to be one of this Council's most outstanding achievements. Last year, when Mayor McDevitt delivered his State of the City Address, the City of Asheville was without a city manager. Larry McDevitt reported that the City Council was still working to find the right person to be our City Manager. Ladies and Gentlemen, I am pleased to be able to report to you today, that we found the right person when Doug Bean agreed to accept the position of Asheville City Manager in May of this year. We have had the opportunity to work with Doug for over six months and I can report to you that he is a true professional in every respect. During the last three years, I have had the opportunity to meet a number of city managers from across this State, and Ladies and Gentlemen, if I could have my choice of any city manager in the State of North Carolina, that choice would be Doug Bean.

1. Financial Condition. The financial condition of the City of Asheville is excellent. Our expenditures are within our resources. Our debt is very low, and our unfunded liabilities are being liquidated. In the past six years, the City has made substantial cuts in personnel and other areas in order to balance our operational budget. There is little fat left in that budget. City Council, this year, for the first time in 5 years, voted to increase the property tax rate by two cents per hundred in order to maximize existing service levels. If you take Asheville's property tax revenue for the 1981 thru 1985 period and adjust that for inflation, you will find a slight downward trend. This analysis suggests that the average Asheville taxpayer paid slightly less in terms of purchasing power on his or her 1985 property taxes than he or she paid in 1982. The City's net bonded per capita debt has declined consistently since 1976. Presently, our per capita debt is approximately $70.00. Charlotte's 1985 per capita debt is $722, High Point - $494, Winston-Salem - $442, Durham - $417. Our current bonded debt is $10.4 million, including the Water Fund. Our current debt capacity as limited by North Carolina law is $130 million or 27 times our current net debt. Even with

BIDS - FIREFIGHTING EQUIPMENT AND ACCESSORIES FOR THE FIRE DEPARTMENT

5. Consideration was given to a motion relative to bids received to furnish firefighting equipment and accessories for the Fire Department.

Mayor Bissette said sealed bids were invited to furnish firefighting equipment and accessories for the City's Fire Department. Equipment and accessories include 1-1/2" and 2-1/2" fire hose; booster hose; foam eductors; portable monitors; assorted nozzles and connections. Ten (10) bids were received. Fire hose will be purchased from Mark VI, Inc., Asheville, N.C., in the amount of $13,535.00; booster hose will be purchased from Supply Specialities, Inc., Asheville, N.C., in the amount of $1,194.00; leader line and siamese fittings from Fire End & Croker Corporation, Elmsford, N.Y., in the amount of $602.00; valves, nozzles, eductors and monitors from Action Fire & Safety, Inc., Charlotte, N.C., in the amount of $5,672.58; and suction siamese fittings and turbo-jet nozzles from Harold's Sales & Service, Marietta, Georgia, in the amount of $2,106.60. Funds totaling $23,110.18 have been appropriated in the F.Y. 86/87 budget.

Mayor Bissette noted that several of the low bids had not been accepted because the bidder was nonresponsive to the City's specifications.

Councilman Boland moved to approve the bids for the firefighting equipment and accessories as recommended by the Purchasing Director. This motion was seconded by Councilman Tisdale and carried unanimously.

SCHEDULING PUBLIC HEARING - TREE ORDINANCE

6. Vice-Mayor Frank moved to schedule a public hearing relative to the adoption of a proposed tree ordinance for November 25, 1986. This motion was seconded by Councilman Price and carried unanimously.

PROPOSED ORDINANCE RELATIVE TO PROHIBITING TRUCKS IN RESIDENTIAL AREAS SCHEDULED FOR NOVEMBER 25, 1986

7. Mayor Bissette noted that City Council would take action on a proposed ordinance to prohibit trucks on certain residential streets at its meeting on November 25, 1986.

EQUAL EMPLOYMENT OPPORTUNITY TASK FORCE WORK SESSION SCHEDULED

8. Mayor Bissette noted that members of Council had scheduled an Equal Opportunity Task Force work session relative to a proposed Affirmative Action Plan for the pre-Council work session on November 25, 1986 at 3:00 p.m.

STATE OF THE CITY ADDRESS - MAYOR BISSETTE

9. Mayor Bissette requested that the following State of the City Address given on November 13, 1986 be made a part of the minutes:

remains is the rehabilitation and extension of the existing collector lines and interceptors. In December of last year, a letter of intent was signed by the City, the County and MSD to provide a framework for addressing this rehabilitation problem. This letter of intent provides for consolidation of all of the existing connector lines and interceptors in Buncombe County under the authority of the Metropolitan Sewage District. It is proposed that a ten year rehabilitation program be initiated by MSD to bring our sewage collection system up to an acceptable level. Since that letter of intent was signed by the City, the County and MSD, it is my understanding that most, if not all of the other municipalities and independent sewage collection districts, have agreed to this proposal in principal. A Draft Agreement has been prepared and is being reviewed by MSD's Bond Counsel and the various governmental units. I remain very hopeful that this agreement can be completed in the near future in order that this extremely important rehabilitation program can begin.

In the meantime, the City of Asheville has continued to rehabilitate its collector system according to a master plan. In the past year, significant rehabilitation projects have been completed, including Haw Creek, Four Mile Creek in South Asheville, South Charlotte Street and Beverly Road. The City of Asheville intends to continue to address the problems within its city limits, but I believe that the County-wide problem must eventually be addressed by a united effort.

(c) Storm Sewers. Our storm sewer system continues to cause serious problems throughout our City. As you are aware, many of our storm sewers were installed in the 1920's. They were installed by private developers and are located in many instances, on private property. We have, during the past year, entered into a storm water modeling study with the U.S. Department of Interior at a total cost of approximately $300,000.00. When this study is completed, the City can begin to address this problem over a multi-year period to bring our storm sewer system up to an acceptable level.

(d) Streets and Sidewalks. The people of this City in September voted by an overwhelming majority to authorize the issuance of $17 million in street and sidewalk bonds. These bonds will permit us to rehabilitate approximately 175 miles of our street system and approximately 69 miles of our sidewalk system to the City of Asheville. We intend to issue approximately $6 million of these bonds in December of this year. Construction will begin in the spring of 1987. It is the City Council's responsibility, now that the people have authorized these funds, to be certain that the projects are properly engineered and constructed in a cost effective manner. We must have proper engineering up front which addresses drainage problems and we must see to it that the projects are coordinated with State and Federal road and bridge projects, water and sewer projects and private utility projects. This City Council intends to insure that the people of this City receive the very highest value for the funds generated by these bonds. We currently project that all of the street and sidewalk projects can be completed within four years.

The City of Asheville is currently scheduled for almost $25 million in new state road projects over the next few years. These include:

(1) The widening of U. S. 25 (Hendersonville Road) from Interstate 40 to the Blue Ridge Parkway;

(2) The widening of Broadway from I-240 to U. S. 19 & 23;

the issuance of the entire $20 million in General Obligation Bonds which were authorized by the people of this City in September, our debt capacity will be almost twelve times our current net debt at the end of 1991.

The City of Asheville's unfunded liabilities, which consist primarily of the Asheville Policeman's Pension Disability Fund, are being liquidated rapidly at an annual cost to the City of approximately $600,000.00. This Police Pension Plan was established in 1939, but was never properly funded until 1976, when the City Council undertook to fund this pension plan on an actuarily sound basis. I am happy to report to you today that the Police Pension Task Force, which was appointed by the City Council in the spring of this year, has recommended a long term solution to this serious problem. This Task Force, consisting of the Mayor, the Vice Mayor and Councilman Norma Price, as well as active members and retirees under the Plan is recommending a proposal which would:

1. Guarantee that no plan member or retiree would receive any less in benefits than they are now entitled to receive under the present plan;

2. Entitle members and retirees to become participants in the North Carolina Local Government Employees' Retirement System, which would permit them to receive cost of living increases in their pensions, which is not available under the present plan;

3. Reduce the City's annual contribution level by almost $300,000.00. This proposal has been unanimously recommended to the Asheville City Council and to the participants in the Asheville Police Pension Plan. Those participants will vote on the proposal in December. This is not a matter that has received great publicity in recent years, but is one which has continued to cloud our City's financial picture and which has also failed to provide adequate benefits to participants in the plan. I hope and believe that this problem can be solved once and for all by the adoption of the Task Force's recommendations.

2. Infrastructure

(a) Water. Although our current water sources and delivery systems are inadequate to meet Buncombe County's future requirements, the Asheville-Buncombe Water Authority is making significant progress and has already initiated substantial improvements to the Bee Tree/North Fork Reservoir System. In the drought conditions that existed in our area during the summer of 1986, the City of Asheville was never in serious trouble. In fact, for a time, we were selling water to our sister communities in Woodfin and Weaverville. Our situation will be further strengthened when the Bee Tree Reservoir is added to the system later this month.

(b) Sanitary Sewer System. Our sanitary sewer system continues to suffer from serious deterioration. As you are aware, our system is old, it leaks into our lakes and streams and it permits tremendous amounts of ground water to infiltrate the system and overcome the sewage treatment facilities on the French Broad River. When this happens, the treatment plant must be bypassed and the effluent dumped directly into the river. An expansion of the treatment plant is already under way under the direction of the Metropolitan Sewage District. This will solve a part of the problem. The problem that

Alternatives are currently being prepared for major repairs and/or renovations to the City Hall and the Municipal Building. In addition, we are exploring the concept of a joint City-County law enforcement and fire administration facility. The City is also proceeding with the renovation of the Hunt-Hill Central Warehouse facility, which will permit us to centralize our purchasing and warehousing functions and save the City thousands of dollars on an annual basis. The City of Asheville currently has fourteen separate warehousing facilities, which represents an extremely inefficient system. Our estimates indicate that the new centralized purchasing and warehousing facility will save the City approximately $50,000.00 per year. We hope to be in this facility by the spring of 1987.

I believe that the City of Asheville has made significant progress in the past several years to address its infrastructure problems. Although we are certainly not out of the woods, I believe that we have identified our problems and are making realistic long-range plans to deal with those problems.

3. City Government. The City Government's first and foremost obligation is the protection of the lives and property of its citizens.

Serious crimes have increased in our City during the first half of 1986 by 12.3% over the same period in 1985. Although the number of murders, rapes, and robberies have remained essentially level, we have experienced increases in aggravated assault, burglary and larceny. Although this is an unacceptable increase, I would point out that the core cities of Charlotte, Fayetteville, Greensboro, Raleigh, Wilmington and Winston-Salem averaged a 14% increase over the same period. The City Council and your Police Department are concerned about this increase and we must redouble our efforts in crime prevention during the coming months. Your Police Department with 134 officers, provides protection for the lives and property of 60,000 Ashevillians 24 hours a day, 365 days a year. This is not an easy task. The police officer in many instances must be all things to all people. I believe, however, that we have a police force in the City of Asheville of which you can be very proud.

Our Fire Department continues to distinguish itself in both the areas of firefighting and fire prevention.

The men and women of our Fire Department are dedicated public servants who also protect the lives and property of our 60,000 citizens 24 hours a day, 365 days a year.

A new Fire Chief has joined our department this month. Chief John Rukavina has a distinguished educational background and record as a fire-fighter. He comes to us from St. Joseph's, Missouri, where he served as Fire Chief and most recently as Acting City Manager.

Our other City employees, including those in our Public Works Department, our Sanitation Department, our Water and Sewer Department, our Parks and Recreation Department, our Planning Department, and our Inspections Department who keep this City running on a day-to-day basis deserve our appreciation and our respect. There are many very difficult jobs in City Government. Every day our Sanitation workers are in the streets collecting and disposing of thousands of tons of refuse. This job must be done every day in all kinds of weather. Our Water and Sewer workers are out every day repairing broken lines in all kinds of weather, many times working all night to be certain that water and sewer service to our citizens is not disrupted. During

(3) The widening and improvement of the Leicester Highway;

(4) The Sweeten Creek and I-40 interchange.

(5) N.C. 191 and I-40 interchange (Farmers Market);

(6) Substantial improvements to the interchange located at I-240 and Merrimon Avenue;

(7) The widening and improvements to McDowell Street from Southside to the McDowell Street Bridge;

(8) The widening and improvement of North Louisiana Avenue;

(9) I-240 improvements from U.S. 19 & 23 to Charlotte Street.

We are also scheduled for almost $15 million in bridge replacement projects between now and 1989. These include:

(1) Smoky Park Bridge;

(2) The McDowell Street Bridge;

(3) The Smith Bridge over the French Broad River;

(4) The Chestnut Street Bridge.

Other significant improvements scheduled to begin in the next few years include improvements to U.S. 74 and U.S. 70 intersection at the Asheville Mall and the installation of new computerized traffic signal equipment in the Downtown Business District.

In summary, the drivers of this City are going to have to display a great deal of patience during the next few years. However, when these improvements are completed, our street and sidewalk system should be in excellent condition as the City enters the decade of the '90's. It will be the responsibility of future Councils to see to it that this refurbished system is properly maintained in the years to come.

(e) Municipal Buildings. Although a city's main purpose for existence is to render governmental services to its people, much of a city's wealth is invested in its physical assets, such as streets, utility systems, buildings and equipment. Continuing maintenance and replenishment of the City's investment in its capital assets is a requirement for good stewardship of the public trust. Maintenance of these assets is also essential for daily operational efficiency and effectiveness. Some of our major city facilities are in need of major repairs and renovations. The City Hall, although attractive from the exterior, is highly inefficient, particularly from an energy point of view. We are also under an order from the State of North Carolina to install an additional stairwell in the building to meet the State's highrise fire codes. The Municipal Building, which houses our Fire and Police Departments, is simply not adequate to meet the needs of our modern fire and law enforcement agencies. Our present Street and Sanitation Barn on South Charlotte Street is inadequate for equipment storage and administration. These buildings have been neglected for many years and are in desperate need of renovation or replacement.

and a strengthened erosion control ordinance. In addition, the Council will soon consider a tree ordinance and a truck ordinance which would prevent the unwarranted use of neighborhood streets for commercial purposes. I believe these ordinances are reasonable. They have been developed during a long public hearing process which has included input from individuals as well as representatives of business and development interests. These ordinances are not overly restrictive, but they do prevent unreasonable and uncontrolled development, particularly on our mountain ridges.

On the other hand, we are taking action to make quality development in the City of Asheville easier by limiting the red tape required of developers. This month, we will institute a one-stop permit system for developers. This system has been developed under the direction of our City Manager, but with substantial input from representatives of the Board of Realtors and the Home Builders Association. This system will hopefully prevent the unnecessary delays and confusion which developers have too often experienced in the City in the past.

5. Downtown. Why should you and your City government be interested in the Asheville Central Business District? I believe we should be interested because Asheville's downtown is the heart of our community. Asheville's downtown should be important to you if you live in Biltmore Forest, Woodfin, Candler or Fairview. When you visit another community, how do you develop your impression of that community? You get your impression probably from the downtown area. If the downtown is thriving and economically viable, chances are your impression of that community is going to be positive. If the downtown is dead, with vacant store fronts and poorly maintained structures, I believe your impression of the entire community will be negative.

If you have been in downtown Asheville lately, you have probably noticed some significant changes. Phase I of the Wall Street Development is nearing completion. The Haywood Park Hotel has been completed, and the Haywood Promenade is nearing completion. The apartment units of 66 Haywood should be ready for occupancy soon, and I understand that most of them have been rented. The Preconstruction Conference for the Pack Plaza Project was held last week and construction should begin within a matter of days. Wick & Greene held their grand opening yesterday and the Greene's are already beginning Phase II of their Project. The old Lincoln Mercury building on Market Street is currently being renovated by the Van Winkle law firm. A renovated S & W building will reopen as a cafeteria and delicatessen in December of this year. The new Post Office building is under construction and should be completed by early spring. The general accounting office is planning an $8 million renovation to the Grove Arcade building. Construction should begin in late 1987 and plans call for a restoration of the original exterior of the building. The old Asheville Hotel and the old Penney's Building on Haywood Street have been purchased by developers, and plans are under way for the eventual renovation of those structures. In the downtown fringe areas, new office condominiums are being constructed along the expressway and on Orange Street. Robert Mayhew has renovated the old Allen Center into an office park. Hunter Banks Company has just completed the renovation of the building at the head of Montford. The Chamber of Commerce is planning a significant expansion of their facilities, and the YMCA addition is currently under construction.

The City has strongly supported the revitalization of downtown and is working with developers, merchants and property owners to develop adequate parking and other public improvements to assure the success of the downtown

one of the coldest periods last winter, we had a major water main break and Water Department personnel worked continuously in subfreezing weather for 36 hours until service was restored. All of our City Employees have my respect, and I believe they should have yours as well.

The Parks and Recreation Department last year provided a wide range of programs for practically all of our citizens. Young, middle-aged, and elderly - I believe most of you would be amazed at the number of programs which are offered through our City Parks and Recreation Department. In addition to the Parks and Recreation staff who organize and supervise these programs, over 2,500 volunteers participated in our City Parks and Recreation programs in 1985.

In my opinion, the general morale of our employees is excellent, and I am satisfied that we have a group of competent and dedicated people working for the City of Asheville. We continue to make every effort to improve our training, and we are in the process of implementing a merit pay system for the first time in the City of Asheville.

4. Economic Development. Our tourism industry in the City of Asheville is thriving. The room tax and the creation of the Tourism Development Authority have provided a tremendous boost for tourism in our area. The number of motel rooms available in Asheville has increased significantly in recent years and the announcement of the expansion of the Grove Park Inn should make Asheville a tempting location for an ever increasing number of conventions. Our festivals, such as Bele Chere, Light Up Your Holidays, Riverfest and the Biltmore Village Festival are growing by leaps and bounds. They are extremely important in attracting tourists to our area, and the City is proud to participate with the private sectors in these programs.

The outlook for manufacturing in the City of Asheville is not as bright. We have lost over 2,000 manufacturing jobs during the past two years. We have had very few announcements recently of major plant relocations to our area. I am concerned about this problem, but I am encouraged by the upcoming Economic Summit which is being sponsored by the Asheville Area Chamber of Commerce and the University of North Carolina at Asheville. The effort will bring together our community's most talented and creative minds in the fields of business, education and government. These individuals will attempt to map a new direction for our economic development efforts. There is tremendous competition these days for economic development. Greenville, Spartanburg, Charlotte, and the Tri-Cities area are all competing directly with us in the economic development area. Our competitors are spending tremendous sums of money and are in many instances out-stripping our efforts. We must identify our strengths and develop a long-range plan for attracting new industry to our area. We have a great many assets which we can bring to bear in our economic development efforts, including the more effective utilization of a growing and vibrant UNC-A. Tourism is important, but we must balance tourism with diversified manufacturing and service sector growth.

In regard to growth, I believe we are making progress in encouraging quality development in the City of Asheville. The Alternatives For Asheville process is moving towards completion. If there is one lesson to be learned from Alternatives For Asheville, it is that the people of this City want growth and development, but they want quality growth and development. The City Council has already taken action on many fronts, including the recent passage of a ridge protection ordinance, a buffering ordinance, a hillside ordinance

process which made it a reality. The water agreement has served as the basis for cooperation between the City and County in many areas, and I feel that we must be very cautious in advocating substantial modifications.

7. Community Relations. I believe that there is an excellent spirit of cooperation and goodwill among the various segments of our Asheville community. We have developed a great deal of pride in our City, and I believe that the rise of neighborhood involvement through neighborhood associations is contributing greatly to that spirit. The Coalition of Asheville Neighborhoods represents neighborhood associations in Montford, Kenilworth, Beverly Hills, Grove Park, and Haw Creek. In recent months, I have seen these associations effectively assist the City by constructively addressing potential problems that affect their neighborhoods. The expansion of the Grove Park Inn, both during construction and afterward, will have a significant effect on the Grove Park-Sunset area. The Grove Park-Sunset Association addressed these potential problems in a constructive manner, and through cooperation with the City and the Grove Park Inn, reasonable quidelines were developed to assist both the neighborhood and the Grove Park Inn. A committee consisting of members of the City staff, the Grove Park-Sunset Association and the Grove Park Inn has been formed to address problems which most certainly will arise during construction. In addition, the Montford Association has been extremely active for over a year in assisting the City with the Montford Redevelopment Plan. This plan is almost complete and the City Council has allocated over $700,000 in community development funds for the redevelopment of this very important and historic Asheville neighborhood.

In the past few months, a serious concern has been voiced by members of our black community over the hiring and promotion practices of the City of Asheville. This discussion has focused most recently on our Police Department. It is a fact that the number and rank of our black officers do not adequately reflect our population makeup. For example, there has never been a black police officer in the City of Asheville above the rank of sergeant. This is unacceptable to the black community, and it is unacceptable to me. It is not, however, a simple problem. Qualified black police officers, as well as teachers, firefighters and other professionals are in tremendous demand. I do not believe that the current situation in our Police Department and other City departments has come about because of any systematic form of racial discrimination. It has come about, however, because in many instances we have not made a sufficient effort to recruit qualified blacks into our system. This City Council intends to increase that effort. We are currently reviewing a new affirmative action plan prepared by the City Manager, which when adopted, must be more than just another document to place in our files. It must be a working document which will bring about fair results. In addition, we can and must develop effective recruiting plans to attract qualified blacks into our City government. Here again, this plan must achieve results and not just serve as another well-written document for our files.

Thirdly, we are currently reviewing, with the assistance of the North Carolina Institute of Government, our civil service system. We are one of the few remaining North Carolina cities which operate under a civil service system. This system must be reviewed to see if the civil service law itself has contributed to our problem. If it has, then we shall seek to have the legislature modify our civil service system.

We are not talking about quotas, we are talking about fairness. Young blacks, just like young whites, need role models and qualified blacks in city

revitalization effort. New parking garages are a part of the Pack Plaza Project, the Wall Street Project, and Haywood Promenade, and the City is committed to a new parking structure on Rankin Street. These garages have been designed with an eye towards aesthetics and usability. They are much smaller in size than our existing municipal parking garage and should afford parkers easier and more acceptable ingress and egress. In conjunction with these efforts, the City is currently seeking input from parking consultants and downtown merchants to provide a workable parking strategy for downtown Asheville. Our current parking system is inadequate in many respects, and I believe that we can do a much better job of providing parking in our downtown business district. Asheville is the only major city in the State of North Carolina which consistently loses money annually on its parking operations. This must and will change as the revitalization process continues.

In addition, Lexington Park continues to improve and the proposed Pack Place Education, Arts & Science Center should be a tremendous asset to our downtown revitalization efforts. The people of the City have expressed their support of this project by voting $3 million in General Obligation Bonds for this project. These bonds, however, will not be issued until funding for the entire project is achieved from the private sector and other governmental agencies. Estimates of the cost of the total project are in excess of $7 million.

The effort to revitalize our downtown is succeeding because of the broad based support which it has received from the City government, the County government, our business leaders and the people of this City. Input into downtown revitalization is being broadened by the creation of a restructured downtown commission and a broad based downtown association. I believe that with the continued involvement and cooperation of all sectors, a revitalized downtown Asheville will be a reality in the very near future.

6. City-County Relations. Your City and County governments are continuing to meet and discuss problems of mutual concern. This City Council and the County Commissioners formed an inter-governmental committee which is meeting on a monthly basis to discuss matters of mutual interest and concern. We have cooperated effectively in downtown revitalization projects; the joint mapping program; the proposed agreement for the rehabilitation of our sanitary sewer systems; disposition of tax lots; airport development; and economic development.

We are currently discussing the possibilities of a joint purchasing and warehousing system; and a joint law enforcement facility. I am hopeful that in the months to come, we will also be able to cooperate in a joint program for the development of the French Broad River.

One area of concern between us currently is the water agreement. There have been some comments regarding possible changes to this agreement. Your City Government is, of course, willing to discuss areas of concern to the County, but we feel that any changes should be approached very cautiously. I believe the water agreement on the whole has worked effectively for the people of both the City and the County. It is my opinion that the water agreement was developed over a period of years through a long negotiation process, and changes in one area may require additional adjustments in other areas to balance the agreement. In recent weeks, both the City Council and the County Commissioners have worked diligently to familiarize themselves, not only with the details of the water agreement itself, but also with the long negotiating

GRAY HUTCHISON, INC. - AUTHORIZATION TO IMPLEMENT EMPLOYEE'S FLEXIBLE BENEFITS PLAN

10. At the request of the City Manager, Councilman Price moved to authorize the City Manager to execute a contract with Gray Hutchison, Inc. to serve as advisors for the implementation of the Employee's Flexible Benefits Plan. The contract amount to be $10,000. This motion was seconded by Councilman Michalove and carried unanimously.

REPORT RELATIVE TO INTERGOVERNMENTAL SERVICES COMMITTEE

11. Vice-Mayor Frank noted that the Intergovernmental Services Commmittee met on November 18, 1986, at 12:30 p.m. with full attendance. She said the members discussed the proposed 911 emergency number and was informed that the State Utilities Commission is currently mailing letters and inquiries to concerned entities for their input for continuing costs. She said the State Utilities Commission should reach a decision relative to these costs in about 30 days.

She said they discussed the consolidation of the central purchasing warehouse facility and a resolution from the County should be forthcoming in the near future. She said they also discussed the joint problem of space for the West Asheville Community Center Library. She said the County Commissioners requested more information relative to this subject. She said the members again indicated a need for a separate work session relative to the Water Agreement. She said the next meeting of the Intergovernmental Services Committee would be on December 2, 1986, at 12:30 p.m. in the Council Conference Room.

Councilman Tisdale said the Intergovernmental Services Committee also discussed proposed amendments relative to the Massage Ordinance. He requested that the City Attorney and County Attorney work together on any changes proposed for the ordinance.

REQUEST OF LEAGUE OF WOMEN VOTERS - ENDORSEMENT OF LEAGUE WOMEN VOTERS FOR FUNDS FROM THE EXXON SURPLUS FUNDS FROM THE NORTH CAROLINA DEPARTMENT OF COMMERCE

12. Vice-Mayor Frank said the League of Women Voters in Asheville and Buncombe County have requested that the Asheville City Council endorse a proposal by the League of Women Voters to receive funds for a coordinated recycling program in the amount of $40,000 and an energy and resource conservation education program in the amount of $35,000 from the North Carolina Department of Commerce. She said the funds would be allocated from the $47 million to be received by the North Carolina Department of Commerce from the Exxon Corporation.

Vice-Mayor Frank moved to authorize the Mayor to send a letter of endorsement to the North Carolina Department of Commerce relative to the League of Women Voters' request. This motion was seconded by Councilman Price and carried unanimously.

government to provide those role models. We can and must achieve results because it is the right thing to do and because it is a problem that will not go away.

The Asheville-Buncombe Community Relations Council has been extremely effective in many areas over the past year. The Asheville Fair Housing Committee has been established and the Community Relations Council was extremely helpful in quieting community concerns when the Ku Klux Klan chose to march in Asheville last summer. This was a potentially explosive situation which was calmly addressed by all segments of our population. The Klan came, marched and left without incident and without publicity, which was exactly what they did not want to happen.

The City Council, also with the assistance of the Mayor's Committee for the Employment of the Handicapped, approved a new handicapped off-street parking ordinance which is serving as a model for the rest of the State.

8. The Future. I believe that the potential of this community is unlimited. In some ways, the recent naming of a Los Angeles class nuclear submarine for the City of Asheville is symbolic of this City's national stature and potential. The other sister submarines are named after such cities as Los Angeles, Chicago, Providence and San Juan. Our inclusion reflects not only the distinguished naval history of former USS Ashevilles, but also the respect which this city is afforded throughout our nation.

I have had the pleasure during the past twelve months to work with a very fine and dedicated group of public servants. The Asheville City Council has continued to address the problems of our community on a completely non-partisan basis. My fellow councilmen are hardworking and dedicated stewards of the public trust.

In the upcoming months, the City Council will face continuing budget problems brought about by continued reductions in federal and state assistance. We can and will, however, face those problems and I believe in the long run, have a stronger and more independent City.

There will continue to be friction between the growth and no-growth interests in our community. I predict that this Council will have to face the issues of annexation, zoning, historic districts and Sign Ordinance revision during the next twelve months. These are not easy questions. In many instances, they can divide our community, if we let them. We must not, however, let ourselves become divided on single issues. We must remember that the strength of our democratic system lies not only in the protection of the rights of the majority, but also in the protection of the rights of individuals against the majority. We must keep in mind that our goal is in Asheville which offers economic opportunities to all, but retains the quality of life and uniqueness that has made our City what it is today. I do not believe that we have differences in our ultimate goals. Our differences arise over how to achieve those goals. I am confident that the people of thiscity will choose the path of cooperation and not confrontation in making our community an even better place to live.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland, Kenneth M. Michalove, Norma T. Price and George M. Tisdale; Corporation Counsel William F. Slawter, City Manager Douglas O. Bean, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Boland.

MINUTES

1. Mayor Bissette announced the approval of the minutes of the November 18, 1986 meeting as submitted.

PROCLAMATION - DECEMBER, 1986 - "SANTA-PAL MONTH"

2. Mayor Bissette read a proclamation proclaiming the month of December, 1986 as "Santa-Pal Month", and presented the proclamation to Roger Smith, President of the Santa-Pal Project of the Asheville Optimist Club.

Mr. Smith, on behalf of the the Asheville Optimist Club and the Santa-Pal Project, thanked the Mayor and members of Council for the proclamation. Mr. Smith presented the Mayor with a Certificate of Appreciation to the City of Asheville in recognition of the contributions of past and present elected officials and the citizens of Asheville to the Santa-Pal Project. He also presented each member of Council with a commemorative coin.

PROCLAMATION - "LIGHT UP YOUR HOLIDAYS WEEKS" - NOVEMBER 26 THROUGH DECEMBER 31, 1986

2-A. Mayor Bissette read a proclamation proclaiming November 26 through December 31, 1986 as "Light Up Your Holidays Weeks", and presented the proclamation to Leslie Anderson, Member of the Light Up Your Holidays Board of Directors.

Ms. Anderson said the premiere for the Festival will be held on Pack Square on Saturday, November 29, 1986, at 6:30 P.M. with fireworks and hot cider. She said the Festival keeps growing and becomes better every year. She said there will be a special community celebration on December 13th especially for children and a Chanukah Torch Run for Peace on December 28th. She said the Asheville Citizen-Times has printed a tabloid of the events, which also includes a map in the middle showing the best route for viewing the lights. She said there will be a quiet moment for peace and the closing of the Festival on December 31. She encouraged the Council and public to attend as many of the 200 events scheduled for the Festival as possible.

CLAIMS - NELLIE STITT (WATER)

13. The City Manager presented a claim received from Nellie Stitt.

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

LAWSUIT - A MINI STORAGE COMPANY VS. JOHNNY EGBERT JOHNSON, JR., RAY COOPER AND THE CITY OF ASHEVILLE (PROPERTY DAMAGED - AUTOMOBILE ACCIDENT)

14. The City Manager said the City was served on November 14, 1986 with a lawsuit in which the City of Asheville is the defendant involving a mini-storage company versus Johnny Egbert Johnson, Jr., Ray Cooper and the City of Asheville involving property damage by an automobile accident.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Michalove, the meeting adjourned at 4:40 p.m.

Mayor

William F. Wolcott
City Clerk

Mayor Bissette closed the public hearing at 4:25 p.m.

Mayor Bissette said copies of the ordinance had previously been distributed to members of Council and the ordinance would not be read in its entirety. However, he said, a copy of the ordinance would be given to any member of the public desiring a copy.

Councilman Price moved to adopt Ordinance No. 1617 and to amend the first sentence of Section 4 to read "The terms and provisions of this ordinance shall apply to all City property as defined hereinbefore" and to amend Section 11 (B) to include a provision that the 3-man board include at least one (1) member of the Asheville Tree Commission. This motion was seconded by Councilman Michalove.

On a roll call vote of 7-0, Ordinance No. 1617 passed on first reading, as amended.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1617. This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1617 passed on second reading, as amended.

Councilman Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1617. This motion was seconded by Councilman Bratton.

Councilman Price said she felt the third reading of the ordinance should be postponed until next week to give the public time to comment on the ordinance.

On a voice vote of 5-2, Councilman Michalove's motion to suspend the rules and proceed to the third reading failed.

ORDINANCE NO. 1618 - AN ORDINANCE TO REGULATE THE TRAFFIC OF TRUCKS ON DESIGNATED RESIDENTIAL STREETS IN THE CITY OF ASHEVILLE

4. Consideration was given to an ordinance to regulate the traffic of trucks on designated residential streets in the City of Asheville.

Mayor Bissette said the City of Asheville has the authority to control all public streets within its corporate limits which are not under the authority of the North Carolina Board of Transportation. There has been local interest in preserving residential areas by controlling noise levels and safeguarding residential streets from hazardous conditions. The Asheville City Council finds and declares that the traffic of trucks unduly increases the noise levels and hazards of particular residential streets within the City of Asheville. This ordinance will regulate the traffic of trucks on designated residential streets in the City of Asheville.

PUBLIC HEARING - TREE ORDINANCE

ORDINANCE NO. 1617 - AN ORDINANCE ESTABLISHING A TREE ORDINANCE FOR THE CITY OF ASHEVILLE

3. A public hearing was held relative to the adoption of a Tree Ordinance for the City of Asheville.

Mayor Bissette said the City of Asheville deems it necessary and desirable in the interest of public health, safety and welfare to enact an ordinance for the preservation, planting, and replacement of trees and to prevent the indiscriminate pruning and removal of trees in the City without denying the reasonable use and enjoyment of real property.

Mayor Bissette opened the public hearing at 4:15 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Corporation Counsel William F. Slawter said the ordinance had been amended since the earlier public hearing. He said the new ordinance will have jurisdiction over any trees on the City's right-of-way and would prevent any activity that would destroy the trees. He said permits would be required to remove trees. He said these permits will be obtained from the City Manager or his designee. He said if a person is dissatisfied with the decision of the City Manager or his designee relative to the request for a permit, the person may appeal the decision to a 3-man board, and if still not satisfied may appeal the decision to the City Council. He said the ordinance also provides a penalties section, and the penalty may also be appealed in the same manner. He said trees with a 2-inch or more diameter at a height of 4-1/2 feet are regulated by the ordinance. He said in order to prevent excessive pruning and topping of trees, compliance with approved pruning standards is required. He said the City can obtain injunctive relief through the courts and can also obtain Court Orders to prevent damage if time permits.

Upon inquiry of Councilman Price relative to undefined rights-of-way, Mr. Slawter said this information can be obtained from the Public Works Department or the N. C. Department of Transportation.

Mayor Bissette said he had received a letter from Steve Bowman saying that he could not attend the meeting, but would let the photographs he attached to his letter stand as his official statement. Mayor Bissette passed the photographs around for review by members of Council.

Susan Roderick, Chairman of the Asheville Tree Commission, congratulated Bill Slawter on the good job he had done in preparing the ordinance. She said she thought it was a good ordinance if it will be enforced. She said some of the biggest offenders of cutting trees on the rights-of-way are City employees and that they need to be educated about trees. She said she would like to see the City hire an Arborist or a person with a degree who would take the initiative to do more toward enforcement. She said she would also like to see a member or two of the Tree Commission on the 3-man board to be appointed by the City Manager.

Council consider lowering the weight limit to 6,500 lbs. She also requested that Council consider amending the ordinance to include Evelyn Place between Charlotte Street and Murdock Avenue instead of Evelyn Place between Charlotte Street and Edwin Place as the ordinance currently reads.

Mr. Ron Goldstein of Blue Ridge Trucking Company spoke in support of the ordinance saying that he didn't think the proposed ordinance would put a hardship on the trucking companies.

Mr. Ned Guttman of 58 Beechwood Road spoke in support of the ordinance, but said the ordinance should restrict all commercial vehicles and not just truck traffic in residential areas.

Mrs. Suzanne Peake of 6 Edwin Place spoke in support of the ordinance. She said she had spent an hour on Monday counting trucks, and during that time span, she counted 10 major construction or commercial vehicles. She said she would appreciate anything the Council could do to reduce the truck traffic.

Mrs. Carolyn Tingle of 37 Kenilworth Road said she felt the ordinance should be stricter and should include any type of commercial vehicles.

Mr. Paul Lominac of 656 Lakeshore Drive spoke in support of the ordinance saying that the trucks break off tree limbs and are dangerous to trees.

Mr. Solon Gilmore of 131 Edwin Place said he appreciates what the Council is trying to do about trucks in residential areas. He said the ordinance will improve the quality of life in Asheville if the ordinance is enforced and requested that the City actively pursue the enforcement of the ordinance upon its adoption by City Council.

Mr. William Milhaupt of 19 Majestic Avenue said he had counted several Southern Concrete Materials trucks in a 30-minute time span. He said these trucks weigh 78,000 lbs. and are very noisy and dangerous to children and pets in the area.

Councilman Bratton moved for the adoption of Ordinance No. 1618 and to amend it to include Fairview Road with the exact boundaries to be determined at next week's Council Meeting. This motion was seconded by Councilman Price.

Mayor Bissette requested that the City Manager look into empty passenger buses using City streets as short cuts.

On a roll call vote of 7-0, Ordinance No. 1618 passed on first reading, as amended.

Mayor Bissette said copies of the ordinance had previously been distributed to members of Council and the ordinance would not be read in its entirety. However, he said, a copy of the ordinance would be given to any member of the public desiring a copy.

Mayor Bissette read the names of the streets to be included in the ordinance. He said he and other members of Council had received requests that the following streets be included in the ordinance - Fairview Road, Ambler Road, Gladstone Road, Fairway Drive, and Gracelyn Road. He said staff will review these requests and report back next week.

Mayor Bissette said staff had reviewed the request and recommended that Fairview Road from the railroad tracks to its intersection with Onteora Boulevard be included in the ordinance.

Councilman Price thanked Corportion Counsel Slawter for finding a way to address a concern that had been plaguing Council for several years.

Mayor Bissette said the ordinance is designed to prevent commercial trucks from taking short cuts through residential areas to avoid using the major arteries to get through town.

Upon inquiry of Councilman Boland, Traffic Engineer Bob McDonald said the 10,000 lb. limit was established by looking at weights of unloaded beverage trucks such as Coca Cola. He said these trucks usually weight between 10,000 and 12,000 lbs. unloaded.

At the request of Councilman Bratton, Mayor Bissette said the reason the Council did not act on the request to restrict truck traffic on Fairview Road from the railroad tracks to I-240 was because Fairview Road from Onteora Boulevard to I-240 is under the jurisdiction of the N. C. Department of Transportation.

Mr. W. P. Holt of 610 Fairview Road requested that the trucks be restricted on Fairview Road from where the current "no truck" sign is located now because North State Materials is located inside the railroad tracks. He said he had made a list of 16 trucking companies who use Fairview Road on a daily basis.

Mrs. Davis of Fairview Road said the City has truck routes that run parallel to Fairview Road - Swannanoa River Road and U.S. 25-A Sweeten Creek Road. She emphasized that Fairview Road should not be used as a truck route because it is a nice, 70 year old community and the residents would like to keep it that way. She also said the City cannot expect the homeowners to invest money to improve their homes and property just to have them damaged by heavy trucks using the road. She said the community is not very rich, but the residents are proud of it and it has remained stable over the years.

Linda Sarubbi of the Grove Park/Sunset Association spoke in support of the ordinance. She said she did have concerns that the ordinance did not address public transportation such as Youngs Transportation and the Asheville Transit Authority driving empty buses through the neighborhoods as short cuts to their terminal or the Grove Park Inn. She said she had also checked on weights of trucks with Matthews Ford and requested that

A. RESOLUTION NO. 86-211 - Resolution appointing a member to the Planning and Zoning Commission.

HIGHLIGHTS: Jan Wiegman has resigned as a member of the Planning and Zoning Commission. This resolution will appoint Danie Johnson to fill the unexpired term, term expiring August 14, 1987, or until his successor has been duly appointed and qualified.

Resolution Book No. 16 at page 224.

B. RESOLUTION NO. 86-212 - Resolution reappointing member to the Asheville-Buncombe Insurance Advisory Committee.

HIGHLIGHTS: This resolution will reappoint Richard E. Burdette to the Asheville-Buncombe Insurance Advisory Committee, term expiring October 1, 1990, or until his successor has been duly appointed and qualified.

Resolution Book No. 16 at page 225.

C. RESOLUTION NO. 86-213 - Resolution reappointing member to the Asheville Transit Authority.

HIGHLIGHTS: This resolution will reappoint Walter J. Renfroe as a member of the Asheville Transit Authority term expiring December 31, 1990 or until his successor has been duly appointed and qualified.

Resolution Book 16 at page 226.

D. RESOLUTION NO. 86-214 - Resolution reappointing member to the Board of Trustees of the Firemen's Relief Fund.

HIGHLIGHTS: This resolution will reappoint Webb E. Ellis as a member of the Board of Trustees of the Firemen's Relief Fund, term expiring January 1, 1989 or until his successor has been duly appointed and qualified.

Resolution Book 16 at page 227.

E. Consideration of a motion to schedule a public hearing relative to a site plan of a proposed addition to Pepsi Cola Bottling Company located in Sweeten Creek Industrial Park for December 9, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held November 12, 1986, reviewed the site plan of a proposed addition to Pepsi Cola Bottling Company located in Sweeten Creek Industrial Park. The plan was prepared by Southeastern Architects-Engineers for the developer.

RESOLUTION NO. 86-210 - A RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN AN AGREEMENT WITH DELTA PLAN OF NORTH CAROLINA FOR THE PURPOSE OF PROVIDING DENTAL INSURANCE TO CITY EMPLOYEES AND THEIR DEPENDENTS

5. Consideration was given to a resolution authorizing the City Manager to sign an agreement with Delta Dental Plan of North Carolina for the purpose of providing dental insurance to city employees and their dependents.

Mayor Bissette said the City of Asheville desires to provide some form of dental coverage to its employees and their dependents. This resolution will authorize the City Manager to sign an agreement between Delta Dental Plan of North Carolina and the City of Asheville for the purpose of providing insurance coverage to employees and their dependent family members.

City Manager Doug Bean said a dental plan for employees was includec in the 1986-87 Budget. He said several proposals were reviewed and that he recommends approval of the Delta Dental Plan, which offers good basic coverage for the employees. He said the cost to the City would be $60,000 per year and that funds have been included in the budget.

Mayor Bissette said copies of the resolution had previously been distributed to members of Council and the resolution would not be read in its entirety.

Upon motion of Councilman Boland, seconded by Councilman Michalove, Resolution No. 86-210 was unanimously adopted.

Complete text of Resolution No. 86-210 will be found in Resolution Book No. 16 at page 223.

CONSENT AGENDA

6. Consideration was given to a motion approving the consent agenda.

Mayor Bisette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Mayor Bissette announced that the resolution reappointing Councilman Price would be removed from the consent agenda since she would have a conflict in voting on and discussing the resolution.

Mayor Bissette said the law gives the City Manager the authority to hire and fire and that he expects him to hire the most qualified applicant for any job opening he has regardless of whether they are from Asheville or not.

Councilman Boland said this issue poses a dilemma. He said the City Manager wants to assure that the leadership of City departments have new ideas, which will make the City more adaptive to changing circumstances. On the otherhand, he said, the appointment of persons to high ranking administrative positions has the effect of enhancing the morale of City employees.

Councilman Frank said the City provides a continuing education for employees and it is up to them to take advantage of it.

Councilman Michalove said the Civil Service System governs all employees except those appointed by the City Manager. He said if the City Manager sees a need to reorganize or replace department heads, he must set the criteria for the position and hire the person most qualified for the position, and this is in the best interest of the City of Asheville.

ORDINANCE NO. 1619 - BUDGET ORDINANCE AMENDMENT - STREETSCAPE IMPROVEMENTS IN THE WALL STREET REDEVELOPMENT PROJECT

10. Consideration was given to a budget ordinance amendment to establish an appropriation for Streetscape Improvements in the Wall Street Redevelopment Project.

City Manager Doug Bean said this budget amendment will provide $450,000 for streetscape improvements in the Wall Street Redevelopment Project and that funding will be provided through the use of General Revenue Sharing Funds.

Mayor Bissette noted that this is part of the Memorandum of Understanding with Southeastern and the Wall Street Project.

Councilman Price moved for the adoption of Ordinance No. 1619. This motion was seconded by Vice Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1619 was adopted on first and final reading.

Complete text of Ordinance No. 1619 will be found in Ordinance Book No. 11 at page 105.

REVEREND B. WILLIS WILSON II, CHAIRMAN OF THE SOCIAL ACTION COMMITTEE OF THE ASHEVILLE MINISTERIAL ALLIANCE - AFFIRMATIVE ACTION PLAN DRAFT FOR THE CITY OF ASHEVILLE

11. Reverend B. Willis Wilson II, Chairman of the Social Action Committee of the Asheville Ministerial Alliance, read the following memorandum relative to the City of Asheville Affirmative Action Plan Draft for the record.

Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance.

Upon motion of Councilman Tisdale, seconded by Vice Mayor Frank, the Consent Agenda was unanimously adopted.

RESOLUTION NO. 86-215 - RESOLUTION REAPPOINTING MEMBER TO THE ASHEVILLE-BUNCOMBE WATER AUTHORITY

7. Consideration was given to a resolution reappointing member to the Asheville-Buncombe Water Authority.

Mayor Bissette said this resolution will reappoint Norma T. Price as a member of the Asheville-Buncombe Water Authority term, expiring December 31, 1989, or until her successor has been duly appointed and qualified.

Councilman Price requested that she be excused from the discussion and vote on the resolution due to a conflict of interest.

Vice Mayor Frank moved to excuse Councilman Price from voting on the resolution. This motion was seconded by Councilman Michalove and carried unanimously.

Upon motion of Councilman Michalove, seconded by Councilman Boland, Resolution No. 86-215 was unanimously adopted.

Complete text of Resolution No. 86-215 will be found in Resolution Book 16 at page 228.

MOTION - ACCEPTANCE OF PROPERTY LOCATED ON PATTON AVENUE - DONATED BY MRS. HELEN B. ZAGIER

8. Councilman Michalove introduced a letter from Karl H. Straus written to Mayor Bissette relative to Mrs. Helen B. Zagier's desire to donate a parcel of real estate located on the southern margin of Patton Avenue and recorded in the Office of the Register of Deeds for Buncombe County in Plat Book 46 at Page 129.

Councilman Michalove moved to accept the property from Mrs. Zagier. This motion was seconded by Councilman Tisdale and carried unanimously.

COUNCILMAN TISDALE - COMMENTS ON HIRING PEOPLE FROM OUT OF TOWN

9. Councilman Tisdale said at the November 11th Pre-Council Meeting, he had expressed concerns about hiring so many folks from out of town. He said this gives the impression that the City does not have any qualified people with expertise from our own City. He said he would encourage an on-going training program. He said the City needs to do some vigorous recruitment to hire some of these people locally, and if something is wrong, the Council should be so advised so they can do something about it. He said the City Manager is appointed by the City Council, but the Council Members are elected by the people and are accountable to the voters for the actions they take.

Mayor Bisette said the Council did meet with the EEO Task Force today and that comments were received. He said the comments and suggested amendments were referred back to the Task Force and City Manager to come up with definite goals and timetables with a request to report back to Council no later than January 13, 1987.

Councilman Price said even though Council took no formal action on the Affirmative Action Plan, it was the consensus of the Council that the City Manager go ahead with the education process.

Upon a request from Reverend Tomes for clarification of Paragraph 5 of Councilman Boland's memorandum to the Council, Councilman Boland said a couple of the Task Force Members favored hiring a full-time recruiter and others felt that redefining the role of one of the members of the Civil Service staff might be a solution as well.

CLAIMS - D.E.U. ENTERPRISES (WATER) TIM HARRISON (WATER)

12. The City Manager presented claims received from D.E.U. Enterprises (Water) and Tim Harrison (Water).

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

Mayor Bissette excused himself from the meeting and turned over the chair to Vice Mayor Frank.

RALPH BISHOP - CITY MANAGER'S DUTY TO ENFORCE LAWS OF NORTH CAROLINA

Ralph Bishop said that Section 24 of the Charter requires the City Manager to enforce the laws of North Carolina. He said he might pursue court action to remove the City Manager from office for willfully refusing to enforce State laws.

PAUL LOMINAC - ENFORCEMENT OF NOISE ORDINANCE - MUFFLERS AND EXHAUST SYSTEMS AND MOTORCYCLES AND OTHER VEHICLES

Mr. Pual Lominac of 656 Lakeshore Drive inquired why the City's noise ordinance is not being enforced relative to mufflers and exhaust systems. He said noise is one of the worse problems in our community. He said half of the people in Asheville are not obeying the ordinance. He said he had asked the new Sheriff-elect Buck Lyda to look into this problem and that Mr. Lyda told him he would meet with Chief Hensley to discuss this problem after he took office.

Councilman Price said one reason for not enforcing the ordinance might be because the City doesn't have an instrument to measure decibels.

Vice Mayor Frank requested that the City Manager look into this problem.

TO: The Honorable Mayor Lou Bissette
The City Council of Asheville, North Carolina

FROM: Social Action Committee Asheville Ministerial Alliance

RE: The City of Asheville Affirmative Action Plan Draft

The Social Action Committee of The Asheville Ministerial Alliance in conjunction with the Alliance itself wishes to express its appreciation to Council and the Committee on Affirmative Action for allowing this correspondence to be submitted as a statement reflecting several concerns held by various segments of the Asheville community.

The words of the late Abraham Lincoln, the sixteenth President of these United States of America, ring loudly today as they did when first he spoke them "Four score and seven years ago our fathers brought forth on this continent a new nation conceived by the proposition that all men are created equal..."

The proposed Affirmative Action Draft before Council in its current form does not do justice to this noble and high ideal of our Nation and late President. The plan at best is a well intentioned working document, which lifts some definite promises but falls short of providing substantive strength in clear and concrete language that would insure the promise of the document and its intent becoming a reality.

It is the considered opinion of this Social Action Committee, that any draft that attempts to speak to Affirmative Action for the City of Asheville would have as a part of its body the inclusion of Specific Goals and timetables.

Without goals for hiring and corresponding time lines, it is gravely feared that the all to often familiar approach to promoting Black men and women will continue in this Asheville Committee. A strong Affirmative Action Plan for Asheville would require that the development, administration, and scoring of test be provided by an independent agent or resource that is not part and part of the in-house system of City and departmental jurisdiction.

The larger Black community in general and the Social Action Committee in particular respectfully request this Affirmative Action Committee to return to the table of negotiation and seek to strengthen this otherwise high sounding document filled with legal loopholes, which seek not to enhance the plight of Blacks, rather perpetuate the status quo. Further, the Social Action Committee calls upon this Council to uphold the equal rights of all the citizens of Asheville and by so doing not to approve or adopt or pass any Affirmative Action Plan that does not include Goals and timetables that will aide in the improving of the quality of life in the market place for Black workers in the City of Asheville.

B. Willis Wilson, II
Chairman, Social Action Committee

Regular Meeting

Present: Vice Mayor Mary Lloyd Frank, Presiding; Councilmen Walter R. Boland, Kenneth M. Michalove, Norma T. Price and George M. Tisdale; Corporation Counsel William F. Slawter, Associate City Manager William F. Wolcott, Jr., and Acting City Clerk Margaret Messer

Absent: Mayor W. Louis Bissette, Councilman Wilhelmina Bratton and City Manager Doug Bean

Vice Mayor Frank said Mayor Louis Bissette and City Manager Doug Bean were both out of town attending the 1986 Congress of Cities Meeting in San Antonio, Texas, and were expected back in town later today.

INVOCATION/PLEDGE OF ALLEGIANCE

Councilman Tisdale asked all present to stand and join him in saying the Pledge of Allegiance. Councilman Tisdale gave the invocation.

APPROVAL OF MINUTES - NOVEMBER 25, 1986 MEETING

1. Consideration was given to the approval of the minutes of the November 25, 1986 meeting.

Vice Mayor Frank announced the approval of the minutes as submitted.

PUBLIC HEARING - SITE PLAN - CONVERSION OF HOUSE AT CHARLOTTE STREET AND HILLSIDE WALK

2. A public hearing was held relative to a site plan of the proposed conversion of an existing house at Charlotte Street and Hillside Walk.

Vice Mayor Frank said the Asheville Planning and Zoning Commission at a meeting held October 8, 1986, reviewed a site plan of the proposed conversion of an existing house at Charlotte Street and Hillside Walk into four apartment units. The plan was prepared by Danie Johnson, Architect, for James Daniels, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project as submitted.

Vice Mayor Frank opened the public hearing at 4:10 p.m.

The City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Al Kopf, Planning Technician, said the house at the corner of Charlotte Street and Hillside Walk will be converted into four (4) apartment units. He said the property is zoned Commercial General, and that access to the house will be from Orchard Street along a private drive.

Mr. Lominac said he is also concerned about the safety on our Interstates particularly because of tractor-trailers, their speed, and the blinding splash they cause on windshields when passing other vehicles. He said he was going to write to the Governor of North Carolina and other State officials to see about requiring splashboards on tractor-trailers. He said the City could lead the way in getting something started on this.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Price, the meeting adjourned at 5:45 P.M.

MAYOR

CITY CLERK

4. Page 3, Section 3(J), Line 3 - Revise phrase to read "cause the actual removal or the effective removal through damaging, poisoning or other direct or indirect actions resulting in the death of a tree.

5. Page 3, Section 4, Line 4 - Add new sentence to read "the terms and provisions of this ordinance shall be consistent with any requirements imposed by State law or by the North Carolina Department of Transportation in connection with any State-owned or maintained right-of-way."

6. Page 4, Section 7 (A) (2), Line 8 - Revise word to read "suspended"

7. Page 4, Section 7 (B) - Whole Section revised to read "If any Regulated Tree(s) is to be removed during construction, including new construction and repair or rehabilitation, an application for a tree removal permit shall be submitted with the application for a zoning permit. No provisional grading permit shall be issued until a tree removal permit has been issued. The application for a tree removal permit shall include, but not be limited to the following:"

8. Page 5, Section 8, Line 5 - Add phrase "or other materials which are damaging to trees."

9. Page 6, Section 11 (A) - Revise phrase to read "the measures required to comply with the ordinance, if compliance is at all practicable, and a reasonable time period within which compliance must be had."

10. Page 7, Section 13, Line 1 - Revise second and third word to read "there exists" reasonable...

11. Page 7, Section 13, Line 4 - Revise phrase to read "the City of Asheville may"

12. Page 8 - Add new section to read, "Section 16. Severability Clause. Should any section or provision of this ordinance be declared invalid by any court of competent jurisdiction, such declaration shall not affect the validity of the ordinance as a whole or any part thereof which is not specifically declared to be invalid."

At the request of Councilman Boland, Corporation Counsel William F. Slawter addressed the issues raised in a letter written to Mayor Bissette from Mr. Ronald B. Schmoll of 20 Howland Road. He said there were two main points in Mr. Schmoll's letter (1) damage being done to trees by City employees, which he felt the City Manager could address administratively through a memo; and (2) and Mr. Schmoll's request to amend the ordinance where "public right-of-way" appears and insert the language "on property which is zoned for commercial development". Mr. Slawter said the City

He said ample parking has been provided for the units, which also includes handicapped parking. He said the Council should include the 12-foot buffer requirement recommended by the Planning and Zoning Commission in their motion.

Mr. Jim Daniels said this particular house had been vacant for the past 5 years. He said he was concerned about the 12-foot buffer, and that this is not what he and Mr. Gibbs want. He said they are willing to get together and work out a landscaping plan for the area.

Mr. Gibbs said he did not want to see the property in disrepair and agreed that he would be willing to work with Mr. Daniels on a mutually agreed upon landscaping plan.

Vice Mayor Frank closed the public hearing at 4:13 p.m.

Councilman Michalove moved to approve the site plan of the proposed conversion of an existing house at Charlotte Street and Hillside Walk contingent upon Mr. Daniels and Mr. Gibbs working out a mutual agreement on the landscaping plan for the buffer zone. This motion was seconded by Councilman Boland and carried unanimously.

ORDINANCE NO. 1617 - AN ORDINANCE ESTABLISHING A TREE ORDINANCE FOR THE CITY OF ASHEVILLE

3. Consideration was given to the third reading of Ordinance No. 1617, an ordinance establishing a Tree Ordinance for the City of Asheville.

Vice Mayor Frank said the City of Asheville deems it necessary and desirable in the interest of public health, safety and welfare to enact an ordinance for the preservation, planting, and replacement of trees and to prevent the indiscriminate pruning and removal of trees in the City without denying the reasonable use and enjoyment of real property. On November 25, 1986, a public hearing was held and this ordinance passed on first and second reading.

Vice Mayor Frank said copies of the ordinance, highlighting revisions to the ordinance, had previously been distributed to members of Council, and the ordinance would not be read in its entirety.

Upon a request from Council, Corporation Counsel William F. Slawter summarized the revisions for those attending the meeting. He said most of the revisions were language changes and the addition of a new Severability Clause. The verbatim text of the revisions are listed below:

1. Page 1, Section 2, Line 6 - Add the word "applicable"

2. Page 2, Section 3(B), Line 3 - Revise phrase to read "or any part of any Right-of-Way as defined hereinafter"

3. Page 2, Section 3(G), Line 4 - Add sentence to read "The standards shall include requirements for overhead clearance of a minimum of seven (7) feet."

ORDINANCE NO. 1618 - AN ORDINANCE TO REGULATE THE TRAFFIC OF TRUCKS ON DESIGNATED RESIDENTIAL STREETS IN THE CITY OF ASHEVILLE

4. Consideration was given to the second reading of Ordinance No. 1618, an ordinance to regulate the traffic of trucks on designated residential streets in the City of Asheville.

Vice Mayor Frank said the City of Asheville has the authority to control all public streets within its corporate limits which are not under the authority of the North Carolina Board of Transportation. There has been local interest in preserving residential areas by controlling noise levels and safeguarding residential streets from hazardous conditions. The Asheville City Council finds and declares that the traffic of trucks unduly increases the noise levels and hazards of particular residential streets within the City of Asheville. This ordinance will regulate the traffic of trucks on designated residential streets in the City of Asheville. This ordinance passed on first reading on November 25, 1986.

Bob McDonald, Traffic Engineer, said he had been asked to look into the inclusion of several street at last week's Council Meeting. He recommended that the ordinance be amended to include the following streets:

1. Gracelyn Road - Between Merrimon Avenue and Kimberly Avenue.
2. Fairway Drive - From 0.13 mile north of Swannanoa River Road to Gladstone Road.
3. Gladstone Road - Southern portion between Fairway Drive and Ambler Road.
4. Ambler Road - Entirety.
5. Evelyn Place - Between Charlotte Street and Murdock Avenue.
6. Fairview Road - From a point 0.3 mile from Sweeten Creek Road to Stevens Street.
7. Druid Drive - Between Patton Avenue and Mitchell Avenue
8. Mitchell Ave. - Between Druid Drive and Haywood Road
9. Grovewood Rd. - Entirety.
10. Glen Falls Rd.- Entirety.

Mr. McDonald said he would have a report for Council next week concerning proposed language to regulate trucks other than by weight alone. He said he would also have a recommendation on adding a portion of Osborne Road to the ordinance, along with any other requests he might receive.

Mr. Ronald Schmoll of 20 Howland Road asked if there was any way to regulate heaving construction traffic or limit the times of day construction trucks can use the area during the Grove Park Inn construction in order to preserve the peace and quite of the neighborhood.

Councilman Price said when the site plan for the new Grove Park Inn addition was approved, a Committee was established to address problems that would occur in the neighborhood as a result of the construction. She told Mr. Schmoll that Attorney Jack Westall represents the Grove Park Inn on the Committee, and that Mr. Schmoll should contact Mr. Westall about his concerns.

Manager may address or take any action he wants to take with regard to damage to trees by City employees. He said the ordinance, since its inception, has applied to all rights-of-way and not just commercially zoned areas and he thought the purpose of Mr. Schmoll's statement was to prevent problems that occur in commercial areas.

Councilman Boland said the present ordinance being considered by Council is much more conservative and much less regulatory to private property. He said he is comfortable with the document now before the Council.

Ron Schmoll of 20 Howland Road said comments at the public hearing was what had initiated his letter to the Mayor. He said City employees can be regulated through administrative means, but that the ordinance needs to address regulating the activities of commercial development. He also said he felt the ordinance was an encroachment on private property rights and an intent to regulate residential property.

Councilman Michalove said the ordinance was designed to address all public rights-of-way and does not regulate private property.

Upon a request from Mr. Schmoll to define "right-of-way" and whether or not the ordinance applied to utility easements, Corporation Counsel William F. Slawter said the terms "right-of-way" and "easement" are used interchangebly; however, he said, right-of-way, as used in the ordinance does not apply to rights-of-way or easements for water and other utilities.

Ralph Bishop questioned the City Manager or his designee being given the authority to decide everything about trees saying he didn't think the City Manager was qualified to make such decisions.

Councilman Price said the Tree Commission has members who are experts and are knowledgeable in this area, and that a representative of this Commission will be on the Appeal Board.

Ray L. Kisiah, Director of Parks, Recreation & Public Facilities, said the City has several employees who trim trees and these employees are sent to specialized training schools. Also, he said one member of the Tree Commission is a specialist on insects. He said the City would be reluctant to take down any tree without a thorough check. He said the City Manager was designated as the person authorized to issue permits because he is appointed by the City Council and responsible to them under the ordinance.

Councilman Price moved to amend the ordinance as read by Corporation Counsel. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1617 passed on third and final reading, as amended.

Complete text of Ordinance No. 1617 will be found in Ordinance Book 11, at page 93-100.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held November 12, 1986, reviewed the site plan of the proposed K-Mart Shops of Asheville to be located on South Tunnel Road (beneath Beaucatcher Cinemas Parking Deck). The plan was prepared by Danie Johnson, Architect, for Mr. Edward I. Greene, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance.

FISCAL IMPACT: None

B. Consideration of a motion scheduling a public hearing on the site plan of a proposed addition to Sand Hill Mobile Home Park located at 710 Sand Hill Road for December 16, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held on November 12, 1986, reviewed the site plan of a proposed addition to Sand Hill Mobile Home Park located at 710 Sand Hill Road. The plan was prepared by Kenneth Pankow, Engineer, for Mr. Tom Pinkerton, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance and provision of a 12-foot buffer on the North boundary line.

FISCAL IMPACT: None

C. Consideration of a motion to schedule a public hearing on the site plan of a proposed addition to Aston Park Health Care Center located at 380 Brevard Road for December 16, 1986.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held November 12, 1986, reviewed the site plan of a proposed addition to Aston Park Health Care Center located at 380 Brevard Road. The plan was prepared by Larry Traber, Architect, for the developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance.

FISCAL IMPACT: None

D. Consideration of a motion to schedule a public hearing on a modified site plan of the Oxford/Asheville Retirement Center for December 16, 1986.

Ralph Bishop said former Mayor Larry McDevitt had said it was a mockery of justice not to uphold the ordinances of the City of Asheville and laws of North Carolina. He said he couldn't understand why Council wanted to pass an ordinance that would be almost impossible to enforce. He said if the Police Department can't enforce the lottery laws, which are stationery, he didn't know how they expected to enforce anything moving.

Vice Mayor Frank said she realized it would be difficult to enfoce the ordinance, but in considering this ordinance, Council was addressing problems in residential neighborhoods that had been brought to their attention over the last several years.

Bob McDonald clarified the section of Fairview Road to be included in the ordinance for Mrs. Davis of Fairview Road.

Councilman Boland moved to amend the ordinance to include the streets and segments of streets as read by Mr. McDonald. This motion was seconded by Councilman Michalove and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1618 passed on second reading, as amended.

MOTION - CANCELLING CITY COUNCIL MEETING SCHEDULED FOR DECEMBER 30, 1986

5. Consideration of a motion to cancel the City Council Meeting scheduled for December 30, 1986.

Councilman Tisdale moved to cancel the City Council Meeting schedule for December 30, 1986. This motion was seconded by Councilman Price and carried unanimously.

CONSENT AGENDA

6. Consideration was given to a motion approving the consent agenda.

Vice Mayor Frank said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

A. Consideration of a motion to schedule a public hearing relative to a site plan of the proposed K-Mart Shops of Asheville to be located on South Tunnel Road (beneath Beaucatcher Cinemas Parking Deck) for December 16, 1986.

Vice Mayor Frank referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUIT - JOHN H. GRIFFIN VS. CITY OF ASHEVILLE, BOARD OF ADJUSTMENT

8. The Associate City Manager said the City was served on November 26, 1986 with a lawsuit in which the City of Asheville is a defendant involving an appeal from a Board of Adjustment decision.

Vice Mayor Frank referred the lawsuit to the Corporation Counsel for investigation and recommendation.

JIM DANIELS - DANIELS GRAPHICS/15 RANKIN STREET - ACCESS TO LOADING DOCK - CONFLICT WITH CONSTRUCTION OF THE RANKIN STREET PARKING GARAGE

Mr. Jim Daniels of Daniels Graphics, 15 Rankin Street, said the design plans for the construction of the new Rankin Street Parking Garage will leave him with a restricted access to his loading dock. He said the printing business requires deliveries by large tractor trailers and the present design plans for the parking facility will not accommodate deliveries by this method. He said he had talked with Mr. Cooper of Enwright Associates and was told that it was not within Mr. Cooper's range to provide access for trucks to unload at his dock. He said it had also been suggested to him that the tractor-trailers back in, blocking the sidewalk, using a forklift to unload. He said he questioned the safety of this suggestion since pedestrians would have to use the street instead of the sidewalk and he further questioned who would be liable should an accident occur.

Mr. Daniels said he employees 62 people and the building for his business has been in the same location for the past 61 years. He said he could not operate his business without truck access and suggested that a simple compromise would be for the City Council to direct the architect to provide a 30-foot access at the side of the building so that trucks could back in to his present loading dock.

Councilman Michalove said he would be happy to meet with the Mayor and City Manager and any other Councilmen to work toward a solution to Mr. Daniel's problem and would report back at the December 9th meeting.

Councilman Boland suggested that staff look into the problem and report back to Council. He said he would be glad to also volunteer with Councilman Michalove to work towards a solution to the problem.

VICE MAYOR FRANK - REPORT ON INTERGOVERNMENTAL SERVICES COMMITTEE MEETING - TUESDAY DECEMBER 2, 1986

Vice Mayor Frank said the Intergovernmental Services Committee, consisting of herself, Councilmen Boland and Tisdale, and Commissioners Montgomery and Sobol, had met at 12:30 today. She said the Committee plans to discuss concerns about the Water Agreement at the next meeting. She said they had also discussed the Animal Shelter relative to dog licenses and fees. She said the next meeting of the Committee would be held at 12:30 p.m. on Tuesday, January 6, 1987 in the City Hall Building.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held November 12, 1986, reviewed a modified site plan of the Oxford/Asheville Retirement Center. The project to be named "Chambrel of Asheville" is located on Hendersonville Road. The site plan was prepared by Land Design, Architects, for the Oxford Development Corporation, both of Charlotte, North Carolina, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance; to recomend that City Council grant a variance to permit .9 parking spaces per unit, and confirmation by Board of Adjustment of Conditional Use in the R-3 District approved February 3, 1986.

FISCAL IMPACT: None

E. Consideration of a motion to schedule a public hearing relative to a rezoning property located on Campground Road for December 23, 1986. (R. S. Craig, Petitioner)

HIGHLIGHTS: On August 19, 1986, City Council requested the Planning and Zoning Commission to consider rezoning Ward 8, Sheet 31, Lot 16, from R-2 Residential District to CH Commercial Highway District. The Commission reviewed this request at their October 8, 1986 meeting. After review and discussion, the Commission voted to recommend to City Council that Ward 8, Sheet 31, Lot 16, be rezoned from R-2 Residential District to R-4 Residential District with applicable buffering.

FISCAL IMPACT: None

Upon motion of Councilman Michalove, seconded by Councilman Tisdale, the consent agenda was unaimously adopted.

COUNCILMAN TISDALE - TERMINATION OF LEASE - PARKING LOT AT THE CORNER OF COLLEGE AND MARKET STREETS

Councilman Tisdale requested that the minutes reflect that the lease of the parking lot at the corner of College and Market Streets was terminated by the owners effective December 1, 1986, and not by the City of Asheville. He said the lease was cancelled so the owners can use the space for themselves. He said the parking lot had previously provided about 20 parking spaces for downtown.

CLAIMS - EARL VAUGHT (SEWER), CLARENCE TAYLOR (TRAFFIC ENGINEERING), ANNIE WHITE (STREETS), CHARLES COLE (PARKS) AND JIM WHEELER (WATER)

7. The Associate City Manager presented claims received from Earl Vaught (Sewer), Clarence Taylor (Traffic Engineering), Annie White (Streets), Charles Cole (Parks), and Jim Wheeler (Water).

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice Mayor Mary Lloyd Frank, Councilmen Wilhelmina Bratton, Kenneth M. Michalove, Norma T. Price and George M. Tisdale; Staff Attorney Patsy Brison; Associate City Manager/City Clerk William F. Wolcott, Jr., and City Manager Doug Bean.

Absent: Councilman Walter R. Boland and Corporation Counsel William F. Slawter.

INVOCATION

The invocation was given by Councilman Price.

APPROVAL OF MINUTES - DECEMBER 2, 1986

1. Consideration was given to the approval of the minutes of the December 2, 1986 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

RESOLUTION NO. 86-216 - A RESOLUTION COMMENDING ASHEVILLE POLICE OFFICERS

2. Consideration was given to a resolution commending Asheville Police Officers.

Mayor Bissette said that during the week of November 20, 1986 law enforcement officials in Henderson County, North Carolina were searching for a man wanted in connection with a series of violent criminal acts. Several Asheville Police Officers and an Alcoholic Board Control Officer volunteered their time and effort in the face of extreme danger to bring this operation to a successful conclusion.

Upon motion of Councilman Price, seconded by Councilman Tisdale, Resolution 86-216 was unanimously adopted.

Complete text of Resolution 86-216 will be found in Resolution Book No. 16 at page 229.

PUBLIC HEARING - SITE PLAN - PROPOSED ADDITION TO PEPSI COLA BOTTLING COMPANY LOCATED IN SWEETEN CREEK INDUSTRIAL PARK

3. A public hearing was held relative to a site plan of a proposed addition to Pepsi Cola Bottling Company located in Sweeten Creek Industrial Park.

Councilman Tisdale said the memo regarding the dog licenses and fees was taken to David Cunningham by the Commissioners and that it might be well for the City Manager to touch base with Mr. Cunningham regarding the outcome.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Tisdale, the meeting adjourned at 5:15 p.m.

MAYOR

CITY CLERK

2. Add to Section 28-52 (b):
Osborne Road - From Lakeshore Drive to a point 0.09 mile east of Lakeshore Drive.

3. Add to Section 28-52 (c):

(7) Vehicles used primarily for the transportation of passengers, provided that said vehicle is traveling upon an established bus route, or has on board passengers for hire.

4. Add new Section 28-52 (f):

(f) Should any section or provision of this ordinance be declared invalid by any court of competent jurisdiction, such declaration shall not affect the validity of the ordinance as a whole or any part thereof which is not specifically declared to be invalid.

Councilman Price moved to amend the ordinance to include these amendments This motion was seconded by Vice Mayor Frank and carried unanimously.

Mayor Bissette answered questions from Mrs. Davis, a Fairview Road resident, regarding what course of action would be taken if the Police Department failed to respond. Mayor Bissette explained to Mrs. Davis that the Police Department will enforce this ordinance to the best of their ability.

City Manager Doug Bean asked that citizens give the City a call when they see a lot on trucks of these streets during a particular time of day.

Bob McDonald said that signs have been ordered but have not been received. He said the signs will be installed as soon as possible.

On a roll call vote of 6-0, Ordinance No. 1618 passed on third and final reading, as amended.

Complete text of Ordinance No. 1618 will be found in Ordinance Book 11 at pages 101-105.

MOTION - ADOPTION OF URBAN DESIGN PLAN

5. Consideration was given to a motion to adopt the Urban Design Plan.

Mayor Bissette said that last spring, the City of Asheville and Asheville-Buncombe Discovery sponsored the Urban Design Workshops which were structured to allow citizen input into a creative and attainable plan for downtown development. Recently, the Downtown Commission approved the plan in concept. It is recommending that the City Council also endorse the plan in concept. Following that, the Downtown Commission would like to study each of the key areas and priorities of the plan further in order to recommend specific strategies and funding.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held November 12, 1986, reviewed the site plan of a proposed addition to Pepsi Cola Bottling Company located in Sweeten Creek Industrial Park. The Plan was prepared by Southeastern Architects-Engineers for the developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:17 p.m.

The City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this would be an addition of 37,000 square feet of space to Pepsi Cola Bottling Company.

Mayor Bissette closed the public hearing at 4:19 p.m.

Councilman Price moved to approve the site plan subject to compliance with the Erosion Control Ordinance. This motion was seconded by Councilman Michalove and carried unanimously.

ORDINANCE NO. 1618 - AN ORDINANCE TO REGULATE THE TRAFFIC OF TRUCKS ON DESIGNATED RESIDENTIAL STREETS IN THE CITY OF ASHEVILLE

4. Consideration was given to the third reading of Ordinance No. 1618, an ordinance to regulate the traffic of trucks on designated residential streets in the City of Asheville.

Mayor Bissette said members of Council were previously presented copies of the ordinance and it had passed on first and second reading.

Mayor Bissette read the following proposed amendments to the truck ordinance:

1. Amend Section 28-52, (a) Definitions to read as follows:

(a) Definitions

(1) Gross Vehicle Weight (GVW) - for the purposes of this section, the term "Gross Vehicle Weight (GVW)" shall be the weight of any single axle, tandem axle, or axle group of a vehicle or combination of vehicles plus the weight of any load thereon.

(2) Truck -For the purposes of this Section, the term "truck" shall mean vehicles that have any of the following characteristics:

(a) Any vehicle with a Gross Vehicle Weight (GVW) rating of 10,000 pounds or more.

(b) Any tandem axle or tri-axle vehicle.

(c) Tractor and tandem tractor vehicles when pulling semi-trailers or tandem semi-trailers.

RESOLUTION NO. 86-218 - A RESOLUTION GUARANTEEING A FLOOR OF BENEFITS TO MEMBERS OF THE ASHEVILLE POLICEMENS' PENSION AND DISABILITY FUND

7. Consideration was given to a resolution guaranteeing a floor of benefits to members of the Asheville Policemen's Pension and Disability Fund.

Mayor Bissette said this resolution will direct the City Manager to take necessary administrative action to ensure that members of the Asheville Policemen's Pension and Disability Fund in the future be paid any supplement necessary by the City of Asheville to compensate for any difference in monthly retirement benefits between that amount that they may in the future be entitled to under the North Carolina Local Governmental Employees' Retirement System and that which they would have been entitled to under the Asheville Policemen's Pension and Disability Fund.

Mayor Bissette said copies of the resolution had been previously furnished to members of Council and the resolution would not be read in its entirety.

Upon motion of Councilman Tisdale, seconded by Vice Mayor Frank Resolution No. 86-218 was unanimously adopted.

Complete text of Resolution No. 86-218 will be found in Resolution Book No. 16 at page 231.

RESOLUTION NO. 86-219 - RESOLUTION AUTHORIZING AN INCREASE IN BENEFITS TO CERTAIN BENEFICIARIES OF THE ASHEVILLE POLICEMENS' PENSION AND DISABILITY FUND

8. Consideration was given to a resolution authorizing an increase in benefits to certain beneficiaries of the Asheville Policemen's Pension and Disability Fund.

Mayor Bissette said the City Council desires to grant increased benefit payments to those beneficiaries such that those persons receiving normal retirement payments and disability payments shall receive at least Four Hundred Dollars ($400.00) per month and those persons receiving survivors' payments shall receive at least Two Hundred Dollars ($200.00) per month.

Mayor Bissette said copies of the resolution had been previously distributed to members of Council and the resolution would not be read in its entirety.

Jim Coffee, a retired Police Officer, said he was elated with the plan and thanked Council for their time and efforts.

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, Resolution No. 86-219 was unanimously adopted.

Complete text of Resolution No. 86-219 will be found in Resolution Book No. 16 at page 232.

Mayor Bissette said the plan had been reviewed in Pre-Council and that Council has some concerns about endorsing the total plan in concept. He said Council is concerned that it would be misleading and confusing because there are so many different parts and details in the plan. He said Council would prefer to accept the plan for information purposes and to urge the Downtown Commission to continue a detailed review and come back with specific recommendations to be enacted.

Mr. Robert Carr, Chairman of the Downtown Commission, said the Commission would honor the request and acknowledged that some parts of the plan are not feasible. He said the plan gives a framework, a starting point, and that the Commission is happy to have Council's directions and that they are prepared to proceed and continue with the process.

Karen Fields, Director of Discovery, said she wanted to encourage support from City Council and to ask that they continue moving on with the plan.

Councilman Michalove said that even though the Council doesn't expect to adopt the plan today, when a project comes before the Commission, it is going to take a while to go through the process from start to finish. He said until such time as the plan is finalized, the Commission will be able to refer to the book to determine whether or not they are moving in the right direction.

Councilman Price moved for Council to accept the Urban Design Plan for informational purposes, and that Council urge the Downtown Commission to continue to review and study specific designs of the plan keeping the Council informed during their process. This motion was seconded by Vice Mayor Frank and carried unanimously.

RESOLUTION NO. 86-217 - RESOLUTION ADJUSTING RENTAL RATE STRUCTURE FOR THE ASHEVILLE CIVIC CENTER FACILITIES

6. Consideration was given to a resolution adjusting rental rate structure for the Asheville Civic Center Facilities.

Mayor Bissette said the Asheville Area Civic Center Commission is continuing to pursue its prime objective of operating the Civic Center Complex with the lowest possible subsidies from the City's General Fund. The Commission is of the opinion that there is a need to eliminate an incentive discount for various spaces leased at the Civic Center. This resolution will amend Resolution 81-74 by adjusting rental fees to be charged and regulations for use of the various spaces within the Civic Center.

Bill Murphy, Civic Center Director, said this would be an adjustment to the rental rates and that the base rate would stay the same.

Upon motion of Councilman Michalove, seconded by Councilman Bratton Resolution No. 86-217 was unanimously adopted.

Complete text of Resolution No. 86-217 will be found in Resolution Book No. 16 at page 230.

Mayor Bissette said copies of the resolution had previously been distributed to members of Council and the resolution would not be read in its entirety.

Upon motion of Councilman Price, seconded by Vice Mayor Frank, Resolution No. 86-221 was unanimously adopted.

Complete text of Resolution No. 86-221 will be found in Resolution Book No. 16 at page 234 and 235.

RESOLUTION NO. 86-222 - A RESOLUTION REQUESTING CERTIFICATION OF PLAN ASSETS BY THE BOARD OF TRUSTEES OF THE ASHEVILLE POLICEMENS' PENSION AND DISABILITY FUND TO THE NORTH CAROLINA LOCAL GOVERNMENTAL EMPLOYEES' RETIREMENT SYSTEM

11. Consideration was given to a resolution requesting certification of plan assets by the Board of Trustees of the Asheville Policemens' Pension and Disability Fund to the North Carolina Local Governmental Employees' Retirement System.

Mayor Bissette said this resolution will request that the Board of Trustees of the Asheville Policemens' Pension and Disability Fund certify the proportion, if any, of the funds of the Asheville Policemens' Pension and Disability Fund that represents the accumulated contributions of the members, and the relative shares of the members as of that date and will also transfer any cash and securities to the North Carolina Local Governmental Employees' Retirement System.

Mayor Bissette said copies of the resolution had previously been distributed to members of Council and the resolution would not be read in its entirety.

Upon motion of Vice Mayor Frank, seconded by Councilman Bratton Resolution No. 86-222 was unanimously adopted.

Complete text of Resolution No. 86-222 will be found in Resolution Book No. 16 at page 236.

CONSENT AGENDA

12. Consideration was given to a motion approving the consent agenda.

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

RESOLUTION NO. 86-220 - A RESOLUTION TO AUTHORIZE PAYMENTS TO CERTAIN MEMBERS OF THE ASHEVILLE POLICEMENS' PENSION AND DISABILITY FUND FOR THE PRESENT VALUE OF ACCRUED BENEFITS UNDER THE LAW ENFORCEMENT OFFICERS' RETIREMENT SYSTEM

9. Consideration was given to a resolution to authorize payments to certain members of the Asheville Policemens' Pension and Disability Fund for the present value of Accrued Benefits under the Law Enforcement Officers' Retirement System.

Mayor Bissette said prior to January 1, 1986, certain members of the Asheville Police Pension Disability Fund were contributing members to the Law Enforcement Officers Retirement System of the State of North Carolina. Effective January 1, 1986, the North Carolina Legislature merged the LEO Retirement System into the North Carolina Local Governmental Employees' Retirement System. This resolution will authorize the City Manager to take the necessary administrative action to compensate those members of the Asheville Policemen's Pension and Disability Fund who had in the past contributed to the LEO Retirement System, and who have not retired, in the amount of the present value of their accrued benefits under the LEO System in accordance with the tables prepared by the Police Pension Fund Plan Actuary; provided that the enrollment of members of the Asheville Policemen's Pension & Disability Fund is approved by the Board of Trustees of the North Carolina Local Governmental Employees Retirement System.

Mayor Bissette said copies of the resolution had previously been distributed to members of Council and the resolution would not be read in its entirety.

Vice Mayor Frank said she was very appreciative of Doug Franklin for all of his work on this plan.

Upon motion of Vice Mayor Frank, seconded by Councilman Bratton Resolution No. 86-220 was unanimously adopted.

Complete text of Resolution No. 86-220 will be found in Resolution Book No. 16 at page 233.

RESOLUTION NO. 86-221 - A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN APPLICATION FOR ENROLLMENT OF EMPLOYEES TO EFFECT PARTICIPATION OF THE ASHEVILLE POLICEMENS' PENSION AND DISABILITY FUND MEMBERS IN THE NORTH CAROLINA LOCAL GOVERNMENT EMPLOYEES' RETIREMENT SYSTEM.

10. Consideration was given to a resolution authorizing the Mayor to execute an application for enrollment of employees to effect participation of the Asheville Policemen's Pension and Disability Fund members in the North Carolina Local Governmental Employees' Retirement System.

Mayor Bissette said North Carolina General Statute Section 128-25 provides for election by members of a local pension system to become members of the North Carolina Local Governmental Employees' Retirement System. A vote was held and petitions were duly signed by more than sixty percent (60%) of the members of the Asheville Policemens' Pension and Disability Fund on December 3, 1986. The North Carolina General Statutes provide that any governmental unit desiring to enroll its employees in the system shall make application to the Board of Trustees of the North Carolina Local Governmental Employees' Retirement System and shall by resolution elect to participate in the system. He said this resolution authorizes the Mayor to execute the necessary application.

HIGHLIGHTS: This resolution will authorize the Mayor to execute an easement agreement by and between the City of Asheville and Fitzgerald Brake Supply, Inc. for the installation and maintenance of a communication link from City Hall to the City owned facility on Hunt Hill Street.

Resolution Book 16 at page 239.

D. RESOLUTION NO. 86-226 - Resolution reappointing member to the Board of Adjustment.

HIGHLIGHTS: This resolution will reappoint Wade H. Thomas, Sr. as a member of the Board of Adjustment for a three (3) year term, term expiring January 21, 1990.

Resolution Book 16 at page 240.

RESOLUTION NO. 86-227 - A RESOLUTION DIRECTING THE CITY CLERK TO ADVERTISE AN OFFER FOR THE PURCHASE OF PROPERTY OWNED BY THE CITY OF ASHEVILLE AND COUNTY OF BUNCOMBE AND KNOWN AS THE FEE SIMPLE TITLE TO THE LAND LEASED FOR WESTGATE SHOPPING CENTER

13. Consideration was given to a resolution directing the City Clerk to advertise an offer for the purchase of property owned by the City of Asheville and County of Buncombe and known as the fee simple title to the land leased for Westgate Shopping Center.

Mayor Bissette said the City of Asheville and the County of Buncombe have received an offer from George B. Coggins and wife, Margo B. Coggins, to purchase property owned by the City of Asheville and the County of Buncombe and known as the fee simple title to the land leased for the Westgate Shopping Center. The offer to purchase is in the amount of not less than $560,000 plus the additional cost of advertising the offer and appraisal of the property. This resolution will direct the City Clerk of the City of Asheville to advertise a notice of the offer received.

Mayor Bissette said copies of the resolution had previously been distributed to members of Council and the resolution would not be read in its entirety.

Upon motion of Councilman Tisdale, seconded by Vice Mayor Frank Resolution No. 86-227 was unanimously adopted.

Complete text of Resolution No. 86-227 will be found in Resolution Book No. 16 at page 241.

COUNCILMAN TISDALE - INSURANCE COVERAGE - ASHEVILLE TRANSIT AUTHORITY

14. Councilman Tisdale said at last month's Transit Authority Meeting, they were given a report by Gary Miller that he had met with the City's Attorney, Mr. Slawter, to discuss the possibility of getting lower insurance rates. He said the policy discussed would cost $103,600 and would provide $300,000 in coverage. He said the Asheville Transit Authority presently has a policy which costs $86,000 and provides $1,000,000 in coverage.

A. Resolution No. 86-223 - Resolution authorizing the Mayor to execute an agreement with the North Carolina Department of Transportation.

HIGHLIGHTS: This resolution will authorize the Mayor to execute an agreement with the North Carolina Department of Transportation and will allow the Traffic Engineering Division to assist the North Carolina Department of Transportation with traffic signal installations, at six (6) intersections, in conjunction with other traffic improvements within the City. The North Carolina Department of Transportation has requested assistance from the City in order to expedite completion of these projects.

Resolution Book No. 16 at page 237.

B. Resolution No. 86-224 - Resolution authorizing the Mayor to execute on behalf of the City of Asheville an agreement by and among the City of Asheville, Pack Plaza Associates Limited Partnership on behalf of the City of Asheville an agreement by and among the City of Asheville, Pack Plaza Associates Limited Partnership, J. Bertram King and Wachovia Bank and Trust Company providing for an independent inspecting representative for the Pack Plaza Project.

HIGHLIGHTS: It is necessary for the City of Asheville to have inspections made of the Pack Plaza Project for the UDAG Agreement for the Project. The Commitment letter for the conventional loan financing for the Pack Plaza Project requires an Independent Inspecting Representative before payments will be advanced to the developer for the Pack Plaza Project. J. Bertram King, FAIA, Architects, has been selected to provide the inspections on behalf of the City and on behalf of the lender group for the Pack Plaza Project. This resolution will authorize the Mayor to execute the necessary agreement. Total fees paid to be no more than $36,600.00. The City will pay 36.5%, or no greater than $13,359.00. Pack Plaza Associates Limited Partnership will pay 63.5%, being the balance of the fees due.

Resolution Book 16 at page 238

C. RESOLUTION NO. 86-225 - Resolution authorizing the Mayor to accept an easement from Fitzgerald Brake Supply, Inc. for the purpose of constructing and maintaining an overhead communications link through its property at 50 McCormick Place.

Tuesday - December 16, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and City Clerk/Associate City Manager William F. Wolcott, Jr.

Absent: None

INVOCATION

1. Vice-Mayor Frank introduced John Robert Long, a neighbor and student at Ira B. Jones School, who gave the invocation.

PROCLAMATION - DECEMBER 16 - 21, 1986 - "UP WITH PEOPLE WEEK"

2. Mayor Bissette read a proclamation proclaiming December 16 - 21, 1986, as "Up With People Week".

Mayor Bissette presented the proclamation to David Grissom, President of Optimist's Club of Fletcher, Sue Dymoke and Todd Hartley, both with Up With People.

PROCLAMATION - HILL HAVEN REHABILITATION AND CONVALESCENT CENTER - 1986 "NORTH POLE SUBSTATION"

2a. Mayor Bissette read a proclamation proclaiming Hill Haven Rehabilitation and Convalescent Center as a 1986 "North Pole Substation".

Mayor Bissette presented the proclamation to Natalie Frost and one of the residents of the Hill Haven Rehabilitation and Convalescent Center.

Natalie Frost for the Hill Haven Rehabilitation and Convalescent Center said the "Ho Ho Hotline" was established about three years in order to get the residents involved in the community and with Christmas activities. She said they have received excellent results and the residents have received numerous calls from children in the area.

APPROVAL OF MINUTES - DECEMBER 9, 1986 MEETING

3. Consideration was given to the approval of the minutes of the December 9, 1986 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PUBLIC HEARING - SITE PLAN OF PROPOSED K-MART SHOPS OF ASHEVILLE - SOUTH TUNNEL ROAD (BENEATH BEAUCATCHER CINEMAS PARKING DECK)

4. A public hearing was held relative to a site plan of the proposed K-Mart Shops of Asheville to be located on South Tunnel Road (beneath Beaucatcher Cinemas Parking Deck).

Mayor Bissette said his law firm represents the developer and requested that he be excused from participation and vote on this issue.

Councilman Tisdale said the Authority was made aware of this information and they will maintain their present policy.

CLAIMS - STEVE RAY (AUTO LIABILITY/WATER)

15. The City Manager presented a claim received from Steve Ray (Auto/Liability/Water).

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES

16. Ralph Bishop spoke to the Council about lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Price, the meeting adjourned at 5:15 p.m.

MAYOR

CITY CLERK

Verl Emrick, Director of Planning, said Council had previously approved 42 units for the Sand Hill Mobile Home Park. He said this addition would include 10 units. He said the proposed addition is in compliance with all ordinances and codes of the City of Asheville. He said the Planning & Zoning Commission had recommended approval of this project subject to compliance with the Erosion Control Ordinance and a provision that a 20' buffer strip be located on the northern property line.

Mayor Bissette closed the public hearing at 4:24 p.m.

Councilman Tisdale moved for the approval of the site plan of the proposed addition to Sand Hill Mobile Home Park located at 710 Sand Hill Road subject to compliance with the Erosion Control Ordinance and that a 20' planted buffer strip be located on the northern property line. This motion was seconded by Councilman Price and carried unanimously.

PUBLIC HEARING - SITE PLAN - PROPOSED ADDITION TO ASTON PARK HEALTH CARE CENTER

5. A public hearing was held relative to the site plan of the proposed addition to Aston Park Health Care Center located at 380 Brevard Road.

Mayor Bissette said that since his firm represents Aston Park Health Care Center, he would ask to be excused from participation and vote on this issue.

Councilman Price moved to excuse Mayor Bissette from participation and vote on the proposed addition to Aston Park Health Care Center. This motion was seconded by Councilman Tisdale and carried unanimously.

Vice-Mayor Frank said the Asheville Planning and Zoning Commission at a meeting held November 12, 1986, reviewed the site plan of a proposed addition to Aston Park Health Care Center located at 380 Brevard Road. The plan was prepared by Larry Traber, Architect, for the developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance.

Vice-Mayor Frank opened the public hearing at 4:26 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the proposed addition would include a 1,000 sq. ft. freestanding laundry room and a 3,200 sq. ft. maintenance building. He said the project complies with all ordinances and codes of the City of Asheville. He said the Planning and Zoning Commission had recommended approval of the project subject to compliance with the Erosion Control Ordinance.

Vice-Mayor Frank closed the public hearing at 4:27 p.m.

Councilman Michalove moved to approve the site plan of the proposed addition to Aston Park Health Care Center located at 380 Brevard Road subject to compliance with the Erosion Control Ordinance. This motion was seconded by Councilman Price and carried unanimously.

Councilman Price moved to excuse Mayor Bissette from participation and vote relative to the site plan of the proposed K-Mart Shops located on South Tunnel Road. This motion was seconded by Councilman Tisdale and carried unanimously.

Vice-Mayor Frank said the Asheville Planning and Zoning Commission at a meeting held November 12, 1986, reviewed the site plan of the proposed K-Mart Shops of Asheville to be located on South Tunnel Road (beneath Beaucatcher Cinemas Parking Deck). The plan was prepared by Danie Johnson, Architect, for Mr. Edward I. Greene, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance.

Vice-Mayor Frank opened the public hearing at 4:16 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the project would include an additional 7,000 sq. ft. of retail space underneath the parking deck of the Beaucatcher Cinemas. He said the land would be leased from the K-Mart Plaza and the project was in compliance with all ordinances and codes of the City of Asheville. He said the Planning & Zoning Commission had recommended approval of the project subject to the final approval of Erosion Control Ordinance and that the signage on the facade be limited to 25 sq. ft.

Vice-Mayor Frank closed the public hearing at 4:19 p.m.

Councilman Michalove moved to approve the site plan of the proposed K-Mart Shops of Asheville to be located on South Tunnel Road subject to compliance with the Erosion Control Ordinance and signage on the facades be limited to 25 sq. ft. This motion was seconded by Councilman Bratton and carried unanimously.

PUBLIC HEARING - ADDITION TO SAND HILL MOBILE HOME PARK - 710 SAND HILL ROAD

4. A public hearing was held relative to the site plan of the proposed addition to Sand Hill Mobile Home Park located at 710 Sand Hill Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held on November 12, 1986, reviewed the site plan of a proposed addition to Sand Hill Mobile Home Park located at 710 Sand Hill Road. The plan was prepared by Kenneth Pankow, Engineer, for Mr. Tom Pinkerton, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance and provision of a 12" buffer on the North boundary line.

Mayor Bissette opened the public hearing at 4:20 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

ORDINANCE NO. 1620 - ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (HANDICAPPED OFF-STREET PARKING)

7. Consideration was given to an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville", as amended relative to handicapped off-street parking.

Mayor Bissett said this ordinance will amend Section 30-3-11 of Article 3. General Provisions to include the following exemption to paragraph (1)(d) "Mobile Home Parks which are subject to Article 6 of this Ordinance (Group Development/Planned Unit Developments)." Adoption of the ordinance will exempt mobile home parks from complying with handicapped off-street parking requirements.

Councilman Price moved for the adoption of Ordinance No. 1620. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1620 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed with the second reading of Ordinance No. 1620. This motion was seconded by Vice-Mayor Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1620 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed with the third reading of Ordinance No. 1620. This motion was seconded by Vice-Mayor Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1620 passed on third reading.

Complete text of Ordinance No. 1620 will be found in Ordinance Book No. 11 at page 106.

SCHEDULING PUBLIC HEARING - REZONING PROPERTY LOCATED AT 218 EAST CHESTNUT STREET (MR. CHRIS PETERSON PETITIONER)

8. Consideration was given to a motion scheduling a public hearing relative to a request to rezone property located at 218 East Chestnut Street, Ward 2, Sheet 16, Lot 138 (Mr. Chris Peterson, Petitioner) for January 6, 1987.

Mayor Bissette said on November 12, 1986, the Asheville Planning and Zoning Commission considered the petition of Mr. Chris Peterson that Ward 2, Sheet 16, Lot 138 (218 E. Chestnut St.) be rezoned from R-4 Residential District to CG Commercial General District. After review and discussion, the Commission voted to recommend that the petition be denied and that the property remain as it is now zoned. On December 10, 1986, the City Clerk received written notice of appeal from the petitioner for this matter to be heard by the City Council. This motion will schedule a public hearing on January 6, 1987.

Councilman Boland moved to schedule a public hearing relative to the rezoning of property located at 218 E. Chestnut Street for January 6, 1987. This motion was seconded by Councilman Tisdale and carried unanimously.

PUBLIC HEARING - MODIFIED SITE PLAN OF THE OXFORD/ASHEVILLE RETIREMENT CENTER

6. A public hearing was held relative to the modified site plan of the Oxford/Asheville Retirement Center.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held November 12, 1986, reviewed a modified site plan of the Oxford/Asheville Retirement Center. The project to be named "Chambrel of Asheville" is located on Hendersonville Road. The site plan was prepared by Land Design, Architects, for the Oxford Development Corporation, both of Charlotte, North Carolina, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance; to recommend that City Council grant a variance to permit .9 parking spaces per unit, and confirmation by Board of Adjustment of Conditional Use in the R-3 District approved February 3, 1986.

Mayor Bissette opened the public hearing at 4:20 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the project had previously been approved by City Council. He said the modified site plan is requesting approval of an additional 25 units making a total of 325 units for the project. He said the project would consist of 20 buildings which would be 3 and 4 story structures. He said the modified plan shows a reduction of 3 buildings. He said the project would not be visible from the Blue Ridge Parkway. He said it is his understanding that the Homeowner's Association of Deerwood Condominiums is supportive of the project. He said the entrance to the project would be the Hendersonville Road.

He said the Planning and Zoning Commission had recommended approval of the project subject to compliance with the Erosion Control Ordinance, and that City Council grant a variance to permit .9 parking spaces per unit as recommended by the Board of Adjustment and that the motion for approval include approval of Phase II in concept being the nursing home portion of the project.

Mr. Little, with Oxford Development Company, briefly explained the modified plans and said the project should start next spring or summer.

Mayor Bissette closed the public hearing at 4:35 p.m.

Vice-Mayor Frank moved to approve the modified site plan of the Oxford/Asheville Retirement Center subject to the Erosion Control Ordinance and to grant a variance to permit .9 parking spaces per unit as recommended by the Board of Adjustment and that the City Council approve in concept the nursing home phase of the project. This motion was seconded by Councilman Tisdale and carried unanimously.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 86-228 was unanimously adopted.

Complete text of Resolution No. 86-228 will be found in Resolution Book No. 16 at page 242.

RESOLUTION NO. 86-229 - RESOLUTION AUTHORIZING THE MAYOR TO ACCEPT ON BEHALF OF THE CITY OF ASHEVILLE A GRANT OF PRESERVATION RESTRICTIONS AND COVENANTS FOR DEVELOPMENT RIGHTS OF THE "OLD PACK MEMORIAL LIBRARY BUILDING"

12. Consideration was given to a resolution authorizing the Mayor to accept on behalf of the City of Asheville a grant of preservation restrictions and covenants for development rights of the "Old Pack Memorial Building".

Mayor Bissette said the Pack Plaza Associates, Limited Partnership, desires to grant to the City of Asheville an easement providing for certain preservation restrictions and covenants with regard to the development rights to the Old Pack Memorial Library Building. He said this resolution would authorize the Mayor on behalf of the City of Asheville to accept the easement granting preservation restrictions and covenants with regard to the development rights for the Old Pack Memorial Building.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 86-229 was unanimously adopted.

Complete text of Resolution No. 86-229 will be found in Resolution Book No. 16 at page 243.

PRESENTATION OF PETITION - KENILWORTH FOREST COMMUNITY CLUB AND/OR RESIDENTS - INTERSECTION OF WHITE PINE DRIVE

13. The City Manager presented a petition received from the Kenilworth Forest Community Club and residents relative to a traffic problem that threatens the safety of the residents entering White Pine Drive, school buses and shoppers tending to use the mall entrance beside the International House of Pancakes. The petition states that presently automobiles headed west on Tunnel Road wishing to turn left onto White Pine Drive must do so against two lanes of traffic going east without the benefit of a left turn signal. The petitioners requested a left turn signal for westbound traffic at the intersection of White Pine Drive and Tunnel Road.

The City Manager said the Traffic Engineer has conducted a traffic count in the area, and has furnished the information to the N. C. Department of Transportation. He said the City would be working with the N. C. Department of Transportation on this request.

CLAIMS - HARRY JAMES (STREETS) - PATRICIA MCINTOSH (STREETS) - HELEN HENDON (SEWER)

14. The City Manager presented claims received from Harry James, Patricia McIntosh, and Helen Hendon.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

Councilman Michalove requested that the City Manager determine if Chris Peterson is the owner of the property and whether or not the property is under some type of option at the present time.

BIDS - ONE REFUSE COLLECTION VEHICLE - TRUCK WITH PACKER BODY FOR PUBLIC WORKS DEPARTMENT, SANITATION DIVISION

9. Consideration was given to approval of bids for one refuse collection vehicle - truck with packer body for Public Works Department, Sanitation Division.

Mayor Bissette said sealed bids were received pursuant to N.C. General Statute 143-129 to furnish one (1) refuse collection vehicle to the Public Works Department, Sanitation Division. Three bids were received - Western Carolina Truck Center, Inc. Asheville, NC - $83,120.76; Sanco Corporation, Winston-Salem, NC - $85,221.00; and Cavalier Equipment Corporation, Roanoke, VA - $85,557.00. T. Clark Brown, Director of Public Works, has reviewed these bids for technical compliance to specifications and confirms that the low bid from Western Carolina Truck Center, Inc. does meet specifications. Mr. Brown recommends awarding the bid to Western Carolina Truck Center, Inc. for a 1987 "White Expeditor" model WX64 cab and chassis with a "Heil" Formula 5000 packer body and a "ARS" dumping unit at a cost of $83,120.76. Funds for this purchase are provided in the Revenue Sharing Fund, Sanitation Division, Account No. 50-428-0740.

Councilman Price moved to approve the low bid of Western Carolina Trucks Center, Inc. in the amount of $83,120.76 for the refuse collection vehicle truck with packer body. This motion was seconded by Councilman Boland and carried unanimously.

COMMENTS BY COUNCILMAN TISDALE - RENOVATION OF CITY HALL BUILDING

10. Councilman Tisdale said the Asheville City Council members had scheduled a retreat for February 14th and 15th. He said it is his understanding that the City's capital plans for the next five years will be discussed. He said since the renovation of the City Hall Building will be included in the discussion, he requested that the City Manager determine the long-range plans of the Asheville City Schools and other tenants in the City Hall Building prior to that retreat. He also requested a tour of the City Hall Building and the Municipal Building. He requested that the City Manager determine whether or not the Asheville City Schools are paying rent to the City for the use of the lower level of the Muncipal Building.

RESOLUTION NO. 86-228 - RESOLUTION AUTHORIZING THE MAYOR TO ACCEPT AN EASEMENT AMENDING THE EXISTING PERPETUAL CONSERVATION FACADE EASEMENT FOR THE OLD PACK MEMORIAL LIBRARY BUILDING

11. Mayor Bissette said the Pack Plaza Associates, Limited Partnership, is in the processing of constructing a redevelopment project in the Pack Plaza Redevelopment Area. He said the old Pack Memorial Library Building is included within that project and Pack Plaza Associates, Limited Partnership, desires to grant to the City of Asheville an easement amending the existing perpetual conservation facade easement for the old Pack Memorial Library Building. He said this resolution would authorize the Mayor to accept on behalf of the City a grant of the preservation, restrictions, and covenants which amends the existing perpetual conservation facade easement for the old Pack Memorial Library Building.

Tuesday - December 23, 1986 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Wilhelmina Bratton

INVOCATION

The invocation was given by Councilman Ken Michalove.

APPROVAL OF MINUTES - DECEMBER 16, 1986 MEETING

1. Consideration was given to the approval of the minutes of the December 16, 1986, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PUBLIC HEARING - REZONING PROPERTY LOCATED ON CAMPGROUND ROAD (R. S. CRAIG, PETITIONER)

ORDINANCE NO. 1621 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED, PETITION FOR MR. R. S. CRAIG, PROPERTY LOCATED ON U.S. 70, EAST AT CAMPGROUND ROAD

2. A public hearing was held relative to rezoning property located on Campground Road for R. S. Craig, Petitioner.

Mayor Bissette said on August 19, 1986, City Council requested the Planning and Zoning Commission to consider rezoning Ward 8, Sheet 31, Lot 16, from R-2 Residential District to CH Commercial Highway District. The Commission reviewed this request at their October 8, 1986, meeting. After review and discussion, the Commission voted to recommend to City Council that Ward 8, Sheet 31, Lot 16, be rezoned from R-2 Residential District to R-4 Residential District with applicable buffering.

Mayor Bissette opened the public hearing at 4:10 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had reviewd and discussed the rezoning of Ward 8, Sheet 31, Lot 16 and still felt that to zone the property commercial highway district would be too intense. He said the Commission did recommend to Council that the property be rezoned from R-2 Residential District to R-4 Residential District with applicable buffering. He said this zone would allow uses other than residential such as professional offices, beauty shops, etc. He said it is his understanding that the petitioner is proposing a greenhouse for the property. He said a greenhouse would be allowable under the R-4 Residential District.

RALPH BISHOP - COMMENTS RELATIVE TO NEW FIRE CHIEF

15. Ralph Bishop spoke to members of Council relative to his dissatisfaction with the City Manager going out of town to hire a new Fire Chief. He said he also felt that the new Fire Chief and the City Manager had made a mistake in taking out alarm boxes.

Mayor Bissette responded that the proposal to take out fire alarm boxes was made prior to Chief Rukavina coming to work for the City of Asheville. He said it has been proven that alarm boxes don't always work and that the numerous false alarm calls are received from malicious youths pulling fire alarm boxes.

ADJOURNMENT

Councilman Price moved to adjourn the meeting at 5:00 p.m. This motion was seconded by Vice-Mayor Frank and carried unanimously.

Mayor

City Clerk

the fee simple title to the land leased for Westgate Shopping Center. This property is owned jointly with the County of Buncombe, and the County also authorized advertisement of the property for sale. No upset bids have been made for the property.

Mayor Bisette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any one desiring a copy of the resolution would be furnished one.

Upon motion of Councilman Michalove, seconded by Councilman Tisdale, Resolution No. 86-230 was unanimously adopted.

Complete text of Resolution No. 86-230 will be found in Resolution Book No. 16 at page ~~244~~ 245 and ~~245~~ 246.

RESOLUTION NO. 86-231 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN ENCROACHMENT AGREEMENT WITH MARTIN E. HARE AND WIFE, BARBARA S. HARE

4. Consideration was given to a resolution authorizing the Mayor to execute an encroachment agreement with Martin E. Hare and wife, Barbara S. Hare.

Mayor Bissette said Martin E. Hare and wife, Barbara S. Hare are the owners of property located at the southeastern intersection of Wilbar Street and Coxe Avenue. There is a commercial building located upon said property which encroaches upon the right-of-way of the City of Asheville on Wilbar Street. This encroachment was due to a mistake on the part of the Hares at the time of construction of the building and was unintentional. This resolution will authorize the Mayor to execute an agreement authorizing the encroachment of the building on the right-of-way of Wilbar Street.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 86-231 was unanimously adopted.

Complete text of Resolution No. 86-231 will be found in Resolution Book No. 16 at page ~~246~~ 247.

SCHEDULING PUBLIC HEARING - SITE PLAN OF BILTMORE PARKWAY CENTRE TO BE LOCATED ON HENDERSONVILLE ROAD

5. Consideration was given relative to a site plan of Biltmore Parkway Centre to be located on Hendersonville Road for January 13, 1987.

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held December 10, 1986, reviewed a site plan of Biltmore Parkway Centre to be located on Hendersonville Road. The site plan was prepared by Danie Johnson, Architect, for Biltmore Centre Limited Partnership, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to: 1) provision of a 20' buffer on the north boundary line; 2) approval of signage package; 3) compliance with Tree Ordinance; 4) approval of curb cut by N.C. Department of Transportation; and 5) reapply for grading permit and compliance with Erosion Control Ordinance.

Mr. Earick said the Commission also recommended that if Council approves the rezoning that the motion for the rezoning include a recommendation to the North Carolina Department of Transportation that no direct access be given to U.S. 70.

Lee Towery, representing the petitioner, said the R-4 Residential District or any other residential district would not be conducive to any retail use of the property. He said, in his opinion, the property is designed for high traffic use since it borders Tunnel Road. He said he had contacted all property owners adjoining the property and none have objections. He said they would not support the rezoning or oppose it. He said he did not feel the property would be best used except under a commercial zone.

After discussion, Mayor Bissette closed the public hearing at 4:21 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety. He said any individual desiring a copy of the ordinance would be furnished one.

Councilman Tisdale moved for the adoption of Ordinance No. 1621 with applicable buffering and a recommendation to the North Carolina Department of Transportation that no direct access be given to U.S. 70. This motion was seconded by Councilman Boland.

Upon inquiry of Councilman Michalove, Mr. Towery said the Craigs' are the present owners of the property, and he felt the R-4 Residential District would be of no use to the owners.

Councilman Michalove said, in his opinion, it might be worthwhile not to rezone the property at the present time but to consider rezoning this property in the proposed overall comprehensive rezoning plan.

Mayor Bissette and Councilman Tisdale said they felt the R-4 Residential District zone would make the property more marketable.

Councilmembers asked that Mr. Towery have the Craigs respond in writing, by a letter to Mayor Bissette, which would indicate whether or not they want the property rezoned to R-4 Residential District.

On a roll call vote of 5-1, Ordinance No. 1621 passed on first reading with Councilman Michalove voting "no".

RESOLUTION NO. 86-230 - RESOLUTION AUTHORIZING THE SALE OF PROPERTY OWNED BY THE CITY OF ASHEVILLE AND THE COUNTY OF BUNCOMBE AND KNOWN AS THE FEE SIMPLE TITLE TO THE LAND LEASED FOR WESTGATE SHOPPING CENTER

3. Consideration was given to a resolution authorizing the sale of property owned by the City of Asheville and the County of Buncombe, and known as the fee simple title to the land leased for Westgate Shopping Center.

Mayor Bissette said Resolution No. 86-227 was adopted December 9, 1986, authorizing the City Clerk to advertise the sale of the property known as

CLAIMS - FLORENCE TROMBLY (STREETS) - DOROTHY LOWE (POLICE) - BARNEY FENNEY (INSPECTIONS) - KINETH STEPHENS (POLICE)

9. The City Manager presented claims received from Florence Trombly, Dorothy Lowe, Barney Fenney, and Kineth Stephens.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Boland, the meeting adjourned at 4:50 p.m.

Mayor

City Clerk

Councilman Boland moved to schedule a public hearing relative to a site plan of Biltmore Parkway Centre to be located on Hendersonville Road for January 13, 1987. This motion was seconded by Councilman Price and carried unanimously.

REPORTS REQUESTED BY COUNCILMAN TISDALE - CITY AUTOMOBILES TAKEN HOME BY EMPLOYEES - COLLECTION STATUS OF MOTOR VEHICLES STICKER FEE

6. Councilman Tisdale said he would like a report on the number of City automobiles taken home by City employees and would like a report for the past five years of the collections status of motor vehicles sticker fee.

RESOLUTION NO. 86 - 232 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AMENDMENT TO THE MASTER AGREEMENT BY AND AMONG THE CITY OF ASHEVILLE, THE COUNTY OF BUNCOMBE AND SCHNEIDER NINE, INC.

7. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an amendment to the master agreement by and among the City of Asheville, the County of Buncombe, and Schneider Nine, Inc.

Mayor Bissette said the City of Asheville, the County of Buncombe, and Schneider Nine, Inc., (whose interest has been assigned to Pack Plaza Associates, Limited Partnership) entered into an agreement known as the master agreement August 15, 1984. He said this resolution would clarify and amend certain provisions of that master agreement. He said the resolution will authorize him to accept, on behalf of the City of Asheville, deeds conveying properties in the Pack Plaza Redevelopment Project to the City of Asheville, being the Old Pack Memorial Library property.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 86-232 was unanimously adopted.

Complete text of Resolution No. 86-232 will be found in Resolution Book No. 16 at page ~~247~~ 248.

RESOLUTION NO. 86-233 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A LEASE AGREEMENT BY AND BETWEEN PACK PLAZA ASSOCIATES LIMITED PARTNERSHIP AND THE CITY OF ASHEVILLE

8. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville a lease agreement by and between Pack Plaza Associates Limited Partnership and the City of Asheville.

Mayor Bissette said this resolution would authorize him to execute on behalf of the City of Asheville, a lease agreement by and between the City of Asheville and Pack Plaza Associates Limited Partnership for the use of those buildings known as the "Old Pack Memorial Library" and "Roth Theatre Buildings" for the Pack Plaza Redevelopment Project.

Upon motion of Councilman Michalove, seconded by Councilman Boland, Resolution No. 86-233 was unanimously adopted.

Complete text of Resolution No. 86-233 will be found in Resolution Book No. 16 at page ~~248~~ 249.

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, Resolution No. 87-2 was unanimously adopted.

Complete text of Resolution No. 87-2 will be found in Resolution Book No. 16 at Page 251.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT 218 EAST CHESTNUT STREET (MR. CHRIS PETERSON, PETITIONER)

4. A public hearing was held relative to a request to rezone property located at 218 East Chestnut Street, Ward 2, Sheet 16, Lot 138 (Mr. Chris Peterson, Petitioner).

Mayor Bissette said on November 12, 1986, the Asheville Planning and Zoning Commission considered the petition of Mr. Chris Peterson that Ward 2, Sheet 16, Lot 138 (218 East Chestnut Street) be rezoned from R-4 Residential District to CG Commercial General District. After review and discussion, the Commission voted to recommend that the petition be denied and that the property remain as it is now zoned. On December 10, 1986, the City Clerk received written notice of appeal from the petitioner for this matter to be heard by the City Council. This public hearing was scheduled at the December 16, 1986 meeting of City Council.

Mayor Bissette opened the public hearing at 4:14 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had reviewed the petition of Mr. Chris Peterson to rezone the property from R-4 Residential District to CG Commercial General District. He said after discussion, the Commission voted to recommend that the petition be denied mainly to limit commercial encroachment into the residential neighborhood. He said the property accesses Chestnut Street and Broad Street. He said Mr. Peterson owns the property and proposes to restore an existing dwelling to a restaurant. He said a restaurant would not be allowed in the R-4 Residential District except for a Bed and Breakfast function which would only allow guests of the Bed and Breakfast to be served.

At the request of members of Council, Mr. Emrick outlined the uses allowed in the R-4 Residential District.

Gene Ellison, Attorney representing Chris Peterson spoke in support of the rezoning, stating that he did not feel the rezoning would infringe or impede on the residential district since the area is adjacent to Fuddrukers Restaurant. He said the property on which Fuddrukers is located was rezoned by Council to allow for their development. He said the existing structure on the property is dilapidated and the developer is willing to put in at least $150,000 to enhance the building and the area. He said 80% of the buildings in the area are of a commercial use.

Chris Peterson, owner of the property, spoke in support of the rezoning stating that he owns 4 or 5 historical buildings at the present time. He said he feels the area is historical and he would not tear the building down but would like to restore the existing structure into a "Victorian style restaurant".

Tuesday - January 6, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Wilhelmina Bratton.

APPROVAL OF THE MINUTES - DECEMBER 23, 1986 MEETING

1. Consideration was given to the approval of the minutes of the December 23, 1986 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

RESOLUTION NO. 87-1 - RESOLUTION IN MEMORIAM OF JAMES B. WILSON

2. Consideration was given to a resolution in memoriam of James B. Wilson.

Mayor Bissette read the resolution stating that the City Council of the City of Asheville wishes to express its sorrow over the recent passing of James B. Wilson, Executive Editor of the Asheville Citizen-Times. He said by adoption of this resolution, the City of Asheville gratefully recognizes Jim Wilson's many contributions to the welfare of this community and his state, and extends to his family sincere sympathy upon his passing.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 87-1 was unanimously adopted.

Complete text of Resolution No. 87-1 will be found in Resolution Book No. 16 at page 250.

RESOLUTION NO. 87-2 - RESOLUTION OF APPRECIATION TO MRS. HELEN B. ZAGEIR

3. Consideration was given to a resolution of appreciation to Mrs. Helen B. Zageir.

Mayor Bissette read the resolution stating that Mrs. Zageir had donated to the City a parcel of land on Patton Avenue at Lexington Avenue, the site of the former Asheville Landmark, The Man Store, and Mrs. Zageir had previously donated to the City an adjoining strip of land which allowed the City to widen Lexington Avenue and thus, add to the convenience of its citizens and the beauty of the downtown area. This resolution expresses the City of Asheville's sincere appreciation to Helen B. Zageir and her family for their caring generosity to their community and its people.

Mayor Bissette said at the request of City Council on August 19, 1986, the Asheville Planning and Zoning Commission at a meeting held October 8, 1986, considered rezoning Ward 8, Sheet 31, Lot 16, from R-2 Residential District to CH Commercial Highway District. After review and discussion, the Commission voted to recommend to City Council that Ward 8, Sheet 31, Lot 16, be rezoned from R-2 Residential District to R-4 Residential District with applicable buffering. This ordinance passed first reading at the December 23, 1986 meeting.

Mayor Bissette said the ordinance was previously read on its first reading and would not be reread in its entirety. He said any individual requesting a copy of the ordinance will be furnished one at no cost.

On a roll call vote of 6-1, Ordinance No. 1621 passed on second reading with Councilman Michalove voting "no".

Mayor Bissette indicated that no correspondence has been received from the Craig's relative to the rezoning.

RESOLUTION NO. 87-3 - RESOLUTION OF CONCURRENCE WITH A BUSINESS RELOCATION POLICY ADDENDUM

6. Consideration was given to a Resolution of Concurrence with a business relocation policy addendum.

Mayor Bissette said this Resolution of Concurrence will provide for the least costly method of relocation for businesses without causing undue hardship when the Housing Authority and the displacee agree on the method of substitution.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution will be furnished one at no cost.

Ralph Bishop asked if the City of Asheville helped to relocate the gambling place at 7½ Biltmore Avenue for the Downtown Project.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 87-3 was unanimously adopted.

Complete text of Resolution No. 87-3 will be found in Resolution Book No. 16 at Page 252.

RESOLUTION NO. 87-4 - RESOLUTION AUTHORIZING THE SIGNING OF A MEMORANDUM OF UNDERSTANDING WITH THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT TO FURTHER FAIR HOUSING WITHIN THE CITY OF ASHEVILLE

7. Consideration was given to a resolution authorizing the signing of a Memorandum of Understanding with the U.S. Department of Housing and Urban Development to further fair housing within the City of Asheville.

Mayor Bissette said on October 15, 1985, the City Council passed Ordinance No. 1539 which created the Asheville Fair Housing Commission. The Commission has the jurisdiction to enforce the State Fair Housing Act, Chapter 41A of the North Carolina General Statutes, within the City of Asheville, as authorized in Chapter 776 of the 1985 North Carolina Session Laws. The U. S.

Ralph Bishop spoke in support of the rezoning.

W. A. McElduff, spoke in opposition of the rezoning, stating that he lives next door to the property proposed to be rezoned. He said he was also opposed to the area being designated a historical area from the beginning.

Tim Warner of 87 North Liberty Street spoke in opposition to the rezoning because of the other commercial establishments allowable in CG Commercial General zone that could be located on the property.

Councilman Michalove questioned whether or not the property could be considered in the "historical overlay" zone.

Verl Emrick explained that in order to use the "historical overlay" zone, the property would have to be individually designated as a historical building. He said the Historic Resources Commission would have to determine the qualifications of the building. He said, in his opinion, the only option for the use of the building as a restaurant would be the "historical overlay" zone without rezoning the property. He indicated that under State law, Council could not contract rezoning with the property owner or enter into any type of agreement for the rezoning.

Councilman Bratton said she could relate to the character of the neighborhood, but believed in economic development for the City of Asheville. She said it would be difficult for her to oppose a small business man.

Chris Peterson indicated that the Council could also modify the definition of Bed and Breakfast to allow guests other than those patronizing the Bed and Breakfast facility to use the restaurant facilities.

June Grant, Realtor, said she did not feel Council should go about rezoning property just for individuals. She said it was difficult to sell property under one zone with the possibility that members of Council would change the zoning at any time.

Vice-Mayor Frank said she would be opposed to the rezoning of the property for the Commercial General zone but would be in favor of the Historic Resources Commission investigating the possibility of a "historical overlay" zone.

After discussion, Councilman Michalove moved to continue the public hearing for two weeks without further advertisement, and to request that the Planning Staff look into the possibility of placing the property in a "historical overlay" zone that would allow conditional use without a zoning change, and to look for other alternatives for the use of the property, and to report this information back to the Council at the January 20 meeting. This motion was seconded by Councilman Bratton and carried on a voice vote of 4-3 with Councilman Price, Vice-Mayor Frank, and Councilman Boland voting "no".

ORDINANCE NO. 1621 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED - PETITION FOR MR. R. S. CRAIG, PROPERTY LOCATED ON US 70-EAST AT CAMPGROUND ROAD

5. Consideration was given to the second reading of Ordinance No. 1621, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville", as amended - petition for Mr. R. S. Craig, property located on US 70-East at Campground Road.

He said the petition is being presented pursuant to the provision of Section 30-11-1 (c) of the Zoning Ordinance.

He said, at the direction of Mayor Bissette, he met with representatives of the Oakley neighborhood regarding the study to consider rezoning property in the area from R-2 and R-3 Residential District to R-1 Residential District. He said the petition meets all the requirements of Section 30-11-1 (c) in that 51% of the property owners had signed the petition. He said the zoning study would be conducted to see if the character of the neighborhood has changed to allow for a R-1 Residential District zone.

By the use of a map, Mr. Emrick reviewed the location of the property requested to be studied.

Leonard Jones, property owner in the Oakley area, said he represented most of the property owners in Oakley, and had generated the petition. He also requested that during the time the City of Asheville is conducting the zoning study, that a moratorium on multi-family construction be instituted for that area.

John Stroup, of Bee Ridge Road, said he owns 14 acres in this particular area and is opposed to any rezoning. He said the property is not compatible for a R-1 Residential District designation.

Sandra Hyldburg, Attorney representing Burl Lance, a Real Estate Developer, said Mr. Lance owns property in the area and has been holding the property for investment purposes. She said she felt the best use of the property is for apartments, and her client would object to any further restrictions on this property.

Bob Pugh, Carolyn Benfield, and Willard Hill, property owners in the Oakley area, spoke in support of the rezoning to the R-1 Residential District.

Gary Pearson, with the Fairways Realty Company of Etowah presented a statement to members of Council opposing any rezoning in the Oakley area. He said he is presently working with a client and the Planning and Zoning Commission to develop 48 units of condominiums in the area, and all governmental entities have indicated approval for the project. He said he would object to any petition to rezone the area.

In response to Mr. Stroup's request to place the property under a moratorium, Mayor Bissette said a moratorium could not be placed on the property unless a threat to public health and safety is involved.

Councilman Price said, in her opinion, this area needs to be studied along with the proposed overall comprehensive zoning plan.

Barbara Tauber, of the Property Shop, spoke in opposition to the petition.

After discussion, Councilman Boland moved to refer the petition to the Planning and Zoning Commission for study and recommendation with the suggestion that the study be concurrent with the proposed overall comprehensive zoning plan. This motion was seconded by Vice-Mayor Frank and carried unanimously.

Department of Housing and Urban Development (HUD) has requested that the City execute a Memorandum of Understanding prior to officially being recognized as Substantially Equivalent to the Federal Fair Housing Act, Title VIII of the Civil Rights Act of 1968. The intent of the MOU is to eliminate duplicative enforcement activity and to maximize fair housing efforts through sustained interagency communication. The HUD grant will increase revenue by approximately $23,000 per year for first two years of project implementation.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 87-4 was unanimously adopted.

Complete text of Resolution No. 87-4 will be found in Resolution Book No. 16 at Page 253.

SCHEDULING PUBLIC HEARING - SITE PLAN OF WEST TERRACE CENTER - PATTON AVENUE FOR JANUARY 27, 1987

8. Consideration was given to a motion to schedule a public hearing relative to a site plan of West Terrace Center located on Patton Avenue for January 27, 1987.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held December 10, 1986, reviewed a site plan of West Terrace Center located on Patton Avenue. The site plan was prepared by Danie Johnson, Architect, for R. L. Coleman and Company, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to: 1) signage to be 25 square feet per retail space (3); 2) 15' clearance to sanitary and storm sewer; 3) 1 to 1-1/2 slope for sanitary compliance with Erosion Control Ordinance.

Councilman Tisdale moved to schedule a public hearing relative to the site plan of the West Terrace Center located on Patton Avenue for January 27, 1987. This motion was seconded by Vice-Mayor Frank and carried unanimously.

PRESENTATION OF PETITION - PROPERTY OWNERS IN THE OAKLEY AREA REQUESTING COUNCIL TO INITIATE A ZONING STUDY PURSUANT TO THE PROVISION OF SECTION 30-11-1 (C)

9. Presentation of a petition received from property owners in the Oakley area requesting Council to initiate a zoning study pursuant to the provision of Section 30-11-1 (c).

Verl Emrick, Planning Director, said a petition has been received from property owners in the Oakley area requesting Council to consider rezoning property in that area from R-2 and R-3 to R-1.

Tuesday - January 13, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank, Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Mayor Louis Bissette.

APPROVAL OF THE MINUTES - JANUARY 6, 1987 MEETING

1. Consideration was given to the approval of the minutes of the January 6, 1987, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PUBLIC HEARING - SITE PLAN OF BILTMORE PARKWAY CENTRE TO BE LOCATED ON HENDERSONVILLE ROAD

2. A public hearing was held relative to a site plan of the Biltmore Parkway Centre to be located on Hendersonville Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held December 10, 1986, reviewed a site plan of Biltmore Parkway Centre to be located on Hendersonville Road. The site plan was prepared by Danie Johnson, Architect, for Biltmore Centre Limited Partnership, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to: 1) provision of a 20' buffer on the north boundary line; 2) approval of signage package; 3) compliance with Tree Ordinance; 4) approval of curb cut by N.C. Department of Transportation; and 5) reapply for grading permit and compliance with Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:10 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission did review and recommend that the site plan of the Biltmore Parkway Centre be approved subject to several provisions. He said the site plan shows the provision for a 20' buffer on the north boundary line as recommended by the Planning and Zoning Commission. He said there would be one free-standing sign plus signage on the facades. He said curb cuts have been applied for through the North Carolina Department of Transportation. He said the developer has requested that the North Carolina

COUNCILMEMBER REQUESTS

10. Upon inquiry of Councilman Tisdale, the City Manager indicated that the Staff is currently looking into the storm drain problem at Kimberly and Edgewood Road.

Upon inquiry of Vice-Mayor Frank, Verl Emrick, Director of Planning, said that a draft of the overall comprehensive zoning plan will be ready in late January.

Councilman Bratton requested that the City Manager look into problems on Lexington Avenue.

Mayor Bissette requested that the City Manager investigate the problems with prostitution on Coxe Avenue behind the new US Post Office.

Councilman Tisdale also requested that the City Manager look into the parking meter situation on Market Street and Lexington Avenue.

SCHEDULING PUBLIC HEARING - SITE PLAN OF BEAUCATCHER CINEMAS LOCATED ON US 70 AND HAW CREEK LANE SHOWING THE ADDITION OF A HARDEE'S RESTAURANT

11. Vice-Mayor Frank moved to schedule a public hearing relative to the site plan of Beaucatcher Cinemas located on US 70 and Haw Creek Lane showing the addition of a Hardee's Restaurant for January 20, 1987. This motion was seconded by Councilman Tisdale and carried unanimously.

CLAIMS - LARRY BRENDLE (WATER) - ROBYN HORNE (DOWNTOWN DEVELOPMENT) - CLAY CLINE (SEWER) - BEVERLY PAHEL (POLICE)

12. The City Manager presented claims received from Larry Bendle, Robyn Horne, Clay Cline, and Beverly Pahel.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES IN THE CITY OF ASHEVILLE

13. Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Price, the meeting adjourned at 6:05 p.m.

MAYOR

CITY CLERK

87th

RESOLUTION NO. 87-5 - RESOLUTION PROHIBITING SMOKING IN THE ASHEVILLE CITY COUNCIL CHAMBERS DURING MEETINGS OF THE CITY COUNCIL

4. Consideration was given to a resolution prohibiting smoking in the City Council Chambers during meetings of the City Council.

Mayor Bissette said the Surgeon General of the United States has determined that smoking causes lung cancer, heart disease, emphysema, and may complicate pregnancy and that quitting smoking greatly reduces risks to health. Recent studies indicate that smoking also creates health hazards for non-smokers who are exposed to the smoke. The Asheville City Council desires to eliminate smoking in the Council Chambers during City Council meetings in an effort to reduce exposure to health hazards for persons attending Council meetings.

Mayor Bissette said this resolution was previously presented to members of Council and would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Councilman Tisdale said since he is the only Councilmember who does smoke and owns an tobacco allotment, he felt it was necessary that he comment on this particular resolution. He said he thought the resolution banning smoking in the formal meeting room is totally unnecessary since anti-smoking laws should remain with the officials in Washington and in Congress. He said tobacco is legal and the tobacco industry has done a fine job working with the federal government, and the tobacco industry is very important to the State. He said as a matter of courtesy to non-smoking colleagues, he has never smoked in a Council Chamber meeting and has agreed not to smoke in the pre-Council meetings.

Vice-Mayor Frank said she had received numerous calls relative to the adoption of this resolution commending the Council for taking such action. She said they also requested that Council adopt an ordinance prohibiting smoking in all public places. She said the Buncombe County Commissioners passed a resolution in 1984 prohibiting smoking in their Commissioners' Chambers.

Councilman Price said she felt members of Council who were supporting the measure are also aware of the economic and employment importance of tobacco and that the smoking ban should be seen as a courtesy to non-smokers and those with respiratory problems who cannot attend public meetings if smoke is in the room.

Bob Shultz, a Buncombe County resident, spoke in favor of the resolution.

Weldon Denny, with the Tobacco Section of the North Carolina Department of Agriculture, spoke in opposition to the resolution quoting statistics on the economic and employment impact of tobacco in the State, and in Buncombe County, and asked the Council to decide on a resolution as a management decision rather than through the adoption of a resolution.

Mac McGough, with the Western North Carolina Development Association, spoke in opposition to the resolution.

Department of Transportation conduct a traffic study to determine if a traffic signal is needed in that area. He said the proposed development shows a setback of the buildings further than the right-of-way needed by the North Carolina Department of Transportation to widen Hendersonville Road. He said the project would consist of approximately 56,200 sq. ft. of lease-retail space. He said the project is in compliance with all City codes and ordinances; however, final approval should be contingent on approval of the curb cut by the North Carolina Department of Transportation.

Danie Johnson, Architect for the project, said the project would include a Harris Teeter Food Store and would be a high quality center beyond the typical architecture in our area. He said the proposed project has been tied in with existing and proposed roadway improvements by the North Carolina Department of Transportation. He said the Biltmore Forest Company has dedicated right-of-way to the North Carolina Department of Transportation for the widening of Hendersonville Road.

Mayor Bissette closed the public hearing at 4:16 p.m.

Vice-Mayor Frank moved for the approval of the site plan of the Biltmore Parkway Centre to be located on Hendersonville Road subject to the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Boland and carried unanimously.

ORDINANCE NO. 1621 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED, PETITION OF MR. R. S. CRAIG, PROPERTY LOCATED ON U.S. 70-E AT CAMPGROUND ROAD

3. Consideration was given to the third reading of Ordinance No. 1621, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended, petition of Mr. R. S. Craig, property located on U.S. 70-E at Campground Road.

Mayor Bissette said at the request of City Council on August 19, 1986, the Asheville Planning and Zoning Commission at a meeting held October 8, 1986, considered rezoning Ward 8, Sheet 31, Lot 16, from R-2 Residential District to CH Commercial Highway District. After review and discussion, the Commission voted to recommend to City Council that Ward 8, Sheet 31, Lot 16, be rezoned from R-2 Residential District to R-4 Residential District with applicable buffering. This ordinance passed first reading at the December 23, 1986 meeting.

Mayor Bissette said no correspondence had been received from the petitioner relative to this rezoning.

Councilman Tisdale said he still felt the rezoning of this property to an R-4 Residential designation would make the property more marketable.

On a roll call vote of 6-1, Ordinance No. 1621 passed on third and final reading, with Councilman Michalove voting "no" rezoning the property to R-4 Residential District.

Complete text of Ordinance No. 1621 will be found in Ordinance Book No. 11 at page 107.

Several months ago, I arranged two (2) additional new leases with Credithrift and Financial Services. Having no idea that I would have to arrange any Asheville sign approvals on the four (4) small stores, approximately 1,250 square feet each, I did approve these two (2) tenants to fabricate expensive signs, Credithrift, 4' x 15', and Financial Services, 3' x 12'.

These interior stores have no road frontage exposure and I would be obliged to reimburse them for the expense I caused them if they were not allowed to hang these signs on their respective store facades.

Therefore, I respectfully request, if you could permit in this instance, the use of the hereinmentioned already fabricated signs.

Very truly yours,

GREENE ASSOCIATES

Edward I. Greene

EIG:gm

cc: Verl Emrick
Danie Johnson

Danie Johnson, Architect for the project, said the signs would not be visible from the interstate.

Upon inquiry of Council, Mr. Emrick said he felt the request is appropriate.

Councilman Michalove moved to amend the restrictions relative to signage on the proposed K-Mart Shops of Asheville located on South Tunnel Road as requested by Greene Associates. This motion was seconded by Councilman Boland and carried unanimously.

APPROVAL OF CONSENT AGENDA

6. Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Upon motion of Vice-Mayor Frank, seconded by Councilman Bratton, Resolution No. 87-5 passed on a voice vote of 6-1, with Councilman Tisdale voting "no."

Complete text of Resolution No. 87-5 will be found in Resolution Book No. 16 at page 254.

APPROVAL OF AMENDING RESTRICTIONS RELATIVE TO SIGNAGE ON FACADES AT PROPOSED K-MART SHOPS OF ASHEVILLE - SOUTH TUNNEL ROAD

5. Consideration was given to a motion amending restrictions relative to signage on facades at the proposed K-Mart Shops of Asheville located on South Tunnel Road.

Mayor Bissette said on December 16, 1986, Council approved the site plan of the proposed K-Mart Shops of Asheville to be located on South Tunnel Road subject to compliance with the Erosion Control Ordinance and signage on the facades to be limited to 25 square feet. A request has been received from Greene Associates to amend the restrictions on signage of the facades.

Mayor Bissette requested that he be excused from participation and vote on this particular issue since his firm represents the developer.

Councilman Price moved to excuse Mayor Bissette from participation and vote on the proposed K-Mart Shops of Asheville located on South Tunnel Road. This motion was seconded by Councilman Michalove and carried unanimously.

Verl Emrick, read the following letter from Mr. Edward I. Greene requesting the amended restrictions on signage.

December 31, 1986

Mayor Louis Bissette
Asheville City Hall
Asheville, NC 28801

Re: Four (4) Interior Facade Signs
K-Mart Plaza, 4 South Tunnel Road
Asheville, NC

Dear Mayor Bissette:

In discussions with the Planning Board, when we submitted our plans to the Group Development for the 5,000 square foot building at the above-captioned Shopping Center, my architect, Danie Johnson, committed in good faith to signage restrictions of 25 square feet per tenant. Mr. Johnson was unaware that when I made lease arrangements a year ago with existing tenants to move their former occupied stores to the new store building as an accommodation to me, they planned to use the same signs that were affixed to their former store fronts; specifically, the Barber sign is 3' x 10', the Read Uniform 4' x 10'.

1987, Asheville Cablevision would be rearranging their programming schedule to get "customer equipment friendly." He said subscribers with cable-ready TV's or cable-ready VCR's would now be capable of using their own equipment rather than cablevision equipment. He said the lowest basic rate of service will be $13.00. He said during 1987 another $1 million would be spent in growth by Asheville Cablevision adding an additional 22 miles of service; providing service to all housing projects and this should provide for the additional wiring of the entire City except for the newly annexed areas. He said Asheville Cablevision is in the process of negotiating with the company now servicing the newly annexed areas.

Councilman Tisdale said he had received many questions relative to Asheville Cablevision since this new announcement had been made. He said he would like to reiterate the fact that City Council can no longer dictate to Asheville Cablevision relative to rates and/or program structure. He said Mr. Haight's presentation was merely a courtesy to members of Council.

Mr. Haight indicated that even though members of Council cannot legally regulate rates of Asheville Cablevision due to federal deregulation, Asheville Cablevision is willing to listen and to continue the working relationship with Asheville City Council and its subscribers.

Mayor Bissette commended Asheville Cablevision for an excellent job during 1986 of improving the service of cablevision.

Upon inquiry of Vice-Mayor Frank, Mr. Haight said Asheville Cablevision had removed Channel 9 from its programming, mainly because the channel is 85% duplicated on PBS out of Tennessee, and because of continued technical problems.

Mr. Haight answered general questions from Mr. Morris Fox, of 5 Valle Vista Road, relative to the use of a VCR and cablevision service.

Ralph Bishop spoke in opposition to the Asheville Cablevision Company stating that he felt they had a monopoly in the City of Asheville.

RESOLUTION 87-6 - RESOLUTION DIRECTING THE CITY CLERK TO ADVERTISE AN OFFER FOR THE PURCHASE OF CITY-OWNED PROPERTY LOCATED ON FANNING BRIDGE ROAD AND AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT FOR THE SALE OF THE PROPERTY

8. Consideration was given to a resolution directing the City Clerk to advertise an offer for the purchase of City-owned property located on Fanning Bridge Road and authorizing the Mayor to execute an agreement for the sale of the property.

Mayor Bissette read the resolution stating that the City has received an offer for the purchase of a tract of land containing 27 acres located east of the intersection of Fanning Bridge Road and Asheville Airport Road. He said the offer is in the amount of $325,000 and a 5% bid deposit has been received by the City Clerk. He said that Council has determined that it does not need this property for City purposes and desires to sell the property for the purpose of construction of approximately 290,000 sq. ft. distribution facility.

A. Consideration of a motion to schedule a public hearing relative to final approval of the subdivision of Stratford Oaks for January 27, 1987.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held September 10, 1986, approved the preliminary plat of Stratford Oaks subject to the Board of Adjustment granting a variance on lot width on the cul-de-sac. The project consists of the subdivision of 10 lots off Mann Drive in Haw Creek. The plat was prepared by Jensen Engineering for Bass and Hayes Builders, Inc., Developer.

FISCAL IMPACT: None

B. Consideration of a motion to schedule a public hearing relative to a site plan of M. B. Haynes Corporation located on Deaverview Road for January 27, 1987.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held December 10, 1986, reviewed a site plan of M. B. Haynes Corporation located on Deaverview Road showing the addition of an Alden Metal Building for lease. The site plan was prepared and submitted by M. B. Haynes, Developer. After review and discussion, the Commission voted to approve the project subject to: 1) provision of a 20' buffer on the east property line next to park; 2) compliance with Tree Ordinance; and 3) compliance with Erosion Control Ordinance.

FISCAL IMPACT: None.

Upon motion of Councilman Price, seconded by Councilman Tisdale, the Consent Agenda was unanimously approved.

REPORT FROM ASHEVILLE CABLEVISION

7. Joe Haight, General Manager of Asheville Cablevision, reviewed the progress that Asheville Cablevision made during 1986. He thanked members for appointing the Asheville Cablevision Commission and said he felt the Commission was very effective. He said Asheville Cablevision spent $1.3 million in growth in 1986 and added 21 miles of service. He said the system now passes through over 33,000 homes and they are now servicing 65% of all housing units that the system passes. He said this is approximately 15% above the nationwide average of cablevision systems passing homes. He said during 1986, Asheville Cablevision has changed programming and rates. He said they have also expanded their hours of operation, and service calls are down by 65%. He said they are now capable of answering a service call within 12 hours and installing a new service within 24 hours. He said on March 1,

Tuesday - January 20, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - JANUARY 13, 1987 MEETING

1. Consideration was given to the approval of the minutes of the January 13, 1987, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PUBLIC HEARING CONTINUATION - REZONING PROPERTY LOCATED AT 218 EAST CHESTNUT STREET (MR. CHRIS PETERSON, PETITIONER)

2. A public hearing was continued relative to a request to rezone property located at 218 East Chestnut Street, Ward 2, Sheet 16, Lot 138 (Mr. Chris Peterson, petitioner).

Mayor Bissette said on November 12, 1986, the Asheville Planning and Zoning Commission considered the petition of Mr. Chris Peterson that Ward 2, Sheet 16, Lot 138 (218 East Chestnut Street) be rezoned from R-4 Residential District to CG Commercial General District. After review and discussion, the Commission voted to recommend that the petition be denied and that the property remain as it is now zoned. On December 10, 1986, the City Clerk received written notice of appeal from the petitioner for this matter to be heard by the City Council. A public hearing was held on January 6, 1987, and was continued until January 20, 1987, without further advertisement.

Verl Emrick, Director of Planning, said on January 6, 1987, City Council requested that the Planning staff review this property to determine whether it could be classified under the "Historical Overlay Zone." He said the Historic Resources Commission investigated the possibility of 218 East Chestnut Street being designated as historical property. He said in a memorandum from Carolyn A. Humphries, Executive Director of the Historic Resources Commission, it was noted that the Peterson property at 218 East Chestnut Street is a contributing structure in the local historic district. He said the house was built about 1900 as a residence, and although it was later divided into apartments, it has maintained residential use throughout its structural life. He said the Historic Resources Commission questioned whether the "Conservation Overlay for Historic Properties" would be appropriate for this project since the ordinance states "Conditional Uses

Upon motion of Councilman Bratton, seconded by Councilman Michalove, Resolution No. 87-6 was unanimously adopted.

Complete text of Resolution No. 87-6 will be found in Resolution Book No. 16 at page 255 and 256.

CLAIMS - ROBERT HYATT (WATER)

The City Manager presented a claim received from Robert Hyatt.

Mayor Bissette referred the claim to the Corporation Counsel.

LAWSUITS - GROVER C. MATTHEWS, TROY E. MCHONE, AND ROBERT E. SIMMONS VS. BOARD OF TRUSTEES OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND - ASHEVILLE CITY BOARD OF EDUCATION (CONDEMNATION OF PROPERTY) - ASHEVILLE CITY BOARD OF EDUCATION (CONDEMNATION OF PROPERTY) - LEANNE HIPPS (PERSONAL INJURY)

The City Manager said the City Manager was served with the following lawsuits in which the City of Asheville is a defendant; Grover C. Matthews, Troy E. McHone, and Robert E. Simmons vs. Board of Trustees of the Asheville Policemen's Pension and Disability Fund relative to a temporary restraining order preventing transfer of assets of Police Pension Plan into LGERS; Asheville City Board of Education relative to property owned by Anthony L. Bennette, et. al. relative to enlargement and improvement of William Randolph Elementary School site; Asheville City Board of Education relative to condemnation of property owned by Arthur D. Young, et. al., relative to the enlargement and improvement of William Randolph Elementary School site; Asheville City Board of Education relative to the condemnation of property owned by the trustees of Church of God in Christ, et. al., relative to enlarging and improving William Randolph Elementary School site; Leanne Hipps by and through her guardian ad litem, Judy Lovelace, individually, relative to a personal injury when retaining wall allegedly fell on the child.

Mayor Bissette referred the law suits to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again spoke to members of Council relative to the responsibility of the City Manager to enforce lottery sales in the City.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Price, the meeting adjourned at 5:10 p.m.

Mayor

City Clerk

Councilman Price moved to accept the recommendation of the Planning and Zoning Commission that the petition be denied and that the property remain as it is now zoned, that being R-4 Residential District. This motion was seconded by Councilman Boland and carried on a voice vote of 6-1, with Councilman Bratton voting "No."

Upon inquiry of Council, Corporation Counsel Slawter said, in his opinion, it is always best to accept or deny a particular issue to clarify any technicalities that may be brought about in the future. He said, in his opinion, if Council moves to deny a request, the petitioner cannot request a rezoning for at least one year.

PUBLIC HEARING - SITE PLAN OF BEAUCATCHER CINEMAS, LOCATED AT U.S. 70 AND HAW CREEK LANE - ADDITION OF HARDEE'S RESTAURANT

3. A public hearing was held relative to a site plan of Beaucatcher Cinemas, located at U.S. 70 and Haw Creek Lane showing the addition of a Hardee's Restaurant.

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held December 10, 1986, reviewed a site plan of Beaucatcher Cinemas, located at U.S. 70 and Haw Creek Lane showing the addition of a Hardee's Restaurant. The site plan was prepared by Franchise Enterprises, Inc., Rocky Mount, N.C., and submitted by Litchfield Company of South Carolina, Developer. After review and discussion, the Commission voted to approve the project subject to: 1) provision of a 10' buffer on the west property line along Haw Creek Lane; 2) City Council granting a variance of 12 parking spaces or 3% of total parking requirements; 3) submission of signage package; and 4) compliance with Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:46 p.m.

The City Clerk presented the notice to the public, setting the time and date of the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission had recommended approval of the project subject to the provision of a 10' buffer on the west property line along Haw Creek Lane which is shown on the site plan. He said the approval of the site plan should include the granting of a variance of 12 parking spaces or 3% of the total parking requirements. He said Hardee's would be providing 43 parking spaces and handicapped parking would be complied with. He said the signage is less than required, being that 500 square feet is allowable, and Hardee's would be using 312 square feet. He said the sign would be 40' in height.

Vice Mayor Frank said she would support the sign being 30' in height rather than 40'.

Upon inquiry of Councilman Boland, Mr. Emrick said, in his opinion, there would be no increase in traffic congestion because of this development.

Gary Rowe, attorney for the developer, said cross easements with the Litchfield Company, operating the theaters, would be executed for parking requirements. He said he did not feel that the area would increase traffic

Permitted. The uses permitted herein shall be limited to uses that are not inconsistent with the design and/or uses for which the structure on the property has been designated or used during the life of the structure." He said the Historic Resources Commission has no record that the house at 218 East Chestnut Street was ever used for a restaurant, although it may have been used as a boarding or rooming house or apartments. He said he would agree with the Historic Resources staff that the property would not comply for the "Historic Conservation Overlay Zone." He said the owner could go forward with the "bed and breakfast" proposal.

Eugene Ellison, attorney for Chris Peterson, spoke in support of the rezoning of the property to the CG Commercial General District as requested. He said the area around 218 East Chestnut Street is basically for commercial use. He said there are only eight residences left in the area, and he did not feel the property being used as a "Victorian style restaurant" would be impeding on the residential area.

Chris Peterson, owner of the property, spoke in support of the rezoning. He said he thought Council had two issues to think about in considering this request. He said 90% of the area is used commercially, and the few houses that are left in the area are for sale. He said Gateway Realty and Erwin Ball, property owners in the area, support his request for the rezoning. He said he felt that Council needs to carefully consider such requests since the old structures should not be demolished, but restored. He said, in his opinion, the "Victorian style restaurant" would enhance the neighborhood. Secondly, Council should support the small businessman in the City of Asheville.

Robert Dungan, of 89 North Liberty Street, spoke in opposition to the rezoning, stating that after the property is zoned Commercial General, any allowable use in that zone could be used. He said the owner of 218 East Chestnut Street is primarily a nightclub owner, and nothing would stop the owner from eventually placing a nightclub in the area.

Marian Gebhardt, of 81 North Liberty Street, said, as a realtor/resident and a member of the Claxton Homeowners Association, she strongly opposed the request for the rezoning.

It was noted that the owner of the property could, on his own, pursue the historical designation of the property and, if approved, could be considered under the "Conservation Overlay" for Historic Properties Zone.

After discussion, Mayor Bissette closed the public hearing at 4:37 p.m.

Mayor Bissette said the ordinance was previously presented to members of Council, and it would not be read in its entirety. He said any individual requesting a copy of the ordinance would be furnished one at no cost.

Councilman Bratton moved to adopt the ordinance, rezoning the property located at 218 East Chestnut Street to Commercial General District. She said she felt the "Victorian style restaurant" would be in the best interest of the City of Asheville. Councilman Bratton's motion received no second.

The City Manager said that Price Waterhouse has done an excellent job and recommended that the contract be extended for a one year period and that Price Waterhouse be evaluated next year.

Upon motion of Councilman Tisdale, seconded by Vice Mayor Frank, Resolution No. 87-7 was unanimously adopted.

Complete text of Resolution No. 87-7 will be found in Resolution Book No. 16 at page 257.

RESOLUTION NO. 87-8 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT AND ANY AMENDMENTS WITH MCGILL ASSOCIATES, P.A., FOR ENGINEERING SERVICES FOR STREET AND SIDEWALK IMPROVEMENT AND REHABILITATION PROJECTS TO BE LET IN CALENDAR YEAR 1987

6. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville an agreement and any amendments with McGill Associates, P.A., for engineering services for street and sidewalk improvement and rehabilitation projects to be let in calendar year 1987.

Mayor Bissette said the citizens of the City of Asheville approved a bond issue for the purpose of improvements and rehabilitation to streets and sidewalks within the City. The services of a consulting engineer are required to prioritize, coordinate, evaluate, design, specify, administer, inspect and provide public information and relations in regard to these projects and their contracts. This resolution will authorize the Mayor to execute on behalf of the City of Asheville an agreement and any amendments with McGill Associates to provide consulting services to the City in regard to the Street and Sidewalk Improvement Projects let for contract during Calendar Year 1987.

Mayor Bissette said the first phase of the projects would be let in April, 1987, and the second phase would be let in September, 1987.

Upon motion of Councilman Boland, seconded by Councilman Michalove, Resolution No. 87-8 was unanimously adopted.

Complete text of Resolution No. 87-8 will be found in Resolution Book No. 16 at page 258.

SCHEDULING PUBLIC HEARING - ISSUANCE OF CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO BEAVER LAKE CAB COMPANY FOR AN ADDITIONAL THREE TAXI CABS FOR FEBRUARY 10, 1987

7. Consideration was given to a motion to schedule a public hearing relative to the issuance of a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company for February 10, 1987.

Mayor Bissette said the adoption of this resolution will authorize the City Manager to issue a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company pursuant to Section 27-34 of the Code of Ordinances of the City of Asheville upon proof of financial responsibility in accordance with N.C. Gen. Stat. Sec. 20-280 for the operation of three (3) additional cabs.

in the area due to statistics showing that Hardee's Restaurants do 75% of their business at the breakfast and lunch times rather than in the evening hours.

Mayor Bissette closed the public hearing at 4:59 p.m.

Councilman Boland moved to approve the site plan of the Beaucatcher Cinemas, located at U.S. 70 and Haw Creek Lane, showing the addition of a Hardee's Restaurant, subject to the conditions outlined by the Planning and Zoning Commission and further that the sign be no higher than 30'. This motion was seconded by Councilman Tisdale and carried unanimously.

ORDINANCE NO. 1622 - BUDGET ORDINANCE AMENDMENT TO APPROPRIATE CURRENT YEAR CDBG ENTITLEMENT FUNDS

4. Consideration was given to a budget ordinance amendment to appropriate current year CDBG Entitlement Funds.

Mayor Bissette said the City has recently received its letter of Credit from HUD for $1,072,000 in Community Development Block Grant funds for the current year program. The allocation of these funds was approved by City Council on May 27 and November 18, 1986. This ordinance will appropriate the funds into the budget.

Councilman Michalove moved for the adoption of Ordinance No. 1622. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1622 passed on first and final reading.

Complete text of Ordinance No. 1622 will be found in Ordinance Book No. 11 at page 108.

RESOLUTION NO. 87-7 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE AN AGREEMENT WITH PRICE WATERHOUSE FOR AUDITING SERVICES FOR THE FISCAL YEAR ENDING JUNE 30, 1987

5. Consideration was given to a resolution authorizing the City Manager to execute an agreement with Price Waterhouse for auditing services for the fiscal year ending June 30, 1987.

Mayor Bissette said N.C. Gen. Stat. Sec. 159-34 requires that local governments of North Carolina submit an annual audit to the Local Government Commission. Price Waterhouse, current auditors for the City of Asheville, has submitted a proposal to perform auditing services as independent accountants for the City of Asheville for the fiscal year ending June 30, 1987. Audit fees for fiscal year ending June 30, 1986 - $29,100; CPI increase for all items, all urban consumers June 30, 1986, over June 30, 1985 - 1.7%; Audit fees for fiscal year ending June 30, 1987 - $29,600.

Mayor Bissette said after an intensive audit selection, three years ago, by a Council Auditing Selection Committee, Price Waterhouse was contracted for auditing services for three years. He said the three year contract expires this year, and the City staff is recommending that the City continue with Price Waterhouse for auditing services for the fiscal year ending June 30, 1987.

As you will notice, the plan includes goals and timetables for achieving the goals which were requested by the Task Force. The underutilization of minorities and females is noted in appropriate EEO job categories. Further detail is provided by data on City departments, as well as for the City government as a whole. By providing information on each department, information is also provided on the placement of minorities and women in City specified job classifications by simple inspection of the data. At least one member of the Task Force felt that even more specificity was called for and should indicate the number of minorities and females to be hired, promoted, etc., by June, 1987. Other members felt that since the goal is to decrease underutilization, percentages were adequate. It was also pointed out that any greater specificity comes close to "quotas" which are legally problematic and that this could lead to increasing devisiveness in the City's labor force.

The definition of the Relevant Labor Market was also of concern to the members of the Task Force. (It is defined as the labor force within the Buncombe County SMSA.) There was some support for limiting it to the City's labor force but it was also mentioned that the SMSA is used by other cities and that the Relevant Labor Market should reflect the whole area from which the City's labor force is drawn. The Task Force concluded that over the next six (6) months, the City should collect relevant data for the City and to "blend" this data with that from the SMSA in determining the goals of Affirmative Action.

There was a consensus that the City should appoint a full-time recruiter to ensure a vigorous recruitment effort. This effort would be focused on recruiting high quality recruits in general, as well as blacks and females, to meet the goals of Affirmative Action.

It was felt that some modification may be necessary in the Civil Service Law to make it possible to reach the City's Affirmative Action goals. I feel that Don Hayman's report on possible modifications should be in hand before the City Council passes an Affirmative Action Plan. That is, it may be difficult to reach our goals if the "Rule of 3" is retained. This may cause some delay because any amendments would have to be supported by legislative act.

As you will recall, the NAACP complaint concerning the absence of any black police officer above the rank of Sargeant, led to the creation of the Equal Employment Opportunity Task Force. With this in mind, the Task Force proposed that this situation be corrected as soon as possible. It was felt that the City Manager should explore what other cities have done to remedy similar situations and any other legal options that may come to mind.

While some members of the Task Force argued for an independent agency to handle all aspects of testing, it was finally decided that this should remain with Civil Service. It was felt, however, that greater attention should be given by Civil Service to the validity of tests, their possible racial bias, and how the tests are corrected.

WB/cah

Councilman Michalove moved to schedule a public hearing relative to the issuance of the Certificate of Public Convenience and Necessity to Beaver Lake Cab Company for February 10, 1987. This motion was seconded by Councilman Price and carried unanimously.

Cecil Jackson, attorney for Paul Davis, owner of the Beaver Lake Cab Company, said Mr. Davis was issued three Certificates of Public Convenience and Necessity in September, 1986. He said his client had originally asked for 12 Certificates, and City Council issued three. He said he would request that the Certificate of Affidavit presented in September, 1986, would still apply to this additional request.

SCHEDULING PUBLIC HEARING - SITE PLAN - INDUSTRIAL PARK

8. Councilman Michalove moved to schedule a public hearing relative to the site plan of the Airport Industrial Park for February 3, 1987. This motion was seconded by Councilman Tisdale and carried unanimously.

DISCUSSION RELATIVE TO AFFIRMATIVE ACTION PLAN

9. Mayor Bissette said members of Council received a report from the Chairman of the Equal Employment Opportunity Task Force relative to the adoption of an Affirmative Action Plan in the Pre-Council work session. He said Council would be scheduling a public hearing relative to the Plan in the near future. He said the City is currently looking into requested amendments to the Civil Service Law. He said Mr. Don Hayman, former staff member of the Institute of Government, is currently looking into revisions to our Civil Service Law. He said the City Staff is going to check with Mr. Hayman to see when his report would be ready.

Councilman Boland requested that the following letter, relative to the Affirmative Action Plan, be included in the minutes:

MEMORANDUM TO: Mayor and Members of Council

FROM: Walt Boland, Chairman
Equal Employment Opportunity Task Force

DATE: January 16, 1987

SUBJECT: Affirmative Action Plan

This memorandum is to give you some idea of the thoughts and sentiments of the Equal Employment Opportunity Task Force as we reviewed the revised draft of the plan. I hope it will help to put the plan in a proper perspective.

All members of the Task Force feel it is important that the Mayor, the City Council, and the City Manager be committed to a vigorous implementation of an Affirmative Action Plan. I mentioned to the members that it was my belief that there was such a commitment and that we should proceed accordingly.

Tuesday - January 27, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter, City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman George Tisdale asked the audience to stand for the Pledge of Allegiance to the Flag.

APPROVAL OF THE MINUTES - JANUARY 20, 1987 MEETING

1. Consideration was given to the approval of the minutes of the January 20, 1987, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - "CATHOLIC SCHOOLS WEEK" - FEBRUARY 1-7, 1987

2. Mayor Bissette proclaimed the week of February 1-7, 1987 as "Catholic Schools Week".

PROCLAMATION - MONTH OF FEBRUARY - "AMERICAN HISTORY MONTH"

3. Mayor Bissette read a proclamation proclaiming the month of February, 1987 as "American History Month" in the City of Asheville.

Mayor Bissette presented the proclamation to Carolyn Anderson, Chairman of the Ruth Davidson Chapter of the National Society Daughters of the American Revolution.

PROCLAMATION - MONTH OF FEBRUARY, 1987 - "AMERICAN HEART MONTH"

3a. Mayor Bissette read a proclamation proclaiming the month of February, 1987, as "American eart Month".

Mayor Bissette presented the proclamation to Jimmie Cochran, Regional Director of the American Heart Association.

RESOLUTION NO. 87-10 - RESOLUTION OF APPRECIATION TO JESSE G. RAY, SR. FOR SERVICES AS CHAIRMAN OF THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE

4. Consideration was given to a Resolution of appreciation to Jesse G. Ray, Sr. for services as Chairman of the Housing Authority of the City of Asheville.

RESOLUTION NO. 87-9 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE CHESTNUT STREET BRIDGE REPLACEMENT PROJECT

10. Consideration was given to a resolution authorizing condemnation of property in the Chestnut Street Bridge Replacement Project.

Mayor Bissette read the resolution, stating that the City has, through the Housing Authority of the City of Asheville, dealt with the property owners owning property along the Chestnut Street Bridge Replacement Project. He said negotiations with the property owners have not resulted in a mutually agreeable purchase price of the properties involved in the project. He said the City of Asheville desires that the Housing Authority provide acquisition and relocation services to the City for this project. He said this resolution would authorize the Housing Authority to acquire by condemnation, if necessary, the following parcels in order that the City of Asheville might carry out its approved plan of replacing the Chestnut Street Bridge;

PARCEL	OWNER	ADDRESS
1	Adams	67 Woodlawn Avenue
3	Tucker	66 Elizabeth Street
4	Murphy	West Chestnut Street
7	McGowan	West Chestnut Street

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 87-9 was unanimously adopted.

Complete text of Resolution No. 87-9 will be found in Resolution Book No. 16 at page 259.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Boland, the meeting adjourned at 5:45 p.m.

Mayor

City Clerk

PUBLIC HEARING - SUBDIVISION OF STRATFORD OAKS

6. A public hearing was held relative to the final approval of the subdivision of Stratford Oaks.

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held September 10, 1986, approved the preliminary plat of Stratford Oaks subject to the Board of Adjustment granting a variance on lot width on the cul-de-sac. The project consists of the subdivision of 10 lots off Mann Drive in Haw Creek. The plat was prepared by Jensen Engineering for Bass and Hayes Builders, Inc., Developer.

Mayor Bissette opened the public hearing at 4:42 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the subdivision will be located on Mann Drive on the upper end of Haw Creek. He said the development would be served by the new sewer line recently installed by the County, and a new water line would be added to service this project, as well as existing properties. He said the Zoning Board of Adjustment granted a variance for front lot widths due to the design of the subdivision. He said all lots would be developed simultaneously and all building would be under construction within the next two months.

Mayor Bissette closed the public hearing at 4:45 p.m.

Councilman Boland moved for the approval of the subdivision of Stratford Oaks. This motion was seconded by Vice Mayor Frank and carried unanimously.

PUBLIC HEARING - SITE PLAN OF M. B. HAYNES CORPORATION - DEAVERVIEW ROAD

7. A public hearing was held relative to a site plan of M. B. Haynes Corporation located on Deaverview Road.

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held December 10, 1986, reviewed a site plan of M. B. Haynes Corporation, located on Deaverview Road, showing the addition of an Alden Metal Building for lease. The site plan was prepared and submitted by M. B. Haynes, Developer. After review and discussion, the Commission voted to approve the project subject to: 1) provision of a 20' buffer on the east property line next to park; 2) compliance with Tree Ordinance; and 3) compliance with Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:47 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the development would consist of one additional 8,000 sq. ft. building. He said all water and sewer facilities are in place and all parking would be in compliance with the ordinances. He said a 20' buffer would be provided on the east property line next to Deaverview Park. He said the project would be in compliance with the Tree Ordinance and the Erosion Control Ordinance.

Mayor Bissette said Jesse G. Ray, Sr. has been associated with the Redevelopment Commission and the Housing Authority of the City of Asheville from July 22, 1969 to December 31, 1986, serving as Board Member, Vice Chairman and Chairman. This resolution will express City Council's appreciation to Jesse G. Ray, Sr. for his outstanding leadership, dedication and commitment to the City of Asheville.

Upon motion of Councilman Bratton, seconded by Councilman Tisdale, Resolution No. 87-10 was unanimously adopted.

Complete text of Resolution No. 87-10 will be found in Resolution Book No. 16 at Page 260.

PUBLIC HEARING - SITE PLAN OF WEST TERRACE CENTER - PATTON AVENUE

5. A public hearing was held relative to a site plan of West Terrace Center located on Patton Avenue.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held December 10, 1986, reviewed a site plan of West Terrace Center located on Patton Avenue. The site plan was prepared by Danie Johnson, Architect, for R. L. Coleman and Company, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to: 1) signage to be 25 square feet per retail space (3); 2) 15' clearance to sanitary and storm sewer; 3) 1 to 1-1/2 slope for sanitary sewer; 4) compliance with Tree Ordinance; and 5) compliance with Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:37 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning Commission had recommended approval of the site plan subject to several conditions which were outlined by Mayor Bissette. He said the erosion control plan has been submitted to the City Engineering Department. He said the development consists of office buildings to an existing complex. He said entry points to the complex have been oriented inwardly which will prove more effective for the development. He said the complex is located on commercially zoned property and is in compliance with all codes and ordinances of the City of Asheville. He said trees will be planted in compliance with the Tree Ordinance.

Stewart Coleman, with the R. L. Coleman Company, spoke in support of the development, stating that all ordinances and factors have been considered and will be in compliance.

Mayor Bissette closed the public hearing at 4:41 p.m.

Councilman Price moved to approve the Group Development Plan of the West Terrace Center on Patton Avenue subject to the recommendations of the Planning and Zoning Commission, with particular emphasis being placed on compliance of the Tree Ordinance on Druid Drive. This motion was seconded by Councilman Michalove and carried unanimously.

RESOLUTION NO. 87-11

C. Consideration of a resolution authorizing the City Manager of the City of Asheville to sign an application for grant funds from the North Carolina Arts Council.

HIGHLIGHTS: The North Carolina Arts Council and the Community Arts Council of Western North Carolina have funds available through the Grassroots Arts Program for arts programming. The Parks, Recreation, and Public Facilities Department wishes to promote the arts in the community through a July 4th Celebration, an ethnic arts festival, and arts projects for senior citizens. This grant request will be matched through existing in-kind staff services and requires no cash match by the City of Asheville. This resolution will authorize the City Manager to sign an application for grant funds in the amount of $3,200.00 from the North Carolina Arts Council and the contract for implementation of the arts project upon grant approval.

FISCAL IMPACT: $3,200.00 for arts in the community. In-kind expenses will be in the form of salaries for recreation program personnel. There will be no direct impact on present operating budget.

Resolution Book No. 16 - Page 261

RESOLUTION NO. 87-12

D. Consideration of a resolution reappointing member to the City of Asheville Board of Alcoholic Control. (J. W. Byers)

HIGHLIGHTS: The term of J. W. Byers expired on November 13, 1986. This resolution will reappoint Mr. Byers for a three (3) year term, term expiring November 13, 1989, or until his successor is duly appointed and qualified.

FISCAL IMPACT: None

Resolution Book No. 16 - Page 262

RESOLUTION NO. 87-13

E. Consideration of a resolution appointing member to the Asheville Transit Authority.

HIGHLIGHTS: This resolution will appoint Raymond F. Myers to fill the unexpired term of Brig. Gen. Walter J. Renfroe, term expiring December 31, 1990 or until his successor is duly appointed and qualified.

FISCAL IMPACT: None

Resolution Book No. 16 - Page 263

Mayor Bissette closed the public hearing at 4:48 p.m.

Vice Mayor Frank moved to approve the site plan of the M. B. Haynes Corporation located on Deaverview Road subject to the recommendations of the Planning and Zoning Commission. This motion was seconded by Councilman Tisdale and carried unanimously.

APPROVAL OF CONSENT AGENDA

8. Mayor Bissette said the followng items are of a routine nature, and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Councilman Price requested that Item E, resolution reappointing Frank Smith to the Metropolitan Sewerage District Board be removed from the Consent Agenda.

A. Consideration of a motion relative to bids received for a portable whole tree chipper.

HIGHLIGHTS: Sealed bids were invited to furnish one (1) Trailer Mounted Whole Tree Chipper for the Parks, Recreation and Public Facilities Department. Twenty-one (21) bid packages were mailed to prospective bidders, however, only one bid was received. This bid was from Morbark North Carolina, Inc., Raleigh, North Carolina. Specifications were clear and concise. Provisions were included in the bid that gave bidders an opportunity to make requests for approved equals; clarification of specifiations; exceptions to specifications and/or protest specifications.

FISCAL IMPACT: $12,939.00 - Funds for this purchase are from the Parks, Recreation and Public Facilities Department appropriations account code 20-500-0740.

B. Consideration of a motion relative to bids received for annual contract for Bituminous Concrete Materials (asphalt).

HIGHLIGHTS: Sealed bids were invited to furnish the City's annual requirement for Bituminous Concrete Materials (Asphalt) for force account re-surfacing the street repair. One bid was received. This bid was from APAC-Carolina, Inc., Asheville, North Carolina. The total bid is $4,862.50 less than last year. This represents a savings of over 3%. Clark Brown, Director of Public Works, has reviewed the bid and approved it for award.

FISCAL IMPACT: $156,875.00 - There are sufficient funds in the Street Division Budget to cover this cost.

capital funding from $962,000 to $1,032,000. The federal share will be $825,600. The state share will be $103,200, and the local share $103,200. This funding will allow the Asheville Transit Authority to purchase the radios and construct the parts room as originally proposed. A public hearing is required pursuant to UMTA regulations.

FISCAL IMPACT: This additional funding, if approved, will increase the capital funding from $962,000 to $1,032,000. The federal share will be $825,600; the state share will be $103,200, and the local share will be $103,200.

Upon motion of Councilman Price, seconded by Councilman Bratton, the Consent Agenda was unanimously approved.

RESOLUTION NO. _____ - RESOLUTION REAPPOINTING MEMBER TO THE METROPOLITAN SEWERAGE DISTRICT BOARD (FRANK SMITH)

9. Consideration was given to a resolution reappointing Frank Smith as a member of the Metropolitan Sewerage District Board.

Mayor Bissette said this resolution would reappoint Mr. Smith for a term of three years, term expiring on January 19, 1990, or until his successor is duly appointed and qualified.

Leah Karpen, with the League of Women Voters, said members of Council should give notice of all appointments to boards and commissions in order that other qualified individuals could serve on these boards. She questioned whether or not Council limits the number of terms an individual can serve on a particular board.

Mayor Bissette noted that the City Council has a general policy that an individual can serve two terms on a particular board; however, in certain circumstances, Council deviates from this policy.

Michael Patel, Chairman of the Waste Management Committee of the League of Women Voters, referring to the reappointment of Frank Smith, said he felt there is a lack of communication and accountability on the part of the Metropolitan Sewerage District Board members, who are appointed by elected officials but are not required to report back to those officials after the appointment is made. He said the Metropolitan Sewerage District Board makes decisions on major issues affecting the City, and these appointments should be carefully considered. Referring to the Metropolitan Sewerage District's decision to build a sewerage incinerator, Mr. Patel said the MSD members refused to appear at a public forum on the issue sponsored by the League of Women Voters. He said he felt there is a need for more interaction between the Metropolitan Sewerage District and the public because these issues affect all of the City of Asheville and Western North Carolina.

Rose McClure, Conservation Chairman of the Asheville Garden Club, referring to the Metropolitan Sewerage Districts decision to construct an incinerator rather than composting, said members of Council should address this issue thoroughly.

F. Consideration of a motion to schedule a public hearing relative to a site plan of Mountain View Condominiums to be located on Onteora Boulevard for February 17, 1987.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held January 14, 1987, reviewed a site plan of Mountain View Condominiums to be located on Onteora Boulevard. The site plan was prepared by Dobson Engineering for Fairway Realty Company, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to the following conditions: 1) compliance with Erosion Control Ordinance; 2) modify plan to provide for a minimum of 10' driveway extension to provide for backing out of the end parking spaces; 3) that developer seek approval of State in regard to the hydraulic calculations on the force main and ability of the gravity system to receive discharge; and 4) developer be required to comply with City's Buffering Ordinance with specific attention to the screening on Onteora Boulevard.

FISCAL IMPACT: None

G. Consideration of a motion to schedule a public hearing relative to a site plan of The Cloisters (Condominiums and Patio Homes) to be located on the Carmelite site on Fairway Drive for February 10, 1987.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held January 14, 1987, reviewed a site plan of The Cloisters (Condominiums and Patio homes) to be located on the Carmelite site on Fairway Drive. The site plan was prepared by Jensen Engineering for Nappier and Gunnells Properties, Inc., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to the following conditions: 1) compliance with Buffering Ordinance; 2) compliance with Erosion Control Ordinance; and 3) that the second entrance (Carmelite Drive into Ambler Road) be continually maintained for emergency use only and not used by project.

FISCAL IMPACT: None

H. Consideration of a motion scheduling a public hearing relative to the adoption of a resolution authorizing the filing of a grant amendment with the Department of Transportation, United States of America, under the Urban Mass Transportation Act of 1964, as amended for March 3, 1987.

HIGHLIGHTS: In December, 1986, the Asheville Transit Authority accepted bids approved by grant NC-90-X046. The bids received were well over the budgeted amount but were comparable to bids received in recent years. This amendment will authorize the Mayor to file a grant amendment application to increase the

APPROVAL OF FILING OF APPLICATION FOR GRANT FUNDS FROM THE NORTH CAROLINA DIVISION OF ARCHIVES AND HISTORY - HISTORIC RESOURCES COMMISSION

13. The City Manager said he had received a request from the Historic Resources Commission for Council's approval to authorize the Mayor to submit an application for grant funds to the North Carolina Division of Archives and History. He said this would allow the Historic Resources Commission an opportunity to continue the identification of historic individual properties in Asheville and for the nomination of these properties to the National Register of Historic Places. He said the deadline for filing the application is January 31, 1987. He said all properties sought for the nomination would be located in the City of Asheville. He said the Historic Resources Commission would be requesting $5,000 in the grant application and estimate that approximately $1,000 of the total expense could be considered as in-kind contributions, leaving $4,000 to be raised from City funds. He said these funds would not be appropriated until after the grant is awarded and in any case would not be expended until after July 1, 1987.

Councilman Michalove said he could not support the filing of the application for additional funds until he knows more about the total budget and work program of the Historic Resources Commission.

Several members of Council expressed concern relative to considering such actions without prior discussions.

After discussion, Vice-Mayor Frank moved to authorize the Mayor to file an application with the North Carolina Division of Archives and History for grant funds in the amount of $5,000. This motion was seconded by Councilman Price and carried on a voice vote of 4-3, with Councilman Michalove, Councilman Bratton, and Councilman Tisdale voting "no".

MAYOR BISSETTE - COMPLAINT FROM JOHN GREGG OF CAUSTIC SODA COMPANY - TRUCKS USING SHELBOURNE ROAD

14. Mayor Bissette said he had been contacted by John Gregg of the Caustic Soda Company relative to a hardship he is having by his trucks not being allowed to utilize Shelbourne Road.

After discussion, Council instructed that the City Manager look into the concerns of Mr. Gregg, and report back to members of Council.

Councilman Price said this is a major concern of the residents on Shelbourne Road, and requested that when this item is discussed by Council that Shelbourne Road residents be notified prior to Council taking any action on Mr. Gregg's request that his trucks be allowed to use Shelbourne Road.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Price, the meeting adjourned at 5:40 p.m.

MAYOR

CITY CLERK

Margaret Muller, referring to the reappointment of Mr. Smith, said she felt that whoever is on the Metropolitan Sewerage District Board should feel a real responsibility to report their actions to the Asheville City Council. She said, in her opinion, Council members should talk with Mr. Smith and other members of the Metropolitan Sewerage District Board to see what their feelings are on the current issue of a sewerage incinerator, and that members of Council should know much more about this issue before they decided who to appoint to this particular Board.

After discussion, Councilman Price moved to postpone action on the resolution reappointing Mr. Smith until members of Council could talk with Mr. Smith and other City appointees on the Metropolitan Sewerage District Board, and in order to give Mr. Smith an opportunity to respond to the concerns expressed during the meeting. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION NO. 87-14 - RESOLUTION APPOINTING MEMBER TO THE RECREATION BOARD FOR ASHEVILLE (MARVIN A. NOCKOW)

10. Consideration was given to a resolution appointing Marvin A. Nockow as a member of the Recreation Board for Asheville.

Mayor Bissette read the resolution stating that Marvin A. Nockow would be appointed a member of the Recreation Board for a three-year term, term expiring on June 30, 1989, or until his successor has been duly appointed and qualified.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, Resolution No. 87-14 was unanimously adopted.

Complete text of Resolution No. 87-14 will be found in Resolution Book No. 16 at Page 264.

CLAIMS - BOB ALEXANDER (PARKS) - PAT MARSHALL (WATER) - EVERETT TATE (SEWER) - T. W. PRITCHARD (WATER) - DAVID PRUDEN (SANITATION) - MEDFORD ROOFING (STREETS) - FRIENDLY APPLIANCE (STREETS) - QUALITY BAKERY (STREETS) - STEVENS PUB (STREETS)

11. The City Manager presented claims received from Bob Alexander, Pat Marshall, Everett Tate, T. W. Pritchard, David Pruden, Medford Roofing, Friendly Appliance, Quality Bakery and Stevens Pub.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

MAYOR BISSETTE - REQUEST OF ELKS LODGE ON HAYWOOD STREET FOR CABLEVISION SERVICE

12. Mayor Bissette said he had received a call from Jack McCurry with the Elks Lodge at 232 Haywood Street stating that he had been "stonewalled" by the Asheville Cablevision Company, and could not receive cablevision service.

Councilman Tisdale said it is his understanding that no other customers in the area wanted cablevision service, but he would talk to Asheville Cablevision again about this particular request.

approval in regard to flight paths and heights. He said the condition outlined by the Planning and Zoning Commission that there be a 50' natural buffer retained along the I-26 right-of-way had been resolved. He said the proposed warehouse facility meets all parking requirements and is in compliance with the Group Development section of the Zoning Ordinance.

Art Baden, representing Potter-Shackelford Construction Company, said plans have been submitted to the FAA in Atlanta, and there seems to be no problem with the plans. He said at the present time, there are no plans for signage; however, if the tenant desires to have signs, the sign package would be submitted to the Planning and Zoning Commission and Asheville City Council for approval.

Mayor Bissette closed the public hearing at 4:25 p.m.

Vice-Mayor Frank moved to approve the site plan of the proposed warehouse facility to be located on Fanning Bridge Road subject to the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Tisdale and carried unanimously.

RESOLUTION NO. 87-15 - RESOLUTION AUTHORIZING THE SALE OF CITY-OWNED PROPERTY LOCATED EAST OF INTERSECTION OF FANNING BRIDGE ROAD AND AIRPORT ROAD

3. Consideration was given to a resolution authorizing the sale of City-owned property located east of the intersection of Fanning Bridge Road and Airport Road.

Mayor Bissette said the City of Asheville received an offer in the amount of $325,000 for the purchase of a tract of land located east of the intersection of Fanning Bridge Road and Asheville Airport Road. No upset bids have been received, and this resolution will authorize the Mayor to execute a warranty deed conveying the property to Hart-Asheville Partnerships.

Mayor Bissette said the sale of this property was contingent upon: 1) the purchase price for the property shall be $325,000 cash at closing, said closing to be on or before the 1st day of April, 1987; 2) Hart-Asheville Partnership shall construct upon the property a distribution facility of approximately 290,000 sq. ft., construction to begin by December 31, 1987; 3) Hart-Asheville Partnership shall construct upon the property a water storage tank at an approximate cost of $125,000 with a storage capacity of not less than 200,000 gallons and a pump capable of reducing not less than 1,500 gallons per minute. Construction of the storage tank and pump is to commence by December 31, 1987; 4) the City shall, by contract, reserve the right to repurchase the property from Hart-Asheville Partnership if the partnership fails to commence construction of the distribution facility, water tank and pump by December 31, 1987.

Upon motion of Councilman Boland, seconded by Councilman Tisdale, Resolution No. 87-15 was unanimously adopted.

Complete text of Resolution No. 87-15 will be found in Resolution Book No. 16 at page 265 and 266.

Tuesday - February 3, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Kenneth Michalove

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - JANUARY 27, 1987 MEETING

1. Consideration was given to the approval of the minutes of the January 27, 1987, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PUBLIC HEARING - SITE PLAN - WAREHOUSE FACILITY - FANNING BRIDGE ROAD

2. A public hearing was held relative to a site plan of a proposed warehouse facility to be located on Fanning Bridge Road.

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held January 20, 1987, reviewed a site plan of a proposed warehouse facility to be located on Fanning Bridge Road. The site plan was prepared by Gray Engineering Consultants, Inc., for Potter-Shackelford Construction Company, both of Greenville, South Carolina and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to the following conditions: 1) that there be a 50' natural buffer retained along the I-26 right-of-way; 2) that the project comply with the City's Buffering Ordinance on the other three sides of the site; 3) that the developer resubmit the project at the appropriate time for any request to lessen or thin the 50' buffer, as well as resubmission of signage approval; 4) contingent upon FAA approval; 5) a definitive indication of access to the facility from Asheville Airport Road; and 6) compliance with Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:17 p.m.

Verl Emrick, Director of Planning, said the proposed project would consist of 290,000 sq. ft. of warehouse facility and an additional 120,000 sq. ft. anticipated for future development. He said the Planning and Zoning Commission recommended approval subject to several conditions. He said the North Carolina Department of Transportation was dissatisfied with the first plans that were submitted due to the radius into Asheville Airport Road. He said revised plans would be submitted to the North Carolina Department of Transportation. He said the plans were also submitted to the FAA for

Upon motion of Vice-Mayor Frank, seconded by Councilman Bratton, Resolution No. 87-17 was unanimously adopted.

Complete text of Resolution No. 87-17 will be found in Resolution Book No. 16 at page 267.

RESOLUTION NO. 87-18 - RESOLUTION APPOINTING MEMBER TO THE BOARD OF ADJUSTMENTS UNDER ORDINANCE NO. 322, AS AMENDED (ROBERT A. YORK)

6. Consideration was given to a resolution appointing Robert A. York as a member of the Board of Adjustments for a term of three years, term expiring on January 21, 1990.

Mayor Bissette read the resolution.

Upon motion of Vice-Mayor Frank, seconded by Councilman Bratton, Resolution No. 87-18 was unanimously adopted.

Complete text of Resolution No. 87-18 will be found in Resolution Book No. 16 at page 268.

RESOLUTION NO. 87-19 - RESOLUTION APPOINTING MEMBER TO THE BOARD OF ADJUSTMENTS UNDER ORDINANCE NO. 322, AS AMENDED (BARNEY P. WOODARD, JR.)

7. Consideration was given to a resolution appointing Barney P. Woodard, Jr., as a member of the Zoning Board of Adjustments for a term of three years, term expiring on January 21, 1990.

Mayor Bissette read the resolution.

Upon motion of Vice-Mayor Frank, seconded by Councilman Bratton, Resolution No. 87-19 was unanimously adopted.

Complete text of Resolution No. 87-19 will be found in Resolution Book No. 16 at page 269.

RESOLUTION NO. 87-20 - RESOLUTION APPOINTING MEMBER TO THE RECREATION BOARD FOR ASHEVILLE (BESS BAIRD)

8. Consideration was given to a resolution appointing Bess Baird as a member of the Recreation Board for Asheville for a term of three years, term expiring on June 30, 1989.

Mayor Bissette read the resolution.

Upon motion of Vice-Mayor Frank, seconded by Councilman Bratton, Resolution No. 87-20 was unanimously adopted.

Complete text of Resolution No. 87-20 will be found in Resolution Book No. 16 at page 270.

RESOLUTION NO. 87-21 - RESOLUTION APPOINTING MEMBER TO THE RECREATION BOARD FOR ASHEVILLE (CAROLYN TINGLE)

9. Consideration was given to a resolution appointing Carolyn Tingle as a member of the Recreation Board for Asheville for a term of three years, term expiring on June 30, 1989.

APPROVAL OF SALE OF DISPOSAL PARCELS 101, 102, 103, 108, 109, 177-A, 96-B.1 IN THE EAST RIVERIDE URBAN RENEWAL PROJECT AND THE EAST END/VALLEY STREET COMMUNITY IMPROVEMENT PROJECT

4. Consideration was given to a motion approving the sale of Disposal parcels 101, 102, 103, 108, 109, 177-A, 96-B.1 in the East Riverside Urban Renewal Project and the East End/Valley Street Community Improvement Project.

Mayor Bissette said the Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East Riverside Urban Renewal Project and the East End/Valley Street Community Improvement Project.

Parcel	Reuse	Price	Bid	Redeveloper
101	Residential	$ 5,500.00	$ 6,511.00	R & R Associates, Inc.
102	Residential	4,700.00	5,241.00	Carl and Annie Thompson
103	Residential	5,000.00	5,516.50	Leonard & Vera Williams
108	Residential	6,600.00	7,901.00	Ellen Gilchrist
109	Residential	6,400.00	7,051.00	Derek & Youlanda Hunting
177-A	Residential	1,500.00	1,500.00	Ann Hunting
96-B.1	Lt. Industrial	27,200.00	27,205.00	Thomas & Kay Finger

Disposal Parcel 101 of the East End/Valley Street Area is to be developed with single family home for resale. The eventual purchaser of the completed home will be able to obtain the Incentive Housing Subsidy.

Disposal Parcels 102, 103, 108, and 109 are located in the East End/Valley Street Area and are residential lot sales for single family structures under the Incentive Housing Program.

Disposal Parcel 96-B.1 is an industrial lot located in the East Riverside Project Area. The proposed development will consist of a 12,000 sq. ft. metal building designed for a metal finishing plant at approximately $250,000.00. The plant will employ 11 people.

Disposal Parcel 177-A is a substandard residential lot that is being sold to an adjacent owner.

note: Res. No. 87-16 inadvertently omitted.

Vice-Mayor Frank moved to approve the sale of Disposal Parcels 101, 102, 103, 108, 109, 177-A, 96-B.1 and the East Riverside Urban Renewal and the East End/Valley Street Community Improvement Project as recommended by the Housing Authority. This motion was seconded by Councilman Price and carried unanimously.

RESOLUTION NO. 87-17 - RESOLUTION REAPPOINTING MEMBER TO THE METROPOLITAN SEWERAGE DISTRICT BOARD (FRANK SMITH)

5. Consideration was given to a resolution reappointing Frank Smith as a member of the Metropolitan Sewerage District Board for a term of three years, term expiring on January 19, 1990.

Mayor Bissette read the resolution.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, the meeting adjourned at 4:50 p.m.

Mayor

City Clerk

Mayor Bissette read the resolution.

Upon motion of Vice-Mayor Frank, seconded by Councilman Bratton, Resolution No. 87-21 was unanimously adopted.

Complete text of Resolution No. 87-21 will be found in Resolution Book No. 16 at page 271.

RESOLUTION NO. 87-22 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE-BUNCOMBE COMMUNITY RELATIONS COUNCIL (GLENDA S. BURGIN)

10. Consideration was given to a resolution appointing Glenda S. Burgin as a member of the Asheville-Buncombe Community Relations Council for a term of three years, term expiring on December 31, 1989.

Mayor Bissette read the resolution.

Upon motion of Vice-Mayor Frank, seconded by Councilman Bratton, Resolution No. 87-22 was unanimously adopted.

Complete text of Resolution No. 87-22 will be found in Resolution Book No. 16 at page 272.

RESOLUTION NO. 87-23 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT BY AND BETWEEN THE CITY OF ASHEVILLE AND PACK PLACE EDUCATION, ARTS AND SCIENCE CENTER, INC.

11. Consideration was given to a resolution authorizing the Mayor to execute an agreement by and between the City of Asheville and Pack Place Education, Arts and Science Center, Inc.

The City Manager said this resolution would authorize the Mayor to enter into an agreement whereby the City shall advance to Pack Place the balance of $150,000 donation, plus accrued interest, and Pack Plaza Associates Ltd. Partnership to Pack Place in increments of $50,000. He said Pack Place shall present a full accounting to the City's Downtown Development Director, specifying to whom and for what purposes all amounts advanced by the City had been spent.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 87-23 was unanimously adopted.

Complete text of Resolution No. 87-23 will be found in Resolution Book No. 16 at page 273.

CLAIMS - HOME FURNITURE (STREETS) - NELLIE STITT (PARKS) - UNITED AUTO SALES (STREETS) - MICHELE EVANS (POLICE)

The City Manager presented claims received from Home Furniture, Nellie Stitt, United Auto Sales and Michele Evans.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

governmental entities relying on outlying communities for assistance in major fires. He said the Asheville Fire Department personnel did an excellent job in containing the fire to a small area.

Mayor Bissette thanked the agencies for their help and assistance and the Asheville Fire Department personnel for their professionalism in fighting this major fire.

Mayor Bissette read the resolution.

Upon motion of Vice-Mayor Frank, seconded by Councilman Tisdale, Resolution No. 87-24 was unanimously adopted.

Complete text of Resolution No. 87-24 will be found in Resolution Book No. 16 at page 274.

PUBLIC HEARING - ISSUANCE OF A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO BEAVER LAKE CAB COMPANY

4. A public hearing was held relative to the issuance of a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company.

Mayor Bissette said this action will authorize the City Manager to issue a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company pursuant to Section 24-34 of the Code of Ordinaces of the City of Asheville upon proof of financial responsibility in accordance with N. C. Gen. Stat Sec. 20-280 for the operation of three (3) additional cabs.

Mayor Bissette said this matter was discussed during the pre-Council work session and it was the consensus of Council to continue this public hearing for two weeks until a zoning issue relative to the location and operation of the taxi cab company is resolved.

Cecil Jackson, Attorney representing Mr. Paul Davis, petitioner for the Certificate of Public Convenience and Necessities, requested that the public hearing be postponed until a later date giving him an opportunity to review the problem with zoning in this particular area.

Verl Emrick, Director of Planning, presented a petition received from approximately 80 property owners in the area opposed to the Beaver Lake Cab Company operating on Woodrow Avenue in a residential neighborhood.

Councilman Michalove moved to continue the public hearing until February 24, 1987, without further advertisement. This motion was seconded by Councilman Tisdale and carried unanimously.

SITE PLAN OF THE CLOISTERS, CONDOMINIUMS AND PATIO HOMES - CARMELITE SITE ON FAIRWAY DRIVE

5. A public hearing was held relative to a site plan of The Cloisters (condominiums and patio homes), to be located on the Carmelite Site on Fairway Drive.

Tuesday - February 10, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and City Clerk William F. Wolcott, Jr.

Absent: Councilman Wilhelmina Bratton

INVOCATION

The invocation was given by Vice-Mayor Mary Lloyd Frank.

APPROVAL OF THE MINUTES - FEBRUARY 3, 1987 MEETING

1. Consideration was given to the approval of the minutes of the February 3, 1987, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - FEBRUARY 8 - 14, 1987, "NATIONAL SALUTE TO HOSPITALIZED VETERANS WEEK"

2. Mayor Bissette read a proclamation proclaiming February 8 - 14, 1987, as "National Salute to Hospitalized Veterans Week".

Mayor Bissette presented the proclamation to Bob Dawson, Director of VA Hospital, and James Fox, Chief of Voluntary Services.

RESOLUTION NO. 87-24 - RESOLUTION OF APPRECIATION TO AREA FIRE AND RESCUE AGENCIES

3. Consideration was given to a resolution of appreciation to area fire and rescue agencies.

Mayor Bissette said during the morning of January 22, 1987, Asheville firefighters were confronted with a major fire in the Globe Furniture Store in downtown Asheville. This resolution is to express sincere appreciation to Skyland Fire Department, Beaverdam Fire Department, Asheville Area Rescue Squad and Buncombe County's Emergency Operations Service for their help and assistance with the fire and for their unselfish dedication to the people of our City and surrounding communities.

Mayor Bissette recognized Chief Robert Griffin of the Skyland Fire Department, Lieutenant Carl Thorpe with the Beaverdam Fire Department, and John McDaris with the Buncombe County Emergency Medical Operations Service.

Chief Rukavina of the Asheville Fire Department said he appreciated the assistance given by the Skyland Fire Department in providing an aerial ladder, the Beaverdam Fire Department for providing standby services, and the Buncombe County Emergency Medical Operations Services for being at the scene in case of an emergency. He said the Sluder Furniture Company also provided shelter and coffee for the firefighters. He said this was a perfect example of

Doyle Freeman, of 93 Ambler Road, Vice-President of the Board of Directors, Beverly Hills Homeowners Association, commented that several members of the homeowners association had attended the meeting the developer had arranged for the residents in the area. He said after reviewing the project the homeowners association supported the project. He requested that Council initiate a study by the Planning and Zoning Commission of the portion of the property now zoned O-I and requested that property be rezoned to R-2 Residential District.

Thomas Maynard, property owner in the area, asked questions relative to buffering. He also requested that Council amend the group development section of the zoning ordinance to require that setbacks of units in group developments be required. He said he felt buildings should be setback a minimum of 50' along Ambler Road and Gladstone Road.

Mary Henson, of 39 Ambler Road, asked questions relative to the breakaway gate to be placed on Carmelite Drive that would be closed and impassable to all but emergency vehicles during construction and after the complex is completed.

Bill Barley, of 68 Fairway Drive, also requested that Council initiate a rezoning of the O-I property to an R-2 Residential District designation. He said the purpose for this rezoning would be alleviate more intense development of the property that could be placed in the O-I district.

John C. Young, Jr., of 271 Fairway Road, spoke to members of Council relative to the traffic patterns in this area. He said he felt the project would create traffic congestion. He said, in his opinion, the exit and entrance to the project should be from Swannanoa River Road.

Mr. Jensen showed a diagram of the road indicating the traffic patterns in the area.

Mayor Bissette closed the public hearing at 5:45 p.m.

Councilman Price moved for the approval of the site plan of The Cloisters to be located on the Carmelite site on Fairway Drive subject to the conditions outlined by the Planning and Zoning Commission, with particular emphasis being placed that on the small access road connecting with Ambler Road be closed and impassable to all but emergency vehicles during construction and after the complex is completed; plantings around the property, and that the City staff be instructed to follow up on the traffic patterns in the area, particularly at the access onto Swannanoa River Road and the circular portion of Fairway Drive relative to safety factors in the area. This motion was seconded by Councilman Michalove and carried unanimously.

Councilman Price then moved that City Council initiate, through the Planning and Zoning Commission, a zoning study of the portion of the property now zoned O-I and that the property be considered for an R-2 Residential District designation. This motion was seconded by Vice-Mayor Frank and carried unanimously.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held January 14, 1987, reviewed a site plan of The Cloisters (condominiums and patio homes) to be located on the Carmelite site on Fairway Drive. The site plan was prepared by Jensen Engineering for Nappier and Gunnells Properties, Inc., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to the following conditions: 1) compliance with Buffering Ordinance; 2) compliance with Erosion Control Ordinance; and 3) that the second entrance (Carmelite Drive into Ambler Road) be continually maintained for emergency use only and not used by the project.

Mayor Bissette opened the public hearing at 4:40 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this project was reviewed on two occasions by the Planning and Zoning Commission. He said the initial plans that were submitted consisted of 260 units of condominiums and patio homes. He said the initial plans were rejected by the Planning and Zoning Commission due to a topography problem which indicated that the density of the project should be reduced. He said the plans were resubmitted with the density reduced to 6.1 units which is in compliance with the R-2 Residential District. He said The Cloisters project now consists of 201 units, including 26 two-story condominium buildings with 6 units in each and 15 single-story patio home buildings with 3 units each.

By the use of a map, Mr. Emrick showed the location of the units on the property in question.

George Jensen, with Jensen Engineering, outlined the proposed project for members of Council. He said Nappier and Gunnells Properties, Inc. had just completed the Haywood Crossings project consisting of 70 units and has a good track record for developments in the City of Asheville. He outlined the details of The Cloisters project stating that the developer would refurbish the majority of the sewer lines in the area and a new water system would be installed. He said the developer would be preserving as many trees on the property as possible. He said grading would be within 20' of the property line. He said in order to comply with buffering requirements, white pine plantings would be placed around the project. He said the closest unit would be within 35' of the property line. He said the existing fence surrounding the property will be replaced with a 6' chainlink fence with a gate and lock accessing Carmelite Drive into Ambler Road to secure the property. He said this entrance would only be used for emergency vehicles. He said the only exit and entrance to the property will be Fairway Drive adjacent to the Bi Lo Shopping Center. He said all parking requirements will be in compliance with two spaces per unit. He said the complex will include two tennis courts, a swimming pool, a clubhouse, and a lot of green space. He said the condominiums will be priced in the neighborhood of $50,000 and the patio homes for sale for $60,000-80,000 and construction should begin in April.

Upon inquiry of members of Council, Mr. Jensen said the developer had attempted to meet with the Beverly Hills Homeowners Association; however, the residents had refused to meet with the developer.

HIGHLIGHTS: The City of the City of Asheville has decided to create an additional historic district for the City of Asheville. That district will be known as the Biltmore Village Historic District. The Montford Historic District is described and is regulated in Article 13 of Chapter 30 of the Code of Ordinances of the City of Asheville. The Chestnut-Liberty Historic District is described and is regulated in Article 14 of the Code of Ordinances. Since the provisions regulating the Districts should be identical, it would be more convenient to include all of the Districts in the same Article of the Code of Ordinances of the City of Asheville.

FISCAL IMPACT: None

Upon motion of Councilman Boland, seconded by Councilman Price, the Consent Agenda was unanimously approved.

REPORT RELATIVE TO ASHEVILLE CABLEVISION COMMISSION - COUNCILMAN TISDALE

7. Councilman Tisdale, Chairman of the Asheville Cablevision Commission, said during the Commission's meeting on February 9, it was reported that during 1986 a total of $110,537.13 was paid by Asheville Cablevision to the City of Asheville in franchise fees. He said this was an increase of $9,812.34 over 1985. He said Asheville Cablevision also paid Buncombe County $34,783.85 which was an increase over 1985 of $4,685.25. He said the Commission is continuing to meet a monthly basis and he was pleased with the construction and expansion of their services.

THOMAS MAYNARD - REQUEST FOR SETBACK REQUIREMENTS IN GROUP DEVELOPMENT

8. Thomas Maynard again requested that Council consider amending the Group Development Section of the Zoning Ordinance to provide for setback requirements.

After discussion, it was noted by members of Council that more detailed summaries be given to members of Council on actions taken by the Planning and Zoning Commission.

CLAIM - MICHELE EVANS (POLICE)

9. The City Manager presented a claim received from Michele Evans.

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES

9. Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville. He also spoke relative to the "gambling joint", Sister Sophia's, being moved from Biltmore Avenue into a church district.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Price, the meeting adjourned at 6:10 p.m.

Mayor

City Clerk

APPROVAL OF CONSENT AGENDA

6. Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

RESOLUTION NO. 87-25

A. Resolution authorizing the City Manager of the City of Asheville to sign a commitment of site facility use for the nutrition program for Older Americans at certain recreation centers.

HIGHLIGHTS: This resolution will authorize the City Manager to sign a commitment of site facility use for the nutrition program for Older Americans at Reid Memorial Recreation Center Senior Opportunity and West Asheville Recreation Center.

FISCAL IMPACT: Councilman Tisdale noted that the only cost involved in the use of recreation centers for nutrition programs would be for janitorial services. He said it was his understanding that this particular program would not create the need for additional janitorial services in recreation centers.

Resolution No. 16 - page 275.

B. Motion to schedule a public hearing relative to the Head of Montford Redevelopment Plan for March 3, 1987.

HIGHLIGHTS: The Asheville Planning and Zoning Commission certified the area to be a Blighted Redevelopment Area under N.C.G.S. 160A-500-526 on November 12, 1986. The plan was prepared by the Head of Montford Planning Committee and staff of the City Planning Department and Asheville Housing Authority. The plan was approved by the Asheville Housing Authority on January 13, 1987, and by the Asheville Planning and Zoning Commission on January 14, 1987.

FISCAL IMPACT: Cost of the entire Head of Montford Redevelopment Project is estimated at $17,326,058.00. The City has committed $688,000.00 in CDBG Funds to the project to date.

C. Motion to schedule a public hearing relative to amending Article 13 of Chapter 30 of the Code of Ordinances of the City of Asheville to create the Biltmore Village Historic District and to include the Chestnut-Liberty Historic District for February 24, 1987.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held January 14, 1987, reviewed a site plan of Mountain View Condominiums to be located on Onteora Boulevard. The site plan was prepared by Dobson Engineering for Fairway Realty Company, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to the following conditions: 1) compliance with Erosion Control Ordinance; 2) modify plan to provide for a minimum of 10' driveway extension to provide for backing out of the end parking spaces; 3) that developer seek approval of State in regard to the hydraulic calculations on the force main and ability of the gravity system to receive discharge; and 4) developer be required to comply with City's Buffering Ordinance with specific attention to the screening on Onteora Boulevard.

Mayor Bissette opened the public hearing at 4:18 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission reviewed and recommended approval of the Mountain View Condominiums to be located on Onteora Boulevard subject to several conditions. He said the Erosion Control Plans have been submitted to the State for approval; plans have been modified to provide for a minimum of a 10' driveway extension to provide for backing out of the end parking spaces; the State must approve the proposed water system; and the developer will be in compliance with the City's buffering ordinance by providing a 50' strip to be planted all around the project. He said the project will consist of 48 units in 12 buildings on 12 acres. He said two additional buildings are proposed for Phase II of the development. He said Phase II would require an additional public hearing and approval by Council. He said he had received necessary letters from government entities that water and sewer services are available and are adequate to service the project. He said during the review by Planning and Zoning the residents of the area expressed concern relative to the current and increased traffic congestion on Onteora Boulevard. He presented a letter from Mr. Putnam from the North Carolina Department of Transportation indicating that a traffic count was conducted on January 5, 1987 which showed 400 vehicles per day traveling Onteora Boulevard. He said according to the North Carolina Department of Transportation the proposed project would not place an undue burden on this particular street. He said it is estimated that with the construction of the 48 units two cars per unit would be added to the traffic on Onteora Boulevard. He said in order to comply with the Buffering Ordinance the developer is proposing to plant a tree every 40' on Onteora Boulevard.

Gary Pearson, representing Fairway Realty, developer, said the proposed project is located in the County but under the jurisdiction of the City since it is in the one mile extraterritorial jurisdiction. He said letters have been received from Steve Gentry, County Engineer, stating that water is available and is adequate to service the proposed project. He said he also has a letter from Bill Mull, from the Metropolitan Sewerage District, indicating that sewage facilities are adequate to service this project. He said all requirements of the group development ordinance have been met and all buffering requirements will be complied with by natural vegetation or planted landscaping.

Tuesday - February 17, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Wilhelmina Bratton.

APPROVAL OF THE MINUTES - FEBRUARY 10, 1987 MEETING

1. Consideration was given to the approval of the minutes of the February 10, 1987, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - FEBRUARY 23 - MARCH 1 - "SOUTHERN CONFERENCE BASKETBALL TOURNAMENT WEEK"

2. Mayor Bissette read a proclamation proclaiming February 23 through March 1 as "Southern Conference Basketball Tournament Week" in the City of Asheville.

Mayor Bissette presented the proclamation to Pat Smith, President of the Asheville Junior League, and Carolyn Moore, Chairman of the Southern Conference Junior League Committee.

RESOLUTION NO. 87-26 - RESOLUTION AUTHORIZING FREE PARKING AT METERED PARKING SPACES ON FEBRUARY 27, FEBRUARY 28, AND MARCH 1, 1987 FOR THE SOUTHERN CONFERENCE BASKETBALL TOURNAMENT

3. Consideration was given to a resolution authorizing free parking at metered parking spaces on February 27, February 28, and March 1, 1987 for the Southern Conference Basketball Tournament.

Mayor Bissette said this resolution will authorize free parking at all metered parking spaces on City streets and in City operated lots for the Southern Conference Basketball Tournament to be held February 27, February 28, and March 1, 1987.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 87-26 was unanimously adopted.

Complete text of Resolution No. 87-26 will be found in Resolution Book No. 16 at page 276.

PUBLIC HEARING - SITE PLAN OF MOUNTAIN VIEW CONDOMINIUMS - ONTEORA BOULEVARD

4. A public hearing was held relative to a site plan of Mountain View Condominiums to be located on Onteora Boulevard.

a letter from John Teeter, Manager of Pepsi-Cola Bottling Company, stating that Mr. Teeter had received numerous complaints from his employees who live in Oakley relative to the traffic, water, and sewer conditions in Oakley and that Council should consider these problems prior to approving another development for the Oakley area. He said they were also concerned that children only have one sidewalk to use when walking home from school.

Bob Pugh, Route 9, Box 306, Onteora Blvd., said there are problems in the area with sewer and water facilities. He said the residents experience overflowing sewers and low water pressures. He said the residents in Oakley do not want nor does not need apartments or condominiums in their neighborhood.

W. B. Taylor, Route 9, Box 498, 299 Onteora Blvd., said the present sewer system has never been maintained and is continuously causing problems for area residents. He said he was also opposed to any condominiums being constructed in the Oakley area.

Jackie Jones, Route 9, Box 308, Onteora Blvd., said the present sewer line has never been maintained or increased even with many connections being made. She said these problems need to be looked into and corrected for the individuals currently living in the neighborhood. She said the traffic in the area is terrible and three children have already been struck by vehicles. She spoke in opposition to a project which would increase the problems now faced by the residents in Oakley.

Carolyn Winder, Route 9, Box 299, Onteora Blvd., spoke in opposition to the proposed project due to the traffic problems currently existing in the neighborhood. She said her and her husband own property adjoining the proposed project on the south. She said Oakley school is overcrowded and the water and sewer facilities are inadequate. She expressed concern about the impact the development's drainage would have on their pasture land. She said the proposed project will pose a new problem for the small watershed in their area which has a small stream that runs through the developer's property and her property. She said they plan to use their land for pasture, livestock, horticulture, a fish pond and irrigation, registered with the Agricultural Extension Office as "crop land". She said this land would be faced with serious sedimentation problems during and after construction of this project even if a sedimentation control plan is implemented. She said the storm water from the project would contain dangerous chemicals in residue that would be harmful to their land, livestock, and fish. She said Council should advert this hazard and determine that the site is not appropriate for this development or, as a minimum, the developers must isolate their stormwater discharge from their property by means of a storm sewer or concrete channel or a similar device. She said there must be a permanent safety detention system.

Lester H. Reed, Onteora Blvd., spoke in opposition to the proposed project due to the current traffic congestion in the area and the increased traffic this project would bring to this neighborhood.

Bob Frizell, Route 9, Box 315, Onteora Blvd., said the concerns expressed relative to traffic, sewer, water, and school problems should be listened to and considered prior to approval of this project.

Pastor G. A. McCurry, 260 Fairview Road, owner of property at Onteora Blvd. and School Road, said the community has serious sewage and traffic congestion problems from Biltmore all through Oakley. He said Oakley School is

Larry Kimel, attorney representing the homeowners in the area, spoke in opposition to the project stating that the Oakley area is a traditional older neighborhood and not a transient area. He said there are very few multiple family dwellings in the area and the residents feel that the construction of the condominiums will change the character of the neighborhood. He said the residents recently petitioned the City Council to rezone the property to a R-1 Residential designation. He said there is currently traffic congestion in the Oakley area and the traffic count taken by the North Carolina Department of Transportation was conducted near the proposed project site rather than near the Oakley School where traffic is very dangerous. He said the proposed project would increase the traffic in the area from 20 to 25 percent. He said Oakley has become a conduit to River Ridge Mall and to the Interstate. He said traffic is constantly congested during pre-school and after-school hours at Oakley School. He said the congestion is mainly on Onteora Boulevard, School Road, and Liberty Street.

Mr. Kimel said even though the Metropolitan Sewerage District has indicated that there are adequate facilities to service the project, homeowners in the area presently have overflowing sewers. He said the system was built in the 1920's and the residents have requested that the North Carolina Department of Natural Resources and Community Development investigate the problems with sewers in the Oakley area. He said the residents in the area also have problems with adequate water pressure. He said even though the property is not in the City limits the property would be annexed within the next ten years and would be under the City's fire protection. He said the City should review the existing water pressure in regards to fire protection for the area. He said Oakley School is presently overcrowded and cannot handle additional students that would be generated from the proposed project.

Mr. Kimel said City Council recently approved another 48 single family project in the Oakley area which will also add to the problems in the Oakley area. He said Council should look into all these factors before making a decision on approving another project. He said public funds would have to be used to bring all the facilities to adequate standards.

Mr. Kimel said Council should also ensure that the developer will live up to the high standards of erosion control since the adjoining property owners will experience problems from the proposed project.

Leonard Jones, Rt. 9, Box 308, Onteora Blvd., spoke in opposition to the project stating the residents major concern is increased traffic in the area since it is congested around Oakley School at Onteora Blvd. and School Rd. He said the traffic count taken by the North Carolina Department of Transportation should have been taken near the school rather than at the dead end of the road where the project is proposed. He also commented about a project Council had recently approved consisting of 48 single family type dwellings. He said it was his understanding that concerns were expressed at that time relative to the adequacy of the water and sewer facilities. He said Oakley School is overcrowded and cannot handle additional students. He said the present sewer facilities are inadequate and are currently overflowing. He said the North Carolina Department of Natural Resources has been requested to look into the deplorable sewer problems in the area. He showed members of Council photographs of sewer lines in the area that were overflowing. He read

10' driveway extension to provide for backing out of the end parking spaces; 3) that developers seek approval of the State in regard to the hydraulic calculations on the force main and the ability of the gravity system to receive discharge; 4) developer will be required to comply with the City's buffering ordinance with specific attention to the screening on Onteora Boulevard; 5) that engineering drawings relating to water be submitted and approved by the City staff; 6) that the local State agency provide an on site review and approval of the sewerage disposal system. This motion was seconded by Councilman Price.

Councilman Boland questioned the overcrowding of Oakley School as criteria in disapproving a group development project.

Councilman Tisdale said Oakley School was also crowded seven years ago, but this was a consideration of the Buncombe County Commissioners and not the City Council.

Corporation Counsel Slawter said, in his opinion, overcrowding of a school could not be used as criteria for disapproval of a project as the Group Development Ordinance does not set forth standards for schools but only deals with the public safety, health and welfare of the community. He said he felt if Council used the overcrowding of a school as criteria for the denial of a project this would create legal problems.

On a voice vote of 6-1, Councilman Michalove's motion passed on a voice vote of 6-1 with Councilman Bratton voting "no".

Vice-Mayor Frank requested a report from the Buncombe County School System on the condition of Oakley School as it relates to overcrowding and fire protection.

Councilman Tisdale requested that the individuals expressing concerns with their water and sewer facilities contact the Water and Sewer Department in order that their problems can be resolved.

Mayor Bissette told the residents that Council appreciated their attendance. He said the proposed plan meets all technical requirements and the Council has to abide by the statutes in approving such projects. He said City Council would be working toward eliminating the water and sewer problems in the community, and that if the State agency finds there are sewer problems existing in connection with the proposed project, the project would be halted.

RESOLUTION NO. 87-27 - RESOLUTION AUTHORIZING THE MAYOR ON BEHALF OF THE CITY OF ASHEVILLE TO EXECUTE A THIRD AMENDMENT TO THE MASTER AGREEMENT BY AND AMONG THE CITY OF ASHEVILLE, THE COUNTY OF BUNCOMBE, AND SCHNEIDER NINE, INC.

5. Consideration was given to a resolution authorizing the Mayor on behalf of the City of Asheville to execute a third amendment to the Master Agreement by and among the City of Asheville, the County of Buncombe, and Schneider Nine, Inc.

Mayor Bissette said the City of Asheville, the County of Buncombe and Schneider Nine, Inc., (whose interest has been assigned to Pack Plaza Associates Limited Partnership) entered into a Master Agreement dated March 16, 1984, which was later superceded by an Agreement dated August 15, 1984 (the

overcrowded and cannot handle additional students. He said a project of this nature with the existing problems will be detrimental for the Oakley neighborhood.

Bonson Ramsey, 159 Onteora Blvd., spoke in oppostion to the project siting existing sewer problems and traffic congestion.

Mrs. Bob Frizell, Route 9, Onteora Blvd., spoke in opposition to the project siting problems with existing sewer lines that should be corrected prior to the approval of this project.

James D. Lowlery, Oakley School Rd., also spoke relative to the existing sewer problems.

Lester Free, Floyd Drive, spoke to members of Council relative to low water problems.

Jackie Rice, Floyd Drive, spoke in opposition to the project siting problems with overflowing sewers.

A discussion was held relative to the adequacy of the sewer facilities in the proposed area. Mr. Dobson, with Dobson Engineering Company, read letters from Steve Gentry, County Engineer, and Bill Mull, with Metropolitan Sewerage District, indicating that water and sewer services would be adequate to service the project. Vice-Mayor Frank said the concerns expressed by the residents are individual concerns and deal with the lateral sewer lines rather than the main sewer line which would service this proposed project. She said the proposed project would be subject to compliance with the Erosion Control Ordinance which should address some of the concerns expressed by the residents.

Upon inquiry of Councilman Michalove, Clark Brown, Director of Public Works, gave a report as to the condition of Onteora Boulevard, stating that this road has an average width of 22'. Mr. Pearson, with Fairway Realty, said the project is designed primarily for married couples and retired individuals who would not have large families that have children in school. He said the proposed purchase price of the condominiums would be between $50,000 and $55,000.

Mr. Michalove said he felt the concerns and problems expressed by the residents are separate and apart from the facilities that the proposed project would be using.

Mr. Pearson again spoke to members of Council, requesting approval of the project, stating that the developer had complied with all the requirements of the Group Development Ordinance, the Buffering Ordinance, and the Erosion Control Ordinance. He said he felt this was a well-designed plan that would be an asset to the Oakley neighborhood.

Larry Kimel again appealed to members of Council to consider the serious problems expressed by the residents in relation to the approval of this project.

Mayor Bissette closed the public hearing at 6:10 p.m.

Councilman Michalove moved to approve the site plan of the Mountain View Condominiums to be located on Onteora Boulevard subject to 1) compliance with the Erosion Control Ordinance; 2) modify plan to provide for a minimum of

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 87-29

A. **Resolution authorizing the Mayor to execute an amendment to the contract with the Asheville-Buncombe Community Relations Council.**

HIGHLIGHTS: The Community Relations Council has requested an additional $3,500 from the City to compensate for a delay in receiving a Fair Housing grant from HUD.

FISCAL IMPACT: Cost of $3,500 will be paid from existing Community Development Administration budget.

Resolution Book 16, page 279.

Resolution No. 87-30

B. **Resolution authorizing the City Manager to execute an agreement between the City of Asheville and Branch Banking and Trust Company (BB&T) for the purpose of participating in the Supplemental Retirement Income Plan of North Carolina.**

HIGHLIGHTS: The State of North Carolina has adopted the Supplemental Retirement Income Plan of North Carolina pursuant to which the State of North Carolina, its departments, agencies, and instrumentalities are authorized to provide a supplemental retirement income plan to conform with Section 401(k) of the Internal Revenue Code of 1954 as amended. The City of Asheville elects to participate in the Supplemental Retirement Income Plan of North Carolina for law enforcement officers and/or general employees. This resolution will allow the contributions through payroll deductions to the 401-K Plan.

FISCAL IMPACT: Approximately $2,000.00 Administration cost to modify payroll system. Also, State law requires 2% of salaries for police officers to be paid by the City effective July 1, 1987, and to be increased to 5% on July 1, 1988.

Resolution Book No. 16, page 280.

Resolution No. 87-31

C. **Resolution authorizing the Mayor to execute a supplemental agreement with the North Carolina Department of Transportation.**

HIGHLIGHTS: This supplemental agreement will provide for the installation of three (3) 22,000 lumen sodium vapor street

"Master Agreement"). The Master Agreement was clarified by an agreement dated December 18, 1984, and amended by two separate amendments dated September 18, 1986, and December 31, 1986. It is necessary to further amend certain provisions in the Master Agreement, specifically with regard to those terms and conditions pertaining to the Parking/Retail Garage Complex. This resolution will authorize the Mayor to sign the necessary third amendment to the Master Agreement by and among the City of Asheville, the County of Buncombe, and Schneider Nine, Inc. This amendment will provide that the City will purchase the Parking Garage property for $150,000.

Mayor Bissette said the resolution was previously presented to members of Council and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Upon motion of Councilman Michalove, seconded by Councilman Bratton, Resolution No. 87-27 was unanimously adopted.

Complete text of Resolution No. 87-27 will be found in Resolution Book No. 16 at page 277.

RESOLUTION NO. 87-28 - RESOLUTION DIRECTING THE CITY CLERK TO ADVERTISE AN OFFER FOR THE LEASE OF PROPERTY OWNED BY THE CITY OF ASHEVILLE AND KNOWN AS THE PROPERTY UNDERLYING THE PARKING/RETAIL GARAGE COMPLEX OF THE PACK PLAZA REDEVELOPMENT PROJECT

6. Consideration was given to a resolution directing the City Clerk to advertise an offer for the lease of property owned by the City of Asheville and known as the property underlying the parking/retail garage complex of the Pack Plaza Redevelopment Project.

Mayor Bissette said the City of Asheville has received an offer from Pack Plaza Associates Limited Partnership to lease the property underlying the proposed Parking/Retail Garage Complex of the Pack Plaza Redevelopment Project. The offer to lease the property is made upon certain terms and conditions set forth in a Ground Lease and includes specifically the condition that Pack Plaza Associates Limited Partnership construct and maintain the Parking/Retail Garage Complex upon the property. This resolution will direct the City Clerk to advertise a notice of the offer received from Pack Plaza Associates Limited Partnership to lease the property underlying the Parking/Retail Garage Complex of the Pack Plaza Redevelopment Project. This resolution will have no direct effect on the project, but will allow for the developer to construct a parking garage complex.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy would be furnished one at no cost.

Upon motion of Councilman Boland, seconded by Councilman Tisdale, Resolution No. 87-28 was unanimously adopted.

Complete text of Resolution No. 87-28 will be found in Resolution Book No. 16 at page 278.

APPROVAL OF CONSENT AGENDA

7. Consideration was given to a motion approving the Consent Agenda.

lights on the new Smith Bridge. The Department of Transportation has made provision for these lights in the design of the bridge, with the City being responsible for the monthly billing, once the lights are installed.

FISCAL IMPACT: The City is responsible for a one-time payment of $502.50 ($167.50 per light) to Carolina Power & Light Company for future maintenance of the lights, poles and wiring, as well as a monthly payment of $13.95 for electric service and pole rental. Funds are available in Account Code 10-426.0130, General Street Lighting, for these costs.

Resolution Book No. 16, page 281.

Upon motion of Councilman Michalove, seconded by Councilman Price, the consent agenda was unanimously adopted.

CLAIMS - LARRY BROWN (TRAFFIC ENGINEERING) - WILLIE CLEMMONS (PARKS) - WAYNE COULTER (STREETS) - JACK MCEWAN (SANITATION) - R. W. WAYCASTER (SEWER) - ANNE LAIRD (SEWER) - ALFREDA COOK (WATER)

8. The City Manager presented claims received from Larry Brown, Willie Clemmons, Wayne Coulter, Jack McEwan, R. W. Waycaster, Anne Laird, Alfreda Cook.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

MATTHEW BACOATE - COMMENT RELATIVE TO BOARDS AND COMMISSIONS

9. Matthew Bacoate told members of Council the Black community has formed a committee which has been functioning for about six weeks and working positively toward assisting Council in appointing individuals to boards and commissions. He said City Council should be hearing from the committee within the next three days.

ADJOURNMENT

Upon motion of Councilman Bratton, seconded by Councilman Price, the meeting adjourned at 6:35 p.m.

Mayor

City Clerk

Mayor Bissette said the City Council of the City of Asheville has decided to create an additional historic district for the City of Asheville. That district will be known as the Biltmore Village Historic District. The Montford Historic District is described and is regulated in Article 13 of Chapter 30 of the Code of Ordinances of the City of Asheville. The Chestnut-Liberty Historic District is described and is regulated in Article 14 of the Code of Ordinances. Since the provisions regulating the districts should be identical, it would be more convenient to include all of the districts in the same Article of the Code of Ordinances of the City of Asheville.

Mayor Bissette opened the public hearing at 4:20 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission had reviewed the recommendation of the Historic Resources Commission that Biltmore Village be included as a historic district.

Carolyn Humphries, Interim Executive Director of the Historic Resources Commission, presented the proposal that Biltmore Village be established as a historic district. She said this was the oldest planned community in Asheville, being established in 1890. She said this area is frequented by visitors and tourists, and with the direct help of the property owners in the area, this area could continue as a historic district. She said the majority of the property is currently on the National Historic Register, and more than one-half of the property owners in the area had signed a petition requesting that the area be designated as historical. She said two letters had been received from Tops Petroleum, west side of All Souls Crescent, and George Cecil, north side of Vanderbilt Road, requesting that their property be excluded from the boundaries proposed for the historic district. She said the Historic Resources Commission does not recommend that these properties be excluded. By the use of a map, Mrs. Humphries showed the areas requested to be excluded.

Robert C. Brady, of the Biltmore Manor Nursing Home, endorsed the proposed historic district, but questioned the proposed boundaries to be included in the historic district. He said he felt the area should be grossly expanded to take in additional areas or the small businesses on the perimeter should be allowed to be excluded.

Tom Steitler, Chairman of the Historic Resources Commission, spoke in favor of the ordinance. He introduced members of the Historic Resources Commission in attendance at the meeting.

Bob Gray, property owner and merchant in the Biltmore Village area, John Simmons Shop, said the Biltmore Village Merchants Association had met today and strong opinions, pro and con, were expressed. He said the merchants would like to know the mechanics of the ordinance as to what would be involved in the creation of the historic district. He said the merchants would like to see the area improved without intrusions. He said he felt a committee made up of area businessmen to review any requests, for or against a change in the Biltmore Village, would be a workable approach. He said the merchants would not be in favor of the ordinance if the area could not be changed for individual businesses relative to landscaping plans, acceptable signage or continued improvements. He said the Merchants Association and the property owners in the area would be opposed to unreasonable rules and regulations.

Tuesday - February 24, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Michalove introduced Major Taylor of the Salvation Army, who gave the invocation.

APPROVAL OF THE MINUTES - FEBRUARY 17, 1987 MEETING

1. Consideration was given to the approval of the minutes of the February 17, 1987, meeting.

Mayor Bissette said the minutes of the February 17, 1987, meeting were previously distributed to members of Council. He said questions had arisen from Oakley residents relative to their individual comments not being included in the minutes as it relates to the approval of the Mountain View Condominiums on Onteora Blvd. He said the Deputy City Clerk had been requested to summarize the individual comments made at that particular meeting, and the minutes would be considered at the March 3, 1987, meeting.

INTRODUCTION OF BOB YOUNG - SENATOR TERRY SANFORD'S OFFICE

Mayor Bissette introduced Bob Young, Representative from Senator Terry Sanford's office.

Mr. Young said Senator Sanford is pleased to locate his regional office in Asheville, which would be the contact office for 25 counties. He said this office would hear individual personal matters, as well as issues affecting the citizens of Western North Carolina and the surrounding counties. He said his office is willing to assist whenever possible on legislative issues. He said the office will be located in the main level of the Grove Arcade Building.

PROCLAMATION - FEBRUARY 22-28, 1987 - "NATIONAL RETAIL BAKERS WEEK"

2. Mayor Bissette read a proclamation proclaiming the week of February 22-28, 1987, as "National Retail Bakers Week."

Mayor Bissette presented the proclamation to Dotson Wright with the Rollin Pin Bakery.

PUBLIC HEARING - CREATION OF BILTMORE VILLAGE HISTORIC DISTRICT AND AMENDMENT TO ARTICLE 13, CHAPTER 30 OF THE CODE OF ORDINANCES TO INCLUDE THE CHESTNUT-LIBERTY HISTORIC DISTRICT

3. A public hearing was held relative to amending Article 13, Chapter 30 of the Code of Ordinances of the City of Asheville to create the Biltmore Village Historic District and to include the Chestnut-Liberty Historic District.

upon proof of financial responsibility in accordance with N.C. Gen. Stat. Sec. 20-280 for the operation of three (3) additional cabs. On February 10, 1987, this public hearing was continued until February 24, 1987, without further advertisement.

Mayor Bissette opened the public hearing at 5:10 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said as Council requested, an investigation was made of the history of zoning violations at the proposed location on Mt. Clare and Woodrow Avenue where the operation of the Taxicab Company is proposed. He said it was determined that a zoning violation was in operation at Mt. Clare and Woodrow Avenue, and that a letter was sent to Mr. Paul Davis on February 20, asking him to abate the zoning violation. He said it is his understanding that the taxicab operation has been moved to a site on Merrimon Avenue that is correctly zoned for a taxicab operation. He said no part of the taxicab operation can be conducted in a residential area or at the initial location on Mt. Clare and Woodrow Avenue. He said the Mt. Clare and Woodrow Avenue site, owned by Mr. Paul Davis, is established as a public facility and could only be used as a lot for storage of law enforcement agency vehicles and not as a commercial garage.

Cecil Jackson, Attorney representing Paul Davis, said the zoning violation had been abated, and the taxicab operation moved to a qualified location at 853½ Merrimon Avenue behind the Grace Restaurant. He said ample parking would be provided at this location with room for six taxicabs. He said Paul Davis had appeared before Council in September, 1986, requesting a Certificate of Public Convenience and Necessity for 12 taxicabs. He said at that time, affidavits from 10 persons were presented expressing a need for additional taxicabs in the City of Asheville. He said Mr. Davis desires to add three more cabs to his operation.

Susan Peterson, of 44 Woodrow Avenue, said she would be opposed to any commercial use at the Mt. Clare and Woodrow Avenue site, and would like to be assured that this site would not be used for the operation or maintenance of Paul Davis' taxicab company.

Gene Ellison, Attorney, said he was sure Mr. Davis would follow Council's decision on this particular request.

A discussion was held as to the location Mr. Davis would use for maintenance on his taxicabs.

Verl Emrick, Planning Director, said Mr. Davis would be unable to service his taxicabs at the Mt. Clare and Woodrow Avenue location.

Mayor Bissette reaffirmed Mr. Emrick's statement that Mr. Davis could not service his taxicabs at the Mt. Clare and Woodrow location; however, he said, Mr. Davis has the right to appeal that decision to the Board of Adjustments and to the Court systems.

Mayor Bissette closed the public hearing at 5:37 p.m.

Councilman Tisdale moved to approve Resolution No. 87-32 authorizing the issuance of a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company for the operation of three additional taxicabs from 853½

Carolyn Humphries, responding to Mr. Gray, said guidelines would be drawn up by community leaders. She said public hearings were held in the Biltmore Village in 1983 and during the fall of 1986 relative to the designation of the Biltmore Village as a historic district. She said guidelines from the Department of Interior would be used in dealing with any proposed changes in the area.

Mayor Bissette indicated that it would be a good idea for the Historic Resources Commission to meet with the Biltmore Village Merchants Association to again go over the proposed ordinance.

Richard Grant, representing property occupied by the U.S. Post Office, said they did not receive notice of the proposed historic district until two days ago. He requested that this property be excluded since there is no historical significance in the land or the building and is on the edge of the proposed district.

Ralph Bishop spoke in opposition to the proposed ordinance.

Chip Gould, Case and Company of Hendersonville, requested that the Biltmore Gulf Station in the triangle be excluded. He said it would be very difficult to restore a service station into historical property.

Ward Hendon, Attorney representing Biltmore Dairy Farms, requested that the area owned by Biltmore Dairy Farms, being the entrance to Biltmore Forest, formerly Lot 44, Sheet 2, currently part of Lot 86, Sheet 3, be excluded from the proposed district.

June Grant said she would request that anyone who would like to be excluded from a historic district be allowed to be removed.

Jim Coleman, County staff on the Historic Resources Commission, spoke in favor of the proposed ordinance. He said the commercial service area in the Biltmore Village is viable for the historic district. He said the Historic Resources Commission needs to be allowed to say whether or not the removal of a commercial building would affect a historic district. He said he felt some sort of control, reasonably exercised, would be warranted.

After discussion, Councilman Michalove moved to continue the public hearing for one week without further advertisement giving members of Council an opportunity to look at the actual boundaries as proposed and the parcels that were requested to be excluded. This motion was seconded by Councilman Boland and carried unanimously.

PUBLIC HEARING - CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO BEAVER LAKE CAB COMPANY

RESOLUTION NO. 87-32 - RESOLUTION AUTHORIZING THE ISSUANCE OF A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO BEAVER LAKE CAB COMPANY

4. A public hearing was held relative to the issuance of a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company.

Mayor Bissette said the City Manager will be authorized to issue a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company pursuant to Section 27-34 of the Code of Ordinances of the City of Asheville

Complete text of Resolution No. 87-34 will be found in Resolution Book No. 16 at page 284.

C. Motion to schedule a public hearing relative to a resolution authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended for March 31, 1987.

HIGHLIGHTS: This resolution will authorize the Mayor to file an application with the U. S. Dept. of Transportation to aid in financing the operating assistance of the Asheville Transit Authority pursuant to Sec. 9 of the Urban Mass Transportation Act of 1964. The project will be for the period of July 1, 1987, through June 30, 1988.

FISCAL IMPACT: The estimated net project cost is $1,216,827.00. Federal share is estimated at $608,413. The City of Asheville's share is estimated at $608,414.00.

RESOLUTION NO. 87-35

D. Resolution appointing a member to the Asheville-Buncombe Community Relations Council.

HIGHLIGHTS: This resolution will appoint Edward R. Schell, 12 Linden Avenue, Asheville, N.C., 28801, as a member of the Asheville-Buncombe Community Relations Council for a term of three (3) years, term expiring December 31, 1989.

Complete text of Resolution No. 87-35 will be found in Resolution Book No. 16 at page 285.

Upon motion of Councilman Boland, seconded by Vice-Mayor Frank, the Consent Agenda was unanimously approved.

MOTION REMANDING THE SITE PLAN OF THE SUNSET POINTE CONDOMINIUMS TO THE PLANNING AND ZONING COMMISSION

6. Vice-Mayor Frank moved to remand the group development plan of the Sunset Pointe Condominiums to the Planning and Zoning Commission for further review and recommendation. This motion was seconded by Councilman Price and carried unanimously.

RESOLUTION NO. 87-36 - RESOLUTION APPOINTING MEMBER TO THE BOARD OF EXAMINERS OF MOTION PICTURE OPERATORS (WILLIAM P. SUDDERTH)

7. Consideration was given to a resolution appointing William P. Sudderth to the Board of Examiners of Motion Picture Operators for a two year term, term expiring July 1, 1989.

Upon motion of Councilman Price, seconded by Councilman Michalove, Resolution No. 87-36 was unanimously adopted.

Complete text of Resolution No. 87-36 will be found in Resolution Book No. 16 at page 286.

Merrimon Avenue or any other location which complies with the Asheville Zoning Ordinance. This motion was seconded by Councilman Michalove and carried unanimously.

Complete text of Resolution No. 87-32 will be found in Resolution Book No. 16 at page 282.

APPROVAL OF THE CONSENT AGENDA

5. Consideration was given to a motion approving the Consent Agenda.

Mayor Bissette said the following items are of a routine nature, and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

RESOLUTION NO. 87-33

A. Resolution authorizing the Mayor to execute on behalf of the City of Asheville a Memorandum of Agreement for Community Development activities in the Montford Historic District.

HIGHLIGHTS: Funding for the Hill Street/Cherry Street (Montford) Community Redevelopment project includes Community Development Block Grant funds from the U.S. Department of Housing and Urban Development. The Montford Community is located within a Historic District which is listed in the National Register of Historic Places. As a result, activities undertaken in this district are subject to consultation by the State Historic Preservation under Section 106 of the National Historic Preservation Act of 1966. The Memorandum of Agreement identifies the mitigation and review requirements necessary prior to implementation of the Community Development activities proposed in the Montford neighborhood.

FISCAL IMPACT: Any cost will be borne by existing Community Development Administration and Historic Resources Commission operating funds.

Complete text of Resolution No. 87-33 will be found in Resolution Book No. 16 at page 283.

RESOLUTION NO. 87-34

B. Resolution authorizing the Purchasing Director to dispose of two (2) water storage tanks by sealed bids.

HIGHLIGHTS: The Water and Sewer Services Department has declared as surplus two (2) 30,000 gallon steel water storage tanks. The Director of the Water and Sewer Services Department has requested that these tanks be disposed of.

FISCAL IMPACT: Sale should produce approximately $7,000 to $10,000 in revenues.

Tuesday - March 3, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter E. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Rev. Tony Clarke-Sayer.

APPROVAL OF THE MINUTES - FEBRUARY 17, 1987 AND FEBRUARY 24, 1987 MEETINGS

1. Consideration was given to the approval of the minutes of the February 17, 1987 and February 24, 1987 meetings.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - MARCH 2-8, 1987 - "HI NEIGHBOR VOLLEYBALL WEEK"

2. Mayor Bissette read a proclamation proclaiming March 2-8, 1987 as "Hi Neighbor Volleyball Week" in the City of Asheville.

Mayor Bissette presented the proclamation to Ray Kisiah and Donnie Luke with the Asheville Volleyball Club.

PROCLAMATION - MARCH, 1987 - "YOUTH ART MONTH"

3. Mayor Bissette read a proclamation proclaiming March, 1987 as "Youth Art Month" in the City of Asheville.

Mayor Bissette presented the proclamation to Gail Roberts, Art Teacher at Aycock School.

PUBLIC HEARING - AUTHORIZING FILING OF GRANT AMENDMENT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964 AS AMENDED

4. A public hearing was held relative to the filing of a grant amendment with the Department of Transportation, United States of America, under the Urban Mass Transportation Act of 1964, as amended.

Mayor Bissette opened the public hearing at 4:25 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop spoke to members of Council relative to the lottery sales in the City of Asheville.

CLAIMS - ALFREDA COOK (WATER) - PAUL SAUZA (WATER) - KEVIN HORRELL (SEWER) - ELLEN FORD (STREETS)

The City Manager presented claims received from Alfreda Cook, Paul Sauza, Kevin Horrell, and Ellen Ford.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ANNOUNCEMENT OF CHARLES PENNEY - ASSISTANT CITY MANAGER

City Manager Doug Bean announced the appointment of Charles Penney as Asheville's new Assistant City Manager.

Mr. Bean said Mr. Penney is currently serving as Assistant City Manager for the City of Kinston, N.C., and that he will assume his duties in Ashevill some time in April.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Tisdale, the meeting adjourned at 5:50 p.m.

Mayor

City Clerk

On a roll call vote of 7-0, Ordinance No. 1633 passed on first and final reading.

Complete text of Ordinance No. 1633 will be found in Ordinance Book No. 11 at Page 109.

PUBLIC HEARING - HEAD OF MONTFORD REDEVELOPMENT PLAN

8. A public hearing was held relative to the Head of Montford Redevelopment Plan.

Mayor Bissette opened the public hearing at 4:34 p.m.

Mayor Bissette said the Asheville Planning and Zoning Commission certified the area to be a Blighted Redevelopment Area under N.C.G.S. 160A-500-526 on November 12, 1986. The plan was prepared by the Head of Montford Planning Committee and staff of the City Planning Department and Asheville Housing Authority. The plan was approved by the Asheville Housing Authority on January 13, 1987, and by the Asheville Planning and Zoning Commission on January 14, 1987. He said the cost of the entire Head of Montford Redevelopment Project is estimated at $17,326,058.00. The City has committed $688,000.00 in CDBG Funds to the project to date.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Julia Cogburn, with the Planning Department, said the redevelopment plan for the Head of Montford is the result of a two-year process which began with the Head of Montford Planning Forum, and the subsequent appropriation by Council of Community Development Block Grant Funds for redevelopment in the area. She said the plan has been prepared by the Head of Montford Planning Committee, a Committee of 14 individuals, a representative cross-section of the broader Montford community, which has worked many hours in conjunction with City and Housing Authority officials to produce the plan. She said the plan contains overall goals as follows: 1) Preserving the neighborhood's distinctive diversity to changing and upgrading the image of the neighborhood; 2) encouraging limited commercial development in the Hill Street/Cherry Street area; 3) improving and expanding the housing stock of the neighborhood yet avoiding an exodus of low income people from the neighborhood; 4) preserving the neighborhood's distinctive historic character; 5) providing improved landscaping, lighting and other amenities; 6) upgrading infrastructure as required; and 7) eliminating litter and dumping, wreckless driving, noise pollution, and public criminal behavior that threaten the safety of community residents and diminish their quality of life. She said as authorized in the North Carolina General Statutes, the project area was certified by the Asheville Planning and Zoning Commission to be a blighted redevelopment area which was adopted and approved by the Housing Authority of the City of Asheville, and was recommended to Council for approval by the Planning and Zoning Commission.

Julia Cogburn said the area addressed in the plan is known as the Head of Montford or Hill Street/Cherry Street area, but is also "Census Tract 2" in Asheville's U. S. Census Program. She said it is an approximately 300

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Carl Ownbey, with the Asheville Transit Authority, said in December, 1986 the Asheville Transit Authority accepted bids approved by grant NC-90-X046. The bids received were well over the budgeted amount but were comparable to bids received in recent years. This amendment will authorize the Mayor to file a grant amendment application to increase the capital funding from $962,000 to $1,032,000. The federal share will be $825,600. The state share will be $103,200, and the local share $103,200. This funding will allow the Asheville Transit Authority to purchase the radios and construct the parts room as originally proposed. A public hearing is required pursuant to UMTA regulations. He said this additional funding, if approved, will increase the capital funding from $962,000 to $1,032,000. The federal share will be $825,600; the state share will be $103,200, and the local share will be $103,200.

Mayor Bissette closed the public hearing at 4:28 p.m.

RESOLUTION NO. 87-37 - RESOLUTION AUTHORIZING THE FILING OF A GRANT AMENDMENT WITH THE NC DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

5. Carl Ownbey, with the Asheville Transit Authority, said this resolution would authorize the filing of the grant amendment for the federal share which would increase the federal funding from $769,600 to $825,600.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 87-37 was unanimously adopted.

Complete text of Resolution No. 87-37 will be found in Resolution Book No. 16 at Page 287.

RESOLUTION NO. 87-38 - RESOLUTION AUTHORIZING THE FILING OF A GRANT AMENDMENT WITH THE NC DEPARTMENT OF TRANSPORTATION FOR ADDITIONAL CAPITAL IMPROVEMENT FUNDS

6. Carl Ownbey, with the Asheville Transit Authority, said this resolution would authorize the filing of a grant amendment for the state share funding which would be increased from $96,200 to $103,200.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 87-38 was unanimously adopted.

Complete text of Resolution No. 87-38 will be found in Resolution Book No. 16 at Page 288.

ORDINANCE NO. 1633 - BUDGET ORDINANCE AMENDMENT INCREASING THE UMTA CAPITAL GRANT FUNDING

7. Carl Ownbey, with the Asheville Transit Authority, said this budget amendment would increase the UMTA capital grant allocation by $70,000.

Councilman Price moved for the adoption of Ordinance No. 1633. This motion was seconded by Councilman Boland.

acquisition of 262 parcels, and two parts of parcels to be acquired by the Housing Authority. She said the acquisition parcels were included because they were either vacant lots or Buncombe County tax lots, and are parcels that may need to be acquired in order to carry out the commercial, residential, or parkway development section of the plan. She said administration of the plan will be carried out by the Housing Authority as the City's redevelopment agency.

Upon inquiry of Councilman Bratton, Julia Cogburn said churches in the area would not be exempt or excluded from the proposed plan. She said the Hill Street Baptist Church would be included in the redevelopment plan, and would be required to meet all guidelines.

Councilman Boland noted that the plan would maintain and enhance the integrity of the existing neighborhood.

Richard Will of Fletcher, North Carolina, requested a building/ownership survey of properties in the Montford area, particularly for investment purposes.

Tony Clarke-Sayre of 30 Blake Street, and Chairman of the Montford Planning Committee, spoke in support of the redevelopment plan. He said there are many properties in the Montford area that are going downhill due to the lack of resources to renovate. He said this plan also gives an opportunity to turn 55 acres of vacant land into creative multi-family properties. He requested Council's adoption and implementation of the proposed plan.

Jim Cairnes of 209 Cumberland Avenue, President of the Montford Community Club, urged Council's support in adoption of the plan. He said he felt the City's support in providing Community Development Block Grant funding will also attract private investments.

Scott Dedman, Community Educator at Pisgah Legal Services, 89 Montford Avenue, spoke in favor of the plan. He said he was pleased with the major efforts in the plan for housing rehabilitation for low income and elderly residents which is seriously needed in the neighborhood. He said he felt the proposed commercial neighborhood zone would be very helpful to area residents.

June Grant, Real Estate Agent, said the proposed rezoning of the property in the Montford area is "down" zoning. She questioned whether or not the residents would be compensated for property values lost in the "down" zoning. She asked if the normal procedures such as advertising, posting of properties, and public hearings would be held prior to the rezoning.

Mayor Bissette informed Ms. Grant that all normal proceedings would take place prior to the rezoning of the properties.

Dorothy Arrowood of 126 Vance Crescent Street asked if more of the $17,000,000 allocated for street and sidewalk improvements during the bond issue would be used in the Montford area in proportion to other areas of the City. She said she objected to tax money being absorbed for an urban renewal area.

acre area located immediately north-west of the Asheville Central Business District, and is generally bounded by I-240 on the south, the French Broad River on the west, Riverside Cemetery, Birch Street and Chestnut Street on the north, and Broadway on the east. She highlighted the existing conditions in the area, including the topography, soils, structural housing conditions, street, sidewalk, water and sewer, and storm drainage conditions, social and economic indicators, existing zoning and land use, and a description of historic buildings in the area. She said according to a survey taken by the Building Inspections Division relative to the housing stock in the area, a total of 468 privately owned residential structures in "Census Tract No. 2," 33 or 7% are in standard condition, 336 or 71.8% are substandard, and 99 or 21.2% are considered severely substandard.

She said the proposed planned use for the redevelopment area includes neighborhood commercial areas, park and greenway areas, office institutional areas, and a light industrial area, and residential areas of varying densities. She said existing City and Housing Authority controls will be applied throughout the project. These controls include but are not limited to the Asheville Zoning Ordinance, group development and subdivision regulations, building codes, historic resources guidelines for the Montford Historic District, Department of Housing and Urban Development Secretary's Standards for rehabilitation of historic properties, and the Department of Interior Secretary's Standards for historic buildings and other applicable regulations. She said there are a few proposed zoning changes for the area in order to carry out the goals of the plan. She said most of the changes involve proposed rezonings, using existing districts under the City of Asheville Zoning Ordinance. She said it is further proposed that a new use district be created and added to the City of Asheville's Zoning Ordinance being Neighborhood Commercial District. She said it is also proposed that the boundaries of the local Montford Historic District be expanded to cover the entire redevelopment area with the exception of the Hillcrest Apartment area and the area west of 19-23 Highway. She said local Historic Resources Commission guidelines for the Montford community would apply within this expanded area.

She said the redevelopment plan consist of renewal activities including land acquisitions, relocation and demolition of structures on a very limited basis, infrastructure improvements, parks and greenway development, the encouragement of infill housing, selected multi-family and commercial development, and a heavy emphasis on restoration and rehabilitation of existing dwelling units. She said it is proposed that all water, sewer, storm drainage, and street and sidewalk inadequacies identified as existing conditions be addressed to correct all the inadequacies. She said it is also recommended that additional parkways be created along the French Broad River and Broadway, and that a new park be created with appropriate pathways, lighting, landscaping, and if feasible, a small lake be developed as part of the park. She said the plan proposes that a new housing development be encouraged in certain areas of the Head of Montford neighborhood. She said these areas would include Morrow Street, Jersey Street area, and an area at the southern portion of Flint Street. She said it also encourages the development of a neighborhood commercial facility at the southern most end of Montford Avenue, and that infill housing development be encouraged throughout the area. She said the plan provides for the

be a complicated process, and Council should have a clear understanding before adoption of such a plan. He said when plans of this nature are adopted, citizens seem to get apprehensive that the City is making a commitment toward every specific goal in the plan. This motion was seconded by Councilman Price.

Vice-Mayor Frank said since this project would be a slow gradual process, questions will continue to arise for many years. She said she could not support the motion to delay any action for the Montford area.

Councilman Boland said he would like to see substantial progress made in the Montford area since the area needs attention as soon as possible.

At the request of Mayor Bissette, Larry Holt explained the procedures for revisions and amendments. He said specific goals would be decided on annually, depending on funds available. He said in order to amend or revise the plan, it would require citizen imput and public hearings by the Housing Authority and City Council. He said the process to amend the plan is the same as to adopt the plan initially. He said the plan is long-term and there would probably be many changes before completion.

Councilman Tisdale said he did not feel further delays would be helpful, and that Council should go ahead with the adoption of the plan and make amendments in the future.

Dorothy Arrowood, of 126 Vance Crescent, said historic districts such as the Montford Historic District causes many property owners not to repair or restore their homes because of burdensome restrictions.

Upon inquiry of Councilman Price, Mr. Holt said federal rehabilitation guidelines are particularly strict on exterior dwellings but not so much on interior.

Upon inquiry of Mayor Bissette, Corportion Counsel Slawter quoted from the North Carolina General Statutes procedures that are required in amending a redevelopment plan.

On a voice vote of 6-1, Councilman Michalove's motion to continue the public hearing for two weeks failed.

Councilman Michalove asked questions relative to the specifics of the plan, particularly on the procedures to amend the plan in the future. He said he felt this creates very poor public relations when Council adopts a plan and changes or amends the plan in future years. He said he had previously asked for a report about the success and/or failures of the Montford Historic District and has not received that to date.

Councilman Tisdale moved that Council adjourn to executive session to discuss legal problems relative to the redevelopment plan. This motion was seconded by Vice-Mayor Frank and carried unanimously.

After reconvening, Mayor Bissette announced that there were some legal problems that need to be reviewed by the City Attorney and the Housing Authority attorney before the adoption of the plan.

Chris Peterson requested a breakdown of funding for the proposed plan. He objected to housing corporations being involved in the redevelopment plan or taxpayers having to pay the $17,000,000.

Julia Cogburn responded that funding principally would come from Community Development Block Grant, housing rehabilitation, and other grant funds, as well as private funding. She said there were no corporations involved in the redevelopment plan at this time.

Councilman Boland, responding to Mr. Peterson, said funding options for the project are still being explored. He said the City is not committing the $17,000,000 for the project by adoption of this plan. He said that is only a projected cost of implementing the overall goals. He said, in his opinion, the plan is directed in a way to prevent dislocation of families or businesses. He said the plan would have to be administered in a gradual, reasonable manner.

Councilman Price, also responding to Mr. Peterson, said this plan is similiar to the East End/Valley Street and East Riverside Urban Redevelopment area. She said this particular area is the next target area for the use of Community Development Block Grant Funds where needs are the greatest based on Federal guidelines.

Councilman Price reaffirmed that the proposed plan would take many years to implement.

Councilman Michalove said he was uncomfortable with the plan at this time since members of Council have not had ample opportunity to review the entire plan. He questioned procedures for future amendments.

Larry Holt, Deputy Executive Director of the Asheville Housing Authority, said provisions are included in the plan setting out procedures for amendments or revisions. He said the procedures for these revisions would require approval from the neighborhood residents, the Housing Authority, and the Asheville City Council.

Councilman Michalove said he would like to postpone action on this plan for at least one week, and would recommend that the Chairman of the Montford Planning Committee, a representative of the School Board, the Planning and Zoning Commission, the Recreation Advisory Board, the Montford Recreation Center, and the Historic Resources Commission meet with several members of Council in order to have a clearer understanding of how each board or commission involved in the plan views the specifics of the plan. He also commented that, to date, the City or the Montford Community Club does not have a housing corporation and it was his understanding that it would take about one year to begin a housing corporation for this area.

After discussion, Councilman Michalove moved to continue the public hearing without further advertisement for two weeks, giving the Council an opportunity to establish a group to meet with Council and get a better understanding on the redevelopment plan. He further stated that the group should consist of appropriate board and commission members that would be needed to implement the plan. He further stated that amending the plan would

Orange Street, Ward 2, Sheet 4, Lot 112 1/2, and this property is located on a street two blocks long with other parcels excluded. She said her request should not upset the pattern of Orange Street. She also presented a letter from John Carroll Associates requesting that 50 Orange Street be removed from the Chestnut-Liberty Historic District.

June Grant said during consideration of the Chestnut-Liberty Historic District, Council excluded the Highland Hospital property. She said all property owners who do not wish to be in a historic district should be allowed to be excluded. She presented a letter from Pearlie Brank of 20 Claxton Place, and Molly Wiebenson of 18 Claxton Place who requested to be excluded from the Chestnut-Liberty Historic District. She said Council's constant actions on properties is placing a hardship on realtors in selling real estate.

Betty Lawrence of 142 Hillside Street spoke in support of the ordinance to create the Biltmore Village Historic District as recommended by the Historic Resources Commission.

Chris Peterson, of 218 East Chestnut Street, also requested that his property be excluded from the Chestnut-Liberty Historic District.

Dorothy Arrowood presented a request from Helen McDaris of Merrimon Place who requested to be excluded from the Chestnut-Liberty Historic District.

Mayor Bissette closed the public hearing at 7:20 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety. He said any individual requesting a copy of the ordinance will be furnished one at no cost.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1634. This motion was seconded by Councilman Bratton.

Councilman Michalove again stated that he did not think the boundaries in the proposed Biltmore Village Historic District were consistent. Councilman Boland agreed.

On a roll call vote of 5-2, Ordinance No. 1634 passed on first reading with Councilman Boland and Councilman Michalove voting "no".

Mayor Bissette said the second reading of Ordinance No. 1634 will be held at the March 10, 1987 meeting.

Bob Gray, property owner and merchant in the Biltmore Village area, spoke in support of the ordinance stating that there were varying opinions from all merchants in the Biltmore Village area. He said it was easy for the merchants to see the advantages of the same theme being carried throughout the village. He said it is his understanding that a committee would be formed with property owners in the Biltmore Village allowed to determine the destiny of the village.

Councilman Tisdale moved to continue the public hearing for two weeks without further advertisement, giving the attorneys an opportunity to study possible legal problems involving the language of the plan. This motion was seconded by Vice-Mayor Frank and carried unanimously.

PUBLIC HEARING - AMENDING ARTICLE 13 OF CHAPTER 30 RELATIVE TO CREATING THE BILTMORE VILLAGE HISTORIC DISTRICT AND INCLUDING THE CHESTNUT-LIBERTY HISTORIC DISTRICT

ORDINANCE NO. 1624 - AN ORDINANCE AMENDING ARTICLE 13 OF CHAPTER 30 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO CREATE THE BILTMORE VILLAGE HISTORIC DISTRICT AND TO INCLUDE THE CHESTNUT-LIBERTY HISTORIC DISTRICT

9. A public hearing relative to amending Article 13 of Chapter 30 of the Code of Ordinances of the City of Asheville to create the Biltmore Village Historic District and to include the Chestnut-Liberty Historic District continued.

Mayor Bissette said the City Council of the City of Asheville has decided to create an additional historic district for the City of Asheville. That district will be known as the Biltmore Village Historic District. The Montford Historic District is described and is regulated in Article 13 of Chapter 30 of the Code of Ordinances of the City of Asheville. The Chestnut-Liberty Historic District is described and is regulated in Article 14 of the Code of Ordinances. Since the provisions regulating the Districts should be identical, it would be more convenient to include all of the districts in the same Article of the Code of Ordinances of the City of Asheville. This public hearing was continued from the February 24, 1987 meeting.

Mayor Bissette reopened the public hearing at 7:02 p.m.

Verl Emrick, Director of Planning, presented a map showing the difference between the National Historic District and the proposed Local Historic District. He also presented a map showing the location of the properties requested to be excluded from the Local Historic District.

Councilman Michalove said he had visited the proposed Local Historic District area and felt there were inconsistencies by the Historic Resource Commission in dealing with historic areas. He pointed out on the map what he felt to be inconsistencies.

Councilman Boland agreed with Councilman Michalove that the area proposed should be amended to delete properties such as the Tops Service Station, and other areas to the west of Hendersonville Road because they have no historic significance.

Vice-Mayor Frank said these outlying parcels are contributing areas, and the issue is not so much as how they look today but how they may look tomorrow when they are recycled.

Ann Cross, of Orange Street, said she had previously requested that her property be removed from the Chestnut-Liberty Historic District, and would like to reaffirm her request. She said her property is located at 18

RESOLUTION NO. 87-41

C. Consideration of a resolution authorizing the City Manager to execute on behalf of the City of Asheville a Ground Lease by and between the City of Asheville and Pack Plaza Associates Limited Partnership for the Parking/Retail Garage Complex of the Pack Plaza Redevelopment Project.

HIGHLIGHTS: The City of Asheville received an offer from Pack Plaza Associates Limited Partnership to lease the property underlying the proposed Parking/Retail Garage Complex of the Pack Plaza Redevelopment Project described in the Notice of Intent and in that agreement known as the Master Agreement dated August 15, 1984. The offer to lease the property was made upon certain terms and conditions set forth in the Ground Lease and included specifically the condition that Pack Plaza Associates Limited Partnership construct the Parking/Retail Garage Complex upon the property and maintain the Parking/Retail Garage Complex.

FISCAL IMPACT: The third amendment to the Master Agreement by and between the City of Asheville and Pack Plaza Associates Limited Partnership provided that the City purchase the property underlying the Parking/Retail Garage Complex for $150,000. In addition, it provided that the City would lease the property to Pack Plaza Associates Limited Partnership and require that the Partnership construct the Parking Garage on that property. The cost to construct the Parking Garage Complex is included in the Pack Plaza Redevelopment Project budget.

Resolution Book 16 Page 292

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, the Consent Agenda was unanimously adopted approved.

CLAIMS - BOBBY DYKES (SEWER) - DAN FREEMAN (WATER)

10. The City Manager presented claims received from Bobby Dykes (Sewer) and Dan Freeman (Water).

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

APPROVAL OF THE CONSENT AGENDA

10. Consideration was given to the approval of the consent agenda.

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

RESOLUTION NO. 87-39

A. Consideration of a resolution adopting a policy for mutual assistance with other law enforcement agencies.

HIGHLIGHTS: This resolution will authorize the Chief of Police to enter into mutual assistance arrangements with other municipal and county law enforcement agencies.

FISCAL IMPACT: None

Resolution Book No. 16 page 289.

RESOLUTION NO. 87-40

B. Consideration of a Resolution of Intent to close George Washington Carver Avenue, Haid Street, Gully Street, portions of Max Street, Knob Street and Grail Street and an unnamed alley and scheduling a public hearing for April 7, 1987.

HIGHLIGHTS: A petition has been filed by The Housing Authority of the City of Asheville requesting that certain streets and a public alley be permanently closed to public use. The streets and public alley are under the sole and exclusive authority and control of the City of Asheville and are not under the authority and control of the North Carolina Department of Transportation. The permanent closing of these streets and public alley would not be either detrimental to or contrary to the public interest or the property rights of any individual. By permanent closing of these streets and public alley, no individual owning property in the vicinity would be deprived of ingress and egress to his property.

Resolution Book 16 page 290

Tuesday - March 10, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - MARCH 3, 1987 MEETING

1. Consideration was given to the approval of the minutes of the March 3, 1987, meeting.

Mayor Bissette noted that Councilman Michalove had requested several additions to the minutes which had been submitted to the Deputy City Clerk.

Mayor Bissette announced the approval of the minutes as amended.

ORDINANCE NO. 1634 - AN ORDINANCE AMENDING ARTICLE 13 OF CHAPTER 30 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO CREATE THE BILTMORE VILLAGE HISTORIC DISTRICT AND TO INCLUDE THE CHESTNUT-LIBERTY HISTORIC DISTRICT

2. Consideration was given to the second reading of Ordinance No. 1634, an ordinance relative to amending Article 13 of Chapter 30 of the Code of Ordinances of the City of Asheville to create the Biltmore Village Historic District and to include the Chestnut-Liberty Historic District.

Mayor Bissette said the City Council of the City of Asheville has decided to create an additional historic district for the City of Asheville. That district will be known as the Biltmore Village Historic District. The Montford Historic District is described and is regulated in Article 13 of Chapter 30 of the Code of Ordinances of the City of Asheville. The Chestnut-Liberty Historic District is described and is regulated in Article 14 of the Code of Ordinances. Since the provisions regulating the Districts should be identical, it would be more convenient to include all of the Districts in the same Article of the Code of Ordinances of the City of Asheville. This public hearing was continued from the February 24, 1987 meeting. This ordinance passed first reading at the March 3, 1987 meeting.

Mayor Bissette said this ordinance was previously read on first reading and will not be reread in its entirety. He said any individual requesting a copy of the ordinance will be furnished one at no cost.

Ralph Bishop spoke in opposition to the ordinance, and requested a copy of Ordinance No. 1634.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Tisdale, the meeting adjourned at 7:45 p.m.

MAYOR

CITY CLERK

APPROVAL OF THE CONSENT AGENDA

4. Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

RESOLUTION NO. 87-42

A. **Resolution authorizing a $2,000 "Fair Share" contribution by the City of Asheville to the State and Local Legal Center.**

HIGHLIGHTS: The State and Local Legal Center was created in 1973 by the National League of Cities, the Council of State Governments, International City Management Association, National Association of Counties, National Conference of State Legislatures, National Governors' Association, and U. S. Conference of Mayors. The center articulates city issues in cases before the U. S. Supreme Court, providing its services at no charge. The center requires financial support from cities, states and counties if it is to continue its efforts on their behalf. Cities are being asked to make a one time payment with the amount based upon population. Cities with populations between 50,000 and 100,000 are being asked to contribute $2,000.

FISCAL IMPACT: One-time payment of $2,000.00. Sufficient funds are available in the Legal Services Division budget.

Resolution Book 16 - Page 293

B. **Motion relative to bids received for a radio communications system for the Asheville Transit Authority.**

HIGHLIGHTS: Sealed bids were invited to furnish the Asheville Transit Authority with a radio communications system consisting of 31 bus communication packages; 1 central dispatch console; 1 base station and 9 supervisory and maintenance radio packages. One bid was received. This bid was from Motorola Communications and Electronics, Inc. in Asheville.

FISCAL IMPACT: $99,448.00 - This purchase is approved by UMTA Project No. NC-90-X046 and funding to be from Account No. 67-916-0740.

Neil Meyer said he had recently purchased the Tops Service Station in Biltmore, and requested that this property be excluded from the Biltmore Village Historic District. He said he was concerned that he could not adhere to the Historic Resources Commission guidelines. He said he proposes to renovate the service station into the country store look, and was optimistic that what he has planned will blend with the Biltmore Village theme. He also requested a copy of Ordinance No. 1634.

Mayor Bissette suggested that Mr. Meyer talk with the Director of Historic Resources Commission relative to guidelines for remodeling the Tops Service Station. He said it is Council's desire that all guidelines be reasonable.

On a roll call vote of 5-2, Ordinance No. 1634 passed on second reading.

Councilman Michalove noted that he voted "No" on Ordinance No. 1634 because he felt the current district, as proposed, goes beyond the historic district. He said the historic district boundary should be at the Hendersonville Road line. He said if it is Council's desire to have a historic district that is to be developed for the future, then he felt the proposed district is not large enough and should go to I-40.

CAPITAL IMPROVEMENT PLAN FOR FISCAL YEAR 1987-88 - APPROVAL

3. Consideration was given a motion approving the Capital Improvement Plan for Fiscal Year 1987/88.

Mayor Bissette said the City Council of the City of Asheville has recognized the need to provide funding to address long range capital needs of the City. The Capital Improvement Plan for Fiscal Year's 1987/88 through 1992/93 as presented to City Council on March 10, 1987 recognizes both the funding sources and the capital needs of the City. He said the Capital Improvement Plan provides funding for said needs in the amount of $72,896,558 for the period Fiscal Year 1987/88 through Fiscal Year 1992/93.

Mayor Bissette noted that the Capital Improvement Plan is a balanced six-year plan that anticipates virtually every capital need the City will have for the next six years and also allocates revenues for each of those expenditures. He said Asheville has, in the past, used an annual capital budget that has met the immediate needs of the City but has not promoted long-range planning for the replacement of vehicles, buildings, and other City-owned property. He said the plan includes street and sidewalk improvements to be budgeted with the $17,000,000 in bond funds, vehicles, fire trucks, renovation of the City Hall Building, a new Public Works complex and municipal building, and a new radio communication system, as well as a number of improvements to the City's Parks and Recreation system. He said members of Council previously reviewed the plan in detail.

Vice-Mayor Frank moved to approve the Capital Improvement Plan for Fiscal Year 1987/88. This motion was seconded by Councilman Michalove and carried unanimously.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

7. Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

JOHNNY WALSH - REQUESTING STATEMENT FROM MAYOR

8. Johnny Walsh spoke to members of Council relative to his attendance at a Crime Prevention Commission Meeting, and requested a statement from the Mayor prior to his being subpoenaed as a hostile witness.

CLAIMS - THEODORE CREASMAN (POLICE) - CHARLIE FOX (WATER) - JIMMY SULLIVAN (WATER)

9. The City Manager presented claims received from Theodore Creasman, Charlie Fox, and Jimmy Sullivan.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Boland, the meeting adjourned at 4:45 p.m.

MAYOR

CITY CLERK

C. **Motion to schedule a public hearing relative to rezoning Lot 93, Sheet 55, Ward 7 from R-5 Residential District to CS Commercial Service District for March 31, 1987.**

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held February 18, 1987, considered the petition of Mr. George Morosani, Agent for Mr. David Knapp, Owner, that Lot 93, Sheet 55, Ward 7, be rezoned from R-5 Residential District to CS Commercial Service District. The property is located off Sweeten Creek Road. After review and discussion, the Commission voted to recommend to City Council that Lot 93, Sheet 55, Ward 7, be rezoned from R-5 Residential District to CS Commercial Service District.

FISCAL IMPACT: None

D. **Motion relative to bids received for automobiles and trucks for the Asheville Police Department and Public Works Department.**

HIGHLIGHTS: Sealed bids were invited to furnish twelve (12) Patrol (blue and white), five (5) Unmarked Police Vehicles, one (1) full size station wagon and one (1) mid size station wagon for the Police Department and three (3) 1/2 ton pick-up trucks for the Public Works Department. It is recommended to award this bid to Matthews Ford, Inc. for the cars and to Carolina Truck & Body Company for the trucks.

FISCAL IMPACT: Funding in FY 1986-87 Capital Budget. Amount budgeted Police - $240,729.00 - Public Works - $30,000.00

Upon motion of Councilman Boland, seconded by Councilman Price, the Consent Agenda was unanimously approved.

GEORGE E. BANCROFT ELECTED TO CIVIL SERVICE BOARD

5. The City Manager presented the Certification of the Board of Canvassers for the Asheville Civil Service Board, stating that at an election held on March 5, 1987, the City employees elected George Bancroft as a member of the Civil Service Board.

REQUEST FOR PARADE PERMIT - BUNCOMBE COUNTY VETERANS COUNCIL

6. Robert E. Waldrup with the Buncombe County Veterans Council requested a parade permit for a Veterans Day Parade on November 11, 1987.

Mayor Bissette informed Mr. Waldrup that the City staff would be in contact with him relative to the parade permit.

Upon motion of Councilman Price, seconded by Vice-Mayor Frank, Resolution No. 87-43 was unanimously adopted.

Complete text of Resolution No. 87-43 will be found in Resolution Book No. 16 at page 294.

PUBLIC HEARING - HEAD OF MONTFORD REDEVELOPMENT PLAN

RESOLUTION NO. 87-45 - RESOLUTION APPROVING THE REDEVELOPMENT PLAN FOR THE HEAD OF MONTFORD/HILL STREET/CHERRY STREET REDEVELOPMENT AREA

3. A public hearing relative to the Head of Montford Redevelopment Plan continued.

Mayor Bissette said the Asheville Planning and Zoning Commission certified the area to be a Blighted Redevelopment Area under N.C.G.S. 160A-500-526 on November 12, 1986. The plan was prepared by the Head of Montford Planning Committee and staff of the City Planning Department and Asheville Housing Authority. The plan was approved by the Asheville Housing Authority on January 13, 1987, and by the Asheville Planning and Zoning Commission January 14, 1987. This public hearing was continued from the March 3, 1987 meeting. He said the cost of the entire Head of Montford Redevelopment Project is estimated at $17,326,058.00. The City has committed $688,000.00 in CDBG Funds to the project to date.

Julie Cogburn, with the Planning Department, summarized changes in the Redevelopment Plan in response to questions raised at the March 3, 1987 meeting. She said the proposed amendment outlines in detail what is to be done relative to project activity, acquisition, and funding in the first year plan.

Upon inquiry of Councilman Bratton, Larry Holt defined major and minor revisions as land use changes and major expenditures which would require approval from the Montford Community Club, The Housing Authority, and the Asheville City Council. He said, for example, the acquisition of an additional piece of property, utility changes and infrastructure changes would be authorized by the Housing Authority as minor revisions.

Upon inquiry of Councilman Tisdale, Julie Cogburn said there were no owner/occupied dwellings to be acquired in the first year plan.

Councilman Michalove noted that the three-page report, as summarized by Julie Cogburn, would be attached to the resolution as Attachment A.

Ralph Bishop spoke in opposition to the Redevelopment Plan.

Ernie Thurston, with the Montford Planning Committee, thanked members of Council and the City staff for their time and effort in developing the Redevelopment Plan.

Jim Cairnes of 209 Cumberland Avenue requested unanimous support of the Head of Montford Redevelopment Plan.

Clarence Benton of Courtland Place spoke to members of Council stating that he had not been contacted by any of the Montford Planning Committee

Tuesday - March 17, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

At the request of Councilman Tisdale, the audience stood for the Pledge of Allegiance to the Flag. The invocation was given by Councilman Tisdale.

APPROVAL OF THE MINUTES - MARCH 10, 1987 MEETING

1. Consideration was given to the approval of the minutes of the March 10, 1987 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

RESOLUTION NO. 87-44 - RESOLUTION IN MEMORIAM OF HARRY W. CLARKE

1a. Consideration was given to a resolution in memoriam of Harry W. Clarke expressing Council's sorrow over his recent passing.

Mayor Bissette read the resolution.

Upon motion of Vice-Mayor Frank, seconded by Councilman Tisdale, Resolution No. 87-44 was unanimously adopted.

Complete text of Resolution No. 87-44 will be found in Resolution Book No. 16 at page 295.

RESOLUTION NO. 87-43 - RESOLUTION COMMENDING ASHEVILLE HIGH SCHOOL FOR ITS PARTICIPATION IN THE INTERNATIONAL EXCHANGE PROGRAM AND RECOGNIZING THE FOREIGN EXCHANGE STUDENTS AND TEACHER FROM JAPAN, FRANCE, GERMANY, NORWAY, AND JORDAN THAT ARE PARTICIPATING IN THE PROGRAM

2. Consideration was given to a resolution commending Asheville High School for its participation in the International Exchange Program and recognizing the foreign exchange students and teacher from Japan, France, Germany, Norway, and Jordan that are participating in the program.

Mayor Bissette read the resolution.

Mr. Sherrill, Principal of Asheville High School, introduced the instructor from Kofu Junior High School, Kofu, Japan. The instructor introduced the students, and Mayor Bissette presented each student with a welcome letter and a copy of the resolution.

Mayor Bissette said the City Council of the City of Asheville has decided to create an additional historic district for the City of Asheville. That district will be known as the Biltmore Village Historic District. The Montford Historic District is described and is regulated in Article 13 of Chapter 30 of the Code of Ordinances of the City of Asheville. The Chestnut-Liberty Historic District is described and is regulated in Article 14 of the Code of Ordinances. Since the provisions regulating the Districts should be identical, it would be more convenient to include all of the Districts in the same Article of the Code of Ordinances of the City of Asheville. This ordinance passed first reading at the March 3, 1987 meeting and second reading at the March 10, 1987 meeting.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety.

Mayor Bissette said he had received comments from property owners and tenants in the Biltmore Village area requesting that the Local Historic Committee be made up from broad based representation, including merchants and property owners in the Biltmore area. He requested that Council members be notified of the potential members of the Local Historic Committee.

Ralph Bishop spoke in opposition to the ordinance.

_____, member of the Historic Resources Commission, invited Council to the Preservation Society Meeting at 7:30 p.m. on March 18, 1987, on the Lord Auditorium relative to a update on the Montford Historic area.

On a roll call vote of 5-2, Ordinance No. 1624 passed on third and final reading, with Councilman Michalove and Councilman Boland voting "no".

Complete text of Ordinance No. 1624 will be found in Ordinance Book No. 11 at Page 110-125.

RESOLUTION NO. 87-46 - RESOLUTION OF INTENT TO CLOSE AN UNNAMED ROAD BETWEEN PATTON AVENUE AND OLD HAYWOOD ROAD AND CALLING A PUBLIC HEARING ON QUESTION FOR APRIL 28, 1987

5. Consideration was given to a Resolution of Intent to close an unnamed road between Patton Avenue and Old Haywood Road, and calling a public hearing on the question for April 28, 1987.

Mayor Bissette said a petition has been filed by Mary R. Thrash, owner of property adjoining an unnamed roadway, between Patton Avenue and Old Haywood Road, asking that said unnamed road adjoining lots 1-3/4 and 89 of Ward 5, Sheet 24, and lots 72 and 73 of Ward 5, Sheet 29, of the Buncombe County Tax Maps be permanently closed to public use. The unnamed roadway is under the sole and exclusive authority and control of the City of Asheville and is not under the control and authority of the North Carolina Department of Transportation. The permanent closing of said unnamed roadway will not be either detrimental to or contrary to the public interest or the property rights of any individual and no individual owning property in the vicinity of the unnamed roadway will, by the permanent closing of the roadway be deprived of reasonable means of ingress and egress to his property.

members or the City staff relative to the Redevelopment Plan. He questioned how many residents would be required to be relocated under this plan. He also stated that he felt when residences were demolished, that residences should be put back on that parcel.

Julie Cogburn responsed to Mr. Benton, stating the plan does not call for massive relocation of existing residents. She reviewed the land use plan map for Mr. Benton.

Tony Clarke-Sayer of 30 Blake Street, Chairman of the Montford Planning Committee, spoke in support of the Redevelopment Plan. He said it was his hope that the Montfor Planning Committee and the City staff could continue working together on this plan that will be a credit to the neighborhood and the City.

Mayor Bissette requested that Corporation Counsel Slawter and Julie Cogburn meet with Clarence Benton to review the map and Redevelopment Plan.

Councilman Boland said that he felt Council and the City staff should make every effort toward stimulating infill housing in the area as well as rehabilitation.

Mayor Bissette closed the public hearing at 5:11 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Upon motion of Councilman Bratton, seconded by Councilman Price, Resolution No. 87-45 was unanimously adopted.

Councilman Michalove said he was concerned about the large impact on financial resources in order to implement the plan. He requested that Council members go on record, that for at least the next three years, and as long as Community Development Block Funds are available, that the majority of the discretionary funds from Community Development go to the Montford redevelopment area. He said he felt this action would help to make the neighborhood feel that there is a commitment by the City beyond the $688,000 that has previously been appropriated. He requested that Council members adopt a motion relative to his request, particularly for the benefit of future Council members.

Mayor Bissette noted that the Corporation Counsel and Marvin Vierra with the Community Development Department, and Councilman Michalove work on the wording of a motion relative to the use of the Community Development funds for the Montford Redevelopment plan for action at next week's meeting.

ORDINANCE NO. 1624 - AN ORDINANCE AMENDING ARTICLE 13 OF CHAPTER 30 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO CREATE THE BILTMORE VILLAGE HISTORIC DISTRICT AND TO INCLUDE THE CHESTNUT-LIBERTY HISTORIC DISTRICT

4. Consideration was given to the third reading of Ordinance No. 1624, an ordinance relative to amending Article 13 of Chapter 30 of the Code of Ordinances of the City of Asheville to create the Biltmore Village Historic District, and to include the Chestnut-Liberty Historic District.

LAWSUITS - GRACE BALLEW VS. CITY OF ASHEVILLE (PERSONAL INJURY)

8. The City Manager said the City was served on March 9, 1987, with a lawsuit involving Grace Ballew vs. the City of Asheville in regards to a personal injury - fall on stairs at Civic Center.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES

8. Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

PRESENTATION OF ASHEVILLE SCHOOL BOARD NOMINATIONS

9. Mayor Bissette presented the following names as candidates for appointment to the Asheville School Board. He said the entire list would be posted in the City Clerk's office.

Mayor Bissette said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety. He said any individual requesting a copy of the resolution will be furnished one at no cost.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 87-46 was unanimously adopted.

Complete text of Resolution No. 87-46 will be found in Resolution Book No. 16 at Page 298.

RESOLUTION NO. 87-47 - RESOLUTION OF INTENT TO CLOSE AN UNNAMED ALLEY BETWEEN PICKWICK ROAD AND AN UNNAMED ALLEY IN REAR OF LOTS FRONTING PICKWICK ROAD AND CALLING A PUBLIC HEARING ON QUESTION FOR APRIL 28, 1987

6. Consideration was given to a Resolution of Intent to close an unnamed alley between Pickwick Road and an unnamed alley in rear of Lots fronting Pickwick Road and calling a public hearing on the question for April 28, 1987.

Mayor Bissette said a petition has been filed by David L. and Mary G. Evers, owners of property adjoining an unnamed alley between Pickwick Road and an unnamed alley in the rear of property fronting Pickwick Road, asking that said unnamed alley adjoining Lots 146 and 148 of Ward 8, Sheet 2, of the Buncombe County Tax Maps, also shown as Lots 11 and 12 of Plat Book 5, Page 79 of a plat recorded in the Register of Deeds Office of Buncombe County, be permanently closed to public use. The unnamed alley is under the sole and exclusive authority and control of the City of Asheville and not the North Carolina Department of Transportation. The permanent closing of said unnamed alley will not be either detrimental to or contrary to the public interest or the property rights of any individual and no individual owning property in the vicinity of the unnamed alley will be deprived of reasonable means of ingress and egress to his property.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Upon motion of Councilman Boland, seconded by Vice-Mayor Frank, Resolution No. 87-47 was unanimously adopted.

Complete text of Resolution No. 87-47 will be found in Resolution Book No. 16 at Page 299.
